1 That '70s Season how Season 01

1.1 Episode 01: That '70s Pilot

- 1 - Eric, it is time.
- 2 - Why don't you do it?
- 3 - It's your house. Your house.
- 4 - Listen to them up there.
- 5 - The party has reached critical mass.
- 6 - In 10 minutes, there will be no more beer opportunities.
- 7 - If my dad catches me copping beers, he'll kill me.
- 8 - I'm willing to take that risk.

9 - Don't worry about it.
10 - Just remain calm,
11 - keep moving...
12 - And above all,
13 - don't get sucked into my dad's hair.
14 - What's wrong with your dad's hair?
15 - Just don't look at it.
16 - And, Eric...
17 - Cold.
18 - Definitely cold.
19 - Young and beautiful
20 - someday your looks will be gone
21 - Oh! Oh! Watch it, Eric. Hot pizza rolls.
22 - Coming through. Hot. Hot.
23 - Kitty, where are you?
24 - Ok. Take 2. There's plenty. There's plenty coming.
25 - Is everybody good?
26 - I know. I know.
27 - Vienna sausages are so versatile.
28 - Love will keep US together
29 - love will keep US together
30 - Hi there, Eric. Ha ha ha ha ha!
31 - Eric: Mr. Pinsiotti.
32 - So, Eric, how do you like pop's new hair?
33 - Isn't it groovy?
34 - It's incredibly groovy, Mrs. Pinsiotti.
35 - Ah, yeah.
36 - It was midge's idea.
37 - It's a perm.
38 - Eric.
39 - Hi, dad.
40 - What the hell happened to Bob's hair?
41 - Beats me.
42 - His head looks like a poodle's ass.
43 - Boy, just when you think you've seen everything...
44 - A poodle's ass walks into your party.
45 - Eric, don't use the "ass" word.
46 - You're still in high school.
47 - Yes, sir.
48 - Ok. Pigs in a blanket. Hot. Hot.
49 - Kitty, is that your Toyota in the drive?
50 - Red...
51 - A Toyota?
52 - Yeah, it's mine.
53 - The last time I was that close to a Japanese machine,
54 - it was shooting at me.

55 - Well, honey, it is the gas crisis. What can you do?
 56 - And you know, Bob,
 57 - those s.O.B.S at the dealership
 58 - offered me a lousy 400trade – *inonavistacruiser*.
 59 – *Ah, whatyougonnado?*
 60 – *It'llrustinthedrivewaybeforeItradeitin.*
 61 – *Honey, itisrustinginthedriveway.*

101 – *whoa, yeah*
 102 – *Hello, Wisconsin!*
 103 – *Wow, marcia. A football in the face.*
 104 – *That's gotta hurt.*
 105 – *Ouch! My nose!*
 106 – *That's gonna be huge in the morning.*
 107 – *Huger than my boobs?*
 108 – *Well, bigger than the left one.*
 109 – *Why are we watching this without the sound?*
 110 – *I am totally confused.*
 111 – *Here. Use the earphone.*
 112 – *So...*
 113 – *What's the deal with thevistacruiser?*
 114 – *The deal is, there is no deal yet.*
 115 – *Shh!*
 116 – *How are we gonna get to the concert?*
 117 – *Shh! Shut up.*
 118 – *What concert?*
 119 – *Uh...*
 120 – *Todd Rundgren.*
 121 – *When?*
 122 – *This weekend.*
 123 – *Oh. Who's going?*
 124 – *Uh...*
 125 – *Eric and Donna and me and Hyde*
 126 – *and the foreign kid Fez.*
 127 – *That's pretty much everybody.*
 128 – *And you.*
 129 – *Oh.*
 130 – *Good. Good. Good. Good.*
 131 – *Thank you for telling me, Michael!*
 132 – *Well, I'm getting a soda.*
 133 – *Yep. Me, too.*
 134 – *Sit down.*
 135 – *You don't want me to go to the concert. Is that it?*
 136 – *I didn't know if you liked music.*
 137 – *Michael!*
 138 – *I didn't invite you to the concert*
 139 – *because I know you really don't like my friends.*
 140 – *Did you tell them that?*
 141 – *No.*
 142 – *Michael, don't tell our private conversations*
 143 – *to other people, Michael.*
 144 – *We have to have our own private conversations.*
 145 – *Also, I didn't think you'd be interested in Todd Rundgren.*
 146 – *Like you said, he's no frampton.*

147 – *I love Todd Rundgren.*
 148 – *I have the 45 of hello, it's me.*
 149 – *Remember the night we listened to it?*
 150 – *We can have fun at the concert,*
 151 – *especially in the car on the way back.*
 152 – *Ok, you can go.*
 153 – *Only if you want me to.*
 154 – *Oh, I want you to.*
 155 – *Jackie...*
 156 – *I guess you're going to the concert with US.*
 157 – *Yeah!*
 158 – *Mm – hmm. I can't wait.*
 159 – *So, Michael,*
 160 – *you want to go back to my house*
 161 – *and listen to Todd Rundgren records?*
 162 – *Yeah. Sure.*
 163 – *Ok. Bye.*
 164 – *You kids have fun! Bye!*
 165 – *Bye – bye now!*
 166 – *Oh, they're so darn cute.*
 167 – *The minute you turn your back,*
 168 – *they go and like dogs.*
 169 – *Ooh, they're frisky.*
 170 – *You can't leave them alone.*
 171 – *No.*
 172 – *You know...*
 173 – *My sister thinks that we...*
 174 – *Shouldn't be left alone.*
 175 – *US?*
 176 – *Yes.*
 177 – *We're alone now.*
 178 – *Well...*
 179 – *Yeah.*
 180 – *Eric...*
 181 – *Relax.*
 182 – *We've lived next door to each other forever.*
 183 – *You could have had me when I was 4.*
 184 – *Really?*
 185 – *And there I was all day long on the hippity – hop.*
 186 – *Stupid! Stupid! Stupid!*
 187 – *Stupid!*
 188 – *Stupid.*
 189 – *Ever since yesterday,*
 190 – *I can't stop thinking about you.*
 191 – *I mean,*
 192 – *I've known you practically my whole life.*

193 – *I want you.*
 194 – *I want you so bad.*
 195 – *Eric, it's a car.*
 196 – *Let's just leave these 2 kids alone.*
 197 – *Yeah.*
 198 – *Say, hey there, Donna.*
 199 – *Hey, dad.*
 200 – *Ah, you kids.*
 201 – *Standing around the driveway.*
 202 – *It's so darn cute.*
 203 – *You know, you may not realize it,*
 204 – *but this is the most fun you're ever gonna have.*
 205 – *So it's all downhill from here, sir?*
 206 – *Yeah.*
 207 – *What happened to your dad's hair?*
 208 – *He got a permanent.*
 209 – *So that's permanent?*
 210 – *Baby, baby, baby, baby, baby, oh*
 211 – *I may not say this right because I am new to English...*
 212 – *But she has tremendous breasts, yes?*
 213 – *Michael, who is this guy?*
 214 – *Oh, that's Fez.*
 215 – *He's a foreign exchange student.*
 216 – *Who did we exchange for him?*
 217 – *Donna, I have to go to the ladies' room.*
 218 – *Donna!*
 219 – *I, too, must go to the bathroom.*
 220 – *Eric?*
 221 – *No, it... Doesn't work that way with guys.*
 222 – *Kelso, how much longer*
 223 – *are we gonna have to deal with the whole*
 224 – *Jackie experience?*
 225 – *Don't worry.*
 226 – *I'm breaking up with her.*
 227 – *Never gonna happen.*
 228 – *It's over.*
 229 – *She's scuttin' into my free time.*
 230 – *I...*
 231 – *Am hooked on a feeling*
 232 – *I'm high on believing*
 233 – *So, is red still thinking about giving you the car maybe?*
 234 – *Haha.*
 235 – *Even if we do get it,*
 236 – *we're gonna need some serious gas money,*
 237 – *'cause the cruiser's a boat.*
 238 – *I know it's a boat.*

239 – *This whole gas shortage bites.*
 240 – *Who's getting a boat?*
 241 – *There is no gas shortage, man.*
 242 – *It's all fake.*
 243 – *The oil companies control everything.*
 244 – *Like, there's this guy who invented this car...*
 245 – *That runs on water, man.*
 246 – *It's got a fiberglass, air – cooled engine*
 247 – *and it runs on water.*
 248 – *So it is a boat.*
 249 – *No, it's a car.*
 250 – *Only you put water in the gas tank instead of gas.*
 251 – *Hahahaha.*
 252 – *And it runs on water, man!*
 253 – *I never heard of this car.*
 254 – *Hey, Jackie's good for gas money.*
 255 – *You are such a whore.*
 256 – *When does the boat get there, whore?*
 257 – *Eric!*
 258 – *Yeah, dad?*
 259 – *I need to talk to you!*
 260 – *Eric...*
 261 – *Your mother and I have been talking.*
 262 – *Since I've been cut back to part – time at the plant...*
 263 – *And the, uh, the hospital is so close,*
 264 – *I can take the Toyota to work,*
 265 – *and your mom can take the bus.*
 266 – *Honey...*
 267 – *Honey, really, I'd rather walk.*
 268 – *When I ride the bus in my nurse's uniform,*
 269 – *people always show me their scars.*
 270 – *Then I'll drop you off on my way to the plant.*
 271 – *Well, no. I don't want to be any trouble.*
 272 – *Then Eric can drop you off.*
 273 – *He's a teenager. He doesn't want to drop off –*
 274 – *well, if he can't drop his own mother off at work,*
 275 – *then I'll be damned if he's getting a car.*
 276 – *Ok.*
 277 – *Excuse me.*
 278 – *Am I getting the car?*
 279 – *We didn't say that.*
 280 – *Things don't just drop into your lap, Eric.*
 281 – *Not in this life.*
 282 – *A car is a responsibility.*
 283 – *You'll need insurance.*
 284 – *Do you have any idea how much insurance is?*

285 – *Acaris a privilege.*
 286 – *Oil changes, road flares...*
 287 – *Fluids. That's your job!*
 288 – *Acaris not a bedroom on wheels.*
 289 – *Always yield. Always.*
 290 – *Lori's friend got pregnant in a car. Don't let that happen.*
 291 – *If I find one beer can in that car, it's over.*
 292 – *And no doughnuts, either.*
 293 – *Ants.*
 294 – *So...*
 295 – *Do I get the car?*
 296 – *Bitching! Eric.*
 297 – *Not in front of your mother.*
 298 – *Thank you, pop...*
 299 – *Sir.*
 300 – *Yeah. Well...*
 301 – *Clean the attic.*
 302 – *Kelso, that's sweet.*
 303 – *Actually, I'm riding shotgun.*
 304 – *No, you're not.*
 305 – *Well, I'm not riding in the back.*
 306 – *Why don't we let Eric decide?*
 307 – *Eric?*
 308 – *Kelso...*
 309 – *Get in the back.*
 310 – *Taking it for a spin, eh?*
 311 – *Yes, sir.*
 312 – *Well, have a good time.*
 313 – *Oh, uh...*
 314 – *One more thing.*
 315 – *Very important. About the car.*
 316 – *She's sold, so...*
 317 – *Not a trip out of town.*
 318 – *Ever.*
 319 – *Understood?*
 320 – *Well...*
 321 – *Have fun.*
 322 – *Well, I guess that's that. We're not going.*
 323 – *Eric, do you want to go?*
 324 – *He said not a trip out of town.*
 325 – *It's your car. Do you want to go?*
 326 – *He's god.*
 327 – *I think God would want U.S. to go to Milwaukee.*
 328 – *Eric, you are a 17-year-old man.*
 329 – *I'm gonna go with whatever you say.*
 330 – *It's your decision.*

331 – *It is my decision.*
 332 – *And my decision is...*
 333 – *We're going to a concert.*
 334 – *Yeah!*
 335 – *Oh.*
 336 – *The kids are off.*
 337 – *I wonder where they're going.*
 338 – *Out of town.*
 339 – *Are you sure?*
 340 – *Of course.*
 341 – *I told them not to.*
 342 – *So I guess they'll be gone for a while.*
 343 – *Yeah.*
 344 – *Let's go.*
 345 – *I'm telling you, we're out of gas.*
 346 – *We're not out of gas.*
 347 – *It's the battery.*
 348 – *It's 6 years old and shot to hell.*
 349 – *I know what.*
 350 – *I'll just call my dad.*
 351 – *Kelso, tell her.*
 352 – *He can't take the car out of town.*
 353 – *I'm not calling his dad.*
 354 – *Jackie...*
 355 – *Parents talk to each other*
 356 – *about how we screw up.*
 357 – *Why would he talk about that?*
 358 – *They can't help it.*
 359 – *Look, say there's a party, see.*
 360 – *And all four parents are there. Together.*
 361 – *Hi, red. Say, isn't it great*
 362 – *all our kids are such good friends?*
 363 – *Yes, Jackie's dad.*
 364 – *They're just the gang of young people. Hahahaha!*
 365 – *Kitty, I love what you've done with the kitchen!*
 366 – *Yes. Aqua and yellow. Blah, blah, blah.*
 367 – *Yak, yak, yak.*
 368 – *Speaking of kids,*
 369 – *wasn't it lucky triple – a pulled Eric's butt out of the fire*
 370 – *when he took the car to Milwaukee without your permission?*
 371 – *What?*
 372 – *Why, that twisted little monkey.*
 373 – *I'm grounding him for 10 years.*
 374 – *Kids. What are you gonna do?*
 375 – *I say we torture them*
 376 – *with plenty of pointless rules and advice.*

377 – *Hey, everybody,*
 378 – *let' shustle.*

1.2 Episode 02: Eric's Birthday

1 - Does it bother anybody else that these women
 2 - live in Hooterville?
 3 - Technically, Petticoat Junction
 4 - is down the track from Hooterville.
 5 - Okay, does it bother anybody else...
 6 - that they live down the track from Hooterville?
 7 - It bothers me that they bathe in the town water tank.
 8 - With the dog.
 9 - It isn't the drinking water. It is the water for the train.
 10 - It's still three naked women with a dog.
 11 - I want to be the Hooterville dog.
 12 - Yoo-hoo! Coming down.
 13 - Now don't mind me.
 14 - I'm just putting some clothes in.
 15 - Eric, honey...
 16 - I thought you could wear this on your birthday. It's nice.
 17 - You look so handsome in it.
 18 - Why would I want to dress nice on my birthday?
 19 - It's your birthday?
 20 - Oh, you never know what's going to happen
 21 - on your birthday.
 22 - Mom... Mom, do not throw a party for me.
 23 - Oh, well, listen to Mr. Popularity.

24 - Like I have time to plan you a party.
25 - Oh, um, by the way...
26 - uh, your sister, Laurie, is
27 - coming home from college for the weekend.
28 - No special reason. She just is.
29 - Well, you're getting a party.
30 - And best of all, it's a surprise.
31 - I just realized, Donna's older than you.
32 - - Only by a month. - Good for you, Eric.
33 - Good for me, what?
34 - In my country...
35 - it is good luck
36 - to fall in love with an older woman.
37 - Fez... Fez.
38 - No, they come with livestock.
39 - Hanging out
40 - Down the street
41 - The same old thing
42 - We did last week
43 - Not a thing to do
44 - But talk to you
45 - Whoa, yeah
46 - Hello, Wisconsin
47 - - Morning. - Morning.
48 - Uh-uh.
49 - I'll get it.
50 - Uh-uh.
51 - I'll get it.
52 - Did I just see about seven bags
53 - of potato chips in there?
54 - They were on sale.
55 - Please, don't throw me a party.
56 - I'm not throwing a party.
57 - - Don't give him one. - I'm not.
58 - He's too old for a surprise party.
59 - I'm agreeing with you.
60 - - Then stop yelling. - I'm not yelling.
61 - Look, I know money is tight,
62 - so I don't want a big birthday.
63 - I'll decide when money is tight.
64 - Now, what kind of gift do you want?
65 - Don't worry about the cost. As long as it's reasonable.
66 - Okay. I would like a cassette player for the car.
67 - A cassette. Not an eight-track.
68 - No eight-track, okay?
69 - You know, I don't know why they don't just

70 - put record players in cars.
71 - The point is,
72 - I don't want an eight-track tape player.
73 - - Then you won't get one. - Oh, but, honey, he wants one.
74 - No, I want a tape player, just not an eight-track.
75 - You'll get a Delco.
76 - A genuine GM part for your genuine GM car.
77 - It doesn't have to be a Delco. It's just for music.
78 - See, now there's your first mistake.
79 - Parts have to be compatible, Eric.
80 - You're not burning cheap gas in that car, are you?
81 - No, sir.
82 - Well, I'm going out.
83 - Good. Um...
84 - I want you to run to the store for me.
85 - Get a large can of frosting
86 - and 15 small bags of MM's. Plain, not peanuts.
87 - They're for your sister.
88 - That was close.
89 - - So? - What?
90 - What are you going to get Eric for his birthday?
91 - I don't know.
92 - Nothing seems right.
93 - I want to give him something special.
94 - He kissed you!
95 - Get in the car. Donna, get in the car
96 - so we can talk.
97 - Okay, what happened?
98 - Jackie, I'm not gonna talk to you about this.
99 - Then who are you gonna talk to?
100 - Okay.
101 - We get home from the Rundgren Concert
102 - and I'm sitting on the hood of the car,
103 - and I kissed him.
104 - French or American?
105 - I can't believe I'm talking to you about this.
106 - Guys, no.
107 - Okay, so...
108 - Look, I've lived next door to Eric my entire life
109 - and we talk about everything together.
110 - We love the same music, we love the Packers.
111 - Then I kissed him, and everything changed.
112 - Now I don't know if he's my boyfriend or best friend.
113 - If he's my boyfriend, I'd lose my best friend.
114 - If I screw it up, I lose both.
115 - Now I have to get him this gift and I don't know...

116 - Donna, Donna!
117 - I've solved it.
118 - Get him a scented candle.
119 - A scented candle?
120 - It's practical and romantic.
121 - Oh, yeah.
122 - Hey! Hey! Hey, hey, hey!
123 - I have the ball last. I win.
124 - No, you didn't win.
125 - Yes, I had the ball last and...
126 - Holy Mother.
127 - Hello, Laurie.
128 - Hello, Kelso. Hyde.
129 - Who is the goddess?
130 - The goddess is Eric's sister.
131 - She's not a goddess.
132 - She's more the earth mother whore type,
133 - which works for me.
134 - - Laurie. - Eric.
135 - - Shouldn't you put some clothes on? - Why?
136 - Aren't you a little cold?
137 - No, in fact, I'm hot.
138 - Oh, then why don't you go upstairs?
139 - I am waiting for my jeans to come out of the dryer.
140 - And I want you to stay off my case.
141 - It'll only take me a minute.
142 - I don't think Kelso's gonna last that long.
143 - Too bad. It's not like I'm
144 - completely naked under this.
145 - I'm wearing underwear. See?
146 - If we were at the beach, you wouldn't even notice me.
147 - If we were at the beach,
148 - Kelso would be in the water right now.
149 - So, I understand you have the wagon now.
150 - I want to borrow it tomorrow night, I need it.
151 - Okay. But I need a favor.
152 - For you? I don't think so.
153 - Come on.
154 - Look, just tell Mom I'm too old
155 - for surprise parties.
156 - But you're the baby, and Mama loves her baby.
157 - If you do it, you can borrow the Vista Cruiser.
158 - - All night. - All night?
159 - Fine.
160 - Then, it's a deal, baby.
161 - Yeah.

162 - Your sister wants me.
163 - I mean, you saw her coming on to me, right?
164 - Let him go.
165 - Remember? I said, "Hello, Laurie."
166 - And Laurie said...
167 - Hello, Kelso.
168 - I'm waiting and I want you.
169 - Baby. Take me now.
170 - I need it bad. I need it all night.
171 - And Mama loves her baby.
172 - I'm completely naked under this.
173 - And I'm hot for you, Kelso.
174 - What?
175 - You didn't see it?
176 - Get out of the yard!
177 - So, how's your friend Janice?
178 - Pregnant.
179 - Oh, she was such a nice girl. How does that happen?
180 - Well,
181 - first the egg travels down the fallopian tube to the uterus
182 - where it attaches to the wall.
183 - Eric, for God's sakes,
184 - that's no language for a woman to hear.
185 - It's okay, Red. I know
186 - what a fallopian tube is.
187 - I think Mom does, too.
188 - Well, I just don't like
189 - my little boy bandying those words about.
190 - You're still my baby.
191 - Thanks, Mom.
192 - Laurie?
193 - Quit staring at your sister and eat your carrots.
194 - Oh, yeah, Eric wanted me to tell you
195 - that he thinks he's too old for a party.
196 - Keys.
197 - There's no party.
198 - Laurie, loose lips.
199 - Oh, Laurie, I just remembered.
200 - I can't loan you the Vista Cruiser
201 - on account of I hate you.
202 - Laurie, you're not driving the Vista Cruiser.
203 - It's old and undependable.
204 - It could break down and you'd be at the mercy
205 - of any maniac who came along.
206 - It's okay for Eric, but you're taking the Toyota.
207 - Oh, and, uh, here's 20.

208 – *Will that cover gas?*
 209 – *Oh, well, it should. Honey, honey.*
 210 – *Give her another 10*, just in case.
 211 - You know, I could probably use some gas money.
 212 - Yeah, and if a frog had wings,
 213 - he wouldn't bump his ass when he hops.
 214 - Coming. I'm coming.
 215 - Donna?
 216 - Donna, it's 3:00 a.m. Are you crazy?
 217 - Crazy? Crazy in love with you.
 218 - What is it about you that drives me
 219 - wild with passion and desire?
 220 - Well, I am 17 now.
 221 - Shut up, and sit down.
 222 - I have to give you your birthday present.
 223 - It can't wait any longer.
 224 - Close your eyes.
 225 - This is my birthday present?
 226 - No, that's my nightgown.
 227 - I'm your present. Open your eyes, birthday boy.
 228 - Surprise!
 229 - Birthday breakfast.
 230 - And this is it, young man. A few gifts tonight, the end.
 231 - And it is too late to change your mind about a party now.
 232 - So don't think you're getting one
 233 - or you will be sorely disappointed.
 234 - Happy birthday.
 235 - You know, the lawn's not gonna cut itself.
 236 - Thanks, Mom, Dad.
 237 - Hey, little brother. Nice tent.
 238 - Look, I know what you're all doing here.
 239 - What are you talking about, man?
 240 - We're just hanging out. Like always.
 241 - Except we're dressed nice.
 242 - But that doesn't mean anything.
 243 - Hi, kids. Um...
 244 - I need your help with something.
 245 - Jackie, Donna, Michael, Steven...
 246 - young man with an accent, could you give me a hand?
 247 - Not you, Eric.
 248 - God, I can't take it.
 249 - - But I... - No.
 250 - - No, I... - No.
 251 - Eric? Eric, honey.
 252 - Honey, could you come up here for a second?
 253 - Shut up. He's coming.

254 - Surprise!
 255 - Wow!
 256 - I mean, yeah.
 257 - It's an eight-track tape player.
 258 - - I see that. - Just what you asked for.
 259 - You made such a big deal about it, I wrote it down.
 260 - - Cassettes. Great. Thanks, Hyde. - You're welcome.
 261 - Oh! Let's put them in the eight-track and play them.
 262 - Hey, it's a hot-shave dispenser.
 263 - Oh, he won't need that for a long time.
 264 - A long, long time.
 265 - Of course he will. He's almost like a man.
 266 - - I got you something. - No.
 267 - Donna, help me find my purse... now!
 268 - Jackie, you didn't even bring a purse.
 269 - Duh.
 270 - You can't give him your present
 271 - in front of his guy friends.
 272 - I am one of his guy friends.
 273 - Look, Donna, I have put
 274 - a lot of thought into this gift.
 275 - Please do not wreck this for me.
 276 - I'm sorry. I guess I was being selfish.
 277 - It's okay.
 278 - Okay, it's time we disappeared.
 279 - What? Honey, the party just started.
 280 - I know. That's why we're going over to Bob's.
 281 - Well, I wanted to give Eric a party. - And you did.
 282 - You make a mess, you're all grounded.
 283 - You darn kids.
 284 - Well, you know, what if they run
 285 - out of ketchup or something.
 286 - - Let's go. - Okay. We have more buns
 287 - and, uh, sweet pickles if you don't like the dill.
 288 - Okay, I'd love to stay, but I'm leaving.
 289 - Hey, buy us some beers? We'll pay double.
 290 - Do you really think that beer
 291 - will make your little party better?
 292 - Yes.
 293 - I admit it would give you young people
 294 - a sense of maturity...
 295 - but it would be a false maturity,
 296 - and that would be wrong.
 297 - So you're not going to do it?
 298 - Of course not.
 299 - Now, I'm going off to join my legal friends

300 - at a party with a keg. Bye.
 301 - So, Laurie...
 302 - where's the party? You know, maybe we'll
 303 - cruise by later.
 304 - In your dreams, you idiot.
 305 - Okay, you guys had to see that.
 306 - Three fours, I need them.
 307 - Bob is very good at Yahtzee.
 308 - - The liquor cabinet. - It's locked.
 309 - - What if there's an emergency? - They'll call.
 310 - - What if they run out of chips? - They'll starve.
 311 - I'm gonna fix myself a Tom Collins.
 312 - Red?
 313 - - No, Kitty needs one. - I am just so worried.
 314 - Oh, my Lord. Laurie's leaving.
 315 - Well, honey, she's in college.
 316 - She doesn't want to hang around with them.
 317 - Well, maybe I should make a call, just in case...
 318 - Kitty, what could happen?
 319 - What could happen?
 320 - Well, plenty could happen.
 321 - Oh, plenty.
 322 - Now that the adults are gone,
 323 - we can be as bad as we want.
 324 - Who wants to give Eric a venereal disease?
 325 - Hey, look. Coasters.
 326 - Forget coasters!
 327 - Please, fellas...
 328 - my mom put out coasters for a reason.
 329 - I think I'm gonna put my drink
 330 - directly on the furniture.
 331 - That way, it will leave a ring.
 332 - No!
 333 - Why, oh, why didn't I beg my mother to stay?
 334 - Quiet, you silly American.
 335 - I am making a long distance call
 336 - on your parents' phone.
 337 - But that's immoral.
 338 - Ha! In my country of...
 339 - Wherever it is I am from, I can never tell.
 340 - Morals get in the way of a good dirty time.
 341 - But first, I need to eat some chips.
 342 - What? Out of chips?
 343 - Now I am mad.
 344 - I must shoot something.
 345 - Not the littlest hobo!

346 - Why?
347 - You're over-reacting.
348 - Oh, Kitty, when Valerie
349 - went off to school, I felt the same way
350 - but this little book of poems helped me.
351 - It's called, "Verses from an empty nest."
352 - Read her that one about
353 - - the little bird that lost its way. - Ooh, yeah.
354 - "The little bird that once did sing
355 - "is now alone with broken wing."
356 - Oh, God.
357 - Yep, that sounds nice.
358 - I need a refill.
359 - But, honey, usually you only drink one.
360 - Well, tonight I'm having two.
361 - Wait on the porch, and I'll get Eric.
362 - It's dark out there.
363 - And you're giving him a candle. Yeah.
364 - - Here, matches. - He might not want to light it.
365 - Don't say that. Don't even think it.
366 - Now, when he opens it, he'll say cool or something.
367 - And then you give him a look like this.
368 - So, what did you get from Donna?
369 - Nothing, yet.
370 - Oh.
371 - Maybe it's the big gift.
372 - You know, the really big gift.
373 - You guys know what I'm saying
374 - when I say, "the big gift," right?
375 - Yeah, we got it.
376 - And we got it.
377 - I'm not even from here and I got it.
378 - Oh, Eric.
379 - Donna's on the porch.
380 - He's getting the big gift!
381 - Oh, a sand candle. This is very cool.
382 - Oh, it's nothing.
383 - Are you okay?
384 - Oh, I'm fine. Yeah.
385 - 'Cause you, you had a look like you might be
386 - sick or something.
387 - I am just being completely stupid.
388 - Hey, that's my job.
389 - I was worried about the gift.
390 - Why? This is a very cool gift.
391 - I'd light it if I had matches.

392 - Oh. Here.
393 - You thought of everything.
394 - Well... Happy birthday.
395 - Aw!
396 - Look at this.
397 - Oh!
398 - We never thought to put a candle out here.
399 - Oh, it is just so romantic.
400 - Let's keep moving.
401 - There's nothing to see out here.
402 - Thanks, Dad.
403 - Oh. We have candles in the bedroom,
404 - don't we?
405 - This is it. He's going for it.
406 - Oh, no.
407 - It's his birthday, she should kiss him first.
408 - She did last time.
409 - - What? - Nothing.
410 - Shut up and watch.
411 - Come on, Forman, go for it.
412 - The door's open, we can hear you.
413 - We can see you.
414 - Is he kissing her?
415 - None of us can see them, Fez.
416 - Eric, are you kissing her?

1.3 Episode 03: Streaking

1 - Push. Push.
2 - Come on, you gotta push it.
3 - - How much longer? - 10 seconds.
4 - You gotta push harder or it's not gonna work.
5 - This is so stupid.
6 - It's not stupid. You're gonna love it.
7 - I'm not, not gonna love it.
8 - Okay, that's time.
9 - Step away from the door.
10 - - Ah! - Oh!
11 - Kelso, you're a genius.
12 - Yeah, well, it's magic.
13 - Oh, my God. Finally.
14 - I am so dehydrated.
15 - Oh, here. Piggly-Wiggly Diet Creme Soda.
16 - I told you my top three choices were Tab, Fresca, or Diet Rite.
17 - Again, you get Piggly-Wiggly Diet Creme Soda.
18 - Then I'll just have water.

19 - You know, there's a hose in the backyard.
20 - I've noticed that the pop selection has really went downhill
21 - since your dad got laid off.
22 - He's not laid off, he's just part-time.
23 - And shut up.
24 - Kids.
25 - Kids, kids, kids, kids, kids, kids, kids...
26 - The President is coming.
27 - What President?
28 - The President of these United States, Gerald R. Ford, the 36th...
29 - Eighth... 40th...
30 - I don't know. He's the President.
31 - Why would Ford come to Point Place?
32 - Because we are a whistle stop along
33 - his Wisconsin campaign trail. My dad organized it.
34 - Dear, the next time
35 - you know a president is coming to town,
36 - please give me a little more notice. I need to vacuum.
37 - Eric, you tidy up this basement.
38 - A pie! I gotta make a pie!
39 - Wow. The President's coming.
40 - You know what we should do? That door thing again.
41 - Yeah!
42 - Hanging out
43 - Down the street
44 - The same old thing
45 - We did last week
46 - Not a thing to do
47 - But talk to you
48 - Whoa, yeah
49 - Hello, Wisconsin!
50 - - So how's the car? - Real good.
51 - By real good, you mean you rotated those tires
52 - like I asked you to?
53 - Dad, don't they rotate every time I drive?
54 - - You being a smart mouth? - Yes, and I'm sorry.
55 - Tuna casserole again?
56 - Well, okay, how about we don't pay the car insurance
57 - and we'll all have steak?
58 - All right.
59 - Well, just imagine, President Ford is coming here.
60 - Uh, Red, we need to get rid of the oil stains in the driveway.
61 - It's not like he's coming to our house.
62 - And if he did, I'd kick him in the keister.
63 - Stop it. How can you say that? You voted for Gerald Ford.
64 - Kitty, no one voted for Gerald Ford.

65 - But he still is our President.
 66 - Oh, the boy's old enough to hear that kind of talk.
 67 - Eric, say that your job was sent to a plant in Guatemala-who-the-hell-cares.
 68 - Now, are you gonna vote for the guy that let that happen?
 69 - Red, President Ford didn't take your job. He took Nixon's.
 70 - Eric, we're waiting.
 71 - Um...
 72 - Well...
 73 - I believe that everyone's political opinion is valid and worth hearing.
 74 - Well, that's... That's perfect, Eric.
 75 - Use that line when you run for Miss America.
 76 - Settle down and we'll start the assembly.
 77 - Now, concerning the canned goods drive.
 78 - Motor oil is not a food.
 79 - I'm sorry, it's not. And all your booing isn't gonna make it one.
 80 - Now... As you all know,
 81 - President Ford will be visiting our fair city.
 82 - And I know there are some of you ne'er-do-wells out there
 83 - that might be planning some sort of,
 84 - quote-unquote, social statement-type protest.
 85 - I can't believe this. Who cares if Ford is coming?
 86 - It's better than when the Oscar Mayer Weeniemobile drove through.
 87 - They didn't even stop.
 88 - They just slowed down and threw a bunch of hot dog whistles at us.
 89 - Two girls in a phallic RV.
 90 - Driving around, handing out things you blow.
 91 - What a great country.
 92 - So let me tell you another thing,
 93 - Mr. or Mrs. Punk.
 94 - Protesting accomplishes nothing.
 95 - Oh, sure,
 96 - you might see a chance
 97 - to prove your manhood
 98 - or show you're cool,
 99 - but this is our President.
 100 - Our President, darn it!
 101 - So no shenanigans, you hear me?
 102 - And if that's your kind of attitude,
 103 - you might just as well go home right now.
 104 - So President Ford should be arriving at noon.
 105 - Oh, man! Deviled eggs.
 106 - Are... Are these for anybody?
 107 - Hi, Daddy. Hi, Mr. Pinciotti.
 108 - - Hi. - Hi, kitten.
 109 - Now, look, we're talking about adult stuff here.
 110 - Why don't you and your friend head up to your room?

111 - Now, the most important part of our presidential rally
 112 - is the townspeople "Q A" section.
 113 - Just so everyone's clear,
 114 - the "Q" stands for "Question", the "A" for "Answer."
 115 - All yours, Jack.
 116 - This is where normal folks step up to the microphone
 117 - and ask the President questions.
 118 - Now, the important thing is to choose the right person, you know.
 119 - A working-class guy. Your average Joe.
 120 - I guess someone you and I would call a loser.
 121 - So, of course, I thought of you.
 122 - We'd like you to ask President Ford a question.
 123 - So what do you say to that?
 124 - I say, no, thank you,
 125 - and I want my crescent wrench back.
 126 - - I'll do it. - No, no. You keep working on your pies.
 127 - Just imagine, Red, you, the little guy,
 128 - get to have your opinions heard by the most powerful man in America.
 129 - Take advantage of this opportunity.
 130 - Turn that light off.
 131 - Sorry.
 132 - Look, guys, we gotta do something that says we will not pay homage
 133 - to a corrupt electoral system.
 134 - I know. A bloody coup.
 135 - That's good,
 136 - but we're looking for something great.
 137 - Something that would make our founding fathers proud, man, you know?
 138 - - Let's streak! - Bingo!
 139 - Yeah!
 140 - I've always wanted to do that,
 141 - just run buck naked through a sea of people.
 142 - Be free and shake it around.
 143 - All right, who's in?
 144 - Will people be chasing us with torches and pointy sticks?
 145 - - No. - Then I am in.
 146 - Great! Eric?
 147 - - Are you in? - Okay, streaking. I'm...
 148 - Don't get me wrong, I'm completely pro-nudity,
 149 - but I think my dad might kill me, and I'm anti-being killed.
 150 - Hey, if there wasn't some huge downside
 151 - to doing something this stupid,
 152 - it wouldn't be worth doing, you know?
 153 - Good point.
 154 - Oh! And I could write some really great slogan like
 155 - "I hate the fuzz" on my ass.
 156 - If you hate the fuzz on your ass,

157 - why don't you just shave it off?
158 - Who, me? Ha ha ha!
159 - Pretty snazzy, eh?
160 - Looking good, Dad.
161 - I got one for you, too.
162 - We're gonna wear them to meet the President.
163 - No. No way.
164 - Honey, you're missing the big picture.
165 - Let me go get the other jumpsuits. You'll see.
166 - Mom, why are you doing this?
167 - Honey, there are lots of things I do to make your father happy
168 - that I don't really like.
169 - Mom, ugh!
170 - No, not that. I love that.
171 - I meant like fishing.
172 - See? When we stand together, we're the American flag.
173 - I'm not wearing a striped jumpsuit.
174 - Oh, no, honey. You're the field of blue.
175 - Bye, now.
176 - But, Donna, you're part of the family.
177 - Oh, my, this hurts.
178 - - Yello. - Good news, Bob.
179 - I've been thinking about it, and I've decided I will ask Ford a question.
180 - Oh, jeez, Red. This is good news.
181 - And I could sure use it right about now.
182 - Yeah, well, glad I could help.
183 - Oh, I'm gonna ask him a question, all right.
184 - And it's gonna be a damn good one.
185 - Red.
186 - Now, don't worry.
187 - I'm simply gonna ask him how the hell he's gonna fix this economy.
188 - Oh, honey, he wouldn't know that.
189 - He's the President.
190 - All this food for 45 cents, it is unbelievable.
191 - Oh, I see.
192 - So, Forman, the rally's tonight, man. What's your decision?
193 - Yeah, are you gonna streak or not?
194 - Don't pressure him.
195 - No, I've been doing some thinking, and I'm in.
196 - - All right. - Well, you're gonna look like a bunch of idiots.
197 - A bunch of naked idiots.
198 - Thanks, Kelso.
199 - Look, we must keep this quiet.
200 - It can't go beyond this table.
201 - If my father finds out what we've planned, he will nail me to the wall.
202 - Why are you all sitting on one side of the table, huh?

203 - Okay, now.
204 - Make way for my Presidential pies.
205 - See? Cherry, mock apple, blueberry.
206 - See that? Red, white, and blue.
207 - It's like the beginning to Love, American Style in pie.
208 - Look. Lookit.
209 - See, honey, you're not looking.
210 - Yeah, pie.
211 - Here, Dad. Mr. Pinciotti wanted me to give you this.
212 - - What is it? - It's your question for President Ford.
213 - But I'm working on my question for President Ford.
214 - Right. Well, this is the one the committee made up for you.
215 - "What has been your favorite parade?"
216 - This is asinine.
217 - - Macy's? - No contest.
218 - Right.
219 - Can I borrow your trench coat?
220 - I can ask the President any damn thing I want.
221 - It's my right.
222 - I'm not gonna be a puppet for Bob's committee.
223 - Right, I'll take real good care of it
224 - and I'll bring it back as soon as I possibly can.
225 - Honey, just take the coat and leave.
226 - No. Eric, a man
227 - has to stand up and be heard.
228 - I will not sit quietly by
229 - while everything is taken away from me.
230 - They took my job, my stability.
231 - Now they want to take away my right to free speech.
232 - You still have the Toyota, it gets great mileage.
233 - Where is the America that I knew as a boy?
234 - Where?
235 - You tell me, dear God, where?
236 - Okay, I really hate being in this room right now.
237 - Okay, when the President starts his speech here,
238 - I'll blow my Oscar Mayer whistle and we go.
239 - Did you write, "I hate the fuzz" on your butt?
240 - Yeah.
241 - Donna, here's your lipstick back.
242 - Keep it.
243 - - You got the masks? - Yeah, I got three Snoopys and one Nixon.
244 - Not it.
245 - Damn. Fez, how'd you know how to do that?
246 - My country invented "not it."
247 - So can we go already?
248 - I'm itching to release the hound here.

249 - It's go time.
 250 - Oh, well, now look at you guys.
 251 - What is it with you young people and Columbo?
 252 - Bye.
 253 - Bye.
 254 - Aren't you going, Donna?
 255 - No. My dad's gonna make me wear this really queer jumpsuit.
 256 - I don't know if I can do it. It's just too embarrassing.
 257 - You know, Donna, my grandmother came from Sweden,
 258 - and she had this thick, thick accent,
 259 - and it embarrassed me to no end.
 260 - Well, I asked her not to come to my high school graduation
 261 - 'cause I didn't want my friends to hear her talk,
 262 - and she didn't come.
 263 - Sixteen years later, she got the gout and died.
 264 - You see?
 265 - No.
 266 - All families are embarrassing.
 267 - And if they're not embarrassing, then they're dead.
 268 - All right, try and blend in, huh?
 269 - ...see you alone like that,
 270 - so I came over and here you are.
 271 - Hey, you hitting on my girlfriend?
 272 - Michael, he's not...
 273 - Hey, man! All right, you wanna go? Come on!
 274 - Yeah, let's go, cowboy!
 275 - - You are so lucky I'm naked, pal. - Shut up.
 276 - There's supposed to be a blue field of stars there.
 277 - Oh, honey.
 278 - Now, if we just start to sway back and forth,
 279 - it'll look like the flag is waving in the wind.
 280 - Oh, God.
 281 - Hey, there's another guy in a trench coat.
 282 - I bet he's a streaker, too.
 283 - Fez, he's with Secret Service.
 284 - - How about that man? - Yeah, Secret Service.
 285 - - And that man? - Yeah.
 286 - And that man with the dog? - Yeah.
 287 - - Oh, the dog is looking at us. Come here, boy. - No, Fez!
 288 - Oh! Man, I just thought of something.
 289 - What?
 290 - What are we going to do with our trench coats?
 291 - I mean, after we rip them off, we can't come back here and get them.
 292 - - Oh! - Oh, shucks.
 293 - God, this is all my fault. You know what?
 294 - I'll hold the coats. You guys streak.

295 - - Thanks. - Thanks.
 296 - I just thought of something, too.
 297 - We're naked, and there's a lot of dogs here.
 298 - Maybe we should just sit down.
 299 - - I'm in. - Me, too.
 300 - - Me, too. - Okay.
 301 - Ladies and gentlemen...
 302 - ...the President of the United States of America,
 303 - Gerald R. Ford!
 304 - Ooh!
 305 - Yay!
 306 - Ooh!
 307 - Yay!
 308 - Ooh!
 309 - Hey. What are you doing hiding over... Oh, okay.
 310 - Back off. I am a flag.
 311 - Are you gonna streak?
 312 - No, we took a vote and it's unanimous.
 313 - We're all very chicken.
 314 - That's too bad. It's been a while since I've seen you naked.
 315 - - You've never seen me naked. - Like a zillion times.
 316 - When we were kids, you were always running around the neighborhood
 naked,
 317 - screaming, "Wee, wee! Pee, pee!"
 318 - Now it's time for the "Q A" portion of our program.
 319 - First up, I'd like to introduce Red Forman.
 320 - Red is a father of two wonderful children,
 321 - and how he's managed to keep them clothed and fed
 322 - while being cut back to halftime at the plant is beyond me.
 323 - But he doesn't blame the President for his misfortune.
 324 - No, sir. He only blames himself.
 325 - I give you Red Forman.
 326 - Mr. President...
 327 - I...
 328 - I...
 329 - Come on, Red.
 330 - Your dad is bombing.
 331 - Wee, wee! Pee, pee!
 332 - Wee, wee! Pee, pee!
 333 - Hey, Gerry.
 334 - Here's my question.
 335 - How the hell could you pardon Nixon?
 336 - - Hey, son. - Hi, Dad.
 337 - Hey, um, good job at the rally today.
 338 - Not bad.
 339 - I kind of stumbled there at the start,

340 - but I think I nailed him with a good one.
341 - Well, anyway, it was...
342 - It was pretty cool.
343 - Yeah, well,
344 - sometimes a man's gotta do what he thinks is right.
345 - Yeah, I'm gonna call it a night.
346 - All right, son.
347 - Good night.
348 - Good night, Dad.
349 - Oh, and, uh,
350 - next time, don't wear black socks.
351 - You look like an ass.
352 - How could they not catch you?
353 - I guess no one wants to tackle a naked guy.
354 - So true.
355 - Hey, you didn't, uh...
356 - You didn't see anything, did you?
357 - No.
358 - Well,
359 - maybe just a bit.
360 - But not the bit.
361 - Wait, what do you mean "bit"?

1.4 Episode 04: Battle of the Sexists

1 - I'm waiting.
2 - Forget it.
3 - Just say it and she'll go home.
4 - Fine.
5 - You're right, Jackie, the Fonz could beat up Bruce Lee.
6 - Thank you. Now, Michael, call me tonight at 8:00.
7 - - But that's when Chico and the Man is on. - I know.
8 - But I like it when you describe it to me.
9 - Oh, do your Chico impersonation.
10 - I don't think these guys really want to hear my...
11 - - Sure we would. - Go ahead, Michael. By all means. Please.
12 - All right.
13 - Looking good!
14 - I love this!
15 - Hey, Kelso, quick question.
16 - Why can't you date someone a little less annoying?
17 - Like who?
18 - - What about Barbara Vansen? - She's just as annoying as Jackie.
19 - - Yeah, but her boobs are huge. - So?
20 - Do you find that annoying?
21 - Pam Macy.

22 - Now she's got some knockers, baby.
 23 - True, but they're not bigger than Barbara's.
 24 - - Yeah, they are. - You're dreaming.
 25 - It's like comparing Exodus and Deuteronomy,
 26 - both of which have taught us very valuable lessons.
 27 - Oh. Hi, Dad.
 28 - Damn dryer's broken.
 29 - Ah, nuts. I need my vice grips.
 30 - Have you seen Pam in a tube top?
 31 - It's like you're looking at the Grand Tetons.
 32 - In a tube top.
 33 - Look, the issue isn't, are Pam's big, right?
 34 - The issue is, are they bigger than Barbara's?
 35 - Because Barbara's are bigger than the walls of Jericho,
 36 - which, as we all know, came tumbling down, right?
 37 - - Hello, Mrs. Forman. - Hi. Eric, did your father come down here?
 38 - - Yeah, he's fixing the dryer. - Oh, dear.
 39 - You know, ever since the plant cut back his hours,
 40 - he spends all his time fixing things.
 41 - Things that don't need fixing.
 42 - Things I need. Things I use. Things I love.
 43 - I gotta go hide the crock pot.
 44 - Sounds like your dad is losing it.
 45 - If he's like this now, he's gonna be a total headcase
 46 - if they shut down the plant.
 47 - He's going to be this pathetic guy
 48 - with breasts the size of watermelons!
 49 - Is what Moses said to the Egyptians.
 50 - Kelso, go home.
 51 - Hanging out
 52 - Down the street
 53 - The same old thing
 54 - We did last week
 55 - Not a thing to do
 56 - But talk to you
 57 - Whoa, yeah
 58 - Hello, Wisconsin!
 59 - Forman has the ball.
 60 - He fakes left. He fakes right. The crowd is on their feet!
 61 - They're chanting, "Forman! Forman!"
 62 - That's game.
 63 - - I've got winners. - No, I've got to go.
 64 - It's almost 8:00, and I've got to call Jackie.
 65 - Looking good!
 66 - Shut up.
 67 - Pinciotti has the ball. Forman guards her closely.

68 - She tries to shake him, but she can't.
 69 - Pinciotti actually scores! Hell freezes over!
 70 - - A monkey types Hamlet! - One nothing.
 71 - Losers out.
 72 - Pinciotti, the underdog, up by five.
 73 - She fakes right. She fakes left. She fakes right, then left.
 74 - She fakes faking right and fakes left. Now she's actually...
 75 - - Donna, what are you doing? - Running out the clock.
 76 - There is no clock.
 77 - Sucker.
 78 - And that's game! Man, what a slaughter.
 79 - I just wiped the court with you, from one end to the other.
 80 - I gotta go inside, but I'll leave the light on.
 81 - I don't want you to gloat in the dark.
 82 - Well, hey, Eric, don't you want your balls back?
 83 - Okay, now look, that's a little uncalled for.
 84 - Oh, uh, yeah. Thanks.
 85 - Is this table wobbling?
 86 - I don't think so.
 87 - No, it's definitely wobbling.
 88 - Well, honey, anything will wobble if you shake it hard enough.
 89 - Give me a hand, Eric. We're gonna flip this table over.
 90 - Honey, we're eating. We're eating.
 91 - Yeah, let's just put a sugar packet under it.
 92 - Sugar packet?
 93 - That's what's wrong with this country, Eric.
 94 - Nobody wants to roll up their sleeves and work.
 95 - They're all looking for their sugar-packet solution.
 96 - Well, not me. I'm getting the saw.
 97 - Mom, has Dad gone crazy?
 98 - I'm afraid so, dear.
 99 - Donna beat you in basketball?
 100 - Is this true, Eric?
 101 - Yeah.
 102 - What, is that a big deal?
 103 - Of course not.
 104 - Unless Donna happens to be, you know, a girl.
 105 - Especially a girl you love.
 106 - You know, in my country, if a woman beats you,
 107 - it makes her want you.
 108 - Really?
 109 - Yes, but this is America, wuss.
 110 - Wuss, wuss, wuss, wuss. Wuss, wuss, wuss, wuss.
 111 - Kelso. Kelso!
 112 - Would you stop that?
 113 - Wuss, wuss, wuss, wuss, wuss!

114 - Wait, wait, wait. What about Kelso?
115 - I mean, Jackie has him totally whipped.
116 - Whipped like the family pig.
117 - I am not pig-whipped.
118 - Where do you even get that stuff?
119 - Are you kidding?
120 - Michael, call me at 8:00.
121 - Michael, do your Chico impression.
122 - Michael, rub oil on my thighs while I spank you.
123 - Please, someone else talk now.
124 - - I think we got it. - That's lovely, Red.
125 - - Solid as a rock. - It sure is. Thank you.
126 - Now, um...
127 - Why don't you go watch TV while I get lunch ready?
128 - Kitty,
129 - take your hand off of that melon.
130 - You know, you haven't gone fishing...
131 - Kitty, take your hand off that melon.
132 - Well, I gotta get back to work.
133 - Midge, this table is a little wobbly.
134 - Stick some sugar packets under it, will you?
135 - Hello?
136 - Oh, my God! Oh, my God! Oh, my God!
137 - Donna, it's for you.
138 - Hello?
139 - You beat Eric at basketball! How could that happen?
140 - So I beat Eric at basketball. What's the big deal?
141 - Eric will never be your boyfriend if you keep beating him at stuff.
142 - Okay, it is like in West Side Story.
143 - Now, if Maria beat Tony at one-on-one,
144 - they would have never fallen in love.
145 - Yeah, and Tony never would have been killed in that knife fight.
146 - And neither will Eric if you're not careful.
147 - No. Don't worry about it. Someone will stab Eric. Bye.
148 - Honey, I think your annoying friend is right.
149 - - What? - Certain things change.
150 - Eric and I have been playing games our whole lives.
151 - And sometimes he wins and sometimes I win.
152 - No, I mean the rules change.
153 - Women have to pretend to be weak and fragile
154 - so that men can feel superior.
155 - That's insane.
156 - If women don't learn to stand up for themselves,
157 - men will always control the world.
158 - Oh, honey, men don't control the world.
159 - - Shush! - Okay, I'll see you later.

160 - Honey, could you open this jar for me?
 161 - Sure thing, pudding.
 162 - I'm so lucky to have my big, strong grizzly bear around.
 163 - First of all, yuck.
 164 - Second, things don't even work like that anymore.
 165 - That's what the Equal Rights Amendment is for.
 166 - That's good, dear. You stick to your principles.
 167 - And 40 years from now,
 168 - you can tell all your cats how you won a basketball game.
 169 - Okay, she was going like, "That is so gross!"
 170 - And I went like, "It takes one to know one!"
 171 - And she was, like, "Nuh-uh."
 172 - And I went, "Yeah, uh-huh."
 173 - Uh-huh.
 174 - Man, are you still on the phone? Come on, let's go.
 175 - - I can't. - The movie starts in five minutes. Let's go.
 176 - I can't.
 177 - Wuss.
 178 - Jackie, hold on.
 179 - Okay, I'll tell her there's an emergency,
 180 - and I gotta go.
 181 - She'll buy that, right?
 182 - Yeah, except for one thing.
 183 - Jackie? Jackie?
 184 - - Don't be her whipped pig. - Yeah, look,
 185 - she hung up on you. Let's go. You call her later, okay?
 186 - Yeah, she hung up on me. Let's go.
 187 - Yeah! Way to be, way to be. - That's right.
 188 - - Do you want to play air hockey? - With you?
 189 - I'd love to, but I'm kind of tired,
 190 - and my wrist hurts, and I think I'm coming down with the flu.
 191 - Well, it's just as well. I'm pretty bad at it.
 192 - - You know, one game isn't going to kill me. - Okay.
 193 - - You serve first. - Okay.
 194 - Whoa! No way you could stop that.
 195 - That was going so fast, you couldn't even see that.
 196 - I saw that.
 197 - Whoo.
 198 - Well, that's game.
 199 - That's...
 200 - That's great.
 201 - - Are you okay with that? - Sure.
 202 - Bingo.
 203 - - Crud. - No. Now look.
 204 - We'll get rid of these chairs and we will sit on the floor
 205 - like those nice Japanese people in Flower Drum Song.

206 - I'll have to make new legs for that damn thing.
 207 - I'll be in the garage if you need me.
 208 - Okay, now, you take your time and you do a good job.
 209 - You call me if you need anything.
 210 - Shh!
 211 - I mean, if...
 212 - Is it me, or is that refrigerator too loud?
 213 - What refrigerator?
 214 - Red, there is no noise.
 215 - There is no noise.
 216 - You'll be swell
 217 - You'll be great
 218 - Gonna have the whole world on a plate
 219 - - Hey, nice shot. - Thanks.
 220 - - You want to play? - I don't know.
 221 - Okay, why not?
 222 - Look, game's to 21. I'll take it out first.
 223 - Have you been practicing?
 224 - Well,
 225 - a little.
 226 - My goodness, what a super shot.
 227 - Donna, what are you doing?
 228 - I'm
 229 - losing to you, you big, strong grizzly bear.
 230 - Donna, you're intentionally throwing the game.
 231 - - I'm throwing the game? - Donna!
 232 - I didn't want you to feel bad about losing to a girl again.
 233 - Well, thanks, 'cause being pitied is so much better.
 234 - God, I can't believe you care about this.
 235 - All I did was beat you at a few lousy games.
 236 - A few? No, two. Try two lousy games. Not a few. Two.
 237 - And I don't care. So please leave my property.
 238 - As long as you don't care.
 239 - God!
 240 - Have you been standing there the whole time?
 241 - No, I came out to get one of your father's tools.
 242 - He's in there working on my refrigerator.
 243 - So I gather you and Donna are going through a rough patch.
 244 - No, Mom, we're in a school play
 245 - about two people who hate each other.
 246 - Oh. Okay, Mr. Smartmouth,
 247 - but when you get older, you are going to realize
 248 - that it's pretty silly to get upset about losing a game to your girlfriend.
 249 - You know what? I don't want to talk to you about this.
 250 - Well, you know what? I don't want to talk to you about this.
 251 - But I will tell you one thing.

252 - Your father and I have played many games over the years,
253 - and we never kept score and we always had fun.
254 - Now what did I come out here for?
255 - Oh.
256 - Your father's fixing my refrigerator.
257 - Red, honey, forget the refrigerator.
258 - There's something wrong with the garage door.
259 - Michael.
260 - We need to talk.
261 - And I am over here.
262 - Oh God. What am I gonna do?
263 - Well, you could, and I know this is a radical suggestion,
264 - but be a man?
265 - You're right, Hyde.
266 - No more excuses.
267 - She will crush him, yes?
268 - Like the spirit of your Mayan forefathers.
269 - My forefathers were not Mayan.
270 - Like anyone cares.
271 - So, Michael.
272 - So, Jackie.
273 - I didn't mean to make you hang up on me.
274 - I'm sorry. It will never happen again.
275 - That's okay. You were obviously under a bad influence.
276 - Yeah.
277 - I'm thirsty. Michael, get me a pop.
278 - Oh, yeah.
279 - I'm sorry. I remember saying, be a man, not be a wuss.
280 - I am ashamed to know you.
281 - Uh-huh.
282 - Uh-huh.
283 - All right, all those who are getting some, hands up.
284 - Anybody else?
285 - Getting some? Hyde? Fez?
286 - Yeah.
287 - What are you doing?
288 - Oh, just shooting some hoops, waiting for an apology.
289 - Well, when you think of one, I'll be glad to hear it.
290 - Okay, look,
291 - we're both acting like jerks. I'm sorry.
292 - Yeah, I'm sorry, too.
293 - You know, maybe we shouldn't play basketball anymore.
294 - Or any games, for that matter.
295 - Yeah, maybe.
296 - End of an era, huh?
297 - Hey, remember when we were 8

298 - and I beat you at wrestling?
 299 - That was fun.
 300 - Donna, you sat on my chest and made me eat a clump of dirt.
 301 - - All right, screw it. You want to just play? - Yeah, I do.
 302 - Hey, you're not going to make me eat a clump of dirt again, are you?
 303 - We'll see.
 304 - Forman has the ball. He fakes left, he blows by Pinciotti.
 305 - Pinciotti leaps on his back!
 306 - What do you want?
 307 - - Give me the ball! - What do you want?
 308 - You want it? You want it? You want some of this?
 309 - Okay, foul?
 310 - So now suddenly we're calling every little thing?
 311 - - What are you doing? - Reaching for a clump of dirt.
 312 - No. Don't.
 313 - - Must reach clump of dirt. - Not while I still breathe.
 314 - - What? - Nothing.
 315 - Donna!
 316 - You gotta go.
 317 - - That's my dad. - Right.
 318 - - See you. - Bye.
 319 - - Hey, wait. Who won? - I wasn't keeping score.
 320 - Cool. Me, neither.
 321 - Well, that was pretty sad, Eric.
 322 - What?
 323 - Come on, I'm going to teach you how to play basketball.
 324 - We got four hours till your bedtime,
 325 - and we are gonna drill, drill, drill.
 326 - But I thought that Mom needed your help.
 327 - I can't hear you, Eric, I'm ironing.
 328 - We'll start you off with 100 squat thrusts.
 329 - - Dad, we don't even know who won. - She did. Now hit it.
 330 - One.
 331 - Two.
 332 - Three.
 333 - Four.
 334 - 98.
 335 - 99.
 336 - 100.
 337 - Okay. Let's play.
 338 - So Barbra Streisand became this huge star, right?
 339 - But Kris Kristofferson could not take it anymore,
 340 - so he drinks and drinks and crashes his car.
 341 - Isn't that romantic?
 342 - Say, "Yes, it is."
 343 - Yes, it is.

344 - Oh, I just love romantic movies, don't you?
345 - "Yes, I do."
346 - Yes, I do.
347 - You know what would be a good romantic scene in a movie?
348 - That night we had by the reservoir when we went skinny-dipping.
349 - Remember?
350 - "No, describe it to me."
351 - No, describe it to me.
352 - Michael, you're so bad.
353 - Okay, the water was really cold,
354 - so when I dove in, well, you know.
355 - No, I don't know.
356 - Michael!
357 - - Um, Dad, about this table... - Eric.
358 - What about the table?
359 - Just that it is so darn great, Red.
360 - I think I ought to shave down the legs.
361 - No, that would just ruin it, Red.
362 - For God's sakes, I know how to cut the legs off a table.
363 - You're telling me.
364 - What was that?
365 - Nothing, sir.

1.5 Episode 05: Eric's Burger Job

1 - Ooh. I just want to hear the guitar solo one more time.
2 - Not again. Use the headphones.
3 - Good. Now, wrap the cord around your neck.
4 - Would you guys respect me if I worked in the town dump?
5 - The town dump? No.
6 - Now, the state dump...
7 - Why are you looking for a job?
8 - Everything costs money. Gas, clothes,
9 - fun.
10 - Dates. Dates cost money.
11 - No, Kelso, that is prostitution.
12 - Dating is prostitution, man.
13 - Only you don't always get what you pay for.
14 - Said the man who's never had a girlfriend.
15 - What, you guys don't remember Esther, the biker chick?
16 - Hey, whatever happened to her?
17 - She's dating my uncle.
18 - Well, I'm going home for dinner.
19 - Oh, by the way, Mom and Dad are going to the Playboy Club
20 - at Lake Geneva this weekend.
21 - Do you guys want souvenirs?

22 - - Ooh, ashtrays. - A woman.
 23 - Your parents are going to be out of town?
 24 - - Really? - Yeah.
 25 - I mean, I'll be babysitting my sister Tina all weekend.
 26 - Just me. Alone.
 27 - Watching TV.
 28 - I might order a pizza.
 29 - I got an idea!
 30 - We'll have a party at Donna's. A toga party!
 31 - Michael! Michael!
 32 - Maybe Donna doesn't want to throw a party.
 33 - Maybe she wants to be alone.
 34 - Yeah, just me, alone.
 35 - If someone happens to stop by, that'd be pretty cool.
 36 - So we're on. I'll bring the beer!
 37 - Donna, I have never been to an American party. May I come?
 38 - Uh, yeah, I don't care.
 39 - Uh, so, uh, Eric, are you gonna be there?
 40 - - What? Yeah. Sounds fun. - Cool. Catch you guys later.
 41 - Whoo-hoo-hoo!
 42 - Party at Donna's.
 43 - You are both so stupid.
 44 - Ow! Why?
 45 - This is a first. I actually agree with Jackie.
 46 - What? You're saying that I'm stupid?
 47 - Donna just put on the full court press, man, and you dropped the ball.
 48 - What are you talking about?
 49 - All she said was that she'd be alone Saturday night with a pizza.
 50 - Oh, God, I'm so stupid.
 51 - Hanging out
 52 - Down the street
 53 - The same old thing
 54 - We did last week
 55 - Not a thing to do
 56 - But talk to you
 57 - Whoa, yeah
 58 - Hello, Wisconsin!
 59 - So, Dad, the guys and I are thinking about getting jobs.
 60 - No, no, no. You have a job.
 61 - It's your job to get good grades,
 62 - go to college, graduate and leave me.
 63 - Kitty, when I was his age, I worked in a slaughterhouse.
 64 - It was a good experience. I learned how to use a hammer.
 65 - Uh, the new Fatso Burger's hiring people.
 66 - Jackie's dad owns it. I guess I could get a job there.
 67 - There is plenty of time later to get a job

68 - to grind the joy out of your life.
 69 - It's never too early. But let me tell you something.
 70 - Work is not about fun. It's about work.
 71 - It's about seeing how much crap you can take from the boss-man.
 72 - And then taking some more.
 73 - And remember... Hey, look at me.
 74 - Only quitters quit.
 75 - So, can I work?
 76 - Well, we're sure as hell gonna find out, now, aren't we?
 77 - So, big party Saturday night.
 78 - Whoopee.
 79 - I can't believe Forman missed all of those signals.
 80 - What signals?
 81 - Oh, no. Poor me,
 82 - all alone in my big house.
 83 - Just me and my nightie.
 84 - If only there was some scrawny little neighbor boy here.
 85 - He's not scrawny.
 86 - - You know, why am I even talking to you? - I'm all you got.
 87 - Oh, my God. So everybody knows?
 88 - I'm afraid so.
 89 - I just wanted to spend some time with him alone,
 90 - and now I can't.
 91 - How does that make you feel?
 92 - Frustrated. It's frustrating as hell.
 93 - I mean, I really put myself out there.
 94 - I see. And do you have trouble sleeping at night?
 95 - Sometimes, yeah, I do.
 96 - Do you think you'd sleep better
 97 - if you had a scrawny little neighbor boy up next to you?
 98 - Okay, let's hear it.
 99 - - Hello, my name is Eric Forman. - No, no, no, no.
 100 - Not with a loose hand. Firm.
 101 - Not like a fish. Again.
 102 - - Hello, my name... - No. Step into it.
 103 - - Stand up straight. - Straight up and hold the fish.
 104 - - Don't be a smartmouth. - Right. No smartmouth.
 105 - Hello, my name is Eric Forman.
 106 - And?
 107 - And...
 108 - Oh, oh, oh, um,
 109 - tell them about your junior achievement experience.
 110 - They could give a rat's ass about that.
 111 - Okay, show them your honorable mention from the science fair.
 112 - - Again? - Right, rat's ass.
 113 - Don't slouch.

114 - Wouldn't that fall under the "stand up straight" category?
 115 - See? That's a smartmouth.
 116 - You're fired, Mr. Smartmouth.
 117 - See? That's how that works.
 118 - First of all, people who work at Fatso Burger are special.
 119 - Now, I know you're looking at me and wondering,
 120 - "How do I get where Ricky is?"
 121 - Well, if you work hard, pay attention,
 122 - and use the proper finger-release technique
 123 - on the slant cup dispenser, you could be me.
 124 - Now, let's get started.
 125 - Why do you want a career at Fatso Burger?
 126 - I just think it will be a wonderful experience.
 127 - My girlfriend's dad owns it.
 128 - I love the uniforms.
 129 - To unionize the workers, man.
 130 - Tell me, what do you consider your best quality?
 131 - I'm a real people person.
 132 - I don't answer stupid questions.
 133 - I speak Dutch.
 134 - My eyes.
 135 - Oh, and I guess my butt, too.
 136 - Name something about yourself that you consider to be a weakness.
 137 - I allow people to boss me around.
 138 - I love chocolate.
 139 - I'm brutally honest. Pinhead.
 140 - Um...
 141 - - Where do you see yourself in five years? - Fatso Burger.
 142 - Covered in gold chains.
 143 - Rock star. Or, no, movie star.
 144 - No, yeah, rock star.
 145 - Prison.
 146 - Well, I'd like to thank you all very much for coming in.
 147 - Eric, welcome to the Fatso Burger family.
 148 - Oh, yeah!
 149 - - Oh, Daddy. I'm so sad. - Why, kitten?
 150 - Because Fatso Burger hired Eric instead of Michael.
 151 - - I know, kitten. - Why would they do that, Daddy?
 152 - Let me tell you a little story about Doofus and Diligent.
 153 - Doofus is friendly, but he doesn't follow directions well.
 154 - Now, Diligent always does his job by the book.
 155 - This is how the book says to do it. "Wipe left to right."
 156 - Uh-oh. Looks like a big order just came in.
 157 - "Let me help, guys," says Diligent.
 158 - "But wait a second. Where's Doofus?"
 159 - What do you know about that?

160 - Let's see what happens here.
 161 - "Uh-oh, I was in such a hurry to get back to work,
 162 - "I almost forgot."
 163 - Thatta boy, Diligent.
 164 - "Hey, there, Doofus.
 165 - "You're supposed to wash your hands after using the facility."
 166 - "Ha! No way, Diligent. That's for squares."
 167 - So Michael's a Doofus?
 168 - And how.
 169 - We expect you to be responsible when we're out of town.
 170 - - No parties. - And I want you to be nice to your sister.
 171 - Don't make Tina eat dirt. I mean it.
 172 - And no boys. They only want one thing,
 173 - and it's a dirty, dirty thing they want.
 174 - Enough said.
 175 - Looking sharp, Eric.
 176 - - You gonna be around this weekend? - Yes, sir.
 177 - Good. Make sure no guys are hanging around Donna, Capisce?
 178 - - So, I got a job. - Yeah?
 179 - Yeah, it seems I'm really Fatso Burger material.
 180 - And I really wish I hadn't just said that.
 181 - No, it sounded cool.
 182 - Um...
 183 - So, are you still coming to the party on Saturday?
 184 - Well, I work late on Saturday night, but...
 185 - I mean, if I get off early I could, like, swing by.
 186 - Sounds good.
 187 - Yeah, I mean, it might be really late,
 188 - so, like, everyone else might be gone.
 189 - Well, um, you know,
 190 - if I'm still up, I could leave the light on
 191 - if you want me to.
 192 - Yeah. No, I mean, yeah, that would be great.
 193 - 'Cause that way, with the light on, I couldn't... fall.
 194 - Yeah.
 195 - - Okay. - Yeah.
 196 - - Okay. - Sounds good.
 197 - - Okay. - Yeah.
 198 - Hey, Donna.
 199 - - That light? - Yeah.
 200 - - Cool. - Okay.
 201 - Bye, Mom.
 202 - Oh, Eric, I'm going to the reservoir. You wanna go?
 203 - Nope. I gotta work.
 204 - Eric, I'm meeting everyone at the hub. You wanna go?
 205 - Nope. I gotta work.

206 - Hey, Eric, I'm going to see a movie. You wanna go?
207 - Nope. I gotta work.
208 - Eric, I just got this new bikini, but I think it's too small.
209 - - Could I model it for you? - Nope.
210 - I gotta work.
211 - Hey, how's that mopping coming along?
212 - Well, I'm just happy to be part of the Fatso Burger family.
213 - You dumb ass.
214 - Hear, hear, my minimum-waged friend,
215 - I demand service.
216 - Welcome to Fatso Burger. How may I serve you?
217 - That is so sad, burger boy.
218 - You know, Jackie, I've been wracking my brain
219 - trying to figure out why this guy didn't hire me.
220 - Michael, I am so tired of hearing that. You still have me.
221 - - You know what I think it is? - What?
222 - I'm great-looking, and he's jealous.
223 - I'm telling you, Jackie, this body is a curse.
224 - Besides, if you worked here,
225 - you couldn't see me whenever I wanted you to.
226 - Lover.
227 - Oh, yeah!
228 - Please stop touching each other.
229 - It gives me needs.
230 - Are you ready to rock and roll?
231 - Toga!
232 - Hey, man, nice dress.
233 - You brought three beers, meathead?
234 - We'll share.
235 - Here's to our wasted youth, huh?
236 - Party.
237 - - Hey, Fez. - Good evening, Donna.
238 - Which of these ladies are easy?
239 - Donna, some of your creepy friends are using Dad's stereo.
240 - You guys, no one's allowed in the house!
241 - Hello, pretty lady.
242 - Hi!
243 - She's not a pretty lady, she's my sister, and she's 14.
244 - - You know, in my country... - It's illegal here.
245 - Oh, I see.
246 - Michael, you and I need to talk.
247 - Inside.
248 - Okay.
249 - I'm miserable. This party sucks.
250 - You know what'll make you feel better?
251 - A scrawny little neighbor boy.

252 - Why don't you take off, go see him, I'll watch the kids, huh?
 253 - Yeah. Thanks, Hyde.
 254 - You're welcome.
 255 - Welcome to Fatso Burger. How may I serve you?
 256 - - Honey, it's me. - I know. I have to say that.
 257 - Oh. Oh, Okay.
 258 - Well, I was on a break from the hospital,
 259 - so I thought I'd bring you some nice, hot soup.
 260 - Oh.
 261 - Oyster crackers.
 262 - Oh, thank God, something to eat.
 263 - - So, how's it going? - It's great.
 264 - - So, how's it going? - It's terrible.
 265 - - Mmm-hmm. - Yeah.
 266 - I'm exhausted, I'm behind on all my homework
 267 - and I think this polyester uniform is giving me a body rash.
 268 - Oh, oh, um, I swept the driveway for you.
 269 - Oh! Oh, Mom, I'm sorry. I forgot.
 270 - That's okay. You know what? Here, I'll do this.
 271 - You sit down and you eat your soup.
 272 - You know,
 273 - Eric, if you want to quit, your father and I will completely understand.
 274 - Did Dad tell you that?
 275 - Well, you leave your father to me.
 276 - You just worry about you.
 277 - Hey, Forman. Who said you were on break?
 278 - - I did. - And who are you?
 279 - - I'm his mother. - Good enough, then.
 280 - Michael, sit. We need to talk.
 281 - Whoa!
 282 - Ahoy, Jackie. Welcome aboard the USS Kelso.
 283 - You know, sometimes I'm beginning to think you're a real screw-up.
 284 - You see, one day, I want a house and kids, and maybe a chandelier.
 285 - And if you can't give me those things, Michael,
 286 - then this is all a big waste of time.
 287 - You just... You gotta try harder.
 288 - Wait, Michael, something feels wet.
 289 - "Dear Penthouse."
 290 - No, no! You popped the waterbed.
 291 - It must've been my roach clip.
 292 - Jackie, maybe they won't notice.
 293 - I am in love with a Doofus!
 294 - Hey.
 295 - Donna?
 296 - Oh, uh, welcome to Fatso Burger, how... Screw it.
 297 - - What are you doing here? - Oh, I was bored.

298 - Really? You left your own party to come see me?
299 - It's not much of a party without you there.
300 - - You're so queer. - Shut up.
301 - Um, Eric, the whole reason I told you
302 - my parents were going away was so we could hang.
303 - Together.
304 - - You know, alone. - Yeah.
305 - I know, it's just, uh...
306 - So, um...
307 - Look, Donna, I'm sorry, okay?
308 - I would love to come over, but this is my job.
309 - And, work isn't fun, you know?
310 - It's work.
311 - And only quitters quit.
312 - Well, as long as you know what's important.
313 - I'll, um, see you around.
314 - Well, what do you know, Kelso? We're out of beer.
315 - You know what?
316 - Forman's old man's got a fridge in the garage,
317 - and I know he's got beer in it.
318 - It was his idea.
319 - Remind me to kick your ass.
320 - Uh, hey, Red.
321 - Um, uh, is Forman around?
322 - Well, he sure as hell is not inside that fridge.
323 - Mr. Pinciotti, you're home.
324 - Good.
325 - Yeah, came back early.
326 - Yeah, missed the kids too much.
327 - What're you doing here?
328 - Oh, uh, I was just coming home from work,
329 - and I noticed that someone left your porch light on.
330 - You can't even see that from your house.
331 - - Good eye. - Thank you.
332 - You know, Eric, that's what I like about you.
333 - I ask you to look out for Donna, and here you are
334 - in the middle of the night hanging around the back door
335 - doing your job.
336 - You're a good guy, Eric. I don't care what they say about you.
337 - Ha! Gotcha.
338 - Goodnight now.
339 - Okay, well, I was just gonna...
340 - - Yeah, there you go. - Okay.
341 - Goodnight then.
342 - Goodnight, Eric.
343 - - Dad. - Eric.

344 - - Dad, I'm quitting my job. - You're quitting?
 345 - Yeah, I'm quitting.
 346 - I'm irresponsible, I'm a quitter,
 347 - and I couldn't kill a cow with a hammer.
 348 - So what do you say to that?
 349 - Everybody quits their first job, Eric.
 350 - It's no big deal.
 351 - What?
 352 - That's it?
 353 - I gotta say, Dad, I'm a little disappointed here.
 354 - - I mean, it wasn't a man's job anyway. - Red.
 355 - Well, come on, Kitty, it was a hair-net,
 356 - name-tag, nothing kind of a job.
 357 - Now, that's more like it.
 358 - It's just as well. It was cutting into your chores anyway.
 359 - You did a half-assed job sweeping the driveway.
 360 - I thought he did a wonderful job.
 361 - It didn't look wonderful to me.
 362 - Okay, then.
 363 - Sweep it yourself.
 364 - Hey, hey, hey, Forman. Where's that big Fatso smile?
 365 - Ricky, how did you start working at Fatso Burger?
 366 - Great story.
 367 - I was gonna go to college,
 368 - but they made me Assistant Manager,
 369 - just threw the money at me, so I never got to go.
 370 - But now I'm my own boss.
 371 - Well, that's not true. I answer to a lot of people.
 372 - Okay. I quit now.
 373 - - Oh, yeah, I certainly would. - Yeah.

1.6 Episode 06: The Keg

1 - Will this day ever end?
 2 - Yesterday did. But today's Friday. So, no.
 3 - Oh, God, it's Destroy and Giveback.
 4 - - Yeah, why do they call them that? - You're about to find out.
 5 - Hey, Foreplay.
 6 - Ohh!
 7 - I believe this is yours.
 8 - - You broke his pencil. That was great! - And you gave it back.
 9 - All right, enough horseplay.
 10 - Pipe down.
 11 - I said, pipe down!
 12 - Now, I've got an announcement before study hall.
 13 - Whoever burned their initials in the football field,

14 - I hope you're happy with yourself, punk.
15 - There will be no football practice today until we've reseeded.
16 - And I've watched that team, I'm not impressed, boy.
17 - Let me tell you, they need all the practice they can get.
18 - On a happier note...
19 - Eric?
20 - Donna?
21 - Do you need something to do?
22 - Actually, we need to be excused.
23 - Donna and I are taking pictures for the yearbook.
24 - Yeah.
25 - If you say so, Eric.
26 - You wouldn't lie.
27 - Well, I might.
28 - This is great. Eric Forman skips class.
29 - Yeah, well, danger is my middle name.
30 - Why are we moving?
31 - Mommy. - What are you guys doing in here?
32 - What are you guys doing in here?
33 - I cut class.
34 - Yeah, right. So was there like a fire drill or something?
35 - No, look, I do bad things.
36 - Look, I've ditched class before.
37 - Is Opie getting angry?
38 - What did I tell you about calling me Opie?
39 - Opie, look out for that keg in the middle of the road!
40 - Wow!
41 - It is a keg.
42 - Of beer.
43 - It must be a sign.
44 - Of beer.
45 - Oh, that's it. I'm cutting class every day.
46 - Hanging out
47 - Down the street
48 - The same old thing
49 - We did last week
50 - Not a thing to do
51 - But talk to you
52 - Whoa, yeah
53 - Hello, Wisconsin!
54 - How did you find it?
55 - We were driving down the road, man, and there she was.
56 - Oh, it was the beer in the headlights.
57 - That is my first American joke.
58 - Wow. How often do you find a mysterious keg of free beer?
59 - Only once in a while.

60 - You're right, Forman. Man, you are absolutely right.
61 - When God gives you a keg, you've gotta...
62 - Kill a virgin.
63 - No.
64 - Throw a party.
65 - Whoa!
66 - Go for it, Eric.
67 - Yeah, we'll throw a party. Gonna charge 2 bucks a head.
68 - 2 bucks a head.
69 - A keg is equivalent to seven cases, that's 168 beers.
70 - If we each drink three beers a piece...
71 - - No way. Sophomores gonna drink one, maybe. - True.
72 - Yeah. And the freshman, he's gonna drink a half.
73 - So that averages out to 1.5 beers per person,
74 - which means we can invite 112 people. That's 224 bucks.
75 - Cash.
76 - Which is decent.
77 - Okay, grab some ice out of the deep freeze, I'll grab the tub.
78 - That is one sweet mama.
79 - Yeah.
80 - Hey, gang.
81 - Oh, oh, don't mind me.
82 - Just came down to do an emergency presoak
83 - on my nurse's uniform.
84 - You remember Mr. Wilbur, the fireman?
85 - Well, he came in today with a sebaceous cyst,
86 - which is a, um, a pocket of fluid
87 - that's kind of like a pussy bath oil bead under the skin.
88 - And you think it's solid, but if you take an instrument
89 - and you pierce the core
90 - and then you apply pressure with your thumb...
91 - Well, hi, snicklefritz, what are you doing with the tub?
92 - Oh. The tub.
93 - We were just working on a class project.
94 - We're making a volcano.
95 - Snicklefritz.
96 - Out of ice? Well, I think it might melt.
97 - You heard her. Let's move it, gang.
98 - Okay, well, have fun.
99 - Guys, we've got to get the keg out of here.
100 - Where are we having the party?
101 - Beats me. If you guys need me I'll be with Jackie
102 - over at our secret make-out place.
103 - - Secret make-out place. - It's this vacant house over on Sherman.
104 - I mean, this place is great. It's totally private.
105 - I mean, you can get away with about anything there.

106 - So, if you guys find a place for that keg, let me know.
107 - I've got an idea!
108 - That's a Sylvania, isn't it, Red?
109 - You didn't buy that in my store, did you?
110 - No, Bob, I got a good deal on it.
111 - You got me.
112 - - You got me, Red. - Yeah.
113 - Well, I am just so excited.
114 - Rich Man, Poor Man.
115 - I missed the first episode.
116 - Here's the irony of the show, Kitty.
117 - The rich, safe guy is boring.
118 - It's the poor, rugged one, played by the very talented Nick Nolte
119 - who is so exciting.
120 - Well, super.
121 - Now, who would like a drink?
122 - Ooh!
123 - Let's do daiquiris.
124 - Ooh, I don't know if we have enough ice.
125 - Eric took a whole tub full.
126 - He took a tub of ice?
127 - Oh, the kids are making a volcano.
128 - Right, that's why Donna left with all the plastic cups.
129 - Plastic cups?
130 - Sure, plastic volcano cups.
131 - If I didn't know better, I'd say they were having a kegger.
132 - Oh, jeez!
133 - Let's go, Bob.
134 - Ooh, Rich Man, Poor Man, I love it.
135 - I just hope I don't get too emotional.
136 - Oh, so do I.
137 - Those kids could be anywhere.
138 - Needle, meet haystack.
139 - Look, they left the house in a wood-paneled ocean liner.
140 - We should be able to find them.
141 - Yep, it's a real asphalt jungle out here.
142 - The sun goes down, the rats come out.
143 - I lost my mailbox last year.
144 - Oh, yeah. You know what it is.
145 - The evil spilling over from Sheboygan.
146 - How many stories do you suppose there are in this naked burg?
147 - Eight, Bob. There are eight.
148 - Michael, this is our secret make-out place.
149 - I did not swipe the key from my mother's real estate office
150 - so that you could have a party.
151 - I know it's like a bonus.

152 - And I'm doing it for you, baby.
 153 - Okay.
 154 - Empty pool, empty house, full keg.
 155 - You sure know how to show a girl a good time.
 156 - Yeah, well, I don't color outside the lines often,
 157 - but when I do, jump back, Loretta.
 158 - I don't care when you ate, Fez, get in the pool now.
 159 - If I get a cramp, it will be on your head.
 160 - Okay.
 161 - Hurry up and drink your keg.
 162 - Hurry up and drink a keg?
 163 - Jackie, will you just mellow out?
 164 - I mean, this rules. We've got a keg, and soon everybody's gonna be here.
 165 - - Everybody? - Everybody who matters.
 166 - And for the first time, Jackie, that includes you.
 167 - No, get away from me!
 168 - You heard her, let's drink beer.
 169 - - Me first. - No way, I spotted it.
 170 - No, I saw it, too, I just didn't say anything.
 171 - You saw a keg and you didn't say anything?
 172 - Back of the line.
 173 - All right, how do you get the beer out?
 174 - - Through the tap. - What tap?
 175 - No!
 176 - Okay, we really need a tap here.
 177 - I got my Swiss Army knife.
 178 - Oh, great, we can whittle the beer out.
 179 - All right, look, they sell taps at the liquor store.
 180 - Yeah, and who's got the money to buy it, huh?
 181 - Why would I bring money to our secret make-out place, Michael?
 182 - Okay, I've got my gas money.
 183 - No, Eric, we're not going to take your gas money.
 184 - Hey, it doesn't matter.
 185 - By the end of the night, we'll have made over 200.
 186 - *Yeah.*
 187 - *Michael, how are we gonna make 200?*
 188 - I don't know.
 189 - Hey, who's buying the tap?
 190 - You buy, I'll fly.
 191 - No, Michael, you are... Michael, come back here!
 192 - Michael, I'm talking to you. Michael!
 193 - Welcome to the pool. I am your host, Fez.
 194 - 2, *please.*
 195 - *What is going on?*
 196 - *I didn't want to tell you before, Jackie,*
 197 - *but we've taken it upon ourselves to help your mom*

198 – *show of f the house at 2 bucks a head.*
 199 – *He's lying to Jackie, man.*
 200 – *I lie to Jackie.*
 201 – *You know, it seem to me that the scrawny little neighbor boy*
 202 – *is willing to engage in criminal acts*
 203 – *for that saucy red head next door.*
 204 – *Shut up. How do you know he's not doing it to impress his friends?*
 205 – *You know, peer pressure.*
 206 – *Because his friends aren't saucy.*
 207 – *Kelso's saucy.*
 208 – *Kelso? Please, I'm saucier than Kelso.*
 209 – *Then the door burst open wide*
 210 – *And my dad stepped inside*
 211 – *And he kissed my mama's face*
 212 – *And he brushed her tears away*
 213 – *Then night Chicago died*
 214 – *Would you turn that damn thing off?*
 215 – *Keep your eyes peeled for that Vista Cruiser.*
 216 – *Okey dokey.*
 217 – *Sorry.*
 218 – *Hey. See you got some new stein there.*
 219 – *Hi, I'm 25.*
 220 – *I know I look young, but my dad asked me to come down here*
 221 – *and pick up a tap for his keg.*
 222 – *And, uh, he's 43, so we're both legal. No problem there.*
 223 – *Uh, I'm not gonna be drinking the beer or anything.*
 224 – *'Cause I don't believe in it, but no offense to you.*
 225 – *I think selling liquor is a great thing. – Yeah, here you go.*
 226 – *Yeah.*
 227 – *'Cause I'm 25, right? – 'Cause you got money.*
 228 – *Yeah, but I am 25.*
 229 – *Don't need to be. Can't drink a tap.*
 230 – *No, I can prove it to you. I got my ID's out in the wallet.*
 231 – *Happens all the time. Take care.*
 232 – *– Yeah, but I... – Leave, now.*
 233 – *Yeah.*
 234 – *Kelshmo. What chagot there?*
 235 – *Boy, that was really funny,*
 236 – *that thing you did with my name, Kelshmo. I gotta go.*
 237 – *Oh! Aww.*
 238 – *I believe this is yours.*
 239 – *– You broke his thing. – And you gave it back.*
 240 – *– Yeah, that was great! – Yeah!*
 241 – *So you see what I'm saying about the poor man?*
 242 – *Yes, you have made your point. Many times.*
 243 – *He's a bad boy, he's had some rough breaks,*

244 – *butheisn'tbadinhissoul.*
 245 – *Okay.Okay.Enoughdaiquirisforyou.*
 246 – *Kitty,whatdoyoulookforinaman?*

 289 – *Thatwasawesome.*

290 – *But enough of this levity, wench!*
 291 – *We came here to have a party,*
 292 – *and as God is my witness, there will be a party.*
 293 – *Nope, I haven't sold a keg all day,*
 294 – *but a young guy did come in for a tap.*
 295 – *Young guy, huh?*
 296 – *Look, they got pinacolada in a can.*
 297 – *Bob, we're doing something here.*
 298 – *All right.*
 299 – *You know, I might have heard something about a party.*
 300 – *Can't recall.*
 301 – *Maybe Andrew Jackson could remind me.*
 302 – *Andrew Jackson, huh?*
 303 – *He's not in.*
 304 – *But Abe Lincoln's hanging out with the Washington twins.*
 305 – *Would they have any knowledge of the festivities?*
 306 – *So, are a wiseheimer, huh?*
 307 – *Well, let's see how smart you are*
 308 – *when I snap off your head!*
 309 – *Okay, okay, man.*
 310 – *They said something about a vacant house on Sherman.*
 311 – *I know that place. It's the vacant house on Sherman.*
 312 – *Good work, Starsky.*
 313 – *Let's roll.*
 314 – *Everybody in the deep end!*
 315 – *My mother is showing the house!*
 316 – *— Now? — People work.*
 317 – *Okay, quiet down, everybody.*
 318 – *The deck is new,*
 319 – *and this lovely tile walkway leads directly to the pool.*
 320 – *Which is filled with some of the local kids.*
 321 – *Heavily Caucasian.*
 322 – *It's a nice neighborhood.*
 323 – *Sometimes Bob pretends she's poor.*
 324 – *I call him Buster.*
 325 – *He knocks on the door, and I answer in my teddy.*
 326 – *And he says, "Does the rich lady need any help around the house?"*
 327 – *And I say, "I know something that needs attending to*
 328 – *in the bedroom."*
 329 – *I'll spare you the details,*
 330 – *but it ends in whoopee.*
 331 – *You know, this is as much fun to make*
 332 – *as it is to eat.*
 333 – *You know, speaking of which,*
 334 – *how do you get Bob to play those games?*
 335 – *I have a reward system.*

336 – *Huh?*
 337 – *You know, sometimes Red would wear a sailor's uniform.*
 338 – *Really?*
 339 – *Yeah, but he was in the Navy.*
 340 – *Ooh, kitty.*
 341 – *Does he still have his sailor's uniform?*
 342 – *Oh, no.*
 343 – *Just has the hat.*
 344 – *I stole my dad's stap.*
 345 – *Back from those thieves.*
 346 – *We were worried sick.*
 347 – *You had us driving all over town.*
 348 – *We missed Rich Man, Poor Man.*
 349 – *Excuse us, Red. – What are you doing?*
 350 – *– We're just gonna grab this keg... – Get out of here!*
 351 – *– We're not finished with this. – Neither are we.*
 352 – *Now, you take her home and you wait for me. That's an order.*
 353 – *Ditto.*
 354 – *Come here.*
 355 – *I can't stay mad at you with that cute face.*
 356 – *Get your ugly butt home.*
 357 – *My dad's gonna kill me.*
 358 – *You're always saying that.*
 359 – *Yeah, well, this time he's gonna kill me.*
 360 – *I mean, I cut class,*
 361 – *I trespassed, I had stolen beer*
 362 – *and then I swung into a pool full of copsona garden hose*
 363 – *carrying my dad's stap.*
 364 – *Yeah, that was so cool.*
 365 – *Really?*
 366 – *Really.*
 367 – *You looked dangerous.*
 368 – *Did I mention that I killed a guy in algebra?*
 369 – *Goodnight, killer.*
 370 – *Bring it on, Red.*
 371 – *I love that boy.*
 372 – *Eric's a good kid.*
 373 – *And that Donna's real sweet, too.*
 374 – *Man, that Donna's real hot.*
 375 – *– Hey, that's my daughter. – I'm just saying that...*
 376 – *You don't think I know what you're saying?*
 377 – *All right, Bob, it's time to go.*
 378 – *We'll just take...*
 379 – *Hey, hey, hey! Get out of here.*
 380 – *All right.*
 381 – *Fine.*

1.7 Episode 07: That Disco Episode

- 1 - The game is Anaconda. Big Ace.
- 2 - Eight ball. Red Lady. Jackson. Fiver. Wild Man...
- 3 - Oh, my God, Michael, they opened up a disco.
- 4 - Where at?
- 5 - In Kenosha.
- 6 - You can wear your David Bowie butt-huggers.
- 7 - Michael, that would be super.
- 8 - Laugh if you want, man, but my butt looks pretty good in those.
- 9 - Come on, are you guys crazy? I mean, a disco? No way.
- 10 - I don't know. It might be kind of fun to go dancing.
- 11 - Or we could go.
- 12 - I've got nothing. I fold.
- 13 - Man, if you're out, go make some popcorn.
- 14 - Take her with you.
- 15 - What is disco?
- 16 - Disco is from hell, okay?
- 17 - And not the cool part of hell with all the murderers...
- 18 - but the lame-ass part where the really bad accountants live.
- 19 - Excuse me, what are you doing?
- 20 - Looking at Kelso's cards.
- 21 - That's cheating.
- 22 - Eric, we can't find the popcorn!
- 23 - Hey, um... Donna, why don't you take a look at my cards?
- 24 - Then you won't have to wait for me to leave.
- 25 - No. Come on, take a look. Tell me what I have, you cheater.
- 26 - You've got nothing.
- 27 - Yeah, but I'm gonna bluff. So, watch out.
- 28 - Donna has stuff for Eric. Yes?
- 29 - Not stuff. Thing.
- 30 - Donna has a thing for Eric.
- 31 - Why do you have a thing for Eric?
- 32 - He makes me laugh, he doesn't ask me stupid questions...
- 33 - he's smart, and you know.
- 34 - No, I don't know.
- 35 - I know.
- 36 - It is because Eric is noble, and a woman wants her first lovemaking...
- 37 - to be in the arms of a man she can trust.
- 38 - Fez. Yes?
- 39 - Go make popcorn.
- 40 - Hanging out
- 41 - Down the street
- 42 - The same old thing
- 43 - We did last week
- 44 - Not a thing to do

45 - But talk to you
 46 - Whoa, yeah
 47 - Hello, Wisconsin!
 48 - Dad, I want to talk to you about my curfew on Saturday.
 49 - We're going to a disco in Kenosha.
 50 - Oh, dancing in Kenosha, that's quite a drive.
 51 - Can I push my curfew to 2:00?
 52 - Or 1:30?
 53 - Or 1:00? Done.
 54 - So, who's going?
 55 - Oh, Donna, I'm sure. They're practically dating.
 56 - Can I have some gas money?
 57 - Dating? Since when?
 58 - Mom, we're not dating.
 59 - Why not? She likes you.
 60 - Thanks, Mom. About that gas money.
 61 - Well, now, she's interested. I can tell.
 62 - And dancing is the quickest way to a gal's heart.
 63 - Remember, Red...
 64 - when we used to go dancing at the Avalon on Mackinaw island?
 65 - Oh, Mackinaw. Now, that's quite a drive. I'll bet the mileage is...
 66 - Volare
 67 - You see what you did?
 68 - You got your mother started.
 69 - Volare
 70 - Man, I can't believe you and Jackie
 71 - are dragging everybody to the disco.
 72 - It's so sad.
 73 - No, I'm just going to meet Kenosha chicks.
 74 - I'm breaking up with Jackie.
 75 - Oh, get a tall chick.
 76 - Because you and Jackie look so silly together.
 77 - Okay, that's all the deposit bottles. And the aluminum cans.
 78 - We've gotta have at least 1.15 *worth of gas*.
 79 - *Come on, my dad's got a ton of empties.*
 80 - *I can't believe they're gonna*
 81 - *waste all their money on a stupid disco...*
 82 - *when they could buy a really big bag...*
 83 - *Of caramels.*
 84 - *Not going to that disco, huh?*
 85 - *No. Phony people listening to crappy music*
 86 - *doesn't sound like my kind of time.*
 87 - *You can't dance, can you?*
 88 - *I can dance.*
 89 - *Oh, I don't think so, pal.*
 90 - *I can dance.*

91 – *Not on a step.*
 92 – *You're right. Not on a step.*
 93 – *Well, then you got a problem, son...*
 94 – *'Cause women wanna dance.*
 95 – *They always wanna dance. Always.*
 96 – *Why?*
 97 – *Because they can get close and wiggle their bodies around...*
 98 – *in front of a man in a safe atmosphere.*
 99 – *See, I don't really wanna wiggle around in public.*
 100 – *Well, of course not. You're a man. My point is, you're going to have to learn.*
 101 – *Otherwise, later on in life...*
 102 – *you're gonna be wiggling all by yourself.*
 103 – *Now, if you want...*
 104 – *I can help you out.*
 105 – *Okay, now, that was good. Okay, let's try it again.*
 106 – *Okay, now, left, right, left...*
 107 – *turn, and step. Okay.*
 108 – *I can't keep up with the music, Mrs. Forman.*
 109 – *Now, let's not get discouraged.*
 110 – *All right. I am just gonna turn this music off.*
 111 – *Now, you follow me.*
 112 – *Okay, you can do this. Okay.*
 113 – *Left, right, left...*
 114 – *turn and step.*
 115 – *Okay. No. Look at me, not at your feet.*
 116 – *Okay, you know what now, put your arm around me.*
 117 – *A little bit lower. Put your hand in the small of my back.*
 118 – *Feel how you can guide me?*
 119 – *Yeah.*
 120 – *Okay, left...*
 121 – *You're leading.*
 122 – *Okay, now, tell me where to move with your hands.*
 123 – *Uh – huh. Left, right, left...*
 124 – *turn, okay, eye contact in the turn.*
 125 – *Okay and dip.*
 126 – *Okay, well, now, let's just do it again.*
 127 – *Hello? Anybody home? I'm bringing back your thermos.*
 128 – *Oh. Put your hand there. Oh. That's perfect.*
 129 – *You are better than Red.*
 130 – *Oh, I am exhausted. That is sweaty work.*
 131 – *Mrs. Forman, I would really appreciate it*
 132 – *if maybe we didn't tell anybody about what we're doing here.*
 133 – *Oh, mum is the word.*
 134 – *Tomorrow after school, okay?*
 135 – *Thanks.*
 136 – *And, Steven, you were good.*

137 – *Okay, I thought about it, and I'm going to the disco.*
 138 – *Just on the off chance*
 139 – *they might mix up a little rock and roll, man.*
 140 – *Yeah, I have something to say.*
 141 – *I went to the mall today...*
 142 – *and I bought a pair of new shoes.*
 143 – *And they are the coolest kicks in the cave.*
 144 – *So, no more for Kelso. He's toasted.*
 145 – *I would like some toast if you are making some.*
 146 – *Or food of any kind would be good. I am starving.*
 147 – *Oh, I read somewhere*
 148 – *there are these people in India who fast, man.*
 149 – *Yeah.*
 150 – *And their minds are so advanced,*
 151 – *they can actually think themselves to death, man.*
 152 – *Whoa. I hope I'm not doing that right now.*
 153 – *My mind's always doing things that I don't even know about.*
 154 – *Man, we always think of so many brilliant things down here...*
 155 – *but then later, I can't remember any of them.*
 156 – *I mean, they're brilliant, man.*
 157 – *Someone go make toast right now.*
 158 – *Hey, we should record our conversation, man.*
 159 – *Yeah, then we could play it back and write it down.*
 160 – *I'll bet that'll show the writers at National Lampoon do it.*
 161 – *Yeah, I read somewhere that there are these people in France.*
 162 – *What do they do?*
 163 – *You see, they're incredibly...*
 164 – *French.*
 165 – *See, that's brilliant, man. I'm getting a tape recorder.*
 166 – *Where's my toast, you idiots?*
 167 – *Eric? Yeah, Dad?*
 168 – *Listen, I know you need gas money for Saturday night.*
 169 – *So, if you're willing to do a few extra chores, I'll pay you 10.*
 170 – *Sure. I can do that.*
 171 – *Now I need you to sweep the garage,*
 172 – *clean the leaves out of the gutters, get the dry cleaning*
 173 – *and fix that shelf in the pantry.*
 174 – *Now run that back to me.*
 175 – *Okay, fix the shelf, sweep the garage, pick up the leaves...*
 176 – *Pick up the dry cleaning.*
 177 – *Yeah.*
 178 – *The gutters?*
 179 – *Fix the gutters.*
 180 – *Clean. Clean the gutters.*
 181 – *Clean out the gutters, fix the shelf, sweep the leaves.*
 182 – *The garage.*

183 - - Fix the garage. - Sweep it.
 184 - Listen, I'm not gonna pay you 10 *for nothing*.
 185 - *Sweep the garage, pick up the cleaning, clean up the gutters*
 186 - *fix the shelf*.
 187 - *Do that, and you got yourself gas money*.
 188 - *Didn't you say something about leaves?*
 189 - *They're in the gutters*.
 190 - *Right. Pick them up. Clean them up*.
 191 - *I've gotta make toasts*.
 192 - *Ya!*
 193 - *Oh, jeez, Midge. Kitty and that boy are at it again*.
 194 - *You smell great. What did you do?*
 195 - *I took a bath*.
 196 - *I was thinking of you the whole time*.
 197 - *Yeah, you know, I do the same thing in the shower*.
 198 - *What? Nothing*.
 199 - *Okay, let's take some pictures*.
 200 - *I'm ready. Steven, get in closer*.
 201 - *Okay, let's all smile together. Okay. Big smiles*.
 202 - *Nice. Okay, now, girls*.
 203 - *Look how pretty. Smile. Nice*.
 204 - *Now, boys. So handsome*.
 205 - *Okay, now. One, two...*
 206 - *Hey, Mom, why don't I take a picture of you?*
 207 - *No, no, no, no*.
 208 - *Okay, you'll be late. Bye now*.
 209 - *You're the best*.
 210 - *Oh, you go get them, tiger*.
 211 - *Kitty, I need your advice*.
 212 - *Well, sure. What is it?*
 213 - *I have this married friend*.
 214 - *And she's about to throw everything away*
 215 - *because she's attracted to a much younger man*.
 216 - *It's Stella. No*.
 217 - *Oh, I knew that Stella was open for business*.
 218 - *It's not Stella*.
 219 - *Well, do I know her?*
 220 - *Yes. Very well*.
 221 - *Oh, Midge*.
 222 - *Does Bob know?*
 223 - *Yeah. And he doesn't know what to do*.
 224 - *Kitty, I don't know what to do*.
 225 - *Midge. Listen*.
 226 - *I think your friends should think about*
 227 - *all the people she's gonna hurt...*
 228 - *and tell this younger man, whoever he is, I don't wanna know...*

229 – *that it has to stop.*
 230 – *Thank you.*
 231 – *I just hope my friend takes your advice.*
 232 – *I'm sure your friend will.*
 233 – *Hmm. Younger man? Wonder what that's like.*
 234 – *Jackie, where'd you go?*
 235 – *I had to get something for you to bite on*
 236 – *'cause I told everyone you were having a seizure.*
 237 – *When do they play the disco music?*
 238 – *This is disco music.*
 239 – *No. This is samba.*
 240 – *Fez, it's disco, man. It's scrap.*
 241 – *Oh, I think I like this scrap.*
 242 – *Come, Jackie, let's get down.*
 243 – *No, I think I'm a little tired.*
 244 – *Don't resist me, mama.*
 245 – *It's boogie time.*
 246 – *I think you just lost your date.*
 247 – *Yeah, it's so cool 'cause Jackie and I are history!*
 248 – *She must not weigh that much.*
 249 – *She touching his ass?*
 250 – *Listen. Merengue.*
 251 – *Fez, you're crazy.*
 252 – *Wow, they are really good.*
 253 – *Yeah, if you want to dance that way.*
 254 – *I would love to dance that way.*
 255 – *You want to dance?*
 256 – *Sure.*
 257 – *You dance.*
 258 – *This is a side of you I've never seen.*
 259 – *Yeah. Actually, you're my first dance.*
 260 – *I'm your first? I'm honored.*
 261 – *This is nice.*
 262 – *Donna, man, I feel like I want to kiss you.*
 263 – *You don't have to kiss me back if you don't want.*
 264 – *I'm not kidding.*
 265 – *Shut up and dance.*
 266 – *Fez, you're an amazing dancer.*
 267 – *Actually, Jackie, you are the reason I am amazing.*
 268 – *You see, when a man dances, he should display the woman to the room*
 269 – *like a beautiful flower.*
 270 – *Oh, Fez.*
 271 – *Michael!*
 272 – *All right, pal, that's sit.*
 273 – *It's you and me, right here, right now.*
 274 – *Why did you have to interrupt us?*

275 – *Jackie is my girl, Fez.*
 276 – *But you are breaking up with her.*
 277 – *Where do you even get that stuff?*
 278 – *Okay. I'll be running away now.*
 279 – *Michael!*
 280 – *Michael, it's not his fault. You just don't know how to dance with me.*
 281 – *I don't know how to dance, so you just take off with some other guy?*
 282 – *I know, Michael. I'm sorry. I was wrong.*
 283 – *But all I wanted to be was displayed like a flower.*
 284 – *You know that you are my flower.*
 285 – *That is so beautiful.*
 286 – *Put me down.*
 287 – *Oh, Michael.*
 288 – *Okay, I am passing out now.*
 289 – *Okay, Bob, what is it?*
 290 – *Just curious.*
 291 – *What's the word on that Hyde kid?*
 292 – *Steven?*
 293 – *He's a little rebellious. He just needs some direction.*
 294 – *Apparently, he's getting it, Red.*
 295 – *I kind of walked into your living room*
 296 – *and he and Kitty*
 297 – *were in some sort of provocative embrace.*
 298 – *I think he was putting the moves on your wife.*
 299 – *Oh, my God.*
 300 – *Now I've got to kill him.*
 301 – *Get your deer rifle, Bob.*
 302 – *Hold on, Red. I could've been mistaken.*
 303 – *You know what you saw. Get the damn gun.*
 304 – *Maybe she was choking, you know, on some food or something.*
 305 – *I can't take that chance. What choice do I have as a man?*
 306 – *Come on, Red. They could've been dancing.*
 307 – *Jeez, I'm sure she was teaching him dancing...*
 308 – *'cause they were all going to that disco.*
 309 – *Dancing, huh? Yeah.*
 310 – *Jeez, Bob*
 311 – *that would be down right logical.*
 312 – *Good thing I didn't shoot him.*
 313 – *Hyde, you were right about disco music.*
 314 – *It is evil.*
 315 – *It's pulsing rhythm made me do a bad thing.*
 316 – *Yeah, well, me, too.*
 317 – *Kelso is my friend. I can't take his woman.*
 318 – *You're a good guy, Fez.*
 319 – *Actually, I could take his woman, but I won't.*
 320 – *Come on, I'll walk you home. See you guys.*

321 – *See you. Good night.*
 322 – *Hey, uh, Hyde dancing. What a surprise.*
 323 – *Yeah, who knew?*
 324 – *Yeah. You looked like you were having a good time.*
 325 – *Yeah, you know, disco fever. You catch it. But I'm better now.*
 326 – *Wow, what a weird night. Hey, did you see Kelso's shoes?*
 327 – *Yeah. Remember when he saw that girl wearing the same shoes?*
 328 – *Actually, that was pretty sad.*
 329 – *Yeah. So...*
 330 – *Hey, um, do you recall that night*
 331 – *we crossed the Rio Grande?*
 332 – *What?*
 333 – *I can see it in your eyes.*
 334 – *What are you talking about?*
 335 – *How proud you were to fight*
 336 – *for freedom in this land*
 337 – *Shut up. Don't.*
 338 – *There was something in the air that night*
 339 – *The stars were bright*
 340 – *Fernando*
 341 – *I'm sorry. I hated dance music.*
 342 – *Why did you go?*
 343 – *I like you.*
 344 – *So, you're in like with me?*
 345 – *Donna, I'm in...*
 346 – *I can't dance.*
 347 – *You'll learn.*
 348 – *There was something in the air that night*
 349 – *The stars were bright*
 350 – *Donna, I really want to kiss you again.*
 351 – *Fernando*
 352 – *Shut up and dance.*
 353 – *They were shining there for you and me*
 354 – *And liberty, Fernando*
 355 – *Though I never thought that we could lose*
 356 – *There's no regret*
 357 – *If I could do the same again*
 358 – *I would, my friend Fernando*
 359 – *If I had to do the same again*
 360 – *I would, my friend, Fernando*
 361 – *I'm saying, the earth is a farm.*
 362 – *That's brilliant.*
 363 – *A farm.*
 364 – *A farm put here by aliens, man. And we're the cattle.*
 365 – *We're cattle.*
 366 – *And the government knows it. It's out there, man.*

367 – *Whatis?*
368 – *Thetruth.*
369 – *Whatareyousaying?*
370 – *Outthereisthetruth.*
371 – *Thetruthisoutthere, man.*
372 – *That'sseriouslybrilliant.*
373 – *See, youareallstupid.*

1.8 Episode 08: Drive-In

1 - Yeah, that's right, 100 bags of manure.
2 - Yeah, the wife and I are redoing the front lawn.
3 - And, uh, tell you what, if I'm not there,
4 - just dump it all on the front porch.
5 - Bye-bye.
6 - Yeah, man, Coach Jefferson is gonna freak.
7 - He just shouldn't have given me that "D."
8 - Oh, no. Dick Tracy is trapped in a giant clam.
9 - Farewell, sweet Dick!
10 - A man being eaten by a giant clam.
11 - Now, I'm not Sigmund Freud, but...
12 - Eric.
13 - The Omen's playing at the drive-in.
14 - You know what this means for us?
15 - It's make-out city.
16 - I really like you as a friend, Kelso.
17 - Can I bring a girl?
18 - Yeah. Man, it's gonna be great.
19 - Horror movies turn on chicks faster than porno.
20 - Really? Faster than that?
21 - Yeah. If only somebody would make a porno horror movie.
22 - Well, then there'd be no stopping you.
23 - Eric.
24 - Is that kid from, uh,
25 - not America down here?
26 - Dad, it's Fez.
27 - Yeah, whatever.
28 - The Erdmans called and they, they want him to...
29 - Go home.
30 - Kelso, stop saying "porno."
31 - I didn't say it, Mr. Forman. Fez did.
32 - You are a bitch.
33 - Hangin' out
34 - Down the street
35 - The same old thing
36 - We did last week

37 - Not a thing to do
38 - But talk to you
39 - Whoa, yeah
40 - Hello, Wisconsin!
41 - Okay, you know what this is, Red?
42 - Some lady magazine.
43 - It's Cosmo.
44 - Oh, no.
45 - I'm gonna tell you something, Red.
46 - I just took the "how spontaneous is your relationship?" quiz.
47 - And you know what?
48 - What?
49 - We got three out of 10.
50 - And I cheated.
51 - Gee, I, uh, I can't help but notice that you're pouting.
52 - Oh, no, no. I'm not pouting.
53 - That would upset our routine.
54 - God knows, I wouldn't want to move in a new direction
55 - and accidentally slip in a puddle of fun or anything.
56 - Okay. Here's a thought.
57 - How about you and I
58 - treat ourselves to a night out?
59 - Just the two of us.
60 - Well, that'd be great, Red.
61 - We'll go to Phillies.
62 - Phillies, huh?
63 - So, you'll have the Salisbury steak,
64 - and I'll have the baked chicken. Again.
65 - Well, maybe I won't have the Salisbury steak.
66 - I enjoy their ham.
67 - Oh, ham.
68 - Well, okay, then I can change one answer on the quiz.
69 - So, okay, we have four out of 10.
70 - We have moved up from "predictable as the tides"
71 - to "humdrum."
72 - I'll just go change.
73 - Damn Cosmo.
74 - Ooh.
75 - Son, when we took you in as an exchange student,
76 - you became our responsibility.
77 - And we're concerned about this gang of ruffians you hang out with.
78 - They are my friends.
79 - That's exactly what they want you to think.
80 - Now, we're not inflexible.
81 - I mean, we looked the other way when you started wearing cologne.
82 - But now,

83 - you've brought the devil's music into our home.
84 - Oh, no. That is not the devil's music.
85 - It is Eric's.
86 - Rebecca, show the boy.
87 - Now, listen to what happens when she plays it backwards.
88 - That cannot be good for the record.
89 - There it is! "Devil love me."
90 - "Devil lives!" It's clear as day.
91 - What's funny?
92 - In my language, the record just said,
93 - "I want to sex your monkey."
94 - Which I have never done.
95 - So, Donna, I was thinking we should go see a movie tonight.
96 - Oh, cool. I'd love to see All the President's Men.
97 - Oh.
98 - Well, I actually hear that isn't very good.
99 - Oh.
100 - Yeah.
101 - Hey, uh, I was thinkin' maybe The Omen.
102 - Isn't that at the drive-in?
103 - Is that at the...
104 - Yeah, no, I guess it is.
105 - So, do you want to go?
106 - Tonight?
107 - Um, yeah, sure.
108 - When the child was five years old,
109 - something terrible happened.
110 - The truth. Where does it end?
111 - The Omen? That's at the drive-in.
112 - I know. I don't know what to do.
113 - I really like Eric,
114 - and I'd like to have a physical relationship, but...
115 - It's called, "make out," Donna.
116 - Say it.
117 - All right, make out.
118 - But I don't want it to be public,
119 - I don't want it to be tacky,
120 - I don't want there to be pressure,
121 - and now it's this tacky, public pressure make-out thing.
122 - I understand.
123 - Everybody wants their first make-out to be special,
124 - in some place romantic.
125 - Like Ireland. Or Disney World.
126 - Disney World?
127 - Right, sorry.
128 - So, let's focus.

129 - He asked you to the drive-in.
130 - Did Donna say yes?
131 - And you said, "yes"?
132 - Yes. Yes.
133 - Yes! Oh, this is great.
134 - Me and Jackie will come with you. No.
135 - Will you come with us? Why?
136 - Why not?
137 - Well, you'd be like competition.
138 - You'd be like a loophole.
139 - Loophole? Competition?
140 - Yeah, I'd have to keep up with you and Jackie,
141 - and that would make me nervous.
142 - I, I could always talk to you if I get nervous.
143 - 'Cause you've got to be bored with sex by now.
144 - What do you mean? What do you mean?
145 - You and Jackie... You and Kelso...
146 - Have done it like a million times.
147 - True. We have never done it.
148 - Yeah. Slid into home on the second date.
149 - He got to third base once and that was an accident.
150 - Whatever. Whatever.
151 - Don't worry, we'll be there.
152 - Fine. We won't come.
153 - Perfect. Thanks.
154 - Okay, now, see? This dress says,
155 - "Look at me. Notice me. Stare at me!"
156 - It's all wrong.
157 - No, you look terrific.
158 - Especially for dinner at the Lion's Head.
159 - The Lion's Head? I thought we were going to Phillies.
160 - Well, I, uh, changed my mind.
161 - Well, you never do that.
162 - The Lion's Head.
163 - It is so fancy.
164 - And it's different.
165 - I mean, hell, we haven't been there in years.
166 - It'll be fun. Hmm?
167 - Oh, oh, this is so exciting!
168 - Oh, oh.
169 - Okay, now, if we are going to go to someplace that fancy,
170 - I have to shave your neck.
171 - I'll get the clippers, you hop in the tub.
172 - I am telling you, I heard it.
173 - The devil is singing backwards on the record.
174 - It's not the devil, man.

175 - It's Congress.
176 - They passed a secret law
177 - to put backward messages in our records, man.
178 - They want to kill rock and roll
179 - because they know it makes us horny, man.
180 - Doesn't, uh,
181 - doesn't pretty much everything make us horny?
182 - Cartoons make me horny.
183 - Oh, uh, and food.
184 - When you play the record backwards,
185 - you can hear the devil speak.
186 - I am starting to hear him everywhere. Ay.
187 - Satan is your master, Fez.
188 - Worship satan.
189 - Ay.
190 - Before you worship satan, get him a cherry pop.
191 - Get satan a cherry pop.
192 - Get satan a cherry pop.
193 - A pop, man. Get me a pop.
194 - Fez, man, get me a pop.
195 - Oh, I'm sorry. I misunderstood.
196 - Satan's second choice is root beer.
197 - Ay.
198 - Werner, party of two.
199 - Werner, party of two.
200 - Red?
201 - What is this place?
202 - Excuse me.
203 - What happened to the Lion's Head?
204 - Burned down. Five dead. Real sad.
205 - Welcome to Blanigan's. May I take your name?
206 - I'll get back to you.
207 - Well, what do you think?
208 - Well, um, it certainly is different.
209 - It might not be so bad.
210 - On your left, sparky.
211 - The staff is certainly enthusiastic.
212 - Well, I'm sure I can get us a nice, quiet table.
213 - Happy birthday
214 - Happy birthday
215 - Happy birthday
216 - To you
217 - I'll put our name on the list.
218 - Forman. Party of two.
219 - Okey-dokey. That'll be about two hours.
220 - Here's 20 bucks.

221 - All right. We'll have something in about 15 minutes.
222 - You don't want this place to burn down twice, do you?
223 - All right. We have something right now.
224 - That's what I thought.
225 - Well, sweetheart, this is our lucky night.
226 - Oh, uh, would you check this?
227 - Sure.
228 - Looks real good.
229 - All right, let's go.
230 - Um, maybe I should, uh,
231 - go back to my house and pop some popcorn,
232 - 'cause they always overcharge.
233 - Jackie and Kelso.
234 - What are you guys doing here?
235 - Nothing. What are you guys doing here?
236 - Donna and I are going to the drive-in. Remember?
237 - Thank you, Eric, we'd love to go.
238 - Michael, get in the car.
239 - But, I don't think...
240 - Get in the car.
241 - Look, this isn't what we talked about at all.
242 - I, I'm sorry, man.
243 - I'll take it slow.
244 - Try to keep up.
245 - Whoo-hoo! Going to the drive-in.
246 - Hello. I'm Guy, and I'll be your waiter.
247 - Would either of you like to help yourself
248 - to our Blanigan-tastic salad bar?
249 - What's a salad bar?
250 - Oh, it's right over there.
251 - All the salad fixin's. And you make your own Blanigan-tastic salad.
252 - You mean my wife has to make her own salad?
253 - It'll be worth the trip.
254 - - You're kidding, right? - Red.
255 - No, no, no, Kitty, it's okay.
256 - Guy, my wife didn't get all dressed up for a special night out
257 - so that she could make her own salad.
258 - See, she could do that at home.
259 - For free.
260 - But she wouldn't have eight Blanigan-tastic dressings
261 - to choose from at home, would she?
262 - Are you being a wiseacre?
263 - Red, honey, honey. Your neck vein. It's poking out.
264 - Sir, I can't bring her a salad.
265 - I'll get in trouble.
266 - What the hell kind of a restaurant is this?

267 - You've got eight people singing "Happy Birthday,"
 268 - and nobody can bring my wife a damn salad.
 269 - Red, honey. Neck vein, neck vein, neck vein.
 270 - Come on, Kitty, let's get out of here.
 271 - Happy birthday
 272 - Oh, screw your freakin' birthday!
 273 - God, this movie even sounds gross.
 274 - That's not the movie.
 275 - And, so...
 276 - You guys okay up here?
 277 - No, um, I want popcorn.
 278 - And I want Eric and Kelso to go get it.
 279 - Oh, Eric can go get it.
 280 - No, Michael. Go.
 281 - I didn't bring you here to suck Kelso's face off.
 282 - I know,
 283 - I'm sorry.
 284 - This is so awkward.
 285 - You're right. And I wasn't being a very good friend.
 286 - No more making out.
 287 - I promise.
 288 - All right, uh, about the popcorn,
 289 - I need money.
 290 - What? I don't want popcorn. Get back in the car.
 291 - She doesn't know what she wants.
 292 - No. Michael, Michael, no.
 293 - We are gonna watch the movie with Eric and Donna.
 294 - But I missed the beginning.
 295 - The little kid's the devil. They have to kill him. Watch the movie.
 296 - Look at me, Damien.
 297 - It's all for you!
 298 - Donna, it's, it's just, it's just a movie.
 299 - Do you wanna sit somewhere else?
 300 - So bad.
 301 - So.
 302 - Here we are. Back at Phillies.
 303 - Yep. Good ol' Phillies.
 304 - Good food at a fair price.
 305 - You're ordering the Salisbury steak, aren't you?
 306 - Nope. I'm going for the ham.
 307 - Red, don't put your hat on the counter, it's all greasy.
 308 - Hey, pal, can I get some half-and-half?
 309 - Well, isn't this familiar?
 310 - Okay, now, here's how we sneak the devil music past Ozzie and Harriet.
 311 - Observe.
 312 - Alice Cooper, meet Pat Boone.

313 - Don't resist me, Pat Boone.
314 - No, you're hurting me.
315 - Come on, take it. No, it hurts.
316 - Come on. No. Oh!
317 - But what if my host parents hear it?
318 - Then satan commands us to kill them, Fez.
319 - No.
320 - I'll tell you what. We'll use the headphones.
321 - Yes.
322 - Kitty, I'm sorry about tonight.
323 - Oh, it's not your fault, Red.
324 - You know how emotional I get when I read Cosmo.
325 - Boy, do I.
326 - You know, okay, at least we gave it a try.
327 - I guess we have slowed down, flattened out.
328 - Oh, at our age, it's inevitable.
329 - Okay, that's it!
330 - Red! Oh, my Lord!
331 - You're not flashing back to Guadalcanal, are you?
332 - Hold on, Kitty.
333 - The night's not over.
334 - You know, the stars are really just...
335 - Forget it.
336 - What?
337 - Nothing.
338 - So, uh,
339 - Jackie and Kelso certainly made themselves comfortable.
340 - Yeah.
341 - It's a roomy car.
342 - Yeah, it is.
343 - You know, the bench seat in the Vista Cruiser...
344 - Is the same as what's in the full-size Pontiac Catalina.
345 - Wow, that's interesting.
346 - Smooth move, Forman!
347 - Okay, kids, break it up.
348 - Let's go.
349 - Whoa.
350 - Hey, you're adults.
351 - Damn right we're adults.
352 - I'm sorry, sir. My mistake.
353 - That's quite all right, we all make mistakes.
354 - Now, why don't you go bust some pot-smoking teenagers
355 - before I give you a good adult-size kick in the ass.
356 - Yes, sir. Thank you, sir.
357 - Enjoy your evening.
358 - Oh, Red.

359 - That was so sweet.
360 - You let him off with a warning.
361 - Yeah.
362 - But you're not gettin' off that easy.
363 - Oh, Red!
364 - Da, da, da da, da, da, da
365 - Raindrops keep fallin' on my head
366 - Ba, ba
367 - Just like a guy whose feet are too big for his head
368 - In-a-gadda-ga-vida, honey
369 - This loud music will not damage my hearing?
370 - No, no. It's good for ya.
371 - Hey, Dad.
372 - Hey, son. How was the movie?
373 - It was pretty gory.
374 - Yeah? How'd it end?
375 - I don't remember.
376 - Atta boy.
377 - So, how was your night?
378 - It was fantastic.
379 - Well, that's great. Goodnight, Dad.
380 - Goodnight, son. Oh, and, um,
381 - be quiet goin' upstairs.
382 - Your mother is very tired.
383 - So, Phillies was fun.
384 - Yes indeedy.
385 - Very dependable.
386 - As always.

1.9 Episode 09: Thanksgiving

1 - Laurie's bus isn't here yet.
2 - Dad, can we get in the car and turn on the heat? I'm freezing.
3 - I'm not wasting gas just so you can be comfortable.
4 - Well, can we at least go wait inside?
5 - I'm not going in that bus station with those people.
6 - God, I'm freezing.
7 - Oh, Eric, I forgot to tell you, your sister's bringing a friend home,
8 - so you'll be sleeping in the basement.
9 - The basement? They should sleep in Laurie's room.
10 - Oh, and Red, I've been thinking.
11 - Maybe this Thanksgiving we should skip the big turkey.
12 - Small ones are on sale at Piggly Wiggly.
13 - This family doesn't scrimp on holidays.
14 - Can you imagine my mother sitting down to a chicken?
15 - Red, your mother won't eat my cooking anyway,

16 - so that won't be a problem.
17 - Dad, they should sleep in the basement.
18 - Red, last Thanksgiving she said her jaw wasn't strong enough
19 - to chew the turkey.
20 - And that was a magnificent turkey.
21 - Dad, it's my room.
22 - I work myself to the bone for that...
23 - All right, that's it! Hold it.
24 - Now, Kitty, don't get worked up over my mother.
25 - And you, you're sleeping in the basement!
26 - And we're all having a happy damn Thanksgiving!
27 - Mommy, Daddy. This is Kate.
28 - Hi.
29 - Hi, sweetheart. Oh, let's get in the car, you must be freezing.
30 - So, you're Eric.
31 - Your sister didn't tell me you were so cute.
32 - We are going to have so much fun this weekend.
33 - You can sleep in my room!
34 - - Get Kate settled into your room. - Yeah.
35 - Oh, yeah, and hey, don't forget to show her your GI Joe dolls.
36 - That's such a good idea.
37 - That'll give you a chance to tell Dad about that professor you're dating.
38 - - What? - Dad, he's joking.
39 - Gosh, I hope it doesn't get too cold tonight. I sleep practically naked.
40 - So, Kitty, looking forward to Thanksgiving?
41 - Yes.
42 - - Red's mother is coming. - Mmm.
43 - What's that pet name she has for you?
44 - Whore.
45 - Oh, you know, she doesn't bother me as much as she does Red,
46 - and he's tense enough, what with Christmas coming up,
47 - and him only working part-time.
48 - Part-time, huh? That's rough.
49 - Ooh! When Bob gets tense, we take a bubble bath together.
50 - Soaking my naked body really relaxes him.
51 - Oh!
52 - Oh, yeah.
53 - - Mom, Grandma's on the phone! - Oh, I gotta go.
54 - Hanging out
55 - Down the street
56 - The same old thing
57 - We did last week
58 - Not a thing to do
59 - But talk to you
60 - Whoa, yeah
61 - Hello, Wisconsin!

62 - So this Kate, is she hot?
63 - Of course she's hot. All college girls are hot.
64 - I mean, we've all seen the brochures, right?
65 - Okay, Donna. Help me play some music. Right now.
66 - - So she's hot. - Oh, so hot.
67 - Okay.
68 - Are you okay?
69 - - Um, yeah. - Donna, how can you be okay?
70 - There's a college woman sleeping in his bed.
71 - He's sleeping in the basement.
72 - Donna, stairs are not gonna stop a high school horndog.
73 - Barbed wire will not stop a high school horndog.
74 - A wall of fire will not stop a high...
75 - Jackie, I get it, I get it.
76 - Poor Donna.
77 - So naive.
78 - So what do you guys wanna do?
79 - Eric,
80 - I hope it doesn't get too cold tonight.
81 - I sleep practically naked.
82 - Naked.
83 - Naked.
84 - Yeah, well,
85 - I guess I'm just gonna...
86 - Just gonna... I'm tuckered out,
87 - so I might as well go home.
88 - So, tell me about school.
89 - Oh. Well, I've decided to major in philosophy.
90 - That's good, because they just opened up that big philosophy factory in Green Bay.
91 - Eric, what did I tell you about being funny?
92 - I'm not.
93 - That's right. Now, sweep the garage.
94 - Yes, sir.
95 - I wonder if the Pilgrims were clever enough
96 - to put peanut butter on their celery.
97 - Kitty, could you get that? I'm fixing the drawer.
98 - Oh, dear God.
99 - Your mother has already called me five times this morning, Red.
100 - - You answer it. - Kitty, I don't want to talk to her.
101 - She gave birth to you.
102 - Hello.
103 - Hi, Ma.
104 - Really?
105 - It's for you.
106 - Hello, Mother Forman. Mmm-hmm.

107 - Just like I told you, I don't know, half an hour ago,
108 - the kids will be there at noon to pick you up.
109 - Yep, you're right. I need to work on my attitude. Bye then.
110 - You know,
111 - I could have married Bill Bower.
112 - His mother was dead.
113 - What if he yells at me?
114 - He's not gonna yell at you. You're doing him a favor.
115 - Go, go.
116 - Red, what a surprise to run into you.
117 - I live here, Bob.
118 - Yep, yep, yep, yep.
119 - Okay, I'm going in.
120 - Actually, Red, I just wanted to ask you a favor.
121 - My appliance store gets real busy over the holidays,
122 - and I could use a little help down there.
123 - Oh, you offering me a job?
124 - Now, I don't want you to get the wrong idea. This is not charity.
125 - - Charity? - No, not charity.
126 - I'm not looking for work anyway, Bob.
127 - - But... - Good night, Bob!
128 - Midge, he yelled at me!
129 - Come in.
130 - Wow.
131 - What?
132 - I was just coming up here to get something to sleep in.
133 - So,
134 - I guess I'll see you later then.
135 - You can stay and talk a minute, if you want.
136 - Okay.
137 - Close the door.
138 - Okay.
139 - So,
140 - Kate,
141 - that's short for Katherine, right?
142 - Yeah.
143 - Have a seat.
144 - So, have you thought about where you want to go to school yet?
145 - Oh.
146 - Well, I like your school.
147 - I found that it was really...
148 - Well, I have to go to bed now.
149 - Wait, we are in bed.
150 - Okay, I see.
151 - Okay.
152 - So, good night.

153 - Good night.
154 - Eric.
155 - Just one second?
156 - Okay, baseball, Vietnam, Richard Nixon,
157 - Pat Nixon, Pat Boone, the girl that does the weather... No!
158 - Okay, jelly fish, really big spiders.
159 - Come on, dig deep, okay.
160 - The day we backed over Skipper in the driveway,
161 - and instead of going to the county fair, I had to bury him in the backyard.
162 - Okay.
163 - I'm good.
164 - And good night.
165 - Good morning, Red. Happy Thanksgiving.
166 - Yeah.
167 - Well... You're up awful early.
168 - Well, luckily I heard the phone ring,
169 - when your mother called at 5:00 this morning.
170 - Yeah, that is lucky.
171 - Mmm-hmm.
172 - Oh, before I forget,
173 - Laurie told me what she wants for Christmas.
174 - A portable TV for her dorm room.
175 - I'm working part-time, she wants a TV. Great.
176 - Maybe Bob can get you a good deal on one from his store.
177 - I don't need any help from that damn Bob.
178 - You know what he did yesterday?
179 - - He offered me a job. - He did?
180 - Well, we have to move away from such an evil man.
181 - Well, you're a lot of fun in the morning.
182 - Hey, turkey boy.
183 - Wanna show me your giblets?
184 - So you made out with a college girl?
185 - Kind of.
186 - - Start talking. - Yeah.
187 - Tell it like a story, like a sexy story.
188 - Okay.
189 - She, like, jammed her entire tongue into my mouth.
190 - And you wouldn't think a girl had, like, that much tongue, you know?
191 - That is great!
192 - Oh... Oh, yeah.
193 - What?
194 - I don't know, I feel kind of guilty.
195 - Almost like... Dirty.
196 - Dirty is good.
197 - I like feeling dirty.
198 - No, no, I mean, I feel bad.

199 - Look, I think I gotta tell Donna.
 200 - Really?
 201 - Well, on behalf of men everywhere...
 202 - Yeah, man, I mean the right thing to do
 203 - is juggle them both until it all blows up in your face.
 204 - Look, you guys don't understand. I can't hide anything.
 205 - The minute she looks at me she's gonna know.
 206 - Hey. What are you guys talking about?
 207 - I kissed a girl.
 208 - - Shocking! - I am appalled!
 209 - You what?
 210 - You know that friend my sister brought home from college?
 211 - - The slutty one. - Yeah.
 212 - I kissed her.
 213 - Why are you telling me this?
 214 - I feel guilty,
 215 - because it was like,
 216 - really kissing.
 217 - So what we do isn't really kissing?
 218 - I thought you should know, considering that you and I have a thing.
 219 - Right?
 220 - Well, obviously we don't have a thing,
 221 - if you're running around kissing slutty girls, right?
 222 - Okay, you're mad.
 223 - Mad? No.
 224 - Why should I be mad?
 225 - I mean, in fact, you can kiss whatever you want.
 226 - Start with your own butt!
 227 - Why are you here? Why are you always here?
 228 - It's Thanksgiving. Don't you have families?
 229 - Um...
 230 - Hey, Donna, you wanna talk?
 231 - I guess Donna didn't take it very well.
 232 - Take what well?
 233 - Eric made out with Kate.
 234 - - Anything else? - Your son is a whore.
 235 - Eric,
 236 - Now, Donna just came through here looking very upset.
 237 - Would you have any idea what that's about?
 238 - I have no idea. She seemed fine when we...
 239 - - You already know, don't you? - Of course I know.
 240 - Donna is such a sweet kid.
 241 - How could you do this to her?
 242 - I don't know.
 243 - You know, it seems like bad things are always happening to me,
 244 - like I have bad luck or something.

245 - Son, you don't have bad luck.
 246 - The reason that bad things happen to you is because you're a dumbass.
 247 - Now fix it.
 248 - Look, Donna,
 249 - can we talk?
 250 - - I'll leave you two... - No.
 251 - You should stay. We don't have secrets in our house.
 252 - We don't sneak around on each other like a little horny rat kissing other girls.
 253 - Look, Donna,
 254 - please come to my house for Thanksgiving dessert.
 255 - Everyone's gonna be there. You always come.
 256 - Please don't let some stupid thing that I did wreck that.
 257 - Well, I can't depend on you,
 258 - so why should you be able to depend on me?
 259 - Look,
 260 - Donna, please, okay?
 261 - I'm really sorry.
 262 - - And I feel really bad. - Good!
 263 - - Poor thing. - Mom!
 264 - Oh, you. Of course I meant you.
 265 - As a food editor, I wanted to find out for myself
 266 - just what makes the modern turkey so good.
 267 - Amen. Let's eat.
 268 - Now, is everything on the table? I still feel like I forgot something.
 269 - Oh, my God, I forgot your mother.
 270 - No!
 271 - Hello, Mother Forman.
 272 - No, I didn't forget you.
 273 - I don't know, the kids left a half hour ago to pick you up.
 274 - I can't imagine what's keeping them.
 275 - Put that back.
 276 - Hi.
 277 - The Toyota is blocking the car, I need the keys.
 278 - Could you hold on one teeny tiny second? For the love of God, move!
 279 - Are you sure they're not there? Look out your window.
 280 - Now do you have your glasses on?
 281 - Where's your grandma?
 282 - She's not coming.
 283 - She said she's going to Cousin Joel's for Thanksgiving.
 284 - Oh. That's not so bad.
 285 - Actually, she said it was a shame she couldn't spend
 286 - what might be her last Thanksgiving with her family.
 287 - But she does hope we all enjoy ourselves.
 288 - Well, you know what? That's just fine.
 289 - I don't need to kiss some old lady's A-S-S on my holiday.

290 - You heard what I spelled.
291 - Forget it.
292 - Mmm.
293 - Ohhh.
294 - Ahhh.
295 - Ahhh.
296 - Whoo.
297 - So,
298 - you give an employees' discount down there at your store?
299 - Twenty percent.
300 - Does that cover, anything like, oh, say,
301 - portable TVs?
302 - Oh, heck, yeah.
303 - Congratulations, Bob, you just hired me.
304 - Good. I'm glad to hear it, Red.
305 - You know, you'll have to call me Mr. Pinciotti at work.
306 - Oh, I got you good that time.
307 - Donna, I am so glad you came.
308 - I only came because my mom made me, okay?
309 - Hey, Donna, all right, good to see you. I got you some pie.
310 - I don't want any stupid pie.
311 - What? I didn't kiss her.
312 - Hey, there, Bob. You wanna piece of pie?
313 - Oh, yeah.
314 - Hey, Donna.
315 - - Oh, don't get all tough with me! - Yeah?
316 - - Yeah! - Okay.
317 - No. Look, we need to talk.
318 - I'll start. Get out!
319 - What do you want me to say? I already apologized.
320 - You just want to forget about us because I kissed some girl?
321 - Why'd you do it?
322 - Well, I have it on pretty good authority that I'm a dumbass.
323 - So you liked it?
324 - Yeah, I liked it.
325 - "No" would have been a better answer.
326 - Donna,
327 - look,
328 - that kiss was great,
329 - and if I could take it back, I would.
330 - Because it's not worth ruining what you and I have.
331 - Eric, you are a dumbass.
332 - So is that like,
333 - "I forgive you, dumbass,"
334 - or "Get out of my house, you dumbass"?
335 - Mostly the first one.

336 - Wow.
 337 - - Tongue. - Oh, yeah.
 338 - Okay, well, let's go to dessert.
 339 - Just one second?
 340 - Donna?
 341 - Just one minute.
 342 - Silk sheets.
 343 - Joe Namath's butt.
 344 - Strawberries.
 345 - Slow dancing.
 346 - The washing machine with an unbalanced load.
 347 - Well, I'm good.
 348 - You haven't told anybody else about last night, have you?
 349 - I mean, it's kind of embarrassing.
 350 - I mean for me. Not you.
 351 - No, Kate, that's our little secret.
 352 - So, Kate, you and Eric, huh?
 353 - Like The Graduate, older woman, younger man.
 354 - You know, if breaking up couples is your thing,
 355 - you can do your thing with me, 'cause...
 356 - Michael!
 357 - Hello, Kate.
 358 - May I see your giant tongue?

1.10 Episode 10: Sunday, Bloody Sunday

1 - Damn! Oh!
 2 - Kelso misses another one.
 3 - I believe that's H-O-R.
 4 - Ah! You are a whore.
 5 - No, the game is Horse.
 6 - Okay. You know what, Michael? I'm gonna go home.
 7 - I'm gonna do my homework.
 8 - You do your homework on a Saturday night?
 9 - Yeah. Okay.
 10 - Look, I mean, look at me.
 11 - I've got a 1,000-word term paper due Monday...
 12 - but you don't see me sweating.
 13 - I've got a whole crappy Sunday to do it.
 14 - Jackie, don't go home.
 15 - I mean, Steve Martin's hosting Saturday Night.
 16 - I hate that show, okay?
 17 - They have commercials that you think are real but they're not real.
 18 - And then you wanna buy the stuff.
 19 - Okay. See you, Michael.
 20 - Bye! Bye-bye!

21 - Shut up.
22 - Kelso, Jackie does her homework on Saturday night.
23 - That's so hip.
24 - You guys don't have to worry about Jackie anymore
25 - 'cause I'm breaking up with her.
26 - We are so tired of hearing you say that.
27 - No. I am. I'm breaking up with her.
28 - Yeah, when?
29 - I'm picking my moment.
30 - Hey, where's Fez?
31 - Make that shot, whore.
32 - Hanging out
33 - Down the street
34 - The same old thing
35 - We did last week
36 - Not a thing to do
37 - But talk to you
38 - Whoa, yeah
39 - Hello, Wisconsin!
40 - Well, now, aren't the waffles extra delicious this wonderful morning?
41 - Did you quit smoking again?
42 - And why do you ask, little one?
43 - You're kind of talking like Snow White, so I figured...
44 - Eric!
45 - Which is great, um, I really want you to quit.
46 - Well, I should've quit a long time ago.
47 - I'm a nurse. I know better.
48 - More sausage?
49 - I'll get it.
50 - Hello?
51 - That's too bad.
52 - Well, sure. Be glad to.
53 - Yeah. See you soon.
54 - Goodbye.
55 - Who was that, dear?
56 - Uh, my mother.
57 - Seems like...
58 - Uncle Paul broke his ankle and, uh...
59 - she's going to church with us today.
60 - No, she's not.
61 - It's Paul's turn to take her.
62 - Well, like I said, he broke his ankle.
63 - Broken ankle, whatever. It's his turn.
64 - Kitty, the man is injured.
65 - Okay. That is just great.
66 - I will just take a chicken out of the freezer...

67 - ...because queen Bernice...
 68 - doesn't like ham.
 69 - Okay, look, I'll just call her and tell her we can't make it.
 70 - Oh, Red, Red, Red, Red, Red...
 71 - You know who'll get blamed for that.
 72 - But why should she blame you? She's my mother.
 73 - Something she never lets me forget.
 74 - Look, uh, you could tell her I'm sick or something.
 75 - Eric, go upstairs...
 76 - and put on that shirt your grandmother gave you.
 77 - Eric, just stay there. Your mother is just being ridiculous.
 78 - You know what's ridiculous, is giving your mother our phone number.
 79 - What's being ridiculous is...
 80 - Hold it. Hold it.
 81 - Hold it. Now, look...
 82 - let's just stay calm.
 83 - Mom, if it'll help you out, I'll hang out with Grandma...
 84 - so she'll leave you alone.
 85 - What do you say?
 86 - First of all, Eric, I'm the one who says "hold it."
 87 - When you pay the bills, you get to say "hold it."
 88 - Now get in the car, 'cause we're going to church...
 89 - and we're gonna have a damn nice Sunday.
 90 - Well, you're damn right. Just try and stop me.
 91 - Damn.
 92 - Here she comes.
 93 - Oh, God, Red, I don't think I can do this.
 94 - Kitty, do us all a favor and light up.
 95 - I'm fine.
 96 - Careful, Grandma.
 97 - It's just my dress.
 98 - Well, It's nice to see you, Bernice.
 99 - I hate this car. You know, I just hate this car.
 100 - Your brother Jerry has a beautiful car.
 101 - A Lincoln.
 102 - But then, he makes more money, a lot more money than you do.
 103 - All righty, then.
 104 - So, Kitty, Eric tells me that you quit smoking.
 105 - Yes, I did quit. And I just... I feel great.
 106 - Well, good for you, dear.
 107 - In the name of the Father, the Son and the Holy Ghost. Amen.
 108 - Please stand for a moment of silent meditation.
 109 - Dear God. Thank you so much for helping me quit...
 110 - such a filthy, disgusting...
 111 - soothing, delicious habit.
 112 - Oh, God, I can't do this. No, no, I'm fine. Amen.

113 - Dear God...
 114 - what's with all the Polacks?
 115 - Dear God.
 116 - I don't mean to bother you on your day off
 117 - but I promised to help out with Grandma
 118 - and I have a term paper due tomorrow.
 119 - If you could either get her to leave early today...
 120 - or burn down the school tomorrow.
 121 - I mean, either or, God's choice.
 122 - It'd really help me out, man. God. Lord. Uh, Amen.
 123 - Dear Lord.
 124 - Would it kill you to give the Packers a winning season? Amen.
 125 - Oh, and, uh, watch over my loving family blah, blah, blah.
 126 - Welcome to Worship for Shut-ins.
 127 - Change it.
 128 - All right, change that.
 129 - How did we change channels before Fez?
 130 - I don't think we did.
 131 - Oh, you guys, I gotta work on my term paper.
 132 - Where's Grandma?
 133 - Oh, she's in the bathroom, so I've got, like, 20 minutes, half hour tops.
 134 - What's the assignment?
 135 - All right.
 136 - "In 1,000 words describe the three branches
 137 - "of the United States government and their functions."
 138 - I'll never make it.
 139 - Well, go up and tell them you have homework to do.
 140 - No, I wanna keep peace in the family.
 141 - Yeah, Donna, Forman wants the Hallmark card family.
 142 - The what?
 143 - You know, Grandma comes over.
 144 - To my mother-in-law on this beautiful Sunday.
 145 - Your smiling face,
 146 - your kind embrace has made my home a happy place.
 147 - And I'm so happy you're the one...
 148 - to whom I gave my loving son.
 149 - And I'm so happy you're both happy...
 150 - 'cause otherwise life would be crappy.
 151 - I don't want that.
 152 - Yeah, you do. I can see it in those wide, hopeful eyes.
 153 - But the reality is this...
 154 - To my daughter-in-law, you took my son.
 155 - You wrecked my life.
 156 - You stole my youth.
 157 - You hate my wife.
 158 - I do my best.

159 - Now, that's a joke.
160 - I'm going out.
161 - I need a smoke.
162 - Damn it, Eric! Quit hiding from your grandmother.
163 - She's old, she could die. Now, move it!
164 - I thought she was in the bathroom.
165 - False alarm. Ah...
166 - Look, go take care of your grandmother. We can do this.
167 - Thanks.
168 - All right, how many words does he have?
169 - His name, the date, the class.
170 - Seven.
171 - - He's screwed. - Yeah.
172 - Use his middle name.
173 - See? Now, this would never happen to me.
174 - That is why I do my homework on Saturday.
175 - This is a moment, Kelso. Pick it.
176 - I think you all could learn something from me right now.
177 - Moment number two.
178 - All right. Jackie, we need to talk.
179 - You know what?
180 - I did the same paper last year in history. I think I got an "A."
181 - You want me to go home and get it?
182 - Let me think...
183 - Yeah!
184 - Hold on, Donna.
185 - Jackie, we need to talk about this whole...
186 - Jackie, why don't you go ahead?
187 - Okay.
188 - Do not break up with her yet, you understand me?
189 - Say you understand me.
190 - All this time I thought you didn't like Jackie.
191 - Just don't break up with her yet.
192 - Okay. Okay.
193 - All right.
194 - Hey, what do I need Jackie for, man?
195 - I know more about this stuff than she does.
196 - The three true branches of the government
197 - are military, corporate, and Hollywood.
198 - I need a pencil. I got it. I got it.
199 - Jackie, run!
200 - Love!
201 - I hope you're hungry. Yup, the chicken will be done soon.
202 - I can't eat chicken. You know I have an irritable bowel.
203 - You should have made a ham.
204 - Oh, boy, Grandma...

205 - that was a great service this morning. Don't you think?
 206 - Well, I think the pastor talked too much about forgiveness.
 207 - Some people shouldn't be forgiven.
 208 - This is why theology is such a rich...
 209 - You know, Bernice, some people don't need forgiveness...
 210 - they just need a little understanding.
 211 - Oh, too true. Have you seen Godspell?
 212 - You know, what I don't understand...
 213 - is how in hell a brilliant young man, like my Red...
 214 - could have thrown away everything.
 215 - Grandma! Why don't we go into the living room and I'll rub your feet.
 216 - What a wonderful boy. Oh, look at how thin you are.
 217 - Is your mother feeding you enough?
 218 - You should come and live with me.
 219 - No.
 220 - I was just on my way to the garage.
 221 - To, uh, fix this.
 222 - Dad, just watch your game.
 223 - No, no, it's just the Packers.
 224 - Eric, where've you been hiding?
 225 - Well, I've been doing some homework.
 226 - Oh, that's important.
 227 - Yeah. You know, actually, it's a really interesting...
 228 - Eric, a little less talk and a little more rubbing.
 229 - Oh...
 230 - You're the only one who's not afraid of my bunion.
 231 - Oh, dear.
 232 - Okay.
 233 - Oh...
 234 - Goodbye, Eric, I am going home now.
 235 - No, wait, Fez, you haven't met Grandma.
 236 - Oh.
 237 - Hello, Grandma.
 238 - Oh...
 239 - In my village, we worship feet.
 240 - And these dogs are a holy treasure.
 241 - You wanna rub them?
 242 - May I?
 243 - Knock yourself out.
 244 - Hey, Dad. Damn it, Eric!
 245 - Don't sneak up on a person like that when they're doing this.
 246 - How's it going in there?
 247 - I rubbed her feet.
 248 - Now, you're a brave one.
 249 - Better get back in there.
 250 - Hey, Dad, you coming back inside?

251 - Eric...
252 - I love your grandmother very, very much.
253 - I just can't talk to her or spend any time with her.
254 - Did I mention that I'm in there rubbing her feet?
255 - You know, son...
256 - sometimes you've just gotta play through the pain.
257 - What?
258 - I don't know. Just get back in there. Yeah, right.
259 - "With their sugar-coated ideals
260 - "designed to anesthetize the ignorant masses.
261 - "Why? So that the military slash corporate branches
262 - "can carry out world domination."
263 - All right, read that back to me.
264 - Okay.
265 - You didn't get that?
266 - All right, let's just use the encyclopedia.
267 - Oh, oh...
268 - You just want to vomit up facts from an encyclopedia?
269 - Yes. Okay, fine.
270 - You know what? Vomit away.
271 - I will not be a part of this, then.
272 - Eric, are you down here?
273 - He's not down here, Mrs. Forman.
274 - Donna, good, why don't you come up and eat with us?
275 - I need all the help I can get. Not you, Steven. Grandma doesn't like you.
276 - Lucky bastard.
277 - Well, what am I supposed to eat?
278 - Oh, um, you know, help yourself to the deep freeze.
279 - But everything's frozen.
280 - And I have a dryer.
281 - Honey, these, uh, cheesy potatoes are delicious.
282 - Thank you, honey.
283 - They really are great, Mrs. Forman.
284 - We have them whenever Grandma comes over...
285 - 'cause Mom knows how much she loves them. Right, Grandma?
286 - They make me sick.
287 - I'm allergic to dairy.
288 - Oh, how sad.
289 - Ma, this is Wisconsin. You're not allergic to dairy.
290 - Well, maybe she's just allergic to my dairy.
291 - If you're allergic to dairy you shouldn't put cream in your coffee.
292 - I mean, cream is dairy.
293 - Donna, just, no... No, okay?
294 - You shut up, Eric! Who the hell are you?
295 - Grandma, that's Donna, you've known her for 16 years.
296 - I have not. Anyway, I like your new friend better.

297 - The feeling is mutual.
298 - Done.
299 - I heard a noise in, uh, the garage.
300 - Raccoons.
301 - Bye.
302 - Well, um, I couldn't eat another bite.
303 - I've had enough.
304 - I'm going back downstairs. Excuse me.
305 - So, what say we watch Lawrence Welk, huh, Grandma?
306 - No, I'm going to watch Lawrence Welk with my new friend.
307 - You up for another foot rub, Desi?
308 - Ooh! Fry time.
309 - Hot! Hot!
310 - What are you doing? Huh?
311 - Um, just working on your report here, and having some fries.
312 - Wait, you put French fries in my mom's dryer?
313 - Yeah, the fish sticks are too flaky, so I just...
314 - I don't even need to...
315 - Finally. Where have you guys been?
316 - We had to look for the paper...
317 - and eat...
318 - and then some stuff happened, you know.
319 - Your shirt's on inside out.
320 - Yeah, that's the stuff.
321 - Where's the paper?
322 - Right. Okay, see?
323 - It wasn't on the three branches of the government...
324 - it was on the four food groups.
325 - Okay, look, my dad's got the World Books.
326 - I'll just run next door and get "G."
327 - Ooh! I'll go with you.
328 - You can break up with her now.
329 - You know, I'm tired of everybody
330 - trying to tear me and Jackie apart.
331 - Moron, every day you say you're breaking up with her.
332 - Well, you guys don't know her like I do.
333 - I mean, it's not just about fooling around.
334 - She buys me stuff.
335 - She hoovered your chest, man.
336 - You know what?
337 - I don't care anymore.
338 - All I wanted was a little help with my paper and you've done nothing!
339 - We put your middle name in.
340 - Jean-Claude?
341 - Yeah, that's two words.
342 - You guys suck.

343 - Just thank God for Donna.
344 - Okay, bad news, my mom sold some out at the garage sale.
345 - But we have "B," "X," and "R."
346 - All right. All right.
347 - Now, you listen up. I have had an extremely stressful day.
348 - And I am not proud of what I'm about to say...
349 - but someone give me a cigarette!
350 - Now!
351 - But, Mom, we don't smoke.
352 - Cut the crap, Eric. I am a nurse.
353 - I know that one in five teenagers smoke. One, two, three, four, five.
354 - Now, I'm going to close my eyes, and when I open them...
355 - there had better be a cigarette between these two fingers.
356 - Come on, people. Hop to!
357 - Thank you.
358 - Light?
359 - Kitty. Kitty.
360 - Kitty.
361 - Well, there you are, Red.
362 - Ma says the cat bit her, so I'm down here looking for it.
363 - Dad, we don't have a cat.
364 - That's what I thought.
365 - Well...
366 - You know, we really...
367 - We shouldn't leave your poor little foreign friend
368 - up there alone with Grandma.
369 - It's really kind of nice down here.
370 - Oh, thank you for a wonderful dinner.
371 - Well, you are so very welcome.
372 - Well, I hope I wasn't any bother.
373 - Oh, Ma, you're no bother. You're as welcome as...
374 - flowers in May.
375 - Bernice, here, I wrapped up some chicken for you to take home.
376 - Oh, thank you, dear.
377 - And I hope you put some of those cheesy potatoes in there.
378 - You know how much I love them.
379 - What?
380 - I thought you made such a big deal
381 - about how you were allergic to...
382 - Eric!
383 - It's been a perfectly nice Sunday. Let's not spoil it.
384 - Sweetheart...
385 - I hope I didn't make too big a deal about my allergy.
386 - Oh, no, Ma, he's a kid.
387 - He, uh... He overreacts.
388 - You know, this is the cutest little car.

389 - I just love it.
 390 - Eight hundred and twenty-five, eight hundred and twenty-six...
 391 - Eric, what are you doing? It's 1:00 in the morning.
 392 - I'm just finishing up some homework.
 393 - What are you doing down here?
 394 - Oh, well, um...
 395 - Snow White came down to gun a stick.
 396 - Look, Mom, I wish you wouldn't smoke.
 397 - I know. I know. This is my last one. I promise.
 398 - By the way, um...
 399 - thanks for your help with your grandma today.
 400 - Can I ask you a question? Mmm-hmm.
 401 - What does she have against you, Mom?
 402 - Well...
 403 - About 25 years ago, your father was dating this...
 404 - very attractive, well-to-do woman
 405 - that your grandma liked, and, um...
 406 - and he married me instead.
 407 - And she never forgave me.
 408 - That bitch.
 409 - Now, who was the lady with the cotton-candy dress?
 410 - That's Norma Zimmer, the champagne lady.
 411 - She is very talented.
 412 - And you see those two dancing? That's Bobby and Sissy.
 413 - I like his tight pants. Uh, she's a slut.
 414 - You know, I have seen this show before.
 415 - But the band leader's voice was much more masculine.
 416 - Ooh! Bubbles!

1.11 Episode 11: Eric's Buddy

1 - All right, this is basically all you need to know
 2 - about Bohr's theory of atomic structure.
 3 - Cool, man. Thanks, I appreciate it.
 4 - Listen, you don't mind me being your chemistry lab partner?
 5 - No. Why would I mind?
 6 - Just 'cause I, you know, I tend to blow things up.
 7 - Whoa.
 8 - Buddy, what are you doing?
 9 - Unlocking my car.
 10 - No way.
 11 - This is your car?
 12 - Oh, so you're the guy I hate.
 13 - Yeah, that would be me.
 14 - Can I just...
 15 - Yeah, man.

16 - I'm so glad you're my lab partner.
17 - I could take you for a ride if you want.
18 - No way. Let's go!
19 - Hey, don't do that.
20 - I'm kidding.
21 - Here you go, Red. Your very first paycheck.
22 - Thanks, Bob. You know, I really appreciate the job.
23 - Yeah, I just wish you had a commission check in there.
24 - Well, I haven't sold a damn thing.
25 - Yet. But if I paid people for almost selling something,
26 - you'd be rich.
27 - But I don't. So you're not.
28 - But, hey, today is your day.
29 - Oh, hi. May I help you?
30 - Yes. I'd like to buy a refrigerator.
31 - Well, what kind of refrigerator would you like?
32 - Well, I don't know.
33 - Okay. What kind of features are you looking for?
34 - Um...
35 - I'd like it to be cold.
36 - Yeah. Uh, well.
37 - How many cubic feet of food does your family consume in a week?
38 - Gee, I don't know.
39 - I do know I like Harvest Gold.
40 - See, now there's your first mistake.
41 - Now, color is the last thing that you want to consider.
42 - You see, I can't sell you something
43 - if you don't know what you really want.
44 - Yes.
45 - It was wrong of me to walk in here, ready to write a check.
46 - But thanks.
47 - Hanging out
48 - Down the street
49 - The same old thing
50 - We did last week
51 - Not a thing to do
52 - But talk to you
53 - Whoa, yeah
54 - Hello, Wisconsin!
55 - Hey!
56 - Hey! Hey, hey, hey!
57 - Brr!
58 - Where the hell is Forman, man? This isn't like him.
59 - I'm really starting to get worried.
60 - What if something happened to him?
61 - Nothing happened to him.

62 - What if he's lost or hurt somewhere?
 63 - Calm down, Lassie, I'm sure Timmy's just fine.
 64 - Maybe we should check the school morgue.
 65 - Kelso, the school doesn't have a morgue.
 66 - Then what do we pay all those taxes for?
 67 - You know what kills me? You do better in school than I do.
 68 - I'm worried, man.
 69 - Okay, fine. Let's just be logical, right?
 70 - Forman's not gonna just ditch us.
 71 - The Cruiser's battery is probably dead or something.
 72 - You know what? It's starting to get late.
 73 - Maybe we should just start walking?
 74 - No. I'm not walking.
 75 - If God wanted us to walk, he wouldn't have given us Forman.
 76 - Oh, my God. That's Buddy Morgan.
 77 - Oh, man, I had such a crush on him in seventh grade.
 78 - He is driving the fiery chariot of the sun god.
 79 - He's with Eric?
 80 - This is a serious clique breach.
 81 - A serious clique breach? That's the worst kind.
 82 - You see, Buddy is in the rich kid clique.
 83 - They mingle with the jock clique.
 84 - Then you have your smokers and your heads. Okay?
 85 - Rich kids can be smokers, and jocks can be heads,
 86 - but jocks cannot be smokers, unless they're rich.
 87 - What about Larry Mosely? He's a rich jock smoker head.
 88 - Okay, now you're just being difficult.
 89 - Hey, guys. Buddy, you know everyone. Right?
 90 - Hi. No, I don't think we've actually met.
 91 - - No, I am Fez. - Hi.
 92 - My gosh, Buddy, with a car like that,
 93 - you must be knee deep in whores.
 94 - Okay, let's head back to my house.
 95 - Now, Red, you know, working as a salesman
 96 - is different from working at a plant.
 97 - You need time to adjust.
 98 - You need to use your people skills.
 99 - Kitty, I don't have any people skills.
 100 - Okay, come on, now.
 101 - Come on. Buck up.
 102 - You can do this. All you have to do is smile.
 103 - That is the most important people skill of all.
 104 - So come on. Let me see it. Come on.
 105 - Okay, you just keep on smiling.
 106 - They're finally getting off the island.
 107 - No, Fez, they're not getting off the island.

108 - But they have a coconut radio. What could go wrong?
 109 - Oh, Jilligan.
 110 - Oh. There you guys are. Where have you been?
 111 - Where have we... Where have you been?
 112 - We've been worried sick about you.
 113 - We had to walk all the way here, man. My feet are killing me.
 114 - Are your fingers broken? You can't use a phone?
 115 - Do you know it's freezing outside?
 116 - And I'm wearing my uncle's boots, so now I have a blister.
 117 - Shaggy, Scooby, we've got company.
 118 - Huh. Buddy Morgan.
 119 - Yeah, I know you.
 120 - Yeah, I guess it's my fault. I gave Eric a ride home.
 121 - - So, uh... - Get out of my chair!
 122 - Okay.
 123 - I really have to be going anyway, so...
 124 - Oh, hey, your car is still at school, huh?
 125 - Yeah, you're damn right it is.
 126 - I could drop you off if you want.
 127 - Oh, yeah, sure.
 128 - And hey, guys, I'm real sorry I forgot about you.
 129 - - Did you want to drive? - Hell, yeah!
 130 - I call backseat.
 131 - Did you see that? He just ditched us again.
 132 - Do you even know how difficult it is to clique jump?
 133 - Eric has achieved something very special,
 134 - and you're both ruining it for him.
 135 - Who cares?
 136 - I'm tired and I never want to walk anywhere again.
 137 - Michael, walk me home.
 138 - Okay.
 139 - Okay, what's your problem with Buddy? I mean, he seems nice enough.
 140 - Screw him, man.
 141 - I mean, he's got the money, the car, the family.
 142 - The teachers like him, the counselors like him.
 143 - Everybody likes him. I hate him.
 144 - Hyde, don't you think you're overreacting just a little bit?
 145 - Donna, let me tell you something, okay?
 146 - When high school's over, Buddy Morgan's going to a great college.
 147 - You know where I'm gonna be? Sitting right here in my uncle's boots.
 148 - Well, at least you've got great friends.
 149 - And I'll always be your friend.
 150 - Thanks, Donna.
 151 - That was sympathy, Hyde.
 152 - Not an opening for you to put your hand on my knee.
 153 - Sorry.

154 - Move your hand.
155 - Now, ma'am, I'm a friendly guy
156 - and I want to help you.
157 - But if you don't know how many amps you need,
158 - there's nothing I can do for you. Think, lady.
159 - Wait. Bob!
160 - Hi, there, I'm Bargain Bob.
161 - Ooh! I see you're looking at blenders.
162 - Now this one here, all wrong for you.
163 - I'd say it's between these two,
164 - but this one, visualize yourself blending with this one.
165 - Huh?
166 - Oh, yeah.
167 - Okay! Just take that over to the cashier and have a beautiful day.
168 - Number 10, your order is ready.
169 - Yeah, I'll be right there.
170 - Number 10. I have limited counter space.
171 - Please remove your hot dog.
172 - All right.
173 - I don't see why you can't just serve us our food, Frank.
174 - We are paying customers, you know.
175 - Hey, I did not lose a leg in Vietnam
176 - so that I could serve hot dogs to teenagers.
177 - You have both your legs, Frank.
178 - Like I said, I did not lose a leg in Vietnam.
179 - Hey, guys.
180 - Hey, man, where's Forman?
181 - Uh, I don't know. He's not with me.
182 - He's with that damn Buddy again.
183 - You know, he only hangs out with Buddy 'cause he's got a Trans Am.
184 - So? You guys only hang out with Eric
185 - 'cause of the Vista Cruiser and the basement.
186 - We've been friends with Forman since he was a kid, man.
187 - Way before he had any of that stuff.
188 - That's right.
189 - Remember when he used to have that tree house and the go-kart?
190 - Hey, you.
191 - Buy something or get out. I've got a big wedding coming in.
192 - Frank, you don't have a big wedding coming in.
193 - Oh, did I say wedding?
194 - Because I meant to say, "buy something or get out."
195 - Fine. I'll go some place else, then.
196 - Come on, let's go.
197 - I'm not going anywhere. I just bought a hot dog.
198 - I'm outta here.
199 - Hello, welcome to the Hub. May I help you?

200 - That was a great movie, huh?
 201 - Yeah. I mean, who would have thought
 202 - working at a car wash could be so much fun?
 203 - So what do you wanna do now?
 204 - I don't know.
 205 - Oh, ahh!
 206 - What?
 207 - Nothing. I forgot to call Donna.
 208 - Oh, Donna.
 209 - So she's like your girlfriend?
 210 - I don't know. It's...
 211 - I don't know.
 212 - You know, it's okay to be confused, Eric.
 213 - Yeah, you know, sometimes I feel like...
 214 - I don't know, like we're in a movie, right?
 215 - And I'm nervous around her,
 216 - and I feel like I'm playing this part, right?
 217 - - But it's not me. - Mmm-hmm.
 218 - Whoa! Whoa! Whoa!
 219 - What?
 220 - You're gay!
 221 - Me? No, I'm not gay.
 222 - You're not?
 223 - But you just kissed me.
 224 - Okay, I'm gay.
 225 - Can you take me home now?
 226 - And just because Johnny's a boy,
 227 - don't think that appearance and physique aren't important to him, too.
 228 - Johnny and Janey both need reassurance
 229 - that they are accepted and respected for what they are.
 230 - Look, I'm not gay.
 231 - Yeah. Yeah.
 232 - - Are you sure? - Yes!
 233 - 'Cause I just thought that...
 234 - Why would you think that?
 235 - 'Cause we've been spending so much time together.
 236 - Because we're friends.
 237 - I've been friends with Hyde for years,
 238 - and I've never put the moves on him.
 239 - - Who could blame you? That guy's a jerk. - Yeah, well...
 240 - Yeah, but that's not the reason. It's because I'm not gay.
 241 - Right.
 242 - I'm sorry for kissing you.
 243 - That's okay. I mean, it's...
 244 - Let's just forget about it.
 245 - - Do you wanna listen to the radio? - Hey!

246 - Look, I told you I wasn't gay.
247 - I'm dead weight. I'm quitting, Kitty.
248 - Now, you can't quit.
249 - Why not?
250 - Because if things keep going like this, Bob's going to fire you.
251 - It's a joke, Red.
252 - Oh, I know! Let's do some role-playing.
253 - What?
254 - Some role-playing.
255 - I'll be the interested customer
256 - and you be the helpful salesman.
257 - Does this end up in the bedroom?
258 - We'll see.
259 - Okay, here we go.
260 - My, that's a lovely blender.
261 - This is stupid.
262 - Red.
263 - Well.
264 - It's got stainless steel rotor blades so it can crush ice,
265 - which is why I keep it out here at the bar.
266 - And it has the highest wattage that you can get
267 - without moving up to the industrial model
268 - which would cost you twice as much.
269 - Now, see, we have had this blender all these years,
270 - and I never knew that's why we bought it.
271 - You didn't know that? How could you not know that?
272 - Red, everybody doesn't research
273 - every product before they buy it.
274 - Well, then they're dumbasses.
275 - That's right. And that's why they need you to tell them what to buy.
276 - Hmm.
277 - Well.
278 - I think you are just tailor-made for this job.
279 - Heck, I go in to buy something,
280 - all I know is what color I want.
281 - You're one of them.
282 - Well, I think you should be nice to me, Red.
283 - Because I think I might be interested in purchasing a mattress.
284 - Kitty, we don't even sell...
285 - Oh!
286 - I miss Eric.
287 - Well, you still have me.
288 - It's not the same, Jackie.
289 - I can talk to Eric about things that I can't talk about with you.
290 - Okay, like what?
291 - Well...

292 - For instance, the annoying things that you do.
 293 - Michael!
 294 - See? I can't talk to you.
 295 - Hey, Eric, how's it...
 296 - So what's everyone looking at?
 297 - What are we looking at, man? We haven't seen you in days.
 298 - Oh, what, Hyde? You had to walk all the way home from school again?
 299 - That's not the only reason we're upset with you.
 300 - That's my only reason.
 301 - I thought you had another reason.
 302 - No, that's pretty much it.
 303 - Where's Buddy?
 304 - Oh, Buddy? Oh.
 305 - Buddy got...
 306 - Busy.
 307 - Yeah, I mean, I'm sure he has a lot to do. He is popular.
 308 - Yes, and so obviously gay.
 309 - Buddy is not gay!
 310 - Please, Fez. That's just stupid.
 311 - If Buddy was gay, he would have been all over me.
 312 - He would've.
 313 - See you guys later.
 314 - So, Forman. Uh, now that the scary kids are gone,
 315 - is Buddy gay?
 316 - I don't think it's really my place to...
 317 - He's gay.
 318 - Okay, guys, hypothetical situation, crazy scenario,
 319 - wouldn't happen in like a million years.
 320 - Let's just... Let's say, okay,
 321 - that Buddy made a move on me.
 322 - Eric, he's not gonna make a move on you if he knows you're straight.
 323 - I don't know. I mean, Forman is pretty irresistible.
 324 - I don't think he'll make a move on me again.
 325 - Again?
 326 - Or for the first time. You know...
 327 - I gotta go.
 328 - You know, Donna,
 329 - if Forman ever decides to dabble
 330 - in the love that dare not speak its name,
 331 - I'm here for you.
 332 - Well, you got your variable speed here.
 333 - It's completely stainless steel throughout
 334 - so you know it'll last forever.
 335 - Comes with everything you see.
 336 - And so, the only decision you'd have to make is what color do you want.
 337 - - I'll take white. - Can't go wrong there.

338 - Thank you so much.
 339 - You know, you're the most helpful salesman I've ever had.
 340 - Oh.
 341 - Thank you.
 342 - Well, you go ahead and look around. I'll write this up.
 343 - I sold a Mix Master.
 344 - Jeez, Red, that's great. What did I tell you? Today is your day.
 345 - Hello, Kitty,
 346 - guess who sold a Mix Master?
 347 - Hey, Buddy. Um...
 348 - I'm gonna need those chemistry notes back.
 349 - Oh. Yeah.
 350 - Listen, man, if you don't want to be my lab partner anymore
 351 - then I'll understand.
 352 - No, no. Oh, I didn't mean it like that.
 353 - Um...
 354 - Look, we're still friends.
 355 - Really?
 356 - Yeah.
 357 - Actually, Buddy, um...
 358 - I wanted to ask, why...
 359 - Why, why
 360 - me?
 361 - I don't know, man. You know, it's probably,
 362 - it's probably the same reason that Donna likes you, you know.
 363 - You're smart and sensitive
 364 - and nice-looking.
 365 - Okay, first of all, I'm not really that smart.
 366 - Those notes I gave you, copied.
 367 - Okay, and as for sensitive, sometimes I can just be downright mean.
 368 - You're so cute.
 369 - Well, that is...
 370 - Well, I guess I am.

1.12 Episode 12: The Best Christmas Ever

1 - Man, the Grinch has a big butt.
 2 - Yes. Nothing says Christmas like a big, green Grinch ass.
 3 - Hold the ladder for me.
 4 - So, Eric, what are you doing Christmas Eve?
 5 - Well, my parents are having the same, lame Christmas party
 6 - they have every year. All the adults.
 7 - "Hey, neighbor, is that mistletoe?"
 8 - All right, how does that look?
 9 - It's great, man. Looks fabulous.
 10 - Guys, the ornaments are up here.

11 - Oh, yeah. Looks great.
 12 - Oh, I just love Christmas.
 13 - It's all about good tidings and cheer.
 14 - And shopping.
 15 - Yeah, I'm pretty sure that's what Jesus was going for.
 16 - Hey, I give, too.
 17 - Every year, my friends and I deliver gift baskets
 18 - to the unfortunate.
 19 - I think you mean less fortunate.
 20 - Okay, whatever. Bums.
 21 - Oh, what are you guys doing watching cartoons?
 22 - Holiday Inn is on.
 23 - Where the treetops glisten
 24 - La, la, la, listen
 25 - Eric, come on, help me get the decorations.
 26 - Sure, Mom.
 27 - You know what my favorite Christmas gift of all time is?
 28 - Lite Brite.
 29 - It's fun making things with Lite Brite.
 30 - Well, It is.
 31 - Man, my favorite gift is cash.
 32 - That way you can buy whatever you want. Know what I mean, Donna?
 33 - Like, let's just say somebody gave you, uh,
 34 - *6andsomechange, right?*
 35 - *Youknow, tobuyapresent. Whatwouldyouget?*
 36 - *Hyde, itdoesn'tmatterhowmuchagiftcosts*
 37 - *aslongasit'spersonalandsentimental.*
 38 - *Youknowwhat'sbothpersonalandsentimental?*
 39 - *Diamonds.*

 46 - *Wedidlastweek*
 47 - *Notathingtodo*
 48 - *Buttalktoyou*
 49 - *Whoa, yeah*
 50 - *Hello, Wisconsin!*
 51 - *So, um, Laurie, seeinganyonespecialatcollege?*
 52 - *Oh, Iliketodatearound.*
 53 - *Slut!*
 54 - *Well, blessyou.*
 55 - *Thanks, Mom.*
 56 - *Hey, uh, Dad, insteadofbeingatyourpartythisyear*

57 – *I wasthinkingofthrowingapartyinthebasement.*
 58 – *I mean, I think I'm old enough.*
 59 – *Fine.*
 60 – *Fine?*
 61 – *Every year he just mopes around here*
 62 – *like it's the end of the world, anyway.*
 63 – *All right! Thanks, Dad.*
 64 – *So now who's going to sing the high part son*
 65 – *The Little Drummer Boy?*
 66 – *Traditionally it's the man who can't grow facial hair.*
 67 – *Dad, one more thing about the party.*
 68 – *Um, I need some money.*
 69 – *All right, Eric.*
 70 – *I want you to pick out this year's tree.*
 71 – *And, whatever you don't spend...*
 72 – *you can use for your party.*
 73 – *You know how much I hate haggling with those tree...*
 74 – *Haggling is part of being an adult. Here's \$40.*
 75 – *I want 50.*
 76 – *Knock it off!*
 77 – *Pick out a good one.*
 78 – *Okay, fine. Throw your party.*
 79 – *But can I at least make you some punch and cookies?*
 80 – *Mom, no. Just punch?*
 81 – *No, Mom.*
 82 – *You can't have a Christmas party without punch.*
 83 – *That, that's just insanity!*
 84 – *Merry Christmas.*
 85 – *You know, Bob, I just want to thank you again*
 86 – *for the job, you know?*
 87 – *Aw. I always need extra help during the holidays.*
 88 – *I feel like you're my second – in – command around here.*
 89 – *Solisten...*
 90 – *how about you close up for me on Christmas Eve, huh?*
 91 – *Why would we be open?*
 92 – *It's a big night, Red.*
 93 – *See, picture a guy driving home from work on Christmas Eve.*
 94 – *Fa, la, la, la, la*
 95 – *Bob, nobody works on Christmas Eve.*
 96 – *Allofasudden, here realizes she forgot to buy a gift!*
 97 – *Then he passes by the store here,*
 98 – *sees we're the only place open.*
 99 – *So what does she do?*
 100 – *He comes in here and buys a fridge.*
 101 – *So this guy's insane?*
 102 – *Not my place to judge.*

103 – *Sowhatdoyousay?*
 104 – *Fine.*
 105 – *IknewIcouldcountonyou, Red.*
 106 – *Ofcourse, you'llhavetoweartheSantaClaussuit.*
 107 – *Ah, yougotmethere, Bob.*
 108 – *No, I'mserious, Red.*
 109 – *No.Yougotmethere, Bob.*
 110 – *Forman, man, wouldyourelax?*
 111 – *Thisisagoodplan.*
 112 – *Weutdownthetree, keepthe40 for beer.*
 113 - Car.
 114 - Where?
 115 - Kelso, "Car" means get down.
 116 - Okay, I'm done.
 117 - No, I disagree, Kelso. See, if you were done,
 118 - the tree would probably be more horizontal.
 119 - No, I mean I'm done.
 120 - Car!
 121 - All right, cut it yourself.
 122 - Fine, Kelso.
 123 - Do you believe him?
 124 - Hyde, did you have to write your name in the snow
 125 - so close to the tree?
 126 - Sorry.
 127 - Now we got 40forbeer.
 128 – *Youknowwhatelseweshoulddo?Notgetanypresents.*
 129 – *Nopresents.Thatway...*

 142 – *Really?Sure.*
 143 – *Likeyourneck, orthemall.*
 144 – *Wow!*
 145 – *Allright, well, Howmuchdoesabottleofthatrun?*
 146 – *Mmm, about12.*
 147 - Oh.
 148 - Well, what about a bottle of crappy perfume?

149 - What does that run?
150 - Gosh, I don't know. I'll call Bob's mom.
151 - Oh, you did not get this from a lot. You stole it.
152 - I haggled.
153 - With who? Smokey the Bear?
154 - You stole it.
155 - Well, I mean, you're one to talk.
156 - You're flunking out of college.
157 - How'd you know? I didn't.
158 - Shut up!
159 - Shut up. You shut up!
160 - You shut up!
161 - Okay. Okay.
162 - Okay, now be careful with this one.
163 - It's very, very old.
164 - Oh, it looks terrible.
165 - Laurie, hang that one around on the back side.
166 - Okay, Grandma.
167 - You know, Kitty, you've got two red ones together.
168 - Uh-huh, so I do. Thank you, Bernice.
169 - Eric, help me hang these stupid ornaments.
170 - I can't. I'm planning a party.
171 - I don't get it.
172 - How come the little drummer boy gets to have a party?
173 - Because I asked, you stupid sister.
174 - That's not clever.
175 - I don't have time to be clever.
176 - I'm planning a party, Miss...
177 - Dumb girl.
178 - I'll get it.
179 - Oh, hi, is Michael here?
180 - There's no Michael here. You have the wrong address.
181 - Michael, I want you to drive me and my friends around
182 - on Christmas Eve.
183 - Why?
184 - To distribute gift baskets to the less fortunate bums.
185 - Okay, but we better be back in time for the party.
186 - Yes. Perhaps you lovely ladies would like to join us?
187 - I don't think so.
188 - Well, we are supposed to be helping the less fortunate.
189 - Okay.
190 - Jackie, come here.
191 - Why?
192 - Just come here.
193 - Hyde, if you want to make out with me,
194 - the answer's probably no.

195 - Yeah, okay. Look, Jackie...
 196 - I know this girl, right?
 197 - And I want to get her a Christmas present.
 198 - Oh, my God, it's Donna!
 199 - It's not Donna.
 200 - Okay, it's not Donna.
 201 - So how much do you have to spend?
 202 - 6.
 203 - *You don't deserve a girl like Donna for 6.*
 204 - I'm not trying to get Donna.
 205 - Good, 'cause you won't, for 6.
 206 - *You know what? Thanks a lot, never mind, bye - bye.*
 207 - *We will see you tomorrow, babes.*
 208 - *May I ask you a question?*
 209 - *Sure.*
 210 - *What the hell are you doing?*
 211 - *What?*
 212 - *Buying Donna a gift. You know Eric likes her.*
 213 - *I know, man, but, you know, they're not officially...*
 214 - *Still, in my country, I would string you from the tallest tree.*
 215 - *We're not in your country, Fez.*
 216 - *Right. So good luck with Donna.*
 217 - *Remember, every day is Christmas at Bargain Bob's!*
 218 - *We're back from the store.*
 219 - *Kitty, I made a few changes on your grocery list.*
 220 - *I don't like your taste in dip.*
 221 - *No, oh, Laurie. No, that punch is for Eric's party.*
 222 - *Here, why don't you take this tonic out to the bar?*
 223 - *Makes sure we have enough rum and vodka.*
 224 - *Oh, all that rum and vodka. Kitty, you have a problem.*
 225 - *It's for the party, Bernice.*
 226 - *Oh, that's convenient.*
 227 - *All I know is that*
 228 - *my Red didn't start to drink until he met you.*
 229 - *And I didn't start to drink until I met you.*
 230 - *Merry Christmas.*
 231 - *Okay, Bernice, here, um...*
 232 - *help me get more of the party supplies.*
 233 - *Merry Christmas.*
 234 - *Ho, ho, ho, and a bottle of rum.*
 235 - *This should probably go here.*
 236 - *Mistletoe?*
 237 - *Yeah, it's really more for decoration.*
 238 - *Is that a fact, neighbor?*
 239 - *Um, No.*
 240 - *Here, Eric, where do we put the beer?*

241 – *Oh, uh, put it in the ice chest.*
 242 – *Okay, now, here you go. Punch and cookies, just like I promised.*
 243 – *No, Mom! Mom!*
 244 – *Eric, Mom made it for you.*
 245 – *The least you could do is drink a lot of it.*
 246 – *You know, you two...*
 247 – *you are just the best Christmas present a mother could have.*
 248 – *Ooh.*
 249 – *Hello, Laurie.*
 250 – *Kelso.*
 251 – *So...*
 252 – *Um...*
 253 – *Cool.*
 254 – *Merry Christmas.*
 255 – *Ooh, punch.*
 256 – *Yeah. Can I pour you some?*
 257 – *No, thank you.*
 258 – *But if you would like...*
 259 – *you can bend over and put my gifts under the tree.*
 260 – *Whoa, gifts? No, no, I thought we said no gifts.*
 261 – *No, Kelso, you said no gifts.*
 262 – *What's Christmas without gifts?*
 263 – *Yeah, man. Where's your heart?*
 264 – *Nobody tells me anything around here!*
 265 – *Now I gotta go get something for Jackie. She'll kill me!*
 266 – *Hey, cheer up. Have some punch.*
 267 – *I don't want any punch.*
 268 – *I gotta get a gift for Jackie.*
 269 – *Who I'm breaking up with.*
 270 – *Hi, Mr. Forman.*
 271 – *Kelso, what are you doing here? It's Christmas Eve.*
 272 – *I know, I'm looking for a Christmas gift.*
 273 – *You know, you're the only place*
 274 – *in this whole town that's open.*
 275 – *Yeah, I know.*
 276 – *What can I get for 17?*
 277 – *Well, we've got some really nice heavy-duty extension cords.*
 278 – *No.*
 279 – *How much is that refrigerator?*
 280 – *Hello, ladies. So glad you could make it.*
 281 – *May I get you something to drink? We have beer, you know.*
 282 – *What else do you have?*
 283 – *We have punch, but we also have beer.*
 284 – *Punch is fine.*
 285 – *Punch it is. Okay.*
 286 – *Would you like to chase down that punch with a nice beer?*

287 - Oh! I am kicking your ass!
288 - Good game, Mr. Forman.
289 - Oh, you're leaving? Come on.
290 - Come on, we'll play another game.
291 - No, Jackie's waiting for me. I really...
292 - One more game, come on.
293 - You know who you remind me of? Freddy Prinze.
294 - No, Ricardo Mottleblonde.
295 - You said, "Mottleblonde."
296 - No, I didn't.
297 - Okay, shut up.
298 - Okay, Fez...
299 - I want you to say something, like, really slow.
300 - Hello, my darlings.
301 - And when I say hello, you know what I mean.
302 - Hey! He was my friend first.
303 - Man, what's going on with the pep squad?
304 - Yeah, they seem extra stupid tonight.
305 - Jackie, this is for you.
306 - Ooh! Michael, what is it?
307 - It's hot rollers!
308 - And with steam!
309 - Mele kalikimaka is the thing to say
310 - On a bright Hawaiian Christmas day
311 - Hiya, Red. How'd it go tonight?
312 - Well, I sold a set of hot rollers, Bob.
313 - And a, uh... ...pong game.
314 - I'll get it.
315 - May I help you?
316 - Ma'am, do you own...
317 - the 1969 tan Oldsmobile station wagon in the driveway?
318 - No, I don't.
319 - Do you know who does?
320 - Yes, I do.
321 - Could you get them, please?
322 - Sure. Red!
323 - Sir, we believe your vehicle was involved
324 - in the unlawful removal of state property.
325 - What?
326 - We're gonna have to confiscate that tree.
327 - The tree? No, I mean...
328 - No... it's all done. I mean, look at it.
329 - No!
330 - Hey. I got you something.
331 - It's no big deal. But, you know, Christmas.
332 - Suddenly Hyde's getting bashful?

333 - Oh, wow!
 334 - This is great.
 335 - Hey, what is it?
 336 - It's a picture of me and Hyde.
 337 - Yeah, it's me and you in fifth grade.
 338 - I've had it in my drawer forever, so I just framed it.
 339 - That is so sweet.
 340 - Yeah, that is so sweet.
 341 - Um... Hey!
 342 - Look, why don't you open my present? Oh.
 343 - Oh, White Shoulders.
 344 - I love this stuff. Thank you.
 345 - You're welcome.
 346 - Oh...
 347 - Oh, my God,
 348 - you can see my training bra through my shirt.
 349 - Yeah, I remember that training bra.
 350 - Gee, I, uh... I wish I'd...
 351 - gotten you something like...
 352 - Man. Dude, it's nothing.
 353 - It's not nothing.
 354 - This is so thoughtful.
 355 - It's the sweetest thing anyone's ever given me.
 356 - Next to the perfume.
 357 - Right. I wrapped it myself.
 358 - I know how you like things...
 359 - wrapped, so...
 360 - Eric...
 361 - before you explain the beer...
 362 - maybe you can tell me why there are
 363 - two state troopers in the living room
 364 - confiscating our Christmas tree?
 365 - Oh, that... Um...
 366 - funny story, and a true story. You're gonna laugh...
 367 - Get to the point!
 368 - We cut the tree off the side of the interstate.
 369 - Well, that's just great, Eric.
 370 - Now the party's over, you're grounded,
 371 - and I want what's left of my 40.
 372 - *Kelso, give it to him.*
 373 - *Oh, no!*
 374 - *Yeah, I sort of spent it on Jackie's gift.*
 375 - *Oh, Michael, my hot rollers!*
 376 - *You got in trouble for me, Michael?*
 377 - *Oh, I love you...*
 378 - *...Michael!*

379 – *Oh, Godblessus, everyone!*
 380 – *AndHydelovesDonna.*
 381 – *Whoa!*
 382 – *She'scrazy, man!*
 383 – *Eric, whatthellhellisgoingonhere?*
 384 – *Havethesegirlsbeendrinking?*

 414 – *Hey, look, mistletoe.*

1.13 Episode 13: Ski Trip

1 - All right guys, this is no sweat.
 2 - If we leave right after school
 3 - we should make it to Jackie's ski cabin
 4 - by, like, 6:00.
 5 - Man, I can't wait. A trip to my favorite place.
 6 - Anywhere but here.
 7 - And I'm betting that Alpine Valley is gonna give the kid

8 - many make-out opportunities with Donna this weekend.
9 - The kid is in.
10 - What's with the whole "kid" thing?
11 - It's cool.
12 - It's not cool?
13 - Not cool. Dorky.
14 - Guess who made out with Pam Macy behind the gym?
15 - Everyone.
16 - No!
17 - Me!
18 - Kelso, a lot of people hang out behind the gym.
19 - Yeah, that's what's so great about it. Everybody saw it!
20 - Oh! That's great, man.
21 - Yeah. Because now everybody can tell Jackie, you moron.
22 - Yeah and then she's gonna dump you
23 - and we won't be able to go up to her ski cabin.
24 - She's never gonna find out.
25 - You are a dog, Michael, a dirty, dirty dog!
26 - What did I do? You kissed Pam Macy.
27 - I trusted you, Michael,
28 - and now all my friends are laughing at me.
29 - I can't even show my face in the
30 - third floor bathroom anymore.
31 - And that's the cool bathroom.
32 - But, I...
33 - No, Michael. We're through.
34 - Okay. If that's the way you want it, we're through.
35 - And Monday, when we get back
36 - from that ski trip, it's over.
37 - No, Michael. No, no, no, no, no.
38 - You won't be skiing this weekend.
39 - Oh, that's just great, Jackie.
40 - Cancel the ski trip and disappoint all our friends.
41 - Oh, no, no, no. We are still going.
42 - Well, they're surely not going without me.
43 - Right, guys?
44 - Oh, and did I mention my parents are not coming
45 - so it'll be just us?
46 - So, we'll see you Monday!
47 - Hanging out
48 - Down the street
49 - The same old thing
50 - We did last week
51 - Not a thing to do
52 - But talk to you
53 - Whoa, yeah

54 - Hello, Wisconsin!
 55 - Uh-huh. So, Eric's going away for the weekend.
 56 - Uh-huh. Whole house to ourselves.
 57 - You know what that means?
 58 - Dinner in front of the TV.
 59 - No.
 60 - You dog.
 61 - Now, Eric, you're gonna be driving in snow,
 62 - so I'll put together an emergency roadside kit for you.
 63 - In case you run into trouble.
 64 - Okay, that'd be great.
 65 - Preparation makes all the difference, Eric. Take kitty litter.
 66 - I can't tell you how many times
 67 - kitty litter got me out of a tight spot.
 68 - I remember one time in the '70s.
 69 - Oh, my God, Eric.
 70 - Oh. It's a road flare.
 71 - A road flare can save your life.
 72 - I said, "A road flare can save your life."
 73 - What? Check. Great. Road flare. Right.
 74 - Okay, now, good. How was school today?
 75 - Oh, okay, you know my PE Teacher, Coach Wilson?
 76 - Well, he had this crusty stuff in the corner of his lip.
 77 - So Kelso says to him... Kelso, says,
 78 - "Hey, coach, check out that crusty stuff..."
 79 - Last week, the coach...
 80 - Dad?
 81 - Dad, are you even listening?
 82 - Of course I'm listening.
 83 - And you know what I'm hearing?
 84 - You need to buckle down.
 85 - I've told you over and over again that school is so important.
 86 - What you do now determines...
 87 - Oh, Red, that is so good.
 88 - Oh, ooh, ooh,
 89 - right there. Ooh!
 90 - That hasn't been touched in years.
 91 - Hey, Donna, man, I brought my double sleeping bag. You know?
 92 - Great. Can Eric and I borrow it?
 93 - Oh, Hyde, watching you fail over and over...
 94 - It is like Charlie Brown and the football.
 95 - Yeah, man, I just... I just don't get it.
 96 - No, because Eric already has it.
 97 - Hey.
 98 - Oh.
 99 - Hey, Kelso.

100 - Um...
101 - Look, I just wanna make sure we're cool.
102 - 'Cause this weekend is, like,
103 - really important for me and Donna.
104 - So, uh, thanks for understanding.
105 - Yeah. I understand.
106 - I understand that we're not friends anymore.
107 - Okay, look, man, you brought this on yourself.
108 - I know I did, but that's no reason for me to suffer.
109 - No, that is a great reason for you to suffer.
110 - What... I'm going.
111 - Fine. Go. See if I care.
112 - Oh, come on, man. Wait...
113 - Well, here's your emergency roadside kit.
114 - Kitty litter?
115 - Oh, Kitty litter. Right.
116 - Um, honey, I put some sandwiches in your duffel bag.
117 - Now, um, why do you need such a big bag of oregano?
118 - Donna's Italian.
119 - Okay, stay warm.
120 - Okay, I see what's going on.
121 - You're not really going skiing.
122 - This is all just a gag. You're trying to get me all worked up
123 - so you can go, "Oh, just kidding, buddy!"
124 - Yeah, you got me.
125 - That's a nice burn.
126 - It sure is.
127 - Bye-bye.
128 - Aw. He's not going.
129 - He'll be back.
130 - Yup.
131 - Any second now.
132 - He's probably just going around the block.
133 - I gotta hand it to him, he got me there.
134 - That's a major burn.
135 - Yup.
136 - There he is. I knew it!
137 - Oh, no, that's not him.
138 - I have never seen snow before.
139 - It is so beautiful.
140 - Do you know what the best part of this whole trip is?
141 - That Michael is not here.
142 - He'd just be sitting here telling me
143 - how cute I look in my fur-trimmed coat.
144 - I know I look cute. I don't need him here for that.
145 - Forman, man, what's all this crap that Red gave you?

