1 That '70s Season how Season 05

1.1 Episode 01: Going to California

- 1 - Hello? Donna, it's you!
- 2 - How's California?
- 3 - Have you run into Johnny Carson yet?
- 4 - No. I read he won't eat corn.
- 5 - What? Oh, Eric. Oh, no, no. I know he wants to talk to you.
- 6 - He hasn't heard from you all summer. I'll get him.
- 7 - Eric! Ow!
- 8 - Eric. Eric, are you in the bathroom?
- 9 - Yes.
- 10 - Well, get off because... Mom? Mom,
- 11 - when this door is closed, it's my sacred alone time, okay?
- 12 - Think of it as church.
- 13 - But I... Mom!
- 14 - Fine.

15 - Gets up at noon, sits on the toilet till dinner.
16 - What kind of summer is that?
17 - Hanging out
18 - Down the street
19 - The same old thing
20 - We did last week
21 - Not a thing to do
22 - But talk to you
23 - We're all all right
24 - We're all all right
25 - Hello, Wisconsin!
26 - Well,
27 - you made me lose my concentration.
28 - Now I'm gonna have to go back there in about an hour.
29 - I just wanted to tell you Donna called.
30 - Her number's on the pad by the kitchen phone.
31 - What?
32 - Why wouldn't you say something?
33 - And I'm staying out of it,
34 - but if you'd eat a little bran,
35 - you could've taken that call yourself.
36 - Where's the notepad?
37 - Here.
38 - Quit twitching.
39 - What? There's no number.
40 - Dad.
41 - Step away from the vehicle.
42 - Isn't it a little early for you to be hopped up?
43 - Empty your pockets. Now.
44 - Get the hell out of my pants!
45 - Got it.
46 - What the hell is wrong with him?
47 - He has low self-esteem because you are too domineering.
48 - Red, you're gonna let Forman get away with that, man?
49 - He just felt you up.
50 - Where's the foot in the ass?
51 - Unless you're getting too old.
52 - Shut it.
53 - And go shave that thing.
54 - You look like a damn Hungarian.
55 - It's ringing.
56 - It's ringing.
57 - Oh, my God, it's ringing.
58 - And Eric chickens out again.
59 - Quack, quack, quack.
60 - Forman, what's the problem?

61 - It's just...
62 - I want to tell her to come home, that I miss her,
63 - that I love her. I mean,
64 - it's too much to say over the phone.
65 - Look, Eric, just write her a letter.
66 - That's how I broke up with Michael.
67 - Yeah. I was able to take my time
68 - and come up with good synonyms for
69 - "Cowardly, won't-marry-me loser,
70 - "run-away-to-California jackass."
71 - Jackie, I'm charismatic in person.
72 - I've got these awesome hand gestures.
73 - And I kind of, like, waggle my eyebrows when I talk.
74 - Wait. You do that on purpose?
75 - Thanks, you guys. That's helpful.
76 - You know what? That's it. I'm going.
77 - I'll just show up in California and, like, blow her mind.
78 - Yeah. I mean,
79 - when the Empire killed Luke Skywalker's aunt and uncle,
80 - did he just call them up?
81 - No! He hopped on the Millennium Falcon
82 - and he paid a little visit to the Death Star.
83 - Wait a minute.
84 - Do chickens go quack, or did I mess that up?
85 - I sat at my mom's house for three hours. Eric still hasn't called.
86 - Hey, you know what might make you feel better?
87 - Playing pinball. Over there.
88 - I don't have any quarters.
89 - Hey, Kelso. You know what might help me?
90 - If you could tell me how you got over Jackie.
91 - You remember Jackie, don't you?
92 - Who's Jackie?
93 - Jackie was my dog.
94 - She died in a Big Wheel accident.
95 - No, Annette, I meant Jackie, his ex-girlfriend.
96 - Also dead.
97 - She's not dead.
98 - What's going on here?
99 - Why are you lying to me?
100 - No, I'm not lying, Jackie.
101 - Annette! Look, baby...
102 - Well, my work here is done.
103 - You want to go to California to get Donna?
104 - You can't go to California.
105 - But I have to tell Donna I love her,
106 - and that she should be back here with me.

107 - Oh, well, that's sweet.
108 - I think it would sound especially good on the phone.
109 - But don't call till after 7:00 when the rates go down.
110 - Well, I can't call her. I mean,
111 - did Luke Skywalker...
112 - Oh, would you stop?
113 - Luke Skywalker this, Luke Skywalker that.
114 - I'm sick of hearing about that little fruit.
115 - Luke Skywalker is not...
116 - He and Leia clearly... I...
117 - Mom, Dad,
118 - - this is important. - No.
119 - No California.
120 - You know what's important? School.
121 - You're gonna be a senior and you need to buckle down.
122 - Luke Skywalker would've buckled down.
123 - Forman, there's a flight to California
124 - in four hours, and you're on it.
125 - Before you get all gushy, we didn't pay for it.
126 - We stole the money from your secret stash
127 - in the Scooby-Doo thermos.
128 - You guys know about Scooby-Doo?
129 - Well, it was a good try, but you should have known
130 - that eventually I would need to take some cocoa on the go.
131 - Well, thanks, you guys,
132 - but my parents will kill me.
133 - No, Eric, we'll cover for you.
134 - Yeah. Believe me, I got no problem fooling whitey.
135 - Hyde, you're white.
136 - Barely.
137 - Eric, if you love her, you have to go.
138 - You're right. I'm gonna do this.
139 - Damn it, I'm going. I gotta go pack.
140 - Hey, let me help. I love putting together outfits.
141 - Finally.
142 - Yeah, I thought they'd never leave.
143 - You know, Steven, it was really nice of you to get that ticket for Eric.
144 - This usually works a whole lot better when you don't talk.
145 - Look, Annette,
146 - you're way more important to me than Jackie ever was.
147 - I mean, you're blonde, you're beautiful,
148 - you practically never wear a whole shirt.
149 - I'm sorry. It's just the thought of you with somebody else
150 - got me really upset.
151 - I'm really upset.
152 - Which is why I propose

153 - that we do something special and romantic.
154 - Let's do it.
155 - Michael, I don't do that.
156 - I'm a virgin. What...
157 - ...a coincidence.
158 - Me, too.
159 - So let's do it. Be first-timers, yeah.
160 - You know what? I'm gonna go cool off.
161 - Kelso... Uh-uh, one second.
162 - She's cooling off.
163 - Look. I was wondering if you and Annette could maybe discuss your plans
164 - to do it or not do it when I'm not around.
165 - But you're never not around. You're always here.
166 - You're like a carbuncle.
167 - Kelso, you don't even know what a carbuncle is.
168 - Well, I know it's gross and it doesn't go away.
169 - Okay. I'm sorry. It's just...
170 - I don't know anybody else.
171 - And California people are freaks.
172 - Like that guy. You can't smoke that out here!
173 - I miss Eric.
174 - That guy even looks like Eric.
175 - Oh, my God. Eric!
176 - Donna!
177 - Kelso, what the hell are you doing?
178 - Winning.
179 - I can't believe you came here for me.
180 - Of course I did.
181 - Donna, I love you.
182 - And I have so much to say, but I...
183 - You guys can French all you want. I totally won.
184 - Hey, Red.
185 - Good day, Mr. Red.
186 - Wait a minute. Where's the other idiot?
187 - Other idiot?
188 - Do we know another idiot?
189 - Where's Eric?
190 - Where's Eric?
191 - Where are you, man, and who wants to know?
192 - The U.S. government, that's who.
193 - Like, I read by 1984, the government
194 - will have tracking devices on all of us.
195 - And after that, they're gonna jam electrodes in our brains,
196 - so they can read our memories.
197 - Damn U.S. government.
198 - Damn U.S. government?

199 - Without our government, you'd be stuck in Siberia now,
 200 - sucking the juice from a rotten commie potato.
 201 - Let me tell you something.
 202 - If the U.S. government
 203 - decides to stick a tracking device up your ass,
 204 - you say, "Thank you
 205 - "and God bless America."
 206 - He's so easy.
 207 - And then after Michael threw up, I told him,
 208 - "You're not supposed to eat the plastic wrapping."
 209 - And that's how we met.
 210 - Wow. That's...
 211 - That's like Love Story.
 212 - Wow. I wish there was more to talk about.
 213 - Bye.
 214 - Would you look at her?
 215 - She's so hot, she could be a robot.
 216 - A robot?
 217 - Whatever. Look.
 218 - You have the van, and we want to go home.
 219 - No. Uh-uh. I can't leave Annette. I love her.
 220 - You don't love her.
 221 - I love parts of her.
 222 - I mean, unlike Jackie, she believes in me.
 223 - Okay, I told Annette I wanted to be an astronaut
 224 - and she said that she thought I could.
 225 - To be fair, she wants to be a lady astronaut.
 226 - I mean, come on, guys. Just give me a few hours, okay?
 227 - If... Look, this girl is beautiful, and she believes in me.
 228 - And if I can get her to put out,
 229 - she'll be three out of three.
 230 - But right now, she's only two out of three.
 231 - And I'm sorry, but 50 just ain't gonna cut it.
 232 - Okay, look, Steven, these last few weeks with you
 233 - have been really dirty and really wrong.
 234 - Jackie, talking is for people who have something in common.
 235 - Oh, good God.
 236 - You kids switch partners more than square dancers.
 237 - No, it's not what you think. We're not together.
 238 - Then what's going on in my kitchen?
 239 - Eric's in California.
 240 - Jackie, you just totally burned Forman.
 241 - That was so badass.
 242 - So, Annette, I'm just saying that I'm leaving in a couple hours.
 243 - So I guess the question is,
 244 - what, oh, what can two virgins do to kill an afternoon?

245 - Well, there is something.
246 - But it's kind of wet and dirty.
247 - Sold!
248 - Having fun?
249 - No.
250 - I mean, these are our last hours together
251 - and you're not nude!
252 - So all you care about is sex?
253 - I thought there was more to you than that.
254 - But there isn't.
255 - But there is. I believe in you.
256 - Stop saying that.
257 - But I do.
258 - Damn. All right. Start digging the moat.
259 - I was so scared that I'd never feel like this with you again.
260 - I mean,
261 - Eric, after last year...
262 - Donna. ...I...
263 - About Casey and all that stuff?
264 - I don't care. Okay?
265 - I just want to be with you.
266 - You know, all summer, I hated California,
267 - but now that you're here, it's, like, amazing.
268 - This is the most romantic night of my whole life.
269 - Yeah, I know. Me, too.
270 - I have sand in my crack.
271 - Yeah, me, too.
272 - Oh.
273 - Eric, I want to go home.
274 - Hey, Kelso. How was your date with Annette?
275 - We went to a carnival.
276 - I won her six stuffed animals.
277 - Then we shared a giant pretzel.
278 - And then I walked her home, and she gave me a good-night kiss
279 - on the cheek.
280 - You know, in Wisconsin,
281 - if you win a girl a giant purple rhinoceros,
282 - she puts out!
283 - So, my folks have no idea I was gone.
284 - No idea. You're golden.
285 - Ah.
286 - Oh, hey! Hyde!
287 - You got a beard!
288 - You look so old.
289 - Of course I look old, man. Party more than you,
290 - worked more, drank more, and slept with way more chicks.

291 - I'm exhausted, man.
292 - Fez, my little man!
293 - How was your summer?
294 - Well, I saw a boob and a half down by the pool.
295 - Yeah. Pool boob. Nice.
296 - Look. Donna, I know you're nervous
297 - about seeing people at school after running away and all,
298 - but I want you to know it's all under control.
299 - I told everyone you went away to have a baby.
300 - What?
301 - Yeah, it was badass.
302 - Oh, yeah, I say "badass" now.
303 - Hi, Daddy.
304 - Don't you "Daddy" me.
305 - Although it does sound good to hear those words again.
306 - Bob.
307 - Right.
308 - You're in big trouble, young lady.
309 - Now, get home. Now. Move.
310 - Well,
311 - I guess that's what happens when you disobey your parents, huh?
312 - Hey, why the long faces?
313 - Did you think that I... No, no.
314 - Funny story. True story. I'm walking home from the library
315 - and who should drive by?
316 - Kelso and Donna.
317 - Back from California.
318 - Where they were. Not me.
319 - Oh, hey, they know.
320 - What do you have to say for yourself?
321 - I...
322 - I brought you a seashell.
323 - Just get in the house.
324 - Do you have any idea how much trouble you're in?
325 - Oh, yeah.
326 - And it was worth it.
327 - Oh, not this again. I told you, it gives me needs.
328 - Fine. We'll be upstairs.
329 - Too late.
330 - Man, why are we watching this? It's stupid.
331 - You're stupid.
332 - Man, I've been gone all summer,
333 - and I get back, and everything is just the same.
334 - I guess nothing ever changes around here.

1.2 Episode 02: I Can't Quit You Baby

1 - Of all the dumb ass stunts you kids ever pulled,
2 - this little California adventure takes the dumb ass cake!
3 - We are very disappointed in you, Eric,
4 - even though going to California to rescue Donna
5 - is one of the most romantic things I've ever heard of.
6 - That's true. If he had gone by horse,
7 - they would have made it a movie.
8 - Look, Mr. Forman, before you get all scary and pink,
9 - I just wanna say that
10 - running away to California was completely selfish and immature.
11 - And, as for me, as long as I live
12 - under your roof and eat your food,
13 - I should be doing things your way.
14 - What a load of crap!
15 - You two are not above the law.
16 - Now, Eric, hand over the keys to the Vista Cruiser.
17 - What? Dad, no.
18 - The cruiser's my Batmobile.
19 - Without it, I'm just a guy in a silly outfit.
20 - Now, Eric.
21 - A little time apart will do you kids some good.
22 - So, Donna, I transferred you to the Catholic high school,
23 - Our Lady of Perpetual Sorrow.
24 - What?
25 - That's right. You're starting this week,
26 - so you better get out your Bible
27 - and brush up on your Ten Commandments
28 - and that thing about the dwarfs.
29 - Oh, say can you see
30 - Oh, say can you see
31 - What the hell? Fez!
32 - Oh, say can you see...
33 - Wait a second.
34 - You two look sweaty and guilty.
35 - Have you been eating my candy?
36 - What candy?
37 - I didn't say candy.
38 - And I certainly don't have any candy hidden in the garage.
39 - I will be in the garage.
40 - Steven, that was way too close.
41 - You need to learn to keep your hands off me.
42 - Me? You're the one who can't keep her tongue to herself.
43 - Please. I let you fool around with me out of pity.
44 - You know what your problem is? You're really cute,

45 - so no one ever told you to shut your piehole.
46 - You think I'm cute?
47 - Shut your piehole!
48 - Hanging out
49 - Down the street
50 - The same old thing
51 - We did last week
52 - Not a thing to do
53 - But talk to you
54 - We're all all right
55 - We're all all right
56 - Hello, Wisconsin!
57 - Oh, Catholic school?
58 - That's rough.
59 - Yeah, my dad took away my slingshot,
60 - so I'm feeling it pretty bad, too.
61 - What were you guys doing?
62 - Huh? Oh, we're just watching, um...
63 - This old lady's eating a fish.
64 - Look, Jackie,
65 - we've been avoiding each other.
66 - I think it's time we hash this thing out.
67 - It's okay, I'm good.
68 - I can see you're devastated over losing me.
69 - You know what, Michael? I'm fine, really.
70 - You sound brave,
71 - but inside you're a scrambled mess.
72 - Just remember this, I'll always be there for you,
73 - in case you have any physical needs, all right?
74 - Damn, Hyde. What was that for?
75 - I just missed you, man.
76 - Wait. Donna, you're actually gonna go to Catholic school?
77 - Not just Catholic school, Our Lady of Perpetual Sorrow.
78 - That means "sad forever."
79 - Eric, we're never even gonna see each other.
80 - Yeah, I know. And I can't even drive you to school.
81 - And we can forget about any lunchtime hokey-pokey.
82 - That's what it's all about.
83 - Man, it sucks not having a car.
84 - Well, I'm gonna go drive mine.
85 - Catch you guys later.
86 - Wait, wait, Steven. Where are you going?
87 - What do you care?
88 - I don't.
89 - You know, I just remembered that I have to go to the mall
90 - because they're having this big Monday Madness sale.

91 - Jackie, it's Tuesday.
92 - See? Total madness!
93 - Poor kid, trying to replace me with shopping.
94 - Eric, what are we gonna do?
95 - I mean, if I go to this school, our senior year is ruined.
96 - I mean, we're not even gonna graduate together.
97 - You know what? Bob is not sending you to that Catholic school.
98 - Now, we're gonna sit down, we're gonna
99 - figure out what we're gonna do.
100 - Guys? Let's get serious.
101 - It's simple.
102 - I'm gonna march over there and talk to Bob.
103 - I love a good march.
104 - My birthday is in March.
105 - And then it's on to April.
106 - April showers.
107 - Oh! The Seduction of Eric Forman,
108 - starring the insatiable April Showers.
109 - Are you really gonna go talk to my dad for me?
110 - Eric, you're so sweet and brave.
111 - Pound for pound, you're like the bravest guy in the whole world.
112 - I love you so much!
113 - Well, my candy is safe.
114 - But something was up with Jackie.
115 - She looked scared,
116 - like a deer in the headlights with his pants down.
117 - Man, I feel sorry for Jackie.
118 - I mean, to have to look at this all day and not be able to touch it?
119 - I can't even do that!
120 - I love you.
121 - I love you more.
122 - Sexy.
123 - Hey! You two quit it! Okay? This circle is sacred.
124 - You don't do anything in here
125 - that you wouldn't do in a church!
126 - No, no, wait. In a cemetery.
127 - No, wait. In the teachers' lounge.
128 - Man, I've done it everywhere.
129 - Okay. This is my Michael-box.
130 - I saved everything that loser ever gave me.
131 - Hmm. One-year anniversary.
132 - What a moron!
133 - Well, you know, I guess Kelso's really history for you.
134 - I never thought that'd happen till you met someone else.
135 - You met someone else.
136 - What? Someone else? That's crazy.

137 - You're crazy.
138 - Shut your piehole!
139 - Hey, check it out.
140 - I was at the bakery, and this crumb cake came fresh out of the oven.
141 - And when I think crumb cake, I think Bob.
142 - Uh-huh. What do you want?
143 - I wanna talk to you about Donna and that Catholic school.
144 - Crumb cake isn't gonna get me to change my mind.
145 - Are you sure?
146 - Those are real crumbs.
147 - She's going to that school, and that's final.
148 - Okay. Fine.
149 - But know this, I am prepared to fight this with every fiber of my being.
150 - On the other hand...
151 - You... You can't put a price on good education.
152 - I can't believe they're making you wear
153 - those knee-high socks every day.
154 - What the hell?
155 - Oh, my God.
156 - I'm blind!
157 - Jackie! Get off me!
158 - Great outfit!
159 - Okay, so, um, what exactly did you see?
160 - Hands, tongues, yours, his. It was horrible!
161 - You were like Siamese twins joined at the beard.
162 - Hey, it was her fault, man. She threw herself at me.
163 - No, no. You were on top of me.
164 - You pulled me.
165 - I've done a lot of partying,
166 - so, you know, my balance is off.
167 - This is impossible. You two hate each other.
168 - Kelso is gonna freak out!
169 - Kelso!
170 - Settle down, Esmeralda.
171 - Kelso doesn't need to know about this.
172 - Yeah, look, it's just a meaningless fling, okay?
173 - We can stop whenever we want.
174 - Well, then maybe you should.
175 - Why do you even care?
176 - Because you're breaking up the band, Yoko!
177 - Well, naughty ladies wear plaid.
178 - Fez, please.
179 - That's right. Beg for it, sexy schoolgirl.
180 - Fez, we just caught these two frenching,
181 - like a couple of French people at a frenching festival.
182 - What? That's impossible. You two hate each other.

183 - I said... I just said that.
 184 - Okay, you are gonna tell us how this happened right now.
 185 - Ooh, I like it when you order me around in that uniform.
 186 - Okay, fine. Look, I'll just tell you what happened.
 187 - It was a few weeks after Donna and Michael left,
 188 - and Steven invited me over to listen to a new record.
 189 - Check it out.
 190 - Isn't it the coolest?
 191 - Don't you just wanna shake it?
 192 - Wait. Time out on the field.
 193 - I don't shake it, and I don't listen to Abba.
 194 - Whatever, it's my story. Anyway...
 195 - I could totally tell he was trying to make a move.
 196 - Then he held me real close and said...
 197 - May I kiss you, milady?
 198 - Hyde, I had no idea you could be so formal.
 199 - Come on. She's so full of crap.
 200 - Then why don't you tell us what really happened, milady?
 201 - Fine. Fine, okay?
 202 - So, I'm hanging out in the basement like I usually do,
 203 - when Jackie showed up. It was obvious she wanted me.
 204 - I want you. It's obvious.
 205 - God, that's crazy.
 206 - No, no, you so came on to me first.
 207 - You know, you said that you didn't have a new boyfriend.
 208 - He is not my boyfriend.
 209 - I'm not her boyfriend.
 210 - They just don't get it. No. Why would they?
 211 - Let's go, baby.
 212 - I'm leaving, too.
 213 - This basement's tainted for me now.
 214 - Well, I still wanna know
 215 - how the hell all this happened.
 216 - Another old lady. She can't even reach the wheel!
 217 - I can't watch The Price is Right again, I just can't.
 218 - God, this summer totally sucks.
 219 - There's nothing to do.
 220 - I bid 1, *Bob*.
 221 - *Hey. I'm gonna take Donna to school. Oh! That's right.*
 222 - *Dad took away my car*
 223 - *when I did that really super - romantic thing.*
 224 - *Well, I guess we were only reunited just to be*
 225 - *ripped apart again.*
 226 - *Like Romeo and Juliet.*
 227 - *You know,*
 228 - *why don't you take the car this one time?*

229 – *It'll be our little secret.*
 230 – *Okay.*
 231 – *Shh!*
 232 – *Where do you think you're going?*
 233 – *Mom said I could.*
 234 – *You just bought yourself another week, kiddo.*
 235 – *Look, Dad, I need my car.*
 236 – *Don't you remember when you were in high school?*
 237 – *I bet you had some good times,*
 238 – *driving around senior year with your friends.*
 239 – *My senior year, I was driving a gunboat around Okinawa.*
 240 – *And if you count the Japanese snipers as my friends,*
 241 – *then, yes, I had some good times.*
 242 – *You have to understand, Eric,*
 243 – *it's not that your father's trying to be a bad guy,*
 244 – *it's just that he's been irreparably damaged by war.*
 245 – *I'm just sick of you doing whatever the hell you want.*
 246 – *Your father and I feel that you're not taking yourself seriously.*
 247 – *Hmm.*
 248 – *You are such a talented young man.*
 249 – *Eric!*
 250 – *Oh, uh...*
 251 – *Yeah, forget about the car. I got to go.*
 252 – *Oh, look how cute in her little uniform!*
 253 – *I'm gonna have to lock him in his room and poke his eyes out.*
 254 – *Here's what I don't get about Fantasy Island.*
 255 – *You know when you get off the plane, and you see Mr. Roarke,*
 256 – *and that little kid in the white suit?*
 257 – *Well, if it's me, I'm like, "This is creepy," right?*
 258 – *So, I just grab a freedaiquiri,*
 259 – *and I'm out of there.*
 260 – *Whoa! Whoa!*
 261 – *Grow up, it's just a uniform.*
 262 – *Sorry. You're right. I'm sorry.*
 263 – *Man, that was totally worth waiting for.*
 264 – *I agree. Now we can go.*
 265 – *How was your first day?*
 266 – *Grim. This nut totally spanked me with a ruler.*
 267 – *Yet another reason I wish I was a ruler.*
 268 – *Wait a minute! Weird!*
 269 – *Okay. Now you guys are sitting together?*
 270 – *Oh, my God. You guys aren't just fooling around.*
 271 – *You care about her.*
 272 – *I do not. She sickens me.*
 273 – *No, no, no. I'm the one who's sickened, okay?*
 274 – *I'm not supposed to be seen with scruffy guys like you.*

275 – *I date guys I can take out in public.*
 276 – *Yet you continue with this abomination!*
 277 – *You know, you guys have to tell Kelso.*
 278 – *Or we'll tell Kelso. Shall we?*
 279 – *Wait. No, no, no. Okay, guys. Look.*
 280 – *What if we just break it off right now?*
 281 – *Look, there's nothing to even break off, so it's fine by me.*
 282 – *Yes. This is what I wanna hear.*
 283 – *It'll be like it never happened.*
 284 – *Donna, come. Let us leave this unholy thing behind.*
 285 – *Steven, do I really sicken you?*
 286 – *No.*
 287 – *I sicken me, because you're supposed to sicken me,*
 288 – *but you don't.*
 289 – *Well, I feel the same way.*
 290 – *I mean, I like how scruffy you are.*
 291 – *Of course you do.*
 292 – *Man, you know what? Screw it.*
 293 – *Let's just do what we want, okay?*
 294 – *Okay. What about Michael?*
 295 – *Details, baby. Details.*
 296 – *So, how's that uniform working out for you?*
 297 – *Stop.*
 298 – *Do you feel like a good girl*
 299 – *that just can't help being bad?*
 300 – *Be bad, Donna. I won't tell.*
 301 – *Eric, it's not funny.*
 302 – *I actually have to go to this school every day now.*
 303 – *Without... Without you.*
 304 – *Okay, so, you know what? We'll see each other nights and weekends,*
 305 – *and I'll come visit you at school.*
 306 – *You know, I still have a bike.*
 307 – *Eric, it's, like, 10 miles away.*
 308 – *Ten... So what? These legs were made for pedaling.*
 309 – *Come on.*
 310 – *You've seen my thighs. Yeah.*
 311 – *You're a good boy friend.*
 312 – *"You're a good boy friend" who?*
 313 – *I'm not calling you Principal Forman.*
 314 – *Don't make me get the ruler, you lady.*
 315 – *Red can take Eric's scar, but he can have my candy*
 316 – *when he pries it from my cold, dead fingers.*
 317 – *You were right. 10 miles is nothing.*
 318 – *Will you pick me up from school every day?*
 319 – *Sure.*
 320 – *Which arm hurts*

321 – *when you're about to have a heart attack?*

322 – *Help.*

1.3 Episode 03: What Is and What Should Never Be (1)

- 1 - Whatever. Whatever.
- 2 - Yeah, like I care. All right. I'll talk to you later, Jackie.
- 3 - Ew! Do you mind not getting all gooey and romantic
- 4 - when I'm about to eat my breakfast?
- 5 - What crawled up your butt?
- 6 - You and Jackie.
- 7 - When you started making out in there.
- 8 - Hey! No more butt-talk at breakfast.
- 9 - Look, if you're not gonna break up with Jackie,
- 10 - then you have to tell Kelso, okay?
- 11 - It's, like, the ethical thing to do.
- 12 - Thank you, Johnny Cub Scout.
- 13 - What are you gonna do, take away my friendship merit badge?
- 14 - No, because Cub Scouts are awarded achievement beads.
- 15 - Badges.
- 16 - - So, anybody hungry? - Yeah.
- 17 - - Starved! - Yeah, that sounds good.
- 18 - Ladies first.
- 19 - Or ladies only.
- 20 - Oh, well, um... Well, it's not all for me.
- 21 - - I'm eating for two now. - What?
- 22 - I'm pregnant.
- 23 - Oh, God. No!
- 24 - I mean, great!
- 25 - Hanging out
- 26 - Down the street
- 27 - The same old thing
- 28 - We did last week
- 29 - Not a thing to do
- 30 - But talk to you
- 31 - We're all all right
- 32 - We're all all right
- 33 - Hello, Wisconsin!
- 34 - Kitty, are you sure you're pregnant?
- 35 - Maybe you're just putting on your winter weight.
- 36 - Red, a woman knows.
- 37 - Not to mention I'm late, and not for work.
- 38 - For my menstrual cycle. Hooray!
- 39 - That is great news, Mrs. Forman.
- 40 - Now, stay away from those smokes.
- 41 - If you smoke when you're pregnant,

42 - they come out all spindly.
43 - Shut up.
44 - Mom, congratulations. This is awesome.
45 - Please, love me the most.
46 - Well, you're sure being quiet over there, Red.
47 - I'm soaking in the moment.
48 - Okay, I know this is unexpected,
49 - but I just think it's gonna bring us
50 - so much happiness, don't you?
51 - Sure.
52 - You know how much I love babies.
53 - Oh, what a day. I am so happy!
54 - I'm just gonna go throw up.
55 - I just don't understand how this could have happened.
56 - Hmm. Maybe it's about time we had the talk.
57 - You see, when a boy loves a girl...
58 - - Doesn't have to love her. - That's true.
59 - - Anywho, the boy's sexual organ... - Hey!
60 - Shut it, dumbass.
61 - That kid's gonna love it here.
62 - I can't believe they're having a baby.
63 - I can't believe they're still having sex.
64 - I mean, my Dad's back goes out if you look at him wrong.
65 - - That's why she was probably on top. - Thanks.
66 - Thanks, Hyde. You just killed a part of me.
67 - Yeah, that's why you gotta put on your raincoat every damn time.
68 - Well, except for the first time. Free pass!
69 - Oh, Kelso, that's just a myth.
70 - You're only safe if you do it underwater. Right, Hyde?
71 - That's right, buddy.
72 - - Oops. Oh, a little help, Donna. - Sure.
73 - Catch this, tool!
74 - - What was that for? - You keep dropping the ball.
75 - Well, so I'm a butterfingers. Isn't that punishment enough?
76 - Now look. The ball's all the way over there in the backyard.
77 - Little help, Donna.
78 - God! Fine, I'll get it! God!
79 - Hey, Steven. I had fun last night.
80 - - You had fun doing what? - Huh? Hey, Michael.
81 - Um, I went to the movies. Right, Donna?
82 - Oh, um, I don't know. I was with Eric all night.
83 - But I'm really interested in this movie.
84 - Why don't you tell us all about it?
85 - Donna?
86 - Fine.
87 - You know, it's that new movie, starring that big, red whore.

88 - Oh, you mean, the one where the big, red whore
 89 - is sick of people keeping secrets.
 90 - No. No, no. The one where the big, red whore
 91 - keeps sticking her big, red nose
 92 - in places where it doesn't belong.
 93 - Hey, watch what you say about the big, red whore.
 94 - Thank you, Eric. What did Sissy Spacek ever do to any of you?
 95 - Way to go, guys. You know how he feels about Sissy!
 96 - Fez, wait!
 97 - Donna, what is with you?
 98 - Look, I'm sick of covering for your creepy, unnatural relationship.
 99 - And I shouldn't have to.
 100 - I mean, Hyde, you and Kelso have been friends forever,
 101 - and you owe it to him to tell him.
 102 - Yeah, this is way worse than when you stole his headgear
 103 - and used it to clean out your sink.
 104 - It was tough love, man.
 105 - You know what? Forget it.
 106 - You obviously don't care about Kelso or any of the rest of us.
 107 - Yeah, 'cause when this blows up, guess what? We're all screwed.
 108 - Steven, do you really think we're a creepy, unnatural couple?
 109 - Come on. That's a crazy question.
 110 - I mean, if this relationship wasn't just a little bit creepy and unnatural,
 111 - I wouldn't be in it.
 112 - Oh, Eric, look.
 113 - Your little, pink baby sweater.
 114 - Oh, oh, and the matching pink bonnet.
 115 - Um...
 116 - Had they explained to you yet that I was a boy?
 117 - - Oh, I am just so excited about this baby. - Well, yeah. You should be.
 118 - And Dad should be, too. What's with him anyway?
 119 - Oh, no. That's just his way. He'll be fine.
 120 - When I first told him about you, he said, "Oh, crap!" and stormed out.
 121 - But then he came back happy as a clam.
 122 - And then, of course, when you got older, he got mad again
 123 - on account of you not being so very good at sports.
 124 - Don't worry about your father. He'll come around. He always does.
 125 - My banky-boo!
 126 - Hey, Forman.
 127 - So, I've decided I'm gonna tell Kelso about me and Jackie.
 128 - Well, well. I'm glad you finally decided to listen to your conscience.
 129 - It's not my conscience, man, 'cause I don't have a conscience.
 130 - You know that. It's just 'cause, you know,
 131 - I figured me and Jackie might be together a little while, so...
 132 - But, man, she's the devil.
 133 - What can I do? She's hot.

134 - No, you only think she's hot
 135 - because she's made of hellfire.
 136 - All right. What if you were stranded on a desert island with her?
 137 - Murder-suicide.
 138 - Okay.
 139 - Picture Jackie in a little bikini made out of coconuts.
 140 - Where is our signal fire?
 141 - And don't give me any, "Oh, boo-hoo, my hands are bleeding."
 142 - Suck it up.
 143 - Aw, damn, I got a splinter.
 144 - You couldn't grab the tweezers as the ship was going down?
 145 - Moron.
 146 - Well, that was unpleasant.
 147 - Okay, try it again, but this time do what I do.
 148 - Good God, she is hot.
 149 - Hey, guys. What you talking about?
 150 - Indy 500.
 151 - - Nice. - All right.
 152 - Hey, can one of you guys give me a ride to the DMV tomorrow?
 153 - I lost my license in California.
 154 - - Sure, Hyde'll take you. - What?
 155 - Yeah, it'll give you two a chance to catch up.
 156 - He can tell you how he spent his summer break.
 157 - Yeah. All right.
 158 - - So what happened to your license, man? - Oh, a shark ate it.
 159 - Really?
 160 - How?
 161 - Fine, I lost it. You happy now?
 162 - Oh, here you are.
 163 - How are you feeling? Better? I bet you're feeling better.
 164 - I'm fine.
 165 - Is that liquor on your breath?
 166 - What is the matter with you, Red?
 167 - Well, you know...
 168 - I mean...
 169 - It's just...
 170 - I'm not selling the Corvette!
 171 - - What? - Kids are expensive.
 172 - That's gonna be the first thing to go.
 173 - I waited 25 years to have that car because we had kids.
 174 - And believe me, I love them.
 175 - But this is supposed to be our time.
 176 - Kitty, people our age don't have kids, they have grandkids.
 177 - Well, we're having a kid, so deal with it.
 178 - Well, I'm having a Corvette, so deal with that!
 179 - Ooh, a staring contest. I got winner.

180 - Okay, Mr. Red, it looks like it's just you and me.
 181 - Still the king.
 182 - ...and here I am ecstatic, and Red comes home babbling about his precious Corvette.
 183 - Well, I'll tell you something.
 184 - I may be the one who's pregnant,
 185 - but I did not get that way by myself.
 186 - He's the one who wouldn't go to sleep.
 187 - You know, Mrs. Forman, there are other ways of dealing with that.
 188 - I mean, have you tried telling him you just like him as a friend?
 189 - You're carrying Red's baby. He should be kissing your ass. God!
 190 - Why are men such jerks? Huh? Tell me.
 191 - I just came in here for the ice cream,
 192 - so I'm just gonna make mine and go.
 193 - Men plant their seed and think their work is done,
 194 - but women have a being growing inside of us
 195 - the size of a wine jug.
 196 - It's gotta come out somehow.
 197 - Oh, oh, oh. It's like that nature show, you know,
 198 - where the snake eats an antelope in one bite,
 199 - and you're thinking, "Impossible."
 200 - And then it unhinges its jaw, and in it goes.
 201 - Well, giving birth is just like that, only the other direction.
 202 - And I need your father there, holding my hand and telling me it's okay,
 203 - because I can't swallow an antelope alone.
 204 - No, you can't, and no woman should have to.
 205 - That bastard.
 206 - Ah, we've been here for, like, an hour,
 207 - we've only moved, like, two feet.
 208 - You think the lines at the DMV are long?
 209 - You should see the free clinic.
 210 - Now, there's a wait.
 211 - Man, you've been to the free clinic?
 212 - No.
 213 - Oh, but I did see your mom there. Burn!
 214 - That's gonna leave a mark. Just like your mom did!
 215 - Come on. Move it! Damn!
 216 - Gentlemen, I'm sorry you had to see my dark side.
 217 - Please excuse me. I'm gonna get to the bottom of this. Ta-ta.
 218 - Look, man, I gotta talk to you
 219 - about some things that happened while you were gone this summer.
 220 - Hyde, if this is about free ice cream, naked volleyball,
 221 - or a dog wearing a hat and sunglasses, I'd rather not even know.
 222 - No, it's about Jackie.
 223 - What about Jackie?
 224 - She was with someone, I knew it. Damn it!

225 - Well, you know, you guys are broken up, so who cares, right?
 226 - We're not... I don't care. It's just...
 227 - I mean, she was a big part of my life,
 228 - and I just hate the thought of her being off with some random guy.
 229 - Well, what if I told you it was with a friend? Would that make it better?
 230 - No. That would make it worse, stupid.
 231 - Oh, you're messing with me.
 232 - Okay, 'cause I... A friend would never do that.
 233 - Oh, man, Hyde, you got me again. Just like I got your mom!
 234 - What is with the hitting?
 235 - Guys?
 236 - I love this place. I want to work here.
 237 - You just said you hated it.
 238 - Yeah, but I went up to the counter,
 239 - and the guy treated me like crap,
 240 - but he was treating everybody like crap. Poor, rich, black, white,
 241 - we're all crap.
 242 - And look at him. Think he was popular in high school?
 243 - No way. But now he's the belle of the ball.
 244 - Well, my friends, it's my turn to get a taste of those balls.
 245 - Hey. I was just inside with Mom, and she's really upset, so...
 246 - I just wanna know, what's your problem?
 247 - You made me bald.
 248 - - What? - Five generations,
 249 - not one baldhead in my family.
 250 - Then you came along, and... Well, look at it!
 251 - Children make me bald.
 252 - You know what? Wear a hat.
 253 - 'Cause Mom is really scared,
 254 - and she could really use a little damn support right now.
 255 - And I don't usually tell you what to do,
 256 - 'cause you usually do the right thing, but this time you didn't.
 257 - You know how you're always telling me to be a man? Well, be a man!
 258 - I made you bald. You made me skinny!
 259 - Oh, hey. How'd it go at the DMV? Did you tell Kelso?
 260 - Nah, I blew it off.
 261 - What? Why?
 262 - I don't know. It's just really hot in there.
 263 - Really? 'Cause I think you chickened out.
 264 - No, I didn't chicken out, man.
 265 - I just didn't wanna drop the news in front of all those people, you know?
 266 - I mean, haven't I done enough to the guy?
 267 - So, you felt bad?
 268 - Oh, my God, you felt bad!
 269 - No, I don't feel bad. I don't feel anything.
 270 - I don't know. I think someone's been to Oz and gotten himself a heart.

271 - - Shut up, Forman. - Yeah, Eric.
 272 - Maybe we should lay off. He's had a rough day.
 273 - I really wanna lay off, but it's just so hot in here.
 274 - Get bent!
 275 - He felt bad.
 276 - - I think we really got through to him. - Yeah.
 277 - - He's not gonna tell Kelso. - No.
 278 - Oh. So, you're hiding out here.
 279 - Got a call from some man about a Corvette.
 280 - What, you gonna buy another one, so you can ride 'em around
 281 - like a couple of water skis?
 282 - - I'm selling the Corvette. - What?
 283 - Look, could we finish this later?
 284 - I'm kind of in the middle of something.
 285 - Is that Eric's old cradle?
 286 - Yeah, well, the paint was all chipped off,
 287 - and I kind of remember that they liked sleeping in this thing,
 288 - when they weren't peeing and pooping all over the place.
 289 - Oh, Red. That is so sweet.
 290 - Yeah, well,
 291 - it might be fun.
 292 - Hell, this time we might even get an athlete.
 293 - Oh!
 294 - - Hey. - Hey.
 295 - So, did you tell Michael yet?
 296 - Oh, yeah, well, I was gonna, but, you know, the timing just didn't seem
 right.
 297 - Oh, I understand.
 298 - I mean, it's kind of like... It's kind of like setting your hair.
 299 - If you don't wait long enough, then it's totally flat and like Donna's,
 300 - but if you wait just the right amount of time,
 301 - then it's perfect, like mine.
 302 - - Steven, are you even listening to me? - God help me, I am.
 303 - Steven.
 304 - So, that's what an adulteress is.
 305 - I always thought that it was a tiny adult.
 306 - Hey, uh...
 307 - Hey, buddy, what do you say we take this party back in the living room,
 huh?
 308 - Um, yeah, that's a good idea.
 309 - No, but I want a peanut butter and banana...
 310 - Why is Hyde kissing Jackie?
 311 - What the hell?
 312 - He's dead.
 313 - They have a lot of questions in the DMV application.
 314 - Let's see. "Sex"?

315 - Please.
316 - Lots.
317 - "Address"?
318 - If I must, but I prefer pants.
319 - "State"?
320 - Nervous but excited.
321 - "Mother's maiden name"?
322 - Streisand, but she won't acknowledge me.

1.4 Episode 04: Heartbreaker (2)

1 - HEH HEH HEH!
2 - WHY IS HYDE KISSING JACKIE?
3 - WHAT THE HELL?
4 - HE'S DEAD!
5 - Donna: KELSO!
6 - OPEN, DAMN IT!
7 - NO, THEY'RE GETTING AWAY!
8 - WHAT IS WRONG WITH THIS THING?
9 - WELL, THIS IS AGAINST MY BETTER JUDGMENT, BUT...
10 - THANK YOU.
11 - NOW, HYDE'S REALLY DEAD.
12 - OW!
13 - THAT'S INVISIBLE!
14 - HANGIN' OUT
15 - DOWN THE STREET
16 - THE SAME OLD THING
17 - WE DID LAST WEEK
18 - NOT A THING TO DO
19 - BUT TALK TO YOU
20 - WE'RE ALL ALL RIGHT
21 - WE'RE ALL ALL RIGHT
22 - HELLO, WISCONSIN!
23 - DONNA, WE HAVE TO STABILIZE HIM.
24 - WE'RE GONNA NEED PUDDING AND LOTS OF IT.
25 - WHO CHOOSES A CHICK OVER A FRIEND?
26 - WHAT? KELSO, COME ON.
27 - REMEMBER WHEN YOU MADE ME WALK HOME IN A BLIZZARD
28 - BECAUSE YOU WANTED 10 EXTRA MINUTES
29 - TO MAKE OUT WITH PAM MACY?
30 - NO, BUT I DIDN'T STEAL PAM MACY FROM YOU,
31 - AND YOU COULD'VE PLAYED IN THE SNOW UNTIL WE WERE
DONE.
32 - KELSO, TRY TO LOOK AT THE FACTS.
33 - JACKIE WANTED TO GET MARRIED, SO YOU BAILED,
34 - SO SHE FOUND SOMEONE ELSE,

35 - SO NOW SHE DOESN'T WANT TO MARRY YOU.
36 - THIS SOLVES YOUR PROBLEM.
37 - ALBEIT WITH AN UNPLEASANT TWIST ENDING.
38 - NO, I DON'T CARE. I'M KICKING HYDE'S ASS.
39 - WHOA, KELSO, KELSO, COME ON.
40 - YOU COULDN'T OPEN MY KITCHEN DOOR.
41 - I MEAN...
42 - SERIOUSLY. THINK ABOUT HOW THIS PLAN USUALLY TURNS OUT.
43 - AAH!
44 - UNH!
45 - THAT'S MY EYE!
46 - HEH HEH HEH! NICE.
47 - UH-OH.
48 - OW! MY EYE!
49 - BASTARD!
50 - NO, STOP!
51 - IT'S MY BUTT PRINT.
52 - LOOK AT IT! NO TWO ARE THE SAME... OW!
53 - MY EYE!
54 - WHAT AM I SUPPOSED TO DO?
55 - I MEAN, HE BROKE THE CODE. HE'S WRONG.
56 - YOU KNOW WHAT? YOU'RE RIGHT.
57 - HE'S LIKE MY OLDEST FRIEND,
58 - AND HE STABBED ME IN THE BACK.
59 - SO, KELSO, HOW MANY THINGS AROUND HERE
60 - HAVE YOU PUT YOUR BUTT ON?
61 - LET'S START WITH WHAT I HAVEN'T PUT MY BUTT ON.
62 - OH, JUST A MOMENT.
63 - RED, IT'S SOMEBODY ABOUT BUYING THE CORVETTE.
64 - UGH!
65 - WELL, MARLIN, WE'VE JUST SEEN
66 - THE MALE OF THE HERD GRUNT HIS DISPLEASURE.
67 - BUT WHAT DOES IT MEAN?
68 - THE GRUNTING INDICATES AGGRESSION, JIM.
69 - AHH!
70 - IDIOTS.
71 - I AM ABOUT TO SELL SOMETHING SPECIAL TO ME
72 - BECAUSE WE'RE HAVING ANOTHER BABY,
73 - AND TO DO THAT, I HAVE TO BELIEVE
74 - THAT THIS CHILD WON'T TURN OUT A SMART ASS.
75 - HELLO.
76 - YES.
77 - DON'T CALL HERE AGAIN.
78 - WELL, WHAT HAPPENED?
79 - OH, THE GUY SOUNDED LIKE HE WAS EATING.

80 - I DON'T WANT SOME FAT BASTARD EATING IN MY CAR.
81 - ANYWAY, I'M GOING TO THE DOCTOR'S THIS AFTERNOON
82 - BECAUSE I'M PREGNANT!
83 - OH, OH, AND YOU'RE PICKING
84 - YOUR GRANDPARENTS UP FROM THE AIRPORT.
85 - I'M GOING TO TELL THEM
86 - THAT I'M PREGNANT!
87 - THEY GET IN FROM PHOENIX AT 5:00.
88 - YOU KNOW, I WAS HOPING WHEN THEY MOVED TO ARIZONA
89 - THEY'D GET LOSE IN THE DESERT.
90 - WHAT'S WRONG WITH MRS. FORMAN'S PARENTS?
91 - NOTHING. THEY'RE JUST... THEY'RE... VERY COMPLICATED
PEOPLE
92 - WHO CAN'T BE SUMMED UP IN A COUPLE OF WORDS.
93 - GRANDMA YELLS. GRANDPA DRINKS.
94 - THAT PRETTY MUCH SUMMED IT UP.
95 - NOW, THAT IS NOT TRUE. MY FATHER IS A WONDERFUL MAN
96 - WHO JUST GETS A LITTLE SLEEPY.
97 - AND MY MOTHER, WELL...
98 - FINE, IS A LITTLE REMOTE.
99 - WHICH, I HAVE LEARNED THROUGH MANY HELPFUL BOOKS,
100 - MAKES IT IMPOSSIBLE FOR HER TO SAY, "I LOVE YOU."
101 - EVEN IF IT'S THE ONLY THING IN THE WORLD
102 - A SAD LITTLE GIRL NEEDS TO HEAR.
103 - AND WHICH IS WHY I SAY IT TO YOU EVERY DAY.
104 - ERIC, I LOVE YOU.
105 - HEH HEH HEH!
106 - AND YOU, TOO, STEVEN.
107 - I LOVE YOU!
108 - OH, YEAH, NO, THAT'S OK, YOU DON'T HAVE TO...
109 - NO, THAT'S ALL RIGHT... OK, I LOVE YOU, TOO!
110 - I CAN'T BELIEVE THAT YOU KNEW
111 - THAT JACKIE AND HYDE WERE TOGETHER
112 - AND YOU DIDN'T TELL ME.
113 - WE... BARELY KNEW.
114 - YEAH, WE KNEW, BUT WE WERE IN DENIAL
115 - BECAUSE IT'S SO UNNATURAL.
116 - LIKE RADIOACTIVE SPIDERS.
117 - WELL, THAT'S TRUE.
118 - IT'S JUST, HOW COULD HYDE DO THIS TO ME?
119 - UH-OH, SOUNDS LIKE HE KNOWS.
120 - FINALLY!
121 - WHAT, YOUR MOM KNEW?!
122 - AND FEZ?!
123 - FEZ NEVER KNOWS ANYTHING!
124 - I KNOW. I'M REALLY COMING INTO MY OWN.

125 - WHATEVER.
126 - YOU KNOW, NONE OF THIS IS AS BAD
127 - AS HYDE NOT TELLING ME.
128 - YOU KNOW WHAT I'M GONNA DO?
129 - I'M GONNA MAKE HIM TELL ME.
130 - HOW ARE YOU GONNA DO THAT?
131 - BY OUTWITTING HIM CONVERSATIONALLY.
132 - WHAT A FINE GAME
133 - OF CAT AND MOUSE IT WILL BE.
134 - I'M GONNA GO FIND AN EYE PATCH.
135 - SO, WHAT ARE YOU GONNA SAY?
136 - OH, IT'LL COME TO ME IN THE MOMENT.
137 - DON'T YOU THINK YOU SHOULD PLAN IT OUT A LITTLE?
138 - DOES AN ASTRONAUT PLAN OUT HIS MISSIONS?
139 - WHAT HAPPENS IN CAT AND MOUSE
140 - IF THE CAT IS RETARDED?
141 - OH, YOU JUST WAIT AND SEE.
142 - WHAT'S UP?
143 - THAT'S AN INTERESTING QUESTION, HYDE.
144 - WHAT IS UP?
145 - WELL, I GUESS YOU KNOW ABOUT ME AND JACKIE.
146 - AHA!
147 - SO THE BATTLE OF WITS HAS BEGUN!
148 - WHAT BATTLE OF WITS? I ADMIT IT.
149 - I'M MESSING AROUND WITH JACKIE.
150 - I HATE YOU!
151 - OW! MY EYE!
152 - THANKS AGAIN FOR THE DREAM CATCHERS.
153 - A BLIND INDIAN WITH 3 FINGERS MADE THOSE.
154 - IT WAS QUITE A THING TO WATCH.
155 - WOW. I WONDER IF HIM BEING BLIND
156 - HAD SOMETHING TO DO WITH THE LOSING THE FINGERS.
157 - ACTUALLY, I THINK THEY WERE TAKEN
158 - AS PART OF A PRIMITIVE MANHOOD RITUAL.
159 - SO, ERIC, I KIND OF LIKE YOUR GRANDPARENTS.
160 - WHAT WERE YOU SO WORRIED ABOUT?
161 - WAIT FOR IT.
162 - BURT, SWEETIE, I THINK THAT CAR'S TRYING TO PASS.
163 - WHY DON'T YOU MOVE OVER?
164 - OH, HE'S FINE.
165 - HONEY, I REALLY THINK YOU SHOULD MOVE OVER.
166 - SWEETIE, HE CAN GO AROUND.
167 - MOVE!
168 - I'M MOVING.
169 - AND WHEN HE SAW YOU GUYS KISSING,
170 - HE JUST FELL APART. I MEAN, IT WAS AWFUL.

171 - AND THEN HE RAN INTO THE SCREEN DOOR.
172 - OHH. HE'S JUST SO BAD AT DOORS.
173 - LOOK...
174 - IF YOU DON'T WORK THINGS OUT WITH KELSO,
175 - EVERYBODY'S GONNA CHOOSE SIDES,
176 - AND NOBODY'S GONNA BE FRIENDS ANYMORE.
177 - WELL, THAT'S NOT MY FAULT.
178 - LOOK, HE DESERTED ME. HE BROKE MY HEART.
179 - I DIDN'T DO ANYTHING WRONG.
180 - YOU'RE DATING HIS BEST FRIEND!
181 - YOU'VE GOTTA TALK TO HIM.
182 - YOU OWE HIM AN EXPLANATION.
183 - UGH! THAT'S JUST SO NOT THE WAY
184 - I WANTED TO SPEND THE DAY.
185 - WELL, I DIDN'T WANT TO SPEND THE DAY
186 - WIPING TEARS AND PUDDING OFF OF KELSO'S CHEEK.
187 - BURT, HONEY,
188 - WHY DON'T YOU COME OVER AND SIT WITH US?
189 - I'M FINE HERE.
190 - WE'D REALLY LIKE IT
191 - IF YOU WOULD SIT AND JOIN THE PARTY.
192 - I'M PART OF THE PARTY RIGHT HERE.
193 - SIT!
194 - SO, BURT, YOU'RE LOOKING FIT.
195 - DRY HEAT AND CENTRAL AIR,
196 - THAT'S THE KEY.
197 - UH-HUH.
198 - I'VE EVEN GOT AN AIR-CONDITIONED GARAGE.
199 - WE COULD GO FROM THE HOUSE TO THE CAR
200 - WITHOUT EVER FEELING THE HEAT.
201 - WOW.
202 - THEY LITERALLY NEVER HAVE TO BREATHE FRESH AIR, WOW.
203 - WHO NEEDS IT?
204 - YEP.
205 - WELL, THOSE ARE SOME REAL NICE SANDALS, BURT.
206 - HARDLY EVER SEE THOSE ON MEN.
207 - ALSO MADE BY THE HANDICAPPED INDIAN.
208 - WHAT SPIRIT.
209 - OH, UM, EVERYBODY'S HERE.
210 - HELLO, MOM, DADDY.
211 - KITTY, TELL EVERYONE YOUR WONDERFUL NEWS. QUICK.
212 - UM, I'D REALLY RATHER NOT RIGHT NOW, RED.
213 - BUT THAT'S WHY WE'RE HERE.
214 - YEAH, FOR THE LOVE OF GOD, MOM, TELL THEM.
215 - NO, I SAID NOT RIGHT NOW.
216 - KITTY, THEY CAME ALL THIS WAY.

217 - YEAH, COME ON.
218 - FINE. YOU WANT TO HEAR THE BIG NEWS?
219 - THE DOCTOR TOLD ME I STARTED MENOPAUSE.
220 - KITTY, LANGUAGE!
221 - YOU'RE NOT PREGNANT?
222 - NO, NO, JUST BARREN. TALK ABOUT THAT.
223 - MOM, I'M REALLY SORRY.
224 - I KNEW YOU WANTED A BABY,
225 - BUT I'M NOT REALLY SURE WHAT TO SAY,
226 - MAINLY BECAUSE...
227 - I'M NOT REALLY SURE WHAT MENOPAUSE IS.
228 - ARE YOU GONNA, LIKE, LOSE YOUR HAIR?
229 - SHUT UP.
230 - SHE'S NOT LOSING ANYTHING.
231 - THIS JUST MEANS...
232 - FROM TIME TO TIME...
233 - A WOMAN'S BODY...
234 - AHM!
235 - KITTY, EXPLAIN IT TO THE BOY.
236 - I'M JUST GETTING SOME JUICE.
237 - HEY, MOM. MAYBE YOU SHOULD TALK TO GRANDMA ABOUT THIS.
238 - WELL, THAT'S AN IDEA.
239 - I MEAN, WE'RE JUST IGNORAMUSES.
240 - OK, OK, SCOOT.
241 - IS IT... IS IT LIKE A LADY PARTS THING?
242 - WE'LL LOOK IT UP IN THE WORLD BOOK.
243 - OH, THOSE COOKIES LOOK GOOD.
244 - WELL, THANKS.
245 - SORRY I MADE A SCENE.
246 - OH, YOU WERE JUST TIRED.
247 - NO, I WASN'T JUST TIRED.
248 - MOM, I'M HAVING A REALLY HARD TIME HERE.
249 - DID IT HIT YOU THIS HARD, TOO?
250 - DID WHAT, DEAR?
251 - MENOPAUSE.
252 - OH!
253 - I NEVER HAD IT.
254 - MOM, EVERYBODY HAS IT.
255 - WELL, I'VE ALWAYS BEEN QUITE HEALTH-CONSCIOUS.
256 - I TOLD YOU TO EAT MORE VEGETABLES.
257 - YOU CANNOT EXPECT ME TO BELIEVE
258 - THAT YOU NEVER WENT THROUGH MENOPAUSE.
259 - - WELL, I DIDN'T. - YES, YOU DID!
260 - WELL, IT DOESN'T MATTER, BECAUSE IT'S NOT NICE TO TALK ABOUT.

261 - WELL, NOT EVERYTHING THAT NEEDS TO BE
262 - TALKED ABOUT HAS TO BE NICE.
263 - MOM, WHY DON'T YOU EVER REALLY TALK TO ME?
264 - I TOLD YOU I LIKED YOUR COOKIES.
265 - I'M GONNA FIND YOUR FATHER.
266 - BURT!
267 - IS SHE GONE?
268 - YOU KNOW, THAT WOMAN IS CRAZY.
269 - YOUR MOTHER JUST DOESN'T KNOW
270 - HOW TO TALK TO PEOPLE.
271 - IF SHE YELLS AT YOU,
272 - SHE REALLY MEANS THAT SHE'S SORRY YOU'RE UPSET.
273 - AND IF SHE BREAKS ALL YOUR GOLF CLUBS,
274 - SHE MEANS "HAPPY ANNIVERSARY."
275 - OH, DADDY, I LOVE YOU.
276 - I LOVE YOU, PUMPKIN. AND SO DOES YOUR MOTHER.
277 - BURT!
278 - YOU NEVER SAW ME.
279 - TRY TO GET MY EYE NOW!
280 - AAH!
281 - HYDE, GET OFF!
282 - NOT UNTIL YOU CALM DOWN.
283 - AHH! A WET ONE!
284 - FEZ, I'M GONNA GET FREE EVENTUALLY,
285 - AND THEN I'M GONNA KICK YOUR ASS.
286 - KELSO, LOOK, MAN, WE NEED TO SETTLE THIS.
287 - NO, I DON'T WANT TO SETTLE THIS.
288 - I DON'T WANT TO TALK ABOUT IT.
289 - ALL I WANT TO DO IS POUND YOU
290 - SO YOU CAN FEEL AS BAD AS I DO.
291 - FINE. FAIR ENOUGH.
292 - GO AHEAD AND HIT ME. A FREE SHOT.
293 - YOU GONNA HIT ME BACK?
294 - NO, MAN. THAT'S WHY THEY CALL IT A FREE SHOT.
295 - OH. OK.
296 - GET READY.
297 - HERE IT COMES.
298 - IT'S COMING.
299 - GET READY.
300 - WE'RE READY! DO IT, FOOL!
301 - YOU KNOW WHAT?
302 - FORGET IT.
303 - IT'S NOT GONNA CHANGE ANYTHING.
304 - I JUST...
305 - FORGET IT.
306 - LOOK, KELSO...

307 - I DIDN'T PLAN FOR THIS, BUT...
308 - LOOK, I'M SORRY, OK?
309 - I'M... I'M REALLY SORRY.
310 - Both: AWW!
311 - WOULD YOU GET BENT?
312 - SO, WHAT ARE WE GONNA DO NOW?
313 - I'LL TELL YOU WHAT YOU GUYS ARE GONNA DO.
314 - YOU TWO ARE GONNA SHAKE HANDS,
315 - AND YOU'RE GONNA BE DONE WITH IT.
316 - NUH-UH.
317 - COME ON. GIVE IT A TRY.
318 - SHAKE HANDS.
319 - I DON'T WANNA.
320 - SHAKE!
321 - HEY.
322 - WELL, WELL. LOOK WHO IT IS.
323 - UGH. LOOK, MICHAEL, I'M GLAD I FOUND YOU.
324 - HOW'S YOUR EYE?
325 - WHAT DO YOU CARE?
326 - OK, LOOK, MICHAEL,
327 - I KNOW WE SHOULD'VE TOLD YOU SOONER,
328 - BUT NOT I'M GONNA SAY I'M SORRY,
329 - BECAUSE I WANTED YOU, AND YOU LEFT AND BROKE MY
HEART.
330 - AND I LIKE STEVEN NOW,
331 - SO YOU NEED TO GET OVER IT
332 - SO WE CAN ALL BECOME FRIENDS AGAIN.
333 - APOLOGY ACCEPTED.
334 - HERE, LET ME HELP YOU.
335 - OW!
336 - MY EYE.
337 - YEAH.
338 - HEY.
339 - HOW YOU DOING?
340 - OH, GREAT.
341 - IT'S SO NICE TO NO LONGER BE A WOMAN.
342 - KITTY, THAT'S NOT TRUE.
343 - YOU KNOW I'VE BEEN... I'VE BEEN TRYING TO THINK
344 - WHAT I COULD DO TO MAKE YOU FEEL BETTER,
345 - AND I FINALLY CAME UP WITH SOMETHING.
346 - I SENT YOUR PARENTS HOME EARLY.
347 - THAT KIND OF HELPS.
348 - I JUST... I REALLY WANTED TO BE PREGNANT.
349 - YOU KNOW WHAT THE REAL KICKER IS?
350 - THIS MORNING, WHEN WE THOUGHT
351 - YOU WERE STILL PREGNANT...

352 - I SOLD MY CORVETTE.
 353 - HA HA HA HA HA!
 354 - HA HA HA HA HA!
 355 - HA HA! OH-HO-HO!
 356 - OH-HO-HO!
 357 - OHH!
 358 - "MEMORIAL DAY, MENINGITIS..."
 359 - OK, HERE WE GO. "MENOPAUSE."
 360 - GOOD GOD. I DIDN'T THINK THEY'D HAVE PICTURES.
 361 - WELL...
 362 - AT LEAST THEY USE THE WORD "UTERUS" A LOT.
 363 - I COULD'VE GONE A WHOLE LIFETIME
 364 - WITHOUT KNOWING THEY HAD A MUCOUS MEMBRANE.
 365 - YOU KNOW, YOU JUST...
 366 - YOU CAN'T UNLEARN SOMETHING LIKE THAT, YOU KNOW?
 367 - OH, NO, LOOK AT THE SYMPTOMS.
 368 - "TEMPERAMENTAL BEHAVIOR, MOOD SWINGS,
 369 - FACIAL HAIR."
 370 - UH-OH, DAD...
 371 - I THINK YOU HAVE MENOPAUSE.
 372 - HEY, ERIC, CAN YOU HAND ME A COOKIE?
 373 - UM, I CAN'T REACH WHILE I'M DRIVING.
 374 - COME ON, PLEASE? JUST ONE COOKIE.
 375 - JUST WAIT TILL I STOP.
 376 - COOKIE!
 377 - YOU KNOW, DONNA,
 378 - YOU CATCH MORE FLIES WITH SUGAR.
 379 - RIGHT, BURT?

1.5 Episode 05: Ramble On

1 - You know, Eric, I'm really happy with our relationship right now.
 2 - Yeah, me, too. It's like we're way past "the broken up and miserable" stage
 3 - and we're back in the "having sex again" stage, so...
 4 - Yeah. Thumbs up from this end, too. Yeah.
 5 - I'm serious. I mean, we've been through a lot
 6 - and even though some of it wasn't exactly fun...
 7 - I mean, it was worth it, because now we know that we can handle anything.
 8 - And we don't freak out about the little stuff.
 9 - Right.
 10 - Like that time we got in that big fight because I ran over your cat.
 11 - That wasn't little stuff. I really loved that cat.
 12 - Yeah. No. Yeah. No, I know. I mean, the cat was little.
 13 - Anyway, when you came to California, I knew you were the one.
 14 - So I got you a gift to symbolize how far we've come.
 15 - Is it, like, one of those gifts that women get for men,

16 - but they actually wear themselves?
17 - Here.
18 - It's a ring.
19 - Yeah.
20 - And I'm a man.
21 - Yeah. It's a man-ring.
22 - A man-ring.
23 - Yeah!
24 - Hanging out
25 - Down the street
26 - The same old thing
27 - We did last week
28 - Not a thing to do
29 - But talk to you
30 - We're all all right
31 - We're all all right
32 - Hello, Wisconsin!
33 - Morning.
34 - What the hell's that thing on your finger?
35 - This is my new man-ring.
36 - Donna got it for me, so I'll feel right at home
37 - when the gypsies come to town.
38 - Well, take it off.
39 - You look like some kind of fruity magician.
40 - Well, I think it's sweet.
41 - I can enjoy these things now
42 - because I am not gonna let menopause get me down.
43 - Mmm-mmm. No depression, night sweats,
44 - or sudden mood swings for me.
45 - Well, I guess that's starting today, huh?
46 - 'Cause last night you hit the trifecta there.
47 - Well, I just refuse to be sad
48 - about the fact that I'm never gonna have another baby.
49 - I don't need another baby.
50 - I got a lot to look forward to.
51 - Like picking out my casket.
52 - - Oh, Kitty. - I...
53 - It's okay.
54 - You've still got Eric.
55 - He's sort of a baby.
56 - I'll make him cry if you want.
57 - Man, that is one big-ass ring!
58 - Hey, maybe people will think you won the Super Bowl.
59 - Nah. Nobody'd believe that.
60 - But he could be the sick little kid the whole team rallies around.
61 - Well, guys, wish me luck.

62 - Today I have a job interview
 63 - at the Department of Motor Vehicles.
 64 - All right. Good luck, man.
 65 - Oh, Eric.
 66 - What a glorious man-ring.
 67 - See, I told you to accessorize and you finally listened, huh?
 68 - - Man, you like it? - Yeah. What's not to like?
 69 - It's hypnotic. It looks like he has superpowers.
 70 - I'd like to see the lame-o superhero that had to wear that ring.
 71 - Okay, super pals, I need a danger alert status report.
 72 - My sensors indicate peace and quiet throughout the universe.
 73 - I think the oceans are secure, but I cannot check for another 45 minutes
 74 - because I just ate.
 75 - - Hi, guys. - No.
 76 - You've been brainwashed and forced to wear this hideously ugly ring!
 77 - Actually, it's a gift. From me.
 78 - Form of, the worst gift ever.
 79 - Shape of... Hope you kept the receipt.
 80 - Oh, no! Alien zombies are attacking the Earth.
 81 - - Let's swing into action, gang. - Hang on a second!
 82 - We're still on this ring.
 83 - Are you sure it's not an evil alien artifact?
 84 - I got it at the mall.
 85 - Greetings, super dumb asses.
 86 - Oh, no! It's Dr. Bald.
 87 - Any minute now, my army of alien zombies will be inva...
 88 - Good Lord! That is an ugly ring!
 89 - Hey, alien zombies, get a load of that ring!
 90 - - All right. That's it. This thing's coming off. - Oh, whoa! Be careful,
 man.
 91 - You drop something that big and heavy,
 92 - it'll throw off the Earth's rotation.
 93 - We'll all go crashing into the sun.
 94 - Way to use science in a burn.
 95 - Donna, guess who hates the ring you got him?
 96 - Eric hates the ring?
 97 - - He told me he loved it. - Well, see...
 98 - Eric told Steven that the ring was so ugly
 99 - that the Elephant Man wears it to distract people from his face.
 100 - That ring is beautiful.
 101 - You know, what's ugly is his bony little finger.
 102 - Hey, you know what? If he can't appreciate it,
 103 - let's just take it back and buy me something pretty.
 104 - According to your application, your last job was as Dancer Number 3
 105 - in the school production of My Fair Lady.
 106 - Yes. It was magical.

107 - I Could Have Danced All Night.
 108 - Uh-huh. I'm afraid your theater experience
 109 - doesn't really apply to working here at the DMV.
 110 - But, Nina, what is the DMV really, if not one big stage?
 111 - The DMV is the Department of Motor Vehicles. It is not a stage.
 112 - Ah, but in a way, they're very similar.
 113 - - No, they're not. - Oh, but really they are.
 114 - - No, they're not. - Okay.
 115 - - They are. - No, they're not!
 116 - I'm just gonna put down no prior experience.
 117 - Fair enough.
 118 - Ah, but you haven't asked me about my special skills yet.
 119 - Well, I really don't see how a fondness for pie is relevant.
 120 - But, Nina, what is the DMV really, if not one big pie shop?
 121 - Great. Clicker's on the fritz.
 122 - All I want to do is see the end of Guiding Light, and it won't click.
 123 - Click, damn it! Click!
 124 - Kitty?
 125 - I think your lady problem is acting up again.
 126 - It just won't click, that's all.
 127 - It's supposed to click, Red. It's a clicker. That's what it does.
 128 - Okay. Let's get you to bed.
 129 - Okay, you guys, very important.
 130 - Donna's coming over, and I lost the ring she gave me.
 131 - - I thought I had it in the basement... - Eric, please!
 132 - Your mother is having a breakdown.
 133 - No. The only thing having a breakdown around here is the clicker!
 134 - Why won't it click, Red? Nothing loves me!
 135 - Okay, Eric. Jackie just told me
 136 - that Hyde told her that you hate the ring.
 137 - Uh-oh.
 138 - I happen to think it's beautiful.
 139 - Besides, that is what a man-ring looks like.
 140 - Well, you know, Donna, maybe I'm just not a man-ring kind of guy.
 141 - I mean, I like man-pants and man-shirts.
 142 - Eric, you could've just told me you didn't like it when I gave it to you.
 143 - You know what? Just give it back.
 144 - I absolutely will
 145 - just as soon as I find it.
 146 - What?
 147 - How could you lose it?
 148 - I told you it was a symbol of our loving freaking relationship!
 149 - And my losing it is a symbol
 150 - of how much I love and respect you?
 151 - I need cold compresses and a Bloody Mary. Quick!
 152 - Your mother is talking about adopting a communist orphan.

153 - Now move. I need help, damn it!
 154 - I don't understand. How could I lose a 25-pound ring?
 155 - I once lost a six-foot-long rubber chilidog.
 156 - And I still haven't found it. It's just gone!
 157 - You know what, Hyde? This whole thing's your fault.
 158 - You're the one who told Jackie I didn't like the ring.
 159 - Hyde stabbed you in the back?
 160 - No. He wouldn't do anything like that.
 161 - Like he didn't steal Jackie from me. Oh, wait a minute!
 162 - Look, man, I told her not to tell.
 163 - Yeah. And I told you not to tell.
 164 - You and Jackie are gossiping now?
 165 - You know, the more you two go out,
 166 - the more like each other you get.
 167 - Yeah. Who knows what you and your little girlfriend are gonna be like
 168 - in a couple months.
 169 - Two, four, six, eight.
 170 - Who do we appreciate? Go team!
 171 - - Whoo! - Whoo-hoo! Number one! Yeah!
 172 - Jackie? I heard the best piece of gossip.
 173 - Eric Forman doesn't have any school spirit.
 174 - - I'm telling everyone! - Too late. I already did.
 175 - First of all, Jackie is not my girlfriend.
 176 - And second of all, I'm not the only one who spills stuff around here.
 177 - Yeah. You're right.
 178 - Hey, Kelso. Hyde watches Little House on the Prairie.
 179 - Little House on the Prairie?
 180 - It reminds me of a simpler time.
 181 - How could Eric lose that ring?
 182 - And more importantly, how could he think it was ugly?
 183 - It's got real nugget-gold plating
 184 - and the abalone is inlaid.
 185 - If you were my girlfriend, I would be proud to wear that ring.
 186 - Heck, I'd wear it if you just wanted to fool around a little.
 187 - Get my drift, Big D?
 188 - All I know is, you guys better watch what you say around here.
 189 - Some people can't be trusted because they have a great, big mouth, Jackie!
 190 - How could you say that?
 191 - My mouth is in perfect proportion to the rest of my face.
 192 - Plenty of classy men wear rings.
 193 - Wayne Newton. The Pope. My Uncle Carmine from Hoboken.
 194 - You lose his ring, you wake up in a dumpster.
 195 - And that's just a warning!
 196 - Now I think that's all the questions I have about your application.
 197 - Okay, but one thing my application doesn't say
 198 - is how much I would apply myself to the job here.

199 - I'm gonna have to ask you to stop making puns now.
 200 - I really don't think this is going to work out, so...
 201 - Wow! That is a gorgeous man-ring.
 202 - You know, wearing a ring this big shows a lot of confidence.
 203 - Well, I do feel like a king when I wear it.
 204 - And, you know, what is the DMV really, if not one big kingdom?
 205 - You know what?
 206 - You're stubborn, under qualified, and you barely speak English.
 207 - Welcome to the DMV.
 208 - Wait a minute. You're mad at me for telling Donna a secret?
 209 - Steven, I tell secrets. It's who I am.
 210 - Look, all I'm saying is, if you're gonna be my girlfriend,
 211 - you can't go running around, shooting off your big, fat, cheerleader mouth.
 212 - You just called me your girlfriend.
 213 - No, I didn't.
 214 - - Yes, you did. - No, I didn't.
 215 - - Yes, you did. - No, I didn't.
 216 - Yes, you did, and shut up. You're ruining it!
 217 - Okay, now listen to me.
 218 - I'll keep my mouth shut if you admit that I'm your girlfriend.
 219 - No, the price is too high.
 220 - Okay, fine. You know what? I'm telling everybody everything anyways.
 221 - Starting with the fact that you called me your girlfriend.
 222 - You're blackmailing me?
 223 - You're coming along nicely.
 224 - Good news. I got the job.
 225 - What the hell is that on your finger?
 226 - Oh, it's chocolate and coconut.
 227 - I can't believe you took my ring.
 228 - Oh...
 229 - Yes. I took it.
 230 - I took it, and I'm proud.
 231 - You don't deserve something this beautiful.
 232 - You have a girlfriend. You have a ring. I have nothing!
 233 - Well, you have a job.
 234 - Well, that's true. Good for me.
 235 - You guys, look at this thing. God, what was Donna thinking?
 236 - Forman, you gotta expect this. I mean, look at her dad.
 237 - The apple doesn't fall far from the Bob.
 238 - Now, this ring's a wolf attacking a zebra.
 239 - This one's a zebra attacking a wolf.
 240 - And in this one, they're finally friends.
 241 - Hey, there. Hi, there. Ho, there. Let's go.
 242 - I'm not going to the game with you in that jacket, Bob.
 243 - I'm not going to the game, Bob.
 244 - My God, she never had a chance.

245 - Hyde, my girlfriend has bad taste.
246 - Well, she is dating you.
247 - Ah, a good burn, Fez.
248 - And that ring is only the beginning, man. I can see it now.
249 - Eric, you look so foxy.
250 - Hey, there. Hi, there. Ho, there.
251 - Ta-da!
252 - Look what I found. And I didn't even lose it. Fez took it.
253 - So, basically, you got mad at me for being a victim of robbery.
254 - Okay.
255 - Apologetic look accepted.
256 - Eric, I got mad at you for not being honest, and that hasn't changed.
257 - Really? I thought it might have.
258 - I gave you the ring as a symbol of how far we've come in our relationship.
259 - And if you can't be honest, then you shouldn't be wearing that ring at all.
260 - Okay. You want me to be honest?
261 - Okay. I kind of think
262 - that you have bad taste.
263 - What? I do not!
264 - Okay. Well, then, tell me what you think of this room.
265 - This turquoise-and-chrome disaster of a room.
266 - I think it's classy and sophisticated.
267 - You know, maybe you're the one who has bad taste. In fact...
268 - Why don't you tell me about this pea-soup-colored chair?
269 - I think it's comfortable and soothing, just like pea soup.
270 - Well, I think this whole room is a great example of bad taste.
271 - - Excuse me? - Mrs. Forman.
272 - I have spent years picking every item in this room
273 - so that I would be surrounded by the things I love
274 - and the people I thought loved me.
275 - Hey, Kitty, how about a nap?
276 - And you. Have you fixed the damn clicker yet?
277 - What good is a clicker if it won't click?
278 - Oh, my goodness. I am flying right off the handle.
279 - Seems to me you're just as pleasant as always.
280 - Ooh, that is sweet. Oh.
281 - I think I'd like to take a nap now.
282 - Did you see that?
283 - I told you the truth, and we got into a fight.
284 - My dad told my mom she's pleasant, a whopper of a lie,
285 - and they've been married 150 years.
286 - I don't care. I want you to tell me the truth all the time.
287 - No. No, you don't.
288 - It's like when women ask
289 - whether or not their outfit makes them look fat.
290 - How many men tell them they look fat? Zero.

291 - How many women look fat? Not zero.
 292 - That is totally different.
 293 - No, Donna. No, it isn't.
 294 - Look, how could I look you in the eye and tell you that I don't like the ring
 295 - when I love you so much?
 296 - I guess I know what you mean.
 297 - It's like when you wrote me that song.
 298 - Wait. You love that song.
 299 - Of course I do.
 300 - You know what? We are really bad with rings.
 301 - Yeah. If we ever get married, we should just exchange, like,
 302 - buckets of chicken.
 303 - Or I could write you another song.
 304 - - Oh. I'm fine with chicken. - Okay.
 305 - Does this outfit make my butt look fat?
 306 - No. You look super.
 307 - So Wonder Boy and I
 308 - are thinking about moving in together.
 309 - My parents are gonna freak!
 310 - You think your parents are gonna freak?
 311 - Yeah, we're twins.
 312 - You know, it really hurts my feelings
 313 - that you call me Dr. Bald.
 314 - Just because I'm evil doesn't mean I don't cry.
 315 - Super jerks!

1.6 Episode 06: Over the Hills and Far Away

1 - Okay. So, is everyone ready
 2 - for our big trip to the University of Wisconsin?
 3 - Yeah, Donna and I have it all mapped out.
 4 - She is going to buy a tight sweater
 5 - with a big red "W" on it, and I am going to watch her wear it.
 6 - And then we're gonna buckle down.
 7 - Oh, Steven, I put out some clean clothes for you to take on the trip.
 8 - Thanks, Mrs. Forman, but I'm not really the college type.
 9 - - I get my learning on the street. - Steven, you're a smart kid.
 10 - If you would only just apply yourself, you could go to college, too.
 11 - You don't trust me alone in the house, do you?
 12 - See how smart you are?
 13 - Well, I just can't believe my baby is all grown up and visiting college.
 14 - I am so freaking old!
 15 - And menopause makes another
 16 - unwelcome appearance at the dinner table.
 17 - No, no, it's not unwelcome, it's liberating.

18 - It's... Now my emotions just spill out.
19 - Yeah, Mom, you're sweating all over your pork chop.
20 - Hey! There's my favorite co-ed.
21 - Hey, you all packed for Visitors Weekend?
22 - I can't go. My dad's making me visit Marquette instead.
23 - He thinks it's a better school 'cause it's private.
24 - Oh, and 'cause it sounds French.
25 - Well, you know what?
26 - We'll just go with you. I mean, if it's a better school,
27 - then I belong there, too. Right, Dad?
28 - No.
29 - State schools are cheap. That's where you belong.
30 - Well, what if, like, you took out a second mortgage on the house?
31 - Not for you, dumb ass.
32 - Hanging out
33 - Down the street
34 - The same old thing
35 - We did last week
36 - Not a thing to do
37 - But talk to you
38 - We're all all right
39 - We're all all right
40 - Hello, Wisconsin!
41 - I have a bad feeling about this weekend, Eric.
42 - Nothing good can come from us visiting different schools.
43 - Well, yeah, but there's an upside.
44 - Two days apart? I mean, when we get together,
45 - it's gonna be electric, baby.
46 - Like a thunderstorm.
47 - Eric, I'm serious.
48 - I mean, what if we actually
49 - end up going to different colleges?
50 - And we're apart for four years?
51 - Well, then, come semester break,
52 - you better board up your windows,
53 - 'cause guess what? Here comes Hurricane Eric.
54 - Board up my windows? What are my windows?
55 - And whatever they are, wouldn't you want them open?
56 - Mmm.
57 - Look, Donna, all I'm saying
58 - is that I think we can get through anything.
59 - I mean, we go to different schools now, and we're fine,
60 - because our love is strong,
61 - like a big, burly bear.
62 - So zip up your tent, 'cause guess what?
63 - This bear has claws.