146 - I don't know. He's obsessed with kitty litter.
147 - I think he might be going insane.
148 - Far out.
149 - What the hell was that?
150 - I don't know. I guess we hit some ice.
151 - Oh, great, we're stuck.
152 - Look, I made my first snowball.
153 - I love snow so much, my fingers are numb with joy.
154 - That's frostbite, Fez.
155 - How rude.
156 - I hate your white man's winter.
157 - Get in the car, Fez. Get in the car.
158 - Eric, do something.
159 - Yeah, man, stop goofing around.
160 - It's freezing.
161 - This is awful. We're all going to die!
162 - And I love Michael.
163 - Shut up!
164 - Okay, think, Eric, think.
165 - Why kitty litter?
166 - Use the gum, Eric.
167 - Dad? What're you doing here?
168 - I'm not here. You're imagining me.
169 - Now who's insane, Mr. Smartmouth?
170 - Yeah, I guess I am.
171 - Use the gum to stick the candle in the can.
172 - The candle heats the can,
173 - which melts the snow behind the tire.
174 - Then pour on the kitty litter for traction.
175 - Now you think you can handle that?
176 - Yes, sir. Good.
177 - Because you don't want me back out here.
178 - I may be a figment of your imagination...
179 - I'm still freezing my ass off.
180 - Michael, what are you doing down here?
181 - You know what?
182 - I think Eric actually went.
183 - What a jerk.
184 - Well, why don't you just go to Jackie's cabin and talk to him?
185 - I can't, I don't have a car.
186 - And besides, Jackie hates me forever 'cause I kissed Pam Macy.
187 - You know, when Mr. Forman and I were dating,
188 - I saw him kissing a girl in a movie theater once
189 - and I forgave him.
190 - You forgave him for kissing another girl?
191 - Yes, sir.

192 - I mean it wasn't... It wasn't so much kissing.
193 - As it was, uh... Uh, groping,
194 - sloppy, pawing, nibbling nightmare.
195 - But, but you forgave him.
196 - Yeah. I forgave the bastard.
197 - Cool!
198 - Okay. Candles, check.
199 - Chianti, check.
200 - Fancy nut mix, check.
201 - And how's my pretty lady?
202 - Oh, you are so full of crap.
203 - Well, hello there.
204 - Hey.
205 - Thanks for stopping.
206 - Are you going all the way to Alpine Valley?
207 - Oh...
208 - I'm going wherever you're going.
209 - Wow. That's lucky.
210 - So tell me, did it hurt?
211 - What?
212 - When you fell down from heaven.
213 - No, I'm fine.
214 - All right, we made it!
215 - Yeah, just in time. That storm was getting nasty.
216 - I am so cold.
217 - The snow has stolen my manhood.
218 - Okay...
219 - There's only one bedroom.
220 - It was gonna be for Michael and I,
221 - but since our love is...
222 - Dead...
223 - you two should take it.
224 - All right.
225 - Want to go check out our room? - Definitely.
226 - Where are you guys going?
227 - I thought we were gonna hang the, uh...
228 - I am freezing.
229 - The winter in my country is 70 degrees.
230 - We must hold each other for warmth.
231 - Stop touching me!
232 - But I am going to die!
233 - Okay, Fez... Ooh! Amaretto.
234 - You know what, man? This'll warm you right up.
235 - Take a sip of that.
236 - Yum, liquid candy.
237 - Kitty, you're talking about something

238 - that happened over 20 years ago.
239 - And there you were at the movies,
240 - in front of God and everybody
241 - slurping on horse face,
242 - Lyn Taylor like she was a Popsicle.
243 - Kitty... A big,
244 - easy, horse-faced popsicle.
245 - Horse face?
246 - She was a runner-up in the Miss Wisconsin pageant.
247 - Which she lost because she was such a horse face.
248 - Thanks for the burger.
249 - Oh, and the hat.
250 - I just like to see that smile.
251 - You seem kinda down about your friend Eric.
252 - Yeah.
253 - It's just... You know,
254 - he's always been there for me. Mmm-hmm.
255 - Like when people used to call me dumb...
256 - he'd say, "He's not as dumb as you think."
257 - People don't like to talk about it but, uh...
258 - guy-to-guy relationships
259 - are pretty special, you know?
260 - They can be the most beautiful thing in the world.
261 - I don't know why I do this stuff. It's just, like...
262 - I get these urges, you know,
263 - and I can't control them.
264 - Shoot, I wrote that country song.
265 - I've been cheated
266 - Been mistreated
267 - When will I be loved
268 - Okay, that's probably just Jackie crying.
269 - Yeah.
270 - All right, all right. That's too much.
271 - Can you please go out there and break that record?
272 - Yeah.
273 - Okay. What's going on?
274 - Spy vs. Spy, man, they kill me.
275 - No, with her.
276 - She seems upset or something.
277 - Okay, look, where's Fez?
278 - Fez? Oh. Well, he killed
279 - that entire bottle of amaretto
280 - and then he ran outside, saying he had to make a snow angel.
281 - But he was in his underwear.
282 - Okay, look, you either need to go get Fez or console Jackie.
283 - All right, I'll take Donna.

284 - Jackie. Jackie. Yeah. Jackie.
285 - Okay.
286 - Oh. Oh, whoa, whoa, whoa, okay.
287 - Yeah, okay, no, I can see you're upset.
288 - Uh-huh, uh-huh. Now, listen, all right?
289 - If it's any consolation...
290 - Pam Macy would give it up to anybody.
291 - Well, what do you know? We're all alone.
292 - God, Hyde, you can be such a jerk, you know that?
293 - Oh, come on, I'm just goofing around.
294 - No, you're not.
295 - Look, I'm up here with Eric. All right?
296 - Eric, get it? Not you.
297 - I know, okay? I know.
298 - Look, do you think I like hitting
299 - on my best friend's girlfriend?
300 - I don't.
301 - But I look at you, I mean, look at you.
302 - I can't help it.
303 - Well, you better.
304 - It's so clear to me now.
305 - I can't just go around using people as my sexual playthings.
306 - You know what I mean, Gus?
307 - 'Cause people's feelings are, are way more important
308 - than those sexual urges.
309 - You're good people, son.
310 - You, too, man.
311 - Well...
312 - This is where you get off.
313 - And one more thing. Next time,
314 - take a bus. You're too pretty to hitch.
315 - Aw, thanks, man.
316 - Bye, Gus.
317 - Hey, Fez!
318 - Fez! Hey, man.
319 - Kelso. You're here.
320 - Yeah. I got a ride with the nicest guy.
321 - Listen, pfft,
322 - I had a lot of time to think on the way up here.
323 - And, well, I'm sorry.
324 - Yeah. Yeah, I'm sorry.
325 - I should never have come up here without you, man.
326 - I am a winter nymph.
327 - I love the snow.
328 - Hooray America!
329 - Michael! Oh, Michael!

330 - You walked all the way here in a
331 - driving snowstorm just to be with me
332 - didn't you, Michael?
333 - And you would never ever do that for Pam Macy, would you?
334 - No?
335 - Lover. You know it.
336 - Can one of you guys put his pants on?
337 - Kitty, this can't just be about me and Lyn Taylor.
338 - What's really bothering you?
339 - Okay.
340 - I just want to know why not me?
341 - Why not you what? I married you.
342 - Yeah, but when we were dating, you just sat there.
343 - You... You held my hand politely.
344 - Didn't you think that I might enjoy
345 - a passionate manhandling
346 - in a public place?
347 - Well, I respected you.
348 - I'm an old-fashioned guy.
349 - I don't think that you should
350 - grope and maul the one you love.
351 - Until you get to Florida...
352 - at the Fontainebleau...
353 - with the door locked and a carton of cigarettes.
354 - Oh, Red, our honeymoon.
355 - Mmm.
356 - Let's go upstairs.
357 - No. Let's go to the movies.
358 - Well, uh...
359 - Here we are.
360 - Tsk. Yep.
361 - So, I still can't believe that...
362 - Kelso cheated on Jackie with Pam Macy.
363 - I mean, that is just a seriously uncool move.
364 - Yeah.
365 - I mean, to risk everything for...
366 - Eric, I would never do that to you.
367 - You can trust me.
368 - Really?
369 - Absolutely.
370 - I would never kiss Pam Macy behind the gym.
371 - Oh...
372 - You know, never say never, Donna.
373 - Well, this night turned out okay.
374 - Pretty romantic.
375 - Yeah, it's just how I imagined it. Just you and me...

376 - I do not feel too good.
377 - Thank you.
378 - Okay, maybe it's not just how I imagined.
379 - Cover your ears, this part gets pretty gross.

1.14 Episode 14: Stolen Car

1 - Forman, man. It's a...
2 - tiny, little scratch. And Red's never gonna see it.
3 - No, Red sees everything. He sees when I put cheap gas in the car.
4 - I got it.
5 - We'll put my "gas, grass, or ass" bumper sticker over it.
6 - Listen, Forman, whatever happens, we'll all take the rap.
7 - Yeah.
8 - How'd you scratch the car, Eric? Have fun.
9 - See you, Forman. Later.
10 - Well?
11 - Well, uh...
12 - Sir, I was, um, pulling out of this parking space.
13 - Well, creeping is more like it. I was creeping...
14 - You were screwing around, backed into a hydrant.
15 - I see the paint marks. No!
16 - And by "no," I mean "exactly."
17 - But it wasn't my fault, sir.
18 - Kelso was giving me a...
19 - A what?
20 - Kelso was giving me a purple nurple.
21 - It's, um, when you grab somebody's nipple through their shirt
22 - and twist it really hard...
23 - until it becomes purple.
24 - Give me the keys.
25 - Dad, I...
26 - Your driving privileges are suspended
27 - until you learn some responsibility.
28 - Dad, I'm very responsible.
29 - No, no you're not.
30 - Responsible people don't go around getting their nipples twisted.
31 - See, when you say it though, it just sounds weird.
32 - Hanging out
33 - Down the street
34 - The same old thing
35 - We did last week
36 - Not a thing to do
37 - But talk to you
38 - Whoa, yeah
39 - Hello, Wisconsin!

40 - Love!
41 - Oh, my God.
42 - "Hair Do's and Don'ts of
43 - "Olympic Gold Medalists."
44 - Oh, my God,
45 - is that Dorothy Hamill? She's a virgin.
46 - Speaking of, um...
47 - You know, those girls at school who do it, like, all the time?
48 - Yeah.
49 - All right, is it just me,
50 - or do they seem more relaxed?
51 - Hi.
52 - Hey, what are you guys doing?
53 - They are talking about sex.
54 - Come on, Fez, chicks don't talk about sex, man.
55 - It's dirty.
56 - Yes, we do.
57 - Especially when it involves Michael Kelso, my dreamboat.
58 - Oh, Great. Now we have to talk about Jackie and Kelso's sex life.
59 - This is my worst nightmare.
60 - All right, you know what?
61 - Before you guys got here, Jackie and I were actually
62 - having a pretty good time.
63 - I know. I was surprised, too.
64 - Hey, Donna, you wanna go to my house?
65 - You know what? Okay.
66 - So what do you guys wanna do?
67 - We could walk to The Hub.
68 - Too far.
69 - We could walk to... Too far.
70 - Man, this sucks.
71 - I just can't believe that Red took away my car
72 - because of one stupid little scratch.
73 - I know, man. Who would think Red would overreact?
74 - I did.
75 - I have noticed Red is a real hard-ass.
76 - One toe over the line, sweet Jesus, you are clobbered.
77 - You know what I'm saying?
78 - Hey, guys. Check it out.
79 - Did you get a car? Yeah.
80 - My cousin Sully loaned me his wheels.
81 - - Yes. - So where to?
82 - You just want to hang?
83 - Yeah. Cool.
84 - Snookums?
85 - Yes, Pookie?

86 - Do you want turkey or tuna sandwiches tonight for dinner?
87 - Tonight? Tonight's meatloaf night.
88 - Right, but I have my class
89 - at the community college in Kenosha tonight.
90 - I told you about it last week.
91 - You most certainly did not.
92 - Yes, I did, remember?
93 - You were watching Baretta.
94 - Oh, Midge, you can't tell me anything while I'm watching Baretta.
95 - It's complicated.
96 - Bob, I've been telling you for months
97 - how I've needed to expand my mind.
98 - Is this about jewelry? 'Cause I'll buy you jewelry.
99 - No, sweetie. It's about me
100 - becoming a whole person.
101 - Midgie, don't take this the wrong way, but that's just stupid.
102 - Well, I don't think it's your decision.
103 - Well, I'm the man of the house
104 - and I say you're not going to community college.
105 - You can't tell me what to do, you big ass!
106 - What are we looking at?
107 - That scratch.
108 - What scratch?
109 - The scratch that Eric put in the car.
110 - I got most of it out with rubbing compound...
111 - but you should have seen it before.
112 - It was a doozy.
113 - Well, that must have been quite an accident.
114 - Was he killed?
115 - See, that's where his smart mouth comes from.
116 - Driver safety is serious business, Kitty.
117 - Well, you're right, Red.
118 - We should teach him a lesson.
119 - So when he comes home, I'll hold him down
120 - and you burn him with a cigarette.
121 - Just so you know, Donna, when I finally decide to do it with Michael...
122 - I have the whole thing planned out.
123 - First...
124 - I'll be wearing a very sexy Renoir.
125 - Don't you mean peignoir?
126 - Yeah, okay, whatever. Stop ruining this, Donna.
127 - Okay.
128 - And then there'll be candles everywhere.
129 - And also, there'll be a gigantic banner.
130 - And then Michael will come in.
131 - And the wind will be blowing...

132 - and then we will have the most magical night of our lives.
133 - So, if you have it all planned out... Mmm-hmm.
134 - ...why are you, uh...
135 - Why're you still waiting?
136 - I want it to be really, really special.
137 - Well, I mean, how could it not with a gigantic banner?
138 - Exactly.
139 - Bob doesn't want me to take this class, but it sounds so exciting.
140 - It's all about female empowerment.
141 - It's called, "The Woman Warrior."
142 - "Fighting Female Stereotypes."
143 - That's the professor. Isn't he cute?
144 - Uh-huh. Darling.
145 - So you want to come?
146 - Oh, well, um, I can't say I'm not tempted.
147 - Yes, I can. I'm not tempted.
148 - Don't you want to become an empowered woman?
149 - Well, you know, I just... I don't have time to be an empowered woman.
150 - I'm too busy running this household.
151 - You're so lucky, Kitty. You have it all.
152 - A great family and a great career.
153 - How did you talk Red into letting you work?
154 - Okay, well, one day we sat down, we did all our bills
155 - and we realized we were going to lose the house.
156 - This backseat sucks.
157 - Plus it's too small. Fez's leg is touching mine.
158 - No. Your leg is touching mine.
159 - I shouldn't even be in the back seat.
160 - You know, I should be driving my own car.
161 - Well, the reason you're not driving your own car, Forman
162 - is because you're irresponsible, and you scratched it.
163 - Yeah. That's a good one.
164 - I'm trying to drive the car here, man!
165 - No. Put it back, I like that song.
166 - Pipe down, now, back seat Charlie.
167 - All right.
168 - The back seat sucks.
169 - Welcome to my sad little world.
170 - Oh, great, no pickles. Now we gotta go back.
171 - Shut up!
172 - Hey, why does Sully have a statue
173 - of the Virgin Mary on his dashboard?
174 - Maybe he's, like, religious or something.
175 - Wasn't Sully in prison for arson?
176 - Yeah.
177 - People who burn stuff believe in God, too, Hyde.

178 - Why does his key chain say, "I love Bingo"?
179 - Sully must love Bingo.
180 - All right, I'm starting to think
181 - that maybe this isn't Sully's car.
182 - Then whose car is it?
183 - Ooh yeah
184 - This is great. I'm dead.
185 - You know, when we were in my car, and I was running the show
186 - I don't remember one single time we all got arrested.
187 - That's true.
188 - Eric, will you just relax? We're all in trouble here.
189 - Oh, no, no, no. No-no-no.
190 - We're not all in trouble here.
191 - Your parents have seven kids.
192 - They won't even notice you're gone.
193 - Your parents don't even live in this country.
194 - And your mom, probably one cell over.
195 - So, that just leaves me.
196 - I'm the only one who's really in trouble here.
197 - Look, Forman, I'll be in as much trouble as you are
198 - as soon as Edna sobers up.
199 - I will be deported.
200 - They're gonna send me back to
201 - my homeland, the beautiful island of...
202 - Okay, who's the ringleader here?
203 - He is.
204 - You get one phone call.
205 - To anywhere?
206 - One local phone call.
207 - So, who should we call?
208 - I'd call Red, but I feel safer in jail.
209 - I, um, don't know my phone number.
210 - I can't call Edna, man. It's poker night.
211 - No offense, but isn't every night poker night for Edna?
212 - No, no, n. I got it. I'll call Jackie.
213 - Her dad's a lawyer, and she's got a checkbook.
214 - Hello?
215 - Jackie! Oh, thank God you're home.
216 - I was driving a stolen car and I got arrested.
217 - Oh, Michael, this is just like the book Prisoner of Love
218 - where Cliff, the rugged yet sweet
219 - motorcycle mechanic was thrown into jail.
220 - And then his true love, Tasha,
221 - was forced to be a slave girl but for this
222 - really rich, mean guy.
223 - Jackie, I'm not kidding around. I'm really in jail.

224 - Oh, my God. Are you okay?
225 - Yeah, I guess. But I'm a little cold.
226 - It's lonely in the joint, Jackie.
227 - Oh, my God. You're really in jail.
228 - What if you never get out?
229 - That would really suck.
230 - Yes, it would, Michael. And I promise
231 - the minute you get out of prison,
232 - I'm gonna prove my love to you.
233 - Cool. Thanks.
234 - Michael, do you even know what I'm saying to you?
235 - Yeah.
236 - No.
237 - We're gonna make love, you idiot.
238 - All right!
239 - You two have a nice little talk?
240 - Oh, yeah.
241 - You know what's funny?
242 - What?
243 - Nothing! Because you forgot to ask her for help, you moron!
244 - My God, you're right.
245 - Give me another dime.
246 - We only had one dime.
247 - We only got one phone call.
248 - Oh, my God.
249 - Somebody give me a spoon.
250 - I'm gonna dig my way out of here.
251 - Look at this. Here we are, sitting down to dinner
252 - and Eric's not even home yet.
253 - Well, honey, you took away his car.
254 - He has to walk everywhere.
255 - Walking is good for him.
256 - Red, why do you have to be so hard on him?
257 - Same reason my old man was hard on me.
258 - To prepare me for the world.
259 - You know, Kitty, when I was his age...
260 - I could have parachuted onto a deserted island
261 - with nothing but a Swiss army knife, and I would've survived.
262 - Oh, okay, then we've learned something. No skydiving for Eric.
263 - I'll tell you, Kitty, the world is a tough place.
264 - You drop your guard for one second...
265 - and it'll kick you right in the ass.
266 - Well, you're right.
267 - Red, the world is hard.
268 - So wouldn't it be nice if Eric came home to a place that wasn't?
269 - All right, Kitty.

270 - When you win the lottery...
271 - you can buy him Disneyland.
272 - I can't believe she went to that class.
273 - Married women do not abandon their families.
274 - Sure they do, Dad. It's the '70s.
275 - I know what decade it is.
276 - Doesn't change the fact I'm eating
277 - a sandwich instead of a hot meal.
278 - Well, you want me to microwave it for you?
279 - I just don't understand why she needs this.
280 - I've given her a great life.
281 - Dad, that's not the issue.
282 - The whole point of the Equal Rights Amendment
283 - is so that women don't have to define themselves by a man.
284 - Donna, is this about clothes?
285 - 'Cause I can buy you clothes.
286 - This is pointless.
287 - Hey, while you're up, you wanna get Daddy a beer?
288 - Honey?
289 - Eric, you've gotta do something, man.
290 - Me? What about you, Kelso? Or Hyde?
291 - I can't talk to cops, man. I go insane with rage.
292 - Oh. And me, too. Nuts.
293 - Eric, you gotta help us.
294 - So now I'm back in charge?
295 - This is so typical.
296 - Okay, you know what? Fine.
297 - Once again, I'll suck it up,
298 - be the man and save all your sorry asses.
299 - Officer, I need to talk to you, please.
300 - You gotta let me go!
301 - Please, God. My dad's gonna kill me.
302 - You stole a car, kid.
303 - What kind of cop would I be if I just let you go?
304 - My best friend the cop?
305 - Look, it really wasn't my fault. We borrowed it from a friend.
306 - Yeah, haven't heard that one before. Guess what?
307 - They didn't really steal the car.
308 - They borrowed it from a friend.
309 - Well, actually, they did. Turns out this guy Sully
310 - borrowed it from his grandmother
311 - and she forgot and called it in stolen.
312 - Nice old lady, though. She plays Bingo.
313 - Oh, my God, this is great. So, we're free to go?
314 - Yeah. Which one are you?
315 - Eric Forman.

316 - Forman? Is your dad Red Forman?
317 - Uh, yeah.
318 - You poor bastard.
319 - Well, thank you. Here.
320 - So? So.
321 - So call a cab. We're sprung.
322 - What? We're free?
323 - All charges dropped.
324 - Wait, that is what you wanted, right?
325 - Let's get the hell out of here.
326 - Yeah.
327 - Oh.
328 - Hi, Bob.
329 - Midge, I, uh, I've been thinking.
330 - If taking that class made you happy, then I guess I'm happy.
331 - Oh, sweetie, it means so much to me.
332 - And it's only twice a week, so it's not...
333 - Whoa, whoa, whoa.
334 - I thought this was a one-time deal.
335 - Bob, you can't learn total
336 - female empowerment in one night.
337 - It takes 10 nights.
338 - Wait. Uh-uh. Midge, you are not going back.
339 - Aphrodite, the Goddess of War wouldn't take this
340 - and neither will I!
341 - Hey, Dad. Hold it.
342 - About the car.
343 - I know it was...
344 - And I, uh...
345 - You see, when I was a kid, uh...
346 - Maybe I came down...
347 - Um. Here's the keys.
348 - Thank you, sir.
349 - So where you been all night? Prison.
350 - Yeah, okay.
351 - Jackie.
352 - Michael, you've been sprung.
353 - Oh!
354 - You don't know what it's like on the inside, Jackie.
355 - Did they beat you?
356 - Yeah.
357 - Damn those police.
358 - Oh, no. It was Hyde. But he really frogged me.
359 - Oh, poor baby.
360 - Thanks, Jackie.
361 - Okay, so let's do this thing.

362 - Oh! This is so perfect.
363 - I don't even miss the peignoir,
364 - the pirate shirt, or the wind.
365 - What about the banner?
366 - It's okay.
367 - The important thing is, I'm here with you.
368 - And I'm prepared to give myself to you...
369 - body, mind, and soul.
370 - Michael, this is going to be the most magical night of our lives.
371 - Oh, yeah, and one more thing.
372 - My parents are at the AP,
373 - so we only have, like, 15 minutes.
374 - You guys enjoying your burgers?
375 - Got enough pickles on them?
376 - That's how Fatso Burger does them.
377 - Lots and lots of pickles. Yes, yes.
378 - Yeah. It's great.
379 - Got enough room back there?
380 - Uh, actually, it's a little bit crowded.
381 - Good. That's the way it should be. Yes, yes.
382 - I feel like going to the movies. Where do you guys wanna go?
383 - Let's go to the reservoir.
384 - Movies it is. Yes, yes.
385 - I kind of feel like going to the reservoir.
386 - Reservoir it is. Yes, yes.

1.15 Episode 15: That Wrestling Show

1 - You and Jackie did not do it.
2 - No. We so did it.
3 - You're always saying that you did it.
4 - Kelso, she wears the pants, and they have never come off.
5 - Look at my face. This is a face that did it.
6 - Holy smokes, I think he did it.
7 - Kelso did it!
8 - I did it! I did it! I did it!
9 - Yeah. Congratulations, man.
10 - Plus, you did it in record time.
11 - Yeah, you think?
12 - No, you moron. You've been kissing her ass for over a year.
13 - Yeah, but that's over, man.
14 - It's hard to explain to you kids
15 - that have never had sex before...
16 - but when you're with a woman,
17 - something chemical happens to her.
18 - Now, Jackie is totally different. She's like my love slave.

19 - Oh, yeah, I'm that good.
20 - Hey, guys.
21 - Hi, sweetie. How are you?
22 - Well, actually, I'm a little bit chilly.
23 - But I left my coat up in the car.
24 - I'll go get it for you. Miss me.
25 - Handy little thing, isn't she?
26 - Okay, that was so cool.
27 - Cool? And by "cool" I mean "wrong and stupid."
28 - All right, shut up. Wrestling's back on.
29 - Oh, I love wrestling!
30 - Come on, you're not even fighting back.
31 - Why would he fight back?
32 - Don't forget, this Saturday night...
33 - pro wrestling is coming...
34 - to the National Guard Armory in Kenosha, Wisconsin.
35 - Watch Rocky Johnson take on 20 snarling midgets.
36 - Now, back to the action.
37 - Rocky Johnson's coming to Kenosha? Oh, man, we gotta go.
38 - I'm in. I love midgets, man.
39 - Eric, I need to see you up here.
40 - Okay, I'll be right up.
41 - You are not going up?
42 - I'll go up when I'm ready.
43 - Oh!
44 - So I just said to myself,
45 - "I don't care if all I have is dirty laundry and no money.
46 - "I'm going home to see my parents.
47 - "Because I love them very much."
48 - Aw...
49 - Oh, my.
50 - Oh, well, will you look at these?
51 - Yeah, Mom, all the girls are wearing them.
52 - Eric, where have you been?
53 - Yeah, Eric, I called you five minutes ago.
54 - I was watching wrestling.
55 - Did you take those books back to the library like I asked you?
56 - Uh, yeah. I took them back.
57 - Then why did I see them in the backseat of your car?
58 - I took them back to the car.
59 - Which means that they're practically at the library.
60 - You know, Dad, I feel sorry for all the good kids...
61 - who wanted to read those books.
62 - That's who I feel sorry for.
63 - Okay, it's five books. A nickel a book.
64 - Uh, big deal, I'm out a quarter.

65 - It's not about the money, son.
66 - It's about the rules.
67 - And without rules, we might as well all be up in a tree
68 - flinging our crap at each other.
69 - Uh... Okay.
70 - The library closes in a half an hour, so get your ass over there.
71 - Dad, you know, all my friends are downstairs so...
72 - Hey, hey, hey pal, I'm not the bad guy here.
73 - Now, you screwed yourself
74 - when you didn't return those books.
75 - Now go.
76 - Okay.
77 - No.
78 - Did you say, "no"?
79 - Are you telling me, "no"?
80 - Is that what I'm hearing?
81 - Yeah.
82 - Oh, dear.
83 - Hanging out
84 - Down the street
85 - The same old thing
86 - We did last week
87 - Not a thing to do
88 - But talk to you
89 - Whoa, yeah
90 - Hello, Wisconsin!
91 - Well, all right!
92 - You know what's interesting?
93 - No.
94 - When you talk to Laurie, you actually have a conversation
95 - but with Eric, you just give orders.
96 - Kitty, he said no to me.
97 - Well, he's getting older, Red.
98 - I think it's time you two developed a friendship...
99 - 'cause if you don't, he'll move away
100 - and we'll never see him again.
101 - Is that what you want?
102 - Red.
103 - I can't be friends with Eric.
104 - He's too twitchy.
105 - Red, until I see you make some kind of effort
106 - I'm just gonna keep bringing it up.
107 - Threats aren't gonna work, Kitty.
108 - In the middle of every newspaper you're reading
109 - every nap you're taking, every football game you're watching,
110 - I'll be there talking, talking, talking.

111 - Bob, I'm thinking of starting therapy.
112 - Okay, I'm gonna be...
113 - Bye.
114 - Therapy? That's for crazies.
115 - You know, the unexamined self is an unfulfilled self.
116 - How can you be unfulfilled?
117 - I put a roof over your head,
118 - I pay the bills, I take care of you.
119 - Yeah, but what do I do?
120 - You fill out that sweater real nice.
121 - You are so...
122 - cold!
123 - What? That's a compliment.
124 - Sit down, Laurie, have some ribs.
125 - Mom, you know I'm on my water and yogurt diet.
126 - Okay, well, isn't this nice?
127 - My whole family together. Mostly.
128 - Having family fun. Because that's what dinner is for.
129 - Right, Red?
130 - Okay, uh...
131 - So. Eric...
132 - what happened at school today?
133 - Why? What'd you hear?
134 - What's wrong with you?
135 - I can't ask a simple question?
136 - Red, you need some potatoes.
137 - Um...
138 - Good job on returning those books.
139 - Well, yeah, I returned the books.
140 - Even though it was kind of stupid.
141 - What?
142 - He said it was stupid, Daddy.
143 - Okay. Okay.
144 - Eric, what are you gonna do this weekend?
145 - Oh, me and the gang are gonna catch
146 - that wrestling match in Kenosha.
147 - Oh, well, now, isn't that something?
148 - Because a certain Mr. Red Forman
149 - used to wrestle in high school.
150 - No. What I did then was real.
151 - That stuff on TV, that's, uh, that's all an act.
152 - Oh, I don't know.
153 - I bet if the two of you went together,
154 - you'd really enjoy yourselves.
155 - Right, guys?
156 - No, Mom, I don't... I'm really busy...

157 - Okay.
 158 - So, you're going.
 159 - And I think everyone has room to grow...
 160 - but Bob is perfectly satisfied
 161 - and says just being his wife should make me happy.
 162 - Midge, let me stop you right there.
 163 - I know we've had only one session, but from what I'm hearing,
 164 - everything you say is completely right
 165 - and everything Bob says is completely wrong.
 166 - I think I'm gonna like therapy.
 167 - I think therapy's gonna like you.
 168 - Jackie, what are you doing here? You hate wrestling.
 169 - Michael likes it, and anything that Michael likes, I like.
 170 - 'Cause I like Michael.
 171 - Yeah, that's my girl.
 172 - Oh, barf.
 173 - Come on, watch your legs.
 174 - Taking the gang to the wrestling matches?
 175 - I guess I'll just sit home alone tonight
 176 - since Midge is going to some therapy thing.
 177 - I'll be alone.
 178 - Get in the car, Bob.
 179 - Eric, give me the keys.
 180 - Why can't I drive?
 181 - Because I want to get there in one piece.
 182 - Hey, can we get a move on, huh?
 183 - If I miss that 20-midget free-for-all,
 184 - I'm gonna be super pissed.
 185 - Fine. You drive.
 186 - Red.
 187 - You know, on second thought, um, you should drive.
 188 - After all, tonight I'm just one of the gang.
 189 - This isn't gonna work, you know?
 190 - We're gonna kill each other.
 191 - Fine, kill each other. Just do it together.
 192 - Both hands on the wheel, Eric.
 193 - Ten and two. Ten and two!
 194 - Dad, if you want to drive...
 195 - No, no, no, that's all right.
 196 - I'm just one of the gang. KELSO: Comin' in, with the big elbow!
 197 - Yield, damn it! That sign says, "yield."
 198 - Ah!
 199 - That's better.
 200 - Baby, baby, baby, baby, oh
 201 - This is ridiculous.
 202 - When we get home tonight

203 - you better tell your mother we had a damn good time.
 204 - Well, so far so good.
 205 - Yeah, yeah.
 206 - And now, I gotta go and spend 2 for a 10 - cent beer.
 207 - *Gee, I'm so glad our dad's came.*
 208 - *At least your sis leaving you alone.*
 209 - *Yeah.*
 210 - *Poor Fez, huh? Yeah.*
 211 - *There I was sitting in the kitchen.*
 212 - *Sitting in the kitchen, when, boom!*
 213 - *She tells me she needs therapy.*
 214 - *Yeah, Midge and I had a beautiful thing, Fezzy...*
 215 - *then it all went wrong.*
 216 - *Yeah, Bob, women are hell.*
 217 - *Why don't you grab a beer and we'll talk it over?*
 218 - *I could get you sodas, 'cause I know you're under age.*
 219 - *Bob, this isn't about us.*
 220 - *It's about you.*
 221 - *And you need friends. And beer.*
 222 - *Hey, how stupid do you think I am?*
 223 - *Why don't we grab a beer and we'll talk it over?*
 224 - *Ah...*
 225 - *No.*
 226 - *Well, then, Bob, you're on your own.*
 227 - *See how you drive people away?*
 228 - *I'm telling you, after my therapy session,*
 229 - *I felt so loose.*
 230 - *Loose is good.*
 231 - *If you ask me, we could all do with a little tightening.*
 232 - *And, and tonight, my therapist is hosting an encounter group...*
 233 - *but I'm too shy to go alone.*
 234 - *Oh, well, too bad.*
 235 - *Oh, Kitty, please come with me.*
 236 - *I don't think so. No, thank you. No.*
 237 - *You know what this is a lot like?*
 238 - *Like when you asked me to help you host the bake sale.*
 239 - *Only it's different, because I said yes.*
 240 - *All right.*
 241 - *Ooh! Great.*
 242 - *It's a gathering of his souls in progress. Over drinks.*
 243 - *Free drinks? I'm in.*
 244 - *Oh, that's nice. That's music to a mother's ears.*
 245 - *Okay, what's going on here?*
 246 - *Okay, you see the guy getting in the ring? That's Rocky Johnson.*
 247 - *Man, he's the best.*
 248 - *The best?*

249 – *They're not even fighters. I mean, it's all tricks.*
 250 – *I could get up there right now and...*
 251 – *Goddam!*
 252 – *He dropped that guy right on his head!*
 253 – *Yeah!*
 254 – *That's right. I got him. He ain't going anywhere.*
 255 – *One, two, three.*
 256 – *The winner!*
 257 – *Get off me! I'm the winner here.*
 258 – *Yeah!*
 259 – *Man!*
 260 – *It's shot in here, huh?*
 261 – *You poor thing.*
 262 – *Is that better, sweetie?*
 263 – *Oh. Yeah!*
 264 – *Jackie, can I talk to you for a second?*
 265 – *Yeah, sure.*
 266 – *Michael, is it okay... Ow!*
 267 – *Jackie, what the hell is going on between you and Kelso?*
 268 – *Look, Michael Kelso and I have made beautiful love.*
 269 – *Ew!*
 270 – *I mean... No.*
 271 – *Ew.*
 272 – *Why are you being such a doormat?*
 273 – *Look, I have to be nice.*
 274 – *What if he gets bored now?*
 275 – *Bored? Jackie, he's gonna want to do it again.*
 276 – *So what you're saying is, I'm totally in charge.*
 277 – *Well, I mean, a partnership...*
 278 – *No, no, no. I own him! I am the man.*
 279 – *Well, Jackie...*
 280 – *No, no! Thank you, Donna.*
 281 – *Good evening, sir. I would like a refreshing*
 282 – *cola, please.*
 283 – *And get me a beer, son.*
 284 – *Okay, Dad, sure. And a beer for my dad.*
 285 – *You're not gonna get me that beer, are you?*
 286 – *What seems to be the problem, son?*
 287 – *What're you doing? Don't just sit there!*
 288 – *Get up, you big moose! Look, he's slaughtering you!*
 289 – *I give and I give and I give!*
 290 – *Oh, boo – hoo. Get back in the ring!*
 291 – *Come on.*
 292 – *Hey, this is fun.*
 293 – *Hey, Rocky Johnson. Mr. Johnson, sir, can I get your autograph?*
 294 – *Rocky!*

295 – *Eric, go in there and get your autograph.*
 296 – *Noway, Dad. The sign says, "wrestler only."*
 297 – *So?*
 298 – *So, that's a rule.*
 299 – *As I remember, a great man once said to me,*
 300 – *"If we were to break the rules,*
 301 – *"the world would just be filled*
 302 – *"with tree – climbing crap flingers."*
 303 – *Yeah. Follow me. You want your autograph or not?*
 304 – *There he is.*
 305 – *Mr. Johnson, you gave that team of midgets an ass whupping, sir!*
 306 – *You piled drive a little guy*
 307 – *and the whole crowd turn on you.*
 308 – *When you're standing there, wondering*
 309 – *what they're booing about...*
 310 – *you get bit on the knee caps. Look at my knees.*
 311 – *Midget bites.*
 312 – *I wonder if you'd mind giving my son an autograph.*
 313 – *No. No autographs.*
 314 – *Look, pal...*
 315 – *I might be the only guy in here*
 316 – *who's actually killed a man.*
 317 – *Give the kid an autograph. And then, no more autographs.*
 318 – *That's really nice. Bringing your kid to a wrestling match.*
 319 – *You know, I've got a son.*
 320 – *And one day, he's gonna become the most electrifying man*
 321 – *in sports entertainment.*
 322 – *Yeah, good luck with that.*
 323 – *Uh, wanna make that out to Red Forman?*
 324 – *No, no, I don't think so.*
 325 – *Um, it's Eric Forman. Capital E – R – I – C.*
 326 – *Yeah, but see, his nickname is Red.*
 327 – *No, it's snot, it's Eric.*
 328 – *Stop kidding around, Red!*
 329 – *You know, babe, a soda would taste pretty good right about now.*
 330 – *Yeah, you're right. A soda does sound pretty good.*
 331 – *I'll have a diet.*
 332 – *Yeah, I'll have a root beer.*
 333 – *Uh. Don't you want to go get it for me?*
 334 – *Sweetie?*
 335 – *Okay, let me clear it up for you.*
 336 – *Hmm?*
 337 – *Get me a soda.*
 338 – *Now!*
 339 – *Did you see that? I'm the man.*
 340 – *It all started about six months ago...*

341 – *when Midgie got a subscription to Cosmo.*
 342 – *These group sessions...*
 343 – *are about testing your boundaries...*
 344 – *losing your inhibitions,*
 345 – *and really sharing with the group.*
 346 – *Kitty, are you ready?*
 347 – *Oh, uh, well...*
 348 – *Share a little, Mom.*
 349 – *Tell us how folding the dishes towels just right*
 350 – *makes all our problems go away.*
 351 – *You want me to share?*
 352 – *Okay.*
 353 – *Laurie, you're meant to your brother*
 354 – *and you're screwing around at college.*
 355 – *We don't even see you unless you run out of clean clothes*
 356 – *or need cash.*
 357 – *The fact is, you're an ungrateful, spoiled brat.*
 358 – *Well, thank you. That was nice.*
 359 – *I love you, honey.*
 360 – *Well, I hope you're all as excited*
 361 – *about this journey as I am.*
 362 – *Let's pair off.*
 363 – *Okay, okay, we're leaving.*
 364 – *I don't get it, Kitty. What's going on?*
 365 – *I'll tell you what's going on. He's a bad doctor.*
 366 – *A very bad doctor.*
 367 – *Hey, Dad, thanks for letting me drive home.*
 368 – *Thanks for not killing me.*
 369 – *You know, I just had a lot of fun tonight with you, Dad.*
 370 – *Yeah, me too.*
 371 – *All right, let's go.*
 372 – *Wantsome, huh? Yeah.*
 373 – *I want to have a piece. Huh?*
 374 – *Yes! Who's the king? Who's the king?*
 375 – *Ahh! My neck!*
 376 – *Oh. Gosh, Dad, I'm sorry.*
 377 – *I'm so sorry. Look, I had no...*
 378 – *Now who's the king, huh?*
 379 – *You are.*
 380 – *Mmm – mmm.*
 381 – *And it turned out this therapist was just obsessed with sex.*
 382 – *And this is really difficult time for me.*
 383 – *The last thing I need is a doctor who doesn't take me seriously.*
 384 – *I need to find someone I can talk to,*
 385 – *Hmm. someone who will really listen.*
 386 – *So. Want to go to a party?*

1.16 Episode 16: The First Date

- 1 - - Ow, get off me, you moose. - Oh, God,
- 2 - Eric, I didn't see you sitting there.
- 3 - You should really work on bulking up.
- 4 - Maybe you should really work on bulking up.
- 5 - What are you watching?
- 6 - Hey, Gilligan is on.
- 7 - What are you doing in the floor?
- 8 - Yeah. Why don't you guys get a room?
- 9 - We have a room, Hyde. It's called my basement.
- 10 - Well, I'm going home.
- 11 - Bye, guys.
- 12 - Oh, so, Donna, don't forget. I'll see you
- 13 - tomorrow night at the library, right?
- 14 - - Yeah, right. - I'll walk you home.
- 15 - She lives right next door, man.
- 16 - Yeah.
- 17 - Donna, um, about tomorrow night.
- 18 - I was thinking that maybe you and I could go out to dinner.
- 19 - For Valentine's Day?
- 20 - Oh... Hyde asked me to study at the library.
- 21 - Well, I mean, you can do that anytime, right?
- 22 - Um, yeah. Yeah, I'd love to go.
- 23 - Mmm-hmm.
- 24 - That's great. Um...
- 25 - So, then it's a... It's a date.
- 26 - Our first.
- 27 - Yeah, if you don't count all the times I mauled you.
- 28 - Yeah. Um... Which I don't, so...
- 29 - Hey, guys.
- 30 - So, what's going on?
- 31 - I'll, uh, talk to you guys later.
- 32 - So, Eric...
- 33 - what were you and Donna talking all hot and heavy about?
- 34 - - Your hair. - Really?
- 35 - No.
- 36 - We're going out to dinner tomorrow night. For Valentine's Day.
- 37 - Uh, no, no, no.
- 38 - Donna and I are going to the library to study tomorrow night.
- 39 - On Valentine's Day? Who studies on Valentine's Day?
- 40 - Well, I didn't know it was Valentine's Day when I made the date.
- 41 - To study.
- 42 - Well, I'm sure she just forgot about you.

43 - We just talked about it a minute ago.
44 - Women. You know, I mean...
45 - Anyway, uh, I'm gonna give Donna my class ring.
46 - No, forget rings.
47 - You wanna score with Donna, use my super funk eight-track.
48 - Anyway, I figure it's time to make it official.
49 - I mean, she's just been waiting
50 - for any jerk to swoop down on her.
51 - And you're that jerk.
52 - Well, better me than some other jerk.
53 - Why are you looking at me? Hyde is the other jerk.
54 - Hanging out
55 - Down the street
56 - The same old thing
57 - We did last week
58 - Not a thing to do
59 - But talk to you
60 - Whoa, yeah
61 - Hello, Wisconsin!
62 - So,
63 - if Eric and Donna are going out Saturday night
64 - that means we have no wheels.
65 - Well, I can borrow my dad's car.
66 - Ooh!
67 - It's a Lincoln. Leather.
68 - Oh! You know what we should do?
69 - We should ditch Hyde and Fez and make out in the backseat.
70 - You said that out loud.
71 - Yeah, I don't care.
72 - Hey, yeah, I know.
73 - We can go shopping for clogs.
74 - Pick me up at 7:00.
75 - Hey, well, have fun, man. I'm out.
76 - Oh, we won't be shopping.
77 - We'll be doing it. Again.
78 - 'Cause that's what we do. We do it!
79 - Then I'm in.
80 - Uh, no, you're not invited, Fez.
81 - Oh. Then I'm out.
82 - Yeah. Well, later.
83 - Well, It looks like it's just you and me, little buddy.
84 - Yeah, Fez. Which is really wrong, man
85 - 'cause I had plans with Donna. Until Forman snaked me.
86 - Who would have thought
87 - she would rather go to a nice restaurant
88 - than a smelly, old library?

89 - You will laugh later.
90 - So, let me see.
91 - Go ahead, show your mother.
92 - Oh, my gosh, that is snazzy.
93 - That is a snazzy jacket.
94 - Damn good thing I went with him.
95 - He wanted to buy a leisure suit.
96 - Oh, come on, Dad. Leisure suits are cool. Everybody wears them.
97 - Leisure suits are for dumbasses. Believe me.
98 - Hey, there, Eric.
99 - Ooh. Looking sharp for your big date, huh?
100 - Oh, who knew our two little tykes
101 - would grow up to be dating.
102 - Oh, no. I have an idea.
103 - Let's have dinner tomorrow night. Just the parents.
104 - I'll fondue.
105 - Oh, yeah.
106 - And that'll give us a chance to talk about their future.
107 - Oh, right.
108 - We can plan a big wedding.
109 - I know you're joking, but, uh,
110 - could you please stop? Please?
111 - You know, I've...
112 - You can borrow our car.
113 - Girls love corsages.
114 - They got a fried onion brick at The Vineyard, right?
115 - I don't believe you, Michael.
116 - What?
117 - You can't just maul me in front of my father.
118 - I bet he didn't even notice.
119 - He yelled at you to stop it.
120 - Oh.
121 - I thought he was talking to you.
122 - Okay. Michael, we have a problem.
123 - Ever since we...
124 - - We... - Did it?
125 - Ugh.
126 - Can you please use a more beautiful term?
127 - Like what?
128 - Well, like, proved our love.
129 - Yeah. But "Did it" sounds so much cooler.
130 - Okay, just take me to the mall.
131 - We're not really going shopping, are we?
132 - Yes, I need clogs.
133 - Oh.
134 - God darn! That is a snazzy jacket.

135 - Yes, sir. Brown is your color.
136 - Thanks, Dad.
137 - No, no, no. no, Mom. No, no.
138 - Let me tell you something, order the dinner.
139 - A la carte's a sucker's bet. And remember...
140 - pull the chair out for her.
141 - The small fork is for the salad.
142 - And this jacket's gotta last you
143 - all the way through college
144 - so don't spill any crap on it.
145 - Here you go. Have fun.
146 - - Oh! - Aw!
147 - Yeah.
148 - - Shall we? - Good God, yes.
149 - Oh! Smile.
150 - Oh, now, if she gets to do it,
151 - I get to do it.
152 - Kitty, he's leaving.
153 - Wow, talk about pressure, huh?
154 - Yeah, I mean, this is a huge deal.
155 - To our parents.
156 - Move it in, move it out
157 - Shove it in, shove it out
158 - Disco
159 - Hey, you got me so set
160 - Here in this discotheque
161 - Girl, you're movin' me
162 - So what do you wanna do?
163 - I don't know, man. What do you want to do?
164 - Oh, let's go to The Hub.
165 - I've got my eye on this plump girl.
166 - Sounds good, man, but I'll pass.
167 - Poor Hyde.
168 - What?
169 - You love Donna, and she's with your good friend Eric.
170 - And?
171 - And that's the oldest story in the world.
172 - And a sad one at that.
173 - You know what, man? I had a chance, and I didn't take it.
174 - And once Forman gives her that ring, man,
175 - they're going out.
176 - And it would be really scummy to hit on her then.
177 - Not that I wouldn't do it. It'd just be really scummy.
178 - If you don't tell Donna how you feel,
179 - then you will regret it.
180 - - I'm going to The Vineyard. - Good for you.

181 - Oh. Just don't tell Eric what I said
 182 - because I really like his basement.
 183 - Well, this is quite a menu.
 184 - Tsk. Yeah.
 185 - You got enough money?
 186 - Oh, yeah, for me.
 187 - Oh, I'm sorry. Were you gonna eat something, too?
 188 - Actually, uh, I'm in the mood for chicken.
 189 - Oh, what a coincidence. I, too, am ordering
 190 - the cheapest thing on the menu.
 191 - You look really nice tonight.
 192 - Uh, so do you.
 193 - Look, Donna...
 194 - Hello! Uh, can I start you folks off with drinks?
 195 - Well, sure...
 196 - I'll have a beer.
 197 - All right.
 198 - Um, I'd like an iced tea.
 199 - He didn't even proof me.
 200 - It must be the jacket.
 201 - - Or my sideburns. - What sideburns?
 202 - These... sideburns... Right... These sideburns.
 203 - You know, I don't know why they call it fondue.
 204 - They should call it fundue. 'Cause it is fun.
 205 - I love fondue. It's gourmet.
 206 - So, what do we do here, Kitty?
 207 - Okay, now, um, what you do is,
 208 - you, um, you put a piece of steak on your fondue fork.
 209 - Now, how hot exactly is the...
 210 - No, no, no Bob. That's a fondon't.
 211 - Don't put your hand in the hot oil.
 212 - Who knew you couldn't put your hand in the hot oil?
 213 - Here, chicken, chicken, chicken, chicken.
 214 - Donna, um, shh, please.
 215 - Oh... Sorry.
 216 - Are, are you okay?
 217 - I am great.
 218 - I think you're drunk.
 219 - I think I am, too.
 220 - Pfft.
 221 - How could I be drunk?
 222 - Well, there's about five shots of alcohol
 223 - in a Long Island Iced Tea.
 224 - Wait, Long Island Iced Tea?
 225 - Yeah, you guys ordered drinks.
 226 - And I'm ready for another one.

227 - Nope, she's good. We're...
228 - Thank you. Thanks. Thank you. Thanks.
229 - I love your little butt, Eric.
230 - Oh...
231 - It's so little.
232 - Okay, um...
233 - And you're so good, Eric. You're so darn good.
234 - I think it's coffee time.
235 - You're so good, it makes me hot.
236 - Or time for another Iced Tea maybe.
237 - Sing to me, Eric.
238 - No, I don't think...
239 - - Sing me a song. - I don't really...
240 - Do it or I'll scream!
241 - Move it in, move it out
242 - Shove it in, shove it out
243 - Disco lady
244 - Move it in, move it out
245 - Shove it in, all about
246 - Uhh.
247 - Well, Jackie.
248 - It's now 9:00.
249 - Which means that every shoe store
250 - in the greater Oshkosh area is closed for the night.
251 - So... what do you want to do now?
252 - Hey, let's go look at the new Corvettes.
253 - Oh. Yeah...
254 - I mean...
255 - No.
256 - That just sounds boring.
257 - Well, what do you wanna do?
258 - No, I don't know.
259 - Oh. Wait. You know what we could do?
260 - We could...
261 - Prove our love to each other again.
262 - No, Michael. We are not going to...
263 - Prove our love, every single time we have a chance.
264 - Why not?
265 - Because it doesn't work like that.
266 - And just because we did it once,
267 - does not mean we're ever gonna do it again.
268 - Okay, now you're just talking crazy!
269 - No, Michael. No, I am not.
270 - And if you think that's how it's
271 - gonna work, Michael, well, then you're wrong.
272 - Well, damn, Jackie.

273 - So, I spent all night
 274 - looking for your... ..stupid shoes
 275 - and we're not even gonna...
 276 - No.
 277 - Fine.
 278 - Are you sure you're okay with that?
 279 - Yeah.
 280 - Okay, let's do it.
 281 - - Oh, crap. - Ouch!
 282 - - Damn! - Ow!
 283 - Geez!
 284 - My eye!
 285 - God. It's so crowded in here.
 286 - Eric, meet me under the table.
 287 - Donna, no. Look... Well... No.
 288 - Look, Donna, come on.
 289 - Uh, waiter? Waiter?
 290 - Uh...
 291 - Okay. I'm gonna go get you some coffee.
 292 - So, no going under the table, and no singing.
 293 - I'll be right back.
 294 - People, the chicken here is excellent.
 295 - Hey! Hyde's here.
 296 - Hi, Hyde.
 297 - Hey, Donna. Uh...
 298 - Where's Forman?
 299 - Coffee.
 300 - Okay, look. I'm just going to say this, all right?
 301 - Donna, I have feelings for you.
 302 - And I think that you have feelings for me.
 303 - And Forman's gonna give you his ring.
 304 - And I hope that before you take it, you think about...
 305 - Beep!
 306 - Hey, Eric.
 307 - Hyde's here.
 308 - Hey, we're on a date here.
 309 - Yeah, man. Well, you shouldn't be
 310 - because we were supposed to be at the library.
 311 - Hyde, if she wanted to be at the library, she'd be at the library.
 312 - Oh, my God.
 313 - Oh, my God, wait. What do you mean by "Oh, my God"?
 314 - - Oh, my God. - Oh, my God.
 315 - Oh, my God.
 316 - Look, when my date's done puking...
 317 - you better not be here.
 318 - Excuse me. Hi.

319 - Could I get this in a doggie bag, please?
320 - Thanks. Oh and I'm in a hurry.
321 - Now...
322 - I feel so close to you, Michael.
323 - Michael and Jackie. Jackie and Michael.
324 - Doesn't that sound good? Michael and Jackie.
325 - True love, always, forever.
326 - - Forever? - Forever.
327 - Dances, long walks...
328 - candles, flowers.
329 - Babies, house.
330 - Shackle, chain...
331 - despair, prison, death.
332 - Oh!
333 - "Jonathan Seagull discovered...
334 - "that boredom, fear, and anger...
335 - "are the reasons a gull's life is so short.
336 - "And with this gone from his thought...
337 - "he lived a long, fine life indeed."
338 - Bravo!
339 - Ooh. Isn't she a hot tomato?
340 - Oh, geez. To the lovemaking.
341 - We had a wonderful time.
342 - My God!
343 - Okay, they're gone.
344 - They used to be normal.
345 - What the hell happened to them?
346 - Well, I don't know.
347 - How can she not eat meat? That can't be healthy.
348 - Remember when we used to go on vacation together?
349 - Bob and I used to go fishing and drink beers.
350 - I mean, we used to have fun with them.
351 - Now they're into every fad there is.
352 - Things change, Kitty.
353 - Well, we don't.
354 - Well...
355 - We don't have to.
356 - We're classic.
357 - You know...
358 - Midge wasn't wearing a bra tonight.
359 - Yeah. Bob wasn't wearing underwear.
360 - Thanks for, uh, holding my hair when I was...
361 - - Oh. - Yeah.
362 - Just thanks for missing my shoes.
363 - Well I, uh, I guess I blew our big night.
364 - No, no.

365 - Look, it's cool. I thought I was gonna blow it
366 - and then, I mean, you totally blew it.
367 - So, I mean, that's great.
368 - You know, by telling me I blew it, you basically
369 - just blew it, so...
370 - And I was doing so good here with the
371 - jacket and the coffee and
372 - holding your hair back.
373 - I was so in.
374 - You're still in.
375 - Look, Donna, I want to be your boyfriend.
376 - And you're all I ever think about.
377 - And will you wear my class ring?
378 - - Yes. - Yes?
379 - You know, why don't we kiss on it later?
380 - Oh, right. The vomit.
381 - No, wait. You know what? I don't care.
382 - You're my girlfriend.
383 - So, Forman, man...
384 - I'm sorry about tonight with Donna.
385 - And for taking your dinner.
386 - So, are we cool, man?
387 - Yeah, man. We've gotta be.
388 - Look, we've been friends since kindergarten.
389 - No girl's gonna come between us.
390 - That's great, man.
391 - So, um...
392 - if Donna ever breaks up with you...
393 - and starts dating me, are we still friends?
394 - No.
395 - Tonight...
396 - ...I learned there's a price to be paid for doing it.
397 - She said, "Forever," man.
398 - And I think she meant it.
399 - The inside of my mouth feels like cotton.
400 - As if cotton was in my mouth.
401 - Kelso, man, women are like muffins, okay?
402 - And once you've had a muffin, man,
403 - you will put up with anything to have another muffin.
404 - And they know that. Now she really owns you, man.
405 - Hyde, you sure know a lot about women.
406 - But, I mean,
407 - you've never really had a steady girlfriend.
408 - So... what's that all about?
409 - I'll tell you what that's all about, Forman.
410 - My mind is pure, man.

411 - I don't fall victim to the female race.
 412 - I'm here, sans girlfriend, to help you guys out.
 413 - Then I have a question, Hyde.
 414 - How much masturbation is too much?
 415 - No such thing as too much, Fez.
 416 - How'd it go?
 417 - It was great.
 418 - - Oh... - Gotcha.
 419 - Anybody, uh, mention how nice that sport coat was?
 420 - Donna.
 421 - There you go. So, you had fun, huh?
 422 - Yeah, Dad. Thanks.
 423 - You know, you got a chunk of carrot on your shoe there?
 424 - Yeah, Dad. Thanks.

1.17 Episode 17: The Pill

1 - Yeah, that's a good sound.
 2 - Now, coming up in the second half-hour of American Bandstand,
 3 - Shields and Yarnell, Elton John and Kiki Dee...
 4 - and now, The Spotlight Dance.
 5 - This is Mr. Lou Rawls.
 6 - Jackie! Door! Knock!
 7 - Sorry. I didn't know you'd be doing
 8 - anything so embarrassing.
 9 - - Um, is Donna here? - No.
 10 - Look, I need to talk to someone.
 11 - I can really use a friend right now.
 12 - Okay, then, well, good luck with that.
 13 - Eric, can I talk to you?
 14 - Look, I've always been able to trust you
 15 - and, God, you're such a nice guy.
 16 - No, I'm not.
 17 - Yes, you are.
 18 - Okay. Okay.
 19 - Um, what happened?
 20 - Did Kelso forget your birthday or something?
 21 - I'm pregnant.
 22 - Eric, you're like a million miles away. What's going on?
 23 - Okay, Donna, I have to tell you something,
 24 - but you have to promise you're not gonna tell anybody else.
 25 - Dirt! I swear. Now tell me.
 26 - Not here.
 27 - Hanging out
 28 - Down the street
 29 - The same old thing

30 - We did last week
31 - Not a thing to do
32 - But talk to you
33 - Whoa, yeah
34 - Hello, Wisconsin!
35 - Of course I support the Wolverines.
36 - I have to. I'm a cheerleader, not a cheer-liar.
37 - And then, in the dream,
38 - two of The Three Stooges fed me grapes...
39 - while I played them a beautiful song
40 - on my accordion...
41 - In the nude.
42 - Somehow the accordion part bothers me more
43 - than the nude part.
44 - - Michael, stop it! - What'd I do?
45 - Look, I just need all the food I can get right now.
46 - Hi.
47 - Uh, I have to go to the bathroom.
48 - Jackie?
49 - Oh, my God.
50 - Donna, you have never asked me
51 - to go to the bathroom with you before.
52 - Yeah, it's a big day.
53 - Man, she has been acting so weird lately.
54 - I'm telling you, guys, I think it's time I break up with her.
55 - Oh, that's real nice. Why don't you grow up?
56 - So... is it true?
57 - Yes, Donna, it is true.
58 - I am carrying Michael Kelso's child.
59 - Jackie, you're a sophomore. How can you be so stupid?
60 - I'm a sophomore.
61 - Why didn't you, like, you know, use something?
62 - Look, I would have...
63 - but my cousin Carla told me
64 - that I could not get pregnant
65 - for eight days after my period.
66 - Okay.
67 - Eight days after your first day or your last day?
68 - I don't know. Carla never called me back.
69 - Oh, my God, Donna, having this child
70 - is gonna ruin my whole life.
71 - Well, yeah.
72 - God, I'll have to wear flats,
73 - I'll gain weight, I'll be too fat to cheer.
74 - Not to mention the fact you'll have a baby to take care of.
75 - Donna, what am I gonna do? I'm in such trouble.

76 - Jackie, it's all right. We'll get through this.
 77 - What does Kelso say about all this?
 78 - No! No, no, no, I cannot tell Michael.
 79 - - It's way too embarrassing. - Jackie!
 80 - You had sex with him.
 81 - I know I did. But we didn't talk.
 82 - You have to tell Kelso.
 83 - If you don't, I will.
 84 - Thank you, Donna. Thank you! Oh, thank you!
 85 - Jackie, I don't want to tell him.
 86 - I think he knows.
 87 - - What? - Nothing, nothing.
 88 - We're, we're just a little surprised
 89 - that you're home, that's all.
 90 - It's no big deal.
 91 - You know, I just didn't feel like going away
 92 - for spring break.
 93 - Honey, is there a warrant out for you in Fort Lauderdale?
 94 - Now, Kitty, I'm sure she's just home to...
 95 - spend time with us and Eric.
 96 - Why are you home?
 97 - Daddy, it was just a very, very tough quarter.
 98 - Well, I'm sure you'll come through with flying colors.
 99 - Yeah.
 100 - Yeah.
 101 - You know, the whole concept of grades is so subjective.
 102 - It's really the experience of college that's important.
 103 - No, it's not.
 104 - Mail's here.
 105 - Nothing.
 106 - Sorry I was late. We were at The Hub.
 107 - Then I had to drive everyone home, then Kelso says...
 108 - Blah, blah. You're late.
 109 - Be responsible for your own actions.
 110 - That's real easy for you to say, pal!
 111 - That kid's on dope.
 112 - Don't want to miss Sanford and Son.
 113 - Mom?
 114 - - Um, can I talk to you for a second? - Sure.
 115 - Okay.
 116 - A friend of mine, and it's not me...
 117 - - is pregnant. - Is it you?
 118 - - No, Mom, not me. - Oh, thank God.
 119 - I just had the most horrible flashback
 120 - to when I was 16 and...
 121 - You were saying, honey?

122 - The whole pregnancy thing is just so scary
123 - and overwhelming.
124 - Jackie, I mean...
125 - my friend.
126 - It is you, isn't it?
127 - No.
128 - She had one night of fun and now her whole life is out of control.
129 - Are you worried about you and Eric?
130 - No.
131 - Maybe.
132 - Yes.
133 - Honey, let me just tell you what I think.
134 - Sometimes...
135 - in the heat of the moment, things happen.
136 - And the backseat of a car is no place
137 - to be worrying about birth control.
138 - Thanks, Mom.
139 - Sanford thinks he's having a heart attack.
140 - It looks like the big one. Come watch.
141 - So, I've been thinking about it...
142 - and I'm gonna do the right thing.
143 - I'm gonna be responsible. I mean, I have to.
144 - I'm going to be a father.
145 - Yeah, and on the plus side...
146 - you walk into a liquor store carrying a baby, man...
147 - they'll sell you beer.
148 - Yeah... Yeah.
149 - And I like kids. I still have some of my Legos.
150 - It's gonna be great.
151 - And Jackie's mukatots will get huge.
152 - Fez, for those of us who only speak English,
153 - what exactly is a "mukatot"?
154 - Feet. They will get long as well as wide.
155 - Very gratifying.
156 - You foreign freak.
157 - I mean, this is scary, man. I might have to get married.
158 - Not just married. Married to Jackie.
159 - That's freaking terrifying.
160 - Okay, I am never having sex again.
161 - Yeah, good one.
162 - No, no. I, I'm serious, man.
163 - It's just not worth it. Just wait, Eric.
164 - This could so easily happen to you.
165 - I don't think so. I'd probably have to have sex first.
166 - It's just not fair.
167 - You're telling me. I want to have sex.

168 - Gee, Laurie, I sure have noticed you hanging around
 169 - the mailbox a lot.
 170 - I don't know what you're talking about.
 171 - What could be so important
 172 - that you'd give up a week of whoring around
 173 - Fort Lauderdale?
 174 - Oh, I know.
 175 - It's your grades, right? You're flunking out.
 176 - Bingo! Forman scores! Right?
 177 - Okay, Eric. You know what?
 178 - Dad likes me and he doesn't like you.
 179 - Can I help you?
 180 - Uh, Sure. Pictures for Forman.
 181 - I'll be right back.
 182 - Hey, there, Eric. You okay?
 183 - I was just...
 184 - How are you?
 185 - Here you go. Can I help you?
 186 - Uh, yup. Prescription for Pinciotti.
 187 - Ah, trying on cologne for Donna, huh?
 188 - That is so darn cute.
 189 - - Thank you, sir. - Mmm.
 190 - Here you go. That'll be 21.50.
 191 - *That's a little pricey for cough medicine.*
 192 - *Pinciotti, Donna.*
 193 - *Ortho - novum.*
 194 - *-Ortho what? - Ortho - novum.*
 195 - *Birth control pills.*
 196 - *Midge!*
 197 - *Midge?*
 198 - *Meet Bob.*
 199 - *He's a typical American who works hard...*
 200 - *loves his family*
 201 - *and has never cheated on his tax return.*
 202 - *Life is good...*
 203 - *but lately, he's noticed some slight changes*
 204 - *in his daughter, Donna.*
 205 - *"Hi, honey. How was school today?"*
 206 - *"Great, Dad.*
 207 - *"I got an A on a test...*
 208 - *"and tonight I'm having cocktails with the principal.*
 209 - *"Will you excuse us, Dad?"*
 210 - *"We have to study."*
 211 - *Bob realizes his daughter is growing up.*
 212 - *Now that Donna's on the pill,*
 213 - *she's what medical professionals call,*

214 – *Open for business.*
 215 – *Come on, Bob.*
 216 – *I want to show you something.*
 217 – *You see, Bob, the pill means Donna*
 218 – *can have a lot of sex*
 219 – *with many different partners.*
 220 – *Not just Eric.*
 221 – *"Hi, Mr. Pinciotti.*
 222 – *"Boy, is your daughter something!"*
 223 – *So, do you get it, Bob?*
 224 – *She's open for business.*
 225 – *Now, if you'll excuse me, I'm next.*
 226 – *Eric, you're not eating. Are you sick?*
 227 – *Yeah, Eric, you seem upset.*
 228 – *Did something happen at the pharmacy?*
 229 – *What happened at the pharmacy?*
 230 – *Nothing.*
 231 – *Shut up.*
 232 – *Eric, be nice to your sister.*
 233 – *Kitty, what happened to the mail?*
 234 – *I checked the mail, Dad. Nothing. No mail.*
 235 – *You know, the mail keeps disappearing.*
 236 – *I think we have a little mail thief.*
 237 – *Speaking of Laurie, I could've sworn I saw*
 238 – *a University of Wisconsin envelope*
 239 – *sticking out of your bra. What's that all about?*
 240 – *What?*
 241 – *Donna's on the pill.*
 242 – *What did you do?*
 243 – *Nothing... Nothing.*
 244 – *Dinner's over! You. Kitchen. Now.*
 245 – *I know you're 17...*
 246 – *and, um...*
 247 – *we can't stop you from doing what you want to do.*
 248 – *— Yes, we can. — Red!*
 249 – *All I'm saying is, have respect for her.*
 250 – *You respect her by keeping your hands off of her.*
 251 – *You are a dirty, dirty boy, Eric.*
 252 – *Okay, okay now, um,*
 253 – *let's talk about birth control.*
 254 – *Birth control?*
 255 – *Don't do it! That's your birth control.*
 256 – *I'm gonna pray for you, Eric.*
 257 – *You're the devil.*
 258 – *And, uh, did you know that Laurie's*
 259 – *flunking out of college?*

260 – *Don't change the subject.*
 261 – *You've got strange thoughts in your little head, mister,*
 262 – *and that Donna's a nice girl.*
 263 – *Red, you are giving him the wrong idea about sex.*
 264 – *— It's not dirty. — But it's not clean, either.*
 265 – *Okay, cleanliness.*
 266 – *Now, that reminds me,*
 267 – *always makes sure your nails are trimmed and clean.*
 268 – *Oh...*
 269 – *Foreplay is very important.*
 270 – *No, no, it's not.*
 271 – *Yes. It is.*
 272 – *Personally, I'm very proud to have a daughter*
 273 – *who acted so mature and responsible.*
 274 – *I'm her father. You should've told me, Midge.*
 275 – *Can you imagine how I felt standing there with Eric*
 276 – *when the pharmacist handed me birth control pills?*
 277 – *Eric knows? Thanks a lot, Dad!*
 278 – *You know, she and Eric are dating.*
 279 – *All the more reason.*
 280 – *Oh, geez!*
 281 – *You'd rather she got pregnant?*
 282 – *That is not gonna happen to Donna.*
 283 – *It happened to us.*
 284 – *Oh, sure, throw that in my face again.*
 285 – *Hey, Laurie. Is Eric around?*
 286 – *No, he's at The Hub. Hey, watch the door.*
 287 – *— What are you doing? — My grades.*
 288 – *I gotta make some Fs into Bs before Red sees them.*
 289 – *You're fine. Red and Kitty are watching Bonanza.*
 290 – *I gotta go.*
 291 – *Hey. Smart move going on the pill.*
 292 – *That was the best thing I ever did.*
 293 – *Just wait till you get to college.*
 294 – *Bye.*
 295 – *Donna! Donna!*
 296 – *Guess what?*
 297 – *— You're having twins? — No.*
 298 – *I'm not pregnant.*
 299 – *Oh, My God.*
 300 – *Oh, my God, Jackie, thank God.*
 301 – *Oh, my God, I can forget*
 302 – *about this whole ugly thing,*
 303 – *put it behind me, and never ever...*
 304 – *Jackie, I am not gonna let you forget about this...*
 305 – *all right?*

306 – *You got really, really lucky. And as your friend,*
 307 – *I'm not gonna let you be stupid about this.*
 308 – *We're friends?*
 309 – *Shut up.*
 310 – *Jackie, I went on the pill.*
 311 – *Oh, my God...*
 312 – *you are gonna be so popular!*
 313 – *Jackie, I didn't do it to be popular.*
 314 – *I did it because I am not gonna get stuck*
 315 – *in this dinky little town.*
 316 – *Okay, well, you know they're rebuilding a*
 317 – *Kmart on Franklin.*
 318 – *Jackie, when this ER passes,*
 319 – *I'm gonna be able to do whatever I want.*
 320 – *And so will you if you don't screw it up now.*
 321 – *Hmm.*
 322 – *So, Donna, tell me more about this pill.*
 323 – *Does it do anything weird to your hair?*
 324 – *Mmm, only above your lip.*
 325 – *I still don't understand why Donna*
 326 – *has to take this pill.*
 327 – *Is she sick?*
 328 – *No, Fez. She takes the pill*
 329 – *so that she can have all the sex she wants*
 330 – *and not get pregnant.*
 331 – *With such a useful product available...*
 332 – *what the hell were you thinking, you idiot?*
 333 – *Forman, you know what you should do, man?*
 334 – *You should probably break up with Donna.*
 335 – *Because the pressure of that much worry – free sex...*
 336 – *that could kill you.*
 337 – *Yeah, that would be Plan B, Hyde.*
 338 – *I wish Jackie would've thought about going on the pill.*
 339 – *You know, if I had the chance, I'd do it all different.*
 340 – *No, you wouldn't.*
 341 – *Yeah, you're right, I wouldn't.*
 342 – *I should've broken up with her when I had the chance.*
 343 – *Okay, so, uh, Eric, can I talk to you? Alone.*
 344 – *– Sure. – Cool.*
 345 – *Michael...*
 346 – *I'm not pregnant.*
 347 – *Yes!*
 348 – *Yes! Yes!*
 349 – *So, you feel tons better, right?*
 350 – *Oh, yeah!*
 351 – *Oh, my God, that's so great. 'Cause you know what?*

352 – *I'm breaking up with you.*
 353 – *What?*
 354 – *Look, Michael, this whole experience*
 355 – *has opened my eyes...*
 356 – *and nothing will stand in the way of my dream...*
 357 – *of becoming a Dallas Cowboy cheerleader.*
 358 – *Did she just break up with me?*
 359 – *Yup.*
 360 – *I am so sad for you.*
 361 – *May I please have her phone number?*
 362 – *My God, Eric. So your parents know I'm on the pill, too?*
 363 – *Yeah.*
 364 – *I had a nice conversation with Red and Kitty about foreplay.*
 365 – *Sorry.*
 366 – *Yeah. Me, too.*
 367 – *Eric, I don't want you to think this changes*
 368 – *anything between us.*
 369 – *– I don't. – Okay.*
 370 – *But it could...*
 371 – *right?*
 372 – *I suppose.*
 373 – *I mean, who knows, it might even be you.*
 374 – *Might?*
 375 – *All I'm saying is, we have to wait for the right time.*
 376 – *Okay.*
 377 – *How about now?*
 378 – *Mmm...*
 379 – *– No. – Okay.*
 380 – *– How about now? – No.*
 381 – *Okay.*
 382 – *– Now? – Yes.*
 383 – *– Really? Okay. – No.*
 384 – *Now, right?*
 385 – *I'll be waiting.*
 386 – *Shut up.*
 387 – *I got a birthday coming up so...*
 388 – *It's for your own good, son.*
 389 – *Okay, who dealt?*
 390 – *Ibid, uh, three hearts.*
 391 – *I'll go with three spades.*
 392 – *This is fun.*

1.18 Episode 18: Career Day

- 1 - Are you ready? Yes.
- 2 - Too slow.

3 - Oh, I see how this game is done.
4 - Now my turn.
5 - Ready? Yeah.
6 - Too slow.
7 - No, Fez, that's not how the game works.
8 - You're supposed to hit my hands.
9 - Too slow.
10 - Who wants cookies?
11 - Oh, cool.
12 - - Thank you very much. - They're carob. Nature's chocolate.
13 - I think not. No.
14 - Oh, oh, come on.
15 - You wouldn't have known if I hadn't told you.
16 - Oh, Eric, I picked out a really snazzy outfit
17 - for you to wear on Career Day.
18 - Oh, that's, um, goody.
19 - Well, fine, Mr. Grumpy,
20 - but I can't wait to show off my little man at work.
21 - You know what? Me neither.
22 - Help me.
23 - Why Career Day, man? It's so lame.
24 - That's just 'cause your mom's the lunch lady.
25 - Your mom is Gross Edna?
26 - Ew!
27 - I mean, cool.
28 - You bet it's cool.
29 - That's why I'm spending the day with
30 - Hyde and his mom. Right?
31 - Eric, I need you in the garage.
32 - Okay. Look, I'll be right back.
33 - You can explain exactly what you did to this car.
34 - Okay. Look, I'll see you tomorrow.
35 - Hold the light steady.
36 - Higher.
37 - Higher.
38 - Not in my eyes!
39 - Do I look like a carburetor?
40 - Not, um... Not in this light.
41 - That's one.
42 - Sorry.
43 - Geez, Eric, you're in high school.
44 - You'd think they'd take five minutes out of teaching macrame
45 - and show you how to hold a damned flashlight!
46 - Dad, isn't that what college is for?
47 - That's two. You wanna go for three?
48 - Give me that.

49 - Oh, see? The damn thing is shot.
50 - I need a rebuild kit.
51 - We'll work on this tomorrow.
52 - Uh, Dad, tomorrow's Career Day.
53 - Yeah, well, I'm working half-days.
54 - I'll be home by noon.
55 - Um,
56 - I think I'm gonna go to the hospital with mom.
57 - Yeah, what for?
58 - Well, it's Career Day, not Career Half-Day.
59 - Okay, look, that's not three, that's what my teacher said...
60 - Fine, Eric. I'll, uh, fix the car and...
61 - and you go with your mom and
62 - see if you want to be a nurse.
63 - Hanging out
64 - Down the street
65 - The same old thing
66 - We did last week
67 - Not a thing to do
68 - But talk to you
69 - Whoa, yeah
70 - Hello, Wisconsin!
71 - Okay, so, now, this is my ward.
72 - Um, I have to check with the night nurse. You say hi to the girls.
73 - Hi, girls.
74 - Oh, hi. You must be Eric.
75 - I recognize you from all the pictures.
76 - Your face has cleared up real nice.
77 - Thanks for noticing that.
78 - You know, your mom does the work of five nurses.
79 - This place would fall apart without her.
80 - And she's so funny!
81 - Oh, yeah, she is.
82 - Um. wait, no, she's not.
83 - Oh, yeah.
84 - And she draws these funny cartoons. See?
85 - Now, I warn you, it's a little racy, but...
86 - Oh, honey, you don't need to see that.
87 - It's just, um, a certain body part
88 - has been shoved up another body part
89 - for comic effect.
90 - So, um, have you met everybody?
91 - Nurse Forman, I just talked to the lab.
92 - Why didn't you bring down that blood sample?
93 - Because you didn't give it to me?
94 - I most certainly did.

95 - Well, next time I have something to give you,
96 - you tell me.
97 - Will do.
98 - What is his problem?
99 - Well, you all know my theory.
100 - Edna.
101 - Steven.
102 - Fez, this is, uh, this is my mom.
103 - Nice to meet you, Mrs. Gross Edna.
104 - No, no, no, honey. It's Miss Gross Edna.
105 - You see, Mr. Gross Edna
106 - ran off with Miss Perfect Ass.
107 - But she can laugh about it now.
108 - Yes, she can. Shut up.
109 - Well, I am so excited to be in the food service industry.
110 - May I cut the cheese?
111 - Is he kidding?
112 - We can never tell.
113 - Well, knock yourself out.
114 - But if you cut off a finger, you're out of here.
115 - Steven, you can start by slicing pizza.
116 - Oh, no, no, no. I'm here as an observer.
117 - A fly on the wall. One of many.
118 - Gee, what a surprise. Lazy, just like your father.
119 - No, actually, I'm lazy in a way that's entirely my own.
120 - You two are hilarious.
121 - Here, put these on.
122 - I'm not wearing these.
123 - Well, sorry, don't blame me. It's the stupid...
124 - Those health codes.
125 - May I keep these?
126 - Sure, baby.
127 - This is so cool. My dad's office.
128 - Dad's desk.
129 - Dad's phone, ding-ding.
130 - My dad. Oh...
131 - Yeah, I love this.
132 - Yeah, Michael, this is where all the magic happens.
133 - Okay, let's get started.
134 - Question number one. "What's your job?"
135 - I'm a senior executive,
136 - statistical analysis technician.
137 - You're a senior execu-what?
138 - Well, in plain English
139 - I concatenate diverse statistical information
140 - to maximize the potential utilization of data.

141 - So...
 142 - you give people data?
 143 - You know, a lot of people think that. No.
 144 - My job's not about output, it's about throughput.
 145 - So you throughput data?
 146 - Well, now you've lost me, son.
 147 - Oh, listen, Michael...
 148 - you know the eight-tracks you love so much?
 149 - - You make them? - No.
 150 - But because of us, other people who make them
 151 - are able to make them better.
 152 - So you fix stuff?
 153 - You could say that.
 154 - But I wouldn't.
 155 - You picked a good day to do this, Donna.
 156 - We're starting a three-day promotional sale.
 157 - You'll finally get to see why they call me Bargain Bob.
 158 - Yeah, Dad, 'cause that's been a real stumper.
 159 - Ooh, you're such a cutie.
 160 - Well, you keep your eyes peeled
 161 - and your pencil sharp
 162 - because you're gonna learn how a
 163 - serious businessman operates.
 164 - Oh, good, the clowns are here.
 165 - Oh, hello, Mr. Forman, what are you doing home?
 166 - That's right, you're only working part-time.
 167 - If it makes you feel any better,
 168 - my dad feels really, really sorry for you.
 169 - Aren't you supposed to be at Career Day?
 170 - No, I'm a sophomore.
 171 - I'm surprised you didn't know that about me.
 172 - Right. My mistake.
 173 - Listen, while you're here,
 174 - why don't you hold this flashlight
 175 - on that, uh, carburetor there.
 176 - Like this?
 177 - My God. One of you is not useless.
 178 - A world of careers is waiting for you.
 179 - Talk to your guidance counselor today.
 180 - These people are ready for the jobs of tomorrow.
 181 - Are you?
 182 - Good morning! This is my son. He's making my rounds with me.
 183 - Now, you let me know if this gets to be too much for you.
 184 - Okay, Mom, I think that I can handle it...
 185 - Oh, good God! What is that?
 186 - Remember this the next time you want a skateboard.

187 - I have some bad news.
188 - Oh. I have some good news.
189 - Okay, now push!
190 - Ow, ma'am, you're hurting me.
191 - You don't know what pain is!
192 - Okay.
193 - All right.
194 - This is the performance index before my involvement.
195 - And this...
196 - is after.
197 - Okay, okay. So, you're responsible for this.
198 - Mmm, you can't credit me with that.
199 - That's probably a statistical anomaly.
200 - But you made the chart, right?
201 - Oh! I wish.
202 - So do I.
203 - Okay, question number three.
204 - "Was the food service industry your first career choice?"
205 - Heck, no, Fez.
206 - I always wanted to go into show biz.
207 - In fact,
208 - I was in the Tommy Bartlett water show
209 - at the Wisconsin Dells.
210 - Yes, women waterskiing in bikinis.
211 - Very erotic.
212 - Anyway...
213 - I was the top girl on the pyramid,
214 - when they fired me for getting knocked up.
215 - Let me finish this one for you, Edna.
216 - Fez, this is the story where I ruin my mother's
217 - fabulous water skiing career.
218 - Oh. Yeah, you did.
219 - They said a pregnant girl on water skis
220 - would make the audience nervous.
221 - Not to mention, you were probably hideously fat.
222 - Uh-uh. No, no, no.
223 - I looked great. I kept my weight down by smoking.
224 - See, that's that maternal instinct kicking in again.
225 - Yeah, you're damn right I'm maternal.
226 - I raised you alone.
227 - Alone? Hardly.
228 - There was "uncle" Chet, and "uncle" Larry,
229 - and, oh, yeah, "uncle" hot tub Johnny.
230 - I suppose I should've just become a nun
231 - when your father walked out on me.
232 - Hell, he must've been crazy to leave all this.

233 - Always a smart ass, Steven. Just like your father.
234 - You know what? One thing he did do right: He left!
235 - All right. That's right, Steven, just walk.
236 - Just like everyone else.
237 - Okay, question number four.
238 - "Would you say you are a people person?"
239 - Come on, Jackie! Harder! Come on, give it all you got.
240 - Yeah! My God, I did it!
241 - I did it! I'm changing a tire!
242 - I feel like Nancy Drew.
243 - Well, a girl needs to know what to do in an emergency.
244 - You know, I'm surprised your father hasn't taught you this already.
245 - Yeah, well...
246 - Daddy works really hard, so he doesn't spend a lot of time with me.
247 - But he did promise me a Mustang for my birthday.
248 - So I love him.
249 - You know, Jackie,
250 - I've been a father a long time...
251 - so trust me when I tell you this.
252 - The Mustang's front end is problematic. Get yourself a Firebird.
253 - All right, let's start Mr. Harris
254 - on a full course of penicillin.
255 - Oh, um, doctor, you might want to consider erythromycin.
256 - And why would I want to do that, nurse?
257 - Well, it's just that, um,
258 - Mr. Harris is allergic to penicillin and...
259 - I thought erythromycin might make him a touch less dead.
260 - I know that when I go to the hospital, I like to not die.
261 - Okay...
262 - do you have customers?
263 - No, they're more like clients.
264 - But you have clients? Sort of.
265 - And you provide them a product?
266 - It's more like a service.
267 - A service? Well, not...
268 - To maximize the potential utilization of the data?
269 - If we did that, we'd go out of business.
270 - Hey, Red. Forman around?
271 - No, he's with his mom for Career Day.
272 - Which is where you're supposed to be. What's the deal?
273 - Man.
274 - Edna's riding me again about being just like my dad.
275 - So I just took off.
276 - Didn't your dad, uh, take off?
277 - Mmm. Irony. Far out.
278 - Look, you and your mom have a bad history.

279 - And neither of you can...
 280 - nurture the other's self esteem...
 281 - because you've both been damaged
 282 - by past criticism and shame.
 283 - Are you okay?
 284 - I'm working half-days, so I watch a lot of Donahue.
 285 - Okay...
 286 - I'm not sure, but I think I found the u-joint.
 287 - God bless you, Jackie.
 288 - Okay, I'm going back in.
 289 - Could someone help me get Mr. Anderson
 290 - on the gurney, please?
 291 - - Oh, I'll give you a hand, Mom. - Okay.
 292 - So, what's wrong with him?
 293 - He's dead. Oh, my...
 294 - What?
 295 - Didn't we just see this guy a half an hour ago?
 296 - Oh, um...
 297 - Honey, he was dead then.
 298 - I just... I didn't have the heart to tell you.
 299 - I'm so sorry you didn't get a chance to meet him.
 300 - Wait, Mr. Anderson?
 301 - Isn't this the guy you always talked about at dinner?
 302 - The guy whose daughter just got married?
 303 - Yeah, yeah, he just showed me the pictures.
 304 - It was a beautiful wedding.
 305 - I'm gonna miss him.
 306 - So, okay, you grab that end, and let's get moving.
 307 - We have to serve dinner in 20 minutes.
 308 - And then we look at the chi square here...
 309 - apply the standard deviation here...
 310 - and correlate the results
 311 - with the actualization median here.
 312 - And that's what I do.
 313 - And I can't make it any clearer than that.
 314 - I'm just gonna say you're a farmer.
 315 - Okay, next question.
 316 - "What has this job taught you?"
 317 - One thing I've learned. Midgets make money.
 318 - I don't know why, but people see a midget, they wanna buy a blender.
 319 - I guess it reminds them that life is short.
 320 - Write, write, write, write, write.
 321 - Marketing is important. Know your customer.
 322 - Hey. That's not what I said.
 323 - None of this is what I said.
 324 - Well, sure it is, Dad.

325 - I mean, I just cleaned up the language a bit
 326 - to make you sound more dignified.
 327 - Dignified?
 328 - What are you saying? You're embarrassed by me?
 329 - What have I ever done that's embarrassing?
 330 - Just look around.
 331 - All right. Let me tell you what I see.
 332 - You see clowns, I see your tuition at Harvard.
 333 - You see your dad as a ringmaster,
 334 - I see you going to grad school.
 335 - You see a chimpanzee in a tutu...
 336 - Okay, that just makes me laugh.
 337 - The chimp is cute.
 338 - The point is, Donna,
 339 - you're capable of great things.
 340 - And if this is what I have to do
 341 - so you can achieve them...
 342 - then that's what I'll do.
 343 - Oh, geez, Dad.
 344 - I feel really bad.
 345 - Hey, hey. Nobody feels really bad around Bargain Bob!
 346 - Unless you got bit by a monkey.
 347 - Bad, bad, blood, blood
 348 - Is taking you for a ride
 349 - The only good thing
 350 - About bad blood
 351 - Is letting it slide
 352 - Mom, how do you do this every day?
 353 - You're always running around and
 354 - people are sick and dying...
 355 - I mean, poor Mr. Anderson.
 356 - Look, you knew this guy, Mom. How do you deal with all this?
 357 - Here we go now.
 358 - -Bad -Bad
 359 - -Blood -Blood
 360 - The bitch is in her smile
 361 - The lie is on her lips
 362 - Such an evil child
 363 - Whoa! What are you doing?
 364 - Throwing out the disgusting used meat.
 365 - No, no, no sweetie, you've gotta toss that in the chili bucket.
 366 - The chili bucket?
 367 - - I thought that was the garbage. - Oh, no.
 368 - - Have you thrown a lot in there? - Some.
 369 - Well, most things just
 370 - break down in there. It'll be fine.

371 - Hi.
372 - Steven, you came back.
373 - You don't know what that means to me.
374 - Oh, yeah?
375 - Yeah.
376 - Honey, could you clean up those pizza trays?
377 - I'm gonna skip out early.
378 - Mmm. Guess what I did in the chili bucket?
379 - Go ahead, guess.
380 - Uh, Steven, I'm sorry.
381 - I'm not being a very good mom, am I?
382 - No.
383 - All right, I've got a better idea.
384 - Let's do something together.
385 - Come on, I'll buy you a beer.
386 - A beer?
387 - - Well, yeah, that actually sounds good. - You got your fake ID?
388 - You know it. That's my boy.
389 - Baby, baby, baby, baby, baby, whoa.
390 - "Autumn is harvest time for the farmer.
391 - "At dawn, my dad and I were out in the field
392 - "picking carrots fresh off the trees."
393 - Kelso, carrots don't...
394 - That's good. You should put that down.
395 - So, what do you guys want to do when you graduate?
396 - Oh, um... Not touch dead people, ever.
397 - I want to go back to my homeland...
398 - with all that knowledge I have learned in Wisconsin...
399 - and rule with an iron fist.
400 - Hey, Dad.
401 - Hey, um... Jackie.
402 - Eric. How was Career Day?
403 - Oh, it was good. I learned a lot.
404 - Good. Now you're going to learn something else.
405 - Jackie's gonna teach you how to hold a flashlight.
406 - Jackie?
407 - Yeah, I finally found one of your friends I like.
408 - Okay, Jackie isn't really one of my friends.
409 - That's one.
410 - That's how you do that.

1.19 Episode 19: Prom Night

1 - My first prom tux, huh?
2 - Come on, guys, dig the crushed velvet.
3 - Eric, you look like a pimp.

4 - You know, Forman...
 5 - prom night could be a very special
 6 - night for you and Donna.
 7 - Hyde, this could be the biggest night of our lives.
 8 - I mean, Donna and I could go...
 9 - To the prom.
 10 - No, Fez. All the way.
 11 - All the way to the prom.
 12 - You know what you should do? You should rent a motel room.
 13 - Oh, yeah, that's spontaneous.
 14 - What?
 15 - Look, if this night is as big as I think,
 16 - I want it to be very, very special.
 17 - Because this is gonna be the first time for both of us.
 18 - Oh, You silly virgins.
 19 - Anyway, this is how I picture it.
 20 - Well, here we are...
 21 - walking on the beach.
 22 - And now we're gonna do it.
 23 - Yes, yes. Isn't it spontaneous?
 24 - Exactly. That's what got me.
 25 - Ah, that was nice.
 26 - But if I plan it out, it won't be nice. It'll be...
 27 - Good evening. Did you bring the forms?
 28 - Yes, I did. Here's the guarantee of foreplay.
 29 - Signed, initialed, notarized.
 30 - Very well. As you know, I'm on the pill...
 31 - so here is your copy of the prophylactic waiver.
 32 - It looks like we have a deal here.
 33 - - I'm looking forward to consummation. - Excellent.
 34 - Thank you.
 35 - Forman, if you don't get a motel,
 36 - it's gonna be more like this.
 37 - You're home already?
 38 - It's not even 10:00.
 39 - You didn't have a plan, did you?
 40 - Kitty, he's home already.
 41 - Already? Eric, you're just such a loser.
 42 - He is, isn't he?
 43 - Hanging out
 44 - Down the street
 45 - The same old thing
 46 - We did last week
 47 - Not a thing to do
 48 - But talk to you
 49 - Whoa, yeah

50 - Hello, Wisconsin!
51 - Are you ready to rock and roll?
52 - Kitty, I am so mad at Bob.
53 - I'm trying to improve myself, and he won't let me.
54 - Plus, he says my ideas are stupid.
55 - Oh, well, now that's
56 - the pot calling the kettle black, isn't it?
57 - I'll say.
58 - Wha... What?
59 - Good coffee.
60 - You know, I'm sorry, Midge.
61 - But, um, I really have to get to work.
62 - Gosh, darn it, I want a job.
63 - Well, you know, Midge, having a job is not all it's cracked up to be.
64 - Working at the hospital is very hard work.
65 - But I don't want one of those jobs. I want a fun job.
66 - Okay, well,
67 - even with a fun job...
68 - you still... you have to deal with your boss.
69 - You're right. I'll get a job as a boss.
70 - Well, now...
71 - ...that is a sharp plan, Midge.
72 - You just... You let me know how that goes.
73 - Okay.
74 - Okay, guys.
75 - Guess who's taking Pam Macy to the prom?
76 - Anyone with a quarter?
77 - Me.
78 - Damn, and I had a quarter.
79 - Hey, Kelso, you're not taking Jackie?
80 - No way, man. Jackie dumped me.
81 - Hey, I can take Jackie.
82 - Yeah, do it, Fez, and I'll kick your ass.
83 - Well, well, well. Look who suddenly cares.
84 - Ow. Why did you hit me? That was sarcasm.
85 - You know, you guys are making me sick with all your prom talk.
86 - Proms are stupid.
87 - Hyde, what would you know? You've never even been to one.
88 - Well, I haven't been to the dentist, either,
89 - but I don't need to go to know it's lame.
90 - Oh!
91 - I know who I can ask to the prom.
92 - Oh, boy, who, Fez?
93 - The lucky lady is...
94 - my English teacher.
95 - Fez, you can't take a teacher to the prom.

96 - Why not? She's always writing sexy comments on my homework.
97 - See.
98 - "Nice job. Good effort."
99 - "See me."
100 - "I love you."
101 - Okay, I made the last one up.
102 - But the other ones were real.
103 - These are the shoes I'm wearing to the prom.
104 - Aren't they cool?
105 - Oh, my God, I was gonna get new shoes...
106 - except Michael didn't ask me.
107 - And you like my prom dress, right?
108 - Oh, my God. I was gonna get a new prom dress...
109 - except Michael didn't ask me.
110 - I'm so nervous about the prom.
111 - I think it's gonna be the night that Eric and I...
112 - You know?
113 - Oh, my gosh, that's when Michael and I
114 - were going to do it for the first time.
115 - Jackie, you and Kelso did it, like, two months ago.
116 - And, like, 30 times after that.
117 - Yeah, but it would have been our first time at a prom.
118 - Except Michael didn't ask me.
119 - Jackie, you broke up with him.
120 - I know. Isn't it sad?
121 - Look, just ask Kelso to go with you.
122 - God, no. This is the prom.
123 - This is no time for your stupid feminist crap.
124 - Hello, Michael.
125 - Hello, Jackie.
126 - I'm just over here helping Donna get ready for the prom.
127 - Because Eric and Donna are going to the prom.
128 - Yes, we are.
129 - I'm going to the prom.
130 - I'm taking Pam Macy.
131 - Oh, the... ..thing.
132 - Oh.
133 - Well, I have a date, too.
134 - Who is it? What's his name?
135 - His name is not important.
136 - What's important is, he's better than you...
137 - in every conceivable way.
138 - Damn, Jackie, that could be anybody!
139 - Jackie...
140 - if I asked you what's wrong, will you stop doing that?
141 - It's the prom.

142 - Stupid Michael's taking stupid Pam Macy.
143 - And I don't have a date, but I told him I did, and I'm a complete loser.
144 - No, you're not.
145 - It's just that, like, I thought he was gonna ask me...
146 - and now everyone who's anyone is already going.
147 - Ugh. That is so true.
148 - How would you know? You're not even going.
149 - You're not even going.
150 - Oh, oh! And I bet you clean up real good.
151 - Well, I do, but I won't.
152 - See, that's a big part of who I am.
153 - Look, I know we've had our differences, but...
154 - Jackie, we've had nothing but differences.
155 - In fact, don't we kind of hate each other?
156 - Yes, but this is the prom.
157 - Jackie, stop.
158 - Stop crying. Stop it.
159 - Look, do you want to go to the prom?
160 - Yes.
161 - Wow. The gym looks like...
162 - Well, the gym with streamers. But it's, it's nice.
163 - Yeah. You know, this is just gonna be an incredible night.
164 - Really incredible.
165 - Wait. What do you mean?
166 - What do you mean?
167 - Nothing.
168 - Okay, then me neither.
169 - Hey, guys. Pam, this is Eric and Donna.
170 - We have biology class together.
171 - Biology?
172 - Yeah.
173 - See, Pam doesn't like to talk about school.
174 - Are you guys having fun?
175 - No.
176 - I have to go to the bathroom.
177 - My God, Kelso, you'd rather be with her than Jackie?
178 - Hey, I love her!
179 - No, you don't.
180 - Okay, I don't.
181 - See, but Jackie's gonna be really jealous.
182 - Good evening, kids. So, is everyone having fun?
183 - Why, yes, we are, Ms. Kaminsky.
184 - There you are, Diane. I've been looking all over for you.
185 - Shall we dance?
186 - I am not going to dance with you, Fez.
187 - Isn't she adorable?

188 - They're all gonna laugh at you!
189 - Shut up, Ma, you're making
190 - the night too damn special.
191 - Hey.
192 - Wow, you look beautiful.
193 - Oh, my God. So do you.
194 - Um...
195 - Do you want me to go inside and meet your...
196 - No, no, no. Trust me, she's lovely.
197 - Let's just go, all right?
198 - Is that for me?
199 - Oh, yeah. Here, I got this for you.
200 - Oh, God, Steven, this is beautiful.
201 - You know, this whole experience has taught me
202 - that I don't need Michael to go to the prom.
203 - I can go with anyone.
204 - Even you.
205 - Thanks.
206 - Okay, let's not do that.
207 - Sorry. Um...
208 - I have my dad's Lincoln. Will you drive?
209 - Yeah.
210 - He's got insurance, right?
211 - Wait, I don't care. Let's go.
212 - I've decided what kind of business
213 - I'm going to open.
214 - What's the one thing people can't live without?
215 - Oxygen.
216 - No.
217 - No, no, no. That's true.
218 - But that's not what I'm selling. So keep guessing.
219 - Lemonade?
220 - Mmm-mmm.
221 - Give up?
222 - I'm about to.
223 - Greeting cards.
224 - Good wine.
225 - This is such a great night.
226 - Yeah.
227 - It's too bad our parents aren't out of town.
228 - So we'd have someplace to go.
229 - For after.
230 - Yeah. Like, a motel room?
231 - Yeah. That would've been great.
232 - Really? 'Cause I got one.
233 - Did you plan on telling me?

234 - No.
 235 - Well, it's better that you didn't.
 236 - 'Cause then it wouldn't have been spontaneous.
 237 - Sponta...
 238 - Oh, you are so the girl for me.
 239 - Let's go.
 240 - Okay.
 241 - Why so glum, Fez?
 242 - Well, Mrs. Clark, you may be good at teaching the music...
 243 - but you cannot help me in the ways of love.
 244 - Aw, Fez, has someone got you down?
 245 - So far down, Mrs. Clark.
 246 - Here's a little ditty I've been working on. Maybe it'll help.
 247 - Hit it.
 248 - Midge, you don't know the first thing about having a business.
 249 - But there's no risk, Bob.
 250 - Why not?
 251 - Because it's your money!
 252 - Kitty...
 253 - don't you think I should have my own card shop?
 254 - Midgie, hold on.
 255 - - I think I have a dynamite solution. - Really?
 256 - Oh, yeah. 'Cause I love you.
 257 - So, I want you to have another baby and stop bugging me.
 258 - Oh, Bob. No.
 259 - So, how much this whole setup gonna cost you, Bob?
 260 - Plenty.
 261 - But I figure it'll be cheaper than a divorce.
 262 - We'll see.
 263 - And, uh, here we are.
 264 - This is so romantic.
 265 - Hey, it's Forman and Donna. And they're gonna do it!
 266 - Forman! Forman!
 267 - Yeah.
 268 - You know what? Those guys are just jerks.
 269 - Hey, I forgot about them already.
 270 - Hang on, hang on. Big stain, big stain.
 271 - - I'm just gonna go grab a towel. - Okay.
 272 - Oh, good God!
 273 - You know, they say they're more scared of you
 274 - than you are of them. Right, so?
 275 - You know, Donna, I've thought about this moment, like...
 276 - a thousand times.
 277 - Me, too.
 278 - One, two, three.
 279 - All right.

280 - Hey, when you thought about this moment, was it like this?
281 - Not really.
282 - You know, I was having a pretty good time at prom.
283 - Me, too.
284 - Let's get out of here.
285 - Okay.
286 - Um...
287 - Donna, what if this is our only chance?
288 - It won't be.
289 - Okay.
290 - It's just that I always pictured
291 - Michael and I together at the prom.
292 - That's the way it was supposed to be, you know?
293 - Yeah, I know.
294 - Tsk. Well...
295 - Hey, Pam's butt looks really big in that dress.
296 - No, it doesn't.
297 - Yeah, no, it doesn't.
298 - But thank you.
299 - Um...
300 - Do you mind if we just sit down?
301 - Yeah, okay. I'll go grab some punch.
302 - Hyde, you brought Jackie to the prom?
303 - You're supposed to be my friend and you dogged me.
304 - Hey. She cried, man.
305 - Well, is she having a good time?
306 - 'Cause she looks real pretty.
307 - All right, look, you big baby.
308 - She wants to be with you, and you want to be with her.
309 - So, why don't you stop whining about it
310 - and just go be with each other.
311 - 'Cause the whole thing sickens me.
312 - But what am I gonna do with Pam?
313 - Don't worry about it. I'll take care of Pam.
314 - Excuse me, Pam.
315 - Hi.
316 - Have you ever seen the backseat of a Lincoln Continental?
317 - Lots of times.
318 - Would you like to see another one?
319 - Sure.
320 - That's great. Let's go.
321 - Jackie.
322 - Michael.
323 - You look beautiful.
324 - You look really handsome.
325 - I miss you.

326 - I miss you, too.
327 - Eric, please may I have your motel room key, please?
328 - Fez, I'm not going to a motel with you.
329 - Yes, and you also said you would not dance with me.

1.20 Episode 20: A New Hope

1 - I am so excited about Star Whores.
2 - Fezzie, man, it's Star Wars.
3 - Screw that.
4 - Hey, Forman, man, this thing better be good.
5 - If I don't see some space jugs,
6 - I'm gonna be super-pissed.
7 - I don't know, guys. I hear it's okay.
8 - Well, there's no way it's better than The Planet of the Apes.
9 - I mean, those apes were really good actors.
10 - Whoa!
11 - And then they go into this bar
12 - and there are all these space creatures,
13 - and then, someone makes the mistake
14 - of picking on Obi-Wan Kenobi.
15 - And then, he takes out his lightsaber and he goes "Whoosh"
16 - and he chops this guy's arm right off,
17 - 'cause it's a saber that's made out of light.
18 - Well, you know, this doesn't sound like a nice movie.
19 - Now, The Way We Were, that's a nice movie.
20 - So, Eric, you gonna get yourself
21 - some Star Wars pajamas now?
22 - Kitty, I'm going back to work, full-time.
23 - My God, you're kidding.
24 - No, I ran into Ron Milbank at the K-Mart,
25 - and he's moved back to re-open the plant.
26 - Oh... Oh, this is a godsend.
27 - Oh, and to think how close we came to losing the house.
28 - Losing the... Mom, you said we were fine.
29 - Oh, Eric, honey, I lied.
30 - Oh, honey, this is the best news.
31 - Well, I'm... I'm so glad that you're happy.
32 - Hey, way to go, Daddy.
33 - Ah, my job and my little girl.
34 - Okay, so, I'm here, too, Dad.
35 - Oh, uh, speaking of you...
36 - I told Milbank's son, David, to come by to see you.
37 - David Milbank? Dad, I hated that guy.
38 - Yeah, well, I hate his dad
39 - but I smile like hell whenever I see him.

40 - And you'll do the same. Got it?
41 - Got it.
42 - David Milbank? Oh, barf.
43 - Eric, remember when you beat him up on the playground?
44 - Yep. I kicked his ass.
45 - Wait, wasn't he the kid with scoliosis and asthma?
46 - Yep.
47 - And I kicked his ass.
48 - So, Jackie, you want to go see Star Wars tonight?
49 - Michael, I told you, I don't like space.
50 - Jackie, if we're gonna start our relationship over,
51 - you gotta meet me halfway, honey.
52 - Well, maybe I want to do something else tonight.
53 - Like what?
54 - God, Jackie.
55 - We can do that for the rest of our lives!
56 - Star Wars is a limited engagement.
57 - Fine. Fine, but I want the big popcorn.
58 - Ah, they finally left.
59 - Now it's just the three of us.
60 - That's great, Fez.
61 - Oh, I get it.
62 - If I was gone, you two would kiss.
63 - Ah, life's a bitch, huh?
64 - Eric! David's here.
65 - The scoliosis, asthma freak is here?
66 - I cannot wait to see this.
67 - Hey, guys. I'm back.
68 - Yeah, hey.
69 - Wow, David. You've really grown up.
70 - Me? Look at you.
71 - You have really grown up.
72 - Yes, in fact, we've all grown up.
73 - Yes, but him much more than you have.
74 - So, David, hey! Tell us about you.
75 - We're dating.
76 - What was that?
77 - What? I'm just...
78 - Sorry, I'm making conversation here.
79 - So, uh, Donna, you still writing short stories?
80 - Well, yeah, I still write a little.
81 - Well, not every... You still write?
82 - I mean, I would love to read your stuff.
83 - Yeah?
84 - Well, enough about us. Tell us about you.
85 - David, you still got that big old curve in your spine?

86 - Can I see it?
87 - Hey, Kelso.
88 - Laurie.
89 - I'm bored.
90 - If you're bored, you should go see Star Wars.
91 - No, I was thinking of doing something else and...
92 - Laurie, what's going on?
93 - You're acting like you're liking me and that's weird.
94 - It's like I told you, Kelso. I'm bored.
95 - Well, that's very flattering.
96 - But, uh, you know, Jackie and I are back together.
97 - Oh, I understand.
98 - Do you want to see my appendix scar?
99 - Once again...
100 - what's-her-name and I are back together.
101 - Well, It's not my best story but it's...
102 - Wow!
103 - I love it. Do you have any more?
104 - Yeah, oh, my God, yeah,
105 - I totally have more. I just...
106 - Oh! Oh, my God!
107 - Oh, my God, I am so sorry.
108 - - I'm so sorry. - That's all right.
109 - Oh, I'm so sorry about that.
110 - Hey, what the hell's going on here?
111 - I spilled soda on him.
112 - Oh.
113 - I should leave.
114 - I'll see you later. Okay.
115 - Hey, Donna, great writing.
116 - What is it with you?
117 - Me? Donna, he's hitting on you.
118 - He is not. We're just friends.
119 - He talks to me, listens to me, shares ideas with me.
120 - Oh, my God, Donna, you are so naive.
121 - Eric, just because a guy pays attention to me,
122 - does not mean he wants to get me naked.
123 - Oh... Grow up!
124 - Was that why you paid attention to me?
125 - Of course!
126 - Not. Of course not.
127 - I love your mind.
128 - That's the thing I love.
129 - So, Donna says David and her are just good friends...
130 - and if I don't believe that...
131 - um, then she's gonna think that I don't trust her.

132 - Eric, maybe you should let David have Donna.
133 - I mean, they look so nice together.
134 - You see, this is why your country lost the war.
135 - My country never fought a war.
136 - Yeah, big surprise.
137 - You know, Forman, I'm a romantic.
138 - So I say you choke him till his eyes pop out.
139 - Yeah. Hitting people is cool.
140 - I don't know.
141 - If I hit this guy, Donna's just gonna be pissed.
142 - No, man. Chicks dig that stuff.
143 - I mean, Leia, right, she acted like she was mad at Han...
144 - but I could tell she liked him.
145 - Kelso, man, what are you, an idiot?
146 - Leia likes Luke. I mean, she kissed him on that bridge.
147 - Uh, just for luck!
148 - Guys, I have a real problem here.
149 - Oh, I got it.
150 - Maybe you should let David have Donna
151 - because, I mean, they look so nice together.
152 - Now remember, a Jedi is his own master.
153 - His own master. His own master.
154 - A Jedi's power lies within his own...
155 - Are you even listening to me?
156 - What? Yes. Um, you were saying,
157 - "May the force be with me."
158 - No, I did not.
159 - Jedi Knight.
160 - Jedi dumbass.
161 - Luke, man...
162 - I don't mean to bum you out...
163 - but I just saw Princess Leia cruise around
164 - with Darth Vader in his tie-fighter.
165 - Right, Chewie?
166 - Man, this totally sucks! I should be Han.
167 - Hey, quit whining.
168 - Will somebody get that?
169 - You know what? Why don't I just get it myself?
170 - Honey, it's Darth Vader.
171 - Thanks, Mom.
172 - Oh, my God...
173 - you guys just gotta come over to the dark side.
174 - They have free food.
175 - All right, what have you done with Princess Leia?
176 - Hey, guys.
177 - Leia, what are you doing with Darth Vader?

178 - Oh, we're, um... just friends, Luke.
 179 - He's nice. I think you'd really like him.
 180 - No, I wouldn't!
 181 - Give me a chance, Luke.
 182 - Look.
 183 - Hello? He's choking me with his mind, here.
 184 - That's, like, yeah, evil.
 185 - While Michael and I were apart,
 186 - he realized how much he missed me.
 187 - I'm telling you, Donna,
 188 - breaking up with him was the best thing I ever did.
 189 - I thought you said that getting a pedicure
 190 - was the best thing you ever did.
 191 - That was last week, Donna.
 192 - I don't know, I don't know!
 193 - I don't know what to do about Eric.
 194 - He's acting like this possessive, macho jerk.
 195 - Oh, I am so happy for you, Donna!
 196 - No, Jackie, I'm with him because I thought
 197 - he wasn't like that.
 198 - Mrs. Pinciotti, can you tell Donna I'm right?
 199 - Isn't it cool when men act like they own you?
 200 - Oh, yeah.
 201 - Mom, what about all those feminist classes you took?
 202 - Oh, right. No.
 203 - Hey, Mr. Pinciotti. Hey, Dad.
 204 - Hey, there, Eric.
 205 - Hey, Dad, um...
 206 - I was wondering if you could show me, like,
 207 - a few fighting moves.
 208 - - Who are you planning to fight? - David Milbank.
 209 - David Milbank? He's got scoliosis and asthma.
 210 - You could take him.
 211 - Come on, now, Eric.
 212 - Why don't you, uh, beat up Kelso?
 213 - I don't work for his dad.
 214 - He's making a move on Donna.
 215 - Oh. No, no, no.
 216 - Donna's not going near that pretzel boy.
 217 - No, no. You've got to nip this in the bud, Eric.
 218 - All right, all right.
 219 - The bridge of the nose is very vulnerable.
 220 - Oh, oh...
 221 - And hit him with a banjo.
 222 - A banjo, Bob?
 223 - What? I'm helping.

224 - Where is he gonna get a banjo?
225 - I don't know.
226 - But I saw a guy get hit with a banjo once, and he went down.
227 - Hitting a guy with a banjo is dirty.
228 - You wanna knee him in the groin.
229 - You can hit him in the groin with a banjo.
230 - So, what do you want to do tonight?
231 - And if you say, "See Star Wars again,"
232 - I'm leaving.
233 - You don't want to leave.
234 - You want to see Star Wars.
235 - Stop it! I have had it with you.
236 - You are weird and I'm going home!
237 - Jackie...
238 - Huh, boy, that's terrible the way she treats you.
239 - Right?
240 - You know, I saw Star Wars
241 - and I'm not a movie expert,
242 - but I think it's safe to say
243 - it was the greatest film of all time.
244 - Finally...
245 - someone who understands!
246 - Yeah.
247 - You know, Kelso, I always thought you were kind of dumb.
248 - Uh-huh.
249 - But I don't care.
250 - You know, I don't either.
251 - It's...
252 - Where's Eric?
253 - Um...
254 - I don't know.
255 - I think you do know, Red.
256 - All right, Kitty.
257 - Some kid's been hitting on Donna
258 - so he went to fight him. But it's no big deal.
259 - No big deal. You men are such Neanderthals!
260 - Fighting over a woman. It's ridiculous.
261 - It's like that time at that beach
262 - when that lifeguard pinched my fanny.
263 - You just had to lay him out, didn't you?
264 - Well, yeah.
265 - Well, how do you think I felt, Red?
266 - Watching you stand over that poor man...
267 - your... your eyes burning with intensity...
268 - your, your suntanned muscles gleaming like a bronzed god.
269 - Okay, you and me, right now.

270 - Eric, what are you doing?
271 - This isn't about you, Donna.
272 - Eric, stop it.
273 - - Yeah, that's right. Hold me back. - Stop it!
274 - Eric, for the last time...
275 - David has no interest in me whatsoever!
276 - Yeah, I do.
277 - What?
278 - Why do you think we've been spending so much time together?
279 - 'Cause we're friends?
280 - Oh, come on, Donna.
281 - I mean, I've talked to you,
282 - I've listened to you, I've shared ideas with you.
283 - What's that about?
284 - I had the exact same problem with...
285 - What?
286 - I don't know what it takes with women.
287 - I mean, you put in all this time and effort, and they wanna be...
288 - ...just friends.
289 - I know. I hate that.
290 - Man, and to think I was going to kick your ass.
291 - Hey, you had every reason.
292 - You hear that, Donna? "Every reason."
293 - You know what, Eric?
294 - You don't trust me and you don't respect me.
295 - No...
296 - No, Donna, I was just trying to...
297 - Get away from me!
298 - Well, it wouldn't have worked out with her and me anyway.
299 - I mean, I'm not supposed to say anything
300 - but we're just here until my dad
301 - closes down the plant.
302 - Wait. Closes...
303 - Your dad was opening the plant full-time.
304 - Yeah, well, they're burning off the inventory
305 - and then, that's all she wrote.
306 - My dad's depending on that job.
307 - Yeah, well, I guess he should have thought ahead
308 - like my dad.
309 - Hey...
310 - You bastard! You broke my nose!
311 - That's... Good!
312 - You'll pay for this,
313 - Forman!
314 - Before I leave, Donna will be mine!
315 - Hey, Dad.

316 - Hey, Dad, can I talk to you?
317 - Absolutely.
318 - Eric,
319 - I am very, very disappointed in you for fighting.
320 - I'm sorry.
321 - It's okay.
322 - See you in the car.
323 - Where are you guys going?
324 - Oh, taking your mother out for dinner and a movie.
325 - A little, uh, celebration.
326 - You know, son, sometimes life
327 - gives you a good bounce.
328 - So, what'd you want to talk about?
329 - Um...
330 - Have a good time.
331 - Oh, yeah.
332 - Hey, little brother, I made out with Kelso.
333 - Shut up!
334 - What is wrong with you?
335 - Everything is wrong.
336 - Donna's mad at me...
337 - and the plant's closing, Dad's out of a job.
338 - Oh, wow.
339 - Guess this is a bad time to tell him
340 - I flunked out of college.
341 - You know what, Laurie? I cannot believe
342 - that you're the favorite.
343 - Yeah, doesn't it kick ass?
344 - Oh... That Vader's got him. There's no way out of this.
345 - Is this a true story?
346 - Yeah.
347 - That voice. I...
348 - James Earl Jones!
349 - Eric actually liked this?
350 - That kid's on dope.
351 - Whoa.

1.21 Episode 21: Water Tower

1 - Oh, my God.
2 - From up here,
3 - Point Place looks just like Paris.
4 - You think that looks like Paris?
5 - God, no wonder you think Kelso could be a model.
6 - Whoa! I could so be a model.
7 - Come on, man. Shut up and just keep painting.

8 - It's done!
9 - Gentlemen, we have finally done it.
10 - A pot leaf on the water tower!
11 - This is the proudest moment of my life.
12 - It doesn't look like a pot leaf.
13 - What?
14 - It looks like a hand giving the finger.
15 - It doesn't have to look perfect, Hyde. It's art.
16 - Get up and make it better!
17 - Fine!
18 - Just... Yeah, make it wider right up there.
19 - Yeah. Out further, though.
20 - Yeah. Right up there.
21 - Oh, my God. Michael!
22 - Hey, Kelso!
23 - Yeah?
24 - How's it look from down there?
25 - It looks like it's giving me the finger.
26 - You guys, this is so stupid.
27 - We should just take him to the hospital.
28 - No, Jackie. Then my dad will find out...
29 - Shut up!
30 - Okay. My mom's a nurse.
31 - I'm going to go wake her up. Maybe she can fix him.
32 - Just don't wake up Red, though, huh? He'll kill us all.
33 - Gee, you think?
34 - Oh, Red!
35 - Oh, Kitty!
36 - Okay, let's go.
37 - Everybody hop in the car, and let's go now.
38 - Where's your mom?
39 - Shut up! Don't you dare talk about my mother!
40 - Hangin' out
41 - Down the street
42 - The same old thing
43 - We did last week
44 - Not a thing to do
45 - But talk to you
46 - Whoa, yeah
47 - Hello, Wisconsin!
48 - No. Dad...
49 - There's no way this could've been avoided.
50 - Yes! No...
51 - Yeah, the cow kicked me after I tipped it over.
52 - I'm not lying!
53 - Okay. All right.

54 - I love you, too.
55 - He bought it.
56 - Um, excuse me. Um, yes. Um...
57 - My friend and I would like our sponge bath now, please.
58 - Eric, are you all right? They were sleeping!
59 - Michael, as God is my witness,
60 - I will nurse you back to health.
61 - Thanks, Jackie.
62 - I'm in a lot of pain.
63 - Oh, my poor baby.
64 - All right! All right. That's it.
65 - I'm going, whoever wants a ride.
66 - Hey, I'm sorry about tonight, you guys.
67 - Sorry? Why?
68 - We got to watch you fall, man. I had a blast!
69 - See you, Kelso.
70 - Hyde is such a jerk.
71 - This is all his fault.
72 - What are you talking about?
73 - Who said the pot leaf wasn't good enough?
74 - Hyde did.
75 - Mmm-hmm, and who said you should lean out further?
76 - Hyde did.
77 - So who made you fall off the water tower?
78 - No, no, no, no, wait, Jackie.
79 - That's crazy. Hyde's, like, my best friend.
80 - No, no, no, no. Brian Piccolo
81 - and Gayle Sayers were best friends.
82 - Yeah. Brian's Song.
83 - I love that movie.
84 - See, Michael, Gayle held Brian's hand
85 - and cried and gave him sips of cool water
86 - in his hospital bed.
87 - Yeah.
88 - So where are you now?
89 - I'm in a hospital bed.
90 - And where's Hyde?
91 - Well, he isn't giving me sips of cool water,
92 - that's for sure!
93 - Well, we got vandals in this town.
94 - I was driving home, and I saw the water tower giving me the finger.
95 - Vandals, you say?
96 - Hmm, where were you last night, Eric?
97 - Oh, can it, Laurie.
98 - Eric, you look pale.
99 - Let me see your eyes.

100 - Look at me.
101 - Do you have a fever?
102 - Oh.
103 - I know what you need.
104 - Right after breakfast, I want you to mow the lawn.
105 - The fresh air will do you good.
106 - Eric, is something bothering you?
107 - God, make it stop!
108 - Oh, Kitty!
109 - Oh, Kitty!
110 - Oh, Kitty!
111 - Oh, Kitty!
112 - Oh, Red!
113 - Oh, Kitty! Oh, Kitty!
114 - Oh, Red! Oh, Red!
115 - Well, okay, now, um...
116 - So far, Eric is nine out of 10.
117 - He's got... He's got bloodshot eyes, mood swings,
118 - irregular appetite, odd sleeping patterns.
119 - Oh, Red, our Johnny is high.
120 - Kitty, that's nonsense.
121 - He's not on drugs.
122 - He's just weird.
123 - Morning.
124 - Hungry?
125 - I... I overslept.
126 - I'm late for school.
127 - It's, uh...
128 - Bye.
129 - That kid's on dope.
130 - Well, I'll say. It's Sunday.
131 - Boy, these afterschool specials are thrilling.
132 - I mean, who knew it takes only one beer
133 - to turn a cheerleader into a whore?
134 - You know, Fez, this show contains an important message.
135 - That very thing happened to a good friend of mine.
136 - Really? Mmm-hmm.
137 - Uh, may I ask who?
138 - Man, that is one drunk, slutty cheerleader.
139 - There go her pom-poms.
140 - All right! All right!
141 - That is quite enough!
142 - Everywhere I look now,
143 - it's sex, sex, sex! Well, it's disgusting,
144 - and I for one will not have it in my basement!
145 - Eric, what's wrong with you?

146 - Oh, well, excuse me, Donna, for having a little moral fiber.
147 - Okay. Well, I'm going to go check on Michael.
148 - Yeah, how's he doing?
149 - Oh! Oh, yeah, like you care.
150 - Why don't you just apologize?
151 - Apologize for what?
152 - Well, if you don't know,
153 - then obviously you're a big fat jerk!
154 - Okay. She's nuts.
155 - I know. You are not fat.
156 - Eric. Get off my mom...
157 - What?
158 - What is it with you?
159 - You've been extra losery lately.
160 - I saw Mom and Dad having sex.
161 - Oh!
162 - Oh, you poor thing!
163 - It's all right. It's okay. Baby's fine.
164 - Oh, Laurie, it was horrible.
165 - I can't get the image out of my mind!
166 - I mean, it was Mom and Dad, but they were...
167 - They were like a pair of wildebeests
168 - on a National Geographic Special.
169 - Deep in the unexplored psyche
170 - of a confused young man,
171 - is a wilderness called
172 - Wild Wisconsin.
173 - After several days of tracking,
174 - we finally located the den of the wily Red.
175 - Here we see suburbus sexmaniacus
176 - tracking his prey through the living room.
177 - Observe as the male indicates his interest in mating
178 - by making loud, aggressive noises.
179 - The female's attractive double-knit pantsuit
180 - and scarlet lips signal her readiness.
181 - This display is not lost on the male.
182 - Oh, here he goes.
183 - Let's watch.
184 - Eric, I am so sorry.
185 - But you have to understand.
186 - Mom and Dad are in love.
187 - They have urges and needs, just like us.
188 - No urges, no needs!
189 - I learned in psychology class
190 - that what you went through is traumatic,
191 - but don't worry,

192 - many people have had this same experience.
193 - Really? And they turned out all right?
194 - Well, some of them turned out to be serial killers.
195 - But I'm sure that's just a coincidence.
196 - But whatever.
197 - You know what the sad thing is?
198 - I actually think you're trying to be nice.
199 - Yeah.
200 - It's just not my strong suit.
201 - Sorry.
202 - So I'll be all right?
203 - No.
204 - Donna, I'm really not in the mood.
205 - Now, come on.
206 - I'm just trying to get a little action here.
207 - Donna, I just can't.
208 - Come on. All the other guys are doing it.
209 - What's going on? Are you, like, mad at me or something?
210 - Donna, I saw my parents having sex.
211 - Oh, God!
212 - Yeah.
213 - And you liked it, right?
214 - No! God, no! That's sick!
215 - Everyone's sick!
216 - I'm kidding.
217 - Eric, I'm kidding.
218 - Oh.
219 - Good one.
220 - All right, look,
221 - I'm going to tell you something I've never told anybody else.
222 - All right?
223 - When I was 12, I saw my parents doing it.
224 - How... How did you get over it?
225 - Well, at first, I was, like, completely freaked out.
226 - But then eventually the pain receded,
227 - and I was able to live again.
228 - Donna, I don't see this receding.
229 - I mean, I walked in on Red and Kitty, and they were...
230 - They were right in the middle.
231 - Oh, God. That's nothing.
232 - I caught my parents outside, in broad daylight, on the hammock.
233 - Where I used to read, like, my Nancy Drew Mysteries.
234 - Oh, man, that is so much worse than mine.
235 - Oh, God.
236 - I can remember, like,
237 - little bits of naked skin peeking through the holes of the hammock.

238 - Wow.
239 - It's weird, but knowing what you went through
240 - just makes me feel so much better,
241 - because you're, like, totally over it. Right?
242 - And later,
243 - they came inside
244 - and they had, like,
245 - this checkerboard pattern all over their arms and legs!
246 - And my dad laughed
247 - and said they fell asleep on the hammock.
248 - But I knew it was a lie.
249 - I knew what he did to my mom.
250 - Your mom.
251 - Okay, I'm ready to fool around.
252 - Please take me home. Okay.
253 - Oh. Hey, look, Jackie. It's my friends,
254 - Eric, Donna, and Fez.
255 - Yep, that's all my friends.
256 - Kelso, if you have something to say to me,
257 - why don't you just say it?
258 - Oh, no.
259 - Oh, no.
260 - I think you have something to say to me,
261 - and I'm going to be right over here when you're ready.
262 - All right, all right! This is stupid.
263 - Hyde, just apologize already.
264 - It's not my fault.
265 - Whatever. He thinks it is.
266 - It is!
267 - You made me fall off the water tower.
268 - How? Did I push you? No, but...
269 - Did I make the railing slippery?
270 - No. Then how is it my fault?
271 - Because!
272 - You didn't like my artwork.
273 - And you don't respect me
274 - and you laugh at me
275 - and you're inconsiderate of my feelings.
276 - No offense, but you sound like a chick.
277 - Well...
278 - Man, I do!
279 - Okay. All right.
280 - Do you remember that time when I was climbing your fence
281 - and I hit my forehead on that tree branch,
282 - and I fell into your yard
283 - and your dog Yogi came out of the house

284 - and bit me twice on the ass?
285 - Yeah.
286 - You bled and you cried.
287 - I bled. I didn't cry.
288 - Yeah, you did.
289 - You bled and you cried.
290 - And you laughed, man, a lot,
291 - while I was bleeding.
292 - Do you see my point? Yeah. It's funny when friends get hurt.
293 - Close enough.
294 - Sorry. Stop talking like a chick.
295 - Oh, oh.
296 - God, you're both idiots!
297 - Eric?
298 - Your father and I have noticed
299 - that you've been acting very strange lately.
300 - Like a hippie.
301 - Is there something you want to tell us?
302 - Are you on dope? Are you?
303 - Because... Because we can help get you clean.
304 - There's counseling, hospitalization...
305 - My foot kicking your ass.
306 - Mom, Dad, I'm not on drugs.
307 - Oh, what a relief. You have no idea...
308 - Kitty, Kitty, he's lying.
309 - That's what the hopheads do.
310 - Mom, Dad, I swear, I'm not on drugs.
311 - Well then, what the hell's wrong with you?
312 - Well, I accidentally... I was upstairs, and I, I...
313 - Okay, you know what? I'm on drugs.
314 - Oh, for God's sake! He saw you guys doing it!
315 - There.
316 - I helped!
317 - Oh, honey.
318 - Were your father and I having intercourse?
319 - Mom!
320 - Well, no wonder you've been acting so weird.
321 - Red, say something. Make him feel better.
322 - Um...
323 - It's more fun than it looks.
324 - Red.
325 - What? What do you want me to say?
326 - Hey, you know what?
327 - Um, you guys do it,
328 - and, um, I'm okay with that.
329 - So...

330 - Thanks.
331 - I just hope you learned your lesson.
332 - Oh.
333 - Yes, sir, I did.
334 - Wait a second. What lesson?
335 - Always knock. Oh.
336 - Oh! Oh, even in the middle of the afternoon.
337 - Oh, my God!
338 - Damn, that was funny.
339 - Well, I don't... I don't know how funny it is.
340 - I mean, what if that had been you walking in on your parents?
341 - And your mother was a dancer.
342 - I imagine that would've been quite something.
343 - Quit it, Kitty.
344 - Oh. Hey, don't.
345 - Come on now. Stop that.
346 - Boy, Kelso's going to be so happy
347 - that I finished his graffiti.
348 - Oh, yes.
349 - I am very talented.
350 - Oh, no!
351 - I am hurt...
352 - And all alone...
353 - And it is giving me the finger!

1.22 Episode 22: Punk Chick

1 - What are you doing?
2 - Nothing.
3 - How's it going back there?
4 - Okay, Donna, just for that, I'm not taking your bra off.
5 - Well, you weren't taking it off anyway.
6 - Hello, House of Chicken?
7 - How big are your wings?
8 - Breasts.
9 - Oh.
10 - How big are your breasts?
11 - This is Fez, who is this?
12 - My first prank call.
13 - Every night with you is an adventure.
14 - Yeah, Fez, it's a real roller coaster, ain't it?
15 - Hyde, how come you do not have a girlfriend?
16 - Maybe if you did something with your hair.
17 - Hey, you, is there a motel in this pukehole?
18 - There's a Sleepy Time Lodge three pukeholes over.
19 - Thanks. I'm Chrissy.

20 - I'm Hyde. Who cares.
21 - You wanna hop on my Vespa and, uh, show me where it is?
22 - Mother of God, I think I love you.
23 - Love is an outdated concept,
24 - used by industrialists to keep women subservient.
25 - Mother of God, I do love you.
26 - Hanging out
27 - Down the street
28 - The same old thing
29 - We did last week
30 - Not a thing to do
31 - But talk to you
32 - Whoa, yeah
33 - Hello, Wisconsin!
34 - Damn.
35 - Damn.
36 - Damn.
37 - What happened?
38 - What happen... You just beat me 15-nothing.
39 - So what?
40 - I mean, hitting a ball with two paddles is so boring.
41 - I need a new challenge, something totally different.
42 - I need to hit the ball with...
43 - with smaller paddles.
44 - Where's Red keep his tools?
45 - Oh, no. Not Red's Pong.
46 - I don't think you should be going...
47 - The garage! Of course!
48 - Okay, you know, if you screw that up,
49 - he's gonna blame me.
50 - I know.
51 - Who'd have thought I'd meet a radical number like you
52 - in a slag heap town like this.
53 - I can't believe you're just passing through, man.
54 - You're dark, you're obnoxious...
55 - you're dangerously paranoid.
56 - Until tonight, I didn't even know a girl like you existed.
57 - Has it occurred to you that we're on a bed?
58 - Oh, man, this is so perfect.
59 - You're easy, too?
60 - Yeah.
61 - See, the establishment doesn't want us having sex
62 - - because they know it makes us feel good, right? - Yeah.
63 - So if we can feel good on our own,
64 - what do we need the establishment for?
65 - So, every time we have sex,

66 - it's a huge protest.
67 - You know what?
68 - I think I feel a huge protest coming on.
69 - Thank you so much
70 - for helping with my home ec project, Mrs. Forman.
71 - Well, you're welcome, honey.
72 - Now, Jackie, have you ever made a pie before?
73 - No, I don't really cook much.
74 - I just plan on getting by on my looks.
75 - Okay, then.
76 - Michael.
77 - Jackie.
78 - What are you doing here?
79 - I'm baking a pie.
80 - I'm making small paddles.
81 - Fine.
82 - Fine.
83 - So, Donna, what say you and I take a little drive tonight?
84 - I don't know.
85 - Do you think you can unlock the car?
86 - Hmm. Where should
87 - the three of us go on our drive?
88 - Actually, Fez, just, um, Donna and I are gonna...
89 - Oh, I see.
90 - So, you are going to ditch me.
91 - Just like Hyde.
92 - Every day, I am here with my heart on my sleeve...
93 - hoping only for friendship and acceptance.
94 - And what do I get?
95 - Abandonment.
96 - Loneliness.
97 - When is it Fez's turn?
98 - Where is my whore?
99 - Damn you, Hyde.
100 - Did you go horseback riding without me?
101 - No.
102 - I just met the most amazing woman. Chrissy.
103 - And she just ditched her entire life
104 - to start over in New York, man.
105 - Wait! Wait, wait, wait, wait.
106 - Why is she... Why is she going to New York?
107 - She's going to start a punk band.
108 - A punk band.
109 - Cool. What is punk anyways?
110 - Punk is the nihilistic outcry
111 - against the corporate rock and roll takeover.

112 - It's the soundtrack to the revolution, man.
113 - I thought you said Blue Oyster Cult
114 - was the soundtrack to the revolution.
115 - Look, the point is, is that...
116 - she asked me to go with her.
117 - Whoa, whoa. Why would you want to go to New York?
118 - Well, it's a big city, man,
119 - the bars are open until 4:00,
120 - that's where all the music's happening.
121 - Hey...
122 - If I can make it there...
123 - You can't make it there.
124 - But if I can make it there...
125 - But, you won't make it there.
126 - Would you just listen?
127 - If I can make it there...
128 - Damn it, Forman, now I lost my train of thought!
129 - Kelso! You have 10 seconds to tell me what you're doing.
130 - I can explain... Nine seconds!
131 - See... Okay... Eight!
132 - ...but the counting... Three.
133 - What?
134 - No! There's no way that was five seconds.
135 - It is now. Three!
136 - I just wanted... Two.
137 - Smaller paddles. Time!
138 - Don't hurt me!
139 - Smaller paddles?
140 - Is it broken?
141 - Okay, I'm too good at Pong.
142 - It's a curse.
143 - I know what you mean. It's boring.
144 - I haven't played this thing in over a month.
145 - Right, right. Exactly. Okay, now stay with me here.
146 - That's why I took it apart.
147 - See, smaller paddles equal bigger fun.
148 - You may have something there.
149 - We'll give it a try.
150 - Seeing as you already opened it.
151 - Great. And hey...
152 - if we can't put it back together, you owe me 118.
153 - *Idon'thave*118.
154 - Well, then I'll have to kill you.
155 - Okay. Okay.
156 - Jackie, all right, honey. Let's, let's just review.
157 - What do you think went wrong with this pie?

158 - Too many eggs? No.
159 - The pan was too small?
160 - Not even close.
161 - Is it because Michael doesn't love me anymore?
162 - Almost.
163 - It's because you were talking
164 - on the phone about Michael
165 - instead of watching the pie, like you
166 - promised me you would this time.
167 - Again.
168 - You liar.
169 - I don't know, Hyde. I mean, here,
170 - you're the cool guy.
171 - But do you know how many cool guys live in New York?
172 - There's like...
173 - Lou Reed, man!
174 - Do you want to mess with that?
175 - Why do you want to leave Point Place?
176 - It is fun.
177 - Yeah, it is fun, man...
178 - and I'm gonna miss the hell out of you guys.
179 - But Chrissy's cool.
180 - And it's the Big Apple, man.
181 - Do you think Lou Reed's in the phone book?
182 - Because I bet he'd really like me.
183 - Lou Reed.
184 - Where are you going?
185 - Who's Chrissy?
186 - It's not bad here, man. We got the TV and...
187 - peanut butter. And I got this thing.
188 - Well, the ball part rolled under the dryer.
189 - Hyde, you cannot leave.
190 - You gave me my first beer, remember?
191 - And then I threw up on that cop.
192 - That was a good time, man.
193 - Wait a minute, back up.
194 - Nobody tells me anything.
195 - What's the ball doing under the dryer?
196 - So, Hyde's like... Hyde's like really leaving.
197 - Yeah.
198 - It's like...
199 - time's just passing us by.
200 - You know, you've got to like...
201 - seize the day.
202 - You are so right. Yeah.
203 - Okay, what's so funny?

204 - Nothing. Nothing.
205 - Uh... No, tell me.
206 - I know you're going for the bra.
207 - How... How did you know?
208 - It's just, every time you go for my bra, your lips stop moving.
209 - So, um...
210 - you're really not having any fun?
211 - No, I'm having a good time.
212 - I would just like a little attention while you're
213 - struggling with my underwear.
214 - I'm here too.
215 - It doesn't always have to be about the twins.
216 - The twins?
217 - Is that what you call them?
218 - That is so very hot.
219 - Okay. Yeah...
220 - Take me home.
221 - Jackie...
222 - just take the money and buy a pie.
223 - Mrs. Forman, if I buy a pie, that's cheating and I'll fail.
224 - Trust me. If you bake it, you'll fail, too.
225 - What's this about Hyde moving to New York?
226 - No, no. He's only 17.
227 - His mother would never let him do that.
228 - Actually, Michael told me that Hyde's mom drinks a lot.
229 - She probably won't even care.
230 - You know, drunk people are like that.
231 - Okay...
232 - let's make another pie.
233 - I will make the filling...
234 - and I will make the crust.
235 - What will I make?
236 - You will go into the living room
237 - and make me a drink.
238 - He can't just drop out of high school.
239 - And New York City is no place for a 17-year-old kid.
240 - It's Sodom and Gomorrah with a subway.
241 - We'll have to have a talk with him.
242 - His mom sure as hell won't do it.
243 - And somebody's got to beat some sense
244 - into that idiot.
245 - Oh, Red, you do care.
246 - Are you ready to rock and roll?
247 - We don't think that you should go.
248 - New York is a dangerous place.
249 - A young man today needs a high school diploma.

250 - In New York, you get mugged for no good reason.
251 - Do you have any idea what the job market is like?
252 - The people are rude.
253 - And you have feelings.
254 - Without that sheepskin, you are nothing.
255 - And not the kind of nothing that you are now.
256 - An even lower, more pathetic nothing.
257 - They spit. That's right, they spit!
258 - What are you gonna put on your resume?
259 - "Dumbass"?
260 - I'm not afraid of anything, and I'm going.
261 - Well, that didn't go that great.
262 - Way to go, Kitty.
263 - Hey, don't touch!
264 - I'm about to take off the doohickey.
265 - Red! Don't you think we should disconnect the
266 - transistor from the secondary circuit board first?
267 - Well... Sure.
268 - And then, we'll, uh... work on the, uh...
269 - doohickey.
270 - Bitching.
271 - It is too my suitcase!
272 - Nothing in this house is yours!
273 - Shut up!
274 - So, your mom's taking it pretty hard, huh?
275 - Oh, I haven't told her yet.
276 - So, Hyde, you're, like...
277 - really going through with this?
278 - Yeah, man.
279 - I mean, you know. I know people spit on you there
280 - and the rats are as big as your head or whatever.
281 - But this might be my only chance to escape, Forman.
282 - Hey, you can't leave now.
283 - We're finally getting old enough to do some
284 - serious damage to this town.
285 - Remember we were gonna paint that pot leaf
286 - on the water tower?
287 - Vandalism, while tempting...
288 - is not enough reason for me to stay.
289 - Plus, you can do that without me.
290 - But we won't do that without you.
291 - Hyde, you're the reason we do so many
292 - stupid, senseless things.
293 - Yeah, that is true.
294 - Hyde, I've never told this to another human being...
295 - but I...

296 - I...
297 - Cannot get Donna's bra off.
298 - - Hooks or snaps? - Both. She keeps throwing me changeups.
299 - All right, here's what you do, okay?
300 - You buy a bra and you practice on it at home...
301 - then you give it to Donna as a gift.
302 - See! That's brilliant.
303 - You're like an evil genius, man!
304 - Where's your bag?
305 - You're not going.
306 - No.
307 - But I'd like to mount another protest
308 - if you have the time.
309 - This is my, um... My friend's number in New York.
310 - Don't call me.
311 - Yeah, I won't.
312 - Hey, Chrissy...
313 - do you mind if I steal the towels?
314 - Sorry. I already got them.
315 - Well, Kelso. Good luck.
316 - Yeah, she's been a great ride, man.
317 - It worked!
318 - Smaller paddles!
319 - Congratulations, son.
320 - You have seen the future.
321 - Yeah, yeah. You're so right, Red.
322 - Home computers. That is the future.
323 - No, no, no. Not computers. Soldering.
324 - The future is soldering.
325 - Computers.
326 - Well, what do you know, we're parked again.
327 - Right, but this time I just want to talk.
328 - Donna, I'm really sorry
329 - if I did anything to make you feel uncomfortable.
330 - Oh, thanks.
331 - I guess part of that's my fault.
332 - But I think I know something that will make you feel better.
333 - Okay.
334 - Well... You know, I've been having a rough time lately
335 - because now that we're boyfriend and girlfriend
336 - and now that you know I'm on the pill
337 - it's like you're always pawing at me.
338 - And I wanna fool around, but then I think
339 - if you get to second base, then you'll have
340 - a pretty good view of home and if that happens,
341 - who knows what will happen to you and me?

342 - Just look at what happened to Jackie and Kelso
 343 - and sex changes everything and that really, really sucks.
 344 - Okay.
 345 - Um, so, what part of that was supposed to make me feel better?
 346 - I'm not wearing a bra.
 347 - You are the best girlfriend ever.
 348 - You surprised to see me?
 349 - No, I knew you'd stay.
 350 - Yeah, we've been friends way too long.
 351 - No, Chrissy just drove by with some guy on the back of her bike.
 352 - Poor kid.
 353 - She's grieving.

1.23 Episode 23: Grandma's Dead

1 - Oh, um, here, Bernice,
 2 - I, I made you a plate of leftovers.
 3 - Oh, thank you. Oh, that reminds me, Red,
 4 - my garbage disposal is still broken.
 5 - Well, just as long as you enjoy it.
 6 - Listen, I've got an idea. Let's eat out next Sunday.
 7 - That way everybody can get something they like.
 8 - Okay, Grandma, time to get you home.
 9 - Eric, you gotta warm that car up
 10 - for at least 10 minutes.
 11 - Oh. He's a good boy.
 12 - It's just a shame he doesn't have a better home life.
 13 - Uh, you know, Kitty, when I was raising children,
 14 - the right way...
 15 - - That's warm enough, Eric. - But you just said...
 16 - Show me tail lights.
 17 - Let's roll, grandma.
 18 - Turn off that beatnik music.
 19 - Watch the road.
 20 - You don't like it when I come to visit.
 21 - Yes, I do. I really do.
 22 - You're a filthy liar.
 23 - You didn't learn to lie from my Red.
 24 - That came from your mother.
 25 - Well, you see, Grandma,
 26 - that's the problem right there, okay?
 27 - Every time you come to my house,
 28 - you spend the whole day criticizing my mom.
 29 - Well, I tell it like it is.
 30 - Okay, Grandma, then here's how it is.
 31 - You're very nasty.

32 - And I... I don't see why you have to be so hateful.
33 - I don't think being nice for a whole day would kill you.
34 - Grandma?
35 - Grandma?
36 - Oh... Oh, God.
37 - Hey. What's going on?
38 - Just shooting some hoops.
39 - Oh, I'll get it.
40 - Eric, what's your grandma doing sleeping in the car?
41 - She's not, uh...
42 - She's not sleeping. She's dead.
43 - No, really. She's dead.
44 - Wh... What?
45 - What... What are you talking about, she's dead?
46 - I, uh, was driving her home
47 - and then I yelled at her and then she died.
48 - She died? I mean, what did Red say?
49 - Oh, I'm not telling Red.
50 - Um, Eric, I don't mean to criticize, but are you insane?
51 - You need to do something.
52 - Eric, I just gotta get my eight-track out of the car.
53 - Kelso!
54 - Grandma Forman, can you just
55 - move your leg a little bit, there?
56 - Kelso, she's dead.
57 - Oh, my God!
58 - Oh, my God!
59 - Eric, you're in shock.
60 - You have to go inside and tell Red, right now.
61 - Wait, um... will you do it?
62 - Please, right now.
63 - Oh...
64 - I forgot the Tupperware.
65 - Oh. She sent back the leftovers.
66 - This is so typical of your grandmother.
67 - Why do I even put up with her?
68 - Mom, I think you might be coming down
69 - a little hard on Grandma this time.
70 - Well, you know what? She is just an evil, evil horrible little woman.
71 - What did she say about me this time?
72 - Not much.
73 - So, did you get your Grandma home, okay?
74 - Well, um... You know, the strangest thing happened.
75 - Okay, now here's the part where I get lost.
76 - How did she hit the sidewalk?
77 - Well, I opened the door for her...

78 - And what the hell was going through your head when you did that?
79 - Oh, just yell at him, Red.
80 - I'm sure that his grandmother dying
81 - hasn't upset him enough.
82 - Eric, take your mother in the house. She's hysterical.
83 - Yes, sir. And, um...
84 - I have to tell you, sir, when we were driving...
85 - I said to Grandma... I said...
86 - Eric, this is no time to get upset.
87 - Well, when is the right time?
88 - I'll handle this, Eric, you just take your mother in the house.
89 - Mom.
90 - Well, this... this is a terrible loss.
91 - Mom, didn't you just say that she was evil?
92 - I never said any such thing.
93 - Okay.
94 - Oh, Sweetie, I am so glad you're here.
95 - Yeah, I had a final this week.
96 - Oh, I'm so sorry, honey.
97 - Oh, no, this couldn't have come at a better time.
98 - I was really unprepared.
99 - But I miss Grandma.
100 - I know, honey. We all do.
101 - Mom, what is with all this food?
102 - Well, you know, busy hands are happy hands.
103 - Oh, say, would you like
104 - a cup of chili with your waffles?
105 - Oh, I don't know. Sure.
106 - So, how did your brother take the news?
107 - Oh, you know Marty. He was talking about his feelings
108 - and then he started bawling, so I hung up on him.
109 - I'm not paying long distance rates
110 - to listen to that crap.
111 - Uncle Marty is so in touch with his feelings.
112 - It's like he's completely self-actualized.
113 - He's a dumb ass.
114 - Now, Red, honey,
115 - I, I don't think that you're really mad at Marty.
116 - I think you are just going through
117 - one of the five stages of dealing with death.
118 - What are you talking about?
119 - There are five stages.
120 - Denial, anger, bargaining, depression, acceptance.
121 - Kitty, I've got two stages.
122 - Anger and drinking.
123 - Eric, I don't care what you said to your grandmother,

124 - you did not kill her.
 125 - I did, Donna. I killed her.
 126 - She was old and the shock of her grandson
 127 - telling her that she was nasty killed her.
 128 - Have you talked to Red about this?
 129 - I'm not talking to my dad about this.
 130 - Do you remember how angry he got when I
 131 - didn't rake the yard? And this is, like,
 132 - twice as bad.
 133 - Well... I don't really want to talk about this anymore.
 134 - Eric, you need to talk about this.
 135 - Donna, we don't talk about things in the Forman family.
 136 - It's not like your house, where every time
 137 - you have a "feeling", your dad
 138 - gives you a big hug and a gold star.
 139 - - I'm just trying to help you here. - Well, I don't...
 140 - Talking isn't gonna help me, okay?
 141 - What's gonna help me is, like, drinking.
 142 - Well, now you're just being stupid.
 143 - Hey, Forman, let's go get wasted.
 144 - Oh. Great.
 145 - See? Hyde's a real friend.
 146 - He's gonna help me get through my grandma's death.
 147 - Your grandma's dead?
 148 - Oh, man, um...
 149 - let's go get wasted.
 150 - Wow. Yeah...
 151 - As fellow human beings, not brothers...
 152 - human beings, how do you feel?
 153 - What the hell is wrong with you?
 154 - I got away from this family. I'm not afraid of my feelings.
 155 - Well, I am.
 156 - Okay, now, who would like a Monte Cristo?
 157 - Oh, Kitty, groovy sandwiches.
 158 - No red meat, right?
 159 - Oh, no. Just ham.
 160 - You know, Marty, we really should
 161 - talk about Ma's funeral.
 162 - Oh. Don't worry. It's on me.
 163 - It's not a round of beers. We'll split the cost.
 164 - Sweet Red.
 165 - So generous.
 166 - Even when you're low on funds.
 167 - I just want what's best for Mom.
 168 - Yeah, Marty, that's... that's what we all want.
 169 - It's just that when I feel bad...

170 - I don't cry like a little girl.
171 - Waitress!
172 - Waitress!
173 - Forman, relax, okay?
174 - Hi.
175 - Uh, we're gonna need a pitcher and
176 - four glasses, please.
177 - I'm gonna need to see some ID.
178 - Of course. I have mine right here
179 - but the rest of the fellas left theirs
180 - back at the military base.
181 - Yeah.
182 - Gotcha.
183 - Uh, so, you're in the military.
184 - What base are you from?
185 - It's a secret military base.
186 - I'm Charlotte, and this is my sister, Charlene.
187 - Hi, I'm... Ted.
188 - Sgt. Shaft.
189 - You can call me Honcho.
190 - I am Eric Forman.
191 - Oh, uh, Sally, put that on our tab.
192 - And bring everybody a round of shots.
193 - What is going on?
194 - They're picking us up.
195 - Ay, no!
196 - No, it's a good thing.
197 - Oh, okay.
198 - Excuse me, fellas, but we need to
199 - talk to the ladies.
200 - Yeah, well, these ladies are with us, okay?
201 - Well, they came here with us, okay? Great.
202 - Get lost. They are trying to pick us up.
203 - I think you've had quite enough firewater there, chief.
204 - Hey, you mess with Eric Forman and you mess with me.
205 - Are you looking for trouble?
206 - Oh, yes.
207 - Oh, I'm looking for trouble.
208 - Anybody else? Eh?
209 - Well, there's three of us, so yeah.
210 - So, where were we?
211 - Oh, yes. You were picking me up.
212 - Well, now, where is Eric?
213 - It's 2:00 a.m. I'm worried sick.
214 - Eric is acting out.
215 - He doesn't have the emotional tools

216 - to deal with this tragedy.
217 - You're an emotional tool, Marty.
218 - Now, who would like lemon bundt cake?
219 - Where the hell have you been?
220 - Um, I went to a bar.
221 - Eric, have you been drinking?
222 - No. I've been fighting.
223 - Oh, my Lord.
224 - Eric, it's okay.
225 - Just let the feelings out.
226 - Put them back in there, Eric.
227 - You know, when a father and son...
228 - Marty, you are this close to a headlock.
229 - Goodnight.
230 - Eric, just because
231 - there has been a tragedy in the family
232 - it's no reason to act crazy.
233 - My son getting in a bar fight
234 - like... like, some kind of bar-fighter.
235 - Kitty, stop cooking...
236 - and go to bed.
237 - Okay, all right.
238 - When the timer goes off...
239 - one of you better take that roast out of the oven
240 - or there will be hell to pay.
241 - Sit down, Eric.
242 - Don't drink that, put it on your eye.
243 - Come on, I'm kidding.
244 - So... this is beer.
245 - And as much as we all miss Bernice
246 - we must remember that she is now in a far better place.
247 - You don't have to die to get to a better place, man.
248 - Just drive 50 miles in any direction.
249 - Shut up, Hyde.
250 - Are you okay?
251 - I don't know, Michael.
252 - It's just that death is so unexpected.
253 - And we are such fragile beings,
254 - never knowing when the flame of our lives
255 - will be blown out by the wind of death.
256 - What?
257 - I am so turned on, aren't you?
258 - Okay. Car? Let's go.
259 - Coat room. Better.
260 - Um...
261 - I know we had our differences.

262 - Uh, I married Red
263 - and, and you hated me.
264 - Um, well, uh, just try to be nicer to God.
265 - Life is so complicated.
266 - You get old and die.
267 - Thank God I'm still young and hot.
268 - Man, I can't believe
269 - they're just gonna throw that ring away.
270 - Ah! No. I can't.
271 - Oh, my God, there is a body in here.
272 - Well, Ma...
273 - Oh, for God's sake.
274 - Oh, sorry, those should be closed.
275 - Hey. Oh, God,
276 - you got a black eye.
277 - It looks pretty hot.
278 - Well, you should see the other guy.
279 - Did you really lay him out?
280 - No, I mean, he was huge.
281 - I mean, you should just... you should have seen him.
282 - The fact that I even took the punch
283 - is a testament to how tough I really am.
284 - Ow. Ooh, sorry.
285 - No...
286 - Look, Donna, I'm sorry...
287 - about the other night. I was acting crazy and, um...
288 - And I'm completely over it now.
289 - I mean, you just... you can't dwell on these things.
290 - So you had a heart-to-heart with Red?
291 - Hell, no.
292 - So you're still just suppressing everything.
293 - - Sure beats dealing with it now, right? - Yeah.
294 - Hug?
295 - I'm really sorry your mom died.
296 - It's, like, sad and stuff.
297 - Hey.
298 - Pretty great funeral, huh?
299 - Red, I'm sorry about your mom, man.
300 - And I'm sorry Kelso's an idiot.
301 - Mr. Red, always remember...
302 - a mother's goodness is carried down forever by her sons.
303 - Have you met my sister, Marty?
304 - Hey, what's all this stuff?
305 - Cameras.
306 - My dad was an amateur photographer.
307 - Had his own darkroom.

308 - Really?
309 - Hey, Forman, you have any naked
310 - pictures of your grandma?
311 - No!
312 - You do now.
313 - Hey! My old train set.
314 - Your train set?
315 - That was our train set.
316 - Well, really, it should have been mine.
317 - You never played with it, right?
318 - Red...
319 - do you want to keep the trains?
320 - If you don't want them.
321 - It's not about me.
322 - It's about what you want.
323 - Make an honest declaration of your needs.
324 - Would you cut the crap?
325 - Just say to me, "Marty, I want the trains."
326 - Marty...
327 - I'd be glad to hang on to them for you.
328 - Are you asking me for them?
329 - No!
330 - Fine. Then I'll keep them.
331 - Fine. Go ahead and keep them. I don't want the damn things.
332 - Kitty, you go in there
333 - and tell that bastard to give me my trains.
334 - Red, it's your problem.
335 - I gotta make a pie.
336 - Oh, well, now see.
337 - Marty left you the trains.
338 - Yeah, he did.
339 - And he even set it up right.
340 - - See, the stations are all spread out. - Uh-huh.
341 - Five stops, five times the fun.
342 - But if he thinks he's playing with them when he visits
343 - he's got another think coming.
344 - Now, Red, you have to share with your brother.
345 - I don't wanna.
346 - Okay.
347 - I am gonna go make a coffee cake.
348 - Hey, Dad, nice trains.
349 - Yeah.
350 - You know, I can't believe...
351 - that your grandma held on to them all these years.
352 - I thought she'd thrown them away.
353 - Yeah, she was a good egg, Grandma.

354 - Yes, she was.
355 - You know, when I was a little boy,
356 - I hated peaches and Mom knew that.
357 - So, uh, whenever she made a peach pie...
358 - she'd make a little blueberry pie.
359 - Special, just for me.
360 - You know, she was the first one to call me Red.
361 - And the last time I saw her...
362 - I didn't...
363 - I didn't say, I love you...
364 - I didn't even say good bye.
365 - I said, "Show me the tail lights."
366 - Dad, um...
367 - the last thing I said to her was,
368 - "It wouldn't kill you to be nice."
369 - But I think it did, because she died.
370 - That could only happen to you, son.
371 - It's okay.
372 - I know.
373 - What's the matter, Kitty?
374 - I'm all out of eggs...
375 - and flour.
376 - Come here.
377 - Eric, come here.
378 - Hey, do you think these diamonds are real?
379 - Oh. Family moment. I'll leave you three alone.
380 - I'm just gonna wait over here.
381 - I'm really sorry that our last conversation didn't go so smooth.
382 - But, um, look, that is not how I feel about you at all.
383 - Then why did you
384 - kill me, Eric?
385 - I'll never forgive you.
386 - What the hell are you doing out here?
387 - Freezing my nads off for a joke, man.

1.24 Episode 24: Hyde Moves In

1 - Guys, can we do something besides cruise?
2 - It's the third time tonight we've driven by that house.
3 - You know what we could do?
4 - We could go skinny-dipping...
5 - Naked!
6 - That's the way God intended.
7 - No way!
8 - Why not? It'd be fun.
9 - Well, sure, it's fun for you guys,

10 - 'cause you get to look at us, and that's a treat.
11 - But we just get to look at you, and that's nasty.
12 - So, you don't wanna do it?
13 - I don't care. I'll do it.
14 - Mmm.
15 - Okay, I'm in.
16 - Naked is dirty.
17 - Dirty, dirty, dirty
18 - Dirty, dirty, dirty
19 - Dirty, dirty, dirty
20 - Dirty, dirty, dirty dirty, dirty, dirty
21 - Oh, this was such a great idea, Michael.
22 - This was so much fun.
23 - Oh, wait.
24 - Except for the part where our clothes got stolen, you idiot.
25 - By the way, Fez, nice tattoo, man.
26 - Thank you.
27 - It is the blessed virgin of Yorba Linda.
28 - Did you want to see her dance?
29 - No!
30 - Look, guys, we need a plan.
31 - I'm about to drive up to the house
32 - with a car full of naked people.
33 - They hate you guys when you're dressed.
34 - We can go to my house.
35 - Yeah, your mom is used to having naked guys around.
36 - She's not even home, you moron.
37 - Ow, ow, ow.
38 - Put on the Top 40.
39 - Whoa! Sit down, Fez.
40 - I see London. I see besticle.
41 - Well, what do you want me to do about it?
42 - Tuck it in.
43 - Hangin' out
44 - Down the street
45 - The same old thing
46 - We did last week
47 - Not a thing to do
48 - But talk to you
49 - Whoa, yeah
50 - Hello, Wisconsin!
51 - Pork chops?
52 - I thought we agreed to stick to a budget.
53 - Pork chops aren't cheap.
54 - Well, you know, on the way to the market,
55 - I tried to run over a cat.

56 - But they are just so darn speedy.
57 - Kitty...
58 - The plant's gonna be closing soon.
59 - I mean, we have to watch our money.
60 - Well, maybe I could put you on the sugar diet.
61 - That'd save money.
62 - Sugar diet?
63 - Sweet, huh?
64 - See, that's perfect.
65 - Give me another spoonful.
66 - Tasty and cheap.
67 - Now, when I say cheap...
68 - I mean, you know. Not...
69 - Shut up.
70 - So this is your home?
71 - Yep.
72 - Oh, this explains a lot of your behavior.
73 - Come on, man. This place is great.
74 - It's better than Forman's basement.
75 - That's a color TV, and I just got new vice grips.
76 - Now we can watch any channel we want.
77 - Hyde, your mom really just ran off with some trucker?
78 - No, Forman, I made it up
79 - because it sounds so classy.
80 - Why would she just run off with some trucker?
81 - It's springtime.
82 - Love is in the air, man.
83 - Right. And she just left you here alone?
84 - I realize this is hard for you
85 - to get your head around, Opie,
86 - but you're failing to see the upside here.
87 - We've got food, we've got beer,
88 - we have zero adult supervision.
89 - Welcome to Camp Naughty-Bad-Fun.
90 - Jackie, you couldn't find anything?
91 - No offense, Hyde,
92 - but all your mother's clothes are whorey.
93 - What?
94 - Oh, but they look great on you, Donna.
95 - Thanks, Jackie.
96 - Michael, can you please take me home?
97 - Look, I think I caught something at the reservoir.
98 - Like an eel?
99 - Not that, you idiot.
100 - I think I'm sick.
101 - Oh, I caught an eel.

102 - But, Midge, why do you have to have
103 - your Woman Warrior meetings here every week?
104 - Because none of the other feminists' husbands
105 - will let them.
106 - Boy, those bastards.
107 - I know!
108 - Bob, these meetings have really opened my eyes.
109 - For example, the English language
110 - is so oppressive to women.
111 - I mean, why is it mailman and not mailwoman?
112 - Why do they even call the mail mail?
113 - Why not call it femail?
114 - Yes. You see, Bob, now you're thinking.
115 - No, I'm not. I'm just being funny
116 - because it's stupid.
117 - Okay.
118 - Then that's why you're part of the problem.
119 - My wife is a maniac.
120 - Oh, I'm sorry. A wo-maniac.
121 - Oh, oh, I'm sorry.
122 - I didn't know anyone else was in here.
123 - You must be Midge's husband.
124 - I guess.
125 - She's a real gung-ho woman warrior.
126 - You must be very proud.
127 - I guess.
128 - Well, call me old-fashioned,
129 - but when I see you sitting there eating a sandwich,
130 - it makes me darn tootin' mad.
131 - I mean, I think a married man
132 - who provides for his family
133 - deserves to come home to a hot meal.
134 - You're neat.
135 - Eric, I thought I told you to wash up for dinner.
136 - I know, it's difficult to hear
137 - with your head up your ass.
138 - Get a move on.
139 - Oh, Red...
140 - You need to relax.
141 - Anger is bad for the soul.
142 - It's Fez, right? Yes.
143 - Get out. Okay.
144 - Come on. Wash up.
145 - Hey, Dad, um...
146 - Can I talk to you for a second?
147 - Um...

148 - Do you think that Hyde could stay for dinner?
149 - Eric, again?
150 - I can't afford to feed your friends.
151 - I can't even afford to feed you,
152 - but the law requires me to.
153 - Look, his mom's out of town.
154 - All right.
155 - But you have to fill up on bread.
156 - And the two of you are splitting a pork chop.
157 - Thanks, man.
158 - Ah, no problem.
159 - So, you do know you're not getting any of that pork chop, right?
160 - Is that so?
161 - Michael, go away. I'm sick.
162 - I don't have any makeup on.
163 - My hair's a mess. And I look hideous.
164 - Jackie, come on, I don't care what you look like.
165 - I just want to see you.
166 - Why?
167 - Well, 'cause you're my girlfriend.
168 - And I got you a present.
169 - Oh.
170 - Michael, that is so sweet.
171 - Oh, it's the sweetest thing ever.
172 - Let me hold it.
173 - Oh.
174 - Thank you,
175 - Lover.
176 - Mom, Mom, Mom?
177 - Yeah, I couldn't help but notice that you're not home yet.
178 - Oh, is that right?
179 - Okay, great. Yeah.
180 - No, no, no, you know.
181 - Whatever makes you happy.
182 - Hey, Forman. Hi.
183 - Come on in. Make yourself at home.
184 - I'm out of beer,
185 - but if you want, you can break something.
186 - Actually, I had my eye on the phone, so...
187 - Hey, what's that?
188 - Its crackers with ketchup on top for, uh...
189 - You know, for zest.
190 - Okay. Well, I'm just gonna guess
191 - that Edna's not coming back.
192 - No, man. She's just been delayed a little bit.
193 - Oh, okay.

194 - Oh, okay. Didn't there used to be a TV there?
195 - Yeah. I pawned it.
196 - You pawned your mom's TV?
197 - Hyde, she's not coming back.
198 - Okay, she's not coming back. All right?
199 - So, what are... What are you gonna do?
200 - Sell the house.
201 - You rent.
202 - I guess I'm in more trouble than I thought.
203 - No, Hyde...
204 - No, Hyde, I'm serious here!
205 - You need help, my friend.
206 - You would need help.
207 - I'll be fine.
208 - Cool, I brought you this sandwich.
209 - Fine. I'll take your sandwich.
210 - After this, no more help.
211 - Hyde's mom is gone, and he is going downhill.
212 - I mean, he's sitting over there in the dark
213 - eating ketchup off crackers.
214 - I ate gum off a parking meter once.
215 - But it was on a dare.
216 - I made a dollar.
217 - Man, there's some suckers out there.
218 - Huh?
219 - Crackers and ketchup are "K" words,
220 - which makes them naturally funny.
221 - Oh, my God,
222 - I can feel, like, all the molecules in my body.
223 - I'm gonna count them.
224 - One, two, three...
225 - You guys disgust me.
226 - Doesn't anyone care about Hyde?
227 - Oh, my God. Run, Scooby. Now. Run.
228 - You know what's freaking me out?
229 - I saw Jackie sick, without makeup.
230 - It was like the freakiest thing I've ever seen
231 - in my entire, entire life,
232 - including the class trip to the sausage factory.
233 - Ugh, if I never see the inside of another cow,
234 - it will be too soon.
235 - Jerky?
236 - 18, 19...
237 - I have the biggest hands in the world!
238 - Damn it. One, two...
239 - So his mom's gone, and I know he doesn't want any help.

240 - But the Donner party didn't get any help,
 241 - and then, I mean, they ate each other, so...
 242 - Hey, don't bogart that jerky.
 243 - Yeah, no parents would be cool.
 244 - Like the Lord of the Flies.
 245 - Kelso, did you ever finish Lord of the Flies?
 246 - No.
 247 - So?
 248 - Nothing.
 249 - Look, what are we gonna do about Hyde?
 250 - I think we should tell someone.
 251 - What am I gonna do about Jackie?
 252 - I can't even look at her.
 253 - She's unpleasant when she's healthy,
 254 - so I can only imagine how she looks like that.
 255 - Hey, Kelso, Jackie's...
 256 - Jackie's my friend,
 257 - and you're shallow, and pathetic.
 258 - And you know what else?
 259 - My hands are huge!
 260 - They're like boxing gloves.
 261 - I am the greatest.
 262 - Okay, champ, whatever you...
 263 - Oh, hello, Bob.
 264 - Sharon?
 265 - Baloney?
 266 - Bob, what are you doing?
 267 - Nothing. We were just talking.
 268 - These Jordan almonds are for the feminists.
 269 - Oh, yeah. Sorry.
 270 - Come on, Sharon. I saved you a seat on the Ottoman.
 271 - Oh, I mean otto-woman!
 272 - I'm sick of baloney.
 273 - I want a new sandwich.
 274 - Oh, Eric, I'm sure she's not abandoning Steven.
 275 - She's his mother.
 276 - Mom, her exact words were,
 277 - "I know I'm your mother,
 278 - "but I'm abandoning you, Steven."
 279 - Well, that doesn't sound very good.
 280 - No, siree. Red?
 281 - Look, Eric,
 282 - you know I'd love to help Steven.
 283 - I'm a giver...
 284 - But you can't squeeze blood from a stone, son.
 285 - Well, you know, we could...

286 - We could just pop over there just to check up on him.
287 - No, I'm not going over there. That's final.
288 - I am not Santa Claus.
289 - Well, thank God you're not Santa Claus, Red.
290 - You scare the hell out of children.
291 - Go away, Michael.
292 - Jackie, please?
293 - I really need to talk to you.
294 - I want to apologize
295 - for screaming when I looked at you the other day.
296 - It's just...
297 - You looked really gross.
298 - But I've been doing a lot of thinking.
299 - And... And I realized something.
300 - I realized that just because you look bad now,
301 - that doesn't mean you're gonna look bad forever.
302 - I mean, I just saw your mom downstairs,
303 - and even though she's pretty old, she's really hot!
304 - And that gives me hope for the future.
305 - Oh, Michael.
306 - Let me finish.
307 - I guess what I'm trying to say is...
308 - That I realize that this whole mess,
309 - that's just a temporary thing.
310 - But physical beauty, that lasts forever.
311 - Oh, that is so true.
312 - Ooh. Later, baby.
313 - Later.
314 - Right.
315 - Right.
316 - And I tell 'em I could sell 'em the cheaper one,
317 - but it'll wind up costing 'em more in the long run.
318 - Which is a mathematical impossibility,
319 - but, uh, they buy it anyway.
320 - I just love a man who's passionate about his work.
321 - Oh, come here.
322 - You've got a little something right there.
323 - Oh, Donna. This is Sharon.
324 - She's part of your mom's feminist group.
325 - She hates men, too.
326 - Well, I should be getting back to the meeting.
327 - Why you all dressed up?
328 - I'm not dressed up. This is California casual.
329 - There's nothing going on here.
330 - Everything is fine between your mother and me.
331 - Okay.

332 - Look, Donna, can't a man have a conversation
333 - with an attentive woman without getting the third degree?
334 - Sure, Dad.
335 - All right.
336 - Apology accepted.
337 - Now be a good girl and sneak in there
338 - and get Daddy some of those Jordan almonds.
339 - Well, no, Dad. Those are for the feminists.
340 - Oh, God, they got to her, too.
341 - You, um...
342 - You need a coffee table.
343 - Yeah, that'd really pull the room together.
344 - Steven, I was... I was gonna clean your kitchen for you,
345 - but, um, frankly...
346 - I'm afraid.
347 - Well, looks like he's got everything under control.
348 - Kitty, I'll be in the car.
349 - Red.
350 - Steven, why don't you go to your room and gather some clothes,
351 - and I'll do a load of wash for you at our house.
352 - Cool.
353 - Well, we can't let him live like this.
354 - Kitty, he'll be fine.
355 - I mean, compared to Korea,
356 - this place is Shangri-La wrapped in happy fun candy.
357 - You know I'd like to help him.
358 - We don't have the money.
359 - Well, I suppose we could call social services.
360 - Yeah. See, now, that's sensible.
361 - Yeah, they'll know what to do. Yes.
362 - After all, they take thousands of cases every year.
363 - So many, in fact, that they have to house them in gymnasiums...
364 - Kitty.
365 - With no heat.
366 - Damn it.
367 - I am tired of being Santa Claus.
368 - Steven, you get your together
369 - and you get your ass in the damn car.
370 - We're going.
371 - Now, damn it!
372 - Okay.
373 - You are just the sweetest man alive.
374 - You know, Red really yelled at me, Forman.
375 - Yeah. Um, get used to that.
376 - This blows, man.
377 - When I was living at home,

378 - I didn't have to answer to anybody.
379 - I made my own rules.
380 - You screwed me, Forman.
381 - I told you this is none of your business.
382 - Steven, Eric,
383 - here's your cocoa.
384 - Thanks, Mrs. Forman.
385 - Thanks, Mom.
386 - You're lucky I don't kick your ass.
387 - Are you gonna eat your cookies?
388 - Oh, that's it. I gotta get a tattoo.
389 - Please don't.
390 - That's incredible!
391 - But disgusting.
392 - That...
393 - That's incredible and disgusting.
394 - Do you wanna see her pick up a dime?
395 - No!
396 - - How about a quarter? - No!

1.25 Episode 25: The Good Son

1 - Wow. Thanks, Mrs. Forman.
2 - You know, we never had waffles at my house.
3 - My mom always said a waffle iron was a luxury.
4 - Like, um, pillow cases or not getting hit.
5 - Man, this is so cool.
6 - Well, you are welcome, Steven.
7 - See, Eric, I told you I was cool.
8 - Eric, did you tell your mother that she's not cool?
9 - - What? Well, I mean... - Stop telling your mother she's not cool.
10 - Fine. Mom, you're super fly.
11 - Thanks, honey.
12 - Steven, would you like
13 - maple syrup or blueberry syrup?
14 - You have syrup? Oh...
15 - Man, I love it here.
16 - And we love having you here, man.
17 - You're like the brother I never had.
18 - I mean, I have a sister, but I hate her.
19 - So, this is great.
20 - Eric, after breakfast I want you to rake the yard.
21 - Rake? But, Dad, I was gonna...
22 - I'll do it.
23 - Okay, Steven.
24 - Oh, my God...

25 - I love my new brother!
26 - Hanging out
27 - Down the street
28 - The same old thing
29 - We did last week
30 - Not a thing to do
31 - But talk to you
32 - Whoa, yeah
33 - Hello, Wisconsin!
34 - Hey, Kitty, look who's back in town.
35 - Oh, my God...
36 - Oh!
37 - Bull MacCrakin. I thought you were in Chicago.
38 - Nope. I came back to Point Place
39 - to steal you away from this old S-O-B.
40 - Hey, Bull, you still, uh... You with Wendy?
41 - Oh, no, no, no, I got married.
42 - Wendy was a couple dozen ladies ago.
43 - Well, now, boy, that is a lot of ladies.
44 - Hey...
45 - You remember when our destroyer got strafed...
46 - ...and you got four chunks
47 - of hot shrapnel right in the knee?
48 - Five. I still limp when it rains.
49 - Yeah... great times.
50 - The greatest.
51 - It is popping.
52 - Help me. It is popping in my mouth.
53 - Fez, they're Pop Rocks, okay?
54 - That's what they do. They pop.
55 - Hey, Jackie, you know what would be cool to do
56 - with these in your mouth?
57 - Oh, hey, Donna, look, everyone's here.
58 - And I thought we'd be all alone.
59 - Phew.
60 - Oh, I get it.
61 - They want to make out.
62 - Psst. For her pleasure.
63 - Well, if I cannot watch them make out,
64 - can I watch you two make out?
65 - Yeah, sure. Michael!
66 - Uh, I mean, no, Fez.
67 - I don't know about you but...
68 - McHale's Navy makes me feel extra sexy.
69 - Whatever.
70 - Hey, take it outside. I've got to do my

71 - homework here, Frenchie.
72 - Good one.
73 - Now get out.
74 - No, I'm serious, man. Your mom just found out I failed a test.
75 - Did she yell at you?
76 - No.
77 - But she said she was really disappointed.
78 - And then, before I knew what I was doing,
79 - I told her I'd try harder.
80 - No.
81 - Yeah.
82 - Oh, Okay. Now, here...
83 - I brought you a sandwich to help you study.
84 - Thanks, Mrs. Forman. Mmm-hmm.
85 - Eric, Steven is studying. Don't bother him.
86 - Why don't you and Donna go up to your bedroom?
87 - Okay.
88 - I mean, no, no. Bad idea.
89 - Just go outside to a, a well-lit supervised area
90 - and talk politely like decent young adults.
91 - Gee, whizz, that sounds super, Mom.
92 - Here's a crazy idea.
93 - Why don't you do the dishes, Bob?
94 - Why don't I do the dishes? I work all day.
95 - I meditate all day.
96 - Why don't you meditate over the sink and wash the dishes?
97 - Donna, will you tell your father he's a jackass?
98 - Donna, your mother was fine
99 - until she met those feminists
100 - and started thinking.
101 - Well, excuse me, Bob. But I'm not happy!
102 - Really? Really? Well, I'm ecstatic!
103 - You better watch out, Eric.
104 - 'Cause it's all fun when you're
105 - making out on the couch
106 - but then they get bigger and bitchier!
107 - Uh, no offense, honey.
108 - You're not gonna get bitchier, are you?
109 - Shut up.
110 - Oh, no.
111 - Well, Bull, I can't believe you finally
112 - settled down with a nice girl.
113 - Oh, well, he may have settled down all right,
114 - but I'm not that nice.
115 - You know, Red, I noticed in the paper
116 - that your plant's closing down.

117 - Yeah, you can't compete with those damn foreign cars.
118 - I tell you, if I'd seen this coming,
119 - I'd have shot a little straighter during the war.
120 - You know...
121 - I'm opening another hot tub store
122 - right here in Point Place.
123 - And, I'm telling you pal, you've always got a job with me if you want it.
124 - I don't know, though, Bull.
125 - You know, uh...
126 - this thing's pretty hot.
127 - That jet just hit me right in the keister.
128 - Yeah, believe it or not, some people like that.
129 - Wanna ease back on the hooch there, Kitty?
130 - You're getting a little loose.
131 - Oh, I am just... I'm just happy.
132 - It's like... It's like a bath.
133 - Only it's outside.
134 - It's fun!
135 - You got a real nice setup here.
136 - I sure do like that Corvette of yours.
137 - Oh, yeah, I baby that thing.
138 - You remember when we got back from Korea,
139 - we were both gonna buy them?
140 - Yeah.
141 - I never did get that Corvette. Got two kids instead.
142 - Kids. That's great.
143 - Yeah.
144 - I sure did want that Corvette.
145 - Okay, you're done cleaning the garage. Let's play some ball.
146 - Hang on, man. I gotta take out the trash.
147 - You know, Hyde, seeing you work hard
148 - and take pride in what you do...
149 - I lost a lot of respect for you, man.
150 - You used to be my hero.
151 - My lazy American hero.
152 - Don't listen to them, Hyde. I think it's great
153 - you're doing all my chores.
154 - Whoa, Eric, great job on the garage.
155 - Thanks.
156 - Hyde did it.
157 - Yeah, well, I should have known.
158 - It's actually clean.
159 - Nice going. Thanks, Red.
160 - What did you do?
161 - I...
162 - love you.

163 - Well, I love you, too.
164 - Dinner, kids.
165 - Okay, now, that was Bull on the phone
166 - and he has invited us to a party
167 - on Saturday night.
168 - Yeah?
169 - What's wrong?
170 - Well, it's just that...
171 - I look at what Bull has and I look at what I have and...
172 - I wonder if I made a few wrong turns, Kitty.
173 - Well, maybe you'll get a fresh start
174 - working for Bull.
175 - Yeah.
176 - - I mean, I fought for my country. - Mmm-hmm.
177 - I deserve a Corvette.
178 - Okay, here we all are. Mmm.
179 - So, honey, how did you do on your history paper?
180 - Oh, well... History not being...
181 - Oh, I'm sorry. I'm sorry.
182 - I was talking to Steven.
183 - Well, I must say, all that studying really paid off.
184 - Oh, yeah? What did you get a "D"?
185 - No.
186 - A "C" minus.
187 - Way to go.
188 - I got a "B."
189 - You couldn't get an "A"?
190 - Oh, honey, don't listen to your father.
191 - You did super.
192 - And, Steven, you did super-duper.
193 - Why does he get a "duper"?
194 - Because we expect more from you.
195 - Give me a break, Forman. I don't have a mommy.
196 - Don't sweat it, Eric.
197 - You can only be as smart as God made you.
198 - Or didn't.
199 - All right, Laurie, didn't you just flunk out of college?
200 - Hey, get bent, twerp. Wear a bra!
201 - Can we please not fight?
202 - "Can we please not fight?"
203 - Can you please not suck?
204 - Good one, Eric. Thank you.
205 - All right, everybody shut up.
206 - Now, we're gonna have a nice dinner.
207 - And Eric, you try to be more like Steven.
208 - Where's Hyde?

209 - Mom and Dad are giving him a bath.
210 - No, really.
211 - I don't know, who cares. Shut up.
212 - I'm watching TV. I hate you.
213 - You're just jealous, right? Because
214 - you're not number one anymore.
215 - Well, if I'm not number one, guess who's number three?
216 - So your parents have brought
217 - a new bundle of joy
218 - into your home.
219 - And you might feel like your parents don't love you anymore.
220 - But that's not true.
221 - They simply love you less.
222 - You see, your parents only have so much love to go around.
223 - Here's how your parents' love was distributed before the new arrival.
224 - And here it is after.
225 - But what can you do about it?
226 - Well, you could run away.
227 - Ho-ho! As if they'd come and look for you.
228 - Say, here's something you can do.
229 - Think of all the good times you've had with your family.
230 - Because they're all over now.
231 - Okay, here we go. Scotch rocks.
232 - Scotch rocks. And a mango margarita.
233 - He was in the National Guard.
234 - Oh.
235 - Oh, you know, I almost forgot.
236 - I'm gonna need your car keys.
237 - How drunk do you think I'm gonna get, huh?
238 - Hopefully, drunk enough.
239 - My wife's got my keys.
240 - You know, Bull, if you were serious, I'll take that job.
241 - You got it. It'll be just like old times.
242 - I mean, except for the killing.
243 - Midge, I need my keys.
244 - Sharon, hi.
245 - Honey, you remember Sharon.
246 - Uh, no.
247 - Sharon, is it?
248 - You are so funny. How do you keep your hands off him?
249 - I don't know. I just do.
250 - So my parents are, like, fighting all the time
251 - and they want me to choose sides.
252 - But I can't because they're both idiots.
253 - I don't know. I mean, I really think
254 - they're gonna get a divorce.

255 - My God, Donna, I am so sorry.
256 - But you know what? That very thing
257 - happened to a good friend of mine...
258 - and now she has twice as much stuff...
259 - and twice as much clothes.
260 - And her parents even fought over
261 - who got to buy her a car.
262 - I mean, you're right, Jackie.
263 - I mean, this divorce thing
264 - could actually work to my advantage.
265 - Exactly.
266 - Yeah, I just have to make it very clear
267 - that my love is contingent on how much they buy me.
268 - Why am I even talking to you about this?
269 - You have a great handle on it.
270 - Excuse me, um...
271 - Jackie, when exactly did you lose your soul?
272 - Um...
273 - Cheerleading camp.
274 - You almost done there, Hazel?
275 - See, that's funny 'cause Hazel is a maid.
276 - Or you could have called him Alice, too.
277 - Shut up, Fez.
278 - So, pretty tough with that scrubber in your hand, huh?
279 - Yeah, I know. Hyde,
280 - Red and Kitty aren't even here.
281 - I mean, you're kissing phantom butt.
282 - You know what, Forman?
283 - I used to think Red was a real hard-ass, but,
284 - after doing your chores for the last five days,
285 - I've come to the conclusion
286 - that you're just a lazy, spoiled brat.
287 - Ooh!
288 - Hazel never talked like that.
289 - Hey.
290 - Hey, that's not fair. You've been doing them for five days.
291 - Try 16 years, man.
292 - You know, I guess I'm just grateful.
293 - Well, stop it.
294 - You're making me look bad.
295 - Plus you've become, like, a total drag to hang out with.
296 - Hey, that ever happened to the psychotic troublemaker
297 - we all know and love?
298 - Look, put down the dishes
299 - and start doing something stupid and
300 - senseless right now.

301 - Forman, I'm a guest here.
302 - Then fine.
303 - I guess I will have to do something stupid.
304 - Hey, hey.
305 - I know something stupid we can do.
306 - You got a bowling ball?
307 - What?
308 - And they're arguing and arguing and arguing.
309 - Okay...
310 - no offense, Donna...
311 - but all this talk about your mom and dad fighting...
312 - well, it's boring me.
313 - Really? Well, talking about your hair was fascinating.
314 - Hold it by the thumbhole.
315 - Okay, what are those idiots doing?
316 - Something idiotic.
317 - Let's go find out.
318 - Don't be such a baby. We just want to see how high it'll bounce.
319 - Nothing bad can happen.
320 - Okay. Forman, man, think.
321 - You are listening to Kelso.
322 - Don't do it. Wait, wait, wait.
323 - Now you're telling me what to do?
324 - Enough talk. Do it.
325 - Oh...
326 - See, I never even thought of that.
327 - - Later. - Thank you.
328 - - See you. - Bye.
329 - Ah, maybe they won't notice.
330 - Okay, Kitty, it's your turn. Pick a key.
331 - Oh, my gosh, there are so many,
332 - I can't tell which ones are ours.
333 - Kitty, you don't pick your key
334 - because then you'd go home with your own husband.
335 - And who wants that?
336 - Oh, I, um...
337 - Me?
338 - But the whole point of a key party
339 - is to meet new and interesting people and have sex with them.
340 - Oh, my God.
341 - You're swingers.
342 - Red, honey, it's, it's time to leave.
343 - Now? I'm having a good time.
344 - Um, I left the iron on. And the stove.
345 - I, I... I left the iron on, on the stove
346 - which is also on. And that... It can't be safe.

347 - Kitty, what's wrong with you?
348 - Oh, Red, look whose keys I've got.
349 - Oh, dear Lord.
350 - You lucky bastard.
351 - Bite her earlobes, she loves that.
352 - What the hell are you talking about?
353 - Red, you do know that this is a
354 - wife-swapping party, right?
355 - What?
356 - Are you telling me you want to sleep with my wife?
357 - No.
358 - I'll take a run at any one of these ladies.
359 - What the hell's wrong with my wife?
360 - Nothing, Red, it's just done random
361 - so that it's fair. That's all.
362 - Jesus, Bull...
363 - I thought I knew you.
364 - You do. Red, I'm the same guy who's got shrapnel in my...
365 - No, no.
366 - Good night.
367 - Come on, Bob. They're swingers.
368 - Oh.
369 - Well, it took a really weird hop.
370 - Why would you drop a bowling ball on the couch?
371 - What good could come of it?
372 - - Well, Okay. Hindsight being... - Eric.
373 - I don't want to hear any more of your
374 - dumbass excuses.
375 - This is the most irresponsible,
376 - idiotic thing you have ever done.
377 - Actually, Red, I did it.
378 - You?
379 - No, no, no. Dad,
380 - Hyde's just covering for me. I did it.
381 - Hey, Forman, stop.
382 - Red, it was me.
383 - No. It was me.
384 - Well, guess what? I don't care!
385 - You're both idiots.
386 - And if you have to get a job digging ditches,
387 - you are gonna buy me a new TV.
388 - Now get out of my sight.
389 - Yes, sir. All right.
390 - Sir.
391 - I could've had a Corvette!
392 - Oh, Red.

393 - No, Kitty, damn it, I'm pissed.
 394 - I mean, Bull's a freako pervert
 395 - and he gets everything he wants.
 396 - I work hard, I raise a family, and what do I get?
 397 - A bowling ball in my TV.
 398 - You know what I've got?
 399 - Your keys.
 400 - I want a big TV.
 401 - A big one. This one's on sale.
 402 - That's last year's model.
 403 - And my TV's gonna be new.
 404 - What about that one?
 405 - No remote.
 406 - My TV's gotta have a remote.
 407 - Oh-ho-ho! Look at this. Twenty-six-inch screen.
 408 - I didn't even know they made them that big.
 409 - Dad, your old TV wasn't that big.
 410 - No. But my new TV's gonna be that big.

2 That '70s Season how Season 02

2.1 Episode 01: Garage Sale

1 - Okay, Michael, I want you to take me to the movies today.
 2 - I'm way ahead of you, Jackie. 2:00, Smokey and the Bandit.
 3 - No. No, no, no.
 4 - I told you. I don't want to see that again.
 5 - I don't like the South.
 6 - Do you want to see The Goodbye Girl?
 7 - Well, I would, but it has two basic flaws,
 8 - no smokey and no bandit.
 9 - Yeah, plus, isn't The Goodbye Girl,
 10 - like, a girl movie?
 11 - You moron. A girl movie is a make-out movie.
 12 - Well, then I'm in.
 13 - Me, too. I will come and watch.
 14 - Okay...
 15 - T-minus one hour till the garage sale.
 16 - Oh, I feel like an astronaut.
 17 - Oh, Red. Remember how bad
 18 - Eric wanted these roller skates?
 19 - Oh... The yo-yo.
 20 - Aw...
 21 - Your plastic vomit.
 22 - I fell for that.

23 - Yeah.
24 - You wasted a lot of my money, son.
25 - Me and my damn childhood.
26 - You know, Mrs. Forman, I feel real bad.
27 - I mean, you let me stay here and everything.
28 - I wish I had something to contribute to your garage sale.
29 - Oh, Steven, your loving smile is contribution enough.
30 - No, it's not.
31 - Run that upstairs.
32 - You heard him, Kelso. Move it.
33 - Hey, uh, Dad,
34 - Donna and I were gonna go see The Goodbye Girl.
35 - Yeah. Well, I'm sure it's a great movie, Eric...
36 - But you're gonna be helping with the garage sale.
37 - It's important.
38 - Oh, right. We're having a garage sale
39 - because you lost your job... I mean...
40 - Because of all the clutter.
41 - Everybody needs to work, Eric.
42 - The gravy train has made its last stop.
43 - Okay, there was a gravy train?
44 - Yup. And you missed it.
45 - Oh, Steven, I have a great idea.
46 - You could sell lemonade.
47 - Mrs. Forman, I've thrown a lot of rocks
48 - at kids with lemonade stands, and...
49 - Lord knows I hate a hypocrite.
50 - You could have a little bake sale.
51 - I pretty much beat up any kid selling anything.
52 - Steven, you could...
53 - You could just do a little table
54 - with some cookies and some brownies...
55 - I'm not much of...
56 - Brownies?
57 - I could make brownies.
58 - Because people love brownies!
59 - No, they don't.
60 - Oh, they love my brownies.
61 - Hangin' out
62 - Down the street
63 - The same old thing
64 - We did last week
65 - Not a thing to do
66 - But talk to you
67 - We're all all right
68 - We're all all right

69 - Hello, Wisconsin!
70 - Oh, Steven,
71 - you are such a joy to have around the house.
72 - I can't believe your mother abandoned you.
73 - I mean, went on such a long trip.
74 - Boy, I sure do like brownies.
75 - Hey, uh, you know what's got two thumbs
76 - and really likes brownies?
77 - This guy!
78 - Hyde! Oh, come on!
79 - I'm asking you not to make
80 - these brownies.
81 - I mean, my mom and dad are...
82 - Way too fat.
83 - Nice cover.
84 - You know what, Eric, you just leave him alone.
85 - This is Steven's contribution to our garage sale.
86 - And I happen to know
87 - that you put the special ingredient in these brownies.
88 - "Special ingredient"? - I told him not to!
89 - Yes.
90 - Love!
91 - Oh, yeah.
92 - There's a whole big bag of love in there.
93 - Mom,
94 - crazy Helen from across the street is switching price tags,
95 - and Dad says he's gonna kick her in the keister.
96 - Oh, no, he'll do it, too.
97 - Hi, Kelso.
98 - Oh, look! It's chocolate batter.
99 - I sure do wish I could finish
100 - all this chocolate batter on my finger,
101 - but I just can't.
102 - Oh!
103 - Guess I can. Bye.
104 - Man, I was so close!
105 - Hey, you...
106 - God, you can't make special brownies in my parents' kitchen.
107 - Oh, no.
108 - I already made them. If only you'd warned me sooner.
109 - Come on, man, I'm serious.
110 - Look, Forman, relax, man, okay?
111 - Yeah, I'm making special brownies,
112 - but I'm also making regular brownies
113 - for the "straight folks"
114 - or "Losers".

115 - Yeah. Someday I'm gonna own a restaurant,
116 - and everything's gonna be special.
117 - And then when people ask me, they say,
118 - "Hey, Kelso, what's the special?"
119 - I'm gonna say, "Everything."
120 - I can't believe you'd rather stay here
121 - than go see a movie with me.
122 - Oh, believe me, Donna, I'd love to go,
123 - but Red said I can't, and...
124 - Well, he can kick my ass.
125 - Eric, I can kick your ass.
126 - - Oh, yeah? - Mmm-hmm.
127 - - Let's go. Come on. Bring it on. - Let's go. Come on.
128 - Come on! You want a big piece of Eric Forman?
129 - Let's go!
130 - Man, what are you doing?
131 - I'm lonely.
132 - Okay.
133 - Daddy, I've rounded up some things
134 - to help the family out in these trying times.
135 - There. You see, Eric?
136 - Your sister's a team player.
137 - No. These are all my things.
138 - Grow up, Eric. They're G.I. Joes.
139 - Yeah.
140 - G.I. Joes with kung-fu grip!
141 - What a bitch...
142 - Aroony doony.
143 - Do you now or have you ever had any association
144 - with the Point Place Police Department?
145 - All right. Here's your brownie.
146 - You got about 30 minutes to get someplace safe.
147 - Kitty...
148 - I noticed you're selling
149 - the kissing dolphins Bob and I bought you.
150 - You know, what is that doing on this table?
151 - Red, I told you not to sell that.
152 - Give it to me. I'll just, I'll run it right back into the house.
153 - Oh. And, Red,
154 - you're also selling that pocket fisherman we gave you for Christmas.
155 - Don't you want to run that back into the house, too?
156 - No, Bob. That was a really dumb gift.
157 - Okay, so...
158 - The Goodbye Girl starts at 2:00, so I'd better go.
159 - Well, I guess this is goodbye. Girl.
160 - Fez, you're so funny!

161 - Well, hello, Jackie.
162 - Did you see that, Fez?
163 - Yes, you did.
164 - She may be taking my popcorn, but she knows
165 - there is more in my lap than that.
166 - She wants you, old boy.
167 - Now's your chance.
168 - Be smooth.
169 - Think Ricardo Montalban.
170 - Just turn...
171 - Lock eyes...
172 - Go!
173 - Wait, wait, Fez, what are you doing?
174 - - Oh, my God! - You're a dead man!
175 - Could I have avoided this? Let's review.
176 - First, Jackie said I was funny.
177 - Next, she ate popcorn from my groin.
178 - Then I sucked her face.
179 - Nope. It was meant to be.
180 - Ay!
181 - Forman, this doesn't make any sense.
182 - I'm out of brownies, but I should have more money.
183 - Hyde, that's dirty money. There's never enough.
184 - No, man. It's like I lost
185 - an entire tray of brownies.
186 - Wait, what kind of brownies did you lose, Hyde?
187 - Were they regular brownies?
188 - They were special brownies.
189 - Ah! Where was the last place you had them?
190 - In the oven.
191 - In my mother's oven?
192 - Oh, now, Steven, your brownies, they were a big hit.
193 - You know...
194 - I'm glad the plant is closing.
195 - It frees me up to do my own thing.
196 - You said, "Do my own thing!"
197 - Oh, Red. Your own thing.
198 - That's so hip!
199 - I love salt.
200 - I like that word, "Hip."
201 - It kinda pops, you know?
202 - Hip. Hip.
203 - Hip-puh!
204 - I can see my own mouth!
205 - You know what's beautiful?
206 - Fruitcake.

207 - All of the different-colored little fruits
 208 - living together in one cake.
 209 - I jumped out of a cake once.
 210 - I also like sweet,
 211 - but there's just something about salt.
 212 - Hip.
 213 - It starts to lose its meaning after a while, you know?
 214 - Hip.
 215 - It's not even a word.
 216 - Oh, my God, listen.
 217 - You can hear my heart.
 218 - Oh, my God! There it is again.
 219 - No. That's someone at the door.
 220 - Maybe it's the cops.
 221 - It's just someone for the garage sale.
 222 - Take whatever you want!
 223 - It won't fill the hole in your life!
 224 - I'll go see who it is.
 225 - You know...
 226 - For a terrible grouch,
 227 - Red is great in bed.
 228 - I'm sorry. What?
 229 - Hippity hoppity
 230 - Easter's on its way
 231 - Where'd you go, Red?
 232 - Well, I was hopping down the old bunny trail...
 233 - And this guy offered me 200
 234 - *for the Vista Cruiser.*
 235 - *So I sold it to him.*
 236 - *You sold Eric's car?*
 237 - *Oh, no.*
 238 - *Dad, you sold my car?*
 239 - *How could you?*
 240 - *Just what in the hell were you thinking?*
 241 - *I thought I was helping,*
 242 - *because you're always saying how you need money.*
 243 - *For gas!*
 244 - *For the car!*
 245 - *Don't yell at him.*
 246 - *To be honest, Red, we're a little disappointed.*
 247 - *I'm not gonna run any more errands for you, pal.*
 248 - *You should've checked with us first, Red.*
 249 - *You know how many times I rotated those tires?*
 250 - *You're not supposed to take things that aren't yours.*
 251 - *I had stuff in the back seat.*
 252 - *Now that's all just gone, mister.*

253 – *Forman, it's okay.*
 254 – *No, it's not okay!*
 255 – *Look, Red,*
 256 – *who did you sell the car to?*
 257 – *I sold it*
 258 – *to a guy named...*
 259 – *Peter.*
 260 – *Peter...*
 261 – *Cottontail.*
 262 – *Hopping down the bunny trail*
 263 – *Hippity hoppity*
 264 – *Easter's on its way*
 265 – *In a way, I don't blame Fez.*
 266 – *I'm very appealing.*
 267 – *I just can't believe he kissed you. That's...*
 268 – *Donna, I have to confess something.*
 269 – *It wasn't terrible.*
 270 – *How not terrible?*
 271 – *It was the best kiss of my life!*
 272 – *I mean, Fez is totally not an option*
 273 – *'cause he's foreign and everything, but...*
 274 – *Michael has never kissed me like that.*
 275 – *What was so good about it?*
 276 – *Do you know when Fez talks,*
 277 – *he sometimes rolls his R's?*
 278 – *Yeah.*
 279 – *Well, that's what he did in my mouth!*
 280 – *Really?*
 281 – *That actually sounds kind of cool.*
 282 – *I know!*
 283 – *I mean, don't get me wrong.*
 284 – *Eric's, you know, he's a great kisser and everything, but...*
 285 – *He's never, like, rolled anything.*
 286 – *Oh... I just love kissing.*
 287 – *Don't you, Donna?*
 288 – *I'm gonna go find Eric.*
 289 – *Eric, I was just talking to Jackie, and...*
 290 – *Donna, not now, okay?*
 291 – *See, Hyde?*
 292 – *I asked you not to make special brownies, but did you listen?*
 293 – *– Well... – Exactly. You didn't.*
 294 – *You were just so smart.*
 295 – *What were you thinking?*
 296 – *– I... – Yeah, that's it. Right. That's the problem.*
 297 – *You weren't thinking.*
 298 – *Now my folks are fried, and I got no car.*

299 – *Wait a minute. Brownies? Your mom and dad...*
 300 – *Donna... Keep it zipped. Okay?*
 301 – *Guess what, buddy.*
 302 – *There's a lesson in all this.*
 303 – *You know what that lesson is?*
 304 – *— The lesson is... — All right, why don't I just tell you what the lesson is?*
 305 – *You dance with Mary Jane, you get your toes stepped on,*
 306 – *that's right.*
 307 – *Consequences, my friend.*
 308 – *Yeah, consequences.*
 309 – *Now my car is gone, Red! Shighasakite.*
 310 – *Red! Shighasakite?*
 311 – *Okay, Miss Smart Mouth, shut it.*
 312 – *Okay? Be quiet.*
 313 – *I remembered who I sold the car to.*
 314 – *Who?*
 315 – *I don't know, but I remembered.*
 316 – *No, wait! Red! Red! Think!*
 317 – *Wait!*
 318 – *Maybe his name is on that check he gave me!*
 319 – *Yeah! Maybe it is.*
 320 – *Now what?*
 321 – *Your parents had the brownies, too.*
 322 – *Well, if it isn't Fez.*
 323 – *I'm Fez.*
 324 – *In my country,*
 325 – *we make out with our friends' girlfriends*
 326 – *because... Ladeeda.*
 327 – *Oh, Kelso, I am sorry.*
 328 – *Your girlfriend gives me action in the pants.*
 329 – *Oh, no, she doesn't.*
 330 – *Yes, she does.*
 331 – *She came up to me. She said I was funny.*
 332 – *Fez, sometimes*
 333 – *when a girl says that you're funny,*
 334 – *it just means that you're funny.*
 335 – *Well...*
 336 – *I am freaking hilarious.*
 337 – *Fez, Jackie is, like, my girlfriend, okay?*
 338 – *And we have this bond between us,*
 339 – *and nobody can come between that bond.*
 340 – *I thought you wanted to fool around with Eric's sister.*
 341 – *Well, yeah, her, but that's, like, that's sit.*
 342 – *And you made out with Pam Macy.*
 343 – *Okay, Fez, what's your point?*
 344 – *My point is...*

345 – *You are a whore.*
 346 – *Okay, then. Apology accepted.*
 347 – *You said that we were going for ice cream!*
 348 – *When we get the car back.*
 349 – *You know, you did tell him you were gonna get him ice cream.*
 350 – *After!*
 351 – *And you're not helping!*
 352 – *Hey, put that down!*
 353 – *Whoa!*
 354 – *That really shot out of there!*
 355 – *Sorry.*
 356 – *Wait! Wait! Listen.*
 357 – *I don't want to do this.*
 358 – *Well, you have to.*
 359 – *I'll wait in the car.*
 360 – *No, no, Red. You have to learn to take responsibility*
 361 – *for your own actions.*
 362 – *Well, that's stupid!*
 363 – *Yeah?*
 364 – *That's not the guy.*
 365 – *Did your dad buy a car this morning?*
 366 – *A station wagon? Yeah.*
 367 – *He bought that piece of crap for me.*
 368 – *"Piece of crap"?*
 369 – *That's a Vista Cruiser!*
 370 – *You could literally...*
 371 – *Cruise the Vista.*
 372 – *Daddy! Where are the keys to the piece of crap?*
 373 – *Boy, she's lovely.*
 374 – *Give me his check.*
 375 – *Right. And thanks again.*
 376 – *I, too, understand. Parents can be quite a...*
 377 – *What a bitcher on you doony!*
 378 – *So...*
 379 – *You got your car back, Forman.*
 380 – *Are we cool now?*
 381 – *Yeah.*
 382 – *Yeah, I think you learned your lesson.*
 383 – *Absolutely, man.*
 384 – *I learned that if I do something selfish,*
 385 – *ill – advised, and irresponsible,*
 386 – *I can get away with it.*
 387 – *I rule!*
 388 – *No! Big consequences!*
 389 – *I'll tell you, Donna, sometimes that guy just fills me with...*
 390 – *Wow!*

391 – *You rolled your tongue.*
 392 – *I know! Isn't it neat?*
 393 – *Well, like...*
 394 – *Uh, Dad, could you pass...*
 395 – *—No! — Okay.*
 396 – *You know what'd be great for dessert?*
 397 – *Hot dogs.*
 398 – *You read my mind.*
 399 – *—I'll boil the water. — Not time!*

2.2 Episode 02: Red's Last Day

1 - Yeah, even the radio works.
 2 - And all the doors...
 3 - They open!
 4 - And it's got brakes, too.
 5 - I mean, can you believe this?
 6 - I mean, my uncle, he just gave it to me.
 7 - He gave it to me, for free!
 8 - That is insane.
 9 - I would pay tens of dollars for this.
 10 - Or not.
 11 - Did he own a cat?
 12 - Yeah. I'm getting an air freshener. Yeah. Get a big one.
 13 - Guys, guys, this thing is like a bedroom on wheels.
 14 - No more, "Michael, the backseat's too small."
 15 - "Michael, you're on my hair."
 16 - "Michael, you're choking me."
 17 - That's over.
 18 - Wow, look at this piece of junk.
 19 - This is my van.
 20 - Yeah? Well, you know,
 21 - I had a Ford delivery van in high school.
 22 - Yeah, it's a lot of fun till somebody gets preg...
 23 - You got to be careful in this van, Kelso. You know what I mean?
 24 - What do you mean?
 25 - Sell the van, kid.
 26 - What's that supposed to mean?
 27 - Oh, I'm happy.
 28 - All right, you know what? Shouldn't you guys be meditating or something,
 29 - you know...
 30 - Hey, come here Forman.
 31 - I want you to feast your eyes on this very large
 32 - and flat cargo area.
 33 - Wow, you could haul plywood in this.
 34 - Right.

35 - Or Donna.
36 - Why would I want to haul... Oh, right! Okay.
37 - Nah, no. You know what? She wouldn't do it in a van.
38 - She wants it to be special.
39 - What are you guys talking about?
40 - Oh! Uh...
41 - Plywood.
42 - Good, good.
43 - 'Cause I'm not doing it in a van. Oh!
44 - Oh, you know what'll make it really special?
45 - Not talking to your friends about us doing it.
46 - Hangin' out
47 - Down the street
48 - The same old thing
49 - We did last week
50 - Not a thing to do
51 - But talk to you
52 - We're all all right We're all all right
53 - Hello, Wisconsin!
54 - Okay, Eric, it's your father's last day at work,
55 - but don't mention it. In fact, my advice to both you kids
56 - is just eat and get out.
57 - Mrs. Forman, I could hide in the basement.
58 - No, no, I am not gonna have you kids leave without your breakfast.
59 - You know what's fun? A bacon sandwich.
60 - Here. You can eat it in the car.
61 - Morning. Oh, great.
62 - Now your father's going to see three mouths he has to feed.
63 - Oh, you're wearing your University of Wisconsin sweatshirt.
64 - Mother, I went there.
65 - No, you flunked out of there.
66 - You know, you might as well just wear your University of
67 - I-wasted-my-father's-money sweatshirt.
68 - Take it off.
69 - Oh, come on. No.
70 - Leave it on.
71 - She lacks character, Mrs. Forman.
72 - Shut up! You are lucky to even live here.
73 - You're an orphan.
74 - She called me an orphan.
75 - Hey, he's not an orphan. His mom just abandoned him.
76 - Shut up, Forman!
77 - Okay, that's it. Everybody hide in the basement. Go!
78 - Morning.
79 - Amen. Everybody sit and eat.
80 - How are you? Great.

81 - So, um... What are you doing?
 82 - Reading.
 83 - Having some coffee.
 84 - Is the coffee good?
 85 - Okay.
 86 - Everybody knows that today is my last day at work.
 87 - Last day that the plant is open.
 88 - So...
 89 - I just want to tell you all
 90 - that everything is going to be great.
 91 - So...
 92 - Great.
 93 - Daddy, that is such good news.
 94 - Can I have 20?
 95 - *You get in the basement.*
 96 - *So, Jackie.*
 97 - *What do you think?*
 98 - *Oh, Michael, it's horrible.*
 99 - *What are you talking about?*
 100 - *You said it was cool on the phone, Michael.*
 101 - *But it's not. It's horrible.*
 102 - *I can't be seen in this. It's like...*
 103 - *Ugh! It's like having a sty.*
 104 - *Uh - oh, this van will not be rocking.*
 105 - *Oh, sure is something.*
 106 - *Twenty - three years of working here, and now it's all gone.*
 107 - *Of course, you're gonna find work. You're a supervisor.*
 108 - *Well... That's true. Excuse me.*
 109 - *Sad as hell, ain't it, Red? Gee, it's a real bad time for me to be getting laid off.*
 110 - *You know, my husband Bucky, his kissing graft didn't take.*
 111 - *Yeah, that's, uh, that's, uh, real, uh, sad, Amy.*
 112 - *Red, Dale, Amy. Hey, I'm stealing office supplies.*
 113 - *Red, you didn't want your stapler, did you?*
 114 - *No. Good, 'cause I already stole it.*
 115 - *Hey, Red, you know, uh,*
 116 - *we're really going to go over to Charlie's for one last drink.*
 117 - *Thought maybe you could pop in for one.*
 118 - *Oh, no, I...*
 119 - *I don't pop... Itold you he wouldn't come with us.*
 120 - *He hates us.*
 121 - *Well, I...*
 122 - *Yeah, baby.*
 123 - *Yup...*
 124 - *You and me are going places.*
 125 - *Having my baby*
 126 - *It's another way of saying how much I love you*

127 – *Having my baby*
 128 – *Yeah! Paul Anka.*
 129 – *Man, you kick some serious musical ass.*
 130 – *Thank you, Kelso.*
 131 – *Man, I knew once I got my van, I'd be having some*
 132 – *bitching Hollywood parties.*
 133 – *Right on, Kelso.*
 134 – *I love the van.*
 135 – *It's a real Lyle Waggoner place to be.*
 136 – *Yeah, yeah... With a ride like this,*
 137 – *you must get a butt – load of ladies.*
 138 – *Actually, Paul, I'm just with Jackie at the moment.*
 139 – *Just Jackie?*
 140 – *What are you, an idiot?*
 141 – *Well, Lyle, Paul...*
 142 – *I know that a fine machine like this would...*
 143 – *Well, snag me lots of pelt...*
 144 – *But I love Jackie...*
 145 – *And a real man can deny his man instincts.*
 146 – *Who you talking to? Oh!*
 147 – *Aah...*
 148 – *Oh.*
 149 – *Hello...*
 150 – *Laurie.*
 151 – *What are you doing here?*
 152 – *I'm bored. There's nothing on TV.*
 153 – *So, this is your new ride, huh?*
 154 – *It is.*
 155 – *It's really, uh, roomy.*
 156 – *Listen, Laurie, uh...*
 157 – *I don't think you should be in here.*
 158 – *I mean, I know we've made out*
 159 – *a couple of times. Uh – huh.*
 160 – *Twice. Okay.*
 161 – *Uh... But that's over.*
 162 – *Gosh, I sure do feel close to you, Kelso.*
 163 – *Listen, Laurie, I...*
 164 – *I don't think my girlfriend,*
 165 – *Jackie would like you sitting on me.*
 166 – *I think you like me sitting on you.*
 167 – *In fact, I know you do.*
 168 – *Okay... But that's not the point.*
 169 – *Shut up, Kelso. This is your lucky day.*
 170 – *Laurie, don't. Stop.*
 171 – *Hey... Those are my pants!*
 172 – *No!*

173 – *Yes.*
 174 – *Yes.*
 175 – *So, what' snew?*
 176 – *Kelso?*
 177 – *Oh, man! I mean, nothing.*
 178 – *So, Eric, isn't your sister hot?*
 179 – *No.*
 180 – *In fact, Kelso, I think you're the only loser here who thinks she is hot.*
 181 – *Not true.*
 182 – *I have pictured her naked hundred so many times.*
 183 – *Why, just this morning I was taking a shower...*
 184 – *Come on, Fez, man,*
 185 – *it is absolutely inappropriate and disrespectful*
 186 – *to talk about how hot somebody else's sister is.*
 187 – *No matter how bad you want to give it to her.*
 188 – *Right, Kelso?*
 189 – *Oh, man.*
 190 – *Oh, man. I...*
 191 – *What is it, boy? Is it trouble?*
 192 – *Is there something you want to tell us about Eric's sister?*
 193 – *I totally did it with her!*
 194 – *I'm sorry, man.*
 195 – *What?*
 196 – *I mean, she took advantage of me.*
 197 – *I'm violated.*
 198 – *You idiot, your thumbs are still up.*
 199 – *Acting' shard.*
 200 – *Hey, shut up, perv.*
 201 – *That's my sister. Come on!*
 202 – *I know.*
 203 – *It is forbidden, taboo, titillating.*
 204 – *Isn't it ironic that titillating has the word tit in it?*
 205 – *Oh, man, that reminds me.*
 206 – *No, shut up!*
 207 – *Look, I swear to God,*
 208 – *you say one more word about my sister,*
 209 – *and I'm gonna tell Jackie.*
 210 – *Man...*
 211 – *I forgot about Jackie.*
 212 – *Right, right. You forgot you have this huge,*
 213 – *bitchy anchor tied around your neck.*
 214 – *I mean, it could happen.*
 215 – *So, I guess the first time it actually really happened,*
 216 – *was when I was horseback riding.*
 217 – *Huh.*
 218 – *So, you know...*

219 – *I think this van could be pretty nice.*
 220 – *You know what, I'm glad he got it.*
 221 – *At least it's a step towards responsibility.*
 222 – *Maybe Michael's maturing.*
 223 – *Yeah, hang on to that dream, Jackie.*
 224 – *Donna, I'm serious.*
 225 – *I think he's growing up.*
 226 – *God, I'm so proud of him that,*
 227 – *if I weren't already sleeping with him, I'd sleep with him.*
 228 – *So... Have you and Eric done it yet?*
 229 – *Yeah, we did it, and I forgot to mention it.*
 230 – *Oh.*
 231 – *So what's the holdup?*
 232 – *Whatever.*
 233 – *It'll happen when it happens.*
 234 – *Yeah, I guess if I were Eric's girlfriend,*
 235 – *I wouldn't be in a hurry to do it either.*
 236 – *You know what? Maybe you should ask Kelso*
 237 – *if you could borrow his van some night.*
 238 – *Cool.*
 239 – *So, like, uh...*
 240 – *Which night?*
 241 – *I don't know. Some night.*
 242 – *Is that like a Wednesday?*
 243 – *Could be.*
 244 – *Could tonight be some night?*
 245 – *No.*
 246 – *Well...*
 247 – *I don't know. Maybe.*
 248 – *You sure? You sure?*
 249 – *Hey, where are the cushions?*
 250 – *Look at me.*
 251 – *I'm almost 50.*
 252 – *You're not over 50?*
 253 – *Oh, you gotta shut up. Shut up!*
 254 – *I only know how to do one thing.*
 255 – *I've been doing it my whole life.*
 256 – *It's not like another one of these plants*
 257 – *is gonna open up in this scaphole.*
 258 – *How am I gonna support my family?*
 259 – *Aw... To hell with it.*
 260 – *At least I got you guys...*
 261 – *And I love you guys.*
 262 – *Thank you for calling, Amy.*
 263 – *Yeah, bye.*
 264 – *Eric, you have to go pick your father up at Charlie's bar.*

265 – *Oh, ishedrunk?*
 266 – *No. He's not drunk. He's not feeling well.*
 267 – *Red's drunk.*
 268 – *He is not. He is just... He's not feeling well.*
 269 – *Come on, Fez. My dad's drunk.*
 270 – *He is not drunk. He is not feeling well!*
 271 – *Mmm!*
 272 – *Michael, these cushions are really nice.*
 273 – *Where'd you get them?*
 274 – *Uh... I found them.*
 275 – *You're nesting, Michael. That is so mature.*
 276 – *All right. Listen, Jackie, we have to talk.*
 277 – *This van is changing me.*
 278 – *I know, Michael, I know.*
 279 – *Great. 'Cause I want you to be on board*
 280 – *with what I'm gonna say.*
 281 – *Transportation is a big responsibility.*
 282 – *That is so true.*
 283 – *Yeah.*
 284 – *So, I'd like to see other people.*
 285 – *No.*
 286 – *What I meant to say is that you and I should see other people.*
 287 – *No.*
 288 – *Okay. What if just I see other people?*
 289 – *No.*
 290 – *Okay.*
 291 – *Hey. Hey, hey. The gang's all here.*
 292 – *How you doing, Fez?*
 293 – *Oh, my God, he knows my name.*
 294 – *Hey, are those sideburns?*
 295 – *Since eighth grade.*
 296 – *Hey, bring these guys a beer.*
 297 – *No, dad, I'm supposed to take you home.*
 298 – *Mom said so.*
 299 – *Normally, you do what your mother says.*
 300 – *Sometimes, you know...*
 301 – *You're a dumbass.*
 302 – *But mostly, you're a good kid.*
 303 – *Thank you, sir.*
 304 – *But this is my last day of work...*
 305 – *And I didn't get a party.*
 306 – *I didn't get a gold watch.*
 307 – *And I didn't get crap.*
 308 – *So...*
 309 – *Let's drink!*
 310 – *Hello?*

311 – *Hello, mother. ALL : Hello, mother!*
 312 – *This is your son, Eric.*
 313 – *I'm not feeling well.*
 314 – *I'll be right there.*
 315 – *Oh, Red.*
 316 – *I love you, Kitty.*
 317 – *Uh – huh.*
 318 – *Bartender, could I have two of fees, please?*
 319 – *And I'll have two more beers.*
 320 – *Red...*
 321 – *Okay, okay, I'll just have the one beer.*
 322 – *This isn't like you, Red.*
 323 – *What, I can't have a beer?*
 324 – *No, hanging around with people.*
 325 – *You hate people.*
 326 – *Yeah I do.*
 327 – *You know we're gonna get through this.*
 328 – *Yeah, I know.*
 329 – *Oh, heck, we've been through worse times than these.*
 330 – *Just for the fun of it, Kitty...*
 331 – *When was that?*
 332 – *Well, I don't know.*
 333 – *Are you worried? Nope.*
 334 – *Are you worried?*
 335 – *No.*
 336 – *Nah, I'm not worried, Kitty.*
 337 – *I'm too drunk to be worried.*
 338 – *Up against the wall, Redneck Mother*
 339 – *Whoo – hoo*
 340 – *Mother, who has raised her sons so well...*
 341 – *Okay, you know what? Let's turn that off.*
 342 – *Hey, I got Amy's phone number.*
 343 – *Good for you, Steven.*
 344 – *Well...*
 345 – *I hope she's still pretty tomorrow.*
 346 – *Okay, you know what? Let's just turn that Redneck Mother song back on.*
 347 – *He's 34 and drinking in a honky – tonk*
 348 – *Oh, play it for mama*
 349 – *Kicking hippies asses and raising hell*
 350 – *Hey.*
 351 – *God, where were you last night?*
 352 – *I went and had a few beers with the old man.*
 353 – *It was pretty special.*
 354 – *Oh, 'cause you know, I...*
 355 – *I came by.*
 356 – *You came by?*

357 – *Yeah.*
 358 – *I came by 'cause I was thinking...*
 359 – *Last night was thenight.*
 360 – *Last night? Mmm.*
 361 – *I will definitely be here tonight.*
 362 – *No, tonight doesn't feel right. Right.*
 363 – *Not the way last night felt. Oh, right.*
 364 – *Oh, my God.*
 365 – *I really do love Jackie,*
 366 – *and she says that we can't see other people.*
 367 – *So...*
 368 – *Oh, sweet Kelso.*
 369 – *You're a tool, and I will use you when I please.*
 370 – *Okay, baby?*
 371 – *Okay.*
 372 – *Hi, daddy. Hi, sweetie.*
 373 – *Oh, Kelso.*
 374 – *You watch your ass.*

2.3 Episode 03: The Velvet Rope

1 - Eric,
 2 - you've hardly touched your breakfast.
 3 - That's because I don't know what it is.
 4 - Well, it's just, it's eggs and hash and some...
 5 - Surprises.
 6 - Mom, why aren't you eating it?
 7 - Well, I just, I have never been a breakfast person.
 8 - Is this rabbit?
 9 - No.
 10 - Mom, if Daddy gets a job,
 11 - can we stop eating dog food?
 12 - Laurie, it is not dog food,
 13 - and God, I hope so.
 14 - So,
 15 - would you hire me?
 16 - I'd hire you, Daddy.
 17 - Especially if the position
 18 - was world's best father.
 19 - Aw, you make me sick.
 20 - Is it horse?
 21 - No, it is not horse.
 22 - Honey, now I know, I know you've been
 23 - just a little bit blue
 24 - since the plant closed, so...
 25 - I got you a present.

26 - Ta-da!
27 - You're Hired.
28 - "The essential guide for job hunting."
29 - Kitty...
30 - I don't need that.
31 - I've been working since I was 16.
32 - I fought in two wars.
33 - Hell, I killed people.
34 - I'm not saying that I didn't enjoy it.
35 - No, no, no, no. I just, you know,
36 - I just thought I'd give you a little edge.
37 - I don't need an edge.
38 - I'm Red Forman. I'm experienced, loyal, hard-working.
39 - That's the trifecta of employability.
40 - Well, thanks, sweetie.
41 - Good luck, honey.
42 - - Bye, Daddy. - Okay.
43 - I've got it. It's tongue.
44 - It's tongue.
45 - Hangin' out
46 - Down the street
47 - The same old thing
48 - We did last week
49 - Not a thing to do
50 - But talk to you
51 - We're all all right
52 - We're all all right
53 - Hello, Wisconsin!
54 - All right, it's official.
55 - My parents are freaks.
56 - Which one of you is my boyfriend again?
57 - Right. It's you.
58 - You're taking me out of this stinkin' town tonight.
59 - W-w-wait, Donna,
60 - don't you wanna know why Fez is in his undies?
61 - No.
62 - It is a really crazy story.
63 - Oh, oh, you know what?
64 - I'll tell you a crazy story.
65 - It all started, like, four minutes ago...
66 - Oh, good God. What are you guys doing now?
67 - Yoga. I'm trying to align
68 - your father's chakras.
69 - I didn't even know the damn things were out of whack.
70 - Why can't you guys be normal?
71 - Donna, your negativity is bruising our auras.

72 - Please leave.
73 - Gladly. Oh, and honey,
74 - we're also exploring tantric sex.
75 - So, if you hear any strange noises
76 - coming from Mommy and Daddy's bedroom... Ew!
77 - Why must you guys freak me out
78 - on a daily basis?
79 - I don't want to picture you naked,
80 - and I'm leaving now. Forever.
81 - Ouch. Okay, Donna,
82 - I think we need to take you out
83 - for some dirty bad fun.
84 - Thank you, Eric.
85 - Oh, you want dirty bad fun?
86 - Listen to this.
87 - I came here fully clothed.
88 - Oh! No, no, I know.
89 - There's this new club that opened in Chicago.
90 - It's supposed to be like, like,
91 - the hottest spot this side of Studio 54.
92 - My God, you guys, that's perfect.
93 - No, no, Michael, we can't go.
94 - My parents are gonna be out late tonight, and...
95 - We have to study.
96 - Study? Aw, what a gyp. I'm going to the club.
97 - No. No, no, Michael,
98 - you're coming over to my house tonight
99 - and we're gonna...
100 - "Study."
101 - Fine.
102 - I never get to do anything fun.
103 - God, you're dumb.
104 - I guess that's why I've gotta go study.
105 - Hi. Red Forman.
106 - Experienced, loyal, hard-working.
107 - Yeah.
108 - Hey! That's Red!
109 - It's all you guys from the, uh...
110 - From the plant, huh?
111 - So, we're all going after the same job.
112 - Well. That's, uh... That's terrific.
113 - Boy, I wish I had your confidence, Red.
114 - I got nothing.
115 - All I can think to do is tell this guy
116 - I'm experienced, loyal, and hard-working.
117 - Son of a bitch!

118 - So, I brought my books.
119 - Michael, we're not gonna study.
120 - We're not?
121 - No.
122 - My parents are gonna be gone for hours.
123 - Oh!
124 - So, what do you want to do?
125 - Oh, check it out. Bowie.
126 - Man, he's cool.
127 - Yeah. Androgynous guys are so manly.
128 - Michael?
129 - Do you know who would look totally, totally sexy,
130 - glammed up like Bowie?
131 - Who?
132 - You, Michael.
133 - You're crazy.
134 - No, I'm not glam.
135 - No, come on, Michael, you have such pretty eyes.
136 - Well, my lashes do go out, like, a mile.
137 - And with this,
138 - I can flip 'em up.
139 - No way! Yeah, yeah.
140 - Eric, you here?
141 - Yeah, I'm in the living room, baby.
142 - What are you staring at?
143 - You're really...
144 - Brick house.
145 - Thanks, you wanna... Shh.
146 - Let me just stare at you for a second.
147 - Can we just... Uh...
148 - Okay, I'm good.
149 - God, this is stupid.
150 - Shut up, Michael, I'm almost done.
151 - I can't believe I let you talk me into this.
152 - Okay. Here, take a look.
153 - Fine.
154 - Ok, yeah. My eyes are gorgeous.
155 - See? See, I told you.
156 - Michael, do you know what you need now?
157 - Some blush.
158 - Whoa, whoa, whoa, Jackie.
159 - All right, glam is one thing,
160 - but I think we're crossing over into weird.
161 - No, no, trust me, Michael. We're not.
162 - With cheekbones like that,
163 - blush is your best friend.

164 - Yeah, I do have bitchin' cheekbones.
 165 - Okay, let's blush.
 166 - People are so friendly around here.
 167 - Two women on the corner
 168 - just offered to have sex with me.
 169 - Yeah, for money, Fez.
 170 - I could not ask them for money.
 171 - Or could I?
 172 - Wow, guys, check out this crowd.
 173 - I know. This is gonna be so great.
 174 - Let's go see how long the wait is.
 175 - Excuse me, how long... You're in.
 176 - Oh, man. I'm so up for this.
 177 - Not you.
 178 - Well, that's fine. I'll just wait with you guys.
 179 - No, we're next. Go in.
 180 - Yeah? All right. I'll see you guys inside.
 181 - You know what?
 182 - This is probably just some kind of fire code thing.
 183 - Yeah, okay, wait. What's going on? We're next.
 184 - No, you're not.
 185 - What are you talking about?
 186 - Well, Archie...
 187 - I'm here to let the cool people in
 188 - and keep the geeks out.
 189 - Those poor, stupid geeks.
 190 - Oh, my God, we are geeks!
 191 - Hey...
 192 - Did slipping the bouncer a 10work?
 193 - *Yes, itdid, Hyde.*
 194 - *That'swhyI'minsidetheclub.*
 195 - *Thereyouare.*
 196 - *Thisplaceisawesome.Whyaren'tyouinside?*

210 – *—Okay. — Yeah, go.*
 211 – *Thatwasreallysmooth.*
 212 – *Smoothenoughtogetusin?*
 213 – *No.*
 214 – *Okay, that' sit. You must let me in.*
 215 – *Why?*
 216 – *Because I feel the hot rhythm of disco*
 217 – *burning in my loins.*
 218 – *Watch.*
 219 – *Okay. You're in.*
 220 – *Solong, losers.*
 221 – *So, you're saying that this stuff won't come off?*
 222 – *Like, even if I cry?*
 223 – *Man, that's great.*
 224 – *Oh, Michael, you are the best doll I have ever had.*
 225 – *You know what? I have the perfect gown for you.*
 226 – *All right, Jackie, slow down.*
 227 – *Okay, wearing lipstick is one thing,*
 228 – *but a gown? That's kind of fruity.*
 229 – *No, no, it's not, Michael.*
 230 – *Bowie wears dresses.*
 231 – *Joe Namath wears pantyhose.*
 232 – *Jackie. No.*
 233 – *I'll be right back.*
 234 – *Jackie, I said no.*
 235 – *All right. Nothing too girly, and I mean it!*
 236 – *Well, so much for your "He can't stop both of us" theory.*
 237 – *This bites, man.*
 238 – *He can't keep us out of there. I mean, what,*
 239 – *did we wake up in Russia this morning?*
 240 – *No. We did not, in fact,*
 241 – *wake up in Russia this morning.*
 242 – *I didn't think so.*
 243 – *Hey, let me tell you something, pal.*
 244 – *You're propping up a dying system, man.*
 245 – *You see, someday soon, people are gonna wake up,*
 246 – *and they're gonna realize that most of us don't fit into your*
 247 – *Hollywood, Madison Avenue, candy – coated ideal of what' school.*
 248 – *And when we do, we're gonna rise up,*
 249 – *we're gonna put you on trial,*
 250 – *then parade through the streets*
 251 – *with your head on a stick!*
 252 – *Righteous political outrage. You're in.*
 253 – *All right. I'll see you later, Forman.*
 254 – *Yeah, well,*
 255 – *when the revolution comes, man,*

 305 – *Speaking of work, Mom has to go grocery shopping.*
 306 – *"Can I have the key to the Cadillac?"*
 307 – *"Forget the Cadillac.*
 308 – *"Take the hovercraft."*
 309 – *Red... The hovercraft?*
 310 – *Hovercraft?*
 311 – *What? They promised us hovercrafts.*
 312 – *It's just another damn broken promise.*
 313 – *Okay, cream, two sugars.*
 314 – *Well, you just drink up,*
 315 – *and I'll just, I don't know, head inside.*
 316 – *Yeah. No.*
 317 – *Oh, come on. You suck.*
 318 – *Mr. Big shot bouncer.*
 319 – *Mr." I open and close the rope."*
 320 – *Mr. Boatman on the River Styx.*
 321 – *Just, God, I bet you've never been excluded*
 322 – *from anything in your whole life.*
 323 – *Hey, that's not fair.*
 324 – *I've been excluded from a lot of things.*
 325 – *Yeah? Like what?*
 326 – *Oh, no, okay.*
 327 – *Uh, when I was in kindergarten,*
 328 – *we used to play " Duck, duck, goose" ...*
 329 – *And nobody ever picked me to be the goose.*
 330 – *Oh, wow. That must have really hurt.*
 331 – *I didn't care.*
 332 – *You didn't care? Uh – huh.*
 333 – *So, you're just sitting there,*
 334 – *watching this kid go around the circle,*
 335 – *duck, duck, duck...*
 336 – *He'd get closer and closer.*
 337 – *Duck... You'd be shaking with anticipation.*
 338 – *Duck..." Maybe he'll pick me."*
 339 – *Duck..." Maybe I'll get to run and laugh*
 340 – *"with the joy of being a goose."*
 341 – *And then he'd come to you, place his hand*
 342 – *on your head and say " Duck." And you're telling me*
 343 – *you didn't care?*
 344 – *Okay, yeah, it hurts. Yes,*
 345 – *thank you. That's what I'm saying.*
 346 – *And now you...*
 347 – *Have made me...*

348 – *The duck!*
 349 – *Wow.*
 350 – *Oh, man. I didn't realize.*
 351 – *Dance, goose.*
 352 – *Dance.*
 353 – *Oh, God, Michael, in that dress,*
 354 – *you are way prettier than Bowie.*
 355 – *Hell, I'm prettier than you.*
 356 – *That's not funny, Michael.*
 357 – *Did you just hear a car pull up?*
 358 – *Relax, Jackie,*
 359 – *your parents aren't supposed to be home*
 360 – *for, like, like, another hour.*
 361 – *Spin me.*
 362 – *Hi, Daddy.*
 363 – *We're studying.*
 364 – *Daddy, no! Daddy, I love him!*
 365 – *Wow. What a night, right?*
 366 – *Oh, phew, exactly.*
 367 – *Donna, why are you with me?*
 368 – *Um, the bouncer wanted to know.*
 369 – *What did you tell him?*
 370 – *You know, I couldn't think of a reason.*
 371 – *Hmm.*
 372 – *You know, come to think of it, I can't either.*
 373 – *What I need to do is find a guy*
 374 – *who's, like, totally different from you.*
 375 – *Maybe big and dumb and, you know, not nice to me.*
 376 – *Oh, and no sense of humor,*
 377 – *so when I tell a joke, he doesn't get it.*
 378 – *I mean, that's a real turn on.*
 379 – *Okay, enough. No. No, no, no.*
 380 – *Seriously. Thank you.*
 381 – *I mean, if you hadn't have pointed this out to me,*
 382 – *I might have wasted years with you.*
 383 – *I mean, I almost had sex with you.*
 384 – *Whoa! Thank you.*
 385 – *Okay, I think the question has become*
 386 – *why am I with you?*
 387 – *Oh, right, okay.*
 388 – *I had a great time.*
 389 – *Goodnight.*
 390 – *Yeah.*
 391 – *Last night, I was with Jackie...*
 392 – *Tonight, I'll be with Laurie.*
 393 – *It's just the kind of life that a stud like me leads.*

394 – *What?*
395 – *Kelso, your mascara's running.*
396 – *Damn.*
397 – *She told me it was waterproof.*

2.4 Episode 04: Laurie and the Professor

1 - So, look at us.
2 - This is just like a Norman Rockwell painting.
3 - Mom is serving breakfast,
4 - Daddy's reading the newspaper,
5 - and brother Eric is trying to hide a big, purple, nasty hickey.
6 - What? Hickey, I don't have a hickey.
7 - You know, Eric, hickeys lead to dirty things.
8 - For God's sakes, don't let Donna suck your neck.
9 - She's a nice girl.
10 - I don't have a hickey. I was using a curling iron.
11 - Oh, well, will you just look at that.
12 - No! Mom!
13 - Red, remember that time...
14 - No, and neither do you.
15 - Okay.
16 - So, um, Laurie,
17 - what's on the agenda today? Agenda?
18 - A list of goals or actions
19 - one might feel good about achieving
20 - so as to... Eric, you tell her.
21 - Mom, come on, relax.
22 - I'm still getting used to being back home.
23 - Yeah, flunking out of college can be draining, phew!
24 - Eric!
25 - Oh, come on, that was so mild.
26 - Well, Laurie, all you do is sit around the house and watch television.
27 - You should come down to the hospital and volunteer.
28 - She's right, Laurie.
29 - Daddy!
30 - You know, I think Eric needs an agenda. Look at his neck.
31 - It's a birthmark. It's been there since birth.
32 - Good morning, class.
33 - Oh, good morning, orphan.
34 - Good morning.
35 - That's all you got?
36 - Whore.
37 - Mom, he called me a whore.
38 - Yeah. Steven, honey...
39 - You are too young for coffee. Have some juice.

40 - Mrs. Forman, I need coffee.
41 - Your son kept me up all night
42 - bragging about his hickey.
43 - Hangin' out
44 - Down the street
45 - The same old thing
46 - We did last week
47 - Not a thing to do
48 - But talk to you
49 - We're all all right
50 - We're all all right
51 - Hello, Wisconsin!
52 - Okay. Whatever you do, Eric,
53 - do not wear a turtleneck to school, okay?
54 - It's a dead giveaway.
55 - Yeah, I'd go for a decorative scarf.
56 - Thank you.
57 - Did you have to tell everyone about the hickey?
58 - Well, everyone can kind of see it, Vampira.
59 - Laurie had a field day at breakfast.
60 - Yeah, I hopped on that dog pile, too.
61 - You sure did, you dillhole.
62 - All right, Forman, yeah, that was sort of mean.
63 - Probably what I should have said is...
64 - "I'm sick of sharing a room with you
65 - "and all of your disgusting fluids and gases."
66 - Oh, and yours are just dreamy, Hyde.
67 - Excuse me, may I please have a hickey, please?
68 - No.
69 - Please? No!
70 - Jackie? No!
71 - Please? No!
72 - So, the two of you do things
73 - to please your man.
74 - Well, Fez is a man.
75 - Why do you not please him?
76 - Why?
77 - Jackie, just give him a hickey.
78 - Okay, I'm going home.
79 - Me, too.
80 - Gotta go shopping with my mom.
81 - Suddenly it's like really important
82 - that we be best friends.
83 - What happened? She's been reading.
84 - Reading. Damn it, when will they learn?
85 - Yeah, finally, I thought Jackie'd never leave.

86 - Okay, Kelso, what are you doing?
87 - Well, I need a sexy memento from Laurie.
88 - I'm gonna commemorate our forbidden love...
89 - With panties.
90 - Fine. Just take your panties and go home.
91 - Man, those are my mom's! Come on!
92 - Okay, Forman, look, man,
93 - I'm not telling you how to live your life,
94 - but if someone touched my mom's panties...
95 - Hyde, didn't everyone touch your mom's panties?
96 - Burn!
97 - Man, that was a burn.
98 - Okay, Forman, I have a solution
99 - to this whole "You being a pain in my ass,
100 - "we sharing a room" thing.
101 - You move out.
102 - Of my room? Yeah.
103 - Well, uh, that's just not gonna happen.
104 - Ok, fine, I'll move out, you big baby.
105 - Still friends?
106 - I need time to heal.
107 - Okay, these are Laurie's, right?
108 - Kelso, what exactly are you gonna do with those panties?
109 - Just look at 'em.
110 - Kelso, did you ever notice
111 - that Laurie and Eric have the same eyes?
112 - So, if you're doing it with Laurie,
113 - and she's perhaps wearing a hat,
114 - it's kind of like you're doing it with Eric, too.
115 - So, here we are... Together... Again.
116 - Yeah.
117 - I'm just loving the time we spend together, Donna.
118 - In my new book, Our Mothers, Ourselves,
119 - it says we're supposed to be friends.
120 - We should talk to each other and listen.
121 - Your stupid father never listens.
122 - Is there anything in your book about not insulting my father?
123 - Oh, I don't know, I only read the first chapter.
124 - Okay, no more talking about your father.
125 - So, how do you like the clogs I bought you?
126 - Oh, they're awesome.
127 - Oh, good, 'cause your father's an ass!
128 - Kelso took your underwear.
129 - Aw, that's like the third pair.
130 - Ew.
131 - Gimme the remote control.

132 - Gimme a reason why I shouldn't set you on fire.
 133 - All right, Laurie, take your best shot!
 134 - Oh, Red, we talked about this. Let him go.
 135 - Hello, Laurie.
 136 - I apologize for coming unannounced,
 137 - but I...
 138 - Mom, Daddy, this is Professor Stark.
 139 - He was my art history teacher.
 140 - Well, actually, I was your psychology teacher.
 141 - Well, whatever you taught her, she flunked it.
 142 - Eric.
 143 - So, you're from the, uh, University of Wisconsin?
 144 - Are you here to give me back my money?
 145 - Well, actually, I came here because of Laurie.
 146 - Oh, yes. He came to see
 147 - if the university would take me back.
 148 - Really? Oh, please, here, have a seat.
 149 - I'll make coffee and cake...
 150 - I'll make coffee cake. And coffee!
 151 - Oh, gosh, really, can you get her back
 152 - into the university and out of my house?
 153 - Well, I'm going to try my darndest.
 154 - Well, this is really good news.
 155 - This is the best news I've ever heard.
 156 - Yes it is. I want to get Laurie back in school.
 157 - Professor, question.
 158 - Uh, how lame, exactly, is your student body
 159 - if you're trying to get this dumb cow back in...
 160 - Eric! Don't be a smart mouth.
 161 - We've got company.
 162 - Yeah, yeah, go make coffee.
 163 - Don't scare him off. He's our only hope.
 164 - So, um, maybe you could stay for dinner?
 165 - Why, yes, thank you. That... That would be lovely.
 166 - Oh, and I believe, uh, these paint chips are yours.
 167 - Well, these are the color of our front door, aren't they?
 168 - Yeah. You had a paint chip hanging from your front door
 169 - so I... I started to peel it
 170 - and I guess I got a little overzealous.
 171 - Um, psychology, huh?
 172 - Yes, yes.
 173 - Human foibles fascinate me.
 174 - Hey, Dad.
 175 - Where have you two been?
 176 - Uh, Mom bought me these clogs. Aren't they great?
 177 - Oh, she bought you clogs.

178 - With my money.
179 - So, officially, I bought you clogs.
180 - No, Bob, I bought her the clogs.
181 - Get in the car, Donna. I'm gonna buy you something.
182 - Uh, actually, Dad, I've got homework and...
183 - Do you love your daddy?
184 - Yes. Let's go.
185 - Looks like you're going shopping with the big ass!
186 - I don't think so.
187 - Eric, I need you to go to the store
188 - and get me three pounds of ground beef, lean.
189 - Mom, look,
190 - before you go and blow 20 more cents a pound on ground beef,
191 - this guy is not gonna get Laurie back into college.
192 - She's stupid and evil.
193 - Mostly stupid.
194 - Eric, she's not stupid.
195 - She's just... She has... Special...
196 - Just go.
197 - Hyde!
198 - Oh, honey, just share the room with Eric.
199 - No, thank you. I'm fine.
200 - Oh...
201 - Busted.
202 - No way!
203 - Yep. Laurie and her professor,
204 - tonguing in the garage like hungry dogs.
205 - It was very disgusting.
206 - No, no, you see, because Laurie
207 - wouldn't just make out with some old guy.
208 - She wouldn't do that.
209 - No, it's true, man.
210 - I was in the upstairs closet trying out my cot,
211 - and I saw 'em.
212 - It was like live porno,
213 - but not good porno, 'cause he's, like, really, really old.
214 - It was like old bad porno.
215 - Michael, why do you care
216 - if Laurie kisses her professor?
217 - Yeah, Kelso, why do you care?
218 - Well... Because...
219 - You see, it's wrong for an old person
220 - to make out with an innocent young student.
221 - God, you're noble.
222 - Innocent?
223 - Okay, Eric, no offense,

224 - but your sister is as slutty as they come.
225 - Eric, are you gonna let her say that about your sister?
226 - Sure.
227 - Hey, Forman, did you realize
228 - that there's a room back here, man?
229 - And it barely stinks!
230 - Perfect. You can sit back there beneath your bare bulb
231 - writing angry letters to the government.
232 - Oh, don't think I won't.
233 - You see what's beautiful here, people?
234 - I finally have something on Laurie.
235 - I own her. Oh, yeah, she is so screwed.
236 - All right. Just be nice.
237 - Look. Did everyone see my hickey?
238 - Somebody loves me.
239 - Moron, you gave that to yourself.
240 - It's still wet.
241 - Oh, no, I did not.
242 - Somebody loves me.
243 - There is a lady love.
244 - There is!
245 - So, you like the shirt I bought you?
246 - It's very nice.
247 - I wasn't sure,
248 - because you didn't put it on in the store,
249 - like you did with the clogs.
250 - I knew it. You hate the shirt.
251 - Nice digs, huh?
252 - It's perfect.
253 - This is the room where we put all that crap
254 - we just can't throw away.
255 - Like you.
256 - Forman, is it just me or do your mom and dad like me
257 - a whole lot better than they like you?
258 - See, I kid, but you hurt.
259 - Boys, dinner!
260 - All right, man,
261 - you ready to make Laurie squeal like the family pig?
262 - Oh, yes.
263 - You're gonna punk out, aren't you?
264 - Well, it is my nature.
265 - Look, Forman, you've always been the runt of the litter.
266 - This is your chance to bite the big dog on the ass.
267 - So, my advice to you is...
268 - Bite the big dog on the ass.
269 - Okay, what if I let her off with a warning, you know?

270 - Just this one time.
 271 - Well, that would be the mature choice...
 272 - But not evil!
 273 - You gotta think evil, man!
 274 - Where would we be without the A-bomb?
 275 - Well, actually, the war was all but won when...
 276 - Shut up! Okay, now, let's... Let's review.
 277 - Daddy, Eric has dirty magazines under his bed.
 278 - Daddy, Eric snuck out last night.
 279 - Daddy, I saw Eric drinking all your beer.
 280 - Daddy, Eric made it hard for me to concentrate,
 281 - so I flunked out of college.
 282 - Daddy, Eric used all my hand lotion.
 283 - Okay, that bitch is dead.
 284 - So, um, this news about Laurie leaving
 285 - is just a little ray of sunshine.
 286 - Well, I just wish that more teachers
 287 - cared about their students like you do.
 288 - I think it all started going downhill
 289 - when you couldn't paddle the kids anymore.
 290 - Pansy-ass supreme court.
 291 - Shut up.
 292 - Hey, Forman,
 293 - he who hesitates is boned.
 294 - Laurie is one of the most gifted young women
 295 - in my class.
 296 - I've always enjoyed having her.
 297 - I own you.
 298 - Is there something wrong with the bread?
 299 - No. Why?
 300 - Oh, Laurie...
 301 - I know something
 302 - that you don't know
 303 - that I know, you know?
 304 - Yes, yes.
 305 - Tell us, Forman, so that we can all know.
 306 - You don't know anything.
 307 - And if you do know something,
 308 - I will make you sorry you were ever born.
 309 - Well, for your information,
 310 - I'm already sorry I was ever born.
 311 - Eric!
 312 - See?
 313 - So, what does she need to do to get back into school?
 314 - Well, she'll have to work with me,
 315 - make a commitment to school.

316 - She'll really have to buckle down.
317 - Well, what do you think, Laurie?
318 - Are you willing to give it a go?
319 - Oh, Mother, she's very willing.
320 - You know, Dad, I just saw the most interesting thing today,
321 - in the garage.
322 - Burst into flames, burst into flames!
323 - Burst into flames!
324 - It was just... It was so surprising.
325 - Oh, Eric, do tell.
326 - I saw Laurie...
327 - I'm in love with your daughter.
328 - Dad...
329 - Da... Hey! Come back here!
330 - Did you two have fun?
331 - A blast.
332 - Oh, Donna, that shirt your father bought you
333 - makes you look so fat.
334 - Yeah? Well, those clogs make you look like a duck.
335 - Okay, you know what?
336 - Both of you guys really need to shut up.
337 - I'm so sick of hearing you fight.
338 - Do you even know what you're fighting about?
339 - Uh... I know she started it!
340 - I only got mad because I knew you were gonna get mad.
341 - All right, okay, what... You know what? Whatever.
342 - Just no more fighting with each other through me. Got it?
343 - Although I would like you to continue buying me things.
344 - I mean, thank you.
345 - She likes the shirt better
346 - You're an ass, Bob!
347 - Ooh, good comeback, ooh!
348 - Ooh!
349 - Mr. Forman, I really want to get Laurie back in school.
350 - Oh, for God's sake, Laurie,
351 - the man's in love with you and you still couldn't pass?
352 - So?
353 - So I guess I disappointed you, Daddy.
354 - I'm really sorry.
355 - I just wish he wouldn't have
356 - taken advantage of me and my love for education.
357 - That is just so weak.
358 - Well,
359 - I guess you're not the first student
360 - to be taken advantage of by a teacher.
361 - Oh, wait. Where are you going with that, Dad?

362 - Just try not to be too hard on yourself.
 363 - No, no!
 364 - No!
 365 - And the really sad thing is
 366 - Eric saw him kiss me today,
 367 - and he didn't even try to stop him.
 368 - 'Cause she wanted it!
 369 - You knew about this and you didn't do anything?
 370 - She's your sister!
 371 - Yeah, Eric. Why?
 372 - I'll deal with you later, Eric.
 373 - Come on, Laurie. I'll make you a cup of coffee
 374 - and explain to you the nature of men.
 375 - Something I thought you already knew,
 376 - but apparently you don't.
 377 - Oh, Eric, I forgive you.
 378 - Well, this is unforgivable.
 379 - In fact, you suck!
 380 - I'll be in my room.
 381 - Oh, Mom. Oh, my god, Mom.
 382 - I had her in my sights.
 383 - I mean, she was right in the cross hairs.
 384 - Oh, honey...
 385 - You know I love you and your sister equally.
 386 - But if you ever get an opportunity again,
 387 - for God's sake, pull the trigger.
 388 - I'm gonna tell you something, Laurie.
 389 - If you slept with that professor,
 390 - it's over between you and me.
 391 - Kelso, I slept with him a thousand times.
 392 - Why must you hurt me?
 393 - Shut up.
 394 - Hey, hey! Get out!
 395 - Get out!
 396 - I hate you both.
 397 - Go home, Fez.

2.5 Episode 05: Halloween

1 - "A UNICEF contribution of 13 cents
 2 - "will feed a child for a month."
 3 - Man, living in Africa must be great.
 4 - Everything's so cheap.
 5 - If you ask me, man, UNICEF's a scam.
 6 - If we ask you, everything's a scam.
 7 - Everything is a scam.

8 - Oh, lighten up.
9 - Remember how much fun Halloween used to be?
10 - Making costumes, trick-or-treating.
11 - What is trick-or-treating?
12 - Well, you put on a costume, you go door-to-door
13 - and say, "Trick or treat," and people give you candy.
14 - Oh, you got to be kidding me.
15 - They just give you candy?
16 - The best part of Halloween is getting the crap scared out of you.
17 - One year I saw The Legend of Sleepy Hollow,
18 - I couldn't sleep for, like, a month.
19 - They give you candy?
20 - Just like that? No strings?
21 - Yes, Fez. Get over it.
22 - Hey, you guys, you know what?
23 - My church is doing a haunted house.
24 - I really don't think anyone's gonna be scared
25 - by a bunch of Episcopalians.
26 - Unless they have chainsaws.
27 - Let's go see The Texas Chainsaw Massacre.
28 - Michael, I told you,
29 - I don't like Texans.
30 - I know. We could go to Old Main.
31 - Our old grammar school?
32 - Yeah, sure, you know.
33 - A dark, burnt-out, boarded-up school.
34 - Very creepy.
35 - We could... You know, we could tell ghost stories.
36 - Free candy?
37 - Even if you're not from this country?
38 - Yes!
39 - Hey, why'd they burn down the school, anyway?
40 - Oh, they said it was arson.
41 - What? I was out of town that week.
42 - Hmm.
43 - How convenient.
44 - So you're telling me
45 - that if I showed up at someone's house
46 - and say, "Trick or treat,"
47 - they'll give me a free piece of candy?
48 - Yes!
49 - Oh, I don't believe you.
50 - Trick or treat.
51 - An apple?
52 - Where's my candy, you son of a bitch?
53 - Hangin' out

54 - Down the street
55 - The same old thing
56 - We did last week
57 - Not a thing to do
58 - But talk to you
59 - We're all all right
60 - We're all all right
61 - Hello, Wisconsin!
62 - Ahhh!
63 - Oh, she's very good.
64 - I like her. I hope she lives.
65 - Ahhh!
66 - Huh.
67 - Oh, well.
68 - Why doesn't anyone just shoot him?
69 - I mean, it's Texas.
70 - Everyone has a gun.
71 - Ahhh!
72 - Yeah, yeah. This movie's so lame.
73 - Man, she deserved it.
74 - She had sex.
75 - And like all movie sluts before her, she must die.
76 - Ahhh!
77 - No. She was about to take her shirt off.
78 - Trick or treat!
79 - Okay, here you go.
80 - Mmm!
81 - Raisins!
82 - Ew!
83 - No, raisins are good for you.
84 - Raisins are nature's candy.
85 - And eggs are nature's hand grenades.
86 - Kitty, don't give 'em raisins.
87 - It just pisses 'em off.
88 - Jeez, I hate Halloween.
89 - Well, you used to love Halloween.
90 - Remember that party we had
91 - when we first moved in here?
92 - Oh. Mother Forman.
93 - I see that you let yourself in again.
94 - Boy, that's an awful lot of food.
95 - I can't imagine that you have that many friends, Kitty.
96 - Oh.
97 - Well, speaking of friends,
98 - how are your four cats?
99 - Hey, Frank, uh,

100 - pull my finger.
101 - No way.
102 - You were killin' me in the car, man.
103 - Oh, good, you're home.
104 - Hey, Kitty.
105 - I like your outfit.
106 - You're a Kitty.
107 - Yes, I am, Frank.
108 - And what are you?
109 - Bum. I'm a bum!
110 - And I knew that.
111 - Red, honey, um...
112 - I could use some help here.
113 - Gee, Kitty,
114 - I'd really like to help you out,
115 - but we gotta take these out to the garage and get plowed!
116 - He is such a good boy.
117 - Hello.
118 - Oh, hi, Dr. Farrell.
119 - Hmm.
120 - Really?
121 - Oh, my God.
122 - Oh!
123 - Oh! Thank you.
124 - Thank you, Doctor.
125 - Yeah. Thank you.
126 - Wrong number.
127 - Oh, God.
128 - No!
129 - You're pregnant.
130 - Yes, I am.
131 - Do you know who the father is?
132 - You know what I hear is nice?
133 - Florida.
134 - Look at this dump.
135 - No wonder Hyde tried to burn it down.
136 - You know, Fez,
137 - a man died in that fire.
138 - A gym teacher.
139 - Coach...
140 - Smith.
141 - Some say his specter
142 - still roams the halls to this day.
143 - Take a la-a-a-p...
144 - Give me 20.
145 - Walk it of-f-f-f...

146 - All right, guys, let's just cut it out, okay?
 147 - You're scaring the women.
 148 - Out of my way!
 149 - Kelso, it was the window.
 150 - Yeah, I knew that.
 151 - Out of my way?
 152 - No, I didn't say that.
 153 - Yes, you did, just before you knocked her over.
 154 - No. I... I was protecting you.
 155 - Protecting me?
 156 - Yeah. I was trying to draw the ghosts
 157 - away from you.
 158 - Ghosts are attracted to movement.
 159 - That's a scientific fact.
 160 - You know what? I don't care.
 161 - You're an idiot, and science is stupid!
 162 - Donna, let's go.
 163 - Gee, wonder what we're gonna talk about.
 164 - You're doomed!
 165 - God, I can't believe
 166 - Michael pushed me out of the way like that.
 167 - Me neither. I figured he'd use you as a human shield.
 168 - Donna, the most noble thing a man can do
 169 - is lay down his life for a woman he loves.
 170 - Ideally, while she's still young and can remarry.
 171 - Do you know who protected me there?
 172 - Fez.
 173 - Well, he had to. He's Batman.
 174 - And the man said,
 175 - "Here's your daughter's sweater.
 176 - "She left it in my car last night."
 177 - And the woman said,
 178 - "Why, that's impossible.
 179 - "My daughter died 10 years ago
 180 - "wearing that
 181 - "very
 182 - "sweater."
 183 - So?
 184 - So, she was dead.
 185 - And... He gave her a ride.
 186 - And she was dead!
 187 - When I was six,
 188 - the mayor of our town was hung from a tree.
 189 - Your story was not scary.
 190 - Not scary?
 191 - The ghost of a dead girl gave him her sweater.

192 - What does a ghost need with a sweater, man?
 193 - Maybe it's to keep her guts from falling out.
 194 - You can tell it was not scary
 195 - because Michael-ina here
 196 - did not run screaming for the door.
 197 - Hey. Where is it written
 198 - that a guy has to protect his girl? Huh?
 199 - And I'll have you know that the feminine form of my name
 200 - is Michelle.
 201 - Look, Michelle,
 202 - I don't want to come out in favor of saving Jackie,
 203 - but that's the price you pay
 204 - for docking your love boat in Jackie-Vallarta.
 205 - Okay.
 206 - So Ichabod Crane
 207 - lived in the village of Sleepy Hollow...
 208 - Wait, don't tell me.
 209 - He left his jacket somewhere.
 210 - Okay, that's it.
 211 - Halloween's over.
 212 - There's just... There's nothing that scares us anymore.
 213 - Hey, guys, we found something scary.
 214 - Yeah, it was in the principal's office.
 215 - Oh, my God.
 216 - Those look like...
 217 - Like...
 218 - They are.
 219 - Our permanent records.
 220 - Wow!
 221 - Our permanent records.
 222 - Uh, you know what?
 223 - They probably left these here after the school burned down.
 224 - Hey. Pinciotti, Donna.
 225 - Well...
 226 - Looks like someone we know had a real hard time
 227 - keeping their clothes on in kindergarten.
 228 - What?
 229 - It was just a stupid phase.
 230 - I'm sure glad that's over.
 231 - Oh, listen to this.
 232 - "I fear that despite Steven's high IQ,
 233 - "he's a born troublemaker
 234 - "and is destined to be the smartest man
 235 - "in his cell block."
 236 - What?
 237 - They couldn't have known that in second grade.

238 - "Steven willfully and maliciously
239 - "destroyed Christine del Bueno's
240 - "shoe box diorama of the four food groups."
241 - You're a monster.
242 - A horrible, horrible monster.
243 - Yeah, real funny, but I didn't do it.
244 - You know what's really funny, Hyde?
245 - What, Forman?
246 - Heh, heh.
247 - I broke the diorama.
248 - You?
249 - Hers was better than mine.
250 - I had to smash it.
251 - I left out dairy.
252 - You know, that's when everybody turned against me.
253 - They pegged me as a bad kid.
254 - And once that happens, you're labeled forever.
255 - You ruined my life, Forman.
256 - No he didn't.
257 - Hi. No offense,
258 - but with an alcoholic mom and an absent dad,
259 - you were bound to end up in jail sooner or later.
260 - I said, "No offense."
261 - Yeah, right.
262 - Let's see what that file says about you, Jackie.
263 - Go ahead. I have a perfect record.
264 - Would anybody like to know what Jackie's middle name is?
265 - Jackie's middle name is...
266 - No!
267 - I hate you!
268 - Argh!
269 - It's Beulah.
270 - Trick or treat.
271 - Oh, you look so cute in your little costumes.
272 - Arrrrr!
273 - Damn, Frank, that's funny.
274 - Look, he lost his candy.
275 - Oh, that was not funny, Red.
276 - Those were just little kids.
277 - Well, that's what makes it funny.
278 - Well, think about it, honey.
279 - Would it be funny if it were your own kids?
280 - But I don't have kids.
281 - Well, you might.
282 - What are you saying?
283 - I'm saying...

284 - I'm pregnant.
285 - Oh, no!
286 - No, I mean, uh...
287 - Oh, crap.
288 - Yeah.
289 - All right, nobody move.
290 - Somebody took my last box of Sugar Babies.
291 - Oh, no, wait. I was sitting on them.
292 - Gee, Fez, you didn't give Forman a chance
293 - to pin it on me.
294 - I didn't pin anything on you.
295 - No?
296 - Well, when Mrs. Hodgkiss
297 - was yelling at me in front of the whole class,
298 - you didn't exactly step up and take responsibility.
299 - What were you thinking?
300 - Hmm. I guess I was thinking, "I'm seven!"
301 - Hey. Hey, hey!
302 - Let's not fight, all right?
303 - It's Halloween, man.
304 - It's time for peace on earth and good will towards men.
305 - Let's read another file.
306 - Yeah, 'cause that's working out great so far.
307 - All right, fine. I'll read from my own, okay?
308 - Oh. Okay.
309 - Here's a secret you guys don't know about me
310 - 'cause it happened the year before I moved here.
311 - When I was in first grade,
312 - I used to wear this red cape to school
313 - and pretend I was Superman.
314 - You must have looked really stupid.
315 - Wait, wait, wait. First grade?
316 - Yeah.
317 - No, no, no. When you moved here,
318 - you and I were in first grade. That's how we met.
319 - No, we didn't.
320 - Man, you had to repeat first grade?
321 - Oh, my God!
322 - Michael, say it's not true.
323 - It was... It was cursive writing, all right?
324 - All those stupid squiggles and bumps.
325 - I wouldn't do it!
326 - You mean you couldn't do it.
327 - No! I wouldn't do it,
328 - and that's why they held me back!
329 - Plus, I might have killed the class bunny.

330 - Why?
331 - That's okay, Kelso. Let it out.
332 - I mean, it sucked, you know?
333 - Living this lie,
334 - pretending to be a year younger than I really am.
335 - Wait a minute. You're 18?
336 - Yeah.
337 - That's why I've always
338 - seemed more mature than you guys.
339 - Are you telling me
340 - that all this time
341 - you could have been buying us beer?
342 - You bastard.
343 - What...
344 - No!
345 - It's not what you think.
346 - You're dead to me.
347 - But Eric ruined your life.
348 - And if I had a beer, I could be getting over it right now.
349 - Beer!
350 - - Beer! - Beer!
351 - All right, everybody, just leave him alone!
352 - Okay? Because he may be a liar,
353 - but at least he's not a backstabber like Eric.
354 - Stay out of this, Beulah.
355 - Oh, don't call me that.
356 - Oh, sorry...
357 - Beulah.
358 - Fine.
359 - You know what?
360 - Donna kissed Hyde last year.
361 - What?
362 - Don't mess with me.
363 - That...
364 - That's a lie. Hyde kissed me.
365 - Well, that is just so much better.
366 - How... How could you do this, man?
367 - I guess I'm just a born troublemaker.
368 - Or maybe you turned me into one.
369 - You are so dead, Beulah.
370 - Hey! Leave her alone, all right?
371 - Okay. Yeah.
372 - Jackie told me Fez was a better kisser
373 - than you, Kelso.
374 - Ahhh!
375 - Were you ever gonna tell me about Hyde?

376 - It hurts when your friends stab you in the back, don't it?
377 - How would I know?
378 - I have no friends!
379 - Let's go, pal!
380 - Stop it!
381 - Can't you see what is happening?
382 - Those permanent records are tearing us apart.
383 - Batman's right.
384 - Look what we've become.
385 - We're like animals.
386 - Those files are evil, man.
387 - We've got to destroy them.
388 - But how, Jackie?
389 - How?
390 - Oh, my God.
391 - Now my Sugar Babies really are gone.
392 - Kitty.
393 - I'm really sorry about what I said.
394 - You mean, "Oh, no,"
395 - and "crap"?
396 - Right, that's it.
397 - I'm sorry. I...
398 - It's just...
399 - It was a big shock, you know?
400 - It was a really big shock for me, too,
401 - and I said, "Oh, good" and "Yay."
402 - No, I... I feel like that, too.
403 - It's just that I...
404 - Well, I...
405 - I needed a minute for it to sink in.
406 - But once it sunk in,
407 - I realized I was really happy.
408 - You really mean that?
409 - Of course I do.
410 - It's gonna be great.
411 - I can't wait to be a father.
412 - Hey, Red!
413 - Great news! I found a way
414 - to drink beer faster! Come on!
415 - Go home, Frank.
416 - I'm busy.
417 - Okay. Yeah.
418 - Oh, wow.
419 - I think you're maturing.
420 - Well...
421 - You know, the truth is...

422 - Frank's getting on my nerves a little bit.
 423 - I mean, he's... He's kind of...
 424 - He's an ass.
 425 - And he's dumb.
 426 - He's a...
 427 - Dumb-ass.
 428 - Hey.
 429 - Come here.
 430 - And then you gave birth
 431 - - to a beautiful daughter. - Uh-huh.
 432 - And then Eric.
 433 - Who is just wonderful.
 434 - And I've grown up a lot since then.
 435 - Oh, you're dead, kid!
 436 - Michael, I'm cold.
 437 - And this is stupid.
 438 - We should just burn the files.
 439 - Jackie, they've already been in a fire.
 440 - They can't be destroyed that way.
 441 - See you in hell, permanent records.
 442 - Now we have to swear we'll never speak of this ever again.
 443 - Except the part about Kelso buying us beer.
 444 - Yeah, naturally.
 445 - But otherwise it's like this night never happened, okay?
 446 - Beulah.
 447 - No!
 448 - No!
 449 - No!
 450 - Ahhh!
 451 - Mmm.
 452 - Stolen Sugar Babies.

2.6 Episode 06: Vanstock

1 - Hey, Dad, can I go to Vanstock with the guys this weekend?
 2 - What the hell's a Vanstock?
 3 - Well, it's like Woodstock,
 4 - but with a greater emphasis on vans.
 5 - Sounds stupid.
 6 - Have a good time.
 7 - Oh, then, Daddy, since Eric is going out of town,
 8 - can I have his car?
 9 - Why? where are you going?
 10 - Excuse me, I was talking to Daddy.
 11 - I know. Where are you going?
 12 - - Frat party. - Frat party? No.

13 - - But, Daddy... - Look, honey, it's up to Eric.
14 - Really?
15 - Well, I mean, I guess...
16 - No!
17 - Well, that's settled, then.
18 - Red, what are you gonna do today?
19 - Read the want ads, look for a job.
20 - Then, just to break up the day,
21 - I thought I'd go down to Rexall, look for some Gold Bond
22 - for my athlete's foot.
23 - Any more questions?
24 - Well, oh, boy, Red,
25 - we've got the big hospital banquet to look forward to.
26 - Oh, right. Well then...
27 - Screw the gold bond, I gotta get my hair done.
28 - Well, honey, I don't think it's gonna be that bad.
29 - And... if it is,
30 - I can always give you a shot of Demerol.
31 - You have Demerol?
32 - I mean, what's... what's Demerol?
33 - Hangin' out
34 - Down the street
35 - The same old thing
36 - We did last week
37 - Not a thing to do
38 - But talk to you
39 - We're all all right
40 - We're all all right
41 - Hello, Wisconsin!
42 - So, Donna and I are all set for Vanstock.
43 - Whoa. Donna can't come with us.
44 - Why not?
45 - Well... it's kind of complicated.
46 - Hey, Kelso.
47 - So what time are we leaving for Vanstock?
48 - - No. No! - Yeah. Yeah!
49 - No!
50 - I guess you should have given me your car, Eric.
51 - Now I'll be with you and Kelso all weekend.
52 - How could you ask Laurie?
53 - Well, Jackie didn't want to go.
54 - What choice did I have?
55 - Oh, man.
56 - See, now you see my problem.
57 - Since Laurie's going,
58 - I'm gonna have to make out with her.

59 - And if Donna goes, she's gonna see me making out with Laurie
 60 - and then tell Jackie, therefore, Donna can't go.
 61 - Or... you could just not make out with my sister.
 62 - Be serious, Eric.
 63 - OK, look. Donna's coming,
 64 - and if that blows your weekend, then... too bad.
 65 - Fine. But you know what?
 66 - You're making cheating a lot harder than it has to be.
 67 - Kitty and I used to watch the soaps all the time.
 68 - So now, it's like you're Kitty.
 69 - Don't you have a TV at home?
 70 - It's too big.
 71 - I have to turn my head to see who's talking.
 72 - It hurts my neck.
 73 - Ooh, shh, shh. It's starting.
 74 - OK, that's Heather.
 75 - She's carrying Jeff's baby, only Jeff is in intensive care.
 76 - He's got a bullet in his brain.
 77 - Isn't he the lucky bastard.
 78 - Donna, check it out.
 79 - I've been working on this all morning,
 80 - and I'm really proud.
 81 - I zipped our two sleeping bags together to make one.
 82 - Look, throw your stuff in the back.
 83 - I'm gonna go get some snacks for the road.
 84 - OK.
 85 - Oh. Hi. Donna.
 86 - So, that's the carpet.
 87 - I was just showing Laurie the carpet.
 88 - - I need help with my stuff. - I'm gonna give her some help with her stuff.
 89 - I hope you like tuna fish sandwiches
 90 - 'cause that's all we got.
 91 - I just saw Kelso and your sister
 92 - making out in the van.
 93 - Oh, no, that's, uh...
 94 - Did you know about this?
 95 - Did I? Uh, no.
 96 - No, I didn't know about this.
 97 - Hey, hi.
 98 - Donna just saw Kelso and Laurie making out.
 99 - So?
 100 - Aren't you shocked? I'm shocked, for one, to have learned about this.
 101 - Hey, guys. I decided to go.
 102 - I thought it'd be fun to surprise Michael.
 103 - That would be fun.
 104 - Um, Jackie, look, before you surprise Kelso,

105 - there's something going on that you should know.
106 - What?
107 - You know, Vanstock is gonna be really boring,
108 - and it's gonna be muddy,
109 - and there's a good chance there'll be some Canadians there.
110 - Eew!
111 - No, no, Jackie, you should go.
112 - You can't let the Canadians win.
113 - Fez, put my stuff in the back.
114 - Hey, Jackie...
115 - ...you know what'd be the perfect surprise for Kelso?
116 - We'll pull the curtains,
117 - and you hide in the back with us.
118 - And at some point,
119 - you jump up front and yell, "surprise!"
120 - Oh, my God, that is perfect!
121 - Now, hop in the van before Kelso sees you.
122 - Hurry up.
123 - Oh, this may be the best road trip ever.
124 - So, you want to shift?
125 - It's an automatic.
126 - I know.
127 - - Surprise! - Aah!
128 - Brad, how could you sleep with my wife?
129 - You're my brother.
130 - I'm not your brother. And I'm not Brad.
131 - Holy cow.
132 - I didn't see that coming.
133 - Wait till Rachel finds out.
134 - But Rachel's about to dump Brad for Jeff.
135 - No! Jeff's in a coma.
136 - Oh, come one, Midge.
137 - She can't love a guy in a coma?
138 - What the hell kind of love is that?
139 - Look at this. Jackie brings four different types of mascara
140 - just to please Kelso.
141 - And what does Kelso bring? Another woman.
142 - Fez, you should really stop going through other people's stuff.
143 - It's kind of creepy.
144 - So, how long do you think this whole thing has been going on?
145 - Whoo. I... you know, I don't know.
146 - That's anyone's guess. Right, Fez?
147 - - What? - Kelso and Laurie.
148 - See? Fez doesn't even know. I don't know...
149 - I gue... you know, it's just... it's like...
150 - God, this is so wrong, you know?

151 - So what are we gonna do?
 152 - Well, I guess just let this all blow over,
 153 - and then Jackie and Kelso can get married,
 154 - have kids, and be really unhappy.
 155 - So... let's not this ruin our Vanstock experience, OK?
 156 - Look at this. Bubble gum lip smacker.
 157 - What a waste.
 158 - So, you kids having fun?
 159 - Nothing like a road trip to get to know each other.
 160 - Yeah. Right.
 161 - Like Jackie and Laurie.
 162 - They don't really know each other,
 163 - and yet, they have so much in common.
 164 - Like what?
 165 - Oh, well, you both have really neat hair.
 166 - He's right. I love your hair.
 167 - - What do you use? - Hot rollers.
 168 - So do I! I hate styling wands.
 169 - So do I!
 170 - See? You two keep talking.
 171 - There may be plenty of other things that you have in common.
 172 - No! No talking.
 173 - It makes the driver nervous.
 174 - So just everybody not talk.
 175 - OK.
 176 - Let's just sing songs.
 177 - Who knows the words to Three's Company?
 178 - - I do. - I do.
 179 - No singing.
 180 - Come and knock on our door
 181 - Come and knock on our door
 182 - We've been Waiting for you
 183 - We've been waiting for you
 184 - Where the kisses are hers and hers and his
 185 - Three's company, too
 186 - Wow, man. Vanstock.
 187 - It's exactly how I pictured it.
 188 - Has anyone seen my top?
 189 - I lost my top.
 190 - Actually, it's even better than I pictured it.
 191 - Do not take the blue acid!
 192 - If you have taken the blue acid,
 193 - please, report to the Red Cross tent!
 194 - Look at this debauchery.
 195 - This is the smelly underside of a once great nation.
 196 - Ooh, yum, candy apples.

197 - Hey, man.
198 - What do you say we help that chick find her top?
199 - Nah. I gotta stay here with the old balls and chains.
200 - You know, Kelso,
201 - did you ever think about being honest with them?
202 - Maybe they won't be mad.
203 - Maybe they'll like the idea of sharing you.
204 - Man, that'd be great, huh?
205 - You think they'd go for that?
206 - 'Cause that's been...
207 - Oh, no.
208 - You're trying to set me up, Hyde.
209 - You never know if you don't try, man.
210 - Are you serious?
211 - Be serious. 'cause this is serious.
212 - This has been a dream of mine since I was a kid
213 - and saw The Parent Trap.
214 - There you go.
215 - OK, we're heading off to the restroom.
216 - OK.
217 - Whoa, man, they're going to the restroom?
218 - You know what girls do in the restroom, right?
219 - Oh. I like to pretend like they don't do that.
220 - Not that, man. They talk.
221 - - So? - To each other.
222 - Oh, my God. Girls, wait up!
223 - What a maroon.
224 - So, Red, this is Dr. Browning and, uh, Dr. Cloke.
225 - So you're Kitty's husband, eh?
226 - She's a little spitfire.
227 - We couldn't run the ward without her.
228 - Oh... well, you could, but everyone would die.
229 - Oh, so, Red, what do you do?
230 - About what?
231 - Um, Red used to be in management
232 - at the auto parts plant.
233 - Oh, that's great. What do you do now?
234 - About what?
235 - Oh, oh, my gosh, Red, look, they have an open bar.
236 - No, he's not his brother.
237 - He's not even Brad.
238 - But he looks just like him.
239 - That's the point.
240 - You know, I don't understand why you watch
241 - if you're not gonna pay attention.
242 - I'm sorry about Red.

243 - He's just... He's been a tiny bit cranky since he lost his job.
 244 - - Kitty, it's fine. - I know, everything's fine.
 245 - He just, um, he sits around and he mopes all day.
 246 - He once told me that if he ever started watching soaps, I should shoot him.
 247 - And I gotta tell you, I am gosh-darned tempted.
 248 - Well, you know, when my wife is upset,
 249 - I do something extra special for her,
 250 - like surprise her with some candy.
 251 - Does red have a sweet tooth?
 252 - Um, no. No, um, more of a beer tooth.
 253 - Oh, for God's sakes,
 254 - you're a nurse and you can't love a guy in a coma?
 255 - What the hell kind of a hospital is this?
 256 - Wow, look at the stars.
 257 - Yeah. Your sister's kind of a slut.
 258 - I noticed that.
 259 - How is it that she turned out so awful
 260 - and you turned out so nice?
 261 - Oh, well...
 262 - You see...
 263 - OK, Donna, there's something you should know.
 264 - Oh, my God, you're pregnant.
 265 - It's nice to laugh, isn't it?
 266 - 'Cause I kind of knew about Kelso and Laurie all along
 267 - and didn't tell you.
 268 - - Excuse me? - Which was wrong.
 269 - But now I'm being honest, which is right... right?
 270 - - Get out of this bag. - No, wait, Donna, just...
 271 - Fine, I'll get out.
 272 - Oh, this is the worst Vanstock ever.
 273 - And now, another episode of Point Place.
 274 - My God, Kitty...
 275 - ...what have I become?
 276 - I don't know.
 277 - You're not the man I married.
 278 - And I'm not Kitty.
 279 - What are you saying?
 280 - I am Kitty.
 281 - But I am leaving you for Dr. Cloke.
 282 - Or should I say...
 283 - ...Eric's real father.
 284 - - But why? - He has a job.
 285 - What do you have, Red Forman?
 286 - What... do... you... have?
 287 - I've got nothing.

288 - Dear God, will I ever work again?
289 - OK, I'm back.
290 - So... penny for your thoughts.
291 - Well... one thing I'm thinking,
292 - I gotta stop watching the soaps.
293 - Well, I think that is a good idea.
294 - So, listen, um,
295 - I brought you home a special little treat.
296 - Oh...
297 - Ahh...
298 - Hey... that's a nice beer.
299 - Yes, it is.
300 - What's the occasion?
301 - It's, um...
302 - ...to celebrate your new job.
303 - But, Kitty, I didn't get a job.
304 - Not yet, but I know you will.
305 - Thanks, sweetie.
306 - Ahh...
307 - Tell you one thing... I bet I get a job
308 - before Jeff gets out of that coma.
309 - Hey. How's it going?
310 - Well, uh... found the top, just lost the girl.
311 - Bummer.
312 - Yeah. What are you doing up?
313 - Punishing Eric.
314 - He knew all about Kelso and Laurie, didn't even tell me.
315 - What a bastard.
316 - Oh, like you didn't know.
317 - Of course I knew. Everybody knew.
318 - You're the only one who didn't know.
319 - Shut up, Hyde, I'm mad at him.
320 - Look, you don't rat on your friends,
321 - and that's just the way it is.
322 - Now, I'm laying traps left and right
323 - to try and get Kelso caught,
324 - but I'm not gonna tell on him, 'cause then I'd be a rat.
325 - And that's what Forman would have been if he had told you.
326 - He still should've told me.
327 - Give him a break, Donna.
328 - I mean, the guy kisses your ass.
329 - He does everything for you,
330 - and you're not even sleeping with him.
331 - Yeah, I guess that's true.
332 - You're lucky he even talks to you.
333 - In fact, I would've dumped you months ago.

334 - But, you know, I'm old-fashioned, so...
335 - OK, Hyde, thanks for the heart-to-heart.
336 - Ah, get bent.
337 - All right, well,
338 - I'm off to find the jugs that fit this top.
339 - Like Cinderella.
340 - Excuse me, miss?
341 - Yeah, who is it?
342 - It's me.
343 - Hey, Jackie... Laurie...
344 - Fez.
345 - Good evening, Michael.
346 - Well, aren't we all cozy?
347 - Hm. So, where am I gonna sleep?
348 - Uh, gee, Kelso, I don't think there's any room.
349 - But it's my van.
350 - I can sleep with you anytime.
351 - Tonight, I'm really enjoying girl talk with Laurie.
352 - Then why does he get to stay?
353 - Well, I'm not a girl, but I do enjoy the girl talk.
354 - Get out of the van, Fez!
355 - No, be nice to Fez. Go away, Michael.
356 - Shut the door.
357 - Aah!
358 - Hey, move over.
359 - You're not mad at me anymore?
360 - Nope.
361 - So... what are you thinking?
362 - That Kelso's an idiot,
363 - and if I say anything to Jackie, it'll hurt her.
364 - Yes, exactly.
365 - And you know what else?
366 - You're, like, a really great boyfriend.
367 - All right!
368 - Whoa. All right.
369 - Thank God I found you guys. I'm freezing. Scoot over.
370 - What? Kelso, no!
371 - Wow, this is a roomy bag, huh?
372 - Sorry if I'm a little wet.
373 - What the hell is that smell?
374 - Oh, I found these two dogs, and we started wrestling.
375 - They were so cool.
376 - All right, good night.
377 - No, Kelso, get out!
378 - - Get out! - You smell like a dog.
379 - You smell. Get out.

380 - Well, where am I supposed to sleep?
381 - No one cares.
382 - Fine!
383 - OK, this is nice.
384 - Will Red get a job?
385 - Will Jackie ever find out about Kelso and Laurie?
386 - Will we ever find out where Fez is from?
387 - Will Hyde ever find his topless Cinderella?
388 - And what ever happened to Midge's daughter Tina?
389 - Will Eric and Donna
390 - ever consummate their illicit teenage love?
391 - And what about Chuck and Bob?
392 - Oh, wait, they aren't on this show.
393 - See, I told you we weren't on this show.
394 - Oh, shut up, Bob.
395 - Confused?
396 - You won't be after the next episode of...
397 - That '70s Show.

2.7 Episode 07: I Love Cake

1 - Oh, my God.
2 - Did you hear that?
3 - It sounds like a bloody hook
4 - scraping against the back door.
5 - What's... What's wrong? You're like a million miles away.
6 - I don't know. It's just that my parents
7 - are fighting like, all the time.
8 - It just makes me so mad.
9 - Like I want to kick their asses, but I can't.
10 - But I want to do something.
11 - Okay.
12 - Take me, Donna.
13 - What?
14 - Go ahead. Take me.
15 - Punish your parents by using me for sex.
16 - Do your business and be done with it. Go ahead. Don't be shy.
17 - I can take it.
18 - But... God, do be gentle.
19 - You didn't actually think that was gonna work, did you?
20 - No, but I'm a virgin, and it's driving me crazy.
21 - But that's not your fault... No, wait. Yes, it is.
22 - How do you do that?
23 - Do what?
24 - You always make me feel better.
25 - Uh... Well, thank you.

26 - I love you, Eric.
27 - I love cake.
28 - Hangin' out
29 - Down the street
30 - The same old thing
31 - We did last week
32 - Not a thing to do
33 - But talk to you
34 - We're all all right
35 - We're all all right
36 - Hello, Wisconsin!
37 - Morning, Bob.
38 - Morning, Red.
39 - Probably wondering why I'm in your car, huh?
40 - No.
41 - Just get out and have a nice day.
42 - Midgie and I got into a fight, Red, and I walked out.
43 - Guess that'll teach her, right?
44 - Well, you're the one sleeping in the car, Bob.
45 - Right. Well, that's 'cause when I stormed out,
46 - I sort of forgot some stuff.
47 - You know, keys, wallet, blow dryer.
48 - All I need now is a place to stay.
49 - Maybe with some friends.
50 - Well, uh...
51 - We don't, uh, have a blow dryer, Bob.
52 - Laurie's got a blow dryer.
53 - I know 'cause she's got that Farrah Fawcett hairdo.
54 - That's not natural.
55 - You... You know, I wouldn't even need my own room.
56 - Just a little corner to sleep in.
57 - Oh, cripes.
58 - Okay.
59 - Oh, thanks, Red.
60 - You're my best friend.
61 - No, I'm not.
62 - Do you think when girls have sleepovers,
63 - sometimes, they, they play games and giggle,
64 - and then, every once in a while,
65 - they start to make out all together in a big naked heap?
66 - I sure hope so. Me, too.
67 - May I have your attention, please?
68 - I would like to introduce to you all,
69 - the new Michael Kelso!
70 - Yeah.
71 - So, huh, what do you think?

72 - Yeah. Jackie says it makes me look like
73 - Marlon Brando in The Wild Ones.
74 - Yeah. I'm so Brando.
75 - Yeah, if Brando had a buddy named Potsie.
76 - What are you even saying?
77 - Jackie, did you dress me up like The Fonz?
78 - No, Michael, I did not dress you up like The Fonz.
79 - Although, I mean, I like The Fonz.
80 - I think, he's, you know, kind of... Fez!
81 - Fonz? Yes or no?
82 - Well, you know me, Kelso.
83 - I just want you to be happy.
84 - Thank you, Fez.
85 - Now, if I could just have a moment of your time.
86 - Sure.
87 - Good, yes.
88 - Okay, a gang of toughs has taken over Arnold's.
89 - Help us, Fonzie. You're our only hope!
90 - I can't believe you guys.
91 - Here I am as Brando as can be,
92 - and you guys can't even see that.
93 - Well, you can both just...
94 - Sit on it?
95 - Michael!
96 - Why is Bob in my bathtub?
97 - You told me you sent him home.
98 - That's what you said, "He went home."
99 - He did go home...
100 - And then Midge kicked him out.
101 - But he went home.
102 - Well, now he's back.
103 - Red, he's in my bathtub.
104 - I can't have him in my bathtub.
105 - His Afro gel is gonna leave a ring.
106 - This isn't easy on me, either, Kitty.
107 - He tried to talk to me about his feelings.
108 - He almost started to cry.
109 - I really wanted to punch him!
110 - Bob can't stay here, Red.
111 - I know that makes me a bad person.
112 - I don't care. I'm bad, so let's just get him out of here!
113 - Well, then go talk to Midge and fix it up.
114 - You let the stray in.
115 - You find him a home.
116 - It's not that simple, Kitty.
117 - Do you want me to go to my unhappy place, Red?

118 - I'll talk to Midge first thing in the morning.
119 - Thank you, Red. You're a wonderful husband.
120 - Now, when you're done with the paper,
121 - you get upstairs and scrub my tub.
122 - Okay. You're done!
123 - I won't do it.
124 - Well, I won't, either.
125 - Well, I don't know what the hell we're gonna do.
126 - Ah, Kelso, it was brave of you to come back.
127 - We gave you quite a ribbing.
128 - Yeah...
129 - Except for this time,
130 - I brought a hot, fresh pizza.
131 - But it's only for my friends who don't make fun of me.
132 - Mmm! Pizza!
133 - Kelso, man, I got 1,000 insults,
134 - and no pizza's gonna make...
135 - Is that sausage?
136 - You brilliant bastard!
137 - Guys, let me ask you something.
138 - Donna told me she loves me,
139 - and then I told her, "I love cake."
140 - That's not bad, is it?
141 - I'm still cool, right?
142 - Okay. I don't know what happened.
143 - I just panicked, and it popped out.
144 - I mean, I don't remember wanting to ever talk about cake.
145 - I wasn't really that hungry.
146 - Cake is good,
147 - but you cannot have sex with cake.
148 - Of course, you cannot have sex with Donna, either, so...
149 - Yeah, man.
150 - You should've just lied and told her that you loved her.
151 - "I love you, baby."
152 - See? And I don't love you. Isn't that great?
153 - He does love her, you dope.
154 - Right?
155 - Okay. Well, if I admit it, are you guys gonna make fun of me?
156 - Oh, Eric. Love is not a joke.
157 - This is a joke, knock, knock.
158 - Who's there?
159 - Look, if you really do love her,
160 - there's only one thing to do, man.
161 - You gotta dump her and live free!
162 - Don't listen to him, man. He's stupid.
163 - Here's what you gotta do,

164 - she said it, so now you gotta say it.
165 - Then she'll say it back, and everything will be okay.
166 - Oh, and get her pizza.
167 - 'Cause right now I kinda love Kelso.
168 - Yeah, I can do that.
169 - I'll just say it, and I'll be back on top again. All right.
170 - So now, uh...
171 - Where was I when Fonzie here moved to town?
172 - Hey!
173 - Give that backamundo!
174 - Eric...
175 - Eric, are you okay?
176 - What? Yeah.
177 - You look like you have a stomachache or something.
178 - No.
179 - There's nothing wrong with my stomach.
180 - It's just that...
181 - I love you...
182 - Man.
183 - And then he punched me in the arm and said, "Man!"
184 - Oh, my God.
185 - What a horrible disaster.
186 - Well, go on!
187 - I guess I, like, totally screwed things up.
188 - 'Cause ever since I said, "I love you," he's been acting so weird.
189 - Okay, wait a second. I'm a little confused.
190 - Why did you say, "I love you"?
191 - Because I love him?
192 - Oh! Donna, that's got nothing to do with it!
193 - You are way too young to be saying, "I love you."
194 - Shut up, Jackie. You say it to Kelso all the time,
195 - and you're, like, younger than me.
196 - Not in love years.
197 - All right, look, Eric doesn't know how to handle that kind of thing.
198 - You probably just scared him off.
199 - All you can do right now is play it cool for a while,
200 - turn down the emotional heat,
201 - and, Donna, God willing, he'll forget you threw yourself at him.
202 - I know it sounds impossible,
203 - but what you just said actually makes sense.
204 - Look, the sooner you realize I'm a genius, the better off we'll both be.
205 - Oh. Hi, Red.
206 - Sorry I can't open the door,
207 - but I don't want Bob sneaking back in the house again.
208 - Oh.
209 - That's okay. I just came by to see how you're doing.

210 - Oh, I'm working through some things.
211 - Gotten past denial and I'm well on my way to acceptance...
212 - Yeah, yeah. Couldn't agree with you more. Anyway...
213 - Take Bob back.
214 - Red, I can't do that right now.
215 - Midge, I've talked to Bob, and he's really sorry.
216 - Now, be a sport and take him back. I can't.
217 - Take him back, Midge! No!
218 - Take him! No!
219 - This isn't over, Pinciotti!
220 - Hey, Donna, check it out.
221 - Hey, Kelso!
222 - Fudgsicle!
223 - Where'd it go?
224 - Um... Perhaps it went under the couch.
225 - Jackie, let's get out of here. This is kinda lame.
226 - Yeah, sure.
227 - Wait! Donna...
228 - So will I see you later?
229 - No.
230 - No. You're never gonna see me again.
231 - Ha!
232 - She's a little pistol, huh?
233 - What did you do?
234 - Nothing! I did what you said.
235 - I told her I loved her.
236 - You're lying.
237 - No, it's true, except...
238 - Except...
239 - And I might've, you know...
240 - Popped her one on the shoulder and called her, "Man."
241 - You idiot.
242 - Hey, this isn't my fault.
243 - It's your fault! You said if I told her I loved her,
244 - she'd say it back, but she didn't, man. She just stared at me.
245 - Well, did you give her a chance to answer?
246 - How long did you wait before you completely muffed out?
247 - Forever, man.
248 - Like, five minutes.
249 - You're lying!
250 - No. It's true. It was like...
251 - Well, maybe just a couple seconds, but I...
252 - Time ceased to exist, okay?
253 - I was just hangin' out there, really far out there. Just...
254 - Hangin'.
255 - Eric contributes in class, but does not follow directions.

256 - Damn! Where the heck is that fudgsicle!
257 - Hey...
258 - Is that my fudgsicle?
259 - No. This one's mine.
260 - Damn it. Where's my fudgsicle?
261 - Just tell me. How am I supposed to fix this?
262 - Well, first of all...
263 - You need to learn how to handle a little woman troubles
264 - without getting all freaked out.
265 - It's pretty unmanly, man.
266 - Laurie.
267 - That's it! I hate this stupid thing!
268 - Laurie laughing at me.
269 - But, Kelso, I thought we were supposed to handle our woman troubles
"like a man"?
270 - - You shut up. - Okay.
271 - You just shut up!
272 - And if anybody else here laughs at me,
273 - I swear I'm gonna kick so much ass!
274 - And that's my fudgsicle.
275 - I'm telling you, man, that jacket's the best thing ever happened to us.
276 - I can't do it now, Kitty. He's sleeping.
277 - Bob!
278 - Oh, Bob, you're awake.
279 - Hi.
280 - Let's see. It was, uh...
281 - It was a no-go with Midge.
282 - She doesn't wanna see you.
283 - Boy, that's a shame, Red.
284 - Guess it's you and me, buddy.
285 - Well, that's a problem.
286 - I like you, Bob.
287 - You don't borrow my things, you keep your lawn mowed.
288 - But the fact of the matter is, you're a little bit...
289 - You're kind of a...
290 - You're an ass.
291 - Yeah?
292 - Well, it's not your fault.
293 - Well we gotta stop pussyfooting' around here
294 - and somehow get you back in that house.
295 - How?
296 - Oh. It's you.
297 - I'm not taking him back, Red. No, no, no, no.
298 - I'm just gonna trim a few of these branches for you.
299 - Okay.
300 - Help!

301 - Midge, I'm trapped under this very heavy branch!
302 - Help! Oh, my God! Red!
303 - Are you hurt?
304 - Go, Bob, go!
305 - I'm in! Oh!
306 - Red, that was not nice.
307 - I'm not sorry, Midge.
308 - Great shot.
309 - And I love you.
310 - Well, the basket doesn't really count because I traveled.
311 - You could never travel...
312 - Because I love you.
313 - Eric, you're acting like a huge dork.
314 - A huge dork who loves you. God!
315 - God! Stop it! Our...
316 - Look, the only reason I said it is because I felt it
317 - and not just so you'd say it back.
318 - And if I knew you were gonna get in such a twist about it,
319 - I wouldn't have said it at all.
320 - I'm not in a twist. It's just...
321 - "Cake." Okay, that was pretty stupid. Yes!
322 - Thank you.
323 - So, I mean, why'd you say it?
324 - I don't know. I just...
325 - Now...
326 - Once it is out there,
327 - if we broke up, I mean...
328 - You know, what would I tell myself, then?
329 - I guess you could tell yourself you still have cake.
330 - We both know how much it means to you.
331 - That's nice. There's a sweet girl.
332 - Okay, look, I have an idea.
333 - Why don't we just pretend it never happened?
334 - I like that. Now.
335 - Okay.
336 - Never happened. Okay.
337 - Okay.
338 - And you did travel, so my ball.
339 - Yes!
340 - Hi, you two.
341 - Thought you might wanna know.
342 - Midge and I worked things out.
343 - Well, that's just great, Bob.
344 - Yeah. We're separating.
345 - You can't stay with us.
346 - No. I'll be staying at home.

347 - We're gonna live together.
348 - We're just gonna see other people.
349 - Okay, Bob, I want you to think about this.
350 - You're living in the same house,
351 - but you're dating other people.
352 - I'm not saying for sure there'll be problems,
353 - but I want you to think about it.
354 - Think hard, Bob.
355 - I think it's gonna be sexy.
356 - Oh, Hyde.
357 - What a fabulous look for you.
358 - Seriously. You look like Marlon Brando or something.
359 - Oh, my God.
360 - Hyde, when did you get so hot?
361 - What?
362 - I've always been hot. Jacket just brings it out.
363 - No.
364 - No! Give it to me! Give me back my jacket!
365 - What are you doing?
366 - Get off me, you load!
367 - So, they're really gonna separate?
368 - Yeah, but they're still gonna live together.
369 - Oh. Wow.
370 - Are... Are you okay?
371 - Yeah, but, I mean, that's just like the dumbest thing I've ever heard.
372 - I mean, how's that supposed to work?
373 - Well, I imagine it'll be like
374 - when Gilligan and the Skipper had a fight,
375 - and they drew a chalk line down the center of their hut. That worked out
great.
376 - Yeah. That solved all their problems. Yeah.
377 - I love you.
378 - I love you, too.
379 - All right, then.
380 - You going to clean the bathtub?
381 - Yes, I am.
382 - No. It's just too horrible.
383 - I can't let you do that, Kitty.
384 - Thank you, honey.
385 - You're welcome, Kitty.
386 - Eric, got a little job for you!

2.8 Episode 08: Sleepover

1 - You know, Donna,
2 - I'm not surprised you're in my bed.

3 - I knew you couldn't resist me any longer.
4 - No, I couldn't.
5 - I want you.
6 - I need you.
7 - Well, I never turn down a woman in need.
8 - You know, being here, in your bed,
9 - on your... Spider-Man sheets,
10 - makes me feel so ready,
11 - so willing.
12 - Then call me Able.
13 - Wait, wait.
14 - A little mood music.
15 - I like dreamin'
16 - 'Cause dreamin' can make you mine
17 - I like dreamin'
18 - Dreamin'
19 - Damn.
20 - What's wrong?
21 - Ah!
22 - I mean...
23 - Hey, baby.
24 - Hangin' out
25 - Down the street
26 - The same old thing
27 - We did last week
28 - Not a thing to do
29 - But talk to you
30 - We're all all right
31 - We're all all right
32 - Hello, Wisconsin!
33 - I can't believe you're in my bed.
34 - I can't believe you came through my window.
35 - I know. Well, I was just sitting at home thinking about you,
36 - and I thought,
37 - why don't I crawl up the side of his house and say hello.
38 - So... Hello.
39 - Hello.
40 - Did anyone see you?
41 - Uh, just Hyde.
42 - Excuse me.
43 - I heard a noise downstairs, and it scared me.
44 - Man, you're ruining what could be
45 - the most important night of my life here.
46 - Well, duh.
47 - This is so...
48 - I can't believe this.

49 - You've never been in my bed before.
50 - I know.
51 - I'm in your bed.
52 - You're in my bed.
53 - You're in my bed.
54 - You're in my bed.
55 - Okay, um, because the bed squeaks.
56 - Because the walls are thin.
57 - Because Red has the ears of a wolf.
58 - Reasons my parents might hear us if we do it.
59 - Right! Okay.
60 - Okay. Uh, "Gee, Mom, it was hot,
61 - "so we took off our clothes...
62 - "And then we got cold,
63 - "so we got under the covers,
64 - "and things just started bouncing around."
65 - Things I might say if my folks catch us doing it.
66 - Yes! Okay. Um, uh,
67 - Fonda, Ford, the eighth...
68 - Famous Henrys.
69 - Yes! Okay, uh...
70 - Because there's a girl in your bed.
71 - Because there's a girl in your bed.
72 - Because there's a girl in your bed, damn it!
73 - Reasons to go for it!
74 - Yes!
75 - So, I, uh...
76 - So she's gonna be out the whole week?
77 - Well, you don't drink and go ice fishing.
78 - That is just common sense.
79 - No, no, no. It's fine.
80 - I'll be happy to pick up her shifts.
81 - Okay. Uh-huh. Bye.
82 - Oh, jeez, Kitty, you work so hard as it is.
83 - I don't want you working double shifts.
84 - Well, Red, we need the money.
85 - It's not every week
86 - that Charlene's gonna get septicemia from a rusty hook.
87 - We have gotta take advantage of that.
88 - Well, I don't like it.
89 - Oh, you know...
90 - If I'm gonna be working nights,
91 - I'd better put some meals together for you and the boys.
92 - Oh, come on, Kitty.
93 - I'm not helpless.
94 - I think I can get these guys some dinner.

95 - Okay. Yeah. Um...
96 - I'm sure you'll be great.
97 - Fire extinguisher's in the garage.
98 - So money's a little tight, huh?
99 - No, no, Steven.
100 - Everything's fine. We're great.
101 - Good morning.
102 - And I am not just saying that.
103 - Listen, your mother's working double shifts,
104 - so I'll be cooking.
105 - You know the fire extinguisher's in the garage, right?
106 - Yeah.
107 - I know.
108 - I'm gonna have cereal.
109 - Oh, you'll be having a lot of cereal.
110 - So, where's Donna, man?
111 - Donna?
112 - Donna? Oh,
113 - you mean that girl who spent last night in my bed?
114 - Yeah. Yeah, that's the one.
115 - She went home this morning.
116 - So?
117 - Heh? Heh?
118 - So?
119 - So let's just say she went home a very happy woman.
120 - All right, man, you finally did it.
121 - Yeah.
122 - You know, "it"
123 - can mean a lot of things.
124 - No. "It" means one thing,
125 - and you either did it or you didn't.
126 - Okay, then we didn't,
127 - but we did plenty of good stuff.
128 - New stuff.
129 - Plenty of good, new stuff.
130 - God, man, you're bumming me out.
131 - Couldn't you have at least just lied to me?
132 - Uh, okay. We did it.
133 - Liar.
134 - So, do you like photos, man?
135 - Yeah, man. Sure.
136 - Okay. You got the job, man.
137 - Just like that?
138 - You don't have to interview anybody else?
139 - Nobody else showed up, man.
140 - So, what do I do here, anyway?

141 - Well, I don't expect a lot, man.
142 - Pretty much, if the hut doesn't burn down,
143 - it's been a good day.
144 - And even if it burnt down, man, it's cool,
145 - 'cause I got three or four more of these
146 - little huts somewhere.
147 - Hey, listen, if you see one of these huts,
148 - would you give me a call, man?
149 - Or even better, I could take a picture.
150 - Whoa.
151 - A picture of a photo hut.
152 - Hey, that'd be like art or something, huh?
153 - Hey, listen, man,
154 - I hope you don't mind if I pay you in cash.
155 - I don't like Big Brother
156 - getting into my business, you dig?
157 - Man, keeping the government out of it,
158 - I'm so with you.
159 - No. My big brother, man.
160 - He's always hitting me up for money.
161 - Oh. 'Cause you're the responsible one?
162 - Yeah. It's my curse, man.
163 - Hey, listen...
164 - I gotta go, uh...
165 - Do a thing at, uh... A place.
166 - Yeah, man. I hear that.
167 - So you want me to lock up when I'm done?
168 - Lock up.
169 - Wow. That's a great idea, man.
170 - Hey, you're one of those idea men, aren't you, man?
171 - Yeah. Maybe someday you'll be working for me, huh?
172 - Really?
173 - Aw, that'd be cool, man.
174 - Hey, but can I have Saturday night off?
175 - Cool.
176 - So, you know what?
177 - What?
178 - Oh, I can't tell you.
179 - Oh, my God. Now you have to tell me.
180 - Even if it's not about me, I want to hear it.
181 - I was really bad last night.
182 - Did you shoplift? I knew it.
183 - No.
184 - I slept with Eric last night.
185 - Oh, my God! Oh, my God!
186 - Was it great?

187 - Yeah. I was asleep.
188 - - Ew! - No.
189 - No, Jackie, we were both asleep.
190 - So nothing happened?
191 - Well, you know, some things happened.
192 - But we mostly slept.
193 - You mean you were in his bed
194 - and he didn't whine and beg for, like, two hours
195 - until you're so sick of hearing his stupid voice
196 - that you just gave in so he would shut up?
197 - No.
198 - I love him.
199 - He just, like, held me all night.
200 - Oh, my God! That's so sweet.
201 - Michael's just after me all the time.
202 - I mean, I understand 'cause I'm sexy and all, but still.
203 - Like, okay, he always, says,
204 - "Why cuddle when we can do it?"
205 - Well, was he always like that?
206 - No. No, I guess things kind of changed after we did it.
207 - But in a good way.
208 - I love it when Eric holds me.
209 - Yeah. I love it when Michael buys me stuff.
210 - Well, guys, I'm a little ashamed to admit this,
211 - but I got a job.
212 - Yeah. I'm thinking about getting a job
213 - at a chip factory.
214 - I gotta know how they do this.
215 - Yeah. Red won't let me get a job.
216 - He says if I don't study hard and get into college,
217 - once I turn 18, he's gonna kill me.
218 - I think he's serious, man.
219 - Hyde, did you ever stop to think
220 - how you working would make me
221 - go to the mall alone today?
222 - You didn't think, did you?
223 - No. Sorry.
224 - Hey, guys, check this out, man.
225 - Forman had Donna in his bed last night,
226 - and he didn't even do it.
227 - What's up?
228 - You're a bonehead, man.
229 - I'm not a bonehead.
230 - We did other stuff, and we cuddled.
231 - It was great.
232 - Sometimes when I'm alone, I just love to cuddle.

233 - Forman, look, she climbed up the trellis of your house,
234 - through your window,
235 - to get into bed with you and cuddle?
236 - Sorry, man. I never read that letter in Penthouse.
237 - Those stories are true, you know.
238 - Why would you just cuddle with her
239 - when you could do it?
240 - I mean,
241 - Forman, doing it is "it."
242 - That's why they call it "it".
243 - "It!"
244 - Guys, it was just one night.
245 - There are gonna be lots of other nights.
246 - Eric, opportunity does not knock
247 - and then ring the doorbell and then knock again,
248 - and then leave a note that says, "Sorry I missed you".
249 - And then call you on the phone...
250 - Yeah, yeah. We get it, Fez.
251 - I mean, we get it.
252 - What my foreign friend here is trying to say, Forman,
253 - is that you blew it, man.
254 - And you blew it, man.
255 - I'm losing my patience with you, man.
256 - You gotta get with her.
257 - There's nothing more beautiful
258 - than when two people fit together perfectly like...
259 - Well, like two of these potato...
260 - How do they do this?
261 - Hey.
262 - Yeah.
263 - You wanna eat this?
264 - No.
265 - Well, it's in there if you change your mind.
266 - I loved being here with you the other night.
267 - Great. 'Cause I love that you came over.
268 - It didn't, like, bother you
269 - that I was sleeping with you in your little single bed?
270 - No, it bothered me,
271 - but in a really good way.
272 - Good.
273 - Good. Um, so...
274 - You wanna come over tonight?
275 - Yeah, cool. I'd love to.
276 - Great.
277 - 'Cause I'm, like, wide open here.
278 - Cool. So I'll see you tonight?

279 - Okay.
280 - Jeez. You didn't eat that fish, did you?
281 - 'Cause I was just kidding.
282 - No.
283 - All right, then.
284 - Stop acting weird.
285 - Hello, Mr. Forman.
286 - How are you doing today?
287 - Damn!
288 - That pot's no good.
289 - That pot would not have boiled over
290 - had you put some salad oil in the water.
291 - So you know how to boil water.
292 - Don't you have someplace you need to be?
293 - Not really. If I go home too early,
294 - my host parents make me read Scripture.
295 - Well, why don't you, uh...
296 - - Go sit in the basement? - All right.
297 - Well, what do you know?
298 - Haji had it right.
299 - Hey, man.
300 - So this is where you work, huh?
301 - Yeah, that's what they say.
302 - Hey, won't you get in trouble if the boss shows up?
303 - Oh, no. Is the boss here?
304 - Hey, wait. I'm the boss.
305 - You know, maybe third time's the charm.
306 - Maybe this time it'll be really, really super.
307 - Ta-da!
308 - Oh, my gosh, Red.
309 - Fried chicken and mashed potatoes.
310 - Coleslaw.
311 - Oh, and a little half an ear of corn.
312 - Oh. I forgot the biscuits.
313 - Nice, huh?
314 - Oh, it's really nice!
315 - Where'd you hide the bucket, Red?
316 - Here.
317 - Have a Wet-Nap.
318 - All right. The Colonel.
319 - Oh, um, there you go.
320 - Well, now what is this?
321 - Look, I got a job, all right?
322 - And I don't wanna hear anything about "We're fine."
323 - Because I know money's tight around here
324 - and you won't let Forman work,

325 - so just take the money and drop it.
326 - Oh, he's a keeper.
327 - I'm gonna take that money
328 - and open him a savings account.
329 - Well, that's nice, Red.
330 - Or blow it all on booze.
331 - I still haven't made up my mind.
332 - Ah, it's my good friend Eric.
333 - So, what will it be?
334 - Gilligan's Island?
335 - Pinball? Stratego?
336 - You decide.
337 - Well, actually, Fez,
338 - Donna's coming over tonight,
339 - so I'm just here to get my Barry White album.
340 - Otherwise, I would just love...
341 - Blah, blah, blah. Just go.
342 - Oh, baby. I am ready for love.
343 - Why...
344 - Hello. I've been expecting you.
345 - Yawn. So, okay. You ready for bed?
346 - Sure. Okay.
347 - What, no Spider-Man sheets?
348 - Well, I just use those on wash day.
349 - Eric.
350 - Can we, like, slow down for a second?
351 - Sure.
352 - Well...
353 - Remember the other night,
354 - when we just, like, cuddled all night?
355 - I really liked that.
356 - Right. Yeah.
357 - But I was thinking,
358 - why cuddle when we could do it?
359 - Okay. You've been talking
360 - to those idiots in the basement again.
361 - No.
362 - Yes.
363 - Look, Eric, I know it's a long drive,
364 - and... And we're gonna get there.
365 - We're gonna get there.
366 - But, I don't know,
367 - I wanna see some trees along the way.
368 - Okay.
369 - But I'll be driving?
370 - You'll be driving, yes.

371 - You swear to God?
372 - I do. I swear to God.
373 - - Okay. - Okay, good.
374 - Because I do love you.
375 - But I'm not gonna take my pants off.
376 - - Okay. - Okay.
377 - Would you be more comfortable if I put mine back on?
378 - Mmm, might sleep better.
379 - Will do.
380 - Hey, what are you doin', man?
381 - You turn that thing off and get ready for work!
382 - I'm not working today, man.
383 - I got an earache.
384 - Earache, my eye! How'd you like a buttache?
385 - Now get your little fanny perpendicular and open the hut!
386 - You got it?
387 - What a hard-ass, man.

2.9 Episode 09: Eric Gets Suspended

1 - Hey, check it out. I got an "F" on my report card.
2 - An "F"? What'd you fail?
3 - English.
4 - Isn't that what we speak?
5 - Hey, I got a "B" in Spanish.
6 - When did I start taking Spanish?
7 - Whoa.
8 - Donna, that's a cigarette.
9 - Even worse, it's a menthol.
10 - You're gonna get suspended, little lady.
11 - When did you start smoking?
12 - What? You just saw me light it.
13 - That's ha, ha, ha. Come on, Donna.
14 - You know smoking causes cancer.
15 - I know, but it makes me look cool,
16 - so it's an even trade.
17 - Hold this?
18 - Oh, jeez, Forman, hold it like a man, would ya?
19 - Shut up!
20 - Wow, Donna, first you fail English,
21 - now you're smoking?
22 - Can I ask you what,
23 - what are you doing?
24 - Smoking. Failing.
25 - Hey, Forman.
26 - Smoking on school property?

27 - No, that's not his. That's mine.
28 - No, it's, uh...
29 - It's mine.
30 - Yeah.
31 - Mmm.
32 - Menthol.
33 - Eric, quit it.
34 - Yeah, ok. Let's go, Forman.
35 - Dios mio.
36 - No es bueno.
37 - Hangin' out
38 - Down the street
39 - The same old thing
40 - We did last week
41 - Not a thing to do
42 - But talk to you
43 - We're all all right
44 - We're all all right
45 - Hello, Wisconsin!
46 - Eric Forman's first suspension.
47 - I'm so proud.
48 - No way. Back up. Why'd he get suspended?
49 - Because he's stupid.
50 - They can do that?
51 - No.
52 - He told them it was his cigarette, and that's stupid.
53 - Please, Donna, stop.
54 - Don't fall all over yourself thanking me.
55 - I didn't need your help.
56 - Yeah, Forman.
57 - I think she wants to get in trouble.
58 - It's Donna's little cry for help.
59 - Help me! Help me!
60 - We hear you, Donna,
61 - and we love you.
62 - Get bent. You guys are jerks.
63 - Wait. Why am I a jerk?
64 - I don't even know what's going on.
65 - This is great.
66 - Why'd I even take the fall? I mean,
67 - Donna doesn't care.
68 - And, you know, Red's gonna kill me.
69 - Relax, Forman, he's not gonna...
70 - Oh, wait. Did you say kill you?
71 - Yeah, you're right.
72 - Hyde, this isn't funny. On Red's list of screw-ups,

73 - getting suspended from school is right up there with
74 - backing over my mom.
75 - Hey, man. Having a chick is about sacrifice.
76 - Like Jackie. She wants to decorate my van
77 - with some of her girly stuff, right?
78 - So I tell her she can have one stuffed animal.
79 - In the glove box.
80 - See? Sacrifice.
81 - Kelso, remember how you used to
82 - - put your whole fist in your mouth? - Yeah.
83 - Do it now.
84 - Damn, why is everybody so crabby today?
85 - What's in the suitcase?
86 - Stuffed animals for the van, remember?
87 - Look, Michael, I know we agreed on just one,
88 - but then I got to thinking,
89 - and well, I want them all.
90 - - But... - But what Michael?
91 - But...
92 - Okay.
93 - Oh, ease up on her, Kelso.
94 - You know, sacrifice is hard.
95 - So, my host parents
96 - set me up on a blind date,
97 - and she has a friend for you, Hyde.
98 - Finally. Somebody to love.
99 - And it gets better.
100 - They're not even blind.
101 - Get it? Blind.
102 - Screw you. That's funny.
103 - Oh, hi, honey.
104 - Your mom and I are going out tonight.
105 - It's happy hour at Swingles.
106 - What's Swingles?
107 - It's a singles' bar.
108 - No, it's a swingers' bar.
109 - Yeah, it's both.
110 - And you're neither.
111 - Don't get involved, Donna. This is grown-up stuff.
112 - Well, before you go, there's my report card.
113 - An "F"?
114 - Donna, we're very disappointed,
115 - and we're gonna have a long talk about this.
116 - Yes, we are.
117 - Right after happy hour.
118 - Provided we don't meet anyone.

119 - All right.
120 - I've learned my lesson, and I'll be sure to try harder.
121 - There's our girl.
122 - Ooh, wish us luck.
123 - Welcome home, smoker.
124 - Oh, no.
125 - The school just called.
126 - You're lucky I answered the phone and not Dad.
127 - You didn't tell?
128 - Eric, of course I didn't tell.
129 - Well...
130 - If it isn't Mr. Smoker.
131 - Oh, wait. Yes, I did.
132 - I'm nervous.
133 - Don't be nervous. You'll get sweaty.
134 - Oh, no. Too late.
135 - I can't help it. This is my first official American date.
136 - That's why I'm here, Fez.
137 - To help you out, man.
138 - Unless they're uggos, and then I'm gone.
139 - There they are,
140 - and they're not even uggos.
141 - No, they're hot.
142 - And the blonde's blonde and hot.
143 - Yes, and since I set us up on this date,
144 - she's mine, right?
145 - Well, I can see why you'd think that,
146 - but actually, since I came along to help you out,
147 - American custom dictates
148 - that I get the blonde.
149 - Once again, the local custom bones the foreign guy.
150 - America, man.
151 - Love it or leave it.
152 - This, this is Chamomile the camel.
153 - He can sit in the backseat,
154 - but llama Cass here,
155 - she has to sit up in the front with us.
156 - Well, Jackie, uh, it's just...
157 - I thought all you wanted was to put in one little animal.
158 - Well, I know, Michael, but this way
159 - there'll be even more things to remind you of me.
160 - Don't you like thinking about me?
161 - No, of course I do.
162 - Uh, the thing is...
163 - How can I say this without hurting your feelings?
164 - Oh. Okay.

165 - I don't want your stupid things in my cool van.
166 - - Oh! - What?
167 - No! I didn't say you were stupid.
168 - Just everything you like!
169 - Congratulations, Eric. You got suspended.
170 - Are you getting dumber?
171 - Gee, I don't think so.
172 - Look, Dad, I don't smoke.
173 - Daddy, if Eric's a smoker,
174 - and he lies about smoking,
175 - doesn't that make him a smoking liar?
176 - Okay, you know what? That's enough.
177 - Eric, have some more pot roast. Here.
178 - Here's some mashed potatoes,
179 - and here's a photo of a cancerous lung.
180 - Whoa!
181 - Mom, gross!
182 - Look, I don't smoke!
183 - Okay, well, either way,
184 - that is what's gonna happen to your lungs if you keep on smoking.
185 - Well, the way he's screwing up his life,
186 - death will be a sweet release.
187 - So I got that to look forward to.
188 - You got suspended, pal.
189 - How do you think your college interviews are gonna go?
190 - Well, looks like we have a model student here.
191 - Excellent grades,
192 - secretary-treasurer of the AV Club.
193 - Uh-oh, what's this?
194 - You were suspended?
195 - Yes, sir, for smoking.
196 - Well, we can't have a loser like you at our school.
197 - I'm sorry to say, you're not Princeton material, dumb-ass.
198 - Oh, if only
199 - I'd listened
200 - to my mother.
201 - Sorry.
202 - What a lesson I have learned.
203 - - Can I go? - Sure.
204 - Right after you smoke this entire pack of cigarettes.
205 - Yay, Daddy!
206 - Ooh, tear off the filters.
207 - Dad, you can't be serious.
208 - Have I ever not been serious?
209 - Dad, I'm telling you the truth.
210 - Okay, you have to take my word for it.

211 - I don't smoke.
212 - Your word, huh?
213 - It's all a man has.
214 - Well, now that's nice.
215 - What a load of crap. Light up!
216 - Hey.
217 - I heard Eric got suspended.
218 - Yeah, and we're all real proud.
219 - I'll tell you what, Red.
220 - I think Donna's been having trouble
221 - because Eric's a bad influence.
222 - Could be.
223 - But did you ever think the way you and Midge act like idiots,
224 - that might be screwing her up?
225 - Nope. I'm pretty sure it's Eric.
226 - Well, that's kind of stupid, Bob.
227 - Well, I guess the truth hurts.
228 - So does a swift kick in the ass.
229 - All right. I'm going.
230 - But a swift kick in the ass
231 - is not the solution to everything, Forman.
232 - I gotta disagree, Bob.
233 - - Gee, Dad. Thanks. - Keep sweeping, smoker.
234 - Will do.
235 - Jackie, get in the van!
236 - No!
237 - - Jackie, get in the van! - No!
238 - - Get in the van. - No!
239 - - Jackie... - No!
240 - Jackie, get in the van!
241 - - Hey. - Hi.
242 - So,
243 - what you wanna do? You wanna watch some TV,
244 - eat some ice cream or,
245 - I don't know, apologize to me?
246 - - I'm sorry. - Well, you should be.
247 - Okay. I'm sorry. I was expecting more of a fight.
248 - Did you get in a lot of trouble for the cigarette?
249 - Uh, surprisingly, yes.
250 - Turns out, Red has a temper, so...
251 - - Really? - Yeah.
252 - And, uh,
253 - your dad doesn't like me anymore.
254 - That's okay,
255 - 'cause I do.
256 - What's he doing here?

257 - Who?
258 - Maybe you should get off me
259 - so I could, like,
260 - run away.
261 - You better get out of here.
262 - Okay, fine. I'll get out of here.
263 - Actually, I think he was talking to me.
264 - Come on.
265 - Okay. Uh, boy, this is awkward
266 - with Donna and the yelling and the...
267 - So then my pastor said
268 - it's okay to get a "B" every once in a while.
269 - Nobody's perfect,
270 - except...
271 - You know who.
272 - You know, it's just so refreshing
273 - to meet someone whose beliefs
274 - are the complete opposite of mine.
275 - I know. Well, I'm Episcopalian,
276 - and my best friend's Presbyterian, but,
277 - we're still best friends.
278 - It's hard work, but it's worth it.
279 - I bet you make really good punch, huh?
280 - Oh, my gosh.
281 - The best.
282 - Yeah, I mean, these teachers
283 - think they deserve our respect, but they don't.
284 - I mean, who are they to teach us about history and math?
285 - I, too, am filled with rebellious sexual tension.
286 - Yeah.
287 - I mean, it's like Malcolm X said,
288 - "By any means necessary," right?
289 - You like Malcolm X?
290 - Hey, who doesn't like Malcolm X, huh?
291 - You've heard of Malcolm X in Panama?
292 - Oh, no. I'm not from Panama. I'm from...
293 - Hey, Fez, come here.
294 - American custom be damned.
295 - I want you to have the blonde.
296 - Oh, my God.
297 - Blondes are notorious whores.
298 - Thank you, Hyde.
299 - Not a problem.
300 - Hi.
301 - Bye.
302 - Come on, Jackie. Just get in the van.

303 - No.
304 - - Jackie, just get in the van. - No.
305 - - Jackie. - No.
306 - - Get in the... - No.
307 - - Jackie. - No!
308 - Jackie, get in the van!
309 - No.
310 - All right.
311 - I'm just gonna leave now.
312 - Bye.
313 - Aw, damn it, Jackie, get in the van!
314 - Nope.
315 - I heard G-11.
316 - So, naturally I yelled out "Bingo!"
317 - Boy, was the pastor cheesed at me.
318 - Great story.
319 - So you are a blonde?
320 - Yeah. Natural.
321 - I can't believe you like all the same bands that I like.
322 - Yeah. I just like music
323 - that's passionate and rebellious
324 - and really pisses off my dad.
325 - Oh, Patty, don't say piss.
326 - Oh!
327 - Hey, you know what'd really piss off your dad?
328 - You and me grab a 12-pack
329 - and stay out all night.
330 - Oh, I can't. I have a big test tomorrow.
331 - That's funny.
332 - Let's go.
333 - No, really. I've gotta go study.
334 - Study?
335 - You don't study. You've got a tattoo.
336 - Look, Hyde, rebellion is cool and all,
337 - but I want to get into a good college
338 - so I can fight the system from the inside.
339 - It was nice meeting you, though. Mary?
340 - Oh, no. Go ahead without me.
341 - So, Fez, um,
342 - my parents aren't home.
343 - Wanna come back to my house? I have a hot tub.
344 - That would be super.
345 - Donna, is it me, or...
346 - Does your dad hating me make me even more sexy?
347 - Sure.
348 - Yeah,

349 - I think he senses my bad-boyness.
350 - Yeah, Eric, you're a parent's worst nightmare.
351 - Yes.
352 - Yes, I am.
353 - Mom, what are you doing?
354 - Nothing.
355 - And you, you just...
356 - You do as I say, not as I do.
357 - Oh, hey, Mom, cool.
358 - Give me a drag.
359 - Okay, see? Now Laurie is doing as I do.
360 - That is wrong.
361 - What's going on out here?
362 - Eric, are you smoking again?
363 - I think he is, Daddy.
364 - No, he is not.
365 - I don't smoke!
366 - I think this might be my fault.
367 - I think he is, he's just imitating me
368 - so he can look cool.
369 - Mr. and Mrs. Forman,
370 - Eric got caught holding my cigarette at school.
371 - I'm the one who was smoking.
372 - Oh?
373 - Well, Donna, thank you for your honesty.
374 - What?
375 - You... How come you believe her?
376 - I told you I don't smoke.
377 - Okay. I'm gonna go home now,
378 - so, uh, good night.
379 - Eric's not in trouble now?
380 - Fine!
381 - Well, now.
382 - I think you have something to say to Eric.
383 - Oh, yeah, uh...
384 - Nice job on the driveway.
385 - Red.
386 - Okay. Just...
387 - Okay. I'm gonna say I'm sorry,
388 - but, you know, you do lie a lot.
389 - What have I lied about?
390 - You've lied about the beer keg,
391 - the dent in the Vista Cruiser.
392 - You lied when you said
393 - you weren't taking the car out of town.
394 - Wait. You knew about that?

395 - - I do now. - Oh!
396 - Ha!
397 - We're even.
398 - Oh, Dad, you've gotta be kidding me.
399 - Okay.
400 - I'm sorry I made you smoke all those cigarettes.
401 - Okay.
402 - Yeah.
403 - That's okay.
404 - Actually, I kind of liked 'em.
405 - Watch it.
406 - No, no. I bet they'd go great with beer.
407 - So does a swift kick in the ass.
408 - Jackie, get in the van!
409 - No.
410 - All right, fine. I give up!
411 - I give up!
412 - You can keep your stuffed animals in the van.
413 - Do you really mean it?
414 - Yeah.
415 - But just one.
416 - - Five. - Two.
417 - - Four. - Three.
418 - Deal.
419 - Oh!
420 - Five.
421 - All right, five.
422 - - Six. - Fine!
423 - So, you have me in your tub.
424 - If you are trying to send a sexy message,
425 - then message received.
426 - Well, Fez...
427 - I know we made out in my parents' bedroom,
428 - and I know we frenched in the pool house,
429 - and I know that may seem romantic to some people...
430 - Tell me something I don't know.
431 - I have a boyfriend.
432 - See? That I did not know.
433 - Fez, I really like you, but
434 - he's in college,
435 - and we're still faithful.
436 - I see.
437 - You know,
438 - there are many ways to remain faithful
439 - yet still have fun.
440 - Really?

441 - Oh, yes.
 442 - Ah...
 443 - That's much better.
 444 - - Hey. - Hey.
 445 - So...
 446 - I told Bob and Midge that it was my cigarette.
 447 - And how'd that go?
 448 - Really good. They grounded me.
 449 - Cool. Ha, ha.
 450 - So what are you doing over here?
 451 - Snuck out.
 452 - Being grounded makes it so much naughtier.
 453 - You know, Donna,
 454 - I'm not gonna tell you what to do,
 455 - but
 456 - failing classes is not the only way
 457 - to get attention from your parents.
 458 - I mean,
 459 - for instance, a lot of girls,
 460 - when they're having a bad time at home, just
 461 - go slutty.
 462 - You know what, Eric?
 463 - You're right.
 464 - Let's have sex right now.
 465 - - Really? - No.
 466 - Stop doing that!
 467 - - Michael, get in the van. - No!
 468 - - Michael, get in the van. - No!
 469 - - Get in the van! - No.
 470 - - Michael! - No.
 471 - - Get in the van. - No!
 472 - Fine.
 473 - Hey!
 474 - No, wait! Jackie!
 475 - Jackie, it's my van!
 476 - Jackie!

2.10 Episode 10: Red's Birthday

1 - Who's the birthday boy?
 2 - Who's the birthday boy?
 3 - The, um, good-looking guy to your left?
 4 - That's right.
 5 - Happy, happy, happy, happy birthday, Red
 6 - Would the special birthday boy
 7 - like a special birthday present?

8 - Oh... It's already unwrapped.
9 - And, uh, just my size, too.
10 - Oh, my.
11 - Well...
12 - Happy birthday to me.
13 - Hangin' out
14 - Down the street
15 - The same old thing
16 - We did last week
17 - Not a thing to do
18 - But talk to you
19 - We're all all right
20 - We're all all right
21 - Hello, Wisconsin!
22 - Yeah?
23 - - Hey, man. - Hey, what's up?
24 - Well, it's Red's birthday
25 - and I gotta get him a present, so...
26 - Where do your parents keep their booze?
27 - Pretty much everywhere.
28 - Cool.
29 - Okay.
30 - Red Forman, you know him, you love him.
31 - What do you think, blueberry brandy or peach schnapps?
32 - Hmm...
33 - Definitely the schnapps.
34 - My thoughts exactly.
35 - This one's for me.
36 - Oh, I see your father left me another message.
37 - God, he's an ass.
38 - Hello, Mom? I have company.
39 - Oh, I didn't see you there, Steven.
40 - Isn't Bob an ass?
41 - Okay, um, my parents are freaks
42 - and I'm sorry you had to see that.
43 - Oh, yeah?
44 - Donna, I don't want you reading this.
45 - Dad, Hyde's here.
46 - Well, you can read it 'cause you'll appreciate it.
47 - But not you.
48 - This sucks.
49 - Well, you wanna talk about it?
50 - No.
51 - You know, they want to date other people.
52 - - Your mom's dating? - Mmm-hmm.
53 - So where am I? Do I have a shot?

54 - Oh, could you please date my mom?
 55 - That would make my life so much better, Hyde.
 56 - Hey, call me Dad.
 57 - Yeah, but you know what the worst part is?
 58 - Watching your parents split up and knowing
 59 - there's not a damn thing you can do about it.
 60 - Exactly.
 61 - And you know what else?
 62 - My mom moved out of their bedroom,
 63 - into the guest room.
 64 - Yeah, it sucked when my dad split.
 65 - But I can honestly say
 66 - that my parents' divorce
 67 - made me the man I am today.
 68 - Oh, man, am I going to go crazy
 69 - and think the government's out to get me, too?
 70 - The government is out to get you.
 71 - Okay, now I want your father to enjoy this birthday,
 72 - so we're all going to try our best to make it good.
 73 - Except for Laurie, who's going to stumble in
 74 - smelling like cigarettes and beer.
 75 - Hey, at least I'm here.
 76 - Well, you better be here with a present.
 77 - I gave you 20*yesterday*.
 78 - *God, relax.*
 79 - *Oh, you can it, Laurie.*
 80 - *- Yeah, can it, Laurie. - Can it, Eric.*
 81 - *Yeah, can it, Eric.*
 82 - *- I thought I told you to can it. - Can it.*
 83 - *Why don't you both can it?*
 84 - *Can it!*
 85 - *Oh, look, it's the birthday boy.*
 86 - *Daddy!*
 87 - *Come on in, birthday boy.*
 88 - *Open your presents.*
 89 - *I wonder what's in the big one?*
 90 - *Is it a Corvette?*
 91 - *No, it's, uh, 2x4s.*
 92 - *For the roof.*
 93 - *Oh, yeah.*
 94 - *Thanks for reminding me.*
 95 - *Here you go, Red. This will help you forget.*
 96 - *Happy birthday, man.*
 97 - *Daddy!*
 98 - *This is for you.*
 99 - *Well. Let's see here.*

100 – *Well!*7.
 101 - Isn't that something?
 102 - Thanks, sweetie.
 103 - If I don't have 13*onmydresserbytonight,*
 104 – *thensohelpmeGod...*
 105 – *Thecardcost50cents.*
 106 – *Fine,12.50* and I want a receipt.
 107 - Whatever.
 108 - Okay, boys, thank you for the wood...
 109 - And the booze.
 110 - Okay, now... Now,
 111 - one more present.
 112 - Ooh.
 113 - Underwear!
 114 - Oh, damn it.
 115 - Well, happy birthday.
 116 - So, is the happy birthday fun over yet?
 117 - No.
 118 - Bob and Midge want to take us out to dinner tonight.
 119 - Bob and Midge!
 120 - Kitty, it's my birthday.
 121 - I know, but they like you,
 122 - and they want you to have fun on your birthday,
 123 - like I do.
 124 - If they really liked me, they'd leave me alone.
 125 - Man, last night we could hear the Pinciottis fighting
 126 - all the way across the driveway.
 127 - It was horrible.
 128 - It was all,
 129 - "You're the devil, Midge!"
 130 - "Oh, Bob, shut up."
 131 - "Oh, Bob, shut up!"
 132 - That's classic.
 133 - Man, if you get any dumber
 134 - you're gonna need a helmet.
 135 - What a bummer for Donna, huh?
 136 - I can't believe they're sleeping in separate bedrooms.
 137 - Yeah, I know.
 138 - Wait, I don't know.
 139 - What are you talking about?
 140 - Well, Hyde knows something about Donna
 141 - that Eric does not know.
 142 - This is an interesting development.
 143 - Let's watch.
 144 - Midge is sleeping in the guest bedroom, man.
 145 - How did you know that?

146 - Did Donna tell you that?
147 - Look, Forman, it's not a big deal.
148 - I guess she's just telling me stuff
149 - that she's not telling you.
150 - See, this is why communication is so important.
151 - Now, Michael and I...
152 - Uh, excuse me, we were talking about Donna and me and how...
153 - Oh, hush. No one cares.
154 - Now, Michael never keeps secrets from me.
155 - Do you, sweetie?
156 - Huh?
157 - Oh, no, no. Never.
158 - Michael, you hesitated.
159 - Why did you hesitate?
160 - No, I didn't hesitate.
161 - Did I, Hyde?
162 - Yep.
163 - Fez?
164 - Oh, yes. If you really loved her,
165 - you would not have hesitated.
166 - Ah!
167 - Conversation, Michael.
168 - - The van, now. - No!
169 - No, I didn't hesitate!
170 - You guys are dead!
171 - Well, so what do you think, birthday boy?
172 - 'Cause I think it's gonna be fun.
173 - Well, you know, good food, old friends.
174 - This might not be too bad, Kitty.
175 - Hey, hey, the gang's all here!
176 - This is my date Carol.
177 - And this is my date Ted.
178 - You brought dates?
179 - We sure did.
180 - Happy birthday!
181 - Yeah, Carol here is just terrific.
182 - She loves horses.
183 - I love horses!
184 - And Ted's a marriage counselor.
185 - Well, you have just done a lovely job with these two.
186 - Hey, thanks. Hoo-hah.
187 - Right.
188 - So you two are going to save your marriage
189 - by dating strangers.
190 - Great.
191 - When you say it like that, Red,

192 - it sounds stupid.
193 - Okay, Midge.
194 - Say it so it doesn't sound stupid.
195 - Okay, here.
196 - Now maybe this cheese toast
197 - will make your birthday happy.
198 - No, Kitty, I think I've lost my appetite.
199 - God, that is a great-lookin' T-bone.
200 - Is there butter on this?
201 - Hoo-hah.
202 - Right.
203 - Now, I'm gonna eat this steak,
204 - but first I'm gonna make a birthday wish.
205 - Here it is.
206 - I wish...
207 - Everyone would shut up.
208 - Something wrong?
209 - No.
210 - So, is there anything on your mind?
211 - Something you might want to, you know,
212 - - talk to your... - No.
213 - Don't take no for an answer.
214 - She talked to Hyde,
215 - get her to talk to you.
216 - Get her... On, my God,
217 - that can't be her tongue, can it?
218 - How is she doing that?
219 - So soft, so...
220 - Wait! Focus! Talk!
221 - So, uh, nothing on your mind?
222 - Nothing...
223 - That's a pretty little shirt.
224 - Holy God, she's sucking my tongue.
225 - She is sucking my tongue.
226 - Oh, my God, even her spit is sweet.
227 - It's like liquid Jolly Rancher.
228 - There's something wrong with me.
229 - No, there's not, I'm 17.
230 - Wait!
231 - So, nothing...
232 - Uh, to confide in me?
233 - Eric. Your boyfriend.
234 - Well, okay, here's something.
235 - I love making out with you.
236 - There. So we talked.
237 - Yeah, that was nice.

238 - Horses are beautiful.
239 - And they're very smart.
240 - They can count, you know.
241 - Oh, honey, honey,
242 - you... You just... You just gotta shut up.
243 - Speaking of, has anyone read Equus?
244 - I gave a copy to Midge,
245 - but, no offense, sweetie...
246 - It may be a little too deep for her.
247 - Wait a minute.
248 - What do you mean, "No offense?"
249 - Well, I mean, don't be offended.
250 - Oh.
251 - Listen, you insult my wife one more time,
252 - you're gonna be wearing your steak as a hat.
253 - Hey, I... I'm sorry.
254 - Oh, Bob, that was so sweet.
255 - Like in high school, when you used to hit people
256 - just for looking at me.
257 - - Remember? - Of course I remember.
258 - I still have the scar
259 - from Joe Abbruzzi's dental plate.
260 - You big bear.
261 - I, uh, left my wallet in the car, Midge.
262 - I left my... Sex with Bob in the car.
263 - Bye!
264 - Check, please!
265 - Ah.
266 - There you go, that's for you.
267 - Come on, Kitty.
268 - Donna wouldn't even talk to me.
269 - She just kept sticking her tongue down my throat.
270 - Oh, boo-hoo, Forman.
271 - You get to fool around with a totally hot chick
272 - and you never have to talk about her feelings?
273 - You poor, French-kissing bastard.
274 - Yeah, Hyde's right.
275 - One time I asked Jackie what was wrong,
276 - and she didn't shut up for, like, three straight days.
277 - You know, Kelso,
278 - sometimes you do not know what you have
279 - until it is gone.
280 - And then someone else has it
281 - and it is not you.
282 - And then that someone else is really happy.
283 - What are you talking about?

284 - You don't know what he's talking about?
285 - That's it. Get the helmet.
286 - Kelso, put this on.
287 - Shut up. I'm not putting the helmet on.
288 - Now what are you talking about?
289 - I'll tell you what I am talking about
290 - if you put the helmet on.
291 - Fine.
292 - If you don't take care of Jackie,
293 - you are going to lose her.
294 - That's just stupid.
295 - Look, Hyde, all I know
296 - is that you're talking to my girlfriend,
297 - and I don't like it.
298 - Hey, man, I was friends with Donna
299 - before you ever became her little boyfriend.
300 - Hyde, you're pissing me off.
301 - Why don't you think, Forman?
302 - You get to make out
303 - with one of the hottest chicks in Wisconsin,
304 - while I'm being all sympathetic
305 - and relating my crappy life to her,
306 - and I'm pissing you off?
307 - You're supposed to be the friend
308 - and I'm supposed to be the make-out guy.
309 - Now that I think about it,
310 - you're pissing me off!
311 - What the hell kind of a world are we living in?
312 - "Hey, let's date other people!"
313 - "Hey, let's date other people
314 - "but ditch 'em and do it in a car!"
315 - That's enlightened?
316 - In my day, we called them degenerates,
317 - and we stoned them.
318 - With big rocks.
319 - Oh, you did not.
320 - Well, we should have.
321 - Well, you know...
322 - Your birthday's not over for another two hours.
323 - Oh, Kitty.
324 - We have no ceiling on our bedroom.
325 - What if a plane flew over?
326 - Okay.
327 - Well, the kids are out.
328 - There's a big comfy couch in the living room.
329 - You know what I love about you?

330 - What?
331 - Lots of stuff.
332 - Come on.
333 - I'll race you.
334 - Hey, Red, Mrs. Forman.
335 - How was your night?
336 - What the hell are you doing in my living room?
337 - Watching Star Trek.
338 - In color.
339 - See, that guy? He's one side black and one side white.
340 - And the other guy is one side white and one side black.
341 - In color!
342 - This house is always littered with kids.
343 - It's like we're Mormons.
344 - Okay, come on. Follow me, sailor.
345 - Red needs to control his anger.
346 - I heard that!
347 - Oh, I know!
348 - Let's go to the basement.
349 - Oh, Kitty.
350 - I just want this day to be over.
351 - No.
352 - This day is not over.
353 - I wanted you to have a nice birthday.
354 - You know, sometimes birthdays are not just about you.
355 - They are about the people around you
356 - who want you to have a nice birthday.
357 - So, it's about me.
358 - Now get downstairs
359 - and get those pants off, mister!
360 - Okay, move it!
361 - Donna.
362 - I'm glad you're here.
363 - I... I've been thinking about this a lot,
364 - and, uh...
365 - I'm not mad anymore.
366 - Okay.
367 - Mad about what?
368 - Oh. Well, uh...
369 - Hyde told me that you two talked
370 - about your home situation...
371 - You guys talked about me?
372 - Yeah...
373 - Well, see, but Kelso was wearing a helmet,
374 - so he only heard, like, half of it.
375 - And I'm not really sure about Fez's grasp of English.

376 - I mean, he nods a lot, but...
 377 - I can't believe you guys talked about me.
 378 - Well, to be honest,
 379 - it was a lot of Hyde with the, uh,
 380 - "Donna and the parents and the separate bedrooms..."
 381 - And I'm all like, whoa, hold up there, Hyde.
 382 - I don't think she'd like you talking about her.
 383 - God!
 384 - No, I... Just hear me out.
 385 - I don't know why you talked to Hyde,
 386 - but
 387 - I forgive you.
 388 - You forgive me?
 389 - No, what I'm saying...
 390 - You don't have to do that anymore.
 391 - Because I'm here for you.
 392 - Okay, thanks loads, Eric,
 393 - but you can't help me with this.
 394 - Your family is... A family.
 395 - Donna, to be fair, you didn't even give me a chance.
 396 - You never came to me with this.
 397 - All right, fine. You know what?
 398 - You want to be part of this whole thing?
 399 - You do? Fine.
 400 - My parents, they're on a freakin' date right now.
 401 - Well, you know, that's nice.
 402 - With other people.
 403 - You know, the more the merrier.
 404 - It takes some of the pressure off.
 405 - They're each dating the other people.
 406 - But they're married.
 407 - Oh, God!
 408 - - See? - I mean...
 409 - I don't know.
 410 - Hey, Donna, Eric, glad you're here.
 411 - Great news.
 412 - Your father and I had sex.
 413 - Oh, my God.
 414 - In the car.
 415 - Oh, my God!
 416 - Well, that's... Super!
 417 - Hey, isn't that... Is that super, Donna?
 418 - So, are you guys, like, back together?
 419 - Oh, no.
 420 - Yeah, why ruin a good thing?
 421 - Okay, so...

422 - What's your take on that?
423 - I got nothing.
424 - What am I gonna do?
425 - I don't know.
426 - So, hey, who's your stupid boyfriend?
427 - Uh, you are.
428 - Hey, at least I'm trying to get smarter, right?
429 - Thank you.
430 - Say it.
431 - I do not keep secrets from you.
432 - Again.
433 - I do not keep secrets from you.
434 - Again.
435 - I do not keep...
436 - Aiiyy! Shut up!
437 - I am going insane.
438 - Kelso, if you want to possess a woman,
439 - this is what you need to do.
440 - I, as a mortal, am not worthy of your love.
441 - You are a goddess and I worship you.
442 - And I dedicate every moment of my waking life
443 - to your joy.
444 - Okay, what he said.
445 - Oh, Michael.
446 - I don't know any Mormons that do that.
447 - Not without a permit, anyway.
448 - You know, Kitty,
449 - this ended up being a pretty good birthday after all.
450 - Oh, yay!
451 - - Happy birthday. - Thanks.
452 - What is this?
453 - Ah, corn chips.
454 - Birthday boy.
455 - Something's not right here, man.
456 - I'm getting a really weird vibe,
457 - like before a tornado.
458 - Or Dracula.
459 - Something bad has happened here.
460 - Something horrible.
461 - Michael... Michael, I'm frightened.
462 - Well, whatever it was
463 - made the couch nice and warm.
464 - Someone's been eating my chips.

2.11 Episode 11: Laurie Moves Out

1 - So, um, Laurie's almost all packed.
2 - I can't believe my little girl is movin' out.
3 - Which reminds me,
4 - when are you leaving?
5 - Never,
6 - 'cause I love it here.
7 - Right.
8 - Kitty, do you really think this is a good idea?
9 - I mean, it might be a little soon for her to be on her own.
10 - Red, she is gonna be fine.
11 - She's gonna split rent with a girlfriend.
12 - She doesn't even have a job.
13 - Well, she is gonna get a job.
14 - Oh, that reminds me. Can I have her room?
15 - No. I already gave it to Steven.
16 - But I'm your son...
17 - Daddy.
18 - Oh, man, would you look at this place.
19 - It's kind of girly.
20 - It's a girl's room, Hyde.
21 - Oh, so all those guys, they were just passin' through?
22 - Well, that's over.
23 - Welcome to Hydeville, baby.
24 - You know, if I cared about this dump at all,
25 - that would totally creep me out.
26 - Come on, Laurie, you're gonna miss your room.
27 - It's not like you have no feelings
28 - ever
29 - about anything.
30 - Yes!
31 - I'm so psyched!
32 - Aw.
33 - Did you finally figure out how a Thermos works?
34 - No, I'm psyched about your new place, you know.
35 - 'Cause whenever we fool around here,
36 - I'm always afraid that Jackie's gonna catch us.
37 - You know, I don't want to hurt her 'cause I love her.
38 - You know, so this is great. It solves everything.
39 - Kelso, you are not allowed anywhere near my new place. Ever.
40 - Laurie...
41 - You know what? You freaks, you got about two minutes
42 - to deal with this little drama here,
43 - then get the hell out of my room.
44 - Whoa.

45 - I see what's goin' on here. You're breakin' up with me.
46 - No.
47 - For me to break up with you,
48 - there would have to be something between us to break.
49 - Oh!
50 - I cannot believe that you are being such a...
51 - Bitch?
52 - Duh.
53 - Look, Kelso...
54 - It was fun and sweaty and all,
55 - but you're just the guy I fooled around with
56 - when there was nothing good on TV.
57 - Sorry.
58 - Well, maybe there won't be anything good on TV at your new place!
59 - Oh, damn! There's always somethin' good on TV.
60 - Hangin' out
61 - Down the street
62 - The same old thing
63 - We did last week
64 - Not a thing to do
65 - But talk to you
66 - We're all all right
67 - We're all all right
68 - Hello, Wisconsin!
69 - Hey, Kelso, look who's here. It's Jackie.
70 - Hi, Jackie.
71 - God, Laurie, I can't believe you're moving.
72 - I know we didn't spend much time together,
73 - but I think some of my good taste was rubbing off on you.
74 - And I'm so happy for that.
75 - Thanks, Jackie. I'm gonna miss you, too.
76 - Oh, hey, Kelso, I almost forgot.
77 - I found a T-shirt of yours when I was cleaning out my room.
78 - Say, how'd that get there?
79 - That's funny.
80 - No, this isn't even mine.
81 - Yeah, no, this must be Eric's shirt.
82 - Your mom sewed your name in it, Michael.
83 - Man, Eric's gonna be pissed, huh?
84 - Yeah, 'cause I... See, I borrowed Eric's shirt
85 - 'cause mine wasn't working right...
86 - And, uh, then my mom must have sewn my name in it.
87 - Mmm, I don't know, Michael.
88 - What, do you think I'm lying?
89 - Jackie, if I were lying, I'd come up with a lot better lie than that.
90 - Yeah, you'd think so.

91 - So, Laurie's definitely moving out?
 92 - And it's definitely over with her and Kelso?
 93 - Well, she is moving all the way across town.
 94 - I mean, she is slutty, but...
 95 - I mean, she hates to commute, so...
 96 - Good.
 97 - Good, because Kelso's a rat bastard,
 98 - and I'm not covering for him.
 99 - Donna,
 100 - relax. It's over.
 101 - So now you can get back to pleasing your man.
 102 - Eric, please leave. I have to talk to Donna alone.
 103 - Well, okay, 'cause, I mean, it's not like this is my home or...
 104 - Eric!
 105 - Jackie, you have something you want to ask me?
 106 - See, I'm kind of worried about Michael and Laurie.
 107 - I mean, she found his T-shirt in her room,
 108 - and he said it wasn't his, even though it had his name in it.
 109 - And at that time, I believed him,
 110 - but now I can't remember why.
 111 - But if there is something going on,
 112 - I think I want to know...
 113 - But I don't want to know.
 114 - God, I don't even know if I want to know, you know?
 115 - I'm supposed to say...
 116 - Donna, you're supposed to say that there's nothing going on,
 117 - that Michael loves me, and we're together,
 118 - and that's all that matters.
 119 - That sounds good.
 120 - God, you're so naive!
 121 - Isn't there, like, someone else you can talk to about this?
 122 - Yeah, well, I used to have this pen pal in Nicaragua,
 123 - but she just stopped writing after this hurricane thingy.
 124 - Your new room is very pretty.
 125 - Like a flower or a girl.
 126 - You know, people might see this room and think you are the gay.
 127 - I don't think so, Fez.
 128 - Oh, Hyde, you would be surprised
 129 - how easily people can make that mistake.
 130 - Hey, Hyde, thanks for your help with Jackie, man.
 131 - Sure thing, man.
 132 - Okay, Hyde, do you know what sarcasm is?
 133 - No.
 134 - Hyde, man, you almost got me caught.
 135 - I almost got you caught?
 136 - "My mom sewed my name in Eric's shirt"?

137 - You are so lame, man.
138 - Well, you know, half the time you act
139 - like you want me to get caught.
140 - Kelso, you're my friend.
141 - I don't want you to get caught.
142 - 'Cause if you get caught, then my fun is over.
143 - Right?
144 - So I'm just trying to prolong your suffering.
145 - Well, okay, that's a little better.
146 - All right.
147 - - Friends for life, baby. - Yeah.
148 - Well, Steven's getting all settled in.
149 - He'd better not change anything.
150 - I don't want him messing with my little girl's room.
151 - I mean, you know how he is.
152 - Messy, dirty, foul.
153 - What if she has to move back home?
154 - Oh, Red, she is gonna be fine.
155 - Oh, I know, Kitty, you think that she is all grown up,
156 - but there's still a lot that she doesn't know.
157 - I mean, what if her place doesn't have a deadbolt?
158 - Or a smoke detector?
159 - Red, you don't have to baby her. She's 20.
160 - You're never too old to burn to death in a fire.
161 - Well, would you look at this.
162 - She even found a place in a nice neighborhood.
163 - Ain't she somethin'.
164 - Well, I hope she hasn't had breakfast yet...
165 - Or a fire.
166 - Can I help you?
167 - Uh... No, got the wrong apartment, I guess.
168 - Sorry.
169 - Not a problem.
170 - Uh, wait, is Laurie there?
171 - Oh, yeah.
172 - Uh, hold on a second. Honey.
173 - Oh, hi, Daddy.
174 - Damn it all to hell!
175 - Honey, what's wrong?
176 - What's wrong? Everything is wrong.
177 - Damn kids today, they wouldn't know responsibility
178 - if it walked up and bit 'em in the ass.
179 - Get a job?
180 - Ha!
181 - It's just party all night,
182 - dance all day,

183 - and sex everywhere in between!
184 - Sickening!
185 - Laurie's living with a boy.
186 - Yes.
187 - Just...
188 - Just one boy, right?
189 - Yeah, I think so.
190 - Well, now, see? It could have been worse.
191 - Laurie's busted.
192 - This is, and I don't think I'm exaggerating here,
193 - the greatest day in the history of time.
194 - Except maybe the day cheese was invented.
195 - I love the cheese.
196 - Wow, man,
197 - she's gone one day,
198 - and she's already got a new guy.
199 - Kelso, you heartbreaker, you.
200 - Yeah, I'm havin' a horrible day.
201 - Laurie's gone and Jackie's all suspicious of me.
202 - And I'm gettin' no lovin'. None.
203 - I can't be me without lovin'.
204 - Kelso...
205 - If you want to keep Jackie, man,
206 - and trust me, you don't,
207 - you gotta act innocent, okay?
208 - Let's practice.
209 - So, did you fool around with Laurie?
210 - You know I did!
211 - Dumb-ass, no, man! Complete denial.
212 - Watergate. Learn.
213 - So, did you fool around with Laurie?
214 - Yeah.
215 - Wait, no. I mean, no!
216 - Wait, I mean, yeah.
217 - No, see, this isn't gonna work.
218 - It was just so perfect.
219 - If I could go back in time,
220 - I'd just relive that moment over and over again.
221 - "Hi, Daddy."
222 - "Hi, Daddy."
223 - "Hi, Daddy."
224 - Just tell Jackie the truth.
225 - Then, if she leaves you for another man,
226 - whoever he might be,
227 - no hard feelings.
228 - You do not need Jackie.

229 - Sweet, luscious Jackie.
230 - You are an evil little foreign man.
231 - Don't ever change.
232 - Look, Kelso, all right,
233 - I'll help you out with Jackie, man.
234 - I'll talk you through the whole thing step by step.
235 - Thanks, man.
236 - You know, I guess it was wrong,
237 - what I did with Laurie.
238 - But I was just amusing myself, you know?
239 - And that's the key to life, right?
240 - Never stop amusing yourself.
241 - Unless it starts to chafe.
242 - Then you should take a week off.
243 - It's almost Tuesday, right?
244 - Eric,
245 - I'm asking you,
246 - have I been a bad father?
247 - Maybe I've been too hard on her.
248 - I mean, for God's sake,
249 - I think I'm a fair man.
250 - Right?
251 - Eric, I'm talkin' to you.
252 - Does this need more mayonnaise?
253 - Get out of here!
254 - Thank you.
255 - Boy, Kitty,
256 - we got a pair to beat a full house, that's for sure.
257 - Well, Red, relax. You're overreacting.
258 - I'm overreacting?
259 - Well, I'll tell you what, Kitty,
260 - people are gonna talk.
261 - Her livin' with that guy.
262 - Red, it doesn't matter if people talk.
263 - Laurie is still a part of this family,
264 - which is why I invited her to dinner tonight.
265 - Oh, no, no, no, Kitty. I'm not ready for that.
266 - Oh, that's sweet,
267 - the way you say that like you have a choice.
268 - Look, Kitty...
269 - She's coming.
270 - Well, I'm glad we're all eating dinner together as a family.
271 - Yeah, it's nice,
272 - especially since Laurie could make it from all the way across town,
273 - where she lives
274 - with some guy

275 - in sin.
276 - Are you ever gonna hit puberty?
277 - Oh.
278 - Ow. But you know
279 - what's really sad is that you got no respect for yourself
280 - or this family.
281 - Daddy.
282 - Well, he's not wrong.
283 - But... But, Daddy...
284 - Red.
285 - Well, Kitty,
286 - who's gonna buy the cow
287 - when they get the milk for free?
288 - You know,
289 - Dad, it's not like she's hooking...
290 - Or some other less bad example.
291 - I mean, she's just livin' with a guy,
292 - and it is the '70s now, right?
293 - What are you babbling about?
294 - Well, maybe...
295 - Maybe I just think you're being a little hard on her.
296 - Well, that's nice, Eric,
297 - but right now I am too angry
298 - to pretend to give a crap about what you think!
299 - These are great potatoes, Mrs. Forman.
300 - Thanks, Eric.
301 - Yeah, sure.
302 - Okay, why don't you boys take your plates in
303 - and watch some McMillan Wife.
304 - You know, just once today I'd like to finish a meal
305 - without getting chased out of the room.
306 - Well, Laurie, you better stop your lying and face up to this one.
307 - Just look at what you're doing to your father.
308 - Mom, I'm an adult, okay? - No, no.
309 - No, an adult would have told the truth
310 - and not lied about moving in with a girlfriend,
311 - which I knew wasn't true.
312 - Well, Mom, if you already knew,
313 - then why didn't you tell Dad?
314 - Then we wouldn't be in this mess!
315 - Oh, good God,
316 - Rosemary had a better baby than me.
317 - Okay, you've been acting kind of weird
318 - ever since Laurie gave you that T-shirt, Michael.
319 - First off, act innocent.
320 - I don't know what you're talking about, Jackie.

321 - Of course, she'll explain herself.
322 - It's like you're hiding something.
323 - But you just stick to your original story.
324 - I'm sticking to my original story!
325 - Now, she'll be skeptical...
326 - Uh-huh...
327 - So go on the offensive.
328 - You know, Jackie, you're just being paranoid...
329 - And that hurts.
330 - Because you don't trust me,
331 - and other stuff.
332 - And then, she'll be so embarrassed,
333 - she'll cave and apologize to you.
334 - Fine.
335 - I believe you, Michael.
336 - But know this.
337 - If you're not telling the truth, I will find out,
338 - 'cause I'm smart, and you aren't.
339 - Then all you have to do is forgive her.
340 - Okay, Jackie, I forgive you.
341 - Red, I think you're being a little hard on Laurie.
342 - I don't care what anyone thinks.
343 - What she is doing is wrong.
344 - Now that I think back on it,
345 - I don't know if I ever knew that girl.
346 - Livin' with a guy.
347 - Oh, is that a foreign car? Aw, jeez.
348 - Red, you have gone your whole life
349 - thinking she is just a little girl,
350 - but she is an adult now, and she is not a perfect one.
351 - Boy, is she not a perfect one.
352 - But you know what?
353 - You have to love your children,
354 - even when they do things you don't like
355 - or, better yet, hate.
356 - You think you do a good job,
357 - you think that you teach your children the difference between right and
wrong,
358 - and this is what you get. Well, the hell with it.
359 - Okay, I guess we don't love her anymore.
360 - Let's take all pictures of Laurie out of here
361 - and pretend she's not ours.
362 - And if we see her on the street, let's ignore her.
363 - No, let's throw things at her.
364 - Well, now you're just being stupid.
365 - And you're not being a good father.

366 - Well...
367 - Okay.
368 - Maybe I have been kind of a...
369 - A dumb-ass.
370 - I was gonna say unreasonable.
371 - Fine. Fine.
372 - You're an unreasonable dumb-ass.
373 - Are you done now?
374 - I think I am.
375 - The Bradys were such a nice family.
376 - I bet Mr. Brady never grew to hate Marcia.
377 - But then again, Marcia wasn't so whory.
378 - No, she really wasn't.
379 - What? No. Come on. This is our thing.
380 - You love this.
381 - I'm mean to you. You're mean to me.
382 - So, come on, hit me.
383 - Sorry.
384 - I can't. Not today.
385 - Eric, you were just leaving.
386 - Dad, I think maybe you should take it a little easy on...
387 - Eric.
388 - You're on your own.
389 - Laurie, I've been, uh, thinking...
390 - About the thing that happened
391 - at the place you live.
392 - And, uh, I want you to know that I understand
393 - that you're not my little girl anymore.
394 - But I like being your little girl.
395 - But you're not.
396 - You're my daughter.
397 - And you're a grown-up
398 - who's going to do awful and stupid things.
399 - But I'll still love you.
400 - I love you, too.
401 - And I'm sorry.
402 - So, Daddy, can I move back in?
403 - Oh, yeah.
404 - Okay, good!
405 - Yeah, great to have you back.
406 - So...
407 - Your man friend kicked you out, didn't he?
408 - No!
409 - He moved back in with his wife.
410 - Well, I just... I...
411 - I need a little yellow pill.

412 - Hyde!
413 - Hyde!
414 - Come on, Hyde, get out! It's my room!
415 - No! I'll never leave. You're in the basement.
416 - I'm the favorite now.
417 - Hyde, I'm serious!
418 - No! I've barricaded the door.
419 - You'll never get in!
420 - Well, jeez, tough break.

2.12 Episode 12: Eric's Stash

1 - Well, boys, there she is,
2 - our brand-new water heater.
3 - Ain't she a beauty?
4 - Yep. This is the best water heater ever.
5 - God bless us every one.
6 - You know why Tiny Tim walked with a crutch?
7 - 'Cause he had a smart mouth?
8 - That's right.
9 - So, guys,
10 - tomorrow is the anniversary
11 - of Donna's and my first kiss.
12 - And just for that, I'm gonna give her something really special.
13 - You've been trying to give her that for a year,
14 - and so far...
15 - Not that.
16 - Something nice.
17 - Forman, man, trust me, okay?
18 - Just pick her some flowers.
19 - The fact that you even remembered will guarantee you some action.
20 - And who doesn't love the action, huh?
21 - Check out this necklace.
22 - - Wow, man, is that real gold? - No.
23 - - Real diamonds? - No.
24 - But it costs 60 bucks.
25 - - Nice! - Nice!
26 - Yeah, thanks.
27 - So, if you'll all please avert your eyes,
28 - I have to, uh, get my secret stash of cash.
29 - What, you mean your Candy Land stash?
30 - My Can...
31 - I don't keep my money in the...
32 - Candy Land box.
33 - You moved your money from the Candy Land box?
34 - Oh, shut up and turn around!

35 - Oh, my God, you guys.
36 - Someone stole all my money.
37 - From Candy Land?
38 - How could such a sad thing happen in such a happy place?
39 - Hangin' out
40 - Down the street
41 - The same old thing
42 - We did last week
43 - Not a thing to do
44 - But talk to you
45 - We're all all right
46 - We're all all right
47 - Hello, Wisconsin!
48 - The winner, and still champion, Muhammad Ali.
49 - All right, Fez, you lose.
50 - Give me five bucks.
51 - Hey. What's goin' on?
52 - I just lost five bucks on the Muhammad Ali fight.
53 - Fez, that's a rerun. That fight happened a week ago.
54 - So what are you guys doing?
55 - We're playing Candy Land.
56 - And I'm stuck in the Marshmallow Mountain again.
57 - Where's Eric?
58 - I don't know. He's searching the house.
59 - He can't find his money stash.
60 - It's not in the Candy Land box?
61 - Oh, my God. You guys.
62 - Guess who's gonna be in the Miss Dairy Princess Pageant?
63 - Oh, I know. A cow?
64 - No.
65 - Me!
66 - A beauty pageant?
67 - Yeah! I mean, look, Donna,
68 - it's not enough that we know
69 - I'm prettier than everyone else.
70 - I want the world to know!
71 - And what better way to do it
72 - than go on stage and parade around like a piece of meat?
73 - I know! I know!
74 - And get this,
75 - Michael is gonna be my pageant boy!
76 - Pageant boy.
77 - Jackie, I am not a pageant boy.
78 - I'm a beauty coach.
79 - Yeah, that's a lot better, Kelso.
80 - So, Donna, you want to go see my gown?

81 - Let's go.
82 - Oh, I will help.
83 - I have a way with women's' hair.
84 - Let's go, girls.
85 - Man, a beauty coach?
86 - What's goin' on with you?
87 - When Jackie wins this pageant,
88 - I am gonna be the guy with the hottest chick of all of the hot chicks.
89 - Yeah, Kelso, that's genius.
90 - Yeah, just picture it.
91 - And this year's Miss Dairy Princess is...
92 - Kelso's girlfriend!
93 - Yes!
94 - Oh, thank you!
95 - Thank you.
96 - Thank you, Bob Eubanks.
97 - Mr. Kelso, now that you've been crowned,
98 - what's going to be your first order of business?
99 - Well, as Mr. Dairy Princess,
100 - I would like to give milk products to all of those in need.
101 - And then someday,
102 - I would like to rule an entire hot chick dairy kingdom!
103 - Settle down, girls. There's plenty of me to go around here.
104 - Well...
105 - Okay, I gotta go win this thing.
106 - All right, where's my money?
107 - What money?
108 - The money you stole from my...
109 - Special place.
110 - You mean, the pathetic bundle of ones
111 - you keep in your little Candy Land game?
112 - So you admit you knew where it was.
113 - Okay, Eric, first of all, you were a mistake.
114 - Ask Mom and Dad.
115 - And second, if I did steal it,
116 - I'd tell you to your face and then I'd steal it more.
117 - Yeah, that does sound like you.
118 - Damn! Who took my money?
119 - Isn't it obvious who took it?
120 - I mean, think about it,
121 - no morals, lack of character, bad reputation.
122 - So you did take it.
123 - No, you idiot. Hyde.
124 - He's staying down in the basement,
125 - he's poor, he steals stuff.
126 - No.

127 - No, Hyde wouldn't do that to me.
128 - I'm sure you're right, Eric. He's a real good friend.
129 - So,
130 - Kelso tells me Hyde tried to steal Donna last year.
131 - - Is that true? - No.
132 - I mean...
133 - Well, he tried, but he didn't succeed.
134 - Hmm, that's not much better, is it, Eric?
135 - Was I really a mistake?
136 - They sued the condom company.
137 - So?
138 - So what do you think?
139 - Jackie, if you want to win,
140 - that dress has to be a lot shorter.
141 - Give to Fez.
142 - Okay, Jackie, let's get to work.
143 - Well, Michael, we've already done a lot.
144 - I mean, I decided on this dress,
145 - and Fez is gonna do my hair.
146 - All right. But I'm gonna tell you something, Jackie.
147 - I've seen pictures of his people and they aren't pretty.
148 - Bite me, pageant boy.
149 - Coach.
150 - All right, fine. I guess we could use the help.
151 - Fez, you can handle Jackie's body
152 - and I'll take care of her mind.
153 - So, Jackie, does the winner get a scholarship or something?
154 - Who cares? College is for ugly girls
155 - who can't get modeling contracts.
156 - No, college is for women who don't want to marry the first idiot they meet
157 - and squeeze out his bastard moron children.
158 - Hey, Mom.
159 - When you were cleaning up downstairs,
160 - you didn't happen to come across 60 bucks, did you?
161 - Oh, Eric, did you lose your Candy Land cash?
162 - Does everyone know where I keep my money?
163 - Oh, I'm sorry, honey. It was a good hiding place.
164 - Oh! Maybe you put it in Chutes and Ladders.
165 - No. I checked.
166 - I mean, I don't know who could have taken it.
167 - At first I thought it was Laurie, but...
168 - Oh, honey, no. Laurie wouldn't steal from you.
169 - She steals from me.
170 - Right.
171 - So that only leaves one person.
172 - I mean...

173 - He does live in the basement.
 174 - Oh, okay, now,
 175 - if you are talking about Steven, I'm gonna get mad.
 176 - He is a good apple and he is your friend and you can trust him.
 177 - Can I? I mean...
 178 - No, Mom, I hate thinking this.
 179 - It's just...
 180 - It all adds up. I mean, if not Hyde, then who?
 181 - Well, it could be...
 182 - Okay, you know what? I do not want to talk about this anymore.
 183 - Okay.
 184 - Oh.
 185 - Here comes a dumb question.
 186 - Uh,
 187 - I wasn't a mistake, was I?
 188 - Oh, for...
 189 - For...
 190 - Okay! Who wants some cocoa?
 191 - Okay, Jackie, in 30 seconds or less,
 192 - what do you hope to accomplish as Miss Dairy Princess?
 193 - Go!
 194 - Um...
 195 - Um...
 196 - Um...
 197 - You just lost, lady!
 198 - Michael, I was thinking.
 199 - Oh, really?
 200 - Well, in 1974, Miss Alabama started thinking.
 201 - Do you know where she is now?
 202 - Alabama.
 203 - Ew!
 204 - God, Michael, I don't want to accomplish anything.
 205 - I just want the title
 206 - so I can lord it over people.
 207 - That's all I want, too, Jackie.
 208 - Okay, so the next category's talent.
 209 - I can sing.
 210 - Oh, no, you can't.
 211 - So...
 212 - Boy, am I disappointed.
 213 - I went to get my money, but someone stole it.
 214 - So forget the fake gold necklace from Sears.
 215 - Now I gotta get Donna a crappy gift.
 216 - Hey, what would you guys rather see Jackie do,
 217 - walk a tightrope or ride a mechanical bull?
 218 - Well, either way, she'll fall on her ass, so I like 'em both.

219 - So, Eric,
220 - which rat bastard do you think stole your money?
221 - Well, I mean, it's anyone's guess.
222 - For all I know, I mean,
223 - it could be someone in this very room.
224 - How exciting.
225 - A mystery.
226 - Is Fez a suspect?
227 - Yeah, probably not, Fez.
228 - Why not? I can be evil.
229 - I hate you.
230 - See?
231 - Oh, Eric, I don't hate you.
232 - I love you. I'm sorry.
233 - That's okay, Fez.
234 - And, uh, I'm also pretty sure Kelso here didn't take it.
235 - Hey, how long do you guys think Jackie could hold her breath?
236 - Gee, Inspector.
237 - So if it isn't Kelso
238 - and it isn't Fez,
239 - I wonder who you could suspect?
240 - Dillhole.
241 - Uh-oh.
242 - Hyde, I didn't say you took it.
243 - Hey, you guys know what a funny word is?
244 - Pickle-weasel!
245 - Forman, then say I didn't take it.
246 - You are both bringing me down.
247 - Hyde, why don't you just say you didn't take it?
248 - I shouldn't have to say I didn't.
249 - Look, just tell me you didn't
250 - and I'll totally trust you.
251 - You know what's a funny word?
252 - Pickle-weasel!
253 - How about I tell you this?
254 - Go to hell, Forman!
255 - Oh, my God! Jackie should clog dance! We can't lose!
256 - Beauty pageant, here we come!
257 - Aw, you ran out of gas, you idiot.
258 - You forgot to get gas?
259 - God, Jackie, someone had to hem your outfit
260 - for the clog dance.
261 - Michael, I told you,
262 - I'm not doing a clog dance!
263 - God, your stupid van has ruined my life!
264 - Your life?

265 - What about my life?
266 - What about your life?
267 - Jackie, we are a team.
268 - And part of being a team
269 - is that you have to do exactly what I tell you.
270 - You know, Jackie, there is no "U" in "teamwork"!
271 - Oh, Jackie, you're upset.
272 - Come, sit on my lap.
273 - Ta-da! Happy anniversary!
274 - Oh, my God.
275 - Wow, they're beautiful.
276 - I got you something, too. Here, open it.
277 - Oh, my God.
278 - It's a watch.
279 - And it's all digital and stuff!
280 - Oh, gee, look at that.
281 - You had it engraved.
282 - What, you don't like it?
283 - No. No, I love it. It's just...
284 - Man, you spent a lot of money on this.
285 - Yeah, which means you better start putting out.
286 - Okay, it's kind of hard to be a tease
287 - if you're not playing along.
288 - Donna, I was going to get you something really great, but...
289 - Yeah, I heard about the crime spree in Candy Land.
290 - Yeah.
291 - Oh! You want to see a picture
292 - - of what I was going to get you? - Sure.
293 - You were gonna get me that?
294 - Oh, my God, that's so pretty.
295 - What do you think, by Christmas maybe, if you save your money?
296 - Donna.
297 - Well, Eric, after seeing this,
298 - I mean, I hate these crappy flowers.
299 - I know. I didn't want to give you crappy flowers.
300 - I'm kidding. I'm kidding.
301 - I love the flowers.
302 - But, you know,
303 - maybe if I return that watch,
304 - I can get this for myself.
305 - - Give me the watch back! - No way!
306 - - Give me it! - Come and get it!
307 - I don't know, Fez, maybe Michael was right.
308 - Maybe I don't have what it takes
309 - to win the pageant by myself.
310 - That is nonsense.

311 - You are pretty and nice and talented and sweet,
312 - and everything good in the whole world is you.
313 - I know, I know.
314 - That's what I told Michael.
315 - But then he said...
316 - Who cares what Michael said?
317 - He was using you for your beauty
318 - so he could become popular.
319 - He makes me sick.
320 - God.
321 - I never thought of it that way.
322 - Okay, Jackie.
323 - I've had some time to think,
324 - and, uh...
325 - I'm still disappointed in you.
326 - But I'm willing to talk about...
327 - Okay, stop.
328 - Michael, stop. I've been talking to Fez,
329 - and I have only one thing to say to you.
330 - I love you!
331 - What?
332 - See, Michael, you must have really believed in me
333 - to think you could ride my coattails to the top.
334 - Oh, baby.
335 - Come here.
336 - Mmm.
337 - Okay, get off me, both of you.
338 - You make me sick.
339 - Hey, what are you doin', Red?
340 - Ah, I borrowed Eric's Candy Land money
341 - to pay for the water heater.
342 - You, uh, you took Eric's money?
343 - Shh. He doesn't know a thing about it.
344 - It's back now. He'll be none the wiser.
345 - Hey, hey! How ya doin'?
346 - Look, Hyde,
347 - I just got back from hanging out with Donna
348 - and you know what?
349 - Hyde, I don't even care what happened to my money.
350 - 'Cause money doesn't make the world go around.
351 - You know what does?
352 - Screw you. You called me a thief.
353 - It's love. That's right.
354 - Love makes the world go around.
355 - Well, that's great.
356 - Because Red took your money.

357 - Right, Hyde. My dad took it. Yeah.
358 - Why don't you ask him, Forman?
359 - Uh, Dad, Hyde said you took my money?
360 - Oh, yeah. I was a little short on the water heater.
361 - Thanks for helping out.
362 - Good news, buddy. You're cleared.
363 - Why don't you get bent, man?
364 - Wait a minute.
365 - You accused Steven of stealing your money?
366 - Well, yeah, but to be fair, Dad,
367 - that was before I found out you stole it.
368 - Which brings up why you didn't ask me,
369 - and also, you know, you could've told me.
370 - Well, you could've.
371 - Okay.
372 - I'm sorry that I took some money out of your little box.
373 - When I feed you and clothe you
374 - and put a roof over your head.
375 - Sorry.
376 - Now.
377 - How could you do that to Steven?
378 - He's your best friend.
379 - Well, he made a move on Donna.
380 - Oh, come on.
381 - Okay.
382 - Well, then, there's only one thing that we can do.
383 - Nine rounds of bare-knuckle boxing.
384 - Come on.
385 - Help me move the couch.
386 - Wait, uh, Dad, I don't...
387 - Oh, no, no, no. I'll referee.
388 - Believe me, when it's over, you'll both feel great.
389 - I know I will.
390 - - Red... - Look.
391 - If you're not mad enough to bare-knuckle box, then you're not mad.
392 - Now, both of you need to just get the hell over it.
393 - Once again, Red's simple, earthy wisdom saves the day.
394 - Yeah, ain't he a peach?
395 - Look, Hyde.
396 - I just...
397 - God, I am so sorry.
398 - You know what, man?
399 - You either forgive me for what happened with Donna, or you don't.
400 - You can't keep throwing that in my face.
401 - Yeah. Yeah, you're right.
402 - Um, it's over.

403 - I'm never gonna bring it up again. I promise.
404 - Yeah, all right.
405 - Whoa.
406 - Man, she got you this watch,
407 - and all you got her were those crappy flowers?
408 - You loser!
409 - You're the loser.
410 - Yeah! Dance, baby, dance!
411 - Go, Jackie!
412 - Looking good, baby!

2.13 Episode 13: Hunting

1 - Hey, look at this.
2 - It's the first day of deer season.
3 - - Rabbit season. - Duck season.
4 - - Rabbit season. - Duck season.
5 - - "Wabbit" season. - Duck season.
6 - Well, Red, you haven't been hunting in ages.
7 - Not since the accident.
8 - What accident?
9 - The really terrible accident
10 - that's none of your business.
11 - Oh, yeah. That one.
12 - You know, why don't you go?
13 - It might be fun. Get out of the house, get some fresh air,
14 - maybe get out of your lousy damn mood.
15 - Sorry.
16 - I'd love to go, Kitty,
17 - but we just can't afford it.
18 - Oh, yes, we can. I will pack you some food
19 - and a nice box of bullets,
20 - and you're on your way.
21 - Dad, you could use the Pinciottis' cabin.
22 - Bob has a cabin?
23 - Well, isn't that just the cat's ass.
24 - Oh, boo-hoo, the world's unfair.
25 - Now just ask Bob if you can borrow his cabin.
26 - Okay, we'll go. Just us guys.
27 - Uh, Mom?
28 - Well, you should go. You don't spend
29 - nearly enough time with your father.
30 - That's because he doesn't like me.
31 - Yes, he does like you. And that's no excuse.
32 - Well, I don't have a gun.
33 - My mom took it when she left.

34 - Well, you can share. You know,
35 - there is something about a gun
36 - that just makes you want to share.
37 - Okay, fine, Mom. I'll go with Dad,
38 - but if I don't come back,
39 - you'll know who did it.
40 - You know, he's never really warmed up to you.
41 - Going on 17 years now.
42 - Okay, we're going hunting.
43 - Well, yay!
44 - With Bob.
45 - Oh.
46 - Well, you know, maybe you'll cheer up
47 - after you shoot something.
48 - I always do.
49 - Hangin' out
50 - Down the street
51 - The same old thing
52 - We did last week
53 - Not a thing to do
54 - But talk to you
55 - We're all all right
56 - We're all all right
57 - Hello, Wisconsin!
58 - Hey, Red, don't freak out,
59 - but if I see a deer
60 - on the side of the road,
61 - I'm gonna shoot him.
62 - Kelso, you fire that gun in this car
63 - and I will pull over
64 - and kick your ass for an hour.
65 - Do it, Red, do it!
66 - Come on, Forman,
67 - would you get that gun away from him?
68 - No, I want to hold it.
69 - Give it up, Kelso.
70 - I have a right to bear arms, all right?
71 - That's in the Constitution.
72 - Kelso, not everything in the Constitution makes sense.
73 - Whoa, Fez. Shut up.
74 - What did you say?
75 - Uh, nothing.
76 - - Foreigners. - I hear you.
77 - So, so, so.
78 - What to do?
79 - I should have gone hunting.

80 - No, no, no. We can have fun.
 81 - We can have our very own fun.
 82 - We could...
 83 - I'm not baking anything. - Aw!
 84 - Okay, who wants Jell-O?
 85 - Jell-O's baking.
 86 - No, no, no.
 87 - Jell-O's boiling.
 88 - Gotcha.
 89 - Hey, Red. So tell me
 90 - about that hunting accident.
 91 - It sounds like a funny story.
 92 - Think we'll see any bears?
 93 - I'd love to kill a bear.
 94 - You can't shoot a bear,
 95 - it's deer season.
 96 - You shoot a bear,
 97 - you get fined, you go to jail.
 98 - No, I'll just say it was self-defense.
 99 - Who is the jury gonna believe,
 100 - me or a dead bear?
 101 - - A dead bear. - A dead bear.
 102 - I killed a bear once.
 103 - Your ass.
 104 - I did. I did.
 105 - I was getting a drink from a stream, see,
 106 - when suddenly I heard something.
 107 - Grabbed my shotgun, boom.
 108 - Right between the eyes.
 109 - Survival.
 110 - So what did you do then?
 111 - You, uh, bring it home? Get it stuffed?
 112 - Nope. Left it there. Went home.
 113 - How come you didn't bring it home?
 114 - Get it stuffed?
 115 - On account it was so huge.
 116 - So it's a stand-off.
 117 - I won't shave my legs, Bob won't shave his back.
 118 - Okay, ew!
 119 - You know, Red doesn't have a hairy back,
 120 - and thank God for that. No offense.
 121 - Good news for you, Donna.
 122 - That means Eric probably won't have one either.
 123 - He can't even grow a mustache.
 124 - Oh, please. Eric's body
 125 - is bald as can be.

126 - You know, I don't even think
127 - he hit puberty until about 15.
128 - Really?
129 - Oh, he probably won't like that I said that.
130 - I think Eric's the sweetest kid.
131 - So, Donna, have you and Eric...
132 - Mother, please!
133 - The answer's no.
134 - Hey, hey.
135 - Everybody just shut up.
136 - Well, I for one am not so naive
137 - as to think that you and Eric...
138 - Ahhh!
139 - Okay, well, I guess we're upsetting her,
140 - so what should we do now?
141 - Well, if Donna wasn't so uptight, we could talk about...
142 - I'm gonna go home.
143 - Do you want me to go home? 'Cause I will.
144 - Donna, please don't go home.
145 - I think it's very nice
146 - that you're spending time with your mother.
147 - God knows, Laurie won't.
148 - You guys, let's play poker.
149 - I bet I'm good at it.
150 - You never played poker before?
151 - Uh-uh, but I have lots of money.
152 - Oh, well, honey. Have a seat.
153 - I'll get the cards.
154 - Oh, my God.
155 - Damn!
156 - Damn. Damn it all! Damn!
157 - Kelso, what the hell are you doing?
158 - Well, I would be proudly standing
159 - over my kill right now
160 - if someone hadn't taken my gun away.
161 - Kelso, you can't fire the gun in the camp.
162 - The deer walked right through here.
163 - He was mine. I was gonna hunt him.
164 - You know, Kelso, not every hunting accident
165 - is an accident.
166 - I think you'd better
167 - sit this one out, pal.
168 - Fine.
169 - You know, I saw a deer blind on the way in.
170 - Anybody want to go check it out?
171 - I'll go.

172 - No, not me.
173 - I just came to hang out.
174 - When I crave meat, I buy bologna.
175 - So, where's Fez?
176 - Kelso probably shot him.
177 - No, no, no. I saw him
178 - walking into the woods right after we got here.
179 - Said he was going hunting.
180 - He had a whistle and a stick.
181 - Oh, that crazy foreign bastard.
182 - Let's eat.
183 - Wow, those were some delicious birds.
184 - Key chain?
185 - No, I'm good.
186 - So you caught those birds
187 - with just a whistle and a stick?
188 - Very impressive, Fez.
189 - Yeah, you know, that's a good way to hunt,
190 - 'cause even if you don't get anything,
191 - you still have all the fun
192 - of a whistle and a stick.
193 - I'll take the key chain. Give it to Midge. Little memento.
194 - I feel good about that, Bob.
195 - Midge is nice.
196 - Yep, we all like Midge.
197 - Yeah, Midge has nice jugs.
198 - What?
199 - What?
200 - No, you said something.
201 - No, I didn't.
202 - So, what's up with your hair, huh?
203 - Man, I am at one with nature right now.
204 - Thanks for the pheasant, Fez.
205 - Pheasant, Fez. Pheasant, Fez.
206 - Yes, beautiful black pheasants.
207 - Black pheasants.
208 - Wait, pheasants aren't black.
209 - Yeah, black is beautiful. I wish Jackie was black.
210 - What did you feed us, Fez?
211 - They were pheasants. They went, "Coo-caw."
212 - "Coo-caw."
213 - You fed us a crow?
214 - You're not supposed to eat a crow, man.
215 - You just brought some bad ju-ju on us all.
216 - We ate somebody's soul, man.
217 - I know. I have eaten someone's delicious soul.