64 - - Again, wouldn't you want my tent open? - Mmm.
 65 - Hold it, you two. Now, before we hit the road,
 66 - we need to have a talk about that horrible thing that's taken over your mother.
 67 - You mean, her "change of life"?
 68 - I thought we were calling it "the lady-parts problem."
 69 - It goes by many names.
 70 - Now, we're dealing with a tricky enemy here.
 71 - I haven't been this frosty since Korea.
 72 - And just like a commie,
 73 - it can jump out and attack you at any moment.
 74 - - Red, honey! - Incoming!
 75 - Retreat!
 76 - Red, you know, I've been a tad bit moody lately.
 77 - So if you don't want me to go on this trip, I'll understand.
 78 - Well, you know, honey, there's really no need for you to go.
 79 - I knew you didn't want me to go!
 80 - Well, I am going, whether you like it or not.
 81 - Why is it so damn hot in here?
 82 - It's like... It's like we're living in hell!
 83 - You can say that again.
 84 - So, Steven, when I go to Marquette with Donna this weekend,
 85 - there'll be lots of cute boys around.
 86 - Lucky you.
 87 - Well, unlucky them, because I won't let them kiss me.
 88 - Yeah, that's my promise to you.
 89 - Now, I'm not saying you have to promise me anything,
 90 - but if you want to, now would be a good time.
 91 - Okay, well, just know
 92 - that I won't be kissing anyone.
 93 - Good to know.
 94 - "Good to know"? What, that's it?
 95 - Did I stutter?
 96 - Ah, thanks for the help.
 97 - You seem to have a natural talent for handling luggage.
 98 - Red, honey. You know, I'm sorry about our little spat.
 99 - - The last thing I wanna do is ruin our trip. - Oh, sweetheart, that's okay.
 100 - - Wow, Mom's certainly cheered up. - Don't be fooled.
 101 - She's a ticking time bomb.
 102 - Hey! Wait up!
 103 - What do you want?
 104 - The explanation is pinned to my lapel.
 105 - "Dear Red, Mr. Kelso and I are unable to take Michael to UW.
 106 - "Here's 30sohecangowithyou."
 107 - *Where's the 30bucks?*
 108 - *Oh, I bought this electronical football game.*

109 – *I swear to God, Kelso,*
 110 – *you make Eric look like Einstein.*
 111 – *Thank you, Daddy.*
 112 – *"Thank you"? Einstein was ugly.*
 113 – *Oh! It's like a sauna in here.*
 114 – *Wish you didn't all have to breathe so much.*
 115 – *All right, guys, you heard the lady.*
 116 – *No more breathing.*
 117 – *No, I didn't tell you not to breathe,*
 118 – *I asked you not to breathe so much.*
 119 – *There's a difference!*
 120 – *To crazy people.*
 121 – *Hey, Ali Baba, close sesame.*
 122 – *— Oh, Red, you just missed the exit. — Oh, damn it!*
 123 – *Eric, you're supposed to be following the map.*
 124 – *What the hell are you doing back there?*
 125 – *Making you a crown,*
 126 – *'cause you're king of the road!*
 127 – *— I need to use the bathroom. — Hey, can you turn up the radio?*
 128 – *— First and goal! — How much further?*
 129 – *Touchdown!*
 130 – *Would you all just shut up!*
 131 – *This is stupid.*
 132 – *I mean, why am I looking at a school I don't even want to go to?*
 133 – *I should've gone to UW with Eric.*
 134 – *And I should've laughed at his thunderstorm jokes.*
 135 – *You know, I bet those sluts at UW will laugh at them.*
 136 – *Sluts!*
 137 – *What, UW has sluts?*
 138 – *Steven loves sluts.*
 139 – *He's not gonna do anything, he's with you now.*
 140 – *Well, I don't know if he is or not.*
 141 – *I mean, look, last week, he called me his girlfriend.*
 142 – *And then this week, I couldn't even trick him into promising me*
 143 – *he wouldn't fool around with someone else.*
 144 – *And I was very passive — aggressive.*
 145 – *I believe that.*
 146 – *Donna, I promised to be faithful,*
 147 – *and all he said was, "Good to know."*
 148 – *"Good to know," Donna!*
 149 – *Oh, you know what? I am too depressed to go to orientation with you.*
 150 – *Steven crushed my spirit, and now there's only one place I can turn to.*
 151 – *Please, God, don't let it be me.*
 152 – *No. The cheerleading demonstration.*
 153 – *I mean, at first, when they yell,*
 154 – *"We've got spirit, how about you?"*

155 – *Well, of course, I'll have to say, "No!"*
 156 – *But show me a human pyramid*
 157 – *and areally sharp pom – pom water fall,*
 158 – *and I'll get it back.*
 159 – *What the hell kind of college is this?*
 160 – *Bare foot hippies playing Frisbee,*
 161 – *bare foot hippies singing songs to trees.*
 162 – *Man, this place is awesome!*
 163 – *Look, they even have dirty cartoons on the wall.*
 164 – *Kelso, those are CPR instructions.*
 165 – *Wow, I've done CPR a lot.*
 166 – *Hi, I'm Ted, resident adviser.*
 167 – *– Hi. – Why don't you folks have a look around,*
 168 – *and I'll show the boys where they're gonna be staying?*
 169 – *– I don't know about this place. – I'll say.*
 170 – *It's the middle of November,*
 171 – *I don't see any Thanksgiving decorations.*
 172 – *Visitors Weekend is great.*
 173 – *We always have a big dorm party, tons of beer, tons of chicks.*
 174 – *Hey, I just need one six – pack and two chicks, and I'm good.*
 175 – *Man, this place is great! It's too bad Donna couldn't make it.*
 176 – *Oh, my God, would you look at that?*
 177 – *We just saw college butt!*
 178 – *On a girl!*
 179 – *– Hold it. Girls live here, too? – Yes, sir. We're reco – ed.*
 180 – *– All right! – Oh, yes!*
 181 – *That's sit! You're staying with us at the motel.*
 182 – *Wait! Dad, wait.*
 183 – *Think of what a valuable experience this could be for me.*
 184 – *I mean, this is my first step into the real world.*
 185 – *I'm your little bird, Dad.*
 186 – *Give me wings to fly.*
 187 – *Butch it up and get in the car.*
 188 – *Excuse me. This is your CPR coach.*
 189 – *I'm gonna need to check your lung capacities.*
 190 – *That means their boobs.*
 191 – *There's gotta be at least one all – male dormitory on this campus.*
 192 – *Ha! Here it is.*
 193 – *Right in between the chapel and the School of Interior Design.*
 194 – *Boys, I realize that*
 195 – *I may have been a little irrational today.*
 196 – *– "A little"? – Shut up!*
 197 – *So, maybe now is a good time for me*
 198 – *to explain a few things to you about menopause.*
 199 – *And, lucky for you, I'm a nurse, so I can use the proper terms, like*
 200 – *"epithelial lining" and "uterine wall."*

201 – *I'm hooked.*
 202 – *Okay, so. Now.*
 203 – *Say these soaps are my ovaries.*
 204 – *Kill me now.*
 205 – *Can't he, you, man, I'm on a beach in Florida.*
 206 – *Okay, about a month ago they stopped producing...*
 207 – *They stopped...*
 208 – *Stopped producing...*
 209 – *That's it!*
 210 – *What is wrong with you? Were you dropped on your head?*
 211 – *Yes, I was!*
 212 – *And up until now, everyone had the good grace not to mention it.*
 213 – *— Okay, boys, time to leave. — Yes!*
 214 – *Mrs. Forman, I'm sorry, I washed my face with your ovaries.*
 215 – *Get out.*
 216 – *So that's a great beard.*
 217 – *I've never made out with a guy with a beard.*
 218 – *Well, this could be your lucky day.*
 219 – *— You want to get into my room? — Absolutely.*
 220 – *You know what? I can't.*
 221 – *Okay, but if you change your mind,*
 222 – *a few of us girls will be in the shower.*
 223 – *I can go!*
 224 – *My name is Fez!*
 225 – *Don't pretend you don't seem!*
 226 – *Man, what the hell did I just do?*
 227 – *I just turned down a sure thing because of Jackie.*
 228 – *Andy, you don't know what she's doing at Marquette.*
 229 – *Or who.*
 230 – *Man, she said she wouldn't do anything.*
 231 – *Yeah, but I bet if she did, you'd cry because you love her.*
 232 – *If you don't shut up, you're gonna be the first person*
 233 – *to touch his crotch in his ass.*
 234 – *Have you been spying on me?*
 235 – *I see UW has a pretty good CPR programme.*
 236 – *It's gonna be my major.*
 237 – *So, I told my girlfriend we can go to separate schools.*
 238 – *— I mean, people do that all the time, right? — Yeah.*
 239 – *I mean, my boyfriend goes to school in New York,*
 240 – *and we've been together for three years,*
 241 – *— and we're in love now more than ever. — Of course you are.*
 242 – *And I bet when you two get together,*
 243 – *it's like a thunder storm, right?*
 244 – *Hey, pretty lady.*
 245 – *Hey, excuse me. Hello?*
 246 – *— Didn't you just say you had a boyfriend? — Yeah, but he's not here.*

247 – *Did you just see that? I told Donna we could go to different schools,*
 248 – *and I was extremely wrong, and...*
 249 – *Man, if she doesn't hate Marquette, we're screwed.*
 250 – *Who cares, man? I just turned down a half – drunk college girl.*
 251 – *And I'm pretty sure she knew how to do stuff.*
 252 – *Eric? I see everything okay?*
 253 – *Yeah, everything's fine. I just wanted to see how you liked Marquette.*
 254 – *And, can I just say, if that snooty switchboard operator's attitude*
 255 – *is any indication of the Marquette experience,*
 256 – *then I can only assume we're recrossing Marquette off the list right now.*
 257 – *No, actually, it's great. Okay, they have this English professor,*
 258 – *he wears a beret and a corduroy jacket, but he listens to Zeppelin!*
 259 – *Yeah, well, UW has a vending machine, so...*
 260 – *– Donna, I love you. – I love you, too. Bye.*
 261 – *You gonna cry now, too?*
 262 – *You know who had a real family? The Waltons.*
 263 – *We're just three strangers sitting in a room!*
 264 – *Donna loves it here. I don't know what to do.*
 265 – *There's nothing any of us can do. We're all screwed.*
 266 – *You think I like being stuck here*
 267 – *nursing my lunatic wife back from the brink?*
 268 – *Hell, no.*
 269 – *But we can't control what happens to us.*
 270 – *Even if, by some stroke of luck,*
 271 – *you actually hang onto Donna,*
 272 – *eventually, she's gonna turn into that.*
 273 – *And then, a few years later, you'll die.*
 274 – *Okay. Well, thanks for the bedtime story.*
 275 – *Donna, I hate it here, and I want to go home.*
 276 – *Wait, what's wrong?*
 277 – *Was there a height requirement for the cheerleading team?*
 278 – *No, it was awful.*
 279 – *And when the cheerleaders were yelling, "Go, team, go,"*
 280 – *all I was hearing was Stevens saying,*
 281 – *"Good to know. Good to know!"*
 282 – *Jackie, your problem is, is you're really trying*
 283 – *to force people into doing stuff.*
 284 – *Oh! I don't, Donna. Now, you feel sorry for me right now.*
 285 – *You can't make someone like Hyde do anything.*
 286 – *You have to deal with him the way he deals with you.*
 287 – *Look, pretend you don't care what he does, and he'll come around.*
 288 – *Well, I guess it's worth a try.*
 289 – *You know, being with a real man is complicated.*
 290 – *You are so lucky you're with Eric.*
 291 – *What?*
 292 – *What a wonderful weekend! We should go away more often!*

293 – *Theygottamakeapillforthis.*

1 - jj
2 - WHAT ARE THOSE?
3 - OH, DONNA, DID YOU BUY "PLAYBOY" FOR ME?
4 - NO, THEY'RE COLLEGE BROCHURES.
5 - DONNA, THESE PEOPLE ARE FULLY DRESSED.
6 - THAT'S JUST NOT GONNA WORK FOR ME.
7 - MY GUIDANCE COUNSELOR GAVE THEM TO ME,
8 - BUT I ALREADY TOLD HIM I'M GOING WHEREVER YOU GO.
9 - HOW DID I EVER GET A GIRL AS GREAT AS YOU?
10 - YOU KNOW YOU COULD DO BETTER THAN ME, RIGHT?
11 - BUT YOU'RE RIGHT NEXT DOOR. IT'S SO EASY.
12 - RIGHT.
13 - OH, YOU TWO MAKE ME SICK.
14 - LOOKS MY MOM, BUT SPEAKS LIKE MY DAD.
15 - I'M SORRY. I DIDN'T MEAN THAT.
16 - THAT WASN'T ME TALKING. THAT WAS THE MENOPAUSE.
17 - NO, YOU DON'T HAVE TO APOLOGIZE.
18 - WE TOTALLY GET WHAT YOU'RE GOING THROUGH.
19 - WELL, THANK THE LORD! FERTILE MYRTLE TOTALLY GETS IT!
20 - I MISS THE BASEMENT.
21 - KITTY, I KNOW THESE PAST FEW WEEKS
22 - HAVE BEEN HARD ON YOU,
23 - HARD ON ALL OF US, REALLY.
24 - BUT ESPECIALLY HARD ON YOU.
25 - I MEAN, SINCE YOU FOUND OUT YOU WERE...
26 - JUST SAY IT, RED. BARREN.
27 - WELL, THERE'S NO NEED FOR BOTH OF US TO SAY IT.
28 - SO I GOT SOMETHING TO CHEER MY GIRL UP.
29 - WELL, GOOD,
30 - 'CAUSE I FINISHED OFF THE LAST BOTTLE THIS MORNING.
31 - NO, NO.
32 - I GOT YOU...
33 - A PUPPY.
34 - HE NEEDS SOMEONE TO TAKE CARE OF HIM.
35 - HIS MOTHER GOT RUN OVER BY A CAR.
36 - DID YOU RUN OVER A DOG, RED?
37 - NO!
38 - I JUST HATE TO SEE YOU SAD, AND I THOUGHT...
39 - OH, FORGET IT.
40 - I'LL TAKE HIM BACK AND GO TO THE LIQUOR STORE.
41 - WELL, NOW WAIT, WAIT.
42 - HE'S KINDA CUTE. CAN I HOLD HIM?

43 - OH, HO, HO!
44 - WHAT A LITTLE LOVER BOY!
45 - OOH!
46 - SEE? HE LIKES YOU.
47 - HOW ABOUT THAT?
48 - HE'S GOT MENOPAUSE, TOO.
49 - HANGIN' OUT
50 - DOWN THE STREET
51 - THE SAME OLD THING
52 - THAT YOU DID LAST WEEK
53 - NOT A THING TO DO
54 - BUT TALK TO YOU
55 - WE'RE ALL ALL RIGHT
56 - WE'RE ALL ALL RIGHT
57 - HELLO, WISCONSIN!
58 - I'LL SEE YOU LATER. I'M GONNA GO GET OUT OF THIS THING.
59 - BOO! SELFISH!
60 - MAN, WHAT IS WITH YOU GUYS AND THIS UNIFORM?
61 - IT MAKES US WANT TO CORRUPT YOU.
62 - MAN, DONNA IS SO AWESOME.
63 - SHE CAN AFFORD TO GO TO ANY SCHOOL SHE WANTS,
64 - BUT SHE WANTS TO GO WHERE I GO
65 - JUST SO WE CAN BE TOGETHER.
66 - YEAH, SHE IS AWESOME. WHY'S SHE WITH YOU AGAIN?
67 - 'CAUSE A GOOD GIRLFRIEND
68 - ACCEPTS HER GUY NO MATTER WHAT!
69 - AND JACKIE WAS ALWAYS TRYING TO CHANGE ME.
70 - "GROW UP, MICHAEL. ACT YOUR AGE, MICHAEL.
71 - "STOP SHOOTING GRANDMOTHER WITH THE WATER PISTOL,
MICHAEL."
72 - SHE'S 92, MICHAEL.
73 - SHE HAD JAM ON HER FACE!
74 - WELL, ALL I KNOW IS THINGS WITH ME AND DONNA
75 - ARE GOING REALLY, REALLY WELL.
76 - THIS IS JUST ABOUT THE POINT
77 - WHERE I SCREW THINGS UP.
78 - SO DON'T SCREW IT UP.
79 - FEZ... OH, FEZ.
80 - IF HISTORY HAS TAUGHT US ANYTHING,
81 - IT'S THAT SCREWING UP IS MY NATURE.
82 - BUT YOU KNOW WHAT I CAN DO
83 - IS BANK A LITTLE GOODWILL, DO SOMETHING NICE.
84 - BUY HER A PRESENT.
85 - YEP, SHE DESERVES IT, TOO.
86 - YOU KNOW HOW MANY TIMES I TRIED TO GRAB HER BOOB
87 - ON THE WAY TO CALIFORNIA?

88 - AND IT WOULD HAVE EASIER FOR HER IF SHE WOULD LET ME.
89 - 'CAUSE YOU KNOW ME. I WON'T STOP.
90 - I GOTTA GET DONNA SOMETHING REALLY SPECIAL,
91 - SOMETHING THAT REMINDS HER THAT EVEN THOUGH I'M AN
IDIOT,
92 - I'M AN IDIOT WHO LOVES HER.
93 - I GOT IT! A SCENTED CANDLE!
94 - CHICKS CAN'T KEEP THEIR SHIRT ON
95 - AROUND A SCENTED CANDLE.
96 - PLEASE, THE BATTLEFIELD OF LOVE
97 - IS LITTERED WITH GUYS WHO GIVE CANDLES.
98 - IT'S EXPENSIVE JEWELRY OR NOTHING.
99 - LOOK, IF YOU CAN'T PUT A PRICE TAG ON LOVE,
100 - THEN HOW DO YOU KNOW HOW MUCH IT'S WORTH?
101 - JACKIE, WHAT KIND OF CRAP IS THAT?
102 - YOU HAVEN'T LEARNED A THING FROM ME.
103 - STEVEN, WHAT DO YOU MEAN?
104 - I MEAN, ROMANCE WAS CREATED BY CORPORATIONS
105 - TO PREY ON LOSERS WHO THINK BUYING NICE THINGS
106 - WILL MAKE SOMEBODY LOVE THEM.
107 - IF YOU EVER READ ANYTHING
108 - BESIDES WHAT DONNY OSMOND PUTS ON HIS WAFFLES,
109 - YOU MIGHT LEARN SOMETHING.
110 - I PUT WHIPPED CREAM ON MY WAFFLES, TOO.
111 - I EAT LIKE THE STARS!
112 - HEY...
113 - WHEN DID YOU GET THE CUTE LITTLE WIENER DOG?
114 - NO, NO, NO, NO, NO!
115 - NOT IN MY CHAIR!
116 - RED FORMAN!
117 - SCHOTZIE IS A HELPLESS LITTLE ANIMAL
118 - WITH FOUR BREAKABLE LEGS.
119 - YOU CAN'T THROW HIM AROUND THE ROOM
120 - LIKE YOU WOULD ERIC.
121 - RED, YOU DON'T SEEM LIKE THE TYPE OF GUY
122 - WHO'D GET A DOG, BEING THAT YOU'RE UNFRIENDLY.
123 - YEAH, I KNOW.
124 - I JUST WANTED TO DO SOMETHING TO CHEER KITTY UP.
125 - WELL, IF YOU REALLY WANTED TO CHEER HER UP,
126 - YOU SHOULD'VE BOUGHT HER A BANJO.
127 - A BANJO, BOB?
128 - YOU CAN'T HOLD A BANJO AND NOT SMILE.
129 - YOU CAN'T HOLD A POTATO CHIP AND NOT SMILE.
130 - YES?
131 - UM, I WANT TO BUY A PRESENT FOR MY GIRLFRIEND,
132 - YOU KNOW, THAT LETS HER KNOW HOW I FEEL ABOUT HER.

133 - OH, NO PROBLEM. OH, OH, OH.
134 - WOULD THE LADY LIKE A NECKLACE?
135 - HUH?
136 - WELL, IT'S NICE.
137 - IT'S A LITTLE CREEPY.
138 - IT DOESN'T REALLY SAY WHAT I WANT TO SAY, THOUGH.
139 - OKAY, OKAY. OH, OH.
140 - HOW ABOUT A PROMISE RING?
141 - OH, DON'T EVEN GET ME STARTED ON PROMISE RINGS.
142 - LIKE ONCE, I GAVE HER ONE, AND SHE DIDN'T EVEN WANT IT,
143 - BUT THEN SHE GAVE ME...
144 - HOW ABOUT THAT? LOOK HOW THAT SHINES.
145 - WHOA, THAT'S NICE, HUH?
146 - WELL, YOUR FINGER HAIR CURLING OVER THE RING
147 - IS KIND OF RUINING IT FOR ME.
148 - DOES WEARING THE MERCHANDISE USUALLY WORK FOR YOU?
149 - I DON'T KNOW. I'M NEW HERE.
150 - I USED TO WORK AT THE LINGERIE STORE.
151 - THEY FIRED ME. AH, I SEE.
152 - I THINK I KNOW WHAT YOU'RE LOOKING FOR.
153 - HOW ABOUT A DIAMOND RING?
154 - OH, ISN'T THAT GORGEOUS? LOOK AT THAT.
155 - WHOA...
156 - THAT'S AN ENGAGEMENT RING.
157 - I'M IN HIGH SCHOOL, MAN.
158 - THAT SAYS TOO MUCH.
159 - WELL, WHY DON'T YOU TELL ME
160 - WHAT IT IS YOU WANNA SAY?
161 - THAT I LOVE HER
162 - AND WE SHOULD BE TOGETHER FOREVER.
163 - AN ENGAGEMENT RING SAYS THAT VERBATIM.
164 - WELL, TOO BAD, 'CAUSE I AIN'T BUYING ONE.
165 - WELL, I REFUSE TO PUT ON ANY MORE JEWELRY!
166 - WELL, THANK GOD FOR THAT!
167 - WOULD YOU LIKE TO LOOK AROUND A LITTLE MORE?
168 - SURE.
169 - AND SORRY ABOUT WHAT I SAID.
170 - YOU LOOK... YOU LOOK REALLY NICE.
171 - DONNA, YOU, ME, TONIGHT AT THE WATER TOWER.
172 - MAKE YOURSELF FOXY,
173 - 'CAUSE YOU'RE GETTING SOMETHING PRETTY SPECIAL.
174 - REALLY? A PRESENT?
175 - I WILL GET FOXY.
176 - OH, AND, DONNA...
177 - DON'T FORGET TO WEAR FLATS,
178 - SO THAT ERIC CAN FEEL LIKE THE BOY.

179 - SO, FORMAN, YOU FINALLY BROKE DOWN, HUH?
180 - WHAT'D YOU GET HER?
181 - EARRINGS? A LITTLE BRACELET?
182 - NO, I GOT HER WAY MORE THAN A PIECE OF JEWELRY.
183 - I GOT HER A GIFT THAT REALLY SAYS SOMETHING...
184 - A DIAMOND ENGAGEMENT RING.
185 - AS A JOKE?
186 - NO, YOU GUYS, I'M GONNA ASK DONNA TO MARRY ME.
187 - AS A JOKE?
188 - THE STUPID HELMET?
189 - WHY DO I HAVE TO WEAR THE STUPID HELMET?
190 - BECAUSE YOU'RE STUPID!
191 - YOU CAN'T ASK DONNA TO MARRY YOU, MAN!
192 - WHY NOT? I MEAN, COME ON.
193 - WE ALREADY KNOW THAT WE'RE GONNA BE TOGETHER FOREVER.
194 - NO, YOU THINK THAT YOU'RE GONNA BE TOGETHER FOREVER.
195 - REMEMBER HOW YOU WERE WORRIED ABOUT SCREWING THINGS UP?
196 - THIS IS YOUR BAY OF PIGS, MAN.
197 - YEAH, EVEN IN MY COUNTRY, WE'RE NOT STUPID ENOUGH
198 - TO GET MARRIED IN HIGH SCHOOL.
199 - AND WE EAT BUGS!
200 - FORMAN, WHAT THE HELL ARE YOU THINKING?
201 - YOU DON'T UNDERSTAND, OKAY? I LOVE HER.
202 - I WAS DOWN AT THE STORE AND I REALIZED,
203 - WHAT AM I WAITING FOR? WE'RE HAPPY.
204 - YOU DON'T ENGAGED WHEN YOU'RE HAPPY! WHAT'S THE POINT?
205 - YOU DO IT WHEN YOUR BACK'S AGAINST THE WALL
206 - AND THERE'S NO WAY OUT,
207 - LIKE IF THE GIRL'S PREGNANT.
208 - IT IS SETTLED THEN.
209 - ERIC WILL GET DONNA PREGNANT.
210 - I WILL OVERSEE THE PROCEEDINGS
211 - FOR VERIFICATION PURPOSES.
212 - AH, BUT HE'S SO STUPID, HOW DO WE KNOW HE CAN DO IT?
213 - JACKIE, HELP ME OUT HERE.
214 - WELL, I THINK IT'S BEAUTIFUL.
215 - WELL, THEN YOU'RE CRAZY, TOO.
216 - LOOK, STEVEN, I AM MY OWN WOMAN, OKAY?
217 - I AM ALLOWED TO HAVE OPINIONS ABOUT JEWELRY!
218 - YOU PRESENT HATER!
219 - LISTEN, YOU GUYS,
220 - I'VE THOUGHT ABOUT THIS A LOT, OKAY?

221 - DONNA'S WILLING TO COMMIT FOUR YEARS OF COLLEGE TO ME.
 222 - I WANT TO COMMIT, TOO.
 223 - FORMAN, I SAY THIS TO YOU AS A FRIEND
 224 - THAT LIKES TO SEE YOU GET HURT.
 225 - IF YOU DON'T TAKE THAT RING BACK RIGHT NOW,
 226 - YOU ARE GOING TO END UP IN A WORLD OF MISERY AND PAIN.
 227 - HEY, I LOVE DONNA, OKAY?
 228 - SO DID IT EVER OCCUR TO ANY OF YOU
 229 - THAT I'M READY FOR A WORLD OF MISERY AND PAIN?
 230 - THINK ABOUT THAT!
 231 - WHO WANTS THE LAST PIECE OF SALAMI?
 232 - I'LL TAKE IT.
 233 - WHO WANTS A SALAMI?
 234 - I SAID I DO.
 235 - THERE YOU GO, SCHOTZIE!
 236 - I SAID I WANTED THAT.
 237 - BUT HE WAS BEGGING, RED.
 238 - WE DON'T TURN DOWN BEGGARS.
 239 - DO WE, SCHOTZIE? NO, WE DON'T!
 240 - OKAY, YOU GUYS KNOW MORE ABOUT RELATIONSHIPS
 241 - THAN MY MORON FRIENDS,
 242 - SO I HAVE A QUESTION ABOUT ME AND DONNA.
 243 - NO, NO MORE ABOUT YOU AND DONNA.
 244 - YOU NEED TO BE THINKING ABOUT YOUR FUTURE...
 245 - COLLEGE, GETTING OUT OF MY HOUSE.
 246 - BUT DONNA IS MY FUTURE.
 247 - HONEY, WE KNOW YOU LOVE DONNA,
 248 - BUT YOU TWO ARE SO ON AGAIN AND OFF AGAIN,
 249 - YOU'RE PROBABLY GONNA BE OFF AGAIN SOMETIME SOON.
 250 - WON'T THEY, SCHOTZIE? YES, THEY WILL!
 251 - HOW ABOUT A CAREER? HAVE YOU EVEN GIVEN THOUGHT
 252 - TO WHAT YOU'RE GONNA DO WITH YOUR LIFE?
 253 - YES, DONNA AND I...
 254 - I THINK HE SHOULD BE A PHARMACIST.
 255 - NOW THERE'S AN IDEA.
 256 - YOU CAN COUNT.
 257 - THERE'S NO HEAVY LIFTING.
 258 - YOU OUGHT TO SEE HIM TRY TO WRESTLE
 259 - WITH THAT BIG MOP DOWN AT THE STORE.
 260 - I DON'T SEE WHAT ANY OF THIS HAS TO DO WITH ME AND DONNA.
 261 - OH, HONEY, BUT YOU WOULD BE SUCH A GOOD PHARMACIST.
 262 - YOUR SLENDER FINGERS ARE PERFECT
 263 - FOR PICKING UP TINY PILLS.
 264 - AREN'T THEY, SCHOTZIE? YES, THEY ARE!

265 - DID YOU SEE THAT? HE JUST NODDED.
266 - BLUE MORNING, BLUE DAY...
267 - MAN, EVERYONE'S DOWN ON ME AND DONNA GETTING EN-
GAGED.
268 - YOU GUYS, MY PARENTS...
269 - EVEN THE MAGIC 8-BALL SAID, "OUTLOOK NOT SO GOOD."
270 - I JUST...
271 - I REALLY THINK DONNA WOULD LOVE AN ENGAGEMENT RING.
272 - OH, SHE'LL LOVE THE RING.
273 - IT'S THE THOUGHT BEHIND IT
274 - THAT WILL SEND HER RUNNING FOR THE HILLS.
275 - OR MAYBE SHE'LL SEE HOW SMART IT IS
276 - TO GET MARRIED WHEN YOU'RE STILL IN HIGH SCHOOL
277 - AND HAVE NO MONEY OR FUTURE.
278 - I KNOW I RAN WHEN JACKIE WANTED TO MARRY ME,
279 - EXCEPT I RAN FOR CALIFORNIA INSTEAD OF THE HILLS.
280 - I MEAN, THE BEACH KICKS THE HILLS' ASS!
281 - THERE'S WAY MORE BIKINIS,
282 - AND THEY USUALLY HAVE A SNACK BAR!
283 - WHAT IF YOU GUYS ARE RIGHT?
284 - WHAT IF SHE THINKS I'M MOVING TOO FAST?
285 - MAN, GIVING HER THIS RING IS A HUGE GAMBLE.
286 - AM I MAN ENOUGH TO MAKE THAT BET?
287 - NO, NO! THE ANSWER IS NO!
288 - YOU SEE, FORMAN, YOU TRIED TO DO A NICE, THOUGHTFUL
THING,
289 - AND YOU SCREWED YOURSELF.
290 - IT'S ALL ABOUT EXPECTATIONS, MAN.
291 - LIKE I'VE TAUGHT JACKIE TO THINK I'M RUDE AND INCONSID-
ERATE.
292 - I CAN'T DISAPPOINT HER,
293 - BECAUSE I'M ALWAYS DISAPPOINTING HER!
294 - THEN IF I DON'T GIVE DONNA THE RING
295 - WHAT AM I GONNA DO AT THE WATER TOWER?
296 - OH, GOD!
297 - I DO DESERVE THIS!
298 - DOES ANYONE ELSE THINK THAT SCHOTZIE LOOKS LIKE FEZ?
299 - THAT DOG IS FLYIN'!
300 - I DON'T KNOW WHAT'S GOTTEN INTO SCHOTZIE.
301 - HE'S SO HUNGRY, HE WENT THROUGH THREE CANS OF FOOD.
302 - DIDN'T YOU, SCHOTZIE?
303 - YES, YOU DID!
304 - HEY, BOB, HAND ME THAT REMOTE THERE, WILL YOU?
305 - NO THANKS, RED.
306 - I'D HAVE TO BUCKLE MY BELT.
307 - WELL, BUCKLE YOUR BELT ANYWAY.

308 - NO ONE WANTS TO SEE THAT.
309 - OH, NOT AGAIN!
310 - THERE WE GO.
311 - WHAT THE HELL!
312 - OH, CRAP!
313 - THAT'S IT! THAT DAMN DOG'S GOTTA GO.
314 - I THINK HE JUST WENT, RED.
315 - ARE YOU LAUGHING, BOB?
316 - YOUR BOTTOM'S ALL WET.
317 - THAT'S JUST PLAIN FUNNY IN MY BOOK.
318 - WELL, HE CAN'T STAY. HE'S MAKING EVERYONE MISERABLE.
319 - I DON'T KNOW.
320 - KITTY'S SEEMED PRETTY DARN HAPPY THE LAST COUPLE DAYS.
321 - YEAH, WELL...
322 - LOOK, RED, YOU DID A NICE THING.
323 - DON'T SPOIL IT BY, YOU KNOW, BEING YOURSELF.
324 - I GUESS IF THE INCONTINENT LITTLE BASTARD
325 - MAKES KITTY HAPPY, I'LL PUT UP WITH IT.
326 - WHAT THE HELL? I'VE NEVER BEEN THAT HAPPY ANYWAY.
327 - AT LEAST NOT SINCE I'VE KNOWN YOU.
328 - YEAH. WEIRD COINCIDENCE, HUH?
329 - OKAY, LOOK, YOU!
330 - I'VE BEEN THINKING ABOUT ALL YOUR CONSPIRACY MUMBO JUMBO
331 - ABOUT PRESENTS AND DIAMONDS AND BUYING ME STUFF.
332 - AND I REALIZED THAT
333 - ALL YOUR PARANOID, DELUSIONAL CRAP ABOUT ROMANCE
334 - IS A JUST A COVER-UP FOR YOU BEING CHEAP!
335 - OKAY, FIRST OF ALL, IT'S NOT PARANOID, DELUSIONAL CRAP!
336 - ADVERTISERS SPEND BILLIONS TO MAKE YOU THINK
337 - I'M A JERK IF I DON'T BUY YOU JEWELRY.
338 - AND SECOND OF ALL...
339 - YOU'RE RIGHT. I AM CHEAP.
340 - WELL, YOU'D BETTER QUIT IT,
341 - BECAUSE I LIKE TO GET STUFF,
342 - ESPECIALLY SHINY STUFF.
343 - WOULD YOU SETTLE FOR A CHEESEBURGER
344 - WRAPPED IN TINFOIL?
345 - WELL, FOR YOU I WILL,
346 - BUT JUST KNOW THAT I'M REALLY LOWERING MY STANDARDS.
347 - THAT MAKES TWO OF US.
348 - SO? HUH?
349 - THIS IS ROMANTIC, HUH?
350 - IT'S A LITTLE MORE ROMANTIC IN THE SUMMER.
351 - OR ANY TIME NOT BELOW FREEZING.

352 - SO WHAT AM I GETTING?
353 - WHAT ARE YOU GETTING?
354 - WHAT ARE YOU GETTING?
355 - THIS IS WHAT YOU'RE GETTING.
356 - A CANDY BAR?
357 - WELL, HALF A CANDY BAR.
358 - I FIGURED WE COULD SHARE IT UNDER THE STARS.
359 - WHAT A DELIGHTFUL MOONLIT SNACK.
360 - OKAY, YOU'RE BEING WEIRD, AND IT'S FREEZING OUT HERE.
361 - OH, COME ON. IT'S NOT THAT COLD.
362 - AW...
363 - ERIC, WHY ARE WE UP HERE?
364 - OKAY, I'M SORRY, DONNA.
365 - I HAD SOMETHING THAT I WAS GONNA GIVE YOU,
366 - BUT I REALIZED IT WAS STUPID.
367 - OR EVERYONE SAID IT WAS STUPID, SO I JUST DECIDED AGAINST IT.
368 - WHAT WAS IT?
369 - IT WAS NOTHING.
370 - WELL, IT WAS SOMETHING.
371 - I MEAN, I CAN SEE THAT IT WAS SOMETHING.
372 - JUST TELL ME.
373 - OKAY, FINE.
374 - I WAS GONNA GIVE YOU THIS.
375 - OH, MY GOD. IS THAT A...?
376 - YEAH.
377 - IT'S STUPID, RIGHT?
378 - YEAH.
379 - AND... NO.
380 - I DON'T KNOW.
381 - WHAT WOULD YOU HAVE DONE WITH IT?
382 - WELL, I DON'T KNOW.
383 - I GUESS I WOULD HAVE TOLD YOU HOW BEAUTIFUL YOU ARE
384 - AND THAT...
385 - YOU MEAN EVERYTHING TO ME.
386 - AND THEN...
387 - I WOULD HAVE GONE DOWN ON ONE KNEE.
388 - YOU KNOW, LIKE THIS.
389 - AND THEN I WOULD HAVE TAKEN YOUR HAND,
390 - AND TAKEN THE RING...
391 - GO AHEAD.
392 - AND I WOULD HAVE PUT THE RING ON YOUR FINGER,
393 - LIKE THIS.
394 - WOW.
395 - SO, UH...
396 - SO, I'LL TELL YOU WHAT.

397 - WHY DON'T I JUST HOLD ON TO THAT
 398 - UNTIL, YOU KNOW, THE REAL MOMENT COMES.
 399 - WELL, SURE.
 400 - OR I COULD HOLD ON TO IT.
 401 - YOU COULD?
 402 - YEAH.
 403 - ERIC, I LOVE YOU,
 404 - AND I WANT TO BE WITH YOU FOREVER.
 405 - YES.
 406 - THAT'S WHAT I TOLD EVERYONE,
 407 - AND THEY MADE ME WEAR THE STUPID HELMET.
 408 - SO, UM...
 409 - DID WE JUST GET...
 410 - I THINK WE DID.
 411 - DONNA, I LOVE YOU.
 412 - WE ARE SO STUPID!
 413 - I KNOW, RIGHT?!
 414 - jj
 415 - OH, HERE COMES YOUR DAD.
 416 - PUT THE RING IN YOUR POCKET. WHY? HE'LL BE HAPPY FOR
 US.
 417 - OH, YEAH?
 418 - HEY, MR. PINCIOTTI.
 419 - WHAT WOULD YOU DO IF I, SAY,
 420 - MADE A LONG-TERM COMMITMENT TO YOUR DAUGHTER?
 421 - OH, I'D KILL YA.
 422 - YOU KNOW WHAT, A SECRET ENGAGEMENT
 423 - IS EVEN MORE ROMANTIC.
 424 - AND MORE STUPID!

1.8 Episode 08: Thank You

1 - I love this ring.
 2 - You know, I wish we could tell people that we're engaged.
 3 - You know, without Red killing you.
 4 - Red kills happy things, it's what he does.
 5 - Let's just enjoy the fact that someday you are going to be Mrs. Forman.
 6 - Mrs. Forman? You want me to go by Mrs. Forman?
 7 - Well, yeah, I just assumed. I mean, come on.
 8 - Pinciotti?
 9 - Which is nice. No, which is really nice.
 10 - Eric?
 11 - Eric? Honey, could you get the Thanksgiving turkey out of the freezer?
 12 - Oh, wait. It's a 20-pounder. Donna.
 13 - Could you get the Thanksgiving turkey out of the freezer?
 14 - Sure, Mrs. Forman.

15 - See? There's your Mrs. Forman.
 16 - Okay. Yeah, you know, you're right.
 17 - That's gonna be a little creepy.
 18 - Well, now I kind of like it. Call me Mrs. Forman.
 19 - No.
 20 - - Mrs. Forman's feeling dirty. - No, okay, Donna...
 21 - Come on. Give Mrs. Forman a big French kiss!
 22 - No! Donna, no!
 23 - Hanging out
 24 - Down the street
 25 - The same old thing
 26 - We did last week
 27 - Not a thing to do
 28 - But talk to you
 29 - We're all all right
 30 - We're all all right
 31 - Hello, Wisconsin!
 32 - Okay. Perfect. We're all set for turkey day.
 33 - And there'll be plenty of room, especially without Laurie.
 34 - Has anyone heard from her? Of course not!
 35 - I guess respect and courtesy aren't genetic like my slim hips.
 36 - Hey, Schotzie, stay away from my witch sister.
 37 - Her and her witch friends have been known to sacrifice small animals.
 38 - Oh, and possibly that one asthmatic neighbor boy.
 39 - Eric, little Wally moved away.
 40 - A six-year-old moved away?
 41 - His parents still live in that house.
 42 - Mrs. Forman, if it helps, I can invite Jackie to Thanksgiving.
 43 - She's bitchy like Laurie.
 44 - Ms. Forman, I would love
 45 - to come to your Thanksgiving dinner,
 46 - and I'll bring a date and a 12-pack,
 47 - just like the pilgrims.
 48 - Hey, guys, Red is gonna flip when he sees this failing notice.
 49 - "To the parent or guardian of Eric Forman."
 50 - "Your son is a complete idiot.
 51 - "Please kick him out, and raise the foreign boy as your own."
 52 - Man, all I did was mess up on two math quizzes,
 53 - but Ms. McGee has to be all...
 54 - "I'm Ms. McGee.
 55 - "I wear high heels and fail everybody."
 56 - What's that?
 57 - That's Ms. McGee.
 58 - You hardly changed your voice.
 59 - Well, sure, I did.
 60 - - I'm Ms. McGee. I... - That's just your voice.

61 - I'm doing an impression.
62 - Well, you suck at impressions.
63 - - Okay, forget it. - Are you still doing her?
64 - Oh, hey, Red, do me a favor. Sign this, huh?
65 - My gym teacher's failing me 'cause I won't wear shorts.
66 - - Why won't you wear shorts? - Would you wear shorts?
67 - Fine.
68 - Thank you.
69 - So, Eric, how's school treating you?
70 - You managing to keep from embarrassing yourself?
71 - Yeah. Oh, sure. I've been buckling down, just like you said,
72 - and thinking a little bit more about my future,
73 - which I believe you also recommended.
74 - Well, it's good to know
75 - that 17 years of kicking your ass has finally paid off.
76 - Eric, you didn't have him sign your failing notice.
77 - Oh, I don't wanna trouble him with this old thing.
78 - I'll just sign his name myself,
79 - because that's how good a son I am.
80 - Baby, baby, baby, baby, ohh
81 - Okay, careful. Careful. Watch the TV. Okay.
82 - Okay, this is good. Perfect. Perfect.
83 - You. Why are you here?
84 - You don't even know what Thanksgiving is.
85 - I'm here because my host parents are feeding bums at church.
86 - Charity begins at home, my ass.
87 - - Laurie? - Hey, little brother.
88 - You're back.
89 - And you're not even eight months pregnant.
90 - - Mommy! - Laurie!
91 - Oh, my goodness! I knew you'd come.
92 - - Hi, Daddy! - All the phones broken in Chicago?
93 - No. Well, see, I had other plans, but my date...
94 - I mean, business associate, had to go be with his wife.
95 - I mean, other business associate.
96 - I'm doing good!
97 - Okay, well, you know what?
98 - I'm gonna set you a place right next to me at the big table.
99 - No, Kitty. I think that seat belongs to Eric.
100 - Me? At the adults' table?
101 - Are you sure I'm ready?
102 - - But, Daddy... - Maybe, before you leave,
103 - you'll be acting a little more like him.
104 - Yeah!
105 - I'm the favorite now. Ooh!
106 - Taste that.

107 - Pimp gave you the holiday off, huh?
 108 - Yeah. He replaced me with your mom.
 109 - Now it's Thanksgiving.
 110 - Hey, Donna.
 111 - You know how my dad's so proud of me for doing so well in school, and all?
 112 - Even though it's a lie, and you're failing math
 113 - 'cause you spend all your time with me?
 114 - Yeah. Right. That's right.
 115 - Well, just now, right now, right in there, right now,
 116 - Red asked me to sit at the grownups' table.
 117 - Wow!
 118 - I hear each person over there gets their own biscuit.
 119 - Yeah. Donna, it's glorious.
 120 - Donna.
 121 - Donna, I want to tell everyone we're engaged. Tonight.
 122 - Tonight? Are you sure?
 123 - Yeah, I just...
 124 - I just want everyone to know, you know?
 125 - So, when the moment's right, we'll just... We'll tell them all.
 126 - This is so awesome!
 127 - And then, just in case, we'll run like hell.
 128 - - I probably won't wait for you. - Oh, okay.
 129 - Yeah.
 130 - That's a beautiful table, Kitty.
 131 - Well, thank you, Daddy. So glad that you and Mom could be here.
 132 - Well, we have to eat somewhere.
 133 - And, Mom, I know that we have had our ups and downs,
 134 - but in honor of this special day,
 135 - I would like to tell you that I am thankful
 136 - that you are my mother, and I love you.
 137 - Isn't there something you would like to tell me?
 138 - Actually, I would like some more tea.
 139 - I'll try and slip some booze in there,
 140 - in the interest of a happy holiday.
 141 - So, Thanksgiving.
 142 - We celebrate the subjugation of an indigenous people
 143 - with yams and Underdog floats.
 144 - Yeah, I'm mostly celebrating my pretty new dress.
 145 - And so much for talking.
 146 - May I wet your whistle, Grandpa?
 147 - Gonna have to say yes to that.
 148 - Well, cannot let this go to waste.
 149 - When did they get a houseboy?
 150 - Happy Thanksgiving, Ms. Forman.
 151 - This is my date, Carol.

152 - Ms. McGee?
 153 - Kelso,
 154 - you're dating my math teacher?
 155 - No. No, no, no. We're not dating.
 156 - We just have a relationship that I thought we agreed to keep a secret?
 157 - Well, welcome.
 158 - Michael, she is 10 years older than you.
 159 - Oh, no. Nine and five-twelfths.
 160 - She taught me that.
 161 - - Very good, Michael. - Thank you.
 162 - Okay.
 163 - Kelso, how could you bring her?
 164 - Oh, relax, man. She's not gonna quiz you or anything.
 165 - But if she does, the square root of zero is zero.
 166 - She got me with that last night,
 167 - earned herself a free massage.
 168 - Ms. McGee, being that it's a holiday and all,
 169 - there are certain math-related,
 170 - failing-type things I'd rather not talk about.
 171 - I hear you. There are certain things I'd like to keep quiet, too.
 172 - So, if anyone from the school board should ask,
 173 - I came alone, and I left before dessert.
 174 - Eric, maybe we should wait on the big announcement,
 175 - now that your math teacher is here.
 176 - Oh, no, Donna, we don't have to worry,
 177 - 'cause she's not my math teacher today.
 178 - Today, she's a cradle-robbing slut.
 179 - - Yay, student-teacher relationships! - Yay!
 180 - Hey, Laurie. Long time no doing it.
 181 - Maybe for you.
 182 - So, what time is your date gonna let you out for recess?
 183 - Nice try, Laurie. There's no recess today, it's Thanksgiving!
 184 - Wow, Laurie.
 185 - Yeah, me and her really had something, huh?
 186 - Yeah. Ointment took care of that, though, right?
 187 - Yeah.
 188 - This looks great.
 189 - Here you go. One for Burt, and one for Ernie.
 190 - I'm calling you Ernie now, because you look like the Muppet.
 191 - I didn't ask for a drink.
 192 - Well, I didn't ask to be born in a field.
 193 - But you fought back against adversity,
 194 - just like your Indian brothers.
 195 - What is he, Cherokee?
 196 - Gobble, gobble, gobble.
 197 - It's time to carve the turkey.

198 - - Red. - Actually, Kitty, I think this is Eric's year.
 199 - Seems like he's growing up and finally buckling down.
 200 - Here you go, Son.
 201 - Wow.
 202 - Okay.
 203 - Well, in that case, I would like to make a kind of announcement.
 204 - - Check it out! I'm bread man. - Hey, shut up! Eric's talking.
 205 - Go ahead, honey.
 206 - Okay.
 207 - Well, I'm really glad that my family is here, and my friends,
 208 - and, well, even my math teacher,
 209 - because something happened a few days ago
 210 - that I'd like to share with everyone.
 211 - Eric, we agreed this isn't the time.
 212 - - No. No, I meant... - Not the time for what?
 213 - To talk about how he's failing math.
 214 - - What? - Fez, what the hell?
 215 - I've been drinking.
 216 - Mr. Forman, you did sign the failing notice.
 217 - I didn't sign...
 218 - You forged my name?
 219 - Wow. I really picked the right day to come home, huh?
 220 - Okay, um...
 221 - Who likes dark meat?
 222 - Hey, who doesn't? Am I right, ladies?
 223 - Oh, Lord.
 224 - So, you lied to me about school.
 225 - Now, it wasn't a lie so much as a misdirection, really.
 226 - We'll talk about this later.
 227 - Well, Laurie, looks like a seat just opened up for you.
 228 - Come on over and grab a biscuit.
 229 - Forty-two minutes and I'm back on top.
 230 - So, that was kind of a mess.
 231 - Oh, no, that's what I wanted to happen.
 232 - Burt, honey, pass me your plate.
 233 - Burtikins.
 234 - - Burt! - I'm up.
 235 - Bob, you know what Eric's problem is?
 236 - All that time he's spending with your daughter.
 237 - Hey, Donna ain't the problem.
 238 - Eric's the one who corrupted her up so dirty, I had to send her to Catholic school.
 239 - How could he be failing math?
 240 - Kitty, I'm sure he did the best he could
 241 - for someone who was held too long as a baby.
 242 - I bet that explains why he hit puberty so late, too.

243 - No, that was because of your mother's smoking.
 244 - Fez, I know you've only spoken English for a couple weeks now,
 245 - but could you have learnt the words, "Don't tell my dad"?
 246 - "Don't," a contraction meaning "Do not,"
 247 - and "Tell my dad," meaning "Shut up!"
 248 - Okay, right there, you just told me not to shut up.
 249 - It's a wonder you're not failing English, too.
 250 - Crack a book, you lazy son of a bitch.
 251 - So, guys,
 252 - Ms. McGee.
 253 - Pretty nice, huh? If they put one of her in every classroom,
 254 - I'd never skip school again, if you know what I mean.
 255 - I mean, I'm doing it with my teacher!
 256 - Oh, shh! But it's a secret, so...
 257 - I've never been with a teacher,
 258 - but I was with the post-office lady. That was cool.
 259 - I got 100 free stamps and a monster roll of tape.
 260 - I like older women, they always got something smart to say.
 261 - I think I could probably fit inside of a record player.
 262 - That's gotta sound good in there. Inside of a record player?
 263 - I miss dating Kelso.
 264 - The guys I'm with now, they're so... I don't know. What's the word?
 265 - Married.
 266 - Hey, you and Kelso didn't date.
 267 - You're just a tramp he cheated with.
 268 - And, you contaminated him so much, I ended up with Steven,
 269 - who I love being with!
 270 - So, thank you.
 271 - Wow. I'm the only one here who's never been with Kelso,
 272 - which makes me wanna say, ew!
 273 - And also, thank God.
 274 - But you, I mean, you're a teacher.
 275 - Can't you get in trouble for dating a student?
 276 - Hey, let them come and get me.
 277 - He's 18. I make 11,000 a year.
 278 - *Ideservealittlesomething.*
 279 - *So, that was onerooting - tooting, bigoldcrap of a day, huh?*
 280 - *Yep. Pretty much.*
 281 - *I just really wanted to tell people that we were engaged.*
 282 - *You know what? Maybe it'd be easier*
 283 - *if we just showed up next Thanksgiving with a kid.*
 284 - *Hey, thanks for dinner, Kitty.*
 285 - *I'll remember to wear my stretch pants next time.*
 286 - *Oh, let me know if you find that button.*
 287 - *Goodnight. I apologize if my being here upset you.*
 288 - *No, no, no. I just feel you being seen out with a student is...*

289 – *It's just a fully bad principle.*
 290 – *Oh, he doesn't care, he's dating a cheerleader.*
 291 – *Burt. Burtie Bear.*
 292 – *– Burt! – Grandma, let me.*
 293 – *– Grandpa! – I'm up!*
 294 – *My goodness, you are going to make some lucky man a wonderful wife.*
 295 – *Oh, my God.*
 296 – *That's where Laurie gets her mean streak.*
 297 – *It's not from delightful me, it's from my evil mother!*
 298 – *So, evil skips a generation.*
 299 – *So, that means that my granddaughter is gonna be the devil.*
 300 – *Well, don't worry, because now a woman's gonna want to be your idiot kids*
 301 – *if you can't even pass math.*
 302 – *How could you forget my signature?*
 303 – *– Here comes yelling. – Yeah, I don't wanna hear this.*
 304 – *– I'll help with the dishes. – Yeah.*
 305 – *And I'll take these half – empty glasses.*
 306 – *Okay. No, no. You've had enough.*
 307 – *Eric,*
 308 – *what the hell is wrong with you?*
 309 – *He doesn't understand consequences, Daddy.*
 310 – *Well, maybe he'll understand this.*
 311 – *From now on, every time you disobey me,*
 312 – *or lie to me, or do anything that pisses me off,*
 313 – *you're gonna pay me money.*
 314 – *Pay you? Wait, you're refining me?*
 315 – *It's like giving him tickets for being dumb.*
 316 – *Okay, okay, I think we're forgetting about a time – tested punishment there.*
 317 – *There's your foot, here's my ass. Swing away!*
 318 – *Well, it obviously doesn't work. So, for forging my name,*
 319 – *you owe me 30 bucks.*
 320 – *Daddy, can I borrow 30?*
 321 – *– Sure, kitten. – What...*
 322 – *Laurie, your grandparents are sleeping in your room,*
 323 – *so you take Eric's room, and the math whiz can ride the couch.*
 324 – *Well, another Thanksgiving come and gone.*
 325 – *Certainly an eventful day, hmm?*
 326 – *Yeah.*
 327 – *What with our ungrateful daughter, that dumb ass son,*
 328 – *and a drunk foreign kid, I'd say...*
 329 – *Actually, it was a little better than last year.*
 330 – *– I know we're young. – But we're totally in love.*
 331 – *And we just want you to know...*
 332 – *We're engaged!*
 333 – *– Feels good to tell someone. – Yeah.*
 334 – *I think they're happy for us.*

335 - Look, Schotzie's celebrating.

1.9 Episode 09: Black Dog

1 - Steven, I'm telling you, beards are out.
2 - Look at Malibu Barbie.
3 - She can date anyone she wants.
4 - But she's with Malibu Ken. Why?
5 - Because Malibu Ken doesn't have a beard!
6 - Yes, he does. Malibu Barbie's his beard.
7 - No straight man wears shorts that tight.
8 - I don't care. Just shave it off.
9 - It's like making out with carpet.
10 - Well, here it is, the beginning of the end for you two.
11 - Yeah, I remember the part of our relationship
12 - when all Jackie did was boss me around.
13 - Yeah, that part only lasted, what, like, six years?
14 - And he's a better man for it.
15 - So come on, Steven, let's shave that beard.
16 - Jackie, you just gave an order in the form of a cheer.
17 - - Oh, where are you going? - Wherever the beard takes me.
18 - Jackie, sweetie, we just got a phone call, and you're needed at home.
19 - So why don't you grab your coat?
20 - Mr. Forman'll give you a ride home.
21 - - Do you know what's going on? - No, I don't know anything.
22 - I know everything!
23 - You know how Jackie's father is a city councilman? Not anymore.
24 - He just got arrested for bribery. He could go to prison.
25 - Well, I'm glad.
26 - That guy makes Republicans look like a bunch of crooks and greedy businessmen.
27 - Yeah, well, thank God for the honest ones like Richard Nixon, huh?
28 - Oh, no.
29 - What did you say?
30 - I said that
31 - Nixon was framed and Kennedy was a commie.
32 - That's right.
33 - What's with the gun, Trigger?
34 - Oh, will you relax, Eric? It's not a gun. It's a BB gun.
35 - Yeah. I lost it when I was, like, 10,
36 - and I found it this morning buried in my backyard.
37 - Why were you digging in your backyard?
38 - Uh... Dinosaurs.
39 - Watch the news, Donna!
40 - You guys, I can't believe that Mr. Burkhart might actually be going to prison.

41 - Ah, the tragedy. My father was sent to prison,
 42 - and it led to a life of drugs and prostitution.
 43 - - What? - Yes. Then his pimp killed him.
 44 - But then the medical examiner found a tiny hair.
 45 - And he solved the crime, and he sent the pimp bastard to the chair.
 46 - Fez, that was last night's episode of Quincy.
 47 - Oh, I didn't know you watch that show.
 48 - Yeah, this is rough stuff Jackie's going through.
 49 - She'll come running to me, Old Faithful.
 50 - Kelso, Jackie's with me now.
 51 - Maybe. But we have history.
 52 - So when she needs a shoulder to cry on,
 53 - she'll rest her head on these broad babies.
 54 - Feel them.
 55 - Rock hard, amigo.
 56 - Man, you don't want Jackie leaning on your shoulders.
 57 - - They're all bruised. - Where?
 58 - Man, I should really see those coming by now.
 59 - Oh! Watch the gun, Cool Hand Luke.
 60 - Will you relax, Eric? God, guns don't just go off by accident.
 61 - Really? What about Eric's fourth-grade hamster, Snowball?
 62 - Oh, no, Snowball wasn't shot.
 63 - He went upstate to live with a nice farm family.
 64 - You shot Snowball?
 65 - The... The gun went off by accident!
 66 - Oh, sweet pea, I'm here for you.
 67 - Steven, my dad's going to prison. What am I gonna do?
 68 - Bake him a cake with a file in it?
 69 - What do you want me to say?
 70 - Nothing. Look, I just... Oh, never mind.
 71 - Now we're talking. Donna, give her a kiss.
 72 - Hanging out
 73 - Down the street
 74 - The same old thing
 75 - We did last week
 76 - Not a thing to do
 77 - But talk to you
 78 - We're all all right
 79 - We're all all right
 80 - Hello, Wisconsin!
 81 - Jackie blew right by me to get to Hyde!
 82 - Yes, I know. Because you told me 20 times!
 83 - Oh, there's my boss, Nina.
 84 - Queen of the DMV.
 85 - She haunts my dreams.
 86 - Wait, I thought Mr. Roper from Three's Company haunted your dreams.

87 - Oh, he's there, too. Bug-eyed bastard.
88 - Look at how beautiful she is.
89 - You have to help me win her heart.
90 - Whatever happened to Jackie's heart?
91 - You know, at first I thought
92 - - they were just killing time. - But Nina...
93 - But now I actually think they're getting serious.
94 - - But Nina... - I mean Jackie and Hyde, man?
95 - Enough! It's over for you, pin-brain!
96 - Now, to summarize,
97 - Jackie gone, Nina still in play.
98 - Now help me do this thing.
99 - Fez.
100 - Nina. My queen-a.
101 - I told you I don't like that.
102 - Now you're late for your fingerprint tutorial, so move it.
103 - Ooh, tough cookie.
104 - Yes, Fez likes the hard-headed mamas.
105 - Really? I'm starting to get into the Asian ladies.
106 - I know what you mean. Mystery of the Orient. Very sexy.
107 - - Hey. - Hey.
108 - Donna, what are you doing wearing the engagement ring?
109 - It's supposed to be a secret.
110 - You didn't tell anyone, did you?
111 - Yeah, Eric, I have no self-control, so I told the pretzel guy at the park.
112 - Okay.
113 - Seriously, I have no self-control, and I told the pretzel guy at the park.
114 - - Donna! - I'm sorry.
115 - I'm excited. I had to tell someone.
116 - Plus free pretzel.
117 - What's wrong, Steven? Problems with Jackie?
118 - Yeah, I said the wrong thing.
119 - Well, I have menopause. Do you have menopause?
120 - No.
121 - Lucky bastard.
122 - I'm sorry. So...
123 - Tell me what happened.
124 - Well, she wanted me to say something
125 - to make her feel better and I couldn't think of anything.
126 - Well, Steven, you don't know how to comfort people,
127 - because you've never been comforted.
128 - No, that's not true.
129 - One time, my dad felt so bad about missing my Little League game
130 - that he made up for it by disappearing for nine years.
131 - Well, after what you've been through,
132 - you don't have to be nice to anybody.

133 - Jackie can just leave you alone.
134 - Now I'm just... I'm gonna go upstairs and cry a little.
135 - Problems with Jackie, huh?
136 - Hyde, I'd like to remind you that Donna and I are basically the perfect couple.
137 - We really are.
138 - So we might just have a little something
139 - to teach you about relationships.
140 - We really do.
141 - - All you have to do is back off. - Go to her.
142 - What?
143 - No, he needs to be with her.
144 - No, he needs to give her space.
145 - When your mom left, I gave you space.
146 - Yeah, but I didn't want space. I wanted you with me.
147 - - You didn't tell me that. - I couldn't find you!
148 - And they lived happily ever after.
149 - Fingerprinting is one of the most important jobs at the DMV, Fez.
150 - It helps make our customers feel like common criminals.
151 - See? Firm but gentle.
152 - Repeat that. Firm but gentle.
153 - Fir but ge-ge.
154 - Your hands are strong.
155 - But your right hand's much stronger than your left. Why is that?
156 - I am a sword fighter.
157 - - You fence? - Touche.
158 - You know, I'm sorry if I'm a little short-tempered with you sometimes.
159 - It's just, well, when I see you, I just...
160 - No. No, I can't.
161 - But I am all atwitter.
162 - I'm sorry. I just can't. And no one can know about this.
163 - But, Mom, Dad's in trouble.
164 - So I really think you need to come back from Acapulco now.
165 - Uh-huh.
166 - Wow, that is a lot of tequila.
167 - Red, Jackie's been moping in our kitchen for an hour.
168 - So call the cops.
169 - I don't want her arrested. I want to help her.
170 - She needs a father figure. Go talk to her.
171 - - No. - Yes!
172 - - No. - Red!
173 - Fine. Every damn argument!
174 - You'd think I'd win one, just by chance.
175 - - Mr. Forman... - Look, Jackie,
176 - I know that things seem grim, but your father's rich, right?
177 - Uh-huh.

178 - Well, then I'm sure that whatever trouble he's in,
 179 - he'll buy his way out and wriggle free.
 180 - You're right.
 181 - I mean, this is America. The rich are treated differently here.
 182 - Yep. And I'm so glad I took some shrapnel to make that happen.
 183 - Me, too.
 184 - So, Hyde, have you talked to Jackie yet?
 185 - 'Cause don't... 'Cause you gotta give her room to breathe, man.
 186 - Yeah. And if she ever falls out of a plane, just let her fall.
 187 - What, he's supposed to just jump out after her?
 188 - Well, at least they'll be together.
 189 - Man, I don't get Jackie.
 190 - I mean, we were together for years,
 191 - and the second I turn my back, she off and frenches Hyde.
 192 - And by "turn your back," you mean ditching her for two months
 193 - to have sex with random beach trash?
 194 - Whatever, man.
 195 - You... It's all... It's all about words with you!
 196 - Kelso, Jackie's my girlfriend.
 197 - We're together, so get over it.
 198 - You know what? Fine!
 199 - Dude, you shot him!
 200 - That is exactly what happened to Snowball!
 201 - Oh, my God. I'm so sorry, I'm so sorry, I'm so sorry,
 202 - I'm so sorry, I'm so sorry, I'm so sorry, I'm so sorry.
 203 - Did I shoot your eye?
 204 - Yes! Now I can't see, you moron! You're dead!
 205 - - I'd start running now. - Chasing me is futile!
 206 - I'll just hide in your blind spot!
 207 - - Man, are you okay? - Yeah, I'm fine.
 208 - The BB just winged my shoulder.
 209 - But that kid needs to be taught a lesson.
 210 - - Hyde, it was an accident. - No, it wasn't.
 211 - He's been bitching about me and Jackie since he found out.
 212 - Now he got himself so out of control that he shot me.
 213 - I don't like getting shot!
 214 - So now I'm gonna punish him the way my parents punish me.
 215 - You're gonna leave him at the mall?
 216 - No. I'm gonna milk this eye thing until he feels as bad as he should.
 217 - They didn't leave me at the mall. They forgot me.
 218 - They were drunk.
 219 - I am in pain.
 220 - Fez, we're really sorry about Nina. You know, rejection hurts.
 221 - No, Nina and I were kissing, and she made me stop
 222 - and now I am in pain.
 223 - I have to go do something.

224 - I think maybe we're all getting a little too comfortable with each other.
 225 - Well, maybe we wouldn't be so comfortable if we just gave each other
 226 - some space.
 227 - Don't make me hit you.
 228 - Well, good luck reaching me through all the space.
 229 - Hey, guys. Is Hyde here?
 230 - Hyde?
 231 - Hey, Hyde. I brought you this.
 232 - What is it? I can't see.
 233 - Well, it's most of a burger.
 234 - I took a bite, 'cause I'm sorry, but I'm also hungry.
 235 - Yeah, well, it's almost 2:00. I gotta go flush out my eye.
 236 - You guys, how bad is it? Is Hyde gonna be a Cyclops?
 237 - Kelso, what were you thinking? I mean, did you shoot him on purpose?
 238 - No! The gun went off on accident!
 239 - Well, he kind of thinks you did.
 240 - How could I? I mean, yeah, I was mad. But I didn't...
 241 - I don't know. Maybe I did it accidentally on purpose.
 242 - - You mean, subconsciously? - No, I was definitely awake the whole time.
 243 - Steven, I'm glad your eye's not hurt.
 244 - Even though you deserve it because you were such a jerk about my dad.
 245 - Man, look, Jackie...
 246 - I'm never gonna be the guy who says the right thing at the right time.
 Okay?
 247 - I'm just not.
 248 - You are so full of it.
 249 - All I'm asking for is a gesture, and you can't even do that.
 250 - Okay, I got something.
 251 - Get your dad a carton of cigarettes
 252 - so he can trade them for not being someone's wife.
 253 - - Oh, just forget it. - No. No.
 254 - Jackie, that's funny. Look, when my dad went to prison,
 255 - that's what someone told me to make me feel better.
 256 - It was my mom! We had a real good laugh!
 257 - Mr. and Mrs. Forman, can you settle this for us?
 258 - If someone you love is kind of depressed,
 259 - should you shower them with kindness or give them space?
 260 - Well, now, that's a very good question.
 261 - And it really takes a lot of living with someone to get it right.
 262 - - That's true. - But you'll find the thing to do is...
 263 - - Give them space. - ...shower them...
 264 - What did you say?
 265 - I said what you said.
 266 - - You're lying. - Oh, come on, Kitty!
 267 - When menopause makes you crazy,
 268 - I could be with you all day and it wouldn't do any good.

269 - You need space.
 270 - Oh. Menopause makes me crazy?
 271 - I'm crazy?
 272 - I'm crazy?
 273 - Well, if you want space, Red Forman, you got it!
 274 - This crazy lady's out the crazy door!
 275 - We were having a nice lunch.
 276 - Okay, Hyde, I feel really bad, and I shouldn't have shot you.
 277 - And I think that I might've done it on purpose
 278 - 'cause I'm not okay with you and Jackie and I don't know if I ever will be.
 279 - But I'm almost positive that I'll never, ever shoot you again.
 280 - But the only way to be sure is for you to shoot me.
 281 - I've always responded really well to corporal punishment.
 282 - So, here.
 283 - Do it. Shoot me.
 284 - This is like Old Yeller.
 285 - Come on, man. Just do it. Right here. It's the only way.
 286 - Okay.
 287 - You lied!
 288 - You're dead, man!
 289 - So, how's stuff with your dad?
 290 - Well, my mom's flying home from the Fiesta de las Margaritas.
 291 - - So I guess it's pretty serious. - Hmm.
 292 - Wow, that is serious.
 293 - Playboy voted Fiesta de las Margaritas
 294 - Latin America's number one singles party.
 295 - But I'm sure she's just there for the margaritas.
 296 - Oh, my God, you guys, my whole world is just falling apart.
 297 - Hey.
 298 - Steven! You shaved your beard off!
 299 - I thought it might cheer you up.
 300 - Oh, my God. You shaved it off for me.
 301 - You let the razor say the words your mouth couldn't speak.
 302 - - Aww. - Shut up!
 303 - So I guess the answer to the problem wasn't more or less space,
 304 - it was more or less hair.
 305 - And that's bizarre.
 306 - Okay, I've been thinking about it,
 307 - about the space thing, and I got it.
 308 - You'll talk about stuff, and I'll just leave.
 309 - And I'll follow you.
 310 - Because I'm strong enough to take you down and make you listen.
 311 - And I will let you lie on me and pretend that it bothers me.
 312 - Guys, something horrible has happened.
 313 - The little man in my pants has turned black.
 314 - It's not funny!

315 - Black is the color of death!
 316 - Oh, my little man is going to die before he gets to see the world.
 317 - I'm so sorry.
 318 - How could this happen?
 319 - How?
 320 - Okay, I washed, but the ink isn't coming off my little man. Help.
 321 - You should try bleach.
 322 - - Ooh. Or Comet. - Yeah. Or steel wool.
 323 - Hey, and if all else fails the one thing that gets out ink is more ink.
 324 - That's right, Hyde. But whatever you do,
 325 - use the steel wool first.
 326 - Really scrub, so the soap gets in there.
 327 - Remember, if it doesn't sting, it's not working.

1.10 Episode 10: The Crunge

1 - Guess what.
 2 - Oh, nobody guess. It's always about boobs.
 3 - Oh, come on. Don't you want to know what I have to say?
 4 - Man, I never know what you have to say.
 5 - I mean, in your head you're speaking English
 6 - but when it comes out, it's all buzzes and clicks.
 7 - Oh, really?
 8 - Well, I guess I was speaking English to the SATs
 9 - because I got 1000 points.
 10 - Oh, and last night on cable I saw four boobs.
 11 - Wait. So the SATs are in? Donna, did you see your scores yet?
 12 - Yeah. This morning. I got 1230.
 13 - What? A 1230? That's great. Why didn't you say something?
 14 - Well, I didn't want to brag.
 15 - I mean, yeah, I kicked ass, but it's no big deal.
 16 - Eric. Eric, honey.
 17 - I got the mail and your SAT envelope happened to be open,
 18 - and the letter just sort of slid into my hand,
 19 - and I accidentally put on my reading glasses, and I saw your score.
 20 - You got an 800!
 21 - I got an 800? That's it?
 22 - "That's it"?
 23 - If 100 is an "A," eight of them is an A-plus-plus.
 24 - No. No, Mrs. Forman, an 800 is not good.
 25 - I mean, a pigeon can peck a better score than that.
 26 - - Really? - Donna did better. Fez did, too.
 27 - And his whole country's made of bamboo.
 28 - This is awkward.
 29 - I'll just...
 30 - I'll go home and take down the streamers.

31 - Forman, the SATs prove nothing.
32 - I mean, I got 950, and I don't even have any textbooks.
33 - Or a locker.
34 - Wait, wait. A 950?
35 - Steven, I knew it. You do have potential.
36 - Yeah. Imagine what I could do if I only applied myself.
37 - Oh, well, guess we'll never know.
38 - I just... I can't believe I got the lowest score here.
39 - Oh, Eric, someone had to come in last.
40 - There is no shame in that.
41 - Well, there is a little shame.
42 - Shame on you.
43 - Hey.
44 - You know, who cares what anyone got? It's just a stupid test.
45 - You know what? You're right. I don't care.
46 - I got 1030!
47 - Yeah!
48 - I did good on a test, man.
49 - Something's happening to me. I'm blooming like a flower.
50 - So the SATs proved it. Donna's the smart one.
51 - Eric, on the other hand... Well, I don't wanna say there's a dumb one,
52 - but there's two, and he ain't the smart one.
53 - That's where you're wrong, Bob.
54 - Eric got an A-plus-plus.
55 - Oh, um...
56 - No.
57 - See, Red, it turns out Eric still did very well.
58 - It's just, some other people did better.
59 - - Donna? - Yes.
60 - - Steven? - Yes.
61 - Not the foreign kid.
62 - Yes.
63 - Kelso?
64 - Yes.
65 - He did worse than Kelso?
66 - I watched that kid glue his hand to his face.
67 - You.
68 - What happened on the SATs?
69 - Okay, you know he's not good under pressure.
70 - He can't pee in a public restroom because there's an audience.
71 - You know what? This is a family thing.
72 - I'll leave you to it.
73 - - What's wrong with you? - I don't know. Maybe I'm not smart.
74 - - Who says you're not smart? - You.
75 - - When? - Always.
76 - Your problem is you got your head up your ass.

77 - Your father's afraid that you're spending a little too much time
 78 - on a high school romance.
 79 - That's right. Donna gums up the works.
 80 - Whoa. It's not her fault, okay?
 81 - I was prepared for that test. I had three sharp pencils.
 82 - That's one more than recommended, by the way.
 83 - I remember sitting there, filling out the little bubbles...
 84 - - Well, that was a blast. - Sure was.
 85 - Now why don't you point yourself toward my villa
 86 - and park this thing in my garage?
 87 - Oh, I'm planning on that, but what should I do with the car?
 88 - We better hurry. We only have five minutes.
 89 - Well, that's four more than I need, baby.
 90 - I repeat. There's only five minutes left in this section of the test.
 91 - Oh, my God. Donna does gum up the works.
 92 - See? Now use what little brains you've got and hit the books, dumb ass.
 93 - Kelso, what the hell are you doing with a book?
 94 - Reading.
 95 - I am reading.
 96 - 'Cause what good is having brains if you got nothing up here?
 97 - - Hi. - Hey.
 98 - So I saw my dad in prison today.
 99 - Oh. How was it?
 100 - Well, at first it was a downer
 101 - but then I realized that I'll be okay without my dad.
 102 - Because the SATs prove that there's another man who could take care of
 me.
 103 - You better be talking about Santa Claus.
 104 - No, Steven, I'm talking about you. Because you have potential.
 105 - He doesn't have potential. I have potential.
 106 - Like, I'm reading Moby Dick, and I'm not even halfway through
 107 - and I can already tell you the ending. The whale is a robot.
 108 - Steven, just imagine what your life would be like
 109 - with the love and support of a good woman.
 110 - Oh! Thank God for your strong SATs. Now we don't have to be poor.
 111 - Not poor, indeed.
 112 - Basic math and verbal skills are the ticket to great wealth
 113 - and therefore great happiness.
 114 - Poor person! Bring me a fancy cocktail.
 115 - It is my privilege to wait on you, madam.
 116 - Oh, quite so, quite so.
 117 - All right, enough with the idle chatter. Go be poor.
 118 - Wait. Someone's playing the harp in the corner?
 119 - 'Cause if I'm rich, I'm hiring, like, Jethro Tull.
 120 - Who cares? It's the same thing every time.
 121 - I'm a butler, I'm a bellhop, I'm a stable boy.

122 - Well, I've had enough!
123 - I will not wait on you people anymore. Got it?
124 - Good.
125 - Now who wants a Popsicle?
126 - Wow. Here's something I did not know.
127 - They number every page.
128 - Hey. You guys. You know how Red's always telling me I need to buckle down?
129 - Well, turns out he's right. I do have to buckle down.
130 - You sure do. He's got an 800. There's your butler.
131 - Man, how can I ever marry Donna?
132 - I mean, I'm an idiot around her now, and we're only engaged.
133 - What?
134 - Oops.
135 - You're engaged?
136 - No.
137 - How could you give her that ring?
138 - You're in high school, man, and according to the SATs
139 - that's about as far as you're gonna go.
140 - Look. Just don't tell Donna I told you, okay?
141 - She'd kill me. It's supposed to be a secret.
142 - Of course she wants it a secret.
143 - "I'm marrying dumb guy." Who wants that spread around?
144 - You know, maybe Eric's bad score is a blessing.
145 - It'll be a good story when he's a senator.
146 - Senator?
147 - The word you're looking for is "janitor."
148 - Okay, see? That's why Eric did so poorly on that test.
149 - It's because you're too hard on him.
150 - I have to be hard on him 'cause you always baby him.
151 - Because you're so hard on him.
152 - You babied him before I was hard on him.
153 - You were hard on him when he was a baby.
154 - Hey, I just found out, I can take the SATs again.
155 - I'm gonna... I'm gonna take it again, and I'm gonna nail it.
156 - I just gotta buckle down. I'm gonna kick a little SAT butt.
157 - - Attaboy! - Good for you!
158 - - Think he'll do any better? - Nah.
159 - Yeah.
160 - Hi. What are you doing?
161 - Studying.
162 - I'd love to hang out, but I've really gotta buckle down.
163 - All right. Can I raid the fridge?
164 - My dad wrote "Save for Bob" on all the food at our house.
165 - Oops. I dropped the margarine.
166 - Butterfingers.

167 - It's so slippery I can barely get my fingers around it.
 168 - I gotta go.
 169 - - Ground me. - What?
 170 - I am not strong enough. If I'm gonna shake this Donna thing,
 171 - I am gonna need some serious discipline. Please ground me.
 172 - You got it, pal.
 173 - You're grounded.
 174 - One more thing. Donna's in the kitchen.
 175 - I need you to get rid of her for me.
 176 - - Do I have to be nice about it? - No.
 177 - This is the happiest day of my life.
 178 - Hey. Hey, Steven. Great news.
 179 - I found a couple of savings bonds
 180 - and I can cash them in to help you pay for college.
 181 - - Jackie... - You're going to college?
 182 - I am so happy!
 183 - You were an orphan, and we took you in, and now look at you.
 184 - I'm proud of you.
 185 - And that money that you've been paying in rent?
 186 - I put it in a bank account for college.
 187 - Or bail. But this is better.
 188 - Okay, enough.
 189 - Jackie, college is a waste of time, and I'm not going, okay?
 190 - - So just butt the hell out. - No. No, Steven, I won't butt out
 191 - because you need to be pushed, and we need to think about our future.
 192 - Look. Even if we have a future, it's not gonna be what you wanted.
 193 - It's gonna be more like...
 194 - - Steven, do you think I'm fat? - I know you're fat.
 195 - Go get me a beer.
 196 - - Oh, my God. - Yeah. It ain't pretty.
 197 - Please tell me they won't be living in our basement.
 198 - Well, we'll be dead by then.
 199 - Oh, good.
 200 - You grounded yourself?
 201 - What? Why would I do that?
 202 - Well, apparently, I "gum up the works."
 203 - Oh, good. So someone filled you in.
 204 - Yeah. Red. When he kicked me out of your kitchen.
 205 - And then he locked the sliding door,
 206 - and stood there laughing and waving.
 207 - Eric, why are you freaking out about this test?
 208 - I'm not. I'm gonna take it again, and I'm gonna nail it.
 209 - Anything less than a 1240 is unacceptable.
 210 - A 1240?
 211 - Hmm. That's 10 more points than I got.
 212 - Really? That's weird.

213 - You're threatened because I got a better score than you.
 214 - - I just... I have to do better than you. - Why?
 215 - Because I'm the man, and the man's the man,
 216 - and that's just the way it is.
 217 - What did you say?
 218 - I'm grounded. Dad, Donna's up here!
 219 - - That's it. - What's it?
 220 - This chapter just helped me figure out the answer to you and Donna's problem,
 221 - vis-a-vis your crappy score.
 222 - "Vis-a-vis"?
 223 - It's a PBS word, Eric. Stay with me here.
 224 - Yeah, I liken your situation to that of Pavlov's dog.
 225 - You see, Pavlov was this science guy,
 226 - and every time his dog would ring a bell, Pavlov would eat.
 227 - Are you sure it was the dog who rang the bell?
 228 - Yeah. I mean, who else would it be?
 229 - Pavlov?
 230 - Well, that wouldn't be a trick, Eric. What man can't ring a bell?
 231 - Anyway, every time that dog would ring that bell,
 232 - old Pavlov would eat, and then he would drool.
 233 - You just read that chapter two seconds ago.
 234 - - Do you even want my help? - No!
 235 - Your loss!
 236 - Okay. So what's wrong with you and Donna?
 237 - She did better than me on that test,
 238 - and I'm sorry, but that is just not gonna fly,
 239 - because I am the man, and the man's the man, and that's just the way it is.
 240 - Well, honey, everybody has different skills.
 241 - I do better on tests than your father,
 242 - but he's the one brave enough to kill spiders.
 243 - And since we've been married, how many tests have I taken? None.
 244 - How many spiders has your father killed?
 245 - Hundreds.
 246 - But, Mom, spiders freak me out.
 247 - We all have different qualities.
 248 - But the thing to remember is how you do on some silly test
 249 - is much less important than how you behave in real life.
 250 - I'll take a dummy over a jackass any day.
 251 - So am I a dummy or a jackass?
 252 - Well, honey, right now you're both.
 253 - Okay, Steven, about your vision of our future
 254 - with you swilling beer and me being fat?
 255 - That's not gonna happen, because I'm not gonna be fat.
 256 - It's genetic.

257 - That's true.
258 - Her mother drinks two bottles of wine a day and she looks damn good.
259 - No, I've seen her vacuum in her underwear.
260 - - So what's your point? - My point is she's freaking hot.
261 - Not you.
262 - Steven, all I'm saying is that I've become accustomed to a certain lifestyle,
263 - and if you would just live up to your potential...
264 - I don't know why you're talking to 950 guy over there.
265 - I got 1030. I got 80 more potential.
266 - Yeah, but Steven has my heart.
267 - Which is why I want him to be rich.
268 - I mean, think about all the stuff you could buy for me.
269 - Jackie,
270 - why don't you earn your own money and buy those things yourself?
271 - Myself?
272 - And I'm not like Forman. I have no problem mooching off your success.
273 - You know, you leave the room, I steal some money from your purse.
274 - You pretend I didn't, but we both know I did.
275 - That's the future I see for us.
276 - Oh, Steven, that's beautiful.
277 - Oh, wait. So you don't even care that I did better than him?
278 - Not really.
279 - Well, if being smart isn't gonna help me impress the chicks
280 - then I want no part of it.
281 - I'm gonna go back to coasting through life on my good looks.
282 - Hey, and my brains will always be there,
283 - so if I ever need them, I'll just whip them out
284 - and use them like a secret emergency rocket pack.
285 - - That's a good plan, man. - Hey, it beats the hell out of reading.
286 - - Okay, Donna, look. - Don't worry, Eric.
287 - I'm only reading the funnies.
288 - Business section's for the man, right?
289 - Donna, the thing is, I'm a jackass and I know it.
290 - Well, I know it, too.
291 - Look. Okay, the only reason I said what I said is,
292 - you agreed to marry me before the facts were in, right?
293 - So now I'm thinking that maybe, you know,
294 - you might want to trade up.
295 - That's so stupid.
296 - Okay, I swear to God, if one more person calls me stupid today...
297 - Eric.
298 - Eric, my entire life,
299 - everywhere I've gone and everything I've done
300 - has been better because you were there with me.
301 - And no test score is gonna change that.
302 - Wow. That was amazing.

303 - Did you come up with that yourself?
 304 - Well, I saw Mr. Ingalls say it to Mary on Little House on the Prairie.
 305 - I just made it a test score instead of blindness.
 306 - But I still think it's true.
 307 - So, you're still glad we're engaged?
 308 - Of course.
 309 - Good. Hey, speaking of Little House,
 310 - did you ever see that one where Laura
 311 - accidentally told Kelso, Hyde, Fez and Jackie that she was engaged to Donna?
 312 - Eric, are you kidding me?
 313 - God. You can't even keep a secret?
 314 - Hey, Donna, I got an 800. We're lucky I can wash myself, okay?
 315 - Poor person! Where's my drink?
 316 - Where's your drink? What about my drink?
 317 - Next time you ask where your drink is, it will be in your ass.
 318 - It's so hard to get good poor people these days.

1.11 Episode 11: The Girl I Love

1 - Why would Sports Illustrated even publish
 2 - an issue that's not a swimsuit issue?
 3 - You know who should do a swimsuit issue? Playboy.
 4 - Why would you put clothes on a centrefold?
 5 - Sometimes I get tired of all the complete nakedness
 6 - and I like to be teased a little.
 7 - Yeah, there's a lot more going on up here than you know about.
 8 - I think there's some stuff going on in there that you don't know about.
 9 - You guys should have come to the arboretum with us.
 10 - We saw plants and trees from all over the world.
 11 - There was a bush from Morocco.
 12 - Smelled like chocolate chip cookies.
 13 - Ah, that is the perfect bush.
 14 - Thanks for taking me to the arboretum. It was really fun.
 15 - Yeah, what a great day.
 16 - What a horrible day!
 17 - I don't mind looking at some trees, okay?
 18 - But when they put little signs on them with little Latin names,
 19 - it makes me want to harm myself.
 20 - So the missus took you out for some girl fun, huh?
 21 - See, Donna is hot, but she is mean.
 22 - My girlfriend Nina? Just hot.
 23 - You know, Fez, you talk a lot about this Nina chick,
 24 - but none of us have ever seen her.
 25 - Yeah, we're actually starting to suspect
 26 - that she's some creepy alter ego

27 - you visit late at night in front of the mirror.
28 - Oh, no, I don't do that anymore.
29 - But Nina is the real deal. Kelso saw her at the DMV.
30 - There were a lot of girls there.
31 - She could have been the one with the lazy eye that does the vision test.
32 - Lazy-eye Lizzie? No way. She wouldn't even look at me.
33 - Nina, my friends don't believe me that you're my girlfriend,
34 - even though I frenched you.
35 - Girlfriend? I don't know if we're there yet.
36 - I mean, I like you and all, it's just that
37 - all the guys at the DMV seem great
38 - until you find them in your apartment wearing your hot curlers.
39 - Warren.
40 - I want to get to know you better, meet your friends,
41 - make sure they're not puppets.
42 - Warren.
43 - So, if they are not puppets, then would you be my girlfriend?
44 - Mmm, it would definitely help.
45 - Are these lines open or not?
46 - Oh, you're right, I'm sorry.
47 - That was very unprofessional.
48 - Hanging out
49 - Down the street
50 - The same old thing
51 - We did last week
52 - Not a thing to do
53 - But talk to you
54 - We're all all right
55 - We're all all right
56 - Hello, Wisconsin!
57 - So, we're finally gonna meet the mysterious and possibly fictional Nina.
58 - Fictional? Does this hickey look fictional?
59 - Huh, looks too small to be from the vacuum cleaner, like last time.
60 - Wait, let me see.
61 - Small, blotchy and uneven. Ah, this girl's an amateur.
62 - Let me see. Small, blotchy and unpleasant. Yeah, this girl's a Jackie.
63 - Well, Fez, I am thrilled that you found a girl
64 - 'cause I was starting to worry.
65 - But you've proven me and the experts from Reader's Digest wrong!
66 - When I introduce her to everybody, I just want it to be special.
67 - Oh! Let's have a formal dinner party tomorrow.
68 - You know, it was at a dinner party that I first realised
69 - Red Forman was more than just a boy with great hair.
70 - Sounds good, Miss Kitty.
71 - You might be a little past your prime, but your mind is still sharp.
72 - Oh, actually tomorrow night's not gonna work.