218 - Hey, good news, guys. I found my gun.
 219 - What? It's probably not loaded.
 220 - Oh, wow, Mom. You're not good.
 221 - Well, you're not even playing
 222 - so keep it to yourself, Ms. Smarty.
 223 - Okay, I'll play.
 224 - You want to play cards with your mother?
 225 - Sure.
 226 - Well, I am gonna call
 227 - the Milwaukee Journal.
 228 - Kitty? How many kings are in a pack?
 229 - Four.
 230 - I bet 1.00.
 231 - *Well, um, I seethatthereare*
 232 - *fourqueensinadeck, too.*
 233 - *Oh, Mom. Thatissopathetic.*
 234 - *Fine, I fold.*
 235 - *I'm in.*
 236 - *Okay, uh, doyouwantanycards?*
 237 - *Yeah, canIhavetwofives, please?*
 238 - *AndI'llhaveonecard.*
 239 - *Oh, it'sa five. Jackie, didyouwantthis?*
 240 - *You gave her a five?*
 241 - *I thought we were friends.*
 242 - *Okay, you know what?*
 243 - *Everybody just show your cards.*
 244 - *Okay, did I win? Did I win? Did I win?*
 245 - *Noteven close.*
 246 - *Oh. Well, I don't care.*
 247 - *I don't work, so money doesn't*
 248 - *really mean anything to me.*
 249 - *Oh, how nice for you.*
 250 - *Hey, Dad. I don't know about you,*
 251 - *but I'm kind of froze to the blind.*
 252 - *Right in the pants area.*
 253 - *Shh. Jeez, you have done nothing but complain*
 254 - *since we go there.*
 255 - *You know, I was hoping that this trip*
 256 - *would be better than the last,*
 257 - *where you cried about every stupid thing.*
 258 - *I was six.*
 259 - *And you made me touch a dead rabbit.*
 260 - *I just thought that if you touched it,*
 261 - *you might not be afraid of it.*
 262 - *Well, thank you, Dr. Spock.*
 263 - *Making noise is not the way to bag a deer.*

264 – *I had nightmares for a month.*
 265 – *Big, dead, rabbit nightmares.*
 266 – *Oh, man. We got one. He is huge.*
 267 – *Where? I don't see it.*
 268 – *It's about a quarter click*
 269 – *south of the clearing.*
 270 – *What is a click?*
 271 – *And which way is south?*
 272 – *Oh, no, wait, okay, I see him.*
 273 – *Yeah. Oh, you're right, Dad.*
 274 – *He is huge.*
 275 – *You're not kidding.*
 276 – *I'd say he's a 10 – pointer.*
 277 – *What?*
 278 – *I was just thinking. You take the shot.*
 279 – *No way. You always talk about*
 280 – *getting a buck. You do it.*
 281 – *No, damn it. Now don't argue with me.*
 282 – *Now take the shot.*
 283 – *Come on. Hurry up.*
 284 – *Oh, and don't shoot him in the face.*
 285 – *Holy cow, look at him go.*
 286 – *Man, you're really stink.*
 287 – *It told you to take the shot.*
 288 – *Well, I just thought it would be nice*
 289 – *for you to get a deer. I mean...*
 290 – *God knows, I'd love to get one.*
 291 – *Then you should have taken the shot.*
 292 – *What the hell is wrong with you?*
 293 – *Why are you always so damn nervous?*
 294 – *Oh, hmm, I don't know.*
 295 – *Maybe it's because you've been yelling at me*
 296 – *for 17 years?*
 297 – *Oh, I haven't.*
 298 – *Oh, God, he was right there.*
 299 – *I could have hit him with a rock.*
 300 – *Yep, that's a damn shame.*
 301 – *So are you ready to head back?*
 302 – *No, I sure as hell am not ready to head back.*
 303 – *You want to go back? You go back.*
 304 – *So.*
 305 – *Hey, Dad. How about a war story?*
 306 – *Yeah, okay.*
 307 – *Did I ever tell you about the time*
 308 – *I didn't miss that North Korean?*
 309 – *Full house. Jack over 10s.*

310 – *Mom wins again.*
 311 – *Well, this is fun, isn't this fun?*
 312 – *It was fun till Laurie started dealing.*
 313 – *Hey, what's that supposed to mean?*
 314 – *Oh, my gosh. I think Mrs. Pinciotti is saying*
 315 – *that Laurie's cheating.*
 316 – *No, she's not.*
 317 – *Wait. Yes, I am.*
 318 – *My daughter does not cheat.*
 319 – *Come on, Donna. We're not coming out of here.*
 320 – *Okay, see ya.*
 321 – *Hold on. I'll storm with you.*
 322 – *Thank you for a lovely afternoon, Mrs. Forman.*
 323 – *Laurie, were you cheating?*
 324 – *You can't prove anything.*
 325 – *Oh, for God's sake.*
 326 – *Okay. Well, if you weren't such a crappy card player,*
 327 – *then I wouldn't have had to cheat.*
 328 – *And you were gonna lose all your mad money, and Midge bugs me.*
 329 – *You were cheating so I would win.*
 330 – *Duh! I wanted you to have a little fun.*
 331 – *Well...*
 332 – *Gosh, that's sweet.*
 333 – *Yeah.*
 334 – *I love you, Mommy.*
 335 – *I just know I wouldn't have missed him.*
 336 – *Not when he was that close. Noway.*
 337 – *Here.*
 338 – *Dad, you see the can by that clearing?*
 339 – *Yeah.*
 340 – *I don't believe it. How'd you do that?*
 341 – *Dad, I know how to shoot.*
 342 – *Don't you remember my Taxi Driver phase?*
 343 – *I didn't want to kill him.*
 344 – *I missed on purpose.*
 345 – *Well, I can respect that more*
 346 – *than you being a crappy shot.*
 347 – *—What? — Why didn't you say so?*
 348 – *Why do you think?*
 349 – *You really think I've been yelling at you for 17 years?*
 350 – *No.*
 351 – *You were probably okay with me as an infant.*
 352 – *I just can't remember.*
 353 – *Boy, it was right around 13*
 354 – *when you started getting a little lippy.*
 355 – *And twitchy.*

356 – *Well, you know, lippy and twitchy*
 357 – *tend to walk hand – in – hand, so...*
 358 – *See? Now that's lippy.*
 359 – *You got something you want to say to me, you just say it.*
 360 – *Dad...*
 361 – *No, I'm serious here.*
 362 – *Just for a second, pretend that I'm not your dad.*
 363 – *I want you to tell me what you really think of me.*
 364 – *How about let's do this*
 365 – *when you don't have a gun?*
 366 – *How about you do what the guy with the gun tells you to do?*
 367 – *Okay.*
 368 – *I think you're angry*
 369 – *because I fed in'tt turn out*
 370 – *exactly the way you wanted it to,*
 371 – *and, uh, maybe you think if you yell at me,*
 372 – *I won't let it f--- push me around, too.*
 373 – *You came up with that answer a while fast.*
 374 – *Well...*
 375 – *Hell, Eric. Maybe you'll be okay.*
 376 – *Oh, my God. Dad, he's back.*
 377 – *Oh, look at him. He's magnificent.*
 378 – *He's the king of the forest.*
 379 – *Just like...*
 380 – *Bambi's dad.*
 381 – *He's beautiful.*
 382 – *Yeah, and I'll bet he tastes beautiful, too.*
 383 – *Oh, uh, just for the record, Eric.*
 384 – *I'm the king of the forest.*
 385 – *Way to go, Dad. You finally got your buck.*
 386 – *I wish it was mine,*
 387 – *but somebody took my gun away*
 388 – *'cause he sensed what a great hunter I am.*
 389 – *Kelso, if we let you keep your gun,*
 390 – *Fez would be the one strapped to the hood right now.*
 391 – *Hey, Red. So, uh, about that accident, huh?*
 392 – *Ah, yeah. Well, it was a long time ago.*
 393 – *I was out, uh, hunting with Frank.*
 394 – *He was a good friend of mine, a good guy.*
 395 – *Kind of a dumb – ass like Kelso here.*
 396 – *So anyway, Frank had shot this deer,*
 397 – *and he was real happy,*
 398 – *and he'd had a few beers*
 399 – *so he was dancing around,*
 400 – *and it was all real fun,*
 401 – *and then he leans over to kiss the deer,*

402 – *only the deer's not dead yet,*
 403 – *and it kickshim right in the neck.*
 404 – *And it killed him.*
 405 – *The deer is staring at my soul.*
 406 – *Putsome sunglasses on it.*
 407 – *Well, this is just delicious.*
 408 – *Sorry about the buckshot.*
 409 – *Oh, I don't mind. I mean,*
 410 – *there's usually some mystery gristle in meat.*
 411 – *At least we know what it is.*
 412 – *I like it better when you fish, Daddy.*
 413 – *It was jerking around, so, uh, Eric shot it with the shotgun.*
 414 – *Well, I had to. It was*
 415 – *screaming.*
 416 – *Killed a raccoon once.*
 417 – *Hit him with my uncle's scar.*
 418 – *Sobad.*
 419 – *All right. Settled down, killer.*
 420 – *Yeah. Sounds like we're all a bunch*
 421 – *of real killers.*
 422 – *Good God. Crack a window.*
 423 – *Whew!*
 424 – *That is unpleasant.*
 425 – *Son of a bitch!*

2.14 Episode 14: Red Gets a Job

1 - So, let's get to the loving, huh?
 2 - So, how about a little mood music, huh?
 3 - Zeppelin or Foghat?
 4 - Whatever.
 5 - Are you okay?
 6 - I'm sorry. I guess I'm just not into it today.
 7 - Actually, I feel like talking.
 8 - Oh, okay, yeah. I'll try anything once.
 9 - Well, it's just...
 10 - Lately I feel like all my friends are away at school
 11 - and I'm the only one here and I just feel like this huge failure.
 12 - Laurie, don't be silly.
 13 - Failures are ugly, and you're hot.
 14 - That's true.
 15 - Yeah. Thanks, Kelso.
 16 - Yeah.
 17 - I guess it all started in junior high.
 18 - That's when a girl really defines who she is.
 19 - You know what I mean?

20 - So, we're talking some more?
 21 - I really want to talk.
 22 - Okay.
 23 - Guess I'll put my shirt back on so we can talk some more.
 24 - Great.
 25 - Yeah. Super.
 26 - Look at this ad, Red.
 27 - They're opening a Pricemart right in our own town.
 28 - 14.95 *for a toaster. Can you believe it?*
 29 - *No, I can't.*
 30 - *I bought that very same toaster*
 31 - *in your store for twice that.*
 32 - *Yeah, that's my point.*
 33 - *That you screwed me?*
 34 - *Red, 14.95 is below my cost.*
 35 - This Pricemart could put me out of business.
 36 - Hey, they're hiring.
 37 - Red, you can't.
 38 - These giant corporations come into town.
 39 - They destroy little businesses like mine.
 40 - They're evil.
 41 - Yeah, I guess that's true.
 42 - Hangin' out
 43 - Down the street
 44 - The same old thing
 45 - We did last week
 46 - Not a thing to do
 47 - But talk to you
 48 - We're all all right
 49 - We're all all right
 50 - Hello, Wisconsin!
 51 - Where is the food?
 52 - Eric, you should give your refrigerator
 53 - to people who have food.
 54 - Look at this.
 55 - Hamburger Helper. Tuna Helper.
 56 - A can of beets?
 57 - Oh, gross. I will not eat a darn beet.
 58 - You know what, Forman? Your dad better get a job, and soon.
 59 - 'Cause I'm starving here.
 60 - I'll tell him you said that.
 61 - Michael, it's not polite to remind poor people
 62 - that they're po...
 63 - Less fortunate.
 64 - We're not less fortunate.
 65 - We're just on a budget.

66 - Well, it is a hell of a tiny budget.
67 - Oh, that's not funny. That's sad.
68 - Hey, Kelso, eat that.
69 - All right. Green Jell-O.
70 - Hey, Jackie, try some. I heard green stuff makes you horny.
71 - Michael, that only works with green MM's, duh.
72 - Nuh-uh. It's everything green.
73 - Right, Donna?
74 - Actually, Kelso,
75 - you know what really makes you horny?
76 - Beets.
77 - Yeah, right.
78 - No, it's true. I saw it on 60 Minutes, man.
79 - Beet farmers with, like, 10, 15 kids.
80 - Man, how's come everything good for you always tastes so bad.
81 - I'm trying it.
82 - Michael, honey, don't eat our beets.
83 - Yeah, you know, Michael, Mrs. Forman's right.
84 - You're horny enough as it is.
85 - Sometimes, I wish you had two girlfriends.
86 - Oh, my God. Are you serious?
87 - I get it, Bob.
88 - Kitty, I'm getting a job at Pricemart.
89 - And I guess I've just been too concerned
90 - with the needs of others
91 - and I haven't thought enough about myself.
92 - Kelso? Yeah?
93 - Yeah. Listening.
94 - So, what do you think?
95 - Well, uh, I..
96 - Agree?
97 - Really? Yeah!
98 - Okay, I mean, everything you said makes so much sense.
99 - So, who wants sex? I know I do!
100 - Kelso, I'm feeling really close to you and
101 - I think I want a relationship.
102 - Yes. That's what I want.
103 - A sexual relationship.
104 - No, no, I mean I want more from you than just sex.
105 - Don't be silly, Laurie. Sex is enough for any woman.
106 - Kelso, I want an emotional relationship.
107 - Exactly! We both want a sexually emotional relationship.
108 - This Pricemart looks like a heck of an outfit, Kitty.
109 - Yeah, maybe I should go down there and get a job too.
110 - When your father's in a good mood, what do I say?
111 - No talking?

112 - Thank you.
113 - Eric, I've told you.
114 - Your job is to study hard,
115 - get good grades, get a scholarship,
116 - go to college and move away.
117 - End of discussion.
118 - Then how come Hyde gets to have a job?
119 - Because, Forman, you have potential.
120 - Whereas I'll be a success if I stay out of jail.
121 - Exactly!
122 - Oh, no, Steven, that is not true.
123 - It's just it's a little different
124 - because he doesn't have any parents.
125 - Oh, my God. I don't have any parents?
126 - Okay, okay. Wish me luck.
127 - Okay, good luck, honey. Good luck.
128 - Knock 'em dead.
129 - Man, what's his problem? I just, I just want to help out.
130 - Well, I am sorry, Eric, but I agree with your father.
131 - School is your job.
132 - Oh and...
133 - Also to be my precious little baby boy.
134 - Mom! We talked about this.
135 - I'm not a boy anymore. I'm a man.
136 - Shut up, Hyde. I am a man!
137 - Fine.
138 - My precious little baby man.
139 - Oh, man.
140 - You are so lucky your mom's a runaway alcoholic.
141 - I must say, Red. I am very impressed with your experience.
142 - Well, thank you, Mr. Herbison.
143 - Oh, call me Ted, Red.
144 - Hey, Ted, Red. That's funny.
145 - Oh, yeah. It is.
146 - I didn't catch it there at first,
147 - but then whoop! That's funny.
148 - Now I see you're applying for our supervisor position.
149 - What would you say if I offered you a job right now?
150 - I'd say let's break out the champale.
151 - Great, 'cause we're hiring cashiers.
152 - You get your own smock.
153 - I'm not a cashier, Ted.
154 - I'm management.
155 - Okay. Then we'll let you know.
156 - So, uh, Red, Ted. That's pretty funny, though.
157 - On second thought, it's not that funny.

158 - Red, come and eat your dinner.
159 - Shh! Not hungry.
160 - Hey, what's going on?
161 - Shh! Red's waiting for a phone call.
162 - Oh.
163 - Shh!
164 - You know, that phone hasn't rung all damn day.
165 - Maybe it's broken. No, it's not broken.
166 - No, it's not broken.
167 - Oh! Damn! They could have called right then,
168 - got a busy signal, moved on to the next guy on the list.
169 - Oh, man! I just screwed myself out of a job!
170 - Wait, Red! Wait! Let it ring.
171 - You don't want to seem desperate.
172 - Right.
173 - Eric, if this is one of your dumb-ass friends,
174 - you better start running.
175 - Please don't be Kelso. Please don't be Kelso.
176 - Hello.
177 - It's Pricemart!
178 - Yes.
179 - This is the Forman residence.
180 - You have good news?
181 - Yeah. Uh-huh.
182 - Uh-huh.
183 - Okay then. Thanks for calling.
184 - So what's the good news?
185 - The good news is
186 - Eric got a job at Pricemart.
187 - Run, honey. Run.
188 - Man, Red went ballistic on me.
189 - I mean I want to keep the job, but
190 - I really don't want to wear my ass for a hat.
191 - 'Cause, you know,
192 - he said he could do that and I believe him.
193 - Come on, Forman. Fight the power, man.
194 - That way I can have your room after Red kills you.
195 - Although I'm not sure an ass hat is fatal.
196 - You know what would be a good job for me?
197 - Gigolo.
198 - The loving is over, now pay me.
199 - So, Laurie's been talking a lot lately, right?
200 - She's saying she wants a relationship.
201 - You know, and I kept waiting for the dirty part,
202 - but the dirty part never came.
203 - Kelso, I have a real problem here, okay?

204 - I'd like to talk about that.
205 - Right.
206 - You know, dating two girls wasn't supposed to be like this.
207 - You know, it was supposed to be like...
208 - So, do you want to talk?
209 - No way, I just want to fool around.
210 - Yeah. Yeah. Yes!
211 - Oh, talking is stupid.
212 - You know, I'll just wait quietly
213 - until you and Laurie are done.
214 - Have fun.
215 - Well, thanks, babe.
216 - You know what? Feel free to jump in.
217 - Hey, Kelso, you mind if I join in your sexy circle, too?
218 - Well, why not?
219 - All Eric ever wants to do is talk.
220 - I told you he was a loser.
221 - I know. I mean, how am I supposed to talk
222 - when I don't have a thought in my pretty little red head?
223 - See, Michael?
224 - Donna's just as empty-headed as we are.
225 - Oh, Donna, you'll make a great addition
226 - to our sexy circle.
227 - All right, ladies. There's just one rule here.
228 - There are no bras allowed.
229 - Yay!
230 - See, that's pretty sweet, huh?
231 - What do you think?
232 - I think it makes your ass look big.
233 - You know, I just don't know why my dad doesn't want me to work.
234 - I mean, yeah, I'm a real bad boy, Donna.
235 - My big teenage rebellion is to get a job.
236 - Ooh, you never know what I'm going to do next.
237 - Oh, my God, look out.
238 - He's got insurance.
239 - You know I think it'll be great when you get a job.
240 - Maybe on our dates we won't have to just sit in the car.
241 - Maybe we can actually drive somewhere
242 - and maybe, I don't know, eat?
243 - Or maybe I can get my own popcorn at the movies.
244 - You're a dreamer.
245 - Yeah, you know what?
246 - I'm going to keep the job.
247 - Whoa, you're like a rebel without a cause.
248 - But with a cause.
249 - And a smock. Right.

250 - You got to hide me.
251 - Kelso, are you down there?
252 - I'm not here.
253 - Have you seen Kelso?
254 - Why, yes, I have. He's hiding from you in the shower.
255 - Oh!
256 - Hi.
257 - Guess what! I just found my eighth grade diary.
258 - Come on, I'll read it to you.
259 - Great!
260 - Hey, Forman.
261 - Good news, Red.
262 - I just took Cosmo's "10 ways to please your man in bed" test
263 - and I got 9 out of 10.
264 - But I didn't get number three because I'm a nurse
265 - and number three is icky.
266 - I can't believe that Eric.
267 - Oh, I think working is important to Eric's self-esteem,
268 - and I really don't think it's a big deal.
269 - But he only got a job, Kitty, because I don't have one.
270 - And no son of mine is going to work
271 - and screw up his chances to go to a good college
272 - 'cause I can't carry the load.
273 - I should have taken that crummy cashier's job.
274 - Oh, now what kind of talk is that?
275 - You deserve to be supervisor.
276 - In fact, the Red Forman I know
277 - would march right down there and fight for it.
278 - I've been out of work for six months.
279 - I can't afford to fight right now, Kitty.
280 - I've got to take their crappy offer
281 - and smile like a jackass while I do it.
282 - Red, I don't think your smile is going to...
283 - Oh, I'm going for a walk.
284 - Well, wait a minute, honey.
285 - You know what, we can split a bottle of wine
286 - and I'll give number three a shot.
287 - That was a close one.
288 - Did you quit that job?
289 - Dad, I want to keep that job.
290 - Well, it's a tough world, Eric.
291 - And people don't always get what they want.
292 - Especially you.
293 - Dad, I'm pretty sure I'm not backing down on this one.
294 - You're not?
295 - Oh, no.

296 - Well, I guess you win, then.
297 - Dad, you always tell me never to back down.
298 - "Don't back down."
299 - "Formans never back down."
300 - And now you're telling me to back down?
301 - Well, Dad, I can only conclude that you're insane.
302 - You think that's funny?
303 - Well, you know, maybe not in the traditional "ha-ha" sense,
304 - but, you know, it's kind of...
305 - Look, I've got to go.
306 - You know, you're going to look real funny when you're wearing...
307 - Your ass for a hat.
308 - Yeah!
309 - Even though I doubt that's physically possible.
310 - Let's find out together.
311 - Okay, Laurie, I want you to know
312 - that I really, really, really
313 - enjoy fooling around with you.
314 - Yeah, I get that a lot.
315 - And you should. 'Cause you're talented.
316 - See, but I don't want one of those relationships
317 - because I already have one of those with Jackie.
318 - But that can't last.
319 - No.
320 - See, what I'm saying is,
321 - is that we have to break this thing off.
322 - That's a pretty big decision to make all on your own.
323 - Maybe you and me and Jackie
324 - should all get together and discuss it.
325 - No. You wouldn't.
326 - Really?
327 - Look at me, Kelso.
328 - Look into my eyes.
329 - Laurie, will you go out with me?
330 - Oh, Kelso. I thought you'd never ask.
331 - It's a smart move, taking cashier.
332 - I know you were gunning for supervisor, but...
333 - Hey, there's no shame in backing down.
334 - Well, that is a mighty nice smock.
335 - You know,
336 - you think that your kids don't listen to you. But they do.
337 - I'm not sure I follow.
338 - I changed my mind, Ted.
339 - I'm here for the supervisor's job.
340 - You know what I mean?
341 - Ted?

342 - Okay, well, now your father should be back
343 - from his interview any minute now.
344 - Mom, how come we have to be here?
345 - I could be using this time to...
346 - Not be here.
347 - No, this is a very difficult day for your father
348 - and he needs to be with his family.
349 - I'll be in the basement. No, you sit!
350 - Oh, sure, when things get ugly, suddenly I'm family.
351 - Not to me, freak.
352 - You are so going to end up in porno.
353 - Hi, honey.
354 - Right to the bar. Not a good sign.
355 - What are you all looking at?
356 - Don't you think that
357 - Pricemart's new supervisor deserves a drink?
358 - Yay!
359 - Yeah, I got it.
360 - Congratulations, Dad.
361 - Thanks, Eric.
362 - Oh, and you're fired!
363 - What? You can't do that.
364 - Yes, I can. You're fired!
365 - Hey, you know what? I'm not fired.
366 - Okay, if it's so important to you, you're not fired.
367 - But if your grades start to slip,
368 - you are fired!
369 - I love saying that.
370 - God help the poor bastards who work for you, huh?
371 - Wait, uh, I work for you.
372 - I know.
373 - So, dad, you and me going to work together.
374 - What a nightmare, huh?
375 - Oh, would you look at that?
376 - They spelled your name wrong.
377 - Just doesn't get old, does it?
378 - Well, if it isn't Benedict and Arnold.
379 - Bob, I needed that job and if you can't get that,
380 - well, I'm sorry. You're a dumb-ass.
381 - Look, they misspelled Pricemart.
382 - You want to keep that finger?
383 - Uh-huh.
384 - You've got to stop goofing around, Kelso.
385 - Am I right, Jackie?
386 - Laurie is so right, Michael.
387 - We are very disappointed in you.

388 - Even Eric got a job.
389 - Yeah, even my stupid brother got a job.
390 - Yeah, her brother's stupid and he got a job.
391 - Sexy circle?
392 - Oh!

2.15 Episode 15: Burning Down the House

1 - Oh, rerun's not smart.
2 - "What's happening?" I'll tell you what's happening. Hilarity.
3 - Yeah, no kidding.
4 - "Hey, hey, hey."
5 - That's just funny.
6 - Hey, hey, can you guys, uh, keep it down a bit, please?
7 - Hyde, there's lipstick on your chin.
8 - Hyde, why are you putting lipstick on your chin?
9 - It's for your lips.
10 - Hey, maybe he's got a girl back there.
11 - So, Hyde, who's the lucky lady?
12 - I never kiss and tell.
13 - It's Kat Peterson.
14 - Yeah, right.
15 - You're in your bedroom with the most popular girl in school.
16 - Yeah. What happened to Farrah Fawcett? Did her car break down?
17 - Look. Just keep it down, all right? You're killing the mood.
18 - Hyde, there is no mood because no one's back there.
19 - Hey, Mike. Muah.
20 - Okay, so we're all set for our big dinner party.
21 - Oh, yay, the big dinner party.
22 - So here.
23 - "You and a guest are cordially invited for an evening of cocktails, dinner and TV."
24 - The attire is semi-formal casual.
25 - Ah, finally, I can wear my tuxedo t-shirt.
26 - Uh, sorry, Fez. I forgot to invite you and Hyde.
27 - Oh, but it's never too late.
28 - Okay, bye.
29 - Don't worry, Fez. I'm sure you and Hyde can come.
30 - No, Michael, they can't.
31 - Okay, I get it. They can't come.
32 - Come with me.
33 - - No! - Ah!
34 - Okay, I'll give you a hundred bucks
35 - if you don't make me go to this party.
36 - - Show me the hundred. - Damn!
37 - Well, the party's tomorrow night.

38 - So I better go home and start putting on cologne now.
 39 - So, that was fun.
 40 - No. Disneyland's fun. That was nasty.
 41 - Oh, my God, Hyde.
 42 - Kat Peterson. Nice.
 43 - Yep.
 44 - She's slummin' it, and I'm lovin' it.
 45 - Hangin' out
 46 - Down the street
 47 - The same old thing
 48 - We did last week
 49 - Not a thing to do
 50 - But talk to you
 51 - We're all, all right
 52 - We're all, all right
 53 - Hello, Wisconsin!
 54 - Red, honey, would you go to Bob and Midge's and get my casserole dish?
 55 - I'm making tuna surprise tonight.
 56 - Well, now that I know, you've ruined the surprise.
 57 - It's for Scrabble night.
 58 - Bob and Midge love tuna surprise.
 59 - Yeah, but I don't love Bob and Midge.
 60 - Well, Red, I have to invite them over.
 61 - They keep inviting us.
 62 - Well, that's because you keep inviting them.
 63 - Somebody's got to break the chain, or it'll go on forever.
 64 - Red, they're the only friends we have since you made Phyllis cry.
 65 - I didn't say anything about Phyllis' weight
 66 - that the whole room didn't already know.
 67 - Donna, I'm gonna have dinner parties all the time
 68 - when I'm Mrs. Michael Kelso Esquire.
 69 - Just think about it.
 70 - - Do I have to? - Oh, shh.
 71 - So they sprinkled moondust In your hair
 72 - And golden starlight In your eyes of blue
 73 - They're brown.
 74 - I know.
 75 - Oh, Kelso, you little so and so.
 76 - I'd nary a notion of your songbird ways,
 77 - having thought you merely a captain of industry
 78 - and a king among men.
 79 - My word.
 80 - Cease your fawning and let us discuss the fox hunt.
 81 - But first, I crave a French pastry. Where's the help?
 82 - Apologies, good sire.
 83 - I was in the stables brushing the horses,

84 - secretly entertaining notions of a sensual tryst with a lady.
85 - Top drawer!
86 - Top drawer.
87 - "Top drawer."
88 - Hello?
89 - Oh, hey, Bob.
90 - Oh, hi, Red.
91 - Stop it!
92 - You know what might make this party a little more fun?
93 - Sweet death.
94 - Hyde!
95 - Fez!
96 - Michael!
97 - Oh, good. It's Hyde, Fez, and Michael.
98 - Hello, fellas. What's to eat?
99 - Ah, are these melon balls for anyone?
100 - Why are they here?
101 - I invited them because you're always discussing manners,
102 - and I wanted to be mannerly.
103 - He's mannerly.
104 - Hey, Chuck.
105 - Oh, no. Chuck's here.
106 - Why, Michael? Why would you invite all these people?
107 - Why would you do this?
108 - Well, I was thinking that if a party of 10 people was fun,
109 - then a party of 30 people would be twice as much fun.
110 - Michael, I didn't want twice as much fun.
111 - I wanted a small, classy party.
112 - But, Jackie, just because there's a couple more people
113 - doesn't mean it can't still be classy.
114 - Hey, everybody, I'm taking off my pants!
115 - No hair?
116 - None.
117 - Well, a little.
118 - Well, what are we talking about here, Red?
119 - Is it like Ed Asner bald or Charlie Brown bald?
120 - Jeez, Kitty, I don't know. I barely looked.
121 - Okay, I need a visual aid.
122 - It was so uncomfortable.
123 - I mean, a toupee's a pretty big lie, Kitty.
124 - Okay, here.
125 - Show me on Wooly Willy.
126 - Uh-huh.
127 - Okay, uh-huh.
128 - Really?
129 - Hey! Hey!

130 - Would it kill you to use a coaster?
 131 - Bunch of wild hooligans here.
 132 - Oh, sorry, Red.
 133 - Red. You know...
 134 - It was gonna leave a ring.
 135 - That's so true, Kitty.
 136 - Eric, look, this is not your house.
 137 - You're not gonna get in trouble for any of this, so loosen up.
 138 - Yeah. I guess I could do that.
 139 - Oh, my God.
 140 - It's like I'm seeing colors I've never seen before.
 141 - Hey, Kat. Want a beer?
 142 - No.
 143 - Thanks.
 144 - She just blew me off, man.
 145 - You believe that?
 146 - Yes, I do.
 147 - I really, really do.
 148 - Michael, are they drinking out of my parents' crystal?
 149 - Yeah, Jackie.
 150 - They were trying to drink straight from the bottle, and I said, no! No!
 151 - Use the crystal 'cause it's classy.
 152 - Michael, I'm gonna go upstairs and feel sorry for myself.
 153 - And you, you are gonna fix this.
 154 - Fi... Fix it?
 155 - Jackie, you're having the party of the year here!
 156 - Damn! I do not get women!
 157 - Yes, neither does Hyde, right, Hyde?
 158 - You okay?
 159 - Donna, please. I really don't want to talk about Michael.
 160 - Okay, so what is your honest opinion about Michael?
 161 - Um, by honest, you mean...
 162 - Donna, please learn to listen.
 163 - Okay. Okay, fine.
 164 - - Honestly? - Mmm-hmm.
 165 - You have certain expectations of Kelso
 166 - that may not be entirely realistic.
 167 - You want him to be sophisticated and smart,
 168 - but actually he's unsophisticated and unsmart.
 169 - Oh!
 170 - Hey, you know, you guys are really bringing down the make-out room.
 171 - Well, I'm gonna have to pass.
 172 - I've got nothing.
 173 - Would you look at her, Fez?
 174 - Acting like she's all hot stuff.
 175 - So she's incredibly good-looking and everyone likes her.

176 - I'm real impressed.
177 - Yeah, I know how it is.
178 - You know, you think you know somebody,
179 - but then it turns out he lied about making out with Kat Peterson.
180 - Hyde! Fez!
181 - What, is this a funeral? Come on!
182 - Why aren't you guys getting down?
183 - Well, I'm afraid Hyde is way too lovesick to get down.
184 - Lovesick? I don't love her, man.
185 - I just think we should be having sex is all, 'cause she'd enjoy it.
186 - Hyde, I'm not a doctor, but I play one on TV.
187 - But seriously, Hyde.
188 - This is a party!
189 - So loosen up, like me.
190 - Whoops-a-daisy.
191 - Man, I wish Jackie would loosen up.
192 - She's throwing a great party down here, and she's missing it.
193 - Kelso, you don't get it, huh?
194 - This party meant the world to Jackie.
195 - And you crapped on it.
196 - All right, ease up on Kelso, huh?
197 - Thanks, Hyde.
198 - Yeah, I mean, so you did something horrible.
199 - But it's Jackie, so who cares?
200 - No. Wait. What are you saying?
201 - I'm saying you burned her, man, royally.
202 - Nice job.
203 - But, no, man! I didn't want to burn her.
204 - I invited all these people to make it fun
205 - so her party would be good.
206 - She didn't want a good party.
207 - She wanted her party.
208 - You know what? You're right, Fez.
209 - All right, this party's over. Everybody out!
210 - No. Kelso, what are you saying, man?
211 - Think!
212 - You know what, guys?
213 - For the first time in my life, I think I am thinking.
214 - You know, I'm in danger of ruining the greatest thing that has ever happened to me.
215 - And I am not gonna let that happen!
216 - Kelso...
217 - Do not interrupt me, all right?
218 - This is important.
219 - From now on, I'm gonna put Jackie's needs first.
220 - And she is gonna be so proud of me!

221 - Whoa!
222 - Whoa, man! This is a rager!
223 - Give me your brandies.
224 - Whoa!
225 - Whoa!
226 - Gimme!
227 - Whoa!
228 - Donna, how dare you say that about me and Michael?
229 - Jackie, you wanted my honest opinion.
230 - You're honest opinion that we're great together.
231 - Look, you are wrong about Michael.
232 - He knows he made a mistake,
233 - and he's gonna make it up to me.
234 - You wait and see.
235 - Uh, Jackie...
236 - Where's the fire extinguisher?
237 - S-I-T.
238 - That's "sit."
239 - Oh my.
240 - Yes, it is, again.
241 - Yeah, Midgie's got quite a lead.
242 - Your turn, Red.
243 - Okay, fine.
244 - "Cueball."
245 - Ahem. I'm sorry, Bob.
246 - Sorry?
247 - Why apologize to me?
248 - I like billiards.
249 - Billiards are fun.
250 - Okay, so you all know.
251 - I don't know anything.
252 - I wear a toupee.
253 - Bob! If you tell them, they'll know.
254 - I wear a rug. So what?
255 - You know...
256 - I wish I had a toupee.
257 - You know, because, you know, the way my hair is sometimes.
258 - Look, Bob, being bald isn't something that a man has to hide from.
259 - A toupee is just silly.
260 - I keep telling him if he'd grow as much hair on his head
261 - as he does on his back, he'd have a full head of hair.
262 - Look, I know it's silly.
263 - I guess I'm vain.
264 - Every morning I wake up wishing I had the courage
265 - to walk around looking like you.
266 - But I don't, Red.

267 - I don't.
268 - I guess that makes me a bad person.
269 - Look, Bob, I didn't mean to make...
270 - No, no. You know what? No, you're right, Red.
271 - You're right.
272 - Maybe it's time I stop living the lie.
273 - Sinuses.
274 - All right, all right, I was wrong, Bob.
275 - You need the toupee. Put it back on.
276 - Hey, hey, Donna
277 - I want to sing to you
278 - Hey, hey, hey, Donna
279 - No one else will ever do
280 - I've waited so long
281 - For school to be through
282 - Donna, Donna, I love you
283 - Hey, hey, Donna
284 - Eric, get down off there right now!
285 - What's the problem, Donna?
286 - Yeah, what's the problem, Donna?
287 - Timmy, go get your pants on,
288 - or I'll beat the crap out of you.
289 - Eric, remember when I told you to loosen up?
290 - Oh, yeah, baby.
291 - Well, tighten up, baby.
292 - When the house is on fire, the party's over.
293 - Well, hey, this was your idea.
294 - Eric, I told you to loosen up, not act like a dink.
295 - Well, I'm new at this.
296 - So sue me.
297 - Sue-hoo-hoo me
298 - Sue me, Donna
299 - Eric.
300 - Hello, Steven.
301 - Oh, I see how this is gonna be.
302 - So, when you're with your little clique,
303 - you're too good for me.
304 - Right.
305 - But they're gone now, so hi.
306 - You know, for a rich girl, you're kinda skanky.
307 - Come on, let me show you the garage.
308 - That proves nothing.
309 - Son of a bitch.
310 - No. Listen, Jackie. Wait. I owe you an apology.
311 - I just wanted to help tonight, and I guess I blew it.
312 - And I'm sorry.

313 - Yeah. Lately, you've been sorry a lot, Michael.
314 - Yeah, but this time I mean it.
315 - Actually, he does.
316 - He felt very bad and said tender words about you,
317 - and then he set your house on fire.
318 - See, he loves you, but he just stupid.
319 - Thank you, Fez.
320 - Sure.
321 - Jackie, I do love you,
322 - and I'll do whatever it takes to make you happy with me.
323 - Yeah, well, I'm beginning to think
324 - that you're never gonna make me happy.
325 - What are you saying?
326 - I'm saying I have a lot of thinking to do.
327 - Whew! Dodged a bullet there, huh, Fez?
328 - Nothing good came out of this night.
329 - Although I did find out brandy's flammable.
330 - Yeah, it's worth knowing.
331 - Oh, and, uh, gasoline, for future reference.
332 - I just don't get chicks, man.
333 - God, Donna, men are stupid.
334 - How can they not know what we want?
335 - They want you to give them what they want...
336 - I think they know what we want.
337 - But you can't know what they want
338 - They just won't give it to us.
339 - Because they never tell you. You know?
340 - It's so simple.
341 - Yeah, it's confusing, huh?
342 - Oh, my God. The most horrifying moment?
343 - Eric sang to me.
344 - Hey, I sang to Donna.
345 - Yeah, she kinda melted.
346 - I mean, she called me a dink, but,
347 - I don't think she meant it.
348 - Eric was such a dink tonight.
349 - And I mean it.
350 - Totally.
351 - Totally.
352 - I told you, get out, crasher!
353 - I can't find my pants! My mom's gonna kill me!
354 - Well, maybe you should've thought about that
355 - before you took them off!
356 - Now, get out!
357 - Hey, so I hear you and Kelso are kinda on the rocks.
358 - What do you say we go and...

359 - Ow!

2.16 Episode 16: The First Time

- 1 - Okay. Here we go.
- 2 - Right hand, blue.
- 3 - Fez, you can't play Twister by yourself.
- 4 - That's where you are wrong, my friend.
- 5 - Right leg, green.
- 6 - Oh, that's gonna be tough.
- 7 - Hey, Fez, man, the circus called.
- 8 - They said they'll pay you 50 bucks a week
- 9 - if you can kiss your own ass.
- 10 - Take a message.
- 11 - I have the greatest news in the world.
- 12 - How the hell are you doing that?
- 13 - I'm double-jointed.
- 14 - Super.
- 15 - My parents are renewing their wedding vows.
- 16 - Wait, so double-dating degenerates
- 17 - and skeezy bar hags just lost its appeal?
- 18 - You'd be amazed how fast skeezy bar hags lose their appeal.
- 19 - But then, like, two beers later, it all comes roaring back.
- 20 - No. Finally, the insanity's over.
- 21 - You know, I'm really happy about this, Eric,
- 22 - and you should be, too.
- 23 - My parents have been driving me nuts,
- 24 - and I've probably been a little moody lately.
- 25 - No. God, you haven't been moody.
- 26 - Oh, this is great.
- 27 - Jackie's gonna get wedding fever.
- 28 - Man, all I'm gonna hear is, "Michael, at our wedding,
- 29 - "don't shove cake in my face,"
- 30 - and, "You better know how to dance,"
- 31 - and, "There will not be a trampoline."
- 32 - A wedding without a trampoline...
- 33 - That's crazy talk.
- 34 - Yeah. It'd be like a funeral without a dunk tank.
- 35 - Yeah. You know what? She even knows what kind of china patterns she wants.
- 36 - Pink and purple with unicorns.
- 37 - Who wants to see a unicorn when they're eating pie?
- 38 - Left leg, yellow.
- 39 - Will someone please help me get my pants off?
- 40 - No!
- 41 - Hanging out

42 - Down the street
43 - The same old thing
44 - We did last week
45 - Not a thing to do
46 - But talk to you
47 - We're all, all right
48 - We're all, all right
49 - Hello, Wisconsin!
50 - Quit it.
51 - Are you sure you have to help your parents with their wedding vows?
52 - Yes. Quit it.
53 - I got a vow.
54 - I vow...
55 - ...to kiss you so hard
56 - your pretty little red head pops off.
57 - Yeah.
58 - No. I could make that happen.
59 - Quit it.
60 - Donna, I'm sorry...
61 - But pinning me only makes it sexier.
62 - Hey, kids.
63 - Hey, Donna, get off of me!
64 - Hello.
65 - Huh, so, what's up?
66 - Well, your mom and I have been talking.
67 - We have a few ideas about the vows.
68 - First of all, a wedding is a nice way to spend the day.
69 - Write that down.
70 - "Spending the day with your mom is nice."
71 - That's my first vow.
72 - I don't think that's a vow.
73 - Yes, it is.
74 - Okay, uh, Mom...
75 - Why do you want to get remarried?
76 - Well, when your dad and I were in the attic,
77 - we figured out I still fit in my wedding dress.
78 - Oh, that's good, too.
79 - "Midge, you're as thin today
80 - "as the day I married you."
81 - That's a nice vow.
82 - Write.
83 - So both the ceremony and reception
84 - will be completely green and gold...
85 - In honor of the Packers.
86 - That's... classy, Bob.
87 - And Red, since you and I have a special bond,

88 - I'd like you to be my best man.
89 - Really?
90 - Yep.
91 - Well, I don't know, Bob.
92 - Oh, I think that is just lovely.
93 - Yeah. Fine. I'd love to be your best man.
94 - And, Kitty,
95 - since you and Midge are so close,
96 - she'd like to ask you a special favor.
97 - Oh, Bob.
98 - I would be honored to be Midge's...
99 - She'd like you to bring chairs.
100 - Chair-bringer.
101 - Oh, Steven,
102 - how'd you like to be our wedding photographer?
103 - Nope. I like to party at parties.
104 - I'll give you 10 bucks.
105 - 20 plus a meatball sub.
106 - Deal. - Deal.
107 - Well, got to go pick up my green and gold tux.
108 - It's a special order.
109 - Guy looked at me like I was an idiot.
110 - Yeah. That was the look.
111 - Well, can you beat that?
112 - Midge and I are much better friends than you and Bob.
113 - Well, men's friendships are...
114 - All of my life I have wanted to be a bridesmaid.
115 - None of my friends have ever asked me to be a bridesmaid.
116 - Well, that's 'cause you're too pretty.
117 - Oh, can it. That's not gonna work.
118 - I am gonna be a bridesmaid.
119 - Hey, wanna be the best man?
120 - I'm sorry, man, I must have lost your film.
121 - Are you sure it was this hut?
122 - Hey, man. All right. Check this out, okay?
123 - Friend of mine's having a wedding this weekend,
124 - and I told him that I'd be the photographer.
125 - Cool, man.
126 - I remember my wedding. It was magical, man.
127 - Chicks and booze everywhere.
128 - And I'd be willing to miss all that chicky-boozy fun to take pictures, you know?
129 - But, Leo, man, I got a problem.
130 - I can't see through the viewfinder
131 - because I have a glass eye.
132 - How come your eye doesn't look like glass, man?

133 - Well, that's 'cause it's special space-age glass.
134 - Whoa. Your eye was in space?
135 - That's awesome, man.
136 - Okay.
137 - So, here's the deal, right?
138 - Job pays 10 bucks and half a meatball sub.
139 - So I'm missing out on a pretty sweet deal here.
140 - Damn you, glass eye.
141 - Well, hey, I could use the 10 bucks, man,
142 - and half a meatball sub.
143 - If only I had a camera.
144 - Whoa!
145 - Hey, it's all coming together, man.
146 - Why do we have to get all dressed up
147 - for this stupid rehearsal dinner?
148 - Because my mom said so.
149 - And we don't argue with mommy.
150 - Okay. So, Jackie hasn't made me
151 - read a single bride's magazine.
152 - I'm telling you, man. Ever since I set her house on fire,
153 - she's been acting really weird.
154 - Hey, you know, when I'm trying to get in good with Donna,
155 - you know what works for me?
156 - I don't set her house on fire. Yeah.
157 - Oh, sure. Hindsight's 20/20.
158 - Here, loser, Mom wants you to put this on.
159 - Hey, Laurie.
160 - Where have you been, you idiot?
161 - Oh, well, Jackie was...
162 - I told you never to say that name to me.
163 - We have a relationship!
164 - - See, that's true, so... - Shut up!
165 - Jackie, hear me now.
166 - I am not helping with any of the wedding stuff.
167 - Good.
168 - Oh, nice try, Jackie,
169 - but the reverse psychology's not gonna work on me.
170 - My mind's too powerful.
171 - - Whatever. - Okay.
172 - Now, wait. Jackie, that's confusing!
173 - I'm not chasing after you!
174 - Oh, Kitty, would you like to meet the bridesmaids?
175 - Oh, Bob, would I like to be a bridesmaid?
176 - No. Would you like to meet the bridesmaids?
177 - Oh. Whatever. Fine.
178 - Uh, Kitty...

179 - This is Barbara, Honor, and Holly.
 180 - Hi.
 181 - Holly's the maid of honor.
 182 - Which is ironic that Honor is not the maid of honor.
 183 - - I am so gonna get you. - Shut up!
 184 - For God's sake, don't do this now.
 185 - You shut up!
 186 - I didn't fly in from Istanbul for this.
 187 - Well, um, well, that is... Is just a lovely dress.
 188 - Where do the batteries go?
 189 - Drink up!
 190 - Okay, Red, you're the best man.
 191 - You make the toast.
 192 - I would, but I'm not from Istanbul.
 193 - Oh, fine.
 194 - Excuse me. Ahem.
 195 - Hello?
 196 - Listen up, you bastards!
 197 - I'm sorry about the, uh, the bastards thing.
 198 - Anyway, I'd like to make a special toast
 199 - to two very special people, Bob and Midge.
 200 - Aw.
 201 - Bob and Midge.
 202 - Bobby and Midgie.
 203 - Here's to Bob and Midge!
 204 - Aw.
 205 - - Red, that was a lovely toast. - Well, thanks.
 206 - Kitty, I have another big favor to ask.
 207 - Uh-huh.
 208 - At the ceremony, I'm wearing something old,
 209 - something new, something borrowed,
 210 - and I wondered if you had something blue I could borrow.
 211 - No, but I have something sharp and rusty
 212 - I'd love to give you.
 213 - No, thanks.
 214 - Um...
 215 - Dad, can I talk to you for a second?
 216 - I've been trying to work
 217 - what we talked about into your vows,
 218 - but I'm having a little trouble.
 219 - Did you put in that thing about your mom staying thin?
 220 - - Yeah. - So what's the problem?
 221 - Well, Dad, it just doesn't seem very...
 222 - Hey, there's nothing in there about me being thin, is there?
 223 - 'Cause I can't get enough of these wienies.
 224 - I can't believe this.

225 - Hey, good-lookin', have a cocktail wienie?
226 - Leave me alone.
227 - What? That's not a metaphor.
228 - Look, cocktail wienies.
229 - My God, can you believe it?
230 - I know, it's unbelievable.
231 - These are wedding vows, Eric, vows.
232 - They're supposed to mean something.
233 - Well, yeah. That's what I said,
234 - and I was told to shut up.
235 - Shut up. What is this?
236 - Scotch and soda.
237 - Uh, that's not Scotch.
238 - You're right. It's a Shirley Temple.
239 - I just, I didn't wanna say that
240 - 'cause it sounded like something Christy McNichol would drink, so...
241 - God.
242 - Their marriage almost ended.
243 - They put me through hell,
244 - and now that they're getting back together,
245 - it's like it doesn't even mean anything.
246 - How am I supposed to write about love
247 - when they are the worst example in the entire world?
248 - No, no. Okay, look, they may not be the best example,
249 - but they do love each other.
250 - They just can't express it, or...
251 - Really any thoughts more complex than "I'm hungry."
252 - But the important thing is that they really do love each other.
253 - Yeah. I guess they do.
254 - They do! You know they do.
255 - And that's why they need you to say what they can't say...
256 - Because, despite your bimbo-like good looks, you're very smart.
257 - Look, write the vows that you would write.
258 - And, Donna, I know...
259 - I know it'll be great.
260 - Okay.
261 - Thanks.
262 - Oh, hey, Fez, uh, if anybody asks, this is a glass eye.
263 - What?
264 - Hey, Leo, man. You all set?
265 - Totally, man. I got everything.
266 - Great. Where's the camera?
267 - I got everything but the camera...
268 - Or the film or the flashcubes.
269 - I got nothing, man.
270 - Leo, man, the Fotohut is loaded with that stuff.

271 - I know. It's ironic, isn't it?
272 - And yet, not surprising.
273 - Hey, I'm Leo,
274 - and I'm also a Leo.
275 - Think about it.
276 - Yeah, wow. I'm Holly, and I think that's deep.
277 - Boy, this wedding's gonna be pretty lame
278 - without a trampoline, huh?
279 - Whatever.
280 - All right, Jackie.
281 - If you're mad at me, well, then use your mad voice.
282 - And if you're not, well, then, lady,
283 - you better start chewing my ear off like usual.
284 - Look, Michael, I'm not mad, okay?
285 - Could you be any more annoying?
286 - Yes!
287 - Oh, Kitty, it's a disaster.
288 - The ceremony's starting, and I can't find Holly.
289 - Well, I'm sure she's here somewhere.
290 - I bet if we listen real hard, we can hear her dress.
291 - All right, sweetie, I'll help you look.
292 - Holly!
293 - Ooh!
294 - Have you ever seen a girl do this before?
295 - Once in Amsterdam.
296 - I love photography, man.
297 - Oh, my.
298 - Midge?
299 - Sweetie, now, I just, um...
300 - I just, I don't have a good feeling about this.
301 - - What am I gonna do? - Well, you don't worry about that.
302 - - You go back inside. - Oh, thank you, Kitty.
303 - You're welcome.
304 - I win.
305 - Jackie, this is for you.
306 - Oh, my God.
307 - Pink and purple with a unicorn. You remembered!
308 - Of course I remember.
309 - I remember everything you tell me, even when you think I don't.
310 - Really?
311 - What's my favorite season?
312 - - Fall? - Why?
313 - Uh, the outfits flatter your chestnut eyes.
314 - And?
315 - Slimming lines and dark colors.
316 - Oh, my God, Michael!

317 - When you started acting like an immature jerk,
318 - I started having doubts about us,
319 - but now this purple and pink unicorn candy dish
320 - proves you're a grown-up. Oh!
321 - I'm a bridesmaid.
322 - First of all,
323 - Midge and I would like to thank everyone for coming.
324 - It really means a lot to us.
325 - The vows we're exchanging
326 - were written by our daughter Donna,
327 - whom we love very much.
328 - "Midgie, I consider it a privilege to be your husband."
329 - Donna, I actually feel that way.
330 - "Bob, I'm proud and very grateful to be your wife."
331 - "We've known each other since we were practically kids..."
332 - "So we know all the good stuff..."
333 - "And all the not-so-good stuff about each other."
334 - "I can't imagine feeling about anyone else
335 - "the way I feel about you."
336 - "Because I love you.
337 - "I always loved you,
338 - "and I want to make you a promise.
339 - "No matter what happens...
340 - "Good or bad...
341 - "I will always love you."
342 - Oh!
343 - Okay. Donna, wait.
344 - What?
345 - Well, first you drag me away from the wedding,
346 - and then you kiss me all the way over here,
347 - and then you pull me upstairs and shove me into my bedroom
348 - and put your hands all over my body.
349 - I just...
350 - I'm sorry. I'm confused.
351 - Huh. If only there were a way
352 - to make my feelings clear with some sort of action.
353 - Yeah. Ha. Okay.
354 - That's, uh, ahem, ha-ha, extremely funny.
355 - But, uh, every, every time this starts happening,
356 - it winds up not happening.
357 - And then you skip home...
358 - Tra-la-la-la-la.
359 - I know. I know, and I'm sorry.
360 - It's just, you know, before now, I wasn't ready.
361 - Yeah, and I understand that, Donna.
362 - It's just that... wait!

363 - Wait! Go back!
364 - I wasn't ready before now.
365 - Before now, like...
366 - Right now?
367 - Eric, when I had to write those vows,
368 - I had to think about love.
369 - When I thought about love,
370 - I thought about you.
371 - I love you, Eric, and I want to be with you.
372 - God, Donna, I...
373 - Love you.
374 - Are you...
375 - Sure, sure?
376 - Yes, yes.

2.17 Episode 17: Afterglow

1 - So...
2 - This is what it's like to not be a virgin.
3 - Yeah.
4 - So...
5 - - How are you? - Good.
6 - How are you?
7 - - Good, good. - Good.
8 - It was good.
9 - Right?
10 - I can honestly say the best I've ever had.
11 - Was I good?
12 - Were you good?
13 - Donna, you know how my mom's all over my back
14 - to write "thank you" notes, and I never do?
15 - Well...
16 - Trust me. You're getting a thank you note.
17 - Okay. We'd better get back downstairs
18 - before people start wondering where we are.
19 - Right. Oh...
20 - And we'll need a cover story, so...
21 - Yeah. Let's just tell everyone we had sex.
22 - No.
23 - Yeah, I know. I'm kidding. Uh...
24 - We'll say we went out for ice because...
25 - We needed to cool down from having sex!
26 - Maybe I should do the talking.
27 - Yeah, well, you know, try to work it in somewhere
28 - that we had sex, in conversation, if it comes up.
29 - Great...

30 - Hanging out
31 - Down the street
32 - The same old thing
33 - We did last week
34 - Not a thing to do
35 - But talk to you
36 - We're all, all right
37 - We're all, all right
38 - Hello, Wisconsin!
39 - You see, Fez,
40 - you take all the partially consumed drinks
41 - and mix 'em together into one, giant uber drink.
42 - In this case, Tom Wallbanger bloody sunrise on the beach.
43 - Kelso, have you been avoiding me?
44 - You kidding me? I'm right here, aren't I?
45 - It's just that ever since I threatened to tell Jackie about the two of us,
46 - you've seemed distant.
47 - Laurie, that's just crazy, all right?
48 - You blackmailing me has just brought us closer together.
49 - Hey there, kids. Where have you two been?
50 - God, Dad, can't we be gone for a minute
51 - without you making all sorts of accusations?
52 - I mean, God, it was just a minute.
53 - To be fair, Donna, it was a little more than a minute.
54 - Donna, one of your drunken uncles is touching me.
55 - Oh, my God.
56 - Oh, my God.
57 - We need to talk, right now!
58 - What?
59 - Yay! My first paycheck from Pricemart!
60 - The dark times are over, Kitty.
61 - Oh, honey, those weren't dark times.
62 - It was... an economic segueway. Pfft!
63 - Well, it's over. We should celebrate.
64 - Come on, Kitty, let's get you pregnant.
65 - I'm kidding.
66 - You know I can barely stand the kids we have.
67 - You know what we should do?
68 - Treat ourselves to something nice.
69 - I know! We can turn on the heat.
70 - All right... Tell me everything.
71 - No.
72 - Come on, Donna. We're supposed to be friends.
73 - Aren't we friends?
74 - Well, yeah.
75 - Okay then.

76 - So...
77 - What'd it look like?
78 - Jackie!
79 - Okay, we'll come back to that one.
80 - So, how was it?
81 - Jackie, I don't really want to talk about it.
82 - Oh...
83 - That bad, huh?
84 - No!
85 - No, no. It was great.
86 - It just wasn't what I expected.
87 - I don't think we did it right.
88 - So Eric's not good?
89 - It was more like... Like neither of us was good.
90 - Donna, it's not up to the woman to be good.
91 - I don't know, Jackie. I mean, I love Eric, but when the moment came,
92 - it was just, like...
93 - Awkward and weird...
94 - And...
95 - I don't know. I just felt so far away, you know?
96 - No. But go on.
97 - I mean, during it, I just remember thinking,
98 - "This is it. This is what everyone..."
99 - Everyone what?
100 - That's as far as I got.
101 - Oh. See, that's the problem.
102 - That's not the problem.
103 - Oh, trust me. That's a problem.
104 - Ok. You know what, Jackie? Everything's fine.
105 - Just don't tell anyone about this, okay?
106 - Okay.
107 - Okay?
108 - Okay!
109 - Eric and Donna had sex?
110 - Yeah, yeah. And Eric wasn't good at it.
111 - Wow. Really?
112 - That's great!
113 - And I would've gotten away with it, too,
114 - if it wasn't for those darn kids!
115 - Oh...
116 - Oh, I love this Scooby-Doo!
117 - Forman, what the hell you grinning about?
118 - What?
119 - A guy can't grin?
120 - I think that maybe...
121 - Forman and Donna finally made the beast with two backs.

122 - The backosaurus?
 123 - So?
 124 - Well, Hyde, I'm not saying yes, and I'm not saying no, but...
 125 - I'm especially not saying no.
 126 - Thank God. Man, I'm telling you,
 127 - I couldn't deal with one more week
 128 - of that "Will they, won't they?" crap.
 129 - - Hey. - Hey.
 130 - What's goin' on?
 131 - Donna made Forman a man.
 132 - Okay. Yes, she did.
 133 - Really?
 134 - So...
 135 - How was it?
 136 - Well...
 137 - Boys...
 138 - I tell you, it was as if...
 139 - In that one magic moment...
 140 - The two people, Donna and Eric, ceased to exist
 141 - and were replaced instead by one, perfect being.
 142 - Donric Formciotti.
 143 - So, Eric, you're saying it was good?
 144 - Kelso, was Michelangelo's Creation of Adam good?
 145 - Yes, Kelso, it was good!
 146 - So, well, my first time...
 147 - Jackie called me "The Apollo rocket of love."
 148 - What kind of rocket were you?
 149 - Where you going with this, Kelso?
 150 - Nowhere.
 151 - Except Jackie said you were totally lame in the sack!
 152 - - Jackie said? - Yeah.
 153 - Donna told Jackie. Jackie told me.
 154 - Oh, but you can't tell Jackie I told you 'cause she'd get pissed.
 155 - It's okay, Eric. Maybe sex isn't your thing.
 156 - All right.
 157 - Almost there.
 158 - Oh, I can't wait to see what we got.
 159 - Oh, you're gonna love it.
 160 - - Are you ready? - Uh-huh!
 161 - Ta-da!
 162 - A motorcycle?
 163 - Don't you love it?
 164 - Of course I do, Red. What woman wouldn't?
 165 - Oh, you hate it.
 166 - Of course I do, Red. What woman wouldn't?
 167 - Red, I thought, I thought we would get something

168 - we both would enjoy, like a, a necklace.
169 - But this is much better than a necklace.
170 - How?
171 - Well, it's...
172 - Not a stupid necklace.
173 - But it's shiny!
174 - - Hey. - Hey.
175 - Hmm.
176 - So...
177 - What's new?
178 - Well...
179 - Turns out I'm really lame in the sack.
180 - What's new with you?
181 - - What? - Oh, it's all the news.
182 - Jackie told Kelso, and Kelso told all of us,
183 - so, sorry I'm "Lame in the sack."
184 - I never said that. I said it felt awkward and weird.
185 - Oh...
186 - What a relief.
187 - You could've told me.
188 - How am I supposed to tell you something like that?
189 - I don't know. How about, "Hey, Eric, you're awkward and weird"?
190 - You know what? That's the problem.
191 - We did this really huge thing,
192 - and now I feel like I can't even talk to you about it.
193 - Well, God knows, you can talk to Jackie.
194 - I knew this was gonna happen.
195 - What?
196 - I knew that once we did this, everything would change,
197 - and damned if it didn't.
198 - Well...
199 - If that's the way you feel about it,
200 - maybe we should never do it again.
201 - - Great. - Oh... Great!
202 - Oh, great.
203 - Look, Kitty. Look how good I look on it.
204 - Hey, we could get matching jackets.
205 - You know how you love things that match.
206 - Red, what were you thinking?
207 - Oh, come on, Kitty.
208 - You know the last thing I bought for myself?
209 - A hose.
210 - Well, I'm sorry, but we can't afford it.
211 - What do you mean? I'm working again.
212 - But we still have to get out of debt.
213 - And we have to pay for Eric's college,

214 - and we got... We got Laurie's wedding,
 215 - and you know whoever she ends up with,
 216 - it's not gonna be any Rockefeller.
 217 - I suppose you're right.
 218 - Well, at least, let's take one ride on it...
 219 - Before we bring it back.
 220 - Okay, fine.
 221 - Oh, that feels nice.
 222 - Oh! That feels very nice.
 223 - - Michael, how could you? - What'd I do?
 224 - Michael, I didn't tell you about Eric's sad dilemma
 225 - so you could make fun of him.
 226 - I told you so you could help him.
 227 - Jackie, I can't help him and burn him at the same time.
 228 - Uh, I mean, come on, Jackie. It's funny!
 229 - He must've been really bad.
 230 - Yeah? Well, so were you.
 231 - Oh!
 232 - All right, Jackie, I don't think you know what you're saying, okay?
 233 - 'Cause you called me your Apollo rocket of love.
 234 - Right...
 235 - But I said it like...
 236 - "Oh, Michael,
 237 - "you're a regular Apollo rocket of love."
 238 - Okay, I don't hear a difference.
 239 - Eric, if it makes you feel any better,
 240 - Michael was really bad his first time, too.
 241 - Oh!
 242 - Um, that's supposed to make me feel better?
 243 - Doesn't it?
 244 - Yeah, a little. Thanks, Jackie.
 245 - Forman, I've been thinking about your problem with Donna,
 246 - and after hours of serious consideration...
 247 - It still makes me laugh.
 248 - Hey, you leave Eric alone!
 249 - All right? He's our friend, and he needs our help
 250 - in this, his most desperate hour.
 251 - I'm with you, buddy. Semper fi!
 252 - Gee, Kelso, why the sudden change of heart?
 253 - Oh. Maybe it's because the "Apollo rocket of love"
 254 - blew up all over the launch pad?
 255 - Ho-ho! A mystery.
 256 - One suitable for Scooby-Doo and his gang of cartoon teenagers.
 257 - You know, guys, sometimes I wish we were cartoon teenagers.
 258 - Zoinks. That'd be super, Fez.
 259 - Look, man, if God had meant for virgins

260 - to lose it to other virgins,
 261 - he wouldn't have given us middle-aged hookers, man!
 262 - Amen, brother!
 263 - Because if there's one thing men like us know,
 264 - it's how to have sex.
 265 - Oh, I cannot live with this lie.
 266 - Everyone, prepare to be shocked.
 267 - I, Fez, am still a virgin.
 268 - Gosh, my world no longer makes sense.
 269 - Fine, Hyde, but
 270 - now that the middle-aged-hooker ship has sailed,
 271 - what am I supposed to do?
 272 - Well, I know I got a lot better
 273 - when I started making it with your sister.
 274 - I got it! You should make it with my sister!
 275 - Kelso, man, I've seen your sister.
 276 - She's a virgin, and she's gonna be...
 277 - For a long time.
 278 - Hyde, what are you saying?
 279 - Well, I think he's saying, "Moo."
 280 - Okay, maybe you did not hear me.
 281 - Fez, the man you all revere,
 282 - has still not had sex.
 283 - Yeah. Heard you the first time.
 284 - Forman, you've gotta figure out what you're doing wrong, man, and fast.
 285 - You know what women call guys who are lame in the sack?
 286 - "Just friends."
 287 - You can't let the pressure get to you.
 288 - Don't think about how embarrassing it'd be
 289 - if you tried and you couldn't,
 290 - how she'd stare at you with those cruel, black eyes,
 291 - as if to say...
 292 - "You're not really a man, Michael.
 293 - "You're not a man at all!"
 294 - Okay.
 295 - Well, this has been really helpful, guys.
 296 - All right, you called my bluff.
 297 - I am not really a virgin.
 298 - Yes, I am.
 299 - All right... Fun's fun.
 300 - - Time to take it back. - No.
 301 - No?
 302 - No. I like it. I want to keep it.
 303 - But you said yourself we gotta save money for the kids.
 304 - Oh, screw the damn kids.
 305 - Oh, Red, I have worked double shifts all year.

306 - I deserve this. I want my hog.
307 - You know, Laurie might not even get married.
308 - Maybe Eric will get a scholarship to college.
309 - Well, hell, he might be too stupid to even get in college!
310 - Well, Red, we can only hope.
311 - Ok, so just out of curiosity, no reason,
312 - what was your first time like?
313 - Oh. My first time was with a guy named...
314 - Your father.
315 - My first time was with this guy named Darren.
316 - It was really special.
317 - Oh, no. Wait. It wasn't Darren. It was...
318 - Robert?
319 - I think Robert.
320 - Well, um...
321 - Red and I waited until after we were married.
322 - Like, five seconds after we were married.
323 - We said, "To heck with the receiving line,"
324 - and hit the nearest closet.
325 - Oh, I remember running my hands through his long, blond hair,
326 - and listening to his beautiful British accent.
327 - You see, because back then,
328 - your father was blond and British.
329 - No, no, no. Not Robert.
330 - There was this guy. What was his name?
331 - Or was it his brother?
332 - It'll come to me.
333 - Good God, that dress must've had a hundred buttons down the back,
334 - but Red got it off in no time.
335 - You wouldn't know it to look at him,
336 - but Red's got very nimble fingers.
337 - Nim-ble!
338 - I just remember it was very disappointing,
339 - and I never saw that guy again.
340 - I mean, your father.
341 - I mean, your father was the first.
342 - Don't tell your father, okay?
343 - I want to say Billy.
344 - But that's not right.
345 - Anyway, I just remember that he wasn't very good.
346 - And it was just wonderful...
347 - Eventually.
348 - Okay, Donna... Here's the deal.
349 - Do you have any Roloids?
350 - I've been thinking about what we said,
351 - about us not doing it again?

352 - And, uh, I've decided that's just crazy talk.
353 - But, Eric, we did it, and now everything's a mess.
354 - See, Donna...
355 - Everything you and I do is a mess...
356 - At first.
357 - I mean, face it.
358 - We're just a couple of goons here.
359 - The first time we kissed,
360 - the first time we went out.
361 - The first time I let you get to second.
362 - Exactly.
363 - Wait. What did I do wrong then?
364 - God, it was like you were tuning a radio.
365 - Okay.
366 - Okay, but, do I still do that?
367 - No.
368 - And the kissing, has that gotten better?
369 - Yeah, like, a zillion times better.
370 - And, Donna, you know why those things got better?
371 - Because we kinda care about each other, and we talk...
372 - And we make things work.
373 - Yeah, but what if it doesn't work?
374 - And then not only does it not work,
375 - but we don't have what we used to have?
376 - Donna, we will. We love each other, right?
377 - So, trust me.
378 - It can only get better.
379 - Hmm.
380 - Okay, so, I guess what you're saying is we need practice.
381 - And lots of it! Yes!
382 - So?
383 - Yeah. It was a little better.
384 - A little better?
385 - I am the king!
386 - Hey, Mom, any more fried chicken?
387 - Well, my goodness, you're a hungry little bee.
388 - Yeah, Forman. Whatcha been doing?
389 - Exercising?
390 - In a manner of speaking.
391 - Hey, I'm too smart for you two idiots to try innuendo with me.
392 - Got it?
393 - - Yes, sir. - Yes, sir.
394 - You gonna eat that, big boy?

2.18 Episode 18: Kitty and Eric's Night Out

1 - Oh, man! Where the hell is Eric?
2 - I gotta get outta here before Jackie finds me.
3 - What'd you do now?
4 - Oh, she's mad
5 - 'cause I didn't say, "Love you," after lunch.
6 - I say it all day long, after gym, "Love you, Jackie".
7 - After algebra, "Love you, Jackie".
8 - After I say, "Love you, Jackie,"
9 - I say, "Love you, Jackie."
10 - It sickens me!
11 - Hey, man, check it out.
12 - Foggy windows.
13 - Bummer.
14 - Someone must have left their hot lunch in the car.
15 - No, you idiot. Someone's in there makin' out, man.
16 - Patty!
17 - Hyde! Hey, h-how you doin'?
18 - Super.
19 - Okay, well, I'll see ya.
20 - Hey, didn't you go out with that girl?
21 - I don't think so.
22 - Yeah. That's the girl that dogged you on that blind date.
23 - Kelso, who cares?
24 - Hey, let's see what loser she ended up with.
25 - Yeah.
26 - Hello.
27 - Burn!
28 - Hey man, that's a burn.
29 - Hanging out
30 - Down the street
31 - The same old thing
32 - We did last week
33 - Not a thing to do
34 - But talk to you
35 - We're all, all right
36 - We're all, all right
37 - Hello, Wisconsin!
38 - Eric, honey,
39 - I was thinking maybe tomorrow night
40 - we could go shopping, just the two of us.
41 - Why?
42 - Well, because we need to get you
43 - some new shoes and some underwear.
44 - Kitty, we bought him shoes last year.

45 - Yeah, and I can shop for my own underwear.
46 - Oh, no, you cannot.
47 - The last time you went, you bought them too snug,
48 - and I want grandchildren.
49 - Yeah, well, I have to...
50 - Bye.
51 - You know, he used to love going shopping with me.
52 - Look, Kitty, he's 16.
53 - Seventeen.
54 - Whatever.
55 - The point is that when a boy hits that age,
56 - they don't wanna spend time with their mother.
57 - And if they do...
58 - They're weird.
59 - It's not a big deal.
60 - Well, it is a big deal to me, Red Forman.
61 - It is a big deal!
62 - Okay.
63 - Well, I just... I just wish sometimes,
64 - he, he, he would want to spend time with me.
65 - Well, force him!
66 - It doesn't matter what he wants.
67 - As long as we're paying his way...
68 - We own him.
69 - Fez has a girlfriend? - Mmm-hmm.
70 - Our little Fez?
71 - You're kidding?
72 - I mean, good!
73 - God, he was so in love with me,
74 - it was getting embarrassing.
75 - Right.
76 - So, anyways, you guys,
77 - how do you know when you need new underwear?
78 - Uh, hmm. If you're asking, you need new underwear.
79 - Oh, good. People are here.
80 - I want you to meet my girlfriend Patty.
81 - This is Eric. Eric, this is my...
82 - Girlfriend.
83 - This is Donna.
84 - Donna, this is my...
85 - Girlfriend.
86 - So you guys are just friends?
87 - No, Donna. - Fez, I'm kidding. I'm kidding.
88 - So, how's it goin', Patty? - Good.
89 - I have to be honest with you, people,
90 - Patty and I were just outside making out...

91 - Because Patty's my girlfriend.
92 - Hi, I'm Jackie.
93 - I'm sure Fez has told you all about me.
94 - Um, no. No, your name never came up.
95 - What?
96 - Well... Whatever.
97 - Okay, isn't this pleasant, huh?
98 - Um, Patty, have a seat.
99 - Fez, she's lovely. I'm impressed.
100 - Um, Jackie, I'm a little busy right now, okay?
101 - Thank you.
102 - So, Hyde, what's with Fez and that girl?
103 - Did you really go out with her?
104 - Yeah, no biggie.
105 - She sucked, anyway. He can have her.
106 - So Fez has a girlfriend?
107 - Still, I mean, what's that about?
108 - Fez snaggin' a girl away from you?
109 - I... never thought I'd see the day.
110 - So what's she like?
111 - It's just so Twilight Zone, I mean, to see Fez...
112 - Eric! Your mother asked you a question about the foreign kid.
113 - What? Oh.
114 - - What? - No. Never mind.
115 - Okay. That's it.
116 - Eric, you're gonna spend some time with your mother.
117 - What'd I do?
118 - Red, don't make it sound like a punishment.
119 - - Well, it is. - Red!
120 - You can look at it any way you want,
121 - but it's gonna happen, damn it.
122 - Wait, wait, is this...
123 - Because I didn't wanna go shopping with Mom?
124 - You don't wanna go shopping with your mom?
125 - Boy, I tell ya, if I had a Mom,
126 - I would go shopping with her every single day,
127 - because no one loves you...
128 - ...like your mom.
129 - That's true.
130 - Eric, honey, we don't have to go shopping.
131 - We could go see a movie.
132 - It'll be like a little date.
133 - No, no, no, no. Shopping's great.
134 - You know, I, um, I need new underwear, so...
135 - I think a date is a great idea.
136 - Hey, you guys should go see Annie Hall,

137 - I think you'd just love it, Mrs. Forman.
 138 - See? Steven's helping out.
 139 - Thank you, Steven.
 140 - Now, Annie Hall, I would like to see that movie.
 141 - Oh, Eric's just dyin' to see that movie.
 142 - - But I don't... - Just dyin'.
 143 - Um, I guess Fez really got me
 144 - with all of the poems that he left in my locker.
 145 - Oh, that is so romantic.
 146 - Well, doesn't Kelso write you poems?
 147 - No. No, but he's not foreign.
 148 - Hey, can we talk about something interesting?
 149 - Like, Donny Osmond?
 150 - Hey, you guys,
 151 - The Eagles are on Don Kirshner's Rock Concert tonight.
 152 - Oh, man, I'm gonna miss The Eagles
 153 - because I gotta, I gotta...
 154 - I'm busy.
 155 - Do we have a date tonight?
 156 - No. I wish.
 157 - I'm goin' to a movie.
 158 - With my mom.
 159 - He's got a special night out with mommy.
 160 - Hey, maybe you'll get lucky.
 161 - And your mom'll pay for the movie!
 162 - God, you people are sick.
 163 - Patty, you know, we should really go to the mall together
 164 - - so I can introduce you... - Are you ready, darling?
 165 - Excuse me, Fez. I was talking.
 166 - Oh, I know, Jackie. You are always talking.
 167 - - Oh! - Burn!
 168 - Sorry, I just appreciate a good burn.
 169 - So, where are you guys goin'?
 170 - Um, we are going to the Red Lobster
 171 - for a romantic dinner of Red Lobster.
 172 - I'll see you guys later.
 173 - Okay, I don't like her.
 174 - And I don't see why we have to be so nice to her
 175 - just because she's dating someone in our group.
 176 - Bites the big one, doesn't it?
 177 - Well, I gotta go to work.
 178 - God, am I right, Donna? Don't you hate her?
 179 - Not really, Jackie. I kinda like her.
 180 - Hey, what was that for?
 181 - That's for not writing me poems, Michael!
 182 - Uh, love you, Jackie.

183 - Leo, did you take your turn yet, man?
184 - No, man.
185 - I, I can't decide between college or a career.
186 - Well, we can't start until you decide.
187 - So choose, man, or I'll start workin'.
188 - Hey, don't rush me, man.
189 - This decision's gonna affect the rest of my life.
190 - Go to college.
191 - Okay.
192 - Hey, but...
193 - What if those frat guys make fun of my hair?
194 - And beat me up like, like fascists and stuff?
195 - Well, then just start a career.
196 - I can't let those frat guys get away with it, man.
197 - Leo, man, it's just a game!
198 - Yeah. Life is hard.
199 - Well, now, see, I didn't know
200 - that you liked green peppers.
201 - When did that happen?
202 - August 5, 1972.
203 - I mean...
204 - I mean, do you like green peppers?
205 - Why, yes I do.
206 - Very much.
207 - So how's Donna?
208 - What? We haven't done anything yet. What?
209 - Relax.
210 - I am not here to grill you about your life, Eric.
211 - But, you know, young adults do have a responsibility.
212 - Mom!
213 - Please.
214 - Honey, you may not realize it right now,
215 - but I am actually doing you a giant favor
216 - by making you spend time with me.
217 - Well, thank you.
218 - No, no, no. I mean it.
219 - Boys who reject their mothers
220 - grow up to have huge problems.
221 - You will hate yourself.
222 - And every relationship you have with a woman will just be a mess.
223 - So, if you don't spend time with me now,
224 - you may never have sex.
225 - I'm teasing!
226 - A little.
227 - Ah-ha. Hey...
228 - Look how far Florence is from... Venice.

229 - Eric...
230 - Honey, I just...
231 - I just wanted to spend a little time alone with you
232 - outside of the house. That's all.
233 - Mom, it's fine.
234 - And, in fact, you know what? This is great.
235 - Hey, Forman's out on a date with his mom!
236 - Forman and his mom!
237 - Forman and his mom!
238 - Forman and his mom!
239 - My goodness, that Woody Allen is neurotic.
240 - Well, if I lived in New York, I'd be in therapy, too.
241 - The streets are filthy.
242 - Whoa! Diane Keaton is not wearing a bra.
243 - Okay, don't let your mom see you look.
244 - But I have to look.
245 - I'm lookin'.
246 - I'm lookin', and I don't care!
247 - Oh, please.
248 - He expects her to make love
249 - while he's wearing those black socks?
250 - Note to self, throw away all black socks.
251 - Mah-jongg?
252 - What the hell is mah-jongg?
253 - Mah-jongg?
254 - What the hell is mah-jongg?
255 - Okay. "An aspirin the size of a brick."
256 - Now, that is funny.
257 - Finally, a scene without sex.
258 - Oh, great. Drugs.
259 - Thank you, Woody Allen.
260 - Huh. I guess cocaine is expensive.
261 - "I'm finally getting the feeling back in my jaw?"
262 - I don't get that. I mean, he was just
263 - in bed with her and... Oh! Okay.
264 - I see.
265 - Oh, God. I hope my mom doesn't get that.
266 - Ooh. I wonder if Eric gets that.
267 - Well, I am not gonna explain it to him.
268 - So now Patty's seein' Fez, and I just don't get it.
269 - 'Cause she could've had me.
270 - I'm a real catch, man.
271 - All right! I had twins, man!
272 - Oh, look. They're so beautiful!
273 - Congratulations.
274 - Thanks, man.

275 - Hey, I don't wanna be competitive or anything, man,
276 - but, uh, I've got two kids, and you don't have any.
277 - You're just a lonely plumber, dude.
278 - It wouldn't be so bad,
279 - but it's Fez.
280 - I taught him everything he knows.
281 - It's all backwards, man.
282 - I guess you just can't dwell on things, man.
283 - Yeah.
284 - Maybe I should just be happy for Fez.
285 - I mean, this is the first time in his whole life
286 - that he's ever had a girl, you know.
287 - Now, you know, a while back, I picked up a card
288 - that, you know, and I had a car accident...
289 - And, uh, I was dwelling on that, man.
290 - I'm sorry, what were you talkin' about?
291 - Maybe I should get back to work.
292 - If you get back to work, you're fired, man.
293 - Hey, I got twins again, man!
294 - Just admit it, Donna.
295 - Patty is totally wrong for Fez.
296 - Well, Jackie, we've never seen you
297 - quite this transparent before.
298 - What are you talking about?
299 - "She's so awful, Donna!"
300 - "Let's hate her forever, Donna!"
301 - "Let's shave her head and run her out of town, Donna!"
302 - Focus, Donna!
303 - We're ragging on Patty, remember?
304 - Jackie, did you ever think that maybe
305 - you hate Patty because you like Fez?
306 - Oh, you are in dangerous territory, Pinciotti.
307 - No, I mean, it's true.
308 - You hate seeing Fez drool over someone other than you.
309 - You're crazy. I don't like Fez.
310 - I think you do.
311 - Oh, shut up.
312 - Jackie, you're blushing!
313 - Ow!
314 - I'll admit that, uh...
315 - Fez would be okay for a quick fling
316 - if I was off on a vacation with my parents,
317 - like in Michigan or Cuba.
318 - Where no one would ever find out!
319 - Ever, ever, ever!
320 - Fez and Jackie, sittin' in a tree.

321 - Mr. And Mrs. Fez...
322 - Fez.
323 - Donna, please, please shut up.
324 - Jackie, you are so totally hot for him.
325 - I can see it in your eyes.
326 - Oh, my God.
327 - Oh, my God!
328 - I like Fez!
329 - No!
330 - No!
331 - Well, boy, wasn't that fun, seeing all those sex scenes with your mother?
332 - Oh, it was supersexy.
333 - I'm so glad we could enjoy that together. Really, I am.
334 - So, I guess women in New York don't wear bras.
335 - Um, it's disgusting...
336 - And we should move there immediately.
337 - Well, I don't know about you,
338 - but I've seen enough nipples for one day.
339 - Mom.
340 - What?
341 - I don't ever want to hear you say, "Nipples," okay?
342 - Why not? Men have nipples.
343 - Your father has nipples.
344 - No! He does not!
345 - Okay.
346 - So, what was your favorite part of the movie?
347 - Eh, I don't want to tell you.
348 - Oh, come on.
349 - Okay, um...
350 - Diane Keaton's nipples.
351 - Okay. Pay me.
352 - Leo, I gotta help the customer, man.
353 - I think he's gonna drive away.
354 - Eh, let him go. I don't need his stinkin' photo money.
355 - I'm a doctor.
356 - Okay, man, you know what? That's it.
357 - This game is over, man.
358 - This is not life. This is life!
359 - Yeah, but this life is so much better than this life, man.
360 - In the, in the game, I got kids, man.
361 - In real life, my kids split on me.
362 - - Really, man? - Yeah.
363 - My parents split on me.
364 - Oh, wow. Now we found each other.
365 - Hey, do you wanna be my father?
366 - Sure.

367 - Okay. Go ahead. Spin, Dad.
368 - I got a 10.
369 - Well, maybe mah-jongg is a type of food.
370 - Oh, you know what? You could be right.
371 - It's probably Chinese noodles.
372 - Yes.
373 - Hey, you wanna go see Close Encounters sometime?
374 - Yeah. I'd love to.
375 - Very cool. Good night, Mom.
376 - Oh, what did he do?
377 - I swear I'll kick his ass!
378 - No. He was just, he was absolutely wonderful.
379 - Oh.
380 - Okay.
381 - Okay.
382 - Is something wrong?
383 - No. Why?
384 - I don't know. It's just you, you seem very removed.
385 - Well, no. I'm fine.
386 - Are you sure?
387 - Uh-huh.
388 - I, you know, maybe it's me, but you do,
389 - you seem very removed.
390 - Eric, have you seen my geometry book?
391 - 'Cause while the two of you are doing that,
392 - I think I'm gonna do some homework.
393 - See? This is what I call being removed.
394 - Donna, when we're making out, you're not thinking about, like...
395 - Geometry and stuff, are you?
396 - Never.
397 - Unless I have a test the next day.
398 - Okay.
399 - You know, I think you're just the sweetest thing in the world
400 - to go out with your mom.
401 - Thank you.
402 - So, did mommy buy you new underpants?
403 - Okay.
404 - Did mommy buy you new underpants?
405 - Ooh, let me see the underpants.
406 - - Get off me. - Let me see. Let me see.
407 - B-3.
408 - Hit. Damn! You sank my battleship!
409 - You know, a well-maintained fleet
410 - is the backbone of any military structure,
411 - and with your floating arsenal depleted,
412 - your troops are likely to suffer some serious collateral damage.

413 - Huh.
414 - Wow. Hey, you know what, man?
415 - I think I might have been in the navy.

2.19 Episode 19: Parents Find Out

1 - Eric!
2 - Eric!
3 - Donna, this is a tricky maneuver, okay?
4 - I need quiet.
5 - Oh, my God! It's the cops!
6 - Eric!
7 - We're completely naked!
8 - Uh...
9 - Don't panic.
10 - I, uh... I have a plan. Okay.
11 - Go away!
12 - That's the plan? That's not a good plan!
13 - Yeah! No, that's the plan.
14 - I mean, we're totally naked.
15 - I think he'll probably just go away.
16 - Crap. Have you seen my pants?
17 - Where you going?
18 - Out.
19 - Where?
20 - A place.
21 - Who with?
22 - Doctors and stockbrokers.
23 - Oh, holy hell!
24 - Hanging out
25 - Down the street
26 - The same old thing
27 - We did last week
28 - Not a thing to do
29 - But talk to you
30 - We're all, all right
31 - We're all, all right
32 - Hello, Wisconsin!
33 - And, and... And the heater is broken in the Vista Cruiser.
34 - That's why it was so hot. So, uh...
35 - You know, naturally we removed one or two articles of clothing,
36 - which, you know, in retrospect was probably not that good an idea.
37 - Eric...
38 - How stupid do you think I am?
39 - You're right.
40 - Should have cracked a window. Good thinking.

41 - Eric, we know what you were doing
42 - in the car!
43 - No.
44 - We don't know.
45 - Trust me. We know.
46 - No. No. We don't know.
47 - I know! I know!
48 - Of course you know. You majored in it.
49 - What were you thinking?
50 - Mr. Forman? Uh...
51 - It was my idea, too,
52 - so, um...
53 - Please stop yelling at Eric. Because...
54 - What?
55 - Just play dead and cover your face.
56 - No, Eric. It's okay.
57 - What we did was a choice
58 - that we made...
59 - A choice we made
60 - as adults.
61 - Oh, really?
62 - You're an adult?
63 - Don't answer. It's a trap!
64 - Yes. We're adults.
65 - Okay, Donna.
66 - Then as an adult, I expect you
67 - to go next door and tell Bob and Midge
68 - just exactly what happened tonight.
69 - Okay.
70 - I'll tell them.
71 - Good! And I'm gonna check to see that you did.
72 - Oh, come on! Why would you do that?
73 - Donna, I won't keep something like this from your parents.
74 - They think we're friends.
75 - Hey, cool, man. A CB radio!
76 - Yeah! So I narrowed down
77 - my potential CB handles to two choices.
78 - Either "Stud Kickass" or "Flex Buffchest."
79 - Gee, Kelso. What about "Beef Dingleberry"?
80 - Oh, great. Now I got three choices.
81 - Breaker, 1-9, breaker, 1-9.
82 - This is Hot To Trot.
83 - Foxy Lady.
84 - And Nice And Easy.
85 - Oh, my God. They sound nice!
86 - And easy.

87 - Quick! Come on, we need handles
88 - so we can talk to 'em!
89 - Okay, uh... Oh! Oh! We'll be The Mod Squad.
90 - That's perfect! I'm Linc.
91 - I'm Linc.
92 - Why do you get to be Linc?
93 - The magic fr-ro, baby!
94 - Okay.
95 - Well, I got dibs on Pete.
96 - Okay, then, what is my macho cop handle?
97 - Julie. Julie.
98 - Breaker 1-9, breaker 1-9.
99 - This is Pete.
100 - I'm Linc.
101 - And Julie.
102 - It is so nice to talk to you, my lovelies.
103 - Hey, Julie.
104 - Cool accent. You sound sexy.
105 - Accent? What the hell is she talking about?
106 - Something on your mind? Yeah.
107 - There's something important I wanna tell you guys.
108 - Eric and I have been going out for a while now, and
109 - we did something you two should know about.
110 - Yes?
111 - Well, see, Eric and I...
112 - Uh, we, um...
113 - We...
114 - Rode the Forman's motorcycle!
115 - Whew! There! I said it!
116 - Weight is just off my shoulders!
117 - Donna, that was wrong.
118 - But not as wrong as it could have been, 'cause it could have been...
119 - Sex!
120 - That's what I thought, too!
121 - What?
122 - No, that's crazy!
123 - That's, that's silly!
124 - You guys are silly gooses!
125 - You make me laugh...
126 - 'Cause you're silly!
127 - So the cops caught you doing it?
128 - Oh, my God.
129 - That is such a turn-on!
130 - That is not a turn-on!
131 - You're a little pervert!
132 - Jackie, I have a big problem.

133 - How am I gonna tell my parents?
134 - Okay.
135 - If you need to use the bathroom, you should go now.
136 - 'Cause I have a lot to say.
137 - No. I'm fine. Thanks.
138 - Okay. Your first mistake...
139 - Was wearing pants for car sex.
140 - When you do it in the car,
141 - skirts are your best friend.
142 - Zip, zip, bim, bam,
143 - you're done, you're dressed, you're back at the mall.
144 - Jackie, I'm screwed.
145 - If I tell my parents, only one of two things can happen.
146 - They'll either be furious...
147 - Or they'll ask me how it was.
148 - Okay, now...
149 - Have some peas!
150 - I'd rather have sex
151 - with Donna.
152 - Mmm!
153 - Tapioca!
154 - Mmm!
155 - Sex with Donna!
156 - Well, you...
157 - You are just so cute.
158 - Say ma-ma.
159 - Sex with Don-na.
160 - No, baby, no.
161 - Yes!
162 - No! Yes!
163 - No! No. Yes!
164 - No!
165 - No!
166 - No!
167 - Kitty!
168 - Slut!
169 - What?
170 - Nothing.
171 - Are you okay?
172 - I'm fine.
173 - Kitty, when it's three o'clock on a Saturday afternoon
174 - and you're still in bed, I know something's wrong.
175 - Oh, Red, I'm fine.
176 - Why should I care that my...
177 - My sweet baby boy was...
178 - Defiled by some jiggly, red-haired tramp?

179 - Kitty...
180 - What I can't figure out
181 - is how she tricked him into it!
182 - Look, it's not like we didn't know this was coming.
183 - You're always showing Eric anatomical diagrams
184 - and charts and slides.
185 - You been preppin' him since he was six!
186 - Are you blaming me?
187 - No, no.
188 - Heck no!
189 - It's my fault.
190 - Men are dirty. It's...
191 - Well, good.
192 - Kitty, I just want you to get out of bed.
193 - You know, none of us have had lunch, and, uh...
194 - We're kinda hungry.
195 - Well, it's a house full of grown men,
196 - and I would think that one of you fully grown men
197 - would know how to make a damn sandwich!
198 - Well, maybe I should go... I sure as hell would!
199 - And when Bob and Midge look at me with their big, dumb eyes,
200 - I just...
201 - I can't find the words.
202 - Okay, Donna. I've given this a lot of thought,
203 - and I think I should be the one to tell your parents we had sex.
204 - Oh, my God.
205 - Eric, that is so great! Thank you!
206 - What? No. No! What? No!
207 - It was a bluff! I was bluffing to seem nice.
208 - Oh, crap, this is a nightmare.
209 - Fine. I'll do it myself.
210 - What? No, wait. Look.
211 - We told my parents together, so...
212 - Hey, let's tell your parents together.
213 - Thank you!
214 - So do you wanna go get it over with?
215 - Yeah. Let's go tell your parents. Okay!
216 - Okay.
217 - Donna, I wanna go with you, but...
218 - My legs have gone numb.
219 - Breaker 1-9, breaker 1-9.
220 - This is Pete, Linc, and Julie.
221 - We're lookin' for a 20 on Hot To Trot,
222 - Foxy Lady, and Nice And Easy. Over.
223 - Hey, guys.
224 - Hello, Hot To Trot.

225 - This is Julie.
226 - I was just wondering...
227 - Are you fat?
228 - Whoa, Fez!
229 - No actually, that's not a bad question.
230 - Well, why don't you guys come see for yourselves?
231 - We can meet tonight.
232 - Oh, tonight?
233 - No, tonight we have to watch Love Boat, so...
234 - As soon as I heard you were down, Mrs. Forman,
235 - I had to come and see you.
236 - Because I know the blues.
237 - But you know, the good news is Donna's on the pill.
238 - So...
239 - They can do it, like, a zillion times a day,
240 - and nothing bad can happen!
241 - Yeah. They can just do it and do it and do it
242 - and do it and do it.
243 - Jackie!
244 - Good. You're here.
245 - Get out.
246 - But I'm trying to help.
247 - Oh, you wanna help?
248 - Go make me a sandwich.
249 - So, Kitty...
250 - You think maybe, uh, it's time to get up?
251 - No.
252 - Okay. You know what?
253 - Kitty, you gotta shape up!
254 - I can't believe that you're all surprised
255 - that your 17-year-old
256 - is doing what 17-year-olds do!
257 - Big deal!
258 - Now get the hell outta bed and buck up!
259 - Oh, jeez, honey, I'm sorry.
260 - Get out!
261 - So, what do you kids need to tell us?
262 - I tried to guess, but my mind's a total blank.
263 - Actually... Mrs. Pinciotti, Mr. Pinciotti,
264 - it's something I need to tell you.
265 - Sorry. I almost threw up.
266 - I'm fine now.
267 - You both know how much
268 - I respect your daughter.
269 - How much I love your daughter,
270 - and, uh...

271 - Funny thing about love, ha-ha... Funny...
272 - Is, uh, sometimes
273 - we express it in a... In a physical way.
274 - You better not say what I think you're gonna say.
275 - 'Cause I'll be mad.
276 - And funny thing about mad...
277 - Ha-ha...
278 - Is sometimes I express it in a physical way.
279 - I love your daughter. And...
280 - I totally respect her,
281 - and I never stopped respecting her.
282 - Even when the cops came.
283 - Well, I'm sorry, Eric, but I still gotta twist your neck shut.
284 - Dad, you know, you shouldn't be threatening Eric.
285 - You should be, uh... Thanking him.
286 - What? What?
287 - Wow!
288 - He's treated me like a queen
289 - since the day we started dating.
290 - Eric and I have sex.
291 - There. You know.
292 - At least I have a nice boyfriend
293 - and not some juvenile delinquent.
294 - Like that Fonzie!
295 - Well, that...
296 - That's nice.
297 - And at least Eric had the guts to come over here
298 - and tell you man-to-man.
299 - Well...
300 - I'm happy for you.
301 - And thank you for being honest.
302 - That took a lot of courage, didn't it, Bob?
303 - I'm goin' to bed.
304 - So...
305 - How was it?
306 - Oh, God!
307 - Boy, oh, boy.
308 - I tell ya, Eric.
309 - You take the cake!
310 - Aw, man, there's cake?
311 - There's no cake.
312 - We're all starving to death, and it's all your fault.
313 - You broke your mother's heart!
314 - She's up there crying
315 - about how you're all grown up
316 - and you don't need her anymore.

317 - Well, that...
318 - That's not true.
319 - I know that.
320 - You're a helpless idiot!
321 - Huh. Okay.
322 - I... I could pretend to need help with my homework.
323 - Oh, no. No one gives a crap about that.
324 - Okay. Oh! I could pretend to be sick!
325 - Oh, that...
326 - Wait a minute. That might work.
327 - She mothered the heck outta you when you broke your leg that time.
328 - Right. I could say I have a fever.
329 - Or better yet, we could go out to the garage,
330 - I hit you in the elbow with a baseball bat.
331 - I'm gonna stick with the fever.
332 - You wanna go through life doing everything half-assed,
333 - that's your decision, son.
334 - Okay!
335 - They said they'd wait out front.
336 - Here we go! Cold beer and hot babes!
337 - Or vice versa.
338 - Hey, guys,
339 - did we get a yes or a no on the fat question?
340 - Oh, goody. They're not fat. They're just old.
341 - If your voice is hot,
342 - then you should be hot!
343 - Those are the rules!
344 - Damn old ladies with hot voices.
345 - Let's go.
346 - No, no, no. I'm staying. You two are shallow.
347 - I'm not shallow, Fez.
348 - I just judge chicks on their looks.
349 - Suit yourself. But sometimes the old ones
350 - are super grateful.
351 - Yeah. Okay, Fez,
352 - but if you wind up in some car feelin' up June Cleaver,
353 - don't come crying to me! Yeah!
354 - Hello, my lovelies.
355 - I am Julie.
356 - Which one of you is Hot To Trot?
357 - Julie? Yes?
358 - Hey! You made it! I'm Hot To Trot.
359 - I'm Foxy Lady.
360 - And I'm Nice And Easy.
361 - You're not fat.
362 - Or old at all!

363 - Of course not. We're gymnasts.
364 - Dear Penthouse...
365 - I'm really sick.
366 - Mommy.
367 - And I don't have anyone to take care of me.
368 - Well, you do feel a little warm.
369 - Right. 'Cause I'm sick.
370 - Or you stuck a hot towel on your head, Eric.
371 - Fine. I'm not sick. I just...
372 - I didn't want you to be mad anymore, Mom.
373 - Oh, honey, I'm not mad.
374 - I'm just...
375 - Horribly, horribly depressed.
376 - Look...
377 - Mom, I'm not all grown up, and I do still need you for stuff.
378 - Oh, you do not.
379 - Sure I do.
380 - Really? For what? List it.
381 - I need you to love me.
382 - I need you to...
383 - I really need you to get out of bed,
384 - because dad's been making my life extra miserable!
385 - Well, okay, that one I buy.
386 - So, are we okay now?
387 - Oh, honey...
388 - No!
389 - Well, I'm sorry. I Just... I don't like you growing up.
390 - And I don't like it, and I'm not gonna.
391 - But I...
392 - I guess it's just something I'm gonna have to get used to.
393 - You know what, Mom?
394 - I'm always gonna need you.
395 - Because chances are...
396 - Dad's gonna be riding my ass for the rest of my life!
397 - Yeah.
398 - You really do rub him the wrong way, honey.
399 - How you doin'?'
400 - That's a really nice robe.
401 - Uh, is that real velour?
402 - Hey, those gas prices are, like, argh, right?
403 - It's a shame about Elvis.
404 - Too soon.
405 - So... young.

2.20 Episode 20: Kiss of Death

- 1 - Hey, Mr. Bonkers.
- 2 - You nutty kitty.
- 3 - I'll be right home. Keep my bed warm, okay?
- 4 - Hey. Keep your paws to yourself.
- 5 - She's my girlfriend.
- 6 - So, what was your favorite part of the movie?
- 7 - Uh, my favorite part of the movie was when we made out.
- 8 - Yeah. Movies are fun.
- 9 - Yeah.
- 10 - Goodnight.
- 11 - You know, it's amazing how you always manage
- 12 - to pull the car right up to the garage,
- 13 - but not actually into it.
- 14 - Yup. Takes a keen eye and a sure foot.
- 15 - How would you like your keen eye
- 16 - to watch my sure foot kick your smart ass?
- 17 - Why don't I pull the car in?
- 18 - What the...
- 19 - You're movin' it a foot,
- 20 - and you hit somethin'.
- 21 - Jeez.
- 22 - Oh, God. No! It's...
- 23 - It's Mr. Bonkers.
- 24 - Wow. That is one dead cat.
- 25 - Hanging out
- 26 - Down the street
- 27 - The same old thing
- 28 - We did last week
- 29 - Not a thing to do
- 30 - But talk to you
- 31 - We're all, all right
- 32 - We're all, all right
- 33 - Hello, Wisconsin!
- 34 - If I was stranded on a desert island
- 35 - with only one form of cheese,
- 36 - no question, it would have to be the puff.
- 37 - You know who's my little cheese puff?
- 38 - Jackie.
- 39 - Oh, Michael, you're so cute.
- 40 - You're cute. Cuter.
- 41 - Cutest.
- 42 - All right. All right. You guys gotta shut up
- 43 - before I blow cheese puff chunks.
- 44 - All right, Michael,

45 - I'll see you tonight at 8:00. Okay.
46 - I'll be counting the minutes.
47 - Can't you just use a clock?
48 - Man, we're so back in love.
49 - I remember when it was all,
50 - "You're an idiot, Michael!"
51 - And, "Whoa, what'd I do?"
52 - Good times.
53 - Sorry, man, but I love her.
54 - Yes, but you don't deserve her, you son of a bitch.
55 - What?
56 - I said...
57 - Uh, "Good cheese puffs, you son of a bitch."
58 - Hey, Kelso.
59 - I thought we'd get together tonight,
60 - so take a shower, okay?
61 - Laurie, I'm... I'm seeing Jackie tonight.
62 - Oh, that's so sweet.
63 - Uh, no. I'll see you at 8:00.
64 - But...
65 - You heard me.
66 - Damn.
67 - My second girlfriend is such a drag.
68 - This is bad, man.
69 - Yes, but only for you.
70 - Cheese puff?
71 - Looks pretty good, Mr. Clean.
72 - Well, you know me.
73 - I'm...
74 - Super neat.
75 - Hey, you know, I can't find Mr. Bonkers anywhere.
76 - Have you seen him? No!
77 - Uh, I mean...
78 - Well...
79 - Yeah, not since last night.
80 - Huh. Well...
81 - Meow, meow, meow, meow.
82 - Killed...
83 - Meow, meow.
84 - What?
85 - I said, it's weird.
86 - He always sleeps with me,
87 - but he never came home last night.
88 - Let me know if you see him, okay?
89 - Oh...
90 - Sure thing. Will do. Okay.

91 - Mr. Bonkers?
92 - Yeah, I'm goin' to hell.
93 - So you didn't tell her?
94 - I felt so guilty. I just...
95 - I couldn't.
96 - Is it because you're kinda glad it's dead?
97 - No.
98 - Hey, maybe I don't have to tell her.
99 - Maybe she'll just think Mr. Bonkers ran away.
100 - That works. That's what we told you when...
101 - Shh!
102 - What?
103 - Eric, honey, eat your pizza rolls.
104 - Oh, come on. How hard can this be?
105 - You go over there and you say,
106 - "Hey, I'm a cat killer. I murdered..."
107 - "I murdered your cat."
108 - But you try to say it with a straight face.
109 - What?
110 - Am I the only one that sees the humor in this?
111 - I think you might be, Red.
112 - Oh, come on. That thing was always messin' in my yard,
113 - goin' through our garbage.
114 - Now we have Hyde for that.
115 - Oh, yeah, Laurie, and what exactly do you do?
116 - Oh! That's right. The Packers.
117 - Excuse me. Dilemma here?
118 - Eric, this is not a dilemma.
119 - You have to tell Donna.
120 - Just be gentle, and maybe take her a nice little gift.
121 - Yeah, like a kitty-sized headstone.
122 - You know what? I should've known you were lying.
123 - Sure, Flipper was fast,
124 - but turtles don't just run away.
125 - Hyde, which one's your favorite Charlie's Angel?
126 - I kinda like the blonde with the huge rack.
127 - Yes. And she distracts the criminals with her huge rack.
128 - Plus, she's got that huge rack. Yeah.
129 - Oh, my stomach.
130 - My cheesy, puffy friends have become my enemy.
131 - Man...
132 - You guys...
133 - I gotta break up with Laurie.
134 - Kelso, remember how you said you were gonna juggle 'em both
135 - till it blew up in your face? Yeah?
136 - Well...

137 - Kablooney!
138 - Okay, I know I tried before, right?
139 - But this time, Laurie'll see how much I love Jackie
140 - and that my motives are good and pure.
141 - And then she'll just let me go.
142 - Then you and all the leprechauns can ride unicorns
143 - to a wonderful celebration in Fairyland.
144 - Look! The Angels are runnin' in slow motion.
145 - Damn! Damn!
146 - That's just good TV.
147 - Hey, beautiful.
148 - How's it goin'?
149 - Oh, pretty good.
150 - Except, I found this here kitten
151 - who told me he was looking for someone to love him.
152 - Oh, my God!
153 - Oh, he's so cute.
154 - Thank you, Eric. That's so sweet.
155 - Oh, I hope Mr. Bonkers doesn't get jealous.
156 - Hi.
157 - Yeah. I don't think that's gonna happen, Donna, because...
158 - I accidentally killed Mr. Bonkers.
159 - So! What're you gonna name this little fella here?
160 - What? What are you talking about?
161 - I've had that cat since I was three. What happened?
162 - Well...
163 - Last night, I was pulling in the car after our date...
164 - After our date?
165 - Last night?
166 - Eric, I was looking for him, and I asked you.
167 - And you said you hadn't seen him.
168 - And you knew I was worried sick about him.
169 - I know, Donna. That's why it was so hard to tell you.
170 - Hey there, ho there, hi there.
171 - What's goin' on?
172 - Why don't you ask the man who murdered our cat?
173 - No! No! That's...
174 - No, I didn't murder your cat. It was...
175 - He climbed under my car. It was a total accident.
176 - Well, I should hope so, because what did he ever do to you?
177 - I don't want to live with this lie anymore,
178 - because I only love Jackie.
179 - Okay.
180 - So, do you want to go up to my room and have sex?
181 - Uh...
182 - Sure!

183 - No, wait!
184 - No! No!
185 - Okay. I just... This...
186 - Laurie, I... I'm serious.
187 - We are over.
188 - Wow! I think you really mean it.
189 - I totally do.
190 - Okay, Kelso, you're free.
191 - You know what I'd like, though?
192 - Just one last good-bye kiss?
193 - Um...
194 - Okay, well, sure.
195 - Michael!
196 - Jackie!
197 - We were...
198 - No! There was...
199 - Wow! How ironic, huh?
200 - Eric, I just saw Michael kissing your sister.
201 - Okay, he's a rat! He's been cheating on me!
202 - What? Well...
203 - Surely, there must be some kind of mistake!
204 - Right, guys? Come on.
205 - Well, it sure is a mind-blower.
206 - So that's it. Michael and I are over.
207 - Really?
208 - And by "over" you mean...
209 - I mean over and done! All right? Forever.
210 - Uh-huh. Now, by "forever" you mean...
211 - And after everything I put up with!
212 - I mean, God, him taking Pam Macy to the prom,
213 - setting my house on fire, lying about Laurie...
214 - God!
215 - To be fair, that's only the stuff you know about.
216 - This is incredible.
217 - My time has come.
218 - Today, I will make Jackie mine!
219 - Hey, what's wrong?
220 - I don't know. I think my guts are bursting with love.
221 - So, Fez, my mom says your appendix has to come out.
222 - Man, you must be in tons of pain.
223 - Whee!
224 - Cheese puffs out, pain pills in.
225 - Fez loves his pills.
226 - Boy, I wish there was a pill I could take.
227 - Get rid of my pain.
228 - A forget-about-Jackie pill.

229 - Hell, if they made that pill, I'd take it.
230 - Kelso, man, this is what you get
231 - for tryin' to do the right thing.
232 - Want to know a secret?
233 - I'm not wearing anything under my dress.
234 - Look.
235 - Whoa! Put that away!
236 - Yeah. Man, it... It just sucks when you try to do the right thing.
237 - And then she yells at you for killin' her cat.
238 - Eric,
239 - you don't know how lucky you are.
240 - I would give anything to be able to tell Jackie I killed her cat.
241 - Nothin' sadder than when two people break up.
242 - Except this time, when it's funny.
243 - By the way, Eric...
244 - If your mom ever says, "Ready for your catheter?"
245 - The answer is no.
246 - Donna, we're supposed to be friends.
247 - Would it have killed you to say,
248 - "I know you love him, but Michael's a jerk"?
249 - Jackie, I think my exact words were,
250 - "I know you love him, but Michael's a jerk."
251 - So...
252 - Have you seen Kelso since...
253 - No. I mean, he's a liar and a cheater.
254 - Ugh, maybe that's how all guys are.
255 - I know how you feel.
256 - Like, it's bad enough what Eric did to Mr. Bonkers.
257 - Then he lied to me.
258 - Yeah.
259 - Eric put off telling you something
260 - because he didn't want to hurt you.
261 - Whoo! That is so much worse than cheating on you with another woman.
262 - Oh, wait.
263 - No, it's not!
264 - Oh.
265 - Wow.
266 - I guess Eric was just trying to be nice.
267 - Maybe I'm overreacting.
268 - Look. Let me tell you something, Donna.
269 - Until goody-goody Eric cheats on you with your stupid dead cat,
270 - I suggest you shut up.
271 - Ugh, I miss Jackie.
272 - I know!
273 - Well, you're in luck, Fez.
274 - The bars closed early today,

275 - so we found a doctor to do your surgery.
276 - Oh. Good. I see they've already shaved you.
277 - Actually, I did that myself.
278 - Lucky coincidence, huh?
279 - Okay, then.
280 - Time for sleepy-sleepy.
281 - Okay, now, count back from 100.
282 - 100.
283 - 99.
284 - Charlie's Angels.
285 - Once upon a time, there were three little girls
286 - who went to the police academy.
287 - Now they work for me.
288 - My name is Fez.
289 - Stand back.
290 - And remember, girls,
291 - this one's for Fez.
292 - This is your unlucky day,
293 - now that Fez's Angels are here.
294 - Don't move.
295 - I'm gonna blow up Fez headquarters.
296 - I can't bear to see any of you
297 - with such a handsome, foreign sex machine.
298 - This is gonna be a blast.
299 - Whatever.
300 - Whoa!
301 - Ah!
302 - You're a real barrel of laughs.
303 - Congratulations, and a job well done, Angels.
304 - Thank you, Fez.
305 - Are we going to see you soon?
306 - No, I can't get away.
307 - I'm in a little hot water right now.
308 - Fez. Fez, honey?
309 - Oh, thank God you pulled through.
310 - I was afraid you'd die before I got to tell you...
311 - I love you.
312 - No, no, Jackie.
313 - No sex now.
314 - We must wait.
315 - Until we're married?
316 - No.
317 - Until the catheter comes out.
318 - Fez?
319 - Fez?
320 - Fez?

321 - Fez?
 322 - I told you, no sex now!
 323 - Hey there, Midge.
 324 - Kitty, uh, insisted I bring this over
 325 - to show our sorrow because of your loss.
 326 - Aw, thanks, Red. We were all sittin' around
 327 - reminiscing about our dear departed cat,
 328 - Mr. Bonkers J. Pinciotti.
 329 - Do you have a story you want to share, Red?
 330 - We'd sure appreciate it, seein' as how your son killed him.
 331 - Okay.
 332 - Well, I remember he used to come into my yard and, uh...
 333 - And, uh...
 334 - You know, I'd throw a bucket at him,
 335 - or spray him with a hose,
 336 - and he'd run away.
 337 - Then he'd come back.
 338 - I'd do it again.
 339 - I guess you...
 340 - You could say we kinda had our own thing.
 341 - Wow.
 342 - Well... Okay.
 343 - Enjoy the casserole.
 344 - We set up a Mr. Bonkers memorial slide show in the other room.
 345 - So...
 346 - Uh-huh.
 347 - Uh...
 348 - That casserole there is a seven-layer.
 349 - Of course, uh, two of those layers are peas,
 350 - and I really should've told you right away about your cat,
 351 - but it's a pretty good casserole. There's ham in it.
 352 - Look, Eric, I know you didn't want to hurt me, and I understand that.
 353 - It's just
 354 - we've gotta be honest with each other.
 355 - I mean, especially now that we've...
 356 - You know...
 357 - We've...
 358 - You know?
 359 - 'Cause I just don't want to end up like Jackie and Kelso.
 360 - No, no. I don't think we're gonna end up like Jackie and Kelso.
 361 - I mean, I lied out of the goodness of my heart.
 362 - It's still a lie, Eric.
 363 - Yeah. You're right.
 364 - I'm sorry, Donna,
 365 - about everything.
 366 - All right. well, from now on, no more secrets.

367 - Oh! God, then I guess I have to come clean.
368 - Okay.
369 - In first grade, behind your back,
370 - I used to call you "Donna Pinch-my-Butty."
371 - Well, you know, Eric, that's okay.
372 - 'Cause I was the first one to call you "Eric Foreskin."
373 - You started that? Yeah.
374 - That's not funny. That one stuck.
375 - Oh, shut up, Foreskin.
376 - So, really, breaking up with Michael could be
377 - the start of something great.
378 - I am a whole new Jackie.
379 - Really?
380 - 'Cause you're babblin' like the old Jackie.
381 - Jackie. I've been lookin' for you.
382 - Here I am.
383 - Okay, so... Yeah.
384 - Yeah, you two probably want to be alone.
385 - No, Forman.
386 - How can this not be good? Come on.
387 - All right.
388 - Jackie, I've done some terrible and stupid things.
389 - Too many to even list.
390 - Oh, hey, give it a shot, man.
391 - I'll fill in the blanks.
392 - Hyde.
393 - All right, but I'm done making excuses.
394 - And all I can say is...
395 - Is that I'm sorry and I love you.
396 - And I will do whatever I can,
397 - every day from now on,
398 - so that you know that's true.
399 - So, will you please,
400 - please,
401 - please take me back?
402 - Oh, Michael.
403 - No.
404 - No... No, you know what? We're through.
405 - Forever.
406 - Whoa. Didn't see that comin'.
407 - Fine.
408 - So, um...
409 - That... That was the smartest thing I've ever done.
410 - And, um...
411 - And the best.
412 - Oh...

413 - Hyde.
414 - Why does she always come to me?
415 - You are a dog, Michael, a dirty, dirty dog!
416 - You are an idiot, and science is stupid!
417 - I have had it with you!
418 - You are weird, and I'm going home.
419 - If you're not telling the truth, I will find out.
420 - 'Cause I'm smart, and you aren't.
421 - I am in love with a doofus.
422 - All the memories.

2.21 Episode 21: Kelso's Serenade

1 - Donna, have you noticed that every time we do the... Ahem.
2 - What we just did...
3 - It is always fun?
4 - Eric, you're so cute.
5 - Ow! Ow!
6 - Donna, I think by "Cute," you mean...
7 - Ruggedly handsome.
8 - You read my mind, Eric.
9 - Oh, yeah. That's the other thing.
10 - After we do... The thing,
11 - I don't really feel like an "Eric."
12 - Really?
13 - Uh, yeah. I think I feel more like a Stan.
14 - Or... A Chuck.
15 - Or a...
16 - A Maverick.
17 - So do you want to go to a movie tomorrow, Maverick?
18 - Oh, uh, I told Kelso and Fez I'd hang out with them.
19 - Really? Oh.
20 - Hey, but, you can come, too, if you want.
21 - No. It's okay.
22 - Uh, really, you should come.
23 - No. You go. Have fun.
24 - Are you sure?
25 - Sure. It's no big deal.
26 - Okay, cool.
27 - Hanging out
28 - Down the street
29 - The same old thing
30 - We did last week
31 - Not a thing to do
32 - But talk to you
33 - We're all, all right

34 - We're all, all right
 35 - Hello, Wisconsin!
 36 - Swedish pancakes? What's the catch?
 37 - Oh, no catch. Eat 'em while they're hot. There's plenty.
 38 - Well, this is a real treat, Mrs. Forman.
 39 - Psst. Careful, Steven.
 40 - There's always a string attached to Swedish pancakes.
 41 - Trust me.
 42 - Mom, you only make Swedish pancakes
 43 - when something horrible's about to happen.
 44 - Does someone have cancer?
 45 - No, no, no. No one has horrible cancer.
 46 - Ha ha ha ha!
 47 - Now, let's just sit down as a family
 48 - and enjoy our special pancakes.
 49 - Gotcha! Ha ha ha ha.
 50 - We're all going to the nursing home to visit Aunt Pearl.
 51 - Oh... Aw...
 52 - Isn't she dead yet?
 53 - Laurie! Well, I mean she is old, so...
 54 - Maybe we should call ahead.
 55 - Red, can you believe this family?
 56 - Well, the Bucks are playing the Celtics.
 57 - Oh, come on!
 58 - All I'm asking is for a quick visit.
 59 - Real quick. Quick, quick, quick.
 60 - Say, kids, how about a nice trip to old Aunt Pearl's?
 61 - Oh... Oh...
 62 - Hey!
 63 - Thank you, Red.
 64 - I don't have to go, do I?
 65 - I've already been to see her three times this year.
 66 - Oh, yeah. And I'm a virgin.
 67 - God, I miss Jackie.
 68 - I can't sleep.
 69 - I can't think.
 70 - I can still eat, but...
 71 - I mean, my life has no meaning.
 72 - I'm dead inside.
 73 - Oh, so that's what smells.
 74 - Yeah, Mr. Broken heart.
 75 - When was the last time you took a bath, man?
 76 - Whew, you're getting gamy.
 77 - Man, I am so glad Donna's not Jackie.
 78 - But I'll tell you what.
 79 - I'm even more glad I'm not you.

80 - No offense.
81 - I gotta win Jackie back.
82 - I got it! I'll write her a song!
83 - Maybe the best way to get Jackie back
84 - is to let her date other people, foreign exchange people.
85 - No, man. I think a song is a really great idea.
86 - How about this one?
87 - You don't love me anymore
88 - You caught me cheatin' With a whore
89 - See? 'Cause Laurie's the whore.
90 - You get it?
91 - Yeah. My sister is such a whore.
92 - Yeah, I'm gonna write Jackie a song.
93 - I gotta win her back because I can't stop the tears, man!
94 - Kelso? We've been over this.
95 - There's no crying in the circle.
96 - And then Eric says, "You can come... If you want."
97 - "If you want?"
98 - Ouch.
99 - Right?
100 - I don't know, I think he's sort of taking me for granted.
101 - Ah, I don't know. Maybe I'm just overreacting.
102 - No, Donna. You're underreacting.
103 - All men take all women for granted...
104 - All the time.
105 - Jackie...
106 - Save yourself the heartache, Donna.
107 - Break up with Eric now before it's too late.
108 - Then we can be single girls together.
109 - Ooh! We could take a cruise!
110 - I don't know. I'm just worried.
111 - I mean, if he's acting like this now,
112 - imagine what it'll be like if we got, like...
113 - Married or something.
114 - Gloria, I just looked at her! She was giving me change!
115 - No, Michael! It wasn't a look.
116 - It was a look.
117 - Oh, my! Please don't fight.
118 - Your father will be home any minute.
119 - Wow, Ma! You're all dressed up!
120 - Oh, yeah. Your father's taking me out tonight.
121 - Good for you, Ma. You deserve a night out.
122 - Well, ho, ho, ho and whoop-di-doo. I'm home.
123 - Oh, hi, Archie.
124 - Ah, jeez, Edith, no time for the kisses there, okay?
125 - The fight's about to start.

126 - But, Daddy, you told Ma you were taking her out tonight.
127 - That's true, Arch.
128 - Shut up, you meathead, you!
129 - Well, if you ask my opinion, maybe you just forgot.
130 - Ah, jeez, Edith, I didn't forget nothin' there,
131 - so get me a beer and stifle there, huh?
132 - Oh, my...
133 - Oh, my God, Jackie.
134 - What am I gonna do?
135 - I don't know, Donna.
136 - I just don't know.
137 - Oh, hi, Mr. Forman.
138 - Go talk on your own damn porch.
139 - So... You've been playing much bingo, Pearl?
140 - Oh, for God's sakes, Kitty, I ate your damn pudding.
141 - So go!
142 - Laurie, say something nice.
143 - Fine. Something nice.
144 - That's my magazine.
145 - Nobody needs to see that.
146 - Get out!
147 - You know, it's weird.
148 - But I thought after me and Michael broke up,
149 - I wouldn't want to hang out here anymore.
150 - Yep. That's what we were hoping.
151 - But I think if I left, you'd really miss me.
152 - Right? Ahem.
153 - I, uh, I suppose...
154 - That, um, you know, it's important
155 - when you have a bad breakup
156 - that you find friends to, uh...
157 - Uh, sympathetic...
158 - Uh, stuff...
159 - Um, support and, uh...
160 - I don't know.
161 - Right.
162 - So let's go to the mall.
163 - I meant friends like Donna or... Not me.
164 - But I noticed you're alone a lot,
165 - and I'm alone a lot, so let's be alone together.
166 - Look, we're alone right now.
167 - That's not really a very good reason for us to...
168 - Wait.
169 - Let's go to Sizzler.
170 - They've got a salad bar.
171 - It's all you can eat.

172 - Plus five different colors of Jell-O.
173 - I'll buy.
174 - You've been through a rough time.
175 - Let's go, kid.
176 - A song for Jackie.
177 - By Michael Kelso.
178 - You may think This song is stupid
179 - So I made a call To Cupid
180 - And he told me to put My heart out on my sleeve
181 - So we can retrieve Our love from the trash
182 - Trash, Trash
183 - So what do you think?
184 - Well, I think that...
185 - You should draw her a picture.
186 - Hey, pal... You think you're funny?
187 - Well, just wait, 'cause someday Donna's
188 - gonna crush your stupid little heart, too.
189 - Yeah. Ahem. See, I don't think so
190 - because I've taken special precautions to prevent that very thing from
happening.
191 - Uh, like, for instance,
192 - I... Don't sleep with other women.
193 - Yeah?
194 - Well... It's only 'cause you're chicken.
195 - Hey.
196 - Hey, baby.
197 - What say you grab Papa a root beer, huh?
198 - Oh, my God. I cannot look.
199 - Listen, you worm, I am not your slave
200 - or a waitress or your damn maid!
201 - And don't get all Archie Bunker-y on me,
202 - or I will kick your ass to the moon!
203 - Hey, Eric, what rhymes with Donna?
204 - I didn't mean to cheat But she forced me
205 - She Downright Coerced Me
206 - Hey, that's kinda good.
207 - Man, I just asked her for a root beer.
208 - You tried to control her, Eric.
209 - And the woman always controls the man.
210 - That's true. Donna does not control me!
211 - Oh, Eric, you have so much to learn, my friend.
212 - Yeah. I wish Jackie was still controlling me.
213 - I love being on a short leash.
214 - Put the short leash Back on me
215 - Kelso, let me see that for a second.
216 - Yeah.

217 - You know, that's kinda funny. That was your guitar.
218 - Burn!
219 - Hyde, those boots look really nice on you.
220 - You know, Jackie, you buying me boots is just wrong.
221 - You should've let me shoplift them.
222 - No, Hyde. I want you to have them.
223 - Besides, I'm saving a fortune
224 - now that I don't have to feed and clothe Michael.
225 - Well, if you insist.
226 - I do. So I was thinking tomorrow night,
227 - we should, you know...
228 - Whoa, okay. All right now, come on, Jackie.
229 - This was a one time only thing, all right?
230 - If you're trying to bribe me with these boots, man, you can just take them back.
231 - I see.
232 - Oh, what are you gonna do now, cry?
233 - Oh, man, you're crying.
234 - Hey, Jackie...
235 - Come on, man.
236 - It's gonna be fine, okay? You're gonna be fine.
237 - This whole thing is gonna be fine, all right?
238 - No!
239 - Bad Jackie!
240 - But, Hyde, I thought we agreed
241 - that you were alone and I was alone...
242 - Jackie, I'm trying to help you out here, all right?
243 - So just listen to me.
244 - You gotta realize that you can do better than Kelso.
245 - But what if I never find anybody else?
246 - Oh, you will, man. You'll find somebody great.
247 - You see, I, myself, don't like you.
248 - I find you abrasive.
249 - But if I didn't know you and I had never talked to you,
250 - I'd think you were totally hot.
251 - Thank you, Hyde.
252 - Anything for you, doll.
253 - Pearl, honey, please come out.
254 - Oh! Laurie, she kinda likes you. Do something.
255 - Aunt Pearl!
256 - Why don't you come out, and you can show me your damn scrapbooks again?
257 - Every time you people come,
258 - I gotta get dressed and put my teeth in.
259 - And you're not worth it, so get lost!
260 - Now can we go?

261 - No. Ahem.
262 - Okay, fine. You know what? I give up.
263 - Let's just go.
264 - I just hope when I get old, someone comes to visit me.
265 - Don't be ridiculous, Mom. Eric will come.
266 - Well, I'm gonna go warm the car up.
267 - No, Laurie.
268 - This is important to your mother.
269 - So sit down.
270 - Come on, Pearl. There's a Bucks game on.
271 - The Bucks, huh?
272 - Oh-ho!
273 - Well, you know, see?
274 - This is nice.
275 - The only thing that keeps me alive
276 - is watching the Bucks lose. Pfft!
277 - Go Bucks.
278 - Michael, no. I don't want to talk to you.
279 - No. You're right.
280 - Okay? Because words don't do it.
281 - That's why I wrote this song.
282 - Oh, God.
283 - Jackie, please Take me backie
284 - I'll get the knack, see
285 - Okay, Michael, stop.
286 - Michael, stop.
287 - Yes, please, Kelso, stop.
288 - I cannot take this anymore.
289 - This is how you serenade a woman.
290 - Besame
291 - Besame mucho
292 - Como si fuera esta noche
293 - La ultima vez
294 - What are you doing?
295 - Yeah. What are you doing?
296 - Um, this is my school song from back home.
297 - I don't love you.
298 - Hey, what's going on?
299 - Nothing.
300 - Nothing at all.
301 - Thank you, Hyde, for tonight.
302 - It was very special.
303 - Oh! Aiee.
304 - Isn't she nice?
305 - Hey, fellas, you like my new boots?
306 - So, then Eric says to Donna,

307 - "I cannot go out with you,
308 - "because I'm going out with the guys."
309 - Oh, jeez.
310 - What? I don't think that's the problem.
311 - No. What's his name's right. That's the problem.
312 - Look, I don't think I did anything wrong.
313 - I'm not going to apologize to Donna.
314 - Oh, yeah?
315 - What? Why?
316 - Here's the thing.
317 - You're assuming that you're good enough for Donna.
318 - And you're not.
319 - Yes, I am.
320 - No, you're not.
321 - Just like I'm not good enough for your mother.
322 - Okay, well...
323 - Yeah, that's true.
324 - Hey, watch it. I'm trying to help you out here.
325 - I'm sorry. Yes, sir.
326 - Look, do you really think I wanted to spend the whole damn day
327 - sitting in a room with a woman who hates the Bucks and smells like
cabbage?
328 - Well, I didn't.
329 - But that's the price you pay, son.
330 - Now, you go call Donna before she realizes
331 - how much better off she is without you.
332 - Go on now. Go!
333 - Go! You heard him, go!
334 - But what about...
335 - Blah, blah, blah. Make the call, little man.
336 - Listen, Donna...
337 - No. Wait.
338 - I've been thinking about... You know...
339 - What happened.
340 - And I realize I may have overreacted.
341 - It's just that I'm a little vulnerable now
342 - that our relationship is... Matured.
343 - Donna, no apology necessary.
344 - I welcome your insane behavior and criticism.
345 - Don't be a jerk, Eric.
346 - No. No. Uh, ahem, I'm actually... I'm being serious.
347 - I'm willing to do...
348 - Whatever it takes for us to be together.
349 - Whatever it takes.
350 - It's worth it.
351 - Well... Thank you.

352 - So, uh, for future reference,
353 - do I have to ask you before I go out with my friends?
354 - No.
355 - Uh... Yes.
356 - Sometimes.
357 - So, uh, how will I know which times?
358 - Well, you'll know afterwards when I get mad.
359 - Okay. Yeah.
360 - Uh, is there, you know,
361 - maybe a better system than that?
362 - No. I really can't think of one. No.
363 - Okay, fair enough. Okay.
364 - I'm really sorry.
365 - Me, too.
366 - So, I blew off the guys tonight
367 - to hang out with you.
368 - So my calendar is wide open.
369 - I'm... I'm here for you, Donna.
370 - Oh, that's too bad. I'm hanging out with Jackie.
371 - You could come if you want.
372 - Ha ha ha. That's really not funny.
373 - So, Aunt...
374 - Shh!
375 - I was wondering...
376 - Shh! Okay.

2.22 Episode 22: Jackie Moves On

1 - Oh, hey, you guys,
2 - guess what part of my body
3 - I nicknamed Pink Floyd?
4 - Shut up.
5 - Well, Jackie thought it was cute.
6 - Well, Jackie's not here anymore.
7 - I was over at Jackie's this morning.
8 - She is so down. It's really depressing.
9 - She's taking the breakup pretty hard, huh?
10 - Cool.
11 - Shut up, man. You cried like a baby.
12 - Whoa, I did not cry.
13 - I had something in my eye.
14 - For a week?
15 - I have allergies, all right?
16 - Is it so wrong to feel?
17 - Anyway, Jackie's, like, in really bad shape.
18 - So, Kelso, now that you and Jackie

19 - are no longer an item...
20 - Um, I can ask her out, right?
21 - What? No. Since when do you like Jackie?
22 - Yeah, Fez, I don't think that's a good idea.
23 - Yeah, Fez, man, that's a bad idea.
24 - Jackie's on the rebound right now.
25 - Why don't you just give her a break?
26 - What?
27 - Since when do you like Jackie?
28 - All right, does everybody here now like Jackie?
29 - I still don't.
30 - Well, thank you, Eric.
31 - Fez, Hyde's just saying that Jackie's really vulnerable right now.
32 - Yes, so I must move fast
33 - before she gets her self-esteem back.
34 - Yeah, you can't blame her for being down.
35 - After all, I did dump her.
36 - Actually, she dumped you.
37 - Hey, I don't like to get into specifics.
38 - Oh, go tell it on the mountain.
39 - Nothing will stop me from asking Jackie on a date.
40 - Not even ninjas.
41 - Stand back.
42 - I want Jackie, and no one will stop me.
43 - You cannot have Jackie.
44 - I will disable you with my cat-like swiftness.
45 - Oh, yeah?
46 - Yeah.
47 - Oh, yeah?
48 - Yeah.
49 - Oh.
50 - Hiya!
51 - Fez. What?
52 - Go ahead, Fez. Ask Jackie out.
53 - She won't go 'cause you're foreign,
54 - but go ahead and ask.
55 - You're damn right I will.
56 - Hiya.
57 - Hangin' out
58 - Down the street
59 - The same old thing
60 - We did last week
61 - Not a thing to do
62 - But talk to you
63 - We're all all right
64 - We're all all right

65 - Hello, Wisconsin!
 66 - No, Laurie, I am not giving you 15
 67 - *for new hot rollers.*
 68 - *Straight hair is not the end of the world.*
 69 - *Actually, Mom, Laurie's world is a lot smaller*
 70 - *and much more shallow than the average person's.*
 71 - *Come on, Mom. Curls are important for myself - esteem.*
 72 - *Oh, you know what else might be good for yourself - esteem?*
 73 - *Not being the village whore.*
 74 - *Are you trying to start something with me, little boy?*
 75 - *Because while you have to go to work,*
 76 - *all I have to do is sit around*
 77 - *and think up ways to hurt you.*
 78 - *Oh, I don't know.*
 79 - *As village whore, I'd think your day's all full up.*
 80 - *Shut up!*
 81 - *Ha! I win.*
 82 - *You're both wrong, so can it.*
 83 - *You're dead.*
 84 - *Ooh, I'm... I'm so scared.*
 85 - *Kitty...*
 86 - *You remember that little, uh,*
 87 - *French restaurant downtown?*
 88 - *Frenchie's?*
 89 - *The one and only.*
 90 - *I made reservations for tonight.*
 91 - *Forman, party of two.*
 92 - *Well, now, this is so spontaneous of you, Red.*
 93 - *You haven't been reading my Cosmo, have you?*
 94 - *Come on, Kitty, we'll get all dressed up.*
 95 - *You can even wear my mother's necklace.*
 96 - *Oh...*
 97 - *The necklace, yay.*
 98 - *Come on, Eric, we're gonna be late.*
 99 - *Bye, Mom.*
 100 - *Bye, honey.*
 101 - *Oh, this is awful.*
 102 - *Come on, Mom. French food's not that bad.*
 103 - *Just order pommes frites.*
 104 - *They're French fries, you know?*
 105 - *No, honey, the necklace. I don't have it anymore.*
 106 - *What'd you do with it?*
 107 - *Nothing. I said nothing.*
 108 - *Mom, did you gamble the necklace away?*
 109 - *Okay, stop it, Laurie. I'll make you get a job.*
 110 - *Bye.*

111 – *Okay, Fez.*
 112 – *Asking Jackie out is a big opportunity for you.*
 113 – *And if she says no, don't cry.*
 114 – *Just be witty and polite.*
 115 – *Stick to the script.*
 116 – *And most importantly,*
 117 – *speaks slowly and enunciate.*
 118 – *Hello.*
 119 – *"Hello, Jackie, how are you doing today?"*
 120 – *"I am fine. Nice weather lately, huh?"*
 121 – *"Would you like to go out to dinner with me tonight?"*
 122 – *Okay.*
 123 – *Wait, who is this?*
 124 – *It's me, Fez.*
 125 – *Oh.*
 126 – *Okay.*
 127 – *I just thought that since you and Kelso*
 128 – *are no longer dating...*
 129 – *How is Michael doing?*
 130 – *Uh, fine, I guess.*
 131 – *Actually, he seems dumber.*
 132 – *Well, you know what, that's great.*
 133 – *'Cause I'm doing fine, too.*
 134 – *Just fine.*
 135 – *Well, if you are fine, then I'm dandy.*
 136 – *You... You and me, fine and dandy.*
 137 – *Did you hang up?*
 138 – *No.*
 139 – *Pick you up at 8 : 00?*
 140 – *Fine.*
 141 – *Dandy.*
 142 – *Okay.*
 143 – *I'm all ready, so let's go.*
 144 – *Wow, you look great.*
 145 – *And you look sharp yourself, so let's go.*
 146 – *Hey, weren't you going to wear my mother's necklace?*
 147 – *Here it is.*
 148 – *Doesn't it look nice?*
 149 – *It tucks in so I won't lose it.*
 150 – *So, let's hit the road.*
 151 – *Well, you know, that didn't really*
 152 – *look like the one that she gave you.*
 153 – *Well, sure it does.*
 154 – *It looks just like it because it is it.*
 155 – *Now look who's getting gold.*
 156 – *Doesn't even remember what necklace his mother gave me.*

157 – *So, let' s move it out.*
 158 – *Boy, Laurie, you really liked that hot dog.*
 159 – *You didn' t even chew it.*
 160 – *Oh, hey, Hyde,*
 161 – *Father' s Day is coming up.*
 162 – *Shouldn' t you practice saying " Hi, are you my daddy?"*
 163 – *Oh, by the way, Laurie, the surgeon general called.*
 164 – *He wanted you to stop hoarding all the penicillin.*
 165 – *You know, when you' re in prison,*
 166 – *your bad table manners will probably just be a turn – on*
 167 – *for some guy named Tank.*
 168 – *Oh, well, maybe when you' re there for a conjugal visit,*
 169 – *you can ask him to take it easy on me.*
 170 – *Oh, yeah, well...*
 171 – *Nice hair.*
 172 – *Oh, Laurie.*
 173 – *Are you all out of put – downs?*
 174 – *Yeah, I guess I' m having a off day.*
 175 – *Even Eric burned me.*
 176 – *Eric burned you?*
 177 – *You are totally lame.*
 178 – *I know, isn' t that pathetic? Eric.*
 179 – *What about me?*
 180 – *Speaking of the spindly – armed devil.*
 181 – *What' s so pathetic?*
 182 – *Nothing.*
 183 – *At least nothing we can share with you, gomer.*
 184 – *Oh, yeah, well...*
 185 – *Nice hair.*
 186 – *What?*
 187 – *So, Jackie, how' s your very expensive dinner?*
 188 – *Mmm.*
 189 – *It' s great.*
 190 – *And I' m not replacing Michael with food.*
 191 – *Are you going to finish that?*
 192 – *Oh, that' s okay.*
 193 – *You know this restaurant is very well known*
 194 – *for their very expensive dinners,*
 195 – *but for you it' s...*
 196 – *Passthebutter.*
 197 – *Ah, the butter.*
 198 – *That reminds me of an amusing anecdote.*
 199 – *Um...*
 200 – *Well, the other day, I was in the basement...*
 201 – *Was Michael there?*
 202 – *Yes, anyways...*

203 – *Heissuchajerk.*
 204 – *Yes, anyways, back to my amusing anecdote.*
 205 – *Well, the other day, I was tying my shoe...*
 206 – *Mmm, ask first!*
 207 – *Fez, I am so glad I came out with you tonight.*
 208 – *Really?*
 209 – *I was starving.*
 210 – *So, what happened?*
 211 – *Did you kiss her?*
 212 – *'Cause I'll kill you if you kissed her.*
 213 – *Oh, no, I didn't want to kiss her.*
 214 – *I wanted to give her a napkin.*
 215 – *There was not a moment when she did not have*
 216 – *a face full of food.*
 217 – *I was disgusted.*
 218 – *Really?*
 219 – *Hey, all is forgiven, buddy.*
 220 – *Okay, fine, Hyde.*
 221 – *You don't want to tell me what Laurie said about me?*
 222 – *I'm fine with that.*
 223 – *I'm telling you, man. She didn't say anything.*
 224 – *Uh – huh.*
 225 – *Right.*
 226 – *Because, I mean, that's what Laurie's known for.*
 227 – *Not saying bitchy things.*
 228 – *Hey, Hyde. What did Laurie say about Eric?*
 229 – *I'll tell you later, man. It's so bad.*
 230 – *Funny, but bad.*
 231 – *Okay, you got nothing.*
 232 – *Huh? Yeah, yeah. Yeah, I got nothing.*
 233 – *Okay, fine. I don't care.*
 234 – *She told you about summer camp, right?*
 235 – *Fine.*
 236 – *They called me Dr. Pee – pee.*
 237 – *I couldn't sleep on the top bunk*
 238 – *and I was 10, so...*
 239 – *You know, who cares, I'm Dr. Pee – pee. I'm...*
 240 – *Dr. Pee – pee.*
 241 – *Dr. Pee – pee.*
 242 – *You are so Dr. Pee – pee.*
 243 – *Oh, really.*
 244 – *Big Chief Brown Bottom.*
 245 – *I'm sorry. Sorry, man, sorry.*
 246 – *Just... Everyone shut up.*
 247 – *Hey, how was dinner?*
 248 – *Fine.*

249 – *Except your father wouldn't shut up about that stupid necklace.*
 250 – *Look, Kitty, obviously something's going on here.*
 251 – *So why don't you just tell me what it is?*
 252 – *Did you lose it?*
 253 – *No.*
 254 – *Did you lend it to somebody?*
 255 – *No.*
 256 – *Then what the hell happened?*
 257 – *I hocked it, okay?*
 258 – *I hocked it, I pawned it, I hocked it.*
 259 – *You pawned my dead mother's necklace?*
 260 – *Yes.*
 261 – *And I'm not sorry 'cause we got groceries for it.*
 262 – *So, I'm not sorry.*
 263 – *I'm not sorry, and I don't feel bad.*
 264 – *Oh, Eric, I feel so bad.*
 265 – *Mom, you feel bad?*
 266 – *Laurie told everyone about Dr. Pee – pee.*
 267 – *Oh, honey, that's not so bad.*
 268 – *That's cute.*
 269 – *Oh, please, I have told that story to so many...*
 270 – *Mom!*
 271 – *I didn't tell that story to anybody.*
 272 – *So, then, after I finished putting all my pictures of Michael*
 273 – *in my special Michael box,*
 274 – *I realized that I'm so totally over him.*
 275 – *You liar.*
 276 – *Look at yourself.*
 277 – *And if you keep stuffing your face like this, you're gonna get...*
 278 – *Don't you dare say it, you bitch.*
 279 – *Fat.*
 280 – *No.*
 281 – *No.*
 282 – *Yep, I've almost finished my fifth pie,*
 283 – *and I'm still completely over Michael.*
 284 – *Don't.*
 285 – *Stop.*
 286 – *Wait.*
 287 – *Mmm.*
 288 – *Blueberry.*
 289 – *Hmm.*
 290 – *I'm feeling kind of weird.*
 291 – *Oh, no, what's happening to me?*
 292 – *Oh, my God. Oh, goodness.*
 293 – *Oh, gracious, oh, my!*
 294 – *No more pie for you.*

295 – *Okay, let's go, Jackie.*
 296 – *Suck it in, Jackie.*
 297 – *Oh, my God, Donna, I'm scared.*
 298 – *I have to control myself.*
 299 – *Okay, well, then let's start by you handing Donna the jerky.*
 300 – *Back off, you Amazon.*
 301 – *Look, I just need more time.*
 302 – *Okay, you slapping my hand*
 303 – *when I tried to take your jerky*
 304 – *is something a fat girl would do.*
 305 – *Okay, Laurie? I know what you told Hyde.*
 306 – *What are you talking about, loser?*
 307 – *The camp story, Dr. Pee – pee. You're dead.*
 308 – *What's going on?*
 309 – *Shh, pretend it's TV. Okay.*
 310 – *Well, I know some pretty horrible things*
 311 – *about you, too, little lady.*
 312 – *Fellas...*
 313 – *Laurie here waxes her lips, legs, eyebrows,*
 314 – *toes, and shoulder blades.*
 315 – *In the fifth grade,*
 316 – *Eric sent away for the Charles Atlas kit*
 317 – *'cause a girl kicked sand in his face.*
 318 – *You stuffed in high school. So did you.*
 319 – *Last year, Laurie used all of her birthday money*
 320 – *to buy a back massager.*
 321 – *Which isn't fooling anyone, by the way.*
 322 – *Well...*
 323 – *That's not as bad as when I walked in on you*
 324 – *in bed with your Dorothy Hamill poster, and you were all...*
 325 – *Laurie was born with a tail!*
 326 – *What?*
 327 – *Yeah, Laurie was born with a tail.*
 328 – *I hate you!*
 329 – *It's true.*
 330 – *Okay, Red.*
 331 – *I'm very sorry I pawned that necklace.*
 332 – *That's okay.*
 333 – *I've been thinking about it, and it's no big deal.*
 334 – *Let's just let bygones be bygones.*
 335 – *What do you say, pretty lady?*
 336 – *What did you do?*
 337 – *A few months ago, I pawned the pocket watch your dad gave me.*
 338 – *Sowe're even.*
 339 – *Let's just get on with our lives.*
 340 – *Oh, Red, how could you?*

341 – *Well, Kitty...*
 342 – *Who the hell needs a damn pocket watch?*
 343 – *"What time is it?"*
 344 – *"I don't know. I'll check my pocket."*
 345 – *See what I mean? That's just stupid.*
 346 – *Oh, Red.*
 347 – *And I pawned the lawn mower and Eric' sold phonograph player*
 348 – *and the snow blower.*
 349 – *We had a snow blower?*
 350 – *Actually, it was Bob's.*
 351 – *Well, why'd you get so mad at me?*
 352 – *I got mad at myself.*
 353 – *Look, it's the man's job to support the family.*
 354 – *And if he can't do that, it's the man's job*
 355 – *to pawn the things to feed the family that he can't support!*
 356 – *Okay.*
 357 – *Okay.*
 358 – *You know, Bob's been looking for that snow blower.*
 359 – *Yeah, I know, Kitty.*
 360 – *And believe you me...*
 361 – *I'm running out of stories.*
 362 – *So, what you're saying is I slept with the devil?*
 363 – *Exactly.*
 364 – *She told me it was a birthmark.*
 365 – *It is a birthmark.*
 366 – *From where they cut off her tail at birth.*
 367 – *Guys, I'm actually starting to feel a little bad about this.*
 368 – *Yeah. It is not right to reveal other people's secrets.*
 369 – *I'm going to have to agree with Dr. Pee – pee on this one.*
 370 – *Hello, boys.*
 371 – *And how are you, Michael?*
 372 – *Well, not so good.*
 373 – *I just got some very disturbing news.*
 374 – *Well, I hope you're very unhappy.*
 375 – *Fez, can I talk to you?*
 376 – *Yes.*
 377 – *Okay, Fez, I just want to thank you for last night.*
 378 – *I know I wasn't my super cute self.*
 379 – *And I'm sorry.*
 380 – *But you're a really good friend.*
 381 – *But, Jackie, I was hoping that perhaps we could be more than friends.*
 382 – *Well, hope spring eternal, Fez.*
 383 – *How about you just keep worshipping me from a far,*
 384 – *and stay available?*
 385 – *Just in case.*
 386 – *You would do that for me?*

387 – *That's a sweet deal.*
388 – *Should we kiss on it?*
389 – *Sure.*
390 – *Bye.*
391 – *All right, that's sit. You're dead!*
392 – *Hiya!*
393 – *Sweet dreams, Dr. Pee – pee.*
394 – *Oh, yeah.*

2.23 Episode 23: Holy Crap!

1 - Hey, Mom, are you gonna wear that to church,
2 - or is it just laundry day?
3 - Think about it.
4 - No. There's an emergency at the hospital,
5 - and they're really short-staffed.
6 - I'm sorry I'm not gonna make it to church today.
7 - All right! No church!
8 - Hey, we can watch the Brewers game.
9 - Sounds great!
10 - Laurie will cook us up a couple of hot dogs...
11 - No, no Brewers, no hot dogs, no nice day.
12 - You're gonna make sure these kids get to church.
13 - Why do we have to go?
14 - Well, I have a million reasons and no time.
15 - Now, here's a dollar for the offering.
16 - And you remember, you sing loud, you sing proud.
17 - Hey, how about you? How come you never have to go?
18 - Eric,
19 - God and I had a heart to heart,
20 - while I watched my destroyer go down in the South Pacific.
21 - We're real good.
22 - You're not.
23 - Go. Okay.
24 - Well, I'll see ya.
25 - I'm gonna go meet some friends behind the bowling alley.
26 - Laurie, we're supposed to go to church.
27 - Oh, we're supposed to go to church.
28 - Stop being such a little girl and do something bad for once.
29 - Hanging out
30 - Down the street
31 - The same old thing
32 - We did last week
33 - Not a thing to do
34 - But talk to you
35 - We're all, all right

36 - We're all, all right
37 - Hello, Wisconsin!
38 - So, Eric, I see you're not in church today.
39 - Uh, no. Now that I'm not a virgin anymore,
40 - there's really nothing left to pray for.
41 - Man, my life sucks.
42 - Ever since Jackie left, I'm no good at pinball.
43 - You were never good at pinball.
44 - Let's look at the bright side of not having Jackie.
45 - First, no Jackie.
46 - Second, now you can do all the things
47 - that you could never do when you were with her, man.
48 - Which was at last count...
49 - Everything.
50 - Oh, man. You're right.
51 - You know, Jackie never ever wanted me to, like,
52 - cheat on her, or grow a beard,
53 - and I always wanted to.
54 - And now I can let this grow out!
55 - May I grow one, too?
56 - I don't know, Fez. The two of us growing beards together...
57 - Isn't that kind of girly?
58 - Hmm, well, I just figure the more the hairier.
59 - Oh, I'm surrounded by idiots.
60 - Hey, you know what might make our little church ploy work better?
61 - If you'd button your shirt.
62 - Oh, and, uh, hey, what's that in your hair?
63 - Oh, a cigarette butt. That's nice.
64 - Ugh. That's the last time I make out on asphalt.
65 - Ah, there they are.
66 - My little angels are home.
67 - How was church, good sermon?
68 - You know, fine.
69 - Jesus said something really wise.
70 - People said, "Oh, that Jesus."
71 - And now we go and try and live our lives that way.
72 - You mean, like a couple of, uh, big, fat liars?
73 - Yeah. I ran into Bob out in the driveway,
74 - and he told me you weren't at church.
75 - God! I hate Bob!
76 - I tried to go, Daddy, but Eric wouldn't give me a ride.
77 - Hey, Mary Magdalene, there's some gum on your neck.
78 - I can't believe that my own children would do this.
79 - Mom, I mean, it's such a nice day.
80 - And we wanted to get some of that fresh air
81 - you're always telling us about.

82 - Hey. Nobody likes a smart-mouth sinner.
83 - You know, this wouldn't have happened
84 - if someone had made sure his children had gotten to church.
85 - Well, I...
86 - Damn!
87 - All right, from now on, you kids are going to church.
88 - That's an order.
89 - Oh, Dad...
90 - Okay, okay, you know what.
91 - We shouldn't have to force them.
92 - They're almost grown up.
93 - They can make up their own minds.
94 - Really?
95 - Sure.
96 - If you want to turn your backs on God
97 - and spend eternity doing laps in a lake of fire,
98 - well, that's your choice!
99 - So guys.
100 - Well, what do you think of the beard?
101 - Yes, it's not bad after one week, huh?
102 - I think it's stupid.
103 - You look like a hobo.
104 - Well, you're crazy.
105 - Well, you look like a hobo.
106 - Crazy! Hobo!
107 - Yeah, well, I like it. I think it looks rugged.
108 - Look how thick it's coming in.
109 - Hello.
110 - Wow, Fez, that's a nice beard.
111 - It will be, once it really comes in.
112 - Doesn't Michael look stupid?
113 - I mean, it's not even growing in right.
114 - It's all patchy.
115 - Ha ha. Poor Patchy.
116 - All right, I don't have to take this.
117 - Oh. Now we made Patchy upset.
118 - Bye, Patchy. So long, Patchy.
119 - I miss Patchy.
120 - Doesn't Michael look hot with that beard?
121 - I mean, it's all rough and forbidden.
122 - I thought you said Kelso looked stupid.
123 - Well, I can't tell him I like it.
124 - I hate his guts!
125 - But I hate him even more now that he's so hot.
126 - That hot bearded jerk.
127 - What about my beard?

128 - It has egg in it.
 129 - Laurie, what are you doing?
 130 - Church starts in 10 minutes.
 131 - Mom, I'm not going!
 132 - What?
 133 - Well, Eric's not going either.
 134 - Oh, of course he is.
 135 - Well, no, ah, I thought...
 136 - Mom, I thought you said we had the choice.
 137 - Uh-huh.
 138 - And I chose no.
 139 - But, uh, yes was a close second.
 140 - You know, I don't understand this at all.
 141 - You give me one good reason why you don't want to go to church.
 142 - It's hot. It's boring.
 143 - The music sucks. The pastor's ugly.
 144 - I have to wear a tie. I have to wear a bra.
 145 - Enough.
 146 - What about Hyde? I mean, he doesn't have to go.
 147 - While I respect the Judeo-Christian ethic,
 148 - as well as the Eastern philosophies
 149 - and, of course, the teachings of Muhammad,
 150 - I find that organized religions have corrupted those beliefs
 151 - to justify countless atrocities throughout history.
 152 - Were I to attend church, I'd be a hypocrite.
 153 - Okay, you know what?
 154 - I am leaving in five minutes.
 155 - And I'm sure you will make the right decision.
 156 - No. You'll make the right decision.
 157 - And you drag her with you.
 158 - Something tells me I will not be sitting in that pew alone.
 159 - Hey, Kitty, the Pinciottis are all here.
 160 - Where's the rest of team Forman?
 161 - Oh, I'm all alone today.
 162 - All alone?
 163 - Ick! That's just embarrassing.
 164 - Well, that's a shame.
 165 - Because if there's anyone who has some confessing to do,
 166 - it's that dirty, dirty son of yours.
 167 - Excuse me, ma'am.
 168 - Is this seat taken, ma'am?
 169 - Do you see anyone?
 170 - I love it here, man.
 171 - The guy up there tells stories,
 172 - that guy wails on the organ,
 173 - you can sing as loud as you want.

174 - It's almost a religious experience, man.
 175 - I kind of think this is what heaven's gonna be like, you know.
 176 - Plus they'll have an open bar.
 177 - Right this way.
 178 - Wipe your feet, please.
 179 - Sorry, no flash photography.
 180 - Next. Oh, that's us.
 181 - Forman, party of four.
 182 - I'm sorry, I can't let you in.
 183 - What?
 184 - All of us or...
 185 - Just Laurie?
 186 - All of you.
 187 - Hi, Laurie.
 188 - Kitty, if you'd only gone to church with your family,
 189 - but you didn't.
 190 - So, down you go.
 191 - Haha! I love that gag.
 192 - Step aside, would you please?
 193 - Next.
 194 - Hey there, ho there. Hi there, coming through.
 195 - Oh, you have got to be kidding me.
 196 - What can I do?
 197 - They went to church.
 198 - Here's 20. Can you find us a place up front?
 199 - All right, that's it.
 200 - I'm kicking Bob's ass. Red!
 201 - Well, Kitty, we're going to hell anyway.
 202 - Well, that's just not gonna happen.
 203 - Thanks, man.
 204 - How was church?
 205 - Great!
 206 - I figured out what to do with our sinner children.
 207 - Kitty, our kids are fine.
 208 - Oh, really?
 209 - So, why is Laurie...
 210 - Hey, hey.
 211 - If we're gonna start taking shots at our kids,
 212 - let's focus on Eric.
 213 - Okay, see, now, that's the point.
 214 - He needs to learn right from wrong.
 215 - I don't want him turning bad.
 216 - Oh, Kitty. I don't think Eric's gonna turn bad.
 217 - He's too much of a panty-waist.
 218 - I know why you're defending them, Red.
 219 - You feel guilty because you set a bad example.

220 - Hey, I go to church.
221 - Just not during televised sporting events.
222 - You know, Kitty,
223 - when my destroyer went down in the South Pacific...
224 - Oh, blah, blah, blah.
225 - Fine. If I thought the kids weren't going because of me,
226 - I'd go.
227 - Fortunately I don't think that, so I'm not going.
228 - Well, that's all well and good, Red,
229 - but since they won't go to church,
230 - I'm bringing the church to them.
231 - I've asked Dave, the church's youth minister,
232 - to come here for dinner, and he said, "Groovy."
233 - Sounds like a great idea.
234 - You really think so?
235 - I don't have to be there, right? No.
236 - Sounds like a great idea.
237 - You should really go to church, Eric.
238 - 'Cause God, he sees everything.
239 - It's why I live my life good and pure.
240 - Kelso, you were dating two girls at the same time.
241 - Yeah, but God didn't see that.
242 - I was in my van, and he can't see through lead.
243 - I don't want to get into a religious argument,
244 - but my God can kick your God's ass.
245 - God is dead, man.
246 - It said so in Time magazine.
247 - No, man.
248 - I sat next to God once on the bus.
249 - He told me the meaning of life
250 - and then he gave me a pretzel.
251 - So what's the meaning of life, man?
252 - Uh, yeah. I guess I should have written it down.
253 - But it was a good pretzel, man.
254 - Maybe this life doesn't even matter, you know.
255 - Maybe we're not even here.
256 - Or no. Maybe I'm here, but you're not.
257 - Hello?
258 - You know what the best thing God ever did was?
259 - Boobs!
260 - Yes. And God said, "Let there be boobs."
261 - And then there were boobs.
262 - Hey, if God is all-powerful,
263 - can he make a boob so big that even he can't lift it?
264 - Well, that's a good question, man.
265 - I'll ask him next time I'm on the bus.

266 - Oh, my God! Here comes Michael.
267 - Isn't he gorgeous?
268 - Jackie, he's a dog that lied and cheated on you, remember?
269 - Good! Good! Keep saying stuff like that
270 - so that I don't throw myself at him.
271 - Gee, I'll try.
272 - Oh, hey.
273 - Excuse me.
274 - Hey, Michael.
275 - You submental two-timing dog.
276 - Hey, Jackie.
277 - So where you off to?
278 - You lying, cheating dirtbag jerk.
279 - Well, I'm just gonna go over to the hub,
280 - grow my beard, you know.
281 - Well, that's neat.
282 - So, they allow scumwads in there who lie to their girlfriends
283 - and cheat on them and break their hearts?
284 - Uh, I guess so. Yeah.
285 - Now, I know some of the kids today
286 - think that God's a real downer,
287 - but the truth is, he's an upper.
288 - And let me tell you something,
289 - there's a much better drug than LSD or PCP.
290 - I get high on G-O-D.
291 - Virgin.
292 - Bless you.
293 - Okay, why am I here?
294 - Because you're a young soul in my care. Now sit, dammit.
295 - Sorry, Dave.
296 - I have a soft spot for virgins.
297 - 'Cause they're such a challenge.
298 - Religion can be cool.
299 - In fact, Jesus was a lot
300 - like another famous rebel.
301 - Fonzie.
302 - But where Fonzie says, "Ay,"
303 - Jesus says, "Ay-men."
304 - But, Dave, could Jesus start a jukebox just by hitting it?
305 - He could, but Jesus doesn't like to hit anything.
306 - Did he ever waterski over a shark?
307 - Okay, does anyone have a question about the Bible?
308 - I do.
309 - Do you have your own place?
310 - Hey, you know what?
311 - How 'bout we stop talking and we start singing songs?

312 - Jesus is just all right with me
313 - Jesus is just all right With me
314 - Everyone!
315 - Jesus Is just all right With me Us!
316 - Jesus is just all right Oh yeah
317 - Jesus is just all right With me
318 - Jesus is just all right With me
319 - Okay, let's take a look at your pictures.
320 - Kitty, what do you see when you think of God?
321 - Oh, that's nice.
322 - Very lifelike.
323 - See, he's, um, looking down fondly on all of us going to church.
324 - Steven?
325 - Very good.
326 - I see. When you think of God, you see Jesus.
327 - No, man. It's Clapton.
328 - Oh, my God, man.
329 - I drew Clapton, too.
330 - Okay, cool.
331 - Laurie?
332 - I drew a special picture just for you.
333 - Look at it later, when you're alone.
334 - I got a pair of 10s.
335 - Or as we say in religious rummy,
336 - a pair of apostles.
337 - Ooh, um, I have a jack, a queen, and a king.
338 - You mean a Joseph, a Mary, and a Jesus.
339 - Wow! That's gonna be hard to beat.
340 - That's so true, Kitty.
341 - Let's see what Laurie's got.
342 - Six...
343 - Six...
344 - Six.
345 - Well, thank you all for the lovely evening.
346 - I'll see you at the church.
347 - Oh, Michael.
348 - Oh, Michael!
349 - Mom!
350 - Eric, Laurie, get ready for church.
351 - Wait a second. I thought you said it was our choice.
352 - Well, when you choose to go, it'll be your choice.
353 - Coming on to the youth minister? You need church.
354 - Mom, why are you doing this?
355 - I don't have to have a reason.
356 - It's right, I'm your mother, now move.
357 - But it's not fair.

358 - I mean, why do we have to go to church?
 359 - I mean...
 360 - Dad doesn't go.
 361 - Aha!
 362 - Aha, aha, aha, aha!
 363 - Come on, everybody, the Formans are going to church!
 364 - You had to throw me under the bus with you, didn't ya?
 365 - Well, nice going, Eric.
 366 - Yeah. Nice going.
 367 - Now I have to put on a bra.
 368 - God hates me.
 369 - Oh, dear lord
 370 - Three things I pray
 371 - Pray A!
 372 - To see thee more clearly
 373 - To see thee more B!
 374 - Love thee more nearly
 375 - C!
 376 - Follow thee more nearly
 377 - Day by day
 378 - Day by day
 379 - Day By Day Day by day
 380 - Day By Day
 381 - Day by, day by, day by day
 382 - Day by, day by, day by day
 383 - Day by day

2.24 Episode 24: Red Fired Up

1 - How many licks does it take
 2 - to get to the Tootsie Roll center of a Tootsie Pop?
 3 - One.
 4 - Two.
 5 - Ah, screw it.
 6 - Ow, my tooth.
 7 - Why did I bite?
 8 - Eric, if you don't want to wear your ass for a hat,
 9 - you'll get up here, pronto.
 10 - You'd better go. You know how that ass-hat
 11 - screws up your hair.
 12 - Poor Forman, huh? Working for Red like that?
 13 - I wouldn't wish that on my enemies.
 14 - I would.
 15 - Those suckers must pay.
 16 - Hey, Jackie.
 17 - Michael, why don't you save the sweet stuff

18 - for the next idiot who's dumb enough to date you?
19 - You know, Jackie,
20 - if you're in the market for a new lover,
21 - they say once you go Fez, you never go back.
22 - In my language, that rhymes.
23 - Okay.
24 - Where's Donna?
25 - She's upstairs with Forman.
26 - And don't follow me, Michael.
27 - We've broken up, and I mean it!
28 - Oh, I wasn't.
29 - It's a good thing we're broken up, because...
30 - Damn it. I miss her.
31 - Jeez, man. Who wouldn't?
32 - Spare me the sarcasm, Hyde.
33 - I am really hurting here,
34 - and I'm totally lonely.
35 - Man, I've seen people gut-shot
36 - who complain less than you.
37 - Okay, so what do you miss about her?
38 - All she ever did was call you names.
39 - Hey, I can do that for you.
40 - You idiot. See?
41 - Oh. Thanks, Fez.
42 - No problem, fart-face.
43 - Hanging out
44 - Down the street
45 - The same old thing
46 - We did last week
47 - Not a thing to do
48 - But talk to you
49 - We're all, all right
50 - We're all, all right
51 - Hello, Wisconsin!
52 - Do you know the great thing about whistling?
53 - You can stop whistling.
54 - Sorry.
55 - Eric, bend your knees and lift with your legs,
56 - or else, I'm gonna...
57 - Kick my ass, put your foot in my ass,
58 - make my ass a hat.
59 - Yeah, yeah, yeah.
60 - Jeez. And I didn't think you were listening.
61 - Oh, and I need you to re-sticker those clock radios.
62 - They're on sale.
63 - Yeah, I saw the flyer. I already took care of it.

64 - Really? Well...
65 - Way to show initiative.
66 - Way to show initiative?
67 - What are you up to?
68 - Nothing. I think you did a good job.
69 - Okay,
70 - but I'm watching you.
71 - Hey, guys.
72 - Sorry I'm late, Red.
73 - My dog got hit by a car.
74 - I had to rush him to the vet.
75 - Earl.
76 - Your dog got hit on Tuesday, too.
77 - How dumb is that dog?
78 - Okay, you're right. I'm sorry, Red.
79 - I know you gave me a break
80 - 'cause we worked at the plant together,
81 - and I appreciate it. I swear it's the last time.
82 - Earl, why can't you be more like Eric?
83 - I mean, he's 18, and he's...
84 - Dad, I'm, uh, I'm 17.
85 - Eric. I'm talking here.
86 - And he's already got a better work ethic than you.
87 - Oh, no doubt there, Red.
88 - You can tell he's your son.
89 - He's a super...
90 - - Earl. - Mmm?
91 - Let's just go to work, okay?
92 - Sure. Right after a cup of joe.
93 - I'm useless without my coffee.
94 - Wow.
95 - He must not have had coffee in years, huh?
96 - That's pretty funny.
97 - Okay, what's up with you?
98 - Hey, Kelso. How's it going?
99 - How's it going? Great.
100 - Just 'cause a guy shoots hoops by himself
101 - doesn't mean he's lonely.
102 - No, far from it.
103 - Okay, that's good.
104 - Hey, Donna? Um...
105 - You know, all this talk about being lonely
106 - kind of reminds me of me, you know?
107 - Kelso, are you gonna get all emotional?
108 - 'Cause just 'cause I'm a girl
109 - doesn't mean I won't totally make fun of you.

110 - Fair enough. Okay.
111 - I know I keep things bottled up,
112 - but, you know, underneath this cool exterior,
113 - there's a really sad human being.
114 - My God. This is about Jackie.
115 - Yes. All right. What gave it away?
116 - The fact that it's all you ever talk about, you stupid dillhole.
117 - Look, Kelso, you've got to get it through your head.
118 - Jackie is not coming back to you.
119 - Why?
120 - Because you slept with someone else!
121 - Yeah, like, a month ago. God!
122 - I just realized Jackie's short.
123 - And I don't like short people.
124 - They're creepy, you know?
125 - Always sneaking up on you.
126 - I don't even know why I was with her.
127 - Maybe it's because she's a tiny little whore.
128 - Oh. I meant to hurt you,
129 - but I hurt myself because I love her.
130 - Hey, guys. I really cracked Red up today,
131 - and not by tripping or getting wet or vomiting.
132 - Did you bump your head?
133 - That's good stuff.
134 - No, I just made a joke, and he just got it.
135 - I mean, it worked. We're like just two guys
136 - brought together by the common goal
137 - of slashing prices on all your household needs.
138 - Plus, I mean, it is so great
139 - to see him chew out other people.
140 - Yeah, Forman. Now you know
141 - how we feel when he yells at you.
142 - Yeah. It really is hilarious, man.
143 - You get all bug-eyed and stuttery.
144 - Fellas,
145 - I've been thinking.
146 - There's a lot of ladies out there, right?
147 - Now, I haven't seen nearly enough of them naked.
148 - Sometimes, I am looking at naked ladies,
149 - and then I get exhausted.
150 - And then, I get a second wind,
151 - and then I'm ready for more naked ladies.
152 - It's like, at work, there's this guy Earl,
153 - and he's a real screwup, right?
154 - So, Red gets pretty PO'd,
155 - but that deflects all of Red's anger from me.

156 - So, I mean, Earl's like
157 - a dumb-ass lightning rod.
158 - I hear that, man. Yeah.
159 - I'll only work with the barely competent.
160 - It takes the stress out of slacking off.
161 - Man, it feels great to be free of that midget.
162 - Yeah, uh, it's like the world is my oyster,
163 - and I'm ready to shuck it.
164 - Nothing but hot new ladies from here on in.
165 - I want to be boldly going
166 - where no man's gone before.
167 - Hello, Mrs. Forman. I'm here to pick up Laurie.
168 - No, no, no.
169 - You mean Eric.
170 - No, uh, Laurie. Your other kid.
171 - But why?
172 - You're dating Laurie?
173 - That's not different, man.
174 - You're boldly going where every man's gone before.
175 - Steven, it is not nice
176 - to be so...
177 - Truthful.
178 - Hi, Kelso.
179 - Did you buy me those?
180 - Yeah, just like you told me.
181 - No. I told you roses.
182 - Come on, doofus.
183 - No offense, Mrs. Forman, but,
184 - those two could make the dumbest babies ever.
185 - That's not funny.
186 - Speaking of work.
187 - We weren't talking about work.
188 - Work. Right.
189 - Dad and I really put in some hard hours today.
190 - Didn't we, Pop?
191 - Eric's really busting his hump down there.
192 - Well, I am just so happy
193 - my two fellas work so well together.
194 - Hey, how's Earl doing?
195 - Oh, he's okay. But his damn dog
196 - can't go a day without getting hit.
197 - At least I've got one good man down there.
198 - Right back at you, big guy.
199 - Well, that Earl's always been a character.
200 - Yeah, like today, he was late,
201 - and dad said, "Get to work,"

202 - and he said, "Sorry, Red,
203 - "I'm useless without my coffee."
204 - And then, I said,
205 - "He must not have had coffee in years," right?
206 - Yeah.
207 - Well, that's cute.
208 - Yeah, and that's not even my best Earl joke.
209 - Okay, ready? Knock, knock. Who's there?
210 - Well, it's not Earl, 'cause he's late.
211 - Yeah, I'm guessing Earl's not short for early.
212 - That's a good one, Red.
213 - I got one. Um...
214 - There once was a girl from Nantucket...
215 - Okay, okay. Let's just all eat.
216 - Hey, uh, Laurie?
217 - Yeah, could you, uh...
218 - Get out!
219 - Thanks.
220 - Come on, Kelso. Come up to my room.
221 - I need you to, um, help me move my bookcase.
222 - That means we're gonna have sex.
223 - Thanks for cracking that code.
224 - What are you doing?
225 - They're going up to have sex.
226 - Get the wax out of your ears.
227 - Man, you can't bring my sister
228 - down to the basement.
229 - This is our fortress of solitude.
230 - Well, I'm sorry, but she's my girlfriend, and I love her.
231 - No, you don't.
232 - Well, I like her.
233 - No, you don't.
234 - I think she is okay,
235 - and the line between love and okay is pretty fine.
236 - But the line between doing it and not doing it,
237 - that's not fine at all.
238 - Just like the line between moron and idiot?
239 - Exactly. You know, it took me months
240 - to get Jackie in the sack.
241 - Well, Laurie, she already lets me do it,
242 - and plus, I'm over here
243 - all the time, anyway,
244 - so there's like, the convenience factor.
245 - Kelso, my bookcase isn't going to move itself.
246 - Or maybe it will.
247 - Damn, I gotta go.

248 - Dumbest babies ever.
249 - Jackie, it's great to see you so happy.
250 - And strong. And over Kelso.
251 - You're like a rock. You're like a tiny little rock.
252 - Donna, are you trying to tell me bad news,
253 - or are you making fun of my butt?
254 - No. Your butt's fine.
255 - Fine?
256 - Glorious. Whatever. Look.
257 - Kelso's dating Laurie.
258 - I don't care.
259 - Oh, come on.
260 - How can you still have feelings for him?
261 - Donna, I don't have feelings for him.
262 - I just hate that bitch for making him happy.
263 - Oh, believe me. She will make him
264 - more miserable than you ever did.
265 - Oh, Donna. Thank you.
266 - I'm gonna pray to God that you're right.
267 - Laurie, I have to talk to you.
268 - Kelso, we gotta confab, man.
269 - Okay.
270 - Too many times I have sat idly by
271 - and watched you make bad choices.
272 - I've seen you screw up an awful lot.
273 - And sure, I've enjoyed it.
274 - But now, you've gone too far.
275 - Do you know what this is about?
276 - Duh. I'm not an idiot.
277 - Uh-uh.
278 - Michael has some nice qualities, but...
279 - Laurie's got great legs,
280 - and a fine rack, but...
281 - He's just a boy.
282 - She's a major skankoid.
283 - And you don't know where a boy like that will end up.
284 - And you don't know where a girl like that has been.
285 - Now, I know. I know you want a boyfriend
286 - who's weak and easily manipulated.
287 - Now, I know you're weak
288 - and easily manipulated.
289 - But you have got to learn
290 - to think about the future.
291 - But you've got to learn to think.
292 - And...
293 - And make smart choices.

294 - 'Cause what's convenient isn't always what's best.
295 - If it were, I'd just throw on a muumuu
296 - and eat out of a can.
297 - If it were, this frozen pizza
298 - wouldn't taste like monkey butt.
299 - Okay.
300 - Are you done with this little lecture?
301 - Okay. You done with that pizza?
302 - Yes.
303 - And I think I've made my point.
304 - Oh, god.
305 - I've got to get my own place.
306 - This doesn't taste like monkey butt.
307 - Oh, jeez, Red. I'm sorry I'm late for our little meeting.
308 - My, uh, dog got,
309 - car got hit by a...
310 - Car. Accident. That's the word.
311 - Eric, take your break anywhere but here.
312 - Earl,
313 - you're fired.
314 - What? What did I do?
315 - What did you do?
316 - I'll tell you what you did.
317 - And another thing.
318 - Hi. How was your day?
319 - I had to let Earl go.
320 - Let Earl go?
321 - You yelled at him until he cried.
322 - Hey. What kind of a man cries
323 - after only 15 minutes of yelling?
324 - Well, I'm sorry.
325 - I don't like the way you handled Earl.
326 - Dad, he was your friend.
327 - Eric, hush, hush, hush, hush.
328 - Eric, work is work.
329 - You don't show up late, you don't make excuses,
330 - and you don't not work.
331 - If it wasn't work, they wouldn't call it work.
332 - They'd call it superwonderful crazy-fun time.
333 - Or skippity-doo.
334 - Oh, jeez. Why the hell am I even talking to you?
335 - Oh, Eric.
336 - Why'd you have to go and upset your father?
337 - I can't have my own opinion
338 - without him tearing my head off?
339 - No.

340 - And I think at your age, you should know that by now.
341 - No, mom, no. Uh-uh.
342 - Man, we had such a good thing going at work,
343 - and he just wrecked that.
344 - And by the way, without Earl,
345 - I'm back to dumb-ass.
346 - He's just mean.
347 - Oh, you shut your porky mouth, mister.
348 - Well, then, it just stinks
349 - because, you know what?
350 - This is the first time
351 - we were ever like, you know, cool with each other.
352 - Man, why does he have to be such a hard-ass all the time?
353 - Oh, come on, Eric.
354 - That's how he expresses himself.
355 - That's how he's always expressed himself.
356 - Your father yells at you because he cares.
357 - Yeah, right. Well, if that's true, then...
358 - Then...
359 - Stand up straight.
360 - You're a dumb-ass.
361 - You call this a report card?
362 - Hands above the covers.
363 - Huh.
364 - I guess he really, really cares.
365 - And...
366 - If not, you're moving out soon.
367 - So. You know who I hate?
368 - Laurie.
369 - Oh, Jackie. I know you're upset
370 - and in pain,
371 - but you're not going to talk
372 - during Hollywood Squares, are you?
373 - No, I mean, I really do hate her.
374 - No offense, Eric, but your sister...
375 - She's a slut.
376 - Oh, my God.
377 - Jackie, not since the Smokey vs. Bandit debate
378 - have you and I so been on the same page.
379 - Yeah, I think we're all on board.
380 - God, this is so great.
381 - You guys all hate Laurie and love me.
382 - Yeah, we all hate Laurie.
383 - Shh!
384 - Oh great.
385 - Lamb Chop had a joke, and I missed it.

386 - Hey, guys.
387 - Oh, hi, Michael.
388 - Kelso, as your new girlfriend,
389 - I'm really not comfortable with your old girlfriend
390 - hanging out down here.
391 - Okay.
392 - Uh, hey, Jackie, do you mind?
393 - No. No, I don't mind if you leave.
394 - She's not leaving.
395 - Well, I'm not, either.
396 - She's not, either.
397 - Fine.
398 - Fine.
399 - Fine.
400 - Fine.
401 - Hey! This is my house.
402 - So what? Eric wants me here.
403 - Don't you, Eric?
404 - Why, yes, I do.
405 - You better watch your back.
406 - Really?
407 - 'Cause you should stop spending so much time on yours.
408 - Oh. Burn!
409 - Hey, I'm sorry. I just got swept away by the supergood burn.
410 - Shut up!
411 - Ah, ah, ah.
412 - Jackie?
413 - That was an excellent burn.
414 - Thank you, Fez.
415 - Now, please. Sit next to Fez.
416 - Move it.
417 - What the hell were you doing
418 - in the shower so long?
419 - You know it wastes water,
420 - and it might make me late.
421 - In fact, I am definitely not
422 - gonna be the first person there.
423 - You know how that makes me look?
424 - Damn it. You've got to grow up and learn some responsibility.
425 - I love you, too, Dad.
426 - What?
427 - Stop being weird.
428 - Thanks.

2.25 Episode 25: Cat Fight Club

- 1 - Ooh! Now I've got Park Place and Boardwalk.
- 2 - This game's just like life.
- 3 - I am the richest of all.
- 4 - Jackie, I've got 970*here*.
- 5 - *It'sallyoursifyou'lljust...Goaway!*
- 6 - *Relax, Forman. It'sbetterthanhavingLauriedownhere.*
- 7 - *She'slikeabig, canceroustumor.*
- 8 - *AndJackie, youknow, she'slike, uh...*
- 9 - *Atiny, benigncyst.*
- 10 - *Thankyou, Hyde.*
- 11 - *Here. Buyyoursel fahotel.*
- 12 - *Whyareyougivinghimmoney?*
- 13 - *I'mtheoneinjail. Plus, Hyde punched me in the arm.*
- 14 - *Why can't we start over?*
- 15 - *Because!*
- 16 - *And don't try tippin' over the board again, either.*
- 17 - *Next time we go hiking, make sure you bring a blanket.*
- 18 - *I think I have a twig in my shorts.*
- 19 - *What a coincidence. So does Kelso.*
- 20 - *Burn!*
- 21 - *Okay, okay. Nice burn.*
- 22 - *Hi, Jackie.*
- 23 - *Oh, look. It's Michael and his community chest.*
- 24 - *Nice.*
- 25 - *So, Michael, when you come over for dinner tonight,*
- 26 - *don't wear that stupid unicorn tie.*
- 27 - *Oh, I'm sorry, Jackie. Was that a gift?*
- 28 - *Oh, yeah?*
- 29 - *Well, were those shoes a gift?*
- 30 - *'Cause they're ugly!*
- 31 - *What are you even doing here, anyways?*
- 32 - *Shouldn't you be off playing with ribbons and ponies?*
- 33 - *Well, shouldn't you be off...*
- 34 - *Being a bitch?*
- 35 - *Ooh, I made the little girls say a bad word.*
- 36 - *See you tonight.*
- 37 - *Whoops.*
- 38 - *Hangin' out*
- 39 - *Down the street*
- 40 - *The same old thing*
- 41 - *We did last week*
- 42 - *Not a thing to do*
- 43 - *But talk to you*
- 44 - *We're all all right*

45 – *We're all all right*
 46 – *Hello, Wisconsin!*
 47 – *Laurie makes me so mad.*
 48 – *I just want to rip out her hair, show it to her,*
 49 – *and hope it doesn't grow back.*
 50 – *I hate her.*
 51 – *Jackie, that's what she wants.*
 52 – *She feeds on your anger, man. It only makes her stronger.*
 53 – *Well, then, what am I supposed to do?*
 54 – *If you really want to get under her skin,*
 55 – *you have to be Zen.*
 56 – *Zen? Okay, you can't just make up words, Hyde.*
 57 – *No, man, Zen.*
 58 – *At peace. Aloof.*
 59 – *Zen.*
 60 – *Oh.*
 61 – *Okay, then...*
 62 – *Hyde, will you teach me how to be Zen?*
 63 – *You can't just teach someone to be Zen, Jackie.*
 64 – *You can only learn to be Zen.*
 65 – *Okay, I don't understand.*
 66 – *Exactly.*
 67 – *And that's your first lesson.*
 68 – *Huh?*
 69 – *Jackie, if you want to be my student,*
 70 – *you need to follow my instructions without question.*
 71 – *Okay. Okay. See?*
 72 – *I can do that.*
 73 – *Okay.*
 74 – *First thing...*
 75 – *Finish polishing my boots.*
 76 – *Hyde, how's that gonna help... What?*
 77 – *Okay.*
 78 – *You're gonna make a fine student.*
 79 – *Shine, grasshopper. Shine.*
 80 – *Kelso...*
 81 – *Man, you're not seriously*
 82 – *comin' to dinner tonight, are you?*
 83 – *Why shouldn't I? You know, Jackie broke up with me,*
 84 – *and I need a girlfriend, and Laurie's sit.*
 85 – *Plus, I need to eat, so I'm comin' to dinner.*
 86 – *God, Kelso, you're lame.*
 87 – *And you're sad.*
 88 – *But if you got to dinner with Red,*
 89 – *you're gonna get your just desserts.*
 90 – *I don't really care what they serve.*

91 – *I just want to be there for Laurie. You know?*
 92 – *Hope it's pie.*
 93 – *Oh, Kelso...*
 94 – *It's gonna be so bad.*
 95 – *Can I come to dinner tonight?*
 96 – *No!*
 97 – *Look. Red loves Laurie. Right?*
 98 – *And Laurie likes me.*
 99 – *Therefore, Red has to like me.*
 100 – *I mean, what father wouldn't like the guy who's a snail in his daughter?*
 101 – *Oh, Laurie, you can't bring Michael to dinner.*
 102 – *Are you out of your mind?*
 103 – *Mom, I'm an adult, and this is my choice.*
 104 – *No. If you were really an adult,*
 105 – *you'd try to meet someone with a future*
 106 – *instead of Michael, who, bless his heart,*
 107 – *is probably gonna end up*
 108 – *ripping tickets at the tilt – a – whirl.*
 109 – *Well, he could invent something.*
 110 – *Yeah. I guess I'm lazy.*
 111 – *Uh – huh. And, Laurie, have you given any thought*
 112 – *as to what you're gonna say to your father when he finds out?*
 113 – *He's my boyfriend, Daddy, and we love each other,*
 114 – *and you can't stop us from being together!*
 115 – *What do you think?*
 116 – *Laurie, I absolutely forbid you*
 117 – *to bring that boy to dinner.*
 118 – *Oh! Sometimes I hate you!*
 119 – *Well... That is just too bad,*
 120 – *because I love you!*
 121 – *Because I have to.*
 122 – *Whatever!*
 123 – *No. More fooliness.*
 124 – *Whatever.*
 125 – *I'm not believing you.*
 126 – *Hyde, when are we going to move on?*
 127 – *I have been saying, "Whatever," for half an hour.*
 128 – *You can say very much by saying very little, small grasshopper.*
 129 – *Pretend you're Laurie and insult me.*
 130 – *Okay.*
 131 – *Hey, Hyde, you're stupid.*
 132 – *Whatever.*
 133 – *Wow! That was great!*
 134 – *Yeah.*
 135 – *Now. Another part of this is ambiguity.*
 136 – *Say it with me.*

137 – *Ambiguity. Ambiguity.*
 138 – *Very good. See, you don't want people to know*
 139 – *exactly what you mean.*
 140 – *Here. Ask me if I want to go to a movie tonight.*
 141 – *Okay. Hyde, would you like to go to a movie tonight?*
 142 – *That's cool.*
 143 – *See, you don't know if I mean "That's cool, I'll go,"*
 144 – *Or "That's cool, no, thanks."*
 145 – *And that's cool. Whatever.*
 146 – *Oh, my God!*
 147 – *I am so sorry I got impatient.*
 148 – *That's cool.*
 149 – *Hey, guys.*
 150 – *So, Jackie, Eric won't invite me to dinner tonight.*
 151 – *So, do you want to, like, go to the mall or something?*
 152 – *That's cool.*
 153 – *Wait. What do you mean?*
 154 – *Oh, my God, it worked.*
 155 – *I mean...*
 156 – *Whatever.*
 157 – *Hey, guys. Sorry I'm late.*
 158 – *—What? —What?*
 159 – *You guys started eating without me?*
 160 – *That is so rude!*
 161 – *I'm just kiddin'!*
 162 – *Well, Eric, you must've forgotten to mention*
 163 – *that you invited Michael to dinner tonight.*
 164 – *Oh, right. Uh...*
 165 – *Yeah, I guess I did.*
 166 – *Oh, and there are my chocolates...*
 167 – *The chocolates that I asked you to bring over to me.*
 168 – *Ooh, Fanny Farmer. My favorite.*
 169 – *No, no. Those are for Laurie.*
 170 – *Kelso, what the hell are you doing here?*
 171 – *Dad!*
 172 – *Uh...*
 173 – *Nougat?*
 174 – *Don't worry, Red.*
 175 – *I got somethin' for you, too.*
 176 – *Ah...*
 177 – *Five beers?*
 178 – *Uh, yeah. They were all out of six — packs.*
 179 – *Weird, huh?*
 180 – *Let me help you out with that there, Red.*
 181 – *Are you takin' a beer?*
 182 – *Hey, focus, man! He's datin' your daughter!*

183 – *Laurie...*
 184 – *What's goin' on?*
 185 – *He's my boy friend, Daddy!*
 186 – *And he loves me, and...*
 187 – *He's good to me, and we're...*
 188 – *Happy together.*
 189 – *Kelso,*
 190 – *you have five seconds*
 191 – *to get as far away from me as possible!*
 192 – *But, Red, what about our unspoken bond?*
 193 – *One!*
 194 – *Two!*
 195 – *I'll call you.*
 196 – *Beer, Red?*
 197 – *And the rest of dinner,*
 198 – *was eaten in complete silence.*
 199 – *The only sound was the dull throbbing*
 200 – *of that vein in Red's giant, shiny head.*
 201 – *Boy, I'm glad I'm not Kelso.*
 202 – *Sure, he's had sex a lot and I am still a virgin,*
 203 – *but...*
 204 – *Oh, I wish I was Kelso.*
 205 – *No, you don't, Fez.*
 206 – *Being Kelso is like*
 207 – *knowing the truth behind all the deceptions in society,*
 208 – *but not being able to convince any of your fellow suburban clones*
 209 – *that anything's wrong, man.*
 210 – *No, wait. That's me.*
 211 – *Man.*
 212 – *I just totally forgot why I was laughing.*
 213 – *Isn't that funny?*
 214 – *Ok, uh, no more for the cheerleader. Okay?*
 215 – *Jackie, you seem different.*
 216 – *I don't know if it's your hair, your outfit...*
 217 – *Oryourred, puffyeyes.*
 218 – *She's Zen, man.*
 219 – *I've taken her under my wing.*
 220 – *I'm running a dojo of coolness.*
 221 – *Jackie, demonstrate.*
 222 – *Ooglymoogly.*
 223 – *Googly.*
 224 – *Yeah, it's her first day.*
 225 – *Kitty, I don't want our daughter*
 226 – *dating that kettle head.*
 227 – *Well, maybe it's just a phase.*
 228 – *No. He's been a kettle head since...*

229 – *No.No.I meant Laurie.*
 230 – *This is how it starts, you know.*
 231 – *First they're dating and having fun.*
 232 – *And then the next thing you know,*
 233 – *they're pryin' the money to pay for a wedding from my cold, dead hands.*
 234 – *Oh, honey, they're not gonna get married.*
 235 – *He'll leave her when she gets pregnant.*
 236 – *Oh. Okay.*
 237 – *I see Mr. Smiley isn't in town today.*
 238 – *I expected more from her.*
 239 – *What the hell is she doing with some high – school kid?*
 240 – *She went to college!*
 241 – *Well, she did flunk out.*
 242 – *Oh, Kitty...*
 243 – *I can see how their future is gonna turn out...*
 244 – *And it's not good.*
 245 – *More mashed potatoes, Red?*
 246 – *Why, thank you, Servotron 2000.*
 247 – *Oh, that's scold.*
 248 – *Damn foreign robots.*
 249 – *Oh, it's so nice to have dinner with the family like this.*
 250 – *Yeah. It's a good thing we found a baby – sitting droid for the quintuplets.*
 251 – *So, Michael, how's the job hunt going?*
 252 – *Great! They had a real short line at the unemployment office,*
 253 – *so I got home in time to catch the end of The Space Price is Right.*
 254 – *You know, times are tough for me and Kelsor right now.*
 255 – *You'll help us, won't you, Daddy?*
 256 – *I'll always be there for you, honey.*
 257 – *I think she means financially, Red.*
 258 – *I know what she means...*
 259 – *Kettlehead.*
 260 – *You're givin' us more money... Right, dude?*
 261 – *Yes, damn it!*
 262 – *All right. All right.*
 263 – *Hey, Laurie, I think it's time for our "nap".*
 264 – *All right! That's sit!*
 265 – *I've gotta go to Saturn on business for a week.*
 266 – *Now, when I get back, you better have a job,*
 267 – *or it's off to the asteroid mines for you!*
 268 – *Don't forget your briefcase, Red.*
 269 – *Thank you, Servotron 2000.*
 270 – *Now...*
 271 – *Roll back the roof, 'cause I gotta go.*
 272 – *Jetpack... Blast off!*
 273 – *Red.*
 274 – *Red.*

275 – *Ahem. That' sit.*
 276 – *I'm just gonna tell her that she can't see him any more.*
 277 – *Nope, nope. You can't do that, Red.*
 278 – *In fact, the more we fight it,*
 279 – *the more she's gonna want to be with... Kettlehead.*
 280 – *At this rate, I'm gonna have a heart attack*
 281 – *before I even get my jetpack.*
 282 – *You know... I missed you guys.*
 283 – *Yeah. This place just isn't the same when I'm not around.*
 284 – *Oh, hey. You guys want to hear a really funny story?*
 285 – *I was just upstairs, and Red was yelling at me about you.*
 286 – *And, uh, then I said,*
 287 – *"What are you doin' yellin' at me? Kelso's right downstairs.*
 288 – *"In fact, I'll go get him for you," I said.*
 289 – *Say, that is a funny story.*
 290 – *I don't care. I'll talk to Red.*
 291 – *He was really meant to me, and here I brought him a five – pack.*
 292 – *So I hope he's ready to apologize.*
 293 – *Oh, yeah!*
 294 – *Yeah, that' sit.*
 295 – *If there's something Red's about, it's forgiveness.*
 296 – *No, he's not.*
 297 – *He's the opposite of that.*
 298 – *Oh, wait.*
 299 – *I get you.*
 300 – *Funny.*
 301 – *Wait. Uh...*
 302 – *Red, can't we, uh, leave that open?*
 303 – *Have a seat, Kelso.*
 304 – *You know, I've been thinking*
 305 – *a lot about your relationship*
 306 – *with my only daughter.*
 307 – *She's a gem.*
 308 – *Shut up.*
 309 – *Kitty says that if the two of you want to see each other,*
 310 – *there's nothing I can do about it.*
 311 – *But she's wrong... 'Cause I could kill you.*
 312 – *That's a joke, Kelso. You should laugh when I make a joke.*
 313 – *Hey, good one, Red.*
 314 – *See, you're making me think that I should take a personal interest in you,*
 315 – *and you don't want that. Take Eric, for example.*
 316 – *I have a personal interest in him.*
 317 – *Oh, God.*
 318 – *There you go.*
 319 – *What you want to do here*
 320 – *is fly in under my radar*

321 – *so that if I never see you and Laurie together*
 322 – *or hear your name mentioned in the same breath,*
 323 – *I might just forget that you even exist. Got it?*
 324 – *Yeah...*
 325 – *Okay, so you mean if me and Laurie...*
 326 – *Oh, now, see, you just mentioned my daughter's name.*
 327 – *I'm sorry.*
 328 – *Okay. Um...*
 329 – *If Kelso and your daughter...*
 330 – *No, no, no. See, now, that's, uh... That's not gonna work, either.*
 331 – *Well, this is hard, Red!*
 332 – *Yeah. Well, you're gonna be here 'til you get it right, Kelso.*
 333 – *Okay, Red, but eventually my parents*
 334 – *are gonna come lookin' for me.*
 335 – *Yeah, but they're not gonna find you.*
 336 – *Oh, that's another joke. Come on, laugh, Kelso!*
 337 – *Oh, you again.*
 338 – *What happened? Did they let out kindergarten early today?*
 339 – *Whatever.*
 340 – *Jackie, don't you have a lame come back*
 341 – *saved for just this very occasion?*
 342 – *That's cool.*
 343 – *Oh, so now you're Little Miss Cool, huh?*
 344 – *Whatever.*
 345 – *Well, if you're really as cool as you think you are,*
 346 – *you would've been able to hold onto your one true love.*
 347 – *But you couldn't, could you?*
 348 – *Loser!*
 349 – *Oh, well.*
 350 – *Cat fight!*
 351 – *You guys, stop it!*
 352 – *Ow! You bit me! Jackie, hither in the eye!*
 353 – *Ow, my eye!*
 354 – *Oh, I know! We can pour water on them,*
 355 – *and then we can see through their shirts!*
 356 – *Oh!*
 357 – *Bitch!*
 358 – *You kicked her ass, man!*
 359 – *Yeah.*
 360 – *Yeah.*
 361 – *Whatever.*
 362 – *Oh, my gosh. I am so turned on.*
 363 – *I can't believe Laurie bit me.*
 364 – *I hope she didn't give me, like, slut rabies.*
 365 – *Jackie...*
 366 – *You're my hero.*

367 – *You hither in the eye.*
 368 – *Yeah, but I guess*
 369 – *it wasn't very Zen of me, was it, Hyde?*
 370 – *Well, where Zen ends,*
 371 – *ass – kicking begins.*
 372 – *That's your final lesson, grasshopper.*
 373 – *Hey, man...*
 374 – *Let's do that thing*
 375 – *where we all sit in the circle again.*
 376 – *Oh, one step ahead of ya.*
 377 – *The fact that you actually went into the garage with Red,*
 378 – *that's so brave.*
 379 – *Yeah.*
 380 – *I guess we both had to fight for our love, baby.*
 381 – *I'm coming in the living room now!*
 382 – *Oh!*
 383 – *Well. Hi, there, kitten.*
 384 – *Hi, Daddy.*

2.26 Episode 26: Moon Over Point Place (1)

1 - Okay. You guys,
 2 - I just got an advance copy of the yearbook,
 3 - and you'll all be happy to know
 4 - that 1977 is my cutest year ever.
 5 - Jackie, that is so weird,
 6 - because I was just telling the gang
 7 - how there's no way you could be cuter than last year.
 8 - You were?
 9 - Yes.
 10 - I, for one, totally believe
 11 - that you are cuter this year.
 12 - Yeah, since I dumped you.
 13 - Nice burn.
 14 - Donna, we've talked about that.
 15 - Hey, Steven, wanna pop some popcorn
 16 - and look at all the yearbook pictures of me?
 17 - No. I figure I'll do plenty of that
 18 - when I die and go to hell.
 19 - God, you're such a card.
 20 - This is so exciting,
 21 - my first American yearbook.
 22 - Show us some pictures of Fez.
 23 - Sorry, Fez. There aren't any.
 24 - What the hell?
 25 - So, they don't let foreigners in your yearbook?

26 - Uh-huh.
27 - Here's me cheering at the pep rally last fall.
28 - Oh, my God.
29 - Someone in the crowd is mooning.
30 - You're all cheering away,
31 - and the whole time you're getting mooned.
32 - Yeah!
33 - Oh, my God.
34 - That's a girl butt. Hee hee!
35 - There's girl butt in the yearbook.
36 - Oh, man, I can't tell who it is.
37 - I wish we had a magnifying glass.
38 - Oh. Here you go.
39 - I was just playing with some bugs.
40 - God, I can't believe it.
41 - Someone's nasty butt is in my picture.
42 - Oh, my God.
43 - That's not girl butt.
44 - That's Donna's butt!
45 - Yeah! It is.
46 - Hangin' out
47 - Down the street
48 - The same old thing
49 - We did last week
50 - Not a thing to do
51 - But talk to you
52 - We're all all right
53 - We're all all right
54 - Hello, Wisconsin!
55 - Eric?
56 - Are you okay? 'Cause you look weird.
57 - Yeah. Could it be
58 - because of your girlfriend's naked butt?
59 - Kelso, you're not helping.
60 - I'm not trying to help.
61 - Eric, it's no big deal.
62 - It is, too, Donna.
63 - Your nasty butt ruined my picture.
64 - Hey. Maybe your nasty face
65 - ruined my butt picture.
66 - I know why I'm not in the yearbook.
67 - It because whitey's keeping me down.
68 - Hey, Fez.
69 - Just look at Donna's naked butt some more.
70 - Yes, that's nice, thank you.
71 - Okay.

72 - Okay.
73 - Donna, take me through the chain of events.
74 - Now, you're at the pep rally...
75 - Oh, and at this point, your pants are on.
76 - Right. And then they weren't.
77 - Donna, mooning's not something you just do.
78 - No. It's not something you just do,
79 - because it's impossible to moon
80 - when you have no ass.
81 - Michael is such a boy.
82 - He doesn't even know who he is.
83 - You know who knows who he is?
84 - Steven Hyde.
85 - Oh, no. Now you like Hyde?
86 - No. I don't like him.
87 - I just think, he's, like, the sweetest,
88 - coolest guy I've ever met.
89 - Jackie, I thought you hated him.
90 - Feelings change, Donna.
91 - Like, remember when we first met
92 - and I hated you?
93 - What?
94 - Yeah. I thought you were, like, this big goon.
95 - Didn't we have this talk?
96 - No.
97 - I'm so sorry.
98 - It's okay. I mean, I hated you, too.
99 - Yeah. That's 'cause you're a big goon.
100 - Bitch.
101 - Goon.
102 - Bitch. Goon!
103 - See? See? We're closer than ever.
104 - I gotta go find Steven.
105 - Oh. Ha-ha.
106 - Hello, strangers.
107 - Look, Red, it's the Pinciottis.
108 - Yeah. And they're dressed the same.
109 - We were jogging.
110 - So you had to dress the same?
111 - Well, I hope we're still on
112 - for cards tomorrow night.
113 - Oh, about that. Uh, we can't...
114 - Hey, no excuses necessary.
115 - Gosh darn the luck.
116 - That just makes me so sad.
117 - I gotta go inside.

118 - Well, me, too.
119 - Um, Midge, is something bothering Bob?
120 - Oh, he's uncomfortable around you and Red
121 - now that Donna and Eric... Know each other.
122 - If you know what I mean.
123 - You see, I'm using the word "know"
124 - in a different way here.
125 - Uh-huh?
126 - It's a pun.
127 - It's not a...
128 - Okay, Midge, good pun.
129 - Bye-bye now.
130 - Oh, they are nuts.
131 - Yeah. There's a lot of things about Steven
132 - that I used to not like, that now I really like.
133 - Like, well, I thought his pork-chop sideburns
134 - were a sign that he was poor and dirty
135 - and lived in a shack.
136 - But then I realized that Elvis had sideburns,
137 - and he lived in Graceland.
138 - Well, that was an eye-opener.
139 - There he is. Hi, Steven.
140 - What's she doing here?
141 - I think she's hittin' on me, man.
142 - But I ain't interested.
143 - Tell her I ain't interested and make her go away.
144 - Hitting on you?
145 - I am not hitting on you, you relic.
146 - Hey, name-calling is no way to win someone's heart.
147 - What are you talking about?
148 - What are you talkin' about?
149 - What are you talking about?
150 - What are you talkin' about?
151 - What are you talking about?
152 - What are you talkin' about?
153 - Oh, my God.
154 - Great. Now he got away.
155 - Steven!
156 - What was she talking about?
157 - Man, I don't know what's gotten into Jackie.
158 - Steven, let's hang out.
159 - Steven, let's go to the mall.
160 - My life's a living hell, you know?
161 - Steven, you're hilarious!
162 - You know, Steven and I tease each other.
163 - That's what best friends do.

164 - You know what?
165 - I love showing my butt.
166 - I don't care what Eric says.
167 - I like to show it, and I like to shake it.
168 - Donna, I can totally respect that.
169 - Just be careful, though,
170 - or they'll call you a home-wrecker.
171 - I can count the number of homes I've wrecked
172 - on one hand.
173 - Well, don't worry, ladies,
174 - 'cause no one's gonna label you here.
175 - If you guys wanna take off some clothes
176 - and shake some stuff, feel free.
177 - Not you.
178 - I wouldn't call you a home-wrecker, Laurie.
179 - No. I'd call you a slut.
180 - And a home-wrecker.
181 - Shake, shake, shake
182 - Shake, shake, shake
183 - Shake your booty
184 - Whoo! Rock it, girl.
185 - Shake your booty
186 - Yeah. That's good stuff.
187 - Hey. Let's see a smile.
188 - After all,
189 - no card game with the Looney Tunes tonight.
190 - Red, they are the only friends we've got.
191 - I am having them over tonight
192 - so we can clear the air.
193 - No. No, no.
194 - I don't wanna clear the air.
195 - Red, I'm clearing the air.
196 - Kitty, this is our chance to grow apart.
197 - How can you throw that away?
198 - How?
199 - Because six nights a week,
200 - I have to stare at your sour puss,
201 - and even God got to rest one day a week.
202 - Hey.
203 - Hey.
204 - So, the yearbooks are out
205 - and no one's noticed your...
206 - Fleshy indiscretion.
207 - So I guess I'm cool with it.
208 - What a relief.
209 - I tossed and turned all night.

210 - Well, relax, Donna. Relax.
211 - Because, I mean, it's a tiny picture,
212 - it's all out of focus.
213 - I think it's safe to say
214 - this little episode is behind us now.
215 - Hey, everybody!
216 - Donna showed her ass!
217 - Donna showed her ass!
218 - Donna showed her ass!
219 - Donna showed her ass!
220 - Donna showed her ass!
221 - Yeah!
222 - Okay, um...
223 - We're been friends and neighbors for a long time,
224 - and, um, I think there's something we need to talk about.
225 - Don't you, Bob?
226 - Nope.
227 - Kitty, don't push him.
228 - He might just get up and leave.
229 - I'd respect you if you got up and left.
230 - Eric and Donna are having sex.
231 - What the hell? Kitty!
232 - I didn't know that clearing the air
233 - meant we were gonna have a sex talk with the neighbors.
234 - I did.
235 - And I thought it was gonna be fun,
236 - and it is fun.
237 - I think what Midge means
238 - is it's good to clear the air.
239 - Secrets cause cancer.
240 - Fine. Bring it on.
241 - Just so long as I don't have to talk about this.
242 - I gotta say, I'm with Bob on this.
243 - Right. So let's all just not talk.
244 - Okay. Deal.
245 - Okay. Deal, buddy.
246 - No, Bob.
247 - Deal.
248 - You lose again, cracker.
249 - Why don't you go home and cry to your big white mama?
250 - Well, first of all, dude, I think I'm Chinese.
251 - And second of all,
252 - let me see you put your money where your mouth is.
253 - I don't know, 20 bucks.
254 - I'm gonna have to dip into my baby-sitting money.
255 - I mean... My drag-racing money.

256 - Time to lose, little white girls.
257 - Score!
258 - Hey, I just remembered, man,
259 - I'm really good at this game.
260 - Ooh, Steven!
261 - I'm so glad you're here.
262 - Jackie, please, I'm right in the middle
263 - of "Smokey and the Band-Aid," okay?
264 - Okay. Fine.
265 - But I signed us up for roller-disco lessons
266 - at skateworld tonight.
267 - Class starts in half an hour,
268 - so we'd better hustle.
269 - You get it? Hustle?
270 - Okay. Let me explain something to you.
271 - On Friday nights, I don't roller-disco.
272 - I go out looking for roller-discoers
273 - to punch in the head.
274 - Okay. Fine. We won't roller-disco.
275 - We'll do anything you want.
276 - No, we won't.
277 - Look, man,
278 - you and I don't have anything in common.
279 - You're, like, a square.
280 - You know? A cheerleader.
281 - So just...
282 - Roller-disco on out of here, okay?
283 - Fine. Fine. I guess I'm not cool enough
284 - to hang out with you anymore.
285 - Now you're getting it.
286 - You know what, Steven?
287 - You think you know me, but you don't.
288 - You don't know me at all.
289 - I know you like unicorns,
290 - so bye-bye.
291 - Oh, my God. Call Walter Cronkite.
292 - My girlfriend has her pants on.
293 - Okay. You're behaving like the biggest baby.
294 - What's your problem?
295 - What's my...
296 - My problem is, it's your... butt.
297 - It's our butt. It's my butt.
298 - Eric, it's my butt.
299 - And when I showed it, it was funny.
300 - And you should be glad that you have a girlfriend
301 - who's cool enough to moon.

302 - Well... yeah, okay.
303 - I mean, you're right, but... you know what?
304 - Once the jocks and the guys with the Firebirds see it,
305 - you know, they're just gonna totally want you.
306 - Oh, no. And with my weak-willed girly mind,
307 - I'll go, too.
308 - You're such a bonehead.
309 - Yeah, I know.
310 - Okay. It's great.
311 - But, you know, in the future, would it kill you
312 - just to have a smidgen of modesty?
313 - Oh, my God.
314 - What...
315 - What's so funny?
316 - You're a prude.
317 - I am not.
318 - Yes. You're uptight, like a little pilgrim.
319 - Oh, yeah?
320 - Yeah.
321 - Oh, yeah? Yeah.
322 - In the end,
323 - I'm glad my Donna's with your Eric.
324 - At least I know Eric's not a degenerate.
325 - Who's the prude now, huh?
326 - My ass is swinging, baby! Whoo!
327 - Eric.
328 - Hi, mom.
329 - So, Bob, you wanna go ahead
330 - and cancel next week's game, buddy?
331 - Okay.
332 - Tie game.
333 - This is it, Fez.
334 - Channel all of your hatred for the white man
335 - into this one last point.
336 - I am full of hate, my brother.
337 - Hey, foreign guy,
338 - will you sign your yearbook picture?
339 - My what-book picture?
340 - Oh, my God.
341 - It is half my face.
342 - Oh, I feel the warm love and embrace of the whitey.
343 - I forfeit. You win.
344 - No. No, no!
345 - Look, no one is embracing you, Fez.
346 - You're brown, okay?
347 - So let's kick some racist ass!

348 - We lost?
349 - Nice game, my white friends.
350 - You owe me money!
351 - Hey, Hyde.
352 - Oh, no.
353 - Is the roller-disco craze over already?
354 - Of course not.
355 - Look, Hyde, I just wanted you to know
356 - that I'm not a square cheerleader.
357 - I'm on the wrong side of the law,
358 - because I have this.
359 - Oh, no. A paper bag. Run.
360 - Jackie?
361 - Oh, yeah.
362 - I bought it in the ghetto.
363 - Jackie, there is no ghetto here.
364 - There's, like, that one house
365 - that needs to be painted.
366 - Okay, fine. I bought it from my housekeeper.
367 - Whatever.
368 - So, what are you saying?
369 - You wanna be, like, a burnout now?
370 - No. No, Hyde, I just wanna be with you.
371 - Okay? I think you're one of the coolest,
372 - sweetest guys I've ever met.
373 - No, you don't.
374 - Yes, I do.
375 - Is there a problem here?
376 - No, sir, Officer.
377 - There's no problem at all, right, Jackie?
378 - There's nothing in the bag.
379 - Okay, Miss, let's go.
380 - No, no. I can't go to jail.
381 - I have to cheer tomorrow.
382 - What are you doing, man?
383 - The bag is mine.
384 - Come on, cheerleader, dirtbag.
385 - Okay, man.
386 - Oh, my God.
387 - Steven Hyde, you were right.
388 - We will never be friends. We'll be more than friends.
389 - Because now... I love you.
390 - Oh, my God. Would you shut up?
391 - As God is my witness, I will wait for you.
392 - Well, I hope you're happy.
393 - I don't think Bob will ever recover

394 - from the sight of your rear end.
395 - What rear end?
396 - What I can't figure out
397 - is how you expected to run away
398 - with your pants down around your ankles.
399 - Damn, he's dumb.
400 - Hello.
401 - Steven, where have you been?
402 - You missed the funniest damn thing.
403 - Uh-huh.
404 - Uh-huh.
405 - Pants around the ankles.
406 - Oh, that's great.
407 - Look, Red, I gotta talk to you about something.
408 - Arrested?
409 - For what?
410 - For possession of what?
411 - Son of a bitch!
412 - Hyde got arrested?
413 - For what?
414 - For holding? For holding what?
415 - For holding my heart.
416 - Because I love him.
417 - What?
418 - It's true, okay?
419 - I love Steven Hyde,
420 - and, someday, he'll love me.
421 - And he'll cut off those stupid sideburns
422 - and we'll live happily ever after.
423 - What?

3 That '70s Season how Season 03

3.1 Episode 01: Reefer Madness (2)

1 - Man, who'd have thought.
2 - Hyde getting busted for possession?
3 - I mean, I always thought it'd be armed robbery
4 - or pimping.
5 - You know, something cool.
6 - Yeah, Hyde in jail.
7 - Hey, guys, you think he's anyone's girlfriend yet?
8 - Kelso, he's been in jail for three hours.
9 - Of course he's someone's girlfriend.
10 - He has very pretty eyes.

11 - Well, if he was someone's girlfriend,
12 - I think it might look a little something like this.
13 - Yeah. Heh heh.
14 - Hey there, Curly Q,
15 - would you like to perform an unspeakable act on me,
16 - or would you prefer that I perform one on you?
17 - Well, they both sound good.
18 - Dealer's choice.
19 - You have done a horrible thing with a children's toy.
20 - Ahem!
21 - Huh. Bet you didn't want me to see this, did ya?
22 - Hey, welcome back, man.
23 - We were worried about...
24 - I'm sorry.
25 - I'm just... I'm so sorry.
26 - Yeah, uh... you know...
27 - Curly Q. Is... can be...
28 - Is a term of endearment.
29 - So, when do we meet your new fella?
30 - Hangin' out
31 - Down the street
32 - The same old thing
33 - We did last week
34 - Not a thing to do
35 - But talk to you
36 - We're all all right
37 - We're all all right
38 - Hello, Wisconsin!
39 - Red... No.
40 - We really need to talk about Steven.
41 - No, I don't wanna talk about Steven!
42 - Subject closed.
43 - Red...
44 - For God's sakes, Kitty.
45 - We took him into our home.
46 - We treated him like our own son.
47 - Treat him better than your own son.
48 - I'll tell you one thing...
49 - I'm not bailin' him out.
50 - He can rot in that jail, for all I care.
51 - Actually, they already let him out. Gave him probation.
52 - Probation?
53 - Well, isn't that just ducky?
54 - You know how they treat their criminals in Russia?
55 - First offense...
56 - Five years in Siberia.

57 - Second offense, 10 years.
58 - Believe you me,
59 - there is no third offense.
60 - Unless the criminal likes to make snow angels.
61 - Hey, Steven brought that stuff into my house.
62 - And I'm putting a stop to it
63 - before things get out of control.
64 - Out of control how?
65 - Well, I'll tell you how.
66 - Say, chum, where ya headed?
67 - Just to see my best girl Donna, that's where.
68 - We're gonna split a soda pop.
69 - It'll be keen.
70 - Soda pop, eh?
71 - I have something that's even keener than soda pop.
72 - It's called marijuana.
73 - Mari-whata?
74 - Come, I'll show you.
75 - Hyde, you were right.
76 - Marijuana is the bee's knees.
77 - Yep. All it takes is one puff
78 - to make you hopelessly addicted.
79 - I am hopelessly addicted.
80 - Here's a new shipment,
81 - fresh from whatever the hell country I am from.
82 - Gee willickers, Eric.
83 - Where have you been?
84 - You missed choir practice.
85 - Sorry, doll face,
86 - but now, thanks to marijuana,
87 - I'm incurably insane.
88 - Well, I'm not gonna let a swell kid like you ruin your life.
89 - Not so fast, sister.
90 - I need that for the schoolchildren.
91 - No!
92 - Alas.
93 - Marijuana has ended
94 - my young, promising life.
95 - This is what's happening all over America.
96 - And it could happen in your home. Or yours.
97 - Or yours.
98 - I just don't think that's going to happen, Red.
99 - Has Hyde ever pressured you to use this stuff?
100 - No, absolutely not.
101 - In fact, yeah, I can honestly say
102 - I have never felt any pressure.

103 - Guess who.
104 - It's either Jackie
105 - or the cold, clammy hands of death.
106 - It's... Jackie.
107 - Damn it.
108 - Oh, Steven, my hero.
109 - When that cop found my bag and you said it was yours
110 - and then they sent you to the big house,
111 - it was, like, the most romantic thing ever.
112 - Yeah. Maybe for you.
113 - I was deloused.
114 - Hey, man, you missed your shift at the Fotohut.
115 - You better have a damn good excuse.
116 - I got busted.
117 - Damn, that's a good excuse.
118 - So what'd they get you for?
119 - For loving me.
120 - Oh, 'cause she's, like, 14?
121 - I got busted for possession.
122 - Oh, man, join the club.
123 - Yeah, thanks.
124 - No, I mean join the club. We meet every Thursday.
125 - We're trying to raise money for a field trip to Amsterdam.
126 - Hey there, Red.
127 - Taking out the trash, I see.
128 - Ahem.
129 - Yeah, well, better late than never.
130 - Is that supposed to mean something, Bob?
131 - No.
132 - Just happened to notice
133 - that that lowlife Hyde you've been harboring
134 - has been busted for possession.
135 - My gosh,
136 - that stuff was right here in our own neighborhood?
137 - And to think of all the times we have to drive across town...
138 - Ix-nay, Midge.
139 - Well, as you all know,
140 - we had a little incident yesterday.
141 - And I think that as a family,
142 - we should discuss
143 - rational solutions
144 - to make sure that this never happens again.
145 - Can I start?
146 - Um, I'm not comfortable
147 - living with a criminal.
148 - I think we should kick Hyde out.

149 - All in favor?
 150 - Laurie, stop it. Red, what do you think?
 151 - Kick him out, kick him out, kick him out!
 152 - Laurie, there is no way we're kicking Steven out.
 153 - Steven...
 154 - We're kicking you out.
 155 - Yay, Daddy.
 156 - Red...
 157 - Dad, that's not fair.
 158 - Not fair?
 159 - I took him in,
 160 - I gave him a shot,
 161 - he blew it. It's his fault.
 162 - Look, I don't want it in my house.
 163 - I don't want it around you two. I just... don't... want it.
 164 - Red.
 165 - Putting him out on the street
 166 - is not the solution.
 167 - This young man needs our guidance now more than ever.
 168 - No, Mrs. Forman, it's cool.
 169 - If Red thinks that
 170 - I'm not good enough to live in this house,
 171 - then I guess I'm not.
 172 - You know what?
 173 - You're... you're bull...
 174 - I... I'm... you're very...
 175 - I'm... I'm very mad at you!
 176 - God, this sucks.
 177 - I can't believe Red's kicking you out.
 178 - I mean, I'm sorry. Where you supposed to go?
 179 - I'm gonna go to the Fotohut.
 180 - I'll sleep on the floor. We got a hose out back.
 181 - Mrs. Forman made me a sandwich.
 182 - Man, this is so wrong.
 183 - Look, I'm not gonna let you get kicked out
 184 - for something that we all do.
 185 - Hey, hey, don't go dragging me into this.
 186 - You know what?
 187 - I'm gonna tell Red that I do it, too.
 188 - No!
 189 - Have you suddenly become the stupidest man ever?
 190 - I mean, is Kelso no longer the reigning king?
 191 - Oh, I'm the king.
 192 - This can work. If I tell Red,
 193 - then he's gonna be a hypocrite for kicking you out
 194 - and not making me go with him.

195 - Because, I mean, he can't kick me out
 196 - because you know, deep down, he loves me.
 197 - Look, Forman,
 198 - I appreciate what you're trying to do, you know,
 199 - but you getting into trouble is not gonna help me get out of trouble, okay?
 200 - Okay?
 201 - Okay. Okay.
 202 - Everybody just stop worrying, all right? I'll be fine.
 203 - Yes, it will be good for you in the Fothut.
 204 - Maybe you will develop some character.
 205 - Get it? Develop?
 206 - Oh, fine. I guess I'm not funny.
 207 - Kiss my brown ass.
 208 - Okay, here's your tea, Leo.
 209 - Oh, wow, tea, man.
 210 - That's, like, exotic.
 211 - Heh-heh. Hey, look at me, I'm the king of England.
 212 - Off with her head.
 213 - Tea. Heh-heh.
 214 - Well, um, I think it's great
 215 - that Steven has a boss
 216 - who cares enough to come over
 217 - and talk to us on his behalf.
 218 - So, um, I'm just gonna let you fellas
 219 - get to know each other.
 220 - Sit up straight.
 221 - Hey, man, I don't think you should kick Hyde out because he's a good
 kid.
 222 - He's a dooper.
 223 - You say that like it's a bad thing, man.
 224 - Hey, I'm gonna let you in on a little secret.
 225 - I've indulged once or twice myself.
 226 - Really?
 227 - I'm shocked.
 228 - Yeah, I know. Upstanding businessman.
 229 - Last guy you'd expect.
 230 - But it's true, man.
 231 - Well, Mr. Hippie...
 232 - If you say so,
 233 - well, that's good enough for me.
 234 - Aw, that's great, man.
 235 - Now, please, get out of my house.
 236 - Okay, what are you writing? "Jackie and Steven Hyde.
 237 - "Mrs. Jackie Hyde.
 238 - "Dr. and Mrs. Steven Hyde?"
 239 - All right, what's going on?

240 - Okay, Donna, Steven and I are in love.
241 - Um, you do know that he once compared you to a tick, right?
242 - Oh, really? Well, if he thinks I'm such a tick,
243 - then why'd he tell the cops the bag was his when it was actually mine?
244 - Are you telling me that bag was yours?
245 - Yeah. He went to jail for it.
246 - Isn't that fabulous?
247 - Oh, my God. You... tick.
248 - You're the reason this whole mess happened.
249 - Oh, Donna, stop. My head is... whoo!
250 - Jackie, you have to tell the Formans what happened.
251 - Do you know that Red is kicking Hyde out?
252 - Oh, god, no, no, Donna, that's perfect.
253 - When Hyde is on the streets, he'll have to turn to me,
254 - and as I care for him and buy him stuff,
255 - his love for me will grow.
256 - Oh, my God. Fine, I'm telling them.
257 - No, no, no. You cannot ruin this for me,
258 - you... moose.
259 - Don't tell me what to do, Midget.
260 - No!
261 - Well, well, turns out you were all wrong about Steven,
262 - and you wanted to kick him out.
263 - Yes. Well, thanks for telling us the truth, Donna.
264 - And we know it wasn't easy for you,
265 - especially with Jackie choking you the whole time.
266 - Uh, Steven, wait.
267 - You can stay.
268 - Cool.
269 - Wait, wait, wait, wait.
270 - That's it? Isn't there anything else
271 - you would like to say
272 - to this brave and noble young man?
273 - You're right, Kitty.
274 - Dumb ass!
275 - Do you realize that you put your entire future at risk?
276 - What kind of a moron would go and take the fall..
277 - Crying and crying and crying.
278 - And when she's upset..
279 - And the next thing you know, I'm upset.
280 - I had to have tea
281 - with that greasy old hippie.
282 - Now I have hippie stink on my couch.
283 - Let me tell you something else.
284 - If you ever do anything like that again,
285 - I will kick your ass so hard,

286 - your nose will bleed.
287 - And we love you.
288 - So, uh, just so I'm clear,
289 - everything's back to normal, right?
290 - Yeah, yeah, everything's back...
291 - All right, Dad, I've got something to say.
292 - Eric, for the love of God, don't.
293 - Dad, I do it, too.
294 - That's right. So you can't kick Hyde out.
295 - Honey... we already decided not to kick Hyde out.
296 - Oh.
297 - Then...
298 - Yay.
299 - So, you do it, too, huh?
300 - Since when?
301 - Since... when?
302 - Uh...
303 - I am so baked.
304 - I think.
305 - No, yeah, I am. I think.
306 - You know, guys, I've been living my life all wrong.
307 - All I ever thought about was school.
308 - Studying, reading, homework.
309 - Well, that's over.
310 - Thanks, Hyde.
311 - Hey, man, don't thank me. Thank my mom.
312 - If she hadn't have passed out,
313 - I couldn't have raided her stash.
314 - You have the best mom ever.
315 - Hey, guys, you know what?
316 - Yesterday, I was wrestling with Donna,
317 - and I felt her boob.
318 - It was beautiful.
319 - Squishy.
320 - Squishy. Hey, guys, I had this dream
321 - that I was kissing my English teacher,
322 - and when I woke up, I was stuck to my bed.
323 - Kelso, man, that's not normal. You could die.
324 - Hey, isn't your English teacher a guy?
325 - Yeah. No, I meant my Spanish teacher.
326 - She's a girl. Man, what's in this stuff?
327 - Hey, guys, I'm having the best time ever.
328 - I think. No, yeah, I am.
329 - Eric!
330 - Eric!
331 - Are you on it right now?

332 - I asked you a question.
 333 - Since when have you been using this?
 334 - Uh... about a week ago tomorrow.
 335 - Um... what?
 336 - Yeah, coming, Mom.
 337 - Okay. Okay, now.
 338 - You're both smart boys.
 339 - What were you thinking?
 340 - Well... I... I'm not...
 341 - Oh, oh. Um...
 342 - The problem was that we weren't thinking.
 343 - We weren't thinking.
 344 - And, you know, with the times...
 345 - Yeah, the times were, like...
 346 - And, uh...
 347 - Peer pressure?
 348 - And the peer pressure. Thank you, Mom.
 349 - Yeah.
 350 - And, you know, I found that today, uh...
 351 - You know, the need to experiment...
 352 - Oh, don't try this blaming society crap with me.
 353 - You know whose fault this is? Do you?
 354 - Do you?
 355 - Well, I have a pretty good idea.
 356 - It's mine.
 357 - Oh. All right. Okay.
 358 - The problem is...
 359 - I've been too lenient.
 360 - So, from now on,
 361 - no more easy-going, devil-may-care,
 362 - everybody's-best-friend dad.
 363 - I'm just... I'm so very nervous.
 364 - I'm cracking down.
 365 - And I'm cracking down hard.
 366 - Starting right now,
 367 - fun time is over.
 368 - So where was I for fun time?
 369 - Take it back!
 370 - No, Kelso. I'm sorry.
 371 - Confessing to Red makes Eric the king.
 372 - Hey, I shot my toe with a BB gun once.
 373 - You're right, Kelso, you're the king.
 374 - Thank you!
 375 - I mean, when I say, "For the love of God, don't,"
 376 - then for the love of God, don't.
 377 - Donna, that could've meant anything.

378 - Okay, I'm sorry. I made a terrible mistake.
379 - All right, excuse me, but I think we've all lost sight
380 - of what's really important here... We're in love.
381 - All right, you know what?
382 - Enough of your girlie fantasy crap.
383 - None of this would've happened if it wasn't for you.
384 - So get this through your little Easy-Bake-Oven head...
385 - I don't love you.
386 - I don't like you.
387 - I can barely stand to look at you, okay?
388 - Oh, Steven, you're such a bad liar.
389 - All right. Well, don't mind me.
390 - I'm just here to install this smoke detector.
391 - Smoke detector?
392 - Does that detect any kind of smoke?
393 - Long live the king.
394 - Hey, guys, look what I found in my sister Laurie's drawer.
395 - Mints. A whole month's worth.
396 - They're not minty.
397 - They're not mints.
398 - They're birth control pills, you headgear-wearing moron.
399 - Hey, when I grow up,
400 - I'm gonna be handsome.
401 - Really? Did your mommy tell you that?
402 - Yeah.
403 - Kelso, you're the king.

3.2 Episode 02: Red Sees Red

1 - I had a great time on our date tonight.
2 - Yeah. When do you think Red's going to give you back the keys to the cruiser?
3 - You know, so we could actually leave the property?
4 - I don't know. Maybe never.
5 - In fact, you're my only contact
6 - with the outside world now, Donna.
7 - Do people still laugh out there?
8 - I miss the laughter.
9 - Well, Eric, it's your own stupid fault.
10 - I mean, before you opened your big mouth,
11 - Red actually believed that smell was incense.
12 - Yeah, I know. It's just...
13 - He was going to kick Hyde out and I wanted to help,
14 - and, oh, helping never helps.
15 - All right, look. Let's not waste time talking about this.
16 - How long till curfew?

17 - About one minute.
18 - Now, Donna, I'm not bragging,
19 - but if you're properly motivated,
20 - I can actually do it in that amount of time.
21 - You don't have to tell me.
22 - Okay, so buckle up, Donna,
23 - 'cause the next 12 seconds are all about you, babe.
24 - Five, four, three, two, one.
25 - No, wait! Damn!
26 - Curfew, hophead.
27 - Hangin' out
28 - Down the street
29 - The same old thing
30 - We did last week
31 - Not a thing to do
32 - But talk to you
33 - We're all all right
34 - We're all all right
35 - Hello, Wisconsin!
36 - Jeez, I wish I had a quarter for every time
37 - I caught you making out with the neighbor girl.
38 - Wish I had a quarter for every time you embarrassed me.
39 - I wish you did, too,
40 - 'cause then you'd be a millionaire
41 - and you could find someplace else to live.
42 - What, and leave all this?
43 - Okay, fellas. Who wants brownies
44 - and a nice glass of milk?
45 - Oh, jeez.
46 - Daddy, I think it's great
47 - you gave Eric and Hyde a curfew.
48 - These boys, they need structure.
49 - Well, I'll see ya.
50 - Where do you think you're going?
51 - To... night church?
52 - Sorry, honey. Curfew's for everyone.
53 - But, Daddy, it's me!
54 - Look, what they did is bad,
55 - but you sneaking around with Kelso, that's just...
56 - Unpleasant.
57 - But, Daddy, I'm not seeing Kelso.
58 - Untrue! A damnable lie!
59 - A curfew?
60 - I'm stuck in this house with you people all night?
61 - This sucks!
62 - Well, we're just thrilled about it.

63 - So, all right. There's an upside to all this.
64 - I took her down with me.
65 - Nice job.
66 - Well, isn't this a happy house?
67 - Yeah.
68 - This is not a happy house.
69 - Well, you just said this was a happy house.
70 - Well, that's not what I meant.
71 - It was sarcasm.
72 - Well, who the hell knows what you mean
73 - when you won't say what you mean?
74 - I don't like how you're treating the children.
75 - Look, Kitty.
76 - I'm not gonna let our kids go down the wrong path.
77 - But if you have a better idea, I'm all ears.
78 - Okay. Maybe you could be a little less strict
79 - and a little more loving.
80 - Okay, Kitty. Enough with the sarcasm.
81 - Stop looking at me! Stop looking at me! Stop looking at me!
82 - Please look at me.
83 - Hey, psst!
84 - I love you, Steven.
85 - I have secret love powers.
86 - Look at me!
87 - Uh! I have 29 teeth.
88 - No, that can't be right. 1, 2, 3...
89 - Jackie's in love with Hyde and I have nothing.
90 - Oh, look! I find an MM!
91 - Oh, no.
92 - My life sucks.
93 - Okay, I really hope no one smelled that.
94 - All right!
95 - I'm the best-looking person in this room.
96 - No! In this whole town!
97 - No! No! In this whole state!
98 - No!
99 - Dumb asses.
100 - So, how's it going?
101 - Real good.
102 - The foreign kid just ate something off the floor.
103 - Okay. Well, um... Your father's gonna drive me to work.
104 - That's right,
105 - and if you do anything wrong, I'll know,
106 - because one of you is a snitch.
107 - You just think about that while I'm gone.
108 - Well, they're not gonna do anything wrong,

109 - because I brought a box of activities
110 - to occupy their time.
111 - So, um, be good and have fun.
112 - Do crafts, not drugs.
113 - Ooh, a model airplane and glue.
114 - Where are Steven and Eric?
115 - Um...
116 - Your hair is very pretty.
117 - Oh, they can't leave the house. They're grounded.
118 - Oh, don't worry about them.
119 - They're at the Hub.
120 - Oh, no. I am the snitch.
121 - Oh, Red is gonna be furious.
122 - Mrs. Forman,
123 - may I tell you a little story about oppression?
124 - Okay.
125 - Once I had an ant farm,
126 - and they would not build their tunnels.
127 - I was furious,
128 - so I became very strict and stern with my ants.
129 - First they feared me and everything was fine,
130 - but eventually
131 - the ants broke out and attacked me.
132 - So I had to kill them.
133 - So, um, you think we're being too hard on the kids.
134 - Well, I don't know about that.
135 - I just wanted to let you know
136 - that I'm really sad because my ants are dead.
137 - Okay.
138 - Well, Fez, thanks.
139 - You're a good boy.
140 - All the ladies want a piece of Fez.
141 - What are you doing?
142 - Oh, just a little security measure
143 - in case anybody tries to escape.
144 - Red, no. Those are my Christmas bells.
145 - Those are happy bells.
146 - Then they're doing their job, because I'm happy.
147 - Let's have some cake.
148 - Okay, and let's watch some TV,
149 - because that makes us all happy.
150 - Okay, here we go.
151 - The Brady Bunch Variety Hour is on.
152 - Oh, who the hell gave those people an entire hour?
153 - Well, I think this program is fun
154 - for the whole family.

155 - They've got Charo and the rock band KISS.
156 - Okay, see? Now, this is nice.
157 - A nice family who gets along
158 - and sings and dances.
159 - Yeah, I love the Bradys.
160 - Oh! Remember that episode
161 - where Mr. Brady went completely insane
162 - and put bells on all the doors?
163 - Hey, did you see the one where Greg was a real wise ass
164 - and Mr. Brady took him outside and cleaned his clock?
165 - Did you ever see the one where I hated living here?
166 - That one's my favorite.
167 - Well, I hope you're happy because now you've upset your sister.
168 - Oh, you know what? Forget it, Dad.
169 - Enjoy yourself. Get your shots in now
170 - because when I'm gone,
171 - oh, I'm gonna be long gone.
172 - I got no place to go, so...
173 - I'm gonna stay here.
174 - But the tension's nice.
175 - Reminds me of home.
176 - Finally.
177 - Now I can enjoy the show in peace.
178 - Oh, this show is crap.
179 - Feel funky Whoo
180 - Feel good Whoo
181 - Gonna tell you I'm in the neighborhood
182 - Gonna fly like a bird on the wing
183 - Hold on to your hat, honey
184 - Sing, sing, sing sing
185 - I got the music in me
186 - I got the music in me
187 - I got the music in me
188 - I got the music in me
189 - I got the music in me
190 - I got the music in me
191 - Yeah!
192 - Thank you, thank you!
193 - And welcome to The Forman Bunch Variety Hour! Ha-ha!
194 - And, boy, do we have a great show for you tonight!
195 - Sorry, Mom, we can't stay for the show.
196 - No!
197 - Why not?
198 - Well, living at home is unbearable,
199 - so we've decided to run away.
200 - No!

201 - Yay!
202 - So, thanks for everything, Mrs. F.
203 - Well, you boys can't run away.
204 - Who's gonna do the square dance
205 - with Shields and Yarnell?
206 - Well, let Laurie do it.
207 - She's been making out with Shields all day.
208 - That's a lie!
209 - Well, when will I see you again?
210 - Don't worry, Kitty. I'll take care of them.
211 - Oh, ladies and gentlemen,
212 - star of stage and screen, Shirley Jones.
213 - Hi, Mom! Hi, Mom!
214 - Mom?
215 - That's right, Kitty.
216 - We're Partridges now.
217 - This is gonna be great.
218 - I'm pretty sure I can nail Susan Dey.
219 - No! Partridges?
220 - You can't live in a bus.
221 - There's no toilet!
222 - Well, it may be inconvenient, Kitty,
223 - but we do get to spend a lot of time together.
224 - That's right. Mrs. Partridge quit her job
225 - to form a family band.
226 - Yep. It's all a matter of choices, Kitty.
227 - I guess you just chose to be a bad mother.
228 - Hey, Shirley, can I come?
229 - I play the tambourine.
230 - Uh! I'm sorry, Laurie. No whores on my show.
231 - Oh, fine.
232 - Hey, Shields, wait up!
233 - Aah!
234 - Coochie, coochie, coochie!
235 - Whoa, whoa, whoa!
236 - Can it, Charo.
237 - Yah!
238 - Well, I am not going to let that happen.
239 - Oh, no.
240 - This is crap.
241 - Oh, no. Honey!
242 - Yep. He thought he could sneak out.
243 - So, what now, Ho Chi Min?
244 - Well, I'll tell you one thing.
245 - Playtime is over.
246 - Your friends are no longer allowed in the house.

247 - Wait. What?
248 - No. No. We'll talk about it in the morning.
249 - Fine. We'll talk about it in the morning.
250 - We'll talk about how your friends are no longer allowed in the house!
251 - You know, I have an interesting idea.
252 - Why don't we not punish him?
253 - Why don't we try a little of that forgiveness
254 - that Jesus was always talking about?
255 - No. No.
256 - This is for his own good.
257 - Look. In order for Eric to be a happy, well-adjusted adult,
258 - he has to be miserable now.
259 - That's just good parenting.
260 - If I was to be Mr. Nice Guy now,
261 - do you know what would happen to Eric in a few years?
262 - Do you?
263 - Oh, Eric! Breakfast!
264 - Well, there's my sweet little baby boy.
265 - Why, oh, why didn't I discipline you?
266 - Shut up and eat your Cornflakes.
267 - Yah!
268 - That's what.
269 - Never surrender, Kitty. Never retreat.
270 - We're winning.
271 - The fact that Eric was desperate enough to climb out his window
272 - shows that everything is working.
273 - Surprise!
274 - This is so great!
275 - I didn't know you delivered.
276 - Bed check, dumb ass.
277 - Holy crap!
278 - No, it is not a bed check.
279 - We just want to say good night,
280 - and we love you very, very much.
281 - What are you doing?
282 - Oh, just nailing his window shut.
283 - It's for his own good.
284 - What if there's a fire?
285 - Well, then, I guess you can
286 - just light your dope with it, dopehead.
287 - Donna! Get out!
288 - Whoa! Not so fast, Laurie.
289 - Ah! Ah! Ah!
290 - You idiot! Red's doing bed checks.
291 - Bed checks!
292 - And bless Mommy and bless Daddy

293 - and bless grandma.
294 - Oh, hi, Daddy.
295 - Sorry to bother you, kitten.
296 - Kelso, get your hand off my ass.
297 - It was an accident.
298 - Shh! It's still there.
299 - It's still an accident.
300 - Kelso, it's still there.
301 - Yeah.
302 - What?
303 - You know, Steven,
304 - this hatred thing you have for me
305 - is just you protecting yourself.
306 - Okay.
307 - It's true. You're afraid to reach the peaks of love
308 - for fear of being dropped off a cliff.
309 - Well, I'm your safety line, Steven, so grab me.
310 - Go grab yourself, freak.
311 - Okay, bed check!
312 - Here we come!
313 - Kitty, you're warning him!
314 - I'm not warning anybody.
315 - Getting closer!
316 - Okay, um...
317 - We just... we wanted to say good night
318 - and, um, that you're a good boy,
319 - and even though you do some things that we don't like,
320 - we still love you.
321 - And I'm watching you.
322 - And I'm cherishing you.
323 - Oh, no, Jackie. They're still out there.
324 - What was that?
325 - Oh, and they want our pants.
326 - Do you hear that?
327 - I don't hear anything.
328 - That's right. Nothing.
329 - That's the sound of discipline.
330 - No, that's the sound of jail.
331 - This house used to be fun until you made it miserable.
332 - Well, I'm sorry, Kitty, but I think it's working.
333 - Oh, you do?
334 - Yes, I do.
335 - Oh, you do.
336 - I just said I did.
337 - Red.
338 - Oh, hell's bells!

339 - It's Red! Run for it!
340 - Freeze!
341 - Daddy, thank God you came! They were kidnapping me!
342 - Oh, shut up! That's it. I have had it!
343 - You know what this means?
344 - More discipline.
345 - No. No.
346 - Oh, yes. Playtime is over.
347 - Oh, stop saying that.
348 - Your cracking down is not working.
349 - Hell, I could have told him that a week ago.
350 - Now is not the time to be a porky mouth.
351 - Red, I want my house back.
352 - Once had an ant farm...
353 - Oh, honey, no. Not now.
354 - Okay. Okay. Here's what we're gonna do.
355 - You are going to remember that he's a good son,
356 - and you are going to remember that he's a good father,
357 - because I am not happy with the way this house is running.
358 - Hah! Now you see what you've done?
359 - You've made your mother unhappy.
360 - No, he didn't.
361 - I'm not happy with everything.
362 - I'm not happy with windows being nailed shut,
363 - and I'm not happy with people sneaking around,
364 - and I'm not happy
365 - with my Christmas bells on the front door.
366 - Well, Kitty, what do you want me to do?
367 - Pretend that nothing happened?
368 - Yes.
369 - No!
370 - Fine! Then that's it.
371 - Then I'm staying home.
372 - I'm staying home full-time
373 - and I am taking back my house,
374 - and that's the way it is.
375 - Now, you get upstairs
376 - and take those nails out of the windows
377 - and you,
378 - stop being such a sneaky smart mouth
379 - and you... honey!
380 - You've got to stop eating stuff off the floor.
381 - Now, everyone, let's go back to happy!
382 - Ha-ha-ha!
383 - So, I guess playtime is over.
384 - I'm sorry, dad.

385 - I don't remember growing older
386 - When did they?
387 - Sunrise
388 - Sunset
389 - Sunrise
390 - Sunset
391 - Swiftly fly the years
392 - One season following another
393 - Laden with happiness and tears
394 - Give it to me one more time, coochie!

3.3 Episode 03: Hyde's Father

1 - All right! They didn't even check our fake IDs.
2 - And I wasted a whole day thinking up my fake name.
3 - Yeah. Sorry, Pez.
4 - Let's drink.
5 - - So, fellas, school let out early? - Yeah, we're just...
6 - - Kelso, shut up. - I mean, no.
7 - No, we're old.
8 - We're workers. We're all construction workers.
9 - Hey, fellas, did you see that brick today?
10 - Whoo!
11 - Relax, guys.
12 - It's Serve a Minor Night at the old Don't-Have-a-Liquor-License Saloon.
13 - You look familiar. Do I know you?
14 - I should hope so, Dad.
15 - Hanging out
16 - Down the street
17 - The same old thing
18 - We did last week
19 - Not a thing to do
20 - But talk to you
21 - We're all all right
22 - We're all all right
23 - Hello, Wisconsin!
24 - Hey! Steven!
25 - Wow! So you're Hyde's dad.
26 - Well, that's what his mother says.
27 - Kidding.
28 - Hello, Mr. Hyde's Dad. I am Pez.
29 - - I've heard much about you. - Good things, I hope.
30 - Well, if running out on your family
31 - and becoming a drunk is good, then yes.
32 - Okay, guys. Let's look over here.
33 - Wow!

34 - Look at you!
 35 - You're bigger.
 36 - And you got your mom's hair
 37 - and her sideburns.
 38 - - So how long has it been? - Eight years, 51 days.
 39 - Wow!
 40 - - Time really flies when you're... - Drunk?
 41 - I was gonna say "having fun", but same thing.
 42 - Yeah, so, how long you been back for?
 43 - Well, let's see. That must be about a year.
 44 - - A year? - Yeah. Hey, I was gonna call you, but...
 45 - You were gonna call me? Oh, man, that makes you, like...
 46 - I don't know, what, Father of the Year?
 47 - I'll see you around, Dad.
 48 - Oh, man, Hyde's upset. Better go see how he is.
 49 - Yep. One more round, we'll go see how he is.
 50 - Hello!
 51 - She is just my type, naked.
 52 - I, too, like the naked ladies.
 53 - I find them so
 54 - naked.
 55 - Yeah, that's realistic.
 56 - I think I'm gonna change the oil in my car,
 57 - but first, I'm gonna take off everything but my cowboy boots!
 58 - Well, sure. I mean, if you're in bare feet, you could slip in the oil.
 59 - Come on, Donna. Safety first.
 60 - Whoa!
 61 - "Surefire Ways To Pick Up Women."
 62 - What kind of lonely losers read this stuff, anyway?
 63 - Give me.
 64 - "Look deep into her eyes and use her name often,
 65 - "showing that this conversation is just for her."
 66 - Ahem. Hey, Donna.
 67 - I think they're onto something, Donna. What do you think, Donna?
 68 - Oh, my God. I'm taking off my shirt. Stop it, hands! Stop it!
 69 - Well, Steven, honey, you haven't touched your sandwich.
 70 - - You feel okay? - Yeah. I'm just not hungry.
 71 - Oh, Steven, are you finally tired of freeloading?
 72 - Can it, Laurie.
 73 - All I'm saying is Daddy works really hard and nothing here is cheap.
 74 - Except you.
 75 - Believe me, I'm not cheap.
 76 - Fine. Free. Whatever.
 77 - Hey, honey, I'm home.
 78 - Oh, good. The hippie's here.
 79 - Hyde, man, your dad come by looking for you, man,

80 - which is really freaky, 'cause I thought this bald dude was your dad.
81 - Thanks, Leo.
82 - Steven's father is in town?
83 - Yeah, right. Like he even knows who his father is.
84 - Eric, you know something about this?
85 - She's a bitch.
86 - Right, okay, uh, yeah.
87 - We bumped into Hyde's dad last night.
88 - He'd been back in town, like, a year.
89 - Hadn't even talked to his own son.
90 - Cool egg salad, man.
91 - Well, I'm gonna talk to Steven
92 - and see how he's feeling about this.
93 - You know what, Mom? I wouldn't do that.
94 - Hyde really likes to bottle those things up.
95 - Good for him. That's where those feelings should be kept.
96 - Well, what is he gonna do? Pretend he doesn't have a father?
97 - Kitty, this is a family issue,
98 - and for once, it's not about our family.
99 - Look, the bond between a father and a son
100 - is complex and subtle.
101 - You wipe that damn smirk off your face!
102 - Red, when we took that boy into our home,
103 - it became our job to see him through thick and thin,
104 - and now it's thick.
105 - Or thin. I don't know, but he needs us.
106 - Cool egg salad, man.
107 - Fine. Stick your nose in where it doesn't belong. Go ahead.
108 - Okay, will do.
109 - Bud's coming over for drinks tonight.
110 - Mom, do you really want to invite an alcoholic over for cocktails?
111 - Oh, right. Okay, well, I'll just, um...
112 - I'll make him a nice Shirley Temple
113 - and he can fill up on cheese.
114 - You keep a stack of dirty magazines under your bed?
115 - What? No! God, not a stack.
116 - You know, what is a "stack", really?
117 - - Why do you have these down here? - Now, wait, Donna.
118 - Downstairs, you were laughing and cracking jokes about this stuff.
119 - Eric, that was in the basement
120 - with our idiotic friends.
121 - Why do you need them? Aren't I enough?
122 - No. Yeah, oh, you're enough. God, you're plenty.
123 - It's just, uh...
124 - You see, Donna, you see, what I do with dirty magazines is
125 - really only interesting to me.

126 - With the reading of the articles
 127 - and the, you know, solving of the puzzles and whatnot.
 128 - You know what? I don't wanna know about the "whatnot".
 129 - I'm out of here.
 130 - Oh, no, girls.
 131 - She's onto us.
 132 - Hello, Jackie. How are you, Jackie?
 133 - - Fine. - I'm glad, Jackie.
 134 - I, too, am fine, Jackie.
 135 - Do I have a sty?
 136 - No, Jackie. You, Jackie, do not have a sty.
 137 - Jackie.
 138 - Okay, Fez.
 139 - I don't know what you're doing, Fez,
 140 - but stop doing it, Fez.
 141 - Oh, no. Now I am turned on.
 142 - Oh, wow, man.
 143 - Look at all these different nuts intermingling in one bowl.
 144 - It's like Nutstock, man.
 145 - Kitty,
 146 - I think we should rethink our "Don't Throw Leo Out On His Ass" policy.
 147 - No, no. Leo stuck around because he cares about Steven.
 148 - And, plus, I can't find my shoes, man.
 149 - - Hey. What's going on? - Oh, good news, Steven.
 150 - - Your dad's coming over tonight. - Screw that!
 151 - No, Steven, it's a good thing, I think.
 152 - - I got nothing to say to him! - Well, we have fancy nut mix.
 153 - Hey, Red! Remember me?
 154 - Of course. I wasn't the one passed out in the gutter.
 155 - Yeah, I had this weird condition
 156 - where I'd drink a case of beer and fall down.
 157 - Hey, Red. Man, you're looking good.
 158 - Have you lost hair?
 159 - Steven will be right out.
 160 - Hey, man, nice shoes.
 161 - Are those mine?
 162 - - Hello, Bud. - Hi.
 163 - - Can I go now? - It's "May I go", and no.
 164 - So, Bud,
 165 - can I get you a drink?
 166 - A drink! A drink of soda.
 167 - A nice drink of soda, Bud. Plus, we have cheese.
 168 - Soda sounds great, Kitty.
 169 - - Yeah, I'm off the hooch. - Oh, really?
 170 - So, no more boozing.
 171 - I heard him.

172 - Yeah. I can finally see clearly.
 173 - Isn't it great, man?
 174 - It is.
 175 - I got a job and an apartment. Color TV.
 176 - Ooh, color TV. That's nice.
 177 - Wow, Bud, doing great now, huh?
 178 - Color TV? Man.
 179 - I remember when I was a kid, I didn't even have a father.
 180 - Well, well.
 181 - Who could have foreseen this terrible...
 182 - Can it!
 183 - Jackie didn't give me the time of the day.
 184 - I hate this stupid magazine.
 185 - Oh, no, I didn't mean it. I love you.
 186 - Hey, Fez. Check this out.
 187 - "Tight pants turn a man's derriere into a lady's dream.
 188 - "And an open shirt shows a sexy chest
 189 - "and an irresistible joie de vivre."
 190 - Really?
 191 - I always thought my joie de vivre was in my pants.
 192 - Okay, I can't believe I'm asking you guys this,
 193 - but if any of you losers had a girlfriend,
 194 - would you still look at those magazines?
 195 - Hey, I had two girlfriends
 196 - and a little action on the side
 197 - and I still looked at those magazines.
 198 - You had action on the side? Who?
 199 - You don't know her. She went to Sacred Heart.
 200 - Okay. Anybody here have an opinion who's not a skeevy pig?
 201 - I'm glad you asked, Donna.
 202 - If I had Jackie, I would never look at those magazines.
 203 - Unless she's on the phone
 204 - or went shopping or took a short nap.
 205 - Look, Donna.
 206 - This is just the way guys are, okay?
 207 - I mean, if Forman was actually dating the "Naughty Campus Co-eds",
 208 - he'd be locked in a bathroom, looking at naked pictures of you.
 209 - He's right, so...
 210 - Are there naked pictures of you?
 211 - My leg!
 212 - Hey, knee him in the groin!
 213 - Oh, my God! She did it!
 214 - So how's your cocoa?
 215 - Chocolatey good, thanks.
 216 - That's good, 'cause I think your father has really changed.
 217 - He is not the same man I used to know,

218 - and the marshmallows make it extra good.
 219 - Well, at least you knew him, Mrs. Forman, 'cause I never did.
 220 - Okay, well, here's your chance.
 221 - Maybe now you can make some new, happy memories.
 222 - Wouldn't that be wonderful?
 223 - Oh! Hey!
 224 - Yeah!
 225 - Yeah, you know what, Mrs. Forman?
 226 - No.
 227 - Are you sure? 'Cause I kind of think you're bottling things up.
 228 - I'm not bottling anything!
 229 - Well, hi there, beautiful. And how are you?
 230 - Not good, you dirtbag.
 231 - That's what I thought you'd...
 232 - Excuse me?
 233 - I am not going to help you cheat on your girlfriend.
 234 - But I don't have a girlfriend, you
 235 - silly librarian.
 236 - Don't you lie to me. I heard everything.
 237 - I was right under that mattress.
 238 - And that Donna sounded really upset.
 239 - No! No, no, she's okay. Really.
 240 - Excuse me.
 241 - My turnoffs include unfaithful men.
 242 - Didn't you read my biography?
 243 - Um. I...
 244 - You know, I was just getting to it.
 245 - Sorry, but Donna is a nice girl
 246 - and you are a filthy, filthy boy!
 247 - You filthy, filthy, filthy, filthy, filthy,
 248 - filthy, filthy, filthy, filthy, filthy boy!
 249 - Hey. You can't ditch me then walk back into my life eight years later
 250 - and expect everything to be okay.
 251 - - You screwed me! - I did. You're right. I know.
 252 - And...
 253 - You what? You know? What do you mean, you know?
 254 - I got no excuse. I was a jerk.
 255 - I've been a jerk my whole life.
 256 - And all I can do is tell you I'm sorry
 257 - and hope that you'll believe me.
 258 - You jerk! How am I supposed to yell at you now?
 259 - I was gonna yell! I was gonna tell you off!
 260 - I think you should. I mean, you wanna yell? Go ahead.
 261 - - I deserve it. - You're just... You're caving?
 262 - That just makes it worse!
 263 - Come on, man! Give me something!

264 - - You want a beer? - Yeah!
 265 - Give me a beer!
 266 - - Well, hello, Jackie. - Hey, Fez.
 267 - Hey, Fez.
 268 - Nice ass!
 269 - Why, thank you, Kelso.
 270 - Oh, my God. What the hell's that smell?
 271 - Well, Jackie, it's a combination of musk
 272 - and a little thing I like to call "Fez."
 273 - Whoa, Fez! What are you doing?
 274 - Showing off my joie de vivre.
 275 - - You like? - No!
 276 - So, what? This was all a waste?
 277 - The pants, the chest, the manly smell,
 278 - the "Jackie, hello, Jackie, Jackie, Jackie, Jackie, Jackie, Jackie"?
 279 - Worthless?
 280 - Not worthless, hilarious.
 281 - Okay. Look, Fez, you're not bad-looking.
 282 - I mean, some girls like that exotic, grimy look.
 283 - But only the cheapest, most sluttiest girls will like that.
 284 - I see.
 285 - Damn, Fez!
 286 - Looking good.
 287 - Hey, so, thanks for the singles at the nudie bar.
 288 - Hey, hey, hey.
 289 - - You gotta tip the girls or they ignore you. - Yeah.
 290 - So, they taking care of you here?
 291 - Yeah, yeah. It's good. It's great.
 292 - - It's a nice place. - Oh, yeah.
 293 - That's nice.
 294 - I like my place, too. It's good.
 295 - It's got an extra room.
 296 - - That's cool. - Yeah.
 297 - So, if you ever wanna, you know, come by or whatever, you know,
 298 - I'm not using the extra room.
 299 - Hence the term "extra room".
 300 - Yeah. Yeah, the rent's due,
 301 - but they don't evict you for, like, three months,
 302 - so I still got two days.
 303 - So, you looking for a loan, Bud?
 304 - Well, will you look at that?
 305 - A father and son brought together by...
 306 - Oh, my goodness! I think it was me!
 307 - Don't gloat, Kitty.
 308 - Mr. Wrongie!
 309 - Fine.

310 - Once in 26 years!
 311 - Live it up, Kitty!
 312 - Oh, crap.
 313 - Ta-da!
 314 - Wow, Eric. It's a room.
 315 - Not just any room. See?
 316 - No more dirty magazines. I threw them all out.
 317 - And you know what, Donna? I don't miss them.
 318 - Eric, you didn't have to do that.
 319 - I mean, I understand why you need them.
 320 - - You do? - Yes! You're disgusting!
 321 - - What? - It's okay.
 322 - All guys are. You're a revolting gender.
 323 - You know, we really are.
 324 - But you're disgusting in a cute, harmless way,
 325 - and I guess I love you for that.
 326 - I love you, too.
 327 - Well, let me make it up to you.
 328 - I could have a naked girl in here in 10 seconds.
 329 - - Oh, great. Send her in. I'll see you later. - Shut up!
 330 - Steven, good. I wanted to have a talk with you.
 331 - What are you doing?
 332 - Oh.
 333 - I'm moving in with Bud.
 334 - You're moving in with Bud?
 335 - Yeah, Red. It's gonna be okay.
 336 - No, it's not gonna be okay.
 337 - Steven, your dad is not...
 338 - Good.
 339 - Yeah. I know, but, you know, he's my dad.
 340 - - Yeah. He's your dad. - Yeah.
 341 - Anyway. Red, thanks for everything. You know, really.
 342 - Hey, do me a favor. Would you tell Mrs. Forman?
 343 - 'Cause I don't wanna have to deal with the whole crying thing, and...
 344 - What, you think I do?
 345 - No, I'll just tell her that, you know...
 346 - Anytime you need a place to stay, you're welcome here.
 347 - - That'll make her feel better. - Yeah. That sounds good. Thanks.
 348 - Ahem. So, what, uh, you don't want a hug, do you?
 349 - - God, no. - Good.
 350 - - 'Cause you're not getting one. - All right.
 351 - Well, sis-boom-bah.
 352 - Sure this is okay?
 353 - Oh, yeah, yeah. Before you got here,
 354 - I got the thumbs-up from the old ball and chain.
 355 - She's great. You'd like her.

356 - Oh.
357 - Well, if she's so great, are you sure you need me?
358 - Look, I've been over this again and again and again.
359 - And yes, I do.
360 - Okay.
361 - Well, yay, team.

3.4 Episode 04: Too Old to Trick or Treat, Too Young to Die

1 - And now back to the Hitchcock Halloween Movie Marathon.
2 - Boo!
3 - Damn it, Fez!
4 - Oh! Damn, Fez!
5 - What the hell are you doing?
6 - I don't know if you know this,
7 - but you're dressed like a girl...
8 - And not a nice girl.
9 - Kelso, you spilled juice all over your shirt.
10 - You look stupid.
11 - Yeah, hey, Kelso, while you're over there,
12 - would you please, please toss Fez a pair of pants?
13 - Or at least a skirt.
14 - No, I am Dr. Frank-N-Furter
15 - from The Rocky Horror Picture Show.
16 - You know, my Bible-thumping host parents
17 - were really upset about my rock-hard ass.
18 - Fez, put it away or take it outside.
19 - So, Eric, do you want to get out of here,
20 - do something fun for Halloween?
21 - I do!
22 - I've got to go to this stupid Halloween party
23 - with Laurie's stupid friends.
24 - Not only do I have to wear a suit,
25 - but all of her guy friends
26 - act like they've done it with her before.
27 - Uh, Kelso...
28 - Leave it. Okay.
29 - Whatever. There's nothing to do.
30 - It's like we're too old to trick or treat,
31 - and too young to die.
32 - Oh, hey, we could take Fez to Chicago
33 - and peddle his ass for beer.
34 - I'm game.
35 - Eric, I meant maybe there's something,
36 - you know, we could do... Together.

37 - I doubt it.
38 - Oh!
39 - That is a burn!
40 - Wait. What?
41 - No. I... No, I didn't mean it like that.
42 - Nope. Sorry, Eric. That was a burn.
43 - And what's burnt is burnt.
44 - And what's burnt is Donna.
45 - Oh, so we're out of fun things to do?
46 - You're already bored of your girlfriend?
47 - No. I meant this town,
48 - not you, pretty lady.
49 - You know what would be fun?
50 - Is if we were in an Alfred Hitchcock movie right now,
51 - and we didn't know it,
52 - and then someone told us, and we were like,
53 - "Oh, man, I'm in a movie!"
54 - Yeah, okay. I'm out of here.
55 - Wait. But I thought we were...
56 - Get bent! Okay, I'll do that.
57 - You know what will cheer you up?
58 - A little trick-or-treating.
59 - Hello? Stop bouncing that damn ball
60 - and let's do something.
61 - Yeah, you know, I can't, Fez,
62 - 'cause I can't even look at you.
63 - I don't know whether to throw you out
64 - or throw you down and make sweet love to you.
65 - You know, that says more about you than it does him.
66 - Well, I'm not the one dressed like a damn girl.
67 - But the damn girl has your ball.
68 - Like I care about a...
69 - Man, that's my ball.
70 - Oh, these heels are killing me.
71 - Okay, Fez, that's it.
72 - Give the ball back, and no one gets hurt.
73 - Hey, you guys, you want to go outside
74 - and watch Eric and Fez run around?
75 - Someone might get hurt.
76 - It's funny when people get hurt.
77 - Especially when they're in their underwear.
78 - That's great.
79 - The only person dumb enough to get hurt around here is you.
80 - Okay, Jackie,
81 - I'm really starting to get sick... Ow!
82 - I'll give you the ball, Eric.

83 - Just don't fall.
84 - I don't want anyone to fall. No falling.
85 - Hangin' out
86 - Down the street
87 - The same old thing
88 - We did last week
89 - Not a thing to do
90 - But talk to you
91 - We're all all right
92 - We're all all right
93 - Hello, Wisconsin!
94 - Okay, Fez.
95 - Well, you got a bad sprain here,
96 - and not to mention a run in your stocking.
97 - So, you were running around, chasing him on the roof
98 - because he took your little rubber ball.
99 - That wasn't a ball.
100 - It was a Super Ball.
101 - Yeah, you should see that thing bounce.
102 - It's pretty super.
103 - Dumb asses.
104 - Um, get Fez a blanket.
105 - He needs to cover his... His...
106 - He just... He needs to cover up.
107 - Get off me, you girl.
108 - What...
109 - What happened?
110 - Honey, you just had a little touch of vertigo there,
111 - so just stay away from heights for a while,
112 - and you'll be fine.
113 - Oh, see?
114 - You see that, Jackie? Fez hurt himself.
115 - There is someone stupider than me.
116 - Look, it's not his fault he's stupid.
117 - He's foreign.
118 - What's your excuse, stupid?
119 - Well, I know one thing's for sure.
120 - There's definitely someone bitchier than me.
121 - Oh, you better not mean me.
122 - Oh, I so mean you!
123 - Nice burn. Top shelf.
124 - Thanks.
125 - Well, now, that's strange.
126 - Midge's car is right there.
127 - Bob said she wasn't home.
128 - In fact, I haven't seen her for days.

129 - Maybe she went to the store
130 - and forgot where she lived.
131 - Oh, that's... That's wrong.
132 - Okay, Fez. This'll cheer you up.
133 - With these, you can look into the Pinciotti's house
134 - and frequently enjoy a naked Midge,
135 - up close and personal.
136 - That's exactly how I like my naked Midges.
137 - Oh, but, Fez, be warned.
138 - If Bob approaches naked Midge,
139 - look away.
140 - Oh, for the love of God, look away.
141 - Okay, let's practice.
142 - Naked Midge, naked Midge,
143 - naked Midge, naked Midge, Bob!
144 - I think you're gonna be okay.
145 - No. Okay. Sure.
146 - Yeah. Bye-bye.
147 - Red, I need you to take this soup up to Fez.
148 - No, Kitty.
149 - He's wearing ladies' underwear,
150 - so, uh, no.
151 - Well, crazy bird lady from next door called me.
152 - Her bingo cruise got stuck out on Lake Michigan,
153 - so she asked me to feed her birds.
154 - So you have a choice,
155 - feed the birds or feed the Fez.
156 - Give me panty boy's damn soup.
157 - Hello, pretty birds.
158 - Hello, pretty damn big birds.
159 - It's your Aunt Kitty.
160 - Okay.
161 - Hey.
162 - Oh, I've seen this one.
163 - See, those guys think that Cary Grant's a secret agent,
164 - but he's not.
165 - It's a case of mistaken identity.
166 - Like you've mistaken me
167 - for someone who wants you here.
168 - Right.
169 - Wait.
170 - Oh, kick back. I'll get it.
171 - No, it's the paperboy.
172 - Well, Mr. Forman, you have to answer the door.
173 - Look. I forgot to pay him
174 - for the last couple of weeks,

175 - and I didn't pick up any cash,
176 - so just ignore it.
177 - Red, I don't think you understand, okay?
178 - I can't let a doorbell go unanswered.
179 - Don't answer the damn door!
180 - I gotta! Don't!
181 - But I gotta! All right. Fine!
182 - You pay him, kettlehead.
183 - Hey, Forman, I want my money.
184 - Oh, uh... Oh, there's no Formans here.
185 - See for yourself.
186 - Then why does it say "Forman" on your shirt?
187 - Oh, I borrowed the shirt.
188 - That's a bunch of bullcorn, Forman!
189 - Now give me my money.
190 - I'm not Forman, okay?
191 - Look, don't you think you're taking this paperboy thing
192 - a little too serious?
193 - I'm a very serious paperboy.
194 - Okay, you know what this is?
195 - This is a case of mistaken identity.
196 - See, you are mistaken
197 - about my identity.
198 - Fork it over, Forman!
199 - Look, someone's stealing your bike.
200 - All right. There's two guys stupider than me.
201 - Hey. Hey.
202 - Any sign of naked Midge yet?
203 - No. Just Bob dragging in big, heavy garbage bags.
204 - What do you suppose is in them?
205 - Oh, I don't know.
206 - Guessing garbage.
207 - Or... You know how Mrs. Kitty
208 - said she hasn't seen Midge in a few days?
209 - What if naked Midge is in the bags?
210 - Red. Red, I killed a bird.
211 - Aw.
212 - And then... And then the rest of them, they just...
213 - They glared at me with this...
214 - This birdie hate look.
215 - I can't go back there.
216 - I have got to find somebody else to feed those birds,
217 - somebody who won't flinch in the face of evil.
218 - Oh, and there's Mommy's girl.
219 - Laurie, have I got a job for you.
220 - Not interested.

221 - It pays 10 bucks.
 222 - All right. I'll do anything for 10 bucks.
 223 - And... And for once, that's a good thing.
 224 - Donna, what's wrong?
 225 - You look sad.
 226 - I think Eric thinks I'm boring.
 227 - Do you think I'm boring?
 228 - Yeah, a little.
 229 - But it's not like it's a bad thing.
 230 - The world needs people like you.
 231 - You're the gray that makes the color, me, pop!
 232 - Jackie, I'm not boring.
 233 - Eric and I do lots of fun stuff together.
 234 - We go to movies...
 235 - Every Friday, early show.
 236 - What? I get sleepy.
 237 - Oh, no.
 238 - Boring, boring, boring!
 239 - Boring, boring, boring!
 240 - Hey, it's the hot blonde.
 241 - That's not a hot blonde. It's Donna.
 242 - Where is she going?
 243 - Maybe she's going trolling for men who don't piss her off.
 244 - Oh. That's so funny, Hyde.
 245 - I don't know where she's going.
 246 - But I'm gonna follow her.
 247 - Would you stop doing that?
 248 - Hey, I don't know how this fits in your murder theory,
 249 - but Bob's wearing an apron with guts all over it
 250 - and holding a big carving knife.
 251 - He did kill Midge.
 252 - And I never got to see her naked!
 253 - That's 2.50, *plus 50 cent tip*,
 254 - 'cause I'm good!
 255 - *See you next week, Forman.*
 256 - *I'm not Forman!*
 257 - *First of fall, Mrs. Forman,*
 258 - *I'm using your shower.*
 259 - *And second of fall,*
 260 - *you have to pay your paperboy!*
 261 - *So how'd it go? Did you feed the birds?*
 262 - *Uh, yeah.*
 263 - *I mean, I think I did.*
 264 - *Well, either you did or you didn't.*
 265 - *Well, you didn't, either,*
 266 - *and you didn't even get pooped on!*

267 – *Now go feed your own stupid birds!*
 268 – *Oh, Hyde, please be careful.*
 269 – *I want you to catch some clues.*
 270 – *I don't want you stuck in the garbage bag*
 271 – *with dead, naked Midge.*
 272 – *Cold beers.*
 273 – *Hyde is so funny.*
 274 – *Oh, what is he going to do? Is he going to moon me?*
 275 – *Oh, run, Hyde, run!*
 276 – *Don't forget the beers.*
 277 – *Please.*
 278 – *Why are you in my bathroom? Get out, out, out!*
 279 – *I need the shower! I got pooped on!*
 280 – *All right, stop it. Cut it out!*
 281 – *That's really hot!*
 282 – *Oh, my God, you spilled my shampoo, you idiot!*
 283 – *Help.*
 284 – *You can't kill me like you killed Midge, you big doofy.*
 285 – *Midge? I didn't kill Midge.*
 286 – *She's in Chicago visiting her sister.*
 287 – *Oh, really? Then what was in the heavy garbage sacks?*
 288 – *Garbage, you idiot.*
 289 – *Oh, well, I guess that explains the giant knife,*
 290 – *guts all over your apron.*
 291 – *Oh, wait. No, it doesn't.*
 292 – *Explain that, killer.*
 293 – *They were pumping guts.*
 294 – *I was making jack – o' – lanterns.*
 295 – *So, you're hiding Midge's body in a jack – o' – lantern.*
 296 – *Clever plan.*
 297 – *Look, there's Midge now, not dead or nothing.*
 298 – *Oh, goody. You can go now. Thanks.*
 299 – *Midgie, no! Cover yourself!*
 300 – *Ow.*
 301 – *Give it, give it!*
 302 – *Donna, Donna!*
 303 – *Why would she go up the water tower?*
 304 – *Why does she want to be up there?*
 305 – *And why am I talking to myself?*
 306 – *I have to...*
 307 – *...climb.*
 308 – *Donna.*
 309 – *What the hell are you doing?*
 310 – *Well, I guess you've caught me.*
 311 – *And if you must know the truth,*
 312 – *I'm not boring, you ass.*

313 – *I never said you were boring.*
 314 – *How'd you know I'd follow you here?*
 315 – *I saw you spying on me.*
 316 – *I wasn't... No, I wasn't spying on you.*
 317 – *I was teaching Fez how to spy on your naked...*
 318 – *Yeah, you know what? I was spying on you.*
 319 – *Weird night.*
 320 – *Please, Donna,*
 321 – *tell me there's not a head in that basket.*
 322 – *No, no. It's just a picnic.*
 323 – *So...*
 324 – *So we're okay?*
 325 – *Ow, you're on my wig.*
 326 – *Oh, God! I'm gonna die!*
 327 – *Eric, hold on. I'm gonna pull you up.*
 328 – *No, Donna, you can't do it. You're just a girl.*
 329 – *Okay, whoa. Okay.*
 330 – *Okay. It's okay, you got it. That's...*
 331 – *You know, it was never really...*
 332 – *Ow.*
 333 – *Oh, my goodness. A phone booth.*
 334 – *That's slucky.*
 335 – *Oh, thank God. It was just a dream.*
 336 – *Well, I can't go back there. I just can't.*
 337 – *So, you know, Donna, even though my ankle's sprained,*
 338 – *I can still probably make it up that water tower.*
 339 – *You know,*
 340 – *finish what we started.*
 341 – *I would, but I don't know if I can.*
 342 – *I mean, something happened to me up there, too.*
 343 – *Oh, I know. Vertigo, right? Fear of heights.*
 344 – *No, Eric. Fear of sex!*

3.5 Episode 05: Roller Disco

1 - Oh, don't put Batman in the clam of death, Riddler.
 2 - That's just gonna make him mad.
 3 - God, you're stupid.
 4 - Fez, for the last time, the Riddler can't hear you.
 5 - Riddle me this, Riddler.
 6 - When Batman escapes from the clam of death,
 7 - who will kick your riddle-telling ass in?
 8 - Hey, Fez. Riddle me this.
 9 - Unh!
 10 - Then riddle me this.
 11 - Oh, but, Fez, only if you riddle me this.

12 - Ow!
13 - Riddle me this, you son of a bitch.
14 - - Oh, my God! Guess what! - Stop, Fez.
15 - This could be important.
16 - You guys, the Roller Disco Doo-dah is coming to Kenosha next Friday.
17 - Oh, my God! Guess what!
18 - See, now, that's the kind of thing
19 - the judges really frown upon during competition, Steven.
20 - - Excuse me? - We're gonna be partners.
21 - Skating partners.
22 - Hey, how about instead you hit me in the face with a wrench and I black out?
23 - Steven,
24 - this is not just a last chance at roller disco.
25 - It's a last chance at love.
26 - Our love.
27 - Now, will you or will you not skate with me?
28 - I would, Jackie.
29 - But seeing you there in your cute little skating outfit, with all your
30 - tassels and sequins, I might be tempted to
31 - push you down a flight of stairs.
32 - All right.
33 - Jackie, what do you say, you and me, roller disco?
34 - I mean, we used to have some good moves, you know,
35 - like, when we did it. So...
36 - It would be like that, except for with lights and skates.
37 - Okay. Um, first of all, you make me sick.
38 - Okay. Second, you're lame and you make me sick.
39 - Third, you make me sick
40 - and any one of these guys would be a better partner than you, even Fez.
41 - Really? Then I am in.
42 - No, I didn't really mean it, Fez.
43 - Oh, then I am out.
44 - Damn it. Let me in.
45 - Hanging out
46 - Down the street
47 - The same old thing
48 - We did last week
49 - Not a thing to do
50 - But talk to you
51 - We're all all right
52 - We're all all right
53 - Hello, Wisconsin!
54 - So who will Jackie choose as her roller disco partner?
55 - Who, who, who?
56 - No freaking way.

57 - How very sad. No one to disco with.
 58 - Now, where did I leave my potato chips?
 59 - There they are.
 60 - Look at that.
 61 - I left my soda back on the other side of the room.
 62 - Refreshing.
 63 - God, my arm is sore.
 64 - - Wow, Fez. - Oh, come on, Jackie!
 65 - You're gonna pick him over me? All right, watch this.
 66 - Jackie, I'm just a roller disco machine.
 67 - I don't work for nobody but you.
 68 - Okay. Okay, fine, we'll be partners.
 69 - But hear me now. I want first prize.
 70 - If I lose and some stupid, spoiled rich girl wins, I'll scream.
 71 - I am really hurt!
 72 - - Hi, sweetie, how was work? - Oh, pretty good
 73 - except for the fact that Dad's getting sued for firing a Price Mart employee.
 74 - Okay. Well, good. Have a cupcake.
 75 - Mom, did you hear what I said?
 76 - Uh-huh.
 77 - And it's just so very unpleasant, I'm ignoring it.
 78 - So, have a cupcake.
 79 - Earl is suing Dad for wrongful termination.
 80 - Earl? He didn't do his job. He was always late.
 81 - He was a complete dumb-ass.
 82 - Person.
 83 - Mom, you said "ass."
 84 - Well, now so did you. Give me back the cupcake, foul mouth.
 85 - I can't even imagine the mood your father's in.
 86 - Actually, he doesn't know yet. I got the news after he left.
 87 - God, Dad is gonna freak. I don't know how we're gonna tell him.
 88 - - Tell me what? - That, uh...
 89 - Mom said the "ass" word.
 90 - Well, now, actually, um...
 91 - Red, um...
 92 - You know, Mom, I got this one.
 93 - Okay, everyone here who's not being sued by Earl
 94 - for wrongful termination raise their hand.
 95 - I don't get Jackie, man.
 96 - I mean, picking Fez over me? Me?
 97 - I have the three things that women want.
 98 - I'm hot and I'm smart.
 99 - That's two things, moron.
 100 - No, it's three. I count hot twice. I mean, come on.
 101 - Kelso, who cares? It's a stupid roller disco thing.
 102 - Yeah, I guess you're right. It's silly for me to be jealous.

103 - You're a good friend, Donna.
 104 - Yeah. 'Cause when you think about it,
 105 - I mean, what does Fez have going for him
 106 - except an incredibly sexy accent and an extremely hot body?
 107 - Okay. Now you're being a bad friend, Donna.
 108 - I mean, come to think of it, if Fez helps Jackie win a roller disco,
 109 - she might rip his clothes off
 110 - and have sex with him right there on the rink.
 111 - That's how hot he is.
 112 - Bad friend, Donna! Bad!
 113 - Oh, look at this guy's complaint.
 114 - "Red Forman was habitually ill-tempered."
 115 - Am I ill-tempered?
 116 - No, sir. You're like Mary Poppins.
 117 - Okay, honey. Well, it says here you have to go to the labor board.
 118 - You know what, Red Forman,
 119 - you have to go in there and defend yourself.
 120 - I'll defend myself.
 121 - I'll go in there, and I'll tell those morons
 122 - that they're wasting my time with this stupid crap!
 123 - Or you could control your temper.
 124 - No offense, Mom, but what's plan B?
 125 - Hey, shut it, pal.
 126 - Okay, now, see, that's the kind of thing that's gonna get you in trouble.
 127 - Now, when I get really angry, I just...
 128 - I laugh it off like this.
 129 - See?
 130 - Oh, jeez, Kitty, that'll never work. That's dumb.
 131 - Oh, my God. I think Jackie and Fez are next.
 132 - Look, there they are.
 133 - Hey, the next contestants are cheaters. The brown guy is a robot.
 134 - Now, ladies and gentlemen... DONNA: Robot? Shut up.
 135 - ...please welcome to the rink our last contestants of the evening,
 136 - from Point Place, Wisconsin, Jackie Burkhart
 137 - and, uh...
 138 - Jackie Burkhart's partner.
 139 - Boo!
 140 - This is so cool.
 141 - Oh, my God. They're amazing.
 142 - - Oh, did you see that? Fez just tripped. - No, he didn't.
 143 - The foreign guy tripped. That's a deduction right there.
 144 - - You're gonna lose! - Kelso, shut up.
 145 - That's it. They're doing too well.
 146 - - What the hell is that? - It's my secret weapon.
 147 - - A marble? - Yep.
 148 - I'm gonna chuck it out there so they trip.

149 - You moron, it's one marble.
 150 - - Give me that. Give me that! - No. No!
 151 - Workin' at the car wash, yeah
 152 - Come on and sing it with me
 153 - Car wash
 154 - Sing it with the feeling, now
 155 - Car wash, yeah
 156 - Come Sunday, the work gets kinda hard
 157 - And this ain't no place to be
 158 - If you planned on bein' a star
 159 - Let me tell you it's always cool
 160 - And the boss don't mind sometimes
 161 - If you act the fool
 162 - At the car wash
 163 - Whoa-oa-oa-oa
 164 - Talkin' about the car wash, yeah
 165 - Come on, y'all, and sing it for me
 166 - Car wash
 167 - Whoo hoo hoo
 168 - Car wash, yeah
 169 - Work and work
 170 - Well, those cars never seem to stop coming
 171 - Work and work
 172 - Keep those rags and machines humming
 173 - Boo!
 174 - Boo!
 175 - Boo!
 176 - Boo!
 177 - Boo!
 178 - Whoo!
 179 - Oh, no. They were good.
 180 - I swallowed my marble.
 181 - Boo!
 182 - - Oh, my God. You guys were so great. - I know. I know.
 183 - And even when I almost tripped,
 184 - my natural grace totally saved us.
 185 - Well, I saw plenty of mistakes out there, especially from Fez.
 186 - Shut your hole.
 187 - Here come the scores.
 188 - And the winner of Kenosha's Annual Roller Disco Doo-dah is
 189 - Jackie Burkhart and...
 190 - - Oh, my God! - ...friend.
 191 - Fixed! Fixed!
 192 - I can't believe it. I'm so sorry I doubted you.
 193 - You are my hero, my hunky, sexy, foreign skating hero.
 194 - And you are my spoiled, whiny, skating princess.

195 - Oh, Fez, thank you.
 196 - Yay! Champagne!
 197 - Yay! Yay!
 198 - Get off me!
 199 - - Kelso, you booed us the entire time. - What?
 200 - No, that was some rude guy.
 201 - So I popped him one, and then I was going...
 202 - Ooh!
 203 - Because I hurt my hand when I popped the rude guy. So...
 204 - You're welcome.
 205 - You wanna kiss it?
 206 - Let's go, Fez.
 207 - Hmm. Come on, Kelso. Look at the bright side.
 208 - What's the bright side?
 209 - The bright side is there isn't one.
 210 - Fez has Jackie, and you have to squeeze out that marble.
 211 - Now, Mr. Forman, at any point did you ever berate Earl Arthur
 212 - by calling him any of the following names,
 213 - candy ass, dumb ass, lazy ass...
 214 - It just goes on like that.
 215 - Well, that sounds like just good-natured ribbing to me.
 216 - Doesn't sound that way to me.
 217 - Ahem.
 218 - Are you calling me a liar?
 219 - 'Cause it's funny if you are.
 220 - Well, you know, Eric worked with him too.
 221 - Eric, tell him about Earl.
 222 - Actually, I'd be more interested
 223 - in hearing what Eric thinks about working with you.
 224 - - Eric? - No. No, no, no.
 225 - I'm here just to answer questions about Earl.
 226 - Old, dumb Earl.
 227 - So, you know, you fire away with the Earl questions.
 228 - I think we know all we need to know about Earl.
 229 - Oh, then good. I'll just step out then. Good.
 230 - - This was good. - No, no, no, no, no.
 231 - Eric, just a few more questions.
 232 - Is your father ever unnecessarily angry?
 233 - Unnecessarily angry.
 234 - Well, you know, what does "unnecessarily" mean
 235 - really? I mean, my sister likes to put salt on roast beef,
 236 - but I think it's unnecessary.
 237 - I mean, why cover up the flavor of such a delicious meat?
 238 - Just answer the question, dumb ass.
 239 - I mean...
 240 - Good work, son.

241 - Oh, my God. I love champagne.
242 - Yes. Was it any good?
243 - Great. Just great.
244 - Hey, Fez, I just made up a poem.
245 - Do you want to hear it?
246 - Okay.
247 - "There once was a guy named Fez
248 - "Who had a really cute butt!"
249 - Tah-dah!
250 - Well, I have to say I don't hate it.
251 - Hey.
252 - Psst.
253 - Fezzie.
254 - Do you want to know a secret?
255 - If you try to kiss me right now,
256 - I probably wouldn't stop you.
257 - In fact, I'd probably let you do more than that.
258 - Fez.
259 - Good God, man! Don't do it. She is drunk.
260 - But, Batman, she is so hot.
261 - But she's drunk. There is no honor in this.
262 - Screw honor. Take her pants off.
263 - Ai!
264 - Riddler, nefarious fiend. Don't do it, Fez. It's a trap.
265 - Riddle me this, Fez.
266 - Why would Jackie ask you to make out with her
267 - if she didn't want you to?
268 - Seriously, he makes an excellent point.
269 - It's the dastardly alcohol talking.
270 - If you and Jackie get together,
271 - you want it to be real, not like this.
272 - Honestly, I was rooting for you,
273 - but imaginary Batman makes a lot of sense.
274 - Then riddle me this, what does Batman knows about girls?
275 - Slides down a pole and lives with a teenage boy. Enough said.
276 - Okay, now I have to say advantage Riddler.
277 - What are you trying to say, Riddler?
278 - I think you know what I'm trying to say.
279 - Ooh-la-la.
280 - Oh, you want to go, Question Dork?
281 - Oh, bring it on, Bat-wuss.
282 - So are you gonna kiss me, Fez?
283 - - No, I am sorry, Jackie. - That's okay.
284 - You still have a very cute butt.
285 - Come on, Kelso.
286 - So Jackie likes Fez. Big deal.

287 - You're going out with Laurie.
288 - I know. It's just, you know,
289 - seeing her with another guy
290 - just made me remember all the good times we had together
291 - and it just made me sad.
292 - Yeah. Come here.
293 - You know, Kelso,
294 - I guess underneath it all you're kind of a good guy.
295 - Sometimes. Sort of.
296 - Things will work themselves out.
297 - Yeah, I know.
298 - What the hell are you doing?
299 - We can't fight these feelings anymore, Donna.
300 - - What? - What?
301 - We've been doing this dance all night.
302 - And, oh, God, I'm tired of dancing.
303 - You moron.
304 - Nobody likes a tease, Donna.
305 - I'm sorry. You're not a tease. Come back.
306 - Tease!
307 - I'm sorry. Donna.
308 - I guess "violent" is the wrong word.
309 - But, you know, it's definitely some kind of rage.
310 - Although, I mean, you know, Earl had it coming.
311 - I love you, Daddy.
312 - - Oh, hey. Sorry I'm late. - Yeah.
313 - Hour and 10 minutes late. I can only assume you're Earl.
314 - Yeah.
315 - So, um, sorry. My, uh, dog got hit by, uh...
316 - A guy in a...
317 - - Car? - Thanks, Red.
318 - - So, what'd I miss? - You missed everything.
319 - Yeah, okay. I'm not gonna lie.
320 - Mr. Forman, you scare the living hell out of me.
321 - - No offense. - None taken.
322 - That's kind of his thing.
323 - But, Earl, in light of your failure to show up for your own hearing,
324 - we have no choice but to rule in favor of Mr. Forman.
325 - - Yes, sir. - Way to go, Dad.
326 - Damn dog.
327 - And, Mr. Forman, even though this hearing did go your way today,
328 - in light of some of your son's responses,
329 - I would strongly encourage you to go to anger-management classes.
330 - Sure, I'll...
331 - I'll do that.
332 - Neat, anger management.

333 - That sounds like it could be kind of fun, right?
334 - We won. Hey!
335 - You and me, we're such a good team.
336 - We did it. How about us, huh?
337 - Sticking it to the man.
338 - I'll see you at home.
339 - Wait. But, Dad, we...
340 - We drove here together.
341 - And then she fell asleep and I stroke her hair.
342 - You did the right thing, Fez, but a word of advice.
343 - Next time you tell the story, you nailed her.
344 - Yeah, but, you know, it's better you didn't
345 - 'cause scamming on another guy's woman,
346 - that's totally breaking the code.
347 - Donna told me what you did, you dill-hole.
348 - No, she's lying.
349 - That's my nipple.
350 - Hello, buttercup.
351 - - Fez, you're drunk. - Madam, I may be drunk,
352 - - but you should have sex with me. - That's crazy.
353 - But you have to, because last night I made a big mistake.
354 - I don't even remember last night.
355 - Ai.

3.6 Episode 06: Eric's Panties

1 - Kelso, what's with the gym shorts?
2 - Oh.
3 - Something happened. I had to take my pants off.
4 - Do you shave your legs?
5 - No. They're just naturally smooth.
6 - Shut up!
7 - Not to worry, Kelso. The Puberty Bunny will visit you soon.
8 - So, lab partner,
9 - I guess you and I are gonna be spending a lot of time together now, huh?
10 - Yeah, Shelly. And good thing, too,
11 - 'cause, you know, I just shouldn't be alone around a Bunsen burner.
12 - That is so funny!
13 - Let me go tell my friends you're driving me home.
14 - Looks like Shelly has a thing for Forman.
15 - Yes, and Forman has a thing for Shelly.
16 - And it's in his pants.
17 - Oh, good one, Fez.
18 - Watch. Shelly's gonna invite you over
19 - to her house when her folks aren't home.
20 - That's what slutty girls do.

21 - So, Eric, my parents aren't home.
22 - Let's go to my house.
23 - Don't you have a girlfriend?
24 - Yeah. That's what's great about it.
25 - See, maybe Donna will get jealous,
26 - and her and Shelly will wrestle over you.
27 - Kelso, that's the stupidest thing I've ever heard.
28 - Oh, yeah? Think about it.
29 - He's mine!
30 - No, he's mine!
31 - I had him first!
32 - You're going down!
33 - Kelso, that's the smartest thing I've ever heard.
34 - Hanging out
35 - Down the street
36 - The same old thing
37 - We did last week
38 - Not a thing to do
39 - But talk to you
40 - We're all all right
41 - We're all all right
42 - Hello, Wisconsin!
43 - Are you sure you don't want to study at my house?
44 - I mean, it's just sitting there all empty.
45 - No, come on, this place was made...
46 - This place was made for studying!
47 - Well, okay.
48 - Hey, Eric.
49 - Hey, Shelly, look. It's my girlfriend, Donna. Hi, girlfriend Donna.
50 - Hi, Donna.
51 - You know, Eric, we'll do this later, when we can be alone.
52 - To study. We were just studying.
53 - Eric, you gotta hear this.
54 - We were just studying! Donna, that's all.
55 - Eric, I'm telling a story here.
56 - Kelso was running through the cafeteria
57 - and there were these mashed potatoes on the floor, and...
58 - She's just my lab partner, so mellow out! God!
59 - Uh-huh. So Kelso slips on the potatoes,
60 - slides into a pole with his legs spread, totally racks himself
61 - and everybody starts throwing their carrots and their cheese at him
62 - chanting, "Tater nuts! Tater nuts!"
63 - It was awesome!
64 - So, wait.
65 - Even though I'm spending time with Shelly, you're not jealous?
66 - I'm sorry, but you and Shelly?

67 - What does that mean?
68 - It means that she can have anyone.
69 - And what does that mean?
70 - - You're sweet. - Get off of me!
71 - Well, there's the little patient.
72 - So how'd it go at the doctor's?
73 - Well, let me put it this way.
74 - If a horse is in good shape, they say it's healthy as me.
75 - Uh-huh.
76 - And did they say something about
77 - your pants being on fire, liar, liar?
78 - No.
79 - I just got off the phone with Dr. Leggett.
80 - He said your blood pressure is through the roof.
81 - Well, Kitty, who are you gonna believe?
82 - Some quack doctor
83 - or the man who stood by you while you delivered our children?
84 - Oh, you did not. You went out for a sub.
85 - Red, from now on, I am gonna make sure you eat right.
86 - No meat, no cheese and no beer.
87 - No beer? You...
88 - Ohh! Oh.
89 - That's it, Kitty! You've killed me.
90 - I see the light.
91 - What's that, Lord? It's okay to eat meat and beer and cheese?
92 - Okay, I'll tell her.
93 - What that's, Lord?
94 - Dry toast and oatmeal. Will do.
95 - Man, Donna saw Shelly practically living in my lap.
96 - How could she not be jealous?
97 - I'm hot.
98 - It's because you are decent, good-hearted and pure.
99 - You know, a sissy.
100 - Forman, I think what we need here is some input from Tater Nuts.
101 - Tater Nuts, what do you think, Tater Nuts?
102 - Eric, this...
103 - Hey! Stop calling me Tater Nuts!
104 - If Donna's not jealous, I mean, it means,
105 - basically, you're in the free and clear.
106 - She's giving you the okay to cheat. You gotta cheat.
107 - Tater Nuts makes sense.
108 - Quit it!
109 - I mean, I could be with Shelly right now if I wanted to.
110 - So why shouldn't I?
111 - Because then you would have two women when some people have none!
112 - Forget it, Forman. You're not a cheater.

113 - You know, a wise man once said, "Know thyself."
114 - That man's name was Tater Nuts.
115 - I gotta be honest with you guys. Okay, I...
116 - I do shave my legs.
117 - I just like the way it feels.
118 - No! Come on, now!
119 - Hey, Donna. Look, we're not gonna be able to hang out tonight.
120 - I gotta go to the library with Shelly.
121 - Okay, that's cool. We can just hang out tomorrow night.
122 - No. Yeah, no.
123 - See, yeah, I'm gonna have my hands full
124 - with this project that's due in a few days,
125 - so I'll be off alone with Shelly.
126 - She doesn't wear a bra, you know.
127 - Yeah, whatever. Bye.
128 - Uh-oh.
129 - Farmhand got a hold of the rich lady.
130 - Oh. Hi, kids.
131 - Your dad's not really a farmhand.
132 - Yeah. It's just a little intimacy game we're playing.
133 - - And it's fun! - Yeah.
134 - I'm sorry you had to see that.
135 - I'm sorry I had to see that.
136 - Yeah, well, you know, Shelly's waiting for me, so...
137 - Yeah, Eric, you said that.
138 - Okay, bye.
139 - He usually gives me a kiss goodbye.
140 - Yeah. To be honest, it kind of grosses me out.
141 - Wait, Jackie, should I be worried that
142 - he's spending so much time with Shelly?
143 - Okay, well, normally I'd say yeah,
144 - but Eric would never cheat on you.
145 - I mean, all guys cheat, but I never really thought of Eric as a guy.
146 - Yeah, he's more like a really masculine girl.
147 - Uh-huh.
148 - Yeah, kind of like you.
149 - Mmm, lookee, lookee, lookee!
150 - Ribs, corn bread and baked beans.
151 - Come to Papa!
152 - Ow!
153 - Papa been slapped.
154 - No, now, that food's for the kids.
155 - But here, I boiled you some skinless chicken.
156 - Ew! It's gray!
157 - Laurie!
158 - I mean, it's gray!

159 - Yay!
 160 - Look, he's already home.
 161 - I can't believe I was so suspicious.
 162 - He's such a good guy.
 163 - I'm gonna write him a note. A little "I love you."
 164 - You know, Michael once wrote me a sexy note.
 165 - Except he can't really spell,
 166 - so I didn't know what I was supposed to do to him.
 167 - Oh, my God!
 168 - Donna, you should not leave your panties in your boyfriend's car.
 169 - I didn't.
 170 - Oh.
 171 - Oh!
 172 - Oh.
 173 - - Is this your card? - No.
 174 - - Is this your card? - No.
 175 - - Is this your card? - No.
 176 - Ah, screw you.
 177 - Hey, Kelso.
 178 - I had a dream about you last night.
 179 - - Really? - Yeah.
 180 - We were doing stuff and it was all hot and sweaty
 181 - and I just kept calling your name over and over,
 182 - "Tater Nuts! Tater Nuts!"
 183 - Then what?
 184 - Hey, Laurie, I found something in Eric's car
 185 - that I think must probably be yours.
 186 - Is that...
 187 - Oh, good heavens, it is.
 188 - I'm in the presence of panties.
 189 - Donna, please. I don't wear pink panties.
 190 - Yeah. She'd have to wear panties to wear pink panties.
 191 - Hyde, did you have a girl in Eric's car?
 192 - No. Oh, but I did have some nachos in there.
 193 - And to mess with Forman,
 194 - I smeared cheese underneath the seat so it'd really stink.
 195 - - Did it stink in there? - Kind of.
 196 - All right!
 197 - Well, then, whose are they?
 198 - Hello? You have not asked me.
 199 - Could they not be Fez's panties?
 200 - I mean, is that so hard to imagine, Fez in a car with a woman?
 201 - Whose could they be?
 202 - All right, Donna, here. I'll figure this out.
 203 - I like to think of myself as the Columbo of panties.
 204 - Yeah. I'd say we're looking at a woman.

205 - Ages 16 to 38
 206 - with a five-figure income.
 207 - She lives within a four-mile radius of here
 208 - and is very popular with the gentlemen.
 209 - Sure she is. She'll have sex in a car that stinks like cheese.
 210 - So what you're saying is they could be Shelly's.
 211 - Come on. Forman wouldn't cheat on Donna.
 212 - Sure, he would. Shelly's a tramp.
 213 - No man can turn down a tramp.
 214 - Well, let's find out. Laurie, have you ever been turned down?
 215 - Nope.
 216 - Sorry, Donna.
 217 - Don't feel sorry for me.
 218 - Feel sorry for Eric, 'cause I'm gonna kill him!
 219 - Will somebody please open the door so I can kill Eric?
 220 - Hey there, Red.
 221 - Does Mrs. Forman know you're out here
 222 - clogging your arteries with a double cheese?
 223 - Yes.
 224 - So there would be no reason to tell her.
 225 - Sorry, Red. I don't think I could lie to Mrs. Forman.
 226 - 'Cause I really, really love her.
 227 - All right, you blackmailing S.O.B., what do you want?
 228 - Sure could use some fries.
 229 - Here. Now beat it.
 230 - You don't have to be rude.
 231 - What if this wasn't even the first time?
 232 - What if there have been other girls? Other panties?
 233 - Eric, where did these panties come from?
 234 - Gee, I don't know, but there's nothing in the dresser.
 235 - Nothing at all.
 236 - Okay, but at least my closet is pantie-free.
 237 - Donna, you have my word.
 238 - Okay, Donna, please, ignore the rope in the middle of the room.
 239 - And whatever you do, don't pull it.
 240 - Eric, how do you explain all this?
 241 - Panties! Glorious panties!
 242 - Bastard!
 243 - Hey, there, Donna. Where are you going?
 244 - To The Hub, to kick Eric's ass!
 245 - Yeah, well, kick it good.
 246 - Jackie, why is Donna gonna beat up Eric?
 247 - Donna found another woman's panties in the Vista Cruiser.
 248 - Oh, no.
 249 - I know, right? Eric's cheating on her.
 250 - Jackie, those panties were mine.

251 - You and Eric?
 252 - No! Me and...
 253 - Jeez, you're dumb.
 254 - Now, remember,
 255 - we can't have the protons and electrons right next to each other
 256 - because that would just be madness.
 257 - Madness, I say!
 258 - Eric Forman, you are just the funniest person I've ever met.
 259 - No, I wouldn't go as...
 260 - Yes. Yes, I am.
 261 - Doesn't your girlfriend mind you spending so much time with me?
 262 - Well, no. Apparently, she's thrilled about it.
 263 - Well, she's crazy.
 264 - 'Cause if I was your girlfriend,
 265 - I would want to kiss you all the time.
 266 - Really?
 267 - Whoa! Hey, come on, lady. I'm spoken for.
 268 - Wow!
 269 - Hey, did we miss anything?
 270 - What? God, no. You didn't miss anything.
 271 - All right, people! Let's back up! Give them some room here!
 272 - Hey, Donna, hi, hello.
 273 - Don't "Hey, Donna, hi, hello" me.
 274 - I trusted you, and you cheated on me with this slut!
 275 - - Uh, Donna, I don't... - Excuse me?
 276 - Yeah, I said it. You want some of this? Come on!
 277 - Donna, hey, whatever you think happened...
 278 - I know what happened. I found these in your car!
 279 - Panties?
 280 - Ah-ha. So he admits they are panties.
 281 - Hey, next time you fool around with someone else's boyfriend,
 282 - why don't you take your panties when you're done?
 283 - Those aren't mine. Mine are white, and cotton.
 284 - With a little pink rose in the front.
 285 - So these are some other girl's panties?
 286 - Whoa, whoa. No offense, Donna, but, dude, you're on fire!
 287 - You know what, Eric? I don't need this.
 288 - And by the way, your car smells like cheese.
 289 - Donna, look, you have to believe me.
 290 - I have no idea whose panties those are.
 291 - Donna, those panties are mine.
 292 - Eric!
 293 - Ohh!
 294 - Ohh!
 295 - You are a god!
 296 - A god, I say!

297 - Um, Mom,
298 - why were your panties in the Vista Cruiser?
299 - And please be as specific.
300 - Donna, when you've been together
301 - as long as your father and I have,
302 - you need to do creative things in creative places.
303 - - Ooh! - Ohh!
304 - That's...
305 - Psst.
306 - Daddy, here.
307 - Red, you eating again? I thought you'd be full after that burger.
308 - Burger?
309 - Yeah, the broccoli burger.
310 - Oh, you are lying!
311 - Come on, Kitty.
312 - This isn't food. This is what food eats.
313 - Well, but it's good for you.
314 - Well, if it's so good,
315 - how come I'm the only one that has to eat it?
316 - Good point.
317 - Hey, he's the food sneaker!
318 - Eat up.
319 - You wanna mess with me again?
320 - You just come on back.
321 - - Say it again. - I already said it.
322 - Come on, one more time.
323 - You're hot.
324 - Hot enough to get Shelly?
325 - Hot enough to get Shelly.
326 - Hot enough to get any girl I want?
327 - Hot enough to get Shelly.
328 - Yeah. That's just good stuff.
329 - You know, Eric, you don't have to rub it in.
330 - I know I made an ass out of myself.
331 - Well, you know what?
332 - That's what you get for taking me for granted.
333 - 'Cause, Donna, I may be skinny, but...
334 - Yeah, I'm Mick Jagger skinny. That's very in right now.
335 - Yeah, it's very hot.
336 - Eric, I know you're hot, 'cause you're with me.
337 - Okay. So what have we learnt from all this?
338 - Always lock the doors in the Vista Cruiser.
339 - Right you are.
340 - Man, Bob and Midge must really hate me.
341 - 'Cause right after having sex in my car,
342 - I think they smeared cheese under the seat.

343 - That's just mean.
344 - There. Okay, I think it's safe for human occupancy again.
345 - Uh-oh.
346 - Looks like Bob left something in the car, too.
347 - Eric, you must sell this car.
348 - Or call a priest.

3.7 Episode 07: Baby Fever

1 - Hey. Check it out. I got my first story in the school paper.
2 - Neat. They spelled your name wrong.
3 - Apparently, you're "Donna Pincipotti."
4 - That's funny, 'cause it's got the "potty" sound in it.
5 - Hey, you know what else is a funny sound?
6 - Where the hell is Jackie with your van, man?
7 - - I want to get out of here. - She had to help her aunt move a couch.
8 - Why did you lend Jackie your van? She hates you, man.
9 - I'm trying to get on her good side, Fez.
10 - I mean, this is a small town with a limited number of women.
11 - I've already gone all the way through them once and now I'm back to Jackie.
12 - Oh, yeah, and I love her.
13 - - Hey. - Hey. So, how'd it go, baby?
14 - Oh, great. Here.
15 - - Cool. - Yeah.
16 - Except for when I crashed your van.
17 - But other than that, cool.
18 - How did this happen? Jackie, how?
19 - - Michael, like I said... - How?
20 - - Coming out of the drive... - How?
21 - Kelso. Come on, man. Relax.
22 - Let those of us who aren't you enjoy this moment.
23 - Besides, it's not all that bad. This door still works.
24 - Hey, Jackie. What happened to the other door?
25 - Other door?
26 - Yeah, you know, the thing that always got in the way of this giant, gaping hole.
27 - Jackie, what are these?
28 - Uh...
29 - Van sticks.
30 - No. Jackie, these are not van sticks.
31 - These are drumsticks.
32 - Whose drumsticks are they?
33 - Oh wow, Jackie, what's up?
34 - Okay. Fine. You know what? I used your van to drive Chip and his band to a gig.

35 - Jackie...
 36 - ...is Chip a girl?
 37 - Uh...
 38 - No.
 39 - You had other guys in my van?
 40 - You're dating a band?
 41 - It wasn't a date. It was a gig.
 42 - Whatever it was, it was a gross misuse of van.
 43 - And you owe me money, big time!
 44 - I owe you money?
 45 - What about all the stuff I bought you while we were together?
 46 - That does not count. You gave me those things so I would love you.
 47 - Hanging out
 48 - Down the street
 49 - The same old thing
 50 - We did last week
 51 - Not a thing to do
 52 - But talk to you
 53 - We're all, all right
 54 - We're all, all right
 55 - Hello, Wisconsin!
 56 - Look what I've got.
 57 - Ew! What's that?
 58 - That is Marissa.
 59 - Carol's baby.
 60 - And you promised me last night that you'd baby-sit her.
 61 - Last night? But I was drunk.
 62 - - Why can't you do it? - Because you promised.
 63 - And besides...
 64 - ...your father and I are having fondue and Parcheesi at the Pinciottis'.
 65 - Well...
 66 - ...then I'll do it.
 67 - No. Laurie can watch this baby tonight.
 68 - Golly, Laurie, a baby.
 69 - And just in time for your black mass.
 70 - Hey. What did I tell you about calling your sister the devil?
 71 - That it's offensive to the devil?
 72 - No, Laurie. You can't feed a baby bacon.
 73 - Okay, okay. What color is the baby?
 74 - Well, good. Now, if that changes, call me.
 75 - - Is everything okay? - Oh, yes.
 76 - We have just got the cutest little baby over at our house right now.
 77 - - Isn't she cute, Red? - Yeah, I just can't get over it.
 78 - Jeez, Bob.
 79 - You got your fingers in the cheese.
 80 - Remember how cute Laurie and Eric were when they were babies?

81 - They used to just laugh and play.
82 - Well, every time I was around, all they did was scream.
83 - I just think it would be nice to have a baby around the house again.
84 - Oh, damn it, Bob.
85 - Get your fingers out of the cheese.
86 - Ugh!
87 - Do you think it would still do this if I stopped feeding it?
88 - Laurie, let me do that.
89 - Wow. How'd you do that last move?
90 - It's all in the wrist.
91 - See?
92 - Hey, look at the wrist on my girl.
93 - Shut up.
94 - All right, let's go.
95 - Wait. Wait, no. Donna, wait. I think it really likes you.
96 - Ooh! I think it just said your name.
97 - Donna.
98 - Hey, you know, you were really good in there.
99 - Well, it's not exactly brain surgery.
100 - I know, but it was so cool. It's just...
101 - I think it's really, really cool that you can do that.
102 - Eric, you're, like, over the moon 'cause I changed a poopy diaper,
103 - but when I got my story in the school paper
104 - all you said was, "Yeah, they called you Donna Pincipotti."
105 - It's a funny sound. "Potty."
106 - Come on. Try not to laugh.
107 - That's good.
108 - Come on, Donna. About the diaper thing,
109 - I was just paying you a compliment.
110 - What was the compliment?
111 - That you are gonna be so great staying home with our kids.
112 - What?
113 - Eric, how exactly do you see our future?
114 - Okay. Okay. That could work.
115 - I would just like to adjust one little thing.
116 - Okay, the businesswoman idea is good.
117 - But what about this?
118 - Okay. Uh-huh. Yeah. I would just change one thing.
119 - That seems more hurtful than sexy.
120 - Jackass.
121 - So does that.
122 - You owe me money.
123 - Michael, your uncle gave you that van for free.
124 - Yeah? Well, I put a lot of money into that van.
125 - The shag carpeting...
126 - ...uh, eight-track...

127 - ...strobe light, black light, red light.
 128 - - I hate you. - Well, I hate you more.
 129 - - I hate you most. - Well, I hate you...
 130 - Damn it!
 131 - All right. All right.
 132 - Let's just act like adults and treat this like what it really is...
 133 - A divorce.
 134 - Jackie, you get custody of me.
 135 - All right. Let's just figure out what you guys owe each other.
 136 - Fine. I'm not afraid. I'm right, and he's a total moocher.
 137 - I'm not afraid, either. There are laws to protect a man and his van.
 138 - For instance, the Man-Van Act of 1847.
 139 - Right.
 140 - All right, all right.
 141 - Jackie, in your opinion...
 142 - ...what are the goods and services that Kelso owes you for?
 143 - Everything. He was a total doofus before I met him.
 144 - In fact, I bought you that belt, so hand it over.
 145 - - And the shirt, too. - Fine.
 146 - You know, this shirt has bad memories of you buying me stuff, anyway.
 147 - Here. Let me do the math.
 148 - Okay. Now, Kelso...
 149 - Kelso owes Jackie the price for breaking her beautiful heart
 150 - and stealing her innocence.
 151 - Now, Kelso, what do you believe Jackie owes you?
 152 - Well...
 153 - Uh...
 154 - One time, I told her that she looked pretty
 155 - when really, she looked pretty skanky.
 156 - And...
 157 - And...
 158 - - Hyde, help me out here. - Okay. Let me think.
 159 - Oh! Don't forget he burnt your house.
 160 - - Hyde! - Dude, you burnt her house.
 161 - Oh, and that clean baby smell.
 162 - Yes, but when we had babies
 163 - we couldn't go to the movies or out to dinner.
 164 - Oh Red, when was the last time we went to the movies or out to dinner?
 165 - Well, exactly. Who needs to leave the house when there are no babies in it?
 166 - I gotta thank my lucky stars I got the old snippety-snip.
 167 - Bob, you mean you just let some quack remove...
 168 - On, no. Nothing's removed.
 169 - Okay. That's enough of that.
 170 - Yeah, well, I guess it's okay if it means you don't have to have any more babies.

171 - Oh Red, it was fun having babies. Remember fun?
 172 - Yes, Kitty, but it was also a large responsibility.
 173 - Or burden, if you will.
 174 - Red Forman, I don't wanna hear another word out of you, unless it's "I love babies."
 175 - - Kitty, you're making a scene. - That is not "I love babies."
 176 - - Kitty, what's the matter with you? - Oh, well, I don't...
 177 - I don't wanna ruin our nice night out
 178 - because, boy, Midge, you can really melt a super pot of cheese
 179 - but, um, I think I want another baby.
 180 - Really? You liked my cheese?
 181 - This is Aqua Net, the same stuff Farrah uses.
 182 - And she's got a big TV show, and she's married to Lee Majors,
 183 - so, Aqua Net, very important.
 184 - Come on, Red.
 185 - Look how sweet this baby is. Just hold it.
 186 - Look, Kitty.
 187 - I didn't touch our kids when they were babies, and I'm not touching this one.
 188 - - Red Forman, you touch this baby. - Nope.
 189 - - Touch it. - Not happening.
 190 - Is this child wearing lip liner?
 191 - So, turns out my super-sensitive-guy
 192 - boyfriend wants me to be a baby machine.
 193 - Pfft. What a dillhole.
 194 - Donna, I'm sitting right here.
 195 - That's why I said it, you dillhole.
 196 - Donna, the only reason I thought you'd stay home with the babies
 197 - is because only every woman has done it for the entire history of time.
 198 - So don't be mad at me. Be mad at your foremothers.
 199 - Yeah.
 200 - That is so typical.
 201 - As if every woman wants to spend her life as a pampered housewife,
 202 - raising kids and organizing the help.
 203 - Wait. Isn't that what every woman wants?
 204 - Donna, man...
 205 - Forman's just limited by his experiences.
 206 - As the voice of a new generation of smart, independent women,
 207 - you need to make this dillhole realize that a mind and spirit like yours
 208 - has more options than your mothers had.
 209 - Yeah.
 210 - Sorry, what?
 211 - All right, Donna. So...
 212 - ...are we cool?
 213 - I'm not wrong. Women take care of babies.
 214 - - They do. - Listen to him, Marissa.

215 - He whines like a girl, but he's not a girl.
 216 - Or maybe he is.
 217 - The thing is, Donna's really good at it.
 218 - I mean, I could understand you not wanting to stay home with your children.
 219 - You already have such a fulfilling career as a whore.
 220 - Listen, twerp.
 221 - Did you ever think maybe it's not that she doesn't wanna have babies?
 222 - Maybe she just doesn't want to have your skinny, whiny,
 223 - girl-trapped-in-a-boy-body babies.
 224 - Okay, that's one for you.
 225 - I'm cold.
 226 - That must be why your nipples are so pointy.
 227 - Oh, Pointy Nipple Man is mad.
 228 - I hope he doesn't poke me with his pointy nipples.
 229 - All right. That was really disturbing.
 230 - Okay. Here we go.
 231 - According to my calculations, for repairs to the van,
 232 - Jackie, you owe Kelso 65.
 233 - *A - ha!*
 234 - *Justice!*
 235 - *Yeah.*
 236 - *And, Kelso, you owe Jackie 8,265.*
 237 - A-ha!
 238 - Pay up, moocher!
 239 - What? No! No! This is...
 240 - That's totally unfair!
 241 - Hyde, you suck.
 242 - You could have been a man and forgiven her, but, no,
 243 - you wanted to do the math.
 244 - Man, math has never been my friend.
 245 - Wait, no. But she had other guys in my van.
 246 - Michael, you had other girls in your van while we were dating.
 247 - So give me my 8,000.
 248 - *Okay. I change my mind.*
 249 - *I forgive you.*
 250 - *See, if we had a baby right now,*
 251 - *we could be giving it a bath,*
 252 - *we could be putting it in its warm little jammies.*
 253 - *Yeah. It's a shame that we have to crawl into bed*
 254 - *for eight hours of fun interrupted sleep instead.*
 255 - *Come on.*
 256 - *You don't really want another baby.*
 257 - *Well, I don't know.*
 258 - *I only have a few years left where I even have the option.*
 259 - *Well, just because you can have a baby doesn't mean you should.*

260 – *I have a snow blower, but I don't use it in July.*
 261 – *Red, it just...*
 262 – *It feels like maybe we've done everything important there is to do.*
 263 – *We saved up. We got our house. We had our kids.*
 264 – *Now what's left to look forward to?*
 265 – *Peace and quiet.*
 266 – *Well...*
 267 – *I just can't believe we're never gonna hear that sound in our house again.*
 268 – *Well, until we have grandchildren.*
 269 – *Grandchildren!*
 270 – *I forgot about grandchildren!*
 271 – *So did I.*
 272 – *Oh, boy.*
 273 – *I like the look of that. My baby with a baby.*
 274 – *It's not that hard.*
 275 – *I heard her crying, and I figured she needed a bottle,*
 276 – *and it turned out that she did.*
 277 – *So...*
 278 – *You think you might want a baby of your own?*
 279 – *Well, yeah. I mean, once my looks start to go, why not?*
 280 – *All right.*
 281 – *So how many kids are we talking here? One? Two? Six?*
 282 – *Whoa, Mum. Ease up, okay? I'm not even down to one boy friend yet.*
 283 – *But you will be soon, right?*
 284 – *Well, Zeke gets out of jail in three months.*
 285 – *Okay.*
 286 – *I'm gonna go talk to Eric.*
 287 – *Mum,*
 288 – *are you happy?*
 289 – *Sure. What's this about?*
 290 – *I don't know. It's like...*
 291 – *Eric said this stupid thing about men not working when we're remarried,*
 292 – *and I just want to do something more meaningful with my life*
 293 – *than have kids, you know?*
 294 – *— No offense. — No. No, that's okay.*
 295 – *It's not like I never wondered what my life could have been like*
 296 – *if I hadn't married your father. I mean, I...*
 297 – *Well, I could have been a doctor.*
 298 – *— Exactly. — Or a dancing girl.*
 299 – *Right.*
 300 – *Honey, don't worry so much about what Eric said.*
 301 – *You're probably not even gonna have to deal with this, anyway.*
 302 – *— How do you figure that? — Well, you and Eric are so young.*
 303 – *The chances are you're not gonna end up together, anyway.*
 304 – *All right, Donna, that's sit. We gotta figure this out.*
 305 – *Because this is just hanging over our heads,*

306 – *like one of those huge, awful hanging things.*
 307 – *Let's not worry about this any more.*
 308 – *Let's go for a drive, okay?*
 309 – *Okay.*
 310 – *I'm sorry. Do you want to say something else?*
 311 – *No. Just...*
 312 – *I love you.*
 313 – *Oh.*
 314 – *– Enough to strip for me? – All right.*
 315 – *No. I mean, I love you, too. I'd strip for you.*
 316 – *Laurie, her mother is waiting.*
 317 – *I don't care. I love her, and I'm not giving her back!*
 318 – *What are you doing with that?*
 319 – *Give me back the baby, missy, or, so help me, the dryer goes down.*
 320 – *– You wouldn't. – I would.*
 321 – *Fine. Fine, take her.*
 322 – *Shh, baby, you're okay now.*

3.8 Episode 08: Jackie Bags Hyde

1 - Happy Veterans Day.
 2 - Now, where have you hidden the chocolate eggs?
 3 - Uh, they're everywhere, Fez, start looking.
 4 - So, Steven, isn't Veterans Day romantic?
 5 - Oh, yeah.
 6 - Government pawns and missing limbs...
 7 - That's amore.
 8 - I know. I know. It's a day for people in love
 9 - to have fun together.
 10 - You know what? All this talk about having fun
 11 - makes me want to have fun.
 12 - Hey, let's throw stuff at other stuff.
 13 - Man, that's perfect. I've got stuff.
 14 - I'm in. Let's do it.
 15 - So, Steven...
 16 - Would you like to go to Mr. Forman's barbecue with me?
 17 - No.
 18 - As a matter of fact,
 19 - I don't wanna go anywhere with you.
 20 - No, that's okay. You know what?
 21 - We can stay in.
 22 - No, Jackie. Look, I told you again and again,
 23 - I have no interest in you and you don't have a chance.
 24 - And yet you keep thinking that I have interest in you
 25 - and you have a chance.
 26 - Wait. Did you just say that you are interested in me

27 - and that I have a chance?
 28 - Okay, you know what, you forced me to do this.
 29 - I'm gonna explain my feelings to you
 30 - through a highly disciplined form of Japanese poetry,
 31 - haiku.
 32 - My heart aches with pain.
 33 - When I see you, I vomit.
 34 - Die away from me.
 35 - Ouch.
 36 - Sayonara.
 37 - Donna, never have 17 syllables hurt me so much.
 38 - Why would he want to hurt me like that?
 39 - Because you're stalking him, Jackie.
 40 - No. Really, Donna?
 41 - Jackie, really.
 42 - You are to Hyde what Fez is to you.
 43 - That's ridiculous. Fez and I will never happen.
 44 - Oh, God.
 45 - Steven and I will never happen.
 46 - Jackie, it's all right.
 47 - You just gotta get over this. Be strong.
 48 - You're right, Donna. You're right.
 49 - I wish my daddy could buy him for me.
 50 - Yeah, I know. I know.
 51 - Does this smell like chocolate to you?
 52 - Hanging out
 53 - Down the street
 54 - The same old thing
 55 - We did last week
 56 - Not a thing to do
 57 - But talk to you
 58 - We're all, all right
 59 - We're all, all right
 60 - Hello, Wisconsin!
 61 - Hey, look. I'm Paul Stanley from KISS.
 62 - Kelso, don't play with the cheese.
 63 - These damn kids, they don't respect anything American.
 64 - Oh, Red, this isn't about the kids
 65 - misusing dairy products.
 66 - You're still upset that Bob marched
 67 - in the Veterans Day parade.
 68 - Well, he was only in the National Guard.
 69 - It's called Veterans Day,
 70 - not Pansy Ass National Guard Wussy Pansy-Ass day.
 71 - Oh, come on, Red,
 72 - are any dirty commies less dead because of him?

73 - No, I guess not.
74 - You're right, Kitty.
75 - You know, I'm gonna put away this uniform,
76 - and then we'll fire up that grill.
77 - Hey, Red. Some parade, huh?
78 - Yeah, sure was, till the National Guard got there.
79 - Look, I just came over to invite you to my barbecue.
80 - Your barbecue?
81 - Bob, I have an annual barbecue
82 - every Veterans Day. It's my day because I'm a veteran.
83 - Well, I'm a veteran, too.
84 - And I'm having a barbecue, and you can't stop me.
85 - Hey, Mr. Pinciotti, I didn't know you were in the Boy Scouts.
86 - Hey, everybody. This is Chip.
87 - He's been after me for a while now,
88 - so I just said, "What the hell?"
89 - Chip, it's everybody.
90 - Hey, everybody.
91 - Jackie, I'll get you something to drink.
92 - Whatever.
93 - So you're with this Chip guy now?
94 - Yep.
95 - Huh.
96 - Why? Do you care?
97 - No, I mean, if you want to date this guy, that's cool.
98 - It is?
99 - And then Steven said, "That's cool."
100 - But not like, "Cool." More like he's jealous.
101 - Jackie, or he just thinks it's cool.
102 - Donna, it is so romantic.
103 - Just like West Side Story.
104 - Yeah, but without the dancing and the Puerto Ricans.
105 - Wait. Is Fez Puerto Rican?
106 - You know what? I don't know.
107 - Huh.
108 - This will show Red. We're gonna have the best barbecue ever.
109 - If there's one thing you learn in the National Guard,
110 - it's how to cook.
111 - Oh, I'm gonna defrost some chicken.
112 - Mum, the Formans have a barbecue every Veterans Day.
113 - I mean, why are we having one?
114 - Honey, this isn't about a barbecue,
115 - this is about your father going bankrupt.
116 - Now help me with these chairs.
117 - What? What are you talking about?
118 - We need the chairs for people to sit on.

119 - No, Mom. About Dad being bankrupt.
 120 - Your dad's appliance store's going out of business,
 121 - 'cause he can't compete with Price Mart,
 122 - so he decided to throw a big barbecue.
 123 - Okay, I'm still not getting this.
 124 - Oh. Your dad wants to be big shot one last time
 125 - before everybody discovers what a failure he is.
 126 - Oh, my God.
 127 - And please don't tell anybody.
 128 - He's very sensitive about being a failure.
 129 - Here you go. Enjoy your burger.
 130 - And thank you for choosing the Formans
 131 - for your Veterans Day celebration needs.
 132 - Kitty, why is everybody over at Bob's?
 133 - They've got chicken.
 134 - Chicken?
 135 - Well, isn't that a surprise?
 136 - A National Guardsman serving up chicken.
 137 - Well, he's not gonna get away with this.
 138 - Eric, chop up some onions and mix it in with the meat.
 139 - Why can't we just put the onions on top of the burger?
 140 - Eric, do you want to win this thing, or don't you?
 141 - Okay, not-crazy Dad.
 142 - Eric, can I talk to you?
 143 - Uh, not really, Donna. I got to bust hump.
 144 - My dad wants to crush your dad's barbecue.
 145 - What? Why?
 146 - Well, apparently, my dad believes that
 147 - if your dad's barbecue is better than his,
 148 - America will fall to the Russkies.
 149 - Did you ever stop to think that
 150 - maybe my dad's barbecue is really important to him?
 151 - Uh...
 152 - No, because it's just a stupid barbecue.
 153 - It's not stupid.
 154 - I'm so sick of your dad. He's such a jerk.
 155 - Whoa. My dad's a jerk?
 156 - Well, Donna, your dad's a jerk,
 157 - and he's just copying my dad.
 158 - And your dad didn't even fight in the war.
 159 - You're just a National Guard kid.
 160 - Yeah, I said it. What? What?
 161 - Oh, yeah? Well, you and Red are going down.
 162 - And you know what else? I was wrong, Eric.
 163 - Red's not a jerk. He's an ass, and you're an ass,
 164 - 'cause the ass doesn't fall far from the ass tree.

165 - "What'd I say? What, what?"
 166 - Man, I can't believe Jackie chose that guy over me.
 167 - Or me for that matter.
 168 - Yeah, that's true 'cause you're a good-looking guy.
 169 - Back at you, Kelso.
 170 - Your eyelashes, they go for, like, miles.
 171 - I've heard that.
 172 - Yeah. I'm what's known as, "Man-pretty."
 173 - Bad news, Dad. The Pinciottis have these.
 174 - Red, white and blue napkins?
 175 - That clever SOB.
 176 - And I cheaped out and went for the plain white.
 177 - So, what, now we surrender?
 178 - Surrender?
 179 - You know, if this were an actual war,
 180 - you'd be the first in a body bag.
 181 - Yes, sir. I'm gonna go refill the ketchups.
 182 - Schlitz.
 183 - Hey, Jackie. Who's that hot guy you brought with you?
 184 - Back off! I need him for right now,
 185 - but you can have him when I'm done, as usual.
 186 - Wait a second, Jackie.
 187 - Are you working an angle here? Nice.
 188 - No, there's no angle.
 189 - I just want to see if I can make Steven jealous.
 190 - So you're gonna sleep with him a couple of times
 191 - and see what happens.
 192 - Yeah, I've been down that road.
 193 - No!
 194 - Oh, you're such a child. Send him to my room when you're done.
 195 - So, you and Jackie, huh?
 196 - Yeah, isn't she something?
 197 - Sure.
 198 - Sometimes, though, I kind of hate it when she talks.
 199 - I hear you.
 200 - And she's always talking.
 201 - But I figure it's worth it if I can nail her.
 202 - Huh.
 203 - Yeah, you should probably think about that, man.
 204 - You know, I mean, Jackie's kind of young.
 205 - She only had, like, one boyfriend, so...
 206 - Hey, that's not a big surprise.
 207 - You know, she's a bitch.
 208 - Oh, no.
 209 - Steven, what happened?
 210 - What? Nothing.

211 - Just somebody... And then the guy said, "Bitch,"
212 - and there's nothing.
213 - Oh, my God. He called me a bitch and you hit him.
214 - And that's what happened, isn't it?
215 - No.
216 - Liar. I am the bitch, and you love me.
217 - Stop staring at me.
218 - Quit it. I'm not this guy.
219 - Oh, God.
220 - Oh, Steven, I saw what happened. Is your girlfriend okay?
221 - My girlfriend?
222 - Yeah, the bossy, little, mean one
223 - you're always hanging around with.
224 - Oh, uh, Jackie.
225 - She's not my girlfriend.
226 - Are you sure?
227 - Yes, I'm sure.
228 - I don't like her. She's shallow and rich and mean and bossy.
229 - She's everything that I hate.
230 - But, Steven, you hate everything.
231 - What's that supposed to mean?
232 - Well, it means that maybe you like her,
233 - 'cause I kind of think you do.
234 - No. How could I like her?
235 - Because I don't like her. Because I can't like her.
236 - Mrs. Forman, if I like her, shoot me.
237 - Pow.
238 - Jackie, get your car. We're going on a freaking date.
239 - Oh, my God. It's a Veterans Day miracle.
240 - Red, white, and blue cheeseburgers. Eric, you're a genius.
241 - Voila.
242 - Sparkler dogs. God bless America.
243 - Freshly squeezed.
244 - That's fresh.
245 - Ah. Beer in the bottle. That's class.
246 - The keg is tapped.
247 - Bend over and kiss it good-bye, Bob.
248 - Here comes the big one.
249 - A keg? Oh, great.
250 - Red's gone nuclear.
251 - This barbecue is over.
252 - Dad, that's it?
253 - You're just gonna give up?
254 - We had sparkler dogs. We could win this thing.
255 - No. Donna, thanks, but it's over.
256 - I just wanted one big blowout.

257 - One last hurrah, you know?
258 - Oh, why didn't I rent the one-man band?
259 - This is the best date ever.
260 - Jackie, we haven't talked in 30 minutes.
261 - That's okay. Steven, you don't have to say anything.
262 - I understand you.
263 - Oh, you do, do you?
264 - Sure.
265 - Okay, so you're probably sitting there thinking,
266 - "I'm on this date with this girl
267 - "who really, really likes me.
268 - "And she's so beautiful that..."
269 - Jackie. Hush.
270 - And you're wondering,
271 - "How can I open up to her
272 - "when everyone I have ever loved have abandoned me?
273 - "Am I even worthy of love?"
274 - Well, you are, Steven.
275 - You are.
276 - It's okay, Steven. It's okay.
277 - You know what? Let it out.
278 - Let it all out.
279 - Okay. It's okay.
280 - Let's go home.
281 - Oh, come on. I'm kidding.
282 - No, this is, this is all right.
283 - We can hang out here for a while, okay?
284 - God.
285 - Here, have some of my pop.
286 - Sure.
287 - Okay.
288 - Well, we've gone through three batches of ambrosia salad.
289 - Three batches!
290 - Not since D-day has there been such a complete and glorious victory.
291 - Oh. Hi, Donna.
292 - Well, I hope you're all happy,
293 - 'cause you ruined my dad's barbecue.
294 - All he wanted was one more good day
295 - before everybody found out
296 - that his store was closing, and he's going bankrupt.
297 - Wait. What? Yeah.
298 - Bargain Bob's is closing this week, so congratulations.
299 - Oh, my God. I feel so bad.
300 - Well, you should. You ruined his barbecue.
301 - Why would you do that?
302 - What? Me? You were...

303 - Eric, for God's sakes, the man is almost a veteran.
304 - Okay, fine. You know what? Fine. It's all my fault.
305 - But, Dad, you... You got to make everyone here
306 - go next door.
307 - Eric, you're right. We have got to go over there.
308 - They are our neighbors. They are our best friends.
309 - Yeah, I suppose.
310 - All right, freeloaders. Let's move it on over to Bob's.
311 - Eric, grab that keg.
312 - Okay, I'm on it.
313 - Hey, what's everybody doing here?
314 - Congratulations, Bob, you really out-barbecued me.
315 - I got to say. You're one hell of a guy.
316 - Oh, Bob.
317 - We just love you so much.
318 - Midge, you told.
319 - Look, Bob. I just want you to know that
320 - you've been a real good neighbor and a real good friend.
321 - And if you ever need it, I'm here for you.
322 - Thanks, Red.
323 - Oh, but, I can't help you if you cry, Bob.
324 - Don't cry.
325 - These are tears of joy, Red.
326 - Yeah, that's bad, too, Bob.
327 - Move!
328 - Come on.
329 - Hey.
330 - Oh, hey. What's up? Hi.
331 - Look, I'm sorry.
332 - Everyone came by, and I know you did that, so...
333 - Thanks.
334 - No, Donna. I'm sorry.
335 - Look, you know that I wouldn't have acted like such a jerk
336 - if I knew something so terrible was happening to your dad.
337 - No, I know, I know. It's okay.
338 - My folks didn't want me to say anything so...
339 - Yeah. No, I mean...
340 - Yeah. Yeah.
341 - Are you okay?
342 - Yeah, and no.
343 - I don't know.
344 - So,
345 - our first date's almost over.
346 - Yeah.
347 - What'd you think?
348 - It was no worse than bowling.

349 - I don't hate bowling.
350 - Huh.
351 - Okay. I didn't feel anything.
352 - Nothing?
353 - No, I mean, the kiss was hot, but...
354 - Well, did you feel something?
355 - Uh...
356 - No.
357 - Well...
358 - No.
359 - So I guess that's it, then.
360 - Turns out you were right about us all along.
361 - Yeah.
362 - So what happens now?
363 - I'm not opposed to doing it.
364 - Take me home, you pig.
365 - Yes, dear.
366 - Fez? Hmm.
367 - I don't feel so good.
368 - Me neither.
369 - You see a horse?
370 - Yes, I do.
371 - Is it pink?
372 - Uh-huh.
373 - This was the best barbecue ever.

3.9 Episode 09: Hyde's Christmas Rager

1 - All right, Hyde.
2 - Your dad's apartment is the perfect place for a party.
3 - It's already trashed.
4 - Even if half the people we invited show up, this party's gonna rock.
5 - Did you find the cups? - Nope.
6 - Even better, a plastic tube and a funnel.
7 - All this and a dirty funnel? Merry Christmas to me.
8 - Yeah, we don't even have to worry about germs,
9 - because even though our spit backs up in the tube,
10 - the alcohol kills them.
11 - We're leaving. - So leaving.
12 - Wait, you're leaving?
13 - Yeah, see, when I was a little girl, I made a promise to myself.
14 - "Self," I said,
15 - "if you're ever about to suck beer out of a funnel that might give you mono,
don't."
16 - So, bye-bye.
17 - All right, Kelso, I'm gonna nix the funnel on account of I think it repels

women.

18 - Hey, any woman who doesn't appreciate a nice funnel isn't much of a woman.

19 - - Hey, guys. - Hey.

20 - What's with the keg?

21 - Throwing a little party. You know, 'tis the season to get sloppy.

22 - - Well... - You're cool with this, right?

23 - Sure, yeah. Cool dad, that's me. Totally cool dad.

24 - Hey, listen. Have a merry, uh,

25 - keg party.

26 - Mr. Hyde, you're the best.

27 - Yeah, you're the best.

28 - Will you be my daddy?

29 - I'm not kidding.

30 - Seriously.

31 - - Hey, Fez, can you grab this for me? - Sure.

32 - You know, Kelso, four times is not funny.

33 - Um, yes, it is.

34 - - Guess who? - Eric, it's your mum!

35 - I'm not...

36 - Deck the halls with boughs of holly

37 - Fa la la la la

38 - Oh, you're caroling. That is so odd.

39 - Well, happy holidays.

40 - Look what I brought. Mistletoe!

41 - Uh-oh.

42 - Uh-oh.

43 - Uh-oh.

44 - Fa la la la la

45 - Now, Steven, I brought some beautiful Christmas ornaments to hang on your

46 - antenna.

47 - Mrs. Forman, you're not checking up on me, are you?

48 - No, no. I'm just spreading a little holiday cheer.

49 - Dusty.

50 - Oh, and this blanket, it needs a nice Christmas washing.

51 - No, no, no, no, no! That's Bud's Christmas stool.

52 - Very sentimental. If anybody touches it, he just goes nuts, so...

53 - Huh.

54 - - Well, I don't quite believe you, but okay. - Okay.

55 - So Bud left you boys here unsupervised?

56 - Oh.

57 - Salami in the couch.

58 - Now, that's sanitary.

59 - Okay, okay, then...

60 - Why don't you boys hang up those angels?

61 - And, Eric, come in here
 62 - and help me with the traditional holiday floor wax.
 63 - Mum, seriously, we're okay.
 64 - Okay? You can go, really.
 65 - Oh, good. Fez is making ice.
 66 - Hanging out
 67 - Down the street
 68 - The same old thing
 69 - We did last week
 70 - Not a thing to do
 71 - But talk to you
 72 - We're all, all right
 73 - We're all, all right
 74 - Hello, Wisconsin!
 75 - Listen to this.
 76 - "Corner him under the mistletoe. Eight ways to trick a guy into a relationship."
 77 - I love the holidays.
 78 - Yeah, hanging your stocking, putting cookies out for Santa,
 79 - setting a mantrap.
 80 - Mmm, Christmas.
 81 - You know, Donna, this'll be the first year I celebrate Christmas without a boyfriend.
 82 - And Jesus wept.
 83 - So here's my new plan for the year.
 84 - Buy some really cute tops, fly to Hollywood, and marry Lee Majors.
 85 - Make fun of that, I dare you.
 86 - Jackie, there are so many ways to make fun of that
 87 - I don't even know where to start.
 88 - It's like choosing your favorite jellybean.
 89 - Donna, be nice to me. I'm lonely.
 90 - I mean, okay, if there were mistletoe over me right now who would kiss me?
 91 - No one, that's who.
 92 - Being alone isn't that bad.
 93 - It's a great opportunity to get to know yourself
 94 - and be comfortable with who you are.
 95 - Donna, I already love myself. I just wanna French someone.
 96 - I miss my funnel.
 97 - - Eric, drink. - Okay.
 98 - If I was Tattoo, and I lived on Fantasy Island,
 99 - my fantasy would be to not be a midget. Am I right?
 100 - Eenie, meenie, miney, Forman.
 101 - You know, Hyde, at first I thought your dad was a real dirt bag.
 102 - But I've come to realize that there's a fine line between dirt bag
 103 - and Father of the Year!
 104 - Damn.

105 - Fellows, I have to be honest.
 106 - I've never played quarters before, so I probably stink.
 107 - Oh. Happy day. Eric.
 108 - Man, this is the worst game in the world.
 109 - I'm so thirsty.
 110 - Damn it! Eric, drink!
 111 - I mean, he lives on Fantasy Island, man, and he's a midget!
 112 - It's so obvious.
 113 - Hmm.
 114 - Forman.
 115 - Does anyone else feel kind of woozy?
 116 - Oh, what the hell, man?
 117 - If I make this shot, I promise I will not pick you, Eric.
 118 - I pick you, Eric.
 119 - It's fun to lie.
 120 - Donna, that's Fireman Rob and Fireman Dean. They're firemen!
 121 - Jackie, they're like 40.
 122 - Whatever. They're firemen!
 123 - Two hot firemen in a bar. This is just like that play I wrote.
 124 - Okay, give me five minutes.
 125 - I'll pick the one I want, and you can have the other.
 126 - Hello! I'm dating someone, Eric.
 127 - Donna, Dean can bench-press a keg.
 128 - Eric can't even bench-press a cup.
 129 - He can, too.
 130 - Rob, Dean, this is Donna.
 131 - So what do you girls do?
 132 - That's funny you should ask. We go to high school!
 133 - Any outside interests? - Uh-huh. High school guys!
 134 - Kelso, it's fine. I'm not that drunk.
 135 - I just...
 136 - I just can't walk or see.
 137 - Man, that was... That was a great party!
 138 - You know who doesn't like parties?
 139 - Red.
 140 - "I'm Red!
 141 - "I don't like parties
 142 - "because I'm a big, bald party pooper!"
 143 - Uh-oh.
 144 - Uh-oh.
 145 - Son of a bitch!
 146 - Eric, when did you eat spaghetti?
 147 - I knew something was going on at Bud's.
 148 - When I went over there, the only thing in the fridge, olives.
 149 - And poor Fez had ice in his pants.
 150 - My head hurts.

151 - That's your brain trying to comprehend its own stupidity.
 152 - I mean, what kind of parent leaves a bunch of teenagers alone with a keg?
 153 - A fun one?
 154 - Hey, Jim Beam, can it.
 155 - - Red, you need to have a talk with Bud. - No.
 156 - Eric's home now.
 157 - And what goes on between Bud and Steven is between Bud and Steven.
 158 - He's just not a good dad.
 159 - Well, you know what?
 160 - I agree. So, I think we should get in the car,
 161 - pick up Steven, and move him back in with us and feed him
 162 - and clothe him and love him.
 163 - No.
 164 - I'm not loving anybody that I'm not legally required to.
 165 - Fine, I'll call Bud.
 166 - - And, Eric, I'll deal with you later. - Thank you.
 167 - Mummy, I don't feel so good.
 168 - Well, if you're gonna get sick again, why don't you throw up under the
 tree
 169 - because Christmas is ruined!
 170 - Oh, no.
 171 - So tell me more about the big ladder thingy.
 172 - The cherry picker?
 173 - Funny story. True story.
 174 - Okay, Jackie, this is a nightmare, and we're leaving.
 175 - Okay.
 176 - Look, Donna, you have a boyfriend, I don't.
 177 - And maybe I don't want to sit home alone every night.
 178 - And if somebody doesn't tell me I'm cute in the next five minutes,
 179 - I'm gonna scream!
 180 - Hi. Sorry, my friend was being a wet blanket.
 181 - Well, maybe I should talk to her.
 182 - I mean, a wet blanket's a fireman's best friend.
 183 - Boy, something about you is so familiar.
 184 - You know, I get that all the time.
 185 - See, from the right, I look like Gidget
 186 - and from the left, I look like Elizabeth Taylor. Neat, huh?
 187 - Oh, it's your laugh!
 188 - You know, I used to date a girl with the same laugh,
 189 - but that was 20 years ago.
 190 - She dumped me and married some rich lawyer.
 191 - Burk... Burkhart. That was it.
 192 - Oh, my God, that's my name, and my dad's a rich lawyer!
 193 - Oh, my God!
 194 - So, Jackie, was this in the play you wrote?
 195 - Kitty, why are you smoking?

196 - It's my Yuletide cigarette.
 197 - To celebrate all the children
 198 - who spend black Christmases with bad parents.
 199 - Kitty, put that out.
 200 - Back off, Grinch.
 201 - Hey, Red. Hey, Kitty.
 202 - Bad parent.
 203 - - Is she all right? - Hmm?
 204 - Oh, yeah. Sit down, Bud.
 205 - Kitty, sweetheart,
 206 - why don't you leave us alone for a minute?
 207 - A boy can't live on olives.
 208 - Bud...
 209 - Eric just came back from your place falling-down drunk.
 210 - He threw up on my shoes.
 211 - Now, what were you thinking, leaving kids alone with a keg?
 212 - Look, Red, I've never really been a dad before.
 213 - I'm just trying to...
 214 - I don't know, take it easy, be his friend.
 215 - Why would you be friends with a 17-year-old?
 216 - They're idiots.
 217 - Bud, being a teenager is like being in combat.
 218 - One minute you're crawling around half-blind,
 219 - the next, you're looking for your own foot.
 220 - - Follow me? - Not really.
 221 - I was a conscientious Canadian.
 222 - Well, if you weren't chicken, and you did fight,
 223 - who would you want as your lieutenant, me or you?
 224 - Well, you, 'cause you're mean and scary.
 225 - That's right. Steven doesn't need another friend, Bud.
 226 - Steven needs somebody to ride his ass.
 227 - He may not like it. He may not thank you for it.
 228 - He may do impressions of you behind your back.
 229 - He thinks he's so damn funny.
 230 - But the point is,
 231 - he'll know right from wrong because you did your job.
 232 - Bread, ham, bananas, milk,
 233 - because there are four food groups, Bud, four!
 234 - I am so grossed out.
 235 - I need a Calgon bath, a facial, some Tater Tots, and some Jean Nate.
 236 - - This night was the worst. - I know.
 237 - I mean, I am not gonna find love in a bar.
 238 - All I'm gonna find there are guys who used to French my mom.
 239 - I mean, just this morning, I was playing with my Pretty Ponies.
 240 - And look what you've done to me, Donna, look!
 241 - Me?

242 - I'm not the one who hooked up with the Volunteer Fire Department.
 243 - I am never gonna meet anybody,
 244 - and I'm never, ever gonna feel better, ever.
 245 - Jackie, when you're sad, you look exactly like Mary Tyler Moore.
 246 - Oh, my God! Donna, I do!
 247 - I am gonna make it after all!
 248 - Damn!
 249 - Okay, everybody, here we go.
 250 - Now, if I catch on fire, you promise to put me out?
 251 - Well, I'm sure someone will. Right, guys?
 252 - Okay, great.
 253 - Steven, I gotta talk...
 254 - - What the hell are you doing? - It is complicated.
 255 - All right, that's it. Party's over. Everybody out.
 256 - What the hell are you doing, Bud?
 257 - Steven, this place is a madhouse.
 258 - The kids are all over the place, and this guy could've burst into flames.
 259 - Well, we'll never know now, will we, Bud?
 260 - Look, Eric went home so drunk, he threw up all over Red's shoes.
 261 - That's good stuff.
 262 - No, it's not good stuff. And you know what else? It's forbidden.
 263 - So, what, you're, like, trying to play father now?
 264 - I'm not playing. I am your father.
 265 - You wanna stay here, you're gonna do what I tell you.
 266 - - Oh, really? - Yeah, really.
 267 - I'll be damned
 268 - if you're gonna end up looking for your own foot on my watch!
 269 - Now, clean up all this crap, take the trash out, and eat a banana, dumb
 ass!
 270 - Now he's all strict.
 271 - I gotta do my homework, and he keeps talking about nutrition.
 272 - So, I guess, what I'm hearing from all this is,
 273 - Hyde loves his daddy.
 274 - - Shut up, Forman. I do not. - Yes, you do. Yes, you do.
 275 - And Daddy loves his little Hyde.
 276 - And that's why he yells at him, and tucks him into bed
 277 - and puts on his little footsie pajamas, and reads him bedtime stories!
 278 - Hey, thanks, Steven. I'll take over from here.
 279 - - Now, about last night. - You know what, Dad?
 280 - Before you get started, I know what you're gonna say.
 281 - Oh, really?
 282 - What do you know?
 283 - That I was irresponsible and stupid.
 284 - And I have it on good authority that I
 285 - may have called you something.
 286 - Like, um, "big, bald party pooper"?

287 - For instance. But the point is, Dad, I'm really ashamed
 288 - and sorry and afraid.
 289 - Hmm.
 290 - Okay. Well, that covers it.
 291 - Okay, good talk.
 292 - That's it? I get off scot-free?
 293 - I mean, I learnt a valuable lesson?
 294 - Look, Son, you're grown up now.
 295 - You know what you did wrong.
 296 - And I am too tired to keep thinking up new and exciting ways to punish
 you.
 297 - So, merry Christmas.
 298 - Are you kidding me?
 299 - I don't get in trouble, and you're giving me a Christmas present?
 300 - Oh, boy, this is the best Christmas ever!
 301 - Actually, you know, this really smells.
 302 - Yeah, those are my shoes from last night.
 303 - Clean them, buff them, and shine them.
 304 - Ho-ho-ho!
 305 - Dumb ass!
 306 - Damn.
 307 - Damn it.
 308 - Oh, come on!

3.10 Episode 10: Ice Shack

1 - Well...
 2 - Okay. Now that we're all in the van, and you guys can't change your mind,
 3 - I just want you to know that we're not exactly
 4 - on the way to my uncle's fabulous cabin in the woods.
 5 - It's really more of an ice shack.
 6 - Did you say "ice shack"?
 7 - Hmm?
 8 - Yeah. Oh, and the hot tub,
 9 - it's really more of a garbage can.
 10 - But it's also the bathroom, so...
 11 - - Kelso, turn this van around. - No, Donna, wait.
 12 - - Is there beer? - Tons.
 13 - Hey, and we don't even need a refrigerator 'cause it's so freaking cold.
 14 - - Paradise. - Yeah.
 15 - Oh, and before we pick up Jackie,
 16 - I just want to make sure everybody knows what this trip is about.
 17 - The fabulous hot-tub toilet?
 18 - No. Eric, tell her about my master plan.
 19 - Oh, yeah. See, Kelso, when you start a sentence with the words "master
 plan,"

20 - I just kind of know it's gonna be stupid, so I just naturally tune out.
 21 - Okay, well, my master plan is...
 22 - Eric! Pay attention!
 23 - This is about a romantic double date.
 24 - It's you and Donna and me and Jackie.
 25 - Kelso, you do know you're not actually dating Jackie, right?
 26 - That's why it's a secret double date.
 27 - See, I told Jackie that the whole gang was coming,
 28 - but then I didn't invite Hyde,
 29 - and especially not Fez, 'cause he's all over Jackie.
 30 - Look, I'm not doing this. Turn this van around.
 31 - No. I need you guys. See, if you're there...
 32 - You guys are, like, the perfect couple.
 33 - And if you're there,
 34 - then I can just copy all the sissy, loser things that Eric does for you.
 35 - I really do enjoy your sissy, loser things.
 36 - Yeah, like when I had first dibs on that seat but I took the hump.
 37 - So, it's a small price to pay to keep my lady happy.
 38 - Exactly! I want to be that dork.
 39 - - Kelso, why are you speeding up? - I gotta beat this light.
 40 - - Why? - I just... I gotta!
 41 - Damn it!
 42 - What are you doing?
 43 - I've been chasing you for six blocks.
 44 - I'm sorry, buddy. I didn't see you.
 45 - Yeah, nice try. I know all about your master plan.
 46 - Now, drive, you sneaky son of a bitch.
 47 - Hanging out
 48 - Down the street
 49 - The same old thing
 50 - We did last week
 51 - Not a thing to do
 52 - But talk to you
 53 - We're all, all right
 54 - We're all, all right
 55 - Hello, Wisconsin!
 56 - You brought me to an outhouse?
 57 - Actually, Jackie, that's the outhouse.
 58 - No. No, it's an ice shack for fishing.
 59 - This is gonna be a blast.
 60 - I mean, it is so beautiful out here.
 61 - Plus, I brought lotion.
 62 - It's kind of cold.
 63 - Oh, here, take my jacket.
 64 - I love you.
 65 - God, we are such the perfect couple.

66 - I'm cold, too.
 67 - Well, damn, Jackie. I can't control the weather.
 68 - Here, Jackie, take my coat.
 69 - Oh, thanks, Fez!
 70 - So, sweetie, what do you want to do?
 71 - Whatever you want to do, honey.
 72 - - I want to go inside. - That's what I want to do, too.
 73 - Oh, my God! Let's go.
 74 - Hey, what the hell was that jacket business, man?
 75 - You're making me look bad.
 76 - Look, Kelso, you are my good, good friend,
 77 - but I will stop at nothing to win Jackie.
 78 - And if you're in my way, I will destroy you.
 79 - - This is nice, you coming home for lunch. - Yeah.
 80 - Good afternoon, sunshine.
 81 - So, what have you got planned for today?
 82 - Same as every day.
 83 - Lie on the couch, do my nails, avoid talking to you.
 84 - It's not going that well, so far.
 85 - Red, that girl does nothing but party all night and sleep all day.
 86 - She's gonna end up like Aunt Martha.
 87 - Remember the beer gut on her?
 88 - She's not gonna end up like Fat Martha.
 89 - Poor woman got so large she couldn't play Putt-Putt.
 90 - Jeez, don't remind me.
 91 - That par two was the longest three hours of my life.
 92 - Red, your daughter is drifting. So what are you gonna do?
 93 - I'll tell you what I'm gonna do.
 94 - I'm gonna start eating my lunch in the office.
 95 - Leo, man, glad you're here. I've been really busy.
 96 - Oh, yeah?
 97 - I guess my "buy one, get one free" flyer is really bringing in the business.
 98 - That's 'cause you forgot the "buy one" part.
 99 - Oh, no. Well, good thing we're closing early, man,
 100 - 'cause I need you to give me a ride over to my cousin Larry's.
 101 - - I don't have a car, man. - You can drive mine, man.
 102 - I can't drive since my license got suspended.
 103 - Why? What'd you do?
 104 - Well, I dropped it in some soda, you know.
 105 - And it just hung there, suspended.
 106 - And then when I was looking at it I ran a red light.
 107 - Boy, ice fishing's fun.
 108 - I like this place, out here in the middle of a frozen lake.
 109 - It's cozy. Don't you think, Jackie?
 110 - If by "cozy," you mean "small and smelly," then, yes!
 111 - Good one, Jackie.

112 - That's funny.
 113 - Well, she needs a sense of humor with an unfaithful ex-boyfriend,
 114 - who brings her to a dump like this.
 115 - Ow.
 116 - - Nice. - Thank you.
 117 - I mean, Eric would never take Donna to a place like this.
 118 - Fez, it wouldn't matter where we were. Just being together makes it fun.
 119 - But I would never bring you to a place like this,
 120 - because I know that you don't like such small, smelly places.
 121 - - You know me so well. - Eskimo kiss.
 122 - Too bad Kelso doesn't know anything about Jackie.
 123 - Whoa. That is not true. I know everything about her.
 124 - In fact, I'll bet I know more about Jackie than Eric knows about Donna.
 125 - Whoa, Kelso, walk before you run, baby.
 126 - You think you know me, Michael? Then prove it.
 127 - Oh, I have an idea.
 128 - Let's play The Newlywed Game.
 129 - Eric and Donna versus Kelso and Jackie.
 130 - And I will be the impartial judge who gets Jackie in the end.
 131 - - What? - I mean, good luck to everyone.
 132 - Hey, Leo, what's in the bag, man?
 133 - How can I put this?
 134 - Let's just say, in this bag are illegal drugs.
 135 - What? Come on, man. You know I'm on probation!
 136 - No, it's cool, man.
 137 - All you have to do is just not get pulled over.
 138 - What did I just tell you, man?
 139 - Gentlemen, our ladies have already written down
 140 - the answers to their questions.
 141 - First up, Eric.
 142 - Eric, what is Donna's favorite pizza topping?
 143 - Pepperoni.
 144 - - Donna? - Pepperoni!
 145 - - We are such the perfect couple. - I know.
 146 - - Now, Kelso... - Mushrooms.
 147 - No, no, no, no, no. That is not your question.
 148 - And minus two for interrupting the host.
 149 - - Minus two. - Okay, sorry.
 150 - It's okay. Minus two.
 151 - Now, Kelso, last summer you "accidentally"
 152 - bounced Jackie off a trampoline.
 153 - When she woke up in the hospital, what were her first words?
 154 - Oh! "Michael, you idiot."
 155 - Michael, you remembered!
 156 - Swell, he remembered.
 157 - Okay, Eric, according to Donna, what is Donna's last name?

158 - Pinciotti.
 159 - Oh, my God!
 160 - Yes!
 161 - Correct!
 162 - Now, Kelso...
 163 - Jackie has distant relatives in the Cook Islands.
 164 - In the early 1900s, what species of turtle did they save from extinction?
 165 - Take your time.
 166 - Ladderback.
 167 - Michael, you're amazing!
 168 - No, no, no! No hugging.
 169 - I'm sorry, all right? I forgot.
 170 - That's right. And let's try to remember that, little lady.
 171 - Well, the score is horribly close.
 172 - - I'm very impressed, Michael. - Yeah, well...
 173 - I guess you just remember things about those you care about.
 174 - Oh, please. I'm gonna puke.
 175 - Let's get this nightmare over with.
 176 - Okay, Donna,
 177 - if you could change one thing about yourself, what would it be?
 178 - Um...
 179 - Well, there's stuff I'd change. But I know Eric, and he'd say "Nothing."
 180 - No, but... Wait. But that's not the question.
 181 - Why? What'd you answer?
 182 - It doesn't matter what I answered, because you answered wrong.
 183 - And I don't want to play anymore.
 184 - "Huge Wile E. Coyote feet"?
 185 - What the hell does that mean?
 186 - It means you have enormous feet. Jackie?
 187 - Whoa, whoa, Fez.
 188 - Eric, you think I have enormous feet?
 189 - No. No, no, you think that.
 190 - Last week, you said you hated your "huge Wile E. Coyote feet."
 191 - Eric, I only said that so you'd say they're not big.
 192 - And they're not big.
 193 - I'm sorry. But, dude, that's a lie.
 194 - Oh, my God! I don't believe this.
 195 - No! Donna, no, you're looking at this all wrong.
 196 - Big feet make you, like, really stable. You know?
 197 - Really hard to knock over.
 198 - Get bent.
 199 - See? I have small feet.
 200 - That's where... Donna? Are you going somewhere, honey?
 201 - Okay, this is it.
 202 - For all the marbles.
 203 - Jackie, what was your answer?

204 - Um...
 205 - Well, if I had to change one thing about me,
 206 - it would have to be that
 207 - I'm too cute and all other girls are jealous.
 208 - Kelso?
 209 - Oh, my God, Michael! That's amazing.
 210 - Oh, my God, I almost... Oh, my God. I gotta go talk to Donna.
 211 - Who would know that you would win a battle of wits?
 212 - Yeah.
 213 - Turns out that the key to winning Jackie's heart
 214 - was in the last place I thought to look,
 215 - my own brain.
 216 - Donna, I think I'm actually feeling something for Michael, you know?
 217 - Donna, would you please stop looking at your feet and listen to me?
 218 - A boyfriend is supposed to tell you
 219 - the things you don't like about yourself are fine.
 220 - Like last week, I told Eric his pecs were getting bigger.
 221 - But I mean, come on.
 222 - If you lie him on his back, you could fill up his chest with water.
 223 - Maybe I'm just lonely.
 224 - Or I need a sign from, like, God.
 225 - Or I don't know.
 226 - Maybe I just need someone to tell me if I'm crazy.
 227 - Jackie, you're crazy.
 228 - Not you, Bigfoot.
 229 - Hi, honey. How was...
 230 - Oh, not over yet.
 231 - No, it's not, Red.
 232 - Go make Laurie do something with her life.
 233 - I mean it. Now!
 234 - You know, when a guy comes home from work,
 235 - he just wants to sit down and have a nice, quiet beer.
 236 - Well, she drank your beer because she doesn't have a future.
 237 - Fine, Kitty. I'm going.
 238 - Okay, honey. First of all,
 239 - always save one beer for Daddy.
 240 - - Okay. - Second of all,
 241 - we feel that you need to get some direction in your life.
 242 - And by "we," I mean your mother.
 243 - See, honey, I'm not really worried.
 244 - 'Cause I know you're gonna find a nice guy and get married.
 245 - - Exactly. - Right.
 246 - Someone who can take care of you.
 247 - Who's rich. Who's not Kelso.
 248 - And I think this is a plan that might just work out for you.
 249 - Okay.

250 - But, Daddy, I mean, if I wanted to have a career of my own, I could, right?
 251 - Well, sure.
 252 - I just don't want you to set yourself up for...
 253 - Like what happened at the college.
 254 - If you set the bar too high, the fall might be...
 255 - You see, you're just so pretty.
 256 - Here's 5.
 257 - *Goodevening, gentlemen.*
 258 - *Isthereaproblem, ossifer?*
 259 - *Didyoujustsay"ossifer"?*
 260 - *No, sir, I'msorry. Idistinctlyheardhimsay"officer", sir.*

296 – *Oh, well, yay!*
 297 – *Congratulations, sweetheart.*
 298 – *So, Kitty, what do you think?*
 299 – *Yeah.*
 300 – *Well, looks like Jackie and Kelso are back together.*
 301 – *I won and Fez lost. I won and Fez lost.*
 302 – *— You guys, what happened? — I don't know.*
 303 – *Allofasudden the van just started shaking.*
 304 – *Uh...Guys?*
 305 – *Quick! Everyone give me your belts. Together, we can pull it out.*
 306 – *Come on!*
 307 – *Michael, this is it. This is the sign I was looking for.*
 308 – *God doesn't want us to be together.*
 309 – *Who cares? I'm losing my van.*
 310 – *See? That was always the problem with us, Michael.*
 311 – *It was always about you.*
 312 – *— Jackie, are you losing your van? — No.*
 313 – *Then shut up!*
 314 – *Wow, watching Kelso's vans sink*
 315 – *make the size of my feet seem unimportant.*
 316 – *See, Donna, size doesn't matter.*
 317 – *— You don't have to tell me. — That's... Yeah, right.*
 318 – *There's my sweet girl.*
 319 – *Fez, I'm cold.*
 320 – *Frankly, my dear, I don't give a rat's ass.*
 321 – *Dr. Zhivago, I'm home!*
 322 – *I brought your food.*

3.11 Episode 11: Who Wants It More

1 - DONNA, I'M SO GLAD YOU'RE MY STUDY PARTNER.
 2 - BECAUSE YOU MAKE LEARNING FUN. HA HA HA!
 3 - HA HA HA!
 4 - OK, WELL, NO MORE STUDY BREAKS.
 5 - WE HAVE TO GET THIS REPORT DONE.
 6 - ALL RIGHT, FINE.
 7 - OK.
 8 - A REPORT ON THE CURRENT STATE OF U.S.-SOVIET RELATIONS.
 9 - OK, WE NEED A TITLE.
 10 - HOW ABOUT...
 11 - "THE CURRENT STATE OF U.S.-SOVIET RELATIONS"?
 12 - DAMN, YOU'RE SMART.
 13 - "...U.S.-SOVIET RELATIONS."
 14 - YOU KNOW... DONNA, I LOST MY UNDERWEAR.
 15 - BUT...
 16 - WHATEVER.

17 - OK.
18 - SERIOUSLY, WE NEED TO GET SOME WORK DONE.
19 - DONNA, I COULDN'T AGREE WITH YOU MORE.
20 - OK.
21 - RIGHT NOW, WITH THE PUSH OF A BUTTON,
22 - THE 2 SUPERPOWERS COULD CONDEMN US
23 - TO PAINFUL, FIERY DEATHS.
24 - "...FIERY DEATHS."
25 - OK...
26 - SERIOUSLY, WE GOTTA DO THIS THING.
27 - YOU'RE RIGHT.
28 - ERIC, NO MORE STUDY BREAKS.
29 - UH, RIGHT.
30 - FROM NOW ON, ALL BUSINESS.
31 - AHM.
32 - THE ARMS RACE BEGAN...
33 - WITH THE MASSIVE BUILD-UP OF BOMBERS BY THE SOVIET
UNION.
34 - ACTUALLY, THE UNITED STATES STARTED THE ARMS BUILD-UP.
35 - NO, THEY DIDN'T. WHAT ABOUT THE BOMBER GAP?
36 - BOMBER GAP?
37 - THAT'S SO CUTE.
38 - "...BOMBERS BY THE...
39 - UNITED... STATES."
40 - WHAT ARE YOU DOING?
41 - STUDY BREAK?
42 - GET BENT.
43 - OW!
44 - OH, THERE'S MY UNDERWEAR.
45 - HANGIN' OUT
46 - DOWN THE STREET
47 - THE SAME OLD THING
48 - WE DID LAST WEEK
49 - NOT A THING TO DO
50 - BUT TALK TO YOU
51 - WE'RE ALL ALL RIGHT
52 - WE'RE ALL ALL RIGHT
53 - HELLO, WISCONSIN!
54 - OK, DONNA, WHAT'S WRONG?
55 - YOU CAN'T JUST IGNORE MY IDEAS.
56 - OH.
57 - DONNA...
58 - YOU'LL GET THE SAME "A" I GET.
59 - RELAX, BABY.
60 - ERIC, I CAN'T RELAX.
61 - 'CAUSE YOU'RE WRONG AND I'M RIGHT.

62 - OK.
63 - OK.
64 - I THINK WE NEED TO CLEAR OUR HEADS
65 - WITH A NICE...
66 - STUDY BREAK.
67 - ERIC, KNOCK IT OFF.
68 - I'M NOT IN THE MOOD FOR A STUPID STUDY BREAK.
69 - WHAT? WHY?
70 - BECAUSE I DISAGREE WITH YOU?
71 - IT HAS NOTHING TO DO WITH THAT.
72 - REALLY, DONNA? BECAUSE UP UNTIL NOW,
73 - WE WERE GOING AT IT LIKE RABBITS
74 - WHO HAD JUST GOTTEN OUT OF PRISON.
75 - WELL, THAT'S OVER.
76 - WAIT. SO WHAT ARE YOU SAYING?
77 - YOU'RE GONNA HOLD OUT ON ME UNTIL I AGREE WITH YOU?
78 - BECAUSE THAT'S NOT GONNA WORK, DONNA.
79 - FIRST OF ALL, I'M NOT HOLDING OUT ON YOU.
80 - AND SECOND OF ALL, IF I DID,
81 - IT WOULD SO WORK.
82 - OK, WELL, YOU KNOW WHAT?
83 - I THINK THAT IS WHAT YOU'RE DOING.
84 - SO TRY THIS DRESS ON FOR SIZE...
85 - I'M CUTTIN' YOU OFF.
86 - YEAH!
87 - IS THAT SUPPOSED TO BE A THREAT?
88 - SUPPOSED TO BE.
89 - YEAH.
90 - OK. IF YOU WANT TO DO THIS, WE'LL DO THIS.
91 - BUT YOU'RE GONNA CAVE, AND I'M GONNA LAUGH.
92 - YEAH!
93 - I JUST SAW A UFO!
94 - OH, MY GOD!
95 - WHAT AN UNBELIEVABLE COINCIDENCE!
96 - I WAS JUST TELLING FEZ ABOUT HOW DUMB YOU ARE.
97 - OK, NO, SO I'M OUT IN THE FIELD, RIGHT?
98 - AND THERE IT WAS. IT WAS IN THE AIR,
99 - AND IT HAD LIGHTS, AND IT WAS LIKE...
100 - THAT'S A UFO, ALL RIGHT.
101 - YEAH. HANG ON, FEZ.
102 - KELSO, REMEMBER THAT TIME
103 - YOU THOUGHT YOU SAW THE ABOMINABLE SNOWMAN?
104 - YEAH.
105 - YOU REMEMBER WHAT IT TURNED OUT TO BE?
106 - JUST A REGULAR SNOWMAN.
107 - GUYS, COME ON, LET'S GO OUT TO THE FIELD.

108 - IT COULD COME BACK.
109 - SO YOU THINK I GOT NOTHING BETTER TO DO
110 - THAN STAND IN A FIELD FREEZING MY 'NADS OFF?
111 - HEY, WHO WANTS TO HELP ME CONNECT THE DOTS?
112 - SORRY, 'NADS. LET'S GO.
113 - WHAT IS ALL THAT NOISE?
114 - OH, BOB'S CUTTING DOWN A TREE IN HIS FRONT YARD.
115 - BY HIMSELF?!
116 - DOESN'T HE KNOW THAT'S INCREDIBLY DANGEROUS?!
117 - YEAH. BUT YOU KNOW WHAT THEY SAY ABOUT BOB.
118 - HE'S STUPID.
119 - OH, RED.
120 - IS THAT ANY WAY TO TALK ABOUT A FRIEND?!
121 - A STUPID FRIEND!
122 - Bob: TIMBERRRR!
123 - OH, NOOOOO!
124 - OH, DAMN IT.
125 - DID BOB KILL ME?
126 - OH, BUT HE JUST FEELS SUPER BAD ABOUT IT.
127 - MM-HMM.
128 - SO...
129 - WHERE IS EVERYONE?
130 - BOY, YOU CAN HARDLY TELL
131 - WHERE YOUR HEAD WAS CRUSHED.
132 - HA HA HA!
133 - WHERE ARE ALL MY FRIENDS?
134 - YOU DON'T REALLY HAVE ANY FRIENDS, RED.
135 - YOU KNOW, IT'S AN UNFORTUNATE SIDE EFFECT
136 - OF TELLING EVERYBODY TO... TO...
137 - STICK IT UP THEIR BUTTS.
138 - YEAH.
139 - GEE, I GUESS YOU'RE RIGHT, KITTY.
140 - MAYBE I SHOULD HAVE BEEN NICER.
141 - YEAH.
142 - OH, WELL, HINDSIGHT'S 20-20.
143 - HA HA.
144 - YOU JUST LIE BACK AND ENJOY YOUR COFFIN.
145 - OOH. SATIN.
146 - THAT'S NICE.
147 - RED! RED...
148 - I'M SO SORRY!
149 - IT WAS AN ACCIDENT.
150 - BOB, I NEVER THOUGHT I'D SAY THIS...
151 - BUT I'M GLAD YOU'RE MY FRIEND.
152 - RED?
153 - I NEVER THOUGHT I'D SAY THIS, BUT...

154 - YOU SMELL NICE.
155 - JACKIE, THAT'S REALLY ANNOYING. WOULD YOU KNOCK IT OFF, HYDE?
156 - DONNA, IS THERE SOMETHING YOU NEED TO TALK ABOUT?
157 - OH, CRAP. DO YOU NEED TO TALK ABOUT SOMETHING?
158 - Donna and Eric: CAN YOU KEEP A SECRET?
159 - NOT REALLY.
160 - YEAH. UNLESS I CAN BURN YOU WITH IT LATER.
161 - I'M HOLDING OUT ON ERIC.
162 - I'M HOLDING OUT ON DONNA.
163 - DONNA, THAT'S GREAT!
164 - OH, FORMAN, THAT'S HYSTERICAL.
165 - Hyde and Jackie: SO HOW LONG HAS IT BEEN?
166 - Donna and Eric: 3 OF THE LONGEST DAYS
167 - OF MY LIFE.
168 - Donna and Eric: MAYBE I SHOULD JUST CAVE.
169 - Hyde and Jackie: NO!
170 - HEY, IF YOU CAVE, SHE OWNS YOU.
171 - WHEN HE CAVES,
172 - YOU OWN HIM.
173 - YEAH, BUT THERE'S NO WAY
174 - SHE WANTS IT AS BAD AS I DO.
175 - CAN YOU BLAME HER?
176 - I THINK I WANT IT MORE THAN ERIC.
177 - EEW. WHY?
178 - FORMAN...
179 - SEX IS HOW WOMEN CONTROL MEN.
180 - DONNA...
181 - SEX IS HOW WE CONTROL MEN.
182 - IF THEY EVER FIND OUT WE WANT IT, TOO...
183 - WE'LL NEVER GET JEWELRY AGAIN.
184 - SECRETLY, I BELIEVE THEY LIKE IT AS MUCH AS WE DO.
185 - OH, YOU AND YOUR CRAZY CONSPIRACIES.
186 - HYDE, WHAT ARE YOU DOING?
187 - THIS MEANS SOMETHING.
188 - THIS IS IMPORTANT.
189 - WELL, THIS IS A CLOSE ENCOUNTER OF THE POTATO KIND.
190 - HA HA HA HA!
191 - I'M SORRY.
192 - HOW'S IT GOIN', GUYS?
193 - GOOD TO SEE YOU ALL.
194 - KITTY, I'VE BEEN THINKING,
195 - IT MIGHT BE FUN
196 - TO HAVE OUR FRIENDS OVER FOR A PARTY.
197 - WHOO-HOO! PARTY AT RED'S!
198 - ARE YOU FEELING OK, RED?

199 - OH, HONEY, HONEY, DON'T TOUCH HIM.
200 - YEAH, I'M FINE.
201 - OK, WELL, I JUST...
202 - I HAVE NEVER HEARD YOU USE THE WORDS
203 - FUN, FRIENDS, AND PARTY ALL IN THE SAME SENTENCE.
204 - I HAVE, MRS. FORMAN.
205 - FOR INSTANCE...
206 - "ERIC, I HAD FUN RUINING THE PARTY
207 - FOR YOU AND YOUR FRIENDS."
208 - YEAH, THAT WAS FUN.
209 - WELL, I THINK A PARTY IS A GREAT IDEA, RED.
210 - GREAT. THEN IT'S SETTLED.
211 - HOW YA DOIN' THERE, SABU?
212 - HE SMELLS NICE.
213 - HELLO, DONNA. HELLO, ERIC.
214 - I HAVE COME TO WORK ON OUR REPORT.
215 - EXCELLENT. MAY I TAKE YOUR COAT FOR YOU?
216 - OF COURSE.
217 - HOLY CRAP!
218 - SHE IS SO SEXY!
219 - BE STRONG!
220 - FIGHT BACK.
221 - USE THE LOOK.
222 - OH, NO, NOT THE LOOK.
223 - IT'S SO...
224 - WAIT. I FIND THIS HOT?
225 - WHAT IS WRONG WITH ME?
226 - COME ON, PINCIOTTI, COUNTERATTACK.
227 - OOPS.
228 - LOOK AWAY!
229 - OHH, I CAN'T LOOK AWAY.
230 - MUST TOUCH...
231 - NO! BE STRONG!
232 - WELL, DONNA, IF YOU WOULD...
233 - REFER TO PAGE 83.
234 - OH, THE EAR!
235 - DAMN HIM!
236 - WAIT. MUST WIN THIS FOR WOMANKIND.
237 - MUST CRUSH ERIC.
238 - RED ALERT.
239 - SHE IS TOUCHING YOUR THIGH.
240 - OH, NO.
241 - PLAN BACKFIRING.
242 - THIGH SO WARM.
243 - INVITING.
244 - BONY, BUT NICE.

245 - Kitty: DONNA.
246 - YOUR MOTHER'S ON THE PHONE.
247 - OH, THANK GOD!
248 - SO, ERIC, EVERYTHING ALL RIGHT?
249 - FINE! SHUT THE DOOR, PLEASE!
250 - HEY, DUDES.
251 - LEO, WHAT ARE YOU DOING HERE, MAN?
252 - WOW. THAT'S A REALLY GOOD QUESTION, MAN.
253 - LEO?
254 - I'M WORKIN' ON IT, MAN.
255 - CHOCODILE?
256 - WHAT'S THAT?
257 - IT'S A TWINKIE WRAPPED IN CHOCOLATE, MAN.
258 - NO!
259 - IN THE SKY. THOSE LIGHTS.
260 - I THINK THAT'S A UFO.
261 - IT'S JUST A PLANE.
262 - THEY'RE ALL JUST PLANES.
263 - YEAH... WELL, WE'LL SEE ABOUT THAT.
264 - AH! HEH HEH.
265 - NOW I GOT PHOTOGRAPHIC EVIDENCE.
266 - OF WHAT, THAT PLANES CAN FLY?
267 - I SAW A UFO ONCE.
268 - MAN, IT WAS AWESOME.
269 - IT JUST HUNG IN THE AIR.
270 - AND THEN IT SENT ME A MESSAGE.
271 - BIG BRIGHT YELLOW LETTERS.
272 - IT TOLD ME I WAS GOING TO HAVE A GOOD YEAR.
273 - DID THIS BY ANY CHANCE HAPPEN AT A FOOTBALL GAME?
274 - YEAH, MAN.
275 - AND THE WEIRD THING WAS,
276 - I WAS THE ONLY ONE FREAKIN' OUT ABOUT IT.
277 - WAIT A SECOND.
278 - GOOD YEAR?
279 - AH, IT WAS A TERRIBLE YEAR, MAN.
280 - STUPID ALIENS.
281 - HEY, RED!
282 - I WAS JUST TELLING TONY HERE
283 - HOW I ALMOST KILLED YOU WITH A TREE.
284 - OOH.
285 - CLOSE CALL LIKE THAT
286 - CAN REALLY MAKE YOU THINK, HUH, RED?
287 - YOU BET.
288 - YOU KNOW, IT'S LIKE I WAS UPSET
289 - THAT YOU HADN'T RETURNED MY HEDGE CLIPPERS.
290 - OH, SHOOT. I THINK I GAVE THOSE TO MY BROTHER-IN-LAW.

291 - HA HA HA HA HA.
292 - YOU DID, DID YOU?
293 - OH, WELL. THAT'S OK.
294 - I MEAN, IT'S NOT LIKE YOU STOLE THEM OR ANYTHING.
295 - YOU JUST TOOK 'EM AND NEVER RETURNED 'EM.
296 - WHICH IS DIFFERENT.
297 - SOMEHOW.
298 - HA HA HA HA HA.
299 - HA!
300 - HA HA HA HA HA. HA HA HA HA.
301 - MOM, COULD I ASK YOU A QUESTION?
302 - IN YOUR RELATIONSHIP WITH DAD,
303 - HAVE YOU EVER... LET AN ARGUMENT
304 - CROSS INTO OTHER PARTS OF YOUR RELATIONSHIP?
305 - WHAT DO YOU MEAN?
306 - YOU KNOW, I MEAN...
307 - DO YOU EVER...
308 - NOT HAVE SEX WITH DAD?
309 - SURE! I'M NOT HAVING SEX WITH HIM RIGHT NOW.
310 - NO, MOM, I MEAN, LIKE, IN AN ARGUMENT, TO GET YOUR WAY?
311 - YOU CAN DO THAT?
312 - YEAH.
313 - I JUST WONDER IF IT'S WRONG.
314 - DONNA, YOU'RE SAYING,
315 - BY MY NOT HAVING SEX WITH YOUR FATHER,
316 - I CAN GET HIM TO PAINT THE BATHROOM?
317 - YEAH.
318 - BUT DON'T YOU THINK IT HURTS THE RELATIONSHIP?
319 - BLAH, BLAH, BLAH. I'M GETTING MY BATHROOM PAINTED.
320 - AND 2 OF THEM TO TURN THE LADDER.
321 - HOO HA HA HA HA!
322 - HA HA HA HA.
323 - YEAH.
324 - YEAH, THOSE POLISH PEOPLE,
325 - THEY SURE DON'T KNOW MUCH ABOUT LIGHT BULBS.
326 - EXACTLY.
327 - 2 OF THEM TURN THE LADDER, YOU KNOW...
328 - SO SAMMY DAVIS JR., THE POPE,
329 - AND THIS POLISH GUY ARE ON A PLANE, SEE,
330 - AND THERE'S ONLY THE ONE PARACHUTE...
331 - HEY, RED.
332 - SEEING AS HOW YOU'RE DEAD AND ALL,
333 - CAN I HAVE THOSE SHOES?
334 - GET AWAY FROM HIM.
335 - RED, HONEY. HA HA.
336 - YOUR FUNERAL'S A BIG HIT.

337 - YOU ARE CORPSE OF THE YEAR.
338 - JUST PUT THE LID ON, KITTY.
339 - I NEED SOME FREAKIN' QUIET.
340 - ARE YOU HAVING FUN?
341 - NO.
342 - TURNS OUT I WAS MISTAKEN.
343 - LIFE IS TOO SHORT
344 - TO SPEND IT WITH PEOPLE WHO ANNOY YOU.
345 - I.. I JUST WANT TO SPEND IT WITH PEOPLE
346 - I REALLY, REALLY LOVE.
347 - LIKE YOU.
348 - AND, UH...
349 - WELL, MOSTLY JUST YOU.
350 - EVERYBODY...
351 - THANKS FOR BEING HERE.
352 - AND I JUST WANT TO SAY...
353 - WHEN MY TIME COMES,
354 - I WANT TO BE BURIED FACEDOWN,
355 - SO THAT ANYONE WHO DOESN'T LIKE ME...
356 - CAN KISS MY ASS.
357 - HA HA HA HA HA.
358 - HEY, KELSO, MAN, I BROUGHT YOU YOUR FILM.
359 - UFO PICTURES CAME OUT OK.
360 - HAH!
361 - PROOF!
362 - THESE NAKED ONES OF YOU ARE FAR MORE INTERESTING,
MAN.
363 - WHAT? THOSE WERE ON THAT ROLL?
364 - YOU KNOW, I DON'T SEE A UFO,
365 - BUT I CAN DEFINITELY SEE URANUS.
366 - IT'S A PLANET, BUT IT'S ALSO YOUR BUTT.
367 - YOU GUYS ARE SO IMMATURE.
368 - KELSO, WHY ARE YOU SQUIRTING WATER OUT OF YOUR MOUTH?
369 - I WAS A FOUNTAIN!
370 - I TOTALLY GOT IT, MAN. IT'S ART.
371 - DAMN.
372 - HEY, YOU GUYS WANT TO SEE
373 - THE OTHER SET HE BROUGHT?
374 - NAKED.
375 - AWW!
376 - DONNA... WE'VE GOT TO GET THIS THING DONE.
377 - THIS REPORT IS DUE IN 6 HOURS.
378 - YEAH, ERIC, I'VE BEEN THINKING ABOUT IT.
379 - THIS WHOLE COLD WAR STANDOFF...
380 - IT'S RIDICULOUS.
381 - NEITHER SIDE IS GETTING WHAT IT WANTS.

382 - SO WHAT YOU'RE SAYING IS...
 383 - BY HURTING EACH OTHER, THEY'RE ACTUALLY...
 384 - HURTING THEMSELVES.
 385 - YEAH.
 386 - IT MUST BE INCREDIBLY FRUSTRATING
 387 - FOR BOTH SIDES.
 388 - BOTH OF THEM ARE JUST BUILDING UP
 389 - AND BUILDING UP.
 390 - THE URGE TO LAUNCH A FIRST STRIKE
 391 - MUST BE OVERWHELMING.
 392 - AND PAINFUL.
 393 - DONNA, IN A LOT OF WAYS
 394 - WHAT WE'RE GOING THROUGH HERE IS JUST LIKE THE CUBAN
 MISSILE CRISIS.
 395 - EXCEPT IN OUR CASE IT'S A...
 396 - MISSILE CRISIS.
 397 - ERIC, YOU'RE RIGHT.
 398 - IT'S TIME FOR DETENTE.
 399 - WAIT. WHAT ABOUT OUR DISAGREEMENT?
 400 - I DON'T CARE. YOU WIN, OK?
 401 - WHAT?
 402 - IT JUST...
 403 - I CAN'T BELIEVE YOU CAVED.
 404 - WAIT UNTIL I TELL HYDE.
 405 - NO. NO. WHERE ARE YOU GOING?
 406 - SUDDENLY I'M...
 407 - I'M NOT IN THE MOOD.
 408 - YOU'RE LYING!
 409 - DONNA, WE'RE PAST THE POINT OF NO RETURN HERE.
 410 - ERIC, GIRLS DON'T HAVE A POINT OF NO RETURN.
 411 - SO, SEE YOU TOMORROW.
 412 - DONNA?
 413 - YES, ERIC?
 414 - I CAVE.
 415 - OH, THANK GOD, 'CAUSE I WAS JUST BLUFFING.

3.12 Episode 12: Fez Gets the Girl

1 - Where's the tunes, Forman?
 2 - Hang on, you guys. Just one more wire here.
 3 - I learnt how to speak English faster than this.
 4 - Fez, it's not real English when you speak it with a foreign accent.
 5 - Jeez.
 6 - Aren't these the coolest?
 7 - I can't hear you.
 8 - I know. They're the greatest speakers ever.

9 - Eric!
10 - Oh, hey, Dad. Sorry.
11 - Didn't see you there.
12 - Well, I guess that's 'cause you were too busy making an ass of yourself.
13 - Actually, I was trying out my new speakers.
14 - - What do you think? - New speakers?
15 - What was wrong with the old ones? Those were genuine GM parts.
16 - Uh...
17 - These are louder.
18 - Yeah, well, just keep your monkey music turned down.
19 - And go grab your smock. We gotta go to work.
20 - Hey, Red. Is that you?
21 - Oh, cripes.
22 - Hiya, neighbor!
23 - Can't hear you, Bob. I'm testing out Eric's new speakers.
24 - Not bad.
25 - Hanging out
26 - Down the street
27 - The same old thing
28 - We did last week
29 - Not a thing to do
30 - But talk to you
31 - We're all, all right
32 - We're all, all right
33 - Hello, Wisconsin!
34 - Boy, quite a day at Price Mart, Kitty.
35 - First, the price of light bulbs dropped two cents,
36 - then Eric was made employee of the month,
37 - and to top it off, they added Cheez-Its to the vending machine.
38 - Are you serious?
39 - Yep.
40 - Tiny little squares with the cheese flavor baked right in.
41 - Am I really Price Mart employee of the month?
42 - You sure are.
43 - Yay!
44 - And they even decided to throw in
45 - an extra 25 cents an hour.
46 - Oh, yes.
47 - I gotta admit, Eric. I had my doubts,
48 - but, hell, you've hardly embarrassed me.
49 - Thanks, Dad.
50 - Oh, this is great. Whoo! Price Mart rocks.
51 - Oh, Laurie, tell everyone your good news.
52 - I just finished my first two weeks of cosmetology school.
53 - And she didn't flunk out.
54 - Isn't that great?

55 - That is great, honey. Nice job.
 56 - Thanks, Daddy.
 57 - Yeah, but the next exam is gonna kill me.
 58 - We're not allowed to practice on dummies anymore
 59 - - and I have to style a real person's hair. - Oh, honey, you'll do fine.
 60 - - We're all here to support you. - Great.
 61 - So, you don't mind being my model?
 62 - Me?
 63 - Oh, honey, no, no. I go to the beauty parlor.
 64 - Okay, well, well, maybe Eric can help out.
 65 - Oh, sure. Laurie, first of all, always run with scissors.
 66 - Boy, I never get tired of your sarcasm.
 67 - Really?
 68 - Sorry.
 69 - Red, would you like to be a hair model?
 70 - Kitty, I would like to have hair. Period.
 71 - But, I don't. So, no.
 72 - Oh, forget it.
 73 - I don't even know why I picked this stupid career.
 74 - Maybe it's because you're stupid.
 75 - Laurie, no.
 76 - You quit everything. You are not quitting cosmetology school.
 77 - Well, what am I supposed to do?
 78 - I will be your model.
 79 - But you just remember.
 80 - Men have their cars. Women have their hair.
 81 - It's like a car. It's valuable.
 82 - So, not only are they gonna hang my picture in the front of the store,
 83 - but I also get to represent our entire district
 84 - in the national Price Mart Olympics.
 85 - That's nice.
 86 - Do you think I would choke to death if I swallowed my straw?
 87 - No, it's got a breathing hole.
 88 - - Fez, no. - Fez, no.
 89 - Oh, my God. There she is.
 90 - - Who's that? - The new girl, Caroline.
 91 - She transferred here from Sacred Heart. Or heaven, I'm not sure which.
 92 - We have gym together. She barely sweats.
 93 - Someday, I will make her my bride.
 94 - Yep, no one likes a sweaty bride.
 95 - - Yeah, I hear you. - So true.
 96 - Hey, why don't you go talk to her, man?
 97 - Oh, I, uh...
 98 - You're the most beautiful woman I have ever seen.
 99 - Thank you. Your cocoa-brown skin makes me hot.
 100 - I know.

101 - I am irresistible. Would you like to dance?
 102 - Hey, why don't you go talk to her, man?
 103 - Oh, I don't know, Hyde, I can't. I don't understand this.
 104 - Usually, I am... I am suave. I am silky.
 105 - But this girl makes me...
 106 - I have to go to the bathroom.
 107 - Anyway, getting back to Price Mart...
 108 - - Shut up! - Yeah.
 109 - Oh, my God. You guys are never gonna believe this.
 110 - - Wait, no. Me first. - Okay, go.
 111 - Okay. I, Eric Forman,
 112 - your boyfriend,
 113 - am Price Mart's newest employee of the month.
 114 - Eric, that's great. Are you done?
 115 - Oh, yeah. Top that, cupcake.
 116 - Okay.
 117 - I just won two tickets to the Led Zeppelin concert.
 118 - I was caller number seven and I won
 119 - and we're going to Zeppelin on Tuesday night.
 120 - All right!
 121 - She said two tickets, not four, you moron. We're not going.
 122 - Oh, my God, no. Did you say Tuesday night?
 123 - I... I can't go Tuesday night. It's inventory night. It's mandatory.
 124 - Skip it, Eric. You love Zeppelin.
 125 - Call in sick. Tell them your grandma died. Burn down the store.
 126 - You're right. You know, what? I'm going.
 127 - - I can't go. - Then who am I gonna take?
 128 - - No, Donna... - You shut your filthy mouth.
 129 - - Whoa, whoa. Donna, seriously... - I'm practically his brother.
 130 - - Hey, I've been his friend way longer! - Hey, you know what?
 131 - I am going.
 132 - Oh, crap.
 133 - - Still friends? - Till death.
 134 - I can't go.
 135 - - I'm in! - Get killed!
 136 - Shut up!
 137 - Uh...
 138 - - Eric, are you sure you can't come? - Yeah, I can't.
 139 - You know, everyone has to work. No exceptions.
 140 - Plus, Red and I, we're both kind of supervising.
 141 - Corporate America claims another victim.
 142 - Eric, it's okay.
 143 - I knew you weren't gonna go. You're a really responsible guy.
 144 - I love and hate that about you.
 145 - Well, since Mr. Smock here is being all logical,
 146 - I guess I'll have to take one of you losers.