73 - I thought we might go see Laser Floyd.
 74 - Well, you tell this fellow Floyd that you have a dinner party.
 75 - No, Mom, Laser Floyd's not a guy.
 76 - Laser Floyd is Pink Floyd music with lasers.
 77 - Lasers, like in Star Wars.
 78 - Mrs. Forman, we'll be here.
 79 - Wait. You'd rather go to a formal dinner party?
 80 - Sure. Sounds great.
 81 - And don't forget, Mrs. Forman, you can count Steven and me in.
 82 - Yeah, I've been looking for an excuse
 83 - to buy him a shirt with buttons.
 84 - And since it's a special occasion,
 85 - you're all allowed one sip of wine.
 86 - Great! It'll be like Communion, but without the fun of church.
 87 - So, Steven, you know, I was thinking of getting you
 88 - a pair of beige corduroys and maybe a blue blazer for the party.
 89 - Oh, don't forget the matching scarf and gloves.
 90 - This way, I'll be nice and toasty when hell freezes over.
 91 - Uh-oh, Jackie. Looks like Steven
 92 - doesn't wanna wear his big-boy clothes.
 93 - No, I just don't wanna go.
 94 - You know, you should have asked me before you said I would.
 95 - Steven! I am your girlfriend. I speak for you now!
 96 - Well, then, tell yourself I said to bite me, 'cause I'm not going.
 97 - Oh, you are so going! So just bite yourself!
 98 - Man, do you believe that crap?
 99 - Tell me about it.
 100 - Donna wants to go to a dinner party, we go to a dinner party.
 101 - If she wants to go to the arboretum, bang, I'm in a room full of trees.
 102 - God, I hate trees.
 103 - So tall and arrogant.
 104 - So why don't you just not go?
 105 - Oh, it's just one day.
 106 - Not for you, man. You're engaged.
 107 - It's Latin for "screwed for life."
 108 - Oh, my God, you're right.
 109 - And I have no choice. I have to do what she says
 110 - or she won't let me touch her naughty places.
 111 - Hyde, this is extortion!
 112 - You're telling me?
 113 - I'm being shaken down by a 95-pound brunette with pink toenails.
 114 - Kitty? I know this change of life has upset you
 115 - but we just bought wine the other day.
 116 - What are you doing, brushing your teeth with the stuff?
 117 - Red, it's not for me.
 118 - Well, this one is.

119 - We're having a dinner party tomorrow night.
 120 - No, can't do it. Battle of the Network Stars is on.
 121 - See, once a year, they make TV stars
 122 - compete at things they're not good at.
 123 - I look forward all season to watching Ed Asner try to paddle a canoe.
 124 - Makes me feel superior.
 125 - Well, you shouldn't feel superior, because
 126 - you know what I know about Ed Asner?
 127 - Ed Asner would come to my dinner party,
 128 - 'cause he knows how to treat a woman.
 129 - Did you say "dinner party"?
 130 - See, I thought you... Oh, screw it, I'll be there.
 131 - What's this about a party?
 132 - Oh, well, we're having a party tomorrow night for Fez and Nina.
 133 - I invited all the kids.
 134 - I'm a kid.
 135 - Well, it's for couples only. You can come if you bring a date.
 136 - Well, it's too late to find a date. I mean...
 137 - Yeah, I'm sweet looking, but I'm no miracle worker.
 138 - Well, maybe if you stop jumping
 139 - from girl to girl, you wouldn't be alone.
 140 - You're no Frank Sinatra, you know!
 141 - You know, you used to be nice, but you've changed, lady!
 142 - Guys, I really want Nina to like me,
 143 - so, please, avoid the following topics,
 144 - my addiction to candy,
 145 - the fact that I have needs,
 146 - and my use of Alberto VO5 Hot Oil Treatment.
 147 - Wait. Fez, what does she care what you use on your hair?
 148 - Oh, I do not use it on my hair.
 149 - Well, heard about your secret couples party.
 150 - And I'm glad I'm not going, 'cause I hate parties.
 151 - Hey, man, I'm only going 'cause Donna's making me.
 152 - At this rate, the only way I'll see Laser Floyd
 153 - is if they project it on a leaf canopy at the arboretum.
 154 - So, don't go to the party. Act tough, Forman.
 155 - I'm not tough.
 156 - That's why I said "act."
 157 - No one's making me go, that's for sure.
 158 - Oh, that is it, Steven. As your girlfriend,
 159 - I am ordering you to go to this party.
 160 - And as your boyfriend,
 161 - I'm ordering you to take your bossy mouth and flap it elsewhere.
 162 - If you flap it at me, I'll go with you.
 163 - Do you hear that, Steven? Michael wants to go to the party with me.
 164 - I'm not going to the party.

165 - Fine.
 166 - Michael, I would love to go to the party with you.
 167 - Kick-ass! I love parties!
 168 - Okay, now. These are called after-dinner conversation cards.
 169 - Let's try one.
 170 - "If you were a bird, where would you fly?" Donna?
 171 - Um... South?
 172 - I don't know. I'm nervous. I feel like I'm on Jeopardy!
 173 - If I were a bird, I'd fly to Laser Floyd.
 174 - I'd fly to Tahiti, 'cause the girls there don't wear tops!
 175 - Wait, but then I'd want to change back into myself
 176 - because no lady wants to make it with a bird.
 177 - Wait, can I be a monkey?
 178 - Okay.
 179 - Nina!
 180 - I'd fly to my favourite place, the DMV.
 181 - I was just going to say that.
 182 - Red, we haven't heard a peep out of you.
 183 - If I was a bird, I'd fly into a ceiling fan.
 184 - Steven, you came, just like I thought you would.
 185 - You buckled!
 186 - No, I got hungry.
 187 - You're in my seat.
 188 - Damn, Hyde, now everyone knows it's a clip-on!
 189 - Since you two work at the DMV,
 190 - how about you make this parking ticket disappear?
 191 - We can't fix this. You parked in a fire lane.
 192 - Oh, Nina, please.
 193 - We're his guests. I'll take care of it, little buddy.
 194 - No, Fez, he broke the law.
 195 - Broke the law?
 196 - I was just getting some milk.
 197 - But what if there was a fire?
 198 - Then I'd pour my milk on it.
 199 - Okay.
 200 - Okay, let's try another card.
 201 - "If you could be anyone's shoe, whose shoe would you be?"
 202 - I wouldn't want to be Red's shoe, 'cause
 203 - I think it's about to go in someone's ass.
 204 - That's it! I'm watching Battle of the Network Stars.
 205 - I'm with you. Have fun with Mr. Clip-on.
 206 - Yeah, you know what? Me, too.
 207 - Wait, you're leaving?
 208 - There are lasers going off right now!
 209 - Perfectly synchronised lasers!
 210 - And all of a sudden, you're like Lady Dinner Roll,

211 - shaking me down with her naughty places!
212 - I'm going, too.
213 - Apparently we can eat a man's food, but we cannot fix his ticket!
214 - Well, what happened to my dinner party?
215 - I'm sorry, Mrs. Forman, but Marilu Henner
216 - only gets on the trampoline once a year
217 - and I'm not gonna miss it.
218 - Where the hell does Eric get off
219 - acting like I make him do stuff?
220 - I mean, it's not like I wanted us
221 - to come to this dinner party either.
222 - I only did because,
223 - well, you're all menopausey now and you scare me!
224 - Right, you came for me.
225 - Just like I slaved over a pot roast for all of you.
226 - You want a definition of hell?
227 - Try opening a 400-degree oven while you're having a hot flash.
228 - We're all here for someone else.
229 - And you know why? It's right there in front of us, girls.
230 - Women are giving.
231 - I'm not giving!
232 - I'm here for me.
233 - Steven is the one who should think about others.
234 - I mean, how could he just ditch me?
235 - Well, Jackie, it might have something to do
236 - with you trying to boss him around
237 - and then showing up with Kelso.
238 - She's right.
239 - I know she's right.
240 - But you're not a part of the group,
241 - and I don't like you, so zip it!
242 - Man, look at you guys, all forced to hide
243 - in the basement because of your women.
244 - Hey, I'm not hiding from anyone.
245 - I finally set Donna straight.
246 - Alls you did was babble about lasers and naughty places.
247 - Man, I thought you were having a stroke.
248 - Whatever, man. You caved just like Jackie wanted.
249 - I didn't cave.
250 - Just wanted to make sure Don Juan el Tardo here
251 - kept his hands off her.
252 - Then how do you explain the necktie?
253 - I just came from a business meeting.
254 - At least he's putting up a fight. You just gave up.
255 - Like France.
256 - Oh, get off his back, little buddy. You were at the party, too.

257 - Hey, I fought the good fight for 30 years.
258 - Now I just agree with what Kitty
259 - wants to do, so I can go to sleep.
260 - And I'm not your "little buddy."
261 - Yeah, you're all doomed. That's funny.
262 - No, we're not all doomed.
263 - One man here still has a chance.
264 - One man can take a stand for all of us.
265 - And that man's name is...
266 - Well, we can't pronounce his real name, so we call him Fez!
267 - I don't want to take a stand, I just want Nina to be my girlfriend
268 - and give me nooky!
269 - Fez, come on. Give it a try!
270 - It'll be like Battle of the Network Stars. Think about it.
271 - Welcome back to the Battle of the Gender Stars,
272 - where it's the gals with 50 points!
273 - And the guys with zero.
274 - But the guys still have a chance
275 - 'cause our final event is conveniently worth 51 points.
276 - You guys are pathetic!
277 - Wow, that's some tough talk, Jamie Farr.
278 - I'm switching to the gals' team.
279 - I can do that, because I wear a dress on M.A.S.H.
280 - Okay, now let's meet our contestants.
281 - Representing the gals, the lovely Nina!
282 - And representing the guys, the lovely Fez!
283 - Fighters, go!
284 - Make that tart eat some mud!
285 - Oh, I forgot to tell you. We're going antiquing all weekend!
286 - Oh, like hell we are.
287 - I hate antiquing. Let's do this thing!
288 - That's right. Gentlemen, let's go get our cojones back!
289 - I gotta see this.
290 - Hey, man, you coming?
291 - No, I still have my cojones.
292 - My lonely, lonely cojones.
293 - Oh, look who it is. You bake a brownie, and the bastards come running.
294 - I'm afraid your brownies are powerless now.
295 - Fez has something to say. Fez?
296 - Can I have a brownie?
297 - Fez!
298 - Right, right, right, right.
299 - Nina, I insist you take care of Red's ticket because I am in charge.
300 - Yeah, that's not gonna happen.
301 - Okay.
302 - Man, what the hell?

303 - I have needs.
 304 - Nina, if I do everything you want, would you be my girlfriend?
 305 - Can't say no to that!
 306 - I cannot believe it!
 307 - I have a girlfriend!
 308 - So when do we do it?
 309 - I am not speaking to you.
 310 - Well, at least it'll be quiet enough to go to sleep.
 311 - Okay, Donna, when we came up here, Fez was supposed to... Donna?
 312 - Oh, crap.
 313 - Hey, Steven, look.
 314 - Remember how you said that I was bossy? Well, I think you were right.
 315 - So, from now on, if I want you to do something, I'll ask first.
 316 - Well, I just... Wait, shh, I'm talking!
 317 - I am so sorry. There I go again.
 318 - Okay, here's what I wanted to say.
 319 - Would you like to go with me to
 320 - the Girl Scout Alumni Pancake Breakfast?
 321 - Jackie, I'd rather put on a dress
 322 - and slow dance with Kelso on Soul Train.
 323 - But since you asked nicely, I'll go.
 324 - Yay! Oh, Steven, don't forget to bring a spatula
 325 - because I signed you up as a flipper.
 326 - Hey, the flipper better be the guy
 327 - who judges the Alumni Bikini Contest!
 328 - It's not.
 329 - Donna...
 330 - Wait, let me guess.
 331 - Laser Floyd, Laser Floyd, arboretum, dinner roll, Laser Floyd.
 332 - Okay, listen. No, you listen.
 333 - I don't know what's wrong with you,
 334 - if it's genetic, or if you took a pill from your mother's cabinet.
 335 - But I'm through doing stuff for you,
 336 - because you don't appreciate it.
 337 - Whoa, whoa, wait. You're doing stuff for me?
 338 - Yeah! I went to that dinner party to make your mother happy,
 339 - and I went to the arboretum because you wanted to.
 340 - I wanted to? All I said was, "Look, the arboretum."
 341 - Well, it sounded like you wanted to go.
 342 - I hate trees!
 343 - I mean, "Ooh, show me trees!" Does that sound like me?
 344 - No. Look, I'm sorry.
 345 - I just... I thought you were gonna make me do girlie crap
 346 - for the rest of my life.
 347 - Eric, come on. You know me way better than that.
 348 - Yeah, you're right.

349 - So, would you like to go see Laser Floyd next weekend?
350 - Oh, we can't. I signed us up for this class, Quilting for Couples.
351 - I'm kidding!
352 - It's just for men.
353 - And the canoeing champion for this year's Battle of the Network Stars
354 - is Red Forman!
355 - My team!
356 - Thanks, Jamie Farr.
357 - And I'd like to give a special thanks to Ed Asner.
358 - Ed, thanks for paddling your canoe like a girl.
359 - Where's your spunk now, you big pansy?

1.12 Episode 12: Misty Mountain Hop

1 - jj
2 - HERE YOU GO, RED.
3 - BELGIAN WAFFLES. WHAT'S BELGIAN ABOUT 'EM?
4 - THEY CRUMBLE AT THE HANDS OF THE NAZIS.
5 - THIS BACON IS SO AMAZING.
6 - IT MAKES ME REGRET CALLING GIRLS PIGS ALL MY LIFE.
7 - WHY IS THE LOUD ONE EATING MY BREAKFAST?
8 - WELL, HER FATHER'S IN PRISON,
9 - AND HER MOTHER'S IN MEXICO.
10 - SEE, THIS IS WHAT I DON'T GET ABOUT YOUR DAD.
11 - IF YOU'RE ARRESTED FOR BRIBERY,
12 - CAN'T YOU JUST BRIBE YOUR WAY OUT?
13 - I MEAN, YOU'RE A BRIBER.
14 - THAT'S WHAT YOU DO.
15 - MY DAD IS BROKE.
16 - I MEAN, IN FACT, THE BANK FORECLOSED ON OUR SKI CABIN.
17 - EVERYTHING'S GOTTA BE MOVED OUT THIS WEEKEND.
18 - AND IT'S ALL UP TO ME.
19 - AND I'M JUST SO VERY SMALL.
20 - WELL, I'D LIKE TO HELP, BUT...
21 - NOT AS MUCH AS I'D LIKE NOT TO.
22 - TOO LATE. I ALREADY PACKED AN OVERNIGHT BAG.
23 - KITTY, WHY IS IT WE ALWAYS DO WHAT YOU WANNA DO
24 - AND NEVER DO WHAT I WANNA DO?
25 - IT'S IN THE BIBLE.
26 - HA HA HA HA.
27 - WELL, HAVE A FUN WEEKEND, POPS.
28 - OH, YOU'RE COMING, TOO, PAL,
29 - AND THERE'S GONNA BE HEAVY LIFTING.
30 - YOU BETTER BRING DONNA.
31 - JACKIE, WHY CAN'T HYDE HELP?
32 - OH, THAT'S RIGHT. HE'S YOUR BOYFRIEND.

33 - I GUESS THAT'S PUNISHMENT ENOUGH.
34 - NO. I'VE BEEN WITH STEVEN LONG ENOUGH
35 - TO KNOW THE BEST WAY TO KEEP OUR RELATIONSHIP GOING
SMOOTHLY
36 - IS BY NEVER ASKING HIM TO DO STUFF.
37 - SO INSTEAD I TOLD HIM I'D BE OUT OF TOWN THIS WEEKEND
38 - FOR A BIG DOLL EXPO.
39 - OH, THERE'S A DOLL EXPO?
40 - MAN, I'VE BEEN LOOKING FOR JUNGLE-FIGHTING G.I. JOE.
41 - HE'S GOT VINE GRIP AND POISON DARTS.
42 - POISON NOT INCLUDED.
43 - I LEFT MINE OUT IN THE RAIN.
44 - HE GOT JUNGLE ROT.
45 - I HAD TO AMPUTATE HIS FOOT.
46 - HEY, SO YOU GOT PLANS THIS WEEKEND?
47 - YES, I DO.
48 - NO, YOU DON'T. NO, I DON'T.
49 - ALL RIGHT, GOOD, 'CAUSE JACKIE'S AT A DOLL EXPO,
50 - SO I'M THINKING YOU, ME AND KELSO
51 - SNEAK UP TO HER CABIN,
52 - DRINK BEER TILL WE ALL LOOK PRETTY.
53 - GREAT. LET ME GET RID OF THIS CUSTOMER.
54 - NEXT!
55 - READ THE TOP LETTER, PLEASE.
56 - IT'S AN "E." NO!
57 - FAIL. MOVE ALONG.
58 - WHAT ARE YOU TALKING ABOUT, MAN? THAT'S AN "E."
59 - OKAY, I'LL GIVE YOU ONE MORE CHANCE.
60 - READ THE TOP LETTER, PLEASE.
61 - "E."
62 - NO! DOUBLE FAIL!
63 - DOUBLE FAIL? YOU MADE THAT UP.
64 - THIS, MY BLIND FRIEND,
65 - IS A CAPITAL "E."
66 - THE DOUBLE FAIL STANDS!
67 - HEY, WAIT A SECOND.
68 - AREN'T YOU THE GUY THAT GOT CAUGHT
69 - IN THE SCHOOL SHOWER WITH THE LOTION AND THE "PLAY-
BOY"?
70 - PASS, PASS. DOUBLE PASS!
71 - jj
72 - NOW STAY WITH ME.
73 - YEAH, I'LL BE RIGHT ON YOUR BUMPER.
74 - DON'T TAILGATE.
75 - I'LL KEEP A SAFE DISTANCE.
76 - DON'T LOLLYGAG.

77 - WHAT DO I EVEN SAY?
78 - JUST SMILE AND NOD.
79 - DON'T SMILE AND NOD. YOU LOOK LIKE AN IDIOT.
80 - YOU KNOW, I'M KIND OF EXCITED ABOUT THIS ROAD TRIP.
81 - WE'VE BEEN TALKING ABOUT FOOLING AROUND
82 - AT SOMEPLACE NEW AND DIFFERENT.
83 - YOU AND ME ALONE IN A CAR ON A COUNTRY ROAD AFTER
DARK?
84 - YEAH, AND, HEY, IF I DON'T GET LUCKY WITH YOU,
85 - WE'RE BOUND TO RUN INTO A FARMER'S DAUGHTER.
86 - HMM.
87 - THIS IS GREAT.
88 - NO BROADS, JUST US GUYS.
89 - WE CAN REALLY GET TO KNOW EACH OTHER.
90 - FEZ, YOU TRY AND LURE ME IN THE HOT TUB,
91 - AND I'M KICKING YOUR ASS.
92 - I'M JUST SAYING WE'RE ALL SO TENSE.
93 - WELL, WE WON'T BE FOR LONG.
94 - LAST TIME I WAS HERE, I HID A STASH.
95 - JUST GOTTA REMEMBER WHERE I PUT IT.
96 - I KNOW IT'S SOMEPLACE I COULD FIT MY HAND.
97 - WELL, THAT RULES OUT YOUR FACE.
98 - WHAT?
99 - UHH!
100 - jj
101 - AM I DISTRACTING YOU, MY BIG, STRONG DRIVER MAN?
102 - NOT AT ALL, MY LONELY HITCHHIKER.
103 - WELL, HOW DID YOU GET YOUR FOOT
104 - ALL THE WAY OVER HERE?
105 - YOU CAN THANK MY DAD FOR THE BALLET LESSONS.
106 - I WILL BE SURE TO SEND HIM A FRUIT BASKET.
107 - WAIT A SECOND.
108 - DONNA, WHEN DID THAT U-HAUL WE'VE BEEN FOLLOWING
109 - TURN INTO AN ICE CREAM TRUCK?
110 - OH. OH, MAN. WE LOST RED.
111 - NO WAY. WE CAN'T BE THAT FAR OFF TRAIL.
112 - LET'S LOOK AT JACKIE'S DIRECTIONS.
113 - OKAY, "I-43 TO HIGHWAY 60.
114 - "HEAD EAST WHEN IT GETS DIFFERENT."
115 - WHEN IT GETS DIFFERENT? WHAT THE HELL DOES THAT MEAN?
116 - WAIT. LET ME SEE THAT.
117 - "GO A WAYS PAST THE... FANCY THING,
118 - "AND TURN LEFT AT THE UGLY HOUSE."
119 - OH, WELL, IF THE FANCY THING'S A DEAD COW,
120 - THEN WE'RE ALMOST THERE.
121 - HEY, KELSO, YOU FIND THE STASH YET?

122 - NO, THERE'S NOTHING IN THE KITCHEN
123 - I CAN FIT MY HAND IN,
124 - YOU KNOW, EXCEPT FOR THE GARBAGE DISPOSAL.
125 - AAH!
126 - WELL, I'M GOING TO THE CORNER TO BUY SOME BEER.
127 - DO NOT GET IN THE HOT TUB WITHOUT ME.
128 - MAN, IT'S LIKE...
129 - THAT STASH IS PROBABLY STARING ME RIGHT IN THE FACE.
130 - OH! AHH!
131 - YEAH, IT WASN'T SOMEPLACE I COULD FIT MY HAND.
132 - IT WAS SOMEPLACE THAT COULD EAT MY HAND.
133 - HA HA.
134 - HEY, THERE'S A TRUCK PULLING UP TO THE CABIN.
135 - OH, IT'S RED!
136 - IS IT A FIRE TRUCK?
137 - THE TRUCK'S NOT RED. THE GUY IS RED.
138 - MAN, IT'S RED FORMAN.
139 - NOT IT.
140 - NO, I SAID NOT IT!
141 - IF PLAYGROUND RULES AREN'T IN EFFECT,
142 - THIS IS ANARCHY.
143 - OKAY, JACKIE'S DIRECTIONS SAY,
144 - "PASS THE PLACE I BOUGHT A GREEN SWEATER.
145 - "DON'T STOP. THE COTTON HAS POLYESTER IN IT."
146 - THIS IS GREAT. WE'RE LOST.
147 - NO, WE'RE NOT LOST.
148 - WE JUST NEED TO FIND OUR BEARINGS.
149 - WHERE WOULD YOU GO AROUND HERE
150 - TO FIND A GREEN SWEATER?
151 - WHY, THE GREEN SWEATER STORE, DONNA. GOOD THINKING.
152 - HEY, WHY ARE YOU MAD AT ME?
153 - BECAUSE YOU NEED TO LEARN TO CONTROL YOUR URGES.
154 - IF YOU'D HAVE KEPT YOUR BIG FOOT OUT OF MY BEANBAGS,
155 - WE WOULDN'T BE IN THIS MESS.
156 - WELL, EXCUSE ME FOR READING "COSMO"
157 - AND TRYING A LITTLE SOMETHING.
158 - IF YOU THINK YOU'RE GETTING THE TOPLESS NACHOS NOW,
159 - YOU'RE CRAZY.
160 - WHATEVER.
161 - OH, MAN. NOW I'M HUNGRY. I WANT MY TWINKIE.
162 - YOU PACKED TWINKIES?
163 - I PACKED A TWINKIE.
164 - THERE'S ONLY ONE LEFT, AND IT'S MINE.
165 - WHOEVER PACKED IT SNACKED IT.
166 - I'VE BEEN LOOKING FORWARD TO IT ALL DAY.
167 - OH, YOU HAVE?

168 - THAT'S NICE. THAT'S VERY LADYLIKE.
169 - YEAH, YEAH.
170 - JACKIE AND THE FORMANS ARE HERE,
171 - AND WE'RE NOT SUPPOSED TO BE HERE!
172 - AND THIS IS ILLEGAL. WE'RE BUSTED.
173 - NO, YOU'RE BUSTED. I'M OUT THE BATHROOM WINDOW.
174 - GET OFF OF ME!
175 - WELCOME TO THE CABIN!
176 - WHAT ARE YOU DOING HERE?
177 - YES!
178 - WELL, YOU SCARED ME. I THOUGHT YOU WERE A ROBBER.
179 - NOW I REALLY NEED TO GO TO THE BATHROOM.
180 - YEAH, THERE'S NO WINDOW IN THERE.
181 - STEVEN, WHAT ARE YOU DOING HERE?
182 - WHY DON'T YOU TELL ME?
183 - OH, MY GOD. YOU HEARD ABOUT THE FORECLOSURE,
184 - AND YOU KNEW I LIED ABOUT THE DOLL EXPO,
185 - SO YOU CAME UP HERE TO HELP ME MOVE MY STUFF!
186 - THAT'S EXACTLY WHAT I DID.
187 - AND YOU FOUND ME OUT.
188 - OH, STEVEN, I COMPLETELY MISJUDGED YOU.
189 - I MEAN, SOMEHOW YOU'VE BECOME THE BOYFRIEND
190 - I ALWAYS HOPED YOU COULD BE.
191 - AND SHAME ON YOU FOR DOUBTING ME.
192 - HEY, I GOT BEER AND PIXIE STICKS. LET'S PARTY.
193 - HEY, WE SAID NO BROADS!
194 - jj
195 - WHY DO YOU NEED ALCOHOL?
196 - IS THAT BEER REALLY GONNA MAKE YOUR LIVES BETTER?
197 - NOT IF YOU DON'T LET US DRINK IT.
198 - SHUT IT.
199 - NOW LET'S CLEAR THIS PLACE OUT.
200 - IF WE HURRY, I DON'T HAVE TO SLEEP HERE.
201 - I HATE NATURE.
202 - OH, GOD, STEVEN, YOU KNOW WHAT? I THOUGHT YOU FI-
NALLY UNDERSTOOD
203 - WHAT BEING A COUPLE IS ALL ABOUT.
204 - WELL, WHAT IS BEING A COUPLE?
205 - IT'S ALL ABOUT GIVE AND TAKE, YIN AND YANG.
206 - IT'S A PHILOSOPHICAL PARADOX,
207 - LIKE A TREE FALLING IN THE FOREST
208 - WITH NO ONE AROUND TO HEAR IT.
209 - DOES IT MAKE A NOISE? WHO'S TO SAY?
210 - OKAY, YOU'RE JUST CONFUSING ME.
211 - YOU SEE? IT'S MURKY.
212 - THAT'S WHAT I'M UP AGAINST.

213 - OH, MY GOD. WHAT A LOAD OF CRAP!
214 - WHO'S TO SAY WHAT CRAP IS?
215 - HERE, PULL MY VASE.
216 - OH, I KNOW THIS ONE. NO, THANK YOU.
217 - NO! MAN, IT'S STUCK.
218 - I PUT THE STASH IN HERE,
219 - AND NOW I CAN'T GET MY HAND OUT.
220 - OH. I CAN HELP.
221 - OH, DAMN. I GUESS I LEFT MY BABY OIL IN THE OTHER PANTS.
222 - THIS VASE SMELLS LIKE CHOCOLATE.
223 - REALLY?
224 - AAH!
225 - YOU CAN'T SEE IT,
226 - BUT I'M FLIPPING YOU OFF RIGHT NOW.
227 - WHAT'S GOING ON?
228 - OH, JUST A CLASSIC CASE OF HAND STUCK IN VASE.
229 - WELL, GET IT OFF,
230 - OR YOU'LL HAVE A CLASSIC CASE OF FOOT STUCK IN ASS.
231 - HEY, WHAT'S THE TEENY WRITING
232 - ON THE BOTTOM OF THE VASE SAY?
233 - WHAT TEENY WRITING? AAH!
234 - STOP DOING THAT!
235 - GET SMARTER!
236 - jj
237 - STEVEN, WOULD YOU BE CAREFUL?
238 - THAT'S MY TROPHY FOR PRETTIEST BALLERINA.
239 - OH. BUT THAT'S RIGHT.
240 - YOU DON'T CARE ABOUT STUFF THAT'S IMPORTANT TO ME.
241 - HEY, YOU KNOW WHAT? YOU'RE THE ONE WHO LIED
242 - AND SAID YOU WERE GOING TO A DOLL EXPO.
243 - YOU SHOULD'VE JUST TOLD ME WHAT'S GOING ON WITH YOU.
244 - NO, I SHOULDN'T HAVE TO TELL YOU, OKAY?
245 - YOU SHOULD JUST KNOW.
246 - SO I'M JUST SUPPOSED TO MAGICALLY KNOW
247 - THAT "I'M GOING TO A DOLL EXPO" IS JACKIE-SPEAK
248 - FOR "MY PARENTS' CABIN IS BEING FORECLOSED ON
249 - "AND I NEED HELP CLEANING IT OUT"?
250 - YES.
251 - STEVEN, MY FAMILY IS FALLING APART,
252 - AND YOU'VE NEVER, EVER EVEN ASKED ABOUT IT!
253 - IF YOU CARED, YOU'D FIGURE OUT WHAT WAS GOING ON WITH
ME
254 - AND FIND A WAY TO HELP.
255 - JACKIE, THAT'S CRAZY.
256 - THE ONLY TIME PEOPLE I KNOW FIND A WAY TO HELP
257 - IS WHEN THEY'RE CUTTING A DEAL WITH THE D.A.

258 - WHATEVER HAPPENS, YOU'RE DRIVING HER BACK.
259 - SHE TALKED SO MUCH ON THE WAY HERE,
260 - I THOUGHT I WAS GONNA HAVE TO STRAP HER
261 - TO THE HOOD OF THE VAN LIKE A DEER.
262 - BOY, JACKIE LOOKS MAD.
263 - YEAH, I CHEATED ON HER LIKE A HUNDRED TIMES,
264 - AND SHE NEVER LOOKED THAT PISSED.
265 - COME ON, KELSO, GRAB THAT END OF THE COUCH.
266 - I'VE HAD IT WITH THAT VASE. I'M GETTING A HAMMER.
267 - COME ON.
268 - WHY WON'T THIS THING COME OFF?!
269 - LIKE, MY HAND WOULDN'T BE SO BIG
270 - IF I DIDN'T HAVE TO HOLD THIS STUPID BAG.
271 - YOU'RE HOLDING THE BAG?
272 - JUST LET GO, YOU MORON.
273 - FINE.
274 - WOW, IT'S LIKE THE WORLD'S COOLEST PIATA.
275 - WHAT THE HELL HAPPENED HERE?
276 - STEVEN...
277 - WHAT'S IN THE BAG?
278 - THE PACKERS WIN IN NEXT YEAR'S SUPER BOWL,
279 - THAT'S WHAT'S IN THE BAG!
280 - IS THAT WHAT I THINK IT IS?
281 - IF YOU MEAN PAPRIKA, YES, SIR!
282 - HONEY...
283 - HONEY, PAPRIKA IS RED.
284 - IF YOU MEAN GREEN PAPRIKA, YES, SIR!
285 - GREEN PAPRIKA?
286 - HYDE, WHAT AM I LOOKING FOR HERE?
287 - OREGANO.
288 - IF YOU MEAN OREGANO, YES, SIR!
289 - DID JACKIE SAY ANYTHING ABOUT DAVIS STREET?
290 - NOT UNLESS IT'S
291 - "THE STREET WHERE I DROPPED MY GUM THAT TIME."
292 - ALL RIGHT, THAT'S IT. WE'RE GOING HOME.
293 - AND, DONNA, I'M SORRY
294 - ABOUT WHAT I SAID ABOUT YOUR URGES.
295 - I LOVE YOUR URGES.
296 - THEY'VE BEEN... VERY GOOD TO ME.
297 - WELL... THANKS.
298 - THEY DO WHAT THEY CAN.
299 - UM...
300 - I'M WAITING FOR MY APOLOGY.
301 - FOR WHAT?
302 - FOR THAT TWINKIE YOU INHALED.
303 - ARE YOU SERIOUS?

304 - OKAY, I'M SORRY I ATE YOUR TWINKIE.
305 - YOU ROLLED YOUR EYES.
306 - IT DOESN'T COUNT IF YOU ROLL YOUR EYES.
307 - OKAY. I'M SORRY I ATE YOUR TWINKIE.
308 - YOU ROLLED YOUR EYES AGAIN!
309 - IT WAS JUST A STUPID TWINKIE!
310 - IT'S MY TWINKIE, DONNA!
311 - IT WAS MY TWINKIE.
312 - DO YOU IDIOTS REALIZE HOW MUCH TROUBLE YOU'RE IN?
313 - HOW COULD THAT BATHROOM NOT HAVE A WINDOW?
314 - WHAT? WHAT'S GOING ON?
315 - WELL, APPARENTLY, HYDE HAD A STASH
316 - THAT NONE OF US KNEW ANYTHING ABOUT.
317 - ESPECIALLY ME.
318 - BUT I THINK FEZ KNEW, TOO.
319 - THAT'S THE WAY YOU WANT IT, FINE.
320 - YOU HAVE TO SLEEP SOMETIME.
321 - OKAY, SHUT IT.
322 - I'M CALLING YOUR PARENTS.
323 - I'M CALLING IMMIGRATION.
324 - AND YOU.
325 - I WARNED YOU ONCE ABOUT THIS CRAP.
326 - NOW I HAVE NO CHOICE.
327 - YOU'RE OUT OF THE HOUSE.
328 - NO, WAIT. LOOK, THAT STASH WASN'T HIS. IT WAS MINE.
329 - JACKIE... LET ME TALK.
330 - YEAH, HYDE, LET HER TALK.
331 - OKAY, LOOK, IT'S JUST...
332 - OKAY, I'VE BEEN HAVING SUCH A HARD TIME
333 - SINCE MY DAD'S BEEN IN JAIL THAT I WAS LOOKING FOR ANY-
THING
334 - THAT JUST MIGHT MAKE ME FEEL BETTER.
335 - MRS. FORMAN, IT'S LIKE YOU WITH YOUR MENOPAUSE
336 - AND ALL THAT WINE YOU'RE ALWAYS DRINKIN'.
337 - WELL...
338 - YOU SHUT YOUR DIRTY LITTLE MOUTH.
339 - NOW, STEVEN, YOU TELL ME THE TRUTH RIGHT NOW.
340 - IS THIS YOURS OR NOT?
341 - MRS. FORMAN, I'M TELLING YOU THE TRUTH. IT'S NOT MINE.
342 - OKAY. FINE.
343 - WELL, I DON'T CARE WHOSE IT IS. I'M THROWING IT IN THE
LAKE.
344 - I PAID 20 BUCKS FOR THAT.
345 - YOU GOT MY PARENTS' NUMBER.
346 - THAT'LL TEACH YOU TO SELL ME OUT,
347 - YOU SON OF A BITCH!

348 - ALL RIGHT, ALL RIGHT, ALL RIGHT, LET'S GO.
349 - SO I SNUCK UP HERE BEHIND YOUR BACK,
350 - WE HAVE A HUGE FIGHT,
351 - AND THEN YOU DO SOMETHING NICE FOR ME.
352 - IT'S LIKE WHEN THE GRINCH STOLE CHRISTMAS,
353 - BUT ALL THE LITTLE WHOS SANG ANYWAY.
354 - I DON'T KNOW. IT'S JUST WHAT PEOPLE DO
355 - FOR THE PEOPLE THEY CARE ABOUT.
356 - NOBODY I EVER KNEW.
357 - THAT'S 'CAUSE YOU WERE POOR, AND POOR PEOPLE ARE BAD.
358 - BUT... LOOK, IT'S LIKE WHAT I WAS TALKING ABOUT BEFORE.
359 - I SENSED YOU WERE IN TROUBLE,
360 - AND I LOOKED FOR A WAY TO HELP YOU
361 - WITHOUT YOU HAVING TO ASK ME.
362 - JACKIE, TO BE FAIR, YOU HEARD RED SAY,
363 - "HYDE, YOU'RE OUT OF THE HOUSE,"
364 - NOT "HYDE, YOU'RE GOING TO A DOLL EXPO."
365 - WELL, ANYWAY, THANK YOU.
366 - OH, SO YOU CAN YOU HELP ME
367 - MOVE THE MIRROR IN THE BATHROOM?
368 - WHAT MIRROR?
369 - THE ONE COVERING UP THE WINDOW.
370 - WELL, THAT WAS A GREAT TRIP.
371 - YEAH, CAN'T WAIT TO DO IT AGAIN.
372 - OKAY, OKAY.
373 - DONNA, I THINK I MAY HAVE OVERREACTED A LITTLE BIT.
374 - I MEAN, THERE ARE PLENTY OF TWINKIES IN THE WORLD.
375 - I MEAN, SURE, THERE WAS ONLY ONE IN THE CAR,
376 - AND YOU DID GO GODZILLA ON IT.
377 - BUT...
378 - LOOK, I'M SORRY.
379 - WELL, IF IT MAKES YOU FEEL ANY BETTER,
380 - IT DIDN'T TASTE VERY GOOD.
381 - I THINK IT WAS A KNOCKOFF.
382 - YEAH, MY MOM BUYS TWONKIES.
383 - LOOK, DONNA, WE HAD A GOAL AT THE BEGINNING OF THIS
TRIP.
384 - WE WERE GONNA BE ROMANTIC IN SOMEPLACE NEW AND
DIFFERENT,
385 - AND I AM A MAN WHO LIKES TO FINISH WHAT HE STARTED.
386 - SO MAY I SUGGEST...
387 - ON MY KITCHEN TABLE?
388 - YOU KNOW WHAT? OKAY.
389 - ALL RIGHT, YEAH, YOUR PARENTS WON'T BE HOME UNTIL TO-
MORROW.
390 - OH, MY GOD. YOU'RE GOING FOR THIS?

391 - OKAY. OKAY.
392 - GREAT.
393 - WHAT THE HELL WAS IN THAT TWONKIE?
394 - DO YOU BELIEVE THAT KID?
395 - FIRST, HE DOESN'T SHOW UP, THEN HE BLOCKS THE DRIVE-WAY.
396 - WELL, I WILL JUST BE HAPPY
397 - TO GET BACK IN OUR NICE, QUIET HOUSE.
398 - OH, MY GOD!
399 - ALL RIGHT! IT'S DONNA'S BUTT!
400 - DAMN IT! THAT'S WHERE I EAT DINNER!
401 - SCRUB, DAMN IT!
402 - I AM SCRUBBING AS HARD AS I CAN.
403 - THIS CLEANSER ISN'T STRONG ENOUGH.
404 - KITTY, IT'S BLEACH AND LIGHTER FLUID.
405 - THERE IS NOTHING STRONGER.
406 - WELL, IT IS NOT STRONG ENOUGH!
407 - NOPE, NO GOOD. WE NEED A NEW TABLE.

1.13 Episode 13: Your Time Is Gonna Come

1 - Okay, Fez, now remember. The bra wants to come off.
2 - It can't be forced. It has to be coaxed.
3 - And go.
4 - And they are out!
5 - Eight seconds! That's a new foreign exchange student record!
6 - And I think she liked it.
7 - Okay, Fez, that was really good.
8 - But remember, the real girl will have a head and, hopefully, arms.
9 - Hey, guys. Have I got a surprise for me.
10 - Annette!
11 - Yeah, Annette came all the way from California to visit me
12 - because we're in love.
13 - Yeah, since Hyde stole my old girlfriend.
14 - That's him.
15 - Then I remembered Annette, and, well, I gave her a call.
16 - And one thing led to... Well, hello there.
17 - So, Annette, when you get bored with this one,
18 - I can take off a bra in eight seconds.
19 - Well, maybe more, if you fight me.
20 - All right, back off, Fez. What me and Annette have is real.
21 - Which is amazing because I even told him
22 - that I used to be flat-chested and have a different nose.
23 - Yeah, and I figured she looks okay now, so what the hell?
24 - So, anyway, Annette, you'll be staying with Donna.
25 - What?

26 - No, no, it'll be fun. It'll be like having a giant Barbie to play with.
27 - Yeah. I mean, come on, Donna,
28 - you guys were such great friends in California.
29 - Friends? The most I ever said to her was,
30 - "Yeah, those probably do hurt when they're sunburned."
31 - Well, I need someplace to stash her.
32 - Hey, I got a footlocker in my room.
33 - Please, Donna. I already had to
34 - take a shower at Michael's house
35 - and one of his brothers took a picture of me.
36 - Kelso, I thought all your brothers were out of the house.
37 - Must've been a burglar.
38 - Hanging out
39 - Down the street
40 - The same old thing
41 - We did last week
42 - Not a thing to do
43 - But talk to you
44 - We're all all right
45 - We're all all right
46 - Hello, Wisconsin!
47 - So, that's the tramp Michael fooled around with in California.
48 - But the nerve of him bringing her into The Hub.
49 - I mean, people eat here.
50 - Hey, will you stop talking about
51 - how jealous you are of Kelso's new chick?
52 - Oh, I am not jealous.
53 - But I would like to point out that the sign
54 - on the door says, "No dogs allowed."
55 - Donna, can we go to your house?
56 - I have to change into my afternoon outfit.
57 - Gauchos and clogs.
58 - Bravo.
59 - You have an afternoon outfit?
60 - Of course she does.
61 - You can maybe use a little freshening up, too, Big D.
62 - Eric, do you mind?
63 - I'm on it.
64 - Donna!
65 - Why don't I meet you guys by the car?
66 - Come on, Michael. While we're waiting, I'll let you smell my hair.
67 - Yeah, well, I just got these fries.
68 - Fine. Then I'll go flirt with the gas-station guy.
69 - Fine!
70 - God. How hot was that?
71 - Wow.

72 - You know when you have a dirty dream?
73 - Well, Annette is the girl who's always in it.
74 - Oh, she should be ashamed of what she has done to me.
75 - I don't know. I didn't mind her in California,
76 - but now that she's got her hooks in Kelso, something's different.
77 - Yeah. Something evil.
78 - I just can't put my finger on it.
79 - Michael, I'm waiting!
80 - I was getting you a Super Ball. Damn!
81 - I told you, I don't like presents that bounce.
82 - Did you hear that? The shrill voice. The bossy tone.
83 - The random hatred of all things that bounce.
84 - Oh, my God.
85 - She's Jackie.
86 - A new Jackie.
87 - A blonde Jackie.
88 - Blackie.
89 - We are doomed.
90 - Well, I can't spend the night alone with that.
91 - Jackie, you have to sleep in my house.
92 - Ooh! Good idea.
93 - Put both Jackies in the same room,
94 - toss some lipstick in the middle,
95 - watch them tear each other to shreds.
96 - No. No, no. I don't wanna sleep over.
97 - Well, I don't like her.
98 - Come on.
99 - We'll do, like, girlie things. It'll be like a pyjama party with makeovers.
100 - Donna, I'm not interested in stupid girlie things.
101 - Look, I'm not shallow anymore.
102 - Don't do that when I'm eating.
103 - Jackie, come on. You'll have all night
104 - to chip away at her self-esteem.
105 - We can whisper about her and then when
106 - she asks us what we were talking about
107 - we can giggle and say, "Nothing."
108 - Oh, wait, I've done that to you.
109 - That's where I got it.
110 - Okay. Okay. Here's what I think would teach her a good lesson.
111 - Dress her up like a Swiss mountain girl, us fellas will come over,
112 - make a couple of daiquiris, get a little tipsy, see what happens.
113 - What? Okay.
114 - That's not a very good punishment. We should spank her, too.
115 - I don't hear any kids.
116 - They're at The Hub.
117 - So, we have the house to ourselves.

118 - Interesting.
119 - Don't open it. I'll throw in a foot massage.
120 - It could be The Franklin Mint.
121 - I ordered those Gone With the Wind plates.
122 - Mom, Daddy.
123 - I told you not to open it.
124 - What are you doing here?
125 - Well, we just thought we'd drop by.
126 - You came all the way from Phoenix just to drop by.
127 - Oh! So you're lost and you need directions back home.
128 - That's no problem. Go south until you see cactus.
129 - If you hit a guy with a sombrero, you've gone too far.
130 - Okay.
131 - Okay.
132 - Why are you really here?
133 - Well, we had a reversal of fortune.
134 - Tell them what happened.
135 - I bought an ostrich farm.
136 - Tell them what else happened.
137 - It was next to a coyote farm.
138 - Great story. See you at Christmas.
139 - He lost all our money.
140 - We had to sell the house in Phoenix, which is why we're here.
141 - An ostrich farm, Burt?
142 - Who the hell wants to eat an ostrich?
143 - Coyotes, apparently.
144 - You see what I live with?
145 - Well, I'm sure Daddy was just doing what he thought was best.
146 - You could show him some sympathy.
147 - Him? What about me?
148 - It's always difficult for the beautiful women.
149 - You never understood that, Kitty.
150 - Jackie's acting really strange, man.
151 - I think she doesn't like Kelso having a new chick.
152 - No. Jackie's acting strange because Jackie hates Annette,
153 - because Jackie and Annette are the same person.
154 - And that's scary, 'cause there can only be one devil, one Hitler, one...
155 - Darth Vader.
156 - That's not it. Something's going on, and I don't like it.
157 - Like, you think maybe she still has feelings for Kelso?
158 - I don't know, but it's bad, man.
159 - I get the same feeling I get right before I shoplift something.
160 - Oh, it's an old story.
161 - Orphan boy falls for rich girl.
162 - Doofus shows up with whore.
163 - Rich girl goes back to doofus.

164 - Fez consoles whore, sexually.
 165 - And orphan boy ends up alone, slowly going blind from self-abuse.
 166 - Too far?
 167 - I had a feeling it was too far.
 168 - What are you guys doing sitting down here
 169 - when the girls are having a pyjama party right next door?
 170 - Oh, I can just imagine what's going on over there.
 171 - No, no, Fez. I got this one.
 172 - I know. Let's have a pillow fight.
 173 - Even though it's hard to do when I'm encumbered by all these clothes.
 174 - Jackie, take off my nightie.
 175 - Not yet. I wanna practice kissing.
 176 - Just kissing? Or can we rub up against each other, too?
 177 - Well, Annette, you can't have one without the other.
 178 - Yay!
 179 - You know, it occurs to me
 180 - that you can see right into Donna's house from my driveway.
 181 - You don't say?
 182 - I'm gonna go get some Cracker Jacks.
 183 - She's so cheap, she could be the prize in the Cracker Jacks.
 184 - Wow. You're jealous.
 185 - I am not jealous.
 186 - I just wanna pop that inflatable bitch
 187 - and watch her fly around the room.
 188 - Look, here's the thing, Jackie.
 189 - Kelso likes bossy, vain, shallow princess types,
 190 - and since you're no longer available,
 191 - he shipped one in from out west.
 192 - He's not supposed to replace me.
 193 - He's supposed to sit around and pine for me.
 194 - You can't have your cake and eat it, too.
 195 - Oh, my God! It is always about food with you.
 196 - It's like you're not even listening.
 197 - Okay. New rule for slumber parties,
 198 - Annette wears a robe.
 199 - No, Annette, not the robe.
 200 - Quick. Somebody yell, "Pillow fight," in a girl voice.
 201 - Forman, that's your cue.
 202 - What are you boys looking at?
 203 - We're just testing out the crates.
 204 - For charity.
 205 - Right. But now that we're done, let's head inside, gang.
 206 - You coming?
 207 - No, I told your grandmother I was coming outside for a cigarette.
 208 - Grandpa, you smoke?
 209 - Nope.

210 - So...
 211 - So did you guys hear about that woman
 212 - who might be the first female member of the Supreme Court?
 213 - No.
 214 - But I did hear the Dallas Cowboys might
 215 - hire their first redheaded cheerleader.
 216 - Ew!
 217 - That's exactly what I said.
 218 - Uh-oh. Redhead in the room.
 219 - What are you guys talking about?
 220 - Nothing.
 221 - Burt.
 222 - Burtikins.
 223 - Burt!
 224 - Eric, would you please go find your grandfather
 225 - before my head explodes?
 226 - You are all such nice boys. I have a quarter for each one of you.
 227 - Thanks, Grandma B.
 228 - Someone call an ambulance. What's wrong?
 229 - Grandpa's on the ground. He's not moving.
 230 - They got ice cream in the cafeteria!
 231 - Ice cream? Kelso, my grandpa's in Intensive Care.
 232 - Yeah, but I told them it was my grandfather
 233 - so I got the ice cream for free.
 234 - Put it down.
 235 - Fine, but when my burrito's ready, I'm eating it.
 236 - Why does everybody go everywhere with us?
 237 - Look at all these damn kids.
 238 - I feel like a Mormon.
 239 - Man, I feel like we should know something by now.
 240 - That is the third coffee break that doctor's had.
 241 - Hey, buddy! Quit the coffee! Fix the sickies, all right?
 242 - Hey, who took my ice cream?
 243 - Oh, sure, it's always the foreign guy.
 244 - Fez, you're holding the spoon.
 245 - Oh, sure, it's always the foreign guy with the spoon.
 246 - Kitty, how's Burt?
 247 - Well...
 248 - I don't know how to say this.
 249 - Daddy's gone to a better place.
 250 - Good. 'Cause this hospital sucks.
 251 - What?
 252 - Oh.
 253 - This hospital sucks.
 254 - Mrs. Forman, I'm so sorry for your loss.
 255 - The service was lovely.

256 - Aw, geez.
 257 - Aw, geez.
 258 - Aw... We got it, Bob.
 259 - Mom, how you doing?
 260 - Oh, I'm fine.
 261 - Mom.
 262 - Your husband, my father, is gone. You're not fine.
 263 - You're right. I think I chipped a tooth on your manicotti.
 264 - When I die, get a caterer.
 265 - Hey, man. Sorry about your grandpa.
 266 - I didn't know him,
 267 - but there's a Carly Simon song that always cheers me up.
 268 - No, you don't have to...
 269 - I haven't got time for the pain
 270 - I haven't the room for the pain
 271 - I haven't the need for the pain
 272 - Oh, that's great.
 273 - Anymore
 274 - What do I do? Do I clap?
 275 - I'm just gonna walk away.
 276 - That was awesome.
 277 - Do you know Devil Went Down to Georgia?
 278 - No, Michael. She's got better things to do.
 279 - Hey, come on! Let's go try on people's coats.
 280 - So, the rich girl goes off with the whore.
 281 - That's a happy ending.
 282 - Put it on ice and you got yourself a show.
 283 - Yeah, so Jackie and Annette are friends now?
 284 - I guess I don't have anything to worry about then.
 285 - Never count Kelso out. He's got a way about him.
 286 - You know, when he talks to you,
 287 - it's like you're the only one in the room.
 288 - You're, like, half in love with him, aren't you?
 289 - Hey, Eric, I brought you half a beer.
 290 - Well, it's mixed with half a Coke, 'cause Red caught me.
 291 - So, are you okay?
 292 - Yeah. I guess.
 293 - Hey, thanks for coming.
 294 - I'm really sorry about your grandfather.
 295 - I mean, right in your own driveway?
 296 - What was he doing out there anyway?
 297 - Oh, he caught us spying on your slumber party.
 298 - Wait, you were spying on us? Eric!
 299 - Okay, if anyone should be mad, it should be us,
 300 - because, lady, you do not know how to throw a slumber party.
 301 - Flannel pyjamas? What are you, 100?

302 - Do you need a nightie? I'll buy you a nightie.
303 - So, am I allowed to drink around you guys yet?
304 - Eric, put that back. That's your mother's emergency wine.
305 - So, Mom, you haven't said much.
306 - Are you holding it in? 'Cause it's okay to let it out. We're family.
307 - If anybody needs to let anything out, I'd be happy to leave.
308 - It's just so typical of Burt
309 - to make everyone come up from Phoenix in the middle of winter.
310 - He never thought about anybody but himself and those damned ostriches.
311 - Did you hear that?
312 - That is not grieving.
313 - Okay, Kitty. Calm down.
314 - It's not as bad as you think. Maybe you're just having a hot flash.
315 - Oh!
316 - Dad!
317 - No!
318 - Eric,
319 - I need you to get to the wine.
320 - My father's thoughtless! I'll tell her who's thoughtless.
321 - What is it?
322 - I, uh...
323 - Just wanted to see if you wanted another blanket.
324 - Yes, that would be very nice. Thank you.
325 - Hey, Mom, Dad wanted me to give you this.
326 - Donna, great news. I'm not jealous of Annette.
327 - I mean, I thought I was, and I was afraid
328 - that I might still have feelings for Michael.
329 - But I got to know her and now I really like her.
330 - That is such a relief, because, you know,
331 - what with Burt dying, I was worried about you.
332 - Yeah, me, too.
333 - That was sarcasm.
334 - Well, whatever it was, it was very thoughtful.
335 - It is such a relief knowing I don't have feelings for Michael.
336 - Get off my boyfriend!
337 - Oh, yeah!
338 - I don't know why she's so upset. I was barely touching you.
339 - Okay. This one's for Burt.
340 - And a-one and a-two and a...
341 - Amazing grace
342 - How sweet the sound
343 - That saved a wretch like me
344 - Bring it home, brother!
345 - I once was lost
346 - But now am found
347 - Was blind, but now...

348 - Night-night.

1.14 Episode 14: Babe I'm Gonna Leave You

- 1 - Okay, let me get this straight.
- 2 - After my grandpa's funeral, Kelso and Annette are making out.
- 3 - Jackie sees them and yells, "Get off my boyfriend"?
- 4 - Right in front of you?
- 5 - Yeah, it brought the whole funeral way down.
- 6 - Hyde, that's horrible, man.
- 7 - You know what's even worse? I totally missed it.
- 8 - Yeah? Well, nobody else missed it.
- 9 - Half the freaking town was there.
- 10 - Man, today at The Hub, you know
- 11 - that kid Jimmy with the headgear?
- 12 - He said he felt bad for me.
- 13 - Jimmy Headgear felt bad for me!
- 14 - I knew it was a mistake hooking up
- 15 - with Jackie and I did it anyway.
- 16 - You know why? 'Cause she makes you stupid.
- 17 - I bet Kelso was composing symphonies before her.
- 18 - Hyde. Man, I just wanted to say I'm sorry,
- 19 - 'cause what Jackie did to you was embarrassing.
- 20 - I mean, you must be so embarrassed.
- 21 - I told a lot of people what happened
- 22 - and they all agreed that it was
- 23 - just really embarrassing.
- 24 - Kelso, now is not the time.
- 25 - No, I just wanna buck our boy up,
- 26 - 'cause what happened to him was so embarrassing!
- 27 - That's it. I'm gonna kick your ass. Forman, hold my...
- 28 - Whoa, whoa! Okay, you know what? Why don't we go upstairs?
- 29 - We got that new J.C. Penney catalog.
- 30 - There's a full-color section on bras.
- 31 - Word has it the airbrush guy totally missed a nipple.
- 32 - I don't know why he's so mad. I was just being sensitive!
- 33 - Well, be sensitive to me because I'm upset, too.
- 34 - If you expect me to go to the Valentine's dance tonight,
- 35 - you're gonna have to do a few things for me.
- 36 - For you, or to you?
- 37 - Shut up! One. You will not speak to Jackie.
- 38 - Two. You will not speak to girls
- 39 - who have brown hair like Jackie.
- 40 - Three. You will not speak to Jackie.
- 41 - Wait.
- 42 - I got messed up.

43 - Yeah, baby, whatever you want. Just...
 44 - Man, it's great being under someone's thumb again!
 45 - What did your mother do to you?
 46 - Man, I just feel bad for Hyde.
 47 - I mean, Annette wants me. Jackie wants me.
 48 - I mean, my good looks are ruining people's lives.
 49 - Well, Hyde seems pretty mad.
 50 - Whatever, man, I'm not afraid of him.
 51 - He got away!
 52 - Help me!
 53 - So, have you talked to Hyde about
 54 - the whole "Get off my boyfriend" disaster?
 55 - No. And why is everyone making such a big deal about it?
 56 - It's like every time I walk into a room, people look at me funny.
 57 - Donna, how do you deal with it?
 58 - Jackie, the reason people are making a big deal about it
 59 - is because it sounds like you still have feelings for Kelso.
 60 - Well, I don't.
 61 - I think the only reason I said it
 62 - was because I was having an allergic reaction
 63 - to the Formans' cheap generic soda.
 64 - Oh, no! A giant redhead!
 65 - Please don't crush me! Please!
 66 - Fez, would you stop screwing around?
 67 - Now, did you finish the balloon walkway of love yet?
 68 - You bet I did.
 69 - When Nina sees it, she's gonna be so impressed,
 70 - her balloons will become my walkway
 71 - of love, if you know what I mean.
 72 - Fez, that's disgusting.
 73 - Oh, no, the giant's angry!
 74 - Run for your lives! Run! Run!
 75 - Hanging out
 76 - Down the street
 77 - The same old thing
 78 - We did last week
 79 - Not a thing to do
 80 - But talk to you
 81 - We're all all right
 82 - We're all all right
 83 - Hello, Wisconsin!
 84 - Mrs. Forman, this chili is great.
 85 - Thanks.
 86 - Daddy used to love my chili. Remember, Mom?
 87 - I remember it gave him the toots.
 88 - Well, that's a nice place to start the reminiscing.

89 - So, Eric, are you excited about your big Valentine's dance?
90 - Yeah. I'm just glad it's in the gym.
91 - There's nothing like celebrating
92 - the most romantic night of your life
93 - in the room where I got my first wedgie.
94 - It meant I liked you, Eric.
95 - If you don't mind, I'd like to talk about my father.
96 - Well, Kitty, we can dwell on what was, or we can talk about what is.
97 - If I've learned anything from losing my Burtie Bear,
98 - it's that all that really matters
99 - is making sure that the people we love know we love them.
100 - Mom, that was wonderful.
101 - I mean it.
102 - Eric, I love you.
103 - Oh. Well, thanks, Grandma.
104 - Kitty...
105 - I think I'll go for a walk.
106 - Well, this was fun.
107 - I'm gonna go to bed for a few days.
108 - Oh, no.
109 - She hasn't done this since Elvis died on the crapper.
110 - Now I've gotta sit by her bed for four days
111 - and tell her that she's beautiful.
112 - It's hard to say that to a cold-cream-smeared loony in bunny slippers.
113 - I remember that week. The shades were drawn.
114 - The food supply ran low.
115 - We were sucking on bouillon cubes just to stay alive.
116 - Yeah, but did you hear what your grandma said
117 - about love being the only thing that matters?
118 - Eric, we should tell her that we're engaged.
119 - What?
120 - Well, she could be the one person who'd be happy for us.
121 - We're gonna need someone on our side when we tell our families.
122 - Yeah. And you know what?
123 - Even if she's not on our side, the minute Grandma thinks it's a bad idea,
124 - my mom will be booking the big room at the Holiday Inn
125 - just out of spite.
126 - So, it's a win-win. Yeah.
127 - We're gonna do what Luke Skywalker was too afraid to do.
128 - Use the dark side to our advantage.
129 - Eric, if we're gonna be married,
130 - you've really gotta ease up on the Star Wars stuff.
131 - All right? It doesn't apply to everything.
132 - I'm gonna have to rewrite my vows.
133 - My favorite song?
134 - The Most Beautiful Girl In The World.

135 - The light I look best in?
136 - It's a tie between 20-watt, soft-pink bulbs
137 - and mid-summer sunset.
138 - Very good, Michael.
139 - God, I missed this.
140 - Oh, hey. Have you guys seen Steven?
141 - I hear a weird, piercing noise,
142 - but I don't know where it's coming from.
143 - Do you hear anything, Michael?
144 - Yeah, it's just Jackie.
145 - Jackie, I'm sorry you have to see me in this T-shirt.
146 - I know how it emphasizes my hunkalicious bod.
147 - Shut up, Michael, okay? I made a stupid slip. It meant nothing.
148 - Right, because Michael is my boyfriend.
149 - I know he is, skankwad.
150 - Oh, I'm a skankwad?
151 - Girl fight! Let's get it on!
152 - We are not gonna fight.
153 - Well, maybe you should kiss and make up.
154 - Let's get it on!
155 - What? What? Wait.
156 - Ah, I'll go with the blonde.
157 - Kitty, I'm just going to the corner to get you some soup.
158 - I'm not leaving you for somebody younger and less dramatic.
159 - This is your fault.
160 - If I wanna get my wife out of bed, I gotta tie a rope around her
161 - and attach it to my bumper and pull her out like a stump.
162 - So, what were you saying, dear?
163 - Well, I was saying that I'm getting married.
164 - Oh, honey, how wonderful!
165 - So, who's the lucky girl?
166 - Well...
167 - Donna. Oh.
168 - Well, I guess this is a small town.
169 - Okay, what the hell did that mean?
170 - That, my friend, is the seldom heard but much feared Grandma burn.
171 - Your only warning is the jingle of costume jewelry
172 - and the overpowering scent of Bengay.
173 - Well, you and Jackie are certainly a mess.
174 - I remember before Nina, when my love life was a mess.
175 - It's perfect now, though. Not like yours, which is a mess.
176 - Steven, I've called three times in the last half-hour.
177 - Yeah, I figured it was you 'cause all the calls came
178 - during the commercials in The Newlywed Game.
179 - So, what? Now you're not taking my calls?
180 - Why are you making such a big deal about this?

181 - Because it is a big deal when you yell, "Get off my boyfriend,"
 182 - to a girl who's on someone who's not me.
 183 - Steven, I cannot be held responsible
 184 - for the things that come out of my mouth.
 185 - It didn't mean anything.
 186 - So, that's your story? "It didn't mean anything?"
 187 - Right. Right. So, you just need to get over it.
 188 - Oh, yeah. Don't worry, I'm over it.
 189 - In fact, I'm over you.
 190 - Wait, Steven, what are you saying?
 191 - He's saying he's breaking up with you. Are you not paying attention?
 192 - Because I'm on the edge of my freaking seat here.
 193 - Steven?
 194 - So, I have a girlfriend and you don't.
 195 - So, my grandma doesn't think Donna's good enough for me.
 196 - How great is that?
 197 - Finally, someone thinks Donna's the lucky one.
 198 - No more, "Hey, how'd he get her?"
 199 - Or, "Oh, that skinny guy must really be rich."
 200 - Yeah, that's right. I heard the whispers. I just pretended not to.
 201 - Who was whispering? We said it right to you.
 202 - Well, I'm done with Jackie,
 203 - and I feel like a guy who had a 95-pound mole removed.
 204 - A 95-pound, Donny Osmond-loving,
 205 - shoe-shopping, Ice Capade-attending mole.
 206 - Hyde, I know that's just coming
 207 - from a place of deep, deep pain.
 208 - And I really do feel bad that my foxitude broke you and Jackie up.
 209 - And I'd tone it down, but I just don't know how!
 210 - Guys, I'm worried there's some unfinished
 211 - business between Michael and Jackie.
 212 - When they were together, did she make him happy?
 213 - Well, she totally dominated him
 214 - and made him feel bad about himself.
 215 - I guess what I'm asking is, was she ever fat or anything?
 216 - Eric, how can your grandmother not like me?
 217 - Ooh! Maybe I should wear my Catholic school uniform around her more.
 218 - You know, people like me in that.
 219 - Well, guys mostly.
 220 - But, hey, give it a shot. Grandmas have secrets, too.
 221 - Donna, Steven broke up with me.
 222 - Oh. Jackie, I'm sorry.
 223 - Hey, maybe he just wanted you to be able to spend more time with your
 other boyfriend.
 224 - Shut up, Eric!
 225 - Oh!

226 - It's you.
227 - Didn't know they let slutballs in here.
228 - Well, I've seen you in here, so I figured it was okay.
229 - Oh, you don't know it, but you just burned yourself.
230 - Oh, I know it. The question is, do you?
231 - I just said I do.
232 - So do I, so you are, too.
233 - Donna, you following this?
234 - I think one of them's a slutball and one of them knows it.
235 - I think what we need to do is go talk about Michael.
236 - Fine. I'll try to use small words so you can understand me.
237 - That's not gonna be good enough.
238 - Hey, Grandma.
239 - Good afternoon, Mrs. Sigurdson.
240 - Nice day, huh?
241 - No. It's raining, and my arthritis is kicking up.
242 - What a coincidence. Mine, too.
243 - Boy, am I getting old.
244 - Not too old, you know. Whatever you are.
245 - Wow. Hey, Grandma, Donna brought you some salsa.
246 - Yep, Donna makes the best darn salsa
247 - outside of your beloved Arizona.
248 - It's a reflection of her long-time love affair with the Southwest.
249 - Much like your own. Go, Grand Canyon!
250 - So, Eric, who are you seeing these days?
251 - Okay.
252 - Okay, Grandma, you have got to give Donna a chance.
253 - And I know you two will get along famously.
254 - You have so much in common.
255 - Right. Like I love eating dinner at 4:30, too.
256 - Look, Mrs. Sigurdson, I love Eric with all my heart.
257 - And I know that when you give me a chance,
258 - you'll see that we're great together.
259 - Well, that's very sweet. And you're right.
260 - I'm sure you're the nicest girl Eric's met so far.
261 - She is just so good at that.
262 - See?
263 - Isn't it better to be up and about
264 - than stuck in your bed for a week?
265 - Well, this is better.
266 - Why did I even let that woman get to me?
267 - I'm gonna go get out of this robe.
268 - And take a shower. I mean, that's the spirit!
269 - Your mother is a nutbag!
270 - What did she do?
271 - That thing where she pretends to be nice,

272 - but she's really insulting you?
 273 - Yes! Frigid witch!
 274 - I'll get the bed ready.
 275 - How could she not like me?
 276 - How can she not like me?
 277 - You know what? Maybe she just can't handle strong, healthy women.
 278 - And I am strong and healthy.
 279 - I bring home the bacon, I fry it up in a pan and...
 280 - I never, ever let Red forget he's a man.
 281 - Yeah.
 282 - Well, I am not giving up on her.
 283 - Oh, why are you worried?
 284 - I'm the one who has to live the rest of my life
 285 - in the same family with this woman.
 286 - Yeah, but so do I.
 287 - In the sense that
 288 - we're all part of the human family.
 289 - Steven, I have to tell you something.
 290 - Well, if it's, "Get off my boyfriend,"
 291 - don't worry, 'cause I already heard it.
 292 - No. Look, I have to tell you, you were right.
 293 - When I said that, it did mean something.
 294 - And I thought it didn't, because sometimes I just want things
 295 - because other people have them.
 296 - Like once, I made my dad buy me a pet rat because my cousin had one.
 297 - But then the rat got so disgusting, I made my kitty cat hunt it.
 298 - I don't know what the hell you're talking about.
 299 - Who's the rat? Am I the rat?
 300 - No.
 301 - No. Steven.
 302 - Look. Okay, I spoke to Annette.
 303 - And she made me realize that,
 304 - okay, you know, maybe I do have
 305 - some left-over feelings for Michael.
 306 - And then she said that if I wanted him, I'd have to fight for him.
 307 - But, Steven, I know in my heart
 308 - the only person I wanna fight for is you.
 309 - Really? Oh, boy!
 310 - You like Kelso, but you like me a little bit more?
 311 - What a bunch of crap! You know what I think, Jackie?
 312 - I think the only reason you were with me
 313 - in the first place was to get back at Kelso.
 314 - Steven, how can you say that?
 315 - Okay, fine, you know what? Maybe I do have feelings for Michael.
 316 - But what am I supposed to do? He was my first boyfriend.
 317 - And you know what? You're gonna have to learn to deal with it.

318 - And if you can't, and you're gonna have
319 - to break up with me because of that,
320 - then I can't stop you, but I think
321 - it's a real waste, because I love you!
322 - I'm not saying it back!
323 - I don't care.
324 - Damn it!
325 - So, are we gonna go to the dance or what?
326 - Oh, Steven.
327 - Well, it looks like I'm just in time for makeup sex.
328 - Don't mind me. You'll barely hear me.
329 - If you prefer, I can hide in the shower.
330 - Fez, get out of here.
331 - Okay, here I go.
332 - So, earlier today I mentioned that
333 - I would like your balloons to be my walkway of love.
334 - And you said, "Okay."
335 - Do you know what I meant?
336 - Because I don't want to surprise you with this one.
337 - Well, I think you meant...
338 - That's it!
339 - Hey, look who's back together.
340 - What the hell?
341 - Come on, Jackie, let's dance.
342 - How can she be with him when she's so clearly not over me?
343 - I think the question is, how can you be with me
344 - when you're so clearly not over her?
345 - Wait, is this a riddle? Start over.
346 - You're obviously still in love with Jackie.
347 - I'm going back to California.
348 - Baby, no! I'll prove that I'm over her.
349 - I'll bet you 50 bucks that if we do it, I'll be into it.
350 - Good-bye, Michael.
351 - Wait, but you win either way!
352 - Oh, I feel so much better.
353 - I am a strong, healthy woman who doesn't need to go to bed
354 - every time some mean old lady gives her a cross look.
355 - That's right.
356 - Good evening, Mother.
357 - Going out to dinner.
358 - Oh.
359 - Is that what you're wearing?
360 - I'll be in bed.

1.15 Episode 15: When the Levee Breaks

- 1 - And then I realized, that's why they call it a clock radio.
- 2 - 'Cause it's got both.
- 3 - Hey, Donna. Feast your eyes.
- 4 - All new stuff for me and Joanne's weekend away at tennis camp.
- 5 - Billie Jean King's sister is leading the campfire songs.
- 6 - We're gonna make quite the racket.
- 7 - Good one, Bob.
- 8 - Bob's going out of town for the weekend?
- 9 - All right! Party at Donna's!
- 10 - Okay. We're gonna need beer, balloons, and girls with low self-esteem.
- 11 - Guys, hang on. Donna and I already made plans this weekend.
- 12 - Well, then just leave us a key, man. And don't worry, if anything bad happens,
- 13 - I know how to make it look like a robbery-homicide.
- 14 - Look, Eric and I want one weekend alone
- 15 - where we don't have to be so secretive about being engaged.
- 16 - I could even wear my ring if it weren't being resized for me.
- 17 - Can they make a ring big enough to fit your Paul Bunyan hands?
- 18 - - Jackie? - Well, I'm sorry, Donna.
- 19 - But if you're not gonna have a party, you're gonna get insulted.
- 20 - It's just the way it is.
- 21 - The way I see it, unless Donna's blocking the door with her giant hands,
- 22 - we're coming over for a party.
- 23 - Oh-oh. We should get one of those girls that jump out of cakes.
- 24 - Yeah. They're great.
- 25 - You know, you two could do a little less standing around
- 26 - and a little more jumping out of cakes.
- 27 - Morning.
- 28 - Hey, Dad, I was thinking of spending tonight and tomorrow over at Fez's.
- 29 - At whose's?
- 30 - The foreign boy with the tight pants, wears a little too much cologne.
- 31 - I don't like him.
- 32 - I caught him stealing bacon out of our fridge.
- 33 - Why are you doing your homework in the morning?
- 34 - I was out last night with Donna.
- 35 - Well, of course you were. That's why you came in a half-hour past the curfew.
- 36 - Oh, well, Donna had a flat.
- 37 - Aw! That's awful bad luck.
- 38 - Seeing how Donna doesn't have a car.
- 39 - I see you getting bigger,
- 40 - but you still act like a 12-year-old.
- 41 - Now, when are you gonna grow up and start thinking about your future?
- 42 - Red, don't get upset so early.

43 - You won't enjoy your sausage and Tang.
 44 - Sausage and Tang? Is...
 45 - Is that a little racy for breakfast?
 46 - I don't get it.
 47 - Well, I'm gonna leave before someone explains it.
 48 - Good morning.
 49 - Steven, you got a big tear in that jacket.
 50 - Yeah. It's hard hopping over a fence carrying two 12-packs.
 51 - I mean, library books.
 52 - Well, I'm gonna ignore that,
 53 - 'cause you don't even have parents to buy you a new coat.
 54 - He doesn't have parents, Eric.
 55 - He told me that sometimes when he's all alone, he cries.
 56 - Oh, that settles it. I'm taking you shopping for a new coat.
 57 - Here, here. Take some Tang and go.
 58 - Man, if I had a dollar for every time I heard a chick say that...
 59 - What?
 60 - What? Never turn down Tang. Growing boys need Tang.
 61 - What is funny here?
 62 - Hanging out
 63 - Down the street
 64 - The same old thing
 65 - We did last week
 66 - Not a thing to do
 67 - But talk to you
 68 - We're all all right
 69 - We're all all right
 70 - Hello, Wisconsin!
 71 - Oh, the plumber took apart the toilet upstairs, so you'll have to use this one.
 72 - - I know it's scary down here at night, but... - She'll be fine. Let's go.
 73 - Just when you come around that corner in the dark,
 74 - that coat rack can look like a bear.
 75 - Finally,
 76 - we're alone.
 77 - For the whole weekend.
 78 - All right! Party time! I brought the Slip 'n Slide.
 79 - - Let's move the couch. - Okay. I'll get the hose.
 80 - No, we don't need the hose, man. We'll just use beer.
 81 - - Kelso, are you nuts? - You're right.
 82 - We don't wanna waste the beer. Go get the hose, man.
 83 - No! Guys, we said, "No party."
 84 - Oh, come on, Forman. Look, man, you gotta help me out here.
 85 - Jackie and I are going through a really rough time,
 86 - and maybe, just maybe, we can start to heal
 87 - if you can find it in your heart to let me trash your girlfriend's house!

88 - - Don't care. - But it's party time, man.
 89 - I invited a girl in a halter-top who was on her fifth beer.
 90 - - Fifth beer! Halter-top! - Forget it, Kelso.
 91 - But do you know what a Slip 'n Slide can do to a halter-top?
 92 - It turns it into a belt.
 93 - - Hello? - Hello, is Mr. Forman there?
 94 - No, I'm sorry. You just missed him. Can I take a message?
 95 - Yes. This is Fenton from All That Glitters.
 96 - Mr. Forman bought a ring here, and I'm calling to tell him it's ready.
 97 - And, ah, oh, it looks fabulous.
 98 - He bought me a ring?
 99 - I hope it wasn't a surprise. Perhaps you shouldn't know that I called.
 100 - Could you let Mr. Forman know that I called? I mean...
 101 - You shouldn't know that he bought you... Oh!
 102 - Now I've made a messy. Okay.
 103 - Okay, dinner is all ready.
 104 - I just had to add the secret ingredient: love.
 105 - By the way, "love" is salt.
 106 - All right. Chicken Pinciotti for two.
 107 - Is this red stuff gravy or blood?
 108 - There's no gravy.
 109 - Oh. Well, I guess it's just kind of moist then.
 110 - Actually, it's kind of pink. Is this ham?
 111 - No, it's Chicken Pinciotti.
 112 - Mine looks fine.
 113 - Well, if you don't wanna eat yours, we have some Fruity Pebbles.
 114 - No... No. Grown-ups don't eat Fruity Pebbles. They eat chicken.
 115 - What grown-ups?
 116 - Where are these grown-ups?
 117 - Donna, us.
 118 - The whole point of this weekend is to prove that we're grown-up
 119 - and that Red doesn't know what he's talking about when he says I'm immature.
 120 - It is? I don't know. I thought the point of this weekend was to have,
 121 - you know, a fun, light weekend.
 122 - Yeah. No, it will be fun and light. It's just that in the next 36 hours,
 123 - I would like to prove to myself
 124 - that my father's been wrong about me my entire life,
 125 - but in a fun, light way.
 126 - Well, whatever. You don't have to eat the chicken.
 127 - No! What? No. Are you kidding? I was kidding.
 128 - I'm doing our grown-up, domestic squabbling thing, you know?
 129 - It's like, I make fun of your cooking,
 130 - you tell me to put on pants when we have company.
 131 - Are you gonna stop wearing your pants? 'Cause I might have a problem with that.

132 - See? Good, we're bickering, like husband and wife.
 133 - What, you call this dinner?
 134 - Hey, take my wife, please.
 135 - That's delicious.
 136 - Steven, just come in. Your jacket looks fine.
 137 - Mrs. Forman, I don't think this jacket's really my style.
 138 - Oh, nonsense.
 139 - Ever since I've know you, you've been nothing but flash and pizzazz.
 140 - Oh, and look, it says "stuntman" on the arm.
 141 - People are gonna think you're from Hollywood.
 142 - - Excuse me. - Yes? Oh. Mmm-hmm.
 143 - I was wondering if I might look at that ring you called Mr. Forman about
 144 - that he doesn't know I know about yet.
 145 - Oh. I don't think I'm supposed to show you, but...
 146 - But I do a lot of things behind this counter I'm not supposed to do.
 147 - So, hmm.
 148 - This is an engagement ring.
 149 - An engagement ring? Uh-oh.
 150 - Why would Red give me a diamond ring?
 151 - Maybe it's a menopause diamond.
 152 - You know, for a happy menopause.
 153 - Oh, oh, it's engraved. "To Donna..."
 154 - You're a lucky woman, Donna.
 155 - I mean, Mr. Forman seems a tad young for you,
 156 - but men and women are doing all sorts of things we never used to do,
 hmm?
 157 - Oh, my goodness! This is from Eric to...
 158 - Eric and Donna are engaged?
 159 - Well, if they are, I'm learning it here for the first time.
 160 - So, Mr. Stuntman...
 161 - Are you from Hollywood?
 162 - I gotta tell you, this being grown-up thing really seems to work for us.
 163 - It's like we're already good at being married.
 164 - All we did was eat.
 165 - Hey, a little secret they don't tell you?
 166 - That's all marriage is.
 167 - Forman, listen.
 168 - I just got back from the mall with your mom.
 169 - Nice coat, Hyde.
 170 - Burt Reynolds have a garage sale?
 171 - Yeah, Hyde, Donna and I are trying to be alone.
 172 - We got no use for a shiny, red stuntman.
 173 - Look, would you shut up and listen to me?
 174 - No! Okay? This house is closed to parties, okay?
 175 - So just go away. Oh, and tell the cast of Smokey and the Bandit
 176 - that I said, "10-4."

177 - Fine. I'm gone, man.
 178 - Don't you mean, "I'm eastbound and down, good buddy"?
 179 - What does a married couple do
 180 - after a delicious dinner of Chicken Pinciotti?
 181 - Well, we could make out on the couch,
 182 - but we're married, so maybe we should just fight and go to bed.
 183 - - Whoa. - What's wrong?
 184 - Whoa!
 185 - Okay, I think the Chicken Pinciotti wants to fly the coop.
 186 - Oh.
 187 - I'm gonna be upstairs for a little bit.
 188 - Do you have any magazines that I could... Whoa! Okay.
 189 - I'll just read the shampoo.
 190 - Well, wait. You can't... You can't use the bathroom upstairs.
 191 - You have to use the one off the den.
 192 - Right in there?
 193 - While you're right in here?
 194 - I can't do that. You might sense something.
 195 - I might sense something? How much of a ruckus are you gonna make?
 196 - What... I just... I can't go here, okay?
 197 - And I can't go home because Red thinks I'm over at Fez's. What...
 198 - I'm a man without a country.
 199 - Eric, you wanted to be grown-up. And...
 200 - Well, this is something that grown-ups do in the same house.
 201 - No, I... You know what I was thinking?
 202 - I could build us another house, a separate house.
 203 - Eric, you're talking about an outhouse.
 204 - Well, it's about time those made a comeback!
 205 - Eric and Donna can't be engaged. They're too young.
 206 - How does something like this happen?
 207 - Well, Eric asked her to marry him,
 208 - and instead of saying, "Ew," like a normal person,
 209 - Donna said yes.
 210 - Well, I don't like secret-keeping in my house.
 211 - What else is going on that I don't know about?
 212 - Ooh. There is something else.
 213 - In the back left corner of Forman's closet,
 214 - he has stashed some highly offensive photographic material.
 215 - Well, this has gotta stop.
 216 - Eric should have told me about his engagement,
 217 - because in this house we do not keep secrets.
 218 - What are you talking about?
 219 - Cheesecake. Different types of cheesecake.
 220 - Oh. Sorry I missed it.
 221 - Don't judge me.
 222 - Kelso, I need to use your bathroom.