147 - - Take a loser where? - Zeppelin.
 148 - Zeppelin? Oh, my God. That's a band, right?
 149 - Donna...
 150 - In the ninth grade, I did an oral report on Stairway to Heaven
 151 - and I got a B-plus.
 152 - You gotta take me.
 153 - Donna, in the ninth grade, I wasn't a dork
 154 - and I didn't write a report on Stairway to Heaven,
 155 - and you gotta take me.
 156 - God, she doesn't wanna take either one of you,
 157 - 'cause she's taking me. Donna, M-E. Me.
 158 - Okay, you know what? I'm going.
 159 - I can't.
 160 - - You hate it, don't you? - No, no. It's interesting.
 161 - I mean, just look at all this body.
 162 - I must... I bet, I'm... I'm like... I'm four inches taller.
 163 - I never should've gotten into this.
 164 - I'm not good at anything.
 165 - No, no, no.
 166 - I like it, Laurie.
 167 - Really?
 168 - Thanks, Mum. Now all you need is a cut.
 169 - No, no. No, no. No. Length... Length is good. Length is good.
 170 - Drop 'em.
 171 - Oh, hey, did you see this?
 172 - They gave me a Price Mart key chain.
 173 - It's got a knife and everything.
 174 - Yeah, I keep it in my pocket. Some of the other guys get jealous.
 175 - Look, Eric, I know you're very excited about your raise and everything,
 176 - but I don't want you to get too caught up in this.
 177 - Don't worry, Dad.
 178 - I'm not about to alienate my fellow employees
 179 - with my award-winning work ethic.
 180 - I read the signs in the break room. There's no "I" in teamwork.
 181 - Here's your check, sir, and thank you for eating at Smiley's.
 182 - - Very funny. - You know what, Dad? I got this.
 183 - Take your hand off the check.
 184 - I'll come back.
 185 - Jackie, why do you wanna go anyway? You hate Led Zeppelin.
 186 - I never said I hated them, Michael.
 187 - For your information, I think Led is hot.
 188 - - Fez, is that her? - Yes.
 189 - I wish I could go talk to her, but I get so nervous.
 190 - Fez, you shouldn't be nervous. You're awesome.
 191 - What girl wouldn't wanna be with you?
 192 - Well, there is Jackie, Laurie,

193 - this girl from gym, another girl from chemistry,
 194 - Country-Western star Tanya Tucker,
 195 - who does not answer her letters.
 196 - Okay, stop.
 197 - Whatever happened to suave, silky Fez?
 198 - You're right. I forgot about him.
 199 - He's hot.
 200 - Exactly. So, go get her, Fez.
 201 - Caroline, it is Fez. May I sit?
 202 - Okay, thank you.
 203 - Great idea, Donna.
 204 - Well, excuse me for trying to buy a co-worker lunch.
 205 - I am not your co-worker.
 206 - You're a high school kid with a part-time job.
 207 - You're temporary.
 208 - Uh-oh!
 209 - You know what ends fights? Pudding.
 210 - Just give me seven minutes.
 211 - Eric, you gotta stop acting like a big shot.
 212 - You're not the king of the world, you know.
 213 - I'm employee of the month. I don't have to take this.
 214 - This is no good, Kitty.
 215 - Well, what are you gonna do, Red? He's growing up.
 216 - No, I mean your hair.
 217 - Hey there, Harpo.
 218 - Where's your horn?
 219 - Bob, are you making fun of my hair?
 220 - No.
 221 - - Take me. - Take me.
 222 - - Take me. - No.
 223 - - Take me. - Take me.
 224 - - Take me. - No.
 225 - - Hi. - Hi.
 226 - - You're Donna, right? - Yeah, yeah.
 227 - I'm Caroline. I think we have Spanish together.
 228 - - Oh, yeah. Hi. - Hola.
 229 - Um...
 230 - You know that foreign guy you're always hanging out with?
 231 - - Fez? - Yeah. Fez.
 232 - Is he...
 233 - - Does he... - Oh, my God. You like Fez?
 234 - Oh, my God. Come on, I'll introduce you to him.
 235 - Oh, no, no. That's okay. I just wanted to...
 236 - I gotta go. Use the bano.
 237 - Stupid, stupid, stupid.
 238 - What's going on?

239 - Cosmetology is too hard.
 240 - I'm quitting.
 241 - Laurie, don't you think I wanted to quit nursing school a hundred times?
 242 - The first time I put in a catheter, it broke off.
 243 - But what if I don't get any better?
 244 - Well, you will never know unless you stick with it.
 245 - What do you care?
 246 - I care because I'm your mother.
 247 - So, I care.
 248 - Well, we do start doing nails next week.
 249 - That might be fun.
 250 - And I happen to know a few patients down at the hospital
 251 - who would love a manicure.
 252 - - Thanks, Mum. - Mmm-hmm.
 253 - Yep. It's just gonna perk them right up when they come out of their
 comas.
 254 - Hey, Dad. Good news.
 255 - Just got another raise.
 256 - Well, good for you.
 257 - You dumb bastard.
 258 - Yeah, I tell you.
 259 - If they keep throwing money at me like this,
 260 - I might be able to get my own apartment soon.
 261 - For God's sake, you're 57 years old.
 262 - Oh...
 263 - Eric, why didn't you listen to me?
 264 - If you'd gone to college, you could've really been something.
 265 - Been something? Whoa.
 266 - You're talking to the interim assistant weekend manager
 267 - of housewares here, okay?
 268 - Yeah. Show some respect.
 269 - Well, aren't you just the president of Turd Town?
 270 - Dad.
 271 - I've been thinking about why you went so crazy and yelled at me
 272 - and I've come to the conclusion that
 273 - you're crazy and you like to yell at me.
 274 - There's something you gotta know. You're... Well...
 275 - You're an idiot.
 276 - Oh, great. A pep talk.
 277 - Sit down.
 278 - When I was your age, I thought I had it all, too.
 279 - Great job at the plants, nice steady paycheck.
 280 - Just enough to, you know, string me along for 30 years or so,
 281 - and for what?
 282 - So they could toss me out on my ass when things got tough.
 283 - - Dad, I'm not gonna... - Look.

284 - Don't get me wrong. I admire your work ethic,
 285 - but you deserve better than Price Mart.
 286 - You're a smart guy.
 287 - And I'm... I'm proud of you.
 288 - Whoa!
 289 - Really?
 290 - You... You think I'm smart?
 291 - - You're proud of me? - Oh, jeez.
 292 - What, you gonna ruin this now by talking?
 293 - Listen, Dad...
 294 - If I'm still working at Price Mart when I'm your... Older.
 295 - Please kill me.
 296 - You don't have to ask twice, Son.
 297 - Ah, yes.
 298 - - That's my dad. - Come on.
 299 - Let's go make fun of your mom's hair.
 300 - - Jerk. - Wench.
 301 - - Tool. - Dillhole.
 302 - - Moron. - Moron.
 303 - I already said moron.
 304 - Moron.
 305 - Don't touch. Those are for Donna.
 306 - Kelso, Donna doesn't want a bunch of dirty cookies.
 307 - They're not dirty.
 308 - They are now.
 309 - Hyde, you're dead.
 310 - Oh, my God.
 311 - Donna, where have you been?
 312 - The concert starts in an hour. Come on, I'm ready to go. Let's go.
 313 - The concert? Oh, right. The concert.
 314 - Well, you guys were so busy fighting over the tickets, I forgot to tell you.
 315 - I gave them away.
 316 - - What? - No.
 317 - To who?
 318 - See? Your cuticles look better already.
 319 - Proper nail care is one of the easiest things to overlook.
 320 - Real good.
 321 - Oh, gosh, Daddy. I didn't know you were a bleeder.
 322 - I'm not.
 323 - Could you apply some pressure to this
 324 - while I go get some paper towels?

3.13 Episode 13: Dine and Dash

1 - Hey, guys, guess what I got.
 2 - VD?

3 - No.
 4 - A 100 bucks.
 5 - So money to treat your VD?
 6 - No. My grandmother gave me this money.
 7 - See, my mom told her that she needed to bleach her whiskers.
 8 - And I was like... I go, "What whiskers?"
 9 - Which is a total lie, because she's got these honking whiskers.
 10 - But then it made her so happy she gave me a 100 bucks.
 11 - No offense, Michael, but your mum's not one to talk. I mean...
 12 - Whoo!
 13 - Hey! My mother is a beautiful woman.
 14 - Apologize.
 15 - - Sorry. - She's nice.
 16 - - Sorry. - Whisker face.
 17 - All right, thank you!
 18 - Now we gotta go celebrate this 100 bucks.
 19 - Let's all go out to dinner. Someplace expensive. Someplace nice.
 20 - Let's go to the Vineyard.
 21 - My new ladylove, Caroline, works there.
 22 - Caroline from the concert?
 23 - - Have you guys gone out again? - No.
 24 - - So, have you guys hung out at school? - No.
 25 - - Talked on the phone? - No.
 26 - - Have you had any contact with her at all? - No.
 27 - - So Caroline's your new lady? - Yes.
 28 - - That's great. - Thank you.
 29 - There she is. Isn't she lovely?
 30 - She reminds me of that song Isn't She Lovely.
 31 - Here she comes. Here she comes. Watch me impress her.
 32 - - Hi, Fez. - Hello, Caroline.
 33 - - I just came over to say hi. - Hi.
 34 - - Hi! Bye. - Bye.
 35 - Did you see how I played her?
 36 - Hey, Kelso, thanks for dinner. It was great.
 37 - - Yeah, it was delicious. - Thanks so much.
 38 - Hey, guys, no need to thank me. I'm happy to do it.
 39 - Okay. Everybody ready?
 40 - Don't you have to pay first?
 41 - - I'm not paying. - What?
 42 - What, did you think I was paying?
 43 - - Yes. Kelso, we don't have any money. - You don't need any.
 44 - People, we are on a "dine and dash" here.
 45 - Yeah, 'cause the only thing better than eating lobster
 46 - is eating lobster and hauling ass.
 47 - Let's haul ass.
 48 - Hanging out

49 - Down the street
50 - The same old thing
51 - We did last week
52 - Not a thing to do
53 - But talk to you
54 - We're all, all right
55 - We're all, all right
56 - Hello, Wisconsin!
57 - Kelso, what the hell are you thinking?
58 - You said you'd take care of it.
59 - And I took care of it by planning the "dine and dash."
60 - - Kelso, we're not doing it. - Why not?
61 - Guys, we're making memories here.
62 - Kelso, it's wrong.
63 - Wrong? Or hilarious?
64 - Wrong, you dill-hole!
65 - Or hilariously wrong. I like it.
66 - But then again, I'm from the underbelly of society, so...
67 - Yes, excuse me.
68 - Would you please send your finest imported beer to Caroline?
69 - And tell her that when I said "Hi",
70 - what I meant was, "I'll take you like a stallion."
71 - You got that? Like a stallion?
72 - Fez, stop ordering stuff.
73 - Okay, you need to chill out, little girl.
74 - Didn't you hear Kelso?
75 - The Vineyard is having a "dine and dash" promotion.
76 - Everything's free.
77 - It's not free, Fez.
78 - "Dine and dash" is when you run out without paying.
79 - So it's stealing?
80 - This isn't going to help me with Caroline, is it?
81 - Excuse me.
82 - Hey.
83 - That's from me, you son of a bitch.
84 - Oh, good, honey, you're home. Listen. The Pinciottis called.
85 - They wanted to have to have card night tonight. So...
86 - No, Kitty, you just call them back 'cause there's no way in hell
87 - that I'm gonna have card night with the Pinciottis
88 - 'cause it's just too much fun.
89 - Hello, Bob and Midge.
90 - - What the hell are they doing here? - I don't know.
91 - So, who else needs a drink real bad?
92 - Tough day at the salt mines, Red?
93 - Oh. When did you get a job at the salt mines?
94 - Here, honey. Play with these.

95 - Yeah. Working Joe.
96 - I'll tell you. Since my business went bankrupt,
97 - I got a lot of free time.
98 - I mainly use it to nap and cry.
99 - Well, Bob, don't cry on the cards.
100 - It makes them hard to shuffle.
101 - Michael, I have never dined and dashed,
102 - and I'm not about to start now.
103 - Uh...
104 - Well, remember when we went to nice restaurants
105 - and I told you to wait in the car while I paid?
106 - Did you ever wonder why I was running to the car?
107 - Oh, my God. I'm a thief.
108 - I think technically you're an accessory.
109 - Which should make you happy, because you love accessories.
110 - - Earrings, bracelets, bangles, bows... - Shut up!
111 - So, did you enjoy your Pilsner?
112 - Did you get the message about the stallion?
113 - Okay, look, okay? You can't send beer to the hostess podium, okay?
114 - I almost got fired. So just pretend you don't know me, okay?
115 - I don't think I do know you, Caroline.
116 - Caroline has upset me.
117 - I can't wait to dine and dash on her ass,
118 - her beautiful ass.
119 - - I'll go first. - Hyde, we're not doing this.
120 - And especially not you, 'cause you're on probation.
121 - - So what? - So what? You get caught,
122 - you go to jail, and I've heard nothing good about jail.
123 - I haven't done one stinking illegal thing since I got probation.
124 - So, what, you're mad
125 - because you haven't committed any crime since your last crime?
126 - Yeah, so I'm going.
127 - Can I help you?
128 - What happened?
129 - This place is like Alcatraz, man. There's no way out.
130 - So it was either a UFO, or I rubbed my eyes too hard.
131 - Okay. Good story, Midge.
132 - So, Red, how's work?
133 - Well, yesterday I hired some new guy down in Sporting Goods,
134 - - but I don't know... - Whoa. You hired a new guy?
135 - That's funny.
136 - I remember when I was doing the hiring at my store, and you were out of
work.
137 - I hired you, neighbor.
138 - - Listen, Bob... - No.
139 - - Midgie, we're going home. - But I have gin.

140 - We're playing bridge!
 141 - I can't do it. I've gone soft, man. I'm like Forman.
 142 - It sickens me.
 143 - Hmm. So you can't do it. I wonder why.
 144 - Why, oh, why?
 145 - - Oh. I know why. - Yes, Donna?
 146 - - Because it's wrong. - That's right, Miss Pinciotti. It's wrong.
 147 - Gee, what a surprise. Mom and Dad don't want to do it.
 148 - We are not Mom and Dad.
 149 - And we're not leaving without paying, young man.
 150 - Fine. Fine. I'll pay for the stupid dinner.
 151 - Now, just give me your stupid keys so I can get my money
 152 - out of your stupid car.
 153 - Stupid.
 154 - I don't care if you're in the freaking Olympics
 155 - about to run the freaking 100-yard dash.
 156 - If someone sends you a beer, you say thank you
 157 - and drink the freaking beer.
 158 - Um, Eric, did Kelso leave his money at home?
 159 - 'Cause he just drove away in the Vista Cruiser.
 160 - What?
 161 - No. No, he wouldn't ditch us.
 162 - Are you sure? 'Cause as he drove past, he was doing this.
 163 - No. Donna, he's kidding. He wouldn't ditch us.
 164 - He ditched us!
 165 - I'm sure he's right outside. I'll go get him.
 166 - - Fez, I don't know. - Don't worry.
 167 - I'll go and get the money and come back. You can trust me.
 168 - - He's not coming back! - And we trusted him.
 169 - Foreigners lie!
 170 - You know what?
 171 - I'm just gonna call my dad, and he'll come pay for our dinner.
 172 - Okay, but, Jackie, if you don't come back...
 173 - Eric, please. I'm not immature like those idiots.
 174 - She is immature like those idiots!
 175 - I can't believe I got stuck here with the squares.
 176 - We're not squares!
 177 - Donna, settle down. You don't want to upset your stomach.
 178 - This is bad, man.
 179 - If I'm not fighting against the system, I am the system.
 180 - Screw it. I'm going.
 181 - Banzai!
 182 - Okay, I can take the check now.
 183 - Or whenever or now.
 184 - Um...
 185 - Two more bananas Foster, please.

186 - Eric, what are you doing?
187 - I'm stalling. They'll come back.
188 - Joke's over, you know?
189 - Best thing about this joke, it just keeps going and going.
190 - And not only did we break the law,
191 - we screwed our friends while breaking the law.
192 - How dumb was he to give me the car keys?
193 - I mean, who here trusts me?
194 - - No way. - Not me.
195 - Thank you.
196 - You know what?
197 - Stolen food does taste better.
198 - Dinner roll?
199 - Guys, I feel bad about Eric and Donna.
200 - Maybe we should figure out a way to help them.
201 - Sure, we could do that. Or...
202 - ...we could ask ourselves, "How can we make this worse?"
203 - Happy anniversary, happy anniversary
204 - Happy anniversary, Donna and Eric
205 - With best wishes from Hyde, Kelso, Fez and Jackie.
206 - Oh, this is just terrible.
207 - No, Kitty.
208 - Quincy's no Columbo, but he's still pretty good.
209 - Red, Bob was very upset when he left here.
210 - Bob's always upset. He's a little girl in big-boy pants.
211 - Well, why didn't you offer him a job?
212 - I didn't want to insult him by offering him some nothing job.
213 - Oh, Red, you insult him every day.
214 - But that's different. He thinks I'm kidding.
215 - Kitty, this is about a man's dignity.
216 - Oh, sure, it was awful, what happened.
217 - But let's just put it behind us and watch Quincy.
218 - Hey!
219 - Oh, come on, Red. How bad would it be working with Bob?
220 - It's a big store. You'd hardly ever see him.
221 - Maybe you could... You could hide from him.
222 - He'd find me.
223 - He always finds me.
224 - Well, you better think of something
225 - because they are gonna live next door to us for a long, long time.
226 - You don't know that.
227 - He's out of work. He'll probably lose the house.
228 - Fine. I'll talk to Bob.
229 - But you gotta work on your sense of humor, lady.
230 - Man, I can't believe those guys screwed us like this.
231 - Well, at least we still have each other.

232 - You know what? You're right, Donna.
 233 - I can't count on much in this crazy world, but I can always count on you.
 234 - That is so true.
 235 - - I have to go to the bathroom. - Okay.
 236 - Hey!
 237 - Why don't you just sit your lying ass down?
 238 - Eric, don't you trust me?
 239 - Not as far as I can throw you, and that ain't far.
 240 - How can you say that?
 241 - Okay, so I noticed the fire exit was next to the bathroom.
 242 - It doesn't mean I'd use it.
 243 - I just happened to notice it, that's all. It's very convenient.
 244 - Donna, don't you see what's happening?
 245 - - They've turned us against each other. - You're right.
 246 - I was gonna use the fire exit. I was!
 247 - You know why they do this?
 248 - Because they know we won't get them back.
 249 - We're responsible, mature "Mom and Dad."
 250 - We just... We won't stoop to their level.
 251 - Well, damn it, let's stoop to their level or an even lower level.
 252 - Yeah. Oh, I'm with you, baby, yeah.
 253 - There's just one problem.
 254 - We can't do it from in here.
 255 - If I don't make it...
 256 - ...tell Mama I'm sorry.
 257 - Don't talk like that.
 258 - You'll tell her yourself.
 259 - Hey, Bob.
 260 - So, taking out your trash, huh?
 261 - No, Red, I'm bringing it back in.
 262 - Yeah, Bob. That's a good one.
 263 - Listen, I want to offer you a job at Price Mart.
 264 - - Jeez, Red, Price Mart? - What?
 265 - Yeah, I mean, that may be fine for you,
 266 - but you're talking to a guy who owned his own business.
 267 - And ran it into the ground.
 268 - Okay... Okay, I'm... I'm sorry.
 269 - - Just take the job, Bob. - No.
 270 - Okay, that's fine, Bob. There is no job. Forget it.
 271 - Oh, so now you're not offering me a job.
 272 - I just offered you the job, and you said you didn't want the job!
 273 - Well, ask me again.
 274 - Oh, cripes.
 275 - You want a job at Price Mart, Bob?
 276 - I'll think about it.
 277 - Go to hell, Bob!

278 - Okay, you guys, okay. Good one last night.
 279 - You know, ditching us at the restaurant and everything.
 280 - Yeah, we got you so bad.
 281 - You really did. We laughed and laughed.
 282 - To show you guys we're such good sports,
 283 - we made you a batch of special brownies.
 284 - Special brownies. Like the special kind of special?
 285 - The best kind of special.
 286 - Something's wrong, I don't feel special.
 287 - Me neither.
 288 - Yeah, I don't think those were special brownies, man.
 289 - Oh, no, no. They're special.
 290 - Say, Donna, do you have any more of that special ingredient we used?
 291 - Well, I certainly do, Eric.
 292 - Chocolate super-lax.
 293 - - You didn't. - We did.
 294 - We so did. Now, maybe you'll think twice before screwing us.
 295 - Well, nice try, because I don't feel any... Oh!
 296 - Oh, no. I am last.
 297 - - Hi, no! - I know.
 298 - You're surprised to see me, right? And upset?
 299 - - Yes, many things are upset. - Okay, listen.
 300 - Okay, listen, Fez. About last night...
 301 - - I know you were angry... - Yeah.
 302 - - ...and you have every right to be. - No.
 303 - But you know what this was? Our first fight.
 304 - And it made us a real couple, if you can forgive me.
 305 - - Fine. Move away from the door. - So we're okay?
 306 - - Good. - No.
 307 - Now let's make up like a real couple.
 308 - You bastards!
 309 - Wait, Fez! Wait up!
 310 - Okay, you guys.
 311 - That was a wicked burn.
 312 - I mean, it had all the elements.
 313 - You didn't see it coming, parts of it really hurt.
 314 - - Well, Kelso, I'm glad you enjoyed it. - Oh, I did.
 315 - I got my eye on you two.
 316 - You're not gonna burn me like that again.
 317 - - I love our friends. - Me, too.
 318 - Hey, Red.
 319 - I've been thinking about your offer, and I want you to know
 320 - I made a decision.
 321 - Oh, goody.
 322 - But I need you to ask me again.
 323 - Bob, would you, uh,

324 - like a job at Price Mart?
325 - Say it like you mean it.
326 - Go to hell, Bob!

3.14 Episode 14: Radio Daze

1 - Bob...
2 - That's my soda.
3 - But I drank all mine.
4 - Keep it.
5 - Hey, that's my soda.
6 - Life is unfair.
7 - Oh, swell.
8 - It's Max from the radio station.
9 - His ad rates bled me dry.
10 - Well, I got nothing to say to him.
11 - Hiya, Max.
12 - Oh, bargain Bob.
13 - Well, hey, I'm sorry you lost the store, man.
14 - Sorry? I lost it by choice.
15 - Yep. I'm doing great.
16 - Got the large fries, you know.
17 - Large fries. That's great.
18 - I'll see you.
19 - Hey, uh, speaking of fries,
20 - you got any jobs down at the radio station?
21 - Oh, not for a guy like you.
22 - I'm currently Looking for an office girl,
23 - but usually my office girls are...
24 - Girls.
25 - Hi, I'm Donna the girl.
26 - Okay, Donna.
27 - Listen, drop by the station,
28 - and we'll see what we can do.
29 - Sure. Thanks.
30 - I could have been an office girl.
31 - Oh, that does it!
32 - This tastes like crap!
33 - May I help you, sir?
34 - Yeah. I want to compliment you
35 - on one tasty fried piece of shoe.
36 - Let me take care of this right now.
37 - Earl!
38 - Oh, no.
39 - Did you say Earl?
40 - Just one second.

41 - Oh, Ricky, I'm glad you called me.
42 - I need to leave Early for a...
43 - Oh. Hi, Red.
44 - You two know each other?
45 - I used to work for Red. Then he fired me.
46 - Oh, then he and I have something in common.
47 - You're fired.
48 - What'd I do?
49 - Hey, Bob. Job just opened up for you.
50 - Fez...
51 - What instrument's that?
52 - Instrument?
53 - Eric, I got a job!
54 - I'm sorting records at Jerry Thunder's radio show.
55 - No way!
56 - WFPP?
57 - That's Jerry Thunder!
58 - The sound.
59 - Totally, and he knows rock stars,
60 - and he gets free concert tickets,
61 - and he gave me this guitar pick from Foghat.
62 - No way!
63 - Eric, there's a whole pile of bumper stickers,
64 - and they're free!
65 - No way!
66 - Okay, well, I gotta go.
67 - I gotta go alphabetize the 8-tracks.
68 - No way!
69 - Hangin' out
70 - Down the street
71 - The same old thing
72 - We did last week
73 - Not a thing to do
74 - But talk to you
75 - We're all all right
76 - We're all all right
77 - Hello, Wisconsin!
78 - Leo, man, this place is a mess.
79 - Yeah? You should see my garage.
80 - This is your garage, man.
81 - Well, then you see what I mean.
82 - It's a mess.
83 - National Geographic is a beautiful magazine.
84 - There is volcanoes, and a gazelle...
85 - And naked...
86 - Hey, Leo, man, there's a car in here.

87 - It's an El Camino.
88 - Oh!
89 - Wow. Do you think it's mine?
90 - The plate says "Leo's."
91 - No, I mean the car, man.
92 - This guy, you know?
93 - And this is where we do the interviews.
94 - A lot of rock legends have puked in this room.
95 - Good times.
96 - Wow.
97 - So if I stay here long enough,
98 - I might see a rock star throw up?
99 - See it?
100 - You'll probably clean it up.
101 - All right!
102 - Oh, yeah. This is Jerry Thunder...
103 - Coming to you on the sound,
104 - and it looks like we got a new office girl.
105 - What's your name, baby?
106 - Um, Donna.
107 - Mmm, well, Donna,
108 - you are hot.
109 - So I'm gonna call you "hot Donna."
110 - Okay.
111 - You got yourself a boyfriend, hot Donna?
112 - Um, no.
113 - Mmm, that is good news, fellas,
114 - 'cause hot Donna is hot!
115 - Um...
116 - Max, why'd you make me say that
117 - just 'cause I have a boyfriend.
118 - Fine. You have a boyfriend.
119 - So does Elton John.
120 - No way!
121 - Yeah, they're a fantastic couple.
122 - I love 'em.
123 - The point is we're selling an image here,
124 - and an available hot Donna is good for ratings.
125 - Oh, well, what the hell?
126 - Eric won't have a problem with this.
127 - What the hell? I have a problem with this!
128 - Maybe she dumped you and forgot to tell you.
129 - Oh, my God. Thank you, Nairobi.
130 - Look, Forman, I wouldn't read too much into this.
131 - Donna probably just said she doesn't have a boyfriend because she's
ashamed of you.

132 - Okay, baby, I'll see you later.
133 - Listen, Forman,
134 - you're just upset because you know Donna's entering
135 - the really cool world of FM radio.
136 - But, you know, feel good, man.
137 - 'Cause you'll be like that first sweet relationship
138 - she'll Look back on fondly while she's on the tour bus
139 - straddling rock stars.
140 - Yeah, life just hasn't been the same since I lost the van.
141 - You know, it's hard to get chicks
142 - when you don't have wheels.
143 - I mean, you know, sometimes a killer bod just isn't enough.
144 - Amen to that, brother.
145 - Okay, I'll sell the El Camino to you for...
146 - 500.
147-400.
148 - 600.700.
149 - No, damn! Wait!
150 - That's the wrong way.
151 - Um...
152 - Uh...500!
153 - *No*.
154-500.
155 - Sold.
156 - Sucker. Sucker.
157 - Eric, don't worry about this whole Donna thing.
158 - I know a lot of girls who are much more realistic for you.
159 - You know, they might be a little heavy
160 - or a little dumb or have a cockeye, but...
161 - Jackie, she didn't break up with me, okay?
162 - She still loves me.
163 - Oh.
164 - So you're in the denial stage.
165 - No.
166 - See?
167 - Oh, my God, you guys.
168 - This has been the best day ever!
169 - Jerry Thunder is totally taking me under his wing,
170 - and his stories?
171 - He's so funny.
172 - Oh! Elton John has a boyfriend.
173 - Plus I get to meet Alice Cooper.
174 - Here it is!
175 - I'm gonna see if Alice will sign this.
176 - Oh, I can't make it to the movie tonight. See ya.
177 - See?

178 - She still loves me.
179 - Yeah.
180 - Have you met my friend, fat Sally?
181 - Earl, what brings you here?
182 - Well, I took the bus.
183 - First off, Kitty, I'd like to say you have a lovely home.
184 - Second of all, screw you, Red!
185 - What?
186 - Well, I'm outta work, and it's all your fault.
187 - How am I supposed to pay my bills
188 - or feed my dog or go to Hawaii?
189 - Look, Earl,
190 - you can't blame me for getting fired.
191 - I didn't make you too dumb to flip burgers.
192 - That's God's fault.
193 - Yeah? Well, you know the Christmas card you get
194 - of me and my dog every year?
195 - You're off the list. Yeah, that's right.
196 - Don't bother checking the mailbox, Red,
197 - 'cause it ain't coming.
198 - I loved his Christmas cards.
199 - They were handmade.
200 - This is Jerry Thunder...
201 - Coming at you on the sound,
202 - and we got Alice Cooper droppin' by any minute,
203 - and it is going to be wild!
204 - This is Jerry Thunder...
205 - Coming your way on the sound
206 - where we are enjoying lots of sex, drugs,
207 - and rock and roll.
208 - Am I right, hot Donna?
209 - You sure are, Jerry Thunder.
210 - Radio people are the coolest!
211 - That's right.
212 - That's why you want to have sex with us all.
213 - I really do!
214 - Hey, everybody, it's Alice Cooper.
215 - Hey, hot Donna.
216 - Heard about you at the last big rock star meeting.
217 - Hey, Ted Nugent and I were wondering,
218 - did you ever break up with that loser boyfriend of yours?
219 - Not yet, Alice Cooper.
220 - Here's my loser boyfriend right now.
221 - Hey, Donna, are you ready to go to the Pricemart Ball?
222 - You hear that, everybody? The Pricemart Ball.
223 - Hey, I got an idea. Why don't we feed

224 - your skinny boyfriend to the snake?
225 - Okay.
226 - Damn you, Alice Cooper!
227 - I haven't seen Donna in two days.
228 - She's been spending all of her time at the radio station.
229 - It's a real problem.
230 - Oh, well, here we go again.
231 - Forman's got a problem.
232 - Well, you know what?
233 - Maybe I got a problem, man. Did you ever think of that?
234 - Oh, man, Hyde, I'm sorry.
235 - Go ahead, man. Unload.
236 - Actually, I'm cool.
237 - And that's how you do it.
238 - You have a problem and you hold it in, man.
239 - Now leather up, fruitcake.
240 - I have a problem...
241 - But I guess I'll keep it all inside.
242 - Hey, you guys,
243 - so Leo agreed to sell me the El Camino for, like, 500,
244 - *sowhatIneedfromyouis...*
245 - 500.
246 - Hey, I'm Hyde.
247 - I don't feel anything.
248 - I'm just a frizzy-haired robot.
249 - Hey, I'm Forman.
250 - I use the same voice to imitate everybody.
251 - It's just that I...
252 - I...
253 - Nothing.
254 - Oh, Gilligan screwed it up.
255 - He always screws it up.
256 - Why don't they just kill him?
257 - I don't think you're really mad at Gilligan, Red.
258 - Admit it. You feel guilty about what happened to Earl.
259 - This has nothing to do with Earl.
260 - The professor worked on that coconut radio for three months.
261 - Now how the hell are they gonna get off that island?
262 - Well, then I guess I was wrong.
263 - I don't know why I questioned you.
264 - And I'll tell you...
265 - Something's going on with that Skipper.
266 - You don't get that fat eating coconuts.
267 - Jackie, you know I wouldn't ask you
268 - if this wasn't important, okay?
269 - But this is an El Camino.

270 - That's Spanish for "The Camino."
271 - By accepting this check,
272 - you are agreeing to two things.
273 - First, you will pay me back in full,
274 - and you will be my slave for a week.
275 - You mean like your love slave?
276 - No.
277 - More like an errand boy.
278 - You mean like your errand love boy?
279 - No.
280 - Just errands.
281 - Okay.
282 - Good. Here. Now, go get your car,
283 - and then come by my place.
284 - I need you to hold my toes apart while I paint them.
285 - Well, errand boy,
286 - you just sold your soul for a car.
287 - Who cares, Fez?
288 - Your soul is like an appendix.
289 - I don't even use it.
290 - Kitty, about this burger...
291 - What? Is it burnt?
292 - Are you gonna fire me?
293 - Make me live on the street with the other hoboes?
294 - Kitty, let it go.
295 - I do not feel guilty!
296 - All right! I feel guilty!
297 - He'll thank me when his tummy stops hurting.
298 - So...
299 - How are things with you and...
300 - Hot Donna?
301 - Well, if you heard about hot Donna,
302 - then you heard that I'm not her boyfriend.
303 - The whole world heard that.
304 - Well...
305 - People in Canada heard it.
306 - Oh, honey, Canadians don't matter.
307 - What matters is that you and Donna are okay, right?
308 - Mom, I don't even know if we're okay.
309 - She's spending all of her time at the sound
310 - with Jerry Thunder.
311 - That reminds me of when I first started at the hospital.
312 - Your father was concerned
313 - that I was spending way too much time down there
314 - with all these handsome doctors.
315 - But, mom, that's stupid.

316 - Doctors aren't important like DJs.
317 - Okay, well, the point is,
318 - your dad started showing up at the hospital to mark his territory,
319 - and one of the doctors who was getting a little fresh
320 - got punched in the mouth.
321 - Dad's so cool.
322 - No, that wasn't cool. It was embarrassing.
323 - But you married him.
324 - Yes, but it was embarrassing.
325 - But, still, you married him.
326 - The point is, you have to trust Donna.
327 - But dad didn't trust you, and you married him.
328 - Okay, you know what?
329 - I can't talk to you.
330 - Okay, I am here to withdraw my complaint
331 - about my overcooked burger.
332 - Ah-ha. Well, I don't think you can do that.
333 - Well, I think I can.
334 - Of course you can. The customer's always right.
335 - So you'll give Earl his job back?
336 - Well, the fry cook burned off his finger this morning,
337 - so... sure.
338 - By the way, don't have the fish sticks.
339 - We haven't found it.
340 - You hear that, Earl?
341 - You got your job back. You can go to work.
342 - Wait. You mean right now?
343 - But I'll Miss WKRP.
344 - Okay, man, here are the keys.
345 - Oh, bitchin'!
346 - You know, I was gonna give this car to my son
347 - on his 16th birthday,
348 - but then my old lady took him and split.
349 - Yeah, wow. Sad story. Keys, please?
350 - I can't sell you the car, man.
351 - Oh, man!
352 - Oh, I guess I understand.
353 - Thanks, man.
354 - Hyde, I want you to have this car.
355 - What? No!
356 - You just said that you couldn't sell the car!
357 - Well, I'm not selling it.
358 - I'm giving it to him, man.
359 - He's family.
360 - He's the son I never had.
361 - You just said you had a son!

362 - Yeah,
363 - and Hyde's the son I never had.
364 - Hey, Leo, man, thanks. You're the best...
365 - The car... The love...
366 - The wicked burn on Kelso.
367 - Hey, man. Need a lift?
368 - Eric, what are you doing here?
369 - I'll tell you what I'm doing here, Donna.
370 - I'm here to say who's who and what's what
371 - to Jerry Thunder.
372 - Eric, you can't talk to Jerry. He's on the air.
373 - Oh, fine. Then I guess I'll just have to wait.
374 - But let me tell you something...
375 - I'll be fuming.
376 - This is Jerry Thunder...
377 - Signing off,
378 - and I'll see you around the sound.
379 - All right. Whoo!
380 - Let's get Mr. Big FM stud out here right now.
381 - Yeah! Big time!
382 - Eric. Why are you being weird?
383 - Donna, I'm gonna make a long story short.
384 - I'm here to kick a little DJ ass, so have a seat.
385 - Hey, Donna, and this must be the boyfriend Eric.
386 - Hi. I'm Jerry Thunder.
387 - You're Jerry Thunder?
388 - Well, that's just great.
389 - Check out Jerry Thunder.
390 - Hey, you kids, the night is young.
391 - You guys up for a game of Dungeons Dragons?
392 - I'll let you be Mandar, the half-elf.
393 - Oh, well. Another time, perhaps. Good night.
394 - So that's Jerry Thunder?
395 - You know, it really turns me off
396 - when you're so insecure like this.
397 - We've been together long enough
398 - where it's either you don't get it
399 - or you don't trust me.
400 - No, Donna, I trust you.
401 - Well, then you don't get it.
402 - I finally have something that's really good
403 - in my life right now.
404 - And if you can't handle that,
405 - then we have a problem.
406 - So, Eric, do we have a problem?
407 - No, we do not have a problem.

408 - Okay, good,
409 - 'Cause I broke my nail on a Styx album.
410 - I didn't even get to meet Alice Cooper,
411 - and I am super pissed.
412 - Yeah, well, you know...
413 - You have a really cool job.
414 - Yeah, I do, don't I?
415 - REO Speedwagon's coming in next week.
416 - I'm gonna see if they'll sign my boobs.
417 - Now we have a problem.
418 - Okay, suddenly you're face-to-face
419 - with the dragon of fear.
420 - No! I should have worn my gauntlet of ogre strength.
421 - Dumb!
422 - Any ideas, Mandar?
423 - Well, there's my rod of cancellation,
424 - but it's chancy.
425 - Yeah. You know, a girl once promised to play with us,
426 - but she didn't show up.
427 - Cheer up, King Zintar the great.
428 - Let's get out there and slay that dragon.

3.15 Episode 15: Donna's Panties

1 - Oh! Oh!
2 - That's 16 for me and Hyde,
3 - and four for the losers.
4 - You guys ought to get a mascot.
5 - A big, green, furry loser.
6 - That's... that's not even a thing.
7 - Come on. Take it to the hoop, or maybe you're afraid,
8 - 'cause you know I'm gonna slap it down.
9 - Oh, yeah? Well...
10 - Yeah?
11 - You tell her, Eric.
12 - Ooh!
13 - Oh! How can he stand the embarrassment?
14 - She told you what she was gonna do.
15 - You gotta listen, man.
16 - Eric, why don't you just give me the two points?
17 - Save yourself the humiliation?
18 - Well, why don't you just save yourself the two points,
19 - and then, the humiliation will be...
20 - Whatever! Come on!
21 - Oh, I'm comin',
22 - and there's nothing you can do to stop me.

23 - Eric!
24 - Oh, my God! Donna's wearing granny panties!
25 - Nice panties, granny.
26 - Oh, come on. You have to admit
27 - that was some killer D.
28 - Oh, no.
29 - Hangin' out
30 - Down the street
31 - The same old thing
32 - We did last week
33 - Not a thing to do
34 - But talk to you
35 - We're all all right
36 - We're all all right
37 - Hello, Wisconsin!
38 - Okay, Fez, I got you some Valentine conversation hearts.
39 - Oh. Well, thank you, Caroline.
40 - "Be mine."
41 - Okay.
42 - "Sweetheart." It really is.
43 - "Kiss me."
44 - Well, I'm not about to argue with candy.
45 - Fez...
46 - Is there one in there that says "get a room?"
47 - No, but here's one that says,
48 - "Kiss my brown ass."
49 - Sorry you had to hear that, Caroline.
50 - It's okay. She asked for it.
51 - Oh! I gotta get going.
52 - I'll see you tonight.
53 - Yeah.
54 - Well, well, well...
55 - Look who has a lady.
56 - And to think, I was about to settle for you.
57 - Talk about dodging a bullet.
58 - Hey. Hey. Check out this article in Boy's Life.
59 - "The square knot, not just for squares?"
60 - No. This one about being an astronaut.
61 - I think I'm gonna do that.
62 - Michael, I think there's a prerequisite for being an astronaut.
63 - You have to be not dumb.
64 - Uh-uh.
65 - If they can send a monkey into space, they can send me.
66 - I don't know. Monkeys are pretty smart.
67 - All right, fine. Fine. Make fun.
68 - When you see my shoe-prints on the moon,

69 - what are you gonna say then?
 70 - Probably, "Hey, some monkey's wearing Kelso's shoes."
 71 - Hey-hey, astro-chimp...
 72 - When you come back down to earth,
 73 - if your parachute doesn't work,
 74 - you could always use Donna's monstrous panties.
 75 - Hey. Hey. Hey, you guys.
 76 - None of that when Donna gets here, okay?
 77 - I don't need her mad at me on Valentine's Day.
 78 - All right, Forman, relax. Wearing granny panties
 79 - is a very sensitive issue that I don't find funny and I refuse to exploit.
 80 - Good.
 81 - Hey, everybody, look. It's granny panties.
 82 - Hyde.
 83 - Uh, sorry, man. It's in my nature to burn.
 84 - Granny panties understands. Don't you, granny panties?
 85 - Okay, look. I didn't have anything else to wear.
 86 - It was laundry day.
 87 - I didn't know they made a washing machine
 88 - big enough for those panties.
 89 - Hey!
 90 - Hey! You guys can all just shut up, okay?
 91 - So she wears big panties. So what?
 92 - Donna, look. I am really...
 93 - Really, really sorry.
 94 - Eric, I'm fine. Let's just forget about it.
 95 - Really? 'Cause when I saw your sweats around your ankles,
 96 - I thought I was dead.
 97 - Eric, I said I'm fine.
 98 - Oh, my God. Oh, my God. You are so cool.
 99 - You... I... you are seriously, like, the coolest girl ever.
 100 - Wow. Chicks must really dig astronauts,
 101 - 'cause it says here that astronauts
 102 - get all the Tang they want.
 103 - Oh, Donna is gonna love you making dinner for her.
 104 - There is nothing sexier than a man who cooks...
 105 - Unless that man is Burt Reynolds.
 106 - Then I don't give a darn what he's doing,
 107 - he's just sexy.
 108 - Ooh. Mom has a thing for the bandit.
 109 - 10-4.
 110 - Go set the table.
 111 - Oh. No, no, honey. Use the special china.
 112 - You don't want to mess up a good thing with everyday dishes.
 113 - Okay, but...
 114 - Mom, it's not like I can mess this up.

115 - I mean, Donna is cool no matter what I do.
116 - Like, earlier? I pulled down her pants
117 - in front of everyone in the driveway,
118 - and she just... You did what?
119 - No. It was cool. She just... she said she was fine.
120 - Oh. Then I guess she's fine.
121 - Yeah, 'cause she said she was fine.
122 - Yeah. She wouldn't say she was fine unless she was fine.
123 - Would she?
124 - What are you talking about?
125 - Well, what do you think I'm talking about?
126 - I don't know.
127 - Why are you doing this to me?
128 - Doing what? I don't know!
129 - Well, all I meant was, have a happy Valentine's Day.
130 - Oh.
131 - Oh. Okay. Thanks.
132 - Although I doubt you will.
133 - Stop it!
134 - Hello, Michael.
135 - Hi, Mrs. Forman. Is Laurie home?
136 - I got a little surprise for her.
137 - Oh, you brought her flowers.
138 - Isn't that just...
139 - A waste of money?
140 - No. She deserves them.
141 - I mean...
142 - Not many people get me, you know?
143 - I'm a complicated guy. So...
144 - When everyone starts in on me,
145 - I just like to be with my girlfriend,
146 - 'cause she's nice to me.
147 - Who are we talking about?
148 - Laurie.
149 - Laurie Forman?
150 - Yeah. So, I just want to tell her
151 - that I'm happy we're together
152 - on this, our nation's day of love.
153 - Oh. Well, how patriotic of you, Michael.
154 - Yeah. I want to be an astronaut.
155 - Oh. Well, I...
156 - I think you'd make a fine spaceman.
157 - Thanks.
158 - You know, I gotta say,
159 - I think Laurie gets a lot of her sweetness from you.
160 - Laurie Forman?

161 - Bye, Laurie.
 162 - Hey, man. What the hell are you doin'?'
 163 - Oh, yeah. I should, uh,
 164 - probably go out through the window.
 165 - Oh, would you look at this?
 166 - Ooh. A nice, romantic dinner for two.
 167 - Donna's gonna love it.
 168 - Why? Is she bringing a date?
 169 - Red.
 170 - I'm sorry, but that's funny.
 171 - Hey, Mr. and Mrs. Foreman.
 172 - Oh, my. Look at this vision of lovely.
 173 - Oh, this is just like when you two were little and you,
 174 - you used to eat pretend supper. Hmm.
 175 - Only now, it won't end up with Donna sitting on Eric's head.
 176 - Oh. Oh, Red, let's go.
 177 - Kitty, that was just awful.
 178 - I know. Keep walking.
 179 - Wow. I was...
 180 - Afraid that was gonna be awkward.
 181 - Yeah. Eric, this looks so great.
 182 - Yep. Shaked, baked, and maked especially for you...
 183 - And this here is a little somethin' that I like to call...
 184 - A little somethin'.
 185 - You bought me a present? That's so sweet.
 186 - I didn't even get you anything, and you got me...
 187 - Panties? What the hell?
 188 - Yeah. Panties.
 189 - Get it?
 190 - No.
 191 - To replace your ugly ones.
 192 - Eric, when I said I didn't get it,
 193 - I meant, I didn't like it.
 194 - No. See, you forgave me earlier, and...
 195 - I figured if I brought it up,
 196 - we could just, you know, share a laugh.
 197 - Your turn.
 198 - You know what? You're the one who doesn't get it.
 199 - Well, maybe you should explain it to me.
 200 - I heard that!
 201 - Man, this is the worst Valentine's Day ever.
 202 - It's Donna's fault. Okay?
 203 - I didn't make her wear that big, goofy underwear.
 204 - I mean, I'm sorry,
 205 - but if you're hanging out with this crowd,
 206 - you got to know that eventually

207 - your pants are getting pulled down.
208 - Am I right?
209 - I am so glad I did not pull down Caroline's pants.
210 - I'm mean, if she asked me to, I would.
211 - 'Cause I respect her wishes.
212 - And also, I am so horny.
213 - Forman, when I told you it would be funny
214 - to give Donna panties,
215 - I meant it would be funny to me,
216 - and it was.
217 - This is what happened to my heart
218 - when I found out Laurie was cheating on me.
219 - It's lemon.
220 - I mean, how could she do this?
221 - Uh, I really thought we had something.
222 - Probably the same way you did it to Jackie.
223 - Only this time it's even funnier, 'cause it's you.
224 - It's a good day.
225 - Tonight, I am going to ask Caroline to go steady with me.
226 - Because that is the last step
227 - before you can do it, right?
228 - Oh, how I want to do it.
229 - I am so horny.
230 - So Michael cheated on me with Laurie,
231 - and Laurie cheated on him.
232 - Hmm! There is a God, and he's on my side.
233 - Well, I'm glad you're happy.
234 - My boyfriend's a giant baby.
235 - Ooh, underwear is so funny.
236 - Pooh-pooh. Pee-pee. Caca.
237 - You know what will make you feel better?
238 - Let's go make mean jokes at Michael's expense.
239 - How will that make me feel better?
240 - 'Cause then I'll feel better, and I could cheer you up.
241 - On what planet did Eric think
242 - it was okay to pull down my pants?
243 - There are some things that are private, Jackie.
244 - For instance, everything under my pants.
245 - I agree. Keep it to yourself.
246 - Why doesn't Eric understand that when I said I'm fine,
247 - I meant I will be fine...
248 - So long as he kisses my ass for two weeks
249 - until I'm actually fine.
250 - He's like brain damaged.
251 - Look...
252 - He's just not a good boyfriend.

253 - You should dump him, and then we can move to Dallas
 254 - and be weathergirls.
 255 - So, how was your night?
 256 - He blew it.
 257 - Well, what a surprise.
 258 - Wait, you're saying that like it's not a surprise.
 259 - Okay, then.
 260 - You know, son...
 261 - There's a time and a place
 262 - to pull down a lady's pants.
 263 - And a pickup game in our driveway is not one of 'em.
 264 - Look, Dad, I know it was dumb.
 265 - But Donna said it was fine,
 266 - and... apparently it wasn't fine.
 267 - Sit down.
 268 - Eric,
 269 - there's a pair of shoes up in your mom's closet.
 270 - And one day, I accidentally stepped on one of them and scuffed it.
 271 - "Don't worry." your mom said. "Everything's fine."
 272 - But every now and then, she takes them out of the closet
 273 - and she puts them on and she does this...
 274 - Oh...
 275 - And then takes them off and puts them back in her closet.
 276 - Eric, this has been going on for 14 years.
 277 - So why doesn't she just get new shoes?
 278 - Oh, Eric. You are so young.
 279 - You see, women are...
 280 - What's the word I'm looking for here... crazy.
 281 - Oh, so, overall you and Mom are okay,
 282 - so Donna and me, we'll be okay? Right?
 283 - No.
 284 - I scuffed your mom's shoe.
 285 - I didn't pull her pants down
 286 - in front of God and the foreign kid.
 287 - So, what are you saying?
 288 - I'm screwed with Donna?
 289 - Hey, if it makes you feel any better,
 290 - I'm surprised you lasted this long.
 291 - I feel like I'm clinging to a cloud
 292 - I like popcorn. Do you like popcorn?
 293 - Yes.
 294 - I like candy. Do you like candy?
 295 - Yes.
 296 - I like soda. Would you like to go steady with me?
 297 - Oh! Yes, Fez!
 298 - I think I might have tricked you.

299 - You do know we are going steady, right?
300 - Yes.
301 - What a magical night.
302 - Yes.
303 - I dreamed of this since the moment we met.
304 - Me, too.
305 - You know, this is my favorite movie of all time.
306 - I've seen it, like, 16 times.
307 - That woman keeps calling Clint Eastwood
308 - and asking him to play Misty for her.
309 - Isn't it romantic?
310 - Romantic? But she is following him
311 - and bothering him and threatening him.
312 - Huh? Yeah. That's what I mean.
313 - If she can't have him, nobody can.
314 - Well, okay, then.
315 - You're so cute. I love being your girlfriend.
316 - If you ever left me, I'd kill you.
317 - Oh... Okay, then.
318 - And what's up with Eric's head anyway?
319 - It's completely out of proportion to that skinny body.
320 - He looks like a blow-pop.
321 - You know, I bet Michael's
322 - going to want me to feel sorry for him.
323 - But I'm going to be all, like, aw.
324 - Bite it, Casanova!
325 - Hey, Jackie. Donna.
326 - Hey, Michael. I heard what happened.
327 - Yeah. Me and Laurie are done.
328 - Doesn't Eric look like a blow-pop?
329 - Uh, yeah. I guess.
330 - Uh, listen. Uh, Jackie. Can we go somewhere and talk?
331 - No! Look, anything you have to say to me,
332 - you can say in front of Donna.
333 - Well, okay, uh...
334 - Listen. What happened with me and Laurie got me thinking,
335 - and what she did was really a betrayal,
336 - and it hurt so much.
337 - So you want me to feel sorry for you?
338 - No! Don't feel sorry for me.
339 - Wait, what?
340 - No. I deserved this.
341 - After what I did to you...
342 - I don't know if you've made the connection,
343 - but there are a lot of similarities
344 - between what Laurie did to me and what I did to you.

345 - Except you and I were really in love,
346 - and you trusted me.
347 - Jackie, I let you down, and I'm sorry.
348 - Wait, wait, wait. Are you just saying this stuff
349 - so I'll give you Valentine sex?
350 - 'Cause this is a holy day, Michael,
351 - and you should be ashamed of yourself.
352 - No.
353 - I just said what I wanted to say,
354 - and I don't blame you if you never want to speak to me again.
355 - So good-bye.
356 - Jackie, are you okay?
357 - Sure. Great.
358 - I'm just... Sitting here alone on Valentine's Day.
359 - Hey, I'm here.
360 - Yeah, why are you here?
361 - You should be with the one you love,
362 - and you love Eric for some reason.
363 - Shut up. There's a lot of reasons.
364 - He's not a blow-pop.
365 - He's a sweetie pie.
366 - Then you should be with him.
367 - Look, take it from someone who has loved and lost.
368 - Whatever he did isn't worth being alone
369 - on this holiest of days.
370 - Jackie, are you actually thinking about me instead of yourself?
371 - Yeah. God! I've had way too much sugar.
372 - Look, Eric, we need to talk.
373 - Before, I told you everything was fine when it wasn't.
374 - So I'm sorry for not letting you know
375 - what a colossally insensitive bonehead you are.
376 - Oh! Apology accepted.
377 - That's... Very big of you.
378 - No, I'm serious. So from now on when you piss me off,
379 - I will do you the courtesy of blowing up in your face.
380 - Oh, Donna, that's all I ask.
381 - And as for my part,
382 - I've realized that somewhere along the way
383 - we crossed a line where pulling down your pants in public
384 - is really no longer that funny.
385 - And I suppose that point came
386 - when you started letting me
387 - pull them down in private.
388 - Exactly.
389 - So...
390 - Are we good?

391 - Yeah, no.
 392 - Are we good now?
 393 - Getting there.
 394 - Just... come on. Let me put my pants on.
 395 - Nope.
 396 - But it's really cold.
 397 - And, you know, I'm freezing off
 398 - parts of my body here
 399 - that I know you've expressed appreciation for.
 400 - Eric, for God sakes.
 401 - No one wants to see that.
 402 - Yeah. Now we're good.
 403 - Oh.
 404 - Something wrong, honey?
 405 - No. Everything's fine.

3.16 Episode 16: Romantic Weekend

1 - - What are you guys up to? - We're spending the weekend at a hotel.
 2 - What, car sex isn't good enough anymore?
 3 - I would love car sex.
 4 - Or just sex.
 5 - Or just a car.
 6 - I have to get out of town. Ever since my dad lost the store
 7 - he just shuffles around in a not-completely-closed bathrobe.
 8 - It's really depressing.
 9 - "The Wisconsin Dells' most romantic hideaway.
 10 - "Hunters and truckers always welcome."
 11 - That's nice.
 12 - Sounds awesome. I'm gonna go pack.
 13 - You guys. The weirdest thing just happened with Pam Macy.
 14 - Kelso, man, she'll do that with any guy standing in front of her.
 15 - Okay. So, I'm making out with Pam in the orchestra pit,
 16 - and everything's progressing like normal until...
 17 - What?
 18 - You know, the really, really bad thing
 19 - that can happen to guys when they're with girls.
 20 - Oh, did Mr. Cooper come in to buff the floor?
 21 - No.
 22 - Okay.
 23 - Let me put it this way.
 24 - The buffer wouldn't buff.
 25 - Poor Mr. Cooper.
 26 - No, Fez. I think what he's trying to say is...
 27 - The rabbit wouldn't come out of the hat.
 28 - The weasel wouldn't pop.

29 - The alphabet soup never spelled "Go."
30 - Okay! All right! Enough!
31 - Actually, not quite.
32 - There are a lot of Amish people but they never raised a barn.
33 - Forman, man, that was awesome.
34 - Hey. It just came to me.
35 - I get it. The barn is Kelso's pants.
36 - Okay, you guys! This is not funny!
37 - This is, like, a nightmare.
38 - Yes. Eric, stop teasing.
39 - Kelso, I want you to know that I feel bad for you,
40 - and that I am sorry you are not a man!
41 - Hanging out
42 - Down the street
43 - The same old thing
44 - We did last week
45 - Not a thing to do
46 - But talk to you
47 - We're all all right
48 - We're all all right
49 - Hello, Wisconsin!
50 - So, looks like I'm gonna have to spend the weekend with Kelso...
51 - Tutor him in math.
52 - Really?
53 - Hmm.
54 - So, you're allegedly tutoring Kelso in math.
55 - Yes, sir.
56 - Are you good in math?
57 - What's the square root of "X"?
58 - - I really can't answer that. - Aha!
59 - No. See, "X" is a variable,
60 - so until you define its parameters,
61 - the only possible answer is a variable, or "X" if you prefer.
62 - Is that right?
63 - Sounds good.
64 - Will Michael's parents be home?
65 - Yes.
66 - Are they as dumb as he is?
67 - I can't lie. Yes.
68 - Yes, they are.
69 - Right answer. That was a trick question.
70 - I know they're dumb.
71 - So...
72 - - I can go? - You can go...
73 - But I'll be watching the news.
74 - And if anything is vandalized, or explodes,

75 - or catches on fire,
76 - "X" is gonna equal me kicking your ass.
77 - So, anyway, Jackie's having trouble in school stuff
78 - and I thought I should stay with her this weekend,
79 - tutor her in, you know, stuff.
80 - Anyone?
81 - I'm sorry, honey, I can't concentrate when your father's robe is open.
82 - Leave me alone. I'm ventilating.
83 - Okay. See you Sunday.
84 - Genie, I'm home.
85 - Hello, Genie Jackie.
86 - Hello, Master Major Michael. How was your day?
87 - Pretty good, pretty good. But I'm starving.
88 - I've been on the moon all day and I missed lunch.
89 - I can fix that.
90 - Damn, I love having a genie.
91 - Well, let's eat.
92 - Okay, unless you're hungry for something besides food, Master.
93 - Actually, I've been having a little problem in this department lately.
94 - Not anymore.
95 - You're the best genie ever!
96 - Hello? Pam?
97 - I'm back!
98 - You know, Red, with the house empty this weekend,
99 - it might be a nice opportunity for a little romance.
100 - Uh-huh.
101 - Is that, "Uh-huh, my passion burns for you"
102 - or, "Uh-huh, you're as exciting as an old hat"?
103 - Well, what kind of old hat?
104 - How about a hat that's about to be super PO'ed?
105 - Then the passion one.
106 - Okay. I'm gonna sneak some beer out of the fridge. You go be lookout.
107 - You can count on me.
108 - Hyde, the Formans are home.
109 - A little late, Fez.
110 - It's funnier this way.
111 - Okay, you two, out.
112 - Here, you can each have a Snack Pack.
113 - - Thank you, Mrs. Forman. - Thank you, Mrs. Forman.
114 - Ooh. Chocolate.
115 - Okay, Kitty.
116 - I'm gonna cook you a romantic dinner.
117 - So, you go put on something pretty
118 - and I'll warm up the toaster oven.
119 - Oh, wow! Dinner from the toaster oven.
120 - Well, whoop-de-do. I'll put on my fancy dress.

121 - - Okay. I'm gonna work on Plan B. - Oh, I would.
 122 - This place is awesome.
 123 - I know. There's gotta be, like, 17 pillows on this bed.
 124 - What's this?
 125 - Oh, my God. It's a tiny fridge...
 126 - With, like, a million bottles of tiny liquor.
 127 - And tiny cookies.
 128 - Oh, yeah? Well, in there, tiny shampoo and tiny soap.
 129 - Donna, I think elves work here.
 130 - I feel so classy.
 131 - I'm stealing all of it.
 132 - Look, Pam, I'm really sorry about what happened...
 133 - Again.
 134 - I must have the flu or something.
 135 - It's not like any flu I've ever heard of.
 136 - Well, there's lots of kinds of flu, Pam!
 137 - I'm sorry.
 138 - Oh, well. Don't take it so hard.
 139 - Oops. Sorry.
 140 - Look, just don't tell anybody, okay?
 141 - Oh, Flopsy...
 142 - I'm not gonna tell anybody.
 143 - I'm gonna tell everybody.
 144 - Hey, Eric.
 145 - Do you know that if you mix Kahlua and Scotch, it tastes just like Dr Pepper?
 146 - You're cute.
 147 - Okay.
 148 - I think you're cute, too...
 149 - And a little drunk.
 150 - Which is gonna make my job a whole lot easier.
 151 - What's that?
 152 - I guess the guy next door thinks we're being too loud.
 153 - - Oh, yeah? - What...
 154 - Oh, my God. He just pounded right back.
 155 - Okay. You know what? Let's just be quiet.
 156 - But then he wins, Eric.
 157 - We need to get the last pound.
 158 - See? We won.
 159 - We're not gonna take crap. We're gonna give it 'cause we're fearless.
 160 - Oh, my God. He's at the door.
 161 - Okay, you know what? I think I have a little fear.
 162 - So, let's just be really quiet and pretend we're not here,
 163 - and maybe he'll just think we're not here.
 164 - - Okay. - Okay.
 165 - Will you cut it out?

166 - - Okay, look, just stay in here and shush. Okay.
 167 - - Eric! - Dad.
 168 - Hey, it's Big Red.
 169 - Son of a bitch!
 170 - What the hell are you doing here?
 171 - Wait. What are you doing here?
 172 - Oh, my God. Who are you with?
 173 - Your mother, you dumb ass.
 174 - Okay. I'm gonna make a deal with you.
 175 - I never saw you. I don't know you're here.
 176 - Wait. So we're good?
 177 - No, no, you're getting your ass kicked on Monday.
 178 - But for now, you shut up and stay here.
 179 - If your mother sees you, my fun time is over.
 180 - Oh, this is just awful!
 181 - Oh. No, hey, cheer up.
 182 - I've been in trouble with Red before. It's okay.
 183 - No, it's not that.
 184 - It's just seeing your dad reminded me of my dad.
 185 - Your dad's going away on nice weekends and having fun,
 186 - and my dad's out of work and sad.
 187 - Plus your robe's not completely closed,
 188 - and that reminds me of him, too.
 189 - Okay, okay, you know what?
 190 - Let's turn that frown upside down.
 191 - That's right.
 192 - Let's have super-hot sex, baby.
 193 - And by super-hot sex, I mean...
 194 - Let's talk about your sad feelings.
 195 - Okay, Jackie, I have some really terrible news about Kelso
 196 - that will make us both laugh a lot.
 197 - Yeah, I already know. Pam Macy made this big announcement in gym.
 198 - Jackie, this is where we both laugh a lot.
 199 - Actually, Fez, I don't find it that funny.
 200 - I kind of feel sad for him.
 201 - But you hate him. He totally screwed you over.
 202 - Yeah, but he's grown up a lot since then.
 203 - And he suffered, and I'm over it by now.
 204 - Poor Michael.
 205 - Poor Michael?
 206 - Well, I see I have wasted my time talking to you.
 207 - Good day, miss.
 208 - - Wait, Fez. - I said, good day.
 209 - What should we do with all of this time alone?
 210 - I'll get that. I ordered you
 211 - a special surprise. Ta-da!

212 - Donna?
213 - Donna is my surprise?
214 - Donna? What the heck are you doing here...
215 - ...Donna?
216 - What the heck?
217 - Mrs. Forman, Eric is being a jerk,
218 - and I wanted to talk to my mum,
219 - but since she's not here, can I talk to you?
220 - Eric's here, too?
221 - What on earth is going on?
222 - What the heck?
223 - Red, what is going on here?
224 - Oh, I'm just as surprised as you...
225 - Oh, all right!
226 - Eric and Donna are the noisy people next door.
227 - And you didn't tell me?
228 - Hello, Mummy?
229 - I'm sad!
230 - Donna, where have you...
231 - Your mother kicked me out.
232 - Oh, no.
233 - I said no.
234 - Guys, I got to tell you something.
235 - I'm omnipotent.
236 - Huh.
237 - This does taste like Dr Pepper.
238 - Told you.
239 - Hey, you know what? I think I might puke.
240 - Oh, no, no.
241 - No, honey, nobody gets sick in Mr. and Mrs. Forman's room.
242 - You know, it is a lovely room.
243 - Red just saw the brochure on the counter,
244 - and then he whisked me up and he brought me here.
245 - It was very Humphrey Bogart.
246 - Eric did the same thing for me.
247 - - Sometimes he's really sweet. - Mmm-hmm.
248 - Do you have a bucket?
249 - Room service!
250 - Honey, honey, pretty girls do not throw up.
251 - Oh, no, no. No, no. I didn't order this.
252 - Oh, it was ordered by a Mr. Red Forman.
253 - Oh, my gosh. This must have been his surprise.
254 - Flowers, champagne.
255 - Cashews.
256 - The most expensive nut, you know.
257 - Oh, dear, sweet Red. I have to go see him. Are you feeling better?

258 - - No. - Okay, good. Nighty-night.
259 - Why is everything doing that?
260 - Hey, Michael.
261 - I heard what happened with Pam. And I want you to know
262 - that according to Cosmopolitan magazine, you're not a freak.
263 - - Really? - Mmm-hmm.
264 - They say that lots of times when it happens to a guy,
265 - it's not that he can't, it's just that he secretly doesn't want to.
266 - Okay, not to criticize,
267 - but Cosmo's never seen Pam Macy naked.
268 - Michael, just think about it. Do you like Pam?
269 - I like parts of her.
270 - Well, maybe that's not enough.
271 - And maybe your body's mature enough to realize that, even if your brain
isn't.
272 - Okay, well, you know...
273 - If this is about maturity, then I want nothing to do with it.
274 - Look, Michael, don't worry, okay?
275 - When you find the girl you're meant to be with
276 - you'll be able to do all the stuff you want. I promise.
277 - I hope you're right.
278 - Thanks, Jackie.
279 - - I'm back. - What?
280 - Nothing. Good hug!
281 - Out.
282 - But it's my room.
283 - Love you, sweetie.
284 - Donna.
285 - Donna, are you there?
286 - Donna, please open the door, please.
287 - Great. I'm locked out of both rooms.
288 - Well, at least I don't have any pants!
289 - I want you to open that door right now.
290 - Our daughter's in there, and she's drunk.
291 - I really shouldn't be doing this.
292 - Okay. Then I'll just sue you. Until you're dead.
293 - - You get off my daughter! - Bob! What the hell?
294 - Red?
295 - Ooh, Kitty, what a pretty nightgown.
296 - Thank you, Midge.
297 - Could you hand it to me, please?
298 - Look, I'm sorry about getting all tipsy last night.
299 - Oh, no, please, I'm sorry.
300 - The fight was all my fault.
301 - Fight? We had a fight?
302 - No.

303 - - What did you do? - Nothing.
 304 - Obviously you did something.
 305 - I want to know what it is, in case I'm still mad about it.
 306 - Well, okay.
 307 - I said that you were the most beautiful girl in the world,
 308 - and then you got all mad
 309 - and said, "Get bent."
 310 - Not your finest hour, but I still love you.
 311 - Wow. You must be really upset about this.
 312 - Um...
 313 - Kind of, yeah.
 314 - Come on, Eric. Let's turn that frown upside down.
 315 - That's right. Let's have super-hot sex, baby.
 316 - Oh, crap.
 317 - Well, Genie Jackie, I am in the mood
 318 - for some hot master-genie loving.
 319 - Oh, I'm sorry, Master Major Michael.
 320 - But what we are going to have
 321 - is a warm master-genie friendship.
 322 - In fact, I am the master now, and you are the genie.
 323 - Except you will not have any genie powers.
 324 - You will just do as I say.
 325 - Now, do my math homework, Genie.
 326 - No!

3.17 Episode 17: Kitty's Birthday (That's Today!)

1 - Wow, Hyde, I can't believe it.
 2 - Your own set of wheels.
 3 - Yup. She is the best thing that ever happened to me.
 4 - Oh, except for that one time
 5 - Kelso swallowed that fishhook.
 6 - That was pretty cool, too.
 7 - Yeah, that was one magic trick I could never get right.
 8 - All right, Hyde. This car is fine,
 9 - but, I mean, it's no Vista Cruiser.
 10 - How many miles are you getting to the gallon?
 11 - Uh, about 11.
 12 - Damn. Okay, fine,
 13 - but, you know, the Vista Cruiser can seat eight...
 14 - Nine if someone sits on the stain.
 15 - Yeah, okay, Forman, but do you have any idea
 16 - how many chicks I can fit in the flatbed?
 17 - Thirty-two, and that's with big Rhonda.
 18 - Damn!
 19 - Eww!

20 - Oh, hello.
21 - What are you doing back there, Fez?
22 - I... I was...
23 - I was just showing Caroline
24 - the back of my new car and my tongue.
25 - Fez, this isn't your car.
26 - Foreigners can't drive here unless it's a cab.
27 - Shut up.
28 - Isn't he cute?
29 - Fezzy, I told you,
30 - you don't have to try and impress me anymore.
31 - I'm your girlfriend now.
32 - Oh, I'm sorry, Caroline.
33 - From now on, I will be totally honest.
34 - Good. Now, come on. Walk me home.
35 - Ah, yes, and on the way, I could tell you
36 - about the time I killed a shark with a coconut.
37 - All right, Kelso, let's go out cruising
38 - for hot chicks with self-esteem problems.
39 - Yeah. No, thanks, man.
40 - I don't do that stuff anymore.
41 - Shut up and come on.
42 - No, man, I mean it.
43 - I've matured.
44 - Hey, Donna, wanna go to the mall?
45 - Rerun from What's Happening!!
46 - Is opening up the new Dairy Queen.
47 - Actually, Jackie, as fun as that sounds, um... no.
48 - What?
49 - Hey, hey, hey!
50 - I'm in!
51 - Okay, well, let me get my beret
52 - and some Certs with Retsyn.
53 - Cool.
54 - Wait a second, man. You're too mature to go cruising with me,
55 - but you'll go to the mall with Jackie?
56 - It's this new thing we're trying, man. We're friends.
57 - See, I did some reflecting, and I realized
58 - that Jackie is the only girl I want to be with.
59 - Today?
60 - No. Every day.
61 - See, we were meant to be together.
62 - She just doesn't know it yet.
63 - Yeah, but I have a plan.
64 - Oh, no.
65 - Oh, yeah.

66 - See, she wants to be just friends, right?
67 - Okay, so I'll be her friend,
68 - but what she doesn't realize
69 - is that I'm also a boy.
70 - Yeah, and sooner or later,
71 - "friend" is gonna lead down the path to "boy,"
72 - and then I'll be her "friend-boy."
73 - That is a great plan.
74 - Okay, I'm ready. Hey.
75 - Let's go, friend.
76 - Okay.
77 - That is such a bad plan.
78 - Yeah, but, you know, on the bright side,
79 - maybe we'll be there when it all blows up in his face.
80 - Hangin' out
81 - Down the street
82 - The same old thing
83 - We did last week
84 - Not a thing to do
85 - But talk to you
86 - We're all all right
87 - We're all all right
88 - Hello, Wisconsin!
89 - Hey, Mrs. Forman.
90 - Happy birthday.
91 - Oh!
92 - I can't believe you remembered.
93 - You are the first person to say anything all day.
94 - And how did you know
95 - I needed more flashbulbs?
96 - Thank you.
97 - So, do you want to stay for dinner?
98 - Oh, no, thanks. I'm just gonna grab a sandwich.
99 - A sandwich?
100 - Steven, a sandwich is a sandwich, but a Manwich is a meal.
101 - Oh, well, thanks, Mrs. Forman.
102 - Uh-huh.
103 - Hey, Mom. What's for dinner? I'm starving.
104 - Manwiches.
105 - Again?
106 - Aah! We just had those.
107 - Kitty, I left my shirt on the bed.
108 - It needs to be ironed for tomorrow.
109 - Okay. Oh, and, uh...
110 - I know you think I forgot,
111 - but I didn't.

112 - Oh, Red, I knew you'd remember.
113 - Yup.
114 - The check for the plumber is on the dresser.
115 - Oh. Good.
116 - Um...
117 - Is there anything else to eat?
118 - Well, you know what, honey?
119 - I don't give a good gosh darn what you eat!
120 - Wow. She's really upset.
121 - Yeah. Nice going.
122 - See, the boatneck adds dimension to your shoulders,
123 - and the plum color,
124 - that really accents your jewel-toned eyes.
125 - Oh, my God.
126 - Michael, you just described my perfect outfit.
127 - You are so good at this.
128 - Yeah, I have a knack for ensembles.
129 - Hey, Hyde.
130 - How goes the cruisin' for chicks?
131 - It was going fine until I hit a patch of ice
132 - and almost took out a few of 'em.
133 - Big Rhonda cracked my brake light.
134 - Hi.
135 - Hey.
136 - Have you seen Fez?
137 - Uh...
138 - No. He went bowling with his host parents.
139 - Damn him!
140 - I'm sorry.
141 - I was just hoping he'd be here
142 - so we could study together.
143 - Now I have to walk home alone in the dark.
144 - It's scary out there.
145 - Somebody ran over big Rhonda.
146 - Um, do you want a... Okay!
147 - You know, Michael, I'm really enjoying our time together.
148 - Really? Me, too.
149 - Yeah, you know, the makeup, shopping,
150 - braiding each other's hair...
151 - You are like the girlfriend I never had.
152 - Well, thanks, Jackie.
153 - Wait... girlfriend?
154 - Yeah, I mean, Donna's nice and everything,
155 - but she kind of dresses like a trucker.
156 - The Waltons...
157 - Now, there's a grateful family.

158 - Hmm.
159 - And, boy, did they love their mother.
160 - Oh, great.
161 - I think I've got athlete's foot.
162 - I am... I am... I am going to bed.
163 - Where'd your mother go?
164 - To bed.
165 - Hey, what's wrong with her, anyway?
166 - Oh, who knows?
167 - She's been moody all day.
168 - Let me see the TV Guide.
169 - Let's see. What day is it?
170 - Ahh!
171 - It's the 13th. You know, it seems to me
172 - I was supposed to do something on the 13th.
173 - Oh, good Lord!
174 - You forgot your mother's birthday!
175 - Oh, no, Dad. This is bad.
176 - This is very, very bad.
177 - All right.
178 - Don't start getting all twitchy.
179 - Now, we gotta think.
180 - Let's watch CHiPs and think.
181 - So, Fez is really nice, huh?
182 - Yeah. Fez is a good guy.
183 - Yeah.
184 - You know, sometimes, when I'm trying to sleep at night,
185 - I think about how much it would hurt if he ever left me.
186 - And then I say Fez would never leave me.
187 - But then I say we've only been going out a short time.
188 - Maybe he would leave me.
189 - So then I hold my breath until my lungs are about to explode,
190 - because that's how much I think it would hurt
191 - if he ever did leave me.
192 - And then, when I regain consciousness...
193 - I start breathing again, and everything's fine.
194 - Oops! There's my house. Thanks. Bye.
195 - See ya.
196 - Happy birthday! Happy birthday!
197 - Oh, you remembered.
198 - Well, of course we remembered, honey.
199 - We just figured that we'd wait
200 - until there was only 15 minutes left in the day
201 - and you were good and mad
202 - and then we'd sneak up here
203 - and surprise the hell out of you.

204 - Wow. What a good plan,
205 - 'cause I was awfully mad.
206 - Yeah. We really had you going.
207 - Here, Mom. Open this one first.
208 - It's from me.
209 - Well, thank you, honey.
210 - Oh.
211 - A map of Wisconsin.
212 - Oh, well, thank you.
213 - And, Mom, I got you these balloons, too.
214 - "Knock out the knock knocks at Schiffy's Gas-n-Go."
215 - Huh.
216 - Wait, Kitty, there's more.
217 - A funnel.
218 - 'Cause I know how much you like to pour things.
219 - Well, um...
220 - Either these gifts are really thoughtful,
221 - or you bought a bunch of crap at the gas station.
222 - What?
223 - Oh, admit it, Red Forman.
224 - You forgot my birthday.
225 - Quick, Dad, give her the lighter.
226 - Look, Kitty, I'm sorry,
227 - but... it's just...
228 - Well, marking the calendar is your responsibility.
229 - Dad, no!
230 - Ah, good morning, sunshine!
231 - So, what's for breakfast?
232 - A funnel.
233 - Ow.
234 - I mean, what the heck makes Jackie think I'm her girlfriend?
235 - All I did was pick out a few of her outfits,
236 - paint her nails, and give her a facial.
237 - Gee, I don't know, Denise.
238 - Um, guys, can we go inside?
239 - I'm freezing my choo-choos off.
240 - No way.
241 - I'm not going in there.
242 - I forgot my mom's birthday.
243 - Really? 'Cause I remembered your mom's birthday.
244 - If you remembered, why didn't you tell me?
245 - How would that be funny?
246 - I will never have to worry
247 - about forgetting Caroline's birthday.
248 - She wrote it on my arm with permanent marker.
249 - Isn't she sweet?

250 - More like psycho.
 251 - What are you doing calling my girlfriend psycho?
 252 - Oh, I'm sorry, Fez. Did I say psycho?
 253 - I meant nutbag, headcase, whackadoo.
 254 - She chokes herself, man!
 255 - Well, Hyde, maybe... Maybe you should...
 256 - Maybe you should choke yourself!
 257 - Good day.
 258 - Fez...
 259 - I said good day!
 260 - Man, what fun is it being a girlfriend
 261 - if you don't even have your own boobs to play with?
 262 - So what, Kelso? So you're her girlfriend.
 263 - What could possibly be so bad about that?
 264 - I'll... I'll tell you what could be so bad.
 265 - Oh, Michael.
 266 - This is the happiest day of my life.
 267 - Thank you so much for being my maid of honor.
 268 - That's what girlfriends do.
 269 - I'm just honored you asked me.
 270 - Yeah, but...
 271 - You know, on the flip side,
 272 - try to think about your life without Jackie at all.
 273 - Wow.
 274 - That's even worse.
 275 - Hey, girlfriends sometimes make out together, right?
 276 - Yeah. Usually right after long, sweaty pillow fights.
 277 - Yeah, man, it happens all the time.
 278 - All right!
 279 - Hey, Mrs. Forman.
 280 - Is Eric home?
 281 - Eric?
 282 - Oh, you mean my son the map giver.
 283 - I don't know, and I don't care.
 284 - Mrs. Forman, are you okay?
 285 - Oh, I am just freakin' fine!
 286 - What happened?
 287 - Well, you know I love my family.
 288 - It's just sometimes I want to get in the car
 289 - and run 'em all over.
 290 - They forgot my birthday.
 291 - I'm gonna go kick Eric's ass right now!
 292 - No.
 293 - I mean, it's one thing when they don't notice
 294 - when I get my hair done differently, which they don't...
 295 - But this is my birthday.

296 - Oh, I don't know. Maybe I expect too much.
297 - No, Mrs. Forman, you have every right to be mad.
298 - In fact, you should be madder.
299 - You're, like, the best mom in the world.
300 - Yeah.
301 - Thank you, Donna.
302 - I just wish my own family would say that once in a while.
303 - Oh, sweetie, that's not your breakfast, is it?
304 - Yeah.
305 - Oh.
306 - Why don't you just let me make you some nice waffles instead?
307 - Oh, cool. I love frozen waffles.
308 - Oh, honey, no, no, no, no.
309 - I make my waffles from scratch.
310 - Those bastards!
311 - God, would you look at her boobs?
312 - I am.
313 - And it's... it's... Disgusting.
314 - I mean, what is she thinking,
315 - packing in those sweet melons like that?
316 - I can't even look away.
317 - You know, Michael, I have to say
318 - I'm really enjoying our new friendship together.
319 - I love spending time with you.
320 - Me, too. Hey, do you want to go back to your house
321 - and have a nice, sweaty pillow fight?
322 - Okay!
323 - Hello, Caroline.
324 - Oh, hi, Fez.
325 - So, hey, listen. Just curious, um...
326 - Do you sometimes choke yourself?
327 - Yeah, but I only do it
328 - because I love you more than anything in the world.
329 - Okay, I'm good with that.
330 - I'll get you a soda, lover.
331 - Don't forget to breathe while I'm gone.
332 - Hey, so how's it going with mental Mary?
333 - I owe you an apology, Hyde.
334 - She is crazy.
335 - But she's crazy for me.
336 - Ooh! Here she comes.
337 - Oh, my God. She didn't even look at us.
338 - I don't think I've ever seen Mom so mad. Have you?
339 - Not since she stopped drinking.
340 - What?
341 - Nothing.

342 - Look, obviously your mother's very upset about something...
 343 - And desperate times call for desperate measures.
 344 - For the last 10 years,
 345 - she's been asking us to do something,
 346 - and every time, we say no,
 347 - because what she wants
 348 - is the most horrible thing in the world.
 349 - I won't do it.
 350 - Oh, you will do it.
 351 - And you will like it!
 352 - I can't believe we're finally square-dancing.
 353 - Oh, this is so much fun!
 354 - Looks like Hee Haw puked in here.
 355 - Come on, honey. Let's dance!
 356 - Oh, my God. This is awful.
 357 - She made me waffles.
 358 - Now promenade, you son of a bitch!
 359 - Bow to your partner, corners, all
 360 - Circle to the left all around that hall
 361 - Circle to the left all around you go
 362 - When you're there, you'll meet
 363 - Do an allemande left with your corner mate
 364 - Do-si-do with your partner there
 365 - Then star by the left in the middle
 366 - Go all the way around and then
 367 - Star promenade, go around that town
 368 - Then when you're there then you backtrack
 369 - Go the other way around
 370 - Meet a partner, turn a partner by the right hand round
 371 - Do an allemande left walk right in through
 372 - Whee hee!
 373 - So, Mom...
 374 - We found this present we just had to get you.
 375 - So... Happy birthday.
 376 - Oh, I thought square-dance night was my present.
 377 - It is, but we really messed up this year,
 378 - and, well, we're sorry.
 379 - Oh!
 380 - "World's darn-tootiest Mom."
 381 - Do you really think so?
 382 - You're darn tootin'.
 383 - Okay, well...
 384 - I think I've had enough do-si-dos for one night,
 385 - so what do you say we all go home
 386 - and have hot fudge sundaes?
 387 - Thank God! Yes.

388 - Bastards.
389 - Valentine's Day. Check.
390 - Anniversary.
391 - Check.
392 - Mother's Day.
393 - Check.
394 - Well, I think we got 'em all.
395 - Uh, Dad, we forgot her birthday again.
396 - Damn it, Eric! Pay attention.
397 - Valentine's Day.
398 - Check.
399 - Anniversary.
400 - Check.
401 - Mother's Day. Check.

3.18 Episode 18: The Trials of M. Kelso

1 - So if "x" equals seven, then "y" equals...
2 - Two?
3 - Wrong. Kelso?
4 - "L?"
5 - Also wrong. It's a pretty simple equation, guys.
6 - Just think about it for a second.
7 - You're so pretty.
8 - You don't even need to know math.
9 - That's so weird. I was just thinking the same thing.
10 - Steven, you're so pretty, you don't need to know nothing.
11 - That's good, 'cause I'm stupid.
12 - Real mature, guys.
13 - Fez, what happened?
14 - I was walking back from the pep rally,
15 - flush with school spirit
16 - when some boys from Fort Anderson, they jumped me,
17 - and they slapped me, and they beat me.
18 - And look at what they did to my pom-poms.
19 - Hey, that's not funny, man.
20 - It's really not.
21 - They spray-painted me on my ass.
22 - I want revenge against those Fort Anderson Snapping Turtles.
23 - Look, Fez, I'll tell you what.
24 - Let's go to the garage and I'll get you some paint thinner.
25 - No.
26 - I'm sorry, Fez. It has to be done.
27 - Yeah, and the three of us have to watch.
28 - Fine. But this time, no smoking.
29 - Great. Now maybe we can get some work done.

30 - Michael's so sweet.
31 - Uh-oh.
32 - He's just so... No!
33 - Do you think that Michael and I...
34 - Don't even say it, Jackie.
35 - I think maybe...
36 - I'll kill myself, I swear to God.
37 - He and I should get back together.
38 - Jackie, do you remember how Kelso cheated...
39 - And hurt you, and lied to you?
40 - Listen to yourself, Donna.
41 - "Cheat-ed. Hurt-ed. Lie-duh."
42 - It's all ancient history.
43 - But when we look into each other's eyes...
44 - I know we're both thinking about the same thing.
45 - Your hair?
46 - No. That we're meant to be together.
47 - Look, I need to know that he's really changed.
48 - I need to test him somehow.
49 - I agree. You do?
50 - Absolutely.
51 - If you get back with Kelso, you better have him tested.
52 - Hanging out
53 - Down the street
54 - The same old thing
55 - We did last week
56 - Not a thing to do
57 - But talk to you
58 - We're all all right
59 - We're all all right
60 - Hello, Wisconsin!
61 - Okay. I want to see if Michael is ready
62 - to be in a healthy, adult relationship.
63 - So I've come up with five psychological tests.
64 - Damn, Jackie. He can't even spell "psychological."
65 - Look, besides, he only has to get three out of five.
66 - And the first test is on maturity.
67 - Oh, man.
68 - So we're trying to get the paint off of Fez's butt, right?
69 - And so I started to spray lighter fluid on it.
70 - And Fez gets all mad, right?
71 - And then he started chasing me,
72 - but he had his pants around his ankles.
73 - So then he tripped and fell, and I think he hurt himself
74 - but I don't know, 'cause I was, like, out of there.
75 - So what's going on with you guys?

76 - Donna and I were discussing our careers.
77 - I'm going into high-end cosmetics
78 - and Donna thinks she'll make a great lumberjack.
79 - Stop telling everybody that.
80 - So what kind of career do you see yourself in?
81 - Well, I was considering becoming a doctor.
82 - Ooh, a doctor? That's so mature.
83 - Or a rodeo clown.
84 - Rodeo clown? You want to be a rodeo clown. Why?
85 - The rodeo clowns are the unsung heroes of the new West.
86 - And you know I've always enjoyed being inside of barrels.
87 - Cheese puffs!
88 - Well, see, they're not for you.
89 - They're for Bob and Midge's party.
90 - Bob and Midge are having a party?
91 - Well, I can't go.
92 - I'm very busy.
93 - Wait. Bob didn't invite you?
94 - No, but thanks for the heads-up. I'll be sure to avoid them.
95 - Huh...
96 - Midge didn't invite me either.
97 - But I'm sure they're having a party.
98 - I saw them bring a keg and a lot of chairs into the house.
99 - Well, you don't know that they're having a party.
100 - Bob's out of work.
101 - The two of them might be starting some weirdo church.
102 - You know, the kind of church where
103 - you sit around on chairs and drink beer.
104 - I'm sure Midge will be over any minute.
105 - The last minute, like always, to invite us.
106 - I tell you.
107 - I like the sound of a beer church.
108 - Hi, neighbor. I have something I want to ask you.
109 - Oh, really?
110 - Can I borrow your big punch bowl?
111 - A big punch bowl?
112 - Oh, my, what would that be for?
113 - I should have thought this through.
114 - You know, forget about it. I'm gonna get someone else to bring it.
115 - And by "someone else," I mean Bob.
116 - Midge, I...
117 - I already made your cheese puffs.
118 - Ooh. Thanks.
119 - Mmm.
120 - Boy, all these cheese puffs are really gonna come in handy.
121 - 'Cause Bob's so hungry.

122 - We're not having a party.
123 - This next test is about consideration.
124 - I want to see if he'll choose my interests over his.
125 - This is gonna be so funny.
126 - Grape.
127 - So, Michael...
128 - There are two events occurring this weekend.
129 - One that you might like
130 - and one that I would really, really, really want to go to.
131 - Now, should we go see the Dallas Cowboy Cheerleaders...
132 - Dallas Cowboy Cheerleaders.
133 - Yes, or...
134 - No. Dallas Cowboy Cheerleaders.
135 - But, Michael, I want...
136 - No. Dallas Cowboy Cheerleaders!
137 - See? Funny.
138 - Kelso, what are you doing?
139 - We're just tossing around this egg
140 - Jackie gave me to take care of.
141 - Don't you think it might break?
142 - Yeah, well, you know, we just thought we'd have some fun with it
143 - before I threw it at somebody.
144 - You're such a moron.
145 - You're so gonna fail Jackie's test.
146 - Test? What test?
147 - Okay, I'm not supposed to say anything, but Jackie's testing you
148 - to see if you're ready to get back together.
149 - Oh, my God. Are you serious?
150 - Do you think I have a chance?
151 - Not a good one.
152 - You've already failed two tests
153 - and you're about to fail the third.
154 - That egg is a test of your parenting ability.
155 - So what you're saying is, if I break that egg
156 - then I fail the test, and lose Jackie...
157 - The girl I love more than anything in the world?
158 - Hyde, give me the egg.
159 - Okay, catch.
160 - Whoops.
161 - I mean...
162 - Okay, you guys...
163 - Let's do this for Fez.
164 - Finally my butt cheeks will be avenged.
165 - Voila.
166 - Guys, I feel like we accomplished something today.
167 - I feel like we made a difference.

168 - I'm not done yet. Taste my wrath, Snapping Turtles!
169 - That was a close one.
170 - Crap! The janitor locked us in.
171 - Yep. No good deed goes unpunished.
172 - My God. How could this get any worse?
173 - Okay, guys,
174 - we have 20 seconds until the cherry bomb in the toilet goes off.
175 - Hey, guys. Hi.
176 - What's that?
177 - It's just this little crib-like thing I made for Eggy.
178 - "Eggy?"
179 - Yeah, I named him.
180 - I don't know, this egg is, like,
181 - bringing out all the parental stuff in me.
182 - Michael, what happened to the pencil mark I made on the bottom?
183 - Must have come off when I was giving him his gentle bath.
184 - Nice.
185 - Michael, I knew you had this in you.
186 - You are gonna make a great dad one day.
187 - Yeah.
188 - Uh-oh.
189 - Somebody needs a change.
190 - I just can't believe Midge would do this
191 - after all the years we've been friends.
192 - She took the cheese puffs.
193 - All the cheese puffs?
194 - What the hell? I wanted some of those.
195 - Red, this isn't about the cheese puffs.
196 - Well, maybe not for you.
197 - They're so light and fluffy.
198 - This is all your fault. What?
199 - You're always mean to them.
200 - Now you've driven them away. I hope you're happy.
201 - Actually, Kitty, I am happy.
202 - Them not inviting us to the party is not the end of the world.
203 - In fact, it's the start of a beautiful new world...
204 - A world where we don't get invited to the Pinciottis'.
205 - There's no talking to you.
206 - You're just sour.
207 - You're an old, sour crab apple.
208 - Why are you yelling at me?
209 - I'm not the one that didn't invite you to a party.
210 - If you've got something to say, you say it to the Pinciottis.
211 - Well, you talked me into it, Red Forman. Let's go.
212 - Oh, no.
213 - Look at us...

214 - Locked in a locker room.
215 - Oh, the irony is not lost on me.
216 - Why do you mock us, fate?
217 - Okay, you guys, we gotta think about a way to get out of here.
218 - Okay, guys, I've just gone through
219 - every escape-from-prison movie
220 - I could think of, and I came up with something.
221 - What?
222 - Steve McQueen is a total bad-ass.
223 - Okay, thanks, Hyde. That's not helping.
224 - If we don't get out of here, a bunch of jocks are gonna
225 - come in here and kick our asses.
226 - Why did I put a cherry bomb in the toilet?
227 - It doesn't smell like cherries at all.
228 - Come on, guys, think.
229 - Yeah, yeah. Right. Gotta be something we can do.
230 - I got it.
231 - Much better.
232 - Yeah.
233 - Now instead of feeling scared and anxious, I feel relaxed and...
234 - Relaxed.
235 - I know we're probably gonna get beaten,
236 - but it was worth it because we've shown
237 - we have tremendous school spirit.
238 - Go Vikings.
239 - School spirit is for losers, man.
240 - You're just, like, floating along
241 - on a conveyor belt of conformity.
242 - Pep rallies, extracurricular activities, washing your hair.
243 - It's all just a trap, man.
244 - Yeah, Fez. It's one thing to root for a football team
245 - but to confuse the Point Place Vikings
246 - with a sense of personal identity, that's just...
247 - ...relaxing.
248 - We're all gonna die tomorrow.
249 - Michael, I have some bad news.
250 - I just found out I have BHD.
251 - "BHD?"
252 - Yeah. Brittle Hair Disease.
253 - I have to go to the hospital tomorrow
254 - and get all my hair shaved off.
255 - So you'll be...
256 - Bald, Michael.
257 - B-A-L-D. No hair, shiny head, bald.
258 - And my hair won't ever grow back, either.
259 - Will you still love me when I'm bald?

260 - You could wear a wig.
261 - So, Michael, are you saying that you would not love me
262 - if I didn't have a luscious, full-bodied head of hair?
263 - Oh!
264 - No, Jackie. No, I would love you even more.
265 - You know, I would shave off my hair and paste it to your head.
266 - Michael, that's beautiful.
267 - Nice job. Thanks.
268 - That was a test, right? Because bald chicks are gross.
269 - Look at that.
270 - They closed the blinds so we couldn't see the party.
271 - But I can hear them.
272 - I can hear you, Bob and Midge! I can hear your party!
273 - Kitty and Red.
274 - We're very busy in here.
275 - Yes, we're very busy. We'll talk tomorrow.
276 - You're having a party and you didn't invite us.
277 - And I thought we were friends, and we're not.
278 - And I'll tell you something else.
279 - You're naked.
280 - You have no clothes on. Why don't you have any clothes on?
281 - Well, we're having a nudist party with our fellow nudists.
282 - We're nudists.
283 - And we're not.
284 - So you didn't invite us.
285 - So thank you.
286 - Come on, Red. Let's go.
287 - Whoa, whoa, Kitty. What are you saying?
288 - You really wanted to attend this party.
289 - Stop it, Red.
290 - No, no, no.
291 - Now get in there and have yourself a good old naked time, huh?
292 - Who knows? They might play Twister. Could be fun.
293 - Okay, guys, they can't be mad at us now.
294 - Yeah, Fez, I don't think that's gonna help.
295 - All right, here they come.
296 - Okay, you guys, here's the plan.
297 - Fez, you beg for mercy in broken English.
298 - Hyde, you insist that this whole thing was a big set-up.
299 - And I'll just curl up in the foetal position and think about pancakes.
300 - Got it. Got it.
301 - Oh, my God. We're in the girls' locker room.
302 - Yeah. They're girls.
303 - And I thought we were going to get beaten up for sure.
304 - Hey, baby.
305 - Hi, Kelso.

306 - Hi, Tiffany.
307 - I'm so glad I ran into you. I've been meaning to ask you something.
308 - Yeah? What's that?
309 - Will you take me back to your house and make out with me?
310 - Well, I don't know. Yeah, I'm here to meet Jackie, so...
311 - I promise she'll never find out.
312 - It'd be an afternoon of secret make-out fun.
313 - You can drink grape juice from my bellybutton.
314 - All right, this has got to be one of Jackie's tests.
315 - I mean, Tiffany never comes on to me. But what if it's not?
316 - I mean, let's face it, I look good today.
317 - That new conditioner's really working out.
318 - All right, but the real question is, should I risk it?
319 - And my body says yes, and my head says yes...
320 - And my heart says no.
321 - My stupid heart's right.
322 - I can't. I mean, I appreciate the offer and all
323 - 'cause you're, like, really hot
324 - but the only girl I want to make out with is Jackie, so...
325 - Michael, you did it! You did it! You passed the last test!
326 - Did you believe me, Michael?
327 - Yeah, sure.
328 - Good, because I'm in Drama Club, and I really want...
329 - Yeah, thank you, Tiffany, bye-bye.
330 - Michael, now I know I can honestly trust you with all my heart.
331 - Jackie...
332 - Donna told me about the test.
333 - So I knew what was going on, and I didn't say anything.
334 - So maybe I don't deserve to be with you because...
335 - That wasn't very honest of me.
336 - But telling me that was.
337 - Damn.
338 - You're right. So you'll take me back?
339 - Yeah, Michael.
340 - I love you, Jackie Burkhart.
341 - I love you, too, Michael Kelso.
342 - What the hell happened to you guys?
343 - We got beaten up.
344 - By men.
345 - By big, strong men.
346 - Hey, guys, as I was getting beaten...
347 - I think I got to second base.

3.19 Episode 19: Eric's Naughty No-No

- 1 - Oh, my first X-rated movie.
- 2 - I don't know what's going on, but that is the luckiest pizza boy ever.
- 3 - Yeah, I'll say. There's at least nine boobs in this shot alone.
- 4 - Guys, I feel bad. I mean, Jackie finally takes me back...
- 5 - And I reward her by sneaking off
- 6 - to see some trashy porno babes.
- 7 - Oh, wow!
- 8 - That seems like it would tickle.
- 9 - Nothing's going to happen in this scene. It's just two ladies.
- 10 - Bravo, nice plot twist.
- 11 - All right, guys, I gotta go.
- 12 - I don't think Jackie would like me being here.
- 13 - And you should pick up your dress on the way out.
- 14 - Oh, wow!
- 15 - Does everyone do that?
- 16 - Because...
- 17 - I don't do that.
- 18 - I just stick to two or three key moves and...
- 19 - God, they don't even come close to that.
- 20 - Oh, Eric, I have not done anything.
- 21 - But even I, had I done anything, would have already done that.
- 22 - Hanging out
- 23 - Down the street
- 24 - The same old thing
- 25 - We did last week
- 26 - Not a thing to do
- 27 - But talk to you
- 28 - We're all all right
- 29 - We're all all right
- 30 - Hello, Wisconsin!
- 31 - Jackie, you know I love you.
- 32 - And you know how much I've changed, right?
- 33 - Yeah?
- 34 - What'd you do?
- 35 - I went to a stag film.
- 36 - But then it turned out that there weren't any stags at all.
- 37 - It was just naked people having sex.
- 38 - Go ahead and punish me.
- 39 - No, Michael, I'm not gonna punish you.
- 40 - You were honest with me, and honesty should be rewarded.
- 41 - Wow!
- 42 - I'm not in trouble and I get a reward?
- 43 - Is it a cash reward?
- 44 - No, Michael. The reward is feeling better about yourself.

45 - Oh.
46 - Mmm.
47 - Smells good. What you making?
48 - A little lemon meringue and pot roast...
49 - and my sister Paula is coming, and seven-layer salad.
50 - Ah, seven... Hey, wait a second.
51 - Red, now, please, be nice. We haven't seen her in almost six years.
52 - Yeah, not since she got arrested.
53 - No, no, no. Not arrested, detained.
54 - She showed up in the backseat of a police car with lights flashing.
55 - I had to tell the neighbors that she was the mayor of Cincinnati.
56 - There she is.
57 - You wait.
58 - She's gonna hit me up for money like she always does.
59 - That's gonna cost me.
60 - Oh, my God!
61 - Kitty!
62 - Oh, my God! Look at you!
63 - I know, I know, I'm fabulous.
64 - Look at me!
65 - Oh, my God.
66 - You're wearing stockings. Red, she's wearing stockings.
67 - And matching shoes!
68 - Come on, Red. I know you're dying for a nibble.
69 - Paula, you're so pink.
70 - Well, sure, sure.
71 - I gotta match my brand-new car.
72 - Go ahead, pet her.
73 - Well, ooh.
74 - I wanna pet her, too.
75 - Why did you paint it with Pepto-Bismol?
76 - It's not Pepto-Bismol. It's Luscious Blushes.
77 - And only the top Kathy May salesperson gets one of these babies.
78 - So you stole it from her?
79 - I have all the money that I owe you. Here it is.
80 - Oh, my God. You have cash. Red, she has cash.
81 - Honey, Red, really. You don't have to count it.
82 - Well, of course. You're family.
83 - Honey, honey, honey!
84 - Honesty's cool, man.
85 - It's like I can do anything wrong...
86 - And then ask for forgiveness, and then I'm good again.
87 - I mean, someone should invent a religion like that.
88 - Okay, so did anyone besides me think
89 - that some of the guys in that movie were not completely...
90 - Average?

91 - Like, you know, they were way, way...
 92 - Above average?
 93 - Well, you don't go into that line of work when you're below average.
 94 - You just pray some hot, redheaded neighbor girl
 95 - likes you for your personality.
 96 - What are you talking about? Those men were completely average.
 97 - In fact, I found the guy with the mustache downright puny.
 98 - See now, Fez, that's not honest.
 99 - I mean, we all know you're small in the pants.
 100 - What I'm saying is, is from here on in, I'm only telling the truth.
 101 - In fact, I'm gonna come clean to Jackie about everything.
 102 - Fine. You want honesty? I'll give you honesty.
 103 - We are all small in the pants.
 104 - Kelso, this might be your best idea ever. You know what?
 105 - You should make a list of all the lies you've ever told to Jackie,
 106 - and I'll help you.
 107 - 'Cause all's I really want is for you to be happy.
 108 - You guys, honestly, you don't think Donna's, you know...
 109 - Bored, right?
 110 - 'Cause those guys in the movie,
 111 - they didn't do the same move twice.
 112 - And I've done the same move, like...
 113 - Always.
 114 - I'll bet they go to a special school or something.
 115 - I mean, they're like doctors of doing it.
 116 - Eric, dinner.
 117 - Oh, no.
 118 - Now I have to act normal.
 119 - But I get to eat, yeah!
 120 - Aunt Paula, you look great.
 121 - And so pink.
 122 - Eric, you're so cute.
 123 - Here's 20.
 124 - *AuntPaulaisawesome!*
 125 - *So, Paula, tellmemoreabouttheshipcaptain.*
 126 - *Thatwasjustafling, youknow?*
 127 - *Didn'tyouhaveafiancethelasttimewesawyou?*
 128 - *Red, now, thereisnoreason torehashancienthistory, isthere?*
 129 - *No, it'sokay.*
 130 - *Itturnedouthelivedonsomesortofcommune*
 131 - *whereeveryonecalldhimGod.*
 132 - *Andtherewereguns.*
 133 - *AndIreallycouldneverfigureoutwhyGodwouldneedagun.*
 134 - *Butthereweresomefunparties.*
 135 - *That'shilarious!*
 136 - *LifehasgottensomuchbettersinceImovedtoIndianapolis.*

137 – *I mean, things move so much faster in the big city.*
 138 – *One day you're wondering if you'll ever find happiness...*
 139 – *And then next, you're waving the starting flag at the Indy 500.*
 140 – *You waved the Indy flag?*
 141 – *Mmm – hmm.*
 142 – *Oh, God, you're the coolest.*
 143 – *Mum, how funny is it, that while Aunt Paula was at Indy,*
 144 – *you were probably at, like, Price Mart?*
 145 – *Who wants pie? It's meringue.*
 146 – *Well, enough about me.*
 147 – *Kitty, dear, what have you been up to?*
 148 – *Well, you know, it's funny you should ask*
 149 – *because we have been super, super busy.*
 150 – *Oh, no. She quit her job. She's not up to anything.*
 151 – *It's kind of boring.*
 152 – *So, did you meet Dick Trickle?*
 153 – *Eric!*
 154 – *What? He's a race car driver.*
 155 – *His name is Dick Trickle.*
 156 – *Oh, my God, listen to my voice! I'm so loud!*
 157 – *Oh well, will you look at this?*
 158 – *Here's me. Captain of the cheerleaders.*
 159 – *"Most likely to succeed."*
 160 – *"Best laugh."*
 161 – *Here's Paula.*
 162 – *What's that on her cheek?*
 163 – *She had a little sledding accident with her face that year.*
 164 – *Typical.*
 165 – *I know.*
 166 – *Things were so different then.*
 167 – *Kitty! You so deserve this. You're the best.*
 168 – *Aren't you sweet?*
 169 – *Boy, oh, boy, Chet sure is lucky.*
 170 – *He's got the keenest girl in school.*
 171 – *Oh, stop!*
 172 – *Congratulations, Kitty.*
 173 – *Thanks, Paula.*
 174 – *I knew you'd win. You always do.*
 175 – *No, not always.*
 176 – *Well, I want a kiss from the queen.*
 177 – *Well, Chet, you have been an awfully loyal subject.*
 178 – *You guys, I'd like you to meet my date, Marvin.*
 179 – *Marvin?*
 180 – *Sweetie? Sweetie?*
 181 – *Okay.*
 182 – *Okay.*

183 – *And now, I'm a housewife...*
 184 – *And she goes on cruises with Dick Trickle.*
 185 – *You don't know what she's snottelling you.*
 186 – *I mean, just because she's more successful than you*
 187 – *doesn't mean that she's shappy.*
 188 – *More successful?*
 189 – *Well, it's just that she has so many...*
 190 – *And she's very...*
 191 – *Look, money.*
 192 – *I love it when you do that.*
 193 – *Good to know. Good to know.*
 194 – *And how about when I do this?*
 195 – *Geez, Eric, what the hell?*
 196 – *Okay, okay, I'll just go back up to the car.*
 197 – *Get away from me, you pig!*
 198 – *Where are my pants?*
 199 – *Wait. Wait, it was an accident.*
 200 – *Look, I have a feather.*
 201 – *He did?*
 202 – *What the heck for?*
 203 – *I don't know.*
 204 – *In like what universe is that sexy?*
 205 – *Only one, the skinny, pervert universe.*
 206 – *It was just so strange.*
 207 – *I mean, usually he just sticks to, like, two or three key moves.*
 208 – *You know, I bet it's because of*
 209 – *that nude flick they saw yesterday.*
 210 – *They went to an X – rated movie?*
 211 – *Didn't Eric tell you?*
 212 – *No.*
 213 – *God, why would Eric go see something like that?*
 214 – *I mean, is our sex life so boring*
 215 – *that he has to sneak around and watch other people do it?*
 216 – *Donna, of course it is.*
 217 – *It's okay.*
 218 – *So...*
 219 – *What's going on here?*
 220 – *Packing a picnic lunch for your next African safari?*
 221 – *No, I thought I'd make mystrudel for the boys.*
 222 – *It feels nice having people to cook for.*
 223 – *Well...*
 224 – *Sounds like your...*
 225 – *...jet – set life gets pretty lonely, huh?*
 226 – *Oh, no, I have lots of friends.*
 227 – *Oh, right, right.*
 228 – *But all the friends in the world*

229 – *don't makeup for having to come home*
 230 – *from the Bahamas to an empty house, do they?*
 231 – *I actually enjoy my privacy.*
 232 – *Privacy, loneliness. It's a fine line, isn't it?*
 233 – *Okay, Kitty, is something wrong?*
 234 – *Yeah, something is wrong. Why are you here?*
 235 – *Because I missed you.*
 236 – *And I wanted you to see that I'm finally okay.*
 237 – *Okay or better than me?*
 238 – *Better than you?*
 239 – *Oh, Kitty, you're my sister... Okay. Fine!*
 240 – *I'm finally a success, and I wanted*
 241 – *to come back and rub your face in it.*
 242 – *And I did, and I liked it!*
 243 – *Well, good for you.*
 244 – *It must have been hard living in my shadow*
 245 – *because I was popular and you weren't.*
 246 – *And I had a life and you didn't. That's right. I said it.*
 247 – *You heard me. You were as clueless as I was!*
 248 – *I am so sorry.*
 249 – *I'm sorry, too.*
 250 – *I just... I don't know what is the matter with me.*
 251 – *I know.*
 252 – *I should be just thrilled*
 253 – *that you're finally on your feet, and instead, I'm just...*
 254 – *I'm acting like a jealous little ninny.*
 255 – *Kitty, would you like a makeover?*
 256 – *I really would.*
 257 – *Okay.*
 258 – *I won't look like a whore, will I?*
 259 – *No, no, I promise.*
 260 – *Okay, Jackie.*
 261 – *There are some things that I haven't been honest about*
 262 – *that I feel like you should know.*
 263 – *Okay.*
 264 – *Why are they here?*
 265 – *Well, Hyde helpfully pointed out*
 266 – *that it's not really honesty*
 267 – *unless your friends are allowed to watch.*
 268 – *So, anyway, I made a list.*
 269 – *The list was my idea.*
 270 – *Thank you for that, Hyde.*
 271 – *Okay, so let's just get started.*
 272 – *That picture you saw of me in kindergarten?*
 273 – *Those weren't puffy pants. It was a big boy diaper.*
 274 – *That time you came out of the shower, and you thought you saw a flash?*

275 – *I did take your picture.*
 276 – *This one time you asked me if you had anything in your teeth?*
 277 – *And you did, but I said no, 'cause it's funnier that way.*
 278 – *When we were about to fool around,*
 279 – *and I said that I washed my hands?*
 280 – *But really I just got done playing with, like, six dogs.*
 281 – *But that's not a bad as...*
 282 – *Okay, Michael, stop!*
 283 – *Okay, Michael, I think we need to work on selective honesty.*
 284 – *Yes, that and basic hygiene.*
 285 – *Seriously, good God, man.*
 286 – *Okay, Michael...*
 287 – *Unless one of your secrets involves kissing a girl...*
 288 – *I don't need to know about it.*
 289 – *Okay. All right.*
 290 – *Oh, science fact. Dogs are cleaner than humans.*
 291 – *You poor pink bastard.*
 292 – *Well, well!*
 293 – *What have we here?*
 294 – *All right. I got 20 minutes till my wife comes back*
 295 – *so pucker up.*
 296 – *Okay, you two love birds.*
 297 – *I'm off.*
 298 – *Bye – bye, Red.*
 299 – *Paula, thank you so much.*
 300 – *Kitty, what are sisters for, huh?*
 301 – *I'll talk to you in a couple of days.*
 302 – *And you remember what I said.*
 303 – *So what's with all the French?*
 304 – *Did she call me something?*
 305 – *No. She said, "Search for life to live life," which is my new motto.*
 306 – *Paula made me see that I have been in a rut.*
 307 – *But the good news is, from now on,*
 308 – *I am just going to explore life.*
 309 – *But you're...*
 310 – *You're really pretty now with your big red lips.*
 311 – *Isn't that enough? Oh...*
 312 – *I love you, Red Forman.*
 313 – *And no.*
 314 – *All right, fine.*
 315 – *But if you paint my car pink, it's sover.*
 316 – *Hey, I was just looking at... Hey!*
 317 – *Okay, where did you get the idea to...*
 318 – *Do what you did?*
 319 – *I went to see this movie...*
 320 – *And it was a...*

321 – *Well, I guess you could call it an art film.*
 322 – *Eric!*
 323 – *Okay, fine, Donna. It was an X – rated film.*
 324 – *And it just... There were all these people*
 325 – *and they were doing all these things that we've never done.*
 326 – *And it seemed like they really enjoyed*
 327 – *doing this on things especially.*
 328 – *And I just thought, you know, who would*
 329 – *enjoy doing that on things especially?*
 330 – *My lady.*
 331 – *Eric, listen to me*
 332 – *because this is gosh – darn important.*
 333 – *You don't do that, not without asking.*
 334 – *So, if I had asked...*
 335 – *The answer's still no!*
 336 – *Eric, are you bored with our sex life?*
 337 – *Oh, God, no. Just the opposite.*
 338 – *I figured that you had to be bored.*
 339 – *And it was our 100th time, and I just wanted to do something special.*
 340 – *Oh, my God, you count?*
 341 – *No.*
 342 – *My God, that's so sweet.*
 343 – *But do me a favor.*
 344 – *Next time you're gonna do something weird,*
 345 – *give me a little more warning, so I can brace myself.*
 346 – *Or tell you to back the hell off.*
 347 – *Right.*
 348 – *Because no matter how much I love you*
 349 – *that was unpleasant.*
 350 – *I'm sorry, you guys. I can't hang out. I gotta go meet Jackie.*
 351 – *Don't look at me like that.*
 352 – *All right, five more minutes, but that is it.*
 353 – *Come on. Who wants to show me their belly, huh?*
 354 – *Come on. Come here, buddy!*
 355 – *Come here, baby. Who's my little baby, huh?*
 356 – *Who's my little baby?*

3.20 Episode 20: Holy Craps

1 - So, everyone enjoying dinner?
 2 - - Mmm. - Absolutely.
 3 - Good.
 4 - Now, I want to talk to everyone about helping me with the church fundraiser.
 5 - Freeze!
 6 - Okay, so...
 7 - God's Magic Circle is our church's women's auxiliary,

8 - and I volunteered to help organize their next fundraiser.
 9 - And bravo, I say. Bravo.
 10 - Now, if you'll please excuse me, I have to attend a meeting.
 11 - It's, uh... It's very important, so...
 12 - Okay.
 13 - Now, as you all know, I'm stuck in a rut.
 14 - And, I'd really... I... I...
 15 - I just need to get out of the house and experience new things.
 16 - - But, Mom, I think you should... - And I want your support,
 17 - which, by the way, I always give you.
 18 - Mr. "I want to be a jazz guitarist."
 19 - Eric, if your mother wants you,
 20 - and Archie and Jughead here to help her,
 21 - then you're going to help her.
 22 - - You're Jughead. - You're Jughead.
 23 - You're so Jughead, it's not even debatable.
 24 - You are so... Uh!
 25 - Steven, stop hitting Jughead.
 26 - - See? - Hey.
 27 - This is important to her, and we should support her for this.
 28 - So, you guys will help out.
 29 - Well, thank you, Red. And you're coming, too.
 30 - Oh, no, Kitty. I, uh... I have a meeting.
 31 - With you, at church.
 32 - - Nice save, Dad. - Shut up.
 33 - Hanging out
 34 - Down the street
 35 - The same old thing
 36 - We did last week
 37 - Not a thing to do
 38 - But talk to you
 39 - We're all all right
 40 - We're all all right
 41 - Hello, Wisconsin!
 42 - No, see, Fez, Bazooka Joe wanted to see time fly
 43 - so Mort threw the clock out the window.
 44 - So time flew. Get it?
 45 - Did the clock break?
 46 - I don't know. That's not really the point.
 47 - It's still a pretty big waste of a clock.
 48 - Okay. Well, I gotta go.
 49 - - See you later, sweetie. - See you.
 50 - You guys are such a cute couple.
 51 - Yeah, I know. I really like Caroline.
 52 - Me, too. She's nice.
 53 - For a psycho.

54 - Hyde, take that back.
 55 - Psycho.
 56 - You are a gifted mime.
 57 - But that hurts.
 58 - Hyde, Caroline's not a psycho. You just don't get women.
 59 - We have emotions. We're ruled by the moon and the tides.
 60 - And pretty clothes.
 61 - Yeah, we should hang out with her.
 62 - You know, make her feel welcome.
 63 - Yeah, you can never have too many friends.
 64 - Sometimes you feel like a nut, sometimes you don't.
 65 - Hey, you guys, you know who was crazy?
 66 - This camp counselor I once had,
 67 - who used to make everyone do turbo sit-ups.
 68 - But he'd put a towel over your face
 69 - and then when you went to do the sit-up...
 70 - He'd pull the towel away, and you'd have to put your face in his butt.
 71 - Donna, you stole the funny part.
 72 - Well, Eric, I've heard it, like, eight times.
 73 - Okay, I'm sorry. Tell the story again.
 74 - I'll laugh.
 75 - - But it'll be fake, though, right? - Oh, yeah.
 76 - Okay, guys, I once had this camp counselor...
 77 - Oh, my God, you guys. The Petersons just got a new dog.
 78 - Let's go!
 79 - Okay, now, I have work assignments for everyone.
 80 - Red, you're selling raffle tickets.
 81 - I'm your man.
 82 - And don't yell at the customers.
 83 - I'm kind of your man.
 84 - And smile.
 85 - You need another man.
 86 - Okay, Michael, Steven, you're in charge of bingo.
 87 - And, Eric, I thought you could run the cakewalk.
 88 - Sure. What's cakewalk?
 89 - It's cake and walking.
 90 - What are you on, dope?
 91 - So, Pastor Dave, what do you think?
 92 - Gosh, Kitty, I'm impressed.
 93 - I can't remember the last time a God's Magic Circle fundraiser
 94 - looked so gosh darn wonderful.
 95 - Hi, gang.
 96 - Hi, Pastor Dave.
 97 - Say, God's Magic Circle.
 98 - That sounds like an Eric Clapton song, doesn't it, kids?
 99 - Yes, Pastor Dave.

100 - Rock on, kids.
101 - Rock on, Pastor Dave.
102 - Oh, come on, string bean. Will you stop the record already?
103 - Hey, I'm in charge. I'll stop it when I'm good and ready.
104 - And that's not because of you. It's just 'cause I was ready.
105 - Okay, congratulations, Ed.
106 - You win a chocolate cake.
107 - But I'm allergic to chocolate.
108 - Then why are you in the cakewalk, Ed?
109 - I thought this was the line for the bathroom.
110 - Now, don't you screw this up, I want that marmalade cake.
111 - Sure, all right, pumpkin. I was just talking to this guy over here...
112 - Oh, just forget it. You're gonna screw it up. You always do.
113 - Just go stand over there.
114 - All right, my turtle dove. Right over here.
115 - For the love of God, let my wife win the cake.
116 - Well, it's in the hands of the Lord now, sir.
117 - Okay, everyone, get ready for another exciting round of cakewalk.
118 - Would you believe she was once the sweetest,
119 - most beautiful girl in high school?
120 - Of course she was.
121 - A word of advice, kid.
122 - Never marry your high-school sweetheart.
123 - Why not?
124 - That's it, Glen. Just keep slouching. You're not mousy enough.
125 - That's why.
126 - - Hot as a pistol! - Well done!
127 - Boy, did I take these jerks to the cleaners.
128 - Hey! That's a craps table.
129 - Yep. Except here, it's called "cripes."
130 - Would you like to be the next holy roller?
131 - Are you kidding?
132 - Next to prayer, craps is my favorite thing about church.
133 - Well, enjoy yourself.
134 - I gotta go check out the Last Supper bake sale.
135 - Free cupcakes for anyone who doesn't deny the Lord!
136 - We gotta win the Rock'em Sock'em Robots.
137 - I mean, these are the most technologically advanced
138 - of all the plastic, spring-loaded boxing robots.
139 - Who knows? Maybe we'll get lucky.
140 - Or we could cheat.
141 - Kelso, man, you're willing to cheat?
142 - Here in the house of the Lord?
143 - You're coming along nicely.
144 - Yeah, I mean, it's not that bad.
145 - Because, technically, we're only in the basement of the Lord.

146 - And I'll bet he never comes down here.
147 - Yeah, good point.
148 - Plus, what old lady wants Rock'em Sock'em Robots,
149 - or a box of Pop Rocks or a SuperBall?
150 - Yeah. Yeah, I mean, they could hurt themselves.
151 - You give the elderly Pop Rocks,
152 - and they could get all foamy and stroke out.
153 - - So we're helping. - We're helping.
154 - B-7.
155 - Bingo! Gosh, that's lucky.
156 - That's Donna.
157 - Oh, look at that. A carrot-top, huh?
158 - Hey, that's great, kid. Just great.
159 - You know, I was a lot like you.
160 - A milky-white loser with a cheap haircut
161 - and less muscle tone than a canned ham.
162 - Okay, first of all, Glen...
163 - I'm wiry, okay?
164 - Yeah, I was dating the hottest looking girl in school.
165 - Thought I had it made.
166 - So, what happened?
167 - I don't know, really.
168 - One day we just realized that she had heard all of my stories
169 - and I had heard all of her stories
170 - and, well, that's when she stopped being nice and started eating.
171 - Oh, God, Donna eats.
172 - Better watch it there, kid. It starts small.
173 - A few wise-ass comments,
174 - and then they're putting you down in front of your friends.
175 - Donna, you stole the funny part.
176 - Well, Eric, I've heard it, like, eight times.
177 - Then before you know it, you're praying for death.
178 - Either hers or yours.
179 - Either way, at least it's quiet.
180 - You really brought me down, man.
181 - Yeah. Yeah, I do that.
182 - You guys are so much fun to hang out with.
183 - We really are.
184 - So what does Cosmo say about me? I'm a Gemini.
185 - Um...
186 - Okay, "The twins, two people trapped in one body."
187 - So you're like a split personality.
188 - If you ever say that again, I'll kill you.
189 - I'm kidding.
190 - You guys, I'm psycho, remember? Whoo-hoo!
191 - Wow, that was...

192 - That was really good.
 193 - I almost wet myself.
 194 - All right, all right. Enough small talk.
 195 - So, is Fez, like, an amazing kisser?
 196 - Jackie, don't make me blush.
 197 - No, she's only asking because when she kissed him,
 198 - he did this thing with his tongue.
 199 - You kissed Fez?
 200 - Oh, my God. It was so nothing. He had this stupid crush on me.
 201 - Shut up!
 202 - If either of you ever touch my boyfriend,
 203 - I will hunt you down like animals.
 204 - Understand?
 205 - You're kidding, right?
 206 - "You're kidding, right?"
 207 - I'll scratch your big, dumb eyes out! Got it?
 208 - Oh, my God.
 209 - I know. Her nails are beautiful.
 210 - I just wanted to thank you once again for doing such a wonderful job,
 Kitty.
 211 - Well, I'll tell you, Pastor Dave,
 212 - it feels so good to get out of the house and do something important.
 213 - You know who else got out of the house and did something important?
 214 - Jesus.
 215 - And lucky for us he did.
 216 - Are you all right?
 217 - Well, I ran out of underwear and I'm wearing my swimsuit, and, uh...
 218 - I've said too much.
 219 - Eric?
 220 - Yeah!
 221 - I'm the richest man in church!
 222 - Fellows, these dice like me.
 223 - Oh, yeah!
 224 - B-I-N-G-O!
 225 - And that spells "losers." Losers.
 226 - Damn it!
 227 - Never marry your high-school sweetheart.
 228 - Sweetheart. Sweetheart.
 229 - - Oh, hey, did I ever tell you... - Heard it!
 230 - Okay.
 231 - Who ate the last donut?
 232 - I did.
 233 - Son of a bitch.
 234 - You ate the first 11!
 235 - Oh, shut up!
 236 - No, I won't. I weigh 80 pounds.

237 - Look at you!
 238 - Do you know why I'm bald?
 239 - My body is eating its own hair!
 240 - - Hey! - Hey!
 241 - Hey, Diamond Jim, come here.
 242 - How's the abandoned raffle going?
 243 - Kitty, I'm on fire.
 244 - I just rolled four hard eights in a row!
 245 - God is bending the laws of probability just for me.
 246 - Hey. We won everything.
 247 - Yeah, we're just supernaturally lucky.
 248 - Hey, Mom, I got some bad, bad news for you.
 249 - For every one donut I get, Donna gets 11.
 250 - Storm's a-brewing.
 251 - Eric, how could you leave the cakewalk? Just look at those people.
 252 - Kitty, how's everything going?
 253 - Just great. Everything's great.
 254 - You kids buy a raffle ticket?
 255 - Third prize is a rock and roll record.
 256 - John Denver's Greatest Hits. He fills up your senses.
 257 - I ask for one day of help, and this is what I get?
 258 - Um...
 259 - Yeah.
 260 - Oh, wonderful.
 261 - I started out in... In God's Magic Circle
 262 - and ended up in Satan's evil square.
 263 - I can't believe any of you can walk into a church without bursting into flames.
 264 - Kitty, we're...
 265 - Okay, you know what? Just forget it. Just go.
 266 - And please, leave your ill-gotten gains.
 267 - I won them. They're mine.
 268 - - Hi, Mom. We're sorry. - Very sorry.
 269 - - Welcome home. - I love you so much.
 270 - Okay, you know what? Just stop.
 271 - I'm not mad at you.
 272 - - You're not? - No.
 273 - On my way home, while dreaming about being married to someone else
 274 - and having his children,
 275 - I, um...
 276 - I realized that this is all my fault.
 277 - All right.
 278 - Hold on. This may be a trap.
 279 - No. I shouldn't have forced you to come with me
 280 - when what I really wanted was just...
 281 - Just to do something for myself.

282 - Look, Kitty, I'm sorry.
 283 - And if there's anything that you wanna do from now on,
 284 - you should go and do it if it makes you happy.
 285 - And we'll support you by not going with you.
 286 - Would that be good?
 287 - Yes. Thank you, Red.
 288 - Good. You're welcome.
 289 - Wow. You and Mom.
 290 - You were fighting, and then you just made up.
 291 - And you guys have been married for, like, a million years.
 292 - It fills my heart with hope.
 293 - That's it. You're going in the army.
 294 - She was scary.
 295 - Really scary.
 296 - Okay, Exorcist scary.
 297 - Fez, you have to break up with her.
 298 - Okay, you two are overreacting.
 299 - She is a little loony, but she wouldn't hurt you.
 300 - - Hey. - Hello, my sweet girlfriend.
 301 - We've been over this!
 302 - Caroline!
 303 - Touch Fez and die!
 304 - Stop it! These are my friends!
 305 - Oh, really?
 306 - Did they shoplift 30worthofindelibleinkmarkers
 307 - andwriteyournameoneveryinchoftheirroom?
 308 - Everyinch!Didthey?
 309 - Um...
 310 - Didyouguysdothat?
 311 - -No. - No.
 312 - Well,thereyouhaveit.
 313 - Um,Caroline,Ihavetobreakupwithyou.
 314 - Butwhy?
 315 - Anddon'tsayit'sbecauseI'mcrazy.BecauseI'mnotcrazy.
 316 - Oh,no...
 317 - Oh,no.
 318 - Ofcoursenot.It'sjust,um...It'sjust,um...
 319 - -DonnaandIareinlove. - What?
 320 - -Oh,myGod! - Ew!
 321 - Yes,wearefreakyforeachother.
 322 - Please,tellher.Please!
 323 - Whatifshetriestokillme?
 324 - You'reagiant.Youcantakeher.
 325 - Oh,myGod.
 326 - You'rereallybreakingupwithme?
 327 - Isthatokay?

328 – *Fez, I just want to say*
 329 – *that you will never be as happy as you were with me!*
 330 – *Ever.*
 331 – *And until you realize that, I'll be seeing you.*
 332 – *And by "I'll be seeing you," I mean that I'll be watching you.*
 333 – *But you won't know it. Except I just told you, so you do know it.*
 334 – *Anyway, this isn't over!*
 335 – *Whew!*
 336 – *Sure am glad that's over.*
 337 – *One, two, three, go!*
 338 – *Oh, damn it.*
 339 – *Damn it.*
 340 – *All right, mine's broken. Did...*
 341 – *Robots are stupid.*

3.21 Episode 21: Fez Dates Donna

1 - That is the saddest sound in the world.
 2 - No more soda for Fez.
 3 - And no more money for...
 4 - Fez, do you need me to buy you another soda?
 5 - Oh, Eric, you do not buy soda.
 6 - You only rent it.
 7 - You know what I mean.
 8 - I mean, you pee it out.
 9 - Yeah, I got it. Go.
 10 - Well, I have to remember that phone number.
 11 - - Hi, Fez! - Caroline! What are you doing?
 12 - I knew you'd be in here. I saw you had the large root beer.
 13 - Caroline, you have to leave me alone.
 14 - But I wanna be with you!
 15 - But I told you, we're through
 16 - because I am with Donna.
 17 - Yes? Remember Donna?
 18 - Well, you better be, because if you're not, that means you still love me.
 19 - And if you still love me, but you're not with me, I'll make you pay.
 20 - Well, that would only be scary if I was lying about Donna and me.
 21 - Well, if you are lying I'll know, because I'll be watching you.
 22 - Go ahead, I'm not afraid.
 23 - Oh, Eric, I'm afraid.
 24 - What's wrong?
 25 - When I broke up with crazy Caroline, I told her I was dating Donna.
 26 - But I'm not dating Donna, you are dating Donna.
 27 - Hey, could I borrow Donna?
 28 - Sure.
 29 - Hanging out

30 - Down the street
 31 - The same old thing
 32 - We did last week
 33 - Not a thing to do
 34 - But talk to you
 35 - We're all all right
 36 - We're all all right
 37 - Hello, Wisconsin!
 38 - I don't wanna blink, 'cause I'm afraid to miss even a second of your cuteness.
 39 - I know, it's torture for me, too.
 40 - I could tear your eyelids off.
 41 - Let's go, Michael, to a place where our love is understood.
 42 - Oh, hey, while you're there, check out the new monkey house.
 43 - Ah, it never ends with those two.
 44 - "I love you, I love you, I love you, I..."
 45 - Guys, it won't last.
 46 - Look, an object in an unnatural state must return to its natural state.
 47 - Thus, Kelso and Jackie will have a fight any day.
 48 - Really?
 49 - It's simple physics.
 50 - Hey, you guys, you know what? We should get a pool going.
 51 - We'll draw days for *5andiftheyfightonyourday, youwinthepot*.
 52 - *Thepot? If that's the prize, I am in.*
 53 - *Hey, guys.*
 54 - *Hey.*
 55 - *Donna, I can't thank you enough for agreeing to help me with Caroline.*
 56 - *Hey, anything for a friend.*
 57 - *But if she tries to hurt me, I'm using you as a shield.*
 58 - *Likewise.*
 59 - *So, while you're with Fez, look like Forman will be living the single life.*
 60 - *Oh, yeah, that's right.*
 61 - *Oh, now you won't get to take me to see The Turning Point.*
 62 - *The baller in a movie? Oh, no.*
 63 - *Needs something, Bob?*
 64 - *Well, it's a funny thing.*
 65 - *The wife and I, we're taking out a second mortgage on the house.*
 66 - *Well, that's not the funny part 'cause we're pretty much destitute.*
 67 - *It's a little bit funny, Bob.*
 68 - *Anyways, I'm looking at the deed to the property.*
 69 - *And the map shows that I own a couple feet of your driveway*
 70 - *and a little bit of your garage.*
 71 - *How'd you like to own a little bit of my foot in your ass?*
 72 - *I wouldn't, to be quite honest.*
 73 - *It's free.*
 74 - *So, our first date.*

75 – *I guess we're officially a couple now.*
 76 – *A couple of knuckleheads, huh?*
 77 – *Oh, I make me laugh.*
 78 – *Oh, there she is.*
 79 – *Okay. Showtime.*
 80 – *Yeah. Yeah. Yeah. Yeah. Yeah.*
 81 – *So, should I watch*
 82 – *a baller in a movie or Get Smart?*
 83 – *Get Smartitis.*
 84 – *That's right. I said Get Smart.*
 85 – *I'm sorry, Donna. Did you want the last piece?*
 86 – *Well, it's too late.*
 87 – *That's right. I said "too late".*
 88 – *Yeah, that was me. That's right, that was me.*
 89 – *Hey, Hyde! Welcome to the bachelor life.*
 90 – *You know, without Donna,*
 91 – *I've realized that I can revert to my natural state.*
 92 – *I'm dirty, I'm lazy,*
 93 – *and I don't wear pants.*
 94 – *— I'm just like you. — No, no, see,*
 95 – *I'm an original, a Warhol.*
 96 – *You're just a print.*
 97 – *Well, those are some pretty strong words coming from*
 98 – *a guy who's swearing pants.*
 99 – *Wait, this is my favorite part.*
 100 – *Oh, yeah, that was me.*
 101 – *That's right, that was me!*
 102 – *Bob, that's my stuff!*
 103 – *You put the hell back my stuff!*
 104 – *Sorry, Red, it was in my part of the garage.*
 105 – *What are you talking about? What is he talking about?*
 106 – *Kitty. Kitty, let me talk to him.*
 107 – *Bob, get the hell out of my garage!*
 108 – *Fine.*
 109 – *There you go.*
 110 – *Hey.*
 111 – *Hey, how goes the pool?*
 112 – *Great, I sold 15 spots.*
 113 – *— I got today. You got tomorrow. — What?*
 114 – *That bites. They're never gonna last until then.*
 115 – *— Who won't last until what? — What?*
 116 – *— Huh? — Huh?*
 117 – *What?*
 118 – *Oh. Oh, I, uh...*
 119 – *I smashed a couple of toes*
 120 – *and I'm waiting to see how long before the nails fall off.*

121 – *I wannaplay.*
 122 – *Uh, Michael, you're a little busy right now.*
 123 – *No, but, Jackie, those toenails could fall off in any minute.*
 124 – *Hey, me!*
 125 – *I'm sorry, pudding.*
 126 – *Wow. All right, now I feel like pudding.*
 127 – *Hey, me, too. Let's go.*
 128 – *Well, I believe this is mine, and thank you all for playing.*
 129 – *– What? – It wasn't a fight.*
 130 – *Okay, we'll let Fez decide. Fez, fight or no?*
 131 – *Sorry, Eric. I have to say no.*
 132 – *The pool goes on.*
 133 – *– But, Fez, I... – It goes on.*
 134 – *Oh, what the hell? Now I want pudding.*
 135 – *I'm with you, brother. Let's roll.*
 136 – *Thank God. I thought they'd never leave.*
 137 – *No, no, don't get all gussied up for me.*
 138 – *I just came by to make sure you're okay.*
 139 – *You know, not too lonely without me.*
 140 – *What, are you kidding me? I'm having a great time!*
 141 – *I feel like I've really learnt a lot about*
 142 – *Eric.*
 143 – *Oh. Well, I'm glad you're having fun.*
 144 – *Oh, but what about you?*
 145 – *Pretending to be Fez's girlfriend has to be kind of a drag. Right?*
 146 – *No, Fez is great.*
 147 – *Last night he took me to play Putt – Putt and tonight he's taking me on a hayride.*
 148 – *Fez is so charming.*
 149 – *You know, I can see why Caroline's stalking him.*
 150 – *– You know, I would've taken you on a hayride... – Eric. Eric,*
 151 – *the important thing is that you're having a great time*
 152 – *and I'm having a great time.*
 153 – *So have a great time.*
 154 – *No, you have a great time.*
 155 – *Oh, I will.*
 156 – *Well, I will, too!*
 157 – *Eric, I cannot thank you enough for lending me your girlfriend.*
 158 – *It feels so good to be in a normal, healthy relationship.*
 159 – *Fez, it's a fake, pretend relationship.*
 160 – *You say tomato, I say tomato.*
 161 – *Fez, "to – mah – to."*
 162 – *What?*
 163 – *You say "to – mah – to."*
 164 – *Why would I say "to – mah – to"? That's not even a word, dummy.*
 165 – *Yeah, I'm sorry.*
 166 – *It's okay, Eric. Different strokes for different strokes.*

167 – *Right.*
 168 – *All I know is, if I was married to a woman like Donna,*
 169 – *it would be heavens.*
 170 – *Oh, the hijinks we would get into...*
 171 – *Lucy, I'm home!*
 172 – *Ricky, is that you?*
 173 – *Oh.*
 174 – *Lucy, what happened to you?*
 175 – *Oh, Ricky, I was making molasses cookies for your band,*
 176 – *and I had an accident!*
 177 – *Oh... Oh, Lucy.*
 178 – *— Uh — oh. — Ricky!*
 179 – *We're stuck!*
 180 – *I'll get it.*
 181 – *Ay — ay — ay — ay — ay!*
 182 – *Hi, neighbors.*
 183 – *Lucy, I brought you that flour for your cookies.*
 184 – *Oh, Ethel, you're a pal.*
 185 – *Gee, Fred, would it hurt you to hug me like that?*
 186 – *Well, probably not,*
 187 – *but why take the chance?*
 188 – *Hey, Fred, we got a sticky situation here.*
 189 – *You wanna help us out?*
 190 – *Sure, Rick.*
 191 – *Oh, watch it, Fred!*
 192 – *Boy, you kids really are stuck.*
 193 – *Oh, Lucy.*
 194 – *Well, I'm off to romance our lady.*
 195 – *Oh...*
 196 – *Hey, Fez, Donna hasn't been...*
 197 – *I don't know, you know, like, mentioning me or anything?*
 198 – *No.*
 199 – *Well, that... That's okay.*
 200 – *That's good, 'cause, you know, I haven't been talking about here either.*
 201 – *Of course, uh, I've been alone, so I'd just be talking to myself.*
 202 – *And that's not normal.*
 203 – *Have to be pretty crazy to talk to myself, wouldn't I?*
 204 – *Yes, yes, I would.*
 205 – *Okay, I gotta get some pants.*
 206 – *Damn.*
 207 – *Oh, hey, Kelso, uh,*
 208 – *Pam Macy called*
 209 – *and she said she had a really great time making out with you last night.*
 210 – *— Michael! — What? No, no! We did not!*
 211 – *Fight, fight, fight!*
 212 – *— No fair, man. — Shut up!*

213 – *My day's almost over! Now, hurry up and fight!*
 214 – *What?*
 215 – *Would you watch it!*
 216 – *What a klutz! Isn't Kelso a klutz? I think you should hit him.*
 217 – *Steven, why are you trying to make us fight?*
 218 – *'Cause I've got today in the pool.*
 219 – *Now, come on, Jackie, hit him!*
 220 – *Oh, my God, I get it.*
 221 – *The pool wasn't about Steven's toenails.*
 222 – *These idiots bet on when you and I would fight.*
 223 – *Kelso, are you gonna take that, man?*
 224 – *She called your friends idiots.*
 225 – *You better start kicking some ass.*
 226 – *No, wait. The pool was about us?*
 227 – *Damn, I wish I had a piece of that.*
 228 – *You would wager against our love?*
 229 – *Well... Damn, Jackie, in a lifetime how often do you have a run at a sure thing?*
 230 – *Ow!*
 231 – *Game over!*
 232 – *What's all the racket?*
 233 – *Oh, that's just the sweet sound of me winning.*
 234 – *A-ha! Not so fast, cheater.*
 235 – *It's two minutes past midnight,*
 236 – *which means it's the next day, which means you lose.*
 237 – *- Hah! Serves you right. - Yeah.*
 238 – *Oh, shut up, Michael.*
 239 – *Looks like*
 240 – *the winner is R.F. Who's R.F.?*
 241 – *I believe this is mine. Thank you all very much.*
 242 – *All right, hand over my preserves.*
 243 – *They were in our garage, and now they're not.*
 244 – *Oh, that's terrible, Kitty.*
 245 – *Why don't you sit down and relax with some toast and homemade jam?*
 246 – *Jam?*
 247 – *Yeah. We found it in our garage.*
 248 – *It's our garage!*
 249 – *And that's my jam!*
 250 – *Bon appetit!*
 251 – *You know, you two just don't get it, do you?*
 252 – *That jam was on my property.*
 253 – *I'll show you the deed.*
 254 – *There's my lot, there's yours,*
 255 – *there's the property line right there.*
 256 – *Oops.*
 257 – *Well, looks like I own part of your property.*
 258 – *I, uh...*

259 - I will not stand for this trickery!
260 - You get out of my house!
261 - No problem.
262 - Okay.
263 - No one answered the phone at Eric's house.
264 - What could he be doing?
265 - Where could he go with no pants?
266 - Donna, when we're in public, you are with me. Eric is dead to you.
267 - Excuse me.
268 - Pardon me.
269 - Move it!
270 - Oh, boy, here comes trouble.
271 - Caroline.
272 - I was just offering my girlfriend, Donna, a sip from my straw.
273 - We don't care about germs
274 - because she has had her tongue in my mouth.
275 - Hmm.
276 - You know what I think? I think this is all an act.
277 - I don't think you're really dating.
278 - Oh, yeah? Well...
279 - Well, maybe this will convince you.
280 - Come on, Donna. Put some leg into it.
281 - Give me a break.
282 - If you were really together, you'd have at least gotten to second base by now.
283 - You know,
284 - when you are right, you are right.
285 - All right, all right. Enough.
286 - Caroline, Fez doesn't like you.
287 - Is that true, Fez?
288 - Yes.
289 - Wow.
290 - I guess we really are over.
291 - Okay, enjoy your movie.
292 - - Sorry. - Ow. It's okay.
293 - Hey, Eric.
294 - Looking good.
295 - Call me.
296 - Eric, what are you doing here?
297 - Are you kidding me? It's The Turning Point.
298 - I love ballet movies. They make you think, you know.
299 - How did their feet get so pointy? That's a mystery I'm determined to solve.
300 - - What? - You miss me.
301 - Well...
302 - You missed me.

303 - I really did.
 304 - Excuse me.
 305 - Our date is not over.
 306 - Now, good day, sir.
 307 - - But, Fez... - I said, good day.
 308 - Fez, I'm not going anywhere.
 309 - Fine, then good day.
 310 - - Fez. - I said, good day!
 311 - Lucy, these brownies are wonderful.
 312 - They make me feel silly.
 313 - Don't you just love those dried mint flakes?
 314 - Someone sold them to me off the street!
 315 - Um, I don't think these are mint flakes. I'm flying!
 316 - Lucy, you got some explaining to do!

3.22 Episode 22: Eric's Drunken Tattoo

1 - - Hey. - Hey.
 2 - - What you doing? - Oh, just writing in my journal.
 3 - Like in Star Trek?
 4 - Captain's Log, Stardate 1978.
 5 - God, I'm so hot.
 6 - My beautiful red hair and giant jugs
 7 - seem to drive all life forms wild.
 8 - Oh, my God, Eric. That's exactly what I was writing.
 9 - I'm gonna go make some popcorn and get some sodas.
 10 - My beautifully sculpted hindquarters flounce downstairs to
 11 - procure nourishment.
 12 - - Shut up. - Okay.
 13 - Eric.
 14 - Eric.
 15 - Yes, Donna's journal?
 16 - I am the book of secrets, Eric.
 17 - Don't you wanna know what she really thinks about you?
 18 - Read me. Read me.
 19 - You know, I really shouldn't.
 20 - Suit yourself.
 21 - But beware!
 22 - What you learn here cannot be unlearned.
 23 - Okay, do you want me to read you or not?
 24 - Sorry.
 25 - Eric and I went to second base tonight.
 26 - He was hilarious.
 27 - The prom is gonna be magical.
 28 - I think tonight I'm finally gonna sleep with Eric.
 29 - Which is like Woodstock, but for vans.

30 - Anyway, I think I'm finally gonna sleep with Eric.
31 - I love him so much.
32 - Tonight, I'm finally gonna sleep with Eric.
33 - Okay, let's just skip to the last page.
34 - I had the weirdest dream about Eric last night.
35 - He was Eric, but he was also Steven Tyler from Aerosmith,
36 - and he looked really wicked and dangerous.
37 - Yeah! Wicked dangerous.
38 - Which is so not Eric.
39 - Sometimes I wish he were like that.
40 - Quick, put me down. Someone's coming.
41 - Hi. Hello. How are you?
42 - I didn't do anything. You look pretty.
43 - Hanging out
44 - Down the street
45 - The same old thing
46 - We did last week
47 - Not a thing to do
48 - But talk to you
49 - We're all all right
50 - We're all all right
51 - Hello, Wisconsin!
52 - Hey.
53 - Glad you're back. I missed you so.
54 - Did you read my journal? - What journal?
55 - You know, my Captain's Log.
56 - No. Oh. No.
57 - I was just, um...
58 - I was, uh, going through your underwear drawer.
59 - Yeah. I know. That's why I look so guilty.
60 - Because I was, like, you know, taking out your underwear
61 - and rubbing it against my skin.
62 - I can't stay away from your underwear. That's my curse.
63 - So, anyway, see you tomorrow.
64 - Gong him. Gong him. Gong him.
65 - Yes!
66 - This isn't gonna work, Jackie.
67 - What, Michael?
68 - This isn't gonna work, Jackie.
69 - What? What isn't gonna work?
70 - I'm sorry, but you and I...
71 - They're here! They're here! - What? What?
72 - Oh, my God! Michael, what'd you say?
73 - I said, "What?"
74 - My x-ray specs are here.
75 - According to the ad in the Richie Rich comic,

76 - with these, you can see through a lady's clothes.
77 - Okay, Jackie, prepare to be ogled.
78 - Swindled again.
79 - Kitty, where's the Band-Aids?
80 - I cut my thumb with a hacksaw.
81 - Well, Red, you know those things are dangerous.
82 - Well, I tried cutting the metal pipe with a flower
83 - but it was real slow going.
84 - Well...
85 - Seeing as how you're being all snarky anyway,
86 - may as well tell you.
87 - Pastor Dave is coming to dinner tonight.
88 - Not tonight. There's a Packer report on tonight.
89 - They're doing a tribute to Vince Lombardi.
90 - Red, you know I am trying to get more involved with the church,
91 - so he is coming.
92 - But, Kitty, if Pastor Dave comes over, we'll never get rid of him.
93 - He'll just go on and on about how great God is.
94 - Well, he is.
95 - He said, "This isn't going to work, Jackie."
96 - What if Michael secretly wants to break up?
97 - I need to get him to sleep again.
98 - What if his unconscious mind knows something his conscious mind doesn't?
99 - Well, let's hope so.
100 - Well, at least he's not as boring as Eric.
101 - We're not talking about Eric. We're talking about Kelso.
102 - Untrustworthy, two-timing,
103 - sneaks-around-behind-your-back- and-reads-your-journal Kelso.
104 - Okay, Donna, I'm sensing we're not talking about me and Michael anymore.
105 - So, bye.
106 - Ow!
107 - Don't pinch me, you lumberjack.
108 - Jackie, I think Eric read my private journal.
109 - Oh.
110 - Is this about the dream where you wished Eric was Steven Tyler?
111 - Hey, do you know who I really love?
112 - - Jesus. - Well, yes.
113 - But I was going to say Vince Lombardi.
114 - - You're a Packer man? - Are you kidding? I bleed cheese.
115 - Well, I'm not sure, but I think there may be a Packer report on tonight.
116 - Red, I think you might be right.
117 - And I think it could start in eight-and-a-half minutes.
118 - Well, then what do you say we choke our dinners down, get our asses on the couch?
119 - Amen!
120 - Red, can you help me in the kitchen, please?

121 - Right now, please?
 122 - Red, this night is not about football.
 123 - This night is about company.
 124 - And our company wants to watch the Packer report.
 125 - He spends his life doing the Lord's work.
 126 - And if you would deny this holy little man
 127 - that simple pleasure,
 128 - well, God have mercy on your soul.
 129 - Just can it, Red. Bring him his food.
 130 - - You got six minutes. - I'm eating!
 131 - Red, where is your Band-Aid?
 132 - Oh, I don't know. I had it on a second ago.
 133 - Must have come off while I was serving the...
 134 - Done!
 135 - Hey, Leo, thanks for letting us hang out here.
 136 - I just... I didn't wanna see Donna after what she wrote.
 137 - Forman, no one cares.
 138 - That's true, man.
 139 - Listen, you guys know I don't allow alcohol in my house.
 140 - So you're just gonna have to drink sake instead.
 141 - Sake it to me, Leo.
 142 - Don't start with the sake jokes, Fez.
 143 - Oh, put a sake in it.
 144 - Well, this would be fun if I wasn't so miserable.
 145 - Look, Forman, we're happy to sit here
 146 - and drink these tiny allegedly alcoholic drinks.
 147 - But we don't wanna hear you bitch about Donna all night.
 148 - Oh, don't worry, Hyde. I don't feel like talking about Donna.
 149 - You see, the thing about Donna is...
 150 - Here we go.
 151 - She acts like everything's all cool, okay?
 152 - And then, all of a sudden,
 153 - I'm no Steven Tyler.
 154 - Oh, Eric, give it up, for heaven's sake.
 155 - You're still the king, man.
 156 - Man, I thought we were past the phase where we had to impress each other.
 157 - You are.
 158 - Now you're in the she-dumps-you-for-a-biker- with-a-wicked-tattoo phase.
 159 - The most entertaining of all phases.
 160 - Oh, my God.
 161 - Oh, my God, Hyde, that's it!
 162 - A tattoo's dangerous.
 163 - There's a place next to the liquor store. I could go get one right now.
 164 - No way, man.
 165 - We're not gonna let you go to some sleazy tattoo parlor

166 - and spend money for something you'll regret for the rest of your life.
 167 - I'll tattoo you for free, man.
 168 - I'm pretty sure I used to do this for a living.
 169 - How cool am I?
 170 - A tattoo of my girlfriend's name.
 171 - How's that for dangerous?
 172 - Yeah, I think Debbie's really gonna like this.
 173 - Wait, Debbie? No. Donna.
 174 - Right.
 175 - Okay, no problem.
 176 - I can fix it.
 177 - Fix what?
 178 - Relax. Debbie will never notice it.
 179 - It's Donna.
 180 - See, now you moved, man.
 181 - It's okay. I can make that into a flower.
 182 - Oh, you know what you should get? Boobs.
 183 - Big boobs on your butt.
 184 - That's classy.
 185 - Hey, I can turn the Bs into boobs.
 186 - Wait, what Bs?
 187 - Like in "Debbie," your girlfriend?
 188 - It's Donna!
 189 - Oh, right.
 190 - Oh, I can fix that.
 191 - Hey, Jackie.
 192 - Hey, Michael. I'm really glad you're here.
 193 - - Okay. Time to go to sleep. - Oh, sleep?
 194 - Whoa, I thought we were gonna do it.
 195 - Michael, I invited you over for a sleepover. Not a do-it-over.
 196 - Okay? I told you. We're gonna wait until we're ready.
 197 - So, uh, go to sleep.
 198 - No, but, Jackie, I'm not tired.
 199 - But, you know, I always get tired right after.
 200 - Yeah, you don't have to tell me, Michael.
 201 - I know. We'll read out loud. Yeah.
 202 - I'll be Nancy Drew, and you could be her pudgy friend Bess.
 203 - Oh, damn it. I'm always Bess.
 204 - And then Bart Starr fakes a handoff to Anderson
 205 - and finds Dowler in the end zone for the winning touchdown.
 206 - Wow, on TV it seemed confusing, but with peanuts, it's all so clear.
 207 - Red, um, can I see you in the kitchen for a minute, please?
 208 - Yeah, just one second.
 209 - Now, you go ahead and set them up again
 210 - and I'll show you how the Packers won the Ice Bowl.
 211 - All right!

212 - Okay, Red, don't you think it's time your little friend went home?
213 - Kitty, I'm just being sociable, like you asked.
214 - - Just being a good host. - Oh, sure.
215 - All good hosts feed their guests Band-Aids.
216 - Band-Aid, Kitty. Don't exaggerate.
217 - Oh, my God!
218 - Hospital, please.
219 - "And Nancy Drew and Bess left the police station
220 - "and went to celebrate the solving of the crime with hot fudge sundaes."
221 - The end.
222 - Wow.
223 - Nancy's so smart.
224 - Read another one.
225 - Fine.
226 - Okay, Nancy Drew and the Mysterious Charming Clock.
227 - "And they celebrated the solving of the mystery of the clock
228 - "with hot fudge sundaes."
229 - The end.
230 - Guess we solved the mystery of why Bess was so pudgy.
231 - This isn't going to work, Jackie.
232 - What isn't going to work?
233 - I can't sleep with you staring at me.
234 - Walk this way
235 - Walk this way
236 - Walk this way
237 - Walk this way
238 - Just gimme a kiss
239 - Like this
240 - Eric, how did you get so hot?
241 - I got a tattoo.
242 - Eric's perfect.
243 - Oh, yeah.
244 - Ow. Ow.
245 - Oh, yeah.
246 - So, are you telling me that you fed me a Band-Aid?
247 - Well, um, to be honest,
248 - Red fed you the Band-Aid.
249 - How did this happen?
250 - Red, why don't you diagram it for him with peanuts?
251 - Look, Dave, I'm real sorry.
252 - I didn't realize how sick a Band-Aid would make you.
253 - Well, thank you for your belated honesty.
254 - But the doctor said I had food poisoning from an undercooked sausage.
255 - Food poisoning? That's Kitty's department.
256 - I have never undercooked a sausage in my life.
257 - I have a system. It's foolproof.

258 - Hey, Kitty, it's okay.
 259 - We all make mistakes.
 260 - I...
 261 - Vince Lombardi is overrated. That's right. He is overrated.
 262 - Ignore her. She's hysterical.
 263 - This isn't going to work, Jackie.
 264 - Us, Michael? Are we not gonna work?
 265 - No. The car.
 266 - Jackie, the carburetor's busted.
 267 - This was all because of a stupid car?
 268 - We're gonna have to take the bus to our wedding.
 269 - Our wedding?
 270 - Oh, Michael, that is so sweet.
 271 - I love you, Michael Kelso.
 272 - I love you, too, Jackie Onassis.
 273 - Eric, what the hell?
 274 - Did you just kick my door?
 275 - No.
 276 - But I got a surprise.
 277 - I got a tattoo. Guess where? On my butt.
 278 - Why?
 279 - Why?
 280 - Because I'm dangerous, lady.
 281 - Eric, I want you to be honest with me, and I promise I won't get mad.
 282 - Did you read my journal?
 283 - Um...
 284 - - Yeah. - You sneaky little dillhole!
 285 - No. You know who's sneaky?
 286 - People who go around writing their feelings in their journals
 287 - and not telling their boyfriends what they feel.
 288 - So, you know what? I'm not sorry.
 289 - I'm so sorry.
 290 - You wanna know how I feel? Fine. I'll tell you how I feel.
 291 - "Today at lunch I was looking at Eric when he didn't know it,
 292 - "and I just couldn't believe how much I love him
 293 - "and how lucky I am to be with him."
 294 - Why couldn't you read that page?
 295 - Because you came back.
 296 - Look, Donna.
 297 - Look, I'm really sorry, but, you know, it's just, sometimes I get
 298 - worried, you know? I...
 299 - Well, you know what?
 300 - Suck it up.
 301 - Eric, these are my private thoughts and I'm allowed to have them.
 302 - You have to stop trying to be what you think I want you to be and just,
 like,

303 - be yourself.
 304 - Okay. I think I'm gonna go.
 305 - Well, wait.
 306 - Take off your pants.
 307 - Really? All right.
 308 - - No. To show me your tattoo. - I knew that.
 309 - - Right. Yeah. - I knew that.
 310 - I think you're really gonna like it.
 311 - But just don't be mad if it says "Debbie."
 312 - Woodstock.
 313 - It says "Woodstock"?
 314 - No, it's a picture of Snoopy's friend, Woodstock.
 315 - You have a little yellow bird on your ass.
 316 - If properly executed,
 317 - the power sweep is unstoppable.
 318 - Oh, Red, this is silly.
 319 - I don't wanna run this play again.
 320 - Well, we're gonna run it until we get it right.
 321 - Because, if properly executed,
 322 - the power sweep is unstoppable!
 323 - - Hut one, hut two... - Who wants cookies?
 324 - - I want it. - Oh, yeah, absolutely.

3.23 Episode 23: Canadian Road Trip

1 - Okay, guys, road trip checklist.
 2 - Car, check.
 3 - Okay. We're good.
 4 - Is there anything about Canada
 5 - we need to know before we get there?
 6 - The beer is stronger,
 7 - and, as a result, their women look prettier.
 8 - Then let's haul ass to Canada!
 9 - Hey, shh!
 10 - Fez, if my dad finds out that we're going to Canada...
 11 - Uh, for beer, no less...
 12 - He's gonna start killing people. Okay?
 13 - All right!
 14 - Canada!
 15 - Whoo-hoo! Beer!
 16 - Kelso, you're not going.
 17 - What? Why not?
 18 - Because this is a risky mission.
 19 - You tend to screw these things up.
 20 - Yo. That is a damnable lie.
 21 - Okay.

22 - Kelso, remember that time we were gonna put a flaming bag
 23 - of dog poop in front of Principal Pridwell's door
 24 - and you lit it in the car on the way over?
 25 - Yeah. I wanted to see it all flamey.
 26 - And then you panicked and stepped on it?
 27 - Eric, it was on fire!
 28 - Okay. You're not going.
 29 - No, no, no. Fine. I won't use the air horn,
 30 - and I'll pay for the gas...
 31 - And the beer.
 32 - I can't stay mad at you. Come on, you big lug.
 33 - Hey, dudes.
 34 - Leo, man, what are you doing here?
 35 - Sittin'.
 36 - What are you doing here?
 37 - We're going to Canada to buy beer.
 38 - Cool.
 39 - I spent some time up there during 'Nam.
 40 - Oh. Conscientious objector, huh?
 41 - No. I didn't mind.
 42 - Hey, road trip sounds good, man,
 43 - but I don't want nothin' to do with that beer.
 44 - That stuff will mess with your mind, man.
 45 - Okay. Let's get going.
 46 - Oh, don't tell me "Crap Shoes" is comin'.
 47 - The bag was on fire!
 48 - Hangin' out
 49 - Down the street
 50 - The same old thing
 51 - We did last week
 52 - Not a thing to do
 53 - But talk to you
 54 - We're all all right
 55 - We're all all right
 56 - Hello, Wisconsin!
 57 - Oh, my God!
 58 - Oh, my God! Oh, my God!
 59 - Donna, Glamourella Modeling Agency
 60 - got the pictures I sent in. They want me to audition.
 61 - My dream is finally coming true.
 62 - I thought your dream was to be the world's first flying lady scientist.
 63 - No. No, Donna, that was a dream I had, not my dream.
 64 - You're a weird little girl.
 65 - Yeah.
 66 - If I become a model,
 67 - I wouldn't have to work or study or think ever again.

68 - That's great. I mean, what's thought done for anyone anyway?
 69 - Nothing.
 70 - But modeling has made people rich and famous.
 71 - Come on, Donna.
 72 - We're going to the world modeling headquarters.
 73 - It's in Sheboygan.
 74 - Guess who got a bonus today.
 75 - Oh, my golly! They gave you a box full of money.
 76 - Better.
 77 - A video cassette recorder.
 78 - What's video cassette, and why do we need to record it?
 79 - It records TV.
 80 - You know how we don't get to see Johnny Carson?
 81 - Well, he's on so gosh darn late.
 82 - Who can stay up past 10:30?
 83 - No one.
 84 - But now we can record Johnny while we sleep
 85 - and then watch it the next day.
 86 - Oh.
 87 - And you know how you wanted to watch the, uh, rerun of Roots?
 88 - Mmm-hmm. Well, we can tape it,
 89 - and then you can watch it over and over again.
 90 - Well, I think just watching it tonight should do the trick.
 91 - Well, we will watch it tonight. After we tape it.
 92 - But if we don't stay up to watch Carson,
 93 - why would we stay up to watch this?
 94 - Because it's conve... Oh!
 95 - You just don't understand technology.
 96 - No.
 97 - But I sure know how to tell time.
 98 - Wow. What a view.
 99 - Just like a postcard.
 100 - It is so beautiful I could cry.
 101 - Oh, sure, drinking looks like fun,
 102 - and all the "cool kids" do it.
 103 - But it leads you down a sad, lonely, confused path, man.
 104 - You know why they call it beer?
 105 - No. Why?
 106 - I'm just curious, man.
 107 - Guys...
 108 - Guess how many countries I've whizzed in.
 109 - Two.
 110 - All right. Let's get going.
 111 - We're almost at the border,
 112 - so everyone's got their IDs, right?
 113 - Yup.

114 - Mmm-hmm.
115 - Oh, no.
116 - I think I lost my green card.
117 - Damn. Fez, where's the last place you had it?
118 - If I knew that, I would have it now, you son of a bitch.
119 - All right, hey, Fez, take it easy.
120 - No, you take it easy.
121 - They're gonna throw me in Canadian jail.
122 - Have you seen Midnight Express?
123 - Well, it's like that, but with hockey sticks.
124 - Great. Now we're screwed.
125 - Ay, what if I can't breathe?
126 - Just take a deep breath, man...
127 - And visualize yourself breathing.
128 - All right. Now, when we get to the checkpoint,
129 - everyone just act cool.
130 - And by everyone, I mean "Mr. Crap Shoes".
131 - It was on fire!
132 - Wow.
133 - Hi. I'm Michelle Ray,
134 - president of Glamourella International.
135 - And you must be...
136 - I'm Jackie Burkhart.
137 - Jackie Burkhart. Exactly.
138 - And you're here for...
139 - My audition.
140 - Exactly.
141 - And you must be...
142 - Nah. She doesn't matter. Okay. Let's start.
143 - Okay, let's do it.
144 - Mmm-hmm.
145 - Uh-huh.
146 - Let's see the hair.
147 - Well...
148 - You are a remarkable talent.
149 - Are those your real teeth?
150 - Yeah. Great.
151 - Welcome to the superior world of modeling.
152 - Oh, God! Thank you, thank you, thank you!
153 - Sure. Now...
154 - You're going to need to cover a few costs. Of course.
155 - Oh. You know, I left my checkbook at home.
156 - Um, can I come by tomorrow?
157 - Oh, tomorrow.
158 - No. No. Tomorrow, I will be in Paris,
159 - you know, for the big show.

160 - Okay. Then I'll bring it by tonight.
 161 - - Good. - Okay.
 162 - Okay. Administrative costs are 200. *Uh – huh.*
 163 – *And publicity shots are 150.*
 164 - And we're gonna need beauty supplies...
 165 - Wait, wait, wait. Hold on, hold on.
 166 - Are you an agent or a sales lady?
 167 - Oh, I'm an agent.
 168 - I represent models like Cheryl Tiegs.
 169 - You represent Cheryl Tiegs?
 170 - No. Models like Cheryl Tiegs.
 171 - Red, it's starting. It's starting.
 172 - And press "record" and done.
 173 - We are now recording.
 174 - Two hours from now, we'll be watching Roots.
 175 - Well, I just...
 176 - I... I just don't see why we can't watch it now like normal people.
 177 - Kitty, we have a Betamax.
 178 - We're better than normal people.
 179 - So, what do you wanna do for the next two hours?
 180 - Watch Roots.
 181 - Uh-uh.
 182 - Fine.
 183 - I'm gonna go make some instant pudding,
 184 - and you can't eat it for two hours.
 185 - All right. Just act cool. We got nothing to hide.
 186 - You got something to hide, eh?
 187 - No, no. Uh, he said we've got
 188 - nothing to hide.
 189 - Well, around here, we don't make a point
 190 - of saying we got nothing to hide if we've really got nothing to hide.
 191 - Cultural differences. Wow.
 192 - We're all Americans, every one of us.
 193 - All right, move along.
 194 - Thank you. Cool.
 195 - Stop right there.
 196 - Hey.
 197 - You found me.
 198 - You win a beer.
 199 - See? Beer is evil.
 200 - I'm not gonna say I told you so, man,
 201 - but I will say this.
 202 - I told you so, man.
 203 - Beer never hurt anyone, my friend.
 204 - You're well within the legal limit on that.
 205 - But you're over the limit

206 - on foreign kids you can smuggle out of this country.
207 - Well, what is the legal limit on that?
208 - The limit is zero, you hoser.
209 - Damn it.
210 - Hey, I'd keep a civil tongue in my head if I were you.
211 - We could throw you in jail right now.
212 - We're the Mounties. We answer to no one.
213 - Look, Fez just lost his green card. We just...
214 - We didn't want any trouble.
215 - Lost green card?
216 - Seems a little convenient, eh?
217 - You got us.
218 - We're here to take over your country.
219 - I know, I know it seems funny
220 - when you say stuff like that, but, um, don't.
221 - No one leaves until we get answers, eh?
222 - Eh?
223 - Eh?
224 - What are you doing in Canada?
225 - What are you doing in Canada?
226 - We're part of an elite high school terrorist team.
227 - Strike Force Wisconsin!
228 - Uh, we just came here to get the beer,
229 - and I love Rush.
230 - Fly by night!
231 - Well, if ham's Canadian bacon,
232 - then what the hell do you call bacon?
233 - Me no speaka ze English.
234 - What's your business in Canada?
235 - What's your business in Canada?
236 - What? Getting beer.
237 - Every once in a while, do you ever get an American nickel
238 - in your change?
239 - Me no understando.
240 - What's your reason for coming to Canada, eh?
241 - What's your rea...
242 - Shut up!
243 - Yeah, I'm here to nail Margaret Trudeau.
244 - Been there. Yeah.
245 - Done that.
246 - Beer.
247 - Beer.
248 - Beer!
249 - Are those snowshoes hard to walk in?
250 - They're tennis rackets, aren't they?
251 - Wee fooby dibby dooby.

252 - Wee fooby...
 253 - Dibby dooby.
 254 - Wee fooby dibby dooby.
 255 - Jackie, can't you see?
 256 - This woman is just trying to make money off you.
 257 - Donna, she deserves her cut.
 258 - She discovered "a remarkable talent."
 259 - Donna, don't hate me 'cause I'm beautiful.
 260 - Jackie, I pity you because you're dumb.
 261 - Administrative fees, publicity shots?
 262 - Beauty packages?
 263 - It's a scam.
 264 - God, Donna, this is the most important thing
 265 - that's ever happened to me, and you're trying to ruin it.
 266 - Look, Jackie, I'm sorry...
 267 - And to think I was gonna make you my assistant.
 268 - Our nail-care package is optional... Mmm-hmm.
 269 - ...but if you're really serious...
 270 - Oh. Oh, I am.
 271 - I am fully committed to both fame and fortune.
 272 - You are going places.
 273 - That'll be another 200, *then*.
 274 - *Excellent*.
 275 - *Hi. I'm Michelle Ray... I know.*
 276 - *I was just there.*
 277 - *Of course you were.*
 278 - *I told you to stay in the car, you dream killer.*
 279 - *Jackie, I'm here for you,*
 280 - *and, as a matter of fact,*
 281 - *I've decided to be a model, too.*
 282 - *Oh, Donna, you're so funny.*
 283 - *Now, Donna,*
 284 - *you're gonna need 200 for publicity costs,*
 285 - *and then there's gonna be administrative fees. Wait, wait, wait.*
 286 - You didn't even ask her to shake her hair.
 287 - Oh, yeah. Shake your hair.
 288 - You are a remarkable talent.
 289 - Wait, wait, wait. What? You think Donna here can be a model?
 290 - This is a scam.
 291 - How dare you soil the pure and noble art of modeling?
 292 - I like your passion.
 293 - Have you ever considered acting?
 294 - Oh, my God. That's my dream.
 295 - Oh, my God. Oh. We're going.
 296 - And...
 297 - Time!

298 - Ah...
299 - Let's watch Roots.
300 - Oh, Red.
301 - I'm sleepy.
302 - Can we watch it in the morning?
303 - But I just taped it.
304 - Well, I know, but I thought the whole point
305 - was we can, we can watch it whenever we want.
306 - But I just taped it.
307 - Fine. Let's watch it now!
308 - Great.
309 - Now I just punch "play,"
310 - and voila...
311 - Roots.
312 - Where's Roots, Red?
313 - Oh. That's right. I...
314 - I forgot to rewind the tape.
315 - The tape.
316 - This tape?
317 - How do they get the movie onto the tape
318 - when it's way the heck over here, Red?
319 - It's... It's complicated.
320 - Good night, Red!
321 - Damn!
322 - I should've got the microwave.
323 - Thanks for looking out for me.
324 - Sure.
325 - And I've thought about it, and you could be a model.
326 - Hmm.
327 - That's... That's nice.
328 - You guys are in real trouble
329 - if you did what we think you did.
330 - What do you think we did?
331 - What do you think we think you did?
332 - What do you think we think you think we did?
333 - Something involving a foreign kid
334 - in the back of a car.
335 - That much is for sure.
336 - And now we're gonna get some answers.
337 - What are you gonna do, torture us?
338 - Yeah. You gonna make us listen to Anne Murray records?
339 - Hey! She's a wonderful performer.
340 - And you're not funny.
341 - No, no. I think what we're gonna do
342 - is call your parents.
343 - Oh, Red is going to kill you.

344 - I mean...
345 - Ooby dibby dooby.
346 - No! We had to smuggle Fez.
347 - It was the only way for him to see this great country
348 - with its spacious skies and...
349 - Fruited waves of plain.
350 - And...
351 - O Canada
352 - Our home and native land
353 - Nice try, kid.
354 - True patriot love
355 - In all thy sons' command
356 - It's not gonna work.
357 - With glowing hearts we see thee rise
358 - The true north strong as...
359 - From far and wide
360 - O Canada
361 - We stand on guard for thee
362 - God keep our land
363 - Glorious and free
364 - O Canada
365 - We stand on guard for thee
366 - O Canada
367 - We stand on guard
368 - For thee
369 - You sure are good kids.
370 - Thanks, man.
371 - You know, there must be some way
372 - to put this all behind us.
373 - We'll give you our beer.
374 - Oh, God bless you, son.
375 - My green card.
376 - I hid it in my right shoe for safekeeping.
377 - I even made up a rhyme so I would remember.
378 - My green card in my right shoe
379 - Something, something right shoe
380 - So, see? It was... It was just a big misunderstanding.
381 - Thank God we got that cleared up.
382 - We're just gonna grab our beer and head on outta here.
383 - Yeah, but you're not getting your beer back.
384 - Now...
385 - Leave Canada, please.
386 - You leave Canada, please.
387 - Get...
388 - Filthy hippie.
389 - Guys, I have to admit something.

390 - I love Anne Murray.
391 - She puts me in a mood.
392 - So, guys, next time, instead of going to Canada,
393 - let's just stay here and pretend we're in Canada.
394 - So, how's it going, eh?
395 - Hey, you know, if Fonzie ever played a Mountie on Happy Days,
396 - he could go, "Aaay, eh?"

3.24 Episode 24: Backstage Pass

1 - Okay, here comes Kelso. Oh, this is going to be so good.
2 - But plug your nose, because it's also going to be foul.
3 - All right, somebody put a stink bomb in my backpack!
4 - Oh!
5 - And when I find out who, I'm gonna kick some ass!
6 - Why must people be cruel?
7 - Yeah, because now I gotta go see Jackie smelling like a skunk.
8 - And Jackie hates skunks, except for Pepe Le Pew.
9 - And you gotta admit, for a skunk he's pretty romantic.
10 - Okay, guys, I've got five stink bombs left.
11 - Let's go ruin someone else's day.
12 - Sorry, guys. I'm going to the movies with Donna.
13 - You know, it's like, we hardly see each other
14 - now that she got that job at the radio station.
15 - Yeah, you're the wife of a famous radio personality.
16 - Go bake me a pie, Martha.
17 - Oh, my God.
18 - Donna's on the radio. She's doing the farm report right now.
19 - And in pork belly news,
20 - prices have risen to nearly 54 cents per pound.
21 - Mmm-mmm, bacon!
22 - Pork belly prices. How cute is that?
23 - And I'll be back at 3:00, 4:00, and 5:00 with more updates.
24 - Until then, keep on farming.
25 - Is that okay? I just added that. I did hit the button.
26 - She's staying late again?
27 - Oh, God. How much fast-breaking pork belly news can there possibly be?
28 - That's it. I'm going down there.
29 - Well, that conversation's going to go badly.
30 - How do you know?
31 - I put a stink bomb in his back pocket.
32 - You're doing the rest of the farm reports?
33 - Come on, I thought we were going to the movies.
34 - Well, Janice called in sick, so...
35 - Why do you smell like butt?
36 - That is none of your business, okay?

37 - Okay, Donna, look. I think we need to talk.
38 - I think this job is really cutting into your Eric time.
39 - My Eric time?
40 - And I'm very concerned about your diminishing Eric time
41 - because it directly affects me, you know?
42 - I'm Eric.
43 - Hey, thanks for staying late again, Donna.
44 - You know, you might just turn this into a full-time gig.
45 - Hey, I'm her full-time gig.
46 - No offense,
47 - you stink, dude.
48 - Here's those tickets. Enjoy the show.
49 - Tickets?
50 - Yeah, I know I've been working a lot lately
51 - and I wanted to make it up to you.
52 - So I got Max to hook us up with Ted Nugent tickets for everybody!
53 - The Motorcity Madman? No way!
54 - Oh, my disappointment is melting
55 - into a mixture of excitement and guilt.
56 - Great. That's what I was going for.
57 - Hanging out
58 - Down the street
59 - The same old thing
60 - We did last week
61 - Not a thing to do
62 - But talk to you
63 - We're all all right
64 - We're all all right
65 - Hello, Wisconsin!
66 - As soon as I saw that skunk, I knew
67 - that I had to capture it and return it to the zoo,
68 - where it could maybe, just maybe
69 - fall in love, like you and I.
70 - Oh, Michael, that is so sweet.
71 - Yeah.
72 - That's me, sweet.
73 - So, here we are.
74 - What to do.
75 - What to do.
76 - Oh, I know what we could do. It.
77 - No, Michael, I'm not doing "it" in a car.
78 - Now that we're back together, I want it to be special.
79 - I want our second first time to be magical.
80 - I can do magic. Check it out.
81 - Michael, I'm serious.
82 - Jackie, I just removed a finger!

83 - All right. How about this?
 84 - We'll have a special day,
 85 - just dedicated to all the romantic magic you want.
 86 - That's a great idea.
 87 - - But you know what would be even better? - If we did it right now.
 88 - No!
 89 - That instead of one day, we have a whole week of romantic magic.
 90 - Well...
 91 - That would be seven times longer.
 92 - And seven times better!
 93 - And seven times longer. Yay.
 94 - You know, our anniversary's coming up.
 95 - Eighteen years. I can still remember the first time I saw Midgie.
 96 - She was the tallest girl in chemistry class.
 97 - And Bob was the shortest boy.
 98 - But what he lacked in height, he made up for in shortness.
 99 - Red, remember when we first met?
 100 - Like it was yesterday.
 101 - It was 1952 at a USO dance.
 102 - Me and my buddies were blowing off steam.
 103 - And suddenly, I saw her.
 104 - She was the most beautiful girl in the joint.
 105 - Hey, dame. Wanna shake a leg?
 106 - No, thanks.
 107 - It wasn't a question.
 108 - I think it was, mister.
 109 - Mind if I cut in?
 110 - This is none of your business, bell-bottom.
 111 - I think you could use a little punch, leatherneck.
 112 - Oh, you're in big trouble, Red Forman.
 113 - Huh?
 114 - I said you're in big trouble, Red Forman.
 115 - You're thinking of some other girl.
 116 - That's not how we met at all.
 117 - Oh.
 118 - Oh.
 119 - Uh-oh.
 120 - Fez, what's in the box?
 121 - Counterfeit concert T-shirts.
 122 - Me and Hyde are going to sell them after the show.
 123 - Oh, how entrepreneurial of you.
 124 - Hey, you see, I figure with the original concert tees going for 15,
 125 - *wesellours for 10*.
 126 - That turns a 50 *investment into 250*.
 127 - Where'd you get the 50? *I thought you were broke*.
 128 - *Isneaked it from your Candyland stash*.

129 – *So if you think about it, it'll all profit.*
 130 – *Okay, fine. Can I borrow 50?*
 131 - Hey, you wanna see what 50 stolen bucks can buy?
 132 - Fez, it's Ted Nugent.
 133 - Uh-huh, Tad Nugent.
 134 - No, man. I'm saying "Ted."
 135 - I'm saying "Tad" too.
 136 - No, you're not. It says "Tad."
 137 - I know it says "Tad." I'm the one who put it on there.
 138 - I don't know why we're fighting. What's the problem here?
 139 - - Because the shirt says "Tad." - Exactly.
 140 - But the "A" should be an "E."
 141 - That's not how you spell "Tad."
 142 - No. That's how you spell "Ted."
 143 - Oh.
 144 - These shirts are useless. Now Forman's out 50.
 145 – *You know, it's hard enough trying to remember this*
 146 – *without you not staring at me.*
 147 – *Hey, I could hypnotize you.*
 148 – *I know.*
 149 – *You could retrace your steps. What did you have for breakfast?*
 150 – *Oh, hi, Kitty. You know...*
 151 – *I was just thinking about how much I love you.*
 152 – – *So, did you remember yet?* – *Yes.*
 153 – *No.*
 154 – *It was November 17, 1953, at a USO dance.*
 155 – *I remember because it was the most important moment of my life.*
 156 – *Really, Kitty?*
 157 – *Because in November, 1953,*
 158 – *I was in Korea.*
 159 – *So I'm pretty sure that you were talking to someone else.*
 160 – *Are you sure?*
 161 – *Maybe... Maybe you came home for the weekend.*
 162 – *Not from Korea.*
 163 – *Oh, great. Now, neither one of us knows how we met.*
 164 – *Well, you better get your thinking cap on, mister.*
 165 – *Thank you, Wisconsin! Goodnight!*
 166 – – *That was the coolest, most bitching concert! – Whoa! That was so cool!*
 167 – *All right, let's go try and sell these stupid T-shirts.*
 168 – *God, Michael, this was the most magical night.*
 169 – *You know, during the concert, I wrote some of Ted Nugent's songs*
 170 – *with your name in it. Okay, which one do you like better?*
 171 – *Cat Scratch Jackie or*
 172 – *Jackie Scratch Fever?*
 173 – *I love them both!*
 174 – – *What do you want to do now?* – *Uh...*

175 – *Ooh, we can go around back and watch the tour buses*
 176 – *from behind the chain – link fence.*
 177 – *Great idea.*
 178 – *– Hi, kids. – Hi.*
 179 – *– Enjoy the show? – Are you kidding?*
 180 – *I'm deaf.*
 181 – *You can say that again, Max.*
 182 – *Well, you know, I'm starting to come down.*
 183 – *I mean, I'm getting tired.*
 184 – *Why don't you take this?*
 185 – *Oh, my God.*
 186 – *– A backstage pass. – Oh, yeah.*
 187 – *Oh, too bad there's only one, huh?*
 188 – *I'll be back in five minutes, I swear.*
 189 – *You're going?*
 190 – *Well, don't you want me to?*
 191 – *Of course, I do.*
 192 – *That's why I said, "Oh, you're going, yay!"*
 193 – *You're the best.*
 194 – *Yeah, that's...*
 195 – *Yeah, that's good. That's nice for her.*
 196 – *You'll never see her again.*
 197 – *That's how I lost my first wife.*
 198 – *Damn you, Donny Osmond!*
 199 – *T – shirts!*
 200 – *Get your crappy, misspelled T – shirts!*
 201 – *Can't enjoy the after – party without your crappy, misspelled T – shirts!*
 202 – *I rue the day I took you under my wing, my foreign friend.*
 203 – *I'm sorry you feel that way, Hyde.*
 204 – *But I think that the time we spent together*
 205 – *has taught us each a little bit about*
 206 – *tolerance, humanity,*
 207 – *friendship.*
 208 – *Whatever.*
 209 – *Ew!*
 210 – *Michael, someone blew chunks.*
 211 – *May I escort you across the vomit, my lady?*
 212 – *Why, thank you, good sir.*
 213 – *I hate them.*
 214 – *You just bought yourself a bad T – shirt, mister.*
 215 – *Fez.*
 216 – *It's Ted!*
 217 – *Hey, who ordered the red head?*
 218 – *Oh, my God, you're looking at me.*
 219 – *Ted Nugent is looking at me.*
 220 – *Oh, my God, stop looking at me.*

221 – *I'm Donna. I am, like, your biggest fan.*
 222 – *Oh, hi, Donna. Meet the other groupies.*
 223 – *This is Blonde Girl, the Other Blonde Girl.*
 224 – *Tall Girl, and the Tall Blonde Girl.*
 225 – *Well, actually, I'm not a groupie. I mean, I love you, but...*
 226 – *I work at a rock radio station. WFP, "The Sound."*
 227 – *I do the farm report. It's like a huge day for porkbellies.*
 228 – *You don't care. Sorry.*
 229 – *Well, you work for a radio station?*
 230 – *You want to do an interview or something?*
 231 – *Oh, my God. An interview would be amazing.*
 232 – *Do you have a piece of paper, one of those...*
 233 – *— Pens. — Pens! Exactly!*
 234 – *You are the best.*
 235 – *Okay, first question. Um, uh...*
 236 – *Oh, my God. Why are you so great?*
 237 – *Hey, guys, have you seen Donna?*
 238 – *Look, Forman, no offense.*
 239 – *We got more important things to worry about here.*
 240 – *Right. Good luck in jail, guys.*
 241 – *You know, I had a dream like this once.*
 242 – *Only I was handcuffed to Cheryl Tiegs.*
 243 – *And you weren't wearing your sunglasses.*
 244 – *It's not just tonight, you know?*
 245 – *Yeah, she's been blowing me off more and more.*
 246 – *And she thinks I'll take it, but I won't. Uh — uh.*
 247 – *Can you lift your feet, please?*
 248 – *Sorry.*
 249 – *And I'm not listening to your little story,*
 250 – *so you really need to stop talking to yourself.*
 251 – *What is wrong with you people? Come on, that was great!*
 252 – *What are you, on dope?*
 253 – *Well, I better go. My boyfriend's waiting.*
 254 – *Thank you so much for the interview, Ted.*
 255 – *You're very welcome. You want to stick around? I'll let you touch the guitar.*
 256 – *Really?*
 257 – *All right.*
 258 – *Wait, you mean your guitar — guitar, right?*
 259 – *— Yeah. — All right.*
 260 – *Michael, I have to say, this has really been a magically romantic day.*
 261 – *Actually, it's after midnight.*
 262 – *So, it is now officially day two*
 263 – *of magical romance week.*
 264 – *Ta — da.*
 265 – *Oh, Michael.*
 266 – *And I've got some great stuff planned for the rest of the week.*

267 – *We're gonna have a picnic, and I'm gonna cook for you.*
 268 – *Oh, and we're gonna go for a ride on a rickshaw.*
 269 – *You know what? You are the most romantic man in Point Place.*
 270 – *Yep.*
 271 – *You know, at first, I thought this was gonna suck.*
 272 – *But, you know I've really gotten into it.*
 273 – *And I'm glad that we're waiting seven days to do it.*
 274 – *God, Michael, you really have changed.*
 275 – *You're so different.*
 276 – *And we're different.*
 277 – *Okay. Let's do it.*
 278 – *— Now. — Whoa. I thought you didn't wanna do it in a car.*
 279 – *No, Michael, you're so irresistible, I can't wait.*
 280 – *What about the rest of the week?*
 281 – *I mean, I rented a taxi and put on leather shoes.*
 282 – *Okay, you guys, come on. Open up. I've had a really bad night.*
 283 – *We need the car, Eric.*
 284 – *We're gonna do it, and it's gonna be magical.*
 285 – *Oh, Red, it's killing me that I can't remember.*
 286 – *Huh?*
 287 – *Oh, yeah, yeah. Me, too.*
 288 – *But I'll tell you one thing I remember.*
 289 – *I remember that you loved Manhattan.*
 290 – *Oh, that's right. That's what I used to drink.*
 291 – *Oh, I haven't had a Manhattan in 20 years.*
 292 – *Oh, boy, that takes me back.*
 293 – *Oh.*
 294 – *Oh.*
 295 – *Keep them coming.*
 296 – *Oh, my. I'm as loose as a goose.*
 297 – *Okay, let's do it.*
 298 – *Upsy — daisy. I need to use the ladies'.*
 299 – *You all right?*
 300 – *I bumped into your butt and fell down!*
 301 – *Sorry. My pants were...*
 302 – *Hi. I'm Red Forman.*
 303 – *How do you do, Red Forman? I'm Kitty Sigurdson.*
 304 – *You bumped into my butt and fell down and that's how we met?*
 305 – *I'm a fraud so.*
 306 – *Well, what do you say if Eric ever asks,*
 307 – *we go with the "I punched out a marine" story?*
 308 – *And I wasn't drinking, I was reading to the blind.*
 309 – *Sounds good.*
 310 – *Oh, my God, Eric. I have so much to tell you.*
 311 – *I actually met Ted Nugent and I got an interview,*
 312 – *and I know I said I'd be right back, but...*

313 – *It was so exciting.*
 314 – *Oh. Yeah, my night, too.*
 315 – *I met the janitor.*
 316 – *And then I got to see Kelso take his pants off.*
 317 – *Rock and roll!*
 318 – *Eric, you're mad at me for going back stage to meet Ted Nugent?*
 319 – *No, no. I'm mad at you because you ditched me.*
 320 – *I didn't ditch you!*
 321 – *This was Ted Nugent. This was a huge opportunity for me.*
 322 – *So, come Monday, I don't have to just talk about the farm report.*
 323 – *I can talk about the interview,*
 324 – *like an interviewer.*
 325 – *Well, you know what, Donna?*
 326 – *All I can say is that my mum never would have bailed on my dad like that.*
 327 – *Yeah, I know. But they're married.*
 328 – *Okay.*
 329 – *Okay, forget it.*
 330 – *Let's just forget it.*
 331 – *You're sorry. Everything's fine.*
 332 – *I never said I was sorry. – But...*
 333 – *...you are, right?*
 334 – *I shouldn't have to be.*
 335 – *We are free! At last, we are free!*
 336 – *Yeah.*
 337 – *They tried to charge us with selling counterfeit merchandise.*
 338 – *But since Ted Nugent was misspelled,*
 339 – *it wasn't really counterfeit, it was just stupid.*
 340 – *Ah. My ignorance of American youth culture finally paid off.*
 341 – *Hey, Donna, did you get to meet the Nuge?*
 342 – *Yeah, it was awesome. I was right there with Ted Nugent.*
 343 – *The Nuge.*
 344 – *So can we go now?*
 345 – *Excuse me! You're ruining the magic!*
 346 – *You going to a clown funeral?*
 347 – *Shut up. I'm romantic.*
 348 – *– Nicerental, Kelso. – Joke's on you. I bought it.*
 349 – *Yeah, that's right. It's mine.*
 350 – *– Well, I think you look handsome, Michael. – Thank you, Jackie.*
 351 – *Hey, Fez, did you ever pull a rickshaw?*
 352 – *– What's a rickshaw? – Come on. It's fun.*

3.25 Episode 25: The Promise Ring

- 1 - Hey, whatcha doin'?
- 2 - Just counting my secret stash.
- 3 - I'm getting something special for Donna.

4 - Something special, huh? Oh, is it firecrackers?
5 - No.
6 - No, no, 'cause if it's something that blows up, I'll go halvesies.
7 - It's a promise ring.
8 - 'Cause, you know, Donna and I've been fighting a lot lately.
9 - Forman, you get mushy with Donna,
10 - she's gonna see the secret girl inside the man.
11 - Now, trust me, you don't want to let Erica out.
12 - Erica. That's a good burn.
13 - You can't do that with Michael. I'm lucky.
14 - Oh, really, Michelle?
15 - Oh, I forgot about Michelle.
16 - Look, Hyde obviously doesn't understand mature relationships,
17 - but I do.
18 - And a promise ring is not only a gift from the heart,
19 - but it also means more sex and less mouthing off.
20 - I'm getting one for Jackie, too.
21 - - Great. Let's go. - All right. See you later, Hyde...
22 - ...alicia.
23 - What's a good girlie name for Hyde?
24 - Uh... Hydrangea?
25 - It's Heidi, you morons. Heidi.
26 - Okay, is it me, or is this not a ring store?
27 - Will you trust me? I know a guy who knows a guy.
28 - He'll be here any minute.
29 - Hey, dudes.
30 - Leo's the guy?
31 - Kelso, I thought you knew a guy who knew a guy.
32 - Yeah, I do.
33 - But I know Leo.
34 - Fine, so you're the guy!
35 - So, Leo, you sell promise rings?
36 - Promise rings, concert T's...
37 - Other stuff.
38 - Really?
39 - - That's nice. - Yeah.
40 - Okay, we'll take two rings
41 - and a misdemeanor's worth of the other stuff.
42 - Hanging out
43 - Down the street
44 - The same old thing
45 - We did last week
46 - Not a thing to do
47 - But talk to you
48 - We're all all right
49 - We're all all right

50 - Hello, Wisconsin!
 51 - Ah, the ring of love.
 52 - Just holding it makes me feel mellow and content.
 53 - Actually, that might not be the ring.
 54 - Why is everybody but Fez in love?
 55 - If I don't get some romance soon, I'm going to give myself a blister.
 56 - Well, another blister.
 57 - Tell you what, Fez.
 58 - I'm going to take you cruising for chicks in the El Camino.
 59 - And I'm gonna let you buy the gas
 60 - and buy my dinner,
 61 - and if we meet a chick,
 62 - I'm gonna let you walk home.
 63 - Guys, what if Jackie doesn't want a ring from a guy like me?
 64 - I mean, sure, I'm good-looking, but I can't be trusted.
 65 - No, you guys are the perfect couple.
 66 - You do the bad stuff, and she tries to catch you.
 67 - She's Smokey to your Bandit.
 68 - God, it's like that movie applies to everything!
 69 - I just...
 70 - I wish there was a way I could give Jackie a thing
 71 - that wasn't actually the ring.
 72 - You know, like a test gift just to see what she would say.
 73 - And then, if it went bad, I could just walk away.
 74 - Hey, am I talking in rhyme?
 75 - I wish I could do that all the time.
 76 - Oh, man!
 77 - That was fun, huh? It was a good movie.
 78 - It was one of those love movies like you like, huh?
 79 - And who took you?
 80 - This guy.
 81 - Yeah, it was great.
 82 - You know what else this guy did for you?
 83 - Got you a present.
 84 - "To Donna. Love, this guy."
 85 - Yeah. That's me.
 86 - Oh, my God.
 87 - It's a promise ring.
 88 - Eric, it's beautiful.
 89 - I'm so glad you like it.
 90 - 'Cause, look, even though things have been a little weird...
 91 - Oh, look, how cute on the car.
 92 - Here, look what Eric got me.
 93 - Oh, my. Red, go get the camera.
 94 - - Kitty. - Mom, I...
 95 - Go. It's in the drawer near the cheese grater.