223 - Nope. There's nobody here.
 224 - Of course, I can't see people who don't have parties for their friends.
 225 - So maybe there is somebody here, and I just can't see them.
 226 - I can't see you, Eric!
 227 - Kelso, I really need to use the bathroom.
 228 - Well, maybe you should have thought of that
 229 - before you kicked us out of Donna's house, you party pooper.
 230 - - Yeah. - No party, no pooper!
 231 - - Nice. - Yeah, it really was. No party, no pooper!
 232 - So then I said, "No party, no pooper!" Because he wouldn't have a party.
 233 - See, I think it's stupid that Eric and Donna need to practice being married.
 234 - I mean, it's simple.
 235 - The woman just needs to be a cook in the kitchen,
 236 - a maid in the living room, and an acrobat in the bedroom.
 237 - And I can hire a cook and a maid.
 238 - I am liking you more and more.
 239 - You know, I was thinking about The Incredible Hulk.
 240 - I like that show.
 241 - Especially the part where he gets all, like, mad and turns green
 242 - and then his shirt rips off.
 243 - But then I was thinking, like, what if he was purple?
 244 - And a lady?
 245 - Come on. Like an angry, naked purple chick.
 246 - Yeah, that's better, right?
 247 - What's going on down here?
 248 - Why doesn't anybody ever go home?
 249 - And then I realized, that's why they call it a clock radio.
 250 - 'Cause it's got both!
 251 - What are you doing here? I thought Eric was with you.
 252 - Eric is always with me
 253 - in spirit.
 254 - Don't pussyfoot around.
 255 - I make three phone calls, you're back on that raft you floated in on.
 256 - - Eric is at Donna's. - Fez!
 257 - I fear the open sea.
 258 - Kitty, you know what I just found out about Eric?
 259 - You found out?
 260 - He lied to us. He's spending the night at Donna's.
 261 - Oh!
 262 - What did you think it was?
 263 - He has dirty magazines in his closet.
 264 - Our son is a pervert. I'm just gonna go pray for him.
 265 - Hurry up! Hurry up! Hurry up! Hurry up!
 266 - Well, speak of the idiot.
 267 - I gotta use the bathroom.
 268 - What's the matter with the foreign kid's bathroom?

269 - That is where you were, isn't it?
 270 - Yeah, of course. Why would I lie to you about something like that?
 271 - I need bacon.
 272 - Okay, the reason I'd lie about something like that is...
 273 - What happened? You piss Donna off, and she locked you out?
 274 - - Donna? No. - Oh.
 275 - Well, you pissed me off, so I'm locking you out.
 276 - - Did you find... - Don't stop loving me!
 277 - Well, look who's here.
 278 - Oh, say, Eric, the morning paper didn't come.
 279 - So I thought that you could tell me a story while I eat.
 280 - I know how good you are at making up stories.
 281 - Why don't you tell me things?
 282 - You can tell me things, even bad things.
 283 - A mother's love is like a flower that never wilts.
 284 - Unless it's lied to.
 285 - If you're done reciting poetry, I'd like to yell at the kid.
 286 - Hey, Forman, this is about to get ugly.
 287 - So if you have to go potty, now's a good time.
 288 - I'm sorry.
 289 - Okay, I shouldn't have told you I was at Fez's.
 290 - Do you ever think about what you're doing with your life?
 291 - Hey, Dad, it's my life, okay? I'm grown-up now.
 292 - Grown-up?
 293 - Well, you sure say that a lot, so it must be true. Let me try it.
 294 - Hey, everybody, I'm Mister Rogers.
 295 - But wait, I'm not wearing a sweater.
 296 - And I'm about to kick your ass.
 297 - Maybe it doesn't work.
 298 - Maybe you're just an immature pissant who still lies to his parents.
 299 - You know what, Dad?
 300 - Oh, my God. You're right.
 301 - I have been lying, and acting immature, and keeping secrets.
 302 - And I swear to God, I'm just as sick of it as you are.
 303 - So, here's the truth. Donna and I are engaged.
 304 - I get his room.
 305 - - You're engaged? - Yeah.
 306 - - I already gave her the ring. - Kitty, are you hearing this?
 307 - Yes, I am.
 308 - And for the first time, too.
 309 - Well, it's true.
 310 - So, if I'm gonna be ready to be married, which I am,
 311 - then I guess I should be ready to tell you the truth.
 312 - So, there it is.
 313 - Wow. That felt great.
 314 - I'm gonna go see my fiancée. Wow, that felt great, too.

315 - What a great day!
 316 - Okay. Okay, this is good.
 317 - We're all being open here.
 318 - Does anybody have anything else they wanna get off their chest?
 319 - Mrs. Forman, I hate my jacket.
 320 - Oh, well, now we're just trying to hurt each other.
 321 - Okay, now. Come on, Steven.
 322 - Give it another chance. Oh, it's snazzy!
 323 - Hey, there. Hi, there. Check out my outerwear.
 324 - I'll just give this to Goodwill.
 325 - And read the arm. "Stuntman."
 326 - People are gonna think I'm from Hollywood.
 327 - Sorry.

1.16 Episode 16: Whole Lotta Love

1 - Forman, why'd you have to tell Red you got engaged?
 2 - Look at him yelling and waving.
 3 - Oh! A little spit just landed on Bob.
 4 - Bob's so scared, he's not even wiping it off.
 5 - Oh, my God.
 6 - Oh, my God. This time Red is really gonna kill me.
 7 - My only hope is that he actually sticks his foot so far up my ass,
 8 - he can't pull it out, and I get to take him straight to hell with me.
 9 - Yeah, why did you tell him? We had it all planned.
 10 - We were gonna give them wine, get them all loose and juiced.
 11 - But you spilled the beans.
 12 - Good, because wine and beans is not a good combo.
 13 - Hey. Toot-toot, if you know what I mean.
 14 - Sorry I'm late!
 15 - I was cutting through backyards on the way over here,
 16 - and the Hendersons got a new jungle gym!
 17 - Whoa, they're still yelling?
 18 - Yeah. I'm trying to read Red's lips, but I can't make it out.
 19 - He keeps calling me a "stupid duck."
 20 - Ah!
 21 - Hey, I'll go spy on them.
 22 - I just gotta run home real quick and change into my ninja outfit.
 23 - I don't think this situation calls for camouflage, Kelso.
 24 - Well, that doesn't mean it's not fun to wear, Eric!
 25 - But they're just too young to get married.
 26 - How are they gonna live on their own?
 27 - Eric jumps a foot every time the furnace kicks on.
 28 - Exactly. He's not mature enough to get married.
 29 - I'm still cutting the crusts off his sandwiches.
 30 - Well, it's really more for me. He's my baby.

31 - Don't mind me. Feel free to keep talking. I'm just getting a soda. I'm not spying.
 32 - Hey, I don't like this engagement either,
 33 - but it's not like they can break it off.
 34 - Why the hell not?
 35 - Well, it wouldn't be very romantic, for one.
 36 - Oh, forget about it. I'll take care of this myself!
 37 - No, no. Red, if you go out there and yell, you're just gonna drive him away.
 38 - I'm sorry, Kitty, but yelling is the only part of being a father that I enjoy.
 39 - Red, Red, I am putting my foot down. I forbid it.
 40 - All right, fine.
 41 - - Wow! Red, I forbid you to... - Shut up, Bob.
 42 - Burn!
 43 - - Get out! - Yeah.
 44 - Well? What were they saying?
 45 - I don't know.
 46 - Well, I was so busy acting like I wasn't listening, I forgot to listen.
 47 - Man.
 48 - I bet you he's trying to think of a punishment.
 49 - He already took away the Vista Cruiser, and fined me.
 50 - What's next? Is he gonna cut off my pinkie?
 51 - What's the point of getting married, Red's gonna cut that off?
 52 - Hanging out
 53 - Down the street
 54 - The same old thing
 55 - We did last week
 56 - Not a thing to do
 57 - But talk to you
 58 - We're all all right
 59 - We're all all right
 60 - Hello, Wisconsin!
 61 - Nina, you have such beautiful fingers,
 62 - so long and elegant, like spider legs.
 63 - We can't do this here.
 64 - We can go to the backseat of the student-driver car.
 65 - But I have to warn you, I have a hard time keeping my hands at 10:00 and 2:00.
 66 - Fez, this tension between us is causing problems.
 67 - And here at the DMV, I've learned it's easier to solve problems
 68 - when they're posed in a multiple-choice format.
 69 - So, "A", we can further explore our relationship,
 70 - and hope that relieves the tension,
 71 - or, "B", I can fire you.
 72 - Is this some kind of trick?
 73 - - It's not a trick. - Hmm, so it is a trick.
 74 - I choose "B."

75 - No, you choose "A"!
 76 - Okay, I'll take "A."
 77 - But I think you should throw a little "T" in there, too.
 78 - - Dinner's ready, Eric. - You know what?
 79 - Dad's in there, so I'll just, you know, forage for berries.
 80 - Look, I am not happy about this situation either,
 81 - but I am in there making the best of it, not out here diddling a basketball.
 82 - Mom, if I was out here diddling a basketball,
 83 - this would be a very different conversation.
 84 - Get in there.
 85 - Well, look who I found.
 86 - Our son,
 87 - who we love very much.
 88 - - Hey, Dad. - Pass the peas, Steven.
 89 - - Red, your son spoke to you. - I heard him.
 90 - But you asked me not to yell at him, and I agreed,
 91 - so I'm just taking your idea and refining it.
 92 - Oh, so you're giving me the silent treatment?
 93 - So, Steven, how was school today?
 94 - Well, in health class today, we learned that
 95 - an early engagement's often a sign of heavy drug use.
 96 - Hyde!
 97 - Red, you're being a big baby.
 98 - No, Mom, it's okay. Actually, it's a pleasant surprise,
 99 - but let's see how serious he is about it.
 100 - Hey, Dad, you know who's got the right idea?
 101 - Russia.
 102 - I haven't felt this kind of tension in years. Reminds me of home.
 103 - Except, everyone's wearing a shirt.
 104 - Happy birthday!
 105 - Oh! Is this for me?
 106 - Yeah.
 107 - - Jackie, it's your birthday? - Oh, I figured you knew.
 108 - A good boyfriend would have, but whatever.
 109 - Hey, why didn't you tell me, man? I would have gotten you something.
 110 - Well, I didn't wanna make a big deal about it,
 111 - 'cause I'm trying not to care so much about gifts and material things,
 and...
 112 - Oh, it's not working, because this is beautiful!
 113 - - Oh! I'm gonna go try it on! Thank you! - Mmm-hmm.
 114 - Kelso, what are you doing, man? You trying to make me look bad?
 115 - No, I'm not doing anything.
 116 - Well, whatever you are doing,
 117 - you shouldn't go up against me, 'cause you're not gonna win.
 118 - Well, I'm not doing anything, and I am going to win.
 119 - No, you're gonna lose.

120 - Well, how can I lose if I'm not doing anything?
 121 - How can you win if you're not doing anything?
 122 - Well, if I win, I'll admit that I'm doing something.
 123 - Nina, I think people at work are starting to notice there's something between us.
 124 - Well, it didn't help when you stood up at the staff meeting
 125 - and said, "I wanna do it with Nina."
 126 - Well, they asked if there was any unfinished business.
 127 - I think I've figured out a way to get rid of all this tension.
 128 - - You need to spend the night with me. - I'm all yours, boss lady.
 129 - But you have to tell me where to stop now, because I have been burned in the past.
 130 - I don't want you to stop anywhere.
 131 - Oh.
 132 - Oh!
 133 - I'm going to do it! I'm going to do it!
 134 - Fez!
 135 - Sorry. I wrote this song about three years ago, and I finally get to use it.
 136 - You know, that sweater wasn't on sale or anything.
 137 - Paid full price.
 138 - Pretty sweet, huh?
 139 - Yes, but it gets less sweet the more you talk about it.
 140 - Sorry. I'm done.
 141 - 27!
 142 - *Hey. How was work with Red?*
 143 - *It was terrible. I thought Red not talking to me would be cool,*
 144 - *but today, instead of telling me to sweep the backroom,*
 145 - *he just threw a broom at me.*
 146 - *Well, what about if I talked to him?*
 147 - *I mean, we've always gotten along. Maybe I can get through to him.*
 148 - *Donna, I'm not gonna make you fight my battles for me.*
 149 - *I mean, I'm not gonna ask the woman that I love to do what I should do.*
 150 - *But Red will be home at around 5 : 30, so try to catch him before dinner, okay?*
 151 - *Attention, everyone.*
 152 - *My friend Fez has some wonderful news.*
 153 - *Knock, knock.*
 154 - *Who's there?*
 155 - *I did it!*
 156 - *All right, Fez!*
 157 - *Now, now, wait, wait! I wanna hear this." I did it" who?*
 158 - *Oh, wait, Fez, I can't believe you finally lost your virginity!*
 159 - *Wait, wait. This isn't like the time you bought a hamster,*
 160 - *named it "Virginity", and then lost it, is it?*
 161 - *No. This is the real thing.*
 162 - *You know, I had a hamster once.*
 163 - *It tied him up to a helium balloon with a note.*

164 – *Made it all the way to Minnesota.*
 165 – *Alive?*
 166 – *No, I'm gonna send a dead hamster up in a balloon.*
 167 – *— So? Come on. Tell us all about it. — Yeah.*
 168 – *Okay. Well, it was incredible.*
 169 – *Nina and I started out kissing in the living room,*
 170 – *then we moved into the bedroom, where we undressed.*
 171 – *And, well, then... Then we did it.*
 172 – *What... Details, Fez. We need details!*
 173 – *Well, our faces didn't line up right,*
 174 – *so I kept bumping my chin on her nose.*
 175 – *And then there were some sounds.*
 176 – *What kind of sounds?*
 177 – *Well, I will say this, it was not applause.*
 178 – *There was no romantic music, like in the movies, so I had to hum.*
 179 – *And then Nina told me to stop humming.*
 180 – *And then I started again without realizing it.*
 181 – *And then she got mad. And then I think she got sad.*
 182 – *Oh, well, don't worry, Fez.*
 183 – *She probably just felt bad she was doing it with a foreigner.*
 184 – *And then afterwards, I went into the bathroom, and...*
 185 – *And cried a little.*
 186 – *And then I snuck out the back door.*
 187 – *Poor Fez.*
 188 – *Well, you know, at least it couldn't have been any worse.*
 189 – *I left my underwear in her bathroom.*
 190 – *Mr. Forman, you remember what it felt like*
 191 – *when you fell in love with Mrs. Forman, don't you?*
 192 – *Nope. One day I just woke up, and my life was over.*
 193 – *Next question.*
 194 – *Well, I think...*
 195 – *I think what Mr. Forman is trying to say*
 196 – *is that we worry you're too young to get married.*
 197 – *Do you even know how to bake a casserole? I don't think you do.*
 198 – *Look, I believe there's one person out there for everyone.*
 199 – *And you guys are that person for each other, and Eric is that person for me.*
 200 – *And if you could just open your hearts,*
 201 – *you'd see that we should be together forever,*
 202 – *because we're in love, and we make each other really happy.*
 203 – *Donna, that is so romantic.*
 204 – *I still think you're too young.*
 205 – *But if it has to be someone, I'm glad it's you.*
 206 – *I always wanted a daughter.*
 207 – *You already have a daughter.*
 208 – *A better daughter.*
 209 – *You know what, Donna? You're right. You and Eric are perfect for each other.*

210 – *– Really? – Yes!*
 211 – *You're as big a dumb ass as he is!*
 212 – *Welcome to the family.*
 213 – *I'm so nervous about working with Nina today.*
 214 – *It's like, now that we did it, I never want to see her face again.*
 215 – *Yeah, you did it, all right.*
 216 – *Hey, hey! Look who's wearing a 27 sweater!*
 217 - Jackie, you can't keep that sweater.
 218 - - Why not? - Because it's from Kelso.
 219 - Yeah, but it's so pink and fuzzy, that it just makes up for it.
 220 - Kelso, she's someone else's girlfriend. What are you doing?
 221 - I'm not doing anything.
 222 - And it's working.
 223 - Just take it off.
 224 - Leave it on.
 225 - Take it off. Let's see some skin.
 226 - Yeah. Take it off.
 227 - Why is everyone against me?
 228 - Because you're telling a girl to keep her top on.
 229 - That's true. Take it off.
 230 - - Hi. - Hello.
 231 - - Go ahead. - After you.
 232 - - Here, let me... - No, I know how it goes.
 233 - Okay, just... I'm just trying to help.
 234 - Now it's stuck!
 235 - You just have to give it a yank.
 236 - This is just like last night!
 237 - Okay. Where's Red? I just found out he called my daughter a dumb ass.
 238 - What?
 239 - Well, I really thought I was getting through to him,
 240 - but then he snuck a "dumb ass" in.
 241 - That is a hurtful word.
 242 - You gotta do something about your husband, Kitty.
 243 - You guys would be lucky to get Donna.
 244 - If anything, she's gonna pretty your family up.
 245 - Excuse me?
 246 - I'm just saying, we're a voluptuous bunch.
 247 - Mom, you need to talk to Dad.
 248 - I don't know why you're surprised he's upset.
 249 - Why did you have to get engaged?
 250 - And why did you have to tell your father? He's not stable, Eric.
 251 - Okay, fine. I'll talk to him myself.
 252 - Eric, be careful. I looked deep into Red's eyes, and I saw...
 253 - Well, I just saw me upside down and tiny, but he looked mad.
 254 - You know what? I don't care. I'm going down to Price Mart.
 255 - And if I don't come back, then, Donna, please move on with your life.

256 - Wedding or no wedding, we're still getting one of those triple-decker cakes.
 257 - Oh, working with someone you have had sex with, is the worst thing ever.
 258 - I don't know how Donny and Marie do it.
 259 - You know, sex ruins everything.
 260 - No, I disagree, Fez.
 261 - I mean, sure, the first time can be awkward.
 262 - Well, I mean, it wasn't for me and Jackie.
 263 - You know, maybe I should tell the story.
 264 - Yeah. It's a great story, Hyde.
 265 - You know what, Kelso? It's getting real old.
 266 - And the story I remember after your first time, was you didn't call her for a week.
 267 - I was gonna skip that part.
 268 - Wait, that's right. You didn't call me.
 269 - Oh, that's because he was thinking about breaking up with you.
 270 - What?
 271 - No, I told you. I didn't call you 'cause we were having our phones cleaned!
 272 - And then to get back on your good side, he bought you a stupid stuffed unicorn.
 273 - Fluffycakes?
 274 - Fluffycakes is tainted?
 275 - See, he wanted something from you, so he bought you a present.
 276 - Sound familiar?
 277 - Michael, why did you buy me this sweater?
 278 - All right. It's time to come clean.
 279 - I stole the sweater.
 280 - Fine. You know what? Forget it.
 281 - I don't want it, so just take it.
 282 - Now we're talking. Give us a little dance.
 283 - Told you it wouldn't work.
 284 - I wasn't doing anything!
 285 - Hey, let's not fight.
 286 - We all saw a little Jackie side-boob. I think we all won.
 287 - - Hi, Fez. Okay, look... - Nina,
 288 - I know what you're going to say.
 289 - The other night was awful, and you just wanna be friends.
 290 - No. I was going to say, the other night was awful,
 291 - and we should practice and get better at it.
 292 - Oh, well, I have to say, I don't hate the sound of that.
 293 - So, should I make an appointment, or...
 294 - - Just get in the house. - Okay. One second.
 295 - I'm going to do it again! I'm going to do it again!
 296 - Okay, Dad. You can ignore me,
 297 - and you can call my girlfriend names, but here's the thing.
 298 - Donna and I are getting married, okay? Whether you like it or not.
 299 - But you're too young, and you're throwing your life away.

300 - You said I was throwing my life away when I quit T-ball.
 301 - And I was right about that, too.
 302 - You're not marrying her, and that's final.
 303 - Well, Dad, you can't stop me, okay?
 304 - I'm gonna be graduating soon, I'll be on my own. I have a job.
 305 - I mean, I make enough money to pay for the wedding myself.
 306 - Well, that's great. But you don't have a job. You're fired.
 307 - What?
 308 - You're fired.
 309 - Let's see you pay for a wedding now.
 310 - Punch out, and empty your locker.
 311 - Fine!
 312 - - But I'm keeping the smock! - Give me the smock!
 313 - - Jackie. - Mmm-hmm?
 314 - Happy birthday.
 315 - Steven, you shouldn't have!
 316 - Oh!
 317 - It's a Led Zeppelin T-shirt.
 318 - And it's used!
 319 - Yeah, that's my favorite one.
 320 - You're with me now, so I wanted you to have it.
 321 - Aw, Steven, I love it!
 322 - - Do I have to wear it? - No.
 323 - Steven, I love it! Oh!
 324 - Well, that was a nice 20 minutes of silence.
 325 - Who wants a little kick in their coffee? I know I do.
 326 - You're the dumb ass!

1.17 Episode 17: The Battle of Evermore

1 - Eric, what are you doing eating?
 2 - Well, it's mainly for survival,
 3 - but I also enjoy the fruity tastes.
 4 - I told you to replace the hubcap on the Vista Cruiser.
 5 - So, what is it?
 6 - You're mature enough to get married,
 7 - but not mature enough to replace a hubcap?
 8 - Well, let's see. You took away my keys, so I can't drive,
 9 - and you took away my job, so I can't afford a new hubcap,
 10 - and you also took away my self-esteem,
 11 - so I have no pride in my job or my possessions.
 12 - For gosh sake, you've been arguing for two weeks.
 13 - Now stop it. Help me with this crossword puzzle.
 14 - I need a four-letter word for disappointment.
 15 - Eric.
 16 - It fits.

17 - Well, now, that can't be right.
 18 - So, he's like, "Replace the hubcap."
 19 - And I'm like, "Hey, why don't you replace the hubcap."
 20 - And that is why I'm trimming the hedges.
 21 - Yeah.
 22 - I only mess with Red when I really need the discipline.
 23 - He's a total hard ass.
 24 - Hard ass? Take another look, my friend. It jiggles when he wiggles.
 25 - Man, I don't know what the hell the deal is with Leo.
 26 - He told me to take a week off from The Fotohut two weeks ago,
 27 - - and I haven't heard from him since. - Well, we need to find him
 28 - 'cause we're all out of film, if you know what I mean.
 29 - I need film, then I could take pictures of Nina and me doing it.
 30 - Fez, film doesn't really mean film.
 31 - Who cares?
 32 - Because for the first time in my life, doing it really means doing it.
 33 - So, I guess this is the way
 34 - an immature, engaged, high school dumb ass,
 35 - with no car, no job and no money, trims the hedges.
 36 - That was like eight burns in one sentence.
 37 - An octo-burn.
 38 - Let's get the hell out of here.
 39 - Okay, you two, since you won't bond on your own,
 40 - I have signed you up for the father-son competition
 41 - at this year's Point Place Paul Bunyan Pioneer Day Jamboree.
 42 - - Kitty, that sounds horrible. - Yeah, I agree.
 43 - You hear that? We've already bonded.
 44 - No, it's too late. It's for charity.
 45 - Now, don't forget
 46 - your commemorative coonskin caps.
 47 - Huh!
 48 - So that's what you'd look like with hair.
 49 - Hanging out
 50 - Down the street
 51 - The same old thing
 52 - We did last week
 53 - Not a thing to do
 54 - But talk to you
 55 - We're all all right
 56 - We're all all right
 57 - Hello, Wisconsin!
 58 - - Hey. - I'd kiss you,
 59 - but I'm afraid your hat will wake up and scratch my eyes out.
 60 - So, you guys, Joanne has been chosen to emcee Pioneer Days.
 61 - Tell them why, baby.
 62 - I won the tobacco-spitting contest last year.

63 - What a lady.
 64 - I'll be manning the hard-cider booth.
 65 - It's a good way to raise money, 'cause of all the drunks.
 66 - Ooh, ooh! People are signing in. Come on, get excited, you two!
 67 - Well, howdy, newcomers! I'm Charlie Miller.
 68 - You can call me Charlie. This is my son, Mitch.
 69 - You can call me ladies' man.
 70 - - Ladies' man. - Did somebody call me?
 71 - I'm Red Forman. This is my son, Eric.
 72 - You can call him dumb ass.
 73 - Well, we don't use the A-S-S word,
 74 - we have a reputation to uphold.
 75 - We're the two-time champs.
 76 - Little secret, Red, I tell Mitch here it doesn't matter how we do
 77 - as long as we're together.
 78 - - And why is that, Dad? - 'Cause we bad!
 79 - - Oh, yeah, that's right! We bad! - We bad!
 80 - All right. Dad, they have a catch phrase. Hey, what's ours?
 81 - Shut up, dumb ass.
 82 - Yeah. Shut up, dumb ass. Okay. Yeah.
 83 - Oh, well, no wonder Leo hasn't told me to come to work,
 84 - there's no work to come to.
 85 - - Mmm, did he leave a note? - Nope,
 86 - just this.
 87 - You know, he looked dirty,
 88 - but he always smelled like clean sheets.
 89 - You know, you're talking about him like he's gone, man.
 90 - He would have told me if he was leaving town.
 91 - Maybe a UFO appeared,
 92 - and it shot down a beam, and made everyone
 93 - and everything inside The Fotohut vanish.
 94 - Yeah, like an apparition.
 95 - Kelso, you don't even know what an apparition is.
 96 - Hey, if I can't use words I don't understand,
 97 - this is gonna be one quiet afternoon.
 98 - Let's get started.
 99 - "To make room for a new trading post,
 100 - "Paul Bunyan needs to clear-cut 200 acres of forest.
 101 - "The first team to chop 25 logs wins."
 102 - And chop!
 103 - Um, excuse me, my ax is stuck.
 104 - Way to go, Mitch.
 105 - - Ooh! That's right! We bad! - Oh, yeah, we bad!
 106 - - Pull the ax out, Eric. - I can't, it's really stuck in there.
 107 - And you think you're ready to be married. You can't even chop wood.
 108 - What are you gonna do for heat in the winter, burn comic books?

109 - Hmm, I don't know. I guess I would probably just turn on the heater!
 110 - How can Eric and Red be fighting already?
 111 - Well, it's almost as if forcing them together against their will,
 112 - and giving them sharp objects,
 113 - wasn't really the best way to get them to make up.
 114 - Another hard cider, Bob.
 115 - Make it a double.
 116 - Well, we couldn't find Leo. We just checked all his hangouts.
 117 - - The Hub. - Alley behind The Hub.
 118 - - Fatso Burger. - Alley behind the Fatso Burger.
 119 - Hyde, when are you gonna accept the fact that Leo just bailed?
 120 - Man, he would not leave without saying goodbye, okay?
 121 - I know him better than I know my own father.
 122 - I'd like to do it with Nina in an alley.
 123 - My bare ass
 124 - pressed up against a cold dumpster.
 125 - You know, we're getting killed here thanks to your screwing up that last event.
 126 - All you had to do was build a cabin out of Lincoln Logs.
 127 - Well, I thought I'd score some extra points by building the Millennium Falcon.
 128 - The Millennium what?
 129 - If that's a Star Wars thing, I'm gonna kick you in the ass.
 130 - It's not a Star Wars thing,
 131 - it's a very rare falcon
 132 - that can do the Kessel Run in under six parsecs.
 133 - Hey, just remember, guys, it's not whether you win or lose,
 134 - it's how you play the game.
 135 - Unfortunately, you guys don't know how to play the game.
 136 - Oh, ho, no, hey, hey. We don't wanna rub in their face that they're big losers.
 137 - - Ooh! - Ooh!
 138 - - Uh-oh. - I didn't... It came out!
 139 - This is the worst Point Place Paul Bunyan Pioneer Days Jamboree ever.
 140 - And now, the cow-milking event.
 141 - Could you just award us our first-place points right now?
 142 - It'd save a lot of time and embarrassment for our friends over here.
 143 - You know, it kind of would.
 144 - "Babe the Blue Ox needs lots of calcium to carry Paul Bunyan's lumber,
 145 - "or his brittle bones will snap, and he'll die.
 146 - "The first team to fill their barrel with milk
 147 - "and save Babe from osteoporosis, wins."
 148 - And milk!
 149 - Hey! There's something wrong with our cow.
 150 - Her things aren't working!
 151 - Well, you can't just yank on them.

152 - Red never was much for foreplay.
 153 - - Keep it coming, Mitch. - This is amazing.
 154 - It's like she was just waiting for my magic fingers
 155 - to coax that sweet liquid right out of her teats.
 156 - Move over, Dad. I'll show you how it's done.
 157 - What makes you think that you...
 158 - Go, Eric. Go.
 159 - Well, honey, good for you.
 160 - Mitch, they're winning. What happened to your magic fingers?
 161 - Get off my back, old man!
 162 - Dad, here.
 163 - Team Forman wins!
 164 - You let me down, Son. I thought you were better than that.
 165 - Oh, what are you gonna do? Lock me in the closet again?
 166 - He locks me in the closet!
 167 - It's a walk-in! It's a walk-in.
 168 - So, Dad, what do you say now?
 169 - Why are you so good at that?
 170 - How are we gonna break into Leo's apartment?
 171 - You need a credit card to slip in the door.
 172 - Ponch used one on CHiPs once,
 173 - and the lady he rescued was so grateful, they did it.
 174 - Kelso, if we had a credit card,
 175 - we could buy a sledgehammer and break down the door.
 176 - If we had a credit card, I'd be butt-deep in Jordache right now.
 177 - - Oh, Leo, man. - I'm gonna kick him, see if he's okay.
 178 - - Kelso, no. - Well, at least throw something at him.
 179 - If he's asleep, he'll wake up,
 180 - and if he's dead, you can say you threw something at a dead guy.
 181 - Officer, I have a prescription for that.
 182 - No, relax, bud. We're just looking for Leo.
 183 - Oh, he left. I'm his cousin, Eli.
 184 - Really, he just left? He didn't call or anything?
 185 - Oh, Steven, I'm sorry.
 186 - Yeah, don't take it personal, Hyde. You know Leo never liked phones.
 187 - He said he could hear voices in them.
 188 - By the way, he left a note.
 189 - Do any of you know a kid named Heidi?
 190 - He means Hyde. That's me, man. The note's for me!
 191 - I mean, the note's for me.
 192 - "Dear Hyde, man. One day I stopped in Point Place for some gas.
 193 - "Before I knew it, eight years had passed.
 194 - "Whoa, that rhymes.
 195 - "Anyway, I should get home to my wife.
 196 - "Take care. You're a good kid, man.
 197 - "You're a good kid, man."

198 - See, I told you he wouldn't leave without saying goodbye.
 199 - Oh, Steven, you really do love that old, dirty little hippie.
 200 - And he left you something else.
 201 - He said that you liked film, if you know what I mean.
 202 - All right.
 203 - I was hoping we could take a little something home,
 204 - you know, put it in the shirt pocket.
 205 - Holy hell!
 206 - You know, Donna, I've been drinking...
 207 - I mean, thinking.
 208 - I want you and Eric to get married.
 209 - Okay, even though I know it's just the cider talking, yay!
 210 - "Pioneer Pete is lost in the woods.
 211 - "Assemble the map to find his bow and arrow,
 212 - "and shoot the bell with the arrow, and Pioneer Pete will appear.
 213 - "Do not shoot Pioneer Pete."
 214 - And go.
 215 - - Okay, this one goes here. - And this piece goes here.
 216 - Come on, Mitch. Don't give up.
 217 - Oh, okay, Mr. I Haven't Had A Job In Five Years.
 218 - So, the bow and arrow are behind the feeding trough!
 219 - Go, go, go!
 220 - - Yeah! - Yes!
 221 - Howdy, y'all! I'm Pioneer Pete!
 222 - Look, Donna, it's me, your dad.
 223 - Well, Mitch, I hope you're happy.
 224 - How can I be happy? Our whole life is a lie.
 225 - I mean, am I really supposed to believe that Kathy is my little sister?
 226 - She doesn't look anything like me. She is Cuban, for Pete's sake!
 227 - And what about your Friday bowling nights?
 228 - I looked in your bowling bag, you know what I found?
 229 - Buttless chaps!
 230 - What's with the buttless chaps?
 231 - Your mother's inhibited.
 232 - Don't shake hands with that guy.
 233 - I can't close my mouth.
 234 - Can you close your mouth?
 235 - It's really starting to freak me out.
 236 - Leo's the best.
 237 - Leo made me a grilled cheese once.
 238 - He used butter, and he made the crust extra toasty.
 239 - He forgot cheese.
 240 - I'm gonna miss that grilled-cheese-making son of a bitch.
 241 - You know, one time, I heard Leo talking on the phone,
 242 - and he was speaking Chinese.
 243 - So, I said, "Leo, stop speaking Chinese."

244 - So, he turned around, and it wasn't Leo.
 245 - It was a Chinese guy.
 246 - You know, I'll never forget that.
 247 - I'm just sad I'll never get to see his face when I tell him I did it with Nina.
 248 - Actually, I'd like to see my face when I do it with Nina.
 249 - I bet I look like a stallion.
 250 - So, today we sit in this circle in honor of Leo.
 251 - He was my boss. He was my friend.
 252 - He was my connection. To Leo!
 253 - To Leo!
 254 - Well,
 255 - I found out how much cider is too much cider.
 256 - A barrel?
 257 - Shut it!
 258 - Great news. Little Timmy Stinson cut his finger off in a whittling event.
 259 - They're out, we're in second place.
 260 - And if we win this next event, we'll be champions,
 261 - and maybe even friends.
 262 - Look, we've had a rough day,
 263 - and we've both said some things that we didn't mean,
 264 - but we've got to pull it together for this final event.
 265 - Just tell me where you go Friday nights.
 266 - I rent a motel room, and I lock the door, and I cry, okay?
 267 - I cry like a damn baby.
 268 - Why do you need buttless chaps for that?
 269 - Okay, it's time for our final event.
 270 - "Transport your gold in a genuine covered wagon to Pioneer Pete's" ...
 271 - You know what? I'm tired. Pull the wagons. Go.
 272 - Yeah! Yeah! Yeah!
 273 - Who's bad?
 274 - - We bad. - That's right.
 275 - - We bad! - We bad! We bad!
 276 - Okay, it's time for Pioneer Pete to claim his gold!
 277 - I saw that, Donna.
 278 - Well, I'm sorry. I know you think I'm a disappointment and stuff.
 279 - Hey. I'm proud of how we did.
 280 - Look, I know what it's like to have your dad riding you all the time.
 281 - My old man was always on me to go to engineering school,
 282 - and when I didn't, he was so mad, we didn't talk for a year.
 283 - So, you're the softy in your family?
 284 - See, my dad's vision for my life was wrong.
 285 - Only I knew what was best,
 286 - not my dad. You understand what I'm saying?
 287 - Wow. Are you admitting that you're wrong,
 288 - that it's okay for me and Donna to get married?
 289 - What?

290 - No, no.
 291 - I'm saying that my dad was wrong, and I was right,
 292 - just like I'm right now.
 293 - The point is, I'm always right, so break it off!
 294 - Well, at least you're still happy for us.
 295 - Please, Donna, I'm standing right here. There's no need to yell!
 296 - You know what? I don't care what my dad says,
 297 - I am more committed to this marriage than ever.
 298 - Well, after seeing how you handled that cow, so am I.
 299 - Okay, so you raise the ax, and you bring it straight down.
 300 - - Okay? Raise. Bring down. - That's easy.
 301 - Yeah. It's all about leverage. You know, torque.
 302 - Okay. I don't know what either of those is, but I'll give it a shot.
 303 - - Let's get out of here. - Right behind you.

1.18 Episode 18: Hey, Hey What Can I Do

1 - So, Hyde, big job fair tomorrow.
 2 - Oh, and you're in luck, 'cause I read that corporate America
 3 - is experiencing a severe shortage of paranoid conspiracy nuts.
 4 - I'm not a conspiracy nut, okay?
 5 - My history, shop and gym teachers
 6 - secretly started that rumor to discredit me.
 7 - I do need a job though, since The Fotohut shut down.
 8 - And I'm never gonna get my pictures back, which is a real shame,
 9 - 'cause they'll never let me under the bleachers anymore.
 10 - You need a job, too, Eric,
 11 - since you just got fired from your last job by your own daddy.
 12 - Well, at least my daddy's not in jail for bribery.
 13 - Okay. So get this,
 14 - the radio station I work at
 15 - wants me to work their job-fair booth as "Hot Donna."
 16 - All right? As if I'm some object for guys to leer at. God.
 17 - - Whoa! - Oh, my God!
 18 - Spank me!
 19 - I guess being beautiful has its benefits.
 20 - Hey, shut up. I'm embarrassed.
 21 - I'm talking about me, Donna.
 22 - And the best thing about being beautiful is I can get work as a model.
 23 - So I don't have to go to the job fair like the rest of you uggos.
 24 - Well, I cannot wait.
 25 - Nina will be at the DMV booth, which means that Fez
 26 - will be making out during a school day.
 27 - How many of you suckers have made out during a school day?
 28 - How many of you suckers have made out during a school day in the nude?
 29 - Then I will be nude.

30 - - Oh, my God! - What? What?
 31 - I got startled, 'cause I caught a glimpse of myself in the mirror.
 32 - I'm so handsome, I thought Shaun Cassidy was sitting in the backseat.
 33 - Yes. You are a beautiful male specimen.
 34 - Except you have a gray hair.
 35 - What?
 36 - No, I don't.
 37 - Dude, I hit a cop car.
 38 - Hanging out
 39 - Down the street
 40 - The same old thing
 41 - We did last week
 42 - Not a thing to do
 43 - But talk to you
 44 - We're all all right
 45 - We're all all right
 46 - Hello, Wisconsin!
 47 - All right, Eric, listen up.
 48 - You know how your mother and I feel about you and Donna getting engaged,
 49 - but since you won't listen to reason, I've come to a decision.
 50 - If you don't cancel this engagement,
 51 - I'm not paying for your college.
 52 - What?
 53 - Because he loves you.
 54 - No, he doesn't.
 55 - Yes, he does. He's full of love,
 56 - but it's buried, just like treasure.
 57 - - Dad, how could you do this? - Oh, it's easy.
 58 - Instead of giving 4,000 to a college,
 59 - *I leave my cheque book in the drawer, count my money,*
 60 - *and laugh like a little girl.*
 61 - *Fine.*
 62 - *He laughs because he loves you!*
 63 - *Where did you learn your parenting skills?*
 64 - *Korea.*
 65 - *Kitty, I am right about this.*
 66 - *Red, you can't just force people to do what you want.*
 67 - *Oh, see, that's one of those things that people say that's just not true.*
 68 - *Like, "There's no place like home."*
 69 - *Hell, I can't think of a hundred places better than this.*
 70 - *I cannot believe you hit a police car.*
 71 - *No, no, don't worry. It's a hot lady cop.*
 72 - *Just watch the master.*
 73 - *— License and registration. — Yeah. Just give me a seat here.*
 74 - *My wallet gets stuck, 'cause I've been working out.*
 75 - *My leg muscles are huge.*

76 – *Oh, boy. By the way, I can bench about 220,*
 77 – *so that'd be about two of you, little lady.*
 78 – *What's your name?*
 79 – *Oh, my name is Fez, but I have a girlfriend, so you need to cool it, little girl.*
 80 – *Yeah. I'll try.*
 81 – *Okay, Mr. Kelso.*
 82 – *I'm gonna issue you a citation.*
 83 – *Oh, boy, a citation for being too foxy in a school zone?*
 84 – *No. A citation for 64.*
 85 - Bench press that.
 86 - So, if we don't break off the engagement, Red's not gonna pay for my college.
 87 - You know, maybe this is it, Eric. Maybe Red won.
 88 - No. No, okay?
 89 - He's not gonna win.
 90 - You know what?
 91 - I'll just look for something full-time at the job fair.
 92 - I'll pay for college myself. People do that, right?
 93 - Yeah, people with skills.
 94 - - But, I mean, you're cute. That's a skill. - Stop.
 95 - How can Red do this to me?
 96 - I swear to God, that man is always mad.
 97 - I think the gene for joy might be stored in hair.
 98 - Well, there are a lot of angry bald men.
 99 - Yul Brynner in The King and I.
 100 - Yes, Mr. Freeze from Batman.
 101 - Remember that time Robin foiled his deep freeze...
 102 - Eric.
 103 - What did we talk about?
 104 - Every time I reference Batman, I owe you a geek dollar.
 105 - Yes, thank you.
 106 - Guys, something horrible happened.
 107 - Let me tell it.
 108 - Kelso tried to charm a lady cop, and it didn't work.
 109 - But she was all over me, boy.
 110 - I'm like freaking catnip.
 111 - Guys, today made me realize looks fade!
 112 - I'm not gonna be able to be a model forever!
 113 - I'm gonna have to get a practical, realistic job,
 114 - like regular, ugly people.
 115 - Okay, so which sounds better, wide receiver or spy?
 116 - Well, Kelso, I don't see why you couldn't just do both.
 117 - You're right. It's the perfect cover.
 118 - Okay. Okay, everybody!
 119 - This is your last school field trip, so smile!
 120 - Okay, now wave hello to your futures. "Hello, futures!"

121 - Okay, now, wave goodbye to your mothers who loved you
 122 - and gave you the best years of their lives.
 123 - Now what are they gonna do? What? Tell me what I am supposed to do!
 124 - You're supposed to take your little yellow pill.
 125 - That's what you're supposed to do.
 126 - Man, look at this place. There's tons of butt-ugly people.
 127 - And one day I'm gonna be one of them.
 128 - Man, I can't do this.
 129 - Being around this many corporate stooges.
 130 - I can't breathe!
 131 - Steven, stop it! This is serious.
 132 - If you keep pulling at cotton like that, it won't rebound.
 133 - Well, I'm off to find Nina for a little field-trip make out.
 134 - How many of you suckers have made out during a field trip?
 135 - What the hell? Was I the only one watching sausage get made?
 136 - Well, lookee here.
 137 - You know, if America's employers are looking for a pretty-boy moron,
 138 - an engaged hophead, and a mush-mouthed foreigner,
 139 - they're gonna be jumping for joy.
 140 - Wait a minute. Am I the pretty-boy moron?
 141 - - Yes. - Cool, 'cause that's the best one.
 142 - - Hey. - Hey.
 143 - - So, you ready for the big job search? - Yup.
 144 - I got my resume, my very best blazer,
 145 - and a really charming story about how my biggest fault
 146 - is that I just work too darn hard, so...
 147 - How about you?
 148 - I don't know. This is so humiliating.
 149 - I mean, I have a brain, you know. 2,000 records sorted by artist and genre.
 150 - I didn't do that with my boobs.
 151 - That'd be a neat trick though.
 152 - I've always been fascinated by the veterinary sciences.
 153 - Do you have any jobs available?
 154 - Yes. We need someone to usher our four-legged friends into the next life.
 155 - All right. That sounds fantastic. And how do I do that?
 156 - You shovel the carcass into the furnace.
 157 - I've always been fascinated by transportation.
 158 - - Do you have any jobs available? - Yes, road-kill remover.
 159 - Except, sometimes the critter's not quite dead.
 160 - In that case, you gotta shoot it. You're the "triggerman."
 161 - I've always been fascinated by
 162 - meat.
 163 - - Do you have any jobs available? - Yes. Triggerman.
 164 - Please tell me you're kidding.
 165 - The cows don't kill themselves, son.
 166 - Although, I did see one walk right off a cliff once.

167 - Stock boy. Need a stock boy.
 168 - Not you.
 169 - So, if I work here, will I have to slaughter anything?
 170 - No, we're a bank.
 171 - We're looking for tellers.
 172 - And just to be perfectly clear, I won't have to murder any animals?
 173 - Whatever you do on your own time is fine with us.
 174 - Hello, First Midwestern!
 175 - Hi, I'm Jackie, and this is Steven.
 176 - Steven is a no-nonsense Sagittarius who's not afraid of hard work or true love.
 177 - I'm Dave, a shy Pisces who's looking for love,
 178 - and a salesman to sell on commission.
 179 - - The more you sell, the more you can earn. - That's perfect for him!
 180 - Steven, if you can get me to date you, you can sell anything.
 181 - Thanks, but, no thanks.
 182 - Wait...
 183 - Are you nuts? That guy almost offered me a job!
 184 - - So, what's wrong? - Did you hear him?
 185 - "The more you sell, the more you earn?"
 186 - The more you sleep, the more you earn. That's my job.
 187 - Damn, woman!
 188 - So, Nina, after walking around the job fair,
 189 - and hearing the word "job" a lot,
 190 - it gave me needs.
 191 - - No. We're at a job fair. - Please don't say that word.
 192 - Well, I can't go far from my booth, it's my job.
 193 - Stop it!
 194 - Hi.
 195 - One of your officers recently issued me a ticket.
 196 - - My name is Michael Kelso. - Michael Kelso.
 197 - Wait a minute. Officer Debbie?
 198 - Oh, my God! What happened to you?
 199 - You're like your own ugly sister!
 200 - - What do you want, Mr. Kelso? - What do I want?
 201 - I wanna know how one minute you're all wah-wah, and the next you're all...
 202 - - Good cripes! - Hey, now...
 203 - Well, I'm just saying, in your uniform you are like a totally hot police chick,
 204 - but out of your uniform, you're a total pie face.
 205 - Well, good God!
 206 - Wait a minute.
 207 - It's like you got all your charisma from your uniform.
 208 - What is happening to you? What? Are you having a stroke? What?
 209 - No, that's just how I look when I have an idea.

210 - To Eddie.
 211 - Love, Hot Donna.
 212 - Hot Donna has now signed 87 guys!
 213 - And two girls.
 214 - It's like, who knew, in our little town?
 215 - Well, I can see you got over your little bout of shyness.
 216 - What the hell? They think I'm hot. And you know what?
 217 - Hot Donna rules!
 218 - So, great news. I got a job at First Midwestern Bank.
 219 - Oh, my God! Eric.
 220 - I know. And they have branches all over Wisconsin,
 221 - so wherever you go to school, I'll have a job.
 222 - I'll save some money. I can start school, like, a year after you.
 223 - And I don't even have to slaughter animals.
 224 - Was that ever an option?
 225 - Apparently it's the invisible industry of Point Place, yeah.
 226 - I'm actually surprised the streets aren't running red with blood.
 227 - Well, Steven, it is obvious you don't want a job.
 228 - No. I'm just holding out for one that has a cash register
 229 - with a lock that's very, very easy to jimmy.
 230 - - Oh, God! Excuse me. - Oh, that's okay. I probably deserved it.
 231 - Roy.
 232 - Steven?
 233 - Hey, man. Long time no see.
 234 - When my dad left, my mom signed me up for the Big Brother program,
 235 - and I got Roy. And we had some good times before you left town.
 236 - - Yeah, I moved in with a wonderful woman. - Oh. What happened?
 237 - She found out I was living there.
 238 - Roy has some problems with people.
 239 - They don't like me. Yeah. You don't like me, right?
 240 - Not really.
 241 - But to be fair, I have very high standards.
 242 - Yeah? She's really nice, Steven.
 243 - Hey, so what are you doing here?
 244 - I work here. Hotel kitchen manager.
 245 - I was gonna put out word that we are looking for a cook,
 246 - but then I figured, why bother?
 247 - They'll just leave me like everybody else.
 248 - So, Roy, you seem a little depressed there.
 249 - - Yeah, I'm teetering on the brink. - Hmm.
 250 - - Maybe I can do something to cheer you up. - Really?
 251 - Oh, that'd be great.
 252 - So, I'm on the Golden Gate Bridge, and everyone's telling me to jump.
 253 - I was just out for a jog.
 254 - Okay, Roy, here's what I'm gonna do for you.
 255 - I'm gonna take that job as cook, and keep you company,

256 - on two conditions.
 257 - I'm not gonna work very hard, and you're gonna have to pay me a lot.
 258 - But, man, it'll be a bargain,
 259 - considering the money you save on hookers and shrinks.
 260 - Great. And if it's work-related, I can call you at home.
 261 - Now I have a reason to get a phone.
 262 - Steven, you're a chef!
 263 - If you can learn to make those fancy deviled-egg thingies,
 264 - I will lose my freaking mind!
 265 - So, how's the day going?
 266 - Well, let's see. I interviewed 15 potential employees:
 267 - 10 dumb asses,
 268 - four cretins and a mama's boy.
 269 - I vote for the mama's boy. I think they're sweet.
 270 - Hey, Dad! Guess what.
 271 - I got a job at First Midwestern, so Donna and I can stay engaged.
 272 - I'll work, she'll study, and in a few years, I can pay for my own tuition.
 Yay! I win!
 273 - Great news!
 274 - I'm gonna be a cop!
 275 - No. No, listen. It's perfect for me.
 276 - The uniform will keep me looking hot, even when I'm old.
 277 - And plus, I love helping people.
 278 - No, you love humping people.
 279 - Eric, a lot of times humping is helping.
 280 - So, you're really gonna be a cop?
 281 - Well, he did shoot me, so we know he's good with guns.
 282 - And you just know they're gonna partner him up with a dog.
 283 - Actually, you know what? It's kind of perfect.
 284 - He'll get to run through people's backyards with a stick.
 285 - He does that anyway.
 286 - The important thing is, is that I'll be performing
 287 - a very valuable community service.
 288 - And plus, I'll be sexy forever.
 289 - I mean, just think about it.
 290 - Nobody move! This is a robbery.
 291 - Not in my town, dirt bag.
 292 - Oh, Officer, not only did you perform a valuable community service,
 293 - you'll be sexy forever!
 294 - All in a day's work, ma'am.
 295 - Now, let's get you into something a little more comfortable.
 296 - - But I'm already in a bikini. - I know.
 297 - Kelso, you do realize you'll have to help ugly people, too.
 298 - Nah. I'll just leave that for the fat cops.
 299 - Hey. I just got off the phone with the bank.
 300 - And I didn't get the job, because someone gave me a bad reference.

301 - And then I thought to myself, "Hmm. I've only had one boss." You!
 302 - I can't believe you blackballed your own son!
 303 - As usual, I don't know what the hell you're talking about.
 304 - Oh, so you're not even man enough to admit it? You know what I think?
 305 - I think you're a bitter, old man who's so miserable in his life,
 306 - that you have to make everyone else just as miserable as you are!
 307 - - You're pathetic! - Honey.
 308 - Your father didn't call the bank manager, I did.
 309 - Mom, please stay out of this.
 310 - What was that?
 311 - - I gave you the bad reference. - Oh.
 312 - Then...
 313 - I'm just kidding.
 314 - Eric, if you take a bank job and put off school,
 315 - you'll never go to college, and the bank manager agreed with me.
 316 - Plus, I told him you were bad at math.
 317 - So, there's no job money to pay for college,
 318 - no money from you guys to go to college.
 319 - Wow. I guess we're really hoping for that football scholarship, huh?
 320 - I have a compromise.
 321 - Your father and I will pay for college
 322 - if you and Donna will agree to just put off your engagement for one year.
 323 - I'm not compromising anything!
 324 - He said some hurtful things.
 325 - No. I'm sick of being controlled by both of you guys.
 326 - You guys can keep your money, okay? 'Cause guess what,
 327 - I don't want it!
 328 - Ma'am! Sir!
 329 - We got a call about a domestic disturbance.
 330 - Get out of here.
 331 - Okay, but if I gotta come back out here, somebody's going downtown.
 332 - Well, quit it. I'm just practicing.
 333 - And this is the pantry.
 334 - If you ever get really depressed, it's a good place to go and cry.
 335 - Also, it's where we keep the mustard.
 336 - All right, cool. Well, I guess I'll see you on Monday.
 337 - Okay!
 338 - Okay, man. Okay, Roy.
 339 - Get off me!
 340 - Oh, I almost forgot to show you the walk-in freezer.
 341 - A little privacy, please!

1.19 Episode 19: Bring It on Home

1 - It's the A-bomb! Duck and cover!
 2 - I bet Eric's trying to sneak out.

3 - Red, Red, wait, wait. What if it's a burglar?
 4 - What's a burglar gonna steal from us?
 5 - My Shirley Temple figurines.
 6 - Oh, I knew I shouldn't have told Liz Anderson about them.
 7 - Her nephew's been in jail, you know.
 8 - Oh! Look at this. Some guard dog.
 9 - You know, we could be trampled by Mongolians,
 10 - this thing wouldn't even wag its tail.
 11 - Hey. I heard a scary noise.
 12 - Good God. Are you nude?
 13 - No.
 14 - I'm wearing my toga.
 15 - - There it is again. - That's it, I'm getting my bat.
 16 - All right, calm down. It's probably just Steven trying to sneak out.
 17 - What if it's not Steven? What if the burglar has Steven?
 18 - Well, then we'll try to talk him into taking Eric, too.
 19 - - Okay, let's do this. - Look at him.
 20 - Bare-assed and holding a plastic bat.
 21 - That's your son, Kitty.
 22 - What kind of burglar robs people on a weeknight?
 23 - Doesn't he have a job to go to in the morning?
 24 - - Jackie? - What the hell?
 25 - - Oh, my God! - Oh, my God!
 26 - Forman, are you naked?
 27 - Hanging out
 28 - Down the street
 29 - The same old thing
 30 - We did last week
 31 - Not a thing to do
 32 - But talk to you
 33 - We're all all right
 34 - We're all all right
 35 - Hello, Wisconsin!
 36 - Who the hell do you think you are,
 37 - bringing a girl into my house in the middle of the night?
 38 - And right in our basement. We keep our Christmas decorations down there.
 39 - Baby Jesus was watching.
 40 - I told you to look where you were going.
 41 - But what idiot leaves a Lego set right in front of the door?
 42 - You knocked over my space command center?
 43 - I spent three hours building that.
 44 - All right. Now what is going on in my basement?
 45 - Jackie's been sleeping here the last couple of weeks.
 46 - Couple of weeks? This is not the Playboy Mansion, you know.
 47 - - Look, nothing was going on. - Nothing was going on?
 48 - Space command centers were ruined!

49 - Would you please go put some pants on?
 50 - This is where I eat.
 51 - Jackie's only been staying here
 52 - 'cause her dad's in jail and her mom's still not back yet.
 53 - Steven! That's private.
 54 - Your mom's not back yet? You told me she came home.
 55 - Look, can we not talk about this? I'm fine. Okay? Everything is fine.
 56 - - But if you need a place... - No, no, no. I don't need anything.
 57 - Look, I'm only here 'cause...
 58 - I am such a tramp.
 59 - So, I should just go home and try to control my dirty urges.
 60 - Jackie, you're not going home. There's nobody there.
 61 - All right, look, Jackie, tonight you can sleep in Laurie's room,
 62 - and then tomorrow, we'll track down your floozy mother.
 63 - Honey, do you have any idea where she might be?
 64 - Well, the last postcard I got had a picture of some guy with a bone through his nose.
 65 - What is that, like, Tennessee?
 66 - Hey, Donna, this just in.
 67 - Your weirdo boyfriend sleeps in the nude.
 68 - Yeah, so? I do, too.
 69 - Oh, yeah!
 70 - Oh, I can see it now,
 71 - and it is glorious.
 72 - Excuse me.
 73 - Jackie, I can't believe your parents are gone.
 74 - I'm so sorry.
 75 - Okay, everybody needs to stop worrying about me. I'm fine.
 76 - I mean, how could I not be?
 77 - Mrs. Forman did my hair and made me smiley-faced pancakes.
 78 - Eric, this house is like a shabby hotel with really great service.
 79 - Oh, hey, while you're visiting,
 80 - here's my Lego set and a picture of the space command center.
 81 - Okay? Get building.
 82 - And I swear to God,
 83 - if my three-man escape pod doesn't fit the star bay, heads are gonna roll.
 84 - I have a question.
 85 - If Hyde was in Hyde's bed, and Jackie was in Hyde's bed,
 86 - what exactly was going on in said bed?
 87 - - Nothing. She needed a place to sleep. - "Needed a place to sleep?"
 88 - Well, a bed is an interesting choice, now, wouldn't you say?
 89 - Oh, shut up, Michael. It's not like we were doing it.
 90 - Oh, come on, Jackie.
 91 - You can't sleep in the same bed with someone and not be doing it.
 92 - I've fallen asleep not doing it and woken up doing it.
 93 - And that's why they won't put him to sleep at the dentist.

94 - Guys, I don't know what's going on with Nina.
 95 - I keep asking to meet her parents, but she keeps making excuses.
 96 - It's probably the same reason I won't let you meet my parents.
 97 - I mean, she's afraid you're gonna say something weird and embarrass her.
 98 - Oh, please. I'm a hot-looking, smooth-talking, frisky-assed son of a bitch.
 99 - Hey, Fez. Right there. That's like...
 100 - That's like a really weird thing to say.
 101 - Yeah, I mean, we're used to you, but, dude, you're weird.
 102 - I mean, and for Nina to let you meet her parents, I...
 103 - I think what Kelso's trying to say, is that
 104 - maybe you don't make the best first impression.
 105 - Like, remember the first time you met my parents?
 106 - - Mom, Dad, this is Fez. - Well, hello there.
 107 - He did what?
 108 - Yeah, and then it actually got even more disturbing.
 109 - Get this creepy bastard off me!
 110 - Man, I never heard that story.
 111 - Wait, so how was Forman's mom?
 112 - Well, at first she was giving me nothing,
 113 - but by the end she was giving me something.
 114 - Yeah, she's spunky!
 115 - - Man, I'd kiss your mom. - Oh, my God.
 116 - How could Jackie's mother abandon her only child?
 117 - I have half a mind to take this public.
 118 - We could go on Donahue.
 119 - No. Go on Carson, he's funnier.
 120 - One time, the animal guy was on,
 121 - and his parrot dooked right on Johnny's head.
 122 - Dad, I think you're missing the point.
 123 - We need to find Jackie some place to stay, you know?
 124 - Where she won't be all alone.
 125 - I can get her a room at the hotel I work at.
 126 - No, Jackie is not staying in a hotel. We have an empty room right here.
 127 - Kitty, every time we have an empty room, you wanna fill it up with a
 stray child.
 128 - You're like the old lady who lived in a shoe.
 129 - Did you just call me "old"?
 130 - Okay. Okay. Here's what I think.
 131 - Oh, hey, everybody! Mr. Nude has an opinion.
 132 - I'm sure we're all interested in what Mr. Nude has to say.
 133 - Floor's all yours,
 134 - Mr. Nude.
 135 - Never mind.
 136 - Well, I guess he was just thinking about being nude.
 137 - What is wrong with you people?
 138 - There is nothing funny about a teenage girl

139 - whose mother abandoned her.
 140 - You know, we're all Jackie's got. We can't just turn our backs on her.
 141 - Donna, you're right.
 142 - You tell Jackie she can stay with us.
 143 - What? No. No, she can't stay with us.
 144 - - Sure. She can stay in your room with you. - But...
 145 - Oh, you're all gonna pay for this!
 146 - I can't believe my dad's making me ask Jackie to move in with us.
 147 - This is gonna be a nightmare.
 148 - "Donna, where's your spirit?"
 149 - "Donna, you're still hungry?"
 150 - "Donna, your lumberjack head is blocking out the sun."
 151 - You know, I'm not too big, all right? She is too small.
 152 - Okay, just for the record,
 153 - I don't sleep nude for any disgusting reason.
 154 - I'm just a hot sleeper.
 155 - Okay, I'm not a hot sleeper.
 156 - I'm 17 years old, okay? I sleep right next door to the girl I love.
 157 - Things occur to me, okay?
 158 - If I'm already nude, you know, I mean, it just saves time.
 159 - Guys, Nina agreed to let me meet her parents.
 160 - And to seem completely normal,
 161 - I've come up with the perfect opening line for Nina's mother.
 162 - "Hello, Mrs. Bartel, I can see where Nina gets her lovely ass."
 163 - You're so weird, man.
 164 - You know what? There's a way around that.
 165 - I'm gonna make you so beautiful,
 166 - that Nina's parents don't notice how freaking weird you are.
 167 - Being beautiful, that's how I get away with stuff.
 168 - Except my problem is, I gotta tone it down,
 169 - 'cause otherwise the chick's mom gets interested.
 170 - Then we got a big problem.
 171 - Now, let's make you man-pretty.
 172 - Okay. I've been thinking about what to do with Jackie,
 173 - and I think we're overlooking the mobile home option. Okay?
 174 - You could park her right in the driveway,
 175 - and we'll all know she's safe in her own little steel box.
 176 - Donna, what... You have to let her stay with you. Come on.
 177 - - She's your best friend. - - She's not my best friend.
 178 - Well, then, who's your best friend?
 179 - Oh, crap! How the hell did that happen?
 180 - Oh, look. Mr. Nude is helping.
 181 - Mr. Nude, huh? That was my nickname in college.
 182 - Dad, you didn't go to college.
 183 - Didn't stop me from getting a nickname.
 184 - Uh-huh. So, are you all gonna be here for this?

185 - 'Cause I don't think Jackie's gonna be cool with that.
 186 - Well, Steven, everybody needs support.
 187 - Like this one time, I left the supermarket in a really bad mood,
 188 - and then I met these very nice people, the Hare Krishnas.
 189 - They sang me a song, they gave me some rice.
 190 - It was just the little pickup I needed.
 191 - You know, if I hadn't had to make dinner, I might've gotten into their van.
 192 - Yeah, those freaks were hassling me once, too,
 193 - so when they weren't looking, I stole five boxes of Thin Mints.
 194 - Kelso, those were Girl Scouts.
 195 - Whatever, man. They were pushy.
 196 - Here comes Jackie.
 197 - Well, I think this is a big mistake,
 198 - so when this blows up in your face, don't come looking for me.
 199 - I'll be busting up Forman's space station again.
 200 - Jackie. Jackie, Donna has something she wants to ask you.
 201 - Donna.
 202 - So, Jackie, we were all thinking
 203 - that you might come stay with me for a while,
 204 - since you're having such a hard time right now.
 205 - God, I am so sick of this! I don't have hard times!
 206 - I'm Jackie Burkhardt.
 207 - I got voted head cheerleader by the largest margin in cheerleader history.
 208 - Okay? I have a wonderful life.
 209 - Yeah, but, Jackie, your dad's in prison, and your mom...
 210 - Well, yeah, I'm sorry, Donna,
 211 - but you're just not popular enough for me to live with.
 212 - I'm not popular enough?
 213 - I was doing you a favor 'cause I felt bad for you.
 214 - Well, don't, okay? I don't need to be your good deed for the day.
 215 - Fine. There's the door.
 216 - Don't let it hit your popular little butt on the way out.
 217 - Fine.
 218 - Well, that was pretty hot.
 219 - ...and that is how you make a canoe out of banana skins.
 220 - Oh!
 221 - They love me, see? There's nothing to worry about.
 222 - - Great, then we should get going. - Oh, oh, don't go.
 223 - Oh, it's such a pleasure having someone so exotic in our home.
 224 - We're so happy that Nina has made a friend of you, Fez.
 225 - Well, maybe it's because I'm so handsome, and not at all creepy.
 226 - And, by the way, I see where Nina gets her lovely ass.
 227 - Hey, I was talking to you, Mr. Bartel.
 228 - Oh, my!
 229 - Honey, you are really broadening your horizons.

230 - Having a friend like this is gonna look great on your college application.
 231 - Yes, we always enjoy meeting Nina's friends.
 232 - Oh, you keep calling me her "friend." Don't you mean, her "boyfriend"?
 233 - Boyfriend?
 234 - - What's so funny? - Oh, you can't be her boyfriend.
 235 - - Why not? - Because you're... What's the word, honey?
 236 - - Different? - Okay. Different.
 237 - Oh, I see.
 238 - - You mean, "not white." - Fez, no.
 239 - I think I'll be leaving now. Good day.
 240 - - Fez, wait... - I said, "Good day."
 241 - And by the way, I hope you do not have a good day.
 242 - And then when I asked her to live with me, she said I'm not freaking popular.
 243 - Am I not on the radio all the time as "Hot Donna"?
 244 - Okay? There are "Hot Donna" posters all over town, objectifying me.
 245 - Is Jackie being objectified? No!
 246 - She only said that 'cause you embarrassed her in a room full of people.
 247 - It was like a damn telethon in there. The only thing missing was Jerry Lewis.
 248 - So, what, it's my fault 'cause I didn't ask her right?
 249 - Okay. How about when your mom left?
 250 - Think about how you would've felt if you walked into a roomful of people,
 251 - everyone's talking about how sad your life is, and how much they pity you.
 252 - Yeah, I guess I get that.
 253 - I'm just saying that Jackie needs a place to stay,
 254 - and it'd be really cool
 255 - if maybe you could ask her in a way that doesn't make her feel bad.
 256 - Fine.
 257 - But she didn't have to call me unpopular, okay?
 258 - Unpopular girls don't get free Slurpees from Tommy at the 7-Eleven.
 259 - Donna, two years ago, Tommy tried to jump a school bus on his moped.
 260 - He didn't make it, and now he gives everyone free Slurpees.
 261 - So, you see, Jackie, the reason I asked you to stay with me before,
 262 - is because, well, you were right.
 263 - I am unpopular.
 264 - Go on.
 265 - I'm too tall,
 266 - and... And red hair is gross.
 267 - And, well, if I don't do something soon,
 268 - my unpopularity is gonna follow me to college,
 269 - unless you help.
 270 - Please come stay with me.
 271 - Jackie,
 272 - help me be more like you.

273 - Well, as long as everybody knows I'm doing it for you,
274 - I'll do it.
275 - Great.
276 - Hey, Donna. Thank you.
277 - You're welcome.
278 - Okay. First things first.
279 - If you wanna be more popular, you're gonna have to break up with Eric.
280 - What?
281 - You know, I have been called many names since coming to this country,
282 - but I have never been treated like that before.
283 - You know, Fez,
284 - unfortunately, there are some people in this world
285 - that are gonna judge you on the color of your skin,
286 - or your funny accent,
287 - or that girlie little way you run.
288 - But you know what? You're not alone.
289 - Why do you think the Martians won't land here?
290 - 'Cause they're green, and they know people are gonna make fun of them.
291 - You said it, brother.
292 - I just wish there was someplace in the world where prejudice didn't exist.
293 - Well, that's Canada.
294 - Yup, good old Canada.
295 - They don't make generalizations about people
296 - 'cause they're too busy playing hockey, or getting drunk,
297 - or putting maple syrup on their ham.
298 - - Fez, we need to talk. - Hey! He might not be from this country,
299 - but he's beautiful, damn it!
300 - Nina, our relationship is over. My self-respect demands it,
301 - and there's nothing you can say to make me change my mind.
302 - Fez, my parents are jerks,
303 - and I wanna get back at them by doing it with you on their bed.
304 - Except that. Thanks, Kelso.
305 - Fire! Fire!
306 - - What are you doing? - Well, look at this.
307 - Mr. Nude is still nude.
308 - - You're nuts. - Wow.
309 - Strong words from Mr. Nude.
310 - We're doing this every night until you put on some bottoms.
311 - Fire!
312 - Fire!

1.20 Episode 20: No Quarter

1 - Donna, you're so sweet for letting Jackie
2 - live here with you while her mom is...
3 - You know.

4 - Whoring around Mexico?
5 - Donna, that is not fair.
6 - I think she left Mexico.
7 - Well, you know, Jackie and I might have fun.
8 - It's sort of like a slumber party. Mmm-hmm.
9 - Yes, late-night girl-talk,
10 - hot oil massages,
11 - and the furtive whispers of, "We shouldn't!"
12 - And then, "Shh! It's okay!"
13 - Is that all you're bringing?
14 - Oh, just a couple more small things.
15 - Out of the way, Jackie.
16 - Coming through!
17 - Got a buttload!
18 - Heavy. Can't feel my fingers!
19 - Yup!
20 - Ooh.
21 - Jackie's panties! Hey, Hyde.
22 - If these babies could talk,
23 - I bet they could tell some pretty good stories about me!
24 - Yeah, I bet they'd have a French accent, too.
25 - My girlfriend's panties, Kelso?
26 - Is that really a road you wanna go down with me?
27 - What's that, panties?
28 - Oh, no, I can't tell Hyde that one! Naughty panties!
29 - What's that, fist? It would be my pleasure.
30 - Here you go. One general-issue military cot,
31 - slightly used from my days in the National Guard.
32 - Well, it's good to know that the National Guard
33 - was getting a good night's sleep
34 - while I was in the South Pacific
35 - dodging bullets and using coral as toilet paper!
36 - So, I don't think there's gonna be room for everything.
37 - Oh, Donna, sure there will. I only brought the stuff I absolutely needed.
38 - All right. Where goes the horse?
39 - Guys, if I enroll in the police academy in the fall,
40 - I can be busting heads in a year!
41 - Freeze, dirtbag!
42 - Wow, you did make me freeze.
43 - But I was a dirtbag long before you came along.
44 - Hey. Says here, you're supposed to start getting into shape now.
45 - No, no, that's not for me. That's for the regular guys.
46 - I haven't done a lap in gym class
47 - since I had my eighth-grade growth spurt,
48 - and Miss Brady made me her special assistant.
49 - Guys, look at this. I just got another collection letter

50 - from the jewelry store about Donna's engagement ring.
 51 - Man, I gotta get some money, or I'm screwed.
 52 - Well, there's a job at the hotel.
 53 - My boss would have hired you. Then he talked to Red.
 54 - Well, I gotta do something. This is a very threatening letter.
 55 - "Call us immediately"?
 56 - It's in all capital letters.
 57 - Look at you. Another dirtbag dodging his responsibilities.
 58 - Not on my beat. Game over, dirtbag!
 59 - Man, I wish I had some handcuffs.
 60 - Here, use mine!
 61 - I'm learning to do magic.
 62 - Hanging out
 63 - Down the street
 64 - The same old thing
 65 - We did last week
 66 - Not a thing to do
 67 - But talk to you
 68 - We're all all right
 69 - We're all all right
 70 - Hello, Wisconsin!
 71 - Jackie.
 72 - I thought you were gonna put everything away.
 73 - I did. The hardest thing was finding room for my shoes.
 74 - But then I realized I could just fit them inside your shoes.
 75 - Uh-huh.
 76 - Look, let's just get some sleep.
 77 - Good night. Good night.
 78 - Jackie! Turn that off!
 79 - See, Donna, I need music to fall asleep.
 80 - See, I wear earplugs so I can just barely hear it,
 81 - but it needs to be loud enough,
 82 - because I like the vibration on the bed.
 83 - So, how am I supposed to get to sleep?
 84 - Think of something boring, you know,
 85 - like school, or Eric.
 86 - Hey.
 87 - I sold some of my albums to get some money for Donna's engagement ring.
 88 - Made three bucks.
 89 - Which means I am... Let me see, carry the one...
 90 - Oh! Still completely screwed.
 91 - They wouldn't take Anne Murray's Greatest Hits?
 92 - Is this whole crazy world turning upside down?
 93 - Hey, be nice to Anne, okay? She's a beloved Canadian songstress.
 94 - And I'm glad they didn't take her, because,
 95 - well, the worse I feel, the more I need her.

96 - Why do you have money?
 97 - What'd you do, mug a Girl Scout?
 98 - No, I've been selling my albums.
 99 - Oh, I hope you didn't sell that Froggy Went A-Courtin' record.
 100 - You know, when we were toilet-training Eric,
 101 - I'd say, "Does someone need to go a-courtin'?"
 102 - And he would just run straight off and make a jobby.
 103 - You know, it occurs to me that since I paid the allowance
 104 - that bought those records in the first place, that money's mine.
 105 - Well, it occurs to me that possession is 9/10ths of the law.
 106 - Keep up with the smart mouth,
 107 - and my foot will be 9/10ths of the way up your ass.
 108 - You know, Forman, you should write a book.
 109 - Things My Father Threatened To Put In My Ass.
 110 - "Chapter One, His Foot."
 111 - I'd buy that.
 112 - Ew!
 113 - Donna, don't you knock?
 114 - Not when it's my room!
 115 - Well, we're in here, so...
 116 - Yeah, well, I'm in here, so...
 117 - Hey, if you wanna watch, I can get into that.
 118 - Have a seat on the horse.
 119 - Hey, how was your weekend, Roy?
 120 - Oh, pretty good.
 121 - Think I might have met a woman.
 122 - Aw, that's great, man.
 123 - She's staying at the hotel.
 124 - When I took butter to her table,
 125 - she looked right at me and said,
 126 - "Took you long enough."
 127 - Huh?
 128 - All right! Here I am!
 129 - Oh, Steven, meet our new kitchen assistant.
 130 - You hired Kelso?
 131 - Do you know how many fires this guy's started?
 132 - Three electrical, two chemical,
 133 - and one that even surprised me.
 134 - Well, I wanted to help him out,
 135 - and he said he needed a job.
 136 - Yeah, if I'm gonna be a cop, I gotta quit modeling, I mean...
 137 - I can't have the perps looking at pictures of me half-naked.
 138 - Oh, and everywhere I work, I like to feel at home,
 139 - so I brought a little something of Jackie's.
 140 - Okay, I think that's a health-code violation,
 141 - but I'm gonna look the other way,

142 - which is hard to do, 'cause, look, panties!
143 - Yeah, I burned you with the panties again!
144 - Two days, two locations. That burn is on tour.
145 - Yeah.
146 - I guess Roy didn't make things clear, but,
147 - all new hires are on probation.
148 - So, at the end of the week, I get to say whether you stay or go.
149 - Yeah, nice try.
150 - No, I'm serious, man, it's all up to me.
151 - So you might wanna try and get on my good side.
152 - Oh, excuse me.
153 - Yes, may I help you?
154 - Oh. Hello, Fez.
155 - Fenton.
156 - You two know each other?
157 - I don't wanna talk about it. Well, there's nothing to say.
158 - You can say that again. Don't tell me what to do.
159 - Oh, you'd like that, wouldn't you? Maybe I would!
160 - Then there's nothing to say!
161 - Yeah.
162 - I have a question about this letter.
163 - See, I don't think I'm gonna be able to make a ring payment anytime soon,
164 - so I was wondering if maybe we could work out some kind of a deal.
165 - Fine. Here's a deal. You're gonna have to come up with the money by Friday,
166 - or bring the ring back to the store.
167 - What? Bring the ring back? No, I can't do that.
168 - You can, and you will. No later than 5:00.
169 - I have a party at 8:00. I need the time to dress.
170 - Eric, you're going to want to do what he says.
171 - I've been at the other end of Fenton's stick,
172 - and believe me, that's not a place you want to be.
173 - And even though I ain't got money
174 - I'm so...
175 - Who am I kidding?
176 - After I can't pay for Donna's ring,
177 - no one's gonna be in love with me, honey.
178 - Must you mock me, Anne Murray?
179 - Kelso, because of your panty shenanigans,
180 - I'm banning you from the circle.
181 - I hereby ban you!
182 - I also hereby eat your burrito.
183 - Hey, Hyde? You're not the boss of me!
184 - Oh, right. Well, you can't tell me what to do!
185 - Shoot.

186 - Well... Well, at least I'm still my own man.
 187 - No, I'm not!
 188 - What do you suppose
 189 - Jackie and Donna are doing in the room right now?
 190 - Combing each other's hair?
 191 - Applying moisturizer to their all-overness?
 192 - Oh, to be a fly on that boob.
 193 - All I know is, I gotta go tell the woman I love
 194 - that the ring I gave her for all eternity,
 195 - was actually for only six-and-a-half weeks.
 196 - Life's a little more complicated
 197 - than one of your simple little ditties, isn't it, Anne Murray?
 198 - Anne Murray.
 199 - What do you know about hard times?
 200 - Canada?
 201 - You wanna borrow our shower?
 202 - Jackie used up all our hot water bathing her dolls.
 203 - Normally, I'd rather hose off in the driveway than ask you for a favor,
 204 - but I'm afraid Bob will wanna act out some car-wash fantasy.
 205 - You got me there!
 206 - Come on, Jo-Jo, we can save water if we soap up together.
 207 - And when they're done, I'm retiling the whole damn bathroom.
 208 - Okay, so
 209 - you're absolutely positive that my hairnet has to be pink?
 210 - It's gotta match your apron.
 211 - You're pretty.
 212 - Jackie, if you're gonna stay here,
 213 - we need to set up a few ground rules.
 214 - Okay? You can't just...
 215 - What happened to my Led Zeppelin poster?
 216 - Oh, I put up the Captain Tennille instead.
 217 - No, no, no, no.
 218 - No way is my Led Zeppelin becoming The Captain Tennille.
 219 - Led Zeppelin wishes they could be The Captain Tennille.
 220 - What did you say?
 221 - Hey, Donna. I need to talk to you for a second.
 222 - I have been thinking all day
 223 - about your eyes.
 224 - What?
 225 - Yeah, your eyes. They're so beautiful and shiny.
 226 - And, hey, you know what else is shiny?
 227 - This diamond ring on your finger,
 228 - which has to go back to the store, because it isn't paid for.
 229 - Because you can put a price tag on a ring, but, you know,
 230 - who can put a price tag on your eyes?
 231 - Only God, that's who.

232 - You're taking back my ring?
233 - Yeah. I'm sorry.
234 - I...
235 - Man, I wish there were another way,
236 - but my dad won't let me have a job, and...
237 - I mean, I can't make the payments.
238 - God, I'm really sorry.
239 - Oh, it's okay, Eric.
240 - I mean, it doesn't change
241 - the way we feel about each other.
242 - As long as we have that, I don't need a silly ring.
243 - Donna, you didn't give me the ring.
244 - Yeah, I... I thought you'd think I did.
245 - All right.
246 - Here.
247 - Donna, I promise,
248 - I'm gonna make this up to you.
249 - Okay.
250 - Donna, you gave me a quarter.
251 - Mmm, fine.
252 - Hello, Mr. Forman. And you.
253 - Shut your filthy mouth!
254 - Look, here it is. Here's the ring back.
255 - Oh, honey, that's paid for.
256 - What?
257 - Someone came in and paid through the end of next month.
258 - I'm not supposed to say who, but she sure was a pretty little number.
259 - I guess.
260 - You know what? It was Donna.
261 - I can't believe she'd go behind my back like this!
262 - I cannot believe that this man would go behind my back
263 - and take what was given to me by God himself.
264 - All right, what happened between you two, anyway?
265 - I'm too much of a man to say.
266 - But it involved a half-off sale,
267 - a crowded parking lot, and a pair of pants
268 - that make my ass look like an oil painting.
269 - If you mean, old and cracked, then I agree.
270 - I'll see you in hell!
271 - Well, I'll be wearing your pants!
272 - Okay, I'm feeling a little in the way here, so... I'm... I'm...
273 - Oh, Roy. Hey, how's it going with that hotel chick
274 - that was all over you, asking for butter?
275 - Well, I had this idea to surprise her with flowers,
276 - but when I did, she started screaming and hitting me.
277 - And I guess the lesson is, don't hide in someone's shower.

278 - I don't know what's wrong with chicks, man.
 279 - If I came home, and some strange girl was in my shower,
 280 - that would be the greatest day of my life!
 281 - Yeah!
 282 - So, what are you doing?
 283 - Oh, Hyde's making me do his laundry.
 284 - Then after this, I gotta clean out the toilets,
 285 - and hand-test all the mousetraps.
 286 - This probation period is killing me.
 287 - Did Hyde tell you there was a probation period?
 288 - Oh, man! That guy really knows how to enjoy life!
 289 - Wait. You mean, Hyde's just messing with me?
 290 - I don't have to worry about getting fired?
 291 - Well, if I didn't get fired for hiding in some woman's shower,
 292 - I think your job's secure.
 293 - Hey, guys.
 294 - Hey, Kelso, be careful, huh? Some of those T-shirts are delicate.
 295 - Oh, I'm... I'm sorry, man. I'll be extra careful.
 296 - I wouldn't want to do anything to screw up my probation period!
 297 - Hey! I wanna play!
 298 - Come on, buddy. Somebody spray me.
 299 - Hey, Hyde, maybe you could use these to dry off with.
 300 - Probation period!
 301 - Jackie read my diary, Mrs. Forman.
 302 - And she even wrote little comments inside.
 303 - Yeah, like, "Oh, this could never happen."
 304 - And... And, "Donna, that guy was whistling at me, not you."
 305 - I can't take it anymore! I'm kicking her out.
 306 - But, Donna, the poor girl has nowhere to stay.
 307 - She can't stay here!
 308 - She can't stay anywhere near here.
 309 - Bob was in our shower again.
 310 - This morning, I pulled something out of our drain
 311 - that I could not believe came off a human body.
 312 - Oh, Donna, there you are.
 313 - Okay, look, we have to talk about your makeup collection.
 314 - Chapstick is not lipstick.
 315 - Jackie, sit down.
 316 - Look, we need to talk about you and me living together, okay?
 317 - Donna! Because it's just...
 318 - I just came from the jewelry store.
 319 - You can't pay for your own engagement ring!
 320 - This ring is from me to you, not from me to you, paid for by you.
 321 - That's like cutting off my bal...
 322 - ...lerina shoes.
 323 - Eric, I didn't pay for the ring.

324 - Well, Fenton at the jewelry store
325 - said there was a pretty little number who...
326 - Oh, my God. Mom?
327 - You're the pretty little number.
328 - Well, I... I do like hearing that
329 - once in a while.
330 - But it wasn't me.
331 - Well, I don't know, Dad, some men might consider you...
332 - You just can't stop talking, can you?
333 - Eric, I paid for the ring.
334 - What? What?
335 - Look, Donna, I read in your diary
336 - that you think I'm kind of hard to live with,
337 - and, well, I realized you were right.
338 - And I wanted to show you that I know, and I'm sorry.
339 - And, well, thank you.
340 - Well, gosh, Jackie, how very sweet, and
341 - uncharacteristic of you.
342 - Well, I know how much you loved that ring,
343 - and I wanted to do something nice.
344 - Wow, thanks.
345 - You know, Jackie, some people, if they wanna be nice,
346 - they just actually start being nicer on a day-to-day basis.
347 - Yeah, I figured it'd be easier to write a check.
348 - Jackie! Jackie!
349 - I heard something underneath my bed.
350 - Fez?
351 - Meow!
352 - Fez, the cat's outside.
353 - Woof, woof?
354 - Please, let me stay. Please, let me stay.
355 - I promise I won't make a sound.
356 - Well, I do make some sounds, but they're happy sounds!

1.21 Episode 21: Trampled Under Foot

1 - I'm telling you, the government has a car that runs on water, man.
2 - They just don't want us to know,
3 - because then we'd buy all the water.
4 - Then there'd be nothing left to drink but beer.
5 - And the government knows that beer will set us free.
6 - Hyde, you told us about that car a million times.
7 - Can we please talk about how hungry and horny I am?
8 - I wish I had a lady made of pizza,
9 - or a pizza made of boobs!
10 - Yeah, hungry, check. Horny, check.

11 - It's getting a little old, Fez.
 12 - God, I feel like I'm Luke Skywalker, you know?
 13 - Remember when he was living on Tatooine before R2 and 3PO showed up?
 14 - Just working on Uncle Owen's water farm all day.
 15 - Not even allowed to go into Toshie Station
 16 - to pick up some power converters.
 17 - Boring.
 18 - Eric, enough with the Star Wars crap!
 19 - Whenever you talk about that stuff, I frown,
 20 - and when I frown, my skin wrinkles,
 21 - and if I get wrinkles, my free ride is over.
 22 - And I like my free ride!
 23 - Yeah, we get it. You're good looking.
 24 - Look, doesn't anybody have anything new to say?
 25 - So, there's this car that runs on water, man.
 26 - It runs on water, man!
 27 - Okay, Nina, I brought you the special.
 28 - One small soda, one medium popcorn
 29 - and one large Fez, dark and sweet.
 30 - Fez, you know I've had a lot of fun hanging out with you.
 31 - Hey, 37 times of fun, to be exact.
 32 - It would have been 38, but you know... And then, again, I apologize.
 33 - Now, enjoy your meal. If you need me, I'll be smelling your neck.
 34 - Fez, I'm starting to feel like I need some space,
 35 - but I want you to know, it's not you, it's me.
 36 - Okay. Well, I guess tonight I'll be doing
 37 - number 12,377 of the other thing.
 38 - That's sort of gross.
 39 - Hey, it may be gross, but that's the way I learned how to count.
 40 - Hanging out
 41 - Down the street
 42 - The same old thing
 43 - We did last week
 44 - Not a thing to do
 45 - But talk to you
 46 - We're all all right
 47 - We're all all right
 48 - Hello, Wisconsin!
 49 - Six Million Dollar Man.
 50 - That's, like, a *20jumpsuitanda4* haircut.
 51 - Mmm. Where did all the money go?
 52 - I think we've seen this episode. Yeah.
 53 - And we were sitting in these exact same seats when we saw it.
 54 - Actually, you were sitting over there.
 55 - I remember, 'cause I could see up your skirt.
 56 - You guys, we do the exact same thing every day.

57 - TV, snack, nap. It's...
58 - You know what? This isn't a basement,
59 - this is a nursing home.
60 - Oh, I know something new we could do.
61 - Jackie, Donna, get naked.
62 - The rest of you guys back off and give us some room.
63 - Hello, friends of Fez.
64 - Hi. Where's Nina?
65 - Oh, she don't wanna hang out with me tonight.
66 - She said she needed some space.
67 - Ooh!
68 - Uh-oh.
69 - That's the same sound you guys made
70 - when I told you I was gonna grow my bangs out.
71 - Fez, when a girl says she needs space,
72 - it means that she's dumping you.
73 - Oh, no, you don't understand.
74 - She said it was her and not me.
75 - Oh!
76 - That ain't good.
77 - Oh, what's the big deal?
78 - Oh, man, I can't tell him.
79 - This is a job for someone who's cold, heartless
80 - and just inhuman.
81 - Jackie, go for it.
82 - Fez, when a girl says, "It's not you, it's me",
83 - what she really means is, it's you.
84 - So, I have really been dumped.
85 - Yep.
86 - Here's another tip. When a girl says she just wants to be friends,
87 - it means she wants you to do stuff for her, but she's not gonna put out.
88 - So, you know, heads up on that one.
89 - Yep. Women will screw you over every chance they get.
90 - That and breastfeeding. It just comes natural to 'em.
91 - So, Haji's girlfriend finally came to her senses.
92 - What happened? She didn't wanna be a fifth wife?
93 - Haji. All right.
94 - Well, it's her loss. The girls in my Friday night cribbage game
95 - will be thrilled to have Fez back at the table.
96 - You know what? At least Fez has a social life. Look at us.
97 - We're hanging out with my parents.
98 - Yeah, about that. Feel free to get the hell out.
99 - Well, I mean, we can do better than this.
100 - You guys, we're gonna graduate in two months,
101 - and there is a whole town out there just waiting for us.
102 - We just have to, you know, grab the bull by the horns.

103 - Okay, but I tell you this from experience.
 104 - If we're gonna mess with the bull,
 105 - we'd better have an escape plan.
 106 - Well, what are the popular kids doing tonight?
 107 - Well, I'll bet they're not hanging around with their parents
 108 - giving them snarky looks.
 109 - Well, I remember when the Brady kids got bored,
 110 - and then that fat kid, Oliver, showed up.
 111 - It just all turned around. They got in a pie fight and everything.
 112 - You know what? Kelso might actually be on to something.
 113 - Maybe we should look for someone new to hang out with.
 114 - All right! We're getting a fat kid!
 115 - You know, instead of adding someone,
 116 - maybe you should think about weeding out a few.
 117 - Like you, and you, and you.
 118 - I'm your son.
 119 - I can't play favorites.
 120 - You know, if you're looking for a new friend, how about Lance Crawford?
 121 - He's such a nice boy.
 122 - Mom, Lance Crawford and I hate each other.
 123 - You're just obsessed with getting his mother's peach cobbler recipe.
 124 - Well, what kind of a woman keeps a recipe a secret?
 125 - If that recipe were the polio vaccine, we'd all be in wheelchairs!
 126 - I don't like Lance Crawford.
 127 - He's always staring at me in this really creepy way.
 128 - And this one time, I saw him fiddling around in my locker.
 129 - When I opened it, there was a rose inside, and my gym socks were missing.
 130 - Donna, a little advice. You're not gonna want those socks back.
 131 - I can't think of anyone new I wanna hang out with.
 132 - All the girls I know are either too snobby or too slutty.
 133 - Yeah, I'm not good with the snobs,
 134 - but slutty's my bread and butter.
 135 - You know what we need are people
 136 - with stuff to offer, like Mark Herman.
 137 - He's got that dirt bike. I always liked him.
 138 - Sold it last week.
 139 - That punk. He's out.
 140 - Hey, Carrie Gerber has a trampoline.
 141 - Carrie Gerber also has a big hairy mole.
 142 - I don't wanna be bouncing around and get tangled up in that.
 143 - Eric? Eric.
 144 - Honey, there's someone here to see you.
 145 - Mom, if this another one of Dad's Marine Corps recruiters,
 146 - I'm gonna run away, I swear.
 147 - Lance Crawford? Mom.
 148 - Hello, Eric. Your father and I were just discussing

149 - how unrealistically space travel is portrayed in Star Wars.
150 - It was a long time ago, in a galaxy far, far away.
151 - Look, you either buy it, or you don't!
152 - What a lively conversation.
153 - I'll get some sodas.
154 - No, please, allow me.
155 - Why don't you stay here and chat with Mr. Unrealistic Space Travel.
156 - Yes, I'd love to explain the practical impossibility
157 - of the so-called lightsaber.
158 - You son of a...
159 - Red alert, you guys. Red alert!
160 - Lance Crawford is in the building!
161 - I'm getting the hell outta here!
162 - Wait, wait.
163 - What if he sees us sneaking out?
164 - Oh, Donna, leave one of your socks behind.
165 - What? It'll distract him.
166 - Nina, I thought we were so happy together. What happened?
167 - Fez, right now I'm at a point in my...
168 - Oh, cut the crap, heartbreaker.
169 - I want the truth!
170 - Okay, the truth is you're too needy.
171 - Too needy?
172 - I'm sorry, but a man in his sexual prime has needs.
173 - And you are lucky to have such a stallion at your disposal.
174 - No, your needs are fine,
175 - it's your neediness that's the problem.
176 - Then why didn't you say that?
177 - I didn't want you to make a scene.
178 - You didn't want me to make a scene?
179 - You didn't want me to make a scene?
180 - Ha!
181 - You dump Fez! I dump fries! There's your scene!
182 - Here's a dollar. Sorry about the scene.
183 - Oh, poor Fez. Too depressed to leave his room.
184 - That's it. You guys, we gotta cheer him up.
185 - Eric, knock first.
186 - If Fez is alone, I'm guessing he's not wearing pants.
187 - Oh, awesome! Wait. Let's catch him.
188 - Whoa!
189 - Check out all this great stuff.
190 - Oh my God. Is that a race-car bed?
191 - Oh, I call shotgun!
192 - Hey!
193 - Oh! Fezzie, come on out.
194 - I can't. I'm not wearing pants.

195 - Told you!
196 - Nina told me why she dumped me. She said I was too needy.
197 - Am I too needy? Tell me! I need to know!
198 - Fez, I'm sorry, man.
199 - You're the definition of needy.
200 - Remember, one time, you called me at 3:00 in the morning
201 - just to make sure we were still friends?
202 - Look, if you wanna get Nina back,
203 - you gotta act like you don't care.
204 - But I don't know how to do that.
205 - Well, we can help you.
206 - Oh! We'll rebuild you like the Six Million Dollar Man!
207 - Fez One to Control. We have lift-off.
208 - All systems are go.
209 - Proceeding to eat candy.
210 - Uh-oh. Emergency! Emergency! We are breaking up.
211 - I repeat, Nina and I are breaking up.
212 - Fez, a teenager, a boy with needs.
213 - Gentlemen, we can rebuild him. We have the technology.
214 - We can make him more appealing to Nina, by making him less needy.
215 - We can make him cooler, suaver, aloofer.
216 - "Aloofer"? Is that even a word?
217 - We can make it one. We have the technology.
218 - Initiate female reaction sequence.
219 - Release the girls.
220 - Hey, Fez, looking good.
221 - Love the outfit. Totally bionic.
222 - You mean nothing to me.
223 - Oh, no.
224 - He's no longer needy.
225 - And because of that, I want him even more.
226 - Doctor. Doctor. Doctor.
227 - Terrific job.
228 - Doctor. Doctor. Doctor.
229 - Whoa. Doctor. Whoa.
230 - Oh, I see. In order to get Nina,
231 - I have to act like I don't need her.
232 - Well, fine. I don't need Nina.
233 - I don't need women.
234 - I don't need anything!
235 - Oh!
236 - Eric sure is taking an awfully long time with those sodas.
237 - I'm sure it's no reflection on you, Lance.
238 - He probably just wants to make sure a good friend like you
239 - gets the freshest soda available.
240 - I know Eric doesn't like me, Mrs. Forman.

241 - I only came over for the chance to see my beautiful Donna.
 242 - And after I make my fortune in robots,
 243 - I'm gonna come back to this Podunk town,
 244 - buy whatever flour mill Eric is working at,
 245 - fire him, and make Donna my wife.
 246 - You're a creepy kid. You know that?
 247 - Mrs. Forman, I think we both know
 248 - the real reason you invited me over here.
 249 - You're after Mother's coveted peach cobbler recipe, no?
 250 - Your mom makes peach cobbler? I had no idea.
 251 - Please, let's speak frankly.
 252 - I have something you want, and you have something I want.
 253 - We're not in a position to just give you Donna.
 254 - We could give you Eric.
 255 - Mother tasted your stuffing at the Thanksgiving Turkey Trot,
 256 - and ever since then she's wanted the recipe.
 257 - I've been instructed to arrange a swap.
 258 - Don't you have any weird friends to play with?
 259 - Friends are for the weak.
 260 - Okay, you guys. Meet Julie.
 261 - She's got two horses, a brand-new Firebird,
 262 - and her dad works for Six Flags!
 263 - Hello, Julie!
 264 - Hey, Hyde. Love your hair.
 265 - You can touch it if you want.
 266 - Oh, get lost, skankoid. We're all full.
 267 - Damn, Jackie! She's got a Firebird and two horses!
 268 - We could've raced 'em!
 269 - All right, that's it. I'm gonna go ask Jake Bradley.
 270 - I know, I know. We've all been thinking it,
 271 - but no one's had the guts to ask him,
 272 - 'cause he's the quarterback, and we're just a bunch of jellyheads.
 273 - But you know what I say? I say we shoot for the stars.
 274 - And that star is Jake Bradley! Jake Bradley!
 275 - All right, Fez. There's Nina. Now remember, you're a new man.
 276 - You don't need her, or anything else.
 277 - Got it. I am cooler, suaver, aloofer.
 278 - There you go.
 279 - Oh, hi, Fez.
 280 - Oh, you wish, baby.
 281 - Why don't you take your "Hi, Fez" act, and try it on someone else?
 282 - 'Cause I don't need it.
 283 - Nice work, Fez.
 284 - Shut up. I don't need your accolades.
 285 - How can you give away your stuffing recipe, Kitty?
 286 - It's the one thing that we have

287 - that's better than everyone else's.
 288 - Our house? Crappier.
 289 - Our son? Crappier.
 290 - Our stuffing? Better!
 291 - Okay, Lance. Here you go.
 292 - Excellent. Mother will be most pleased.
 293 - Oh, you be sure to say hi. Such a nice lady.
 294 - Please, Mrs. Forman, there's no need to keep up the charade.
 295 - Fine. She's cold. Get out.
 296 - I just want you to know that I don't need these fries.
 297 - I choose to eat them because I desire their salty taste.
 298 - Please, just take the fries.
 299 - You need me to take them, don't you?
 300 - Needy bastard.
 301 - Hi, Fez. Can I talk to you?
 302 - Oh, you need permission, do you?
 303 - I think I was a little too hasty breaking up with you.
 304 - Really?
 305 - Yes. I like the new Fez.
 306 - What about the old Fez?
 307 - Not so much.
 308 - You know what, Nina?
 309 - There's only one Fez,
 310 - and that is a Fez with needs.
 311 - And if you don't like that, then we shouldn't be together.
 312 - But, Fez, I... Shh!
 313 - Sorry, baby. It's over.
 314 - Oh, and, Nina, it's not me, it's you.
 315 - Ladies of The Hub,
 316 - why do we try to act like we have no needs?
 317 - I have needs.
 318 - For instance, I need a date for Saturday night. Any takers?
 319 - You, blondie. You there, with the glasses.
 320 - What about the redhead trying to cover her face?
 321 - 12,378, here I come.
 322 - Hey. So, I went to see Jake Bradley.
 323 - You mean Jake Bradley?
 324 - Yes. To see if he wanted to hang out.
 325 - And you know what Mr. Cool Guy was doing?
 326 - Just hanging out in his basement with his friends,
 327 - and they were watching The Six Million Dollar Man.
 328 - It was eerie.
 329 - Was there a skinny guy dating this really hot chick
 330 - who's way out of his league?
 331 - You know, there was.
 332 - Wait. Does this mean we're not getting a fat kid to play with?

333 - No, man. We don't need anyone else.
 334 - You know what? We've only got two months until graduation,
 335 - and we can't waste a second of that.
 336 - Forman's right. Let's seize the day, man.
 337 - Hey, weren't we supposed to seize something, man?
 338 - You know what the Six Million Dollar Man should have?
 339 - A bionic nose.
 340 - You could smell everything!
 341 - Guys, all I know, is that we should really appreciate this,
 342 - 'cause I don't think we're gonna be able to do this in college.
 343 - This peach cobbler is amazing!
 344 - Now, who would leave a whole pan
 345 - of peach cobbler just sitting on a counter?
 346 - See? We don't need anyone else.
 347 - We have lots of interesting things to say. Right?
 348 - Hey, there's this car that runs on water.
 349 - It runs on water, man!
 350 - Careful. I know it looks like a race car, but it's really a bed.
 351 - Please don't make a mess.
 352 - The maid doesn't come until Thursday.
 353 - Watch it! That is a present from my cousin in Hong Kong.
 354 - Who has been dropping Milk Duds on my carpet?
 355 - Who has been dropping Milk Duds on my carpet?
 356 - Screw this. I'm going to Eric's.

1.22 Episode 22: You Shook Me (1)

1 - Ah, the annual nurses' convention.
 2 - You know, according to my bathroom reading,
 3 - all nurses are actually horny for high school boys.
 4 - Why do you think those hospital gowns have no backs?
 5 - So the nurses can check out your ass.
 6 - Look at this sexy stampede! It's like Wild Kingdom.
 7 - I will stalk their sexy herd like a lion.
 8 - I cannot run as fast,
 9 - but let's see a lion put on this much cologne.
 10 - All of my colleagues gathered together
 11 - to talk about health and medicine...
 12 - And to drink until their livers turn into cocktail onions.
 13 - Red, it is not that bad.
 14 - What about last year, when you and your buddies took the bellboy's pants?
 15 - Well, they were all wet.
 16 - Because you threw him in the pool!
 17 - Oh, hey, Roy.
 18 - Hi, guys. Oh, stay away from this batch of egg rolls.
 19 - They were on the floor.

20 - Oh, you dropped them?
21 - No, I was lying down.
22 - You know, if I were God, this is what heaven would be like,
23 - pretty girls in white, and free egg rolls.
24 - Fez, I thought you said heaven would be
25 - French maids with licorice hair and gumdrop nipples.
26 - Oh, no, that's my 30th birthday.
27 - Hi, there. So do you work here?
28 - Yeah. I'm stuck here all night.
29 - That's good,
30 - 'cause I'll probably be doing some things I'll regret later, if you're interested.
31 - Thanks for the offer, but, uh, I have a girlfriend.
32 - What a coincidence. I have a room.
33 - You know, I don't have a girlfriend,
34 - but I have, uh, written several love letters
35 - to Barbara Walters, so, uh...
36 - Roy, you're going after the wrong ones, man.
37 - You gotta think like a lion
38 - and pick off the weakest member of the herd.
39 - Look, like that one, with the braces and the desperate eyes.
40 - Oh, she's not making it past sundown.
41 - Aw, look at him,
42 - all tuckered out from a day of chasing nurses.
43 - Yeah. It's like a gigantic, horny baby.
44 - I bet he's having sweet dreams.
45 - Welcome to the clinic for sexy foreigners.
46 - Tell me where it hurts, baby.
47 - Oh, I have a bad case of horniness for nurses.
48 - What you need is a sexy sponge bath.
49 - I like the way you operate.
50 - How's that?
51 - It's not bad.
52 - But I sure am.
53 - Yes, you are, naughty nurse.
54 - Maybe you need a little spanking.
55 - Maybe I do.
56 - Now, why don't you turn your head and cough?
57 - Oh, what's the problem, buddy?
58 - What's the problem, buddy?
59 - Hangin' out
60 - Down the street
61 - The same old thing
62 - We did last week
63 - Not a thing to do
64 - But talk to you
65 - We're all all right

66 - We're all all right
 67 - Hello, Wisconsin!
 68 - So, anyways, Eric, me and Joanne feel real bad
 69 - since Red fired you.
 70 - So we decided to get you a job
 71 - on account of we're pretty sure
 72 - you're not gonna be successful on your own.
 73 - Isn't that great?
 74 - See, now you can save up for school, and we can get married.
 75 - Wow. I had heard crazy rumors
 76 - that sometimes parents help children,
 77 - but I just always thought it was some kind of beautiful fairy tale.
 78 - A position opened up at my company,
 79 - and it's yours if you want it.
 80 - Oh, my God. I'll take it. This is great!
 81 - Yep. She's as generous in real life as she is in the sack.
 82 - Ugh!
 83 - Wow, that's
 84 - wildly inappropriate.
 85 - So, Joanne, about my new job...
 86 - I don't even know where you work.
 87 - The dog food factory.
 88 - The...
 89 - The dog food factory.
 90 - I didn't see that comin'.
 91 - Hey. Hey.
 92 - How was your day?
 93 - Ugh, it was brutal.
 94 - How can nurses wolf down mini pizzas
 95 - right after watching a film strip on butt rashes?
 96 - Yeah. No, I know.
 97 - Michael and I were hanging at the hub,
 98 - and he told me it's been tough.
 99 - No, no, no. You don't need to be hanging out with Kelso alone.
 100 - Why not? Because I don't trust him.
 101 - Yeah, but don't you trust me?
 102 - No!
 103 - Haven't you been paying attention?
 104 - I don't trust anything.
 105 - I don't trust the government. I don't trust the newspapers.
 106 - I'm not even sure that what time we think it is right now
 107 - is really what time it is.
 108 - But most of all, I don't trust you and Kelso alone together.
 109 - All right. You know what? I guess I deserve that.
 110 - So I promise I won't be alone with Michael anymore.
 111 - However, I do think you're making a big deal out of nothing.

112 - That's what you said after you yelled, "Get off my boyfriend,"
113 - when you saw Kelso kissing Annette.
114 - Okay, what do I have to do to get you to stop bringing that up?
115 - I'm not doing that.
116 - Then I'm gonna keep bringing it up.
117 - All right. Let's play some ball.
118 - Why would you slap me on the butt?
119 - Is there something about me that would make you think
120 - that I, a boy, would like you, another boy,
121 - to put his hand on my butt?
122 - Uh... No?
123 - Then keep your hands to yourself, butt-slapper.
124 - Okay. Let's just play some ball. Yeah.
125 - All right. Uh, me and Fez are shirts,
126 - you and Donna be skins?
127 - Once again, Kelso, you're not gonna fool me into being skins.
128 - Loosen up, Big D.
129 - Fine. We'll be skins.
130 - Oh, look at Mr. Handsome taking his shirt off.
131 - As if that was something that I would dream about.
132 - Okay, what is your problem, man?
133 - It's just...
134 - Okay.
135 - Um...
136 - Has anyone ever had a dream where you were with a girl?
137 - Oh, hell, yeah, Miss October.
138 - Hey!
139 - And... And you know what I said to her? I said,
140 - "Get the hell out of my dream, Miss October. I'm Donna's man."
141 - Now, has any of you ever had a dream
142 - where you were with the opposite of a girl?
143 - Like, two girls? Sure.
144 - See, I had a dream.
145 - And it was erotic.
146 - And it was about Kelso.
147 - What? Wow!
148 - Wow!
149 - That is awesome!
150 - Fez, you gotta tell us about this dream.
151 - No, you don't gotta!
152 - Look at him!
153 - He's undressing me with his eyes right now!
154 - You undressed yourself, you son of a bitch!
155 - Fez,
156 - tell us what happened.
157 - And... And don't be afraid to use colorful words

158 - like "sweaty,"
159 - or "fondle," or "forbidden." Go ahead.
160 - Well,
161 - Kelso was a nurse.
162 - And there was sponging.
163 - Oh!
164 - But, hey,
165 - maybe... Maybe the dream continued,
166 - and we went to find some girls.
167 - Well, did it continue? No.
168 - What could this mean?
169 - Well, isn't it obvious?
170 - It means that I'm gay!
171 - Why is the dog on the counter?
172 - He likes to be tall.
173 - Where are you off to, honey?
174 - Oh, I'm off to a little thing
175 - I like to call, "my new job".
176 - That's right. Despite both your best efforts
177 - to keep me and Donna from getting married,
178 - I can now afford to, because I got a new job at the dog food factory.
179 - Dog food?
180 - Well, you finally made it, son!
181 - Hey, I'll have you know I am the Coupon Liaison.
182 - Do you even know what you're getting yourself into?
183 - When I pass that factory on my way home from fishing,
184 - I hold a dead fish up to my face
185 - so I don't have to smell it.
186 - Seriously, honey, dog food?
187 - That is the worst part of the cow.
188 - You won't last the day.
189 - I will last the day. And you know what?
190 - Donna and I are getting married.
191 - And, I'm sorry, but just because of your attitude,
192 - no one here will be getting the employee family discount on Pupper Supper.
193 - Thank you very much.
194 - Jackie! I need to talk to you.
195 - No. No, no, you have to go.
196 - I cannot hang out with you anymore, I promised.
197 - Jackie, I need to talk to you.
198 - Something happened that could tear apart the group.
199 - I don't care, okay? You have to go right now.
200 - Jackie, Fez had a sex dream about me.
201 - You poor baby!
202 - What if he's in love with me?
203 - I don't know that I can return those feelings.

204 - Well, of course you can't.
205 - I mean, sure, he's super cool,
206 - and he's good looking,
207 - and we have a ton in common.
208 - But I can't... I know. I know, baby. I know.
209 - I just wonder what I did to make this happen.
210 - I mean, should I have tried to be less desirable?
211 - Michael, the beautiful cannot be held responsible
212 - for the havoc our looks create.
213 - That's true. Aw. Come here.
214 - No one understands me like you do, Jackie.
215 - I told Jackie I don't want her hanging out with Kelso.
216 - I walk in, they're playing couch twister.
217 - I don't know if something just happened,
218 - or if something was about to happen, but you know what?
219 - I don't care anymore.
220 - Have you talked to her?
221 - No. Come on, man. I'm done talkin'.
222 - I'm just glad I saw them.
223 - Now I can be the bigger person and bail before she does.
224 - Yeah. That's what I should've done with Lauren.
225 - And Susan. And Janice.
226 - Ah, who am I kidding? I'm just making these names up.
227 - Hey, Roy. I just need to grab my check.
228 - Hey, Kelso, what the hell were you doing with my girlfriend
229 - on Donna's couch?
230 - Oh, that wasn't me.
231 - I saw you!
232 - Oh. Uh...
233 - Uh, well...
234 - Okay, look, it wasn't what you think.
235 - Um...
236 - It was totally different.
237 - See, Fez had this sex dream about me,
238 - and I was, like, a nurse in it,
239 - and I was totally freakin' out.
240 - And Jackie was just comforting me...
241 - I mean, 'cause, you know...
242 - Fez had a sex dream about me.
243 - So your story is that you were with Jackie
244 - because Fez had a boy-on-boy dream about you?
245 - It's crazy, huh?
246 - Kelso,
247 - that is the worst lie you've told
248 - since you claimed to be the prince of South Carolina.
249 - No, I'm not lying about Fez's dream!

250 - I was sponging him!
251 - It's the truth!
252 - Hey, I believe people have dreams about you, man.
253 - I mean, put a blond wig on you, you're Goldie Hawn.
254 - I know that.
255 - Oh! Mr. Red, I need some advice.
256 - I had an erotic dream about Kelso.
257 - Well, Joanne, thank you for the factory tour.
258 - So, um, where is the Coupon Liaison office?
259 - You're standing in it.
260 - Well, it's big.
261 - And look, you have a window.
262 - Maybe someday you can climb up there and look out.
263 - Joanne, what exactly is the Coupon Liaison?
264 - Oh. Oh, look, girls, here's the boys.
265 - Hands off, though. They're minors.
266 - Mrs. Kitty,
267 - we need your medical expertise.
268 - Honey, if you've got VD, I'm not looking at it.
269 - No!
270 - Fez had a dream, and
271 - I was doing stuff to him in it.
272 - And I don't want to do it again.
273 - I'm scared to let him go to sleep!
274 - See, Kelso was a nurse
275 - and I had no shirt,
276 - and he had a sponge...
277 - A soft one.
278 - Okay, boys,
279 - dreams are just compilations
280 - of what you experience during the day.
281 - What did you do yesterday?
282 - Um, Kelso and I looked at nurses.
283 - Um...
284 - Oh, and I ate 39 spicy egg rolls that were on the floor.
285 - Well, spicy foods, there you go.
286 - You know, one time,
287 - I ate stuffed peppers before I went to bed,
288 - and I dreamt that I ended a war
289 - by giving the Prime Minister a belly dance.
290 - So my dream didn't mean anything.
291 - Oh, thank God.
292 - I mean, I love you, Fez, just not in that way.
293 - And my appreciation for your beauty is purely aesthetic.
294 - You know what, Fez?
295 - Maybe right now is not a great time

296 - for you to be complimenting my ass.
297 - Well, if it isn't the conquering hero,
298 - home from a big day of dog food.
299 - Hey, I had a great day, okay?
300 - And by the way, I'm nowhere near the actual food.
301 - I'm off with, like, the executives.
302 - Really?
303 - Well, Schotzie sure does love the smell of executives.
304 - Okay, look.
305 - Okay, maybe Eric is working with dog food.
306 - But he's not complaining and he's not quitting,
307 - and we're gonna get married no matter what you think,
308 - or how he smells.
309 - Aw. Thanks, honey.
310 - Don't touch me. Okay.
311 - Look at you.
312 - You got that great dog food job now.
313 - Plenty of dog food money coming in...
314 - I mean...
315 - You two are happy, right?
316 - Very happy. Yes.
317 - Of course you are.
318 - And that's why I've changed my mind.
319 - This promising new career in dog food has convinced me
320 - that you two are mature enough to get married.
321 - What... Are you serious?
322 - Hey, let's get you happy kids hitched as soon as possible,
323 - like next week!
324 - Next week?
325 - Wow, that's... That's really soon.
326 - Yeah, well, sooner than we thought. We were thinking, like...
327 - Someday.
328 - Yeah. Yeah, someday. That's good. Yeah.
329 - Well, what's the matter?
330 - I mean, uh, getting engaged is a silly, fun thing to do,
331 - but now that we're talking about an actual wedding,
332 - you're turning into a couple of dumb-ass kids who aren't ready?
333 - 'Cause, I mean, if you're not ready,
334 - I mean, heck, I got myself all excited for nothing.
335 - No, no. We're ready. We are more than ready.
336 - We're ready?
337 - Well, I am if you are.
338 - Well, yeah.
339 - I mean, sure. I'm completely ready.
340 - Well, that's great.
341 - You know, it's all settled. I'll just...

342 - I'll go call the cake shop right now.
 343 - So it's, uh... A wedding.
 344 - Next week. Right.
 345 - Oh, I have some homework that I... Yeah, I gotta clean my room.
 346 - Hey, Roy, where's Steven? You know, I haven't seen him all day.
 347 - You got a lot of nerve showing your face around here.
 348 - Hyde saw you and Kelso snuggled up on the couch.
 349 - Tramp.
 350 - Wait, what?
 351 - Yeah, I said "tramp."
 352 - Oh, my God, I have to find Steven.
 353 - Don't tell him I called you a tramp.
 354 - I bet Jackie's been fooling around with Kelso this whole time.
 355 - I feel like an idiot.
 356 - Oh, my poor little broody-brood.
 357 - You know, when I first met you,
 358 - you were such a cute little guy.
 359 - And now you're... You're a great, big guy
 360 - with great, big hair and...
 361 - And great, big problems, my little broody-brood.
 362 - Oh, wait, wait, wait.
 363 - There.
 364 - You may leave me now.
 365 - Hey, there.
 366 - Still have that girlfriend?
 367 - You know what? I don't know.
 368 - Hmm. Let's go talk about it.
 369 - Oh, hey, Mrs. Forman, have you seen Steven?
 370 - Oh, honey, I've had a couple sips of wine,
 371 - and I don't remember.
 372 - Oh, but you know what you need?
 373 - You need more umbrellas in your hair.
 374 - Oh, bartender, we're gonna need more umbrellas.
 375 - Welcome to the clinic for sexy Kelsos.
 376 - What can I do for you?
 377 - Well, I'm here for my super sexy sponge bath.
 378 - But I have money, so if you do other stuff, too...
 379 - Oh, I'll do anything you want.
 380 - You're one good-looking stud!
 381 - Right back at you, handsome!

1.23 Episode 23: Nobody's Fault But Mine (2)

1 - Well, how are you this morning?
 2 - Well, my baby boy's still engaged.
 3 - My hot flashes are back, so I feel like

4 - I'm standing in a pool of burning lava.
5 - They don't make a pill for menopause,
6 - so I took a Flintstone vitamin.
7 - And when you take a pill shaped like Barney Rubble,
8 - it's pretty obvious the freaking thing ain't gonna work!
9 - Great. Anyway, about the engagement
10 - I've got Eric and Donna on the ropes.
11 - I dared them to get married next week.
12 - They were shaking like France.
13 - Well, I know you like scaring children, but what's the point?
14 - Well, the point is if we let them do what they want
15 - they'll realize they don't wanna do it.
16 - I mean, hell, nobody wants to be married.
17 - Except me to you. I'd do that all over again.
18 - Oh, is Steven here?
19 - He saw me on the couch with Michael,
20 - but there was nothing going on.
21 - God, what do I do if he doesn't believe me, Mr. Forman?
22 - When in the hell did this start? I don't know.
23 - The kids all used to run from me. That's the way I liked it.
24 - Well, next fall, you'll get your wish.
25 - Eric will be in college, and then the whole house will be empty.
26 - That's right.
27 - We're only one goodbye away from heaven.
28 - Mommy, Daddy, I'm home!
29 - We gotta start locking that door.
30 - No way!
31 - Hanging out
32 - Down the street
33 - The same old thing
34 - We did last week
35 - Not a thing to do
36 - But talk to you
37 - We're all all right
38 - We're all all right
39 - Hello, Wisconsin!
40 - Donna. Hey. Hi.
41 - Okay. If you had bad news that could hurt someone
42 - that you cared about, what would you do?
43 - Kelso, just leave the poor girl an anonymous note
44 - and tell her she needs a shot of penicillin.
45 - Donna. Okay.
46 - Someone I know cheated on someone else I know.
47 - Did Eric cheat on me?
48 - I will snap that little monkey like a twig!
49 - What? No! Donna.

50 - God, Eric didn't cheat on you.
51 - Hyde cheated on Jackie. What? Oh, my God!
52 - Yeah!
53 - And he doesn't know it, but I saw him
54 - kissing this lady in the hotel.
55 - Oh, my God. That is horrible.
56 - I wanna do the right thing, right?
57 - So I'm thinking that I'll just tell Jackie.
58 - And then she'll feel really bad
59 - and I'll console her and presto!
60 - We'll be making out topless.
61 - No, Kelso.
62 - The thing to do is to tell Hyde that you know
63 - and then give him a chance to tell Jackie.
64 - I knew you'd say that. You know, just once
65 - I want the right thing and the topless thing
66 - to be the same thing.
67 - Well, if it isn't the lovebirds.
68 - So, lovebirds, how are the big wedding plans coming along?
69 - Well, I've decided to be the groom
70 - and, uh, Donna's gonna go with bride.
71 - Well, your mom and I have made some plans, too.
72 - We figure since we're already giving you a graduation party,
73 - why not make it a wedding party, too?
74 - Wait, graduation?
75 - That's in a week, which is like...
76 - Seven days. I know how long a week is.
77 - I know you know.
78 - Well, what's the matter?
79 - You two lovebirds still wanna get married, don't you?
80 - I mean, heck, it'd be a real shame if you chickened out.
81 - Then you'd be a couple of love chickens.
82 - No. No, we wanna get married.
83 - Right, Donna?
84 - Of course.
85 - I do.
86 - Well, then it's settled. We're having a wedding.
87 - Oh, Donna, you can wear my wedding dress.
88 - It's off-white, so nobody will whisper.
89 - Okay. What is going on with them anyway?
90 - Eric, if you need any help dealing with Mom and Dad,
91 - I'm here for you.
92 - Yeah. No, thanks.
93 - Last time I trusted you,
94 - I wound up in the dryer with a pillowcase full of bees, so...
95 - I know, and I am so sorry.

96 - I have been cruel to you, Eric.
97 - You too, Donna, but it wasn't as obvious
98 - because I mostly said stuff behind your back.
99 - Right back at you.
100 - I'm not just home for a visit.
101 - I am here to correct the mistakes that I have made in the past.
102 - Okay, but I'm sure whatever bastard children you've had
103 - have been adopted by now.
104 - Thank you. Good luck to you.
105 - Hey, Fez. I'm here to get my license.
106 - Oh, hello, Mitch.
107 - I'm here to tell you that you will get nothing!
108 - Okay, I know we had our problems in wood shop,
109 - but for the hundredth time, I'm sorry I sat on your spice rack.
110 - You're sorry? You should see my kitchen.
111 - There's spices everywhere. It's anarchy.
112 - Dude, you're getting hysterical like a woman.
113 - Well, if you mean that I am artistic and sensitive
114 - and cry every time that I watch Love Story, then, yes, I am like a woman.
115 - Now begone!
116 - You know, I could make it worth your while
117 - if you would just give me the license.
118 - I'm the editor of the school paper. Can you imagine this headline?
119 - "Foreign Kid Actually Cool."
120 - 'Course, I'd have to retract it the next day, because... Well, come on.
121 - Here's a headline for you, "Short Kid Takes Long Walk."
122 - Well, hello, Hyde.
123 - I saw something very interesting in the hotel this morning.
124 - Oh, the guy in the dress?
125 - That's Frank. Comes in twice a month.
126 - Gets really pissed if you don't call him Lady Laguna.
127 - No.
128 - I saw you kissing a girl that wasn't Jackie.
129 - Oh, that.
130 - Ah, so you admit it.
131 - Sure. Don't try to deny it.
132 - I won't.
133 - You're not gonna wiggle your way outta this one!
134 - I'm not trying to.
135 - Look, I cheated on Jackie 'cause she cheated on me with you.
136 - Which reminds me, I ought to kick your ass.
137 - Well, Hyde, we weren't doing anything. I already told you.
138 - Jackie was comforting me,
139 - 'cause I was upset, 'cause Fez had a sex dream about me.
140 - Would you shut up about that lame-ass story?
141 - Well, it's the truth, and I'll prove it. Let's go ask Fez.

142 - Fine. You drive. My van's in the shop.
143 - Fine. I need gas though.
144 - Fine. Can I borrow money for fries?
145 - No. Fine. Shotgun.
146 - There's only two of us, you moron.
147 - Fine!
148 - You know what I think, Donna?
149 - I think this whole "get married in a week" stuff
150 - is just Red trying to get us to call the whole thing off.
151 - Yeah. But you know what?
152 - That ain't happening, missy. You know what we're gonna do?
153 - We're gonna teach Red a lesson and get married out of spite.
154 - Yeah, screw you, Red!
155 - Wow.
156 - It's every little girl's dream to get married out of spite.
157 - You know what?
158 - I think maybe you're not ready to get married.
159 - And if you're not, you better tell me right now.
160 - Donna, I'm not ready. Oh, thank God. Me neither.
161 - What?
162 - I thought you were ready. I thought you were.
163 - I'm not. Me neither.
164 - Oh, my God, you are so hot. You are!
165 - Wow, nothing hits the spot after an hour and a half of passion
166 - like chili cheese fries.
167 - Oh, hello, Mitch.
168 - Had a nice walk over here?
169 - Get used to it because you'll never get a license.
170 - Do you understand me?
171 - No, but nobody understands you.
172 - You talk like Mushmouth from Fat Albert.
173 - You just dug your own grave, fella.
174 - What? "I flug my own rave, bella"?
175 - Was that what you said, Mushmouth?
176 - All right, Fez. I need you to tell Hyde
177 - about the dream you had about me.
178 - What?
179 - I didn't have any dream.
180 - We have a visitor.
181 - Fez, this is really important, okay?
182 - So start talking, or so help me,
183 - I'll give you the worst purple nurple you've ever had.
184 - Okay. In my dream, Kelso was dressed as a nurse,
185 - and he was giving me a sponge bath.
186 - And?
187 - I was nude.

188 - See? I was really freaked out
189 - and Jackie and me were just talking, that's all.
190 - So I just cheated on Jackie for nothing?
191 - It's what I've been telling you, man.
192 - Oh, Steven, look, okay?
193 - Whatever you think happened between me and Michael,
194 - did not happen, okay?
195 - So, everything's fine.
196 - Actually, we need to talk.
197 - You know, I really hate to run,
198 - but I gotta go tell the whole school about
199 - you and Nurse Ding-a-ling's sponge bath.
200 - So, I gotta go. You wouldn't.
201 - Move your lips, Mushmouth!
202 - So, I was in the den, and Michael came over all upset.
203 - Jackie. And, Steven, I asked him to leave.
204 - And that's when you saw us. Jackie.
205 - But I swear, nothing happened. Jackie!
206 - Stop talking.
207 - Look, I know all this now, okay?
208 - But before I knew, I was at the hotel last night.
209 - And I was really mad.
210 - There was this nurse.
211 - And... And what?
212 - And I'm really sorry, okay?
213 - I promise it'll never happen again.
214 - You know, that's exactly what Michael used to say.
215 - Come on, Jackie.
216 - No. You know what, Steven? I'm sorry.
217 - It's over.
218 - Huh.
219 - I finally get country music.
220 - Donna, look, it's my old wedding dress.
221 - Oh, and you can wear it
222 - as a bib.
223 - Hey, and for the reception, I got the guys
224 - back together from my high school band,
225 - the Pinciotti Polka Explosion.
226 - Won't be long now until you two lovebirds are married forever.
227 - No escape.
228 - Until one of you is dead.
229 - So, you guys, I've been trying to think of ways to help you.
230 - Okay. Where's Laurie?
231 - Yeah, what happened to you?
232 - You guys, living in Chicago opened my eyes.
233 - I had no job, no friends.

234 - I did sleep with one of the White Sox,
235 - but then it turned out to be just this frat guy wearing a White Sox hat.
236 - Basically, I hit rock bottom.
237 - Really. God, I was so sure you'd be a senator.
238 - Eric, love is hard to find.
239 - And I've realized I've been taking
240 - the people who love me for granted.
241 - Especially you.
242 - Oh, that's not true.
243 - I don't love you.
244 - Yes, you do.
245 - And if you two love each other,
246 - but Red is making you miserable
247 - then there's only one answer.
248 - Get out. Leave town.
249 - Because love is precious.
250 - Well, it sounds good
251 - but I can't help but remember the feeling of being stung by bees
252 - as I tumbled around and around.
253 - Wait. Is that a tear?
254 - Oh, my God, Eric. I think she's being sincere.
255 - Oh, my God, it's real.
256 - I have a sister.
257 - Hey, look who I found.
258 - At first I just thought he was a leprechaun.
259 - Fez, I came over here because I wanna end this feud, okay?
260 - Right here, right now.
261 - And if you're not on board, I could spread your crazy
262 - naked, homoerotic dream all over school, but...
263 - Macho as I am
264 - who would believe you?
265 - Okay, Fez.
266 - Uh, can I just say as the nurse
267 - that was sponging you in your dream
268 - that I'm with Mitch here on the whole
269 - "not spreading it around the school" thing.
270 - See, your lady friend here understands.
271 - Truce?
272 - Well...
273 - I guess.
274 - Truce. Good. Here. Peace offering. Moron!
275 - Oh, this is tomorrow's school paper.
276 - Oh, my God, on the front page
277 - there's a picture of me kissing Kelso by the lake.
278 - Fez, why are you kissing Kelso by the lake?
279 - We caught a fish!

280 - I was excited!
281 - I kissed the fish too, but, of course, they don't show you that.
282 - Jackie. Jackie. It's Hyde.
283 - No. Yes.
284 - No. Yes.
285 - Fine.
286 - Can I say something?
287 - I think this whole thing was a misunderstanding.
288 - Hyde didn't know what was going on.
289 - I know, okay? But after Michael
290 - I promised myself that I would never be
291 - with another boy who cheated on me.
292 - But Hyde's so good for you. Since you started dating him
293 - you've completely stopped quoting Nancy Drew.
294 - And the worst part is I still love him.
295 - I know.
296 - You know, normally, I wouldn't cry on your sweater
297 - because, you know, it ruins the fabric.
298 - But, God, this one's just so cheap, it won't matter.
299 - What? Nothing.
300 - Just, you know, Jackie's single now.
301 - Yeah, so?
302 - So, when you were going out with her, I backed off.
303 - You backed off?
304 - You constantly hit on her.
305 - You bought her presents all the time. You shot me with a BB gun.
306 - Yeah, that's me backing off.
307 - Look, Hyde,
308 - I know you thought I only wanted her because you had her.
309 - See, the thing is now you don't have her
310 - and I still want her.
311 - So, as your friend, I'm just letting you know that I'm going after her.
312 - And also, I'll be making out with her in front of you.
313 - Just to rub it in.
314 - So be ready for that.
315 - Whatever.
316 - Yep, that's what I'm counting on.
317 - While I'm out there getting Jackie back,
318 - you're gonna sit around here saying, "Whatever."
319 - Are you listening to country music, man?
320 - Whatever.
321 - Look, Mom, Dad, Donna and I have something we wanna say.
322 - Um, it turns out we're not ready to get married.
323 - No!
324 - And I was really rooting for you two crazy kids.
325 - Look, we know you've been pressuring us into marriage,

326 - so we'd admit you were right and live on your terms.
 327 - But that's just not gonna happen.
 328 - So, we've decided to move away as soon as we graduate.
 329 - Move away?
 330 - No, no, no, you can't move away yet.
 331 - No, we were gonna use this summer to become best friends.
 332 - Look, we'll be going to college in the fall anyway.
 333 - Instead of fighting with you guys for the next three months,
 334 - we're just gonna get our own place in Madison.
 335 - Yeah, good luck trying to control us in Madison.
 336 - Hey, Donna, remember we agreed not to do that. Remember? Okay.
 337 - Anyway, we're gonna have our own apartment.
 338 - And, honestly, I just think we'll all be a lot happier.
 339 - Madison has two movie theaters.
 340 - Okay, Donna, come on.
 341 - Oh, great plan, Red.
 342 - Now my baby's leaving.
 343 - I'm still here, Mommy.
 344 - Yeah, well, that's nice.
 345 - Hey.
 346 - The thing is I'm really sorry.
 347 - Yeah, you said that already.
 348 - Come on, Jackie. I made a mistake, okay?
 349 - It was a stupid one-time thing.
 350 - You know what, Steven? I have heard it all before.
 351 - From you, from Michael.
 352 - God, just do me a favor and leave me alone.
 353 - Whatever.
 354 - Jackie.
 355 - I love you.
 356 - Yeah, well, I don't love you.
 357 - Here's your car license, motorcycle license,
 358 - boat license, license to operate a forklift,
 359 - a cut-the-line pass and a free DMV pen.
 360 - If you turn it over, the little car parallel parks.
 361 - Oh. And here's the negatives of you and Kelso
 362 - grabbing each other's asses.
 363 - Hey, we were happy because we caught a fish.
 364 - If they do it in football, why can't we do it in fishing?
 365 - "Blue bit bushball in bishing"? What?
 366 - Where you from, man?

1.24 Episode 24: The Immigrant Song

1 - Okay, Eric, get a good look at me in my uniform
 2 - because today, it's my last day wearing it.

3 - What? No. No!
 4 - Ah! We never got to do the trampoline thing.
 5 - Hey, I'm done with Catholic school.
 6 - And my dad fixed it so I can graduate at Point Place with you guys.
 7 - My best memories are under that skirt.
 8 - Hey, Mom? Where's Daddy? I need 20.
 9 - *— For what? — Inane effort to clean up my act,*
 10 - *I'm buying my own drinks now.*
 11 - *Well, he's not home.*
 12 - *When Eric told him about this little place to move away with Donna after graduation,*
 13 - *your father went fishing.*
 14 - *— What? — No!*
 15 - *What the big deal? You guys are really freaking me out.*
 16 - *My dad only goes fishing when he's, like, super pissed.*
 17 - *I think something about stabbing a worm over and over again with a hook is, like,*
 18 - *therapeutic for him.*
 19 - *Yeah. He fished for three whole days when he found out about me and the mayor.*
 20 - *— What? — Eric's moving away!*
 21 - *That's right. And that's why your father's angry.*
 22 - *This is your way of acting grown — up?*
 23 - *Grown — up? Don't just leave the comfort of their parents' home to...*
 24 - *To move to a new city, and start a life!*
 25 - *Well, maybe not in the 1930s.*
 26 - *' 40s.*
 27 - *God, you're so young!*
 28 - *Well, I think this is nuts. Don't you just think this is nuts?*
 29 - *The whole thing is just... Just nuts!*
 30 - *Mom, I kind of think you're the one who's being...*
 31 - *Oh, if you say I'm nuts, you're going right through that sliding door.*
 32 - *I don't even enjoy telling you this,*
 33 - *but you just wait until your father gets home.*
 34 - *I did enjoy that.*
 35 - *This is all your fault.*
 36 - *Yeah. Hey, Laurie, quick impression.*
 37 - *Who am I?" Hey, Eric, why don't you tell Dad you're moving after graduation*
 38 - *"so he'll kill you, and I can reclaim my rightful place as the chosen one?"*
 39 - *Eric, you don't understand. This time I actually meant well.*
 40 - *That's what you said at the county fair*
 41 - *— after you locked me in the porta — potty with a goat.*
 42 - *— He was friendly. — He was horny!*
 43 - *Hey, Jackie.*
 44 - *— Michael, what do you want? — I think the question is, what do you want?*
 45 - *And I'm pretty sure the answer is pink jelly beans.*
 46 - *Now, they used to be pink and white jelly beans, but I ate all the white ones*
 47 - *' cause I know you don't like things that taste white.*
 48 - *Okay. Look. Michael, just because Steven and I broke up*

 99 – *Look, I told you I'm sorry, and I made a mistake. Can we just talk, please?*
 100 – *Talk about what? You cheated on me. Okay? It's over. I feel nothing.*
 101 – *Ooh, bitchy.*
 102 – *You know what? Donna, I'll just see you next door.*
 103 – *— Ouch! — Are you okay?*

 107 – *I've been waiting for this moment since,*
 108 – *well, the last time we vandalized the water tower.*
 109 – *So, Hyde,*
 110 – *— gave Jackie some jelly bean today. — Who cares?*
 111 – *Well, you should because they were pink*
 112 – *and that is the bean of love.*
 113 – *And I got her that particular bean because I never stopped loving her.*
 114 – *Yeah, well, you stopped long enough*
 115 – *to cheat on her with Pam Macey, Laurie and Annette.*
 116 – *Who else am I forgetting?*
 117 – *There were many others,*
 118 – *but you cheated on her with a nurse!*
 119 – *It was a mis understanding that you caused.*
 120 – *— That's it. Let's go. — Oh, yeah? I'm ready.*
 121 – *I hope you got that nurse's phone number*
 122 – *'cause you're gonna need it when I'm done with you.*
 123 – *Hey, stop it, stop it!*
 124 – *You would need to grow up and start painting genital on the water tower.*
 125 – *— Fine. I'll be over here. — Fine. I'll be over here.*
 126 – *Well, since I have never seen another man's genitals, I'll have to paint my own.*
 127 – *In that case, I'll need more paint.*
 128 – *And a bigger tower.*
 129 – *Kelso, what are you writing?*
 130 – *— "Michael plus Jackie." — I'm kicking your ass!*
 131 – *You can't kick my ass from down there,*
 132 – *all you can do is punch my ass.*
 133 – *— Hey, get down! — Just face the fact, Hyde.*
 134 – *You're down there and I'm up here, and I am invincible.*
 135 – *Kelso, are you okay?*
 136 – *I think I fell!*
 137 – *— I'm gonna go check on him. — Okay.*
 138 – *Okay, I think he'll be fine.*
 139 – *Now, let's see. Where do I begin?*
 140 – *I want it to look like it's coming right at me.*

141 – *This is the Point Place Police Department.*
 142 – *You're under arrest.*
 143 – *Um...*
 144 – *I am a painter from a foreign country,*
 145 – *and this is my gift to America.*
 146 – *Get off the water tower!*
 147 – *People of America,*
 148 – *I give you Genitals In The Sky.*
 149 – *– You hear that? – Sounded like your dad' scar.*
 150 – *Run for it.*
 151 – *No, you don't. You made your bed, now you have to lie in it.*
 152 – *Oh, who am I kidding? You never make your bed.*
 153 – *Eric, wait. Listen. If you leave now, you'll never get back in.*
 154 – *That means good-bye to your clothes, your furniture...*
 155 – *My G.I. Joes.*
 156 – *We stay.*
 157 – *Everybody in the living room.*
 158 – *You're gonna get it. You're gonna get it.*
 159 – *Lay it on him, Red.*
 160 – *While I was fishing, I had a lot of time to think.*
 161 – *– That's right! – And all that thinking made me very angry.*
 162 – *Very angry!*
 163 – *And the fish that were unlucky enough to cross my path...*
 164 – *Well, you know how they say that fish can't feel pain?*
 165 – *That's a load of crap.*
 166 – *Abigload!*
 167 – *And I finally came to a conclusion*
 168 – *that someone in this room is not going to like.*
 169 – *That's you, porky mouth.*
 170 – *Eric,*
 171 – *I'm proud of you.*
 172 – *And that goes double for... What the hell did you say?*
 173 – *I did everything I could to stop you from getting married,*
 174 – *but you stuck to your guns.*
 175 – *And I admire that you're willing to go out on your own.*
 176 – *You're a man now, and you have my blessing.*
 177 – *This is like The Godfather.*
 178 – *I think you have to kiss his ring.*
 179 – *How can you just give in and let Eric leave home?*
 180 – *He has defied you over and over. He's lying, cheating, conniving liar,*
 181 – *and I won't let you send my precious baby boy away!*
 182 – *Kitty, my mind is made up.*
 183 – *Eric, we're gonna pay for your college, too.*
 184 – *Really?*
 185 – *Dad, I don't know what to say to you except*
 186 – *you're great!*

187 – *That's all right, Son. We don't do that here.*
 188 – *Okay, well, well, this is nice.*
 189 – *Since we're all happy, Eric doesn't have to leave three months early.*
 190 – *He can go to school in the fall like everyone else.*
 191 – *We can take a pottery class!*
 192 – *No, Kitty, he's leaving.*
 193 – *No pottery class, no mother – son dancing lessons,*
 194 – *no trying out for Family Feud.*
 195 – *But this deal is only good if you stay focused. If you do something stupid,*
 196 – *like get Donna pregnant, you're on your own.*
 197 – *Then I guess this is a bad time to give you the news.*
 198 – *I'm kidding! I'm just so giddy!*
 199 – *– So, it's just a sprain, huh? – Yeah, it doesn't hurt too bad.*
 200 – *I guess the best part is I've now fallen off the water tower in every grade.*
 201 – *That record will stand until your song goes to school.*
 202 – *Thanks for driving me to the hospital, man.*
 203 – *Oh, whatever.*
 204 – *No. Not "whatever."*
 205 – *I mean, look, you drove me because we've been buds forever.*
 206 – *I mean, it's like, why are we fighting over a girl, man?*
 207 – *Remember in third grade when we were both in love with Miss Hamill*
 208 – *and we fought over her?*
 209 – *And then after you pulled my head out of the toilet and I let go of your bean bags,*
 210 – *we made a pact to never fight over a girl again.*
 211 – *Yeah, you're right, man.*
 212 – *I mean, neither of us has a shot with Jackie anyway,*
 213 – *– so I'm stepping back. – No. No, no. You go for it, I'll step back.*
 214 – *No, I'm serious. The door is open for you.*
 215 – *No, I'm serious. The door is open for you.*
 216 – *I just closed the door for me!*
 217 – *Well, I'm closing the door for me,*
 218 – *and I'm locking myself inside, and I'm swallowing the key!*
 219 – *Fine. We're both done with her. You're my bud.*
 220 – *You're my bud. Aah!*
 221 – *I was wondering if that would work, and it did.*
 222 – *– Steven! Are you okay? – Why?*
 223 – *Well, I heard someone fell off the water tower,*
 224 – *– and I thought it could be you. I just... – No, it was Kelso.*
 225 – *Wait. You came down here 'cause you were worried about me.*
 226 – *No, I didn't.*
 227 – *'Cause you still care about me.*
 228 – *Uh – uh.*
 229 – *– So, I still have a shot with you. – No. No, you don't.*
 230 – *I mean, okay, I don't know.*
 231 – *Steven, stop staring at me or I'll kick you.*
 232 – *Aah!*

233 – *Jackie, hope you didn't come here to make love to me.*
 234 – *— No, Michael. I... — 'Cause I'm fine.*
 235 – *All I need is my buddy Hyde.*
 236 – *And no chick is gonna come between us anymore.*
 237 – *— Right, Hyde? — Uh, yeah.*
 238 – *Yeah. Let's go, buddy Hyde. Aah!*
 239 – *Look at all the apartments they have in Madison.*
 240 – *— This place even pays utilities. — Oh, cool.*
 241 – *What are utilities?*
 242 – *— I think it's, like, gas and water. — Free water?*
 243 – *You know what that means.*
 244 – *Free ice.*
 245 – *What are you two doing?*
 246 – *Oh, we're looking for apartments in Madison.*
 247 – *I can't believe it. It's, like, we leave in less than a week.*
 248 – *Are you trying to kill me? Because that's what you're doing.*
 249 – *You're killing your mother. You only get one, you know.*
 250 – *Eric, this place has a washer and dryer.*
 251 – *Wait. A washer and free water?*
 252 – *My God, it's like there's no reason to ever come home.*
 253 – *You know?*
 254 – *Excuse me.*
 255 – *Washer and dryer, Red. They are going to have a washer and dryer!*
 256 – *That red-headed harlot is gonna be Shout — ing out my baby's grass stains!*
 257 – *What about my last summer with my youngest child?*
 258 – *I bet you weren't thinking about that when you went fishing.*
 259 – *I bought sparklers for the Fourth of July. He loves sparklers,*
 260 – *and now he's leaving, and what are we gonna do for the Fourth of July?*
 261 – *There's a car show in Kenosha.*
 262 – *A car show?*
 263 – *I don't want to go to a car show in Kenosha.*
 264 – *I want three more months with my baby boy,*
 265 – *and now they're gone because of your bull!*
 266 – *Way to go, dumbass!*
 267 – *Ah, it feels good to be back!*
 268 – *Just Kelso and Hyde. No chick can come between us!*
 269 – *All right. So what do you want to do? We can play air hockey,*
 270 – *give Fez a wedgie...*
 271 – *Oh, my brother just got a new stereo, we can throw it off a overpass.*
 272 – *Actually, I changed my mind. I'm gonna get Jackie back.*
 273 – *What? Noway. What about our third — grade pact?*
 274 – *We also made a pact to invent a formula for invisibility.*
 275 – *— That fell through, too. — Well... Because you gave up!*
 276 – *Look, Kelso, I never felt this way about a girl before, okay?*
 277 – *And that pretty much beats our third — grade pact. I'm sorry, but I want to be with her.*
 278 – *Well, at the hospital, you said that I could have her.*

279 – *That was when I didn't think I still had a shot with her!*
 280 – *Well, you know, for your information, I still have a shot with her.*
 281 – *She accepted my jelly beans.*
 282 – *I don't know what that means, but you can't have her.*
 283 – *You closed the door.*
 284 – *Yeah? Well, now I'm closing the door on you,*
 285 – *and once again, I'm swallowing the key!*
 286 – *And you're locked inside, and I'm getting Jackie back!*
 287 – *Well, you're gonna lose. Heh – heh!*
 288 – *Yeah? Well, if by "lose" you mean "win," then you're right,*
 289 – *I am gonna lose.*
 290 – *Well, thanks a lot for getting me at the police station,*
 291 – *you two sons of two bitches!*
 292 – *Fez, what happened?*
 293 – *Well, I got arrested. And they did a background check*
 294 – *and found out that my student visa expires when I graduate from high school.*
 295 – *What?*
 296 – *Yeah, now I have to leave the country after graduation. That's in a week.*
 297 – *And I have to relearn my native language.*
 298 – *– Good day. – No, but, Fez...*
 299 – *Way to go. If you hadn't fallen off the water tower, we could've helped him out.*
 300 – *They should've x – rayed your head at the hospital.*
 301 – *They did.*
 302 – *And for your information, they found nothing.*
 303 – *Mmm!*
 304 – *I can't believe our little Fez is gonna be deported.*
 305 – *God, I wish there was something we could do.*
 306 – *Maybe I could talk to the mayor, he owes me one.*
 307 – *Eric, we can't let this happen.*
 308 – *If Fez goes back to his country with those pictures he took,*
 309 – *my panties are gonna end up on a stamp!*
 310 – *Pop – Tarts? Where's Mom?*
 311 – *She went fishing. Shut up and eat.*
 312 – *"Dear President Jimmy Carter, the following is a list of reasons*
 313 – *why I, Fez, should be allowed to stay in your great country.*
 314 – *"Number one, I have never gone number one on your beautiful soil.*
 315 – *"Number two, I have never gone number two on your..."*
 316 – *Wait, scratch that.*
 317 – *"Number two, Fez is also a word for a hat. Uncle Sam wears a hat.*
 318 – *"Coincidence? Yes.*
 319 – *"Three, where else am I going to live? France?"*
 320 – *France.*

1.25 Episode 25: Celebration Day

1 - My last American Popsicle,
2 - washed down by my last American grape soda.
3 - Fez, it's sad you're getting deported,
4 - but this "last American" crap is getting annoying.
5 - My last American chance to annoy you.
6 - Hey, come on, Fez, look on the bright side.
7 - I mean, we graduate tomorrow.
8 - You go to your country with a high school diploma.
9 - They'll probably make you, like, head medicine man or something.
10 - Eric, there is no bright side about going back to a place
11 - where people are outnumbered by lizards.
12 - I'm gonna miss you, man.
13 - When you get there, can you mail me a lizard?
14 - Eric, guess what came for you.
15 - Okay, they just send those to me, okay?
16 - I don't even find those girls attractive.
17 - No, you perv. It's the key to our new apartment in Madison.
18 - - Oh. - Now we can leave tomorrow
19 - after graduation, like we wanted.
20 - Great. By this time next week,
21 - our new neighbors will be hearing your cries of love
22 - through our paper-thin walls.
23 - Cries of love? Or cries of disappointment?
24 - Oh, I don't wanna go.
25 - Come on, Fez. It's not like we're never gonna see you again.
26 - I'm sure in a couple months, you'll be, like,
27 - on the cover of National Geographic.
28 - Yeah, those bastards are always so intrusive.
29 - Fez, look, at least we're going camping tonight
30 - and we'll all be together for our last big blow-out.
31 - Actually, it won't be all of us.
32 - Kelso can't make it on account of he's got a broken face.
33 - I don't got a broken face.
34 - Well, you will if you keep interfering with me getting Jackie back.
35 - You're the one that's interfering.
36 - You know what? I'm going and Jackie's going,
37 - and you're staying home!
38 - - No, you are. - No, you are!
39 - - Fine, stay home, then. - I will!
40 - Hey, stop it. Would you please put aside your differences and go camping
with me?
41 - We only have a few hours left together.
42 - - Fine. I'll go for you. - Good.
43 - Now, I am off to spend the rest of my American money on candy and porno.

44 - - But, Fez... - I said candy and porno!
 45 - Hey, Jackie, you're gonna love these cookies on the camping trip.
 46 - They're sweet and tasty, just like me.
 47 - - Kelso, this apple's kind of like you, too. - You mean juicy and delicious?
 48 - No, red and bruised.
 49 - Yeah? Well, these hot dogs are like you, too, Hyde,
 50 - they're... Uh...
 51 - - Kosher. - Yeah, kosher!
 52 - - Wait, what's kosher? - That means blessed by a rabbi.
 53 - Burn!
 54 - Jackie, are you sure you wanna go camping?
 55 - These idiots are gonna be competing over you the whole time.
 56 - Well, I am glad, Donna.
 57 - They've both jerked me around so much, I cannot wait to watch them fight over me.
 58 - You know, if you really wanna mess with them, you should do it with me.
 59 - Hey, talk about humiliating.
 60 - So, you guys are going to the lake, huh? It is real fun up there.
 61 - My senior year, I set the record for most topless rides on the rope swing.
 62 - - I wish I was going. - Yeah, don't even think about it, Laurie.
 63 - There are enough scary things in the woods already.
 64 - Eric, I'm being deported, and she's loose with the boobs. She goes.
 65 - Hey, Forman. Your mom just got back from the loony doctor.
 66 - She got real depressed when she heard you guys were moving to Madison, huh?
 67 - Yeah, you're telling me. Last night she was making sounds
 68 - that were giving my dad war flashbacks.
 69 - What a beautiful day.
 70 - I feel... I feel like a rainbow.
 71 - Anyone else feel like a rainbow?
 72 - What happened to her?
 73 - Something touched me deep inside
 74 - The day that Hyde lied
 75 - So bye-bye, Mr. Steven Hyde
 76 - I'm a hottie and you're not-tie Jackie's gonna be mine
 77 - She likes my brunette Likes not your curly ass twine
 78 - Oh, Jackie Burkhart, you are so fine
 79 - I wrote that just for you, Jackie.
 80 - He didn't write that, he just ripped it off from American Pie.
 81 - Nuh-uh, the American Pie guy ripped me off.
 82 - - You shut up, man. - You shut up!
 83 - Okay. I'm gonna freak everyone out and tell my ghost story,
 84 - so go hide in the woods and jump out when I get to the end.
 85 - You are as wicked as you are gorgeous.
 86 - You know, it really creeps me out being up here after what happened to those kids.

87 - What kids?
88 - Well, a bunch of kids, just like us, were camping out up here,
89 - and they disappeared.
90 - And all the police could find were these bloody drag marks
91 - that led down to the lake. It was like...
92 - It was like something killed them and then pulled them in.
93 - Maybe it was the Loch Ness monster.
94 - No. Fez, the Loch Ness monster's in Africa.
95 - So, the police, like, searched the lake with their sonar and stuff,
96 - and when they played back the tapes,
97 - all they could hear in the background was, like, a whisper.
98 - What did it say?
99 - "I am the Lady of the Lake."
100 - "I am the Lady of the Lake."
101 - Yeah. And you'll know when she's coming because she screams before she kills.
102 - Let's see if we can hear her.
103 - I said, "Let's see if we can hear her."
104 - Donna, I'm stuck in a thorn bush.
105 - I heard her. She's stuck in a thorn bush!
106 - I'm kind of cold.
107 - I'll reward whoever gets more firewood by letting them feed me marshmallows.
108 - I'm not gonna go running around the woods trying to impress you.
109 - I will.
110 - Damn it.
111 - I'm gonna go take a walk down to the lake.
112 - She's going to the lake, old boy. That means topless rope-swinging.
113 - Now, do you want to spend your last hours in America eating s'mores
114 - or watching her glorious breasts swinging in the chilly night air?
115 - I choose boobs.
116 - Well, this is so strange, you know? It's, like, our last night all together.
117 - Yeah, it's too weird to think about.
118 - Let's, like, do something to get our minds off it.
119 - Well, here's the tent.
120 - So, I'll tell you what. I'll go inside, strip down and just lay there...
121 - Let's go skinny-dipping. Meet me down by the lake in five minutes.
122 - Wait, so...
123 - I have to walk all the way down to the lake by myself?
124 - Yeah.
125 - That's cool.
126 - Here you go, Kitty. Home, sweet home.
127 - I went into my closet to get a jacket, I found Kitty standing in there.
128 - I like the way the coats felt on my arms.
129 - Oh, yes!
130 - Why, there you are, my little sex muffin.

131 - Little brother?
 132 - What the hell was that?
 133 - It's the Lady of the Lake! She screams and then she kills!
 134 - There's Laurie. Okay. Time to turn on the charm.
 135 - Hey, Laurie, are you naked, or are you just happy to see me?
 136 - - Oh, my God! Fez! - Oh, my God! Donna!
 137 - Steady, old boy. Say something smooth.
 138 - Nice honkers!
 139 - - Get out of here! - Hey, you like the rough stuff, eh?
 140 - It was awful. I saw Laurie, and everything just went blank.
 141 - And I just ran, Donna. I just ran away.
 142 - And then I heard these high-pitched screams,
 143 - and it was me.
 144 - Yeah? Well, I've got bigger problems.
 145 - Fez is a good artist. He's gonna paint me onto a nudie poster
 146 - and sell it to every gaucho in Argentina, or wherever the hell he's from.
 147 - Eric, I'm gonna be Miss Nude Argentina.
 148 - You know, being here under the stars,
 149 - sitting on the grass,
 150 - makes me really glad I'm not poor.
 151 - Check out that fire, baby.
 152 - Yeah, if there's one thing I'm good at, it's turning a small fire into a big
 fire.
 153 - Man, that one guitar-shaped log is roaring.
 154 - Is that my guitar?
 155 - Yep. It's got a nice, warm sound.
 156 - Dead!
 157 - Hey, back off, man. Jackie doesn't want you.
 158 - Yeah? She still has feelings for me, and you know it!
 159 - Okay, okay, okay, stop it! This isn't fun for me anymore!
 160 - What? What do you mean fun for you?
 161 - I didn't say that.
 162 - Yeah, you did. All right, what are you trying to do?
 163 - You're getting your kicks off of watching us jump through hoops over you.
 164 - Nah, we didn't jump through hoops.
 165 - I'm good at that, I would have won that.
 166 - All right, I'm done with this crap, Jackie. You choose right now, me or
 him.
 167 - Yeah, who's it gonna be?
 168 - - Wait. What? No. I... - What's the matter, you don't know?
 169 - No, I don't know!
 170 - Wow.
 171 - Drama.
 172 - I know.
 173 - For a second there, I almost forgot about my sister's wet, naked ass. Oh,
 God.

174 - Yeah, where is Laurie? And where's Fez?
 175 - That was incredible, huh?
 176 - It was okay.
 177 - Okay's good enough for me.
 178 - Wow. Yeah, I don't know if it's the mountain air
 179 - or the poison from that thorn bush, but I slept great.
 180 - Oh, my God, it's almost 10:30. We're late for graduation!
 181 - Wait, wait, guys? Guys, where's the van?
 182 - I think it's obvious, Jackie. The Lady of the Lake stole it!
 183 - - Why would a ghost need a van? - What's she gonna do, hitch a ride?
 184 - Who's gonna pick up a ghost?
 185 - And you're telling me you can't decide between us?
 186 - Oh, my God. Fez and Laurie.
 187 - - They probably took it to mess with us. - Oh, man. I'm gonna kill them.
 188 - Eric, if I'm right about the Lady of the Lake, and I think I am,
 189 - they might already be dead.
 190 - I can't believe those morons missed their own graduation!
 191 - My whole life, I waited to hear the Pinciotti name called at graduation.
 192 - When they skipped from Olendorff to Stevens,
 193 - a little part of me died.
 194 - Come on. Let's get you a hoagie.
 195 - Kitty.
 196 - We've gotta have a little conversation about those pills you're taking.
 197 - These things? I think they're working wonders.
 198 - You know, I didn't cry once when Eric got his diploma.
 199 - I just smiled and took his picture.
 200 - That wasn't Eric,
 201 - that was some skinny girl with a Dorothy Hamill haircut.
 202 - It's not fair, Red.
 203 - You teach your children how to walk, to use a fork,
 204 - to look both ways before crossing the street,
 205 - and then one day you realize, all you're doing is teaching them how to
 leave.
 206 - We should never have potty-trained him.
 207 - Listen, Kitty. We did the kid thing and it was great,
 208 - but now I'm looking forward to it just being the two of us again.
 209 - This is our time, let's enjoy it.
 210 - You're right, Red. I don't need those.
 211 - Whenever I feel like I'm on the verge of a nervous breakdown,
 212 - I'll just come and talk to you.
 213 - And I'll just give you one of these.
 214 - Wow. What a great day.
 215 - Not only did we get to miss our own graduation,
 216 - but we got to ride home in the back of a pig truck.
 217 - Yeah, when it went around a corner,
 218 - one of those pigs almost went to third base on me.

219 - You know what? I need a shower.
 220 - Hang on. You're not going anywhere.
 221 - - You haven't given us an answer yet. - Yeah, who's it gonna be?
 222 - You know what? I can't talk about love right now.
 223 - The bottom of my jeans have something brown on them!
 224 - Where the hell have you been?
 225 - I have waited 18 years for my graduation picture.
 226 - I want you all back here at 5:00 sharp,
 227 - in your caps and gowns, ready to say "cheese."
 228 - Is that clear?
 229 - - Fine. - Fine.
 230 - Yes, Mom.
 231 - Hey? What kind of a moron leaves the keys in the ignition?
 232 - When I put the keys in my pocket, it distracts from my natural bulge.
 God!
 233 - You guys, I've been thinking about Steven and Michael all day,
 234 - and I don't know who to pick.
 235 - Face facts, Jackie. There's only one good man in this town,
 236 - and, well, he's leaving.
 237 - Eric, this is really hard.
 238 - I mean, okay, I know I love Steven because he's smart, and he's deep,
 239 - and when we have a conversation, he makes me think,
 240 - which used to give me a headache but now I really like.
 241 - - So, go with Hyde. - Yeah, but Michael.
 242 - Oh, Michael is so beautiful!
 243 - And you spend a lot more time looking at someone than you do talking
 to them.
 244 - Again, go with Hyde.
 245 - No, but, Donna, you don't understand.
 246 - Look, I know in a lot of ways I need Steven, but Michael needs me.
 247 - And it's nice to be needed.
 248 - You know what, Jackie? In order to help you,
 249 - and, well, just to speed this thing up, I, uh...
 250 - I think you should just take everything and toss it aside, and ask yourself,
 251 - who do you love the most?
 252 - You're right. You're right. That's what I should do
 253 - - because I'm... - No, no. Not here. Not here.
 254 - Yeah, that's... Yeah.
 255 - More dishes? I thought we already loaded these.
 256 - You had to bring the Millennium Falcon.
 257 - Son, here's 10 bucks for gas.
 258 - No way. Thanks.
 259 - Well, I just wanna make sure that you get out.
 260 - I mean, that you get, um, all the way there.
 261 - Okay, guys, I made a decision.
 262 - So, who's it gonna be? Tall and hot or short and kosher?

263 - Would you shut the hell up and let her talk?
 264 - Okay, look, I had to ask myself a really hard question.
 265 - Who do I love most? I mean, and the answer was so obvious.
 266 - It was staring me in the face the whole time.
 267 - The person I love most is me.
 268 - I love me most.
 269 - You choose you?
 270 - Look, if I could run across the beach into my own arms, I would.
 271 - Wait, what... So where does that leave us?
 272 - I'll figure that out after I spend the summer by the pool.
 273 - I feel this will be a lot clearer when I'm much tanner.
 274 - What a bunch of crap, man.
 275 - You know, freaking girls.
 276 - If it wasn't for the soft skin, the legs, the eyes, the long fingernails,
 277 - the butts and the boobs, I wouldn't even talk to them.
 278 - All right, all right, picture time. Everybody get in front of the car.
 279 - Hey, Forman, I got you a plant for your new apartment,
 280 - but, um, I can't give it to you in front of your parents.
 281 - Okay, here we go. One, two...
 282 - - Guys, I have something to tell you. - Just talk while you pose.
 283 - Kitty, be sure to get me in the background loading the last bunch of Eric's
 crap.
 284 - - Oh, man. - Okay, here we go. Smile!
 285 - Okay, tell them, Laurie.
 286 - I married Fez so he could stay in the country!
 287 - You did what?
 288 - Don't worry, Daddy. I don't love him, I was just bored.
 289 - Yeah, but we will be sleeping together.
 290 - You... Oh.
 291 - Ooh.
 292 - - Dad, are you all right? - Uh, yeah. I'm fine.
 293 - I'm just... My arm hurts.
 294 - Red. Red, you're all clammy. Red, I think you're having a heart attack.
 295 - No, open your eyes. He's having an arm attack.
 296 - Michael. Michael, get a chair. Laurie, call an ambulance.
 297 - Okay. Hang in there, Dad.
 298 - - Kitty? - Yes, Red?
 299 - If I don't make it,
 300 - kill the foreigner.
 301 - So, Red's gonna be okay, huh?
 302 - Yeah, he's doing better, but they're gonna be at the hospital for a while.
 303 - - Hey, you got the letter for your folks? - Yes.
 304 - I told them I'm married and I'm not coming home,
 305 - and that people have landed on the Great White Head.
 306 - Yeah, that'll get there.

130 - YELL AT ANYONE ANYMORE, RIGHT?
 131 - ACTUALLY, THE REASON HE RAN INTO TROUBLE IS
 132 - HE WAS HOLDING STUFF IN.
 133 - HE WAS HOLDING STUFF IN.
 134 - OKAY, I WEIGH 42 POUNDS 'CAUSE OF WHAT HE LET OUT.
 135 - AND I'M SORRY, YOU'RE TELLING ME THAT, UH..
 136 - THERE'S MORE IN THERE?
 137 - HA HA. NO, NO, NO.
 138 - HE DOES NOT WEIGH 42 POUNDS,
 139 - AND THESE TWO ARE THE BEST OF BUDDIES.

313 - OKAY? I HAVE TO GO OFF AND LIVE MY LIFE.
314 - I DESERVE THAT.
315 - MOM, I DESERVE A CHANCE!
316 - OKAY, OKAY. NO NEED TO USE YOUR SQUEAKY VOICE.
317 - I UNDERSTAND THAT YOU HAVE TO LEAVE.
318 - I HAVE BIGGER THINGS TO WORRY ABOUT
319 - THAN MAKING YOU FEEL GUILTY.
320 - ERIC, IF YOU FEEL LIKE YOU NEED TO STAY,
321 - I MEAN, WE CAN TALK ABOUT...
322 - NO, NO.
323 - WE'RE LEAVING NEXT WEEK AND THAT'S FINAL.

333 - ABOUT ME CHASING AFTER YOU ANYMORE.
334 - I MEAN, MOST OF THE STUFF YOU AND HYDE
335 - USED TO ARGUE ABOUT I DIDN'T EVEN UNDERSTAND,
336 - WHICH MAKES ME THINK THAT YOU'VE BECOME A COMPLI-
CATED WOMAN,
337 - AND I DON'T WANT NONE OF THAT.

384 - SHA-WALLA, SHE-BANG, SHE-BANG.

414 - AND, YOU KNOW, WE'LL SEE EACH OTHER ON WEEKENDS.
415 - OH, SO YOU'RE STILL GOING?
416 - WELL...
417 - YEAH, I MEAN...
418 - YEAH.
419 - YEAH.
420 - NO. OF COURSE.
421 - OH, COME ON.
422 - I THINK I KNOW SOMETHING THAT MIGHT MAKE YOU FEEL
BETTER.

426 - YEAH, SURE.
427 - SIT FOR A WHILE?
428 - IF I HADN'T FOUND THIS BACON, I'D BE REALLY PISSED OFF.
429 - jjj
430 - I MEAN, JUST BECAUSE I DON'T WEAR DRESSES
431 - AND I KNOW HOW TO FIX A CAR,
432 - IT DOESN'T MEAN I DON'T LIKE TO BE TOLD I'M PRETTY.
433 - WOW. IT'S LIKE I'M READING MY OWN JOURNAL.
434 - I THINK YOU'RE PRETTY.
435 - I THINK YOU'RE REALLY PRETTY.
436 - I THINK YOU'RE PRETTY.
437 - STOP.
438 - IS THIS REALLY HAPPENING?

9 - - Juicy. - Juicy.
10 - My juicy.
11 - Well, I'm not gonna stay here locked in the house just 'cause Jackie looks
12 - ridiculously hot in that bathing suit.
13 - - Later, Forman. - Bye-bye, juicy.
14 - Ladies. Ladies' bodies.
15 - You know, I wish someone would rub lotion on my shoulders.
16 - Think they're getting a little red.
17 - Yeah, you should be careful.
18 - Looks like you're starting to scab.
19 - Oh, that's a burn about a burn.
20 - That's a second-degree burn!
21 - You know, Jackie, I think maybe Hyde's moved on.
22 - No. No, no, no, no.
23 - You don't just move on from Jackie Burkhart.
24 - I'm like the bottle. You need a 12-step program to break my spell.
25 - Okay, ladies. All these sound waves are interfering with my sunrays.
26 - Let's tan.
27 - All right, I'm gonna need you to lotion me up, darling,
28 - but only rub where you can see. No roaming.
29 - Hanging out
30 - Down the street
31 - The same old thing
32 - We did last week
33 - Not a thing to do
34 - But talk to you
35 - We're all all right
36 - We're all all right
37 - Hello, Wisconsin!
38 - Hey, Mom, Dad, I have something I wanna tell you.
39 - - I've decided not to move away. - What?
40 - Yeah, I'm gonna stay and put off college for just a little while,
41 - or at least until you're well enough to go back to work.
42 - My baby, my baby, my baby!
43 - Okay, Mom, this is actually kind of embarrassing.
44 - You're actually really hurting me, yeah.
45 - You mean I've been waiting 18 years for you to get your butt out of this house,
46 - and now you're staying?
47 - Look, Mom, I signed over my paycheck to you.
48 - I want you to go buy yourself something pretty.
49 - Or, I don't know,
50 - electricity.

51 - Oh, honey, thank you.
 52 - Red, it wouldn't kill you to thank him.
 53 - It might. I just had a heart attack.
 54 - Speaking of which, I just found this in the garbage.
 55 - Why would you throw away the list of all the food
 56 - the doctor said we couldn't have in the house?
 57 - Kitty, did you look at that list?
 58 - If I had known what I was coming home to after my heart attack,
 59 - I would've walked straight into that bright light
 60 - and never looked back.
 61 - Oh, come on.
 62 - It can't be that bad.
 63 - I'll do it with you.
 64 - 'Cause what's good for the goose is good for the gander.
 65 - Actually, Mom, Dad's the gander.
 66 - The male goose.
 67 - So it would be "what's good for the gander is good for the goose."
 68 - So,
 69 - let's take a gander at what you're giving up with the gander.
 70 - That's how you do that.
 71 - Okay. "Potato chips, other salty snacks."
 72 - Good advice. That doctor obviously knows what he's talking about.
 73 - - "Butter, heavy cream, cheese." - Gone, makes a lot of sense.
 74 - - "Alcoholic beverages." - Okay, that doctor's a quack.
 75 - God, it's gonna be so hard going off to college without you.
 76 - But we'll see each other on the weekends, right?
 77 - Well, you say that now, but then there's that weekend
 78 - where you call home and say you have to study,
 79 - but I hear Moose, the place-kicker, in the background,
 80 - asking if you want another shot of tequila, so...
 81 - Eric, that would never happen.
 82 - I would never date a place-kicker. It's quarterback or nothing for me.
 83 - You know, the more I think about leaving you, the sadder I get.
 84 - And the sadder I get, the more I wanna be with you.
 85 - Right now.
 86 - Now? Well...
 87 - Yeah, I mean...
 88 - All right, this is great,
 89 - it'll be, like, completely spontaneous, like I just...
 90 - - Why are you talking? - I'm sorry, I just... Okay.
 91 - So it turns out
 92 - that going-away sex is even hotter than make-up sex.
 93 - It's like these chips. They say, "Now even crunchier,"
 94 - and you're thinking, "Oh, man, there is no way."
 95 - But then you take a bite
 96 - and it is crunchier.