96 - Mom, no.
 97 - Hush. Donna, now, make the face you made when Eric gave you the ring.
 98 - Oh, now, see, I don't think you rolled your eyes.
 99 - Kitty.
 100 - I cut myself on the cheese grater.
 101 - Oh, now, you get back here and smile, damn it!
 102 - Can you believe it?
 103 - - Isn't it pretty? - Yeah.
 104 - I really need to introduce you to my good friend, nail polish.
 105 - And a promise ring is sacred, Donna.
 106 - Why aren't you wearing it on your left ring finger?
 107 - I don't know. 'Cause I like it on this finger.
 108 - - What's the difference? - Donna.
 109 - If you don't wear your promise ring on your left ring finger,
 110 - it totally cancels out the promise that you'll be together forever.
 111 - Wait. That's what I promised?
 112 - Hey, ladies.
 113 - Oh, nice ring, Donna.
 114 - Jackie, let me see yours.
 115 - - I don't have one. - Oh, no, of course not.
 116 - Because Kelso has not given you one yet.
 117 - I mean, ever. I mean...
 118 - Look away.
 119 - Donna, did you hear that?
 120 - Michael's giving me a promise ring.
 121 - - Yeah, that's great. - I wonder how he's gonna give it to me.
 122 - I hope he hides it in food.
 123 - I told him if he ever gives me something nice,
 124 - he should put it in food.
 125 - It's classy.
 126 - All right, man, be cool.
 127 - These chicks are checking us out.
 128 - Cool. Got you.
 129 - Hello, ladies.
 130 - No, man, that's not how you do it.
 131 - You got to be aloof.
 132 - Did you just call me a "loof"?
 133 - Because if so, I'll have to kick you in your 'nads.
 134 - No, man. Aloof.
 135 - Distant.
 136 - Zen.
 137 - That's not what "loof" means in my language.
 138 - Look, I don't care what you think it means. That's what it means here.
 139 - You're the loof.
 140 - - Fez, it's not... - I said loof!
 141 - Hey, sweetie. I got you something.

142 - It's a gift.
 143 - A token of my love.
 144 - - Do you accept it? - A sundae?
 145 - Oh.
 146 - Yeah.
 147 - Mmm! This is delicious!
 148 - Uh, you could...
 149 - Uh...
 150 - Uh, you could close your mouth if you wanted.
 151 - What the hell, Michael?
 152 - This is ice cream, stupid ice cream?
 153 - No, it's stupid ice cream of love.
 154 - Oh, there you are.
 155 - The movie's about to start. Come on. Where...
 156 - Where's your ring?
 157 - Oh, I put it on a chain so I could wear it around my neck.
 158 - Burn!
 159 - Oh, super burn. The wedding's off.
 160 - - Kelso, shut up. - Kelso, shut up.
 161 - Yeah, Michael, you don't know anything about anything.
 162 - I do, too.
 163 - Now I don't know which fight's the funniest.
 164 - Wait, fight? We're...
 165 - Okay, I'll be right back.
 166 - Donna, why aren't you wearing the ring on your hand?
 167 - I don't know. I didn't really think it was a big deal.
 168 - That is not true. I told you. I told her it was a big deal.
 169 - Look, Eric, why don't we talk about this later?
 170 - You know, there's not really anything to talk about,
 171 - unless you don't wanna wear the ring.
 172 - Ouch!
 173 - Sorry. I'm sorry.
 174 - It's great. The ring is great.
 175 - See?
 176 - - It's great. - So we're good?
 177 - Yeah, fine.
 178 - Okay, good.
 179 - It's my God-given right as a mother!
 180 - Oh, Mrs. Forman, that is a wonderful picture.
 181 - You can really see how unhappy Donna is.
 182 - Okay, all I know is,
 183 - when Donna said she was fine, she didn't seem that fine.
 184 - Eric has never been good at knowing when fine isn't fine.
 185 - It runs in the family.
 186 - No, it does not.
 187 - - Fine. - Okay. Good.

188 - I don't know. She doesn't look that unhappy.
 189 - She kind of looks like you.
 190 - I'm unhappy, Bob.
 191 - I'm just so worried about Eric and Donna.
 192 - Oh, fine.
 193 - Welcome to Let's Make a Deal.
 194 - All right, Donna, which is it going to be?
 195 - Your future behind Door Number 1, Door Number 2, or Door Number 3?
 196 - Oh, my God. I don't know.
 197 - - Okay. - Yeah?
 198 - - Door Number 3. - Door Number 3. All right.
 199 - Let's take a look at what you didn't choose behind Door Number 1.
 200 - It's a leather jacket and a typewriter, which you could have used
 201 - when you became a globetrotting rock 'n' roll journalist.
 202 - Wow, that would've been nice.
 203 - Yeah, too bad.
 204 - All right, let's take a look at what was behind Door Number 2.
 205 - The U.S. Constitution, which would come in handy
 206 - when you became the first woman president.
 207 - Oh, Monty, these prizes are bitching.
 208 - Yeah, truly bitching.
 209 - Now, let's take a look at what you did choose behind Door Number 3.
 210 - It's your boyfriend and a promise ring.
 211 - I love you.
 212 - Hyde, when I cruise a girl,
 213 - how long do I have to talk to her before she will French me?
 214 - That depends on what kind of girl you're cruising for.
 215 - Which is why I'm gonna aim low.
 216 - Real low.
 217 - Just this side of gross.
 218 - Where is Michael Kelso? I want my ring!
 219 - He's in the toilet.
 220 - Jackie, wait. Wait.
 221 - Kelso wants to give you the ring, but he's scared.
 222 - - Why is he scared? - Because you're scary.
 223 - No, because Kelso is delicate, sensitive.
 224 - Girlish even.
 225 - You cannot push him into this. You got to be gentle.
 226 - He'll do it when he's ready.
 227 - Where's my ring, you idiot?
 228 - Or yell at him. It's more fun for us.
 229 - Look, you, I want my promise ring, and I want it now.
 230 - Give it.
 231 - Really? Okay, just wait, 'cause I just wanna do this right.
 232 - Jackie...
 233 - ...from the first minute that I saw you,

234 - I knew that I wanted to fool around with you.
 235 - And then, after we did that
 236 - and I still wanted to talk to you,
 237 - I knew that I never wanted to be without you.
 238 - So...
 239 - Will you accept my ring?
 240 - Yeah. Yeah, Michael, I will.
 241 - Oh, God.
 242 - I know.
 243 - Hey, what's up?
 244 - - So, how was cruising? - Unsettling.
 245 - When a girl's in a car, you can only see her from the neck up.
 246 - Talk about the tip of the iceberg.
 247 - - So where's Donna? - Ah, she said she had to study.
 248 - Oh.
 249 - So everything's cool?
 250 - Okay, look...
 251 - I don't know what everyone thinks is going on,
 252 - but Donna and I are not only fine,
 253 - we're great.
 254 - Everything's finally settled, so...
 255 - We're happier than ever.
 256 - Well, one of you is.
 257 - What is that supposed to mean?
 258 - Look, Forman, I get what you're trying to do.
 259 - You know, you're trying to lock her up, seal the deal.
 260 - And all I'm saying is...
 261 - Maybe Donna's not that kind of girl.
 262 - Okay, you don't know as much as you think, Hyde.
 263 - So you need to just shut up.
 264 - Now, that man is a loof.
 265 - Hey, what are you doing out here?
 266 - Um, I wanted to talk to you.
 267 - Oh, this is gonna be hard.
 268 - Um...
 269 - Eric, I love you.
 270 - A lot.
 271 - But I have to give you your ring back.
 272 - What? Why?
 273 - Okay.
 274 - How do you see the next 20 years?
 275 - I don't know. I guess I always figured
 276 - we'd go to college together, then come home...
 277 - Yeah, but, Eric, you know that's not what I want.
 278 - I mean, I've told you that.
 279 - And who knows, I might want to go to school back East

280 - or maybe in Paris.
281 - Okay, well, you know what, Donna? Whatever. Okay?
282 - The important thing is when you see yourself in Paris or wherever,
283 - I'm there, right?
284 - Right?
285 - I don't know.
286 - Not always.
287 - I mean, it's not like there's anyone else, but sometimes I'm by myself.
288 - I mean, all I mean is, I don't know. Neither of us does.
289 - And this ring is just a stupid high-school promise.
290 - If we're meant to be together, then we'll end up together.
291 - No.
292 - The way we end up together is by saying we'll be together...
293 - And then being together.
294 - Eric, come on.
295 - We're together now.
296 - Isn't that enough?
297 - No! I mean...
298 - I mean, damn, Donna!
299 - If you can see a future for yourself without me
300 - and that doesn't, like, break your heart,
301 - then we're not doing what I thought we were doing here.
302 - And you know what?
303 - Maybe we shouldn't even be together at all.
304 - Wait a minute.
305 - Are you breaking up with me?
306 - Are you giving back that ring?
307 - Yes.
308 - Then...
309 - Yes.
310 - Leo, I need to return this.
311 - Hey, man, I only said it was gold, not real gold.
312 - No, it's...
313 - - Donna and I broke up. - What?
314 - What happened to the love, man?
315 - - Well, I don't really feel like... - No!
316 - If you kids can't make it, who can?
317 - Tell me, who?
318 - Why, God, why?

4 That '70s Season how Season 04

4.1 Episode 01: It's a Wonderful Life

1 - Are you breaking up with me?
2 - Well, are you giving back that ring?
3 - Yes.
4 - Then,
5 - yes.
6 - That first kiss.
7 - Okay, well, I'm gonna call it a day.
8 - - Good night. - Night.
9 - By the way, thanks for the ride.
10 - God, I wish we'd never kissed.
11 - Jeez, what a drama queen!
12 - - Who are you? - Let's go.
13 - Go where?
14 - Well, you said you wished that you'd never kissed her.
15 - I can show you what would have happened if you never did.
16 - - What are you, like, a genie? - Genies aren't real.
17 - I'm an angel.
18 - You're not an angel.
19 - You don't even float. Everyone knows angels float.
20 - Fine.
21 - Eric Forman, God's favorite cherub,
22 - come with me
23 - and I will release you of your suffering.
24 - Don't be afraid, little one.
25 - No offence,
26 - but are you coming on to me?
27 - Are you ready?
28 - Yeah, why not?
29 - Okay, well, I'm gonna call it a day.
30 - - Good night. - Night.
31 - And there you go. You and Donna never kissed.
32 - Well, thanks. This was nice.
33 - - Good night. - No, no.
34 - We're gonna follow her home and see what happened next.
35 - Are you an angel or a stalker?
36 - Hey, let me do my job.
37 - I'm gonna prove to you that it is better to have loved and lost,
38 - than never to have loved at all, you pansy.
39 - Hanging out
40 - Down the street
41 - The same old thing
42 - We did last week

43 - Not a thing to do
44 - But talk to you
45 - We're all all right
46 - We're all all right
47 - Hello, Wisconsin!
48 - Hyde was waiting for her that night?
49 - I didn't know that.
50 - This is my favorite part.
51 - - Hi. - Hey.
52 - Thanks.
53 - So you with Forman now?
54 - I guess not.
55 - I mean, he didn't make a move or anything, so...
56 - - Huh. - Yeah.
57 - Hyde, what are you doing? Get the hell off her!
58 - Eric, they can't hear you. Don't you watch movies?
59 - I mean, this is pretty basic stuff here.
60 - Well, Eric, it's three months later.
61 - Donna's with Hyde, Kelso's with Jackie,
62 - and you became...
63 - Just watch.
64 - Does anyone want to watch Flipper?
65 - Anyone?
66 - Eric, I thought I told you to tar the driveway.
67 - Yeah, but I'm hanging out with my friends.
68 - Oh, I'm so sorry.
69 - Now get your ass up there and get to work!
70 - You people, out of the basement!
71 - Oh, jeez. I'm sorry, Dad. Don't be mad.
72 - This is made-up angel crap.
73 - I wouldn't cave to Red like that.
74 - Ah, you've already forgotten what a wuss you were.
75 - See, it was Donna who gave you the confidence to stand up to Red.
76 - Oh, I'm gonna show you a lot of neat stuff like this.
77 - Well, I guess I have no choice.
78 - Like everyone doesn't try that.
79 - This can't be that bad.
80 - - I'm wearing a letter sweater. - Chess club, loser.
81 - Checkmate.
82 - Hey, I made the marching band.
83 - At last I will be accepted by the cool kids
84 - and not get beat up.
85 - Oh, no. Not again, guys.
86 - Hey, I got you a birthday present.
87 - - What is it? - A tattoo.
88 - "Question authority." Cool.

89 - - I love you, man. - Prove it.
 90 - My Donna would never get a tattoo.
 91 - No, but Hyde's Donna would.
 92 - Hi, guys.
 93 - Oh, hey, Eric.
 94 - - We didn't see you there. - Yeah, most people don't.
 95 - So, do you still live next door?
 96 - Oh, yeah! You bet.
 97 - - So, hey, Hyde, how are you? - Great.
 98 - My mom split, so, dropping out of school.
 99 - Oh, man. Look, Hyde, you can stay at my house.
 100 - Then you won't have to drop out.
 101 - Okay, Mom. Now get one of me giving her the corsage.
 102 - Let's roll, twiggy. My bra is about to snap.
 103 - - I went to prom with Big Rhonda? - Sweet, huh?
 104 - Real quick, real quick. Now, Rhoda...
 105 - It's Rhonda! Rhon-da! God!
 106 - Rhon-da. I'm so sorry, dear.
 107 - I told you he'd fall for the first piece of tail that came along.
 108 - Okay, okay. Now smile.
 109 - Big night! Big everything.
 110 - I'll make you a copy.
 111 - Yeah, I want to remember this night. Whoo!
 112 - Here, Son. You'll need this.
 113 - Girls like her, they like to eat before the prom.
 114 - Good luck, Son.
 115 - Mmm. Another tattoo. "Property of Hyde."
 116 - Classy.
 117 - What? What's Fez doing?
 118 - - Step away from that stereo! - But, Hyde, I got the new Leo Sayer album.
 119 - Hey, everybody! I just made Forman a man.
 120 - Well, as much of a man as he'll ever be.
 121 - Kelso and Pam Macy?
 122 - But Kelso and Jackie got back together on prom night.
 123 - Never happened.
 124 - I wrote you a love poem, Pam. It goes like this,
 125 - "I love your rack, I'd love to shack"
 126 - "Up with you and do it too"
 127 - Oh, Michael. That is so deep.
 128 - Yeah, I kicked that poem's ass.
 129 - It's all a domino effect, Eric.
 130 - You see, Hyde wasn't there to take Jackie to prom,
 131 - so she couldn't make up with Kelso. See?
 132 - Oh, my God. That's so sad.
 133 - It's like my relationship with Donna touched everyone's life.
 134 - And I was just gonna throw that...

135 - - Okay, you're unpleasant. - Just give it up.
 136 - I don't care. None of this is really that bad anyway.
 137 - Well, it gets a lot worse.
 138 - Come on. We're going into the future.
 139 - That's right, the '80s.
 140 - Hey, what the hell was that?
 141 - Oh, you'll find out.
 142 - Welcome to 1983, Donna and Hyde's wedding.
 143 - Man, did you have to make her pregnant?
 144 - Good God, I wish I could just wake up.
 145 - Oh, you may never wake up. This could be a coma dream.
 146 - Congratulations, Mr. and Mrs. Steven Hyde,
 147 - from Cedar Rapids' number one anchorman.
 148 - Kelso, man, glad you could make it.
 149 - - Hey, man, can I kiss the bride? - Sure.
 150 - Damn it, Kelso!
 151 - You don't French the bride!
 152 - Where's the food?
 153 - - Please, honey, for the love of God... - Don't "honey" me.
 154 - I'm hungry, stick man.
 155 - Hey, Forman, so when are you and Big Rhonda gonna tie the knot, huh?
 156 - I don't know.
 157 - You know, I'm so busy at Price Mart, and, she has her dog grooming,
 158 - and her cheating on me, so...
 159 - Jackie Burkhardt? Is that you?
 160 - I'm sorry. Do I know you?
 161 - It's Michael. Kelso?
 162 - It rings a stupid, little bell.
 163 - You know, I bet if I wasn't so happy as a globe-trotting stewardess,
 164 - I might actually remember the tiny effect you had on me in high school.
 165 - - I'm on TV now. - I've always loved you.
 166 - Jake, honey, honey. Be nice to your big brother.
 167 - He's not strong like you.
 168 - Brother? What the hell?
 169 - Well, your parents finally had the son they always wanted.
 170 - Now, Son, what do we call Eric?
 171 - - Dumb ass! - There's my boy.
 172 - Oh, what a wonderful wedding.
 173 - It's so nice when children get married
 174 - and move far away from their parents.
 175 - Or they don't get married and stay at home with their mother,
 176 - who they just couldn't stand to be away from.
 177 - Oh, God!
 178 - Hey, Kelso, man. I just opened your wedding gift.
 179 - It's primo. What do you say we go break it in?
 180 - All right!

181 - You're leaving? I hate you! Call me.
 182 - - Fez. - Good night, Wisconsin!
 183 - This is really...
 184 - I've really missed...
 185 - We have breaking news.
 186 - I'm toasted.
 187 - Man, they pay me gobs of money to talk like that.
 188 - Fez, do something with your hair, man. It's making me paranoid.
 189 - Guys, I have discovered a band that will change music forever.
 190 - And I ran
 191 - I ran so far away
 192 - I just ran
 193 - I ran all night and day
 194 - I love to cook, you know?
 195 - I'm really good with sauces.
 196 - Guys, sometimes when I do the news,
 197 - I don't wear any pants.
 198 - You know, there are some things about Earth
 199 - I really miss.
 200 - Okay, welcome to your 10-year high school reunion.
 201 - All right! I finally grew a moustache.
 202 - Actually, it's chocolate cake.
 203 - What happened to Kelso?
 204 - Oh, he got fired.
 205 - Yeah, he thought the news would be funnier drunk.
 206 - Now he works for you, selling water beds.
 207 - What a loser.
 208 - - Wait, I sell water beds? - That's right.
 209 - Kelso, what are you doing here?
 210 - You're supposed to lock up the store tonight.
 211 - It's our reunion, man. I'll lock it up tomorrow, I promise.
 212 - - Hello, Michael. - Hello, Jackie.
 213 - Oh, I just want to let you know that I married Pam Macy.
 214 - She's one hell of a cook, a super lady, and I'm really, really happy.
 215 - Good, 'cause I wouldn't be with you anyway. You're fat.
 216 - Okay, Michael. When you're done being a pig, I'll be in the Le Car.
 217 - - I'm sorry, Rhonda. - That's...
 218 - - Rhonda? - Yeah.
 219 - - Oh, my God, Rhonda! - Hi, Eric.
 220 - I was hoping you'd be here. I just wanted to thank you.
 221 - - Thank me? - Yes.
 222 - After you broke up with me, I was so disgusted with my life.
 223 - I mean, if someone like you didn't want to see me then... Whoo!
 224 - So, thanks to you and Jane Fonda, I have this new, fabulous body
 225 - and a successful aerobics studio.
 226 - Well, hey, you know what? I'm glad I could help.

227 - Yeah.
 228 - Rip it up
 229 - Move down
 230 - Rip it up
 231 - Move it down to the ground Rip it up
 232 - Cool down
 233 - Rip it up
 234 - And get the body feeling right
 235 - Everybody have fun tonight
 236 - Everybody have fun
 237 - Everybody Wang Chung tonight
 238 - Everybody have fun
 239 - Everybody have fun
 240 - Oh, hey! Hi! Hey, Donna.
 241 - It's Eric Forman from Point Place High School.
 242 - Yeah, Eric, I know. It's our reunion.
 243 - Right. Good one.
 244 - So, how are you doing?
 245 - Um...
 246 - I was pretty lousy until I saw how fat Kelso got.
 247 - It made the drive from Joliet worth it.
 248 - Oh, right. I heard you guys moved. How's Hyde?
 249 - Hyde's good. The kids are good.
 250 - He's gone a lot. Prison. Whatever.
 251 - So, Eric, how... How are you?
 252 - I'm great. I'm the number three water bed dealer in Wisconsin, so...
 253 - - Donna, you look great. - Oh, thanks.
 254 - You know, don't laugh, but...
 255 - - Actually, never mind. - No, no. What?
 256 - I had a crush on you in high school.
 257 - I had a crush on you, too.
 258 - You know, I almost kissed you once.
 259 - What might've been, huh?
 260 - So are you still writing?
 261 - Oh, God. Well, I mean, permission slips.
 262 - - Three kids, you know. - Right.
 263 - Well, you should start again
 264 - 'cause, you know, you were really good at it.
 265 - Well, it's too late for that.
 266 - It's too late for a lot of...
 267 - - Hey, so I'll see you, Eric. - Yeah, I'll see you, Donna.
 268 - - Okay. - Okay.
 269 - Huh? Huh?
 270 - - Start the waterworks. - Sorry.
 271 - - Come on, you gotta feel something. - Yeah. Envy.
 272 - He never had to feel the pain of losing her.

273 - Oh, wait a minute. You actually had a relationship with Donna?
 274 - Wait, I thought you said he couldn't hear me.
 275 - I'm loose with the rules. So sue me.
 276 - No, seriously. You had Donna?
 277 - Look, we broke up. You're much better off.
 278 - Says you! Look at me! I'm 28 years old.
 279 - I've only had sex with Big Rhonda, and all three times,
 280 - believe me, she did not look like that!
 281 - Idiot! You're sad you were never with Donna?
 282 - Well, you got off light, man! I had her and I lost her!
 283 - And believe me, you don't want to know how bad that hurts!
 284 - So, you're an angel, right?
 285 - Why, yes. Yes, I am.
 286 - Can you, like...
 287 - Can you do anything to help me?
 288 - Listen closely. No.
 289 - You know, angel, thanks
 290 - but I've got to go to sleep, 'cause I have a big day of
 291 - misery ahead of me.
 292 - Okay, you win.
 293 - It was better never to have loved at all.
 294 - Thank you!
 295 - And, hey, I'll tell you what. I'll make you a deal.
 296 - I'm gonna take it all away.
 297 - You won't feel a thing, good or bad.
 298 - Really? Yes.
 299 - - Yes, do it. - Okay.
 300 - Well, let me just remind you what you're giving up.
 301 - Hang on.
 302 - Wait. No. I want to keep it.
 303 - Please, just
 304 - let me keep it.
 305 - You might want to sing it note for note
 306 - Don't worry
 307 - Be happy
 308 - In every life we have some trouble
 309 - But when you worry, you make it double
 310 - Don't worry
 311 - Be happy
 312 - Don't worry, be happy now
 313 - Don't worry
 314 - Be happy

4.2 Episode 02: Eric's Depression

1 - Hey, Mrs. Forman. Hey, Red.
2 - Hello, boys.
3 - You're up bright and early this morning.
4 - Yeah. We're going to Funland.
5 - It's super fun.
6 - Oh, Red, remember how we used to take Eric there when he was little?
7 - Remember how I used to get on the roller coaster with him,
8 - and then just before we took off, I'd jump out and wave goodbye?
9 - Boy, did he scream.
10 - - Well, it sounds like fun. - Super fun.
11 - And we figured Eric could use some fun,
12 - you know, since he and Donna broke up.
13 - - What? - Broke up?
14 - Yeah, I heard Donna dumped his ass.
15 - That's funny. I heard Eric was the one who dumped Donna.
16 - - Sure, he did. - I don't think so.
17 - Yeah, right.
18 - Well, Eric must be just a wreck.
19 - Fine. I'll just listen to AM.
20 - That's just cruel.
21 - Hanging out
22 - Down the street
23 - The same old thing
24 - We did last week
25 - Not a thing to do
26 - But talk to you
27 - We're all all right
28 - We're all all right
29 - Hello, Wisconsin!
30 - Come on, Forman. Get out of bed.
31 - Yes, we have to go to Funland before all the fun is gone.
32 - I'm not going.
33 - - Jesus. - Forman, man, snap out of it.
34 - So you had one of the hottest chicks in Point Place and you blew it.
35 - Could be worse.
36 - No, it couldn't.
37 - I mean, Eric, come on, it's not all bad.
38 - I mean, hey, think about Bob being your father-in-law.
39 - That guy would be in all your wedding pictures.
40 - Guys, I don't want to talk about Donna,
41 - and I don't want to go to Funland.
42 - Fine. If you're not going with us,
43 - we'll stay here with you.
44 - We're not going to Funland?

45 - Don't touch the G.I. Joes.
46 - - Hey, Eric, did you... - Hey, buddy, can we not talk?
47 - Thanks.
48 - Fine. We're going to Funland.
49 - Good. Go.
50 - You know what? I'm glad you are not going to Funland,
51 - because you will suck the fun right out of it.
52 - And then it would just be called "Landland."
53 - I'm sorry. I'll get you a candy apple, okay?
54 - Okay, okay, I got Eric out of bed. He's on his way down.
55 - Now remember, don't say anything about Donna.
56 - He'll talk when he's ready.
57 - Okay.
58 - Gee, Son, you look like you've just been dumped.
59 - I wasn't dumped, okay?
60 - We broke up.
61 - Yeah, well, run it off.
62 - Do you want to talk about it, honey?
63 - - No. - Okay.
64 - - Are you sure? - Yes.
65 - - Yes, I'm sure. - Okay. Let's not talk.
66 - Eric, you are a handsome young man with a lot to offer.
67 - Okay.
68 - - Can I go now? - No, no, no. Not until you eat.
69 - You look like you haven't eaten for a week.
70 - Oh, come on, Kitty. He always looks like that.
71 - Well, maybe so.
72 - But he won't have the strength to get over Donna if he doesn't eat.
73 - Fine!
74 - I'll eat.
75 - Just no more talking about Donna.
76 - For one minute,
77 - I'd like to not
78 - think about Donna.
79 - No Donna.
80 - Red, you should go talk to him.
81 - What? Why me?
82 - Well, because I don't really know how to mend a broken heart.
83 - I've never been dumped.
84 - Oh, I don't believe that.
85 - Why not?
86 - Well, there are certain things about you that are annoying
87 - that other people might not have been as tolerant of.
88 - You're bald!
89 - See? Like that.
90 - Okay, Michael, now we have to stay together.

91 - Every time we come here you get lost.
 92 - Damn, Jackie, there's fun around every corner.
 93 - Michael, what are the rules?
 94 - Uh, no hitting you from behind with the bumper cars.
 95 - And?
 96 - And no riding the goats at the petting zoo.
 97 - And?
 98 - We have to stay together, Michael!
 99 - Fine!
 100 - - Balloons! - Stay!
 101 - Hey there, kids! I'm Woofy, the Funland dog,
 102 - and I'm here to make sure that you have fun, fun, fun!
 103 - Touch me like that again, you're gonna eat your Alpo through a straw,
 straw, straw.
 104 - Whoa, okeydokey.
 105 - Well, I'm going down to the saloon to look for the guy who shot my paw.
 106 - Oh, my God. That was Woofy and he talked to us.
 107 - Okay, guys, we gotta pick a place to meet in case we split up.
 108 - How about the corner of Fun Street and Fun Boulevard?
 109 - I mean, that should be easy enough for even Michael to remember.
 110 - Michael?
 111 - Great. Now we'll never find him.
 112 - Ah, sure we will.
 113 - All we have to do is show people his picture, and they'll help us find him.
 114 - You have a picture of Kelso in your wallet?
 115 - Of course. I carry pictures of all my friends.
 116 - You're friends with Nipsey Russell?
 117 - I want to be.
 118 - Now, I know he's in there. Go talk to him.
 119 - - I don't want to. - Fine.
 120 - But when I broke up with Archie Wilkins,
 121 - he lived with his parents until he was 40.
 122 - Good God, Kitty.
 123 - That's another 23 years.
 124 - All right. I'm going in.
 125 - Hey, Eric.
 126 - How you doing?
 127 - Dad, I'm really not in the mood for conversation.
 128 - Good. Then I'll talk, and you listen.
 129 - I ever tell you the story about Larry "No Foot" Mulligan?
 130 - Well, I can guess. He had no foot?
 131 - Larry was a buddy of mine who lost his foot during the war.
 132 - And then, on his way back to the States,
 133 - old One Foot, at that point we were calling him "One Foot,"
 134 - had his ship go down, and a shark ate his other foot.
 135 - But he made it all the way back home.

136 - And you know what happened to him when he got here?
 137 - He overcame his handicap and, ironically, became a shoe salesman?
 138 - No. His girlfriend dumped him.
 139 - Well, thank God it had a happy ending.
 140 - Look, the point of the story is, you've got both feet.
 141 - You'll be fine.
 142 - Now, put some shoes on, go on down and trim the hedges.
 143 - Yeah. Well, you know, I think I'm just gonna stay up here.
 144 - Yeah. Well, you know, I think you're not!
 145 - Hi. Have you seen him? His name is Kelso.
 146 - Kelso's trapped in a box?
 147 - Hey. Fez, check it out.
 148 - "Fun university."
 149 - Now check out the back.
 150 - "FU."
 151 - I don't get it.
 152 - FU, man.
 153 - FU!
 154 - Oh, right. Fu.
 155 - That's a good one. That's a good one.
 156 - I tried to look for Michael, but I can't see over the crowd.
 157 - Oh, I wish Donna was here. She's a giant.
 158 - Ah, don't remind me.
 159 - I asked her and asked her and asked her to come,
 160 - and she just kept saying, "Get out of my bathroom, Fez."
 161 - Well, we still have to find Michael. So, what time is it?
 162 - Did someone ask what time it is?
 163 - Why, here in Funland, it's always fun o'clock.
 164 - -Fun -Fun
 165 - -Fun -Fun
 166 - It's always fun o'clock in Funland
 167 - Yeah, yeah, thanks a lot, you morons.
 168 - Hey, you guys wouldn't happen to know what time it is, would you?
 169 - It's always fun o'clock in Funland
 170 - Oh, yeah!
 171 - Which means it's fun o'clock in Funland
 172 - Rock on!
 173 - If you don't believe it We'll tell you once again
 174 - I thought we were in love, you know?
 175 - Oh, God.
 176 - And then it all just blows apart.
 177 - And all that's left is this big hole, you know?
 178 - No, I don't.
 179 - Oh. But there is a gopher hole out back.
 180 - And if you shove the hose down and flush him out,
 181 - I'll stand at the other end and hit him in the head with a shovel.

182 - Uh-huh.
 183 - - Just go, Dad. - Thanks. Thank you.
 184 - Well, I see sunshine outside, but I don't see sunshine inside.
 185 - Wanna talk about the breakup, Bambi?
 186 - No, Dad, I don't want to talk about it.
 187 - You know, we were happy.
 188 - But he had to push me.
 189 - He had to define everything and get his little ring on me.
 190 - And by the time it was over, we weren't even together anymore.
 191 - I'm fine. Son of a bitch.
 192 - Listen, when you're done...
 193 - I know, I know. Put the bags on the curb.
 194 - Hey.
 195 - "Hey"? Is that all you have to say to me?
 196 - Well, what do you have to say to me?
 197 - Oh.
 198 - How about this? Hey.
 199 - - I'm not wrong! - You are wrong, you dillhole!
 200 - Oh, great. That's nice. That's really mature. Double dillhole!
 201 - "Double dillhole?"
 202 - Oh, jeez.
 203 - You were outside. You were happy.
 204 - Why are you back in bed?
 205 - Well, I guess all that fresh air got me thinking
 206 - that I'd rather be in bed.
 207 - Yeah, well, get up. It's time to go to work.
 208 - Fine.
 209 - Oh, and, uh, you don't have to worry about that gopher.
 210 - It's as dead as you and Donna.
 211 - Too soon, huh?
 212 - I can't believe you two.
 213 - Poor Michael is lost,
 214 - and all you've done is gone on rides and had fun.
 215 - Oh, my God! Oh, my God! It's the Funland Princess!
 216 - The Funland Princess?
 217 - I haven't been on that ride yet.
 218 - So, I figure this is the lost and found, and I lost my friends,
 219 - so they're bound to show up here sooner or later.
 220 - Right?
 221 - I miss my friends.
 222 - I miss my friends.
 223 - - What? - What?
 224 - - Stop it. - Stop it.
 225 - No. Stop copying me!
 226 - Stop copying me!
 227 - - I'm stupid. - You're stupid.

228 - Damn it!
229 - Hey, how about that new cashier at work?
230 - Not bad, huh?
231 - Single, too.
232 - - Dad, I'm not... - What? Is it the braces?
233 - Well, you know what helps a fellow get over a gal?
234 - Pimiento loaf.
235 - Fine.
236 - What happened here, Red?
237 - I thought you were gonna help him.
238 - Kitty, I yelled at him all day.
239 - I don't know what else to do.
240 - Well, how did you get through your first breakup?
241 - What's to get over?
242 - It happened. I took it like a man.
243 - She was the best thing that ever happened to me.
244 - Oh, Eloise.
245 - Oh, Eloise!
246 - My life is over.
247 - Yep. Took it like a man.
248 - That was the House of Mirrors?
249 - I have more mirrors than that in my purse.
250 - Why is everyone leaving?
251 - Oh, my God. What time is it?
252 - Did someone ask what time it is?
253 - Yeah, we know. It's fun o'clock. Get killed.
254 - No, it's closing time, kids. Time for you to go.
255 - But... But, Woofy, we still haven't found our friend.
256 - Yeah? Well, golly gee, that's... That's just too...
257 - Come on. Get out.
258 - Oh. Except for you!
259 - - All right. Let's go. - Okay, now what about Michael?
260 - There's been lost dogs who've traveled hundreds of miles
261 - to be reunited with their families.
262 - Now, Kelso is not as smart as that,
263 - but I'm sure he can make it the 12 miles back to Forman's.
264 - So, me and this girl Eloise were together for a while.
265 - Everything was great.
266 - But when things started getting serious,
267 - she dumped me.
268 - Man, that... That hurt like hell.
269 - - Did you cry? - No.
270 - No, no.
271 - But there were times when I thought I would never get over it.
272 - But time passed.
273 - I moved on.

274 - And then the day came when I didn't think about her as much.
275 - Then a couple of more days came along,
276 - and, why, I thought about her even less.
277 - Then one day, I didn't think about her at all.
278 - And then that made me sad.
279 - We've got a little Irish in us, don't we, Dad?
280 - Yes, we do.
281 - It's just...
282 - It hurts, you know.
283 - Listen, I'm gonna give you a few days to pull yourself together.
284 - You can stay in bed and sleep,
285 - watch TV,
286 - whatever you need to do.
287 - Thank you, Dad.
288 - And, you know, not that it matters,
289 - but Donna didn't dump me.
290 - I broke up with her.
291 - Whatever you need to tell yourself to make it better.
292 - Thanks a lot for the ride, Mrs. Anderson.
293 - Hey, Einstein, you gonna eat that ice cream?
294 - My name's not Einstein.
295 - It's Kelso. And, yeah, I'm gonna eat it.
296 - That's it!
297 - - Get out! - They started it.
298 - Out!
299 - See ya, Einstein.
300 - It's not Einstein! It's Kelso!

4.3 Episode 03: Pinciotti vs. Forman

1 - Wow! Donna, you look great. What could it be?
2 - Oh, I know! You lost 80 pounds of ugly fat.
3 - Burn, Eric, burn!
4 - Okay, first of all, I weigh 130, 140, 149...
5 - Pounds.
6 - Yeah. You look good too, Eric.
7 - You lost your one true love, so...
8 - Looking good.
9 - Eric, I found these records of yours,
10 - and I thought you might want them back.
11 - Ah, the unpleasant exchange of possessions after the horrific break up.
12 - Awkward for them, entertaining for us.
13 - Whoa. Shut up. Don Kirshner's starting.
14 - Oh, right. Paul McCartney and Wings are on tonight.
15 - Okay, so...
16 - Okay, we're all here now.

17 - So, um...
18 - - So, Donna, you're staying? - Okay.
19 - What I meant to say was...
20 - Look, Donna, I don't think it's cool if you hang out here.
21 - So, what, you're like, kicking me out?
22 - Wow.
23 - Okay, then. Bye.
24 - Well, if you're kicking her out,
25 - then you're kicking me out.
26 - No, Jackie, no.
27 - Oh, wait. I mean, bye!
28 - Hanging out
29 - Down the street
30 - The same old thing
31 - We did last week
32 - Not a thing to do
33 - But talk to you
34 - We're all all right
35 - We're all all right
36 - Hello, Wisconsin!
37 - Well, it's just not fair.
38 - He doesn't, like, get my friends
39 - 'cause he has some stupid, crappy basement.
40 - Right!
41 - You helped make that basement what it is today.
42 - Right.
43 - No one would even go over there before me.
44 - It smelled like feet.
45 - Donna, you have to fight back.
46 - Okay, when a couple splits up,
47 - the woman deserves her fair share of the life she helped build.
48 - - How much is that? - All of it.
49 - Donna, it's the law.
50 - You know, normally, that statement would really offend me.
51 - But now that I'm single and pissed,
52 - you're making a lot of sense.
53 - And then she just comes down to the basement like it's no big deal.
54 - And after what happened?
55 - And she's just gonna act like everything's cool and everything's fine?
56 - You don't love me, you don't get my couch or my friends.
57 - I'm a package deal, baby!
58 - So, I just told her, "Fire up those walking sticks, Big Red,
59 - "because this ain't happening. I'm not having it."
60 - Hey, Forman,
61 - we were all there,
62 - and that ain't how it happened.

63 - You wanna talk about it some more?
 64 - Mmm, no.
 65 - Hello, Kitty.
 66 - Oh, Pastor Dave, what a nice surprise. How's God?
 67 - Fine, thank you.
 68 - So, I was wondering if, uh,
 69 - - Red was home. - Oh, no. What did he do?
 70 - No. No, no, nothing.
 71 - Uh, I just thought he might like to, uh,
 72 - I don't know, goof off?
 73 - You want to spend time with Red.
 74 - - Unless it's a bad time. - Oh, no, no, no.
 75 - This is a great time. Oh, my God. Red has a visitor.
 76 - Red, Pastor Dave's here. For you. Hurry.
 77 - Oh, yeah.
 78 - I ran into him in the hardware store.
 79 - You know, he was gonna try to paint his garage, without priming.
 80 - That crazy bastard.
 81 - Oh, my. Red has a friend.
 82 - Psst.
 83 - What are you guys doing today?
 84 - We're going to the basement.
 85 - Hmm. Sounds fun.
 86 - But you know what sounds like even more fun?
 87 - Oh! Playing with a bunch of monkeys?
 88 - Well, yeah.
 89 - But we got cable TV at my house,
 90 - which we all know has the potential for flashes of brief nudity.
 91 - Nudity.
 92 - Cable?
 93 - Oh, you are so gonna win this breakup!
 94 - Now, wait just a minute.
 95 - Eric is our friend, our brother.
 96 - We cannot just abandon him for nude boobs.
 97 - Good point, Fez.
 98 - This nudity you speak of, are we talking full frontal?
 99 - Does it matter?
 100 - No. Let's go.
 101 - So, you have no idea where everyone is?
 102 - Everyone who?
 103 - Hey, you got any popsicles? Donna's all out.
 104 - Oh, so that's how it is? Everyone's over at Donna's?
 105 - Eric, man, I'm sorry.
 106 - And I know that we've been friends for, like, a really long time,
 107 - but, uh, we were watching Barbarella on cable.
 108 - Man, and I not only saw boobs,

109 - but I saw boobs in space.
110 - Yeah, space boobs, Eric!
111 - There's no gravity!
112 - She got cable?
113 - That sneaky little wench.
114 - No, no. And corn dogs.
115 - Oh, dogs wrapped in corn.
116 - Oh, sweetmeat on a stick.
117 - Just go.
118 - Thank you.
119 - "At Dave's. Back around 5:00. Red."
120 - Oh.
121 - I hadn't realized before,
122 - but the primer is like your emotions.
123 - It's what's underneath the surface.
124 - And the rust is like your anger.
125 - Boy, having a male companion to talk to
126 - is changing my life.
127 - I wish I could tell Kitty exactly how I feel about her,
128 - but I just can't find the words.
129 - I'll help you. We'll find the words together.
130 - Oh, sure, sometimes I feel like crying,
131 - but I just can't.
132 - You can with me.
133 - - Hey. - Oh, hello.
134 - So, how was your day?
135 - What did you and your new friend do?
136 - Well...
137 - - Mmm. - Yeah.
138 - - So, that's all you did? - Yep.
139 - - Well, you didn't talk about anything? - Nope.
140 - Do you hate him?
141 - - Kitty, don't start. - No, no, no, no. No.
142 - All I'm saying is, people with friends live longer.
143 - And you are not good at keeping friends.
144 - Bob's scared of you, and Earl isn't speaking to you.
145 - - What about Frank? - Frank's dead.
146 - Exactly.
147 - It is time to replace your dead friend Frank. I win.
148 - Oh, look, there's a boob!
149 - There's two.
150 - Oh, wait, four.
151 - It's the mother lode.
152 - Oh, man, guy butt. Look away.
153 - I feel kind of bad.
154 - Hon, it's just guy butt. It won't hurt you.

155 - No! About Eric.
 156 - I mean, he was totally in the right to kick Donna out.
 157 - Oh, he was not right.
 158 - Now, you agree with me.
 159 - No.
 160 - Ow!
 161 - - Agree with me. - No!
 162 - Donna broke his heart, and now she should have to pay.
 163 - - Chex Mix? - Oh, thank you, Donna.
 164 - Oh, we are so not talking.
 165 - - All right, Jackie... - I said, not talking.
 166 - Well done.
 167 - - All right, Fez... - I said, well done.
 168 - Oh, there are all my friends.
 169 - Hey, Donna, I found these socks of yours,
 170 - so I thought I'd just, you know, run them right over.
 171 - Eric, you can't hang out here.
 172 - It's really uncomfortable, so...
 173 - Uncomfortable?
 174 - Who's uncomfortable?
 175 - Oh, fine.
 176 - Look, man, I'd go with you, but, you know, it's cable.
 177 - Whatever.
 178 - Hey, hey, want me to come by later and tell you about the boobs?
 179 - No!
 180 - Yeah.
 181 - It's Dave for you.
 182 - Yeah. Fine. Right.
 183 - Okay.
 184 - Mmm.
 185 - You do not grunt to a friend.
 186 - Friends don't grunt.
 187 - Okay, so I was over at the Pinciotti's,
 188 - crouched behind the hedge next to the house,
 189 - and I distinctly heard laughter. Laughter! Well.
 190 - I will tell you what. I am not going down without a fight.
 191 - No, siree, Bob.
 192 - Bob.
 193 - The kids really like my jokes?
 194 - Oh.
 195 - Mr. Pinciotti, if you only knew the number of times
 196 - Donna's shared one of your doozies with the gang.
 197 - Lordy, how we laugh and laugh
 198 - and laugh.
 199 - - Right. I'm going. - Okay.
 200 - But the tennis pro says...

201 - "We don't serve those kind of balls."
 202 - What's new, Pussycat?
 203 - Whoa, whoa, whoa, whoa
 204 - What's new, Pussycat?
 205 - Whoa, whoa, whoa, whoa
 206 - Welcome home, friends.
 207 - Who wants popsicles?
 208 - Hey, I don't feel good about this.
 209 - Well, would you rather be at Donna's
 210 - singing backup to Cha Cha D'Amore?
 211 - Oh. Well, will you look who's here.
 212 - That was a dirty trick, Forman.
 213 - Well, I'd love to stay and talk about it,
 214 - but we're on our way to the movies.
 215 - Yeah.
 216 - Fine.
 217 - Then, I'm taking them bowling Saturday.
 218 - Yeah!
 219 - - Fine. - Ooh, what a fun weekend.
 220 - Hey, look, you guys can't buy our loyalty with these little field trips.
 221 - You're gonna have to start buying us some stuff we can take home.
 222 - Well, look, I think it's stupid to have to go day by day.
 223 - Why doesn't Donna just get us on the weekends?
 224 - Whoa, whoa, whoa.
 225 - That's not fair because then Eric gets all the weekday headaches
 226 - and Donna gets all the fun time.
 227 - Fine. Then we'll make a schedule. Eric?
 228 - Fine. Have a seat.
 229 - Make sure to schedule time with Bob. He takes me to Chuckle Town.
 230 - So, what are you and Dave gonna do today?
 231 - Go out to the garage and talk friend to friend? That would be nice.
 232 - No.
 233 - We're gonna turn on the fight
 234 - and watch two nice men beat the living hell out of each other.
 235 - That's nice.
 236 - Oh. Oh.
 237 - Oh, come on in, Pastor Dave.
 238 - Red and I are just so happy that you are here.
 239 - - Especially Red. - Kitty.
 240 - I want you to know that it is so nice
 241 - for Red to finally have a boyfriend.
 242 - For God's sakes, Kitty!
 243 - Oh, lighten up, silly. Man friend. Whatever.
 244 - Someone to talk to, share their feelings with.
 245 - Anyway, you are an important part of Red's life.
 246 - - Oh. Well... - No. Wait, don't.

247 - Don't listen to her.
248 - I don't really want to share my feelings with you.
249 - Hell, I don't even think I have feelings.
250 - Now, let's just watch these two guys
251 - beat the crap out of each other.
252 - Sold!
253 - Well, I don't care what you say.
254 - You're boyfriends, and that's nice.
255 - You know, Red, I am so glad that I have someone to share with,
256 - because I woke up this morning feeling upset.
257 - Ha-ha! Gotcha!
258 - Good one, Dave.
259 - Good one.
260 - Don't ever do that again.
261 - I'm just saying, Forman,
262 - you really didn't deliver on the afternoon like I was hoping.
263 - Dude, I took you everywhere. I bought everything.
264 - It was a great day.
265 - I don't know, man. I mean, I asked you for a six-pack.
266 - You brought me out a tall boy.
267 - I'm just saying.
268 - Fine. Whatever.
269 - They're all yours.
270 - Twenty minutes late.
271 - Sorry. We had to stop so Fez could pee.
272 - Yes, it was my fault. Please do not fight.
273 - Eric, listen, travel time should come out of your time, not mine.
274 - What's on Fez's face?
275 - Nothing. Nothing.
276 - Is that ice cream? Now he won't want dinner!
277 - I am sorry I ate ice cream, Donna. Do not be mad.
278 - Fez, I'm mad at Eric, not at you.
279 - This is not about you.
280 - Listen, I'm not about to limit our good time to help with yours.
281 - Why would you do anything to help me?
282 - Oh, you listen, missy.
283 - - I'm not gonna... - Stop it! Stop it!
284 - You are tearing us apart!
285 - I hope you're happy. Now you've upset Fez.
286 - Yeah, all right. And your fighting is making me and Jackie fight,
287 - and that interferes with us doing it.
288 - And that ain't good!
289 - So, until you guys fix this,
290 - we're not hanging out with either one of you.
291 - Let's go.
292 - Hyde, I'm sticky.

293 - Come on. Let's get you cleaned up.
 294 - And I'm sleepy.
 295 - I know. You had a big day.
 296 - This is your fault.
 297 - None of this would have happened if you hadn't been such a jerk
 298 - and kicked me out of the basement.
 299 - Well, you came in and you were just so,
 300 - "Oh, we broke up, and I don't care, and, hey, let's just watch TV.
 301 - "Tra la la la la"
 302 - Eric, I was faking it.
 303 - I'm miserable and uncomfortable, and this whole thing sucks.
 304 - You're miserable?
 305 - Well, that's great.
 306 - I mean, I'm miserable too.
 307 - Okay, so, how about this?
 308 - We just hang out together and pretend everything's fine,
 309 - you know, for the sake of our friends.
 310 - - I can do that. - Okay.
 311 - But, you know,
 312 - you have to stop trying to look so hot when you come over.
 313 - I have not been doing that.
 314 - Red lipstick, no bra?
 315 - Okay, yeah, I did that.
 316 - And, Fez, you sit on the dryer. Okay.
 317 - This new seating arrangement should really work.
 318 - There you kids are.
 319 - I think I finally remembered the punch line to the Italian midget joke.
 320 - My mom made fish.
 321 - I gotta register for the draft.
 322 - - Me, too. - I gotta go count my G.I. Joes.
 323 - I'll be in the oven.
 324 - Wow! Tough room.

4.4 Episode 04: Hyde Gets the Girl

1 - Elke Sommer to block. Elke Sommer to block.
 2 - Oh, you stupid son of a bitch.
 3 - Donna loved Hollywood Squares.
 4 - Oh, Forman, come on, man. Give it a rest, huh?
 5 - So you're single now. That's a good thing.
 6 - Now you're like me, man.
 7 - You're free to be with lots of subpar, somewhat sleazy chicks.
 8 - It's Christmas, baby.
 9 - Oh, you disguise your heart, Hyde,
 10 - but I know you need love.
 11 - - Why is that? - 'Cause I need it.

12 - All right, I'm going to work before you two start braiding each other's hair.
 13 - You know what? I wish for once Hyde would fall in love, you know?
 14 - So we could make fun of him.
 15 - We'd be all, "Hey, everyone...
 16 - "Hyde's in love."
 17 - Burn.
 18 - Oh, I know. Let's get Hyde a woman.
 19 - We can have a let's-get-Hyde-a-woman party.
 20 - And we can have food and music and, uh...
 21 - - Women? - That's it.
 22 - Hanging out
 23 - Down the street
 24 - The same old thing
 25 - We did last week
 26 - Not a thing to do
 27 - But talk to you
 28 - We're all all right
 29 - We're all all right
 30 - Hello, Wisconsin!
 31 - This party is a great idea.
 32 - I'm gonna find the perfect match for Steven.
 33 - After all, my nickname is "the queen of romance."
 34 - No one calls you that.
 35 - Now, we will each bring no less than two
 36 - and no more than five girls to the party for Hyde, okay?
 37 - I will console the rejects with a hot oil massage.
 38 - I will be nude.
 39 - Well, I'm out of here. The radio station's giving away a van
 40 - and I got to work. I will be clothed.
 41 - Well, I think it's a great idea.
 42 - Steven is almost a man and he needs to meet a girl
 43 - who will help him find his way.
 44 - Yeah, a girl helped me find my way to hell!
 45 - I'm in hell.
 46 - Oh, you're not in hell. If you're too hot, take off your sweater.
 47 - - So, it's settled. We'll have the party here. - No, Kitty.
 48 - I don't know what you're talking about, but no.
 49 - Yes. We're having a little party for Steven
 50 - so he can meet his Miss Right.
 51 - Why is it here? Why is it always here?
 52 - Well, what do you want them to do, have the party in the street?
 53 - Yes.
 54 - They puke in the street, the city cleans it up.
 55 - Oh, man!
 56 - Oh, I hope I win this van. I really need a place to do it with Jackie.
 57 - Okay, listen up, everybody. The rules are simple.

58 - You place one hand on the van.
 59 - If you remove your hand for any reason, you're out.
 60 - Last person to remove his hand wins the van. Any questions?
 61 - You're out.
 62 - - Any other questions? - Don't start without me, Max.
 63 - Oh, God.
 64 - Hello.
 65 - My name is Daniel and I've won every WFPP contest
 66 - since the Weber Gas Grill Trampoline Bounce of 1972.
 67 - I'm unbeatable. So the choice is yours,
 68 - joy or despair,
 69 - pleasure or pain,
 70 - life or death.
 71 - I am Daniel!
 72 - And I cannot be beaten.
 73 - Look at what I brought.
 74 - - Big Rhonda? - Uh-huh.
 75 - There goes the keg.
 76 - Everybody, look who's here.
 77 - A caring, intelligent, snazzy young man,
 78 - Steven Hyde.
 79 - Um, thanks.
 80 - Hey, man, what's going on?
 81 - I thought we were watching Saturday Night Live.
 82 - Yeah, change of plans. We're having a party with girls,
 83 - a keg and girls.
 84 - For no reason whatsoever.
 85 - Great.
 86 - And there's no agenda.
 87 - All right.
 88 - Stop grilling me, you bastard.
 89 - - Hi, Melissa. How's the contest going? - Lane.
 90 - But at least the boneheads are entertaining.
 91 - Check out that idiot's 'fro.
 92 - Hey, that's my dad.
 93 - Oh! Uh...
 94 - No. Okay, yeah, you're right.
 95 - So, hey, what are you doing tonight?
 96 - We're in Wisconsin, so nothing.
 97 - Well, I'm going to this party. It's in a stinky basement
 98 - and they'll have a stolen keg.
 99 - - I'm in. - Cool.
 100 - Hey, Dad. I brought you some mints and your Afro pick.
 101 - Oh, thank God, Donna. My hair was starting to look silly.
 102 - Hey, check out the redhead.
 103 - That redhead is my baby girl, Donna. I'm her dad.

104 - I want Donna to call me "Daddy."
105 - - That's it! - Ah, Bob.
106 - You took your hand off the van. You lose.
107 - - This isn't over. - It is, for you.
108 - Get out of here.
109 - And so begins the battle of wits.
110 - Oh, man, I've never been good at wits.
111 - Really?
112 - So, chips and dip, huh?
113 - Yuh-huh.
114 - And the words kind of sound alike, so that's always fun.
115 - Look, no offense, but I'm really not in the mood for talking.
116 - I just broke up with my girlfriend, so...
117 - Oh.
118 - You poor thing.
119 - You know, you have these sad lips that are just so hot.
120 - Really?
121 - I may not be popular, but if given the chance,
122 - I'll put out something fierce.
123 - Psst!
124 - Psst!
125 - How's it going?
126 - Great, great, great, great. 'Cause, see, at first,
127 - I thought I should wear my hair up. But, let's be honest,
128 - my hair is one of my top five features, so, voila, it's down.
129 - Psst! Psst!
130 - Hyde, allow me to introduce you to a special lady.
131 - So, we meet every week to pray and discuss scripture. You in?
132 - I used to date your dad. Isn't that a turn-on?
133 - It's not like head cheerleader's always the most talented,
134 - but in my case, it's true.
135 - I have to date guys who aren't as good-looking as me,
136 - otherwise, I'd never date.
137 - You gonna eat that?
138 - I know you're really angry and emotionally crippled, but that's okay,
139 - 'cause my boyfriend's in jail.
140 - My turn-offs include people who are mean to puppies
141 - and people who smoke.
142 - Or don't smoke? Or smoke?
143 - Wait, do you smoke?
144 - Okay, so guess which leg's real.
145 - I'm so glad I finally got to meet you,
146 - 'cause I've, like, always been afraid of you
147 - and I like to be scared.
148 - So, what do you think?
149 - You know, I think, if I time this right,

150 - I can nail every single one of these girls tonight.
 151 - No, no, no, no, no. You're supposed to pick just one,
 152 - to love, not nail. Love.
 153 - Yeah, right.
 154 - Okay, listen to me, Johnny Cool. I threw this party for you,
 155 - so you can find one girlfriend to love you. And that is all. One.
 156 - You set this up?
 157 - Yeah, we all thought you needed help finding a quality woman.
 158 - What? Man, you sit around and talk about me?
 159 - Is that what's going on? Look, I don't want your help.
 160 - I give and I do, and I do and I give.
 161 - And for what? For nothing.
 162 - Well, I'm done. Go.
 163 - - But, Fez... - I said, go.
 164 - - Hey, Hyde. - Hey.
 165 - This is Melissa. She just moved here from Chicago.
 166 - We work at the radio station together.
 167 - Melissa, this is Hyde.
 168 - You're not leaving already, are you?
 169 - Uh, no, I came out to get some fresh air.
 170 - It's, uh... It's fresher out here, the air.
 171 - - I like air. How about you? - Air's okay.
 172 - You know what's really good? Water.
 173 - That's really...
 174 - This summer I'm gonna visit my aunt in Mississippi.
 175 - Oh, you're going away? That is sad.
 176 - Hey, you should come with me, chocolate milk.
 177 - When I looked across the room, I saw a guy who was wounded.
 178 - A guy who sits in the dark, waiting for the light to find him again.
 179 - If only I could find this light you speak of,
 180 - then maybe, just maybe,
 181 - my pain might go away.
 182 - - Would it help if I held you? - I doubt it.
 183 - But let's try, Katie.
 184 - Yeah, lower. Yeah.
 185 - - I am so disgusted. - Oh, I know.
 186 - There are way too many girls at this party.
 187 - I can't even smell my own perfume.
 188 - Well, you're the only one.
 189 - You know, you may not even be the prettiest girl here.
 190 - You shut your hole.
 191 - I am pretty. Unsure.
 192 - Must find Michael.
 193 - Hi. You know, I'm a guy
 194 - who's wounded.
 195 - - So, I'm gonna go grab a beer. - Thanks.

196 - Get one for yourself, too.
 197 - No, I...
 198 - Can...
 199 - - Can I get you a beer? - There you go. Thanks.
 200 - A toast to all my good friends.
 201 - I will miss you when I blow out of this burg
 202 - with the beautiful Big Rhonda.
 203 - Now it's off to Mississyphilis!
 204 - Oh, no, Red, they've been drinking.
 205 - Well, well, what do you know?
 206 - Here, Kelso.
 207 - Thought you might need some coffee to keep you going.
 208 - Hey, you know what would be fun?
 209 - Seeing which one of us could drink the most coffee, huh?
 210 - Oh, no. You'll just lose.
 211 - No, I would not. I could so beat you.
 212 - - Well, I doubt that. - Oh, you're going down.
 213 - - That's my six to your one! - Yeah, you really whipped me.
 214 - Kelso, have you ever been to Niagara Falls?
 215 - - Uh-uh. - Mmm.
 216 - Don't you like the soothing sound of water?
 217 - - Yeah, I guess. - You ever sat beside a babbling brook,
 218 - listening to the beautiful, steady stream of water?
 219 - Well, I... Okay, I don't know if you realize this,
 220 - but all this talk about water is really making me have to go pee.
 221 - Oh, yeah, yeah. I'm sorry.
 222 - Yeah, I can see that "urine" a lot of pain.
 223 - Yeah, well, you better shut up, 'cause you're gonna have to go, too.
 224 - That's where you're wrong. I am going.
 225 - I know I just met her, Mr. Red, but I love her.
 226 - She is sturdy.
 227 - I want to climb her.
 228 - You're just desperate to give it away, aren't you, son?
 229 - Yes, yes, I am.
 230 - Look, there are two things
 231 - that you need to learn about women.
 232 - Oh, finally, the sex talk.
 233 - First, if a woman outweighs you by 30 pounds,
 234 - you're in for trouble.
 235 - Well, I'll put on weight, I'll bridge the gap.
 236 - Which brings me to my second point.
 237 - When used separately, women and alcohol can be a lot of fun.
 238 - But if you mix them, they can turn you into a dumbass.
 239 - - Michael. - Jackie.
 240 - - I thought you were at the party. - No, it was awful.
 241 - Do you know what it's like to be the prettiest girl at a party

242 - and not have anyone acknowledge it?
 243 - Yes, I do.
 244 - - Michael, am I pretty? - Oh, come on, cupcake,
 245 - you are the prettiest girl in Point Place.
 246 - - No, you know what? In Wisconsin. - Nice one, Pinocchio.
 247 - - Am I prettier than Pam Macey? - Of course.
 248 - - Am I prettier than Farrah Fawcett? - Oh, all right, come on,
 249 - she's like a perfect 10
 250 - and you are an 11.
 251 - - Am I prettier than... - Oh, my God.
 252 - Am I prettier than the girl with the feathered hair at the supermarket?
 253 - Okay, okay, the blonde-haired one or the brown-haired one?
 254 - Well, does it matter?
 255 - No, 'cause you smoke them both, baby!
 256 - - Am I prettier than... - Oh, my God!
 257 - I can't take it anymore.
 258 - "Am I pretty?" "Am I pretty?"
 259 - "Am I pretty?" Shut up!
 260 - And we finally have a winner.
 261 - I did it! Oh, my God, I won!
 262 - Who's the best? I'm the best. Loser!
 263 - I'm not a loser, okay? I win everything.
 264 - I don't lose. I win.
 265 - Because I'm a winner.
 266 - I'm a winner!
 267 - So, Michael Kelso, tell Wisconsin how it feels
 268 - to be WFPP's new Hand 2 Van winner.
 269 - Well, I guess I have to say it like this, Max,
 270 - if this van's a-rocking, we're in there doing it.
 271 - - Michael! - Oh, I'm sorry.
 272 - I'm doing it with Jackie Burkhart.
 273 - If you really think putting my head on your lap will make me feel better,
 274 - I mean, I guess I should try.
 275 - All right, that's it.
 276 - Excuse me, girls. I have some information...
 277 - No, don't listen to what she's... I'm... She's the one who hurt me.
 278 - Uh-huh. Yeah. He dumped me.
 279 - - You dumped her? - Well, I had to.
 280 - She wouldn't... She wouldn't take my ring.
 281 - - You wouldn't take his ring? - This is none of your business,
 282 - and you are a sad little man.
 283 - - Oh, poor baby. Do you want my number? - Yes. Yes, I do.
 284 - - So, you having fun? - That reminds me, I have to go.
 285 - Uh, Melissa.
 286 - Um, I was wondering if maybe you wanted to do something sometime.
 287 - Sorry, I did something last night and I already made plans for sometime.

288 - No, wait, wait. Let me try that again.
 289 - Um, look, if you're not doing anything Friday night, I'd like to take you out
 290 - to, um... To... To dinner and a movie.
 291 - Pizza?
 292 - The mall?
 293 - - Bowling? - I'd love to.
 294 - - Call me. - Call you?
 295 - That's a little unorthodox.
 296 - I'll call you.
 297 - Yes. "I'll call you." "I'll call you." Whipped.
 298 - What? I don't care about her. Melissa who? What the hell!
 299 - Whipped like the family pig.
 300 - Rhonda, I cannot go to Mississippi.
 301 - - So, you're not coming? - I'm sorry.
 302 - But maybe we can go to the movies sometime.
 303 - And make out in the theater? Yeah!
 304 - Call me.
 305 - Good God, sober up, man.
 306 - Oh, screw it, Donna.
 307 - Fez likes them big, Fez likes them small, Fez likes them all.

4.5 Episode 05: Bye-Bye Basement

1 - Steven, its seven- damn-thirty in the morning.
 2 - What the hell are you doing here?
 3 - Red, be nice.
 4 - Steven, we're waiting.
 5 - Well, I've been living in the basement.
 6 - You know, I did notice a dusting of curly hair on the floor,
 7 - but I just wrote it off to my changing teenage body.
 8 - I moved back in when my dad got transferred.
 9 - Transferred? He's a bartender.
 10 - Where'd he get transferred to, the jukebox?
 11 - You know, Red, if it's cool,
 12 - I'd kind of rather not talk about it.
 13 - Well, Steven, it's important
 14 - to get these things out in the open.
 15 - Kitty, let him do what's natural
 16 - and keep his feelings bottled up.
 17 - Atta-boy.
 18 - Well...
 19 - Welcome back, Steven.
 20 - You know, maybe we can spruce up your old room
 21 - since I decided to redo the basement.
 22 - What? You're redoing the basement?

23 - Well, honey, no one uses it.
24 - I use it.
25 - Every day.
26 - It's my bat cave.
27 - I'll find you a good, cheap contractor.
28 - Oh, no, no, no, no.
29 - This is something I want to handle myself.
30 - This is gonna be expensive, isn't it?
31 - Maybe.
32 - Don't you like anything cheap?
33 - I like you.
34 - Hanging out
35 - Down the street
36 - The same old thing
37 - We did last week
38 - Not a thing to do
39 - But talk to you
40 - We're all all right
41 - We're all all right
42 - Hello, Wisconsin!
43 - Yeah, I'm gonna miss it down here.
44 - Lot of good times.
45 - Broke my foot
46 - climbing out of this dryer.
47 - And my head playing hand ball
48 - with the soap in that shower.
49 - Me and Jackie totally did it
50 - like a bajillion times on this old sofa.
51 - Michael, that's private.
52 - I got news for you. It wasn't that private.
53 - Oh, my God!
54 - That is the biggest spider I have ever seen.
55 - I think it had a rat in its mouth!
56 - Ugh!
57 - Okay, I think maybe the basement
58 - isn't the place for me after all.
59 - Oh, you know what, Mom? I think you might be right.
60 - I mean, not only is it bug-infested down here,
61 - but in all honesty, I think it might be haunted.
62 - Get out!
63 - That's spooky.
64 - I don't know, Mrs. Forman.
65 - I mean, sure it's a pit now,
66 - but if you paint, fumigate,
67 - and get rid of Eric,
68 - this could be a great room.

69 - Hey, what...
70 - Hey, okay. You're not my girlfriend anymore, okay?
71 - So you don't get an opinion on my stuff now.
72 - Mom, don't listen to her. She's crazy.
73 - Oh, wait, I disagree with you, so I'm crazy?
74 - I think the last time I disagreed with you
75 - was the sanest thing I ever did.
76 - Ok, are you referring to our breakup?
77 - Because I must remind everyone here
78 - that she wore my promise ring
79 - around her neck.
80 - That's crazy!
81 - Ring, finger. Finger, ring.
82 - Well, you're lucky I didn't shove the ring up your ass!
83 - Mom...
84 - All right, well... who said, "get out"?
85 - Anyway, Mrs. Forman,
86 - we have a bunch of decorating magazines at home.
87 - I'll bring them over.
88 - Well, thank you, Donna.
89 - And I think that ring looked nice around your neck.
90 - Donna, what the hell?
91 - What, we're not going out anymore,
92 - so you don't like my basement?
93 - Well, I guess now that I'm an ex-girlfriend,
94 - I'm free to tell the truth.
95 - Free at last! Free at last! Whoo!
96 - Michael, get Eric some ice.
97 - Why?
98 - For that wicked burn! Burn, Eric, burn!
99 - Oh, happy day.
100 - Your friend Fez has taken his love of dance
101 - to its logical conclusion.
102 - I have joined a ballet class.
103 - Man, no offense,
104 - but you're, like, one good cry away
105 - from being the total woman.
106 - Oh, really? Well, would a total woman
107 - have her own pink satin slippers?
108 - Oh, Red. Here, um...
109 - Meet our contractors.
110 - This is Theo.
111 - And...
112 - Hey, Mr. Eric's dad.
113 - This is who you hired to redo our basement?
114 - Well, no, no.

115 - Actually, I... I hired Theo.
116 - And, uh, I didn't really expect Leo.
117 - That was, um... That was a bonus!
118 - Ha, ha, ha!
119 - Here, shoo, Leo.
120 - Uh, don't worry, ma'am. Leo is solid.
121 - And he's not allowed to touch anything electrical.
122 - Kitty, I hate to interfere...
123 - I understand your concern, sir.
124 - But I'm not an irresponsible screw-up
125 - like my cousin Leo.
126 - That's true, man.
127 - I used to be like Leo,
128 - sitting around all day, wasting my life.
129 - But then one day the smoke cleared.
130 - See, red? He had an epiphany.
131 - Actually, I ran out of weed and the smoke cleared.
132 - But, uh...
133 - Then I saw how trashed my apartment was,
134 - so I rebuilt it.
135 - Been a contractor ever since.
136 - Well, I'm sold.
137 - Okay, Donna.
138 - When did you stop liking my basement?
139 - I never liked it.
140 - There were a lot of things I kept to myself when we were dating.
141 - Yeah, well...
142 - There were plenty of things I kept to myself.
143 - Plenty.
144 - Like what, for instance?
145 - I'm sure Donna would like to know.
146 - Yeah. Like what, for instance?
147 - Well, like...
148 - Why don't you just start first?
149 - Okay. You know how when you eat and you smack your lips
150 - in that really cute way?
151 - Yeah.
152 - It's disgusting.
153 - That's all you got?
154 - No. You have tiny wrists.
155 - What?
156 - No, I don't.
157 - Mom, do I have tiny wrists?
158 - No, not tiny. Dainty.
159 - No, no, no, no. No, no.
160 - The doctor always said you were in the normal range.

161 - See? Normal.
162 - Big bone magoo.
163 - Ooh. That's nice.
164 - You don't have to tell me.
165 - It's really cool you're here.
166 - Most men won't take ballet class.
167 - Oh, my pet...
168 - Most men are not Fez.
169 - This whole basement thing is Donna's fault.
170 - I... what's her problem?
171 - She's been messing with me all day.
172 - Could be payback.
173 - For what?
174 - Well, she had to see you naked for two years.
175 - That must have been unpleasant.
176 - You know, for a guy who's been orphaned twice,
177 - you really lack compassion.
178 - Speaking of hurtful things...
179 - Hey, where's your dad, man?
180 - Okay.
181 - He, um...
182 - He went to work for the police.
183 - Developing high-tech handcuffs
184 - to restrain people with tiny wrists.
185 - Hey, uh...
186 - Puffy shirt guy called.
187 - He wants his puffy shirt back.
188 - Things at ballet class have taken a turn for the worse.
189 - Somehow I've become one of the girls.
190 - A hairy brown girl.
191 - Hey, uh, Fez...
192 - Does that shirt come with its own bicycle pump?
193 - Well, you should talk. That shirt makes you
194 - look like a stick of fruit-stripe gum.
195 - God, what did you have for breakfast this morning?
196 - Carnation instant bitch?
197 - Okay, that one was out of the park.
198 - Ugh! I am so bored with you two!
199 - You know what? I actually want to talk about Fez.
200 - Fez, why don't the women at ballet love you?
201 - I don't know. They let me touch their thighs,
202 - but not their hearts.
203 - You know what might help?
204 - If you dress a little more masculine.
205 - Hey, Hyde. Huh?
206 - You know what my favorite ballet is?

207 - The Nutcracker?
208 - Ohh...
209 - Hey, guys.
210 - Don't you think it's time to knock off?
211 - You know? Maybe forever.
212 - Yeah, well, we're not done yet.
213 - Don't let us get in your way.
214 - Do whatever you'd normally do.
215 - This is what you normally do?
216 - I used to do this, too,
217 - back when I was being an artist.
218 - I love art.
219 - But I hate work.
220 - But... I love art.
221 - But I hate work.
222 - Do you hear that, Forman?
223 - Theo's an artist who hates work.
224 - And who, at this moment,
225 - is very open to suggestion.
226 - Oh. I gotcha, Hyde.
227 - Theo...
228 - Cluck like a chicken. Do it.
229 - Ow!
230 - Oh.
231 - Theo, if you're unhappy,
232 - and I hope you are,
233 - you gotta be true to yourself.
234 - Give up construction, man. Go back to art.
235 - You broke up with art?
236 - I mean, I don't know what Eric's problem is.
237 - I wasn't being a bitch, was I?
238 - Oh... Donna, I know from bitch,
239 - and, yes, yes, you were.
240 - But I feel much closer to you now.
241 - All right. Okay.
242 - I know what's going on here.
243 - You're being mean to Eric
244 - 'cause you want to do it with him.
245 - I mean, when Jackie dumped me,
246 - I had a butt load of leftover
247 - wanting-to- do-it-with-her, feelings.
248 - Oh, my God.
249 - You morons might be right.
250 - But why do I have these stupid feelings left over?
251 - I mean, I just want to be friends with him now.
252 - What a child.

253 - So innocent.
254 - Mmm.
255 - You're never gonna be friends with him, all right?
256 - The only reason he was friends with you
257 - is so he could do it with you.
258 - Really?
259 - So he made friends with me when I was five
260 - so he could do it with me when I was 17?
261 - Well, that and your sweet big wheel.
262 - Okay, off to ballet class now.
263 - More masculine, yes?
264 - Ok, we're all done.
265 - But you've only been here a day.
266 - Well, you know what they say.
267 - Rome was built in a day.
268 - No, uh, Rome wasn't built in a day.
269 - Well, your basement was built in a day.
270 - Ta-da!
271 - You didn't do anything.
272 - It's a commentary.
273 - See, you wanted to change your basement
274 - into something that it wasn't,
275 - so, instead of giving you
276 - something that you thought you wanted,
277 - I gave you something that you needed.
278 - Red...
279 - I think my contractor's on dope.
280 - No need to thank me.
281 - Oh, we won't...
282 - Because you didn't do anything, hop-head.
283 - Look!
284 - It's art.
285 - I moved everything in this basement
286 - two inches to the left.
287 - Oh, yeah.
288 - I call it, Basement,
289 - Two Inches To The Left.
290 - It's wild, huh?
291 - I mean, it's like,
292 - where are you?
293 - All right.
294 - Mrs. Eric's mother would like you to leave now.
295 - Okay, you don't get it...
296 - But when your life shifts
297 - two inches to the left,
298 - you're gonna call me. Ohh, yes.

299 - You are gonna call me.
300 - And if you like our work,
301 - tell your friends, okay?
302 - Oh, well.
303 - Look who finally got his basement back.
304 - Yep. Out with the two hippie burnouts.
305 - Walk tall.
306 - So, hey, Hyde...
307 - Come on. Where's your dad, really?
308 - Fine, you wanna know?
309 - He and my mom got back together.
310 - No way. No way. That's great.
311 - So, where are they?
312 - I can't tell you.
313 - Why not?
314 - 'Cause they won't tell me.
315 - They split on you?
316 - Oh, man.
317 - Oh, man. See, this is why I didn't wanna tell you.
318 - I knew you'd get all "after school special" on me.
319 - Me? Please.
320 - It's ok.
321 - You're home now.
322 - Get off me, man.
323 - No, you let me love you, orphan boy.
324 - Don't hide from your feelings.
325 - So, hey.
326 - Hey.
327 - Look, I'm sorry I've been so...
328 - Bitchy?
329 - Yeah, I hadn't noticed.
330 - Who said "bitchy"?
331 - Yeah, well, it turns out
332 - that there are some lingering feelings or something.
333 - Not real feelings, just like lingering urges...
334 - But they're just lingering feelings.
335 - They're not actual feelings.
336 - Just wanna make that very clear.
337 - You have by using the word "lingering," like, 6 times.
338 - Okay.
339 - And the basement's actually really cool...
340 - And your wrists are very wide.
341 - Hmm, um, there must be some way
342 - to break the tension here.
343 - Oh, I know.
344 - Let's just have sex.

345 - Okay. Really?
346 - No. See ya.
347 - Like I wanted to.
348 - I did want to.

4.6 Episode 06: The Relapse (1)

1 - Good morning. I have terrible news.
2 - Are we out of bacon?
3 - No. I was outside...
4 - Remember that time we were out of bacon?
5 - Do I?
6 - Nearly tore this family apart.
7 - Listen to me!
8 - Midge left Bob.
9 - Are you sure?
10 - I mean, maybe she's just lost in the backyard.
11 - This is serious. I was up early,
12 - and I saw Midge getting into her car
13 - with a suitcase and I said,
14 - "Where are you going, Midge?"
15 - Because I'm concerned, not nosy,
16 - and she said to me,
17 - "I am leaving Bob, and I am never coming back."
18 - - And I said... - "Okay".
19 - And then...
20 - I laughed like I do when I'm uncomfortable.
21 - But what about Donna?
22 - I mean... what're they gonna do?
23 - Well, okay, they are going to depend
24 - on the kindness of their friends and neighbors,
25 - which is why we need to go over there
26 - as a family, to comfort them.
27 - Yikes. I don't think so.
28 - Why not?
29 - Well, it just seems like it'd be,
30 - like, there'd be an awful lot of...
31 - Crying.
32 - Yeah.
33 - So... no.
34 - Yeah, no.
35 - Well, fine.
36 - I will go myself.
37 - Hey, where are you going with my food?
38 - To Bob and Donna.
39 - When your wife or mother leaves you,

40 - you need a good breakfast.
41 - I need a good breakfast.
42 - Well, I didn't leave you. Eat a pop-tart!
43 - When I woke up, her bag was packed and she left.
44 - Didn't even say where she was going.
45 - On the other hand, we have pancakes
46 - with egg eyes
47 - and bacon smiley faces!
48 - The hash brown hair is nice.
49 - I can't believe she would just take off
50 - without even a hint or a warning.
51 - No warning?
52 - Dad, she was always saying,
53 - "I'm unhappy, and I'm gonna leave."
54 - Honey, that's just what married people say.
55 - Did she say where she was going?
56 - Well, um, she said she was going to California... to...
57 - To be a star on Broadway.
58 - So...
59 - Oh, Midgie.
60 - She may not have been smart,
61 - but she sure was sweet.
62 - And built, too, boy.
63 - Okay.
64 - Thanks, Mrs. Forman, but I'm really not hungry.
65 - Oh, what a nightmare.
66 - She was unhappy, Bob.
67 - No. She took the El Dorado.
68 - Hanging out
69 - Down the street
70 - The same old thing
71 - We did last week
72 - Not a thing to do
73 - But talk to you
74 - We're all all right
75 - We're all all right
76 - Hello, Wisconsin!
77 - So Midge just took off?
78 - Ah. Poor Donna.
79 - Yeah, this is really bad.
80 - Yeah, not only did Donna lose her mom,
81 - we all lost Midge's sweet uptown rack.
82 - Oh, good God, man,
83 - what a marvelous set of kittens.
84 - Remember that sweater? Oh.
85 - Remember that other sweater?

86 - Yeah.
87 - Remember that time she ran up to us in a sweater?
88 - Remember the week she took up jump rope?
89 - In a sweater?
90 - Eric!
91 - What are you boys thinking about so hard?
92 - Nothing. Homework.
93 - Jesus. Kittens.
94 - Okay, um, Eric, I need you
95 - to take a casserole to the Pinciottis.
96 - So run upstairs and
97 - put on a nice clean shirt and a sport coat.
98 - What? No, I'm not going over there.
99 - Donna and I broke up, and things are weird with us.
100 - Well, that's too bad.
101 - Because I went over there, and Bob's a crier.
102 - And a hugger.
103 - And when you get caught in a crying-Bob hug,
104 - there is no escape,
105 - and I cannot go back over there!
106 - I don't know. I like to be hugged by Bob.
107 - Makes me feel safe.
108 - Okay, okay, there he is. Go talk to him.
109 - No, Kitty, it's a personal matter and I...
110 - Oh!
111 - That's mature.
112 - Hey, there, Red!
113 - Hi, Bob.
114 - What a day, huh? What a day
115 - to be alive. I feel great.
116 - You do?
117 - Well, then...
118 - I can go back inside.
119 - Bye.
120 - Yep, Midgie's been on me for weeks to weed the garden.
121 - And I'm finally getting around to it,
122 - so when she comes back,
123 - she's gonna see that I did it.
124 - You think she's coming back?
125 - Well, why shouldn't she? I did all the right things.
126 - We had an open marriage, experimented with drugs.
127 - I even threw nudist parties.
128 - Yeah, what more could a husband do?
129 - All right. Let's not get bummed out, guys, okay?
130 - There are a lot of other hot older women
131 - out there besides Midge.

132 - And they deserve our respect,
133 - 'cause they can teach us stuff.
134 - Yes, I would love to make love to an 80-year-old.
135 - They must know everything.
136 - And not just about sex, but history and trivia, too.
137 - Yeah.
138 - The young ones are too timid, but the older ones,
139 - they know it won't break.
140 - How could it break? It is invincible.
141 - Yeah, and plus, they're, like, grateful,
142 - you know, so they'll do it with, like, almost anybody.
143 - Anybody?
144 - Well, that's me.
145 - Let's find Fez a dirty housewife to love.
146 - Yeah, man, I'm in. Hyde?
147 - I don't know, guys. I was gonna go watch Donahue.
148 - What do you think the chances are of Fez getting burned?
149 - Pretty good. Damn good.
150 - Then I am in.
151 - Hey. Hey.
152 - So...
153 - Hey, look, I'm really sorry about your mom.
154 - And, uh...
155 - I mean...
156 - Are you okay?
157 - I don't know. It's weird.
158 - Yeah, well, you know, it won't make you feel any better,
159 - but for some reason I brought you a casserole.
160 - I mean,
161 - why is it that every time something bad happens,
162 - grownups always think you need food?
163 - You know? You lost your job?
164 - "Congratulations, you got a bucket of chicken!"
165 - I mean, the last thing you want is to...
166 - Are these crushed potato chips?
167 - Look...
168 - Donna, look...
169 - I know we broke up,
170 - but I still, you know...
171 - I still care about you.
172 - Okay. Okay.
173 - So...
174 - Eric, in the bedroom.
175 - Oh, yeah, I knew that.
176 - I'll just... I'm gonna...
177 - Is that a tennis getup?

178 - Yup.
179 - Yeah, I'm out.
180 - What's his problem? This is the
181 - perfect outfit for picking up older ladies.
182 - Uh-huh. How's that?
183 - Well, everyone knows that
184 - horny older ladies hang out at tennis clubs.
185 - Yeah, well, see, Fez,
186 - Point Place doesn't have a tennis club or even a tennis court.
187 - We do have that concrete wall behind the gym,
188 - but people mostly use that just for
189 - smoking weed and beating up freshmen.
190 - And foreign exchange students.
191 - You were new, okay?
192 - No. You know where we've gotta go
193 - to get the ladies, is the grocery store.
194 - Oh, the Piggly Wiggly? I love the Piggly Wiggly.
195 - They have candy.
196 - Yeah. And older ladies.
197 - And candy.
198 - Yeah, but the important thing is the older ladies.
199 - And candy.
200 - All right, Fez. What do you want?
201 - The older ladies or the candy?
202 - Fine, you win. The older ladies.
203 - Thank you. And candy.
204 - It was the sport coat, right?
205 - Again? Yes, please.
206 - So, you don't want to cuddle?
207 - That's cool.
208 - Bob thinks Midge is coming back?
209 - That is the saddest thing I ever heard.
210 - Oh, come on, Kitty. Let him think it. Who does it hurt?
211 - It hurts Bob.
212 - Well, who else does it hurt?
213 - Steven.
214 - Red, Bob has to grieve so the healing can begin.
215 - But, Kitty, then he'll grieve all over me.
216 - Hey, remember that time Bob ate a bad taco
217 - and grieved all inside your car?
218 - Thank you. Case closed.
219 - Why would you bring that up?
220 - Sorry, Mrs. Forman.
221 - It's just that it was gross, so I think about it a lot.
222 - Hi, kids. Good to see you. Good to see you.
223 - Someone is looking lovely today, Mom.

224 - What's with you, man?
225 - Oh, I guess a little thing like
226 - getting back together with your old gal
227 - puts a spring in a man's step.
228 - You and Donna are back together? That is wonderful!
229 - So did you talk things through?
230 - No.
231 - Then how do you know you're back together?
232 - Yeah, we talked things through.
233 - Talked or grunted?
234 - Stifle.
235 - Okay, well, good.
236 - I'm gonna need details.
237 - Oh, there will be details aplenty
238 - in my steamy letter to Penthouse.
239 - Okay, my mom's still behind me, isn't she?
240 - So you guys did it?
241 - Twice.
242 - Five times.
243 - Nice.
244 - And you're back together?
245 - Oh, yeah. God, no.
246 - It was like... magic.
247 - Oh, I feel sick.
248 - Yep, we're back together.
249 - And, Hyde, more than this, much...
250 - more than this...
251 - I'm sure he's forgotten all about it.
252 - Man, back when I was cheating on Jackie,
253 - I used to meet a ton of older ladies here.
254 - Hello, Michael.
255 - Hey, Joyce.
256 - That's Coach Ferguson's wife!
257 - Yeah. She's lonely, and she drinks.
258 - You're a Piggly Wiggly god.
259 - Yeah.
260 - Ooh-la-la!
261 - Oh, me like.
262 - Go make your move, man.
263 - Aye, no.
264 - After I painted Midgie's bathroom pink,
265 - sprinkled a little lavender water
266 - in her toilet like she likes,
267 - I went out and got these chocolates. I hope she likes them.
268 - I guess we'll find out when she comes back, huh?
269 - Bob, she... I...

270 - Oh, Bob, you poor, dumb son of a bitch.
271 - That's mean.
272 - Bob, she's not coming back.
273 - Yes, she is. No, she's not.
274 - Yes, she is. No, she's not.
275 - Yes, she is. No, she's not!
276 - Yes, she is!
277 - Fine!
278 - These chocolates are for Midge, Bob?
279 - They're for Midge? Fine!
280 - Let's give them to Midge!
281 - Here you go, Midge!
282 - You're throwing away Midgie's chocolates.
283 - And why would I do that, Bob?
284 - 'Cause you're mean.
285 - And why else?
286 - She's not coming back, is she?
287 - I knew that.
288 - Listen, you wanna go get a beer?
289 - Yeah. Yeah.
290 - You're a good friend.
291 - I might cry.
292 - And I might hit you.
293 - Michael, how could you bring
294 - poor, sweet Fez to the Piggly Wiggly?
295 - There are a lot of footloose women in that store.
296 - Do you know Joyce Ferguson?
297 - Who? No! That's a lie!
298 - What? What? What? What?
299 - And you.
300 - Grabbing strange rear ends is no way to meet a nice girl.
301 - It's rude, ungentlemanly behavior
302 - that will not be appreciated by a woman of class.
303 - And thank you for the compliment. It made my day.
304 - You know what I just noticed? Mrs. Forman is hot.
305 - Yeah, she's a cutie.
306 - And firm.
307 - You know, maybe we should get her a sweater for Christmas.
308 - She actually doesn't want to be with you at all.
309 - Isn't that hilarious?
310 - Yeah, he thinks you're back together.
311 - It's really sad.
312 - Hold on. What?
313 - Look, she said she would've done it with anybody.
314 - No, no. Donna wouldn't say that.
315 - I mean, it was like I would've done it with anybody.

316 - Anybody?
317 - Damn, and I was just over there watching stupid Donahue.
318 - Hey, let's do it right now.
319 - Eric's gonna be so mad.
320 - Are you mad? So mad.
321 - Yeah, I'm just kidding about the "do it" stuff.
322 - I'm sorry about your mom.
323 - Thanks.
324 - You know what?
325 - That's it. She can't use me like this.
326 - I'm going over there to yell at her right now!
327 - With yelling!
328 - Seriously, let's do it right now.
329 - Okay, listen. You need to tell me
330 - what the hell you think you're doing!
331 - What am I doing? Well, my mom left us,
332 - so I'm boxing up her clothes,
333 - because I can't look at them anymore.
334 - And I'm sorry for needing you, but I did.
335 - So if you have something to say to me, just say it.
336 - Okay, thank you!
337 - I did have something to say, and it was good!
338 - But that was before you said your mom stuff and your sad-clothes stuff,
339 - and now my sex stuff...
340 - sounds...
341 - sucky.
342 - Look, I'm sorry if you thought that we...
343 - No. No, I'm sorry.
344 - Let's just... What...
345 - What, do you need some help or something?
346 - Yeah, thanks.
347 - Oh, my God.
348 - Oh, my God.
349 - This is mine.
350 - Midge borrowed it, and she never gave it back.
351 - I bet my bra's here, too.
352 - I miss my li'l Midgers.
353 - Bob, you know the rules. You cry, you buy.
354 - Three pitchers, please.
355 - Hi.

4.7 Episode 07: Uncomfortable Ball Stuff (2)

1 - Hey, Mrs. Forman.
2 - My dad's making a cheese sandwich, but he's missing some stuff.
3 - So, can I borrow bread and cheese?

4 - Oh, your dad's having a hard time without your mom, isn't he?
 5 - Midge was the brains of that outfit?
 6 - Oh, I'm sorry, Donna.
 7 - - Sorry about what? - You, get Donna bread and cheese.
 8 - Okay.
 9 - Wow. This is a really nice dress.
 10 - I know. Isn't it fancy?
 11 - It's for the Price Mart Ball tomorrow night.
 12 - Oh, right, the Price Mart Ball.
 13 - So who are you taking? Who's the lucky lady?
 14 - Oh, well, I decided not to go.
 15 - - Personal choice. - You don't have a date, do you?
 16 - Okay, you know what?
 17 - It's not about, "Can I get a date?"
 18 - It's about this great book that I'm, like, halfway through.
 19 - Plus, you know, I could get a date.
 20 - I've got numbers, buddy.
 21 - Sure you do, honey. You're number one with me.
 22 - You're going tomorrow night, and you'd better not go stag, Eric.
 23 - There's nothing worse than an 80-pound boy dancing with his mommy all night.
 24 - You know what? I'll go.
 25 - I told you I would, like, months ago.
 26 - But that was before the
 27 - - ugliness. - Eric, I'm over it.
 28 - Hey, I'm over it.
 29 - Oh, I'm... I'm over it.
 30 - Plus, I mean, last year they had all-you-can-eat shrimp.
 31 - Well, I mean, you know, I'm over it.
 32 - Hey, I'm over it. Yeah, I'm over it.
 33 - I was just worried that you might think it was weird,
 34 - us going out on a date.
 35 - So, I mean, you know, the concern laid with you.
 36 - Eric, it's not a date.
 37 - It's not, I know. I know it's not a date. It's not a date.
 38 - It's a
 39 - shrimp fest.
 40 - A festival of shrimp, if you will.
 41 - - Exactly. - So...
 42 - - I'll see you tomorrow night. - Okay.
 43 - See, now, look.
 44 - My little prince is going to the ball.
 45 - Hanging out
 46 - Down the street
 47 - The same old thing
 48 - We did last week

49 - Not a thing to do
50 - But talk to you
51 - We're all all right
52 - We're all all right
53 - Hello, Wisconsin!
54 - So, Forman, you break up with Donna,
55 - but you still get to have sex and go out on dates with her?
56 - Ride the big red wave, dude.
57 - I should break up with Donna. "Donna, we are through.
58 - "Let the sex and dating begin."
59 - Oh, no. It's not a date.
60 - We're just friends now, because she's over it.
61 - - Well, guess who else is over it? - I am.
62 - - Me, too. - So over it.
63 - Look, man, breaking up sucks, okay?
64 - When Jackie dumped me, you know what she said?
65 - "Something, something. Never wanna see you again.
66 - "Blah-blah-blah."
67 - Hey, you think that didn't hurt?
68 - Okay, you know what?
69 - - I'm done talking about this. - Good.
70 - But I will say this.
71 - If she doesn't want it to be a date, then it won't be a date.
72 - I am so cool with that, because, as we all know,
73 - I am very mature.
74 - Now, if you would all please excuse me,
75 - my mommy has to iron my corduroys.
76 - Ah, women.
77 - Am I right, guys?
78 - Ah, who am I kidding?
79 - There's no woman for Fez.
80 - What must Fez do to get a woman?
81 - Well, for one thing, he's gotta cut out that third-person crap.
82 - It's weird.
83 - You are Fez.
84 - You know something else?
85 - Shoes say a lot about a man.
86 - In your case, your chukka boots are screaming "virgin."
87 - Damn you, boots.
88 - What else have you told them?
89 - Hey, Fez,
90 - seeing you wear those chukkas makes me wanna up-chukka.
91 - - Nice. - Yeah.
92 - It's like I ate too many chukka-late chip cookies.
93 - Okay.
94 - Yeah, how much wood could a woodchukka chukka...

95 - Hey. Shut the chukka up.
 96 - How am I supposed to afford new boots?
 97 - My Bible-thumping host parents
 98 - won't give me an allowance because I am a pagan.
 99 - You know, Leo's looking for help down at The Fotohut.
 100 - The Fotohut, huh?
 101 - I can really picture myself there.
 102 - That job and I will really click.
 103 - Oh, I am on a roll
 104 - of film.
 105 - Ow!
 106 - Don't be so negative.
 107 - I am the king.
 108 - You sure you wanna get in the Fotohut game?
 109 - Now, it can chew you up and spit you out like a stick of gum,
 110 - or something that seemed edible till you put it in your mouth
 111 - and then you realized it's not.
 112 - Or a stick of gum.
 113 - - What kind of gum? - Big Red.
 114 - Oh, that's fine.
 115 - Okay, you're hired, but you're on probation.
 116 - No, wait. I'm on probation.
 117 - Oh, wow, I gotta go see my probation officer.
 118 - - So he's my new boss? - Welcome to paradise.
 119 - Oh, Red, don't the kids look nice for their date?
 120 - Yeah. Nice as hell.
 121 - - Oh, well, thanks, Mrs. Forman. - Actually, Mom,
 122 - as Donna so thoughtfully pointed out earlier, this isn't a date.
 123 - Well, I just... I like seeing you two together. You look so natural.
 124 - But we're not together.
 125 - Well, sure you are. I'm looking right at you.
 126 - Let's spend the night in the driveway looking at the kids.
 127 - That's what I wanna do.
 128 - Oh, hang on one sec.
 129 - Oh, hey, Donna?
 130 - Why don't you make like a circle and go 'round, okay?
 131 - That's right. Like a circle.
 132 - - Slide over or I'll hit you in the head. - All right.
 133 - - You got yelled at. - Shut up.
 134 - Oh, okay, this is us.
 135 - See? This is great.
 136 - Being out together, not on a date, just friends.
 137 - I feel, like, virtually nothing for you.
 138 - Me, too. Here, let's have a seat.
 139 - Here you go. Oh, whoops. Not a date.
 140 - - Eric! - I'm sorry.

141 - Okay, minor glitch.
 142 - Let's let the good times roll.
 143 - Isn't this nice?
 144 - Okay, Kitty. Enough jawing.
 145 - Drinks are only free for the first two hours.
 146 - Oh, do you think they have peach schnapps?
 147 - Peach is my favorite schnapp.
 148 - Hi. I'm Lyle. Housewares manager in Oshkosh.
 149 - Hi. Eric, stock boy, Point Place.
 150 - And this is my friend,
 151 - Donna.
 152 - We're not on a date, even though, I mean...
 153 - Even though I did pay for her.
 154 - But what can you do?
 155 - Tell me, Lyle, are you here on a real date?
 156 - Hey, that's Stewie. Stewie.
 157 - Nice going. Scared off Lyle.
 158 - Now we'll never meet Stewie.
 159 - Eric, what is wrong with you?
 160 - Hey, guy, put your arm around your date.
 161 - - Oh, no, she's not my date... - Oh, just shut up and take the picture.
 162 - Ta-da!
 163 - Quitting time, chief?
 164 - No.
 165 - I devised a system to streamline our operations.
 166 - From now on, all orders will be filed alphabetically.
 167 - So the size of a customer's boobs?
 168 - No longer a factor.
 169 - You see, it saves time. And time, my friend, is money.
 170 - But money is not time.
 171 - You'd think it would go both ways, but it doesn't.
 172 - Hey.
 173 - Moby Dick called. He wants his shrimp back.
 174 - It's those hilarious jokes that I miss so much since we broke up.
 175 - So, uh, should I get us some punch or...
 176 - Wait. Do you get the punch? Oh, no.
 177 - How do we get the punch?
 178 - Eric, stop it. You're being an ass.
 179 - Well, why don't you just, you know, get over it?
 180 - I only said that because I wanna be friends again.
 181 - I mean, I wish we could pretend that we were never boyfriend and girlfriend
 182 - and just, you know, be friends.
 183 - Donna, it's hard. It's not like being friends with Hyde, okay?
 184 - I haven't, you know,
 185 - touched his fun parts.
 186 - Well, on purpose.

187 - - We used to have a lot of fun together. - Yeah.
 188 - Just like there used to be shrimp in the world.
 189 - Okay.
 190 - Okay, I'm gonna go to the bathroom.
 191 - When I get back, we're gonna have a lot of fun together.
 192 - - Okay. - Okay.
 193 - Hello.
 194 - Hi, I'm Connie. Pet Supplies, Sheboygan.
 195 - Do you, uh, wanna dance?
 196 - Oh, uh...
 197 - Yeah, I'm kind of here with someone, so...
 198 - Okay. Well, maybe I'll see you around.
 199 - Okay.
 200 - - What the hell is wrong with you? - Okay, you hurt my arm.
 201 - She was a real looker, and for some reason, she talked to you.
 202 - - Go get her. - What? No.
 203 - Dad, Donna's here.
 204 - Well, Donna's off having fun, while you're sitting here being a big lump.
 205 - Okay, first of all,
 206 - you are way too involved with my life, okay?
 207 - And second of all, Donna's not having fun. She's in the bathroom.
 208 - That's not the bathroom.
 209 - Now go talk to that girl before she comes to her senses
 210 - and wants nothing to do with you.
 211 - Oh, God. Your mother's doing shots with Gladys from Housewares.
 212 - Kitty, put it down.
 213 - My wife left me. I don't cook. I don't shop. I'm hungry.
 214 - This place scares me, and I like Salisbury steak.
 215 - So you don't cook or shop, and your idea of a nice meal
 216 - is gristly hamburger smothered in goo?
 217 - What woman could let all that go?
 218 - Hey, I've got an upside.
 219 - There are things.
 220 - I know. You're a good guy.
 221 - A good, old-fashioned, out-of-touch, Stone Age guy.
 222 - But, you know, there's nothing wrong with you
 223 - that changing yourself completely couldn't fix.
 224 - Thank you.
 225 - Here. In the meantime, have a pretzel.
 226 - - I can tell you haven't eaten anything. - I am pretty hungry.
 227 - Oh, never shop when you're hungry,
 228 - 'cause you'll end up at home with 15 Salisbury steaks.
 229 - Give me those.
 230 - See, the problem is, I have a daughter at home.
 231 - I think I'm gonna have to start feeding her.
 232 - I don't think I can do this.

233 - Of course you can't. Lucky for you, I'm here.
 234 - Now we just gotta find everything you need to make a meat loaf.
 235 - Wow, you're gonna make me a meatloaf?
 236 - No. You're gonna make me a meatloaf.
 237 - Okay, but sometimes I burn myself on the oven.
 238 - - I'm, uh... I'm Bob. - Joanne.
 239 - Now haul ass, Bob.
 240 - - Oh. - Oh.
 241 - Sorry. Sorry. Oh, Donna. Oh. Oh.
 242 - So are you having fun at the big ball?
 243 - Um, yeah. You know, at first I wasn't.
 244 - - Eric was being really jerky and weird. - Uh-huh.
 245 - Well, he does that.
 246 - I mean, if he gets me a glass of punch,
 247 - it's not like we have to sleep together.
 248 - Well, it would have to be pretty good punch.
 249 - They have an open bar.
 250 - Oh, I just wish Eric could relax.
 251 - Well, I think he can.
 252 - Oh! Oh!
 253 - Oh, good for him. I'm... I'm glad.
 254 - He's dancing with a beautiful skank!
 255 - Well, I will say this about Price Mart.
 256 - They have wonderful balls.
 257 - Red, grab that centerpiece.
 258 - Oh! Hey, here's another.
 259 - Donna, honey, grab that centerpiece.
 260 - Kitty, how many centerpieces do we need?
 261 - Red, they are centerpieces!
 262 - - Okay, so don't lose my number, all right? - All right.
 263 - Eric, what the hell?
 264 - - What? - Why are you kissing her?
 265 - - You're on a date with me. - It wasn't a date.
 266 - Well, it is now, you bastard!
 267 - Now come open my car door for me before I kick your ass!
 268 - The Fotohut's cool.
 269 - Hyde, your job kicks ass.
 270 - Yeah. I never thought I'd be a workingman, man.
 271 - But, man, here I am,
 272 - working for the man.
 273 - Do you know what, man?
 274 - I like the man.
 275 - Hey, thanks, man.
 276 - So, my probation officer was sure happy I came by.
 277 - He even wants to see me for some additional years.
 278 - He's a good guy.

279 - Ugly, fat, whore-y, old,
280 - whore-y, old, four-eyes, ugly, fat.
281 - Oh, this one's kind of cute.
282 - I mean, for a fatty.
283 - Ahhh!
284 - I mean, for a whore?
285 - God damn, Jackie! What do you want me to say?
286 - That's it. I cannot work like this.
287 - Anyone who doesn't have to be here must leave.
288 - - Fez. - I said, leave.
289 - Damn, Fez. You've only been here one day
290 - and you're already trying to change everything.
291 - Yeah. It's like we crossed into some different dimension
292 - where we're in some kind of
293 - Fotohut.
294 - It's eerie, man.
295 - And then you encourage him and what happens?
296 - He ends up kissing a girl while he's on a date with another girl.
297 - Once again, an open bar spells disaster for the Forman family.
298 - Red, I am not drunk.
299 - I am upset
300 - and drunk.
301 - All I know is, that is not the way to behave on a date.
302 - - It wasn't a date! - It wasn't a date!
303 - - Oh, please. - Oh, please.
304 - Good morning.
305 - No. It was morning when I got here, on time.
306 - Now put this on.
307 - Clever, huh? Yes, very.
308 - Fez,
309 - working here is about goofing off.
310 - You know, creating a model of inefficiency.
311 - You're ruining the Fotohut, man.
312 - And if you think I'm gonna stand idly by,
313 - you're right, 'cause that's what I do here.
314 - Oh, Hyde, you're here early.
315 - Oh, slick uniform, man.
316 - Is that how you spell Fotohut?
317 - Yes, but Hyde won't wear it.
318 - Something's gotta change around here, man.
319 - Amen.
320 - I don't like what's going on here, man.
321 - That little dude's making us all look bad.
322 - I'm afraid the boss is gonna fire me.
323 - Leo, you are the boss.
324 - Did you fire him yet? I'll take his shifts.

325 - Hey, dude, man,
 326 - I think we decided that you're fired.
 327 - Oh.
 328 - Well, that's a cold slap in the groin.
 329 - How am I supposed to afford my new boots?
 330 - Here. Just do what I do, man.
 331 - Just get some money out of the register when the boss isn't looking.
 332 - Once again, Leo, you are the boss.
 333 - And I'm not looking.
 334 - - Hey, kissy-face. - Ah. Well,
 335 - if it isn't
 336 - Kooky McShrimp-lover,
 337 - who doesn't know how she feels
 338 - coming over here like everything's normal and nothing happened last night.
 339 - Yep, that's my Kooky McShrimp-lover.
 340 - I know. I freaked out. I'm sorry.
 341 - Well, that's a first.
 342 - Well, this is complicated, okay?
 343 - I mean, we do wanna be friends, right?
 344 - Yeah. I don't wanna be nothing.
 345 - Okay. Well, then, maybe some rules will help.
 346 - Like, when we're out on a date that's not a date,
 347 - we can't make out with slutty girls.
 348 - Or that could just be a rule for me.
 349 - Yeah, I mean, Donna, feel free... No, feel encouraged
 350 - to make out with all the slutty girls you want.
 351 - What is this? Is this...
 352 - Kissy-girl's phone number?
 353 - Uh-huh.
 354 - Okay, see you.
 355 - Ew.
 356 - Ahhh!
 357 - I got it. Her phone number is 7-2-9-3-6.
 358 - I think there are a couple more numbers than that.
 359 - Really? Oh, yeah.
 360 - It's 7-2-9-3-6,
 361 - ampersand?
 362 - Maybe, but I just don't really know how to dial that.
 363 - You just...
 364 - Oh, yeah. That'd be hard.

4.8 Episode 08: Donna's Story

1 - Oh, Wanda.
 2 - Oh, Derek.
 3 - Oh, Wanda.

4 - Yes, Derek?
5 - You're not just my next-door neighbor.
6 - You're also the love of my life.
7 - Derek, I, too, have strong feelings of love for you.
8 - But I have to give back this promise ball and chain.
9 - I must leave Point Upon The Place
10 - and explore the world with my trusty cat named Sir Bonkers.
11 - No.
12 - I'll never let you go.
13 - You can't make me stay.
14 - Oh, no?
15 - Well, what if I told you that I've
16 - run over the cat named Sir Bonkers
17 - and the cat named Sir Bonkers is no more?
18 - Now submit and be my wife!
19 - Derek, once you were a kind, peaceful man.
20 - But love has made you wicked.
21 - Oh, I am wicked.
22 - And until you agree to be my wife,
23 - I will scour the earth in search of cats named Sir Bonkers,
24 - and I will kill them all!
25 - Or, at very least, spray them with water,
26 - which everyone knows they hate.
27 - I can't believe Donna would publish this in the school paper.
28 - I know. This could be in Reader's Digest.
29 - It's that good.
30 - Oh, this is the worst short story
31 - by an ex-girlfriend in the school newspaper ever.
32 - Hanging out
33 - Down the street
34 - The same old thing
35 - We did last week
36 - Not a thing to do
37 - But talk to you
38 - We're all all right
39 - We're all all right
40 - Hello, Wisconsin!
41 - Well, if it isn't Playboy reading,
42 - panty-loving, cat-killing Derek.
43 - I know. How could Donna write this?
44 - Why are you upset?
45 - It's this Derek guy who really gets the shaft.
46 - Fez, I am Derek.
47 - Everything always has to be about you.
48 - Fez, man, think about it.
49 - Eric killed Donna's cat. Derek killed Wanda's cat.

50 - Donna found panties in Eric's Vista Cruiser.
 51 - Wanda found a chastity belt in Derek's Vista Carriage.
 52 - Hey, you guys,
 53 - you know what goes really good with a bad short story?
 54 - Pinball!
 55 - No. I hate pinball.
 56 - Hate it or love it?
 57 - Hate it.
 58 - Or love it?
 59 - Come on, guys. I'm gonna buy a 50*stakeinthismachine*,
 60 - *solet'splaysoIcanmakesomemoney*.
 61 - *Where'dyouget50?*
 62 - From Jackie.
 63 - Hey, Jackie. Uh, can I borrow 50?
 64 - *Forwhat?*
 65 - *Tobuyadressforyou*.
 66 - *Okay*.
 67 - *Waitamminute*.
 68 - *Eric, Derek*.
 69 - *Panties, chastitybelt*.
 70 - *Deadcat, deadcat*.
 71 - *Oh!*
 72 - *Istillgotnothing*.
 73 - *Comeon, Red*.

96 – *Bob, grab that meat.*
 97 – *Oh, I got it, Red. Why don't you fellas*
 98 – *make a salad?*
 99 – *Salad.*
 100 – *Oh, you're serious?*
 101 – *No, see, Bob and I do the grilling.*
 102 – *Not this time.*
 103 – *Kitty, you wanna give me a hand?*
 104 – *Well, I'd love to. Oh, I don't think...*
 105 – *But, Kitty, you might...*
 106 – *set your lovely hair on fire.*
 107 – *Well, it can't be that hard. You do it.*
 108 – *Bob, what the hell's going on here?*
 109 – *Look, Red, I really like this woman.*
 110 – *So please, for today, just shut it.*
 111 – *Shut it?*
 112 – *Good God, Bob!*
 113 – *Is she teaching you to stand up for yourself?*
 114 – *Yes. Well, cut it out!*
 115 – *I wanna have a nice time. Come on.*
 116 – *I'll give you first dibs on the aprons.*
 117 – *You want the fake tuxedo or the fake hairy chest?*
 118 – *Oh, damn it.*
 119 – *Gimme the tuxedo!*
 120 – *Hairy chest is Joanne's favorite.*
 121 – *It's probably 'cause she's got one.*
 122 – *Oh, well, if it isn't the wielder of the poison pen.*
 123 – *Didn't you like my story?*
 124 – *No. No, I didn't.*
 125 – *That's why I said "poison pen," not...*
 126 – *"marshmallow pen."*
 127 – *What?*
 128 – *This story is about us.*
 129 – *No, it's not.*
 130 – *You took stuff from our life and put them in your story.*
 131 – *Like the time you found those Playboys under my bed.*
 132 – *Begone, Sir Bonkers.*
 133 – *Derek, look what I found under your bed.*
 134 – *Lewd rendering of naked serving wenches.*
 135 – *Did you commission these?*
 136 – *So what if I did? I have needs, woman.*
 137 – *Now, ready thyself. On this night, we fornicate.*
 138 – *Okay, well, maybe there are some similarities.*
 139 – *But that's what writers do.*
 140 – *I mean, we take stuff from our lives.*
 141 – *Yeah, but you made me mean all the time and that's mean.*

142 – *Okay, maybe I exaggeratesome stuff,*
 143 – *' cause, you know, I'm writing this*
 144 – *for stupid high school girls.*
 145 – *Oh, my God! Great story!*
 146 – *Michael!*
 147 – *Steven just told me that instead of buying me a dress,*
 148 – *you spent my 50 on this stupid machine.*
 149 - Jackie, I did not.
 150 - Oh, yeah, I did.
 151 - Jackie, listen. There's an old saying,
 152 - "You buy a girl a dress,
 153 - "and she looks pretty for one night.
 154 - "But you buy her boyfriend a pinball machine,
 155 - "and she looks pretty for life."
 156 - Okay, there's another old saying, Michael.
 157 - You're dumb as dirt.
 158 - That's true. That was in the yearbook.
 159 - Okay, okay. All right. Listen, listen.
 160 - So, I bought a half stake in this machine, all right?
 161 - So that means for every quarter I put into it,
 162 - I get half back.
 163 - That's a 50164 - Uh, actually, Kelso, I think that's a 50165 - Fez, I know
 it's hard for a foreigner
 166 - to understand our complicated capitalist system.
 167 - But we're dealing with quarters here, not frogs or chickens.
 168 - Well, I'm not going to dignify that with a response.
 169 - Because I can't think of one.
 170 - But when I do, a good day to you.
 171 - All right, Fez.
 172 - I said, kiss my ass.
 173 - So, you still mad?
 174 - No. No reason to be mad.
 175 - Your story is just a pathetic attempt to rewrite history,
 176 - make yourself look good.
 177 - I'm pretty sure everyone's gonna know who the dill-hole is here.
 178 - Eric, it's just a story.
 179 - No one's gonna think anybody's a dill-hole.
 180 - Cat killer. Bastard.
 181 - Porn freak.
 182 - Okay, they could be talking about anybody.
 183 - Hey, we're all porn-freak bastards,
 184 - but he's the only one who killed a cat.
 185 - Okay, okay.
 186 - This school obviously needs to hear
 187 - the Eric Forman version of things,
 188 - a.k.a. the truth.

189 - So I'm gonna write my own story.
 190 - Yeah. Yeah, that's right.
 191 - I'm throwing down the gauntlet, baby.
 192 - Really?
 193 - Okay, smarty, what's a "gauntlet"?
 194 - A "gauntlet"? What's a "gauntlet"?
 195 - What's a "gauntlet"?
 196 - I don't know, but it's down, lady.
 197 - Boy, this chicken's delish. What a chef.
 198 - You really know your way around a grill, Joanne.
 199 - Mine's dry.
 200 - No, it isn't. It's tender and delicious.
 201 - Maybe if I chewed it with some water.
 202 - Well, there's the hose.
 203 - I don't like her anymore.
 204 - Well, I do.
 205 - Kitty, I'm chopping vegetables,
 206 - Bob's telling me to shut it,
 207 - you're over there grilling with Susan B. Damn Anthony.
 208 - Well, fine, Red.
 209 - If it bothers you, we can invite them over,
 210 - and you can do the grilling.
 211 - But for now, I'd really appreciate it
 212 - if you'd just shut it.
 213 - If one more person tells me to shut it...
 214 - What? You might actually shut it?
 215 - Please, Wanda, you don't have to boil me alive.
 216 - Killing your cat was just a horrible accident.
 217 - I know, but I'm a witch.
 218 - Dear God, why is a nice, sensitive guy like me
 219 - dating a lying, manipulative witch like you?
 220 - Well, maybe it's because even witches have itches.
 221 - All is forgiven!
 222 - God, why do all my stories end like that?
 223 - Don't stop. I like where you were going.
 224 - All right, guys. It is time to make a withdrawal
 225 - from the First National Bank of Pinball.
 226 - Oh, man. No one's playing.
 227 - Well, I would've played,
 228 - but my frogs and chickens wouldn't fit into the slot.
 229 - All right. I know what the problem is here.
 230 - This thing has been here for so long that
 231 - people have forgotten about it.
 232 - I just need to advertise.
 233 - So, Jackie, put on a bikini
 234 - and stand in front of the machine.

235 - Michael, I am not wearing a bikini in here. It would cause a riot.
 236 - Okay, what if I just put up flyers
 237 - with a picture of you in a bikini?
 238 - Yeah, okay. I mean, it'll still draw a crowd,
 239 - but at least they'll remain orderly.
 240 - Okay, so I just need some Magic Markers
 241 - and a picture of you in a bikini.
 242 - Oh. I have one.
 243 - Keep it. I have plenty.
 244 - So, guys, check out my story.
 245 - I passed out a bunch of copies at lunch today.
 246 - Oh, Forman, this kind of thing always blows up in your face.
 247 - Don't ever stop doing it.
 248 - What the hell is this?
 249 - Oh, you didn't like my story?
 250 - Oh, yeah, I loved it. Especially this part.
 251 - Wanda, I have performed every task thou hath asketh of me.
 252 - Please, can we finally consummate our love?
 253 - I beseech you.
 254 - Well, I said I would. So I won't.
 255 - But, I beseeched you.
 256 - Okay, let's consummate.
 257 - Really? No.
 258 - Please. I beseech you.
 259 - Okay.
 260 - Really? No.
 261 - Now, rub my enormous feet.
 262 - Um, guys, I don't understand. What does "consummate" mean?
 263 - It means to have sex.
 264 - Really?
 265 - Now I have two words for that.
 266 - Eric, you just wrote this to hurt me.
 267 - What? I did not. And, hey, so did you.
 268 - Look, when I wrote my story,
 269 - I just sat down and that's what came out.
 270 - I didn't, like, plan it or anything.
 271 - And besides... No, you know what?
 272 - I don't have to explain myself to you.
 273 - Okay, I'd like someone to explain it to me.
 274 - Well, that's easy, Fez.
 275 - See, Donna, as an artist,
 276 - wrote her story to get some perspective on her life.
 277 - And Forman, as a vindictive ass,
 278 - wrote his story to be a vindictive ass.
 279 - Oh, Eric, I think you just consummated yourself.
 280 - See what I did there? Looks easy, but it's not.

281 - Well, steaks are a-cooking.
282 - Mmm.
283 - Ah! What should we have to go with dinner?
284 - Oh, I know. How about a salad?
285 - Say, Joanne, why don't you make the salad?
286 - No, thanks.
287 - Aw.
288 - Make the salad.
289 - Unless you don't like to do lady jobs.
290 - Red, put this in your mouth.
291 - Okay, you know what? I'll make the salad.
292 - Sit down, Bob.
293 - I'd love to make a salad.
294 - Great.
295 - As soon as Red admits he's not asking me to make a salad,
296 - he's trying to put me in my place.
297 - You are woman. I hear you roar.
298 - I can't believe you're so threatened
299 - by something as trivial as me grilling chicken.
300 - It's not trivial. Men grill.
301 - It's been that way since the first caveman
302 - bonked a woolly mammoth on the head
303 - and threw it on the barbecue.
304 - And his cave wife made the salad.
305 - I smell something burning.
306 - Oh, darn!
307 - Well, if you didn't want it well-done,
308 - you should've said something.
309 - What the hell?
310 - Where's my pinball machine?
311 - Oh, where, indeed?
312 - Oh...
313 - I remember.
314 - I convinced the owner
315 - that pinball was out and Space Invaders was in.
316 - Fez, why would you stab me in the back like that?
317 - Well, rest assured, Kelso, your frogs and chickens comment
318 - had nothing to do with it.
319 - Well, why then?
320 - Hey, Eric, we're sorry
321 - we called you a cat-killer bastard porn freak.
322 - Oh, so, you read my story, huh?
323 - No, we read part two of Donna's story.
324 - The ending is so beautiful.
325 - Part... Huh?
326 - What?

327 - "And as Wanda walked away, she knew in her heart
328 - "she would never stop loving Derek."
329 - Wow, that's good writing.
330 - It's emotional and it screws you.
331 - Hey.
332 - Hey, so, uh, funny thing.
333 - Um, your story had a second part, huh?
334 - Yeah, the paper broke it in half, 'cause it was too long.
335 - Oh.
336 - Well, you know,
337 - maybe my story has a second part, too.
338 - Eric, your story ended with,
339 - "And he never saw that crazy bitch again."
340 - Well, you know, that was just a prequel.
341 - To a story entitled,
342 - uh, "He did see that crazy bitch again and she was a delight."
343 - Okay, I was pretty mad when I wrote that.
344 - Eric, I didn't mean to hurt your feelings,
345 - but, I mean, I guess I was mad when I wrote mine, too.
346 - At least when I started.
347 - But once I got all that stuff off my chest,
348 - I mean, I felt better about us.
349 - More like the second half of my story.
350 - So, uh...
351 - So, what happens to Derek and Wanda?
352 - Well, in the story, they went off on their own adventures.
353 - Yeah.
354 - Yeah, I mean, that's, that's probably good for them.
355 - Yeah.
356 - - It's probably time they moved on. - Sure.
357 - Derek's gonna be fine.
358 - He's a smart guy.
359 - The wenches love him.
360 - Yeah, well, Wanda's gonna do great, too.
361 - Oh, yeah, sure.
362 - And she'll get all the wenches she wants.
363 - Oh, my God, Donna, there's your story.
364 - "Wanda and the dirty wenches."
365 - Shut up.
366 - I know. I know.
367 - That's a movie.
368 - Oh, Fez,
369 - I can't hold my feelings inside any longer.
370 - Yes, we must finally tell you how much we desire you.
371 - And it's not just us, Fez.
372 - Oh, I knew it all along.

373 - Now let's consummate me.
374 - Oh, boy.
375 - This is the best story ever.

4.9 Episode 09: Forgotten Son

1 - Well, here are my boys. How was work?
2 - Oh, you know, just another day
3 - of restocking upper Point Place
4 - with durable household goods. Sleep soundly, Wisconsin.
5 - I got some big news from the Price Mart home office.
6 - Ooh! They finally gonna let you
7 - physically discipline the workers?
8 - No, but I still have a free hand at home. - Right.
9 - Headquarters is having every manager
10 - make a departmental training film.
11 - And they picked me for the stockroom.
12 - Stockroom. Wow!
13 - Yeah.
14 - Steve from Oshkosh got ice-and-snow management.
15 - Loser.
16 - Well, Red, that is wonderful.
17 - Yeah, I know.
18 - Every single Price Mart stock boy
19 - will be trained in the Red Forman way.
20 - Oh, you mean, undermining their self-esteem
21 - until they're too weak to fight back?
22 - You know, if you would just zip it for a second,
23 - you might be interested in hearing
24 - who I want to play the stock boy.
25 - Oh, look, Dad, I appreciate the thought...
26 - I'm gonna use this idiot!
27 - All right!
28 - Hanging out
29 - Down the street
30 - The same old thing
31 - We did last week
32 - Not a thing to do
33 - But talk to you
34 - We're all all right
35 - We're all all right
36 - Hello, Wisconsin!
37 - Man, I guess my movie career
38 - is getting started sooner than I thought.
39 - Kelso's playing the stock boy?
40 - This is my favorite thing ever.

41 - Well, Michael does have marvelous bone structure.
42 - Oh, but you will too, honey, once you fill out.
43 - Oh, man. Mom burn!
44 - Yep.
45 - That's twice the normal burn.
46 - Dad, how can you choose Kelso
47 - to play the Price Mart stock boy?
48 - You have a better suggestion?
49 - Hello!
50 - I am a Price Mart stock boy.
51 - I just came from stocking at Price Mart.
52 - And I am currently wearing a Price Mart stock boy smock.
53 - Good point, Eric. Give your smock to Kelso.
54 - Oh, I don't think my broad, photogenic shoulders
55 - are gonna fit in that little thing.
56 - Now, don't take this personal, Son.
57 - You're just too twitchy and skinny.
58 - Well, you know, the camera adds 10 pounds.
59 - Yeah, 10. Not 40.
60 - How could he pick Kelso to play the stock boy?
61 - I'm the one with the acting experience, remember?
62 - I was mushroom number two in Alice in Wonderland.
63 - But you were mushroom number one in my heart.
64 - Hey.
65 - Oh, hey. What's up?
66 - We're going to lunch.
67 - We're going to lunch?
68 - Well, actually, honey, we're going to lunch.
69 - You and I are going to lunch?
70 - Well, no.
71 - You and Donna and I are going to lunch?
72 - Well, almost, honey.
73 - You and Donna are going to lunch?
74 - Nothing gets past you, Einstein.
75 - I don't think I like the idea of you two
76 - going out to lunch together.
77 - Well, what if we bring you back a sandwich?
78 - Well, a sandwich isn't gonna make me feel better, Mom.
79 - Okay, then. We're leaving.
80 - Well, in that case, I would like a sandwich.
81 - Yeah, I don't like this day.
82 - Hey, dudes.
83 - Hey, Leo man,
84 - Huggy Bear called. He wants his suit back.
85 - Huggy Bear?
86 - This is my suit, man.

87 - So, to what do we owe the fancy pants?
 88 - Great news, man.
 89 - I inherited a million bucks from my dead uncle.
 90 - Shut up. No way.
 91 - It's true. So, come on,
 92 - let's share the wealth!
 93 - Come on, I'll buy you anything you want.
 94 - Does that include burgers and nudie mags?
 95 - Include? That's half the budget, man.
 96 - Eric, have you seen Donna?
 97 - She was supposed to help me sort out my daytime cosmetics
 98 - from my nighttime cosmetics, but she never showed up.
 99 - Oh, you haven't heard?
 100 - Donna's got a new friend.
 101 - And I, for one, think it's time you met her.
 102 - Donna, what are you doing?
 103 - We invented a new cookie.
 104 - It's a variation of the snickerdoodle.
 105 - We're calling it the "Donnakitty."
 106 - Or the "Ditty."
 107 - We haven't decided.
 108 - Donna, you're supposed to be sorting, as in my cosmetics.
 109 - Oh, yeah. I'm real sorry I missed that.
 110 - It started as an annoying, but innocent lunch.
 111 - And now they're inventing cookies. It's growing, man.
 112 - It's the freaking Blob.
 113 - Donna, why do you need a new friend?
 114 - Haven't I always been there for you?
 115 - Uh, no.
 116 - I hope your cookies burn!
 117 - Eric, old people and young people
 118 - are not supposed to spend time together.
 119 - It's unnatural.
 120 - What am I supposed to do about it?
 121 - Well, you better do something.
 122 - You know what girls talk about when they get together.
 123 - Um...
 124 - Sugar and spice and everything nice?
 125 - That's what we're made of, you dumb ass.
 126 - They talk about men, and that would be you.
 127 - Well, barely.
 128 - You know, you could really use a refill
 129 - on the "everything nice."
 130 - You know,
 131 - I wasn't that worried about Donna and my mom talking about me,
 132 - but now that I'm all paranoid, I'm all, like,

133 - paranoid.
134 - I mean, when did it become okay for them to be friends?
135 - Right after your father replaced you
136 - with a semi-literate, pretty boy.
137 - That's me.
138 - So, I've been thinking about great actors to model myself after,
139 - and I choose Travolta.
140 - Kelso,
141 - I can think of no better way to impress Red
142 - than by acting like Travolta in his industrial film.
143 - Bravo, man.
144 - That is good advice.
145 - Man...
146 - I don't want Donna and my mom talking about me.
147 - Yeah and Donna's a big mouth.
148 - Like, she told me how you wore makeup to last year's class picture.
149 - What?
150 - I did not.
151 - I had a zit. Stop looking at me.
152 - Forman,
153 - you and I are both victims of parental abandonment.
154 - Luckily, I have a rich hippie benefactor.
155 - He bought me nudie mags I'd never even heard of.
156 - "Yeah, I'll stock this shelf!
157 - "But someday
158 - "I'm gonna dance across this whole city."
159 - That's dead-on.
160 - Okay, we need to talk.
161 - It's about, shall we say, your new crowd.
162 - And don't even pretend you and Donna aren't talking about me.
163 - 'Cause I know what's going on here,
164 - and it goes a little something like this...
165 - Oh, honey, you look wonderful.
166 - Say, can we look at
167 - Eric's naked baby pictures again?
168 - They're right here!
169 - My, you could tell even then he'd always be small.
170 - Yeah, he really is tiny.
171 - It's not satisfying.
172 - Well, how could it be, dear?
173 - But at least he's nice.
174 - Yeah, he's nice.
175 - Yeah, he's nice...
176 - For a nancy boy!
177 - So, what do you say to that?
178 - All right, now, Kelso.

179 - You'll just go through a few typical stock boy tasks
180 - while I firmly, but kindly, oversee you.
181 - Got it. All right. Let's get started.
182 - Kelso.
183 - What the hell are you doing?
184 - Oh, see, I'm going for a Travolta thing.
185 - Okay, my character's actually a dancer
186 - who's just stocking shelves until he makes it big.
187 - All right, all right, let me paint a picture for you.
188 - Just close your eyes.
189 - Okay, imagine with your eyes open.
190 - Just come with me.
191 - Just stack the cans, moron.
192 - But why am I stacking cans?
193 - See, I'm thinking that the manager is a bad guy.
194 - So, why would I stack cans for him?
195 - Because if you don't stack the cans,
196 - the manager is going to kill you.
197 - Oh! So I'm afraid for my life.
198 - That works. All right, let's act.
199 - Oh, no. You're alone.
200 - Where's your little buddy, Skipper?
201 - Okay, sweetie.
202 - My friendship with Donna is making you uncomfortable,
203 - so I'm gonna call it off.
204 - Really? Mmm-hmm.
205 - Well, thank you.
206 - Maybe some of your loyalty will rub off on Dad.
207 - Oh. Don't let that bother you.
208 - Michael may have movie-star good looks,
209 - but you are much, much smarter than he is.
210 - Okay, why couldn't you have said that in front of everyone
211 - instead of how great Kelso's bone structure is?
212 - I don't want to make anybody feel bad.
213 - Well, good job.
214 - All right, guys, let's shop!
215 - Thanks again, Leo.
216 - Yes, thank you.
217 - You know what would make this outfit perfect?
218 - A cockatoo.
219 - Then we'll get a cockatoo, or three.
220 - Hey, Red, listen,
221 - I got this great new idea I want to lay on you about our movie.
222 - Dad, I've heard this idea,
223 - and speaking as an unbiased observer
224 - with no score to settle...

225 - ...it is great. Go!
 226 - Kelso, you don't get to have ideas.
 227 - Dad, if I could just interject.
 228 - This idea will literally change industrial filmdom forever.
 229 - Go get them, Kelso. Go!
 230 - Okay.
 231 - The stock boy
 232 - has a love interest. No.
 233 - Now, before you say no,
 234 - I already found the perfect person.
 235 - Oh, stock boy, I love you!
 236 - No. Get out.
 237 - Okay, um...
 238 - Eric's uncomfortable
 239 - because he thinks we talk about him, which we don't.
 240 - Although that story about him
 241 - wearing makeup to his class pictures was a hoot.
 242 - But I guess what I'm saying is, um...
 243 - we probably shouldn't see each other anymore.
 244 - But it's been so nice having someone
 245 - to talk to since my mom left.
 246 - I know.
 247 - Someone who understands what I'm going through.
 248 - Oh, honey.
 249 - Someone to make banana bread with.
 250 - I ate that for dinner three nights in a row.
 251 - Oh, you poor, sweet girl.
 252 - What the hell?
 253 - Boy, being a millionaire is great.
 254 - Well, at least you put the money to good use.
 255 - Fun Tart?
 256 - Don't mind if I do. Candy Button?
 257 - I've got a million of them.
 258 - So, Leo, man, tell us about your Uncle Ed.
 259 - Why'd he leave you all his money?
 260 - Check it out, man. It's all in this letter he sent me.
 261 - Your Uncle Ed is Ed McMahon?
 262 - Yeah.
 263 - Who knew I was Scottish?
 264 - Damn, Leo, you didn't inherit 1*million*.
 265 - *That's a sweepstakes contest.*
 266 - *Well, then who has my money?*
 267 - *There is no money, you son of a bitch!*
 268 - *Oh.*
 269 - *Wow. I guess all this stuff has to go back.*
 270 - *Oh, that means you, too, Feathery Frank.*

271 – *Goodday. But, Fez...*
 272 – *I said, goodday.*
 273 – *I'm leaving Brooklyn, Mr. Formanelli.*
 274 – *And when I get to Manhattan, I'm gonna be a star.*
 275 – *So, what do you think?*
 276 – *You're fired.*
 277 – *You.*
 278 – *Price Mart is only as strong*
 279 – *as its weakest stock boy.*
 280 – *Just look at what one well – trained worker can accomplish.*
 281 – *Neat, efficient, organized. The Price Mart way.*
 282 – *And each job completed*
 283 – *with that award – winning Price Mart attitude.*
 284 – *Remember, you can't spell stock boy without...*
 285 – *"Oh, boy!"*
 286 – *Perfect.*
 287 – *Well, who would have thought a stock boy would do a good job*
 288 – *playing a stock boy?*
 289 – *Yeah, I mean, it's a topsy – turvy world.*
 290 – *Yeah. You did a good job.*
 291 – *Wait a minute.*
 292 – *Are you proud of me?*
 293 – *No, no, no, no, no. I didn't say that.*
 294 – *So, do we hug now?*
 295 – *Mendon't hug.*
 296 – *My daddy loves me.*
 297 – *Shut it.*
 298 – *I love you, too, Daddy.*
 299 – *Oh, well, look who's here.*
 300 – *Do a little shopping, ladies?*
 301 – *Well, it's not like I can take my dad shopping.*
 302 – *I mean, every time a sales lady brings over some underwear,*
 303 – *he gets embarrassed and goes, "Whoo – hoo!"*
 304 – *So, I suppose you have something snarky to say about that.*
 305 – *You know what?*
 306 – *I don't.*
 307 – *Really? No.*
 308 – *Look, your mom*
 309 – *can't take you shopping, so, you know what?*
 310 – *It's school with me if you guys want to hang out.*
 311 – *Honey, I am so glad you understand.*
 312 – *Yeah, Eric, thanks.*
 313 – *Yeah.*
 314 – *Yeah, just, look, please, not talking about me, okay?*
 315 – *And no looking at my naked baby pictures, either.*
 316 – *They're misleading.*

317 – *Honey, I've already seen you naked.*
 318 – *Mom.*
 319 – *Oh. And she's already seen you naked!*
 320 – *You know what? From now on,*
 321 – *that's all we should talk about.*
 322 – *Okay. Leaving now.*
 323 – *Okay, here he is on the potty.*
 324 – *Look how hard he's concentrating.*
 325 – *Oh, ooh, I have some earlier ones.*
 326 – *Look at that baby.*
 327 – *– Didn't he have the cutest little behind? – Yeah.*
 328 – *So when did he lose it?*
 329 – *Right around when he turned 10.*
 330 – *It was the strangest thing. Poof!*
 331 – *Likesomeone ironed him.*

4.10 Episode 10: Red and Stacey

1 - So, what are you boys doing tonight?
 2 - Well, this evening, Miss Big Rhonda returns from the dirt farms of Mississippi.
 3 - I am off to the bus station,
 4 - and she will melt into my loving arms.
 5 - Well, you better wear a raincoat, 'cause she ain't small.
 6 - She is big, isn't she?
 7 - Well, I'm taking this chick up to the lake for some, you know, bird watching.
 8 - Ooh, bird watching.
 9 - I think me and Jackie are going to go "bird watching," too.
 10 - It's cool, 'cause they don't know what we're talking about.
 11 - Think they cracked it, Kelso.
 12 - Well, I guess it's just us three musketeers tonight, huh?
 13 - "All for one and one for all," right?
 14 - Well, actually,
 15 - your father and I were gonna do some reading.
 16 - Upstairs.
 17 - Together.
 18 - What your mom's trying to say is, "Go away for 20 minutes."
 19 - Forty-five minutes, Red.
 20 - - Thirty. - Thirty-five.
 21 - Fine. Get lost for 35 minutes.
 22 - Fine.
 23 - But you know what? I got a little question for you.
 24 - Why even have kids if you ain't gonna spend any time with them?
 25 - I suggest you use your 35 minutes to think about that.
 26 - He needs a new girlfriend.
 27 - Come on, Kitty. You're on the clock.

28 - Oh, you know what? Just turn off your clock.
29 - I'm gonna go talk to him.
30 - You can't turn off the clock!
31 - Oh, she doesn't understand the clock.
32 - Hanging out
33 - Down the street
34 - The same old thing
35 - We did last week
36 - Not a thing to do
37 - But talk to you
38 - We're all all right
39 - We're all all right
40 - Hello, Wisconsin!
41 - Cocoa puff!
42 - Mashed potato!
43 - - What are you doing here? - Well, I wanted to see you,
44 - because I wanted to ask you something.
45 - - Would you go out with me this Saturday? - Oh, my God. 'Course I will!
46 - Can't
47 - breathe.
48 - It hurts.
49 - Ah, suck it up.
50 - Wow.
51 - Strong girl.
52 - Crap-alula.
53 - Fez just asked me out.
54 - I'm so nervous, and I left my asthma puffer in Mississippi.
55 - I've never been on a real date. What am I gonna wear?
56 - Who cares? You could be naked with a welding hat
57 - and Fez would still be all over you.
58 - Well, that sounds like fun.
59 - But I want it to be special.
60 - - You know what? We'll help you get ready. - Really?
61 - Oh, that'd be great. I wanna look pretty.
62 - Pretty?
63 - Oh, sweetie, maybe you can learn some jokes or something.
64 - Look, dropout, this coupon says 20 cents off the athlete's foot cream.
65 - - So pay up! - Is there a problem here?
66 - This sad little man has fungusy feet but won't spend the 20...
67 - Stacy.
68 - Mr. Forman, his coupon expired.
69 - Oh, that's all right.
70 - Here's your 20 cents.
71 - Now, you come again, huh?
72 - - Mushroom foot. - Stacy.
73 - I'm sorry, Mr. Forman.

74 - It's just that he's such a dumb ass.
 75 - I like you.
 76 - Hey, you know who I like?
 77 - Nixon?
 78 - Stacy, that cute new cashier at work.
 79 - You should ask her out.
 80 - Sorry, Dad. I don't like to dip my pen in the company ink.
 81 - Well, I don't like you being home three Fridays in a row.
 82 - Look, if you don't have the guts to talk to her,
 83 - I'll pave the way.
 84 - Hey. Listen, if anyone's gonna talk to her, I'll talk to her.
 85 - Well, then we know no one's gonna talk to her.
 86 - Hey, I might.
 87 - You...
 88 - You still like girls, don't you, Son?
 89 - No, Dad, they're yucky.
 90 - Oh, my God.
 91 - I know. She is seriously hot.
 92 - No, not her. This KISS alarm clock. Check it out.
 93 - Wake up.
 94 - Yeah, this I like.
 95 - Forman, you have a responsibility to all of us
 96 - to find out what's underneath that smock.
 97 - I bet it's boobs.
 98 - So, spying on her, huh?
 99 - Well, that's mature.
 100 - Why don't you just pull her hair and run?
 101 - - Yes, let's do that. - All right. All right, all right.
 102 - All right.
 103 - All right, I'm gonna go do this.
 104 - - Yeah, all right. I can't do this. - Oh, jeez.
 105 - - I'll go talk to her. - No!
 106 - What? Now you're gonna start listening to me?
 107 - Go! Grease the wheels, pal.
 108 - Thanks for doing this.
 109 - I know you guys'll make me pretty and stuff.
 110 - Rhonda, it's no problem.
 111 - We'll just help you pick some nice clothes.
 112 - Clean clothes. And,
 113 - maybe do your hair...
 114 - Clean hair.
 115 - Okay, the beauty ambulance has arrived!
 116 - So, first things first. Let's get rid of those shoulder pads.
 117 - What shoulder pads?
 118 - Okay.
 119 - So, Stacy, my son Eric is about your age.

120 - And he's a real nice guy.
 121 - Skinny, but nice.
 122 - And I was thinking,
 123 - the two of you should go out.
 124 - What do you say?
 125 - Well, I kind of like someone else.
 126 - Oh.
 127 - Oh, no.
 128 - Hey.
 129 - - So, does she like me? - Who?
 130 - - Stacy. - Who's Stacy?
 131 - - She's not interested. - She's not interested?
 132 - How can she not be interested? Who is she?
 133 - See? I knew I shouldn't have let you talk to her.
 134 - Great. Now she thinks I'm a freak.
 135 - Oh, she doesn't think you're a freak. Does she?
 136 - Yes. Yes, she does.
 137 - - You better stay away from her. - Well, your father's right.
 138 - If anyone's a freak, she is.
 139 - Did Stacy actually use the word "freak"?
 140 - Why don't you just let it go?
 141 - Maybe the reason girls don't like you
 142 - is because you just don't let things go!
 143 - Stacy was saying just that thing today.
 144 - I'm gonna go take a bath.
 145 - Well, now, who is this Stacy who doesn't like my son?
 146 - I have half a mind to call her mother.
 147 - I tried to set Eric up with this pretty girl at work...
 148 - Well, not pretty.
 149 - Decent. Less ugly than most.
 150 - Good enough for a young boy,
 151 - but no man would be interested.
 152 - Red, what are you talking about?
 153 - Why can't anyone in this family just let things go?
 154 - Red, you're blushing.
 155 - Don't tell me she has a crush on you.
 156 - - Kitty, I don't wanna talk about it. - Okay.
 157 - So, do you
 158 - like her back?
 159 - Hi, Stacy. Hi, I'm Eric Forman.
 160 - Look, I feel a little silly about my dad asking you out for me.
 161 - You probably thought I was like,
 162 - ugly or, slow or something.
 163 - So I just wanted to say, "Hi."
 164 - You know, give you a chance to, you know,
 165 - take a gander at the goods, so to speak...

166 - And see if maybe tomorrow night you wanted to have dinner?
 167 - At your house?
 168 - Will your dad be there? 'Cause I'll go if he's there.
 169 - Okay.
 170 - What, do you, like...
 171 - Do you, like, like my dad?
 172 - Oh, my God! You like my dad?
 173 - Do you know if he's seeing anyone?
 174 - Yeah.
 175 - My mom.
 176 - And they bought furniture together, so...
 177 - Yeah, I think it's pretty serious.
 178 - Ladies sit up straight.
 179 - Candy.
 180 - - Jackie, she doesn't have to sit like that. - Yes, she does.
 181 - - Stop doing that! - You stop doing that!
 182 - Hey! If I don't get a freaking MM, I'm gonna start swinging!
 183 - You stay out of this.
 184 - Jackie, try to be more sensitive.
 185 - Donna, I am not gonna send her on her date looking like Sasquatch.
 186 - Huh?
 187 - She said you're very pretty. "Atch."
 188 - Hey, guys. I got news.
 189 - Turns out Stacy doesn't even like me.
 190 - Yeah, we kind of expected that.
 191 - I thought you said you had news.
 192 - Well, yeah. Here it comes.
 193 - She likes Red.
 194 - Oh, my God!
 195 - You're gonna have to leave town!
 196 - - Why? - 'Cause we're gonna tell everyone!
 197 - Tell me this. How'd the 50-year-old guy get the girl?
 198 - Look at me. I'm an attractive man.
 199 - Well, I got you.
 200 - Technically, I got you.
 201 - And then you blew it.
 202 - Which means you didn't lose it, 'cause you never had it.
 203 - See, there's your silver lining.
 204 - Eric, you have a lot of good qualities. I mean, you're funny. Like...
 205 - Well, what just happened to you is funny.
 206 - Look, that chick likes Red 'cause he's a tough guy,
 207 - a hard-ass.
 208 - You? You're soft.
 209 - How soft is he, Hyde?
 210 - Softer than Liberace at the Playboy Mansion.
 211 - Yeah!

212 - 'Cause he plays piano.
213 - Wait.
214 - Oh!
215 - Burn!
216 - You guys kill me.
217 - Look.
218 - How come Red is such a hard-ass, and I am so...
219 - I mean...
220 - Okay, when a bear has a baby,
221 - it's a little bear, right?
222 - My dad's a bear, but I'm like...
223 - A duck.
224 - Eric, you were a bear when you were born,
225 - but Red pounded you into the duck that we know and love.
226 - So, what are you saying? It's Red's fault?
227 - Yeah. But the good news is, as a duck,
228 - you can move more easily through the water.
229 - And now, back to Night of the Living Dead.
230 - Is everything okay over there, Stacy?
231 - Come here, Mr. Forman. I wanna show you something.
232 - Holy crap!
233 - You're a zombie!
234 - I want Red.
235 - Red. How could you?
236 - She's a sexy zombie!
237 - She overpowered me!
238 - I knew I couldn't trust you, you cheater!
239 - Kitty!
240 - What the hell was that?
241 - Oh, Kitty.
242 - Oh, I need to talk to you.
243 - I just wanna say,
244 - with regard to this Stacy thing...
245 - Look.
246 - I'm bound to attract a certain amount of attention.
247 - I can't help that.
248 - - But I would never... - Oh, Red. You wouldn't stray.
249 - You've got too much character.
250 - And who could blame her for being interested?
251 - You're certainly interesting to me.
252 - Really?
253 - Do you have some spare time?
254 - Why? Am I on the clock?
255 - I'm thinking 45 minutes.
256 - Oh.
257 - The scenic route.

258 - I give you the new Rhonda!
 259 - First time in heels.
 260 - So, where's Fez?
 261 - Oh, he's nervous, so he's in the "whoo-hoo."
 262 - Have you been working on her all night?
 263 - She wouldn't even let me pee.
 264 - I'd squash her like a bug if I could catch her.
 265 - But I do look pretty.
 266 - Rhonda, is that you?
 267 - Boy, you look like a different girl.
 268 - Do you like it?
 269 - Well, I thought we would begin our evening with a hot dog eating contest.
 270 - Now, I realize you're county champion,
 271 - but I think I could make it interesting.
 272 - Sorry, Fez.
 273 - I don't eat hot dogs for glory or money anymore.
 274 - It's not ladylike.
 275 - - Says who? - Says them.
 276 - Them?
 277 - What have you meddling whores done to my Rhonda?
 278 - - It was Jackie. - It was Donna.
 279 - Fez, she wouldn't let her pee or eat.
 280 - - Donna called her Sasquatch. - That was you, too!
 281 - Shut up!
 282 - Shut up. I just want her back like she was the first night I met her.
 283 - On her knees, chugging beer straight from the keg.
 284 - But, Fez, I threw up twice that night.
 285 - Yes.
 286 - All over my heart.
 287 - You big, lovable, clumsy galoot.
 288 - And now, it is time that you two left.
 289 - Good day.
 290 - - But, Fez. - He said, "Good day!"
 291 - So I'm a duck, huh?
 292 - Yeah, we'll see who's a duck.
 293 - Oh, hey, there you are.
 294 - Yeah, we need to talk, man.
 295 - I've been thinking about this whole Stacy thing...
 296 - It's your fault. Yeah.
 297 - You were too tough on me, so now I'm soft.
 298 - Oh, boo-hoo.
 299 - You don't know the first thing about tough.
 300 - My old man was tough.
 301 - When I was your age, he shipped me off to the Navy.
 302 - He sure as hell wasn't setting me up with cute cashiers,
 303 - which I'm sorry I did, because now I've got this

304 - creepy little girl giving me google eyes all day,
 305 - sticking heart-shaped notes in my locker.
 306 - And on top of it all,
 307 - I had to have a talk with your mother about infidelity.
 308 - That was unpleasant!
 309 - So you just be grateful that your dad doesn't yell at you 24 hours a day!
 310 - And don't give me that look, because this isn't yelling!
 311 - When I yell, you'll know it!
 312 - Well, thanks. Good talk.
 313 - Man, look at all this stuff.
 314 - I just realized how happy I am not to be a girl.
 315 - Well, that should have happened at a much younger age.
 316 - - How long was I out? - Long enough.
 317 - You guys wanna get a burger?
 318 - Out in public? Okay, I'll drive.
 319 - I'll buy.

4.11 Episode 11: The Third Wheel

1 - Hey, hey. Do you guys hear that?
 2 - That was me. I had hot dogs for lunch.
 3 - Not that. I'm talking about the sweet sound of no women.
 4 - I never hear that. Jackie's voice is burnt into my brain.
 5 - I wish it would stop, but it won't.
 6 - Remember back in the day when it was just us guys?
 7 - - That was good times. - Or like desperate,
 8 - "I don't care if she has a moustache, I'll take her anyway" times.
 9 - You know what? I say, who needs women?
 10 - Come on. Let's get crazy. What was that?
 11 - Did someone say mini golf?
 12 - I'm still not allowed back in there.
 13 - I mean, what's the point of having a windmill you can't ride?
 14 - Oh, we could go beer bowling. That's always fun.
 15 - I am in, because beer makes you a better bowler.
 16 - That's a proven fact.
 17 - Wait. Do I have to use the Pink Ladies ball again?
 18 - Now, Fez, why do you ask that question when you already know the answer?
 19 - Pink ball only until I lose my virginity.
 20 - Sorry. Them's the rules.
 21 - All right, fellows. You know the rules.
 22 - You get a strike, you chug. You get a gutter ball, you chug.
 23 - You get a 7-10 split, seven to 10 chugs.
 24 - Hey, guys, look, I got 10-pound balls.
 25 - Man, that joke never gets old.
 26 - Hey, guys, my balls have holes in them.
 27 - Now, why isn't that funny?

28 - This is living. A little bowling, a lot of beer,
 29 - just us guys.
 30 - - Hey. - Hey.
 31 - Man, bowling-alley chicks are easy.
 32 - Hanging out
 33 - Down the street
 34 - The same old thing
 35 - We did last week
 36 - Not a thing to do
 37 - But talk to you
 38 - We're all all right
 39 - We're all all right
 40 - Hello, Wisconsin!
 41 - Jill. Glad you could make it.
 42 - Guys, this is Jill, the girl I told you about.
 43 - Oh, you're the one that hasn't put out yet.
 44 - - Hi, nice to meet you. - You, too.
 45 - - So, who's up first? - Me.
 46 - Can I be next?
 47 - Hey, buddy? Hyde? Buddy? Can I talk to you for a second, buddy?
 48 - Hyde, what's going on?
 49 - I thought this was supposed to be guys' night.
 50 - Oh, don't worry about it, man. She's cool. She's like one of us.
 51 - In three beers, she'll be belching like a Kennedy.
 52 - This is guys' night only, man.
 53 - Yeah, I say out with the whore.
 54 - Hey, I'll buy the next round of beer.
 55 - The whore stays.
 56 - Okay, good night, you two.
 57 - - Boy, that Joanne, she's something, huh? - Yeah, she's nice. I like her.
 58 - Good. Good. Me, too.
 59 - Not that I'm ready to jump into anything. I hate jumping.
 60 - Makes me jiggle.
 61 - But I won't like her if it bothers you.
 62 - 'Cause I know you've had a tough time since your mom left.
 63 - No, Dad, I think it's nice that you have a friend.
 64 - - Really? - Yeah.
 65 - I also think it's nice that you're bathing and shaving again.
 66 - Yeah. That was a long eight weeks, wasn't it?
 67 - So long.
 68 - Boy, Kitty, you missed a great game.
 69 - The Bucks made a last-second shot and sent those Lakers home
 70 - with their tails between their California fruitcake asses.
 71 - Go home, fruitcakes.
 72 - I've never seen old Pastor Dave so excited. He swore at the referee.
 73 - "Son of a stitch." I said, "Son of a stitch."

74 - Oh, well. I'm sure that fooled God.
 75 - Hey, Dave, the Celtics are in town tomorrow.
 76 - - You up for it? - I'm in.
 77 - Oh, Pastor Dave, tomorrow's Sunday.
 78 - - You have church on Sunday. - Right, church. Church, right.
 79 - Well, just get someone to sub for you.
 80 - Every Sunday, I see six other guys up there in robes,
 81 - who only shake themselves awake when the wine comes out.
 82 - Any one of them could do your job.
 83 - If God didn't want me to go to basketball,
 84 - he wouldn't have made foam fingers so much fun.
 85 - Check it out. "The hand of God is pointing at you."
 86 - Okay, see you at church.
 87 - Yes! Another strike for Forman.
 88 - Man, is there anything better than bowling with the boys?
 89 - Yeah.
 90 - - Making out with a chick. - Exactly.
 91 - But first. Hey, Kelso, there are words on my balls.
 92 - Let's go.
 93 - Fine. Go.
 94 - But they're gonna miss the finest game of 10-pin since
 95 - Marvelous Marv Winkleman,
 96 - Wisconsin's velvet thumb.
 97 - Yes! That's another strike!
 98 - You guys, I'm in some kind of beery zone.
 99 - All right. That's it.
 100 - Hey, Jill? Hey, thanks for stopping by.
 101 - Hyde, wipe your mouth. Let's go.
 102 - I was gonna go home with Jill.
 103 - Well, we came together, Hyde, so...
 104 - I kind of think we should leave together.
 105 - Fine. Steven, call me later.
 106 - Forman, what the hell are you doing, man?
 107 - Me?
 108 - You spent all night making out with little Miss Can't-Find-a-Bra.
 109 - Hey.
 110 - - Come on. You made me the third wheel. - Who cares, man?
 111 - Her parents are out of town, and they got a waterbed.
 112 - But you killed that dream. I'm out of here.
 113 - But you don't get to storm out, okay? I storm out.
 114 - - Hiya, princess. - Rhonda?
 115 - What are you doing here?
 116 - Waiting for Fez, chomping some cheese curls.
 117 - You know what? Michael doesn't tell me where he goes, either.
 118 - I hate that.
 119 - Kelso and Fez are on their way back from bowling.

120 - They want to make out.
 121 - Wait. How'd you know all this?
 122 - Let's French, ladies.
 123 - Michael, she's in the loop. Why am I not in the loop?
 124 - All right. Look, Jackie.
 125 - I don't know what loop you're talking about, but...
 126 - If she's already in it, I don't think there's gonna be room for you, too.
 127 - Donna. Well, you're up early.
 128 - Surprisingly early. - You slept here?
 129 - Already? You just met.
 130 - Listen, Donna, I'm gonna be honest with you.
 131 - Your father and I have started an intimate relationship.
 132 - And, you know, it's still a little awkward for us.
 133 - Emotionally, not physically.
 134 - Well, a little... - I think I might be sick.
 135 - Look, I know this is a lot for you to take in right now.
 136 - But I think it would be better for all of us to just stop the charade
 137 - and get it all out in the open.
 138 - Joanne. When did you get here?
 139 - Oh, my God.
 140 - Oh, look at the time.
 141 - And on a personal note, I have an announcement to make.
 142 - I have always found happiness in serving the good people of Point Place.
 143 - But after talking to a dear friend,
 144 - I realized the church is just not where the party is,
 145 - if you know what I mean.
 146 - So I'm resigning as your pastor,
 147 - thanks to my friend Red Forman.
 148 - Red, give the crowd a wave.
 149 - Well, if you weren't going to hell before, you're going first class now.
 150 - Go, Bucks!
 151 - Kelso, you should tell Jackie where you go.
 152 - That way, when she wants to do it, she can find you and do it.
 153 - Boy, do I want to do it.
 154 - Fez, the foundation of every good relationship is three words.
 155 - "I don't know."
 156 - "Where are you going?" "I don't know."
 157 - "What are you thinking about?" "I don't know."
 158 - "Who's that under you?" "I don't know."
 159 - You see, it's bulletproof.
 160 - Why are you friends with him? - I don't know.
 161 - Hyde, what the hell? What is she doing in my seat?
 162 - I don't know. That's a good one, Kelso.
 163 - Just sit on the floor.
 164 - The floor? Why don't I sit on the floor?
 165 - Visitors get the floor, all right? And that's you, Terri Tube Top.

166 - Oh, and by the way, it's winter.
 167 - You're a drag.
 168 - Okay, sayonara, Yoko.
 169 - What? We're kind of the Beatles.
 170 - So it's just supposed to be guys' night out, right?
 171 - And in walks Hyde's skank of the week to wreck it all.
 172 - Years of friendship trumped by one pair of lopsided boobs.
 173 - Yeah, that's right. I noticed, but I didn't say anything.
 174 - Because I'm nice.
 175 - I had to talk to my dad's new girlfriend about the sex they had last night.
 176 - Yeah, okay, you win.
 177 - You know, at first I thought it was great my dad had a friend.
 178 - But when I found out they were doing it,
 179 - it took things to, like, a sick place, you know?
 180 - And it really made me realize that my mom is gone.
 181 - Like, gone.
 182 - Maybe you should say something.
 183 - No. He's been through so much.
 184 - I mean, I want him to be happy, you know?
 185 - Yeah. So Bob's sleeping with Joanne, huh?
 186 - God, am I, like, the only guy in Point Place who's not getting any?
 187 - Yes. Yes, you are.
 188 - - And you think that's funny? - Yes. Yes, I do.
 189 - Mrs. Candiotti just told me to shove a very holy book in a very unholy place.
 190 - Nice going, Red. The whole church hates us now.
 191 - Kitty, I had nothing to do with Dave leaving the church.
 192 - You know, God works in mysterious ways.
 193 - - "Let he who is without..." - Oh, can it.
 194 - Well, the torch-carrying mob will be here any minute. Better turn on the light.
 195 - They won't need a light. They've got torches.
 196 - Rhonda? How'd you get in here?
 197 - I used my key.
 198 - Michael, why does she have a key and I don't?
 199 - Well, it's not because everyone doesn't want you to have one.
 200 - That's for sure.
 201 - Don't sweat it, small stuff. We're all part of the gang.
 202 - Excuse me?
 203 - No. I had to kiss butt for, like, a year to be a part of this gang.
 204 - That was you being nice?
 205 - Good God. She thinks she was being nice?
 206 - Look, all I know is you are not a part of this gang.
 207 - Really?
 208 - Well, Snow White.
 209 - Why don't we wrestle for it? And if I win, I'm in.

210 - Street rules. No tap-outs.
 211 - - Okay, okay, you're in. - Yeah. I'm in.
 212 - That's nice, but maybe you should wrestle her anyways.
 213 - Oh, yeah!
 214 - All right. Shirts off. Let's get it on!
 215 - Oh, good. You're both here.
 216 - Look, I know you two are together and, Dad, I want you to be happy.
 217 - But I just don't think I'm ready for this.
 218 - Joanne, when did you get here?
 219 - - Dad. - Bob.
 220 - All right. Donna, what do you want us to do?
 221 - - You want us to stop seeing each other? - No. No. It's just that...
 222 - Well, could you go back to lying to me?
 223 - I mean, that seemed to work.
 224 - I am always in favor of lying when it comes to children.
 225 - Bob, we were honest with Donna and now she's being honest with us.
 226 - We'll hold off on the overnight visits for a while.
 227 - Thank you. Thanks. That's really... Thanks.
 228 - Well, if you're not staying the night, we'd better get upstairs.
 229 - Oh, hey, Hyde. Is that you?
 230 - I didn't recognize you without skankarilla hanging off your face.
 231 - You still on this? It's like having a wife.
 232 - Listen, don't flatter yourself.
 233 - I'd only marry someone who's nice to his friends.
 234 - Her friends. Shut up. The...
 235 - - The point is... - Yeah, man, I get the point.
 236 - And you can drop it, all right? She dumped me.
 237 - - What? - Yeah. She said she didn't like you.
 238 - I told her, "Too bad. We're friends." And that was it.
 239 - Oh, man, I feel terrible. Is there anything I can do?
 240 - I don't know, man. I kind of really liked her.
 241 - Hey, how does 10 bucks sound?
 242 - - Forman, 10 lousy bucks can't replace Jill. - Yeah.
 243 - - How about 20? - Jill who?
 244 - - Hey, Red. - Dave, what's with you?
 245 - You don't just up and leave the church
 246 - because I invited you to a basketball game on Sunday.
 247 - Red, you said it yourself.
 248 - There are six guys who would take my place. No one would notice.
 249 - Sit down, Dave.
 250 - Let me tell you a little story about three bags of dog crap.
 251 - One on my front porch, one in my mailbox,
 252 - and one in the backseat of my car,
 253 - all from people who are so upset about losing you
 254 - that they are willing to find, handle, and bag dog crap.
 255 - Really?

256 - My congregation has turned to vandalism and petty harassment on account of me?
 257 - I am truly blessed.
 258 - - Then you're staying? - Yeah.
 259 - Good. Now, come on.
 260 - Let's celebrate by returning those bags to their rightful owner.
 261 - Like it says in the Bible, "As you sow, so shall you reap."
 262 - Jesus was talking about love, but it works for doggy doo, I think.
 263 - Jill, what are you doing here?
 264 - All right. I confess. T'was me.
 265 - - I asked Jill to meet us here. - Jill, Hyde's my friend.
 266 - That's no reason to break up with him.
 267 - What? He broke up with me.
 268 - He said he had to spend time with you because of some brain inflammation
 269 - that made you act like a dill-hole.
 270 - But I don't have a brain thing.
 271 - He forgets he has it. It's part of the disease.
 272 - - Why did you lie to me? - Yeah, and me.
 273 - The thing is you like the Little River Band.
 274 - I mean, I can't be with a girl who likes the Little River Band.
 275 - Yeah, take that, missy.
 276 - And you. You wouldn't shut up about me making out on guys' night,
 277 - which wouldn't have bothered you if you had a tongue stuck down your throat.
 278 - So for the love of God, man, find a tongue.
 279 - I do need a tongue.
 280 - Hey, Jill, I like the Little River Band.
 281 - - You're both freaks. - Nice try.
 282 - Hey, what are you guys doing here?
 283 - Jackie and Rhonda are all mad at us.
 284 - We encourage one little topless girl fight.
 285 - And then all the sudden, we're the jerks.
 286 - - So let's bowl. - Hey, guys, look, I got 10-pound balls.
 287 - Hey, guys, my balls are black and blue.
 288 - Good one.
 289 - - That's nice. - That's funny.
 290 - That was good.
 291 - My balls are finally funny.
 292 - No, no, no. No tap-outs, you girls.
 293 - Yes! We have a winner!

4.12 Episode 12: An Eric Forman Christmas

1 - So, Eric, have you made your Christmas list for Santa yet?
 2 - Well, um, I was going to, but then I turned 10.
 3 - Steven made his.

4 - T-shirts.
 5 - Well, I guess I could ask for a cassette player for the Vista Cruiser,
 6 - like I have for the last 80 years,
 7 - but I won't get one, so, I might as well just ask for a raincoat.
 8 - Oh, so you want a raincoat.
 9 - Man, remember when you used to come downstairs Christmas morning
 10 - and you'd see your stocking over the fire, you know, all filled with toys?
 11 - Well, one year, I saw my mom's pantyhose on the radiator,
 12 - and, uh, Uncle "Strange Man" sleeping on the floor.
 13 - He had a red nose though. That's Christmas-y.
 14 - Yeah, Christmas used to be so cool.
 15 - - Now it's just another day. - Okay. Okay.
 16 - It sounds like somebody needs a little holiday cheer.
 17 - I know!
 18 - You could direct the Christmas pageant at the church.
 19 - Hey, yeah, that's the worst idea I've ever heard.
 20 - Eric, you used to love that pageant when you were a little boy.
 21 - And you need some Christmas spirit. And I already signed you up.
 22 - Well, it was fun when we were kids.
 23 - Then again, so was eating crayons, but...
 24 - Yeah, okay. I'll do it.
 25 - - Good. Okay, now, Steven... - No!
 26 - No!
 27 - Oh.
 28 - So, you won't be in a show about how there was no room at the inn,
 29 - even though this innkeeper gave you a room?
 30 - Your guilt has no power over me!
 31 - I'll do it.
 32 - Fa la la la la, la la la, boned
 33 - Hanging out
 34 - Down the street
 35 - The same old thing
 36 - We did last week
 37 - Not a thing to do
 38 - But talk to you
 39 - We're all all right
 40 - We're all all right
 41 - Hello, Wisconsin!
 42 - Ho! Ho! Ho!
 43 - Guys, check this out. It looks just like when we were kids.
 44 - And look, the Wise Men gifts, gold, myrrh, and...
 45 - Hyde, I think this one's yours.
 46 - That'd be my baggie of frankincense.
 47 - Well, if it isn't Mr. First-time Director.
 48 - I thought I'd direct, but the church board,
 49 - whose average age is "nearly dead,"

50 - feels that I don't speak to the younger generation.
 51 - Oh, Pastor Dave, I loved last year's Silent Night, Jazzy Night.
 52 - It was really funny.
 53 - It was a drama.
 54 - You guys, you guys! Great news.
 55 - Rudolph, Santa Claus is Comin' to Town,
 56 - The Little Drummer Boy, they're all on TV this week.
 57 - We can watch them!
 58 - Yeah. We can wear our PJs and eat gumdrops and drink Kool-Aid.
 59 - Hooray!
 60 - Yeah!
 61 - Okay, guys, let's talk about your parts.
 62 - Okay, Eric, I want to be the Virgin Mary.
 63 - See, she's pure and holy and rides a unicorn.
 64 - No, Jackie, uh, she doesn't ride a unicorn.
 65 - She does now.
 66 - A white unicorn with speckles. Write that down.
 67 - Hey, is there anyone in this show who just kinda lies there and does nothing?
 68 - Um, there's the baby in the manger.
 69 - I call baby in the manger.
 70 - Uh, all right, Eric,
 71 - I don't want to play Joseph as a carpenter.
 72 - Oh, how about if I play him as a spaceman?
 73 - Okay, uh, Kelso, I don't think Jesus was the son of a spaceman.
 74 - Oh, really? Where do you think God lives?
 75 - It's true, man.
 76 - What the hell?
 77 - It's the Russians.
 78 - Oh, jeez.
 79 - Bob!
 80 - Hey there, hi there, ho-ho-ho there!
 81 - Bob, it's midnight! Turn that crap off!
 82 - What would I do that for?
 83 - Hey, check out the keister on Mrs. Claus.
 84 - I know what I want for Christmas.
 85 - Bob, are you drunk?
 86 - I'm not sober!
 87 - Eric, I have a little problem with my part.
 88 - Um, it turns out you have me playing a Wise Man.
 89 - Why can't there be any Wise Women?
 90 - Yeah, okay.
 91 - I'll take that up with the guy who wrote the Bible.
 92 - Let me get back to you.
 93 - Okay, Kelso, you are now playing a Wise Man.
 94 - - Or a space Wise Man. - Better. Better.
 95 - How come the foreign guy has to play the shepherd?

96 - I have never herded sheep in my life.
 97 - Well, once, as a favor.
 98 - Why can't I be a lifeguard?
 99 - Or a space lifeguard.
 100 - Then I could herd all the ladies into the pool.
 101 - "Into the pool, ladies!"
 102 - Now, that's a good role.
 103 - Okay, uh, everyone? Everybody?
 104 - Um, all of your ideas are all, um...
 105 - Stupid. Okay, moving on.
 106 - At the end of the play, when Santa comes in that door...
 107 - - Oh! How about... - Kelso, I swear to God,
 108 - if you say space Santa, I'm gonna kick you in the head.
 109 - Never mind.
 110 - Red, are you stealing Bob's Christmas decorations?
 111 - It's only stealing if you, uh... If you keep it.
 112 - I'm throwing all this crap away.
 113 - Oh, my God. I'm married to the Grinch.
 114 - I'm Mrs. Grinch.
 115 - Well, as long as you're not Mrs. Tattletale, we'll be fine.
 116 - Leo, those guys are driving me crazy in there.
 117 - Do you know what they think is Christmas-y? Unicorns.
 118 - Right, no, I'm sorry. Space unicorns.
 119 - Well, that's redundant.
 120 - Do you have any idea what this is gonna look like, man?
 121 - Shark! Everybody out of the water! And off with your tops!
 122 - Make way, Virgin Mother coming through.
 123 - We come bearing gifts of frankincense, myrrh, and Led Zeppelin IV.
 124 - Let me get a look at that cute little baby girl Jesus.
 125 - Rockin' around the Christmas tree
 126 - At the Christmas party hop...
 127 - I'm just gonna go home. Holiday Inn is on TV.
 128 - Now, that's Christmas.
 129 - You can't go home, man.
 130 - This pageant's your chance to spread some Christmas spirit.
 131 - And that's contagious, like VD.
 132 - I just...
 133 - I don't think I have it anymore, Leo.
 134 - Don't be fooled, man.
 135 - VD comes back.
 136 - No, not...
 137 - Okay. Yeah, I'll watch for that.
 138 - So, dipping into the frankincense, I see.
 139 - Well, no more of that, okay?
 140 - We're gonna do this play the way it was meant to be done.
 141 - And no spaceman.

142 - And anyone who doesn't like that is no Christmas friend of mine.
 143 - And we should be a little bit nicer
 144 - to those of us who want to watch Christmas specials.
 145 - I mean, when Rudolph's nose shone so bright,
 146 - and Santa realized he could guide the sleigh at night,
 147 - that was a great moment in American history.
 148 - Kelso, Rudolph was small, had a girlie voice,
 149 - and I'm pretty sure he was a little light in the hooves,
 150 - if you know what I mean.
 151 - Of course he was light in the hooves. He could fly.
 152 - Oh!
 153 - I would have guessed Prancer.
 154 - Well, you've all ignored me,
 155 - so I'll take that as a resounding vote of confidence.
 156 - Guys, let's do this thing.
 157 - What on God's green earth?
 158 - But, Pastor Dave, I was just...
 159 - Oh, I know what you were doing.
 160 - I recognize that smell from the AC/DC concert.
 161 - I was handing out leaflets.
 162 - - No, but I wasn't... - Eric Forman, you're fired.
 163 - You know what? Fine.
 164 - Rudolph had a girlfriend. Her name was Clarice.
 165 - She thought he was cute.
 166 - Okay, if anyone was gay, it was that... That Hermey.
 167 - No straight elf has hair like that.
 168 - Well, as you may know by now, I had to let Eric go.
 169 - Wait, you fired Eric?
 170 - Who's gonna direct the play?
 171 - I guess that responsibility falls unto me.
 172 - And I am willing to be the reluctant hero on this year's pageant,
 173 - and whip all you ne'er-do-wells into shape.
 174 - Okay, kids, that was a good one.
 175 - Now, let's work on the scene where you untie me.
 176 - And action.
 177 - Give me my stuff back, Red.
 178 - Don't know what you're talking about, Bob.
 179 - And no!
 180 - Oh, Red, just give it back.
 181 - You don't want anybody to have a happy Christmas.
 182 - Oh, you want happy? Drink another six-pack.
 183 - Oh, this is nice. This is great.
 184 - I guess we have a new tradition here, The Annual Yuletide Fight.
 185 - God, can't anybody just act decent for one freaking day of the year?
 186 - Well, out of the mouths of babes, huh?
 187 - Well, fine.

188 - Bob, your decorations are in the dumpster behind the liquor store.
189 - Thanks, Red.
190 - If I had mistletoe, I'd kiss you.
191 - Yeah, well, if I had mistlefoot, it'd be in your ass.
192 - You know what I would like for Christmas?
193 - No more talk about you putting your foot in other people's rear ends.
194 - Maybe next year, Kitty.
195 - Whoa, dudes. What did you do, man?
196 - Leo, man. We're just about to light the Dave.
197 - I can't believe you guys.
198 - You managed to bring a man of God to tears.
199 - I'm not crying.
200 - I'm talking about me, man.
201 - You know, you guys can hassle your skinny friend, Eric,
202 - but when it comes down to a fundamental moral core,
203 - he's the only one of you that's got one.
204 - So, congratulations. You've ruined Christmas.
205 - Oh, man.
206 - Leo's right. I mean, this probably isn't our finest hour.
207 - I don't know. It's pretty damn fine.
208 - Well, Jackie, you know, since everything's ruined, we could,
209 - I don't know, go home and watch Rudolph.
210 - Michael, those shows are for babies.
211 - But I want to watch it.
212 - I wanna!
213 - Grow up, Michael.
214 - You never let me have any fun!
215 - You guys, I feel kind of bad about Eric.
216 - - Yeah, maybe we should go find him. - Yeah.
217 - Or we could stay here and wrap Dave.
218 - I say, get Eric.
219 - Come on.
220 - Uh, guys?
221 - Oh, right.
222 - There you go.
223 - Oh, honey, you looked so sad.
224 - I am gonna let you open your big Christmas present early.
225 - Wow.
226 - It's kind of the size of... And it's kind of heavy like...
227 - I knew you wanted one.
228 - I can't believe that you finally got me a raincoat!
229 - See, it's London Fog. Did I fool you?
230 - I put rocks in the bottom, so it would seem heavy.
231 - Well, that's clever.
232 - Okay, now.
233 - I'm gonna wrap it back up.

234 - You can open it Christmas morning and pretend you're surprised.
 235 - Uh-huh. So, we got that to look forward to.
 236 - Yeah. Okay.
 237 - Huh!
 238 - What's the matter, Kelso?
 239 - Rudolph, I can't watch you anymore.
 240 - My friends say that I'm too old.
 241 - Ho-ho-hold the phone.
 242 - Too old for Christmas? That's nonsense.
 243 - Yeah, but everyone's making fun of me.
 244 - You know, Kelso, people used to laugh and call me names.
 245 - They wouldn't let poor Rudolph join in any reindeer games.
 246 - - So, what did you do? - I kicked them in the face.
 247 - Blitzen bled like a faucet.
 248 - Little Drummer Boy, what are you doing here?
 249 - "Come," they told me.
 250 - No, but what am I supposed to do?
 251 - All my friends are gonna think that I'm a baby if I keep watching your shows.
 252 - Oh, screw those dumb asses.
 253 - If they're too old for Christmas specials, that's their loss.
 254 - Can I go now? I'm very cold.
 255 - Kelso, as long as you really, really believe in our magical world,
 256 - nothing in life can ever hurt you.
 257 - So I can watch.
 258 - I can watch.
 259 - Whoo-hoo!
 260 - I can watch! I can watch! I can watch!
 261 - Whoo-hoo!
 262 - - Look at that face. - What a nice kid.
 263 - So happy.
 264 - I'm not too late. I haven't missed them. Hey, Dave.
 265 - Uh, Michael? A little help?
 266 - Oh.
 267 - That wasn't fun. One of the lights burned my neck.
 268 - You know, Pastor Dave, the only reason we mess with you
 269 - - is 'cause we like you. - You do? You do.
 270 - I'm cool. I'm cool.
 271 - Oh. Well, if it isn't the dillholes of Christmas past, present and future.
 272 - We came to talk to you about the pageant. Dave said he'll un-fire you.
 273 - 'Cause I'm cool.
 274 - And we'll do the pageant however you want.
 275 - Yeah, I set them straight, man.
 276 - Look, Forman, just come on back, all right?
 277 - - Yeah, it'll be fun. - Yeah. We can all be together.
 278 - I mean, it's Christmas, you know?

279 - Plus, we got you a present.
 280 - Oh, man.
 281 - A cassette deck.
 282 - You guys, thanks.
 283 - So, you'll come back?
 284 - Yeah, okay.
 285 - Oh. Merry Christmas, Charlie Brown.
 286 - Whoa!
 287 - Hey.
 288 - Those decorations aren't half bad.
 289 - Look, it's snowing.
 290 - Yeah, I hooked up the snow machine.
 291 - Don't nobody smoke though. This stuff might be toxic.
 292 - Oh!
 293 - A tape player. Didn't know you wanted one of those.
 294 - Isn't it beautiful?
 295 - Hey, Steven. Fix that light up there, will you?
 296 - - Oh, I dropped my candy. - Oh, no!
 297 - Oh. Ah. My knee.
 298 - How's that?
 299 - Behold! The Virgin has given birth.
 300 - Isn't he cute?
 301 - He's got my eyes.
 302 - And my hair.
 303 - Hark, we come bearing gifts.
 304 - Gifts from space.
 305 - Kelso.
 306 - No! Earth air! Toxic! Choking!
 307 - God bless us, everyone.

4.13 Episode 13: Jackie Says Cheese

1 - Hey, L'Eggo my Eggo.
 2 - Hey, L'Eggo my foot in your ass.
 3 - Oh, good morning.
 4 - Oh, here, honey. I brought you something back from the hospital.
 5 - A lollipop.
 6 - Mom, I'm 17 years old.
 7 - Which is why I also brought you condoms.
 8 - Now, see, we had a teenage mom come in, and it's just,
 9 - well, you know, I worry about you.
 10 - That I'll get pregnant? You're not a good nurse.
 11 - Now, don't be a porky mouth. Oh. Here.
 12 - Sexual health pamphlets.
 13 - I just want you to know that intercourse is a responsibility,
 14 - not just a right.

15 - Okay, well, this couldn't be more uncomfortable.
 16 - Oh. Oh.
 17 - - Don't forget your condoms. - I was wrong.
 18 - Hanging out
 19 - Down the street
 20 - The same old thing
 21 - We did last week
 22 - Not a thing to do
 23 - But talk to you
 24 - We're all all right
 25 - We're all all right
 26 - Hello, Wisconsin!
 27 - Hey, man, Red's been spot-checking my room again.
 28 - I can't believe he still doesn't trust me.
 29 - You know, that really hurts, man.
 30 - I'm gonna need you to hide my stash.
 31 - Sure. I'll put it in my dresser under my Hong Kong Phooey socks.
 32 - He can protect anything because he's faster than the human eye.
 33 - You guys, the funniest thing just happened to Jackie.
 34 - Michael, the most horrible thing just happened to me.
 35 - My father found out we're back together, and if we don't break up,
 36 - he'll never give me any money ever again.
 37 - Wait. If you break up with Kelso, you'll be rich?
 38 - Talk about your win-win.
 39 - Hold on. He didn't know we were dating?
 40 - Here comes the best part.
 41 - I mean the worst part.
 42 - My dad thinks you're a bad influence on me,
 43 - so I kept our love a secret.
 44 - And now, I have to decide between you and money.
 45 - Gosh, it's like Sophie's Choice for morons.
 46 - Hey, let's take a poll.
 47 - Who thinks Sophie should keep Kelso?
 48 - - The money? - Ooh.
 49 - You guys, this isn't a joke.
 50 - But it's funny like a joke.
 51 - How do I choose between something that makes my whole life complete
 52 - and you?
 53 - Well, I don't know, baby, but I love you.
 54 - Oh, Michael, I love you, too.
 55 - Okay, I choose love. I choose love.
 56 - - Aw! - Yeah, aw! Okay.
 57 - Now, get a job because I need a ton of money.
 58 - Guys, I would like you to meet
 59 - Point Place's new foreign exchange student, Thomas.
 60 - - Hi. - Hi, what's up?

61 - Hello, pretty lady with eyes like the sea.
 62 - No. Which sea?
 63 - Okay, easy there, Casa-New-Guy.
 64 - I'm showing Thomas the ropes.
 65 - - Hello. - What, are you crazy?
 66 - That's Nicole Mayzell. She's way out of our league.
 67 - Oh, then we must be in different leagues
 68 - because I just had sex with her last night.
 69 - New foreign guy, uno. Old foreign guy, nada.
 70 - This is outrageous. The closest I have come to sex
 71 - was when the football team pinned me down in the shower
 72 - and made me kiss my own ass.
 73 - Hey, um, if you think that's close to sex,
 74 - then you're gonna be delighted with actual sex.
 75 - Yeah, Thomas, you should stay away from the football team for a while.
 76 - We wouldn't want a cutie like you to get hurt.
 77 - Oh, the football team loves me.
 78 - I'm the new placekicker.
 79 - What?
 80 - Oh, the room is spinning. How did you do all this?
 81 - I have delightful accent.
 82 - So do I.
 83 - Yes, but a nerd with an accent is still a nerd.
 84 - Now, good day, sir.
 85 - I say, "good day."
 86 - - Now, good day. - Good day.
 87 - Good day.
 88 - - I said, good day. - I said, good day.
 89 - He stole that from me.
 90 - - But, Fez... - I said, from me.
 91 - Oh, I'm out.
 92 - Out? I am home one night this week, and you're out?
 93 - Hey, don't look at me.
 94 - You had a whole bag of them, and you wasted them on Eric.
 95 - He's probably down there making balloon animals.
 96 - Well,
 97 - I guess we'll just sleep.
 98 - Well, couldn't we just, um,
 99 - you know, I mean, really, what are the chances?
 100 - We could have a change-of-life baby.
 101 - Oh, crap.
 102 - I'll be right back.
 103 - It's late. We'll talk about this tomorrow.
 104 - Oh, my God, my sock drawer.
 105 - I'm dead. He found your stash. Do you know what this means?
 106 - Yeah. I get your room, and you get sent to military school.

107 - Eric caught me stealing his things.
 108 - That's not funny.
 109 - I'm a grown man.
 110 - I don't go rummaging around in teenage boys' drawers,
 111 - looking for things.
 112 - - Condoms. - That word is forbidden.
 113 - Okay. Good night.
 114 - - Condoms. - Quit it.
 115 - I don't know. I've just always been good-looking.
 116 - Look at that foreign bastard.
 117 - Cracking up the whores.
 118 - Checking the score.
 119 - Old foreign guy, nada. New foreign guy, dos.
 120 - Hey, if I pretend to say something funny, will you laugh?
 121 - No.
 122 - That Thomas is shady.
 123 - And have you noticed he never says what country he's from?
 124 - What country are you from?
 125 - What country are you from?
 126 - America.
 127 - Fine. Mystery solved.
 128 - Psst!
 129 - Mom, is Dad around?
 130 - No, I think he's upstairs.
 131 - Hot, hot, hot, hot!
 132 - Love you, Mom. Thanks for breakfast. See you tonight. Bye.
 133 - Psst.
 134 - Kitty, Eric around?
 135 - - No, he just left. - Perfect.
 136 - Red,
 137 - this is just silly.
 138 - You can't avoid Eric forever.
 139 - - I know that. - Well, good.
 140 - I just have to avoid him till he goes to college.
 141 - - What's that, like a year? - I can do that.
 142 - Hey.
 143 - Michael, I'm broke.
 144 - I had to buy generic hair conditioner.
 145 - And now, I have split ends.
 146 - Well, no one is gonna notice that, baby.
 147 - They'll all be looking at that monster zit.
 148 - I have to ration my cover-up. So find a job already.
 149 - I'm trying, okay? It's tough out there.
 150 - I just had an interview at that new store in the mall, the Cheese Palace.
 151 - - Where curd is king? - The very same.
 152 - They're hiring a new cheese maiden, you know, to hand out the samples,

153 - but I didn't get the job 'cause they want a girl.
 154 - - You're pretty like a girl. - Thank you!
 155 - Man, but the manager wants an actual girl, you know, with boobs and stuff.
 156 - Hey, you know who's an actual girl with boobs and stuff?
 157 - Oh, Donna, you don't have to get a job just for me.
 158 - I was talking about you, pimple-chin.
 159 - Oh, no, no, no, no, no.
 160 - I am not getting a job. A job is for poor people.
 161 - I am a rich person who doesn't have money.
 162 - Big diff.
 163 - Hey, is that a blackhead?
 164 - No!
 165 - Cheddar? Cheddar?
 166 - Cheddar?
 167 - Try the Swiss. You can't miss.
 168 - Try the Cheddar. It's even better.
 169 - The floor's real shiny, and I see your heinie.
 170 - Ugh!
 171 - Hey. The cheese maiden hit me!
 172 - Cheese guards, seize her!
 173 - My God, this job is awful!
 174 - Are you sweating?
 175 - I mean, is work making you sweat?
 176 - No.
 177 - I'm glistening! It's glisten!
 178 - Whatever it is, yuck!
 179 - Look, Michael,
 180 - the only reason I have this job is so that you and I can be together.
 181 - All you've done for our love is sit in the basement eating Fritos.
 182 - Well, for your information, if I send in 80 empty Frito bags,
 183 - I get a free remote-control car.
 184 - Which I was gonna give to you after I played with it only a little.
 185 - Now, that is love!
 186 - Thomas.
 187 - Thomas.
 188 - Thomas!
 189 - What I have to do is show everyone that I am cooler than Thomas.
 190 - You know, I once saw the Fonzie do something on TV
 191 - that just might do the trick.
 192 - I am now going to jump over a shark on water skis
 193 - to prove that I'm the coolest foreign exchange student in Point Place.
 194 - - He'll never make it. - Shut up. He can do it.
 195 - He's the Fez!
 196 - Okay, here I go. Hit it.
 197 - Oh!

198 - - He's crazy, man. He's crazy. - He's at the ramp.
 199 - Yes! Yes!
 200 - - Oh, yeah, man! - You suck, Thomas.
 201 - Fez, you jumped that shark, and you're not even wet.
 202 - That's 'cause I'm cool-a-mundo.
 203 - Ay!
 204 - So what do you think?
 205 - Not only is that the worst idea I've ever heard,
 206 - it was the worst moment in television history.
 207 - Yeah, you're right. I stopped watching after that episode.
 208 - Thomas!
 209 - This is freaky, man. Red hasn't said anything about the stash,
 210 - which can only mean he's gone to the much-feared stage beyond yelling.
 211 - He's gone Darth Vader, man.
 212 - Or instead of Red snagging you, maybe you snagged Red
 213 - dipping into Hyde's stash. I'm just saying, everyone's trying it.
 214 - I guess Kelso was right. Everyone is trying it.
 215 - I'm telling you, this stuff isn't just for cakes.
 216 - It's great all by itself.
 217 - Wait, wait. Watch this.
 218 - Look at me. I'm Whipped-cream Head.
 219 - Fear me. All fear Whipped-cream Head.
 220 - Mmm.
 221 - Kelso, that was delightful,
 222 - but the only part you left out is where Red kills me!
 223 - Forman, it was my stash. I don't wanna leave you hanging,
 224 - but I'm gonna.
 225 - So good luck in military school.
 226 - How exciting. My first American road trip.
 227 - I can't wait to see Lake Dillhole.
 228 - Well, the wait is over. We're here.
 229 - Now, hop out, you crazy son of a gun.
 230 - This is the Michigan border.
 231 - Well, what do you know?
 232 - So where is Lake Dillhole?
 233 - Oh, it's right there, behind the Get Bent Memorial.
 234 - So, get bent, dill-hole!
 235 - Oh, what's the score now?
 236 - Oh, here we go. Fez, one. Thomas, stranded in Michigan!
 237 - - Oh, I kill me. - Nice job.
 238 - Thanks. I learnt from the best.
 239 - Thanks.
 240 - - I would've taken his clothes. - That's why you're the king.
 241 - The Gouda's so good-a.
 242 - The Havarti's a party.
 243 - Hello, milady. Fondue you love me?

244 - Stop doing that. All day with this.
 245 - "Hey, fondue me." "Ooh, I stepped in fon-dog doo."
 246 - Oh, my God, this is awful!
 247 - Michael, a few minutes ago, I smelled stinky cheese,
 248 - and it was me!
 249 - Look, I'm sorry. I love you, but I can't do this.
 250 - You mean, you can't fondue it.
 251 - God, will you shut up? Look, I am not cut out for work.
 252 - I'm cut out for having rich people give me things.
 253 - But you got a job for me. I mean, doesn't that make it satisfying?
 254 - Oh, my gosh. It's a check!
 255 - And that's my name!
 256 - Mine!
 257 - So we can stay together.
 258 - Yeah, and I can still be rich.
 259 - Yeah.
 260 - Well, if this isn't gonna go badly, I'm heading home.
 261 - No, wait. Jackie deserves a celebration.
 262 - Hey, let's go buy me that remote-control car.
 263 - No, Michael. Money doesn't grow on trees.
 264 - Money doesn't grow on trees.
 265 - You know, I think having a job is changing me.
 266 - Okay, think about it, a whole new me.
 267 - - That'd be great. - That'd be great.
 268 - - I gotta... - I'm gonna...
 269 - Okay, enough.
 270 - You, sit.
 271 - You can't make me join the army, okay? I'll cut off a toe!
 272 - - What? - Okay, okay.
 273 - We are just gonna clear the air,
 274 - right now.
 275 - Now, Eric, the other night,
 276 - your father and I were getting intimate...
 277 - And we realized we didn't have any protection.
 278 - For hugging. We just... We hug.
 279 - So your dad went to your room looking for one of those condoms I gave
 you,
 280 - and you caught him, and he has just been so embarrassed ever since.
 281 - Condoms?
 282 - Oh, condoms!
 283 - Yeah, condoms.
 284 - What did you think it was?
 285 - What did you think it was?
 286 - - What did you do? - What did you do?
 287 - What did you do?
 288 - What? I didn't do anything, okay?

289 - You stole condoms. Get him, Mom.
 290 - - You're grounded. - For a week.
 291 - Hyde, too.
 292 - Whatever was in that drawer that you didn't want me to see,
 293 - I'm sure it was his.
 294 - Fine. No complaints here. Thank you.
 295 - You suppose there was actually something in that drawer
 296 - he didn't want us to see?
 297 - Who cares?
 298 - I know in orientation we talked about theft in the workplace,
 299 - so I would like to report a theft from my check.
 300 - Now, I don't know who FICA is, but that bitch stole, like, 10301 - Also,
 now, I don't know if you have this key in your typewriter,
 302 - but when I write "Jackie," I like to dot my "I" with a smiley face.
 303 - Also, now, I'd put this in the suggestion box,
 304 - but you have something hanging from your nose.
 305 - Oh, and I want Saturday off.
 306 - Thank you. Bye.

4.14 Episode 14: Eric's Hot Cousin

1 - Hey, guys, I'm thinking about getting a perm.
 2 - Hyde, can I get the number of your guy.
 3 - I don't have a "guy," dumb ass.
 4 - This righteous moss is a gift from God.
 5 - God gave me a perm, too, but he hit me below the belt.
 6 - What are you doing, Forman?
 7 - My stupid cousin Penny from Florida is coming this weekend,
 8 - so my mom's making me clean the basement.
 9 - And I'm done.
 10 - - Penny? - God, she was always such a tattletale.
 11 - "Eric's stealing cookies." "Eric's playing with fire."
 12 - "Eric's touching himself."
 13 - Yeah, but Eric got her back.
 14 - He hit her with the old Bengay on the toothbrush.
 15 - And the over-the-shoulder wedgie.
 16 - And the butt-face gas attack.
 17 - - Butt-face gas attack? - I'll show you later.
 18 - Thank you.
 19 - Oh, Forman.
 20 - My favorite was when you trapped her in the revolving door at the library
 21 - and kept spinning her.
 22 - Yeah, she ralphed,
 23 - and then she had to keep walking through the puddle.
 24 - 'Cause it's a revolving door.
 25 - It spins in circles.

26 - That's its nature. It just...
 27 - Hanging out
 28 - Down the street
 29 - The same old thing
 30 - We did last week
 31 - Not a thing to do
 32 - But talk to you
 33 - We're all all right
 34 - We're all all right
 35 - Hello, Wisconsin!
 36 - - Penny! - Aunt Kitty!
 37 - It's so good to see you!
 38 - Oh, my gosh, you have grown so...
 39 - Things have...
 40 - Good for you!
 41 - And good for us.
 42 - Oh, jeez.
 43 - Penny.
 44 - You're so shiny.
 45 - I am just so excited you're here.
 46 - I have lots of free time these days,
 47 - so I've gathered up some local foliage.
 48 - And I thought we could have a long talk
 49 - while we make our own potpourri!
 50 - Well, thanks, Aunt Kitty, but right now
 51 - I'd just like to catch up with Eric.
 52 - Find out how he got so foxy.
 53 - Okay, you boys be nice. But not too nice.
 54 - Look, Penny, I know your last trip here,
 55 - I was kind of a jerk, and...
 56 - Oh, God, Eric! That was so long ago.
 57 - Plus, I can't stay mad at you. You're too cute.
 58 - Hey, guys, what's up?
 59 - Oh, hey, you remember my cousin Penny.
 60 - Hey, Penny. I didn't recognize you
 61 - without Eric's butt in your face.
 62 - So, you guys ready for the movies? You can come, too.
 63 - I guess.
 64 - Thanks, but this Wisconsin air is so dry,
 65 - I really should go inside and moisturize before I lose my tan.
 66 - I have lotion.
 67 - I think the best plan is for all of us to go to the movies,
 68 - except for me and Penny, who will stay here and moisturize each other.
 69 - What? Screw that. I'm gonna moisturize, too.
 70 - - Michael! - I'll just do, like, a leg or something.
 71 - Fine!