97 - Dude, if something's crunchy, you should really have that looked at.
98 - There's no time, my friend,
99 - I have a distraught neighbor girl to attend to.
100 - Dry your eyes, baby, the loving's on its way!
101 - Toe ring.
102 - Oh, Fez, you like?
103 - Yeah, got a toe ring.
104 - On the little piggy that went to the market.
105 - Steven, what do you think?
106 - Can't resist toe ring.
107 - Whatever.
108 - Well, you know, I have all sorts of things now
109 - that I didn't have when we were going out.
110 - Toe ring, tan lines, a tattoo.
111 - You don't have a tattoo, you're bluffing.
112 - Do you have a tattoo?
113 - Well, we're not going out, so I guess you'll never know.
114 - Ugh, this bra is so uncomfortable.
115 - You know, I think I'm gonna stop wearing them altogether. See you.
116 - Look at you watch her. You love her, man.
117 - "Oh, baby, I love you so much."
118 - - Were you doing Jackie? - Yes, yes.
119 - Why am I even thinking about her?
120 - Man, she's like Tahiti.
121 - It's warm and it's beautiful and you wanna go there,
122 - but when you do, you get bit by a mosquito
123 - and you get malaria and you're sick for the rest of your life.
124 - Well, she's obviously not over you, either.
125 - I mean, she's practically putting on a show to get your attention.
126 - Just imagine it.
127 - I love to dance.
128 - Okay. The doctor wins.
129 - Eric and I boxed up all the liquor.
130 - Man, look at all this. It's like Dean Martin exploded.
131 - There were bottles in the liquor cabinet, the dining room hutch,
132 - my mom's nightstand.
133 - Oh, no, no. That's for polishing furniture.
134 - Mom, there's lipstick on it.
135 - Just your luck, Forman. You're about to turn 18
136 - and there's gonna be no hooch left in the house to steal.
137 - I mean avoid.
138 - Do homework next to.
139 - Pray near.
140 - Come on!
141 - Yeah, it's gonna be pretty boring around here.
142 - You know what you should do? Go to college.

143 - Mom, would it be too much to ask
 144 - for Dad to be grateful that I'm staying?
 145 - Honey, we're all going through hard times.
 146 - You're giving up your future, I'm giving up my schnapps.
 147 - Let's not compare our pain.
 148 - Hey, sorry I'm late.
 149 - Donna was really upset about leaving,
 150 - so I had to comfort her in a bedular way.
 151 - It turns out if I get her sad,
 152 - she gives it away like goldfish at a freaking carnival.
 153 - Eric, I think you may have found a secret "open sesame" to sex.
 154 - Make the lady cry.
 155 - Perhaps I should try that with my wife.
 156 - "Laurie, here's a dead cat. Now do me."
 157 - A little history, Fez.
 158 - I think Laurie has a lot of "open sesames," like, "Hi, Laurie."
 159 - That usually does it.
 160 - Actually, I only ever got as far as "Hi."
 161 - Fez, I did it with your wife!
 162 - Yeah, I have so much power over Donna now, it's like...
 163 - I know how Obi-Wan Kenobi feels.
 164 - "These aren't the droids you're looking for."
 165 - Man, I wish I could do it with Donna in a landspeeder on Tatooine.
 166 - That would be so awesome.
 167 - Hey, Steven,
 168 - check out my new super-sexy tattoo.
 169 - Hard to keep your hands off, huh?
 170 - Steven!
 171 - Sorry. Here's your tattoo back.
 172 - I'll take that.
 173 - Steven, why are you being so difficult?
 174 - Jackie, no amount of tattoos or toe rings
 175 - are gonna fix the fact that you have a lot to apologize for.
 176 - You're the one who should apologize.
 177 - Well, then I guess we're not getting back together.
 178 - I guess we're not.
 179 - Oh, and by the way, you don't deserve a real tattoo.
 180 - But if I were to get one,
 181 - I'd show it to Fez before I'd ever show it to you.
 182 - I hope she gets it on her heinie.
 183 - But, Jackie, it really bugs me that you and Hyde aren't back together.
 184 - So, as the man who used to pleasure you endlessly,
 185 - I feel it is my obligation to step in and fix this.
 186 - 'Cause when I'm a cop,
 187 - I'm gonna have to deal with domestic cases like this all the time.
 188 - And the good news is he'll have guns.

189 - Yeah, this is gonna be a piece of cake.
 190 - You know, they should have put me in charge of Vietnam.
 191 - I would have had those people making out in a week.
 192 - Wow. Donna, that might be the last time
 193 - that you'll ever get to see Kelso make an even bigger mess of a problem.
 194 - Yeah. I'm gonna miss that.
 195 - And I'm gonna miss you.
 196 - Well, I'm not gonna miss you two slobbering all over each other
 197 - like fat girls in a house with free meat.
 198 - And that might be the last time that Jackie ever makes fun of us,
 199 - fat girls and meat.
 200 - Yeah.
 201 - - What? - Nothing, I just...
 202 - This could be the last time
 203 - that you and I stand by the Vista Cruiser.
 204 - I just waxed her. She's all slippery-slidey.
 205 - Donna, this might be the last time that I bring you your toothbrush.
 206 - That's not my toothbrush.
 207 - Might be the last time that
 208 - I bring you the wrong toothbrush.
 209 - Hello, darling.
 210 - I see you are washing your unmentionables.
 211 - Yeah, do you know what gets out grass stains and Kahlua?
 212 - Anyways, I was thinking how sad you must be,
 213 - considering the mess you made of your life.
 214 - With all that sadness,
 215 - do you also not get needy?
 216 - You know, I sort of do.
 217 - Ali Baba, the treasure is mine!
 218 - I'm gonna go see if Carlos is home.
 219 - That Carlos is one lucky SOB to have a wife like mine.
 220 - Look, Hyde, I know you don't wanna tell Jackie that you're sorry,
 221 - but come on, there's gotta be some things that you did
 222 - that you wish you hadn't done.
 223 - Like that time that you told me to eat that stuff,
 224 - and I didn't know what it was.
 225 - And then you licked your lips and you rubbed your stomach
 226 - and you were like, "Mmm, it's really good, Kelso."
 227 - And then I ate it and then I wished I hadn't have done that.
 228 - Yeah, well...
 229 - Maybe with Jackie I was
 230 - sort of impetuous and maybe a little rash.
 231 - Now, see, that's something that Jackie ought to know.
 232 - Hyde says that he was sort of infectious and he has a rash.
 233 - - What? - I'm just telling you what he said.
 234 - All right, look, Michael,

235 - Steven's the one who messed up the relationship.
 236 - He thought you and I were together, but he was just wrong.
 237 - He fabricated the whole mess.
 238 - Well, somebody ought to make that clear.
 239 - Jackie wants you to know that there was a mess
 240 - 'cause she was wearing the wrong fabric.
 241 - - That can't be what she said. - It's word for word, man.
 242 - - Kelso, would you get out of here? - What? I'm helping.
 243 - You're making me wanna kick your ass!
 244 - That better be the rash talking.
 245 - Busted, mister.
 246 - You're like a damn cat.
 247 - I'm gonna make you wear a bell.
 248 - Bad health in a can, that's what that is.
 249 - The doctor said he wants nothing like that around here, and I agree.
 250 - All it takes is just, it's a little bit of will power, Red.
 251 - Even though you used to do something without thinking,
 252 - you just have to grab a hold of those thoughts.
 253 - Can I get you a refill there?
 254 - Well...
 255 - There's a lesson for you.
 256 - You're welcome.
 257 - - Hey. - Hey, listen, son.
 258 - You know, it means a lot to your mother,
 259 - you staying here and helping out the family.
 260 - And, as for me, I...
 261 - Well...
 262 - There.
 263 - Doctor said I should write down my feelings.
 264 - Are you actually thanking me?
 265 - This is a list of yard work.
 266 - Yeah, the lawn thanks you for all that mowing you're gonna do.
 267 - - You're welcome, Dad. - Yeah, well...
 268 - All right, we're both men here.
 269 - - Oh, God. - What's wrong?
 270 - Nothing. It's just, this could be the last time
 271 - that you and I watch Gilligan get hit on the head by the Skipper.
 272 - Eric, the more we talk about me going away,
 273 - the sadder you get.
 274 - And being with you so much lately has been great, but afterwards...
 275 - Well, you always used to look a little bit ashamed.
 276 - And, I mean, now you just seem depressed.
 277 - No, no, no.
 278 - I'm not depressed, Donna, you are depressed.
 279 - - Okay, let's do this. - Okay, hold on.
 280 - All this "last time" stuff,

281 - have you been saying that just for sex?
 282 - What? Have I... What?
 283 - "This is not the one you're angry with."
 284 - You're disgusting.
 285 - Eric, that might be the last time we fight over you trying
 286 - - to get me to have sex with you! - I know!
 287 - You know, Fez, this whole thing with Hyde and Jackie is stupid.
 288 - I mean, they both wanna be together, and they would in a second
 289 - if they just thought the other one had said, "I'm sorry."
 290 - Eureka, Fez, eureka!
 291 - I'm one step ahead of you, my friend.
 292 - Yeah. I'll just lie to both of them,
 293 - and tell them the other one said, "I'm sorry."
 294 - I thought we were going to pan for gold.
 295 - Okay.
 296 - Okay, here we go, let's make up.
 297 - All right. Look, Steven, I heard what you said.
 298 - Yeah, I heard what... Wait a minute, you heard what I said?
 299 - Yeah. Michael told me.
 300 - And, just so you know, I'm sorry, too.
 301 - Too?
 302 - No, you're not sorry, too. You're sorry one, I'm sorry two.
 303 - - Wait, what? No... Michael said that... - Yeah, he said that...
 304 - Whoa!
 305 - I did my work. You two gotta clean this mess up yourselves.
 306 - So nothing's changed, then?
 307 - - Guess not. - Forget this.
 308 - - Fine. - Okay. Enough.
 309 - Look, you guys, who cares who apologized first?
 310 - Look, Jackie obviously wants to be with you,
 311 - and you're here, which means that you wanna be with her,
 312 - and I don't blame you, 'cause with that rash,
 313 - you ain't got a whole lot of choices.
 314 - All right, look, Steven, do you wanna be with me?
 315 - No. No, a shrug's not gonna cut it.
 316 - Steven, I need you to say something.
 317 - All right. Look, I'll even go first.
 318 - Steven, I wanna be with you.
 319 - And you...
 320 - I...
 321 - Can you hang on a second?
 322 - Would you get out of here?
 323 - If you want me to leave, all you have to do is say, "Please."
 324 - Fine. Please.
 325 - That's better.
 326 - Jackie, I do wanna be with you.

327 - - Because you love... - Don't push it.
 328 - Okay.
 329 - Okay, Steven. Where's your beer?
 330 - What? Me, beer?
 331 - Kitty threw away all my beer. The Packers are down by 11.
 332 - You're 18, I know you have beer. So where's your beer?
 333 - I don't want used beer.
 334 - Well, I might have a couple fresh ones in the shower.
 335 - Yeah. I'm running low, I should probably hit the store.

2.3 Episode 03: Magic Bus

1 - And midnight.
 2 - So long, 17. In the words of Alice Cooper, I'm 18 and I like it.
 3 - - Happy birthday, man. - Let's give him his present.
 4 - A case of 23 beers.
 5 - - Kelso? - I deserved one, I carried it.
 6 - Yeah, that tastes like 18.
 7 - Whoa, check out the new stereo.
 8 - Oh, it plays records and eight-tracks? This thing's, like, right out of the future.
 9 - Yeah, Donna gave it to me.
 10 - I think she feels bad that she's going to college without me.
 11 - So, on the one hand I'm losing
 12 - the girl that I've been in love with since I was five,
 13 - but on the other hand, I get a crappy stereo.
 14 - Score!
 15 - What? I mean, she's going to dump you eventually.
 16 - Rock-and-roll never dies.
 17 - Kelso, Donna and I are fine, okay?
 18 - I mean, she's waiting until the very last bus to go to school tomorrow
 19 - so we can spend every minute of my birthday together.
 20 - We're just gonna make this work.
 21 - Eric, long-distance relationships don't work.
 22 - Just ask my girlfriend back home.
 23 - Fez, you have a girlfriend back home?
 24 - No, don't you listen? Long-distance relationships don't work.
 25 - You guys, Donna and I are not gonna let a couple of miles come between us, okay?
 26 - This isn't the end of the world.
 27 - My world is over, man.
 28 - Forman, I know what you're thinking. Donna's gonna go to school,
 29 - meet a whole bunch of people way cooler than you,
 30 - and probably fall in love with someone else.
 31 - - And you don't think she will? - Oh, I know she will.
 32 - My advice to you is drink up.

33 - I can't believe she's just leaving, you know?
 34 - Hasn't she heard of a little something called sacrifice?
 35 - You know, she sacrifices an education, or a career, or a future of any kind,
 36 - and in exchange she gets me.
 37 - I'd make that trade, you're a dependable guy.
 38 - You don't offer much in the way of excitement,
 39 - but if it's the same old same old the girl's after, look out.
 40 - I never deserved her, anyway.
 41 - Well, we're here for you. Here you go, dry your eyes.
 42 - Thanks, you guys, I feel better.
 43 - I think we all do.
 44 - All right, buddy, come on. Let's get you to bed.
 45 - Big boy, we're gonna tuck you in.
 46 - All right, sleep tight, buddy.
 47 - - Oh, good Lord. - What, what?
 48 - Happy birthday, dumb ass.
 49 - Hanging out
 50 - Down the street
 51 - The same old thing
 52 - We did last week
 53 - Not a thing to do
 54 - But talk to you
 55 - We're all all right
 56 - We're all all right
 57 - Hello, Wisconsin!
 58 - Okay, Red, remember, don't tire yourself out today,
 59 - because tonight is a special night in the bedroom.
 60 - Bob Newhart's on Carson?
 61 - No, silly. It's been a month since your heart attack.
 62 - Tonight's the night the doctor gave us the "okay."
 63 - You know, the "okay."
 64 - Kitty, I don't like clues, just say it.
 65 - - The okay to make love. - Don't say that.
 66 - Well, tonight is my only night off this week.
 67 - Let's not talk about it in front of the boy.
 68 - Or girl, or whatever he is today.
 69 - Let's not talk about what in front of the boy?
 70 - You guys are planning a surprise party for me tonight, aren't you?
 71 - Well, first of all, thank you.
 72 - Second of all, let me just say, 18 years old, not too old for ice-cream cake,
 okay.
 73 - So, where's my special birthday breakfast?
 74 - Oh, my goodness, I've been so busy this morning
 75 - I forgot all about your breakfast.
 76 - Okay, I'll play along.
 77 - Lah-dee-dah, here I am, completely unaware

78 - that I'm about to get my super birthday breakfast
 79 - with four pieces of bacon.
 80 - Honey, there is no breakfast.
 81 - Mom, gag's over. Give me the bacon.
 82 - Are you sure you want bacon? It's fattening.
 83 - You barely fit into your best dress as it is.
 84 - Eric, honey, let me make it up to you.
 85 - How about tonight, instead of hanging out around here, you just...
 86 - You take the night off.
 87 - Oh, because there's "no party."
 88 - I'm with you.
 89 - Steven, I am so glad we're back together.
 90 - I thought I'd lost my little Pudding Pop forever.
 91 - Wanna hear something sick?
 92 - I actually missed you calling me Pudding Pop.
 93 - How many times have I told you guys not to make out on my bed?
 94 - You guys are like cats, you don't even listen. Down!
 95 - Donna! Donna, you know what?
 96 - You're leaving tonight, so technically this isn't your bed anymore.
 97 - And besides, I just can't keep my hands off my Pudding Pop.
 98 - - Pudding Pop? - Pudding Pop?
 99 - Is that supposed to be me?
 100 - I've never heard that name before in my life.
 101 - Donna, you're amazing.
 102 - Taking the midnight bus tonight
 103 - just so you can spend my whole birthday with me, that...
 104 - I swear, that is right up there with not wearing a bra in public.
 105 - Boy, you're taking this really well.
 106 - Yeah, well, I know I have a history of ruining these things.
 107 - Birthdays, holidays,
 108 - that perm that made you look like a poodle.
 109 - But I'm not gonna do that, okay?
 110 - I'm not gonna ruin our last day together.
 111 - Oh, so you're taking the toaster.
 112 - What?
 113 - It's just, you know, we bought it together,
 114 - so I guess I kind of thought it was, like, our toaster.
 115 - What do I know? It's not like I'm the one going to college, right?
 116 - You are, with my toaster.
 117 - - Okay, Eric, if it's a problem... - Oh, it's a problem.
 118 - You thought you could just sneak it out of town
 119 - without telling me 'cause you knew it was wrong, didn't you, lady?
 120 - Okay, Eric, I don't know what your deal is, but you're ruining our last
 day together.
 121 - I wouldn't be me if I didn't ruin it!
 122 - You know what? Enjoy your toast, I hope it burns!

123 - Oh, man, Casablanca.
 124 - This is the part where Humphrey Bogart tells Ingrid Bergman
 125 - they'll always have Paris.
 126 - What's his problem? The guy owns a bar, man.
 127 - I'd be beating those French sluts off with a stick.
 128 - - How'd it go with Donna? - I ruined it.
 129 - And I knew I was ruining it while I was ruining it.
 130 - I just kept on ruining it.
 131 - Now, Bogey. You know, that...
 132 - That guy knows how to let a woman go. "Here's looking at you, kid."
 133 - I threw a toaster.
 134 - Hey, if you wanna be like Bogey, you gotta let her go.
 135 - Only Bogey'll get another hot girl.
 136 - You, I see Star Wars conventions and fat chicks.
 137 - Hey, Bogey and I have more in common than you think.
 138 - Of all the teenage burger hangouts in all the towns in all the world,
 139 - she walks into mine, only to walk right back out again.
 140 - Play it, Fez.
 141 - Well, it'll cost you a Baby Ruth.
 142 - Hold the line
 143 - Love isn't always on time
 144 - Oh, no, no
 145 - Hold the line
 146 - Love isn't always on time
 147 - Love isn't always on time
 148 - Hold the line
 149 - Love isn't always on time
 150 - Now I want a Baby Ruth.
 151 - Hey, let's go to The Hub.
 152 - - I can't. - Let me see that.
 153 - Forman, I think there's a rule that when you turn 18
 154 - you can't let Scooby tell you the time anymore.
 155 - Shows what you know, Hyde.
 156 - That's Deputy Dawg.
 157 - I can't wait until all of Donna's giant clothes are out of the closet.
 158 - I don't even go in there now.
 159 - I'm afraid I'll fall into one of her shoes and never be heard from again.
 160 - Well, I guess I must be Eric's best friend,
 161 - because I'm the only one went to the trouble of getting him a birthday
 cake.
 162 - It's good, too.
 163 - Maybe we should think about getting him something else.
 164 - What do you think, Pudding Pop?
 165 - Why does everybody keep calling me that?
 166 - My name's not Pudding Pop, never heard that name before in my life.
 167 - Forman's dead.

168 - Hey, if you guys think that's funny, you should hear what Steven calls me.
 169 - He calls me his...
 170 - Hey!
 171 - Oh, hey, that's some good cake.
 172 - So, I heard Eric threw a toaster.
 173 - It's almost as bad as the time he called you a poodle head.
 174 - Which he brought up again today.
 175 - He's not good.
 176 - Well, I'm just surprised Eric was able to lift a toaster.
 177 - Hey. Donna, I've been looking all over for you.
 178 - I'm so sorry I was such a jerk earlier.
 179 - It's your last day, and it's my birthday, I just...
 180 - I wanna spend it together.
 181 - Eric, it's okay, I know you don't care about the toaster.
 182 - You're sad I'm leaving and I'm sad, too.
 183 - Hey, don't take him back. He threw a toaster!
 184 - Hey, shouldn't my surprise party have started already?
 185 - We keep telling you there's no party, man. It's like you're deaf.
 186 - Eric, there is no party.
 187 - No, no, no! Why are you here? You can't be here!
 188 - Oh, right, I'll go outside, then I'll come back,
 189 - and you guys yell, "Surprise!" and I'll yell, "You got me!"
 190 - Eric, honey, there's no party.
 191 - What? How can there not be a party?
 192 - Mom, what is more important than your only son's 18th birthday?
 193 - Okay, fine.
 194 - For the first time since his heart attack, your father and I are having intercourse.
 195 - Sexy.
 196 - Okay, let's get this over with.
 197 - Happy birthday.
 198 - I can't fucking believe that my mom didn't plan a fucking party
 199 - on my 18th fucking birthday.
 200 - The only party going on in this house is in their bedroom and that's all...
 201 - Forman, you hate it when your mom does stuff for your birthday.
 202 - Remember two years ago?
 203 - I'm 16.
 204 - Hey, your mother worked very hard on this party.
 205 - Now, you be nice to her or we're canceling the puppet show.
 206 - Oh, oh, sit on the tiny horse, so I can take a picture.
 207 - I can't, Mom.
 208 - I'll kill it.
 209 - Yeah, okay, fine, but she should have done something for me.
 210 - Well, we're here for you. We scraped together a few bucks
 211 - and got you something you can actually use.
 212 - - What is it? - It's a knob for your new stereo.

213 - Wait, did you guys just take this off while I wasn't looking?
 214 - Eric, there's an old saying. "Don't look a gift horse in the knob."
 215 - And what happened to my Led Zeppelin eight-track?
 216 - You mean gift number two.
 217 - Well, hello, handsome.
 218 - Boy, am I tired. I think I'll just go to bed.
 219 - Red Forman, what has gotten into you?
 220 - I just think that there are more appropriate ways
 221 - for us to spend our time.
 222 - Like you knit and I'll whittle.
 223 - That's a nice life.
 224 - Red, I know what this is about.
 225 - You're afraid of getting physical so soon after your heart attack.
 226 - Kitty, you know I love what we do
 227 - but am I willing to die for it?
 228 - Now, you just relax. Nurse Kitty is here to take care of you.
 229 - Well, the big paw's on the 11,
 230 - so it's almost time to take Donna to the bus station.
 231 - I mean, this is it, you guys. She's really going away.
 232 - Forman, we have just the thing to make you feel better.
 233 - Another case of beer!
 234 - Oh, I'm just not really in the mood to put on a dress.
 235 - But thanks anyway, Pudding Pop.
 236 - Look, man, if you want her to stay, can't you just ask her to stay?
 237 - Man, you have no idea how badly I wanna do that,
 238 - but I just... I don't think it'd be fair to her.
 239 - Fair to her?
 240 - Who cares what the woman thinks? This is America.
 241 - You know what?
 242 - I already screwed this up once today, I am not gonna screw this up again.
 243 - I'm gonna fight every bad instinct I have, and I'm just gonna let her go.
 244 - Like Bogey did in Casablanca.
 245 - Wait, so that's it? No one's gonna drink beer and put on a dress?
 246 - - Hey, Fez, you want a beer? - Sure.
 247 - Jackie!
 248 - - What did you do to my room? - Your room? Read the wall, Donna.
 249 - Jackie, this is still my room until I leave, so will you get out
 250 - and give me and Eric a few minutes alone?
 251 - But I still have to paint the heart over the "I".
 252 - - Out, go. Out, shoo. - Oh, God! All right, Donna!
 253 - Okay, you're all packed.
 254 - I can't believe my baby's leaving.
 255 - Well, hey, I'll still be around, sir.
 256 - Why would I wanna pal around with you? All you did was dirty her up.
 257 - You should probably get going.
 258 - Happy birthday, Eric.

259 - Donna, this is the nicest thing anyone's done for me all day.
 260 - Make a wish.
 261 - Oh, boy, do I smell cupcakes?
 262 - So...
 263 - I'm really gonna miss you.
 264 - Yeah, me, too.
 265 - Look, Donna, I'm really happy for you.
 266 - Well, bye, I guess.
 267 - Donna, wait!
 268 - - Donna, you have to stay. - Stay? You're supposed to tell me to go.
 269 - No, if you leave you'll regret it.
 270 - Maybe not today, maybe not tomorrow, but in a couple of weeks or...
 271 - You know, at least by Christmas.
 272 - Oh, my God, you're such a loser.
 273 - - Donna. - Here's looking at you, dork.
 274 - What did you wanna tell me?
 275 - Have a safe trip.
 276 - Thanks.
 277 - Donna, what...
 278 - I couldn't do it. I couldn't do it.
 279 - This whole time I was thinking I was supposed to leave,
 280 - and then when the time came to get on the bus, I couldn't do it.
 281 - I'll figure college out later, all I know is I wanna stay here with you.
 282 - Oh, my God. Donna,
 283 - that's what I wished for.
 284 - Donna, we didn't get a chance to say goodbye.
 285 - You guys get him drunk and make him wear a dress?
 286 - Yes, but I've been wanting to do this for some time.
 287 - Too tired.
 288 - Yeah, it was pretty silly.
 289 - Knit and whittle.
 290 - Yeah, I hate to whittle.
 291 - Where's the aspirin?
 292 - Oh, like you've never woken up in a dress before.

2.4 Episode 04: The Acid Queen

1 - Guys, guess what I just heard in the ladies' bathroom?
 2 - Fez, what were you doing in the ladies' bathroom?
 3 - Oh, spying, eating lunch, you know.
 4 - I heard two girls say they did not want to go to college as virgins.
 5 - Yeah, I caught that wave last year.
 6 - So I'm thinking, if horny virgins are dying for sex,
 7 - then a-hunting horny virgins I will go.
 8 - By the way, Fez, it's not pronounced virgin,
 9 - it's pronounced vir-gin.

10 - I thought it was virgin?
 11 - No, no. Hyde's right. It's vir-gin.
 12 - Oh, now I will not sound stupid in front of the beautiful vir-gins.
 13 - Oh, my God!
 14 - That's... That's the girl.
 15 - That's the one I made it with at the Molly Hatchet concert.
 16 - That's Brooke.
 17 - Man, no one sleeps with that Brooke.
 18 - When we were sophomores and she was a senior,
 19 - she turned down her science teacher, and he drove a Corvette.
 20 - Yeah, she was like some kind of mythical creature, like a unicorn.
 21 - It's weird, it seems like she's moving too fast.
 22 - It's probably cause all my memories of her are in super jiggle sexy slo-mo.
 23 - Well, all I know is, that's her,
 24 - and I did it with her, and I'll prove it.
 25 - Hey, Brooke.
 26 - Yeah, I know this is kind of awkward,
 27 - but could you tell my friends over there
 28 - about you and me at the Molly Hatchet concert?
 29 - Do I know you?
 30 - Hey, I'm sorry to interrupt but...
 31 - Burn!
 32 - It's me, Michael, from the concert.
 33 - I've been looking for you for weeks,
 34 - and I think you were so blissed out, and that does happen,
 35 - that you gave me the wrong phone number.
 36 - But the good news is, I wasn't a dream.
 37 - I'm sorry, I don't know what you're talking about.
 38 - No, Michael Kelso.
 39 - "Let's do it in the men's room, it's more romantic."
 40 - No, wait...
 41 - I kicked that kid out of the handicapped stall
 42 - so we could have more room!
 43 - Hanging out
 44 - Down the street
 45 - The same old thing
 46 - We did last week
 47 - Not a thing to do
 48 - But talk to you
 49 - We're all all right
 50 - We're all all right
 51 - Hello, Wisconsin!
 52 - What is Brooke's deal, man?
 53 - I mean, most girls lie about doing it with me when they haven't.
 54 - This... The... Everything is backwards.
 55 - Yeah, this is just like Freaky Friday,

56 - but unlike that charming little movie,
57 - your story has no basis in fact.
58 - It does, too, except it's just the girl is avoiding me.
59 - I mean, how do you get a girl to come to you when you repulse her?
60 - Yeah, Eric?
61 - Well, I like to put a hot dog on the end of a stick
62 - and hide in the bushes, so...
63 - Donna, so how do you know Brooke, anyway?
64 - Did you guys jump out of a cake together or something?
65 - Yeah! No, moron.
66 - When she was a senior we worked on the school paper together.
67 - I think you know Brooke 'cause there's a secret club in this town
68 - made up of all the hot girls.
69 - It's the secret hot girls club.
70 - There's no secret hot girls club.
71 - Believe me, I'd know.
72 - Uh-huh. Well, I'm gonna take off.
73 - I have to get to my secret hot girls meeting.
74 - Oops!
75 - Why doesn't Brooke like me?
76 - I am a gentleman.
77 - Oh, yeah, you lied about doing it with a hot girl in the men's room.
78 - You're Cary Grant.
79 - Steven, you've been quiet.
80 - Do you think Brooke's hot?
81 - Do you really want me to answer that question?
82 - Oh, I think we all do.
83 - Steven, it's no big deal.
84 - Do you think she's hot?
85 - Oh, well, I guess since you're not setting a trap, I can answer honestly.
86 - Yeah, she's freaking hot.
87 - A-ha! See, I trapped you.
88 - Now take it back or I'll pinch you.
89 - Jackie, if you pinch me, it's gonna cause a serious problem in this relationship.
90 - Fine.
91 - Ow!
92 - Oh, hey, Jackie.
93 - Are any of your college-bound friends vir-gins?
94 - It's pronounced virgins, Fez.
95 - What? But, no, but Hyde said...
96 - Oh, you magnificent bastard.
97 - Sorry, buddy.
98 - By the way, it's pronounced bas-tard.
99 - Fez, if you wanna find virgins,
100 - go where ugly girls pray to get pretty,

101 - the local House of Worship.
102 - House of Worship?
103 - Are you sure you don't mean the House of Pies?
104 - No, Fez, I mean the House of Worship.
105 - I'm going to the House of Pies.
106 - So, how's it going at Point Place Junior College?
107 - Well, the education's not too great,
108 - but the upside is it's next to the Dairy Queen.
109 - First day of class, we all got free Peanut Buster Parfaits.
110 - Ooh!
111 - Hey, guys.
112 - Kelso, what are you doing?
113 - I'm looking for Brooke's phone number.
114 - I mean, why won't she admit that we did it?
115 - Kelso, there are racehorses and there are donkeys,
116 - and you are a great donkey. You are, like, top donkey.
117 - But she's a racehorse, and guess what?
118 - She don't want no donkey.
119 - She might.
120 - Look, we had a great time together,
121 - and not just 'cause of the sex part,
122 - but because we had a really great time.
123 - Donna, please help me find her.
124 - Okay, I'll give you a hint about where she works.
125 - It's in a quiet building,
126 - you could try to check her out on a date,
127 - but she's probably booked for the future.
128 - She's a travel agent?
129 - She translated her love of books into a career.
130 - She's a translator.
131 - She's the translator, not me, Donna.
132 - You know, enough with these brain teasers.
133 - You tell me where Brooke works,
134 - and I'll return your underpants to safety.
135 - Kelso, aren't you a little old to be stealing Donna's undies?
136 - A collector never stops collecting, Eric.
137 - The library, Kelso. She works in the library.
138 - Now will you put my underwear back, you perv?
139 - I lied.
140 - Wow, those male actors are gorgeous.
141 - You know, I think that Robert Redford is so hot.
142 - He's hotter than the sun.
143 - He's extremely handsome.
144 - You know who I think is sexy?
145 - James Caan in The Godfather.
146 - Now, if he made me an offer, I sure couldn't refuse.

147 - Yowza!
148 - Do you mind?
149 - I'm sorry.
150 - I thought we were having a conversation.
151 - You know what, Steven? I actually think
152 - that every guy on TV, and in life,
153 - is hotter than you.
154 - Jackie, I know what you're doing, okay?
155 - I said Brooke was hot, and now you're totally insecure.
156 - Oh, I am not insecure, okay?
157 - This is a designer sweater,
158 - this is designer eye shadow,
159 - and those are designer shoes,
160 - and they make me feel incredibly secure.
161 - You know who else I like?
162 - That little fellow who plays Columbo.
163 - I just wanna give him a bath.
164 - Steven, why can't you just say that Brooke's not hot?
165 - It's common relationship courtesy.
166 - If you can't do this, what will you do when I'm old
167 - and ask you if I have crow's feet around my eyes?
168 - By the way, that's already starting.
169 - You've never been in a relationship, have you, son?
170 - What, when she asked if Brooke was hot, I should have lied and said,
"No"?
171 - Being honest and screwing yourself is clearly the better plan.
172 - Sweetie, white lies help relationships.
173 - Like, "Kitty, even though your pot roast was overdone,
174 - "I still loved it."
175 - Oh, for the love of God, I did love it.
176 - You're a pot roast genius, okay?
177 - It was like eating gold.
178 - So, you're saying lying is good?
179 - Exactly.
180 - Now go do the right thing, and lie to the woman you love.
181 - Red, this is crazy, right?
182 - Yeah, they're all nuts.
183 - Except you, sweetheart.
184 - Look at all the smart, lonely girls.
185 - Little ones, big ones. It's like a virgin pumpkin patch.
186 - Can I help you?
187 - Yes, I'd like an order of books, please.
188 - Could you be more specific?
189 - Could you be more beautiful?
190 - Could you be more lame?
191 - Yes.

192 - Excuse me, I'm trying to read.
 193 - Don't be a sissy.
 194 - You know what?
 195 - Here's a firecracker, go live a little.
 196 - Thanks.
 197 - Look, I know why you're here and I'm sorry, you're not my type.
 198 - I was high school valedictorian and you're the antithesis of that.
 199 - The anti-who of what?
 200 - Exactly.
 201 - Okay. No, come on. Don't be like that, okay?
 202 - Look, I really like you,
 203 - and I just thought that maybe we could go out some time,
 204 - like, for coffee. And then, if that went good,
 205 - then we could go to a movie.
 206 - And then, when we really start to trust each other,
 207 - you can tell my friends how we did it at the Molly Hatchet concert.
 208 - Look, I don't make it with guys at concerts.
 209 - I read two periodicals a week about the Dewey Decimal system,
 210 - which I'm sure you've never heard of.
 211 - Okay, I have heard of Dewey Decimal.
 212 - It's Donald Duck's nephew.
 213 - I can't believe Brooke.
 214 - I mean, standing there at the library, totally resisting me.
 215 - I can't believe we have a library.
 216 - I know, what is it, like, invisible?
 217 - No, no, you know that parking lot where we drink beer in?
 218 - Okay, well, you know that wall that we lean up against?
 219 - That's the library.
 220 - Oh!
 221 - Well, then guess who has peed on the library?
 222 - You know what? For the first time in my life,
 223 - I hope that there's not a secret hot girls club, because if there is,
 224 - I bet Brooke said awful things about me at their last meeting.
 225 - Order, bitches.
 226 - The secret hot girls club is now in session.
 227 - Now, last meeting we all decided to go braless,
 228 - and I just wanna report that Operation Bazooma Bounce
 229 - - is driving the boys insane. - Ah!
 230 - Hi, my name is Brooke and I've been a hot girl for 6 years.
 231 - Hi, Brooke.
 232 - And I just wanna let everyone know that Michael Kelso asked me out,
 233 - and I resisted his charms and turned him down.
 234 - - But he's irresistible. - That's what I thought, but it's a lie.
 235 - A lie, I tell you.
 236 - Then it's official.
 237 - No secret hot girl will ever date Michael Kelso ever again.

238 - Okay, that's great, that's great.
 239 - Now this calls for dancing bubble kiss time.
 240 - Kelso, there is no secret hot girls club.
 241 - Well, of course, the president won't admit it.
 242 - You know, I don't care if there's a club or not,
 243 - dancing bubble kiss time is just a fabulous idea.
 244 - Well, all I know is that Brooke and I
 245 - had a romantic night together at the concert.
 246 - Why is she pretending like it didn't happen?
 247 - Well, maybe she's embarrassed.
 248 - I mean, she's used to dating really brainy guys.
 249 - Yeah, not guys who set their own pants on fire.
 250 - On a dare.
 251 - And I won a dollar.
 252 - Kelso, if you want Brooke to like you,
 253 - you know, maybe you should go to the library
 254 - - and show her you can be smart. - I hate the library.
 255 - The only good thing about it is that you can check out Playboys.
 256 - I mean, they have every issue since it started.
 257 - Wait, every issue?
 258 - Are you telling me that they have the one with Pamela Sue Martin,
 259 - television's Nancy Drew, in a grotto, straddling the world's luckiest boulder?
 260 - They have periodicals, you say?
 261 - What is wrong with Steven?
 262 - I mean, why won't he just say Brooke's not hot?
 263 - Because he doesn't know how to lie.
 264 - He's an orphan.
 265 - He never had a mother to teach him how.
 266 - I mean, how do I know he loves me if he doesn't obey me?
 267 - Well, you've chosen a strong man, Jackie,
 268 - and they don't always obey.
 269 - Now, do I think he should have said that other girl wasn't pretty? Yes.
 270 - But you have to pick your battles.
 271 - Wait, no, I wanna be right all the time.
 272 - And you will be.
 273 - After a few years they just... They give up.
 274 - Okay, watch.
 275 - Red, could you go to the drug store and get me a Ladies' Home Journal?
 276 - But I just...
 277 - It's all frosty.
 278 - Oh, crap!
 279 - Jackpot, my friend.
 280 - Not only did I get Nancy Drew, but I also got Margot Kidder,
 281 - Superman's Lois Lane, in an outfit that,
 282 - let's just say, you don't need x-ray vision to appreciate.

283 - Get those out of here, man.
 284 - I'm trying to impress Brooke with my intelligence.
 285 - Here she comes.
 286 - Say, Eric, this encyclopedia of scientific terms
 287 - has really taught me something.
 288 - See, by lifting this encyclopedia of scientific terms above my head,
 289 - I'm using my body's stored energy,
 290 - also known as uranium.
 291 - Um, actually, it's known as calories,
 292 - but I do believe at some point you were exposed to radiation.
 293 - All right, look, I don't know what you have against me,
 294 - but I'm not leaving here until I convince you to go out with me.
 295 - That's the man who gave me the firecrackers, Mom.
 296 - I gotta run.
 297 - You wanna check something out?
 298 - No. Is there someone else that can help me?
 299 - Like a man.
 300 - So, you wanna check out those Playboys, or not?
 301 - Okay, fine.
 302 - I'm a man. I would like these Playboys.
 303 - Well, you can't have them.
 304 - I want you to get in your car, buy some flowers, give them to Donna,
 305 - and thank God an actual live woman lets you touch her.
 306 - Yes, ma'am.
 307 - Okay, Steven, I think I figured out a way to end this situation
 308 - where everybody wins.
 309 - Now, listen to this question carefully.
 310 - Is there anyone you said was hot, like Brooke,
 311 - who you really don't think is hot, like Brooke?
 312 - Well, I could lie and say yes.
 313 - Then do it. I don't care if you don't mean it.
 314 - It's the words that count.
 315 - Jackie, I'm not gonna lie.
 316 - Fine. Then you know what? I don't know how to fix this.
 317 - Pick your battles...
 318 - Fine.
 319 - Steven, I don't care if you think she's hot, because that's how you really
 feel.
 320 - Thank you.
 321 - Hey, Steven, will you go to the drug store and get me a Vogue magazine?
 322 - But I just...
 323 - It's gonna melt.
 324 - Crap!
 325 - Well, my plan to have sex with virgins failed.
 326 - So I've widened my search from virgins to everyone.
 327 - Basically, you're back to where you started this morning.

328 - Not really, I had some pie.
329 - I've done less in a day.
330 - Well, Donna, turns out Brooke doesn't like intelligent men.
331 - Kelso, you didn't have sex with her, man, just let it go.
332 - Michael, I need to talk to you.
333 - Yeah, about what?
334 - About our night together at the Molly Hatchet concert.
335 - Excuse me.
336 - Burn!
337 - Burn!
338 - Burn! Burn!
339 - Burn! Burn!
340 - Burn.
341 - We totally did it!
342 - Michael, I just found out I'm pregnant.
343 - I never touched her.
344 - Psst! Kid, hey, see this?
345 - That's a Playboy.
346 - And inside are things beyond your wildest dreams,
347 - magical, glorious things.
348 - So if I toss it in your book and you check it out for me,
349 - I'll let you have a look-see. What do you say?
350 - You're pathetic. Just go buy a Playboy, you loser.
351 - Loser? Hey, I'm not the one reading Hardy Boys.
352 - For your information, the stolen money was hidden in the grandfather clock!
353 - Who's the loser now?

2.5 Episode 05: I'm Free

1 - jijj
2 - LAVERNE IS SO ANNOYING.
3 - WHY DOES SHIRLEY KEEP PUTTING UP WITH HER CRAP?
4 - SHE HAS TO. THEY'RE IN LOVE.
5 - AGAIN, KELSO,
6 - LAVERNE AND SHIRLEY ARE NOT LESBIANS.
7 - TRUST ME,
8 - THEY'RE ONE BOTTLE OF WINE AWAY FROM MAKING OUT.
9 - JUST LIKE YOU TWO.
10 - KELSO, DON'T YOU HAVE SOMETHING MORE IMPORTANT
11 - TO TALK ABOUT RIGHT NOW?
12 - IF YOU GOT A TOPIC MORE IMPORTANT
13 - THAN GIRL-ON-GIRL ACTION, I'D LIKE TO HEAR IT.
14 - HOW ABOUT THE FACT
15 - THAT BROOKE'S GOT YOUR FEEBLE-MINDED BUN IN HER OVEN.
16 - LOOK, SHE CAN'T BE PREGNANT, OKAY?

17 - IT JUST CAN'T BE TRUE.
18 - MICHAEL, THIS IS NOT SOMETHING GIRLS LIE ABOUT, OKAY?
19 - I WOULD KNOW. I'M AN EXPERT ON GIRL LIES.
20 - KELSO, YOU'RE GONNA HAVE TO DO SOMETHING ABOUT THIS.
21 - NO, BUT DOING SOMETHING IS NOT IN MY NATURE.
22 - "IGNORE," "AVOID," "RUN AWAY"...
23 - THESE WORDS HAVE BEEN VERY GOOD TO ME.
24 - YOU'RE HORRIBLE.
25 - WHAT A PIG.
26 - YOU KNOW WHAT?
27 - YOU GIRLS DON'T EVEN KNOW WHAT I'M GOING THROUGH
HERE.
28 - YOU CAN HAVE ALL THE SEX YOU WANT,
29 - YOU DON'T HAVE TO WORRY ABOUT GETTING ANYONE PREG-
NANT.
30 - jjj
31 - LAURIE, TRY THESE BANANA-WALNUT PANCAKES.
32 - I KNOW YOU'VE ALWAYS HAD A THING FOR NUTS.
33 - EVERY MAN IN TOWN KNOWS THAT.
34 - WHY MEN?
35 - OH, NEVER MIND.
36 - YOU GUYS, AN AGENT FROM IMMIGRATION
37 - IS COMING TO CHECK ON FEZ AND LAURIE'S MARRIAGE,
38 - AND IF HE FINDS OUT IT'S FAKE, FEZ COULD GET DEPORTED.
39 - BUT THIS MARRIAGE IS BASED ON LOVE. RIGHT, HONEY?
40 - DON'T TOUCH ME.
41 - FINE. I'LL GIVE YOU 20 BUCKS TO PRETEND TO BE MY WIFE.
42 - THAT'S GOTTA SOUND FAMILIAR.
43 - STEVEN, IF YOU KEEP DOING THAT, IT'S GONNA BE REALLY
HARD
44 - FOR ME TO PRETEND I DON'T KNOW WHAT YOU'RE TALKING
ABOUT.
45 - THEN I SHOULD GO BECAUSE IT'S JUST TOO EASY...
46 - LIKE LAURIE.
47 - WHEN IS THIS I.N.S. MAN GONNA BE HERE?
48 - SOMETIME THIS WEEK. IT'S A SURPRISE VISIT.
49 - SO I HAVE TO STAY HERE.
50 - STAY HERE?
51 - WITH RED? OH, NO. I CAN'T ALLOW THAT.
52 - WHY NOT? RED LOVES ME.
53 - HONEY, YOU GAVE HIM A HEART ATTACK.
54 - MAYBE HE JUST LOVES FEZ SO MUCH
55 - THAT HIS HEART EXPLODED.
56 - PLEASE, MISS KITTY, LET ME STAY.
57 - MOM, COME ON.
58 - OKAY, YOU WIN.

59 - OH, THANK YOU.
60 - THAT WAS A SEXY HUG.
61 - YOU REALLY PUT SOME BOOM-BOOM INTO IT, HUH?
62 - HANGIN' OUT
63 - DOWN THE STREET
64 - THE SAME OLD THING
65 - THAT YOU DID LAST WEEK
66 - NOT A THING TO DO
67 - BUT TALK TO YOU
68 - WE'RE ALL ALL RIGHT
69 - WE'RE ALL ALL RIGHT;
70 - HELLO, WISCONSIN!
71 - jjj
72 - ROW, ROW, ROW YOUR BOAT
73 - GENTLY DOWN THE STREAM
74 - SOAPY, SOAPY, SCRUBBY, SCRUBBY
75 - FEZ IS NICE AND CLEAN;
76 - WHAT THE HELL?!
77 - I DON'T KNOW WHAT YOU HEARD, BUT THIS SHOW AIN'T FREE.
78 - WHAT IS THIS DOING HERE?
79 - OKAY, RED, HE JUST HAS TO STAY HERE FOR A FEW DAYS.
80 - BUT KITTY, HE WAS IN MY SHOWER.
81 - HE SAW MY LEGS.
82 - AND HE SAW PEPE.
83 - SHUT UP.
84 - LISTEN, DAD, THE I.N.S. IS COMING,
85 - AND IF THEY FIND OUT THIS MARRIAGE IS FAKE,
86 - FEZ COULD GET DEPORTED.
87 - WELL, THAT'S ANWAR'S PROBLEM.
88 - OH, BUT I CANNOT GO BACK HOME.
89 - I'M AN AMERICAN NOW.
90 - I'M LAZY, FAT, AND SOFT.
91 - LIKE YOU.
92 - LOOK, YOU DESERVE WHAT YOU GET.
93 - YOU TRICKED LAURIE INTO THIS MESS OF A MARRIAGE.
94 - SHE'S INNOCENT AND NAIVE.
95 - THE ONLY REASON SHE GOT CAUGHT UP IN THIS
96 - IS BECAUSE SHE LOVES TOO MUCH.
97 - WELL, THAT LAST PART'S TRUE.
98 - jjj
99 - SHOOT, IT'S BROOKE. HIDE ME.
100 - HEY!
101 - I'M SORRY, DONNA. SQUEEZING YOUR BUTT GIVES ME COURAGE.
102 - SO, MICHAEL...
103 - YOU SPLIT PRETTY QUICK THE OTHER DAY.
104 - MAYBE WE SHOULD TALK OR SOMETHING.

105 - YOU GOT IT.
106 - ONE SEC.
107 - KELSO!
108 - DONNA, LET GO OF MY LEG!
109 - I SWEAR I GOT NO PROBLEM KICKING A GIRL!
110 - LOOK, YOU'VE DONE A LOT OF STUPID CRAP OVER THE YEARS...
111 - YOU STOLE MY PANTIES.
112 - YOU TIED MY HAMSTER TO A BOTTLE ROCKET.
113 - AND I DON'T KNOW HOW MANY TIMES
114 - I CAUGHT YOU PEEPING THROUGH MY WINDOW.
115 - FIVE.
116 - LOOK, THE POINT IS, I LET IT ALL SLIDE
117 - BECAUSE UNDERNEATH I KNEW YOU WERE A GOOD GUY.
118 - BUT IF YOU BAIL ON BROOKE,
119 - I WILL NEVER RESPECT YOU AGAIN,
120 - AND NEITHER WILL ANYBODY ELSE.
121 - LOOK, I KNOW, OKAY? I KNOW.
122 - I JUST... I DON'T KNOW WHAT TO DO.
123 - WELL, KELSO, YOU NEED TO GO TALK TO HER.
124 - OKAY. GOOD.
125 - WHAT?
126 - "TOUCH DONNA PINCIOTTI'S PANTIES FOR 5 BUCKS.
127 - CALL MICHAEL KELSO"?
128 - jjj
129 - AND THAT WAS THE FIRST TIME I EVER TASTED CHOCOLATE.
130 - THAT'S A GREAT STORY, MAN,
131 - BUT, UH, IT'S LIKE 2:00 IN THE MORNING.
132 - SO WE GOTTA GO TO SLEEP.
133 - BUT I FORGOT MY TAPE OF MY OCEAN SOUNDS.
134 - AND I CANNOT FALL ASLEEP WITHOUT IT.
135 - CAN YOU MAKE OCEAN SOUNDS FOR ME?
136 - YEAH, I'M NOT DOING THAT.
137 - OKAY, THEN LET ME TELL YOU
138 - ABOUT THE FIRST TIME I ATE A BLOW POP.
139 - LICK NUMBER ONE... WHAT A SURPRISE.
140 - YOU ARE FORGETTING THE WHALE SONGS.
141 - LISTEN, MAN, I'VE ONLY BEEN TO THE OCEAN ONCE,
142 - AND THE CLOSEST THING I SAW TO A WHALE
143 - WAS SOME FAT GUY SELLING DRUGS.
144 - FINE. LICK NUMBER TWO... STILL NO GUM?
145 - WHAT THE HELL ARE YOU DOING TO YOURSELF?!
146 - OH, GREAT, DAD. YOU KNOW WHAT?
147 - YOU WOKE HIM UP, YOU PUT HIM BACK TO SLEEP!
148 - jjj
149 - HEY.
150 - UH...

151 - IT'S BEEN POINTED OUT TO ME
152 - THAT I'VE BEEN ACTING A LITTLE FLAKY ABOUT, UM...
153 - OUR SITUATION.
154 - I DISAGREE. FLAKY MEANS YOU'RE NOT CONSISTENT.
155 - YOU RUN AWAY EVERY TIME YOU SEE ME.
156 - ANYWAY, UH...
157 - I THINK WE SHOULD TALK ABOUT WHAT WE'RE GONNA DO.
158 - I'M SURE YOU'RE GONNA WANT ME TO MEET YOUR PARENTS,
159 - AND LUCKY FOR YOU, I LOOK GOOD IN A SUIT.
160 - HELL, I LOOK GOOD IN ANYTHING, BUT YOU ALREADY KNOW
THAT.
161 - ACTUALLY, DON'T WORRY ABOUT IT.
162 - AS FAR AS THE BABY AND I ARE CONCERNED,
163 - YOU'RE OFF THE HOOK.
164 - SO, YOU'RE JUST LETTING ME GO?
165 - YEP.
166 - YOU DON'T HAVE TO THINK ABOUT THIS EVER AGAIN.
167 - AND I WON'T!
168 - WOW! YOU'RE LIKE THE COOLEST GIRL
169 - I EVER DID IT WITH AT A CONCERT!
170 - jjj
171 - OH, HONEY, YOU LOOK TERRIBLE.
172 - OH, YOU DON'T LOOK SO HOT YOURSELF, SISTER.
173 - I BEG YOUR PARDON.
174 - RED MADE ME SLEEP IN THE BASEMENT,
175 - AND EVERY TIME I STARTED TO FALL ASLEEP,
176 - HYDE WOULD PUT A POPSICLE ON MY NECK.
177 - THAT'S MY DADDY'S CHAIR.
178 - THAT'S MY DADDY'S CHAIR.
179 - FEZ, LOOK, MAN,
180 - YOU GOTTA START KISSING RED'S BUTT A LITTLE,
181 - OR HE'S GONNA MAKE SURE YOU GET DEPORTED.
182 - HE SHOULD BE KISSING MY BUTT
183 - FOR TAKING HIS TRASHY DAUGHTER OFF HIS HANDS.
184 - I'M NOT THAT TRASHY.
185 - I WON'T SLEEP WITH YOU.
186 - OH, ZIP IT, JEZEBEL.
187 - OUT OF MY CHAIR, TONTO.
188 - OH, COME ON. A CHAIR IS A CHAIR.
189 - BRANCH OUT A LITTLE. TRY THE PIANO BENCH.
190 - WHAT DID YOU SAY?
191 - LAURIE, GO GET A CUP OF MILK.
192 - WHY?
193 - IT'LL KEEP FEZ'S TEETH ALIVE
194 - UNTIL WE GET HIM TO THE DENTIST.
195 - HI, SIR. HAL ARMSTRONG FROM THE IMMIGRATION SERVICE.

196 - I'M HERE TO CONDUCT SOME INTERVIEWS.
197 - WHAT DO YOU WANT TO KNOW? 'CAUSE I'LL TELL YOU EVERYTHING.
198 - IS IT TOO LATE TO GIVE YOU BACK YOUR CHAIR?
199 - OH, NO, DON'T GET UP.
200 - THIS COULD BE THE LAST TIME YOU SIT ON FURNITURE
201 - THAT YOU DIDN'T BUILD OUT OF MUD AND TWIGS.
202 - jjj
203 - SO, AGENT ARMSTRONG,
204 - CAN'T WAIT TO TELL YOU ALL ABOUT THIS MARRIAGE.
205 - YOU GOT HANDCUFFS, RIGHT?
206 - RED. RED, WHY DON'T YOU HELP ME IN THE KITCHEN?
207 - LAURIE, MAKE OUR GUEST COMFORTABLE.
208 - HEY, G-MAN.
209 - OKAY, RED, JUST BECAUSE HE SAT IN YOUR CHAIR
210 - IS NO REASON TO GET THE BOY DEPORTED.
211 - YOU DON'T LIKE ME BECAUSE I'M NOT FROM HERE.
212 - THIS HAS NOTHING TO DO
213 - WITH YOU BEING A FOREIGNER.
214 - IT'S ABOUT YOU TAKING ADVANTAGE OF MY DAUGHTER
215 - LIKE A SNEAKY FOREIGNER.
216 - WAIT, DAD, LOOK.
217 - I STAYED HOME FROM COLLEGE TO TAKE CARE OF YOU AND MOM
218 - IN YOUR HOUR OF NEED. OKAY, YOU OWE ME.
219 - THAT IS JUST LIKE A WOMAN TO BRING THAT UP.
220 - YOU KNOW, LAURIE COULD GET IN A LOT OF TROUBLE, TOO.
221 - WHAT KIND OF TROUBLE?
222 - BIG TROUBLE, DAD. SHE COULD GO TO JAIL...
223 - OR BACK TO JAIL.
224 - WELL, COME ON. IT'S LIKE...
225 - WHERE HAS SHE BEEN FOR THE PAST TWO YEARS?
226 - ALL RIGHT, FINE, I WON'T VOLUNTEER ANYTHING.
227 - BUT IF HE ASKS ME A DIRECT QUESTION, I'M NOT LYING.
228 - OH, YOU WON'T HAVE TO. I'LL DO ALL THE TALKING FOR YOU.
229 - WELL, YOU'LL BE GOOD AT THAT.
230 - AND I GUESS IT MIGHT BE FUN TO JUST SIT BACK
231 - AND WATCH TARZAN HERE
232 - CRUMBLE BEFORE THE FULL FORCE OF THE U.S. GOVERNMENT.
233 - OKAY, THAT'S IT. ANWAR I CAN DEAL WITH.
234 - TONTO, IN THE BALLPARK, BUT TARZAN...
235 - TARZAN IS A WHITE GUY.
236 - DON'T SASS ME, TARZAN.
237 - MICHAEL, THERE IS NO WAY
238 - BROOKE SAID YOU'RE OFF THE HOOK.

239 - OKAY, I BET SHE SAID, "I'M GONNA TAKE EVERY PENNY YOU HAVE,
240 - "YOU IRRESPONSIBLE BASTARD," BECAUSE THAT'S WHAT I WOULD SAY.
241 - NO. SHE DEFINITELY SAID "OFF THE HOOK."
242 - MAN, I AM ONE TALL, CUTE, LUCKY KID.
243 - SO THAT'S IT, MAN?
244 - IT'S LIKE THIS THING WITH YOU AND BROOKE NEVER HAPPENED?
245 - YEAH. WAIT, NO.
246 - I MEAN, THERE'S STILL GONNA BE A BABY OUT THERE. BUT...
247 - MY LIFE'S BACK TO NORMAL.
248 - SORTA.
249 - I MEAN, IT'S KIND OF WEIRD.
250 - I'M NOT GONNA THINK ABOUT IT 'CAUSE I DON'T NEED TO.
251 - I SHOULD BE HAPPY RIGHT NOW.
252 - YOU KNOW WHAT? I AM HAPPY RIGHT NOW.
253 - YEAH. I THINK.
254 - YEAH, THINK, FEEL, LOOK DEEP INSIDE,
255 - LIKE DEEP, DEEP INSIDE ALMOST TO CHINA.
256 - THERE'S A GOOD GUY IN THERE.
257 - YOU KNOW WHAT? DON'T LECTURE ME, OKAY?
258 - I WENT TO HER, AND I TRIED TO TALK TO HER,
259 - AND SHE SAID IT WAS COOL, WHICH IS AWESOME,
260 - BECAUSE THIS COULD, LIKE, SCREW UP MY WHOLE LIFE.
261 - YEAH, MAN, YOU KNOW, YOU GOTTA STAY FOCUSED
262 - IF YOU'RE GONNA INVENT THOSE QUADRUPLE OREOS.
263 - THOSE ARE A SECRET, MAN.
264 - NO, YEAH, THIS IS GOOD.
265 - WHY PUT YOURSELF OUT FOR SOME KID?
266 - CHILDREN GROW UP WITHOUT DADS ALL THE TIME.
267 - RIGHT.
268 - YEAH, LIKE STEVEN.
269 - WELL, I DON'T WANT HIM ENDING UP LIKE HYDE.
270 - WITH HAIR ALL FRIZZED OUT WITH ANGRY THOUGHTS.
271 - OW!
272 - AND VIOLENT, TOO.
273 - KELSO, YOU KNOW WHAT YOU SHOULD DO,
274 - BUT YOU'RE NOT GONNA DO IT 'CAUSE YOU'RE TOO MUCH OF A TOOL.
275 - YOU KNOW WHAT? IT'S REAL EASY
276 - TO TALK ABOUT THE RIGHT THING TO DO
277 - WHEN IT'S NOT YOUR LIFE.
278 - TOOL.
279 - OH, STEVEN, YOU'RE SENSITIVE TO THIS
280 - BECAUSE YOUR FATHER DITCHED YOU, TOO.

281 - THAT IS SO FOXY.
282 - HEY, WHY DON'T WE GO DOWN TO MY ROOM,
283 - I'LL TELL YOU ABOUT THE TIME
284 - MY MOM GOT SO LOADED ON MOUTHWASH,
285 - SHE LOST OUR RENT MONEY AT THE TRACK.
286 - OKAY, YOU TWO CLAIM TO BE MARRIED AND LIVING HERE.
287 - TO VERIFY THIS,
288 - I'M GOING TO SEPARATE YOU ALL
289 - AND ASK YOU A SERIES OF QUESTIONS ABOUT THE COUPLE.
290 - LET ME REMIND YOU, YOU'RE ALL UNDER OATH.
291 - UNDER OATH?
292 - I MEAN...
293 - UNDER OATH, BRAVO.
294 - OKAY, FIRST QUESTION...
295 - WHAT KIND OF TOOTHPASTE DOES FEZ USE?
296 - I BRUSH MY TEETH WITH COLGATE.
297 - IT IS THE ONLY THING THAT CUTS THROUGH THE MILK DUDS.
298 - WHO THE HELL CARES ABOUT TOOTHPASTE?
299 - THIS KID AND MY DAUGHTER ARE...
300 - HAPPY, HAPPY, HAPPY!
301 - I... WAIT, WHY AM I UNDER OATH?
302 - 'CAUSE IF I SAY CREST AND THE ANSWER IS MINTY CREST,
303 - I MEAN, THAT'S LIKE, UH, PERJURY.
304 - WHAT'S GONNA HAPPEN TO ME?
305 - OH, MY GOD, WHY ARE YOU WRITING THIS DOWN?
306 - HOW LONG DID FEZ AND LAURIE DATE BEFORE THEY GOT
MARRIED?
307 - WHO NEEDS TO DATE? I HAD HER IN THE SACK
308 - FASTER THAN YOU CAN SAY "CORN ON THE COB."
309 - SPEAKING OF DATES, I MAKE AN INCREDIBLE DATE-NUT BREAD.
310 - THE SECRET IS TO SOAK THE DATES IN SOME GOOD STRONG
RUM.
311 - WHICH REMINDS ME, WHO NEEDS A DRINK?
312 - I KNOW I DO.
313 - I... I DON'T KNOW HOW LONG THEY DATED.
314 - I... OH, MY GOD, I'M GOING TO PRISON, AREN'T I?
315 - I'M GONNA GET SHANKED.
316 - WHAT IS FEZ'S FAVORITE TV SHOW?
317 - WELL, IT DEPENDS.
318 - BASICALLY, I JUST FLIP UNTIL I SEE NIPPLES.
319 - SOMETIMES, I FEEL LIKE A LOAF OF BREAD.
320 - EVERYONE KEEPS TAKING A SLICE OF ME
321 - UNTIL ALL THAT'S LEFT ARE TWO CRUSTY PIECES THAT NO-
BODY WANTS.
322 - AND I JUST WANT TO SCREAM, "APPRECIATE ME, DAMN IT."
323 - BUT I DON'T. WHY?

324 - BECAUSE MY MOTHER ALWAYS TOLD ME
325 - THAT NICE GIRLS SHOULDN'T MAKE A FUSS.
326 - AND NOW, I AM A FLIPPIN' DOORMAT!
327 - OKAY, LOOK, MAN.
328 - PRISON IS NOT AN OPTION FOR ME, OKAY?
329 - I CAN'T PEE IN FRONT OF OTHER PEOPLE.
330 - WELL...
331 - DESPITE A FEW INTERESTING ANSWERS
332 - AND ONE RECIPE...
333 - MY JUDGMENT IS THAT YOUR MARRIAGE IS LEGITIMATE.
334 - CONGRATULATIONS.
335 - ALL RIGHT, PEPE AND I ARE AMERICANS.
336 - NO WONDER THIS COUNTRY'S GOING IN THE TOILET.
337 - WHAT WAS THAT, SIR?
338 - NOTHING. NOTHING. HE SAID HE HAS TO USE THE TOILET.
339 - THAT'S WHY HE'S BEEN SO QUIET.
340 - IF YOU'RE TRYING TO PROTECT YOUR DAUGHTER, DON'T
WORRY.
341 - WE NEVER GO AFTER THE BRIDE,
342 - ESPECIALLY SUCH A PRETTY ONE.
343 - IF THERE WAS A CRIME COMMITTED,
344 - WE'D ONLY BE INTERESTED IN THIS ONE.
345 - SO IF THERE'S SOMETHING YOU WANT TO SAY, BY ALL MEANS,
SAY IT.
346 - FINE, I WILL.
347 - I JUST WANTED TO SAY...
348 - THESE TWO KIDS ARE MARRIED AND...
349 - VERY MUCH IN LOVE.
350 - IN FACT, I'VE NEVER SEEN A LOVE LIKE THIS.
351 - THANK YOU, MR. RED. IT MEANS A LOT.
352 - HEY, WHAT ABOUT THANKING ME?
353 - THIS GUY TRIED TO BREAK ME.
354 - BUT LUCKY FOR YOU, DOUBLE-O FOREMAN IS ROCK SOLID.
355 - WOW, YOU REALLY ARE PREGNANT.
356 - THEY MAKE THEM REALLY TINY NOW.
357 - QUARTER POUND, MY ASS.
358 - HEY.
359 - I NEED TO TALK TO YOU.
360 - KELSO, THAT'S GREAT!
361 - HERE, TAKE MY SEAT. SIT DOWN. COME ON.
362 - I'LL JUST BE RIGHT OVER THERE.
363 - GOOD FOR YOU.
364 - ALL RIGHT.
365 - AT FIRST, WHEN YOU TOLD ME THAT I WAS OFF THE HOOK,
366 - I WAS LIKE TOTALLY PSYCHED, RIGHT?
367 - BUT THEN I STARTED TO THINK ABOUT IT,

368 - AND I DON'T WANNA BE OFF THE HOOK.
369 - I WANNA BE A PART OF THIS KID'S LIFE.
370 - MICHAEL, I DIDN'T LET YOU OFF THE HOOK TO BE NICE.
371 - I JUST DON'T THINK YOU UNDERSTAND WHAT IT MEANS
372 - TO HAVE A BABY.
373 - NO, BUT I DO.
374 - IT MEANS TAKING HIM TO T-BALL GAMES
375 - AND TEACHING HIM HOW TO RIDE A BIKE
376 - AND TAKING HIM TO THE DOCTOR WHEN HE'S SICK.
377 - AND WHAT IF IT'S A GIRL?
378 - OH, IT'S NOT GONNA BE A GIRL. WE DID IT STANDING UP.
379 - UH-HUH.
380 - OKAY, MAYBE THIS WILL CHANGE YOUR MIND.
381 - I WENT AND GOT SOME STUFF TODAY
382 - TO WELCOME THE LITTLE GUY INTO THE WORLD...
383 - THIS LITTLE SWEATER TO KEEP HIM WARM.
384 - AND THIS LITTLE HAT TO KEEP THE SUN OFF OF HIS FACE.
385 - AND I GOT SOME POP ROCKS
386 - 'CAUSE I ALWAYS WANTED TO SEE A BABY EAT POP ROCKS.
387 - MICHAEL, IF YOU GET INVOLVED,
388 - I'M JUST GONNA HAVE TWO BABIES TO TAKE CARE OF
389 - INSTEAD OF ONE.
390 - LOOK, YOU CAN TRY TO GET RID OF ME,
391 - BUT I'M NOT WALKING AWAY FROM THIS.
392 - I'M SORRY.
393 - I JUST DON'T WANT YOU TO BE THE FATHER OF MY CHILD.
394 - THIS IS ALL YOUR FAULT.
395 - YEAH, "GO TALK TO HER AND DO THE RIGHT THING."
396 - KELSO, I'M SO SORRY.
397 - I WISH THERE WAS SOMETHING I COULD DO TO MAKE YOU
FEEL BETTER.
398 - WELL, THERE ISN'T.
399 - OKAY, FINE.
400 - I'LL GIVE YOU 10 SECONDS
401 - TO SQUEEZE MY ASS AS MUCH AS YOU WANT.
402 - I NEVER THOUGHT I'D SAY THIS,
403 - BUT THERE'S SOME THINGS THAT A GIRL'S ASS CAN'T FIX.
404 - WELL, FEZ, CONGRATULATIONS ON YOUR GREEN CARD.
405 - BUT REMEMBER, THIS IS AMERICA, AND YOU STILL LOOK FOR-
EIGN,
406 - SO DON'T EXPECT TO BE TREATED EQUALLY.
407 - WELL, I'M GOING TO BECOME
408 - AMERICA'S SEXIEST SINGING COWBOY.
409 - HOWDY, LADIES. MEET PEPE.
410 - YOU KNOW, WHAT'S GOING ON WITH BROOKE REALLY HURTS,
411 - BUT I THINK IN A COUPLE DAYS WHEN I START TO HEAL,

412 - I'M GONNA BE REALLY PSYCHED THAT DONNA LET ME SQUEEZE HER ASS.
413 - I MEAN, EVEN NOW, I'M REFLECTING UPON HOW SOFT IT WAS.
414 - SO WHAT KIND OF CHANCE DO YOU THINK I HAVE WITH THE BLONDE?

2.6 Episode 06: We're Not Gonna Take It

1 - jjj
2 - SO GET THIS...
3 - I GOT FIRED.
4 - GOD, I NEVER THOUGHT I'D SAY THIS,
5 - BUT APPARENTLY, I'M NOT GOOD ENOUGH
6 - FOR THE DOG FOOD FACTORY.
7 - I THOUGH YOU'D SAY THAT.
8 - WELL, HONEY, DON'T WORRY.
9 - WE'LL GET ALONG FINE WITHOUT YOUR PAYCHECK.
10 - INSTEAD OF GOING TO THE MOVIES, WE'LL WATCH TV.
11 - INSTEAD OF EATING POPCORN, WE'LL LICK SALT.
12 - I DON'T KNOW IT'S LIKE,
13 - WHY WOULD JOANNE FIRE ME?
14 - BOB, SHE'S YOUR GIRLFRIEND. DID SHE SAY ANYTHING?
15 - ERIC, IX-NAY ON THE OANNE-JAY.
16 - DONNA, YOU KNOW I DON'T UNDERSTAND PIG LATIN.
17 - BOB, WHAT IS JOANNE'S PROBLEM?
18 - ERIC, "IX-NAY" MEANS "SHUT UP."
19 - IT'S OKAY, HONEY. I CAN TALK ABOUT IT.
20 - ME AND JOANNE BROKE UP.
21 - AND I DIDN'T SEE IT COMING.
22 - BOB, WHAT DID I TELL YOU LAST WEEK?
23 - DON'T CRY IN YOUR KITCHEN?
24 - AND I DIDN'T MEAN JUST THAT DAY.
25 - I MEANT ALWAYS.
26 - I'D BETTER GO, THEN.
27 - NICE GOING, ACKASS-JAY.
28 - ACKASS-JAY?
29 - OH! JACKASS.
30 - WELL, HONEY, I DON'T THINK YOU'RE A JACKASS.
31 - I THINK YOU'RE A JACK-ANGEL.
32 - HEY, MOM, LOOK, I KNOW YOU'RE WORRIED ABOUT MONEY,
33 - WITH DAD NOT BEING ABLE TO WORK,
34 - BUT I WANT YOU TO KNOW I'M GONNA GET RIGHT BACK OUT THERE
35 - AND GET A BETTER JOB, A HIGH-PAYING JOB.
36 - OH, SURE, JUST GO DOWN TO THE BUREAU OF HIGH-PAYING JOBS.

37 - YOU CAN'T MISS IT.
 38 - IT'S RIGHT NEXT TO THE PIE-IN-THE-SKY OFFICE.
 39 - JACKASS.
 40 - jjj
 41 - OH, REALLY? THANK YOU.
 42 - WELL, THE JOB SEARCH IS GOING GREAT.
 43 - I THINK I HAVE A SHOT AT WASHING AN OLD MAN'S BACK
 44 - ON TUESDAYS AND THURSDAYS.
 45 - THEY WERE LOOKING FOR A WAITER DOWN AT THE RESTAU-
 RANT.
 46 - WHOA. WHY'D YOU TELL HIM? I'M UP FOR THAT JOB.
 47 - THAT'S WHY I TOLD HIM.
 48 - NO, NO, NO.
 49 - LOOK, ERIC, I NEED THIS JOB WAY MORE THAN YOU DO.
 50 - YOU DON'T HAVE A BABY ON THE WAY.
 51 - BUT I DO HAVE A FAMILY TO SUPPORT.
 52 - AND IF I DON'T KEEP THE BOOZE FLOWING,
 53 - THEY'RE GONNA GET VIOLENT.
 54 - WELL, LOOK,
 55 - THE ONLY WAY BROOKE IS GONNA LET ME BE
 56 - A PART OF MY KID'S LIFE IS IF I PROVE TO HER
 57 - THAT I'M RESPONSIBLE, AND A PROMOTION
 58 - AT THE RESTAURANT WOULD IMPRESS HER.
 59 - I MEAN, BUSBOY'S A JOB, BUT WAITER IS A CAREER.
 60 - OKAY, WELL, THEN YOU KNOW WHAT?
 61 - WE'LL JUST BOTH GO DOWN THERE, APPLY,
 62 - AND MAY THE BEST MAN WIN.
 63 - NO, I WANT IT.
 64 - jjj
 65 - HANGIN' OUT
 66 - DOWN THE STREET
 67 - THE SAME OLD THING
 68 - WE DID LAST WEEK
 69 - NOT A THING TO DO
 70 - BUT TALK TO YOU
 71 - WE'RE ALL ALL RIGHT
 72 - WE'RE ALL ALL RIGHTj
 73 - Man: HELLO, WISCONSIN!
 74 - jjj
 75 - LAURIE!
 76 - WELL, LOOK WHAT THE WHORE DRAGGED IN.
 77 - HERSELF.
 78 - NEED I REMIND YOU THAT YOU ARE MARRIED?
 79 - OH, THAT'S OKAY.
 80 - THE GUY FROM LAST NIGHT WAS MARRIED, TOO.
 81 - WHAT IS YOUR PROBLEM?

82 - ARE YOU TWO AT IT AGAIN?
 83 - YOUR GREEN CARD IS ON THE WAY.
 84 - I THOUGHT THIS MARRIAGE WAS OVER.
 85 - LAURIE, I GAVE YOU 50 LAST WEEK TO GO DOWN
 86 - TO THE COURT HOUSE AND FILE FOR DIVORCE.
 87 - WHAT HAPPENED?
 88 - WELL, I HAD TO GET A NEW MAKEUP MIRROR AND SOME WINE.
 89 - TOMORROW, WE'RE GOING TO THE COURT HOUSE.
 90 - HMM. THE COURT HOUSE IS ACROSS TOWN.
 91 - I WONDER IF YOU CAN MAKE IT ALL THE WAY THERE
 92 - WITHOUT SLEEPING WITH SOMEONE.
 93 - I BET I CAN MAKE IT THERE WITHOUT SLEEPING WITH YOU.
 94 - BITCH.
 95 - *jjj*
 96 - BOB...
 97 - WHAT ARE YOU DOING HERE, ANYWAY?
 98 - IT'S JUST SOMETHING I'M TRYING OUT.
 99 - HOW'S IT GOING?
 100 - IT'S A LITTLE UNCOMFORTABLE.
 101 - I THOUGHT IT WOULD BE BETTER THAN SITTING HOME ALONE.
 102 - IT'S NOT.
 103 - OH, MY POOR DAD.
 104 - WISH THERE WAS SOMETHING I COULD DO TO MAKE HIM FEEL BETTER.
 105 - WELL, ONCE WHEN I WAS A DAUGHTER ABOUT MICHAEL CHEATING ON ME,
 106 - I GOT FLOWERS FROM A SECRET ADMIRER,
 107 - AND THEY CHEERED ME RIGHT UP.
 108 - I MEAN, SURE, I SENT THEM TO MYSELF,
 109 - BUT IT'S THE THOUGHT THAT COUNTS.
 110 - THOSE FLOWERS WERE FROM YOU?
 111 - YOU LET ME GO ON AND ON ABOUT HOW
 112 - THEY WERE FROM ME.
 113 - GOD, TRY A LITTLE HONESTY.
 114 - WAIT. THAT'S ACTUALLY NOT A BAD IDEA.
 115 - IF MY DAD THOUGHT SOMEBODY ELSE LIKED HIM,
 116 - HE WOULDN'T BE SO BUMMED ABOUT JOANNE.
 117 - BUT MENDON'T REALLY LIKE FLOWERS, DO THEY?
 118 - NO, THEY REMIND US OF BEES.
 119 - OH, I'LL SEND HIM FUDGE.
 120 - HE LOVES FUDGE. I KNOW BECAUSE ONE TIME, HE GOT SOME,
 121 - AND I ASKED IF I COULD HAVE A PIECE,
 122 - AND HE QUICKLY CHANGED THE SUBJECT.
 123 - WELL, LET ME TELL THEM WHAT TO WRITE ON THE CARD.
 124 - I'M GOOD AT THAT.
 125 - WHEN I SENT MYSELF THOSE FLOWERS
 126 - AND READ HOW MUCH I LOVED ME, I FELT SOMUCH BETTER.
 127 - *jjj*

128 – HEY, ROY. REMEMBER ME? I'M ERIC FORMAN.
 129 – OH, HEY, HOW ARE YOU?
 130 – I'M HERE TO APPLY FOR THE WAITER POSITION.
 131 – ROY, THAT'S THE GUY I WAS TELLING YOU ABOUT.
 132 – OH!
 133 – WELL, I DON'T THINK WE CAN HIRE A WAITER
 134 – WHO'S GOT A DISEASE THAT SPREADS THROUGH FOOD.
 135 – ROY, HE REALLY DOESN'T LIKE TO TALK
 136 – ABOUT HIS DEATH – A – FOOD – A – SPREAD – IT IS.
 137 – DEATH – A – FOOD – A – SPREAD A WHAT? WHO ARE YOU, ELMER FUDD?
 138 – ALL RIGHT, FINE. HE DOESN'T HAVE A DISEASE.
 139 – I JUST... I REALLY WANT THE JOB, ROY.
 140 – WELL, I WISH I COULD GIVE IT TO BOTH OF YOU.
 141 – ERIC'S GOT THAT ZIPPY PERSONALITY, AND KELSO'S ALL MAN.
 142 – I KNOW WHAT WE SHOULD DO.
 143 – WE SHOULD MAKE IT A COMPETITION.
 144 – THAT WAY, THERE'S THE FUN OF SOMEONE LOSING.
 145 – jjj
 146 – OKAY, EVERYBODY, LET'S PUT SOME SMILES ON THOSE FACES.
 147 – WE'RE GOING TO GET DIVORCED.
 148 – WHAT THE HELL'S THIS?
 149 – LOOKS LIKE A BOX.
 150 – I KNOW IT'S A BOX.
 151 – HEY, WHAT'S WITH THE ATTITUDE? I'M JUST MAKING CONVERSATION.
 152 – LOOKS LIKE A BOX. IT IS A BOX.
 153 – THIS IS HOW REAL PEOPLE TALK, MAN.
 154 – OH, IT'S A PRESENT.
 155 – OH, IT'S A WEDDING PRESENT FROM AUNT MARTHA!
 156 – YOU TOLD HER ABOUT THE MARRIAGE?
 157 – WE AGREED NEVER TO SPEAK OF THIS EVIL TO ANYONE.
 158 – WELL, I HAD TO TELL A FEW PEOPLE,
 159 – BECAUSE I NEVER THOUGHT I'D BE ABLE TO SAY,
 160 – "LAURIE GOT MARRIED" WITHOUT ADDING,
 161 – "AND THE BABY CAME EARLY."
 162 – OOH, LOOK AT THE PAPER SPARKLE.
 163 – I WONDER WHAT IT IS.
 164 – WELL, KEEP WONDERING, 'CAUSE THIS PACKAGE IS GOING RIGHT BACK.

 258 - A REALLY MEDIOCRE DREAM.
 259 - jjj
 260 - ALL RIGHT, EVERYBODY,
 261 - ONLY 12 SIGNATURES TO THE END
 262 - OF WHAT I LIKE TO CALL "THE SHAME."
 263 - IT'S STILL THERE,
 264 - AND IT CALLS TO ME,
 265 - LIKE A BOX WITH SOMETHING MYSTERIOUS IN IT.

266 - THERE'S NOTHING LIKE A PRESENT WRAPPED IN BEAUTIFUL PAPER.
267 - IT'S LIKE CARY GRANT IN A TUXEDO.
268 - I JUST WANNA RIP IT OFF!
269 - DON'T TOUCH IT.
270 - I'M NOT.
271 - I'M SMELLING IT.
272 - OOH! WHAT DOES IT SMELL LIKE?
273 - A BOX.
274 - I HOPE IT'S A SEWING MACHINE.
275 - I HOPE IT'S A TV.
276 - I HOPE IT'S A CHOCOLATE TV.
277 - THERE COULD BE PERISHABLES IN THERE.
278 - OH, MY GOD. WHAT IF IT'S A PUPPY?
279 - WE HAVE TO OPEN IT.
280 - I DON'T CARE IF ERIC'S IN THERE.
281 - IT'S GOING BACK.
282 - NOW LET'S GET THESE SIGNED.
283 - LOOK, RIGHT HERE. PAPER'S RIPPED.
284 - OH, MY GOSH. YOU'RE RIGHT.
285 - HMM. I SEE PART OF A WORD. "MORE."
286 - AND UNDER THAT, SOMETHING "CROW."
287 - "MORE CROW." "MORE CROW."
288 - IT'S A KENMORE MICROWAVE!
289 - I WIN! I WIN!
290 - jjj
291 - HEY, HYDE,
292 - WHERE'S TABLE SEVEN'S FISH?
293 - OH, I GOT THAT FOR YOU, ERIC.
294 - HERE IS YOUR FILET OF SOLE.
295 - BURN!
296 - ALL RIGHT, ERIC, HERE'S THE PEA SOUP YOU ORDERED.
297 - YOU PEED IN THE SOUP, DIDN'T YOU?
298 - NO, I'M DONE TRYING TO SCREW YOU OVER.
299 - IT'S NOT YOUR FAULT YOU GOT THE JOB.
300 - SOME PEOPLE ARE BUSBOYS, AND SOME PEOPLE ARE WAITERS.
301 - AND I GUESS I'M JUST AN EXTREMELY...
302 - HANDSOME BUSBOY.
303 - ROY...
304 - THAT EXTREMELY HANDSOME BUSBOY
305 - JUST BROKE MY HEART.
306 - I REALLY DON'T THINK HE PEED IN THE SOUP, ERIC.
307 - COULDN'T YOU FIND ANOTHER WAITER JOB FOR HIM?
308 - HE NEEDS A BREAK. HE'S GOT A BABY ON THE WAY.
309 - WELL, THERE MIGHT BE A JOB OPENING UP

310 - 'CAUSE JEANIE SAID SHE'D QUIT
311 - IF I DIDN'T STOP ASKING HER OUT.
312 - COME ON. I'M NOT GONNA STOP ASKING HER OUT.
313 - SO LOOK,
314 - IF I REALLY WORK HARD WITH KELSO,
315 - YOU'LL GIVE HIM ANOTHER TRYOUT?
316 - SURE.
317 - BUT I REALLY DON'T THINK HE CAN HANDLE IT.
318 - AND MY STANDARDS FOR FOOD SERVICE ARE REALLY LOW.
319 - I HAVEN'T WASHED MY HANDS IN FOUR DAYS.
320 - DAD...
321 - TOO LATE. I FINISHED IT.
322 - SO I WAS TRYING TO FIGURE OUT WHO SENT ME THE FUDGE.
323 - AND I THOUGHT IT COULD BE THE LADY AT THE PHARMACY,
324 - WHICH IS NICE BECAUSE SHE'S SEEN MY PRESCRIPTIONS,
325 - SO WE CAN SKIP THAT AWKWARD CONVERSATION.
326 - OR IT COULD BE THE MAIL LADY.
327 - DAD, I HAVE TO TELL YOU SOMETHING.
328 - JACKIE AND I SENT YOU THE FUDGE.
329 - WHAT?
330 - WELL, YOU SEEMED SO SAD, AND WE WANTED TO CHEER YOU
UP.
331 - BUT THEN, WE SCREWED UP YOUR CHANCES
332 - FOR GETTING BACK TOGETHER WITH JOANNE, SO...
333 - SO NOBODY LIKES ME.
334 - WE LIKE YOU.
335 - EH.
336 - WE'RE REALLY SORRY, DAD.
337 - I GUESS IT'S NOT SO BAD.
338 - I MEAN, I HAVEN'T THOUGHT ABOUT JOANNE ALL DAY.
339 - WELL, IF YOU WANT, WE CAN ALL DO SOMETHING TODAY.
340 - I CAN TAKE YOU TO THE MODEL TRAIN SHOP.
341 - SOME OF THE TINY TREES IN PINCIOTTI TOWN
342 - ARE LOOKING PRETTY RATTY.
343 - NO, I'M GONNA GO DOWN
344 - AND TALK TO THE GIRL AT THE PHARMACY.
345 - SHE'S GOT A BETTER KEISTER THAN THE MAIL LADY.
346 - YOU'D THINK, WITH ALL THAT WALKING...
347 - HEY, GUESS YOU EITHER GOT IT OR YOU DON'T.
348 - jjj
349 - ERIC, GIVE IT UP. I'M NOT GONNA BE ABLE TO DO THIS.
350 - HEY.
351 - NOW THAT'S NOT THE KELSO I KNOW.
352 - A LOT OF PEOPLE SAID YOU COULDN'T FIT 73 CHERRY BOMBS
353 - INTO A TOILET, AND WHO PROVED THEM WRONG?
354 - I DID.

355 - THAT'S RIGHT, AND A LOT OF PEOPLE SAID
356 - YOU COULDN'T MAKE OUT WITH BOTH OF THE ZIEGLER TWINS
357 - IN THE SAME NIGHT, AND WHO PROVED THEM WRONG?
358 - I DID.
359 - AND I ALSO BRUSHED THEIR MOM'S BOOB
360 - AT A BAKE SALE, SO ACTUALLY, IT WAS A THREE-FER.
361 - EXACTLY. YOU ARE MICHAEL KELSO, RIGHT?
362 - YOU MAKE THE IMPOSSIBLE HAPPEN.
363 - NOW COME ON. LET'S DO THIS.
364 - OKAY, READY,
365 - GET SET...
366 - KELSO!
367 - WHAT?!
368 - GOOD LUCK.
369 - jjj
370 - AHH, WHAT A BEAUTIFUL MORNING.
371 - THE BIRDS ARE SINGING. THE FLOWERS ARE BLOOMING.
372 - DIVORCE IS IN THE AIR.
373 - NOW LET'S FINISH THIS.
374 - RED, NO ONE WANTS TO GET DIVORCED ON AN EMPTY STOM-
ACH.
375 - OOH! AND THAT'S BREAKFAST.
376 - YOU USED THE MICROWAVE.
377 - RED FORMAN, I FIRMLY BELIEVE THAT GOD WANTS ME
378 - TO BAKE A POTATO IN FOUR MINUTES.
379 - NO, GOD WANTS THESE TWO DIVORCED
380 - AND ALL EVIDENCE OF THEIR UNHOLY UNION
381 - OUT OF THIS HOUSE.
382 - WE GOT ANOTHER PRESENT!
383 - NO, NO. DON'T OPEN IT 'CAUSE WE'RE NOT KEEPING IT.
384 - WHOA.
385 - LOOK AT THAT SAW!
386 - IT'S FROM BILLY SCHNEIDER DOWN AT THE HARDWARE STORE.
387 - HE'S HAD A CRUSH ON ME EVER SINCE
388 - I WENT LADDER SHOPPING IN THAT MINISKIRT.
389 - OKAY, JUST TO MAKE IT CLEAR,
390 - IF YOU'RE BUYING ME A GIFT, I WANT CANDY.
391 - FOR MY BIRTHDAY,
392 - CHRISTMAS, DAYLIGHT SAVINGS... CANDY.
393 - CANDY!
394 - NOW YOU CAN HAVE THE SAW, RED.
395 - NO, I...
396 - THAT WOULD BE, UH, WRONG.
397 - WELL...
398 - IT WOULD BE WRONG IF THEY WERE DIVORCED,
399 - BUT IF THEY STAYED MARRIED,

400 - SENDING THE GIFTS BACK WOULD BE RUDE.
 401 - YOU MAKE A GOOD POINT.
 402 - BUT I WANT A DIVORCE.
 403 - I'LL TELL YOU WHAT, HONEY. WE'LL WAIT A MONTH.
 404 - IF A RIDING MOWER HASN'T SHOWN UP BY THEN, WE'LL TALK.
 405 - OKAY, REMEMBER, BUDDY.
 406 - THE TRAY IS LIKE A LADY.
 407 - DANCE WITH HER.
 408 - AND GO!
 409 - I DID IT!
 410 - CONGRATULATIONS! YOU GOT THE JOB.
 411 - OH, I CAN'T WAIT TO TELL BROOKE.
 412 - HEY, WELCOME TO THE EXCLUSIVE RANKS OF WAITER
 413 - AT A CRAPPY HOTEL RESTAURANT.
 414 - I CAN'T BELIEVE THAT I DID IT.
 415 - YEAH, I CAN'T BELIEVE THE GLUE HELD.
 416 - YEAH, SUPER GLUE KICKS ASS!
 417 - YOU KNOW WHAT, KELSO?
 418 - YOUR FIRST SHIFT IS NOT GONNA GO WELL.
 419 - OH, IT'S GONNA BE A DISASTER.
 420 - "WARNING. NEVER PUT METAL IN THE MICROWAVE."
 421 - THIS ISN'T METAL. IT'S SOUP.
 422 - MISS KITTY, ERIC BROKE THE MICROWAVE!

2.7 Episode 07: Christmas

1 - So, you gotta work at the radio station on Christmas Eve?
 2 - God, it's like, doesn't anyone respect
 3 - the sanctity of that holy night?
 4 - We were gonna get drunk and fool around
 5 - behind your dad's manger scene.
 6 - But this is my first shot at deejaying.
 7 - If I do well, Hot Donna could be the regular DJ
 8 - on Tuesdays from 1:00 to 5:00 a.m.
 9 - Every insomniac and burn-out in town is gonna know who I am.
 10 - Well, say hello to your target audience.
 11 - Play more Zeppelin.
 12 - You guys, I've got some terrible news.
 13 - I've just been kicked off the cheerleading squad.
 14 - Oh, my gentle Jesus! Oh, no!
 15 - Oh, why?
 16 - Jackie, I know how you feel. I once got kicked off a cheerleader.
 17 - Well, I need to get back on that squad.
 18 - They might be a bunch of pom-pom waving bitches,
 19 - but they're all I know.
 20 - Steven, you've gotta take me to the Christmas Eve dance tomorrow night.

21 - Uh, no.
22 - I can either dance with you or spend Christmas Eve with you.
23 - Cannot do a combo.
24 - Steven, they will never take me back if I don't show up all proud.
25 - If you could just see No.
26 - That this is something that's really important to me, No.
27 - Then you'd understand that, as my boyfriend, you should go.
28 - No! Fine.
29 - Please?
30 - Fine. Okay.
31 - Hey, shut up.
32 - If I'm going, you guys are coming with me.
33 - Oh, no. I cannot go to a high-school dance.
34 - I'm gonna be a father soon, I gotta start acting more mature.
35 - All right, orange!
36 - Yeah, I'm not going either.
37 - The football team and I have a little disagreement.
38 - They think it's funny to stuff me into a locker,
39 - and I disagree.
40 - Yeah, man, the day I graduated, I promised myself
41 - I would never set foot in that godforsaken place again.
42 - Great news, kids.
43 - Red's gonna be the Santa down at the mall on Christmas Eve,
44 - and I've signed you all up to be his little helpers.
45 - Oh, I'm sorry, Mom.
46 - We're all going to the Christmas Eve dance at school.
47 - Yeah!
48 - Hanging out
49 - Down the street
50 - The same old thing
51 - We did last week
52 - Not a thing to do
53 - But talk to you
54 - We're all all right
55 - We're all all right
56 - Hello, Wisconsin!
57 - Don't go away, kids,
58 - A Year Without A Santa Claus will be right back.
59 - Man, Heat Miser's badass.
60 - So, what time are you coming down to the station tonight?
61 - Let's see, the Christmas dance starts at 8:00,
62 - so I'll just come as soon as it gets lame.
63 - Say, uh, 8:02.
64 - Yeah. Hey, you know what?
65 - I'll even bring you something sweet to munch on.
66 - Oh, and some cookies.

67 - What? Oh, what?
68 - Okay, now, please...
69 - Stand still.
70 - Nobody likes a Santa with plumber's butt.
71 - Why am I doing this?
72 - Because I wanna force some good cheer
73 - through your clogged arteries and into your cranky heart.
74 - Yeah, it's like Christmas Drano.
75 - I can't believe you're replacing me as Santa, Red.
76 - Three years and now management says I'm too jolly.
77 - What do you want, Bob?
78 - I want to be Santa.
79 - Well, it's Red's turn this year.
80 - Santa could use an elf.
81 - Fine, but I don't wanna sit in the back and pretend to assemble toys.
82 - I want to participate.
83 - Yeah, Bob, you gotta keep your dignity.
84 - If you're in an elf costume,
85 - you don't want that tiny hammer making you look silly.
86 - Steven, for the Christmas Eve dance... No.
87 - What do you think about this tie? No.
88 - Maybe this jacket... No.
89 - How about a blazer? No.
90 - Fine... Bolo?
91 - Fine. Okay.
92 - Okay, Brooke, I made a list of reasons
93 - why I'm gonna make a great dad for our little baby.
94 - Okay, number one, I am a waiter.
95 - So we'll never run out of straws.
96 - See? Look, kids love straws.
97 - Michael, I really appreciate the gesture, but no thanks.
98 - Seriously, I think if we just hang out,
99 - you'll see that I'm getting a lot more mature.
100 - I mean, just the other day I watched golf and took a nap.
101 - Look, Michael, if we weren't in this situation,
102 - I think you'd be a really good friend.
103 - I mean, you're nice, you bring me stuff,
104 - dogs love you.
105 - I just think we should limit our time together to
106 - almost none.
107 - Okay, how about we make a compromise between "almost none"
108 - and what I want to do, which is "it"?
109 - Okay, if you want, you can help me hang decorations tonight
110 - for the library's Christmas party.
111 - Spend Christmas Eve in a library?
112 - Why don't you just kick me in the 'nads?

113 - Okay, here comes Julie, the head cheerleader.
114 - Now, Steven, make me look good.
115 - Hello, Jackie.
116 - Hello, Julie.
117 - This is my boyfriend, Steven J. Hyde III.
118 - First two are in jail.
119 - He pretends to be poor. Isn't that funny?
120 - I have to say, I thought you'd be too embarrassed
121 - to show your face here tonight.
122 - Well, to be honest, I only came to see your outfit,
123 - so I'd know what not to wear.
124 - Well, let me show you the back.
125 - If you're trying to get back on the cheerleading squad,
126 - shouldn't you be nice to her?
127 - Bitchiness is the only language cheerleaders understand.
128 - These are bad girls,
129 - they need to be punished, and they know it.
130 - Yeah, this is way better than hanging out at the library with Brooke.
131 - Lot of great memories in here.
132 - Did it in there.
133 - Did it back there.
134 - Got caught by Miss Tompkins doing it down there.
135 - Did it with Miss Tompkins over there.
136 - Everyone, look for football players.
137 - I cannot spend another holiday in a locker.
138 - And this time, if I don't show up for two days,
139 - come look for me.
140 - Oh, my God! Eric Forman?
141 - You look great, I love your shirt.
142 - Really?
143 - I wore this shirt for four years, and no one said a thing.
144 - I guess now you really fill it out.
145 - Thanks.
146 - I'm, like, up to 17 push-ups a night so...
147 - No, I don't think that's it.
148 - I think it's because you're not a high-school boy anymore.
149 - Yeah, you're 18 now.
150 - You've seen and done it all.
151 - No, no, I...
152 - Yes.
153 - Yes, I have.
154 - Hey, you need to watch out, okay? Girls are talking to you.
155 - I think there might be a practical joke in the works.
156 - No, man, I don't think so.
157 - I think it's 'cause I graduated.
158 - Hyde, am I cool now?

159 - Well, you're cool like margarine is butter.
160 - Close, but there's a little aftertaste.
161 - Women to the left of me
162 - And women to the right
163 - Ain't got no gun
164 - Ain't got no knife
165 - Don't you start no fight
166 - 'Cause I'm T.N.T., I'm dynamite
167 - T.N.T. and I'll win the fight
168 - T.N.T. I'm a power load
169 - T.N.T. watch me explode
170 - I'm dirty, mean and mighty unclean
171 - You're in the middle of a Christmas Eve rock block
172 - on WFPP with me, Hot Donna.
173 - That was bacon.
174 - I recorded that myself earlier today.
175 - Stay tuned for more Christmas classics with me, Hot Donna.
176 - I'm sorry, but that is just too cool.
177 - Okay, Mr Claus,
178 - let's hear your best Santa laugh.
179 - Ho, ho.
180 - You left out a "ho", Red.
181 - It's three "ho's". Did you even read the Santa manual?
182 - Okay, Red, I'm sure you'll do fine.
183 - Just remember, Santa is a cheerful, jolly fellow,
184 - who never calls a child "dumbass".
185 - So, what do you want for Christmas?
186 - I want a slinky.
187 - A slinky? Oh, you'll get sick of a slinky in a day.
188 - I'm putting you down for flash cards.
189 - Math, that's what you're getting for Christmas.
190 - Next.
191 - I want a pony.
192 - Ponies die.
193 - What you need is a good pair of boots.
194 - Go on, keep it moving.
195 - I want a flying car.
196 - I did, too, when I was your age, kid.
197 - But then the future came and took my dreams away.
198 - Just like it's gonna take yours.
199 - Okay, okay, little girl, you know what?
200 - I bet, if you're extra good, you'll get your flying car one day.
201 - Don't listen to her. It's a lie.
202 - Bad Santa.
203 - Yep, life after graduation sure is sweet.
204 - Some days I wake up and I'm like,

205 - "Hey, I'm having ice-cream for breakfast."
 206 - And you know what? I do.
 207 - Wow!
 208 - So, what have you two been up to since graduation?
 209 - She talked to me. What do I do?
 210 - Yeah, I got a librarian pregnant.
 211 - Damn! Good answer!
 212 - So, like, Eric, what are your plans for the future?
 213 - Well, I guess I'm just gonna keep on keeping on, you know?
 214 - I'm thinking about buying a boat.
 215 - Okay, we're back, and if my boyfriend's listening,
 216 - you're late and I'm a little worried
 217 - you're trapped in a snowdrift or something.
 218 - So, honey, if you're cold, I'm with you, baby.
 219 - Okay, so let's take some requests.
 220 - Hello, you're on the air.
 221 - Hi, I'd like to dedicate He's the Greatest Dancer by Sister Sledge
 222 - to Eric Forman, the coolest guy at the Christmas dance.
 223 - What? He's still at the dance?
 224 - Sorry, I have to go. He's telling us about his boat.
 225 - That sneaky bastard.
 226 - That sneaky bastard, Santa Claus, is on his way
 227 - with a non-stop block of classic Christmas tunes.
 228 - And remember, you're listening to WFPP, with me, Hot Donna.
 229 - You hear that, Eric Forman?
 230 - That's not bacon, that's your ass when I get a hold of you.
 231 - Hey, I brought you something sweet to munch on.
 232 - Oh! And some cookies.
 233 - Man, I knew that was funny.
 234 - Man, I can't stop thinking about Brooke.
 235 - I mean, both you and me know that every girl in here wants me,
 236 - except for the couple of weirdoes that seem to want you,
 237 - but I don't care about any of them.
 238 - Look, Kelso, are you sure you don't just have a crush on Brooke
 239 - because she's a librarian,
 240 - and you've seen some librarian layout in Playboy?
 241 - Eric, I'm sure that's part of it.
 242 - Whatever. I'm going to the library.
 243 - Whoa, that felt weird to say.
 244 - Steven, you don't look like you're having a good time.
 245 - I'm not.
 246 - I know, but I need you to act like you are.
 247 - Just think about stuff you enjoy,
 248 - like shoplifting or dirty jeans.
 249 - Jackie, how come you never told me you were dating an older man?
 250 - Well, I guess I was just distracted

251 - by the life I lead outside of cheerleading,
252 - where I do fun and glamorous things,
253 - with my older, mysterious boyfriend.
254 - That's true. Why, just last week,
255 - we sat on the couch and had a fight.
256 - I'm jealous.
257 - This dance sucks.
258 - None of the girls remember me. They all think I'm a waiter.
259 - Hey, I got an idea how you can get these girls' attention.
260 - Oh, boy, does it involve me hiding in the girls' bathroom?
261 - No.
262 - Okay, we'll try your way.
263 - And that's what really happened in Vietnam.
264 - I don't understand.
265 - Neither do I, kid. Neither do I.
266 - Okay, little boy, time to say goodbye to Santa.
267 - What's an ambush?
268 - It's a pretty bush with yellow flowers.
269 - Kitty, I gotta tell you, I'm good with kids.
270 - I really taught him something.
271 - You know, I think I'm beginning to feel the Christmas spirit.
272 - Well, I'm glad, Red.
273 - But let's try telling a Christmas story
274 - where nobody gets caught in a firefight.
275 - Bob, what the hell are you doing?
276 - You're depressing the kids. I'm Santa now.
277 - Get out of my chair, Bob,
278 - or you're gonna get a candy cane up your chimney.
279 - I'm not moving.
280 - Kitty, hold my silly red hat.
281 - You're right, I really am funny.
282 - What do you think you're doing? Eric, you never showed up.
283 - I was worried about you.
284 - Well, I'm sorry, I guess I lost track of time.
285 - Maybe it's because I am a god to these people.
286 - Donna, they like this shirt.
287 - This is a horrible shirt.
288 - I gave you that shirt.
289 - I know. I love this shirt.
290 - Eric, I can't believe you let yourself get a swelled head
291 - just because a couple of high-school kids think you're cool.
292 - Excuse me, aren't you Hot Donna?
293 - You were so awesome on the radio today.
294 - You really think?
295 - Wait, what's going on?
296 - I think we're in for a treat.

297 - I'll have a blue Christmas
 298 - Nice decorations.
 299 - I see you're using one of the better-tasting glues.
 300 - What are you doing here?
 301 - Oh, I just thought, instead of having
 302 - a fun Christmas Eve somewhere else,
 303 - I'd rather have a boring one here with you.
 304 - But we could have some fun.
 305 - Michael, I've told you before,
 306 - just because you come to the library after hours,
 307 - does not mean I'm gonna walk around topless.
 308 - But it's Christmas.
 309 - Oh, here let me help you with the decorations.
 310 - Pregnant women should not be standing on their tiptoes,
 311 - 'cause the baby will come out all cross-eyed.
 312 - Listen, if you think you're gonna get me interested in you
 313 - by being cute and making me laugh...
 314 - Well, it's probably gonna work.
 315 - But if you screw this up,
 316 - I am gonna ruin your credit with thousands of dollars in library fines.
 317 - Fair enough.
 318 - Well, what say we seal this newfound friendship
 319 - with a round of topless ornament hanging?
 320 - Okay, fine! Whatever you wanna do.
 321 - Topless.
 322 - This mall is only big enough for one Santa, Bob.
 323 - Tell you what, you name five reindeer and I'll step down.
 324 - I can name five toes that are gonna be in your ass.
 325 - Oh, for goodness' sake!
 326 - Why don't we stop calling it Christmas and call it "Assmas"?
 327 - Fine, I'll go.
 328 - I only got worked up because Joanne's gone, Donna's working.
 329 - The only people I have at home are my two friends, Egg and Nog.
 330 - All right, fine.
 331 - You wanna be Santa, go ahead.
 332 - Thanks, Red.
 333 - Yeah, it's all for the best.
 334 - I've already eaten about two pounds of fake beard as it is.
 335 - There he is. Santa's the one who told me that communists hate God.
 336 - Gotta go, Santa.
 337 - Merry Christmas, Bob. Mrs Claus needs a drink.
 338 - And then I push a button, and it sounds like bacon.
 339 - This is so awesome. We're like a celebrity couple.
 340 - It's intoxicating.
 341 - Donna, it is a heady brew.
 342 - Hey, let's go drink beer in front of some sophomores.

343 - Jackie, in light of you showing up tonight with your boyfriend,
 344 - who, by the way, is totally cool and a fox...
 345 - Big newflash there.
 346 - ...I'd like to invite you to rejoin the cheer squad.
 347 - Really? Yeah.
 348 - Huh.
 349 - You know, I don't think I wanna be a cheerleader anymore.
 350 - But we hugged and jumped.
 351 - Well, I'm gonna have to take back that hug and jump
 352 - with a pout and a shrug.
 353 - Are you telling me I came to this hellhole for nothing?
 354 - No, not for nothing, Steven.
 355 - I realize these girls aren't my friends anymore.
 356 - I learned something about myself.
 357 - Oh, well, isn't that...
 358 - Okay, well, if it makes you feel any better, I get to keep the uniform.
 359 - Yeah, that helps. Yeah.
 360 - You set me up! "Sing a song, they'll all love you."
 361 - Well, I'm gonna spend Christmas in a locker.
 362 - Oh, crap, I'm still on the air!
 363 - Jigsaw puzzle.
 364 - Baseball glove.
 365 - Barbie doll tea set.
 366 - Wow, you're good at this.
 367 - Yeah, I've had a little practice.
 368 - Ant farm.
 369 - It's a Lone Ranger cap gun set.

2.8 Episode 08: I'm a Boy

1 - - Good morning. - Try, "Good 1:30."
 2 - I'm just so worn out from carrying around all this tip money.
 3 - There you go, Mom.
 4 - Why don't you kick up the thermostat a couple of degrees on me?
 5 - Well, thank you, honey.
 6 - And you have been such a big help,
 7 - working yourself nearly to death,
 8 - I made you your special sandwich.
 9 - Oh.
 10 - The Eric McSweetie.
 11 - It's a regular sandwich. Hold the masculinity.
 12 - Oop, oop, oop.
 13 - It's almost time for Red's doctor's appointment. Have to iron his underwear.
 14 - No crust? Check. Extra jelly? Check. My mommy loves me? Check.
 15 - Eric, wow, you look beat.
 16 - Yeah, I was working until, like, 1:00 last night.

17 - My poor baby. I know something that'll cheer you up.
18 - Today, I got my first bridal magazine.
19 - We can spend the whole afternoon talking about wedding stuff.
20 - Like the groomsmen can wear kilts.
21 - Donna, you know how much I'd love to spend
22 - four or five hours talking about the wedding,
23 - or clothes, or clothes for the wedding,
24 - but, God, I'm so beat from last night.
25 - Okay, well, why don't you go back to bed
26 - and I'll crawl in with you after class?
27 - But this time, sweep the bed for G.I. Joes,
28 - 'cause that last thing that happened, that was unpleasant.
29 - Life is a cabaret, my friend.
30 - We didn't work until 1:00. We got off at 10:00 and played poker.
31 - Hyde, let's not weigh ourselves down with the truth here.
32 - When I started working full-time,
33 - I thought that my life was gonna be a total grind,
34 - but my mom, Donna, they can't do enough for me.
35 - Look at this. Heart shaped sandwiches. Donna's giving me sexy naps.
36 - As God as my witness, I will never go hungry or horny again.
37 - Will you please wear the ironed underwear?
38 - I have a reputation to protect.
39 - Eric, you're driving me to my doctor's appointment. Please put on pants.
40 - Eric is a little tired from working so late,
41 - so I found someone else to drive you.
42 - Jump in, Smokey. Bandit's on the move.
43 - Hanging out
44 - Down the street
45 - The same old thing
46 - We did last week
47 - Not a thing to do
48 - But talk to you
49 - We're all all right
50 - We're all all right
51 - Hello, Wisconsin!
52 - Okay, Brooke, here's the thing.
53 - We should date.
54 - Michael, I'm pregnant with your child.
55 - Pretty much the best and worst things
56 - about dating have already happened to us.
57 - Okay, but we missed out on all the in-between, like...
58 - Okay, we need to spice up
59 - our illegitimate pregnancy with a little romance.
60 - I mean, look how much we have in common.
61 - You are having my baby
62 - and I am the father of your baby.

63 - Okay, look, don't pretend you wanna go out with me
 64 - just because you feel guilty.
 65 - Brooke, I wanna go out with you because you're hot.
 66 - Okay, fine. But I'm not hot. I've gained six pounds.
 67 - That's okay 'cause it's mostly in your boobs.
 68 - See, nature does this to keep us guys around
 69 - while you gals chunk out.
 70 - Okay, let's get a couple of things straight.
 71 - I don't wanna be here. You don't wanna be here.
 72 - I want to be here.
 73 - Fine. I don't wanna be here
 74 - and I don't care what you want.
 75 - - Okay, then, are you buckled up? - Yes.
 76 - Because the little blinking man on the dashboard says you aren't.
 77 - Buckle up.
 78 - - No. - Yes.
 79 - No. Look, start this car or I'm gonna pack you in a crate,
 80 - take you down to the port, and trade you for a year's supply of bananas.
 81 - - Hey. - Hey.
 82 - You awake?
 83 - Well, if I were asleep, there would be six of you
 84 - all making out with yourselves, so...
 85 - I can't believe how late you have to stay
 86 - at the restaurant.
 87 - Well, you know that grated cheese you like so much?
 88 - Gets grated the night before.
 89 - Yeah, little thing we like to call "prep," so...
 90 - I love it when you use restaurant talk.
 91 - Donna, I have to warn you, I'm exhausted,
 92 - so you're gonna have to do all the work.
 93 - Why should today be any different?
 94 - Okay.
 95 - I need to know what to do on a first date
 96 - with a woman who's carrying my child.
 97 - Hold her while she weeps.
 98 - Hey, wait, what if you guys came to dinner with me and Brooke?
 99 - - Make it easier to find stuff to talk about. - No.
 100 - No, man. There's no way I'm going on a date
 101 - with your ex-girlfriend who is now my girlfriend, and your new girlfriend
 102 - who doesn't want to be your girlfriend
 103 - but is pregnant with your child.
 104 - It's like hillbilly territory.
 105 - - I'll pay. - I'm in.
 106 - Well, then, I have to go find something to wear.
 107 - I mean, I'm happy that Brooke's gonna have a father for her baby and all,
 108 - but I still have to look prettier than her.

109 - Well, I was woken
 110 - from my afternoon nap by my girlfriend
 111 - for some afternoon delight.
 112 - After which, I took another afternoon nap.
 113 - You know what I have right in the palm of my hand?
 114 - No one wants to know that. Just wash up.
 115 - The secret of life.
 116 - You know what? I'm taking this one step further, fellas.
 117 - I'm gonna get fat.
 118 - Yeah, I'll never be strong,
 119 - but I think I can be fat.
 120 - That's a pretty thought.
 121 - Come on, Fez, don't be scared. Go say hi.
 122 - No, he's too fat.
 123 - I don't know where his face is.
 124 - He can't eat you. He can't even move. Watch.
 125 - That tickles.
 126 - Something's poking me.
 127 - G.I. Joe! There you are.
 128 - Wonder what else is in there.
 129 - - Kelso! - Kelso!
 130 - - I thought you moved away. - I've been living on crumbs.
 131 - All right, okay, laugh all you want. But all I see
 132 - is a guy who doesn't have to get out of bed to go to the bathroom.
 133 - And that's beautiful.
 134 - Hey, look, there's the Elks lodge. Pull over.
 135 - But I thought we would celebrate the good checkup.
 136 - There's this pie down at the coffee shop
 137 - I've been flirting with for days.
 138 - How about this for a celebration?
 139 - I'm going in there with my buddies
 140 - and you wait in the car.
 141 - But that doesn't sound like fun.
 142 - Well, that's how we celebrate in America.
 143 - Okay, let's head for home.
 144 - - So, now you're not gonna talk? - Why should I talk?
 145 - My feelings are obviously of no consequence to you.
 146 - All right, maybe I stayed a little longer than I expected.
 147 - Hey, look, how about we stop for some pie?
 148 - - No. - Oh, come on. Let me get you a pie.
 149 - I am not in the mood.
 150 - Oh, just let me buy you...
 151 - There will be no pie!
 152 - Wow, good pot.
 153 - There's gotta be like four or five bucks in there.
 154 - Yeah, you guys are going down. I got a full house.

155 - I mean,
 156 - what do I got?
 157 - Why don't we bet a lot and see?
 158 - Kelso, I know you think you got a full house,
 159 - but you're only holding two cards.
 160 - So I'll raise.
 161 - This is great. It's 1:00 in the morning, I'm not alone,
 162 - and I'm not alone. This is great.
 163 - Guys, I don't want to brag.
 164 - My belt's getting pretty tight.
 165 - I think Operation Fat Eric is well underway.
 166 - What the hell are you doing?
 167 - - Donna. - You told me you were working.
 168 - I brought you brownies because you told me you were working your ass
 off.
 169 - And now it turns out that you're spending all the time
 170 - we could have spent together with the guys.
 171 - And I gave you daytime sex.
 172 - All right! Who brought brownies?
 173 - Is Eric upstairs?
 174 - Just look for the lump under the covers sucking its thumb.
 175 - - Hey, you gonna yell? - No, I'm past yelling.
 176 - - What's past yelling? - It's the dark side of the moon, my friend.
 177 - It's a place so ugly, if it was a woman,
 178 - even you wouldn't have sex with her.
 179 - That's bad.
 180 - How can you sleep until noon after what happened last night?
 181 - I'm exhausted from loving you so much.
 182 - You're completely regressing.
 183 - You lie around all day and you act
 184 - as if you'd be happy to stay in your mother's house forever.
 185 - Look, Donna, let me make it up to you.
 186 - There's some tip money on the dresser.
 187 - Why don't you go buy yourself something pretty?
 188 - - Oh, God! - That's gotta hurt!
 189 - Don't worry. We can still hear.
 190 - Eric, what is happening to you?
 191 - Look, Donna, I'm sorry, but I'm not regressing.
 192 - You gotta understand, I'm the man of this house now.
 193 - Okay, who's ready for Spidey and a sandwich?
 194 - Me!
 195 - Mrs. Forman, your son is a big, lazy child
 196 - because you keep babying him.
 197 - I don't baby him.
 198 - Is there crust on that sandwich?
 199 - Well, of course not.

200 - Crusts are icky. They make Eric sick.
 201 - Oh, my God, I'm ruining him.
 202 - Eric, things are going to
 203 - change around here, drastically.
 204 - Tomorrow, you are getting a sandwich with the crusts on.
 205 - And no more crazy straws.
 206 - You will be drinking your chocolate milk
 207 - from a standard straw.
 208 - Now, who's hungry?
 209 - I call sandwich -I call Spidey.
 210 - I call sandwich you haven't made yet.
 211 - Okay, Donna,
 212 - I get it. I'm sorry. - No, that's not gonna cut it.
 213 - I've been wearing this engagement ring so long, it's white under there,
 214 - and a little wrinkly.
 215 - You haven't brought up the wedding in weeks.
 216 - I stayed home from college to be with you,
 217 - and if I knew you were gonna act like this, I would have gone.
 218 - - You're right. - I know.
 219 - Donna, I know that I'm lucky to be with you.
 220 - Hell, when we go out together, people think I'm your little brother.
 221 - That's true. They say I shouldn't have you out so late.
 222 - You're right. No, you are absolutely right.
 223 - And I'm really, really sorry, okay?
 224 - So, are you still mad at me?
 225 - Well, it's kind of hard when you keep agreeing with me.
 226 - - I agree. - Stop it.
 227 - - You're beautiful. - I will kick your ass.
 228 - So, hey, maybe a good way to break the ice
 229 - would be for everyone to tell a few things about themselves.
 230 - I'll go first.
 231 - I like make-up and diets,
 232 - and Steven, here, likes black things and throwing stuff at glass.
 233 - Okay. Well, I was valedictorian of my class,
 234 - I run marathons, and I tutor kids in Latin.
 235 - Well, I egged the valedictorian of my class
 236 - and a marathon runner and some kids that took Latin.
 237 - This is fun.
 238 - So, how do you guys all know each other?
 239 - Well, Michael and I dated for, like, three years.
 240 - Then I stole her from him.
 241 - Wait. What?
 242 - You never could have stole her from me
 243 - if I hadn't cheated on her first.
 244 - Okay, wait a minute.
 245 - That sounds a lot worse than what it is.

246 - I only cheated on her with Eric's sister.
247 - Well, and then the rest of the girls were when we were on a break
248 - 'cause I annoyed her.
249 - But none of those girls were anybody's sister,
250 - except for the two that were sisters.
251 - He brought up the sisters.
252 - Awesome.
253 - Okay, this was a mistake. I think I'm gonna go.
254 - No. Brooke, wait. Look...
255 - I've been with a lot of chicks. A lot.
256 - A lot.
257 - A lot.
258 - Okay, that's not helping.
259 - Okay, Brooke, let me start over, okay?
260 - We might not be the perfect match, okay? But I really, really like you.
261 - And I think maybe us having this baby together is like
262 - fate.
263 - Michael, fate is when two people meet on a train or in Paris,
264 - not in the bathroom at a Molly Hatchet concert.
265 - Fate!
266 - Man, never use a word in a fight
267 - if you don't really, really know what it means.
268 - Still not speaking to me, huh?
269 - Fine, I'll speak.
270 - I spent all day running your bald, grumpy ass around town
271 - and do I get a thanks? No.
272 - Because you're unpleasant.
273 - You wanna know why I'm unpleasant?
274 - I just had a heart attack
275 - and now I have to be driven around like a useless dope
276 - by the idiot that married my daughter
277 - and gave me the heart attack in the first place.
278 - But I am also unpleasant
279 - because I just spent the entire day cooped up in the car
280 - breathing that mustard gas you call cologne.
281 - But mostly, I'm unpleasant because that's how it works in this family.
282 - I'm family?
283 - Oh, crap.
284 - Guys, everything is totally cool.
285 - I promise to stop acting like such an ass
286 - and give Donna only presents, not cash.
287 - And why is that?
288 - Because presents are for girlfriends and cash is for hookers.
289 - - Although... - You're so good, I should pay you.
290 - Thank you.
291 - You should have seen it coming, Forman.

292 - 'Cause when you are deeply, truly happy,
 293 - it's a sure sign you're doing everything wrong.
 294 - It's true. When Steven's unhappy,
 295 - I know our relationship is in good shape.
 296 - Well, then, we've been tip-top since the minute I met you.
 297 - Aw.
 298 - Yeah, I couldn't be unhappier about me and Brooke,
 299 - so I know I'm doing the right thing,
 300 - 'cause the misery is how God lets you know you're on track.
 301 - And how. Red and I are miserable together
 302 - and that crazy bastard is nuts about me.
 303 - Donna, what are you doing the day after your birthday?
 304 - Nursing a hangover.
 305 - You might wanna stick to light beer, 'cause I was thinking
 306 - maybe we could get married that day.
 307 - Oh, my God, are you setting a date?
 308 - You can't set a date in the circle.
 309 - I can and I did.
 310 - I love you.
 311 - There's no groping in the circle.
 312 - We made that rule for Fez but it goes for everyone.
 313 - Oh, come on, Eric, take charge.
 314 - Grab her like you mean it. I'll do it.
 315 - - Brooke. - Holy crap.
 316 - That's the girl you got pregnant?
 317 - She's hot.
 318 - Do you think we could talk alone for a minute?
 319 - Sure, I'll go, but just know, if it doesn't work out with him,
 320 - I've got dental for all dependents.
 321 - - You're funny. - I love you.
 322 - Bye. Got, you know, things to do.
 323 - Look, I don't know why what happened happened.
 324 - I mean, it could have been fate.
 325 - It could have been the Colt 45s.
 326 - But I do know you're being very sweet
 327 - and I could probably use a hand,
 328 - 'cause, to tell you the truth, I'm kind of scared.
 329 - That's perfect, 'cause I'm terrified.
 330 - I know. I mean, it's crazy.
 331 - - We're having a baby! - I know!
 332 - - And we have no clue! - None at all!
 333 - All right, so, can I call you tomorrow?
 334 - Yes.
 335 - Before you go, I just wanted to say I don't love you.
 336 - I just kind of get nervous in front of women.
 337 - I blurt.

338 - I understand. I think it's very sweet.
 339 - I love you.
 340 - What is wrong with me?
 341 - "Hi, Roy." "Hello, Brooke."
 342 - "Hi, Roy." "Hello, Brooke."
 343 - "Hi, Roy." "Hello, Brooke."
 344 - I got this.
 345 - - Hi, Roy. - I love you.
 346 - Excuse me.
 347 - - Roy, that's the freezer. - I know.

2.9 Episode 09: Young Man Blues

1 - Hey, check it out, guys, it's Sergeant Crossing Guard.
 2 - Rough day on the crosswalk, Sarge?
 3 - I'm not a crossing guard, Hyde,
 4 - I'm a police officer in training.
 5 - - Read the badge. - You mean your paper nametag?
 6 - No, I mean my badge.
 7 - This symbolizes all the authority
 8 - of the Point Place police department.
 9 - How'd it get ripped?
 10 - Hey! Your first case.
 11 - Get this. Tomorrow I get to go on a ride-along in a real police car.
 12 - I get to see all the crime as it happens.
 13 - Yeah, this town is a hotbed for criminal activity.
 14 - Hey, let's not forget the great ten-speed robbery of '74.
 15 - Yeah, or that criminal mastermind
 16 - who stole my mum's garden gnome.
 17 - Guys, I have very exciting news.
 18 - I'm in a mentor programme for little girls,
 19 - kind of like a Big Sister thing.
 20 - And there's someone here who's very anxious to meet you.
 21 - Come here.
 22 - Isn't she cute? I call her Little Jackie.
 23 - For the last freaking time, my name is Colette.
 24 - I'm trying to like her, she's just a little mouthy.
 25 - Jackie, why would you be a Big Sister?
 26 - Well, it's a community service project for school.
 27 - It was either this or helping out at a senior center.
 28 - And you know how gray hair gives me nightmares.
 29 - Can I leave now? There's nothing to do.
 30 - Here, take these pictures of me
 31 - and put them in order of cuteness,
 32 - from "Very cute" to "It's just not fair she's so cute."
 33 - Lame, lamer, lamest.

34 - I like her.
35 - - Yeah, me, too. - She's feisty.
36 - Nice nametag. Are you a garbage man?
37 - It's a badge!
38 - Hanging out
39 - Down the street
40 - The same old thing
41 - We did last week
42 - Not a thing to do
43 - But talk to you
44 - We're all all right
45 - We're all all right
46 - Hello, Wisconsin!
47 - Get away from me!
48 - I bet that's the first time you said that to a man.
49 - Don't you walk out that door.
50 - Don't you walk through that door!
51 - What the hell was that all about?
52 - They have been fighting like that all morning.
53 - Sometimes he even yells at her in his native language.
54 - I believe the main idea is, she gets around.
55 - Ah, to be young and trapped
56 - in a loveless sham of a marriage.
57 - - Kitty, where's the coffee? - I'm sorry, I almost forgot.
58 - Since no one fixed my sink yet,
59 - today instead of coffee,
60 - we're having pipe sludge.
61 - You know the doctor told me not to do household chores.
62 - It's either a working sink or a dead husband.
63 - It's your choice.
64 - Well, Red, somebody's gotta do something around here.
65 - The garage needs to be painted,
66 - the lawnmower won't start,
67 - and I'm getting tired of running to the hose
68 - every time I need a bourbon and water.
69 - Fine, fine, we'll let Eric do it.
70 - Maybe if I supervise him,
71 - he'll only screw up half as much.
72 - Yeah, thanks, Dad. You know what? I got it.
73 - Yeah. This from the kid who gets sweaty
74 - when he has to change out the toilet paper.
75 - Don't you walk back into that house.
76 - Don't you walk back into the house!
77 - Officer Kennedy?
78 - I want you to know that even though it's my first ride-along,
79 - I'm not afraid to kill a man.

80 - I just don't wanna touch him after he's dead.
 81 - Shut it, Cadet. Here, take care of the radio.
 82 - Cool. We each get our own walkie-talkies?
 83 - I'd like a pepperoni pizza.
 84 - Address, Hauling Ass Down Central.
 85 - Hey, if you wanna play games, go join the highway patrol.
 86 - Unit 10, we've got a 415 in progress.
 87 - - Cool. What's a 415? - Why don't you look in your manual?
 88 - "A canine defecating on private property."
 89 - Cool! It's a dog crapping on a lawn! Gun it!
 90 - A 415 is a domestic disturbance, you chowder head.
 91 - Oh.
 92 - Damn, I always wanted to put a dog in handcuffs.
 93 - - I want you out! Out, I say! - It's my house!
 94 - Oh, really? Because you didn't sleep here last night.
 95 - Or the night before that.
 96 - Or the night before that.
 97 - To be fair, Fez, her army buddies only get a three-day pass.
 98 - - Listen to me... - No, you listen...
 99 - Pipe down! The neighbors are staring.
 100 - Don't mind us. Just practicing for a show.
 101 - Take a bow and get in the house.
 102 - Whoa, it's the Five-O. Better go hide my stash.
 103 - Comic books. And comic book paraphernalia.
 104 - What seems to be the problem here?
 105 - - Put that down. - Put that down.
 106 - - No, put that down! - Put what down?
 107 - Give me that.
 108 - Now, what seems to be the problem here?
 109 - I'll tell you what the problem is. I am married to a whore.
 110 - I am not a whore!
 111 - I'm just a girl who likes a good time.
 112 - I'm sorry. I can't imagine who would've called the police.
 113 - It's about time you showed up.
 114 - These two were making so much noise,
 115 - I couldn't enjoy my programme.
 116 - Bob, you really had to call the police?
 117 - Sorry, Kitty, but how am I supposed to name that tune
 118 - if I can't even hear the notes?
 119 - Okay. Well, this kid seems to be harmless,
 120 - but since you're training, why don't you frisk him anyway?
 121 - Sure, frisk the foreign guy.
 122 - The color of my skin is not a crime!
 123 - Why do you have a frog in your pocket?
 124 - It's a surprise for the ladies.
 125 - Oh! He peed on me! That's resisting arrest.

126 - Well, then I'm about to resist arrest, too.
 127 - Dad, that was pretty cool how I shut off all the water in the house, huh?
 128 - Yeah, you really instill a lot of confidence,
 129 - muttering "lefty loosey, righty tighty" the whole time.
 130 - Okay, let's get started.
 131 - Now, this is a wrench.
 132 - - Dad, I think I know what tools are. - Good.
 133 - Then grab the Philips head.
 134 - Uh, shouldn't I buy Philip a drink first?
 135 - Come on!
 136 - We're just a couple guys having some fun on the job, lighten up.
 137 - Get a little "lefty-loosey".
 138 - Do you even know what a Philips head screwdriver is?
 139 - I know it's a screwdriver.
 140 - Now.
 141 - The water's off. Why is the water off?
 142 - We gotta fix the pipes.
 143 - - But I have to use the bathroom. - What?
 144 - - I have to use the bathroom! - Well, go ahead.
 145 - But you only get one flush, so make it count.
 146 - Well, I guess I can hold it. I just hope I don't sneeze.
 147 - - Would you sit still? - Jackie, she's not a doll.
 148 - Well, not a good one, anyway.
 149 - I don't want a makeover. You're supposed to be helping me with my homework.
 150 - Homework is for ugly girls.
 151 - Okay?
 152 - Pretty girls get geeky boys to do their homework for them.
 153 - Jackie, you're supposed to do fun stuff, like go roller-skating,
 154 - not teach her to prostitute herself for geometry notes.
 155 - She's cool. Why can't she be my Big Sister?
 156 - See, Donna already has a little sister. Her name's Eric.
 157 - Okay, get under the sink and loosen that disposal so we can get to the pipes.
 158 - Under there?
 159 - But it's all spidery.
 160 - Get under there or you're gonna get a spider
 161 - the size of my foot in your ass.
 162 - I just realized something.
 163 - After all the years of me helping you fix stuff,
 164 - you finally have to hold the flashlight for me.
 165 - Lower, dumb ass!
 166 - All right, I'm in. I'm just gonna loosen the...
 167 - Spider! Big one! Oh, my God, it touched me!
 168 - A Brillo pad? You were afraid of a Brillo pad?
 169 - It bit me.

170 - Boy, somewhere down the line I failed with you.
171 - You know, I think it was that one day when you were 10
172 - and I caught you with those dolls.
173 - They were action figures.
174 - I want to go to the movies.
175 - Why? You're watching me live my life.
176 - It's better than any movie.
177 - Afternoon, civilians.
178 - Where's my frog, you son of a bitch?
179 - Well, the good news is I let him loose.
180 - And the bad news is he hopped in front of an 18-wheeler.
181 - Now, he dodged the first wheel, but the last 17 got him.
182 - Hey, did you show up in a cop car?
183 - Yeah. My training officer let me take the cruiser out for a spin.
184 - Mind if we check it out?
185 - Fine. Just don't touch anything.
186 - I'll be in the bathroom taking care of some police business.
187 - Or as the boys down at the station like to say,
188 - I'll be taking a 10-100.
189 - How would you like to see a police car?
190 - I already saw one when the police took my daddy to jail.
191 - All right. You know what? Cheer up, or you're not getting lunch.
192 - Jackie!
193 - Oh, Donna, don't worry, you're getting lunch.
194 - Okay, you know what?
195 - You don't have a clue when it comes to dealing with kids.
196 - Well, if you think you're so good at it, why don't you give it a shot?
197 - Okay, I will.
198 - Come on, Colette, you've just been upgraded to Little Donna.
199 - What... You know what? It is your loss
200 - because I was gonna let you give me a pedicure.
201 - I can't believe they trusted Kelso with a cop car.
202 - I can't believe he left the keys in it.
203 - Are you thinking what I'm thinking?
204 - Burn rubber, little buddy.
205 - Hey!
206 - You're out of soap in the men's room.
207 - My eagle eye catches everything.
208 - This is so exciting. What should we do next?
209 - Plant some evidence?
210 - Bust some prostitutes?
211 - Plant some evidence in the bust of some prostitutes?
212 - Oh, hey, check it out. A walkie-talkie.
213 - Freeze! You're under arrest.
214 - Freeze, you're under arrest!
215 - Freeze. You're under arrest! All right, that's the one.

216 - This is Officer Michael Kelso. And I'm not wearing any pants!
 217 - Am I supposed to be driving all over the road?
 218 - 'Cause I'm loaded.
 219 - My car's gone! Somebody call the police!
 220 - Okay, that's it. I can't fix it. I just... I can't do it.
 221 - What's the problem now?
 222 - Did the fuzzy dishtowel jump out and attack you?
 223 - I can't believe you said you failed with me.
 224 - Oh, come on. That was a joke.
 225 - You know, like, "A priest and a rabbi walk into a bar,"
 226 - or "I failed with you."
 227 - - Do you really think that? - No, not completely.
 228 - I mean... Maybe you're not good at fixing stuff.
 229 - But you stayed behind from school to help the family out.
 230 - And that's admirable.
 231 - Yeah.
 232 - Yeah, it is.
 233 - Some might say it's the greatest gift a son could give his father.
 234 - No, the greatest gift a son could give his father
 235 - is a Heisman Trophy.
 236 - Look, you've tortured yourself enough for one day.
 237 - - Let's just pack it up and call the plumber. - No, no.
 238 - Look, I can fix some things.
 239 - Boba Fett's jetpack doesn't just glue itself back on.
 240 - You know what? I'm gonna fix the lawnmower. Right now.
 241 - Now, why would you wanna embarrass yourself like that?
 242 - I mean, I'll be standing there and you'll be standing there,
 243 - and the mower won't work,
 244 - and I'll say something mean and claim it's a joke.
 245 - I'm gonna fix that lawnmower.
 246 - I'm gonna fix the hell out of it.
 247 - And when I'm done, you're gonna be able to race that baby
 248 - at the Indy 500.
 249 - Now, look, Son, just so you know,
 250 - the lawnmower's the red thing with the wheels on it.
 251 - Yeah? Well, not for long!
 252 - More news after this.
 253 - You know, if a white man had stolen that car,
 254 - it'd be all over that news.
 255 - Fez, not having every cop in Wisconsin
 256 - looking for us is probably a good thing.
 257 - Shut up, whitey.
 258 - Has anyone seen Little Jackie?
 259 - - No. Why? - Never mind.
 260 - Oh, my God. You lost Little Jackie?
 261 - No, I didn't lose Little... Jackie!

262 - We're playing hide-and-seek and she's really, really good.
 263 - Oh, so you look for her, but when you play with Fez,
 264 - you let him sit in the closet all day.
 265 - I cannot believe you, Donna.
 266 - You said I didn't know what I was doing, and look at what you did.
 267 - Okay, are you going to help me find her or not?
 268 - Well, I'm gonna have to. I mean, this is serious.
 269 - If we don't find that little girl,
 270 - I'm gonna get, like, half-hour detention.
 271 - Okay.
 272 - Where's my cop car?
 273 - You know what? I'm gonna count to three.
 274 - And before I'm done, you'd better tell me where it is.
 275 - One, two...
 276 - Two-and-a-half.
 277 - Three.
 278 - No, you can't say "three". That's not how it works.
 279 - Did my frog know how it worked when he saw that tire coming?
 280 - His tiny green life flashing before his eyes?
 281 - Guys, come on, you can't just take somebody's car
 282 - without asking permission.
 283 - And especially since I kind of took it without asking permission.
 284 - - What? - You stoled it?
 285 - I was supposed to be watching it
 286 - while my training officer got a haircut.
 287 - They're gonna have my paper badge for this.
 288 - Mom, Dad, come quick! I fixed it! I fixed it.
 289 - It was like God had control over my hands.
 290 - - Let me... Let me start it for you. - Eric, don't.
 291 - I've seen you use a wrench.
 292 - If you went lefty-loosey instead of righty-tighty, we could all die.
 293 - - Let me just put this in the garage. - Wait, but, Dad...
 294 - No, no, honey, honey. Your father's right. It's not safe.
 295 - We'll let Bob start it later.
 296 - What did you do?
 297 - Why? Why? Why is it always my house?
 298 - You really wanna know, or you wanna just keep yelling?
 299 - I wanna keep yelling.
 300 - I don't care whose fault it is.
 301 - Just get that thing out of here now!
 302 - Yes, sir.
 303 - All right, everybody. Show's over, let's go in the house.
 304 - Dad, the lawnmower. I fixed the lawnmower, you've gotta see.
 305 - Kelso, wait!
 306 - Hey, look, Fez, just like your frog.
 307 - Well, it was broken anyway.

308 - No, it wasn't.
309 - I fixed it.
310 - Mom, you believe me, don't you?
311 - Of course I do, honey.
312 - I believe that you believe you fixed it.
313 - Why are you in my seat?
314 - This automobile has not moved.
315 - Wait, you didn't ask me that.
316 - Did you touch anything?
317 - Because if you did, you are in big trouble.
318 - No, I can assure you, everything is exactly as you left it.
319 - Hey, Kelso, did you get the cop car back
320 - before your boss found out you stole it?
321 - Okay, that... I can explain that.
322 - Where am I?
323 - I can't explain that.
324 - Socket wrench.
325 - Drives the spaceship. Sits next to the hairy guy.
326 - Han Solo.
327 - Flathead screwdriver.
328 - I know this. Guy with the breathing problem.
329 - "Guy with the breathing problem." This is Darth freaking Vader.
330 - Seriously, Dad, if you don't know the Dark Lord of the Sith,
331 - the most hated enemy of the Jedi warrior,
332 - then I guess somewhere down the line I failed with you.
333 - Marker.
334 - Oh! He peed on me!
335 - That's resisting arrest.
336 - That's resisting arrest.
337 - Put that down.
338 - Give it to me!
339 - Give me that.
340 - God.

2.10 Episode 10: A Legal Matter

1 - Guys, there are actual stewardesses out there,
2 - and one of them talked to me.
3 - I made this joke about how they just flew in
4 - and their arms must be tired.
5 - Yeah, great.
6 - Kelso, their neckerchiefs are undone.
7 - You can see their necks.
8 - Look, I don't have time for stewardess neck.
9 - I gotta study.
10 - They're really riding me down at the Police Academy,

11 - and I don't know why.
12 - I know why. It's fun.
13 - They even chose me last to work on the CPR dummy,
14 - so everybody's spit was all over it.
15 - Even Johnson's spit, and he's got a monster cold sore.
16 - I know why they're doing that. I bet you're the stooge.
17 - What?
18 - Every year, the Police Academy lets one guy in they know will fail out.
19 - They use him to scare the other cadets.
20 - I know 'cause my brother was a stooge.
21 - All right, fine, it was me.
22 - Oh, man, I'm the stooge.
23 - Hey, come on.
24 - Kelso, if that were true, you'd have had to have been a screw-up your whole life.
25 - I mean, sure, you've fallen off the water tower every year
26 - since junior high.
27 - You broke your arm wrestling a dog.
28 - And heck, no one's eaten more change than you.
29 - All right, I gotta say you guys are making
30 - a pretty good case that I'm the stooge!
31 - Well, if you're not,
32 - there's a guy who's about to step on a rake that I really wanna meet.
33 - Hanging out
34 - Down the street
35 - The same old thing
36 - We did last week
37 - Not a thing to do
38 - But talk to you
39 - We're all all right
40 - We're all all right
41 - Hello, Wisconsin!
42 - I can't believe I'm the stooge.
43 - Michael, it's just the way some people are. Okay?
44 - Some people are lazy, some people are clumsy,
45 - some people are stooges.
46 - You're lucky enough to be all three.
47 - Kelso, keep in mind you're being called a stooge by a stooge
48 - while a third stooge sits idly by.
49 - Compliment accepted.
50 - Now, listen, you nincompoops,
51 - these pies are for some very important clients.
52 - Nothing should happen to these pies, got that?
53 - Sure thing, boss.
54 - Well, nice going, you knucklehead. Now we gotta wash them.
55 - Wanna give me a hand?

56 - Bravo, bravo.
57 - So, we got a wise guy, huh?
58 - Oh, yeah? Take this.
59 - How's it going with those...
60 - Pies?
61 - Ugh. The Three Stooges have such bad hair.
62 - You know, I wish I can go back in time
63 - for just 10 minutes
64 - and hand out combs and brushes.
65 - Guys, can we focus here?
66 - I gotta figure out if I'm the stooge or not.
67 - Well, why don't you just, like,
68 - ask your captain or something?
69 - He won't tell me. That's the whole point!
70 - I gotta get a look at my file,
71 - which means I gotta break into the Police Academy.
72 - Okay. You see how you took something that made sense
73 - and then made it weird?
74 - That's part of the problem.
75 - That's what I like about you, Kelso.
76 - You can make a mess out of anything.
77 - I'm in.
78 - Yeah, well, not me.
79 - Breaking into a place where they train people
80 - to shoot you if you break into a place, it's...
81 - Come on, Eric. We're a team.
82 - Yeah, Michael's the looks,
83 - Steven's the brain and you,
84 - your house has food.
85 - Hey, remember when we shoplifted
86 - those baseball cards?
87 - We were 12 years old,
88 - and I didn't shoplift anything.
89 - That's right. You went home and told your mommy.
90 - You mama's boy.
91 - Well, did you want that on your permanent record?
92 - Yeah, I didn't think so, mister.
93 - Oh, God, I am a mama's boy. I'm in.
94 - Now, the secret to really good fudge is a tiny bit of Kahlua.
95 - You must make a lot of fudge, 'cause the bottle's almost empty.
96 - No. Well, it's a tiny bit of Kahlua for the fudge,
97 - a tiny bit for the chef.
98 - That's how you make cooking fun.
99 - Apparently, it also works for sewing
100 - and laundry and sitting around watching TV.
101 - Okay, the INS called.

102 - I have to go in for a final review
 103 - before I can pick up my green card.
 104 - I bet they give you a test on US history.
 105 - See, America is strict about who we let in here,
 106 - 'cause we have stuff that people wanna steal.
 107 - Unlike your lesser countries like Canada and France.
 108 - See, this is when a bobby pin comes in handy.
 109 - Why do you have a bobby pin?
 110 - I'm training my hair, okay? I want more wave, less fluff.
 111 - Guys, this is serious. Let's just find my file and get out of here.
 112 - Hey, what's in here?
 113 - Oh, it's the canine training room.
 114 - It's where they keep all the samples
 115 - to teach the police dogs what to sniff for.
 116 - Oh, man, these samples are way better than our samples.
 117 - Did you see how quickly I sniffed them out?
 118 - I could so be a police dog.
 119 - Cool, training collar.
 120 - You know, I still don't get how they could think I'm the stooge.
 121 - I'm, like, so on top of everything.
 122 - What's this thing do?
 123 - Give me that, Kelso.
 124 - Gonna hurt yourself.
 125 - Hyde, that really hurts.
 126 - Okay, do it one more time.
 127 - Okay, so, this is George Washington, the father of our country.
 128 - Well, George and I have one thing in common.
 129 - We both look good in a powder white wig.
 130 - Okay, so Fez, the Statue of Liberty was a gift from the French.
 131 - The French? I didn't know that.
 132 - You didn't know that?
 133 - I really don't think it's common knowledge.
 134 - Okay, I painted my nails through two semesters of American history
 135 - and even I knew that.
 136 - Well, don't I feel like the hillbilly who wandered into town.
 137 - Well, it's no big deal, Mrs. Forman.
 138 - Oh, I see. It's no big deal for you smart people who know everything,
 139 - but for us hillbillies, well, we're lucky if we know how to tie our shoes
 140 - and flush the toilet.
 141 - Okay, Mrs. Forman, please don't get upset.
 142 - Okay, here, drink some more fudge.
 143 - Okay, so...
 144 - - The constitution was ratified... - Oh, I know this. 1776.
 145 - Oh, you're thinking of the Declaration of Independence.
 146 - - See, the constitution was... - I know what the constitution is.
 147 - - Can you make fudge? - What?

148 - Then can it.
 149 - Okay, what if they ask me about current events? Tell me about Vietnam.
 150 - Okay, so Vietnam was an illegal war, which we lost.
 151 - What the hell are you teaching him?
 152 - You come with me.
 153 - I'll teach you the real American history.
 154 - First of all, we didn't lose the war. It was a tie.
 155 - Besides, they're grateful. They have McDonald's now.
 156 - Here's my file. It doesn't say stooge anywhere.
 157 - Good picture, but that's no shocker.
 158 - But this is.
 159 - Ah!
 160 - I think the batteries are starting to go.
 161 - That one didn't hurt as much.
 162 - You better let me hold onto this file.
 163 - I won't leave any fingerprints thanks to my cool new black gloves.
 164 - Man, if only these shot webs.
 165 - Aren't those your mom's Isotoners?
 166 - All right, guys, I gotta figure out if I'm in trouble or not.
 167 - What the hell is going on in here?
 168 - I'm gonna go with "you're in trouble".
 169 - Cadet Kelso, do you know what the penalty is
 170 - for breaking into the Academy office?
 171 - No, sir, Officer Kennedy, sir.
 172 - There are none, because nobody's been stupid enough to do it!
 173 - All right, you're first in your class.
 174 - Is that a dog training collar around your neck?
 175 - You're probably gonna want this.
 176 - It's the red button.
 177 - Look, sir, I think you should know
 178 - that at the last police charity auction,
 179 - my family bought one of your Christmas tree ornaments,
 180 - Santa driving a cop car.
 181 - Funniest thing on the tree it was.
 182 - Anyway, please don't call my mom and dad. Thanks.
 183 - - What's your name? - They call me Fez.
 184 - Officer Kennedy, sir,
 185 - I broke in to find out if I was the stooge or not, sir.
 186 - You're not the stooge. Johnson's the stooge.
 187 - Yes.
 188 - But you're the stooge now.
 189 - Okay, I think that we've been reviewing long enough.
 190 - Let's see what you've learnt. I'll start you off with an easy one.
 191 - - Where do you live? - Amedica.
 192 - It's pronounced America.
 193 - That's what I said, Amedica.

194 - - America. - Amedica.
 195 - Why do we celebrate the Fourth of July?
 196 - Because we are damn glad not to be
 197 - a bunch of British, tea-drinking nancy pants.
 198 - Nobody's gonna argue with that answer.
 199 - America!
 200 - Amedica!
 201 - - America! - Amedica!
 202 - What was President Dwight D. Eisenhower's
 203 - greatest achievement?
 204 - He led the Allies to victory in World War II
 205 - and sent those jackbooted Nazi bastards home
 206 - to cry in their sauerkraut.
 207 - I didn't understand a word you said,
 208 - but I heard "Nazi bastards", and that's good enough for me.
 209 - - America! - Amedica!
 210 - Look, there is no damn "D" in America.
 211 - - Say my son's name. - Eric.
 212 - Great.
 213 - Now, America.
 214 - Amedica.
 215 - Just forget it. Just say, United States.
 216 - United States of Amedica.
 217 - Guys, I'm really screwed down at the Police Academy.
 218 - Officer Kennedy told me he's looking for any reason to kick me out.
 219 - Okay, but did he say anything about calling my parents?
 220 - I was so freaked out that I completely blew this exam this morning.
 221 - I'm sure you did fine.
 222 - Roy, the first question was, "Stop, in the name of the blank."
 223 - And I wrote "Love".
 224 - I don't care what they say, Kelso.
 225 - Love is always the right answer.
 226 - So you screwed up a test, man.
 227 - You know what you have to do.
 228 - Yeah, yeah. Study more next time.
 229 - What are you? Forman?
 230 - You gotta break in there and change the answers.
 231 - I can't break in there again.
 232 - That's the stupidest thing I've ever heard.
 233 - That's why they'll never expect it, man.
 234 - Look, they don't know you've got a friend like me
 235 - to talk you into doing something so fundamentally moronic.
 236 - That's true.
 237 - You know what? I'm in, too. I know it's dangerous,
 238 - but I just really like wearing that outfit.
 239 - Trust me, it'll work. How do you think I got through chemistry?

240 - Hey, you told me you blackmailed the teacher
 241 - because you caught him smoking up behind the gym.
 242 - Oh, yeah. How do you think I got through biology?
 243 - Fez, relax. You're gonna pass the test.
 244 - No, this could be my last day in the country.
 245 - We should probably make love.
 246 - What?
 247 - Don't worry. It'll be over before you know it.
 248 - So, on the way back from the bathroom, I got proposed to three times.
 249 - I must look more gorgeous than usual.
 250 - Jackie, the only reason they wanna marry you
 251 - is so they can stay in the country.
 252 - Jealous.
 253 - Okay, here I go.
 254 - I'm here for my test. Where do I sign in?
 255 - Or should I say, "Where do I put my John Hancock?"
 256 - Actually, I would sign my name.
 257 - Just the common expression.
 258 - I know so much history, I just drop it into everyday conversation.
 259 - There is no test.
 260 - I just need to see that you are who you say you are
 261 - and that you're in the country to be with your wife, Laurie Forman.
 262 - No test? So, that's it?
 263 - I'm truly really a citizen of this great country?
 264 - Just as soon as I stamp this paper.
 265 - Oh, this is great. You and I should go celebrate.
 266 - Let's start off with a couple of drinks and some lovemaking
 267 - and see where it goes from there.
 268 - I don't date married men.
 269 - Well, let's just say that as soon as I get my green card,
 270 - I will be single.
 271 - Then you can explore the country of Fez.
 272 - Hold on, are you telling me your marriage is a sham?
 273 - I'm telling you your eyes are like amber waves of green.
 274 - You do realize I haven't stamped this yet?
 275 - Actually, I had not.
 276 - - Oh, he looks happy. - Yeah, I bet he's doing great.
 277 - Yeah.
 278 - - Shouldn't you stamp my paper now? - I don't think so.
 279 - - In a minute? - Nope.
 280 - - After lunch? - Uh-uh.
 281 - Would you like me to stamp it?
 282 - Red, do you think I'm smart?
 283 - Oh, is that what we're gonna do today? We're gonna fight?
 284 - Great news, I got my green card.
 285 - I am now, officially, a Yankee Doodle Dandy.

286 - - So, you passed the test, huh? - Oh, there was no test.
287 - No test? Oh, we're just as bad as Canada.
288 - So, what happened?
289 - Well, you know how sometimes I come on a little strong to the ladies?
290 - You can be a little handsy.
291 - It was touch and go for a while,
292 - but, eventually, I won the INS lady over with my charm.
293 - More like you cried until she felt bad and stamped your papers.
294 - Hey, tomato, potato, it's all the same thing.
295 - Bottom line is, I have chadisma.
296 - - Charisma. - Yes, chadisma.
297 - Man, I love these gloves.
298 - I wish there was some diamond
299 - protected by lasers I could steal.
300 - Okay, I'm almost done.
301 - I just gotta think of one more misdemeanor.
302 - Oh, breaking into the Police Academy.
303 - All right, come on. Let's go.
304 - How do you keep finding us?
305 - I'm wearing all black.
306 - I sleep right next door.
307 - What's the problem? Trouble with the wife?
308 - Shut up.
309 - That's it, you're out of here!
310 - Wait, I can explain.
311 - Okay, this whole thing started because I just...
312 - I can't be the stooge, okay?
313 - I'm gonna be a dad soon, and no kid is gonna look up to his dad
314 - if his dad is the stooge.
315 - Well, unless the kid's a stooge,
316 - in which case I wouldn't love him anyway.
317 - You're gonna be a father?
318 - Who would breed with you?
319 - One night stand, both a little drunk.
320 - Look, I know I messed up,
321 - but can't you just maybe...
322 - Give me one more chance.
323 - All right. Since you're gonna be a father,
324 - I'm gonna let what happened here slide.
325 - But just so you don't do this again,
326 - I'm gonna let you in on a little secret.
327 - There is no stooge.
328 - What?
329 - That's just a rumor we started to get the cadets to work harder.
330 - Also, there's no alligator in the lake.
331 - Wait. Wait, wait. If there's no stooge,

332 - then how come our friend Roy
 333 - told us he got kicked out of the Academy for being a stooge?
 334 - Roy Keen?
 335 - He didn't get kicked out for being a stooge.
 336 - He got kicked out for shooting the police horse.
 337 - Look, Cadet, all you have to do is work hard and you'll be fine.
 338 - Now you clean up this mess and get out of here.
 339 - Well, I think we all learned an important lesson here.
 340 - If you're in trouble and your back's up against the wall,
 341 - just tell them you got a kid.
 342 - People are suckers for a baby.
 343 - That is a valuable lesson.
 344 - I think we should all reflect on that in the canine training room.
 345 - - I call shock collar. - I call button.
 346 - Okay, Miss Smarty Pants, how about...
 347 - Oh.
 348 - Where was the famous tea party?
 349 - - Boston. - Nope.
 350 - - What? - Got it wrong. Sorry.
 351 - It's the Boston Tea Party.
 352 - No, it says right here, it's the Boston Tea Party.
 353 - Oh.
 354 - I'm gonna have a Long Island tea party.

2.11 Episode 11: I Can See for Miles

1 - So, guys, guess what?
 2 - I found the perfect place for me and Eric to get married.
 3 - "Where, Donna? Please tell us."
 4 - Okay. Well, that place up by the lake
 5 - that overlooks the entire valley
 6 - where people go for romance.
 7 - Wait, Mount Hump?
 8 - People don't go there for the romance, Donna.
 9 - They go there for the humping.
 10 - Eric, let's go out there tomorrow and check it out.
 11 - I know the Cruiser's in the shop, but we can take my dad's car.
 12 - Donna, he's got that "Honk if you're horny" bumper sticker.
 13 - Yeah, well, I'd scrape it off,
 14 - but "I brake for boobies" is underneath it.
 15 - Why are you guys all in Steven's room?
 16 - Well, Hyde was here,
 17 - so I came in because I'm not comfortable enough
 18 - with myself to be alone.
 19 - Yeah, but it's all gray like a prison cell.
 20 - Gray is why prisoners are unhappy.

21 - Really? I always thought it was the loss of freedom
 22 - and the uninvited man-love.
 23 - Steven, I just think that you would be happier
 24 - if you saw pretty things.
 25 - Like, when I look at myself in the mirror,
 26 - I'm happy.
 27 - When I look at you, I'm happy, too.
 28 - But when you talk... Eh...
 29 - Hey, Eric, I have to ask you a very important question.
 30 - Can I borrow your G.I. Joe for a little experiment?
 31 - - No. - I thought you were going to say yes.
 32 - And, by the way, the experiment was a success.
 33 - G.I. Joe melts faster than cheese.
 34 - Kelso, you can't just take my things without asking permission.
 35 - Come on, we're friends.
 36 - I figured, what's mine is yours and what's yours is mine.
 37 - What's Donna's is mine, too.
 38 - Kelso!
 39 - Yeah, Barbie didn't make it either.
 40 - No one likes to see civilian casualties.
 41 - That's weird.
 42 - My finger's due back tomorrow,
 43 - but my hand's due back next week.
 44 - You know, Michael, I was a little worried about starting to date you,
 45 - but lately you've really impressed me.
 46 - Well, that's the police motto, "To Serve and Impress."
 47 - I thought it was "Serve and Protect."
 48 - Yeah, they just changed it.
 49 - Maybe you could take me to my doctor's appointment tomorrow.
 50 - We'll hear the baby's heartbeat.
 51 - Seriously?
 52 - - You want me to do baby stuff with you? - Yeah.
 53 - You've been really great these last few weeks.
 54 - Yes, I have.
 55 - And there's no telling what you'll do next.
 56 - One day, you might even read one of these things.
 57 - Yeah, let's just pray to God that day never comes.
 58 - Hanging out
 59 - Down the street
 60 - The same old thing
 61 - We did last week
 62 - Not a thing to do
 63 - But talk to you
 64 - We're all all right
 65 - We're all all right
 66 - Hello, Wisconsin!

67 - Stupid Kelso.
 68 - Guess what I packed?
 69 - I'm gonna have to go with picnic.
 70 - You win.
 71 - So when do I get my car back?
 72 - Well, I don't know.
 73 - We're scouting places to have the wedding.
 74 - You don't need to scout anywhere
 75 - but the inside of a church.
 76 - What better place to start a happy life
 77 - than Our Lady of Perpetual Sorrow?
 78 - Well, Dad, the thing is
 79 - we're not getting married in a church.
 80 - But we are thinking about getting married
 81 - at Mount Hump,
 82 - which is sort of the church of humping.
 83 - Well, no church, no car,
 84 - just like it says in the Bible.
 85 - Well, the Bible doesn't say anything
 86 - about taking Kelso's van.
 87 - All right, Donna, we can't just take it.
 88 - Of course we can.
 89 - What's his is yours, remember?
 90 - Do it for the liquefied face of G.I. Joe.
 91 - I can't think of a more fitting way
 92 - to honor the real American hero.
 93 - You're welcome, big guy.
 94 - - What's this for? - No reason.
 95 - I was just thinking about you
 96 - and how we've been through a lot together.
 97 - No, we haven't.
 98 - Oh, he gave you shoes.
 99 - What do you say, Red?
 100 - What the hell is wrong with you?
 101 - Or we say, "Thank you very much."
 102 - Well.
 103 - Don't you think it's a little odd for a man
 104 - to give another man a pair of shoes?
 105 - I saw them. I thought they'd go nice with your tan pants.
 106 - Quit thinking about my pants.
 107 - My legs and what covers them is my business.
 108 - He's very sensitive about his legs.
 109 - You know, he shouldn't be. They're shapely like a lady dancer.
 110 - Maybe that's why he's so sensitive.
 111 - Oh, finally. I've been waiting all afternoon. I'm about to burst.
 112 - Hey, man. I'm thinking maybe you should wait out here.

113 - No. No, no, no. Fez, you should see this.
 114 - It's a dream come true.
 115 - Surprise!
 116 - Jackie, what the hell happened to my room?
 117 - I redecorated it.
 118 - Now, if a stranger comes in here,
 119 - he'd never know you were poor.
 120 - Looks like something for a girl.
 121 - - I like it. - Or Fez!
 122 - I can't live like this. I'm getting sick just looking at it.
 123 - Yes. Yes, Steven.
 124 - That sick feeling is your orphan soul coming alive.
 125 - Jackie, just put it all back, okay?
 126 - Make it ugly and dirty like I like it.
 127 - Well, excuse me, for spending all morning
 128 - putting up twinkle lights that are breathtaking,
 129 - pillows as soft as marshmallows,
 130 - and sexy candles that make you feel
 131 - like you're running through a field like Laura freaking Ingalls!
 132 - Okay, okay.
 133 - We came here for a reason.
 134 - Now, should I start and you watch
 135 - or should you start and I watch?
 136 - Either way, I'll be done first.
 137 - So I told Hyde he could watch while Jackie and I do it,
 138 - and then he beat my ass with a twinkle light.
 139 - Where's my van?
 140 - No, I parked it right here.
 141 - Calm down, you probably just lost it again.
 142 - - Where was the last place you had it? - Right here!
 143 - - Somebody stole my van! - That's horrible!
 144 - I left a brand-new bag of Tootsie Rolls in there.
 145 - - Fez! - Okay, okay. It was just half a bag.
 146 - But if you talk to the insurance company,
 147 - just tell them it was a whole bag.
 148 - I finally got Brooke to trust me,
 149 - and if I don't take her to this doctor's appointment, I'm dead.
 150 - - What am I gonna do? - Don't beat yourself up.
 151 - It's only Tootsie Rolls.
 152 - You know, I'm gonna take Red's car.
 153 - I know he's got to hide a key in there somewhere.
 154 - Are you brain-damaged?
 155 - Fez, did you just say, "Are you brain-damaged?"
 156 - and sound exactly like Red?
 157 - Kelso, you know I only do Johnny Carson and Pepe Le Pew.
 158 - Get away from my car.

159 - Your car, my car.
 160 - Aren't we all just driving the same car?
 161 - It's a car called "life."
 162 - How about I drive my foot into this thing called "your ass"?
 163 - A simple "no" would suffice.
 164 - Shoes are an inappropriate gift to give another man.
 165 - Well, what about when you joined the service?
 166 - Another man issued you your boots.
 167 - But then he gave me a gun, so I let it go.
 168 - Well, why don't you just accept the shoes
 169 - because Bob is your friend?
 170 - You don't understand how men work.
 171 - We don't give each other presents.
 172 - We pretty much ignore each other
 173 - until someone scores a touchdown.
 174 - You should listen to me. I know how to be a friend,
 175 - and you obviously don't, since you don't have any.
 176 - I have plenty of friends.
 177 - Charlie's a friend. He saved my life during the war.
 178 - And when is the last time you talked to Charlie?
 179 - We said all we needed to say on the boat back home.
 180 - I don't believe this.
 181 - This is crazy.
 182 - Not bad!
 183 - It feels so good
 184 - Nice.
 185 - You lying here next to me
 186 - So soft.
 187 - So smooth.
 188 - You have no idea how it feels
 189 - My hands just won't keep still
 190 - Oh, yeah!
 191 - Isn't this amazing?
 192 - Is it called Mount Hump because people come here to hump?
 193 - Or do people come here to hump because it's called Mount Hump?
 194 - Like the chicken or the egg.
 195 - Well, I have a really good feeling about this place.
 196 - Donna, there are panties in the grass.
 197 - Well, Fez collects panties.
 198 - So we could just set him loose up here before the ceremony.
 199 - It's so quiet and peaceful.
 200 - Can't hear anything.
 201 - Actually, I hear a car.
 202 - Oh, man! Some poor sucker just totally got into an accident.
 203 - Your chariot has arrived, my lady.
 204 - What happened to your van?

205 - Yeah, a little problem with the van.
 206 - I can't find it.
 207 - Michael, people lose keys to a van, not the whole van.
 208 - Now I'm going to miss my doctor's appointment.
 209 - Look, Brooke, this is not my fault.
 210 - You're right, it's my fault for depending on you.
 211 - Okay, okay. I can fix this, okay?
 212 - Just hop on the handle bars and I'll pedal you there.
 213 - Hello! I'm pregnant.
 214 - Okay, fine. You pedal and I'll ride.
 215 - Oh, look.
 216 - Here you are with all your friends.
 217 - - Kitty. - No, no, no.
 218 - You claim to have all these friends.
 219 - Here are last year's Christmas cards.
 220 - Fifty-six are for me, four for you.
 221 - Kitty, the card from the Jose Cuervo collector's club doesn't count.
 222 - Fine, I can afford to throw this one away because I have 55 more,
 223 - but I will keep this because it has a coupon in it.
 224 - Anyway, it doesn't matter because I'm keeping the shoes.
 225 - A good shoe is a good shoe, no matter where it comes from.
 226 - Oh, it's like I'm walking on a pile of baby ducks.
 227 - Well, hello there, Senor Fancy Sheets.
 228 - I love the way Jackie decorated your room.
 229 - It's all glittery
 230 - like an Italian person lives there.
 231 - You let your girlfriend decorate your room?
 232 - She also buy you a new dress?
 233 - Yeah, I guess I have a lot to answer for.
 234 - Then again, I never accepted a pair of shoes from another man.
 235 - I knew it was a weird gift.
 236 - Kitty said it wasn't.
 237 - They're nice. Steven, tell him they're nice.
 238 - No, I can't do it.
 239 - Although, you know what? Maybe she's right.
 240 - Maybe you should keep the shoes and get Bob a present in return.
 241 - Like a necklace.
 242 - Or some sexy lingerie.
 243 - Man, poor Kelso's van.
 244 - I mean, when it finally landed, it didn't so much crash
 245 - as completely separate into its basic elements
 246 - and just return to nature.
 247 - It was so sad.
 248 - There were Tootsie Rolls everywhere.
 249 - Guys, took a nap in my room.
 250 - My goose-down duvet is like a cocoon.

251 - I lay down a caterpillar and woke up a butterfly.
 252 - Maybe you with your room and Red with his shoes
 253 - should get a room and decorate it with Red's shoes. Burn!
 254 - Man, you just don't understand what it's like to have a bed
 255 - that hugs you like you're a little baby.
 256 - It's like crawling into a mommy kangaroo.
 257 - I miss my kangaroo.
 258 - Remember when I said that he should decorate his room with Red's shoes?
 259 - Burn!
 260 - Hyde's in trouble.
 261 - She took it all down.
 262 - Did you just scream like a girl?
 263 - No.
 264 - What happened to my lavender-scented candle?
 265 - Did you just say "What happened to my lavender-scented candle?"
 266 - No.
 267 - Oh, okay. So I made appointments
 268 - with all the doctors in your address book
 269 - because I didn't know which one was the "'woo-woo" doctor.
 270 - You know what? Stay out of my stuff.
 271 - I'll take care of things myself
 272 - 'cause you obviously aren't responsible enough
 273 - to handle it.
 274 - Oh, Kelso, you're here. Um...
 275 - Hey, can I borrow your van for a little experiment?
 276 - No.
 277 - Oh, I thought you were gonna say yes.
 278 - Oh, my God.
 279 - - Is that my steering wheel? - It's the biggest piece I could find.
 280 - Listen, Kelso, I am so sorry. I...
 281 - I took the van to Mount Hump,
 282 - and I forgot to set the parking brake
 283 - and I'm just really sorry.
 284 - The horn doesn't honk any more.
 285 - Look, you know, at first it seemed okay
 286 - because you melted my G.I. Joe,
 287 - but I mean it's not as bad as destroying a van.
 288 - So I don't... I don't know why I just said that.
 289 - - I don't know what to say. - Well, I do.
 290 - You know, I called Michael irresponsible, but he's not.
 291 - You are. You're an irresponsible, twitchy little man.
 292 - Okay, please. Just don't bump me with that thing.
 293 - Okay, wait. If he's irresponsible,
 294 - that means I'm the good one.
 295 - I'm the good one now!
 296 - Yeah, he's obviously the dumb one of your group.