72 - Come on. Let me show you to your room.
 73 - - Michael! - I'm getting Kool-Aid!
 74 - Damn!
 75 - What losers! Did you see them checking her out?
 76 - - Okay, she's not that hot. - I never liked her.
 77 - You know, once when we were little she bit me, so I bit her back.
 78 - And then she called, "Truce," so I said, "Okay."
 79 - And then she bit me again.
 80 - Whore.
 81 - Slut.
 82 - - No, her. - Oh, yeah.
 83 - Whore.
 84 - Yeah, we'll show Penny with our new sun lamp tans.
 85 - How dare she come into our town and try to out-hot us.
 86 - I know.
 87 - I mean, we don't go to her town and try and out-whore her.
 88 - Well, she can't just show up all hot,
 89 - shaking her butt around our guys.
 90 - If our guys are gonna fantasize about moisturizing anybody,
 91 - it should be us.
 92 - Right. But we're not gonna let them do that, are we?
 93 - Let's just hope it doesn't come to that.
 94 - Have you seen that little stray cat that's been hanging around our house?
 95 - Oh, yeah. I met him this morning.
 96 - Then he met the hose.
 97 - Kitty, we don't need more things hanging around our house.
 98 - We already have Steven and Kelso and Foreign Kid.
 99 - Yeah, but they're always busy.
 100 - Maybe I should get my own cat.
 101 - I'm not working. I'm home all day.
 102 - Here's my problem with cats.
 103 - Best-case scenario. You get the smartest cat in the world.
 104 - He still craps in your house.
 105 - Well, it's just it would be nice to have something to take care of.
 106 - I'll tell you what, Kitty.
 107 - Instead of getting a cat, why don't we all just stop flushing?
 108 - It's the same thing!
 109 - Guys, I'm getting some weirdness from Cousin Penny.
 110 - Earlier, she gave me a hug, but this wasn't a cousin hug.
 111 - Our middles touched.
 112 - And not just for a second.
 113 - She pressed.
 114 - I've heard of kissing cousins.
 115 - But have you ever heard of "doing-it cousins"?
 116 - 'Cause that's what I think Forman should be shooting for here.
 117 - Kelso, I appreciate the advice,

118 - but your solution to every problem
119 - is, "Do it with her."
120 - Well, it worked with my old science teacher.
121 - C-minus!
122 - Well, unfortunately, Penny is my cousin.
123 - That'd be like looking at my mom and thinking, "Hey, baby, how..."
124 - I'm just gonna stop right there.
125 - I've thought that about your mom, but I didn't stop right there.
126 - Surprise!
127 - This ought to keep you company during the week.
128 - Roy's Pet Store. Red, you got me a cat!
129 - Well, it's like a cat.
130 - A fish?
131 - Red, it's a fish.
132 - See, it's like a cat.
133 - - They're both pets. - No, they're not.
134 - Pets are called pets because you pet them.
135 - How do I pet this thing?
136 - Well, you just reach in and corner it and give it a rub.
137 - That's the thing about fish. They just love the feel of the human hand.
138 - Jackie! Jackie, wake up.
139 - Oh, my God. Donna, you're totally burned.
140 - Really?
141 - What have you done to me?
142 - Me? This was your stupid idea.
143 - Did you call me stupid?
144 - Ow!
145 - Lobster face!
146 - Ow. Little red riding bitch!
147 - Oh, my God!
148 - Okay! Now, okay, let's just call a truce.
149 - Fine.
150 - Don't look at me. Mrs. Paul killed these.
151 - Here.
152 - So...
153 - Must get pretty boring living in a fishbowl, huh?
154 - Gets pretty boring around here, too.
155 - You know, I used to work at a hospital, and taking care of people.
156 - It felt so good to be needed.
157 - You know, like... Like part of a team?
158 - People really depended on me, which...
159 - Which I kind of miss.
160 - But at least I don't miss the bedpans.
161 - Are you sure it's okay for me to do my yoga in here?
162 - Do Aunt Kitty and Uncle Red allow girls in your room?
163 - Well, you're my cousin, so you don't even really count as a girl.

164 - You're like a rock.
165 - A moving, talking, extremely limber rock.
166 - Ooh. That's nice.
167 - - Peterson's Auto Shop. - What?
168 - "Peterson's Auto Shop." That's what my T-shirt says.
169 - I noticed you were trying to read it.
170 - That's... Yes. Yes, I was.
171 - I kind of have, like, a passion for T-shirt logos.
172 - Okay, well, bedtime for this logo fan, okay.
173 - Off you go.
174 - Uh-oh.
175 - Naughty thoughts a-brewing.
176 - Penny, you're cold.
177 - Go get a sweatshirt.
178 - Oh. Okay, Uncle Red.
179 - Eric, do I have to tell you to stop staring at your cousin?
180 - Stop staring at your cousin.
181 - Kitty, where's breakfast?
182 - Honey, I'm running a little late.
183 - I was redecorating Fluffy's bowl.
184 - Kitty, it's a stupid fish.
185 - What?
186 - Cinnamon toast, get on it.
187 - Oh, so, decided against the sweatshirt?
188 - It's a bold choice.
189 - I saw Uncle Red leaving and I wanted to talk to you alone.
190 - See, I kind of have a crush on you.
191 - Okay, Penny... Okay.
192 - Look, I don't know what the laws are down in...
193 - ...Florida, but up here,
194 - the cousin-loving is really frowned upon.
195 - That's why I wanted to talk to you.
196 - Last week I overheard my parents talking,
197 - and I found out that I'm adopted.
198 - So technically, we're not even related.
199 - Well, that's a twist.
200 - And all those feelings that I had about you that would've been wrong...
201 - Are pretty freaking right!
202 - Bring it in.
203 - Now you're warm.
204 - And I don't feel bad about that.
205 - So Penny's not even your cousin?
206 - All right. Well, in light of recent developments, I vote, "Do it."
207 - Do it, yellow belly!
208 - Look, man, if you don't do it, I'm gonna do it.
209 - Then I'm gonna make fun of you.

210 - All right, fellas. So I guess it's all systems go.
211 - Just hey, let's keep this between us, okay?
212 - Hey, what's up?
213 - - Forman wants to nail his cousin. - No.
214 - No, no, no, she's not my cousin. She was adopted.
215 - And what the hell happened to your face?
216 - - What the hell happened to yours? - Burn!
217 - Yeah, I gotta admit, Donna, that was a nice burn.
218 - And I don't mean what you said just there. I mean your face. Nice burn.
219 - Hey, you know, if you ever need a date for prom,
220 - you can just flip through the family album.
221 - Oh...
222 - Oh, God. You're just jealous because Penny is incredibly hot,
223 - and you're a throbbing red pile.
224 - Eric, my sunburn will fade, but your shame will last forever.
225 - Yeah, well, at least my shame won't peel.
226 - Hey, there's my girl.
227 - New logo. Nice.
228 - I was just having a glass of milk before bed.
229 - Oh, well, you know, you don't have to rush off.
230 - Sit. Come on. Let's gab a while.
231 - So...
232 - Let's get to the bottom of this crush, huh?
233 - You know what I'd really love to do?
234 - Stay up late and watch movies like we did when we were kids.
235 - Remember? All alone in the dark?
236 - That's a good plan.
237 - - And let's wear our jammies! - Excellent addition to the plan.
238 - Oh, but I usually just sleep in a T-shirt and panties.
239 - Is that okay?
240 - Well, so do I!
241 - Er, I mean, you know, man-panties...
242 - Er...
243 - Underwear.
244 - You know what I meant.
245 - Great. The movie starts at 11:00.
246 - - Don't be late. - Okay, I won't.
247 - "Man-panties"?
248 - - Kitty. What happened? - Fluffy died.
249 - Well, if it's any consolation,
250 - fish are never even really alive.
251 - They're just less dead.
252 - I know.
253 - You know, he wasn't good company, but at least he was company.
254 - - Red, I'm unhappy. - Oh, I gotta go to the store.
255 - I am a nurturer.

256 - I am not gonna be satisfied nurturing something you'd win at a carnival.
 257 - Kitty, what do you want? I'll get you anything you want.
 258 - Not a cat.
 259 - I want to go back to the hospital to work.
 260 - Oh.
 261 - As long as it's not a cat, I'm good.
 262 - Okay, I think what you mean is,
 263 - "I'm glad you're doing what makes you happy."
 264 - Oh.
 265 - Of course.
 266 - And I'm sorry that your fish died.
 267 - Don't be. I flushed it.
 268 - Good evening, milady.
 269 - 11:00 on the nose.
 270 - Well, we're all alone.
 271 - I told Hyde to amscray for a while.
 272 - So go ahead, take off your robe.
 273 - Penny, there's no rat.
 274 - - Don't, Eric! Don't! - No, I was...
 275 - Eric, step away from your cousin.
 276 - No, she's not my cousin. She was adopted.
 277 - I'm not adopted.
 278 - What? She's lying!
 279 - Eric, I saw her mother give birth to her!
 280 - Now, what is going on?
 281 - I'm sleepwalking.
 282 - And I'm about to be sleepkicking your ass.
 283 - Eric, what kind of person would lie
 284 - about something as serious as being adopted?
 285 - A liar who specializes in adoption lies. You.
 286 - A mean, vindictive person.
 287 - Like someone who would trap someone in a revolving door?
 288 - Yes. Oh.
 289 - Mom, Dad, can Penny and I be alone for a minute?
 290 - No!
 291 - I'm not raising any flipper grandkids.
 292 - No. Look, I just wanna apologize to Penny.
 293 - Fine.
 294 - When you're done, you head right upstairs.
 295 - I'm having Pastor Dave come over for an emergency house call.
 296 - I guess this will teach you to play pranks on innocent little girls.
 297 - This has taught me a lesson.
 298 - And that is that I'm not gonna rest until I get you back
 299 - way worse than you got me!
 300 - Which by the way, wasn't really that bad!
 301 - Actually, it's pretty bad.

302 - Cousin Penny went back home, huh?
303 - Oh, wait, did I say cousin?
304 - Yeah, I meant cousin.
305 - Looks like that's two hot girls you can't have.
306 - Well, thank you for such a conservative estimate.
307 - By the way, Donna, here's your copy of the pictures.
308 - Yeah. If you flip through them real fast, it looks like Eric's running.
309 - Give me those.
310 - Give me those.

4.15 Episode 15: Tornado Prom

1 - Hey, guys.
2 - It is literally a million degrees out.
3 - I'm wearing shorts in January!
4 - Have you ever seen prettier legs on a fellow?
5 - Michael, we'll admire your legs later.
6 - Snow Prom is tomorrow.
7 - We need to keep up our campaign for Snow Queen and Snow King.
8 - Jackie, I did campaign. I wrote our names all over the place.
9 - Kelso, you peed in the snow.
10 - In cursive!
11 - It was awesome.
12 - Okay, look, you may not take this seriously, but I do.
13 - I used to be a rich, popular girl.
14 - But now that my dad has cut me off, I'm not rich,
15 - so I have to be twice as popular.
16 - Okay, maybe you should spend less time worrying about being popular
17 - and more time being thoughtful, friendly, considerate.
18 - Okay, can I get a translation? Because that was gibberish.
19 - Come on, Michael.
20 - Hey, you know what?
21 - We should all go to Snow Prom together, in one car.
22 - All of us hanging out, laughing, driving.
23 - Good times.
24 - You need a ride, don't you?
25 - I so do. Pick me up at the radio station.
26 - All right. We'll all go together.
27 - Whoa, whoa. Hyde, you're going to a school dance?
28 - You're gonna stink-bomb the teachers' lounge, aren't you? I want in!
29 - No, man, kid stuff.
30 - See, during the dance, I'm going to throw a party in Coach Ferguson's office.
31 - I'm bringing my best stuff.
32 - A party with your best stuff?
33 - Are you saying what I think you're saying?

34 - - You know it. - Oh, boy, you have a pinata?
35 - It's weird. I feel like I'm forgetting something.
36 - I've got my watch, my wallet, my who-am-I-kidding condom.
37 - Yeah, sounds like you got everything, except for a tall redhead.
38 - Yeah. What man doesn't love a tall red...
39 - Oh, my God, Donna!
40 - I forgot Donna.
41 - Hanging out
42 - Down the street
43 - The same old thing
44 - We did last week
45 - Not a thing to do
46 - But talk to you
47 - We're all all right
48 - We're all all right
49 - Hello, Wisconsin!
50 - Mr. Hyde? In school after hours?
51 - What, are you trying to establish an alibi?
52 - Coach Ferguson,
53 - shouldn't you be on the football field, teaching boys to play with balls?
54 - Don't push my buttons, wiseacre.
55 - And there he goes.
56 - I think now is a good time to go fumigate his office.
57 - Oh. I have exciting news for you two.
58 - Michael, you have been elected Snow King.
59 - Yeah!
60 - And, Jackie, you are the new Snow Queen runner-up!
61 - Oh, my God! This is the happiest day of my life!
62 - Wait, runner-up?
63 - How could that be?
64 - There's been a mistake.
65 - It was fixed.
66 - You poke me one more time, I'm gonna paddle you.
67 - That'd be hot.
68 - I have a serious announcement.
69 - A tornado warning has been issued. I'm told it's code red.
70 - I don't know the codes, but red sounds serious.
71 - Michael, this is my worst nightmare.
72 - A tornado is your worst nightmare?
73 - Mine's monsters.
74 - How could I be runner-up?
75 - If I'm not a rich, popular girl, I'm nothing.
76 - I'm like Donna.
77 - No, Jackie, you are the girlfriend to the Snow King.
78 - All right, now, as Snow King, I must lead my people to safety.
79 - All right, everyone! Everyone, follow me.

80 - Remain calm, people! These are just sports balls!
 81 - Everyone grab a ball!
 82 - All right.
 83 - I'm just so worried about Eric.
 84 - A tornado in January?
 85 - Yeah, life's full of surprises.
 86 - Like these two showing up 'cause they don't have a basement.
 87 - Surprise.
 88 - Gee, Red, you seem grouchy.
 89 - Surprise!
 90 - Red, if Eric gets caught in a tornado, he'll get blown to Canada.
 91 - He's very light.
 92 - Kitty, the gym is the town's bomb shelter.
 93 - He'll be fine.
 94 - I just hope he's not crying.
 95 - Everybody knows he's my kid.
 96 - Okay, you're right. Eric's fine.
 97 - Let's just talk about something else.
 98 - Ooh, you know, Joanne taught me a lot about lady orgasms.
 99 - They've been around longer than I thought.
 100 - Okay, so talking's bad. I know, charades.
 101 - - No, thanks. - What, are you chicken?
 102 - Did you just call me "chicken"?
 103 - That's it. Move the couch, Kitty. She's going down.
 104 - Oh, yeah.
 105 - Busted, hophead.
 106 - People of the make-out stairwell,
 107 - this is your Snow King speaking.
 108 - Hit the lights, fool!
 109 - No, there's a tornado. Everyone go to the gym.
 110 - The Snow King has spoken!
 111 - All right. That's gross. Who threw the retainer?
 112 - Oh, my God, Fez! A tornado?
 113 - This changes everything. This could be our last night here on earth.
 114 - Oh, no. I'm going to die a virgin.
 115 - Not if I have anything to say about it.
 116 - You can talk all you want, but there's a tornado coming.
 117 - Fez, I mean, let's do it.
 118 - It?
 119 - "It" it?
 120 - All right.
 121 - I'm going to need you.
 122 - - Eric, you're here! - Donna, look, I'm sorry I'm late.
 123 - And I really did want to pick you up before the dance. So it's no big deal,
 really.
 124 - No big deal? It's a huge deal.

125 - I was in the back filing records,
 126 - and suddenly everyone was gone, and I was stuck here alone.
 127 - And you risked the tornado for me.
 128 - Tornado?
 129 - What tornado...
 130 - Could stop me from helping you?
 131 - So, uh, tell me,
 132 - um, is the tornado still, like, um...
 133 - Like, out there?
 134 - - Yeah. They say it's a biggie. - Oh.
 135 - Eric, are you okay?
 136 - Sure, it's just that now that I know you're okay,
 137 - I can finally start worrying about me.
 138 - And, see, the thing about me is,
 139 - I don't wanna die.
 140 - So,
 141 - what to do?
 142 - Let's see, there's you, there's me, candlelight.
 143 - You know, back in the old days we would have...
 144 - - We're not doing that. - Uh-huh. Yep. Yeah.
 145 - So quick to dismiss the thing you once ached for.
 146 - You mean, cheese sticks?
 147 - If you want to call it that, sure.
 148 - Gyrating.
 149 - Twisting.
 150 - Hips! You make me feel like hips!
 151 - Hah!
 152 - Time! We win.
 153 - I was dancing!
 154 - "You make me feel like hips"?
 155 - It could have been a song.
 156 - Is it hard to lose, Red? 'Cause you make it look so easy.
 157 - You're in big trouble, bud.
 158 - You should suspend me.
 159 - I need a vacation.
 160 - A tornado's coming. It's code red.
 161 - You know what that means.
 162 - I think it's serious.
 163 - A tornado?
 164 - Deadly spirals of wind really freak me out.
 165 - - All right, Coach Girlie. Calm down. - I can't die yet!
 166 - There's so much I haven't experienced.
 167 - I bet I know one thing you haven't experienced.
 168 - Tornadoes get a bad rap, man.
 169 - It's not like The Wizard of Oz.
 170 - I mean, where are the midgets?

171 - I bet I could bench, like, 10 midgets.
172 - Hey, look at all this stuff you confiscated.
173 - Mine.
174 - Mine.
175 - Ooh, la, la!
176 - Mine now.
177 - Why am I not Snow Queen?
178 - For the last two weeks, I was nice to everybody.
179 - Well, maybe not the AV club, but I mean, come on.
180 - Jackie, you can't just be nice for two weeks.
181 - You have to be nice all the time.
182 - Or very handsome.
183 - Oh! My banana nose!
184 - I thought this was gone forever.
185 - It's still funny!
186 - Maybe Donna was right.
187 - Maybe being popular isn't as important as being nice to people.
188 - I mean, I know that sounds wrong, but anything's possible.
189 - Hey, Jackie, whatever makes you feel better about being a loser.
190 - Hey, watch the banana nose!
191 - Hey, Hyde, when this is all over, you think we'll still be friends?
192 - Well, my head says no,
193 - but my heart says no.
194 - So, no.
195 - Wonder what Donna and Forman are doing right now.
196 - This is the best tornado ever!
197 - I know! And who better to be stuck here with
198 - than America's most beloved rock band,
199 - ladies and gentlemen, Aerosmith!
200 - As rock legends, we've had some pretty good times,
201 - but it doesn't get any better than this. Hello, Wisconsin!
202 - Yeah, I dig this joint, too. Hello, Wisconsin.
203 - That was your Aerosmith?
204 - You're bad at that.
205 - Steven Tyler is way cooler, and Joe Perry is so dreamy.
206 - God, you're bad at that.
207 - What? That was dead-on! Right, guys?
208 - I bought it.
209 - You, uh, really think I'm dreamy?
210 - Whoa.
211 - The station manager's stuff is way better than ours.
212 - Well, I lived my dream. Let's go.
213 - Oh, wait. We can't just leave Jackie here like that.
214 - You're right.
215 - Okay, we're good.
216 - Oh, Toto.

217 - Losing Snow Queen has left me searching for guidance.
218 - Surely the Wizard of Oz can help.
219 - Jackie, why'd you make me the Scarecrow? He needs a brain.
220 - No. No, I made you the Scarecrow
221 - because you love chasing birds.
222 - I do love chasing birds. - Okay.
223 - Is this some kind of joke? 'Cause I'm not laughing.
224 - Kelso's the Scarecrow? Yeah.
225 - Look, guys!
226 - I'm a bear.
227 - Fez, you're the Cowardly Lion.
228 - But I wanna be a bear.
229 - At least you got a brain.
230 - This sucks.
231 - Will everyone just shut up?
232 - When it's your dream, you could be whatever you want.
233 - I wanna be a bear.
234 - Jackie, what the hell?
235 - She totally made you a witch. That's so awesome!
236 - She made you a flying monkey.
237 - What?
238 - Oh, crap!
239 - - Let's kick her ass! - Yeah.
240 - Miss Wizard, I'm confused.
241 - I lost Snow Queen.
242 - And now I'm wondering if titles and popularity
243 - aren't as important as being a good person.
244 - Well, how do you know when you're a good person?
245 - When everyone likes you, right? When you're popular.
246 - And how do you know when you're popular?
247 - Oh, my God!
248 - When you win titles like Snow Queen!
249 - Winning titles and being a good person are the same thing.
250 - So you go after that title, child.
251 - Oh, I will, Miss Wizard. I will.
252 - And remember, if someone calls you shallow, they're just jealous.
253 - They're just jealous...
254 - Our own private stairwell.
255 - This is exactly how I pictured losing my virginity.
256 - Except it was on a bed of flowers
257 - and there were two of you.
258 - Tornado passed through, is heading to Illinois.
259 - Kiss my ass, Chicago!
260 - Oh, my God! We're safe.
261 - Sex just doesn't seem important anymore.
262 - I... I disagree.

263 - And... And here's why.
 264 - Let's go celebrate with everyone.
 265 - Oh, you can make a tornado, but you can't let me do it?
 266 - Oh, you are not a just God!
 267 - Okay.
 268 - No six.
 269 - No six.
 270 - And
 271 - six!
 272 - Park Place.
 273 - Pay up.
 274 - I told you we shouldn't spend all our money on Marvin Gardens.
 275 - Oh, and Baltic Avenue was such a help.
 276 - I bought that with my beauty-contest winnings.
 277 - Poor Red, losing again.
 278 - While we have this large housing development
 279 - that I like to call Joanne Land.
 280 - Where's Red Land?
 281 - I'll tell you where it is.
 282 - - It's right up your... - Wait, wait, wait, wait.
 283 - This just in.
 284 - The National Weather Service has canceled the tornado warning.
 285 - And updating our top story, a local teen is in critical condition...
 286 - Oh, game over. Call it a tie.
 287 - - A tie? We had all the money. - So?
 288 - We had the get-out-of-jail-free card.
 289 - And you can't put a price on freedom.
 290 - Night, night.
 291 - Look, Jackie, I know you're upset,
 292 - and I don't know why you're not Snow Queen.
 293 - But I do know this, I am Snow King.
 294 - So that's pretty cool.
 295 - Michael, I'm not upset.
 296 - I just had the best dream,
 297 - and now I've got to campaign for next year.
 298 - Guys, how's my hair?
 299 - - Yeah, it's fantastic. - Wonderful. Wonderful.
 300 - This was fun.
 301 - We haven't just hung out in, like, forever.
 302 - Plus, you're, like, my hero.
 303 - Most guys would not risk a tornado for an ex-girlfriend.
 304 - Yeah.
 305 - Wow.
 306 - Yeah, well, I just wanted to kiss you
 307 - before you found out that I went to the dance,
 308 - forgot you, and I didn't know about the tornado.

309 - Okay, this was swell.
310 - Wait, wait, wait.
311 - So, you forgot me?
312 - Okay, you're mad.
313 - Actually, no.
314 - I mean, if we were still dating, I'd be super pissed.
315 - But we're not, so it's kind of funny.
316 - You know what? Let me buy you a burger.
317 - I can't believe you totally snaked a kiss under false pretenses.
318 - Yeah, I'm a little proud of that, yeah.
319 - Well, I'm a lock for next year.
320 - I introduced myself to everyone,
321 - and I know they liked me,
322 - 'cause they laughed at everything I said.
323 - I mean, I even shook hands with that nose-picking, chess-club guy.
324 - Ooh, I'd better wash up.
325 - - You ready? - Yeah.

4.16 Episode 16: Donna Dates a Kelso

1 - Extra! Extra! Read all about it!
2 - "Skinny Dillhole Talks Like an Idiot"?
3 - Yeah, yeah. I read it.
4 - No.
5 - Guess who was voted Point Place High's Most Eligible Viking?
6 - Tommy Larkin?
7 - Well, he is dreamy.
8 - No.
9 - Me. Thank you very much.
10 - Congratulations, Eric. I guess this opens up a whole new world for you.
11 - One where you can actually date chicks.
12 - And don't think I haven't already thought of that, my friend.
13 - "Bachelorina Number One.
14 - "I've been diagnosed with a disease that makes me irresistible to women.
15 - "If you were my doctor, what would you do
16 - "to treat me?"
17 - I'd order you to stay in bed for three weeks.
18 - With me.
19 - Uh-oh.
20 - I'm feeling better already.
21 - Bachelorina Number Two.
22 - Well, I'd have you strip down for a complete physical.
23 - Well, then I guess we know what's up, Doc.
24 - Number Three.
25 - I'd write you a prescription for love
26 - and tell you to take me three times a day.

27 - Careful, I might OD.
 28 - Well, Eric,
 29 - it's time to choose.
 30 - Which one of these luscious, fawning chicks will it be?
 31 - Gosh, they all sound so great.
 32 - I can't decide.
 33 - Well, that's okay.
 34 - You're Point Place High's Most Eligible Viking.
 35 - You can have them all!
 36 - How tremendously fair!
 37 - Kelso, tell Eric what he gets!
 38 - Bachelorina Number One
 39 - is a hot cheerleader.
 40 - Bachelorina Number Two is a hot cheerleader.
 41 - Bachelorina Number Three is a hot gymnast
 42 - who used to be a hot cheerleader.
 43 - Well, until next time,
 44 - this is Eric's jealous friend Hyde saying,
 45 - "I wish I was Eric Forman. So long!"
 46 - Forman, don't put me in your fantasies.
 47 - I don't even like being in your real life.
 48 - You can put me in your fantasies, I don't mind.
 49 - I don't have a lot going on.
 50 - Hanging out
 51 - Down the street
 52 - The same old thing
 53 - We did last week
 54 - Not a thing to do
 55 - But talk to you
 56 - We're all all right
 57 - We're all all right
 58 - Hello, Wisconsin!
 59 - Oh, hey, Donna.
 60 - Hey, um, did you see the school paper?
 61 - Oh, yeah. Field hockey team's going to State. Whoo-hoo!
 62 - Uh-oh. Looks like someone doesn't wanna talk about the new
 63 - Most Eligible Viking.
 64 - Look, Donna, this whole, uh,
 65 - "most eligible" thing has really taught me something.
 66 - Um, I'm pretty.
 67 - So, what do you say,
 68 - like, we officially start dating other people?
 69 - Oh, I've been waiting for your permission.
 70 - And can I stay out past 9:00, please, please?
 71 - Okay. As long as you can be cool when you see me
 72 - with one, two or seven of Point Place's juiciest tomatoes.

73 - It's just like old times.
74 - Eric and Donna talking about meaningless crap that affects only them.
75 - I've missed it so.
76 - I have missed it.
77 - I don't have a lot going on.
78 - Hey, look here.
79 - That '58 Corvette down at the used-car lot is still for sale.
80 - Oh, and look here. That diamond bracelet down at the mall is still for sale.
81 - Hey, Red, get this.
82 - A while back, I'm in my car crying 'cause Midgie was gone,
83 - and I kept having to reach into the glove box for tissues.
84 - Oh, that's dangerous.
85 - One time I had to blow my nose,
86 - nearly hit that cockeyed girl down the street.
87 - I could've sworn she was looking right at me.
88 - So I attached a box of tissues to the sun visor,
89 - sold the idea for a bundle, and voila.
90 - The Weeper Keeper was born.
91 - Oh, God. Are you rich again?
92 - Yep.
93 - I'm back to my I-can-buy-anything-I-want former self.
94 - Just picked up two sombreros and a case of Lik-M-Aid.
95 - Where are you gonna wear a sombrero, Bob?
96 - Where won't I wear it?
97 - Okay, you guys,
98 - which one of these lucky ladies gets to go out
99 - with Point Place High's Most Eligible Viking?
100 - Start with the gymnastics team,
101 - but go with the second string.
102 - Just as limber, but with something to prove.
103 - How about her?
104 - Yeah, I made out with her once.
105 - Okay, I don't want my tongue where Kelso's tongue has been.
106 - Oh, you better stay away from your mom, then.
107 - I was kidding!
108 - What about her?
109 - Hey, I know her, man.
110 - She's not all there, if you know what I mean.
111 - She's a space case, huh?
112 - No, she's missing a toe.
113 - Oh, you guys.
114 - There's that girl Emily. Problem solved.
115 - Excuse me, fellas.
116 - Hey, Emily.
117 - Oh, hi, Eric.
118 - I saw your name in the paper.

119 - God, that totally slipped my mind,
 120 - although I think I have a copy right here.
 121 - Look at him.
 122 - Donna, you have to start dating or you're gonna look pathetic.
 123 - And I'm gonna look pathetic for being seen with you.
 124 - I know. I'll set you up.
 125 - Okay, if you don't wanna do this, just say so.
 126 - I don't wanna do it.
 127 - Oh, you don't know what you want.
 128 - Oh, my God.
 129 - Oh, my God.
 130 - Rhonda just said she has something special
 131 - to share with me tomorrow night.
 132 - It can only mean that we're going to do it!
 133 - No, no, no, listen to me. I need a place to do it.
 134 - Roomy and cheap.
 135 - Just like my Rhonda.
 136 - You can use the Fotohut, man.
 137 - I'm always happy to lend it out for deflowering and bar mitzvahs.
 138 - Thank you, Leo.
 139 - Tomorrow night, Fez becomes a man.
 140 - Oh, so it is a bar mitzvah.
 141 - Well, Bob, thanks for insisting on coming along.
 142 - So, Red, what's so special about this thing?
 143 - It's barely got a trunk.
 144 - Where do you put the groceries?
 145 - This car isn't about groceries.
 146 - It's about freedom.
 147 - Speaking of freedom, they got free doughnuts.
 148 - Ah...
 149 - So long, dumb-ass!
 150 - - Hey, Red. - Hey. Oh, yeah.
 151 - Yeah, there's plenty of legroom in here.
 152 - Glad you like it. I just bought it.
 153 - You what?
 154 - Yeah, I'm picking it up tomorrow.
 155 - Sure hope that trunk will hold my sombreros.
 156 - Oh, is it my turn?
 157 - Oh, funny, 'cause tonight is also my turn, uh, to do it.
 158 - Guess what, Eric. Donna has a date tonight, too.
 159 - Yep, yep, yep.
 160 - I set her up with Michael's older brother, Casey.
 161 - Oh, man, Donna's going out with Casey Kelso?
 162 - Casey "What's the big deal? It's just a misdemeanor" Kelso?
 163 - Man, that's gonna be the best bad date ever.
 164 - Hey, we should hide in the trunk.

165 - Oh, like Sprite and Chim Chim!
166 - Oh, my God. I would pay to see that date.
167 - "So, Casey,
168 - "what are your thoughts on feminism?"
169 - "Well, Donna, I think it can munch my butt."
170 - All right. Hey. My brother's not that bad, okay?
171 - He taught us a lot of good, useful stuff about chicks,
172 - like, the bigger the boobs, the smaller the brain.
173 - And that's a timeless truth.
174 - I'll tell you another timeless truth.
175 - I'm going to do it!
176 - I don't know why I let you set me up with Casey Kelso.
177 - From what I remember, he's, like, a Kelso.
178 - Ooh! He's here. Okay, come on. Try to look pretty.
179 - That's it? That's all I get is a honk?
180 - What kind of a jerk won't even come to the door?
181 - Oh, my God.
182 - - Casey? - Hey, Pinciotti.
183 - Man, you really grew into those legs.
184 - Yeah, and you, your arms seem bigger.
185 - You...
186 - - So you ready to roll? - Roll? I'm ready.
187 - We're gonna roll.
188 - Fez, honey, what are you...
189 - Did you come for cake?
190 - No, I... Do you have cake?
191 - No, no, no. I came here because I have this... friend.
192 - Oh, really?
193 - What's his name?
194 - Name?
195 - Johnny
196 - Table.
197 - And what's Johnny Table's problem?
198 - Well, he and his girlfriend are about to do something very special
199 - for the first time.
200 - You mean, they're going to engage in...
201 - Putt-Putt.
202 - They are going... They're going to Putt-Putt.
203 - And she has putted around quite a bit.
204 - But he is a virgin putter.
205 - A virgin putter.
206 - He has never putted.
207 - I see.
208 - And my friend, uh...
209 - Ay...
210 - - Johnny Table? - Yes.

211 - Um, he cannot talk to Eric or Kelso or Hyde
 212 - because they make fun of me.
 213 - Him, Johnny...
 214 - Table.
 215 - So he's coming to you.
 216 - Well, honey, you tell Johnny Table to be respectful
 217 - and wear a condom.
 218 - Thank you, Mrs. Forman. That's good advice.
 219 - So, uh, may I have my piece of cake now?
 220 - And one for Johnny Table.
 221 - So, when my dad saw that I had broken the TV with the bowling ball, I
 said,
 222 - "You fix it, dumb-ass!"
 223 - Ah, it shut him up.
 224 - You know, Eric, I've had a crush on you for so long.
 225 - Well, since the paper came out.
 226 - Oh, right, the Most Eligible Viking.
 227 - Well, that's just good reporting.
 228 - I can't believe you're Kelso's brother.
 229 - I mean, you're nothing like him.
 230 - 'Cause he's, like...
 231 - And you're all...
 232 - - Hey, you want a cold one? - Okay.
 233 - Thanks.
 234 - This is fun.
 235 - I've been spending, like, way too much time worrying about my mom and
 stuff.
 236 - Hey, I learnt something in the Army.
 237 - When things are tough,
 238 - turn up the music and crack open another beer.
 239 - Yeah, you mean, like, things will eventually get better?
 240 - I don't know about that. But if they don't, at least you'll have a beer.
 241 - Red, guess what.
 242 - I went down to pay for my Corvette,
 243 - and some jerk-wad bought it out from under me.
 244 - Oh. Well, that's a tough break, Bob.
 245 - But you know what would make you feel better?
 246 - A look at my new Corvette.
 247 - Oh, my goodness, it's beautiful.
 248 - You bought my car?
 249 - That doesn't make me feel better, Red.
 250 - I'm sorry. Did I say make you feel better?
 251 - I meant make me feel better.
 252 - Leo, thanks for letting me use The Fotohut for my date with Rhonda.
 253 - And when I say date, I mean do it!
 254 - Hi, Fez.

255 - Rhonda, you look beautiful.
256 - Well, I'll leave you two with the same advice my father gave me,
257 - "Get a job, dopehead."
258 - So, here we are.
259 - You know, Fez, I've been with a lot of guys.
260 - You're more special than any of them.
261 - Now, I've cleared a space right over here.
262 - And because I care about you and about us,
263 - I wanna wait.
264 - Wait?
265 - Rhonda, hear me now, things are turning blue.
266 - But... But, Fez, I love you.
267 - But... But...
268 - Oh, I love you, too.
269 - - Really? - Yes, damn it.
270 - So if you want to wait, we'll wait.
271 - Ah, come here, cocoa puff.
272 - Yeah, this is nice.
273 - Now, if you'll excuse me, I have to go sit in the snow.
274 - So, anyway, I just turn to my dad and I say,
275 - "Yes, I am some sort of wise-ass."
276 - Well, shut him up.
277 - Anyway, this was fun.
278 - Call me?
279 - Okay.
280 - Hey, Emily!
281 - - On the phone, silly. - All right.
282 - I am silly.
283 - Hey, Foreplay, is that you?
284 - "Foreplay." I forgot about that.
285 - - Come here, little guy. - Okay, all right.
286 - Okay, all right. Good to see you.
287 - Okay. Okay, all right. Okay. Okay.
288 - Man, you haven't changed a bit.
289 - Still got that haircut, huh?
290 - No.
291 - So, uh, they let you out of the Army, huh?
292 - Yeah.
293 - It was kind of like they were always trying to tell me what to do.
294 - Hey, uh, Pinciotti tells me
295 - you and her used to go out, but you dumped her.
296 - Well, yeah. But it was kind of complicated with the ring
297 - - and we talked, but she... - Yeah, it's a great story.
298 - - Anyhow, I'll see you around, Pinciotti. - Okay.
299 - You, too, Foreplay.
300 - Yeah, okay.

301 - Ooh, Casey Kelso, huh?
302 - Better luck next time.
303 - No, actually, I think I might go out with him again.
304 - Okay.
305 - What?
306 - Okay.
307 - But, um, I have just two words for you,
308 - Donna Kelso.
309 - See you.
310 - What, no! But think of the children!
311 - Little redheaded morons!
312 - They'd have to go to special schools! It'd be expensive!
313 - Donna and Casey.
314 - He's a Kelso!
315 - Behold, my friends.
316 - Your lovable foreign exchange student, Fez, has done it.
317 - With a woman.
318 - Fine, I'm still a virgin!
319 - You forced it out of me!
320 - Stop looking at me!

4.17 Episode 17: Kelso's Career

1 - Guys, look what I got for Big Rhonda.
2 - Oh, it's so nice to have a girlfriend on Valentine's Day.
3 - Yeah, it definitely increases the chance of getting your fun-stuff touched.
4 - Well, sorry, fun-stuff.
5 - Looks like it's just you and me this year.
6 - Unless...
7 - - Sorry, fun-stuff. - Yeah.
8 - Oh, Rhonda's going to love these.
9 - I just have to not eat them until Valentine's Day.
10 - But you love candy.
11 - Some would say it's an unnatural love.
12 - Yes, I do love candy. But I love Rhonda more.
13 - Really? 'Cause there's three pieces missing.
14 - Fine. I love her the same.
15 - Hi, sweetie. How was work?
16 - I am so exhausted.
17 - Yeah, the commute from Austria must be a real bitch.
18 - A bus full of old people stopped by the Cheese Palace.
19 - And when they saw free samples, all hell broke loose.
20 - But the good news is, I got paid!
21 - Oh, that's great.
22 - Because Valentine's Day's coming up, and I need you to give me money
23 - and tell me whatever foo-foo crap gift you want to get.

24 - Michael, I'm not doing that again.
25 - Last year I gave you money and you bought a bag of plastic dinosaurs.
26 - For you!
27 - Look,
28 - you need to make some cash and buy me something nice,
29 - because I worked way too hard for my money,
30 - and you're not getting any.
31 - Oh, I smell like hickory!
32 - Oh, this bites.
33 - Hey, Fez, how's it going with not eating the candy?
34 - Fine, thank you.
35 - Hanging out
36 - Down the street
37 - The same old thing
38 - We did last week
39 - Not a thing to do
40 - But talk to you
41 - We're all all right
42 - We're all all right
43 - Hello, Wisconsin!
44 - Oh, my God. Casey Kelso's here.
45 - What?
46 - Oh, my God. He is so fine.
47 - You know,
48 - if you marry Casey and I marry Michael, we'll be like sisters.
49 - Yay!
50 - Okay, go talk to him.
51 - I don't know.
52 - I want to go baby shopping with you. Now go!
53 - All right. Shut up.
54 - Oh, my God. Casey.
55 - Hey, Pinciotti. How you been?
56 - Love the jeans.
57 - Really? They're blue.
58 - Um...
59 - So what have you, like, you know, been up to?
60 - I been working part-time for the railroad.
61 - They leave a lot of stuff unlocked.
62 - You need any Cheerios or rebar?
63 - No, I'm good. Thanks.
64 - Right on. Well, listen,
65 - I'll give you a call sometime, but right now I gotta go see a guy.
66 - He's got a leather steering wheel cover.
67 - Oh, yeah. For the Trans Am.
68 - Yeah. I was thinking about using my GI Bill for college,
69 - but, uh, Trans Ams just kick so much ass.

70 - I love the Trans Am.
 71 - Everybody does.
 72 - - See ya. - Okay, bye.
 73 - He's gonna call me.
 74 - You gave him your number?
 75 - Of course I... didn't. Damn it!
 76 - Oh, that's okay. Kelsos never call. They're like dogs.
 77 - They're cute, but they can't work a phone.
 78 - Hey, Jackie.
 79 - I thought about what you said.
 80 - About making money, so I can get you a Valentine's Day gift, right?
 81 - And then I realized that it'd mean a lot more
 82 - if I gave you something that I crafted with my own two loving hands.
 83 - Oh, my God. It's horrible!
 84 - No, it's an address rock. You put it on your lawn.
 85 - Happy Valentine's Day, my love.
 86 - Michael, a rock is not a romantic gift.
 87 - And that's not even my address.
 88 - That's my address.
 89 - No, it isn't.
 90 - That's my dad's address rock!
 91 - No, it isn't!
 92 - Hey, Dad. You want this?
 93 - Thanks, son. I love you.
 94 - I'm sorry. What?
 95 - I love you. I really do.
 96 - Yeah.
 97 - Yeah.
 98 - Donna.
 99 - What are you doing at my house?
 100 - Nothing. I just thought I'd come by and see what you were up to.
 101 - Oh, you're here to see Casey, aren't you?
 102 - Casey, your lover's here!
 103 - You love my brother. You're gonna do it with...
 104 - Ow! Mom!
 105 - - Thank you. - No problem.
 106 - Spaz face!
 107 - - Hey, there. - Hey.
 108 - Um, you were gonna call me,
 109 - and I remembered I never, like, gave you my number.
 110 - So, anyway, here's my number.
 111 - Well, you know, I was gonna get that from you tomorrow night
 112 - when we go out.
 113 - - We're going out? - Yeah.
 114 - I'll pick you up at The Hub after school.
 115 - I'll be in the Trans Am.

116 - I love the Trans Am.
117 - Everybody does.
118 - Later, Pinciotti.
119 - Pinciotti.
120 - Mom, was Dad abducted by aliens
121 - and replaced by an identical creature programmed to love?
122 - Honey, this is breakfast. Don't ask me things.
123 - He told me he loved me.
124 - Your father?
125 - No!
126 - Yeah.
127 - I think I know what happened.
128 - I gave your father an early Valentine's Day card
129 - that said what a wonderful husband and father he is,
130 - and it rhymed, and maybe it touched him.
131 - It didn't look like it touched him.
132 - He just... He got up and got a beer.
133 - But maybe deep down...
134 - Deep, deep, deep down,
135 - something woke up.
136 - I am so glad he loves you.
137 - Yeah, but, Mom, this is weird. He's never said that. Ever.
138 - I mean, one time I saved him from getting hit by a lumber truck,
139 - and I think he was about to say it, but then he said,
140 - "Get in the car."
141 - But how am I supposed to handle this?
142 - You think I should say it back?
143 - Mmm.
144 - He's gonna hit me.
145 - Maybe not.
146 - I can't believe that Jackie wants me to get a job.
147 - I mean, my plan has always been to coast through life on my good looks.
148 - I mean, look at me! It's like I was chiseled out of marble.
149 - Okay, you guys, here it goes.
150 - Dad,
151 - I love you.
152 - I love you, Pop.
153 - Poppy? Pappy? Daddy? No.
154 - Oh, I have to... I have to stop eating Rhonda's chocolates.
155 - Oh, it's hopeless.
156 - Kelso, if you need to make some quick cash, just sell your blood.
157 - And you! You've had enough of this!
158 - No, I can stop anytime I want.
159 - I am not selling blood.
160 - I mean, there's no way that anything inside of my body's coming out for cash.

161 - Well, that's too bad, Kelso,
 162 - 'cause I hear there's this clinic in Madison
 163 - that'll pay you for your, um, manly donations.
 164 - Manly donations?
 165 - No way!
 166 - They'll pay you for that?
 167 - Well, I'll do that. I'm good at that.
 168 - "Do you have any serious medical conditions?"
 169 - Puked after
 170 - Crunch Berry eating contest.
 171 - You know what? I'll just finish that for you.
 172 - - Thank you. - Now, Mr. Chang,
 173 - you'll be in Room 2.
 174 - Some of our clients prefer a magazine.
 175 - Would you like one?
 176 - Nah. Farrah was on Carson last night.
 177 - I should be good to go.
 178 - Okay, so I was in the kitchen and Red came in,
 179 - and I was gonna tell him I loved him.
 180 - But then he said if my hair got any longer,
 181 - he was gonna buy me a pair of boobs. So...
 182 - Yeah, you're in a tough spot.
 183 - But just know I'm here for you, 'cause... I love you.
 184 - You know what would make Forman feel better? A piece of that candy.
 185 - No, no, no. There's only nine left.
 186 - I will guard them with my life.
 187 - Hyde!
 188 - Eric!
 189 - Fez.
 190 - Easiest money I ever made.
 191 - They paid me 50 bucks for my underpants navy.
 192 - You mean your corduroy commandos?
 193 - Yeah, your team from the inseam?
 194 - Your Battle-pants Galactica?
 195 - Battle-pants Galactica. Nice one. Wow.
 196 - It just came to me. Thank you.
 197 - Man, this job is the greatest.
 198 - It combines all my interests, hobbies and skills
 199 - into one money-making endeavor.
 200 - I'm gonna get Jackie a sweet gift.
 201 - - Popcorn? - Dude!
 202 - Oh, forget it.
 203 - All right, Kelso. Where the hell is your moron brother?
 204 - He was supposed to meet me at The Hub, and he totally blew me off.
 205 - Whoa. A Kelso blew you off?
 206 - Oh, my God. What a shock.

207 - Oh, hey, uh, Colonel Mustard called. He said, "Get a clue".
 208 - What is wrong with you Kelsos?
 209 - Did all of you get dropped on your heads?
 210 - You know, if you're mad at Casey, why don't you go yell at him?
 211 - I'm too tired from working all day to argue.
 212 - Oh, to be a working stiff.
 213 - So,
 214 - Red, you big, old softy,
 215 - did anything special happen yesterday?
 216 - Special? Well, let's see.
 217 - The dentist called with a cancellation, so I went in,
 218 - and the sadistic son of a bitch found a cavity.
 219 - The next thing I know, I'm hopped up on drugs,
 220 - and he's taking a jackhammer to my jaw.
 221 - I spent the rest of the day in a fog.
 222 - Oh, no.
 223 - Oh, my God. You don't remember what you said to Eric?
 224 - Kitty, I don't even remember how I got home.
 225 - All right, Dad.
 226 - Look, I tried to figure out the right words,
 227 - and then I realized I just gotta say it. So...
 228 - - Wait, Eric... - Mom, please.
 229 - Dad, I...
 230 - Stop!
 231 - He was drugged!
 232 - ...love you.
 233 - Go to your room.
 234 - Rhonda is going to be so disappointed.
 235 - All that remains is one lonely candy.
 236 - Look!
 237 - More candies!
 238 - It's a Valentine's Day miracle.
 239 - Oh, candy,
 240 - you've got me under your spell!
 241 - Jackie, I couldn't wait till Valentine's Day.
 242 - So, here.
 243 - Oh, my God. Michael, these earrings are gorgeous.
 244 - Big day at the office?
 245 - Yeah, I worked a double shift.
 246 - Wait, wait. You got a job?
 247 - Michael, I am so proud of you.
 248 - Well, now, if it wasn't for you pushing me,
 249 - I would've never realized how good it feels
 250 - to roll up my sleeves, get a little sweaty and earn some cash.
 251 - Oh, this is so exciting.
 252 - I can't wait to come visit you at work.

253 - That'll speed things up.
254 - What's he talking about?
255 - Oh.
256 - I've been selling my love nectar.
257 - What?
258 - Michael, you can't do that. You're hot.
259 - Women are gonna want to take your little Kelsos home.
260 - Oh, my God, she's right.
261 - Think about it. A world full of Kelsos.
262 - Libraries will fall into disrepair.
263 - There'll be feathered hair as far as the eye can see.
264 - We'll have to put padding on every sharp corner!
265 - Those sharp corners can be hazardous, man.
266 - I mean, come on, it's 1978! Things should be round by now!
267 - Hey! Hey, Casey!
268 - Hey, Pinciotti.
269 - What the hell happened to you? I was waiting at The Hub!
270 - Oh, man.
271 - See, the thing is, when I went to go pick up the steering wheel cover,
272 - the Trans Am was running kind of rough, so I thought I'd rebuild the carburetor.
273 - But I was waiting at The Hub.
274 - Well, you want a smooth ride, don't you?
275 - I just think
276 - that if you say you're gonna be someplace, that you should be there.
277 - Oh, man, I guess I flaked.
278 - I've just got this thing where a lot of times I don't show up.
279 - I don't know what to do about it.
280 - How about showing up?
281 - I guess I could give that a shot.
282 - So this will never happen again?
283 - No, I'm pretty sure it'll happen again.
284 - But we'll light that firecracker when we come to it.
285 - Fair enough.
286 - I can't believe this. When I got here, I was so mad at you
287 - and I already totally forgave you.
288 - Yeah. Everybody does.
289 - I'm sorry, miss, but I can't give it to you.
290 - The donor himself is the only one who has legal rights over the specimen.
291 - Fine!
292 - Michael, you get them!
293 - You're the only one who has rights over your "special men."
294 - Jackie, what do you care what I do with my special men?
295 - Specimen. I said, "Specimen."
296 - I care because if there are gonna be any little Kelso babies,
297 - well, I want them to be ours.

298 - Oh.
299 - - You want to have my children? - Well, yeah.
300 - I mean, if you get rich and don't lose your hair, because I love you.
301 - I love you, too.
302 - You can't do that here.
303 - Oh, she's right. Yeah, we'll be in Room 2.
304 - - Dad. - Oh, crap.
305 - I was hoping that you wouldn't find me back here.
306 - Well, that's a good icebreaker. Look, um,
307 - about the "love" incident...
308 - All right. Stop right there.
309 - There are only a few times in life
310 - when it's acceptable for a man to use that phrase.
311 - When he's drunk, when he's dying
312 - or when he's in big trouble and that's the only way out.
313 - Which usually means he's drunk.
314 - - So, other than that... - Other than that,
315 - it's just a given.
316 - Oh.
317 - Hey, you just kind of told me...
318 - No, I didn't.
319 - - Yes, you did. - Well, I'm drunk.
320 - Clearly, I'm drunk.
321 - Daddy, be my Valentine.
322 - Do I have to hit you? Go to your room.
323 - Okay.
324 - Good news!
325 - My boys are back in friendly hands.
326 - Ironically, that's just where they started their journey.
327 - That's a shame, Kelso.
328 - It's the one job I knew you could've been a success at.
329 - Thanks, Hyde.
330 - Kelso, get that nasty bag of genetics out of my basement.
331 - This bag?
332 - Ahhh! Burn! It's just a big bag of candy.
333 - Candy? What kind of candy?

4.18 Episode 18: Leo Loves Kitty

1 - Hey, you guys! Great news!
2 - I was walking around Halverson's department store,
3 - and the owner comes right up to me, and he offered me a modeling job.
4 - Yeah.
5 - Whoo!
6 - Wait, wait. He just offered you a modeling job?
7 - Yeah, sounds a little suspicious.

8 - I mean, how do you know it was the owner?
 9 - Because it was Mr. Halverson.
 10 - How do you know it was Mr. Halverson?
 11 - Because I said, "Aren't you Mr. Halverson?"
 12 - And he said, "Yeah."
 13 - Hey, Hyde, aren't you Mr. Halverson?
 14 - Yeah.
 15 - See? Look, Michael. I've been in that store over a hundred times,
 16 - and Mr. Halverson never asked me to be a model.
 17 - And if Mr. Halverson never asked me to be a model,
 18 - then there's no Mr. Halverson.
 19 - It's a scam.
 20 - I don't know. It doesn't sound like a scam to me.
 21 - Thank you, Donna.
 22 - Sounds like Mr. Halverson wants you for his lover.
 23 - Either way, I'm flattered.
 24 - Hyde, will you teach me how to drive the El Camino?
 25 - Rhonda's car is a stick, and until I learn to drive it,
 26 - I have to sit in the lady seat.
 27 - - No way, man. The Camino's cherry. - Please?
 28 - - No. - Please, please, please?
 29 - No.
 30 - Please, please, please, please, please, please, please, please,
 31 - please, please, please, please, please, please, please...
 32 - Please, please, please, please, please, please, please, please,
 33 - please, please, please, please, please, please, please, please,
 34 - - please, please, please, please... - All right! All right!
 35 - You can use the El Camino.
 36 - But you have to be careful, all right?
 37 - I don't want anything to happen to my baby.
 38 - Aw, thanks for your concern, Hyde, but I'll be fine.
 39 - And let the clutch out gently, okay?
 40 - - This car's very powerful. - Hyde.
 41 - We've been sitting here for half an hour.
 42 - Will you just shut your hole and let me drive?
 43 - Okay, you're clear.
 44 - In front of you.
 45 - Man, I picked a bad place to take a nap.
 46 - Hanging out
 47 - Down the street
 48 - The same old thing
 49 - We did last week
 50 - Not a thing to do
 51 - But talk to you
 52 - We're all all right
 53 - We're all all right

54 - Hello, Wisconsin!
 55 - Hey, Todd, I'm gonna take my break now. Michael's stopping by.
 56 - Still dating that guy?
 57 - I guess that's fine, if you like the handsome type.
 58 - But does he have a picture of himself with the guy who played Chewbacca?
 59 - 'Cause I do.
 60 - Hey, Jackie! More great modeling news.
 61 - They're starting me in underwear.
 62 - Look, I got a W-4 and a body-waxing kit and everything.
 63 - Oh.
 64 - So you're really an underwear model?
 65 - No, not just underwear, briefs.
 66 - I mean, usually, you have to spend a year cutting your teeth in boxers
 67 - before you even get into the tight stuff.
 68 - You know what? I don't have time for this right now.
 69 - It just isn't important.
 70 - But, Jackie...
 71 - Hey, maybe you didn't hear the lady.
 72 - She's busy. So hit the road, guy.
 73 - I'm her boyfriend, guy.
 74 - Nuh-uh.
 75 - When she works here, her boyfriend is every man, woman, and child
 76 - that walks in here for cheese.
 77 - Well, I don't have any money for cheese.
 78 - But I'm going to go get some, and then we'll see whose boyfriend is whose.
 79 - Let me tell you something, Jackie.
 80 - As a roving associate junior manager for Cheese Palace Incorporated,
 81 - I've seen a lot of things.
 82 - Some I can't talk about.
 83 - But I will tell you two things.
 84 - One, with the German population that this town has,
 85 - we should be moving a lot more sausage.
 86 - Two, you're a stone-cold fox.
 87 - I've said too much. I'll be in the cooler.
 88 - Now, if your gown falls open again,
 89 - there's no need to ring the little buzzer.
 90 - You can just cover up by yourself.
 91 - Okay, um, I'll be right back with your blankie.
 92 - Thankie.
 93 - Leo, I'm so sorry I hurt you.
 94 - That's all right, man. I'll be fine.
 95 - Least I still got it all up here.
 96 - But that's just good genes, man.
 97 - My father had a good hairline, too.
 98 - Well, nice job, Fez.
 99 - The fender's dented, the taillight's shot, so you owe me 80 bucks.

100 - Okay, good luck with that.
 101 - I'm broke.
 102 - Well, like my mom used to tell me, "Shut up and give me some money!"
 103 - Hey, you guys, I was just next door,
 104 - and you know that weird kid from school who's always saying he can fly?
 105 - Yeah, he can't.
 106 - So, Leo, how's the hospital?
 107 - Oh, it's great, man.
 108 - Cable TV, free parking,
 109 - don't have to get out of bed to take a pee.
 110 - It's just like a hotel.
 111 - And Nurse Kitty and I have had some good times.
 112 - Chances are
 113 - 'Cause I wear a silly grin
 114 - The moment you come into view
 115 - Chances are you'll think
 116 - That I'm in love with you
 117 - Okay, Leo, I'm going to get you a surprise dessert.
 118 - It jiggles
 119 - and it rhymes with "Jerry cello."
 120 - I love you, too, Kitty.
 121 - I love you, too.
 122 - Chances are
 123 - Silly grin
 124 - Hey, Eric, where's Donna?
 125 - Oh, she's out with Kelso's brother.
 126 - Which means it's only a matter of time before she calls us from the holding
 cell.
 127 - Well, I need a woman's opinion.
 128 - Eh, you're close enough. Look.
 129 - I'm just really upset about Michael modeling.
 130 - I mean, that was our dream. Together.
 131 - But for me!
 132 - There's a fragrance that's here today
 133 - And they call it Jackie
 134 - A flashy scent for your nasal caves
 135 - And they call it Jackie
 136 - Kind of new, kind of now, Jackie
 137 - Kind of free, kind of wow, Jackie
 138 - You won't be pretty like Jackie is
 139 - But you'll smell like Jackie
 140 - Yeah
 141 - Wait, so, um, in your dream, you're a model, and Kelso's, um,
 142 - not there.
 143 - Whereas in real life, Kelso's a model, and you, um,
 144 - sell cheese.

145 - That is delightful.
146 - Hey, Red.
147 - Could you give these to your wife, please?
148 - And tell her I love her.
149 - I'll give her the message. - Thank you.
150 - Oh, boy!
151 - You got a date for the stoners' ball.
152 - "Roses are red. Violets are blue. Milk, eggs, coffee."
153 - Who's the most handsome man on earth?
154 - U-R.
155 - Michael, I've thought about your modeling job,
156 - and I came to a decision.
157 - I can't let you take your pants off in public.
158 - But I take my pants off in public all the time.
159 - You never said anything before.
160 - Because before, you weren't doing it for your glamorous new career.
161 - You were doing it for the love of being pantsless.
162 - So, now promise me you won't do it.
163 - - Michael? - Fine.
164 - I promise.
165 - I heard that.
166 - You said, "I promise."
167 - There is no "L" in promise.
168 - Michael, promise me with an "R."
169 - Fine! I promise.
170 - Okay, you promise to what?
171 - I promise I won't model my undelwear.
172 - Michael!
173 - Oh, fine!
174 - - That jerk. - He really is a jerk.
175 - And you smell nice.
176 - So?
177 - Does it make you wanna buy underwear?
178 - No, it makes me wonder who this guy is you're massaging.
179 - That's Daryl.
180 - And we're not massaging. It's posing.
181 - Shut up.
182 - God, he's got a girlfriend. I've got a girlfriend.
183 - Yeah, and her name is Daryl.
184 - Hey, Fez.
185 - Got that 80 bucks yet for the El Camino?
186 - As a matter of fact, I do happen to not have it yet.
187 - Well, why don't I hold on to this until you do?
188 - My candy.
189 - You'll get your 80 bucks.
190 - In hell!

191 - Hey, Jackie, how's it going?
192 - You know, Michael, not so good.
193 - You lied to me and you stole my dream.
194 - How's it going besides that?
195 - You knew I always wanted to be a model,
196 - and you took the job anyways.
197 - I mean, if Mr. Halverson had offered me a job as a spaceman,
198 - I would have said no, 'cause that's your dream.
199 - I thought that out of everyone,
200 - that you would be the one to be happy for me,
201 - 'cause you're supposed to love me.
202 - Well, if that's what you expected from me,
203 - then obviously you don't know me very well.
204 - Okay.
205 - Well, when you're ready to apologize, I'll be downstairs modeling stuff.
206 - But, Michael...
207 - Oh, damn!
208 - Man, if I was your boyfriend, I'd be giving up modeling for you,
209 - and then taking it back up again, just so I could give it up again.
210 - Well, I'm off to the Fotohut.
211 - Hope my new boyfriend doesn't try to make a pass at me.
212 - I don't think we have to worry about that.
213 - I see.
214 - Kitty, I just mean the whole thing is so silly.
215 - It's just so silly. It's silly.
216 - Well, it didn't used to be silly.
217 - I remember a time when you'd beat up a guy just for looking at me.
218 - Oh, come on, Kitty. I'm not worried about you and other guys.
219 - I mean, you're a little old for crushes.
220 - What?
221 - Oh, I didn't mean "old."
222 - I meant advanced in beauty.
223 - Hey. Michael and I had a fight.
224 - Maybe if we pretend she's not here, she'll just
225 - go away.
226 - - I've tried. It doesn't work. - Hmm.
227 - Look, he actually stood up to me.
228 - Things are changing between us.
229 - I just don't know how to keep them the same.
230 - I mean, he's not just modeling.
231 - He's, like, leaving me behind.
232 - Look, Jackie, you just...
233 - You can't keep trying to control him.
234 - Yeah, that's how Eric ran me off.
235 - Yep, that's...
236 - Thank you. Thank you for that.

237 - Look, Jackie.
 238 - Take it from a guy who pretty much
 239 - hasn't been to second base in over two months.
 240 - You gotta let him have his own life.
 241 - You know, maybe you guys are right.
 242 - Maybe the only way to keep someone you love is by letting them go.
 243 - You know, a teacher told me that once.
 244 - But she had grown-up braces, so I didn't listen.
 245 - Oh, no.
 246 - Yep, it's me.
 247 - Hey, is my lady around?
 248 - Leo, buddy, we gotta talk.
 249 - You're getting me in a lot of trouble around here.
 250 - - Now, I'm begging you... - Who is it, Red?
 251 - Listen, hophead!
 252 - I love that woman with a fiery passion
 253 - that consumes my soul! That's right!
 254 - So you can either walk out of here on your own,
 255 - or you can hop out of here with my boot in your ass!
 256 - Okay, I choose the one with nothing in my ass.
 257 - Good choice!
 258 - Well, Red,
 259 - that was a pretty good show you put on there.
 260 - You poured it on with a fiery passion that consumed your soul.
 261 - Hey, if you think I'm putting on a show to get out of the doghouse,
 262 - you're way off-base.
 263 - If I wanted to get out of trouble, I'd just tell you how pretty you look,
 264 - which I've been meaning to tell you.
 265 - You do.
 266 - - Oh, stow it. - Oh, fine.
 267 - But, Kitty, you gotta understand.
 268 - If I got mad at every guy that looked at you, I'd drive myself crazy.
 269 - I don't even wanna think about all those patients down at the hospital
 270 - making googly eyes at you!
 271 - Not to mention the doctors.
 272 - Don't get me started on those perverts!
 273 - They think the nursing staff is their own personal dating service!
 274 - Glorified plumbers!
 275 - Okay.
 276 - All right, Red. You're getting very upset.
 277 - In fact, you look downright miserable.
 278 - That makes me so happy.
 279 - Hey, Donna. I just went to the store. Check out my new
 280 - empty bag.
 281 - Empty bag, huh?
 282 - If it's empty, why are you so excited?

283 - Oh, well, because of its amazing potential for storage.
 284 - Storage, huh?
 285 - It better be storing an El Camino taillight.
 286 - Candy again?
 287 - You sick bastard!
 288 - You keep your distance, scallywag.
 289 - Hey! If you guys don't shut up,
 290 - the phrase "empty bag" is gonna take on a whole new meaning for you.
 291 - - Huh? - What?
 292 - It's a thinker.
 293 - But trust me, you don't want it to happen.
 294 - Now, Hyde, you want money. Fez doesn't have it.
 295 - So we just need to think of something Fez can give you that's worth 80
 bucks.
 296 - *18 is your change. Have a nice day.*
 297 - *Now, I know totally nude Fez isn't original,*
 298 - *but everyone seems to be happy.*
 299 - *I'm happy.*
 300 - *I'm happy, too.*
 301 - *Hey, man, remember the 3 - foot rule.*
 302 - *All right. I'll stay right over here.*
 303 - *Great. Okay, the ball's your best friend. Give it a big smile. Great.*
 304 - *Now you're mad at the ball." Oh, I hate you, bad ball."*
 305 - *Great.*
 306 - *Oh.*
 307 - *Didn't expect to see you here.*
 308 - *Well, I didn't expect to come.*
 309 - *But I did a lot of thinking and...*
 310 - *No, no. What is it now?*
 311 - *You want me to drop out of high school?*
 312 - *Join the Salvation Army and goof and fight wars?*
 313 - *I came here to talk to you*
 314 - *- about your modeling and... - Yeah, Jackie,*
 315 - *I don't have time for it right now. It just isn't important.*
 316 - *Sound familiar? Oh, yeah.*
 317 - *- You should go now. - Wait, but...*
 318 - *Okay. Hey, let's build a sandcastle.*
 319 - *Oh, and it's your favorite thing in the world. Great!*
 320 - *Hey, some jerk just kicked it over. Boo - hoo - hoo.*
 321 - *Great.*
 322 - *Todd, what are you doing here?*
 323 - *I saw you fighting with Michael.*
 324 - *I thought there might be a problem.*
 325 - *Even though I really hope there's not a problem. Is there a problem?*
 326 - *Yeah, I think so.*
 327 - *Well, you know what would make you feel better?*

328 – *Coming to see a movie with me.*
 329 – *You know what?*
 330 – *Yeah. Yeah, let's go.*
 331 – *Mr. Forman, Mrs. Forman. How may I help you?*
 332 – *You can help me by getting some pants on.*
 333 – *And for the lady?*
 334 – *I'll have what he's shaving.*
 335 – *Say, don't come to my house anymore.*
 336 – *Go, honey, go!*

4.19 Episode 19: Jackie's Cheese Squeeze

1 - Jackie, you clocked out half an hour ago.
 2 - Did you come back to tell me something?
 3 - Because I feel the same way.
 4 - I was waiting outside for Michael to pick me up,
 5 - but the idiot never showed.
 6 - That's the third time this week.
 7 - Three strikes and he's out, according to the rules of baseball,
 8 - and love.
 9 - Actually, it's four strikes, if you count the time he showed up late
 10 - 'cause he had to see how The Jetsons ended.
 11 - Man, first he goes behind your back and takes that modeling job,
 12 - and now this whole Jetsons thing?
 13 - No futuristic cartoon could ever keep me from you.
 14 - I just don't know what's happening to us.
 15 - Okay. Jackie, you need to cheer up.
 16 - And the first step to cheering up is giving Todd a hug.
 17 - Oh, my God.
 18 - Oh, my God.
 19 - I am so glad I went shopping today.
 20 - Hanging out
 21 - Down the street
 22 - The same old thing
 23 - We did last week
 24 - Not a thing to do
 25 - But talk to you
 26 - We're all all right
 27 - We're all all right
 28 - Hello, Wisconsin!
 29 - - What do I do? - Run like the wind!
 30 - Eric!
 31 - Did you get a haircut? 'Cause I love it.
 32 - You look just like Parker Stevenson.
 33 - Oh, really? 'Cause I told the guy that he should...
 34 - No, no, no! That's not gonna work, tramp-face.

35 - I saw tongue.
 36 - Okay, Eric, I know you and I don't have the best relationship.
 37 - - You mean, I hate you, and you hate me? - Right.
 38 - So, let's turn over a new leaf
 39 - by you never telling Michael what you think you just saw.
 40 - Hmm.
 41 - Or I could just torture you with this information until I'm bored.
 42 - Eric!
 43 - Okay, you know what? I'll make you a deal.
 44 - You can buy two guaranteed hours of silence
 45 - by carving this wheel of cheddar into a handsome likeness of me.
 46 - And, go.
 47 - - Red, dinner's ready. - Five more minutes, Kitty.
 48 - A bunch of birds threw a "crap on my Corvette" party.
 49 - If I don't get it out, the paint will oxidize. Oxidize!
 50 - Well, why don't you just put the car in the garage?
 51 - Because if I put the car in the garage, I can't see it from the dinner table.
 52 - Kitty, don't give advice about things you don't understand.
 53 - Okay. I'm the crazy one.
 54 - Well, let's just go ahead and eat.
 55 - Oh, we're not doing that yet?
 56 - You know, ever since Red got his new car,
 57 - he can barely tear himself away from it.
 58 - You better watch out, Kitty, or you're gonna end up a Corvette widow.
 59 - Oh, no, he loves that car. He deserves it.
 60 - The last treat he bought himself was a pellet gun
 61 - to shoot the chipmunks that were stealing our tomatoes.
 62 - And I had to throw that away, because it was giving him war nightmares.
 63 - I'm glad you threw it out. That thing hurt.
 64 - Kitty, I know what I'm talking about.
 65 - As soon as my ex-husband got a boat, it was like he forgot I even existed.
 66 - So I divorced him, took the boat,
 67 - and spent a vigorous three-day weekend on it with the harbor master.
 68 - I don't think that's kitchen talk.
 69 - Okay, okay.
 70 - I saw Jackie making out with the guy from the cheese shop!
 71 - The little dude.
 72 - No way!
 73 - Yup. But you're the only one I told, so don't say a word to anyone.
 74 - Okay, my little secret squirrel?
 75 - My lips are sealed.
 76 - Good. 'Cause I knew I could count on you.
 77 - You always can.
 78 - Think about it.
 79 - We hold information
 80 - that could crush the very heart and soul of one of our best friends.

81 - I live for days like this!
 82 - Oh, but just remember, you're the only one I told.
 83 - Your secret's safe with me.
 84 - Well, you missed a nice dinner.
 85 - Joanne said the funniest thing.
 86 - She said I was gonna end up a Corvette widow.
 87 - Isn't that a kick?
 88 - Oh, Kitty, I wouldn't leave you for the car.
 89 - Who'd make dinner?
 90 - Oh, no.
 91 - I think it's the time to prove Joanne wrong.
 92 - How are you gonna prove Joanne wrong?
 93 - What surprising and thoughtful deed are you gonna do to prove Joanne wrong?
 94 - I'm gonna prove Joanne wrong
 95 - by taking you out
 96 - on a special date
 97 - - soon. Tomorrow. - Good answer!
 98 - Oh, hey, guys. It's Kelso's loyal girlfriend, Jackie.
 99 - Hi, Jackie.
 100 - Okay, I'm not here to stay. I just came to get Michael. Come on.
 101 - Oh, no, stay. We're just gonna hang out and fool around.
 102 - We all know how much you like to
 103 - fool around.
 104 - Okay, Michael, come on. Let's go to The Hub.
 105 - No, I want to stay here and fool around.
 106 - So, hey, Jackie, how's it going down at the cheese shop?
 107 - You must be so tired from giving it away at the mall.
 108 - What are you laughing at?
 109 - I don't know. What are you laughing at?
 110 - I don't know.
 111 - - What are you laughing at? - What are you laughing at?
 112 - I don't know.
 113 - What are you laughing at?
 114 - I really don't know.
 115 - - Come on, Michael. Let's go. - No, let's stay.
 116 - We could play Monopoly.
 117 - Oh, but that wouldn't be much fun, since we all know that
 118 - Jackie cheats.
 119 - I do not!
 120 - Oh, you do cheat. We've all caught you.
 121 - Red, this is supposed to be our special date.
 122 - There is nothing special about an auto show!
 123 - Oh, no?
 124 - How about it's special 'cause you're the only woman here.
 125 - You're the queen of the auto show!

126 - - Lord, grant me the serenity to accept... - Oh, come on, Kitty.
 127 - It'll be fun.
 128 - You're always saying how we should share each other's interests.
 129 - I only said that to get you to go to the figurine festival.
 130 - Okay, I do. I want us to share our interests, so I'll start.
 131 - Teach me about cars.
 132 - I'm excited!
 133 - That's my girl.
 134 - Holy crap.
 135 - Look at the paint job on that T-Bird.
 136 - Wait here. I'll be right back.
 137 - Wait, wait. Wait here?
 138 - Well, someone's gotta guard the car.
 139 - Who better than the queen?
 140 - Not on the bumper!
 141 - Oh, Jackie, great. Just the person I was looking for.
 142 - Look, I've got this itch
 143 - right above my shoulder. Be a good girl.
 144 - Give a little scratch.
 145 - Eric, I came here to talk to you about what happened yesterday.
 146 - Okay, but I can't hear you if you're not scratching.
 147 - Yeah!
 148 - Things between me and Michael have been weird lately.
 149 - And when Todd kissed me, I guess I just gave in 'cause I felt vulnerable.
 150 - But I made a terrible mistake.
 151 - And I was hoping you'd show me some compassion.
 152 - Compassion.
 153 - Wait, is that the feeling you get when someone just shined your shoes?
 154 - Because if so, you are in luck.
 155 - And, go.
 156 - You know what?
 157 - I don't think so.
 158 - See, I may have kissed Todd,
 159 - but you knew about it all along and didn't tell Michael.
 160 - And that is way worse than what I did.
 161 - - Wait, what? - Yeah.
 162 - See, girlfriends are supposed to lie. That's what we do.
 163 - But best friends are supposed to be loyal, and you weren't.
 164 - So guess what?
 165 - You're screwed, 'cause I'm telling Michael everything!
 166 - You wouldn't.
 167 - Oh, I so would.
 168 - - Oh, yeah? - Yeah!
 169 - - Oh, yeah? - Yeah!
 170 - Well... Well... Well, this certainly blew up in my face!
 171 - When I tell Michael what you did, he's gonna forget all about what I did.

172 - Unless I get to him first.
173 - You wouldn't.
174 - Well, to quote a certain manager-kissing cheese maiden I know,
175 - "I so would!"
176 - And, go!
177 - - Not here. - Damn it.
178 - Okay, Todd. Look, I know we kissed,
179 - and it was probably, like, the best kiss you'll ever have.
180 - But it didn't mean anything, and nothing's gonna come of it.
181 - So you're gonna have to get over me.
182 - Oh, and you know what? Please don't fire me,
183 - because I really need this job.
184 - Okay? Great. See you tomorrow.
185 - Look, Kelso, I am so sorry.
186 - - Get out of my way. - Wait, Michael.
187 - - Great. He hates me, right? - No. He hates me.
188 - We didn't even talk about you.
189 - I mean, I told him about the kiss, and he just stormed off.
190 - I couldn't even tell him I'm sorry.
191 - Okay, well...
192 - I'm not going to feel sorry for you, so...
193 - Yeah. I mean, you can't make me.
194 - I just love him so much.
195 - Oh, God.
196 - Okay, look. Jackie.
197 - It's just one kiss, right? That's not so bad.
198 - Just tell Kelso what you told me about,
199 - you know, how you felt vulnerable and stuff.
200 - He doesn't even want to see me.
201 - So, you know what?
202 - We'll go hang out in my basement and wait for him to come by.
203 - He left his bouncy ball there, so, you know, he's bound to be by sometime.
204 - You'd do that for me?
205 - As long as you promise not to rat me out.
206 - Deal.
207 - So, friends?
208 - As long as you promise not to tell people we're friends.
209 - You guys are never gonna believe this.
210 - Jackie cheated on me.
211 - With the cheese guy!
212 - No!
213 - Yeah. I was just as shocked as you are.
214 - Well, thank God all she did was kiss him.
215 - Yeah.
216 - Wait. How do you know all she did was kiss him?
217 - Kiss?

218 - I didn't say kiss.
219 - Don't make fun of my accent.
220 - That cheese guy's lucky he's a little fellow, or I'd kick his ass.
221 - Just boom! Right in the ass!
222 - Hey, man, you gotta kick his ass.
223 - Like, on Fantasy Island,
224 - if Tattoo took one of Mr. Roarke's women
225 - up to his little tower and put it to her,
226 - Roarke would slap that little dude like a drunk Southern widow!
227 - Then he'd hit him off with some vicious voodoo.
228 - Yeah. Voodoo on Tattoo.
229 - Voodoo. Tattoo.
230 - Peekaboo.
231 - Honeydew. Kung fu.
232 - Koo-koo-ka-choo.
233 - I'm done.
234 - Well, look who's finally back.
235 - While you were gone, some guy came by to compliment me on my head-lights.
236 - Pretty sure he wasn't talking about the car.
237 - I got us funnel cakes!
238 - It's like a second honeymoon.
239 - Kitty, not in the car.
240 - Hey, nice 'vette.
241 - You should come see the custom job I did on mine.
242 - Cost me 3,000*and a marriage*.
243 - —3,000? - And a marriage!
244 - I'll only be a minute, Kitty.
245 - What are you looking at, gear-head?
246 - Your ass is mine, cheese puff!
247 - How did you know my nickname?
248 - Wait, your nickname's Cheese Puff?
249 - Stay focused. Kick his ass!
250 - Yeah, right. Good. Yeah.
251 - What do you think you're doing kissing my girlfriend, huh? Huh?
252 - Well, maybe if you paid more attention to that gorgeous creature
253 - than your little modeling gig, it wouldn't have happened.
254 - Little?
255 - That picture sold hundreds of young men's briefs all over the greater Kenosha area!
256 - It's true. I bought three pairs. Very supportive.
257 - Yeah, so look.
258 - I know you're a little fellow,
259 - but I can't let you go around kissing my girlfriend.
260 - So you're gonna have to take a punch.
261 - I understand.

262 - That didn't look like it hurt him at all.
263 - Well, I guess it's my turn.
264 - Okay. I didn't mean to scare you, little guy.
265 - I'm a black belt.
266 - All right! Didn't see that coming.
267 - Thanks to your funnel cake accident,
268 - I'll have to spend half the night cleaning out the car.
269 - Well, I hope you two will be very happy together.
270 - Mrs. Forman!
271 - Mrs. Forman, I have a black eye, and I need ice!
272 - I'm not doing anything else for men today.
273 - Just go away.
274 - No. I'm not gonna go away.
275 - I'm having a really bad day.
276 - I got decked by a guy who kissed Jackie. He was huge.
277 - And she thinks that it was okay to kiss him,
278 - because I've been ignoring her for work, which I barely did.
279 - And I got a black eye, and I need someone to care about me!
280 - Well, well, well.
281 - Michael ignored Jackie, and she kissed another boy.
282 - That is completely different!
283 - He ignored her for a stupid job.
284 - I ignored you for a car.
285 - Crap.
286 - Oh, burn.
287 - How many times you want to get hit today?
288 - Kitty, I'm sorry.
289 - Next time, I'll be happy to forget about the car
290 - and go to whatever figurine,
291 - quilting, macrame, man-killing thing you want to do.
292 - Actually, there's a knitting bee at the community center right now.
293 - You're kidding.
294 - And you know what they say about those knitters,
295 - "They spin quite a yarn!"
296 - You know what would really teach me a lesson?
297 - Leaving me at home to, you know, think about what I've done.
298 - If you're not in that car in two seconds, I'll make you carry my knitting
basket.
299 - Coming, dear.
300 - Wait, wait, wait. So Kelso got beat up?
301 - Yeah, by the little dude at the cheese shop.
302 - It was awesome, man.
303 - Like a hurricane of tiny fists.
304 - All right, look. Jackie, here's the deal.
305 - You cheated on me.
306 - You used to cheat on me all the time.

307 - Yeah?
 308 - Well, yeah.
 309 - But you cheated out of hate, and I cheated out of joy.
 310 - I didn't cheat out of hate, Michael.
 311 - I cheated because lately you've been acting like I don't exist.
 312 - Well, I sure know you exist now that you frenched the whole mall!
 313 - Look, I know that I need to pay more attention to you,
 314 - and I want to forgive you,
 315 - but I have all this anger built up inside of me and nowhere to put it.
 316 - Eric knew about the kiss all along and didn't tell you.
 317 - You knew?
 318 - - Jackie. - What'd you expect?
 319 - You're a dead man, Forman.
 320 - Get him, Michael.
 321 - Well, guys, uh, just so you're up to speed,
 322 - I knew about the kiss all along.
 323 - Eric told me.
 324 - He made me his secret squirrel.
 325 - What?
 326 - That dillhole said I was the only one he told.
 327 - - Me, too! - Me, too!
 328 - It was hilarious. You guys should've seen it.
 329 - Kelso's foot got stuck in a gopher hole, and... And...
 330 - Why are you guys all looking at me like that?
 331 - I was your secret squirrel, you son of a bitch!
 332 - Get him!
 333 - The '58's the only one with the chrome detail.
 334 - Mmm.
 335 - Men and cars. Never got it, never will.

4.20 Episode 20: Class Picture

1 - Now, Michael. Michael, for your yearbook picture,
 2 - don't forget to do the over-the-shoulder shot. That's the best one.
 3 - Oh, yeah. I love that pose.
 4 - It makes me look coy.
 5 - Ha.
 6 - Hey, guys, Tommy Hedges just got his picture taken
 7 - with a big, old booger.
 8 - So, why were you in Tommy Hedges' picture?
 9 - So, wait. He had a booger, and you didn't tell him?
 10 - He'll find out. It'll be in the yearbook.
 11 - It's true. That's how I found out I was adorable.
 12 - No, seriously.
 13 - The only thing more important than your yearbook picture
 14 - is your yearbook quote.

15 - I already got that covered.
 16 - My quote's gonna be, "What a long, strange trip it's been".
 17 - Yeah, that's freaking profound.
 18 - Kelso, every lame-o hippie
 19 - in the history of time has used that quote.
 20 - Well, yeah. That's 'cause it's good.
 21 - No, Michael. Your quote has to be meaningful,
 22 - so you can remember the good times
 23 - when you're, like, 30, with no reason left to live.
 24 - Okay, hidden in Jackie's extremely
 25 - disturbing thought is a grain of truth.
 26 - We need a really good quote this year.
 27 - Well, all the best quotes are about things that mean a lot to you.
 28 - Like, for example, me.
 29 - Or my hair, or my personality,
 30 - or the sparkle I bring to your dull, grey lives.
 31 - Or the feeling of relief we get when you leave the room.
 32 - No. You know what? We need a quote about all of us.
 33 - Like, maybe, like, how we all met.
 34 - Remember how we first met?
 35 - Oh, is this a sexy story?
 36 - It's really more sad than sexy.
 37 - Yeah.
 38 - That's pretty much how it goes for you, isn't it?
 39 - Yeah.
 40 - Okay, now, got your brownies for the new neighbors, Eric?
 41 - Yes, Mommy.
 42 - How do I look?
 43 - Well, you got a little something...
 44 - Don't touch it!
 45 - I had to sleep sitting up to keep it like this.
 46 - Well, I just hope these new neighbors are better than the last one.
 47 - That Gus Griffin was a complete dumbass.
 48 - Hiya, neighbors!
 49 - Well, hello. We were just coming to welcome you.
 50 - Looks like we beat you to the punchity-punch.
 51 - Oh, damn.
 52 - I'm Bob Pinciotti. This is my daughter, Donna.
 53 - My wife Midge'll be over later.
 54 - Her thumb's caught in something right now.
 55 - Well, we've all done that.
 56 - I guess.
 57 - Well, I'm Kitty, and this is Red,
 58 - and this is our son Eric.
 59 - Eric, say hello to Donna.
 60 - What are you looking at, string bean?

61 - Wow.
62 - You're strong.
63 - Hanging out
64 - Down the street
65 - The same old thing
66 - We did last week
67 - Not a thing to do
68 - But talk to you
69 - We're all all right
70 - We're all all right
71 - Hello, Wisconsin!
72 - That's... Yeah, go ahead and laugh.
73 - None of you were punched by Madam Man-fist here.
74 - But you were creepy. What can I say?
75 - Forman beat up by a girl.
76 - Seems like only yesterday.
77 - Oh, wait. I think it happened yesterday, too.
78 - That's... You like that story, Hyde?
79 - Maybe I should talk about the first time you and I met.
80 - - No. - Yes.
81 - - No! You promised! - Yes. I'm telling!
82 - Thanks for walking me home, Steven.
83 - That redheaded girl hits really hard.
84 - Some advice? Never let a girl stand on your head like that.
85 - Bad for the rep.
86 - Okay, Steven.
87 - And it's Hyde.
88 - Thanks, Hyde.
89 - Hey, wouldn't it be funny if my last name was Seek?
90 - You know, Hyde and Seek!
91 - That's stupid.
92 - And you owe me a quarter.
93 - Well, now. Who do we have here?
94 - This is Hyde.
95 - Oh, you have a new little friend.
96 - Red, get the camera.
97 - I'm not his friend. I'm a hired gun.
98 - Kitty, don't embarrass the boy.
99 - Oh, don't be silly. It's nice to have a new friend.
100 - Especially one who's so dirty.
101 - You know what's fun?
102 - I'm sorry, Son.
103 - If you ever tell anyone about this, I'll kill you.
104 - Now I have to kill you.
105 - I don't know. I like to bathe with friends.
106 - They can reach places you can't.

107 - Yeah. That's probably best kept to yourself, buddy.
108 - You guys, look at Eric's last-year's picture.
109 - The famous makeup-covered zit.
110 - Look, I just wanted one year of clear skin to remember.
111 - And if that means breaking out the old powder puff,
112 - so be it.
113 - Yeah, you've really never had a zit-free picture.
114 - Remember the one on his nose?
115 - And the one on his lip?
116 - And the one on the one on his lip?
117 - And the one we thought was a second
118 - little alien Eric growing out of his cheek?
119 - I mean no harm to your planet.
120 - I will attack if you attempt to pop me.
121 - Ah, zits.
122 - Hey, those days are over, okay?
123 - I'm zit-free this year, and you wanna know why?
124 - I have become a man.
125 - No, I'm serious. I am man. I am zitless.
126 - Hear me roar.
127 - That should be our yearbook quote.
128 - What about a quote from the happiest day of our lives?
129 - When was that?
130 - The day you met me.
131 - Then Potsie says, "Sit on it,"
132 - right to the Fonz's face!
133 - Now, that's brave!
134 - Hey, what's with Donna?
135 - What? We're just friends.
136 - God, why would you even ask that? I don't like her.
137 - Me and Donna? It's gross!
138 - Hey, man, I was just asking why she wasn't in class today.
139 - Oh.
140 - Well, then, never mind.
141 - Busted!
142 - Help.
143 - Americans, please help me!
144 - What was that?
145 - It's coming from in here.
146 - Oh. Hello.
147 - Who the hell are you?
148 - I am the new foreign exchange student.
149 - The football team asked me if I wanted to hang out.
150 - I shouldn't have said yes.
151 - I can't feel my legs.
152 - - What are you gonna do? - I'm gonna chuck it at him.

153 - No, man. Leave him alone.
154 - Look, man, if those jocks try to do this to you again, just come find me.
155 - Thanks.
156 - You're my best friend. Let's hold hands.
157 - No.
158 - Let's go.
159 - I'm Hyde.
160 - I'm Eric.
161 - Oh, you're the one that loves Donna.
162 - I do not!
163 - Well, my name is...
164 - Okay, I'm not gonna remember that.
165 - I know. Let's call him Captain Poo-face!
166 - My eye! God!
167 - Yeah, this happens a lot.
168 - I'm sure it does, Donna lover.
169 - I forgot about Captain Poo-face!
170 - And I did not like her then!
171 - Damn!
172 - You know what I love about Kelso?
173 - Hyde just keeps beating the crap out of him.
174 - That is false!
175 - Name one time!
176 - With pleasure.
177 - I love mashed potatoes.
178 - Oh, yeah?
179 - Uh-oh.
180 - Not my eye!
181 - Foul.
182 - You know what's foul? Your playing.
183 - That's my eye. God.
184 - - Change it back. - No.
185 - Change it back.
186 - No.
187 - My eye!
188 - Seriously, man. You keep hurting my eye.
189 - That's a terrible story.
190 - I'm not even in that one.
191 - That's what makes it good.
192 - Okay, people, please remain calm. I'm still zit-free.
193 - I'm gonna make it. I'm gonna make it!
194 - Okay, stop goofing around.
195 - We need to think of a better memory.
196 - What about the day I met you? All of you.
197 - You're gonna like Donna. She's pretty cool, man.
198 - - Hyde! - Wow! Sorry. Wow!

199 - - What? - You're right. I like her!
200 - No, wait! I didn't see! Wait!
201 - Donna?
202 - Now, that's a good memory.
203 - Or should I say "mammary"?
204 - I don't want to remember that story.
205 - It just reminds me that I'm the only one here
206 - who's never seen Donna's jahoobs.
207 - Well, it's not like you never tried.
208 - Oops, sorry!
209 - Oh, damn.
210 - Oops, sorry!
211 - Damn.
212 - Oops, sorry!
213 - Damn it!
214 - Hey. Speaking of boobs,
215 - Forman's growing one out of his forehead.
216 - What?
217 - Oh, Eric, your curse has returned.
218 - Yeah, and it needs a bra.
219 - Oh, yeah. Dolly Parton called your forehead.
220 - She wants her boob back.
221 - God, I can actually see this thing growing.
222 - It's like Jiffy Pop.
223 - My friend once, he had this really big zit,
224 - and he tried to pop it,
225 - and all the pus went into his brain, and it killed him.
226 - Really, Kelso? What friend?
227 - - You didn't know him. - That's 'cause he doesn't exist.
228 - 'Cause he's dead now!
229 - People, we are losing focus here.
230 - Well, what is our quote gonna be?
231 - And let's remember, our goal is to have it be about me.
232 - I can't think about anything right now except Forman's zit.
233 - It's hypnotic.
234 - It sort of follows you around the room like the Mona Lisa.
235 - All right.
236 - Hey, you wanna know something that's even funnier than Eric's zit?
237 - The day I met Jackie.
238 - You're Donna? We haven't met before.
239 - I guess because I'm richer than you.
240 - Hey, Jackie.
241 - That hurt, you lumberjack!
242 - Welcome to public school.
243 - I can't believe I missed that.
244 - You know, when you laugh,

245 - you get a little wrinkle in your zit.
246 - It's got personality.
247 - Okay, well, what am I supposed to do?
248 - It hurts way too much to pop.
249 - Come here, man. Let me see it.
250 - What?
251 - - Quit it! - Yeah.
252 - Kelso's friend died that way.
253 - Donna, he did!
254 - Whatever.
255 - Look, all I know is there's gotta be some good quote
256 - of Jackie getting hit in the head.
257 - Like, "Awesome! Jackie got hit in the head!"
258 - No. No, no. That's a stupid story.
259 - You know, I want to remember the happy times.
260 - Maybe something romantic.
261 - Like our first date.
262 - - Yeah. - Yeah. Let me tell it.
263 - Red, Michael's in the fort with another girl.
264 - All right. Everybody out.
265 - Michael Kelso, have you been playing doctor with the Burkhart girl?
266 - No. I am a doctor.
267 - Good one.
268 - I mean, you're a very bad boy.
269 - Don't yell at him.
270 - I love him.
271 - Michael, that was not our first date!
272 - Yeah, but I got further on that day
273 - than I did on our actual first date,
274 - so that's what I like to remember.
275 - Yeah, you made a great impression on my parents that year.
276 - Hi, Mr. Forman. Is Eric home?
277 - Yes,
278 - but, uh...
279 - Kitty?
280 - Oh, my.
281 - Michael, honey, did you maybe forget something?
282 - What?
283 - My pants!
284 - Why doesn't anyone just tell nice stories?
285 - Everyone can think of a quote. I mean, why can't we?
286 - Why don't we use Lisa Manning's?
287 - "Hanging at the mall. Kahlua and ice cream.
288 - "Bobby Sutton's a god. Yeah."
289 - God, this is so sad.
290 - It's like, what have we been doing with our lives?

291 - Hey, Kelso, who's got stronger powers?
292 - I Dream of Jeannie
293 - or Samantha from Bewitched?
294 - That's easy. Samantha.
295 - Witches totally beat genies,
296 - 'cause witches can fly.
297 - Game over.
298 - Hey, why does Jeannie wear those see-through clothes?
299 - It's gross.
300 - And it makes me feel funny.
301 - No way is Samantha hotter than Jeannie.
302 - Hey, I heard they made an episode they never aired,
303 - where Jeannie gets totally naked.
304 - The government banned it.
305 - All I know is, with one little nose twitch,
306 - Samantha's clothes could be off!
307 - And that's hot.
308 - What if you didn't have to choose?
309 - What if you could be with both at the same time?
310 - Is that legal?
311 - Hey, man, if you don't get caught,
312 - everything's legal.
313 - Stolen pretzel?
314 - Guys, this conversation is over.
315 - Yesterday, Samantha went back in time.
316 - That trumps anything Jeannie ever did.
317 - Oh, yeah? Well, Jeannie can freeze time.
318 - So, Samantha would go back, and Jeannie could just freeze her there.
319 - Who kicked whose ass then?
320 - You know what would decide this whole thing?
321 - A little Samantha-on-Jeannie mud wrestling.
322 - I'd pay a dollar to see that.
323 - All I know is, Samantha helps Darrin at work,
324 - but what does Jeannie do for Major Nelson?
325 - Turns his boss into a monkey.
326 - This is not helpful.
327 - I gotta call Major Nelson's sexuality into question here.
328 - I mean, any guy who's got a half-naked genie,
329 - he's got her doing more than his laundry.
330 - Hey, you know what would be best?
331 - Samantha's hair, Jeannie's pretty bottle room
332 - and Wonder Woman's accessories.
333 - Hey, guys,
334 - we've been talking about this for a really, really long time.
335 - I got it. I got the quote.
336 - "What a long, strange trip it's been in Forman's basement."

337 - Yeah.
 338 - We have made a lot of memories in that basement.
 339 - Too bad we can't remember any of them.
 340 - All right, you guys. I think it's ready.
 341 - I'm off to pop.
 342 - Wait a minute. I hate that quote.
 343 - My name isn't anywhere in that quote.
 344 - Okay, fine. You know, I'll just make my quote,
 345 - "What a long, strange trip it's been
 346 - "with Jackie Burkhart."
 347 - Yeah, okay,
 348 - but without the "long, strange trip" part.
 349 - - All right. So I'll just write... - "I love Jackie Burkhart."
 350 - Okay.
 351 - Okay, you guys, I did it. Looks better, right?
 352 - - Nice. Yeah. - Totally does. Great.
 353 - Great. All right. Picture time.
 354 - Yeah, I'll meet you guys in there. I gotta change my blouse.
 355 - Everybody out.
 356 - - Oops, sorry! - Kelso!
 357 - Kelso, we just talked about this today!
 358 - Well, damn, Donna, if you'd just let me see them, I'd stop.
 359 - Fine.
 360 - They're beautiful.
 361 - Hanging out
 362 - Down the street
 363 - The same old thing
 364 - We did last week
 365 - Not a thing to do
 366 - But talk to you
 367 - Hello, Wisconsin!

4.21 Episode 21: Prank Day

1 - Hey, Kelso.
 2 - Well, that's a mighty big smile.
 3 - What, did you get into the Play-Doh?
 4 - No. I'm happy 'cause today is Gift Day.
 5 - And in honor of this special day, I got you all gifts.
 6 - All right. Aerosmith Live!
 7 - Yeah, for my friend who rocks.
 8 - Oh, man. The new Rolling Stone.
 9 - For my friend who reads.
 10 - Oreos.
 11 - For my friend who snacks.
 12 - A triple-decker burn! Awesome!

13 - What. There's peanut butter on my headphones!
14 - These cookies are filled with toothpaste!
15 - All right. That noise did not come out of my butt.
16 - Welcome to Prank Day.
17 - That's right. It's Prank Day.
18 - Gift Day. You idiots.
19 - A whoopee cushion? What are you, two?
20 - These things are great.
21 - Hanging out
22 - Down the street
23 - The same old thing
24 - We did last week
25 - Not a thing to do
26 - But talk to you
27 - We're all all right
28 - We're all all right
29 - Hello, Wisconsin!
30 - You got something in your ear, man.
31 - What?
32 - Oh, my goodness. It's peanut butter!
33 - Peanut butter wet willy. Very clever.
34 - But the thing about it is, you don't have to be clever.
35 - Okay. Okay. This Prank Day is over.
36 - Let's just watch TV.
37 - Hey, Fez, I think there's a Nancy Drew on.
38 - She can solve my mystery any day.
39 - And by the way, the mystery is in my pants.
40 - Okay. That's it. I got a peanut in my ear.
41 - Yeah. I used chunky, so it might get up in your brain.
42 - Yeah. Laugh it up now, man,
43 - 'cause fun time is over.
44 - What the hell? I'm stuck.
45 - I have been glued!
46 - Not glued, Super-Glued.
47 - Whoa, whoa, whoa.
48 - So you covered the freezer handle
49 - and the TV knob in Super Glue?
50 - Knowing Forman's love for Popsicles and Fez's love for knobs!
51 - Yeah. I'm an evil mastermind.
52 - Kelso, is there a cushion glued to my butt?
53 - No. Not glued, Super-Glued.
54 - You're a dead man. Yeah?
55 - What are you gonna do? Sit on me with your cushion-butt?
56 - It won't hurt, 'cause it's a cushion-butt.
57 - Oh, my goodness.
58 - Okay.

59 - If you could be the princess in any country, what country would it be?
60 - I pick Monaco.
61 - See, I always wanted to wear my crown with a bikini.
62 - Donna, you're not listening to me! This is my life here.
63 - Oh. Sorry. It's just...
64 - You know, today would've been my parents' anniversary.
65 - But my mom's gone, my dad's with Joanne, and Casey's out of town.
66 - So it just kind of sucks.
67 - You know what you need? A little Jackie magic.
68 - I am gonna dedicate my whole day to you.
69 - Oh, like you did last month,
70 - when I had to hold your corn dog and guard the van
71 - while you and Kelso did it at the 4-H fair?
72 - Yeah. Wasn't that fun?
73 - Man, I can't wait to see this big bucket of oatmeal
74 - landing on Kelso's big bucket of a head.
75 - Well, good gracious, who's all this oatmeal for?
76 - It's for the oatmeal drive.
77 - For the Needy Oatmeal Lovers of America.
78 - Right, the NOLOA.
79 - This tastes awful.
80 - You know, just because they're hoboos
81 - doesn't mean they don't respond to herbs and spices.
82 - You know what? It's a good point, Mom, but you better leave,
83 - 'cause we don't like to do our charity work in front of other people.
84 - Well, now, don't be silly. I'll help you. Where'd I put my brown sugar?
85 - Oh, I'm right here, honey buns.
86 - Okay. I'm here for our slumber party.
87 - Wow.
88 - When you said you were gonna dedicate your whole day to me,
89 - I figured that meant only until we left The Hub.
90 - No. I promised you 24 hours of Jackie time,
91 - which is equal to seven days of an ugly person's time.
92 - Well, it's just, I'm in the middle of this really good book.
93 - Donna, books are for prisoners.
94 - Now, I brought tons of activities.
95 - First, some makeup
96 - for your long-overdue facial overhaul.
97 - The greatest board game ever,
98 - Mystery Date.
99 - And, wait. Best of all,
100 - my stuffed animals so we can perform
101 - an all-unicorn rendition of Grease.
102 - This is perfect.
103 - We are so gonna nail Kelso.
104 - I still say we should have shaved his privates.

105 - That's a burn that keeps on burning.
106 - Kelso's on his way.
107 - Okay, gentlemen. Take your positions.
108 - Okay. I'm here. Where's the dead bird?
109 - Kelso, you're supposed to come in through the side door.
110 - What?
111 - Eric, I need you to take out the...
112 - You guys are so dead.
113 - What the hell is this?
114 - Eric did it because he hates you.
115 - Hyde!
116 - Forman, every man for himself.
117 - No, Dad, this was just a prank that's gone wrong.
118 - Horribly, horribly wrong.
119 - Well, I have a prank, too.
120 - One where my foot doesn't plow through your ass!
121 - Let's hope it doesn't go horribly, horribly wrong!
122 - Oh, Red.
123 - What happened to you?
124 - That oatmeal was for the hoboes.
125 - Well, the idiots used it for a prank.
126 - Eric, how many times have I told you, don't poke the bear.
127 - Don't poke the bear!
128 - Well, technically, we didn't poke the bear.
129 - We poured oatmeal on the bear.
130 - Are you correcting my wife?
131 - Kelso's laughing at you.
132 - Are you laughing?
133 - Oh, come on. You're covered in oatmeal!
134 - It's funny!
135 - That's it!
136 - You know what you should do, Red? Forgive and forget.
137 - Turn the other cheek, like Jesus. Be like Jesus, Red.
138 - I can't even think of a punishment big enough for this!
139 - But trust me, it's going to be awful!
140 - The kind of thing
141 - that Harry Truman might order to end a war!
142 - Guys, who's Harry Truman?
143 - He invented electricity, dumb ass.
144 - Okay, Donna. It's makeover time. Let's pack those jumbo pores.
145 - You know what? I've thought about it, and I'm glad my mom left.
146 - More food for me.
147 - Oh, come on. It'll be fun.
148 - I doubt it.
149 - Unless...
150 - You were right, Donna.

151 - Now, not only are we beautifying, but we're groovifying.
152 - Hey, I just made up a word.
153 - Yeah. Whoever said you can't do two great things at once?
154 - I bet it was a one-armed, pessimistic guy.
155 - Yeah, you just gotta stay positive, man.
156 - Like, I don't want to learn French,
157 - so everyday I think positive thoughts about not learning French.
158 - And look at me. I don't know a word of French.
159 - Is Dad still gonna kill me?
160 - Eric, I put him in his Corvette,
161 - tuned the radio to a hockey game, and handed him a beer.
162 - I've done all I can.
163 - Dad... All right.
164 - Just tell me.
165 - What the hell did you think you were doing?
166 - Look, Kelso invented this stupid Prank Day thing,
167 - and he Super-Glued us,
168 - so the oatmeal thing was just to, you know, get him back.
169 - And that's when my life as I know it ended.
170 - Are you telling me, I got covered with oatmeal
171 - because you were trying to get back at Kelso?
172 - Which you didn't even do?
173 - Well, that's a bit of an oversimplification.
174 - I think if you look at the facts...
175 - You...
176 - The facts are, you were bested by a Kelso.
177 - How could you do this to your family?
178 - I didn't realize the honor of our family was at stake.
179 - It always is.
180 - Hell, we've been talking about this since T-ball,
181 - which you quit.
182 - I mean, what was there to be scared of? The ball just sits there.
183 - All right. Here's what I'm gonna do.
184 - Instead of punishing you,
185 - I'm gonna show you how to do this prank business right.
186 - Now, get the Three Stooges over to dinner tonight.
187 - You are gonna help me get them good and scared.
188 - Oh, well, no, Dad. I don't wanna get Hyde and Fez.
189 - They're on my team.
190 - Well, your team lost.
191 - So everybody cries.
192 - Well, hope you boys like lasagna.
193 - Oh, boy, lasagna, the Italian burrito.
194 - Thanks for having us over, Mrs. Forman.
195 - Oh, don't thank me. It was Red's idea.
196 - Wait a minute. Red's coming?

197 - Yeah. I can't believe you guys showed up.
198 - Wait. No. The only reason we showed up
199 - was 'cause you said Red was working late tonight.
200 - Oh, God, you know what? He's in the kitchen. Should I just get him?
201 - No, you should not get him, you son of a bitch.
202 - I'm going out the window.
203 - Guys, calm down.
204 - Look, what could he possibly do to us at dinner?
205 - Ah, good. All the half-wits are here.
206 - I wanted to let you know...
207 - that I'm going to get you,
208 - and you won't know where, and you won't know when.
209 - But...
210 - It will hurt.
211 - And you will cry,
212 - and I will laugh.
213 - And did I mention it will hurt?
214 - Very good.
215 - Now, enjoy the lasagna.
216 - I added the special seasoning myself.
217 - Special seasoning?
218 - Uh-oh.
219 - All right. Maybe it's because I'm extra clever,
220 - but I think that there might be something wrong with the lasagna,
221 - and I think maybe Red had something to do with it.
222 - Kelso,
223 - I wouldn't do anything to the lasagna,
224 - just like I wouldn't do anything to your new sneakers
225 - that are sitting by the kitchen door.
226 - My Chucks!
227 - Why isn't anybody eating?
228 - Is there something wrong with my lasagna?
229 - We have reason to believe it's been tampered with.
230 - Is this another prank?
231 - Because I will not have this in my house.
232 - Now, eat that lasagna. It's perfectly fine.
233 - I said eat it!
234 - Dad, what is this special seasoning?
235 - Oh, a little of this, a little of that.
236 - Which reminds me.
237 - Kitty, I cleaned out the dead moths from the porch light.
238 - If I could only remember where I put them.
239 - Bugs? Sick! I'm out of here.
240 - Okay, Leo. Who's your mystery date?
241 - All right. The ski instructor.
242 - He's hunky.

243 - You know, Jackie, I never thought I'd say this,
 244 - but I'm actually having a good time.
 245 - Wait. Michael, what are you doing here?
 246 - Yeah, man. This is girls' night.
 247 - Jackie, I just had dinner with Red,
 248 - and he totally freaked me out.
 249 - So, first I need you to stick your hand in my Chucks.
 250 - And then I need you to hang out with me,
 251 - because I'm really afraid to be alone.
 252 - No. No, Michael. I am spending time with Donna.
 253 - Okay, but I was gonna take you to the mall
 254 - and tell everyone you were a Dallas Cowboy cheerleader.
 255 - Wait, wait. You never wanna do that. Okay. Let's go.
 256 - I guess it's just you and me, Leo.
 257 - A whole pan of lasagna wasted, and it's a recession.
 258 - Kitty, you don't understand.
 259 - I understand that you need to start acting like a parent.
 260 - But we have different responsibilities as parents.
 261 - Your job is to tell him that he's cute and to clean his ears.
 262 - My job is to make him a man, which he's not.
 263 - Dad, I'm right here.
 264 - Shut up, boy.
 265 - You see how he shuts up? That's not right.
 266 - I give up.
 267 - Wow, she seems mad.
 268 - She'll burn it off on her Exercycle.
 269 - We really did freak out those guys tonight, huh?
 270 - Now, it's time to go after Kelso.
 271 - The head dummy.
 272 - And we're gonna have the junior dummies help us out.
 273 - You know what? We make a good team.
 274 - It's like I'm Batman, and you're... No. You're Batman.
 275 - Hey, Donna? Wait. Where's Leo?
 276 - Oh, he left.
 277 - He asked if he could try on my dad's clothes, and I said no, so he left.
 278 - What? He left?
 279 - That jerk.
 280 - What a bad friend.
 281 - Jackie, you left, too.
 282 - I know, I know. Look, that's why I'm here.
 283 - I was at the mall signing autographs for a bunch of sixth graders.
 284 - You know, "Go, Cowboys. Love, Jackie."
 285 - And then I saw this little girl crying
 286 - 'cause she couldn't find her mom,
 287 - and she reminded me of you, so I felt bad.
 288 - Jackie, that's so sweet.

289 - So what happened with the little girl? She find her mom?
 290 - You know? I don't know.
 291 - I left her with the snow cone guy. Yeah. She smelled like poo.
 292 - Look, anyways, my point is,
 293 - you know, since you don't have your mom around anymore,
 294 - you need a girl in your life to look after you.
 295 - And that's gonna be me.
 296 - Unless I smell like poo.
 297 - Right.
 298 - So when Kelso gets here, he'll walk by the driveway,
 299 - which we've iced down with the hose.
 300 - And he'll see a nudie magazine lying there,
 301 - which is perfect for Kelso, because he can never resist a boob.
 302 - Well, who among us can?
 303 - Right.
 304 - So, he'll sprint towards it,
 305 - slip on the ice, and slide into a giant pile of mud.
 306 - Get ready. I hear footsteps.
 307 - What are we looking at?
 308 - Kelso?
 309 - Wait, wait. If you're here, then who's in the driveway?
 310 - Oh, crap!
 311 - Well, the driveway was all icy, and I fell.
 312 - I think I heard a pop.
 313 - Mrs. Forman, we are so sorry.
 314 - Mom, are you okay?
 315 - Okay. Fez, grab her legs.
 316 - Get away from her!
 317 - Eric, you're grounded for a week.
 318 - But this prank was your idea!
 319 - Fine. Two weeks!
 320 - And the rest of you, get the hell outta here. Go on, now.
 321 - Well, this was another prank?
 322 - See what happens when you act like a jackass?
 323 - Kitty, I am so sorry.
 324 - And I promise, no more pranks, ever.
 325 - Okay.
 326 - So, we're done here. Wait!
 327 - You're not hurt. You were faking it.
 328 - Oh, don't sound so surprised. I fake things plenty.
 329 - Wait. So you're not hurt at all?
 330 - Nope.
 331 - Wow. You out-pranked Dad.
 332 - No, no, no. It wasn't a prank. It was a lesson.
 333 - And yes, I did.
 334 - So, you're the best Forman.

335 - You're Batman.

336 - Now you know.

4.22 Episode 22: Eric's Corvette Caper

- 1 - Hey, guess who's dropping Jackie off here after cheerleading practice?
- 2 - Leslie Cannon.
- 3 - Leslie Cannon. Nickname, "The Cannon."
- 4 - Why? Because she always shoots Eric down.
- 5 - Man, you were so in love with her.
- 6 - Remember in the seventh grade when she asked you your name,
- 7 - and you got all panicky and said, "Uh-bluh."
- 8 - Yeah, and then she called you "Uh-bluh" for, like, the next two years.
- 9 - Yeah, that was awesome.
- 10 - I still don't see why we have to spend the night.
- 11 - It only took me 30 minutes
- 12 - to get caught up with everyone at my high school reunion.
- 13 - Oh, well, standing in the corner muttering "dumb ass" at everyone
- 14 - doesn't count as getting caught up.
- 15 - I can't wait to see some dear old girlfriends.
- 16 - Like the Miller twins. God, I hope they're fat.
- 17 - Oh, crap.
- 18 - There's no way that all these bags are gonna fit in here.
- 19 - Oh, jeez, I was really looking forward
- 20 - to taking this baby out on the highway.
- 21 - Well, we'll just have to take two cars.
- 22 - No, we'll take the Toyota.
- 23 - I can bring another dress. Shows a little more leg
- 24 - so Stuart McDaniel can see what he missed out on.
- 25 - Hey, you guys. Here comes Leslie.
- 26 - Hey, how's my hair?
- 27 - It's a little messy.
- 28 - Hey, it's Uh-bluh!
- 29 - Yeah, I'm going by Eric now.
- 30 - She doesn't care what your name is, Eric. She's a cheerleader.
- 31 - Wow, this car is so hot!
- 32 - Yeah, that's kind of like what I was thinking.
- 33 - Really? 'Cause I was thinking she was hot.
- 34 - Yeah.
- 35 - Hey, mama.
- 36 - So, whose car is this?
- 37 - Oh, it's my dad's...
- 38 - ...tough luck that it's mine.
- 39 - So, what kind of engine is in this thing?
- 40 - Oh, it's a multi-piston...
- 41 - 200.

42 - That's twice as powerful as the 100.
43 - You know what? I think you should take me for a drive tonight.
44 - Are you talking to me? Yeah. No.
45 - Sure. Yeah. No. Shut up. Yes, it's my car. Sure.
46 - Pick me up at 7:00.
47 - Okay.
48 - Oh, my God. What have I done?
49 - Well, you're using your dad's dream car
50 - to get with a totally hot chick
51 - who would otherwise never date you.
52 - Well, when you put it like that, it just sounds right.
53 - Hanging out
54 - Down the street
55 - The same old thing
56 - We did last week
57 - Not a thing to do
58 - But talk to you
59 - We're all all right
60 - We're all all right
61 - Hello, Wisconsin!
62 - Here's the keys to the Corvette. But...
63 - The only reason I'm giving them to you
64 - is so you can move it in case there's a fire.
65 - And because you trust me.
66 - Right.
67 - Now, you know that I'll know if the Corvette's been moved.
68 - I've noted its exact position in the garage,
69 - the angle of the wheels,
70 - and I just might have set a few booby traps.
71 - I am so lucky to have a daddy who cares enough to set booby traps.
72 - Fine. Okay, I get it. The only way I get
73 - to drive the Corvette is if there's a fire.
74 - But to the end of the driveway. No further.
75 - A fire is no excuse for a joyride.
76 - Michael, what are you doing in Casey's room?
77 - Spitting in his socks. What are you doing?
78 - We came by to say hi to Casey.
79 - Watching you spit is just a super bonus.
80 - Yeah? Well, your lover's out of town.
81 - And I asked your lover where he was going,
82 - and your lover said, "Neptune,"
83 - and that he'd be back tomorrow.
84 - And then your lover punched me in the head and laughed.
85 - But we'll see who's laughing when he puts on his socks
86 - and gets his feet all spitty.
87 - Hah!

88 - Casey's out of town? He never tells me anything.
 89 - It's like the only thing I know about him is that he's Kelso's brother.
 90 - Well, you know he subscribes to Van Aficionado.
 91 - Stop snooping, Jackie.
 92 - But, Donna, you know, say this pile of stuff
 93 - was to get accidentally knocked over.
 94 - Oh, no!
 95 - And while picking it up, you just happen to look through it.
 96 - Jackie, I'm not gonna snoop.
 97 - Oh, look! He took a quiz.
 98 - "Your ideal chick, van fan or biker liker?"
 99 - But you know what? You wouldn't care what kind of girl he likes.
 100 - I mean, you're only dating him.
 101 - Oh, no!
 102 - Forman, I can't believe you're actually gonna take out Red's Corvette.
 103 - Yeah, and I can't believe you're wearing brown shoes with a black belt.
 104 - That's just tacky.
 105 - Guys, the odometer's busted.
 106 - The odometer's busted!
 107 - That's a sign from God.
 108 - God loves me.
 109 - He wants me to steal the car.
 110 - Besides, I think I've learned most of Red's tricks now,
 111 - like this one...
 112 - The old strand of hair across the ignition trap.
 113 - Yeah, you're a regular Green Beret, Forman.
 114 - Oh, please. With that outfit, a green beret is the last thing he needs.
 115 - Well, here we are...
 116 - In my Corvette...
 117 - Enjoying the open road...
 118 - And the delightful, pine-fresh scent of your hair.
 119 - That's your cheapo air freshener. Yuck.
 120 - No, no, no, no, no.
 121 - Hello.
 122 - Can I drive?
 123 - I don't know.
 124 - Uh-bluh.
 125 - Okay, now, if the Miller twins are fat, be nice.
 126 - But if they're still thin, I don't want to hear any "hubba-hubbas"
 127 - or remarks about doubling your pleasure.
 128 - Remember, it's my reunion. I am the prettiest one here.
 129 - Well, you are the prettiest one here.
 130 - I don't understand. The invitation says the 29th.
 131 - Kitty, that says the 23rd.
 132 - I have been telling you for months that you need glasses.
 133 - You know, one of these days, you're gonna wander off and fall into a hole.

134 - What hole? Where are these holes?
 135 - They're everywhere.
 136 - You just can't see them 'cause you need glasses.
 137 - Well, we spent three hours in Casey's room,
 138 - and all we found out is that he collects mud flaps.
 139 - Yeah, but all that snooping gave me such a rush.
 140 - Hey, let's go to the mall and shoplift some lip gloss.
 141 - No thanks, little felon.
 142 - I feel guilty enough.
 143 - Besides, I have to finish my chemistry homework.
 144 - Oh, no!
 145 - I left my chemistry book on Casey's desk, and he comes back tomorrow!
 146 - So we'll just go back and get it.
 147 - Jackie, I already went over there all, "Where's Casey?"
 148 - Now if I go back all, "Where's my book?"
 149 - But you are all, "Where's my book?"
 150 - But Kelso won't believe that, and then he'll think I'm a goob,
 151 - and then he'll tell Casey that I'm a goob!
 152 - Okay.
 153 - Okay, look. We'll wait till later tonight, then sneak back in and get it.
 154 - Besides, Casey's got this really great clock radio I really want.
 155 - Kitty, don't tell Eric that we're coming home.
 156 - If he's doing something wrong, and we both know he is,
 157 - it's important that I catch him.
 158 - Why?
 159 - Because it gives me pleasure.
 160 - There's the three.
 161 - Shut it!
 162 - I'm Red, dumb ass.
 163 - Where are my muffins, dumb ass?
 164 - Forman residence. Dr. Hook speaking.
 165 - Who is it, dumb ass?
 166 - Steven, honey, it's Mrs. Forman.
 167 - Oh, hey, Mrs. Forman.
 168 - Mrs. Forman?
 169 - There's been some sort of little mistake.
 170 - I finished my homework. Now let's move on to Bible study!
 171 - It seems like my reunion was last week.
 172 - Oh, that's too bad. You were really looking forward to seeing them fat twins, right?
 173 - So, we're coming home tonight.
 174 - Tell Eric, okay?
 175 - It's important.
 176 - Yeah, of course.
 177 - Okay. Bye, sweetie.
 178 - They're coming home early. You know what this means?

179 - Yeah, we have to hurry up and find Eric.
180 - No. We have to hurry up and finish the rest of Red's beer.
181 - Hopefully, Forman will get blamed for that, too.
182 - Boy, this is fun, but I think race time is over now!
183 - Good, we're slowing down.
184 - That's good.
185 - A little motion sickness going on.
186 - But the car's all in one piece, so...
187 - I'm on top of the world.
188 - Wow!
189 - What was that?
190 - That was me...
191 - Falling off the top of the world.
192 - Well, the good news is, I found the hubcap in a huge field of mud.
193 - And the other good news is, in about a hundred years,
194 - some archeologist is gonna be thrilled to find my shoes.
195 - Sorry.
196 - Yeah, well, you know...
197 - Look, there aren't any scratches or dents.
198 - So, just dirt. I think I'm in the clear.
199 - Eric, I'm starting to think I might like you.
200 - Really?
201 - I'm not sure though.
202 - I think I have to drive the car some more.
203 - Well, I'm starting to think I might let you drive the car.
204 - Really?
205 - I'm not sure though.
206 - I think we might have to make out some more.
207 - Okay, I got it. Okay, let's go.
208 - Jackie?
209 - Donna?
210 - Am I dreaming?
211 - Yes.
212 - Yes, you are.
213 - Are we gonna do it?
214 - Yes. Yes, Michael, we are.
215 - Cool.
216 - Donna first.
217 - So you smooched The Cannon.
218 - How was her tongue?
219 - Was it nimble?
220 - Like a belly dancer.
221 - And at one point, I was touching a spot
222 - not four inches from boob.
223 - Not bad, Forman.
224 - Not only did you get within shouting distance of second base,

225 - you successfully snaked Red's Corvette.
 226 - Yeah, well, I gotta wash it, wax it and put on a hubcap,
 227 - but that should only take about an hour.
 228 - I'm gonna do it in the morning.
 229 - Perfect. Sleep tight.
 230 - All right.
 231 - Oh, by the way, your parents called a couple hours ago,
 232 - they'll be home in 40 minutes.
 233 - What? Relax, man. We're just messing with you.
 234 - They'll be home in 20 minutes.
 235 - Okay, tire location, check.
 236 - Seat placement, check.
 237 - Picture of Fez's butt, check.
 238 - That one's going on my desk.
 239 - Okay, you guys, there's just one more thing,
 240 - the strand of hair over the ignition.
 241 - Well, you're gonna get away with it. What a bunch of crap.
 242 - Okay, you guys, they're here.
 243 - Damn it! The air freshener.
 244 - Damn it, you remembered.
 245 - Well, there's the Corvette, safe and sound.
 246 - I'm just saying that for your benefit, in case you can't see it.
 247 - Well, I am so glad you raced all the way home without stopping for this.
 248 - Cripes, I gotta pee like a banshee.
 249 - Well, I'm off to the candy shop.
 250 - My everlasting gobstopper just crapped out on me.
 251 - Fez,
 252 - I'm sleeping in Casey's room,
 253 - and I think somehow I had one of his dreams,
 254 - 'cause I did it with...
 255 - Hey, guys.
 256 - No, no, Michael. Finish your sentence.
 257 - You did it with...
 258 - A hat on?
 259 - And you.
 260 - You, me and a hat.
 261 - It was hot.
 262 - Of course it was. Everything's better with a hat.
 263 - Come on, fellows. Put a hat on. The lady deserves it.
 264 - What were you doing in Casey's bed anyway?
 265 - Oh, when he's out of town, I like to skank it up
 266 - by skipping a couple showers and sleeping in it naked.
 267 - Michael, tell me more about this dream.
 268 - Was anyone else there?
 269 - Jackie, why would I have a sexy dream with anyone besides you?
 270 - Hey, Donna.

271 - Hey, your old man wants to talk to you outside.
272 - Why? Am I busted?
273 - Don't worry, man. It's not about the car.
274 - Oh, Forman, I almost forgot. It's about the car.
275 - You gotta stop doing that, man!
276 - You wanted to see me?
277 - Did you take my car out last night?
278 - No.
279 - I know you didn't. Guess how I know!
280 - I stuck a hair across the ignition.
281 - A hair...
282 - You know, someday I'm gonna use that on my son.
283 - Anyway, since I know I can trust you, I'm gonna let you drive it.
284 - I finally get to drive it?
285 - Wow!
286 - Okay.
287 - Where does the key go?
288 - Start her up. Okay.
289 - And I'm grounded.
290 - For a month!
291 - Why did you do it?
292 - To impress this cheerleader.
293 - No kidding?
294 - Well, then make it two weeks.
295 - So, you gonna see her again?
296 - Well,
297 - can I have the car again?
298 - Oh, she's that girl.
299 - I know that girl.
300 - Stay away from that girl.
301 - Hey, Forman, your mom wants to talk to you.
302 - She wants to know why you drank all of Red's beer.
303 - You know what?
304 - Let's just call it a month.
305 - Michael.
306 - Jackie?
307 - Am I dreaming?
308 - Yes, you are.
309 - Are we gonna do it?
310 - Yes, we are.
311 - Oh, cool.
312 - Where's Donna?
313 - What?

4.23 Episode 23: Hyde's Birthday

- 1 - Any good mail?
- 2 - Well, we got the new Yarn Barn catalog,
- 3 - and the model is showing cleavage?
- 4 - You know, if I want that in my house,
- 5 - I will watch McMillan and Wife.
- 6 - Oh, Steven got a letter from Department of Motor Vehicles.
- 7 - What? Another damn ticket?
- 8 - Hey, screw head,
- 9 - why is the DMV sending you letters?
- 10 - "Screw head." Hey, screw head.
- 11 - No, no, no. You're screw head. I'm just called "boy."
- 12 - I got a letter from the DMV?
- 13 - Oh, my God. It's about the cow.
- 14 - Did I say "cow"?
- 15 - Because what I meant was countdown.
- 16 - Countdown to better driving.
- 17 - I think what Eric's trying to say is, he hit a cow.
- 18 - Well, I had the right of way.
- 19 - Go ahead.
- 20 - Open it, hot rod.
- 21 - You know, you are the most irresponsible,
- 22 - careless, no-account...
- 23 - Oh, it's a license renewal for my 18th birthday.
- 24 - Oh.
- 25 - Happy birthday.
- 26 - Guess who gets 18 hugs the day before his 18th birthday?
- 27 - One, two, everyone.
- 28 - Three, four, five, six, seven, eight... Okay, okay.
- 29 - All right, all right. Thanks, Mrs. Forman,
- 30 - but you can drop it.
- 31 - I'm not really into birthdays, especially this one.
- 32 - Oh, no, you don't. Nine, ten...
- 33 - Get off me, spaz!
- 34 - Oh, Steven likes birthdays. He just doesn't know it.
- 35 - Which is why we're throwing him a surprise party.
- 36 - Now, I need two helpers with keen
- 37 - feminine sensibilities to help decorate.
- 38 - Jackie and Fez.
- 39 - Yay!
- 40 - What the hell! I'm feminine.
- 41 - I should kick her ass for that.
- 42 - Hey, Jackie, while you're up there,
- 43 - try not to kiss any more guys.
- 44 - Man, are you guys still fighting about that?

45 - You got to come down hard on stuff like this.
46 - If she'd have come down harder on me
47 - when I was cheating, I would've...
48 - Well, I would've been way sneakier about it.
49 - You know what, you guys, 18 is a big deal.
50 - We ought to get Hyde, like, the perfect Hyde gift.
51 - So, you know what, let's try to put ourselves
52 - in a total Hyde state of mind.
53 - Yeah.
54 - Okay, now, what would Hyde want?
55 - Something stolen.
56 - Stolen's good, but you know what's better?
57 - Stolen and dirty.
58 - So what's a good gift for Hyde that's stolen and dirty?
59 - Someone else's pig.
60 - No, no, wait. I got it, I got it. A street sign.
61 - We'll steal it, so it'll be stolen,
62 - and it's dirty, so it'll be dirty.
63 - Oh, my God! Kelso just solved his first word problem.
64 - Yeah, I learned those in Miss Carter's class,
65 - 'cause I knew if I got one right that she'd give me a hug.
66 - No bra and they were always pointy.
67 - Now, that's good teaching.
68 - No problem. You can have Hyde's party here.
69 - There's only one thing I ask. Can I come?
70 - The party's at your house, Bob. Of course you're invited.
71 - Oh, boy, I'm in.
72 - I'll get my Anne Murray albums.
73 - Okay, now, you two, I want this party to look nice.
74 - So, balloons, streamers, whatever makes Steven forget
75 - he has no parents.
76 - So, Fez, you know, how do you want to decorate this place?
77 - Well, what I'm thinking...
78 - No, no, no, I want Arabian Nights.
79 - Veils, Persian rugs.
80 - One question, Jackie.
81 - Is this a party for Hyde or a bunch of whores in a whorehouse?
82 - Check it out. "High Street." Oh, man, Hyde's gonna love this.
83 - Here, Donna, I'll give you a boost. Okay.
84 - Okay, one, two, three.
85 - Oh, yeah! Fingers!
86 - Okay, come on, Eric, I'll give you a boost.
87 - No way.
88 - Why not?
89 - Because you'll throw me.
90 - What? No, I won't. Yeah, I will.

91 - Look, how about we stand on top of the van and reach it?
92 - I think not. We'll dent the roof.
93 - I don't want nothing to happen to the "love bus."
94 - Okay, I got it. I got a better idea.
95 - Okay, just make sure it's tight.
96 - Right.
97 - Okay, you're good to go.
98 - Well, at least the roof's okay.
99 - Steven!
100 - I thought you were at work.
101 - Not till later.
102 - Why are you baking so many cupcakes?
103 - I had four dozen eggs. They were gonna go bad.
104 - Mrs. Forman, I don't want a party.
105 - And I'm not saying that because I'm fishing for a party.
106 - I mean, I don't want a party.
107 - Uh-huh.
108 - Because, I know how this family works.
109 - You guys say you don't want stuff that you actually want.
110 - Like on Mother's Day.
111 - You said you didn't want a fuss but you did want a fuss.
112 - So we made a fuss and you were happy.
113 - That can drive a guy nuts.
114 - It really can.
115 - So now, I don't know what to do
116 - or say or not say,
117 - because I really don't want a party.
118 - Well, I don't want to do anything you don't want.
119 - See, I don't know what that means.
120 - Well, it means there is no party.
121 - Oh, please. Would I lie to you about making you a party?
122 - I am hurt.
123 - Fine. Okay.
124 - I'm sorry.
125 - You lied. No, no.
126 - I said, "Would I lie?"
127 - It was very tricky. I was like Houdini, but with words.
128 - The base of the sign is all cracked.
129 - So, all we have to do is shove this firecracker in there
130 - and blammo! The sign comes down.
131 - Wow, it could actually work, if the base were made of pudding!
132 - If the base were made of pudding, Eric,
133 - we could just pull the sign right out.
134 - Okay, get ready to run.
135 - Must be a dud. Go find out.
136 - Why me?

137 - 'Cause you're super skinny.
138 - If it blows up, you got the best chance of having stuff not hit you.
139 - True, but on the other hand,
140 - no one would be surprised if you blew yourself up.
141 - That's a good point.
142 - Oh, just move.
143 - Here, you big babies.
144 - Okay, what you just did, just there, that was so hot.
145 - I'd follow your fine behind into combat any day.
146 - All right, look, if we got Red's tools,
147 - I bet I could cut down that pole.
148 - Casey showed me how to saw through rebar. Our second date.
149 - Wow, I love those stories.
150 - Hey, I'll just sneak into your garage,
151 - grab the tools. Red will never know.
152 - Okay, but you gotta be really quiet.
153 - Come on, it's me we're talking about. I'm like a cat.
154 - Red! Hey.
155 - You're wondering why I'm going through your stuff?
156 - Okay. That's... See,
157 - I needed to borrow your saw,
158 - because I need to chop down a tree.
159 - Because there's something stuck in it.
160 - An animal, a rabbit.
161 - There's a rabbit stuck in a tree
162 - and I want to return that rabbit to the wild,
163 - so it can lay its eggs.
164 - Kelso, rabbits don't...
165 - How the hell did a rabbit get up a tree?
166 - Uh...
167 - Eric threw it up there.
168 - Eric threw a rabbit up a tree?
169 - Yeah. Hey, he's a sadistic bastard.
170 - You know he hit a cow?
171 - You know, you've been in a bad mood all night, man.
172 - I'm gonna cheer you up.
173 - Boo!
174 - Boo!
175 - You don't know what's funny.
176 - Oh, hey, I can work tomorrow night if you want me to.
177 - You're not working tomorrow, man. It's your birthday.
178 - Yeah, man, my 18th birthday.
179 - Otherwise known as the beginning of the end.
180 - The black hole, man. It's the death march.
181 - Look, if there's a war, I could get drafted.
182 - If there's a war, I'll see you in Canada.

183 - That's not the point, Leo. I mean, there's other stuff, too, you know.
 184 - Hey, don't get snippy with me, man.
 185 - Hyde, we need you to settle an argument.
 186 - I'm sure you know by now that we're throwing you a party.
 187 - What party?
 188 - Okay, I'm sure you know by now
 189 - that we're throwing you a party.
 190 - So, what kind of theme would you like?
 191 - Throw whatever party you want, man. I'm not gonna be there.
 192 - Well, if that's his attitude, I don't wanna do anything. I quit.
 193 - You can't quit on me. I quit on you,
 194 - you bossy little midget.
 195 - Don't even.
 196 - What the hell?
 197 - No! No!
 198 - Excuse me, little boy with glasses,
 199 - that's our sign.
 200 - Excuse me, big dork with Farrah hair, no, it isn't.
 201 - "Farrah hair"?
 202 - If I look like any of the Charlie's Angels, it's Jaclyn Smith.
 203 - Wow, that's true.
 204 - Hey there, little fella,
 205 - what if I told you that I had 20*foraspecialsomeone*
 206 - *iftheygaveusthesign?Nope.*
 207 - *Amonth'ssupplyofcandy?Nope.*
 208 - *WhatifIshowyoumybrastrap?*
 209 - *Okay.*
 210 - *Okay.Okay.*
 211 - *Here.*
 212 - *IbetifIshowedhimmywholebra,*
 213 - *hewouldhavegivenmehisbike.*
 214 - *Thesethingsareawesome.*
 215 - *Thatwashot.*
 216 - *Man,whyisshesohottoday?*
 217 - *'Causeyoucan'thaveher,'causeyoulosther,'causeyou'restupid.*
 218 - *Wait,Jackiecheatedonyou,right,withalittle,tinycheeseguy?*
 219 - *Hey!Truce,okay?*
 220 - *Yeah,Ithinkthat'sbest.Yeah.*
 221 - *Hey,ifyouhadn'tblownitwithDonna,*
 222 - *you'dprobablybedoingitwithherrightnow.*
 223 - *Yeah.Youknowwho'sprobablydoingit?Jackiewiththecheeseguy.*
 224 - *Wehadatrue!*
 225 - *Wow.*
 226 - *Yeah,thisplacelooksgreat.*
 227 - *Fez,Jackie,thedecorationsarebeautiful.*
 228 - *No,no,no.Theyhaven'tbeenhereallday.*

229 – *I did this because I'm feminine, too.*
 230 – *I'm a lady. Why can't anyone freaking see that?*
 231 – *Oh, honey, no, it's perfect.*
 232 – *Okay, then next time I need a feminine touch,*
 233 – *I'm using you and Fez.*
 234 – *What happened to those cupcakes?*
 235 – *Bob, there were a dozen cupcakes there.*
 236 – *I'm sorry, Red, they're like vitamin C.*
 237 – *Hey, you guys, bad news. Hyde said he's not coming.*
 238 – *He's just sitting in the basement.*
 239 – *Oh, but it's his birthday. He can't be alone on his birthday.*
 240 – *Red.*
 241 – *I agree.*
 242 – *Eric, you go home and sit with Steven.*
 243 – *Okay, fine, I'll go get him.*
 244 – *Surprise!*
 245 – *We go get him, dudes.*
 246 – *All right, get your butt up those stairs and over to your party.*
 247 – *I'm not going.*
 248 – *Steven, you're 18 now. It's time to start being a man.*
 249 – *And the first rule to being a man is*
 250 – *you gotta spend your life doing crap you don't want to do.*
 251 – *Like right now, I don't want to be here talking to you, but I am.*
 252 – *You don't want to go to a party, but you will.*
 253 – *Actually, I won't.*
 254 – *What's the matter?*
 255 – *You don't like parties?*
 256 – *Me neither, but as long as you're living under my roof,*
 257 – *you'll do what I tell you to do.*
 258 – *Well, lucky for me, I won't be under your roof much longer anyway.*
 259 – *What the hell are you talking about?*
 260 – *Well, I'm 18. I should be getting out of here, right?*
 261 – *I mean, you know, that's what my dad did*
 262 – *and my uncle did and my cousins did.*
 263 – *They were all on their own when they were my age.*
 264 – *What are they doing now?*
 265 – *Pumping gas, prison, prison, dead, prison.*
 266 – *And the reason you're living here*
 267 – *is so you don't end up like them.*
 268 – *But if you want to leave, I can't stop you.*
 269 – *So, what's it gonna be, Steven?*
 270 – *Prison, death or a birthday party?*
 271 – *I guess I'll go to the party.*
 272 – *Thanks, Red.*
 273 – *You're welcome.*
 274 – *And don't tell Eric that we had this little conversation.*

275 – *'Cause when he's 18, he's out.*
 276 – *So, punch.*
 277 – *Yep.*
 278 – *Oh, fine.*
 279 – *Okay, everybody, they're here. They're...*
 280 – *Surprise!*
 281 – *Wow, you got me, dudes.*
 282 – *Wow, thanks.*
 283 – *Oh, happy birthday.*
 284 – *Damn, Jackie, stop kissing the other guys!*
 285 – *Wow, this is great. Did you get this at the flea market?*
 286 – *The flea market?*
 287 – *Yeah, they sell them there for two bucks.*
 288 – *No, we stole it. It took forever.*
 289 – *I had to show my bra.*
 290 – *You owe me a bumper.*
 291 – *Now, I made this for you. See?*
 292 – *It says "Steven" on the front*
 293 – *because I heard that having your name on your clothes is cool.*
 294 – *Plus, if anybody finds it, they can return it to you.*
 295 – *So, I won't be able to lose it. Great!*
 296 – *Put it on.*
 297 – *Do I have to?*
 298 – *You bet your ass.*
 299 – *Welcome to manhood.*
 300 – *Mrs. Forman, I'm not really a pinata kind of guy.*
 301 – *Oh, come on, Steven. Everyone plays pinata.*
 302 – *Yeah, Steven, hit the jackass.*
 303 – *Hey! Just listen...*

4.24 Episode 24: That '70s Musical

1 - Okay, my friends, invitations to see Fez in tonight's Spring Sing.
 2 - Charming, illustrated by the hand of Fez.
 3 - Great, something to put my gum in.
 4 - Just kidding.
 5 - Oh, man, this concert's tonight?
 6 - Yes, it's tonight.
 7 - I've been talking about it for weeks.
 8 - Yeah, I don't know, Fez.
 9 - I mean, I'm still kind of tired from the party last night.
 10 - Party? What party?
 11 - You know, the party. You were there.
 12 - No, I do not know and I was not there.
 13 - Someone forgot to tell me.
 14 - I could've sworn you were there.

15 - Remember when the college girl got up on the table?
16 - Took her top off?
17 - What?!
18 - Yeah, that was great, man.
19 - Wait, even Smokey the Bear was there?
20 - Fine.
21 - Fine, what's done is done.
22 - The important thing is where you're gonna be tonight.
23 - At my concert watching me.
24 - Oh, it's gonna be such a wonderful evening.
25 - Music, good friends and dancing.
26 - Just like life should be.
27 - Sing
28 - Sing a song
29 - Sing out loud
30 - Sing out strong
31 - Sing of good things, not bad, man
32 - Sing of happy, not sad
33 - La la la la la la
34 - La la la la la la
35 - La la la la la
36 - La la la la la
37 - La la la la la
38 - Sing
39 - Sing a song
40 - Make it simple
41 - To last your whole life long
42 - Don't worry that it's not good enough
43 - For anyone else to hear
44 - Just sing
45 - Sing a song
46 - This is my favorite part.
47 - So what do you think?
48 - I think whatever you're on, I'll take two of 'em.
49 - Hangin' out
50 - Down the street
51 - The same old thing
52 - We did last week
53 - Not a thing to do
54 - But talk to you
55 - We're all all right
56 - We're all all right
57 - Hello, Wisconsin!
58 - Do-re-mi-fa-so-la-ti-do
59 - Perfecto.
60 - Well, Fez, was that you?

61 - I could've sworn I just heard Wayne Newton.
62 - Mr. and Mrs. Forman, you came to my concert.
63 - Well, it's the Spring Sing.
64 - There is no place we'd rather be than the Spring Sing.
65 - Now, Kitty, that's just a lie.
66 - Ai, here comes my music teacher Mr. Wilkinson.
67 - He is unpleasant.
68 - Are you the parents of this horrible little man?
69 - I'll have you know he's been imitating my accent behind my back.
70 - Well, first of all, we are not his parents.
71 - And second of all,
72 - well, the rest of it I just don't care about.
73 - I'm moving you to the back row
74 - so that no one can hear that squawk box that you call a voice.
75 - The back row?
76 - But the back row is for the untalented and the ugly!
77 - Oh, you're no fun.
78 - Music is not about fun.
79 - It's about passion and commitment.
80 - Have you ever been moved to tears by the warbling timber of your own voice?
81 - No, because I am a man.
82 - Ohh!
83 - Well, he just, um...
84 - He doesn't seem to like you at all.
85 - The British have always hated my people.
86 - We won the war, buddy! Get over it!
87 - Oh, good one, Fez.
88 - Well, you certainly seem in high spirits.
89 - Of course. Soon all my friends are gonna be here,
90 - and we'll be all like a family.
91 - I wish you were my family.
92 - Oh, we would be so happy together.
93 - Okay, kids, it's nighty-night time!
94 - Good night, Mom.
95 - Night, Ma!
96 - That's my mama!
97 - I love you, Fez.
98 - I love you more!
99 - I love you the most!
100 - Daddy!
101 - All right, sleep tight,
102 - and don't let the bedbugs put their foot in your ass.
103 - Okay, boys, lights out.
104 - And no more staying up till 8:30 giving each other hugs.
105 - - Aww! - Aww!

106 - See you in the morning.
107 - Imagine me and you
108 - I do
109 - I think about you day and night
110 - It's only right
111 - To think about the one you love
112 - And hold him tight
113 - So happy together
114 - All: We're happy together
115 - Are you people singing again?!
116 - - Yes. - Good, 'cause...
117 - I can't see me lovin' nobody but you
118 - For all my life
119 - Both: When you're with me
120 - Baby, the skies'll be blue
121 - For all my life
122 - Me and you, and you and me
123 - No matter how they toss the dice
124 - It has to be
125 - The only one for me is you
126 - And you for me
127 - All: So happy together
128 - I can't see me lovin' nobody but you
129 - For all my life
130 - When you're with me, baby, the skies'll be blue
131 - For all my life
132 - So happy together
133 - So how is the weather?
134 - Ba-ba ba ba
135 - Ba-ba ba ba
136 - Ba-ba ba ba
137 - Ba-ba ba ba
138 - Ba-ba ba ba
139 - Ba-ba ba ba
140 - Ba-ba ba ba
141 - Ba-ba ba ba
142 - Well, that was... detailed.
143 - You are one fruity kid.
144 - Now, remember,
145 - singing is all about the use of the diaphragm.
146 - And what's so funny
147 - about the proper use of the diaphragm?
148 - It's the muscle you breathe with...
149 - Below your bosom.
150 - Oh, bloody imbeciles.
151 - So this must be a very exciting night for you.

152 - If the mayor likes what he sees,
 153 - I'll be directing this year's Dairy Days Dance-a-bration.
 154 - Oh, that is always wonderful.
 155 - One time they had a quartet dressed as cows,
 156 - and they sang "Blue Moon".
 157 - Ha ha ha!
 158 - 'Cause they were cows!
 159 - Yes, I'm sure you thick-headed Americans
 160 - could hardly contain your grunts.
 161 - Well, I thought it was delightful.
 162 - Hey, everybody!
 163 - Bob!
 164 - Hey, I saved seats for you and the gang.
 165 - I don't think they're coming.
 166 - Of course they are.
 167 - Well, you know, I asked if they needed a ride,
 168 - but they said no.
 169 - When I left, they were just sitting in the basement laughing.
 170 - But the show's about to start.
 171 - Ooh, then I better get to the refreshment table.
 172 - Did you know that all that stuff was free?
 173 - Well, it says "donations accepted," but you don't gotta put nothing in.
 174 - My friends are still in the basement?
 175 - I wonder what they're doing?
 176 - - Oh, I'm sure they're just... - Miss Kitty, please.
 177 - I'm trying to wonder.
 178 - Ooh, guys, Fez's concert is about to start.
 179 - Which means we have three more hours without his sorry ass!
 180 - Let's eat his candy.
 181 - Yeah.
 182 - My name is Fez. I love candy.
 183 - Whore. Good day. I said, good day!
 184 - Yeah, and the best part is that idiot actually thinks I'm his friend.
 185 - Like I care. I wish he were dead.
 186 - Oh, hey, we should kill him.
 187 - No, I got a better idea.
 188 - Let's sing without him.
 189 - Some people call me the space cowboy
 190 - Yeah, some call me the gangster of love
 191 - Mm-hmm
 192 - Some people call me Maurice
 193 - 'Cause I speak of the pompatus of love
 194 - 'Cause I'm a picker
 195 - I'm a grinner
 196 - I'm a lover
 197 - And I'm a sinner

198 - I get my lovin' on the run
 199 - I'm a joker
 200 - I'm a smoker
 201 - I'm a midnight toker
 202 - All: Playing my music in the sun
 203 - Whoo
 204 - All: Whoo
 205 - So they would rather make fun of me than come here.
 206 - Well, honey, you know, at least they're singing.
 207 - Like you'll be doing real soon.
 208 - Happy song, happy song
 209 - You know, last night they went to a party without me...
 210 - A topless party!
 211 - - What?! - Where?!
 212 - They were the first people to be nice to me when I came to America,
 213 - but maybe I'm not their friend.
 214 - Maybe I'm just a goofy foreign kid.
 215 - Well, can't you be both?
 216 - I would settle for "friend," but I don't even think I am that.
 217 - You still got "goofy foreign kid." That's something.
 218 - Well, the butts are in the seats,
 219 - but not one butt is the butt of a friend.
 220 - Well, this is just rude.
 221 - They better have run out of gas or hit a deer or something.
 222 - Okay, places, everyone.
 223 - Let's show them what we've got... Teeth and cleavage!
 224 - Teeth and cleavage!
 225 - Well, that does it! Now I am mad!
 226 - All they care about is themselves and their stupid, messed-up relationships.
 227 - Boo hoo! Love hurts!
 228 - Well, they deserve it.
 229 - Aw, jeez, not another one.
 230 - Oh! Do we really have to see that foreign boy sing?
 231 - I'm not going.
 232 - I'm in too much pain from our break-up.
 233 - Even though it was months ago, it still affects every part of my life.
 234 - Me, me, me.
 235 - No! Me, me, me.
 236 - What about me, me, me?!
 237 - - Me. - Me.
 238 - - Me. - All: me!
 239 - Love hurts
 240 - Love scars
 241 - Love wounds
 242 - Love mars
 243 - Any heart not tough

244 - Or strong enough
 245 - To take a lot of pain
 246 - Take a lot of pain
 247 - Love is like a cloud
 248 - It holds a lot of rain
 249 - Love hurts
 250 - All: Ooh, love hurts
 251 - All: Love hurts
 252 - Love scars
 253 - Love wounds
 254 - Love mars
 255 - Hurts, scars Wounds, mars
 256 - I know it isn't true
 257 - I know it isn't true
 258 - Love is just a lie
 259 - Made to make you blue
 260 - All: Love hurts
 261 - Oooh
 262 - Love hurts
 263 - Ooh
 264 - Wow, I just caught the end, but that was nice!
 265 - Leo, you made it!
 266 - No, I got this at a church sale.
 267 - Hey, where's that dude and that other dude?
 268 - And that girl?
 269 - And that dude?
 270 - And the other girl?
 271 - They're not here.
 272 - It's just me alone.
 273 - Always alone.
 274 - Imagine me
 275 - And you
 276 - I do
 277 - So happy...
 278 - Together
 279 - Aw, forget it. I'm going home.
 280 - Hey, Fez.
 281 - Where the hell have you been?!
 282 - Well, we were on our way here when we passed by your music teacher's house.
 283 - And I said, "Fez hates that guy!"
 284 - Let's toilet paper it."
 285 - - So... - So we did.
 286 - - For me? - And then we had to go get some dog poop,
 287 - 'cause we looked at his porch and realized,
 288 - "Hey, not enough dog poop."

289 - There is enough dog poop now.
290 - And we got you an opening night present.
291 - Congratulations, buddy.
292 - Ha ha ha!
293 - Bloody hell!
294 - Is that my mailbox?
295 - Bloody 'ell.
296 - Is that me mailbox? Ha ha ha!
297 - It's dead on!
298 - Yes, I'm sure you'll all remember this fondly
299 - as you rot in your Barca loungers, cheeseburgers clenched in your fat American fists.
300 - You got that right, buddy.
301 - Aw, look who has so many friends!
302 - Don't ever leave him alone with us again.
303 - I'm so glad you came.
304 - Tonight wouldn't mean anything without you guys.
305 - Oh, Fez, we wouldn't miss it. I mean...
306 - There's nothing more that I'd like to do
307 - Than take the stage and dance with you
308 - Keep dancin'
309 - Let's keep dancin'
310 - Shake your groove thing Shake your groove thing
311 - Yeah, yeah, whoo
312 - Shake it, shake it
313 - Shake your groove thing
314 - Shake your groove thing
315 - Yeah, yeah
316 - Shake it, shake it
317 - Let's show the world we can dance
318 - Bad enough to strut our stuff
319 - Funky sounds, wall-to-wall
320 - We're bumpin' booties Havin' us a ball
321 - Yeah
322 - Shake your groove thing Shake your groove thing
323 - Yeah, yeah, whoo
324 - Shake it, shake it
325 - Shake your groove thing
326 - Shake your groove thing
327 - Yeah, yeah
328 - Show 'em how to do it now
329 - Shake your groove thing Shake your groove thing
330 - Yeah, yeah
331 - Show 'em how to do it now
332 - Show 'em how to do it now
333 - Whoo

334 - Shake it, shake it
 335 - Shake your groove thing Shake your groove thing
 336 - Yeah, yeah
 337 - Shake it, shake it
 338 - Shake your groove thing Shake your groove thing
 339 - Yeah, yeah
 340 - Shake it, shake it
 341 - Ah, shake it, shake it
 342 - Ah, shake it, shake it
 343 - Whoo!
 344 - Boy, do I know how to shake it.
 345 - Imbecile, you're on.
 346 - Well, that's my cue.
 347 - This is just like A Star is Born and I'm Barbra Streisand.
 348 - Love me!
 349 - I'm so happy to be back home with my friends.
 350 - Some people call me the space cowboy
 351 - No. Nobody calls you that.
 352 - If anyone's a "space cowboy," it's me.
 353 - What? In your dreams, Forman.
 354 - I'm widely acknowledged as the "space cowboy" of this group.
 355 - And I also call "midnight toker."
 356 - Wow!
 357 - This cheeseburger is bloody brilliant.
 358 - Love mars
 359 - Hurts
 360 - Aah!
 361 - Dude, come here.
 362 - I can't see me lovin' nobody but you
 363 - For all my life
 364 - Good, 'cause...
 365 - I can't see me lovin' nobody but...
 366 - You had it.
 367 - That was your best one!
 368 - Shake it, shake it
 369 - Whoo!

4.25 Episode 25: Eric's False Alarm

1 - Okay, boys, I brought cheese samples from work.
 2 - What's wrong with them?
 3 - Nothing. Well, they were in the trash.
 4 - - Bring it over. - Cool.
 5 - Hey.
 6 - You know how my brother locks me in a closet with a pillowcase full of dead fish

7 - until the stink makes me cry?
 8 - Well, while I was in there, I heard him make a phone call.
 9 - And it seems that's he got a little surprise for Donna tonight.
 10 - The honeymoon suite at that French motel in Kenosha.
 11 - The Le Motel?
 12 - Oh, no, it sounds like Donna and Casey are going to le do it.
 13 - Yeah. Eric's gonna freak out when we tell him.
 14 - - And why would we tell him? - To watch him freak out.
 15 - Kelso, he's gonna take it really hard, man.
 16 - So we just need to keep our mouths shut.
 17 - Wow. It's very considerate of Eric's feelings.
 18 - What the hell, man!
 19 - I just think that we all need to zip it. Especially you.
 20 - Hey, I can keep a secret.
 21 - I didn't tell Kelso you took five bucks from his wallet.
 22 - Hyde!
 23 - None of you guys can keep a secret.
 24 - Well, you sure can, especially when it's about you kissing other guys.
 25 - Michael, it was one guy from work.
 26 - And I told you I'm sorry.
 27 - God, how long are you gonna keep throwing that in my face?
 28 - Well, how long are you gonna keep throwing your face in other guys' faces?
 29 - Wow, that was clever.
 30 - I think I won that. Yeah!
 31 - Oh, Eric.
 32 - Let me just say I'm sorry.
 33 - - For what? - I can't tell you.
 34 - Hey, but if you were to guess that
 35 - Casey is taking Donna to a honeymoon suite, I'd say good guess.
 36 - Wait.
 37 - Casey and Donna got a motel room?
 38 - Yeah, but, hey , look at the bright side.
 39 - Donna and Casey may be doing it, but at least they're doing it
 40 - in a vibrating, heart-shaped bed.
 41 - If you see what I mean.
 42 - Well, I do now, thanks to your spot-on detailed description.
 43 - And there will probably be a mirror, too.
 44 - Okay, thanks, Fez.
 45 - - You know, so they can watch it... - Yeah, I know.
 46 - I'd like to propose a toast.
 47 - My divorce papers finally came through.
 48 - - To divorce. - Oh, no, no. No, no.
 49 - If you're gonna drink to divorce, drink alone in the dark
 50 - like regular sad people.
 51 - I'm not sad, I'm happy.
 52 - 'Cause now I can do all kinds of things I couldn't do before.

53 - Like, Joanne , we could get married.
 54 - Is something funny?
 55 - Bob, we've never mentioned marriage before.
 56 - You spring it on me now in front of strangers?
 57 - Excuse me, my mistake, I guess.
 58 - I guess I hurt someone's feelings.
 59 - Well, you certainly did. We are not strangers.
 60 - So what are you and Casey doing tonight?
 61 - He won't tell me. It's a surprise.
 62 - Honey, it's blush not spray paint.
 63 - A surprise, huh?
 64 - What if the surprise is something big? Are you ready for it?
 65 - I mean, how do you really feel about Casey?
 66 - I don't know.
 67 - Well, how do you feel about his hair?
 68 - Love it, lots of body.
 69 - - And his body? - Love it, lots of hair.
 70 - How about his car?
 71 - I love it. Trans Ams kick ass.
 72 - So hair, body and car. The big three. The holy trinity of love.
 73 - Okay, I think you're ready for your big surprise.
 74 - Jackie, what is this big surprise?
 75 - All I can tell you is definitely,
 76 - definitely shave those legs.
 77 - Well, I called the Le Motel.
 78 - Fez, you were right. Casey has a reservation for tonight.
 79 - And, Hyde, you were right. I cannot keep a secret.
 80 - Speaking of secrets, look what I found in Jackie's cheese.
 81 - Some guy Phil's phone number.
 82 - I can't take this anymore. I just know it, Hyde.
 83 - She's cheating on me again.
 84 - Kelso, don't jump to conclusions.
 85 - Maybe I don't care.
 86 - Forman, man, you gotta be cool about this Donna thing,
 87 - or she's gonna know you're jealous.
 88 - You can't be all Simon and Garfunkel.
 89 - You gotta get Bruce Springsteen.
 90 - Springsteeniant. Springsteenicious.
 91 - Wait, what are we talking about?
 92 - Whoa. Hey, you guys, I'm not jealous.
 93 - I'm just looking out for her.
 94 - I mean, Donna's practically a sister to me.
 95 - A tall, shapely sister.
 96 - Who I've done it with.
 97 - About a million times.
 98 - Look, maybe Donna and Casey won't even do it tonight.

99 - I'd call it 50-50.
100 - You would?
101 - Oh, I'd be wrong.
102 - But I'd call it that to keep you from doing something stupid.
103 - Forman, you gotta do something stupid.
104 - Sitting around feeling helpless all day.
105 - That isn't healthy. That's why I'm gonna stalk Jackie.
106 - You know, I really love things with holes.
107 - Swiss cheese, donuts, inner tubes.
108 - I don't know what it is about a hole, it just feels good.
109 - Hello?
110 - Is Phil there?
111 - Who?
112 - Phil. Some guy you kissed!
113 - I found his number in your cheese.
114 - Michael, Phil is the guy who delivers the sausage.
115 - You tramp!
116 - No, idiot, he brings food to our store.
117 - He's our sausage guy.
118 - Tramp!
119 - Who's that singing? Who's singing love songs to you?
120 - Peter Frampton!
121 - Are you kissing him?
122 - No!
123 - Are you sure?
124 - Hello.
125 - Hello, this is Norman. Shall we kiss?
126 - Okay, Red. What Bob needs right now is a good friend.
127 - And since I don't know where we're gonna find one,
128 - you need to talk to him.
129 - - Kitty! - Or you can talk to Joanne.
130 - I'll take Bob.
131 - I'll take Joanne.
132 - Donna, I have to talk to you.
133 - Leo, what... Have you got Donna in there?
134 - You know, I didn't think to ask.
135 - Look, I have to find Donna.
136 - Casey's gonna surprise her with the honeymoon suite.
137 - And I know Donna. She's not gonna like that kind of surprise.
138 - So she'll probably be looking for an out, so...
139 - I'm here to rescue her.
140 - Kind of like Luke did with Leia in Star Wars.
141 - You know, "I'm here to rescue you!"
142 - The other honeymoon suite's across the hall, man.
143 - Now if you excuse me, I got a game of Twister I gotta stretch for.
144 - Casey, check it out. They have tiny soaps.

145 - What am I doing?
146 - I couldn't do it, Leo.
147 - Donna's having a good time. She doesn't wanna be rescued.
148 - But you know what? The thing is,
149 - I still wanna go in there and stop everything, you know?
150 - I didn't come here for her, I came here for me.
151 - That's a huge dilemma, man.
152 - But you know what you really gotta ask yourself?
153 - Is there anybody
154 - who's not in a motel room with three women
155 - that you could tell this to?
156 - Okay, here's the thing.
157 - Bob really likes you.
158 - Why?
159 - Who knows?
160 - That's America.
161 - Any kook can have any damn fool idea he wants.
162 - Look, I haven't had good luck with marriage.
163 - When my first husband and I were dating, he was great.
164 - But as soon as I married him, he turned into,
165 - well, something like you.
166 - Well, I don't know what kind of crap your ex-husband used to pull.
167 - But whatever it was, Bob doesn't have it in him.
168 - He's just a nice, loyal guy
169 - with a big heart.
170 - He's perfect for a pushy gal like you.
171 - Well, he does have a big heart.
172 - And we do go well together.
173 - You know, Red, if I didn't know any better, I'd think you were a good
guy.
174 - Well, if I didn't know any better, I'd think I cared.
175 - The red cheese is chewy.
176 - The red cheese is wax.
177 - Oh.
178 - Hey, guess what, fellas?
179 - Turns out I still have feelings for Donna. Yeah.
180 - Deep feelings.
181 - Warm feelings.
182 - Tingly-in-the-pants feelings.
183 - And I can't do anything about it because
184 - she has those feelings for someone else.
185 - I think that admitting that you still love Donna
186 - is an important step.
187 - Because it reopens the door for this.
188 - Eric loves Donna! Eric loves Donna!
189 - Look, you guys. I don't love her.

190 - I just think that if she's not with me, the fairest thing for everyone is if
 191 - she's alone and unhappy.
 192 - Dude, that is a bad plan, man.
 193 - 'Cause if you leave a chick alone,
 194 - the next thing you know, she's licking the roof of another guy's mouth.
 195 - Like the cheese guy.
 196 - I hate that guy.
 197 - But you love his cheese.
 198 - See, this is just like a Southern tragedy.
 199 - Tennessee Williams, but with cheese.
 200 - I'm taking Advanced English.
 201 - Oh, man, I got to go to the mall. I'm late to stalk Jackie.
 202 - I just...
 203 - I can't believe Donna's in a motel room with him right now.
 204 - Man, I don't like it either.
 205 - But there is one thing you can do.
 206 - I believe you have a stack of Playboys underneath your bed?
 207 - Go use them.
 208 - Okay, Bob, I think the problem is that
 209 - Joanne thinks you're moving just a little too fast.
 210 - It's just who I am. I do everything fast.
 211 - I run fast,
 212 - drive fast,
 213 - I eat fast.
 214 - Okay, what happens when you eat fast?
 215 - I get gassy.
 216 - Right.
 217 - Okay, well, a relationship works the same way.
 218 - When it grows too fast, it gets gassy, too.
 219 - And... And... And then the bad thing happens and people leave the room.
 220 - Wow.
 221 - A lot of people have told me to slow down,
 222 - but nobody ever said it in a way that spoke to me.
 223 - - Hi, Bob. - Hey, Joanne.
 224 - Oh, okay, well, we'll just... We'll leave you two alone.
 225 - Okay, well, there will be no more marriage talk from Bob.
 226 - What?
 227 - There had better be. She's expecting it.
 228 - Oh, crap!
 229 - - Lock the doors. - I'm on it.
 230 - Michael!
 231 - What are you doing?
 232 - What? Are you spying on me now?
 233 - No.
 234 - Okay, fine, yeah, I'm spying on you.
 235 - 'Cause you're around strange guys all day

236 - and apparently, every once in a while, you up and French one of them.
 237 - Michael, go home.
 238 - This is a place of business, and if you don't have any business,
 239 - you're not welcome at the mall.
 240 - Fine.
 241 - Stay away from my girlfriend!
 242 - Michael, what are you doing?
 243 - Well, I can be at the mall now, 'cause I got business, train business.
 244 - You have lost your mind!
 245 - Yep, and I don't miss it!
 246 - Michael, look at you,
 247 - riding around on a kiddie train so you can spy on me.
 248 - I mean, do you not see how crazy this is?
 249 - Yeah.
 250 - But I don't know what to do.
 251 - I mean, I'm a mess. I can't sleep, I can't eat.
 252 - Well, I can eat. Only when I eat, I get kind of sleepy.
 253 - But I am really upset.
 254 - Look, if we're ever gonna get past this,
 255 - you have to forget about that stupid little kiss
 256 - and just try, try to remember that we love each other.
 257 - - I know. - So can we please,
 258 - please just finally move on?
 259 - I wanna say yes,
 260 - but it's like we're on this track,
 261 - and we keep going around in circles, like some kind of,
 262 - some kind of...
 263 - I don't know, I lost my train of thought.
 264 - Okay, Forman.
 265 - What were you doing at the Le Motel last night?
 266 - And don't say you weren't there because Leo saw you.
 267 - Wait, wait, Leo thinks he saw me at the Le Motel?
 268 - Cut the crap, Eric.
 269 - You know Casey and I had a room last night,
 270 - so you went there,
 271 - and you pulled the fire alarm all night until we left.
 272 - Fire alarm? I didn't... I didn't pull...
 273 - Wait, you guys left?
 274 - - So you guys didn't... - No!
 275 - We spent all night in the parking lot with Leo and his hootie mamas.
 276 - Eric, what were you even doing at the motel?
 277 - I don't know, I just...
 278 - I was fine, right?
 279 - I mean, we were friends and that was cool.
 280 - And now, Donna,
 281 - all of a sudden, it's like the day after we broke up

282 - all over again and...
283 - Look, I'm sorry.
284 - But when I knew you were gonna be with Casey, I just...
285 - I felt...
286 - Whatever.
287 - No, I get it.
288 - Remember when you wanted to date other people
289 - and I was so cool about it?
290 - Well, I wasn't.
291 - It, like, broke my heart.
292 - So what did you do?
293 - Well, I didn't know what to do, so I just...
294 - You know?
295 - Right.
296 - Casey.
297 - Right.
298 - Hey, look, from now on, I'm gonna stay out of your business.
299 - I promise.
300 - Thank you.
301 - But before that promise goes into effect,
302 - I would like it duly noted for the record that I think Casey's all wrong for
you.
303 - And I think
304 - you guys are moving way too fast.
305 - Duly noted.
306 - And I'll stay out of your business, too.
307 - Okay, good.
308 - So I better drum me up some business, huh?
309 - Still sleeping, huh?
310 - Gosh, pulling fire alarms all night must really wear you out.
311 - That's right. I'm onto you, buddy.
312 - You did a nice thing and I'm telling everybody.
313 - Come on, man, I didn't do it to be nice.
314 - I did it 'cause I always wanted to commit a felony.
315 - Misdemeanors just ain't the rush they used to be.
316 - Well, all I hear is,
317 - "I love you, I love you, I love you."

4.26 Episode 26: Everybody Loves Casey

1 - Oh, Hyde, get this.
2 - Casey just came by to pick up Donna,
3 - and he was out in the street just revving his Trans Am real loud,
4 - and then he peels out in the street, and he started doing donuts.
5 - And then, out comes Donna, all smiling
6 - and, like, looking at him.

7 - What a slut!
 8 - Look. If she wants to date him, that's fine.
 9 - But he doesn't have to be all loud and jerky about it.
 10 - Jerky, loud, donut jerk.
 11 - Oh, guess what, boys.
 12 - I entered the big wiener contest at the Piggly Wiggly,
 13 - and I won a year's supply of all-beef hot dogs.
 14 - I'm a wiener winner.
 15 - Well, anyway, we're having a barbecue.
 16 - No, Kitty! I thought we were going to talk about that.
 17 - Oh, and I saw Donna at the grocery store,
 18 - and she said she's bringing her friend Casey.
 19 - What? No. I hate Casey.
 20 - He's Donna's new boyfriend. You have to uninvite him. Dad, tell her.
 21 - Kitty, you've done a horrible thing.
 22 - It could scar the boy for life.
 23 - Now, let's do the right thing and cancel that barbecue.
 24 - No. We're having it, and it'll be fun.
 25 - And we just... We won't give Casey any relish.
 26 - All right.
 27 - Once Casey finds out he's not getting any relish, he'll dump Donna for sure.
 28 - You are so screwed.
 29 - So your mom invited Casey over for hot dogs?
 30 - Well, that's a plump, juicy all-beef burn.
 31 - It's just typical women stuff.
 32 - Like Jackie kissing that... Aah!
 33 - Hyde! - Yeah. Okay?
 34 - I've decided if anyone brings up any more of their stupid girl stuff,
 35 - I'm gonna throw something at them.
 36 - This time, I threw a fist.
 37 - I'm sorry. It's just everything reminds me.
 38 - Like, last night Rocky was on,
 39 - and I was thinking I'm like Rocky and Jackie is Apollo Creed.
 40 - And she bashed in my face by kissing that guy.
 41 - At least Rocky wins in the end.
 42 - Kelso, Rocky loses.
 43 - Oh, yeah? Well, why is he jumping around all happy?
 44 - Because he goes the distance, fool.
 45 - He loses the fight, but he wins in life.
 46 - Who wants to watch a movie with a message like that?
 47 - Ice-cream man!
 48 - You guys, I've been thinking about Donna. And I...
 49 - This time I threw a magazine.
 50 - No, guys, seriously. This barbecue might work out in my favor.
 51 - You see, Donna's only seen Casey around his smelly,
 52 - tattooed, Molly Hatchet-loving friends.

53 - But when he comes to the barbecue, he'll be around us.
 54 - Good, clean, Lynyrd Skynyrd-loving Americans.
 55 - And the comparison will not be kind to him.
 56 - And then Donna will come running home to you.
 57 - No.
 58 - Well, maybe. You think?
 59 - So, instead of pounding Casey like you should,
 60 - you came up with this zany scheme.
 61 - Forman, you've officially turned into Daffy Duck.
 62 - You're "dethpicable!"
 63 - You know, I have lady problems, too.
 64 - Rhonda won't let me get past second base.
 65 - I even said please.
 66 - Magic word, my ass!
 67 - You know what? Jack, I can't do this.
 68 - Why should I paint these round, berry toes
 69 - if some other guy is gonna end up licking them?
 70 - Michael, what are you talking about?
 71 - I still can't get over you cheating on me.
 72 - And I need to hear you apologize again.
 73 - And this time, maybe you should cry or give me money.
 74 - No, Michael. I am not gonna beg for forgiveness.
 75 - I didn't make you do that when you cheated.
 76 - Well, that is totally different.
 77 - When guys cheat, it's because they need some hot action.
 78 - But when girls cheat, it's way worse, 'cause girls don't even like sex.
 79 - We do, too.
 80 - Well, why aren't we doing it now?
 81 - Because I don't want to do it right now.
 82 - I do. Point made. Thank you!
 83 - No. You know what? We need help.
 84 - We should consult the world's highest authority on relationships.
 85 - Cosmo!
 86 - "Why you should touch your breasts every day."
 87 - Wow, this could help. They seem smart.
 88 - Okay, Fez, when Casey gets here,
 89 - ask him for advice about your second-base problem.
 90 - My advice is gonna be way better than his,
 91 - and Donna will see that he's a greasy dolt.
 92 - Hey, Forman, I have an idea.
 93 - Set up a wacky system of ropes and pulleys
 94 - and when Casey gets here, drop an anvil on his head.
 95 - - Because that's what Daffy does. - Yeah, I got that.
 96 - - Hey, guys. - Hey.
 97 - Hey, Foreplay. Getting a little shaggy up there, buddy.
 98 - Okay. Well, that's enough of that! Okay. So...

99 - Hey, you guys are just in time.
100 - Fez was telling me about some kind of problem you're having with Rhonda.
101 - Yeah. Rhonda won't let me get past second base,
102 - and I really want to explore further.
103 - Gosh. Well, I don't know, I think if you're patient
104 - and you're respectful,
105 - when Rhonda's ready, she'll...
106 - She'll wave you over.
107 - Well, thank you, Eric. That is very gentlemanly advice.
108 - Gentlemanly? Well,
109 - guilty as charged, I guess.
110 - Hey, Casey, what do you think?
111 - Well, sometimes a seasoned lady like Rhonda,
112 - she's gotten used to the usual order of things.
113 - So, I think the next time you're fooling around,
114 - just skip second and go right to third.
115 - - What? - It's genius.
116 - No wonder you never get any.
117 - Yeah, with Rhonda, you know, that just might work.
118 - Wait, you like that?
119 - Well, the words are wrong, but they sound so good coming out of his mouth.
120 - I got a way about me.
121 - That worked out "thuper."
122 - Okay, Michael. I found something out about our situation.
123 - This article says that cheating is a symptom of a deeper problem.
124 - Deeper problem?
125 - No! I don't want a deeper problem! I want a quick fix!
126 - Well, too bad.
127 - Because I realize that I'm still hurt and angry
128 - from all the times you cheated on me.
129 - Okay? And that is why I kissed that guy.
130 - So what are you saying?
131 - I'm saying, I'm not sorry.
132 - I'm not sorry!
133 - Come on!
134 - Look, now I know why I cheated.
135 - You need to read this Cosmo and find out why you did.
136 - And I ripped out the boob pictures, so don't bother looking.
137 - Hey, Donna, would you like a hot dog?
138 - Maybe half.
139 - Whoa, man, you carry a knife?
140 - Yeah. You never know when a lady's gonna need a half a hot dog.
141 - It's funny, man.
142 - You're the boy scout, but I'm the one who's prepared.
143 - He's like a gladiator.

144 - Okay, that's it. I'm bringing out the big guns. Oh, yeah.
 145 - I'm introducing him to my folks.
 146 - Oh, hey, Mom, meet Casey. This is Donna's new boyfriend.
 147 - Well, you're certainly not a girl.
 148 - Nice to meet you, Mrs. Forman.
 149 - You know, you couldn't have picked a prettier day
 150 - to win a year's supply of hot dogs.
 151 - Yeah, sure is a hot dog.
 152 - Mom?
 153 - Sorry, honey, it's just, he's just...
 154 - I am sure you are much smarter.
 155 - Kitty, the idiot neighbors drank all my beer.
 156 - Uh-oh. You're in a bad mood. Hey, meet Casey.
 157 - Pleasure, sir. Hey, maybe I can help.
 158 - I always keep a spare case of beer in the Trans Am.
 159 - Little tip I picked up in the Army.
 160 - I don't know. Seems like a pretty good kid.
 161 - Uh-huh.
 162 - So, you and Casey, huh?
 163 - Look, Hyde, whatever you heard about Casey, he's changed now.
 164 - He's... He's mature.
 165 - Oh, yeah. He's real mature.
 166 - Well, I like him!
 167 - We're together, and if you can't deal with that, then you can just go to hell!
 168 - Hey, that's not barbecue language, young lady!
 169 - Here's that beer, sir. I got a soda for the minor.
 170 - Now,
 171 - you make sure to drink that real slow,
 172 - 'cause I don't want you to get a tummy ache, little guy.
 173 - Well, that's thoughtful.
 174 - Yeah, he cramps up easy.
 175 - Casey and Donna, man.
 176 - Hey, remember when we were 12? We didn't even like girls yet.
 177 - I liked girls when I was 12.
 178 - Yeah, I was happy just staying home Friday night in my underwear,
 179 - just tossing a football to myself.
 180 - Yeah, never did that either.
 181 - Well,
 182 - at least I gave it my best shot, right?
 183 - If Donna loves Casey and not me, then,
 184 - I mean, I guess it's over.
 185 - Forman, you can't give up.
 186 - Okay, look. Who knows what's gonna happen with me and Jackie.
 187 - But what you and Donna had,
 188 - that was, like, real.

189 - And I'm telling you, as his brother...
190 - Look, Casey is bad news.
191 - He's either gonna get bored and split, or something worse is gonna happen.
192 - So, you gotta do something.
193 - Hey, since when did you get all serious?
194 - Been reading Cosmo.
195 - It was very educational.
196 - Yeah. I never realized how much plumbing girls had down there.
197 - Like, there's this diagram, and it's like a map of Six Flags.
198 - Okay, everyone.
199 - Here's lunch.
200 - Hot dog soup!
201 - No more hot dogs.
202 - I'll just eat the grilled cheese.
203 - You mean, grilled cheese with hot dogs!
204 - Kitty, for God sakes,
205 - I ate 14 hot dogs yesterday!
206 - Well, what do you want me to do, Red? They're everywhere.
207 - They're a curse on this house.
208 - Oh, fine. Let's make some calls.
209 - Maybe we can unload the damn things on a nursery school.
210 - You guys, I've let this thing with Casey go way too far.
211 - Yeah, no kidding. Donna's pretty far gone.
212 - She's starting to lash out at people at barbecues.
213 - You gotta kick his ass, man.
214 - Hyde, Eric cannot beat Casey with his fists.
215 - He's a special boy who must beat him with his special strengths.
216 - Now, let's think. What is Eric's special strengths?
217 - Welcome back to TV's favorite game show...
218 - Now let's meet our returning champion, Eric Forman!
219 - Thanks. Good to be back, Fez.
220 - Let's meet our challenger, Casey Kelso!
221 - Casey Kelso, it's time to...
222 - Get into that box!
223 - How does he do it?
224 - He's so tiny.
225 - I would watch that show.
226 - Okay. That was great.
227 - Guys, I'm going over to Casey's.
228 - And I don't know what I'm gonna do. But if things get physical,
229 - I'm just gonna have to drop the hammer.
230 - And if all else fails, kick him in the stones and run like hell.
231 - Yeah, that's what I meant by "drop the hammer."
232 - Rhonda, your lively tongue has made me thirsty.
233 - Would you like to wet your whistle?
234 - Wow. Thirsty lady.

235 - Well, we're off to a nice start.
 236 - Shall we move on to second base?
 237 - No.
 238 - Guess what. I read your little "Everything's my fault" article,
 239 - and I realize why I cheated.
 240 - Remember the first time I kissed Pam Macey?
 241 - Behind the gym? - And in the gym, and in her car.
 242 - But, anyway...
 243 - Earlier that day, I didn't have any money to buy you Tater Tots.
 244 - And you said that I'd never be able to support you,
 245 - 'cause I wasn't smart enough.
 246 - And you're always putting me down like that,
 247 - and it makes me feel bad about myself.
 248 - And that is why I cheated.
 249 - That's the dumbest thing I've ever heard!
 250 - Just like that.
 251 - And then I thought about it, and I realize that I'm not sorry either.
 252 - Michael, what are you saying?
 253 - I'm saying that we're not right for each other,
 254 - because you make me feel bad!
 255 - And...
 256 - And...
 257 - I don't think I can be with you anymore.
 258 - I want to break up.
 259 - Wait, break up?
 260 - No, no. Michael, I was wrong. Please, let's talk about this.
 261 - No. - Wait, but Michael!
 262 - Casey, we need to talk.
 263 - Well, I'm a little swamped right now, Foreplay.
 264 - I think Donna thinks you love her,
 265 - and if you don't, you shouldn't act like you do.
 266 - What are you? The love police?
 267 - Hands up. Love police is here.
 268 - Hey, all I'm saying is that if you don't love her,
 269 - just don't be with her, okay? Because she's a really special person,
 270 - and someone out there could really love her.
 271 - Someone out there or someone right here?
 272 - Oh. Hey, Eric. What are you doing here? - He was just leaving.
 273 - Well, I gotta go, too.
 274 - Hey, Pinciotti.
 275 - Love ya.
 276 - Oh, well, I...
 277 - Thank you.
 278 - Okay, well, I'll... I'll see you later.
 279 - You see, Forman,
 280 - it's just words.

281 - You don't have to mean it.
 282 - If you make her cry,
 283 - I'm coming right back here to kick your ass.
 284 - Well, me and Jackie are officially over.
 285 - We're as done as this hot dog.
 286 - This hot dog isn't done.
 287 - Well, if kicking Casey's butt is the same as babbling at him from a safe distance,
 288 - then, boy, did I do it!
 289 - But seriously, you guys, the days of Daffy are over.
 290 - It's time for action.
 291 - I'm going Road Runner on his ass.
 292 - Good.
 293 - Because thanks to his stupid advice, Rhonda dumped me.
 294 - I tried to steal third, but she blocked me
 295 - and choked me.
 296 - Now there's no more baseball for Fez.
 297 - It's back to handball.
 298 - Girls, man. They'll make you miserable.
 299 - Well, I got a date.
 300 - "Tho long, thuckerth!"
 301 - It's like Playboy,
 302 - but girls look at it.
 303 - I know. How hot is that?
 304 - Oh, look. Six Flags!
 305 - Well, that better not be a dirty magazine.
 306 - Oh, Cosmo. Good for you.
 307 - Cosmo?
 308 - You boys are spending too much time together.

4.27 Episode 27: Love, Wisconsin Style

1 - So, Mr. Hammond said it was fine for me to miss class
 2 - 'cause I'm already getting an A.
 3 - So, just as you suspected, Mom,
 4 - I am better than everybody.
 5 - All I know is my little boy was very brave at the dentist today.
 6 - Wasn't he?
 7 - Yes he was, my wittle snicklefritz.
 8 - Okay, Mom, when a boy reaches a certain age,
 9 - the baby voice no longer comforts him.
 10 - It urges him to kill.
 11 - Okay, let's get you some coffee.
 12 - Nobody pukes in the Trans Am.
 13 - Mrs. Forman.
 14 - Uh-oh, you look mad.

15 - What did Eric do? Bad Eric!
16 - Donna, why aren't you in school?
17 - No worries. I called her in sick.
18 - I told them, "Lady troubles." No questions asked.
19 - Oh, hey.
20 - Easy there, Wobbles.
21 - Have you been drinking?
22 - I hope so.
23 - 'Cause if not, this whole place is a-spinnin'.
24 - Hang on, boys, it's a twister!
25 - Hanging out
26 - Down the street
27 - The same old thing
28 - We did last week
29 - Not a thing to do
30 - But talk to you
31 - We're all all right
32 - We're all all right
33 - Hello, Wisconsin!
34 - So, my mom and I were at The Hub getting ice cream,
35 - and we caught Donna with Casey skipping school.
36 - And she was drunk, in the middle of the afternoon.
37 - It was like Sue Ellen on Dallas.
38 - You went to The Hub for ice cream with your mommy?
39 - Why would you tell me that?
40 - Hyde, the point is, he went for ice cream without us.
41 - You cannot pick up a phone?
42 - You know who can't pick up a phone? Jackie.
43 - I broke up with her and she never calls to even say hi,
44 - or offer me sad, but hot, break-up sex.
45 - I mean, that's just selfish.
46 - Guys, my mom's over at the Pinciottis' right now
47 - telling Bob about Donna being drunk.
48 - Can't do that kind of stuff in the middle of the afternoon.
49 - It'll mess with your...
50 - Thinking thing.
51 - You know what I'm saying.
52 - Yeah, you gotta stay sharp, man.
53 - That's why I keep myself pure until 3:00.
54 - Two o'clock. That's why I keep myself pure until 2:00.
55 - I'm not wearing a watch.
56 - Hey, you know what?
57 - Donna getting busted is actually great for me,
58 - because now she's got to realize what a jackass Casey is.
59 - And when she dumps him,
60 - I'll be standing right here with open arms and a gentle "I told you so."

61 - Oh, yeah, that could happen.
62 - After all, I mean, I made that girl a woman.
63 - We stole dead fish.
64 - Dead fish? What are you going to do with dead fish?
65 - You're missing the point, man. We stole dead fish!
66 - You just don't get it.
67 - Hey.
68 - Hey.
69 - I just came by... I miss you.
70 - What?
71 - Did you say you missed me?
72 - No.
73 - Look, just say you miss me.
74 - Fine, I miss you!
75 - Michael, I miss you, too.
76 - And look, I was thinking,
77 - since we broke up because I kissed another guy,
78 - what if I let you kiss another girl?
79 - I mean, we could be even, and we could get back together.
80 - If you think that me kissing another girl
81 - is gonna bring us closer together,
82 - I'm totally willing to make that sacrifice.
83 - Thank you, Michael.
84 - I better go wash my face. Okay.
85 - This fish is so stinky.
86 - What the hell are we going to do with the stinky?
87 - It's simple, man. We're gonna find a place to hide the stinky,
88 - and ruin someone's day.
89 - Now, question is where, how and who?
90 - The answer is, there, that and Kelso.
91 - Oh, it's like a bowl. A bowl for the stinky.
92 - And we will put it, and he'll never find it, and it will smell forever.
93 - What the hell's going on with you? You're grounded! No arguments!
94 - Dad, I'm not grounded.
95 - Okay, well, then, whatever you think is best.
96 - No, not whatever she thinks is best. You are grounded.
97 - You're not my mother. You have no say in what I do.
98 - Well, she's got you there.
99 - Let's see.
100 - Which chick do I want to kiss?
101 - Oh, no, no, no, Michael. I get to pick the girl.
102 - But you'll pick an uggo.
103 - You didn't call "No uggos."
104 - Hey, I just thought of something.
105 - Your plan's good and all,
106 - but what if the girl that you pick doesn't want to kiss me?

107 - "Doesn't want to kiss me!"
 108 - And then I told Donna she was grounded, and she said, "No."
 109 - She said, "No"?
 110 - Can you do that?
 111 - No.
 112 - I need your help, Red. I gotta get Donna away from that guy.
 113 - Oh, Dad, you know what's good?
 114 - Threaten her with the old "foot in the ass."
 115 - How can such a bad influence live in such a handsome package?
 116 - Bad people should have a big scar or an eye patch
 117 - so you can recognize them.
 118 - The problem is,
 119 - you know, there's a point where your kids realize
 120 - you can't do nothing to control them.
 121 - There is?
 122 - No. Now, stop listening.
 123 - Bob, I don't want to get involved.
 124 - I got enough problems with the 14 kids who think they live here now.
 125 - Why do I have to hold the fish?
 126 - Because that's what the little buddy does.
 127 - Someone's coming!
 128 - So, the guy's trying to tell me that his Z28
 129 - is the same car as my Trans Am except for the decals.
 130 - How can people be so ignorant?
 131 - I see you, Donna. I see you.
 132 - Dad! Don't you "Dad" me!
 133 - You're not going anywhere, not with this guy.
 134 - You're grounded again.
 135 - Dad, I'm gonna do whatever I want,
 136 - with whoever I want, whenever I want to do it.
 137 - We have to have a talk right now, Donna.
 138 - Sir, let me just say
 139 - that you're making a lot of sense here,
 140 - and I think that when I bring Donna home tonight,
 141 - you two ought to sit down and really hammer this thing out.
 142 - Okay, that sounds fair.
 143 - What?
 144 - You're just gonna let her go off with him?
 145 - What else can I do?
 146 - Oh, good God, that's it!
 147 - Everybody in the living room.
 148 - Now!
 149 - Not you.
 150 - Bob, get in here!
 151 - Donna, what has gotten into you?
 152 - Skipping school, showing no respect for your father...

153 - That's right. Shut up, Bob.
 154 - Okay, here's snacks.
 155 - So, anybody need a drink?
 156 - I'll take a rum and Coke for the road.
 157 - Hey, hey, buddy, little tip,
 158 - I think booze is what got you in trouble in the first place.
 159 - How could you take this girl out
 160 - drinking in the middle of the day?
 161 - Well, you know how it is. All the older girls were at work.
 162 - Can I just say this guy is not boyfriend material.
 163 - I agree. You're not going out with him anymore. You two are done.
 164 - No! All right.
 165 - What?
 166 - You got to admit this has been a real hassle.
 167 - I mean, it was fun and you're a great girl,
 168 - but let's just call it a day.
 169 - You're breaking up with her?
 170 - Casey, I thought you said you...
 171 - You know, you said you loved me.
 172 - I have this thing where I say stuff I don't really mean.
 173 - Casey. Look, Donna.
 174 - I see what you're getting at, and I'm not that type of guy.
 175 - Mrs. Forman, what say we rain check that rum and Coke?
 176 - Donna, I'm really sorry.
 177 - You're not sorry. You got exactly what you wanted.
 178 - Eric, someone here to see you.
 179 - Hi.
 180 - Hi.
 181 - Okay. Can I get anyone a snack?
 182 - Mom.
 183 - Right, right. Have to stop doing that.
 184 - So...
 185 - How are you?
 186 - Humiliated.
 187 - I'm such an idiot.
 188 - I got dumped in front of the whole world.
 189 - I don't even know what I said to your mom at The Hub,
 190 - and I hate that she saw me like that.
 191 - What is wrong with me?
 192 - Hey, nothing.
 193 - Look, your mom left. Come on, you're allowed to freak out.
 194 - Everybody warned me about Casey, and I fell for him anyway.
 195 - And he's such a jackass.
 196 - Yeah, I...
 197 - I really, really wanted you to figure that out,
 198 - just not like this.

199 - Eric, I'm just...
 200 - I'm so sorry.
 201 - Hey.
 202 - I was so stupid.
 203 - Eric, we should be together.
 204 - Wait, what?
 205 - Let's just, like, forget all this other stuff happened.
 206 - Wait, wait.
 207 - Donna, I mean, if you come running back to me now,
 208 - I...
 209 - Donna, I can't be your second choice.
 210 - But you're not.
 211 - Eric.
 212 - Oh. Where am I?
 213 - How about I kiss her?
 214 - No way.
 215 - She's too tall, too tanned, too rich.
 216 - Damn, Jackie, I don't want to kiss a short, pale, poor girl.
 217 - Okay, look, Michael, all I know is I don't want to stay broken up.
 218 - Okay, you know what? You choose.
 219 - Kiss any girl you want.
 220 - I choose you.
 221 - Michael, that is the most romantic thing I've ever read,
 222 - heard about or seen on TV.
 223 - Yeah, it was pretty romantic.
 224 - I could tell while I was doing it.
 225 - What? No, it's just...
 226 - Look, one week you break up with me,
 227 - and the next week you're Prince Charming?
 228 - I'm an incredibly complex man, Jackie.
 229 - Michael, I can't do this anymore.
 230 - Look, Michael, if you want to choose me, then choose me.
 231 - I mean, really choose me.
 232 - Let's get married.
 233 - What?
 234 - Michael, all our problems are because we haven't decided
 235 - we're gonna be together forever.
 236 - So, let's decide.
 237 - Hold on.
 238 - You want to get married?
 239 - Yes, Michael! Yes, I accept!
 240 - Oh, my God!
 241 - You know what? I gotta go tell my dad.
 242 - And you! You have to buy a ring.
 243 - Just think about it. We are going to be the "Burkhart-Kelsos."
 244 - The Who-hart What-o's?

245 - Michael and I are getting married.
246 - Yeah, we heard. That's why we're decorating the van.
247 - But... But not with fish.
248 - Let me get this straight.
249 - Donna wanted to get back together, and you said no?
250 - I said no.
251 - You said no?
252 - Dumbass!
253 - Look, I have my reasons, okay?
254 - What could they be? What could they possibly be?
255 - Casey dumps her and she comes to me? Okay, I'm not a rebound.
256 - So you're too proud to take her back?
257 - And what do you have to be so proud of?
258 - You're not an athlete.
259 - The only smart thing about you is your mouth.
260 - And look at you.
261 - Red, he looks fine. He's just so darn stupid!
262 - I'm very upset.
263 - Well, stop, okay?
264 - Because I already feel bad enough as it is.
265 - Well, you should. Well, I do!
266 - I love her.
267 - God, why do I always have to screw these things up, you know?
268 - Why does everything always have to be my way?
269 - That's why we broke up in the first place.
270 - Well, we've all known that for a year.
271 - Okay.
272 - Okay, I have to tell Donna how I feel.
273 - Then go!
274 - Oh, Red.
275 - I know.
276 - We're never gonna get him out of the house.
277 - Donna?
278 - Oh, hello, Mr. Pinciotti, Mrs...
279 - I'm sorry, Joanne. I don't know your last name.
280 - I have something to tell you guys.
281 - I love Donna.
282 - Well, she isn't here. We don't know where she is.
283 - And it's Stupac.
284 - Well, if it's okay, I'll just wait.
285 - Sure.
286 - I always liked you.
287 - Oh, thank you, sir.
288 - But do me a favor. Don't play with her undergarments.
289 - Something reeks.
290 - Man!

291 - Where are you going? Bus station.
292 - I'm going to my mom's in California.
293 - Oh, my God.
294 - You're running away.
295 - I don't know what else to do.
296 - No, I know how you feel.
297 - Jackie wants to get married.
298 - To me!
299 - What?
300 - Look, a lot of people don't know this about us,
301 - but Jackie's pretty much in charge.
302 - So it might happen.
303 - But it won't happen if I'm not here.
304 - You know what? I'll drive you. We'll both go to California.
305 - Kelso, are you up for this?
306 - Hey, if the Beverly Hillbillies can do it, so can I.
307 - Great, let's go.
308 - Oh, my God. What stinks?
309 - This town, baby.
310 - We're leaving that smell behind.
311 - Kelso!
312 - I'm not gonna tell you again.
313 - Well, I was reaching for my soda. Damn!
314 - Man, Iowa smells like fish, too.
315 - I should have taken the bus.