297 - Yeah, he really is.
 298 - Red Forman, don't you dare throw those shoes away.
 299 - I just can't keep them, Kitty.
 300 - Every time I wear them, I'll feel Bob touching my feet.
 301 - Are you throwing away my shoes?
 302 - No, no. No, no. He's not throwing away your shoes.
 303 - He is getting rid of that pesky new shoe smell
 304 - by rubbing old food on them.
 305 - I'm throwing them away, Bob.
 306 - Look, I appreciate the thought.
 307 - No, well, that's not true.
 308 - I mean, shoes are a weird gift to give another man.
 309 - I mean, what's next? A weekend in Cancun?
 310 - Okay, fine. I bought the shoes for myself, but they pinch my toes,
 311 - so I decided to pawn them off on you as a gift.
 312 - You were just trying to screw me over?
 313 - Well, I can respect that.
 314 - Thanks for the shoes, Bob.
 315 - See, I have a friend.
 316 - No, no. This is not the way friends act.
 317 - He was gonna throw away your present, Bob.
 318 - Come on, Kitty. I gave him shoes.
 319 - That's weird.
 320 - I'm surprised you didn't punch me in the face right then.
 321 - I almost did.
 322 - Jackie, what the hell? Why did you take everything down?
 323 - You said, "Take everything down."
 324 - - Well, you didn't have to. - You said, "You have to."
 325 - - I didn't mean it. - You said, "I mean it."
 326 - - Look, just put it all back. - Not until you admit you loved it.
 327 - Jackie, who cares who's right or wrong here?
 328 - Isn't the important thing that you make me happy?
 329 - Who are you talking to? Do you even know me?
 330 - Fine, I loved it.
 331 - And?
 332 - The twinkle lights were breathtaking.
 333 - And?
 334 - The scented candles made me feel like Laura Ingalls.
 335 - All right, that's it.
 336 - We need to find another place to get married.
 337 - I just wrote out, "You are cordially invited to Mount Hump."
 338 - And I died a little inside.
 339 - Well, then, I guess we should also rule out
 340 - the scenic banks of Nipple Creek.
 341 - Where is Michael?
 342 - You know, whenever he tells me he has a surprise for me,

343 - it makes me a little nervous.
 344 - Oh, it's probably just because the last time he said that to you,
 345 - you got pregnant.
 346 - So what do you think?
 347 - I think Barbie's probably worried sick
 348 - that her convertible's missing.
 349 - I thought you were getting another van.
 350 - Oh, so did I, but then I saw this baby down at the police auction
 351 - and I knew it was destined to be mine.
 352 - Well, hey, man. Can I give you some money?
 353 - No, it was pretty cheap. Some guy got stabbed in it.
 354 - So nobody else bid on it. It's pretty sweet, huh?
 355 - It's freaking awesome!
 356 - Is it the car or are you more handsome?
 357 - It's the car.
 358 - And I'm more handsome.
 359 - Michael, don't you think it's a little impractical?
 360 - Impractical? More like, imperfectible.
 361 - I mean, this thing is totally baby-friendly.
 362 - Remind me again how it's baby-friendly?
 363 - 'Cause it's tiny just like a baby.
 364 - Barbie, you are gross, but I still love you.
 365 - Really? Even though my face has melted off?
 366 - Yes.
 367 - But your perfect plastic boobs
 368 - remain untouched jewels.
 369 - Oh! Can my twin sister watch?
 370 - Why just watch? There's plenty of Joe to go around.
 371 - I didn't see you.

2.12 Episode 12: Sally Simpson

1 - Hey, guys.
 2 - This is my co-cadet at the Police Academy, Suzy Simpson.
 3 - Simpson, these are my friends.
 4 - Take a good look, 'cause you'll probably be arresting
 5 - some of them in the future.
 6 - You're right!
 7 - This one looks like the guy in the "What Drugs Can Do to You" filmstrip.
 8 - So you're a cop, huh?
 9 - You don't look like a cop.
 10 - You look kind of giggly.
 11 - All right, Simpson needed to give me a ride home,
 12 - 'cause I sprayed myself with mace to see what it'd feel like.
 13 - Hey, so, Suzy, which Charlie's Angel is your favorite?
 14 - The brainy one? The sporty one?

15 - Or the one that just can't find a bra?
16 - Mine's the one that just can't find a bra.
17 - Charlie's Angels are an embarrassment to the badge.
18 - No real cop would last a day dressed like those sluts.
19 - Hey! Those sluts are my heroes!
20 - Hey, thanks for giving me a ride, Simpson.
21 - We back up our own.
22 - Point Place Police Corps Free Safe Streets!
23 - What's her problem with Charlie's Angels?
24 - Ugh, I bet she watches PBS.
25 - So you and Simpson been friends for almost two days now, huh?
26 - Isn't it about time you got her pregnant?
27 - No! It's different with me and Simpson.
28 - For the first time ever, I have a girl that's just a friend.
29 - Like, when Simpson talks, I actually listen
30 - instead of watching her boobs go up and down.
31 - Kelso. You've finally gotten past the stage
32 - where you have to look at every woman's chest.
33 - Congratulations.
34 - Not exactly. I'm looking at yours right now.
35 - And may I say, congratulations to you.
36 - You're such a perv.
37 - And thank you.
38 - Oh, hey.
39 - What took you guys so long at the heart doctor's?
40 - Oh, let me guess. You had to call in a specialist
41 - just to find Dad's tiny heart.
42 - You know, we could call in a specialist to find my foot in your ass.
43 - "We're going to need an ass-foot-ologist, stat."
44 - Your father's blood pressure is still high,
45 - and the doctor can't figure out why.
46 - So he wants to send some moron over
47 - to find the source of my stress.
48 - And I said, "The source of my stress
49 - "is when you quacks try to pad my medical bill."
50 - And then the machine went "Beep", and the appointment was over.
51 - You know, I don't know what you're so worried about.
52 - They're just going to blame me.
53 - Shrinks love to blame the wife.
54 - What do they know? They're barely doctors.
55 - A stuffed animal and a box of tissues could do their job.
56 - Why is Red so stressed?
57 - It's a mystery.
58 - Just like when Nancy Drew had to figure out
59 - why the man in the clock tower was so mean to his cat.
60 - What did she find out?

61 - Oh, I don't know, books are too long.
62 - Hanging out
63 - Down the street
64 - The same old thing
65 - We did last week
66 - Not a thing to do
67 - But talk to you
68 - We're all all right
69 - We're all all right
70 - Hello, Wisconsin!
71 - Hi! I'm the stress management specialist, Stuart
72 - - Sutcliffe. - Sutcliffe!
73 - You played tight end for the Packers!
74 - Yeah, till I bent my knee sideways.
75 - Actually, that happened to me in the school musical.
76 - I was a dancing mushroom.
77 - Anyway, long story short...
78 - I finished the number.
79 - This is my son, Eric.
80 - Oh, oh,
81 - and I am his loving, relaxing wife, Kitty.
82 - How about that.
83 - A real, live Packer in the house.
84 - Well, I hope the fact that you both love sports
85 - doesn't mean that anyone, like, say, his wife
86 - would be judged unfairly. I mean, I love sports, so...
87 - So don't start me off with four strikes
88 - in the last quarter of the Super Series!
89 - No, no. Today I'm just a neutral observer
90 - with a degree in Family Therapy and Alcohol Awareness.
91 - So, Dad, you can talk to him about sports,
92 - and, Mom, you can talk to him about drinking.
93 - Oh, pooh!
94 - I was instructed by the doctor to have the occasional medicinal cocktail.
95 - I have a note.
96 - Red, how do you feel about Kitty's drinking?
97 - Makes things easier.
98 - But drinking often adds a lot of stress to a household.
99 - If you will excuse me, I'd rather not stay here and listen to you blame me.
100 - Mother hater!
101 - Well, I hope nobody minds if I record today's session.
102 - Yay, this is your lucky day, son.
103 - They say the camera adds 15 pounds.
104 - Really?
105 - I heard it also adds a full head of hair.
106 - Hey, Kitty. You busy?

107 - No. Red and I are just having our marriage dissected
 108 - by a teetotaling know-it-all!
 109 - Oh. Then is now a good time to tell Red I broke his chainsaw?
 110 - No, he'll be furious with you.
 111 - Yes. He will be furious with you!
 112 - Come with me.
 113 - So then, all the mushrooms jitterbug.
 114 - Stuart, Stuart.
 115 - This is Bob, the stress causer.
 116 - Bob broke Red's chainsaw.
 117 - Bob, meet Stuart. Stuart, blame Bob.
 118 - Red, how do you feel about Bob?
 119 - Does he cause you stress?
 120 - Not really. Bob's just kind of goofy.
 121 - Like a cartoon. Like living next to Elmer Fudd.
 122 - That may be the nicest thing you've ever said about me.
 123 - You wascal.
 124 - Oh, so, fine.
 125 - Now you're best friends. Now everyone's all happy,
 126 - and I look like the crazy one,
 127 - just yelling and screaming in the middle of the living room.
 128 - Well, I am not the crazy one,
 129 - even though I am yelling and screaming in the middle of the living room!
 130 - Is that a camera?
 131 - Yes. I'm recording today's session.
 132 - Well, isn't that just something I didn't know.
 133 - Michael. We got issued our cop sunglasses.
 134 - I've been using them to scare the crap out of civilians all day.
 135 - Drop the records, punk!
 136 - I wasn't stealing them.
 137 - Yes, I was.
 138 - Fez, this is Suzy Simpson. She and I are training to be cops.
 139 - Oh, if there's more like you at the Police Academy,
 140 - that Academy deserves an award.
 141 - Academy Award, that's funny.
 142 - Yeah, Simpson's wanted to be a cop for, like, forever.
 143 - Yeah, it's because of the weapons, mostly.
 144 - I love things that make a lot of noise.
 145 - Guns and boys.
 146 - Well, then, load me up, baby, 'cause I'm ready to go bang.
 147 - Well, I'd better go. I've gotta stop at the candy store.
 148 - - All right. - Wait.
 149 - You like candy?
 150 - Yeah. I'm out of Good Plenty.
 151 - It says on the box that there's plenty,
 152 - - but it's never enough. - But it's never enough.

153 - Jinx! One, two, three, four, five, you owe me a Coke!
 154 - That is the woman I've been searching for my whole life.
 155 - Hey, do you want me to see if she likes you?
 156 - Kelso, we've been down that road.
 157 - Just give me her address, some binoculars,
 158 - and I'll handle the rest myself.
 159 - Now, while we're filming,
 160 - let's just pretend the camera's not even here.
 161 - Now, you're going to interact, I'm going to write down my observations.
 162 - While you're writing down stuff,
 163 - would you mind autographing this football?
 164 - It's brand-new, kid never touched it.
 165 - Hey, what's going on?
 166 - Dude, we're on TV.
 167 - Does this thing work?
 168 - Hey, Steven, point it at me.
 169 - Good morning, Dallas!
 170 - I'm Jackie Sunshine with your morning weather!
 171 - It is going to be sunny today,
 172 - so you ladies who let yourselves go this winter, stay inside
 173 - and leave the fellows to us pretty girls.
 174 - Please stop touching my camera.
 175 - Well, what a lovely day here
 176 - in the household of the Formans.
 177 - I can't say there's a place I'd rather be
 178 - than with these kinds of people in this kind of place.
 179 - What are you,
 180 - Scarlett O'Hara, now?
 181 - I am being soft and gracious. Now, clam it!
 182 - Mom, you know, they have talkies now.
 183 - Oh, forget it.
 184 - I give up. Where is the off button on this thing?
 185 - Mrs. Forman, I need to see things as they happen!
 186 - This silly... Oopsie!
 187 - All right, you clock this lady doing 38 in a 35 zone.
 188 - Recite it and write it.
 189 - License and registration, ma'am.
 190 - Use the glasses, they're powerful.
 191 - It's like a gun you wear on your face.
 192 - Licence and registration, ma'am.
 193 - Oh, that felt good.
 194 - Guess what?
 195 - I know someone who likes you
 196 - and thinks that you're cute and smart and funny.
 197 - Well, I think I know who you're talking about
 198 - and I like him, too.

199 - Well, what do you like about him?
 200 - I like how hot he looks sitting across from me
 201 - in a blue t-shirt eating a hot dog.
 202 - You just described me.
 203 - Oh, crap.
 204 - Man, I thought Simpson was different.
 205 - She's supposed to just be my buddy.
 206 - Now I'm going to have to sleep with her.
 207 - No, Michael, no. Set her up with Fez.
 208 - He's the one who likes her.
 209 - Yeah, Fez needs something, man.
 210 - The guy's so desperate,
 211 - he's been rubbing himself around the couch like a cat.
 212 - What you need to do is put them together in a romantic situation.
 213 - Suzy may not like Fez at first,
 214 - but he won't take "No" for an answer.
 215 - He's like one freaky, horny little dude.
 216 - Just ask the couch.
 217 - Hey, I was thinking maybe tomorrow
 218 - you could help me brush up on my target practice.
 219 - It's a date.
 220 - Yeah, I'd be there, you'd be there...
 221 - On a date.
 222 - So, I'll see you at the shooting range.
 223 - For our date.
 224 - Your first date with Suzy's all set up,
 225 - and she told me that she's crazy about you.
 226 - Well, I'd like to say I'm surprised,
 227 - but I'm a little crazy about me, too!
 228 - Well, it's all set.
 229 - Fez is going on a date with Suzy,
 230 - who's going on a date with me, and doesn't know
 231 - she's going on a date with Fez.
 232 - I'm ready for our date, Michael.
 233 - I'm ready for our date, Suzy.
 234 - - Oh, yeah. - Oh, yeah.
 235 - Such a shame you won't be able to film anymore.
 236 - Look, there's one last exercise I want to try.
 237 - Role-playing. All right, go.
 238 - All right. Now, you're going to be Eric.
 239 - Eric, you're going to be your father.
 240 - Mr. Forman, you can start.
 241 - Well...
 242 - I'm just a skinny, smart-mouthed kid
 243 - who always has something to say about everything.
 244 - And I wish I was an octopus

245 - so I could put eight feet in eight different asses!
 246 - Star Wars, Star Wars, Star Wars!
 247 - Dead commies, dead commies, dead commies!
 248 - All right, time out, time out!
 249 - I think I know what the problem is.
 250 - All right, fine. I drink a little.
 251 - What?
 252 - I have a very difficult job, and I come home at night, and, well...
 253 - Drinks are her nightly reward.
 254 - Mrs. Forman,
 255 - I believe the source of your husband's stress is...
 256 - Oh, here it comes.
 257 - ...your son.
 258 - - Him? - Me?
 259 - It's not me? Oh, boy!
 260 - You think my problem is my own son?
 261 - My son is a fine young man.
 262 - - Wow, Dad, you don't have... - Shut up, dumb ass.
 263 - You know less about my family than you do about football!
 264 - Which isn't saying much,
 265 - since you dropped every pass that came near you!
 266 - And let me tell you something else.
 267 - When a real Packer hurts his leg,
 268 - he stuffs his kneecap back in and keeps on running!
 269 - That's what this little mushroom would have done.
 270 - I love this place.
 271 - The sweet smell of gunpowder,
 272 - the deafening boom of shotgun blasts...
 273 - Oops. That kind of talk's more appropriate for the bedroom. I apologize.
 274 - Knock, knock?
 275 - Who's there? Ivan! Ivan who?
 276 - Ivan awful lot of candy for the both of us!
 277 - Fez?
 278 - Well, if it's not me, then there's some lucky bastard who looks just like me.
 279 - Michael, I thought it was just going to be you, me and a box of hot lead!
 280 - Well, it's even better.
 281 - It's you, me and a box of hot Fez.
 282 - Kelso, this wasn't part of the deal.
 283 - What wasn't part of the deal?
 284 - You! So beat it.
 285 - I want her to smell nothing but me.
 286 - Okay.
 287 - You know what, I'm kind of in the way.
 288 - I'm going to go next door,
 289 - and maybe you can show Fez how to shoot.

290 - Try to close the deal before she realizes you're a foreigner.
291 - So, where do we start?
292 - I could rifle through the manual,
293 - but why don't you just give me the bullet points?
294 - Fez, I never joke about guns.
295 - Oh. Shoot.
296 - I have no discipline.
297 - Okay.
298 - You're gonna just take aim
299 - and squeeze gently.
300 - Here, put these on and take a few shots.
301 - I'm just going to go check on Michael so he's not alone.
302 - Cologne?
303 - Oh, yeah, I mixed a bunch of different ones
304 - and, you know, I make my own scent.
305 - Hey, Michael.
306 - Do you want me to hold your shoulders while you shoot,
307 - or maybe square off your thighs?
308 - You know whose thighs need squaring off?
309 - Fez's.
310 - Yeah, bad.
311 - Oh, and by the way,
312 - he also told me that he thinks you're really nice.
313 - Oh, well, he's nice, too.
314 - And now that I can understand some of what he's saying,
315 - he's kind of charming.
316 - Oh, look, a rabbit.
317 - I love animals.
318 - You know who really loves animals?
319 - Fez.
320 - - He does? - Yeah.
321 - The bunny!
322 - I got dinner!
323 - And then my dad actually gave me a compliment.
324 - "My son's a fine young man."
325 - That's, like, the most loving thing he's said to me since he told me that
326 - I could be worse.
327 - Are you sure Red was talking about you?
328 - I mean, I love you, but you are a little high maintenance.
329 - And not in a good way like me.
330 - Remember when it took Red all summer to teach you how to catch a ball
331 - 'cause you were too scared of it?
332 - First, Red had him look at a picture of a ball.
333 - Then he put him in a room with a ball.
334 - And then he moves him closer
335 - until he wasn't screaming being right next to the ball.

336 - What is so scary about a ball?
337 - It's that... People throw it right at you, okay?
338 - I'm sorry about what I did to that poor bunny.
339 - I guess my gun really had a "hare" trigger, huh?
340 - Too soon? Yes, too soon.
341 - Well, I apologize for ruining our first date.
342 - Our first date?
343 - No, I was there on a date with Michael.
344 - What? No, no, he told me we were on a date.
345 - He told me we were on a date.
346 - You and me "we," or he and you "we"?
347 - I think one of us has been lied to.
348 - And the other one, too!
349 - Well, then, you should be very angry, which means
350 - I am, too!
351 - Hey, why don't you two kiss and make up?
352 - Michael, what kind of game are you playing,
353 - inviting me on a date that wasn't with you?
354 - Yeah, I second that, but about her,
355 - and add, "You son of a bitch!"
356 - Okay, look, I have a really good explanation for this.
357 - But I left it at home.
358 - Oh, Dad.
359 - Uh, about what you said to the stress management guy.
360 - I just wanted to say thanks.
361 - Okay, okay. You said it.
362 - We're both embarrassed, now move along.
363 - No, I mean, look, I could be a little less of a smart ass.
364 - And you're my father.
365 - Your life matters to me.
366 - - So, anyway, Dad, I... - Eric,
367 - If you say "I love you," my heart is going to explode.
368 - Ah, kitty, uh, what's for dinner?
369 - Well, the camera's off,
370 - so I'm having a margarita with salt.
371 - You two are on your own.
372 - Kelso.
373 - So, this is where you go after a hard day of screwing me over!
374 - All right, look, Fez, I'm really sorry.
375 - Zip it, fool!
376 - You stole my girl.
377 - And I really need a girl.
378 - Here, Fez.
379 - You're probably going to want some personal time with the couch.
380 - I even plumped up the pillows for you.
381 - No, I cannot be in the same room with him.

382 - You and I are through.
 383 - Now good day.
 384 - But, Fez...
 385 - Fez? He said, "But, Fez."
 386 - Oh, I heard him.
 387 - Well, now you're supposed to say...
 388 - "I say good day."
 389 - Yeah, and then we all know that you're really mad,
 390 - but eventually, you'll get over it.
 391 - Oh, you'd like that.
 392 - "Dance, monkey, dance."
 393 - Well, Kelso, this monkey don't dance no more.
 394 - But, Fez...
 395 - I said, "Good day!" Arrrh!
 396 - Wow, Fez, it was so nice of you to make dinner for us.
 397 - Yeah, this is amazing.
 398 - Well, food always tastes better when it's fresh.
 399 - So, what is this, anyway?
 400 - Well, let's just say that the Easter Bunny came early this year,
 401 - so I shot him.

2.13 Episode 13: Won't Get Fooled Again

1 - So, Fez thought he was on a date with Suzy,
 2 - and he shot a rabbit to impress her.
 3 - Doesn't he know he could've just bought her flowers?
 4 - Oh! I would die if you got me flowers.
 5 - You'd be lucky to get a dead rabbit.
 6 - Suzy, why would Fez think you'd like a dead rabbit?
 7 - Are you from the South or something?
 8 - No, I think he did it because he knows that as a cop, I like to spill blood.
 9 - But I wanna hurt people, not animals.
 10 - You know what? This is my fault.
 11 - I never should have told Fez that you liked him when you liked me.
 12 - If only there was something I could do to make him feel better.
 13 - - I have an idea. - Oh, good.
 14 - Kelso's gonna make it worse now.
 15 - No, just let Fez take you to dinner, and then for dessert, do it with him.
 16 - - No way. - Okay, look.
 17 - If you do me this favor, I'll buy you a new gun.
 18 - That would make her a hooker.
 19 - No, hookers do it for money, this would be for a gun.
 20 - Hey, I have standards.
 21 - I mean, if it's sleeping with a suspect to extract some information, fine.
 22 - Or posing as a prostitute for a quickie in the back of a car
 23 - to snare some John, sure.

24 - But, jeez, Michael, what kind of girl do you think I am?
25 - Hello, Suzy.
26 - I'd love to stand here and stare at you until you get uncomfortable,
27 - but I have a relationship to end.
28 - Kelso, here's everything you ever gave me.
29 - I don't want it anymore.
30 - Look, Fez, you don't have to do this.
31 - Yeah, Fez, when you split up with someone,
32 - you don't have to give stuff back.
33 - You wait until they leave the house, take everything they care about
34 - and break the rest.
35 - That way, they have nothing.
36 - Lucky for me, I already have nothing.
37 - Oh, you can have less.
38 - The point is that I don't want anything you gave me.
39 - I never gave you my yo-yo.
40 - So I took it.
41 - And I tangled the string, too.
42 - Let's see you walk the dog now, you son of a bitch.
43 - Are those new birth control pills?
44 - Let the doing it...
45 - commence.
46 - Do you have to do that every time?
47 - Donna, if I had the money, I'd take out an ad in the paper.
48 - Oh, no.
49 - No, no, no, no, no, no.
50 - Never say, "Oh, no," when you're talking about birth control pills.
51 - Anything's better than, "Oh, no."
52 - I forgot to take one.
53 - Except that. Oh, God.
54 - Oh, God. Oh, my God.
55 - One minute, my life's all light and breezy, and the next,
56 - I'm shackled to you and some kid.
57 - Oh, my God.
58 - Oh, my God, my heart is pounding so hard,
59 - like in the cartoons when Daisy Duck sees Donald Duck,
60 - and her heart goes boom, boom!
61 - But that was a happy thing,
62 - and this is 'cause you couldn't keep your dirty hands off me!
63 - Okay, okay, come on, let's... Let's think.
64 - Hey, there's only a couple of times a month
65 - something like this can happen, right?
66 - Maybe there's some kind of time-related loophole.
67 - Hey, did we spring forward or fall back?
68 - When we did it? I don't know.
69 - I don't know what you'd call it, but it's the same every time.

70 - Well, I can't be that bad, Donna. I got you pregnant!
71 - Hanging out
72 - Down the street
73 - The same old thing
74 - We did last week
75 - Not a thing to do
76 - But talk to you
77 - We're all all right
78 - We're all all right
79 - Hello, Wisconsin!
80 - Eric, I can't believe you knocked up a girl, too.
81 - I mean, you lose points for not doing it in a public place,
82 - but, hey, give me five.
83 - Kelso, I don't really think this is a "give me five" moment, okay?
84 - I am really freaked out.
85 - Well, right now, I'm not so much freaked out as starving
86 - and fascinated by your nose.
87 - Yeah, it's perfect.
88 - And you'd be amazed at what I can fit up in there.
89 - But the important thing is that you have responsibilities now.
90 - So, you gotta step up like I did.
91 - Look, if you mean you stepped up on a urinal
92 - to climb out of a window to get away from the girl you got pregnant,
93 - then, yeah, you stepped up.
94 - Still no Fez, huh?
95 - Wow, Kelso, you really must have pissed him off.
96 - He hasn't stayed away this long since he discovered bubble baths.
97 - Yeah, Fez still isn't talking to me.
98 - But I think he's calling,
99 - 'cause every once in a while, I pick up the phone and all I hear is breathing
100 - and the crinkle of a candy being unwrapped.
101 - Man, we are sitting in the circle talking about relationships.
102 - What happened to us?
103 - This stash must be from California.
104 - Oh, hey, Donna.
105 - Any news? Come on, that time of the month.
106 - No, nothing yet.
107 - Oh, God, I'm gonna throw up.
108 - I told you we should have gone to Denny's.
109 - Oh, yeah, Donna, let's not talk about throwing up in front of the customers.
110 - Ma'am, here's your creamed corn.
111 - I got no interest in getting a lady pregnant.
112 - That's why I'm celibate.
113 - I thought it was because no one would do it with you.
114 - Well, that's like a secondary reason.
115 - Look, Donna, we're gonna figure this out, okay?

116 - Hey, you know what? We can ask my mom.
 117 - - She's a nurse. She loves this stuff. - Mmm-mmm.
 118 - Well, at least once a week she gives a talk about her uterus.
 119 - Eric, I don't want your mom to know.
 120 - Donna's right. There's no reason to let too many people know just yet.
 121 - Who have you told so far?
 122 - Well, just my friends
 123 - and this nice couple.
 124 - Okay, look, so I'll just tell you what my mom says, okay?
 125 - Okay, just make sure she doesn't know you're talking about us.
 126 - Tell her you have a friend,
 127 - a Canadian friend, who lives in an igloo so she can't call her.
 128 - Donna, I think I know how to be subtle.
 129 - Mommy, Mommy, Donna might be pregnant!
 130 - Did she trap you? We'll move you away. We won't play her game.
 131 - No. No, it's nothing like that. It's just, I had to tell someone.
 132 - Hey, promise me you won't say anything to Dad.
 133 - Fine, I promise.
 134 - Oh, this is all my fault.
 135 - I should never have been intimate with your father
 136 - while you were in the crib next to the bed.
 137 - Hey, Fez.
 138 - Look, I don't think he wants to make up.
 139 - Well, try anyway.
 140 - I got your back,
 141 - your strong, muscular back.
 142 - Fez, look, I got you some candy
 143 - and a Playboy
 144 - and a six-pack.
 145 - So...
 146 - You can use them in whatever order you want.
 147 - Tell him what they're for.
 148 - In a tense standoff, you need to make the perp think you're on his side,
 149 - even if you're about to put a bullet in his head.
 150 - Don't worry, we're not.
 151 - They're a peace offering.
 152 - Well...
 153 - Look at the American trying to buy his way out of trouble.
 154 - Fez, give Michael a chance.
 155 - You know what? No, Simpson, forget it.
 156 - Fez, you're the one that blew it with Suzy, okay?
 157 - I didn't know you were gonna shoot a defenseless rabbit.
 158 - Well, if you didn't know that, then you never knew me at all.
 159 - Whatever.
 160 - You know what? I don't care if you're mad at me,
 161 - 'cause now I'm mad at you!

162 - Fine! Well, you can keep your stupid gifts, because now I don't want them!

163 - If you must know, it will be this, then this.

164 - So, you knocked up the neighbor girl?

165 - Oh, my God.

166 - You should have been thinking a little more about God

167 - before you got into this mess.

168 - He would've stopped you at first base.

169 - Mom, you promised you wouldn't say anything.

170 - And I didn't, I wrote it down.

171 - So, you're pregnant.

172 - Okay, well...

173 - Okay, we'll move the wedding to next month,

174 - and then nine months later,

175 - we'll tell people the baby came early because you smoked.

176 - No, I don't wanna move the wedding up.

177 - Don't we get a say in this?

178 - Red, say something.

179 - Donna, he's not gonna help us.

180 - Right now he's trying to figure out

181 - how to get both of his feet in both of our asses without leaving his chair.

182 - Stop being weird.

183 - We'll just have to make the best of this.

184 - Besides, with Donna for a mother,

185 - there's a decent chance the kid will be good at sports.

186 - Well, Donna, I think you're too young to be a mother, so here's what we do.

187 - Tell the kid you're his sister,

188 - Midge and I are the parents, and when he turns 18, tell him we lied.

189 - Probably get a good chuckle out of the whole thing.

190 - Eric, a little help.

191 - Okay, you guys...

192 - Okay, whether we're pregnant or not,

193 - - we can run our own lives, okay? - Yeah.

194 - And you know what? It would have been great

195 - if Donna could have had a career, but things change.

196 - So, you know... Fine, so, you'll stay home with the baby.

197 - Whoa.

198 - What?

199 - So, I don't get a career?

200 - Well, you know, you could sell Tupperware or something.

201 - Okay, you can just get bent.

202 - What... Oh, come on, what did I say?

203 - That wasn't so bad, was it?

204 - No, I would love a Tupperware lady in the family.

205 - Oh, hey, Jackie, have you seen Donna? Is she okay?

206 - Well, she wanted me to tell you a secret.
 207 - - Okay. - Ow!
 208 - Hey, guys. Ooh, what stinks out here?
 209 - It must be this big, girl-stealing turd.
 210 - All right, that's it.
 211 - - Let's go. - Oh, I will slap you silly.
 212 - Oh!
 213 - Stop.
 214 - Hey, look, Jackie's right, all right?
 215 - If you guys are gonna fight,
 216 - let's go inside where there's more stuff to hit your head on.
 217 - Come on, you guys, lots of couples fight,
 218 - but there's an easy way to fix this.
 219 - Just decide which one of you is the woman,
 220 - and the other one just apologize.
 221 - No, I don't wanna make up with Kelso.
 222 - I wanna make fun of Kelso.
 223 - Hey, guys, what's up with Kelso? Stupid.
 224 - Hey, guys, what's up with Fez? Foreign.
 225 - Okay, you guys, this is getting pretty lame.
 226 - Let's split into two groups.
 227 - Good idea. Boys and girls.
 228 - - Let's go, Jackie. - What?
 229 - - How you doing, kid? - Fine.
 230 - I don't know.
 231 - Scared.
 232 - Just know that whether you're pregnant or not, you're still my little girl.
 233 - I support you.
 234 - Thanks, Dad.
 235 - But if you are pregnant, don't let Red touch the baby.
 236 - He thinks he's tickling, but he just pokes.
 237 - Trust me, I know from experience.
 238 - Well, Dad, maybe Red wasn't trying to tickle you.
 239 - Maybe he was trying to poke you.
 240 - Why would Red poke me?
 241 - Why would he tickle you?
 242 - Fez, since you're mad at Michael,
 243 - shouldn't you be cutting his head out of those pictures
 244 - instead of your head?
 245 - Well, I can't do that. Have you seen how well he photographs?
 246 - Fez, I can't believe you're gonna let it end this way.
 247 - I always thought you and Michael would make it.
 248 - Well, we look good in public,
 249 - but you weren't there for the bad times.
 250 - Like, he never noticed when I got a new outfit.
 251 - Look, Fez, just do what I did to get over Michael.

252 - Make out with Hyde?
 253 - No, just stop thinking about him.
 254 - I can't.
 255 - Even The Hub reminds me of him.
 256 - I remember this one day,
 257 - it was the only day The Hub ever had Tater Tots.
 258 - And there was this really big Tater Tot,
 259 - and I'll never forget what Kelso said. He said,
 260 - "That's not a Tater Tot, that's a Tater Giant."
 261 - Oh, how we laughed.
 262 - Fez, Michael took me for granted, too,
 263 - but I found someone better, and so will you.
 264 - Yeah, don't end it all now. You have so much to live for.
 265 - That's what we say when we're trying to talk down a jumper.
 266 - I guess it doesn't really apply here.
 267 - You know, I'm glad Fez is out of my life.
 268 - Always with the mood swings.
 269 - I'd ask what's wrong, and all I'd hear was, "Nothing."
 270 - And then, the minute I wanna watch the game,
 271 - suddenly it's time to talk about our feelings.
 272 - Women.
 273 - Actually, we're talking about a man.
 274 - Oh, you guys are progressive.
 275 - But the thing is, I know I didn't do anything wrong,
 276 - but where am I gonna find another friend like Fez?
 277 - Look, man, there are plenty of other fish in the sea, okay?
 278 - It's like when you and Jackie broke up. It was for the best.
 279 - And after a while, she found someone better.
 280 - Me.
 281 - And since then, I've enjoyed throwing that in your face as often as possible.
 282 - What was your question again?
 283 - Oh, my God, great news!
 284 - Donna's not pregnant.
 285 - She's not talking to me, and she kind of hung up on me,
 286 - but that click and dead silence was the most beautiful sound I ever heard.
 287 - Well, what a relief.
 288 - But you and I are still having a good long talk about the uterus.
 289 - Man, dodged a bullet there, huh?
 290 - Almost had a little... A little dumb ass running around here, huh?
 291 - I'm gonna go throw up now.
 292 - You know, you have been awfully calm about this whole thing.
 293 - You haven't threatened to put a foot in anyone's rear all day.
 294 - Well, I...
 295 - I guess I was kind of looking forward to having a grandkid.
 296 - I mean, since my heart attack, I've realized that life is short,
 297 - and it would be... It would be nice to know my grandkids before I go.

298 - Oh, that's so sweet.
299 - Well, you know, if you're really disappointed,
300 - we could always ask Laurie.
301 - She might have a few kids we don't know about.
302 - Simpson, I'm here. Where is the cat on the trampoline?
303 - Sorry, Michael, there is no cat.
304 - Is there at least a trampoline?
305 - Please, have a seat.
306 - Tater Tots.
307 - You know, the last time The Hub had Tater Tots was when...
308 - Suzy, I got your message. Where's that bouncing kitty?
309 - What's he doing here?
310 - Okay, I've called you here because it's time you two talked things over.
311 - And I've used Tater Tots to recreate one of your happiest times together.
312 - Oh, look, there's a really big one.
313 - That's not a Tater Tot, that's a Tater Giant.
314 - I look at your jumbo Tot and I feel nothing.
315 - I, too, resist your Tot.
316 - Oh, come on.
317 - Michael, Fez is a great guy, he's...
318 - He's loyal and sweet and innocent.
319 - And Fez, Michael's great, too.
320 - He's pure and strong
321 - and more man than I've ever seen in one pair of pants.
322 - Hey, he's not so pure.
323 - He's expecting a baby with another woman.
324 - What?
325 - Well, he's not so innocent. He's married.
326 - What?
327 - Oh, my God, you're both disgusting!
328 - I don't want either one of you.
329 - And you really missed out, because I spent a semester in France,
330 - and I do stuff American girls think is gross.
331 - Whoa, what was that about?
332 - Yeah, she's flipping out 'cause someone she likes
333 - is married or having an illegitimate child.
334 - What's she gonna do when there's real trouble?
335 - - Yeah, we're better off without her. - Yeah.
336 - Wait. We?
337 - Ah.
338 - I guess I've missed you.
339 - Really? Man, 'cause I've missed you, too.
340 - Well, I wasn't trying to steal her. I wanted her to be with you.
341 - That's okay, I'd rather have my friend back anyway.
342 - Do you wanna...
343 - I do if you do.

344 - I do.
 345 - Reunited and it feels so good
 346 - Reunited 'cause we understood
 347 - There's one perfect fit
 348 - And, sugar, this one is it
 349 - We both are so excited
 350 - 'Cause we're reunited, hey, hey
 351 - We are so lucky.
 352 - I mean, it's obvious we're not ready to be parents.
 353 - What would we do?
 354 - Hey, anything you want.
 355 - And by the way, when I said you could sell Tupperware,
 356 - that was just, like, code for,
 357 - "You could be President of the United States."
 358 - I don't believe you, but I'm too relieved to be mad.
 359 - I'll probably bring it up when we're having a fight about something else.
 360 - Listen, Donna, all I know is we can never make this mistake again.
 361 - Yeah, don't worry, I think we learned our lesson.
 362 - Hurry up, Donna, you're... You're cutting into your foreplay time.
 363 - One second.
 364 - - Oh, no! - What, what?
 365 - Just kidding.
 366 - That's not funny, Donna.
 367 - I can't even do it now.
 368 - Yes, I can.
 369 - What would a French girl do that an American girl would think is gross?
 370 - It could be anything. They eat snails.
 371 - Hey, maybe it's foot stuff.
 372 - Foot stuff? What would you do to a foot?
 373 - I don't know, like,
 374 - lick it or something?
 375 - What is wrong with you?
 376 - What are you, some kind of foot-licker?
 377 - No! I wouldn't lick. I would get licked.
 378 - Oh, God! Why did I say that?

2.14 Episode 14: Baby Don't You Do It

1 - It's been, like, an hour
 2 - and my dad is still upstairs talking to your folks.
 3 - Our pregnancy scare must have really freaked them out.
 4 - Yeah, well, that's because "pregnancy"
 5 - is one of the scariest words in the English language.
 6 - Right after "monster" and "broccoli."
 7 - Well, I'm not pregnant.
 8 - Everything's fine, so I'm sure our parents will calm down soon.

9 - Hey, fornicators, upstairs!
 10 - Oh, God, we're dead. You know what?
 11 - None of this would have happened if you hadn't insisted on sleeping with me.
 12 - I insisted?
 13 - You wouldn't give me my wallet back.
 14 - Look, we're in this together.
 15 - You were there, too.
 16 - Or was I?
 17 - The Jedi mind trick doesn't work in real life, dink.
 18 - Or does it?
 19 - Oh, hey, what's shaking, gang?
 20 - Certainly not Donna's belly from being pregnant, right?
 21 - You're not funny, you're a sinner.
 22 - Now, sit.
 23 - We have decided that you two need premarital counseling at church.
 24 - Premarital? Counseling? Church?
 25 - Why am I talking like a Speak Spell?
 26 - Dad, you think this is a good idea?
 27 - No. I suggested we get him fixed like a dog.
 28 - Counseling can be extremely beneficial.
 29 - I knew two boys who were about to marry their sweethearts.
 30 - One boy went to counseling and one didn't.
 31 - And the one who didn't go to counseling died.
 32 - I'll tell you, if Midge and I had counseling,
 33 - it might have saved our marriage.
 34 - Of course, not sleeping with degenerates from the pool hall
 35 - would have helped, too.
 36 - So, you want us to go to counseling?
 37 - Mom, where do you even come up with this stuff?
 38 - It wasn't my idea.
 39 - Steven was thoughtful enough to suggest it.
 40 - You're welcome.
 41 - Hanging out
 42 - Down the street
 43 - The same old thing
 44 - We did last week
 45 - Not a thing to do
 46 - But talk to you
 47 - We're all all right
 48 - We're all all right
 49 - Hello, Wisconsin!
 50 - Okay, you guys, this church counseling idea is really crappy.
 51 - Would you listen to the language on this kid?
 52 - What he needs is church, and lots of it.
 53 - You know, Eric, you may not think that you need counseling,

54 - but maybe Donna does.
 55 - No, she doesn't.
 56 - Well, actually, I think counseling might help us
 57 - work through some of our issues before we get married.
 58 - We don't have issues.
 59 - - Yes, we do. Do. - No, we don't. Don't.
 60 - Okay, see?
 61 - You don't do the "do, don't" if you don't have issues, which you do.
 62 - Okay, Dad, how can you think this is a good idea?
 63 - You always say to take care of family business at home.
 64 - I am taking care of business at home.
 65 - Because if you two don't do this,
 66 - do you know what it's going to be like living with your mother?
 67 - Just more of a delight every day, is what.
 68 - Well, come on, Eric. We'll learn stuff about each other.
 69 - For instance, what if one day I get a high-paying job in California?
 70 - - Will you move? - Whoa.
 71 - Why can't I get the high-paying job?
 72 - Okay, what if you get a high-paying job? Will I move?
 73 - No, who am I kidding? I'm not getting a high-paying job.
 74 - All right, civilians.
 75 - Hide your stashes. Officer-in-training Kelso's back from the Academy.
 76 - I've got to be honest, man.
 77 - Every day you come home with all your fingers,
 78 - I die a little inside.
 79 - Michael, you got another D on a test?
 80 - Is this your fourth D in a row?
 81 - Yeah.
 82 - It's just on the penal code stuff.
 83 - "Criminals have a right to an attorney."
 84 - "Criminals are innocent until proven guilty."
 85 - Just crazy liberal gibberish.
 86 - What are you laughing at?
 87 - He said "penal code."
 88 - Fez, it doesn't mean that.
 89 - It's from the word "penalty." Penal.
 90 - You're like a four-year-old.
 91 - It's a legal term. "Penal."
 92 - It's kind of funny.
 93 - Hey, guys. Hey, Michael.
 94 - How'd your penal code test go?
 95 - I did great. I got another B.
 96 - Oh, that's your fourth B in a row.
 97 - Yeah.
 98 - I'm so proud of you. Can I see it?
 99 - Uh...

100 - You could, but I didn't write anything down
101 - because the test was oral.
102 - Oral test on the penal code!
103 - So, are you free this afternoon?
104 - I thought maybe we could do something.
105 - How about go-carting?
106 - How about putting together a crib?
107 - Does the crib have wheels?
108 - - Yeah. - Then I'm in.
109 - Great. I'll meet you outside.
110 - - Bye, guys. - Bye.
111 - Hey, Michael, how come you told Library Barbie
112 - you got Bs instead of Ds?
113 - Look, some people bring flowers.
114 - Some people buy chocolates.
115 - I lie about my intelligence.
116 - But it's not working.
117 - She's locked up the old funhouse, if you know what I mean.
118 - Michael, no way. She's totally into you.
119 - She changed from clear lip gloss to pink shimmer.
120 - What more does she need to do, shout "I love you" from the rooftops?
121 - Well, she could give me something besides a kiss on the cheek.
122 - It's like kissing your cousin.
123 - Oh, the cousin kiss.
124 - The sexiest of all relative kisses.
125 - Right above big-breasted aunt
126 - and sleepy grandma.
127 - Did you just say, "sleepy grandma"?
128 - You telling me you kiss your grandma?
129 - Not my grandma, a grandma.
130 - Sick bastard.
131 - I've got to say, I'm excited about marriage counseling.
132 - I'm looking forward to hearing from a third party that I'm right about everything.
133 - Oh, and I want my marriage to Eric to be magical.
134 - I know how you could do that.
135 - Marry someone besides Eric.
136 - Hey, I'll see you guys later.
137 - I got someplace I really need to be.
138 - Hey, guys, sorry I'm late.
139 - Had someplace I really needed to be.
140 - Okay, so get this.
141 - I don't want counseling, Donna does.
142 - So we're going.
143 - I'll tell you, ever since we got engaged, she's been treating me like
144 - some kind of child.

145 - Oh, where's my toy surprise?
 146 - Kelso, watch it with that gun, man.
 147 - Oh, relax, Eric. It's not a gun, it's a flare gun.
 148 - Yeah, tomorrow's Flare Day at the Academy,
 149 - so we're learning how to use these.
 150 - Besides, they're totally safe. All they do is shoot balls of fire.
 151 - Kelso, I don't think you should be playing with fire when we're all...
 152 - Never mind.
 153 - Man, I've got to stop hitting two circles in one day.
 154 - I could swear I just saw a ball of fire shoot through this room.
 155 - Zowie!
 156 - Okay, so what brings you to counseling?
 157 - A firm tug on the old ball and chain, if you know what I mean.
 158 - What Eric is trying to say is
 159 - we wanted to talk to someone about the pitfalls of marriage.
 160 - And we have some little issues.
 161 - For example, Eric sometimes likes to talk too much about Star Wars.
 162 - I understand.
 163 - You do?
 164 - See, this is great.
 165 - Yeah, Star Wars is the greatest movie of all time.
 166 - It's hard not to talk about Star Wars.
 167 - Wow! This is great!
 168 - Oh. Oh, no.
 169 - I can't believe you've seen Star Wars!
 170 - Well, I like to stay current with pop culture
 171 - so that I can connect with the youth I counsel.
 172 - Say, how about that disco?
 173 - Disco kind of blows.
 174 - I agree.
 175 - Blow on, disco. Blow on.
 176 - Can we get back to me and Eric, please?
 177 - Because sometimes I feel like we're racing toward this wedding,
 178 - and we're not even enjoying it as much as we could be.
 179 - Hmm, I see.
 180 - Like in Star Wars,
 181 - when Luke, much like the two of you,
 182 - wasn't the pilot of his own future.
 183 - But he was a great pilot.
 184 - - He used to bull's-eye womp rats... In his T-16 back home!
 185 - I should be marrying you.
 186 - I thought this was a counseling session, not a dork-off.
 187 - I'm sorry, Donna.
 188 - Okay, look, instead of talking about what worries you about marriage,
 189 - let's talk about what excites you about marriage.
 190 - Oh. Okay, well...

191 - Hmm. That's weird. I can't really think of anything.
 192 - You can't think of anything?
 193 - Well, hang on. Give me a second.
 194 - Nope. Nothing.
 195 - Well, one thing young newlyweds usually get excited about,
 196 - and that's having sexual relations for the first time.
 197 - I'm sure you're both looking forward to that.
 198 - - Oh... - Yeah, that's...
 199 - Unless, of course, you've already had sex.
 200 - Premarital sex.
 201 - - What? - Huh?
 202 - Pre-what-ital-who?
 203 - I mean, come on, look at me.
 204 - Do I look like some guy who's had sex? I mean... Ugh! Right?
 205 - You're seeing pictures of what's left
 206 - of the Point Place Police Academy auditorium, where a fire broke out today.
 207 - I hope Kelso's okay.
 208 - Yeah, I know he was there 'cause today was Flare Day.
 209 - Today was Flare Day!
 210 - Hey, what's up?
 211 - Okay, fine. I was at the Academy when the auditorium burnt down,
 212 - but it totally wasn't my fault.
 213 - See, I got there early to practice with my flare gun
 214 - 'cause I wanted to show Brooke an actual B for a change.
 215 - Okay, so far, 0216 - All right, so I accidentally shot off a flare, and it went all...
 217 - Like, right underneath the bleachers.
 218 - Well, we've just jumped up to about 60219 - Okay, so then I shot off another flare at the first flare
 220 - 'cause you know what they say. You've got to fight fire with fire.
 221 - Yeah, this is now, like, 99222 - So then I shot off another flare to warn people about the fire.
 223 - But that one just went right up and on the roof,
 224 - and that's when I just got the hell out of there.
 225 - *5?ForPete'ssakes,Goddoesn'tdriveaCadillac.*

 232 - *Soheretheyare,EricFormanandDonnaPinciotti.*
 233 - *Pleasestand.*
 234 - *Oh,look,it'sEricandDonna.*
 235 - *Dideveryoneknowthey'revirgins?*

236 – *I think I want to be a virgin, too.*
 237 – *Hey, everyone, I'm a virgin!*
 238 – *Well, I said it, so it must be true.*
 239 – *Okay, I know this seems really bad, but I got a really simple way to fix this.*
 240 – *Just start going to a different church.*
 241 – *Hey, how about that one where they sing more and let you marry, like, six people?*
 242 – *Hey, Red, tell me the story about how Eric and Donna had to*
 243 – *stand up in front of the whole church and pretend to be virgins.*
 244 – *Once upon a time, two dumbasses went to church*
 245 – *and brought shame upon their entire family.*
 246 – *And their father had to hear about it the whole damn car ride home!*
 247 – *That is a great story.*
 248 – *It's scary, but it's funny, too.*
 249 – *What I don't understand is how you can lie to a pastor in church.*
 250 – *Well, Mrs. Forman, what about the time you lied to Pastor Dan?*
 251 – *You told him your dog ate your baked sale cookies,*
 252 – *but you didn't bake them 'cause you were too busy sipping Kahlua*
 253 – *and watching that Paul Newman retrospective.*
 254 – *I did not lie to Pastor Dan in church.*
 255 – *I lied to him at the market,*
 256 – *and at the market, he is just a regular man.*
 257 – *Now, you two march back to church and tell him the truth.*
 258 – *And for your information, Donna, Kahlua is barely a drink.*
 259 – *It's like root beer.*
 260 – *So I can't believe the Police Academy caught fire. What happened?*
 261 – *Huge mystery.*
 262 – *Like, what part of the cow is the hot dog?*
 263 – *Maybe Kelso's just too traumatized to remember.*
 264 – *I think he needs help filling in the blanks, like...*
 265 – *"The fire was started with a 'blank' gun*
 266 – *"by a 'blanking' idiot named 'blank' – O."*
 267 – *Hey, Brooke, could you wait outside for a minute?*
 268 – *Mrs. Forman has this rule that there's only...*
 269 – *One, two, three, four...*
 270 – *Five people in the kitchen at one time.*
 271 – *– Well, there are five people here. – That's why you need to leave.*
 272 – *– But you said no more than five. – Right.*
 273 – *– But I'm number five. – Exactly.*
 274 – *– So I'll just wait outside, then? – Attagirl.*
 275 – *Hey, Jackie, I suspect Kelso hasn't told Brooke*
 276 – *that he burned down the Police Academy.*
 277 – *Interesting. I suspect you're right, Steven.*
 278 – *Fez, what do you think?*
 279 – *I think I smell cookies.*
 280 – *All right, fine, so I haven't told her.*
 281 – *But the only reason she likes me is 'cause I'm doing well at the Academy.*

282 – *Michael, you can't start a relationship based on a hug lie.*
 283 – *You have to start off fresh, and then gently sprinkle in the lies as you go along.*
 284 – *A relationship is like a cookie*
 285 – *and the lies are the tasty chocolate chips.*
 286 – *Where are the cookies, damn it?*
 287 – *Okay, what did you want to tell me?*
 288 – *Well, you see, Pastor Dan, when we were here before*
 289 – *and you had asked us about premarital sex,*
 290 – *we might have...*
 291 – *We lied, okay?*
 292 – *We have had sex zillion so many times.*
 293 – *I used to try to keep track on a pad, but it got unwieldy. Oh, God.*
 294 – *Eric!*
 295 – *Well, I'm sorry, Donna,*
 296 – *but we are knocking on hell's door, and I ain't going in!*
 297 – *Eric, you're not going to hell.*
 298 – *Well, you might be. I don't know you that well.*
 299 – *I just think you're depriving yourselves of that wonderful moment*
 300 – *when marriage is cemented*
 301 – *by giving the gift of yourselves.*
 302 – *Wow. I never thought about it that way.*
 303 – *Maybe that's why you couldn't figure out the whole excitement about marriage.*
 304 – *The one thing you should have been looking forward to,*
 305 – *you had already experienced.*
 306 – *Maybe you knew that without realizing it.*
 307 – *Um...*
 308 – *I don't mean to bring up Star Wars again...*
 309 – *This is a lot like Luke before he discovered the Force.*
 310 – *Exactly.*
 311 – *And what is the Force in real life?*
 312 – *Wow.*
 313 – *Brooke, I've got to tell you something.*
 314 – *I burnt down the Police Academy auditorium.*
 315 – *See, this flare just got away from me.*
 316 – *And then there was another flare that was on purpose, but a bad idea,*
 317 – *and a final warning flare that I now realize was unnecessary*
 318 – *'cause the fire itself was a pretty big flare.*
 319 – *Well, Michael, I'm glad you were honest with me,*
 320 – *because I kind of have a secret, too.*
 321 – *You have a twin sister that loves threesomes.*
 322 – *No, no.*
 323 – *I've stopped myself from getting close to you*
 324 – *because I didn't know if I could trust you.*
 325 – *I knew you were lying about the Police Academy fire because...*
 326 – *Well, your friend's kind of gave it away in the kitchen.*
 327 – *Also, Fez took me aside today and just told me,*

328 – *and kind of tried to kiss me.*
 329 – *Yeah, he does that.*
 330 – *But you were honest with me, which means I can trust you now.*
 331 – *So, is there anything else you'd like to be honest with me about,*
 332 – *like maybe your test grades?*
 333 – *Yeah.*
 334 – *I didn't get four Bs.*
 335 – *I kind of figured.*
 336 – *I got four As. I just didn't want to brag.*
 337 – *Well, we committed seven mortal sins,*
 338 – *and all we got was a half – an – hour lecture.*
 339 – *Yeah.*
 340 – *But still, I want our wedding day to be special.*
 341 – *You know, something we'll remember forever.*
 342 – *You know what? Whatever it takes.*
 343 – *Which is why I think we shouldn't have sex again until we're remarried.*
 344 – *What? No. What? No.*
 345 – *No, no, no, no, no.*
 346 – *You can't cut me off now. I'm addicted now.*
 347 – *Look, Eric, I know it seems like a crazy idea...*
 348 – *Oh, I see your plan, lady. The first three years are free, huh?*
 349 – *Eric, it'll be great.*
 350 – *When you think about it, it's really similar to Star Wars*
 351 – *and staying pure, just like a Jedi.*
 352 – *There's no such thing as a Jedi. That's just a stupid movie! God!*
 353 – *Last Sunday, we recognized two congregants*
 354 – *for abstaining from sex.*
 355 – *Well, it is my sad duty to report that they were lying!*
 356 – *Tome, to their families, to God himself.*
 357 – *So let us correct a great injustice.*
 358 – *Please stand, Eric Forman and Donna Pinciotti.*
 359 – *Amen.*

2.15 Episode 15: Who Are You

1 - Oh, hey, Donna,
 2 - about this little celibacy kick we're on,
 3 - does that cover quickies because I can be really quick.
 4 - Well, that's why I call you The Flash.
 5 - That's why you call me The Flash?
 6 - I thought it was because I was flashy, like an entertainer.
 7 - Come on, one little one. You can even watch TV.
 8 - Eric, we agreed to hold off until the wedding. It's cleansing.
 9 - No, Donna, giving up cigarettes is cleansing,
 10 - giving up sex is reckless and irresponsible
 11 - and I think it might cause cancer.

12 - Hey, Jackie, I know since you moved in
 13 - we agreed to give each other messages as soon as possible
 14 - and in the spirit of that, your mom called last Tuesday.
 15 - But, what? No, she couldn't call, she's in Mexico.
 16 - They don't have phones there.
 17 - Yeah, they do.
 18 - Why would we give them phones?
 19 - My dad tried to get back in touch with me once.
 20 - Instead of calling, he just left a six-pack in my car.
 21 - - How did you know it was him? - He was passed out on the hood.
 22 - Well, I don't have anything to say to my mom.
 23 - She ditched me three months ago and that's all I need to know.
 24 - Man, that's really sad. It's like a mother and daughter divided.
 25 - So, hey, what about some second base action?
 26 - What did I tell you about talking about the bases, Flash?
 27 - - Donna? - He doesn't know why.
 28 - Jackie, you should cut your mom a break. I think she's charming.
 29 - If she calls again, just tell her I don't wanna see her.
 30 - Well, that's too bad, 'cause I just picked her up from the airport.
 31 - And here I am.
 32 - - Mom! - I love making an entrance.
 33 - - Be a dear and go watch my luggage. - Really? Thanks.
 34 - What are you doing here?
 35 - Who cares? Welcome to my driveway, pretty lady.
 36 - I'm Eric Forman, remember me? Big fan.
 37 - Oh, right. My toy poodle, Snowball, almost killed you when you were six.
 38 - I was 13, but, yeah.
 39 - Ms. Burkhart, Steven Hyde, nice to see you again.
 40 - Just thought I'd let you know that Jackie and I are kind of dating now.
 41 - Didn't you rob our house?
 42 - Well, I was in there a few times at night,
 43 - but I never took anything.
 44 - Ms. Burkhart!
 45 - I thought I saw gorgeous flowing hair on bronze shoulders.
 46 - And I wasn't near a mirror, so I knew it had to be you.
 47 - And I just run where Kelso runs.
 48 - Mom, why are you back?
 49 - It got rainy in Cabo, so I hopped on a plane.
 50 - I wish I was a plane.
 51 - Then she could hop on me.
 52 - - And by hop on me... - Yeah, yeah. We got it, Fez.
 53 - Wait, let me guess, "rainy in Cabo"
 54 - is Spanish for "my rich pilot boyfriend ran out of money."
 55 - Don't be silly. I don't know any Spanish.
 56 - Except for gracias and mas tequila.
 57 - - I just missed you. - Well, I didn't miss you.

58 - And there's the stomp and cry.
 59 - See you guys tomorrow.
 60 - Ms. Burkhart, I know you and Jackie are working through some difficult stuff,
 61 - but may I just say, nice tan.
 62 - Yeah, it really makes everything pop.
 63 - Yeah, I'm popping a little right now.
 64 - Hanging out
 65 - Down the street
 66 - The same old thing
 67 - We did last week
 68 - Not a thing to do
 69 - But talk to you
 70 - We're all all right
 71 - We're all all right
 72 - Hello, Wisconsin!
 73 - Why don't we ever have tea?
 74 - Well, this sounds like the beginning of a wonderful argument.
 75 - Like the stuffing versus mashed potatoes fight.
 76 - That turned into, "Why don't I ever take you on vacation?"
 77 - - Why don't you ever take me on vacation? - Oh, crap.
 78 - Ugh! Mr. and Mrs. Forman, I don't know what to do.
 79 - Oh!
 80 - Not this again. Kitty, make it stop.
 81 - Now, be nice, Red.
 82 - Her mom finally came home from her
 83 - cultural tour of Mexico's many fine bars and cantinas.
 84 - Why did she have to go all the way to Mexico to drink all day?
 85 - Why couldn't she be a good mom and just do it at home like you do?
 86 - Well, that's a good question.
 87 - And you need to sit down and talk to her about it.
 88 - You can do it here, with tea.
 89 - - We'll have tea. - No.
 90 - Why does this always happen here?
 91 - We're in a recession, there are vacant lots all over the place.
 92 - Well, you can go stand in a vacant lot.
 93 - We're having a tea party, with crumpets.
 94 - I'll find out what they are and we will have them.
 95 - Okay, but I don't know if I can look my mom in the eye.
 96 - I mean, I never thought I'd say this, but there comes a point
 97 - when a person is too tan.
 98 - Wow, check out this new police academy they're sending me to in Waukegan.
 99 - It's got its own pool.
 100 - Oh, man, if I had known it was gonna be this nice,
 101 - I'd have burned down the old one a lot sooner.
 102 - Kelso, I'm really going to miss you.

103 - Who's gonna take my lunch money and tease me
 104 - and pull down my pants in front of girls?
 105 - I'll be taking over.
 106 - Hey, you're still gonna drive me up there, right?
 107 - Oh, man. Well, Jackie has got this heavy thing with her mom,
 108 - I know she's gonna wanna talk about it a lot.
 109 - So, yeah, I'll drive you.
 110 - Hey, since Donna cut me off
 111 - I took the money that I would have spent on a romantic dinner for two
 112 - and bought me a gross of bottle rockets.
 113 - Take that, Pinciotti.
 114 - Bottle rockets, all right. Fez, start running.
 115 - No, wait, I got a better idea.
 116 - After we drop him off, let's stop off at the dairy farm,
 117 - scare the hell out of some cows.
 118 - Ooh, I love cows.
 119 - They're the one animal I can run faster than.
 120 - No, no, let's go before you drop me off.
 121 - That big spotty one needs an attitude adjustment.
 122 - Hell, man, it's gotta be at night.
 123 - Look, I've launched so much stuff at those cows during the day,
 124 - I swear they recognize my car.
 125 - I can't believe you guys are going without me.
 126 - Those cows will never know what hit them.
 127 - And even after it hits them,
 128 - they still won't know.
 129 - Because they're cows.
 130 - Okay, here. Red. Try this tea.
 131 - It'll make you feel British.
 132 - Mum's the word, Governor.
 133 - Kitty, this is America. We bomb countries that drink tea.
 134 - Well, that's because coffee keeps us awake all night,
 135 - and we wake up in such a bad mood, we have to bomb someone.
 136 - Oh, oh! I bet that's Jackie's mom.
 137 - I still don't think we should get involved in this.
 138 - As far as I'm concerned, this is between Jackie
 139 - and her ditsy lush of a mom.
 140 - Hi, you must be Red. I'm Pam Burkhart.
 141 - It's Pam.
 142 - You made tea.
 143 - - Oh, I love tea. - So do I.
 144 - Wipe your chin, honey, you got some drool.
 145 - Thank you both so much for doing this.
 146 - You know, when you are as beautiful as I am,
 147 - it's hard to know who your real friends are.
 148 - I'm sorry that you have to go through that.

149 - I'm just hoping that Jackie and I figure out a way to get along.
 150 - Well, you've got your low-cut, getting-along sweater on, so...
 151 - I bet that'll help.
 152 - Hi, honey.
 153 - Hi, and by "hi" I mean "not hi,"
 154 - because I'm not talking to you, even though I'm talking now.
 155 - So I'm just gonna stop talking, starting now.
 156 - Dang it, starting now.
 157 - And now.
 158 - This is awkward.
 159 - Why don't I tell a story about something charming I did in Mexico.
 160 - I'd love to hear it.
 161 - Okay, well, there was this woman on a beach in Cozumel,
 162 - and normally I wouldn't talk to someone who had such bad skin.
 163 - But she was selling the cutest hair clips, so, here.
 164 - You know, I'd tell you this doesn't fix anything,
 165 - but I'm not talking to you. Oh, shoot!
 166 - Starting now.
 167 - Yeah, nice try, Mrs. Burkhart.
 168 - Damn, these are cute.
 169 - Look, Jackie, when your father got into trouble, I panicked.
 170 - But that doesn't mean I stopped caring about you.
 171 - Jackie, if you seriously don't want these, can I have them?
 172 - Mom, a good time to tell me you cared about me
 173 - was the day Daddy went to prison.
 174 - Not two months later in a postcard from La Cantina Cucaracha in Guadala-
 jara.
 175 - Isn't it nice to get postcards?
 176 - Okay, fine.
 177 - Jackie, look. I know that you've got hostile feelings towards me,
 178 - but I'm your mother and I love you.
 179 - And I promise I'll never leave you again.
 180 - - I believe her. - Me, too.
 181 - Kelso.
 182 - You leave for the police academy tomorrow,
 183 - shouldn't you be packing gasoline and matches
 184 - so you can burn that one down, too?
 185 - No, I don't need gasoline to burn stuff down.
 186 - All I need is these two hands and a lack of adult supervision.
 187 - Anyway, I'm not going. I decided I didn't wanna be a cop.
 188 - But, Kelso, I thought you wanted to impress the mother of your child
 189 - and give your life a purpose and...
 190 - Pull over girls for speeding while foxy.
 191 - No, I got my reasons.
 192 - I mean, I don't wanna leave when things are going so good for me and
 Brooke.

193 - Plus, blue isn't a very good color for me.
 194 - What, are you crazy? You take blue to a whole new level.
 195 - All right, let's go blast some cows.
 196 - Whoa, all you talk about is being a cop, you haven't focused on anything this hard
 197 - since you thought you heard your name on Led Zeppelin II.
 198 - It's in there.
 199 - In Whole Lotta Love he clearly sings, "Kelso lotta love."
 200 - Kelso, I'm gonna make sure you become a cop.
 201 - Yeah. We're not gonna let you throw your life away.
 202 - I don't care about that.
 203 - Look, I got a few things pending downtown
 204 - and I need someone on the inside.
 205 - Jackie, just go see your mom.
 206 - She chose you over golden sunsets, frozen margaritas...
 207 - Man, why aren't we down there?
 208 - Donna, you don't get her.
 209 - Because you'll never understand
 210 - the intoxicating quality of getting anything you want with your looks.
 211 - Look, she's just here till she finds a new meal ticket.
 212 - I don't believe that for a minute.
 213 - I think she came back to be with you, not to find some lonely rich guy.
 214 - Your mother is a lovely woman.
 215 - Donna, Pam and I are gonna catch a movie.
 216 - It's my first American date in months.
 217 - Your mother is a gold-digging tramp.
 218 - I can't believe my mom is going out with your Bob of a dad.
 219 - What, he's not good enough?
 220 - Ah! So you see it, too.
 221 - Look, I expect her to go after a cool rich guy like
 222 - Jack Nicholson or a Bee Gee.
 223 - Your dad is cheesy and corny like nachos.
 224 - Well, then no wonder your mom is after him.
 225 - - She'll touch anything from Mexico. - Oh, hey!
 226 - You take that back right now or I will pull your hair really hard.
 227 - Oh, yeah.
 228 - Eric, not now.
 229 - Look, I'm sorry, Donna, but you cut me off and I always thought it was lame
 230 - when Kelso said that girl fights were sexy
 231 - but now I can see that he was very right.
 232 - So you, hair pull. You, shirt rip.
 233 - You better go talk to your mom.
 234 - You better go talk to your dad.
 235 - Hmm.
 236 - I overplayed my hand there a little bit.

237 - Hey, come on, buddy. Time to go to cop school.
 238 - - I don't believe this. - I know.
 239 - King-size pillows in a twin-size bed, why didn't I think of that?
 240 - Man, he just split on us.
 241 - Yeah, he's definitely gone. I guess we just leave then.
 242 - That's not fair. You guys made leaving sounds.
 243 - Come on, Kitty, enough with the silent treatment.
 244 - I didn't say that I like tea because Pam is pretty.
 245 - I said that I like tea because you were kind enough
 246 - and courageous enough to open my eyes
 247 - to a whole new world of hot beverages.
 248 - Which is just one of the millions of things that you have done
 249 - to improve my life over all these years.
 250 - So now I'm old.
 251 - Mr. Forman, will you please talk some sense into my dad?
 252 - Last night he went on a date with Jackie's mom.
 253 - Oh, you hear that, Red? Looks like your girlfriend is stepping out.
 254 - Donna, Pam is just what I've been looking for.
 255 - I've loved pretty women and I've loved smart women.
 256 - And I'm going back to pretty.
 257 - Dad, don't you think it's a little suspicious
 258 - that she just got back and she's already latched on to you?
 259 - I'm a very cute man, Donna.
 260 - Bob, this is clearly upsetting Donna. How can you date her?
 261 - Yeah, how can you date her?
 262 - - What does that mean? - What?
 263 - You emphasized "her" like there's something special about "her."
 264 - I just said what you said.
 265 - But you must have missed it,
 266 - because I was on my way outside to mow the lawn.
 267 - Oh, man, I can't believe Donna is serious about this celibacy thing.
 268 - Fez, how do you cope with not getting any?
 269 - I think you know how I cope.
 270 - When you don't see me, I'm coping.
 271 - Hey, he tried to get away again so I had to use his stun gun on him.
 272 - Yeah, it didn't hurt, though.
 273 - Done it to myself so many times, I barely feel it anymore.
 274 - Okay, just get in the car.
 275 - You know, you guys can take me to the academy
 276 - but as soon as you leave, I'm gone.
 277 - All right, Kelso, that's it. I haven't had sex in weeks,
 278 - Fez is in a drought not seen since the Great Dust Bowl.
 279 - We are tightly wound.
 280 - So, you better tell us what your real problem is
 281 - or we're gonna freaking throttle you.
 282 - I will tear you apart like a lion.

283 - Okay, look, I don't wanna tell you guys
 284 - because I'm afraid you're gonna make fun of me.
 285 - Kelso, of course we're gonna make fun of you.
 286 - All right, fine. You know what, it's like I'm going to a new school, okay?
 287 - And I'm worried that I'm not gonna be able to make friends.
 288 - First off, I'm so much better looking than everyone else.
 289 - The only reason you guys are friends with me
 290 - is because you met me before I blossomed.
 291 - Man, you should be worried about something that could actually happen,
 292 - like handcuffing yourself to a horse.
 293 - Look, Kelso, here's the thing,
 294 - you've stolen my stuff and you've burned my stuff.
 295 - You've even groped my stuff.
 296 - But I still hang out with you because you are a great guy.
 297 - Come on, you're Michael Kelso, right?
 298 - You're bullet-proof.
 299 - Yeah, man, you're right. I am bullet-proof.
 300 - - All right, let's get going. - All right.
 301 - Hey, by the way, you're not actually bullet-proof.
 302 - - Where do you think you're going? - To the backyard.
 303 - No, I'm going to the backyard.
 304 - Whatever.
 305 - Don't give me that dirty look and say, "Whatever." That is my thing.
 306 - - Oh, my God. - Hot tub.
 307 - Mom, what are you doing in there with that wet, hairy man?
 308 - And why are you wearing a white swimsuit? It's winter.
 309 - Bobby and I are just having a soak.
 310 - Bobby?
 311 - When did we get a hot tub, Bobby?
 312 - Me and Pammy were out shopping and I saw it so I bought it.
 313 - Even got the good one with the euphoria jet.
 314 - I love it in here.
 315 - If you put salt around the rim it would be like being in a giant margarita.
 316 - Hey, what the hell, right? Yeah.
 317 - I have all this extra money and Pammy here helped me spend some.
 318 - Yeah, that's her specialty.
 319 - You shut up about my mom.
 320 - - Thank you, Jackie. - I wasn't defending you, okay?
 321 - This is just really weird.
 322 - Can you both at least put your hands up where I can see them?
 323 - Enough, all right?
 324 - I like Pam and she likes me. We're both adults.
 325 - So if you two can't handle it, that's too bad.
 326 - Now go inside. You're ruining our soak.
 327 - This soak is over.
 328 - Then we'll go inside.

329 - Dad, are you naked?
 330 - How else am I gonna try the euphoria jet?
 331 - Okay, I know we both have different reasons
 332 - for wanting our parents to stop seeing each other.
 333 - Like, I hate your mom and your mom's a tramp.
 334 - But we have to join forces and do everything we can to break them up.
 335 - Now, I'm with you, Donna.
 336 - All the couples I've broken up before were just training till now.
 337 - This one's not for popularity or to make another girl cry,
 338 - it's for my beautiful mom and your mayonnaise-loving dad.
 339 - - How's it going, girls? - Not good.
 340 - We just saw Bob and Pam in a hot tub.
 341 - - Bob and Pam are in a hot tub? - Pam's in a hot tub?
 342 - There, you did it again and this time you didn't even say, "Bob."
 343 - - Yes, I did. - No, you didn't.
 344 - Yes, I did.
 345 - And you would have heard it, too, if it hadn't been for all that damn tea.
 346 - You know, I fought a war to keep that crap out of this country
 347 - and you had to bring it into my house
 348 - and you call yourself an American. Ha!
 349 - Okay, I'm all set, so...
 350 - - Here I go. - Kelso, you're gonna do great.
 351 - But, hey, just in case,
 352 - I packed some extra cookies in your lunch to help you make friends.
 353 - Oh, I ate the cookies.
 354 - Try to find a friend who likes carrots.
 355 - Okay, well...
 356 - Guess this is it.
 357 - Hey, give those cows hell, boys.
 358 - Hey, Kelso...
 359 - I love you!
 360 - - Shut up. - I love you, too, Kelso!
 361 - - Just quit it. - I love you the most!
 362 - We were just kidding.
 363 - So was I, so was I.
 364 - I can't believe there were no cows, man.
 365 - Yeah, what are we gonna do with all these bottle rockets?
 366 - Fine, I'll be the cow.
 367 - But this time, count all the way to ten.
 368 - You got it buddy.
 369 - - One... - Ten!

2.16 Episode 16: Man with Money

1 - When the shark bites with his teeth, dear
 2 - Ah, you're awfully happy.

3 - We're having a cocktail party. What's not to be happy about?
 4 - Red, the last time we had a party,
 5 - you called the cops and had them tow everyone's car.
 6 - Drunk people looking for their cars, that was funny.
 7 - Oh, you're just giddy because
 8 - Bob's bringing his pretty new girlfriend over.
 9 - Oh, Kitty, don't be ridiculous.
 10 - I'm just happy. Now why do you want to ruin my happiness?
 11 - Because that's what a wife does.
 12 - You know, my dad dating your mom goes against all the laws of nature.
 13 - I mean, you don't see a giraffe with a panda bear.
 14 - You know, my dad being the cute, fuzzy panda bear,
 15 - and your mom being the evil, money-hungry, unnaturally tanned giraffe.
 16 - Well, I've had it with them, too.
 17 - Last night, your dad burped in front of my mom.
 18 - And she laughed, Donna, laughed.
 19 - We are Burkharts.
 20 - We don't burp, and we don't tolerate people who do.
 21 - Hey, everybody. I brought a date.
 22 - Look how tall she is.
 23 - It's like I'm dating the Statue of Liberty.
 24 - Oh, Kitty, I just love coming over to your house.
 25 - You have such unique tastes.
 26 - It's like being in a giant flea market.
 27 - And like at every flea market,
 28 - Bob's gonna leave with the tackiest thing here.
 29 - Pam, come on in. I made your favorite drink.
 30 - Tequila Sunrise.
 31 - Red, always the gentleman. - Yeah, well.
 32 - Red, Red... Honey, where's my favorite drink?
 33 - I didn't know you had a favorite drink, Kitty,
 34 - seeing as how much you like all drinks.
 35 - I'll take a drink, Red. - Beer is in the garage, Bob.
 36 - Mrs. Burkhart!
 37 - That's weird.
 38 - Golly, I didn't know you were dropping by.
 39 - Yeah, you did.
 40 - I told you she was and you said, "Oh, boy, I'm gonna wear my suit."
 41 - Well, I'm sorry, Donna, is there some kind of law against being handsome?
 42 - Because if there is, then...
 43 - Guilty as charged.
 44 - Mrs. Burkhart, when did you get here?
 45 - Is it too much for you people to let me know that we have company?
 46 - One bronzed-up tart in the room
 47 - and all the men turn into a bunch of oversexed fraternity boys.
 48 - Kitty, you're just imagining things.

49 - What's she wearing?
50 - Hanging out
51 - Down the street
52 - The same old thing
53 - We did last week
54 - Not a thing to do
55 - But talk to you
56 - We're all all right
57 - We're all all right
58 - Hello, Wisconsin!
59 - Oh, I cannot believe you kids trying to sneak off with my good gin.
60 - Yeah, I should have known.
61 - She can smell booze from a mile away.
62 - Excuse me?
63 - Oh, I said, you smell like booze from a mile away.
64 - That's worse, dumb ass.
65 - Oh, what a lovely evening.
66 - If I didn't know any better, I'd swear I was with rich people.
67 - Oh, she's got it all, looks and beauty.
68 - Pam, you want another drink?
69 - No, honey, you shouldn't be drinking.
70 - You have a doctor's appointment tomorrow.
71 - He has a heart condition. He's very old.
72 - I never thought I'd say this, but I wish I was Bob.
73 - I wonder if she'd like to watch The Graduate with me some night.
74 - You know, one time, back when I was dating Jackie,
75 - Pam was trying to wash her car, right,
76 - and she leaned over and like squeezed out the sponge.
77 - That's all I remember, 'cause I rode my bike
78 - straight into a tree.
79 - Oh, look at her.
80 - Would you ever want me to show that much leg?
81 - Absolutely not.
82 - And why not?
83 - You set me up.
84 - Jackie, I can't see your mom's hand,
85 - which means it's on my dad's butt.
86 - We have to break them up.
87 - I've been badmouthing Pinciottis for years. I can't be one.
88 - So that's when I realized that tapas sounds a lot like topless.
89 - But I already promised, so...
90 - Hey, Mrs. Burkhart.
91 - Why don't I throw on some music for us to shake our booties to?
92 - Hey, stop acting like an ass in front of the pretty lady.
93 - That's okay, Red. I think he's cute.
94 - Yeah, well. He is my son, you know?

95 - Well, good party.
96 - Good party. When Pam and I were dancing,
97 - she accidentally brushed my butt.
98 - And tell them what happened after that.
99 - Well, then I said, "Hey, you can squeeze my butt anytime."
100 - And then it got really quiet.
101 - And then she walked over to Bob,
102 - and they were talking and pointing at me.
103 - Then you tried to laugh it off and you spit dip up on your shirt.
104 - Then you tried to do that joke
105 - where you scoop the dip off your shirt with the chip, and no one laughed.
106 - And here we are.
107 - You know, there's a lot of talk about Pam.
108 - But, Eric, I still have feelings for your mom.
109 - She comes off all pure, but she's dirty.
110 - Why can't my dad just see that Pam is a total gold digger?
111 - Oh, would you stop saying that?
112 - Hey, either she digs for gold or she doesn't.
113 - It's easy to check.
114 - Are her boots muddy?
115 - Does she carry a pickaxe?
116 - When she comes home does she say, "Tough day at the gold mine"?
117 - No, Fez, a gold digger is what these idiots call a woman
118 - who knows that love eventually wears off, but money is forever.
119 - You guys, all I know is, pretty-tanned lady touched my butt.
120 - And that is more action than I've gotten in weeks.
121 - Keep it up, you'll be having sex with yourself.
122 - I mean, how does Bob pull all these foxes like Midge and Pam?
123 - He's got to have something the ladies can't resist.
124 - Hey, Donna, you ever see your dad naked?
125 - Oh, my God! Can we please talk about anything besides that?
126 - You're way off, Hyde. Women love Bob for his sense of humor.
127 - That sucker is funnier than a Dixie cup.
128 - No. All right, how it works is relationships are based on a point system.
129 - All right, see, Pam is good-looking.
130 - So that's 20 points.
131 - And Bob, he's like the nicest guy in the world.
132 - So that's like, what? Like a point.
133 - But Bob's got money, and that's 19 points.
134 - And altogether that's 20.
135 - Now, you add the whole thing together, and that's 40,
136 - which is incidentally almost half my score.
137 - I don't care what that doctor says.
138 - I'm not wearing this stupid heart monitor.
139 - Makes me look like a damn robot.
140 - Red, I'm sure you won't even know it's there.

141 - It'll only beep if your heart rate goes above normal,
 142 - like when you get agitated, or excited, or extra angry, or extra happy.
 143 - Putting my money on extra angry.
 144 - I bet the damn thing doesn't even work.
 145 - You know what, Red? Your attitude stinks.
 146 - You wouldn't be in this mess if you just listened to me in the first place.
 147 - - Kitty... - I told you to eat
 148 - more fiber in the mornings. I told you to exercise.
 149 - I even told you to wear more comfortable shoes for circulation.
 150 - Did you listen? No.
 151 - So, I guess I'm just gonna keep telling you and telling you and telling you...
 152 - What do you know? It does work.
 153 - Man, I can't believe you guys aren't in Bob's hot tub.
 154 - You know, I feel like Warren Beatty in a movie about a hot tub.
 155 - He's like hot tubbing, then like...
 156 - ...other stuff happens.
 157 - Kelso, just so you know, Bob was in there an hour ago.
 158 - So you are like
 159 - covered in hot bubbly Bob.
 160 - Dad, will you please listen to us?
 161 - We talked about it and we really think you need to break up with Pam.
 162 - - No way. - Open your eyes.
 163 - Everyone can see what a big mistake this is.
 164 - Oh, so everyone here thinks I should just break up with Pam?
 165 - I say stick with her, Bob.
 166 - My only advice is take pictures,
 167 - otherwise no one's gonna believe you.
 168 - Don't listen to him. He grew up poor. He's stupid.
 169 - What do you think, Eric?
 170 - Yeah, Eric.
 171 - What do you think?
 172 - I hope it's the right answer.
 173 - You love that woman for all she's worth, Bob.
 174 - Eric!
 175 - What... What are you gonna do? Cut me off from sex again?
 176 - I agree with Forman, Bob. I think you should keep her.
 177 - I mean, you're you and you're getting me quality girls.
 178 - You're living life Kelso style. Enjoy.
 179 - Oh. I'm so sorry I'm late.
 180 - I locked my keys in the car and I had to use the coat hanger to jimmy the lock.
 181 - I had to reach down in there and I had to shimmy and shimmy and shimmy
 182 - until the darn thing finally popped open.
 183 - Boy, I'm sorry I missed that.
 184 - Yeah, could you act it out for us one more time?

185 - Look, Mom,
 186 - Donna and I decided that you two can't see each other anymore.
 187 - We're your children and we love you,
 188 - but your happiness is much less important than ours.
 189 - Jackie, when your dad went away to jail,
 190 - I decided to do some work on myself.
 191 - Not on the outside, obviously, because, well, come on,
 192 - but on the inside, you know, the part that doesn't matter as much.
 193 - And I realized that
 194 - I need a man who makes me feel good about myself.
 195 - I need you, Bob.
 196 - Oh.
 197 - You know, if an ugly woman said that, it just wouldn't mean as much.
 198 - Man, if this was a movie,
 199 - Pam would pick up Bob and just carry him off to a better life.
 200 - If this were a good movie, Pam would have ended the scene topless.
 201 - Yeah, if this were a great movie,
 202 - they'd have a monkey friend that did all this crazy stuff.
 203 - You know what? You guys were no help. You could have backed us up.
 204 - And you could be sleeping with me.
 205 - People could be doing a lot of things.
 206 - All right, I'm done peeing.
 207 - Hey, could you hand me my clothes?
 208 - Kelso, are you naked?
 209 - No.
 210 - Eric, could you hand me my clothes, please?
 211 - I'm sorry, buddy, I can't hear you over the hot tub.
 212 - Did you hear him, Hyde? - I think so.
 213 - I think he said to take his clothes and run away.
 214 - Oh.
 215 - Guys, guys, come back!
 216 - Well, looks like I'm gonna have to be nude in front of you guys,
 217 - and that's kind of awkward,
 218 - so I think you ladies should nude up.
 219 - Hey.
 220 - Good news, Red.
 221 - I made your favorite lunch.
 222 - Lasagna.
 223 - Thanks.
 224 - Thanks?
 225 - Aren't you excited?
 226 - Let's hear that monitor.
 227 - So, every time you do something nice for me,
 228 - I'm supposed to have a heart attack?
 229 - Well, no.
 230 - Not an attack, just a little episode.

231 - I mean, what does it take to get that beeper going?
232 - Hi, Red.
233 - Wow!
234 - That must be the lasagna kicking in.
235 - Hey.
236 - What do you say we have some more of that lasagna?
237 - Boy, was that delicious.
238 - Oh, can it, Red. When Pam showed up,
239 - your heart monitor went off like a freaking slot machine.
240 - Pam had nothing to do with that thing going off, damn it!
241 - Oh, and look at us now, we're arguing.
242 - Can't even get a beep out of you.
243 - Your son is a jerk.
244 - Come on, I'm gonna prove to you that I'm not attracted to Pam.
245 - Hey, guys.
246 - I think I'm having a war flashback.
247 - I'm messed up, Kitty.
248 - I'm real messed up.
249 - I cannot believe you told my dad to stay with Pam.
250 - She doesn't even like you.
251 - She told my dad you groped her at the party.
252 - Okay, look, Donna. You and Pam obviously have some serious issues.
253 - I think you two should work them out
254 - with a good old-fashioned pillow fight.
255 - Come on, Jackie, I think maybe you should throw on a nightgown
256 - and defend your mom.
257 - You're sick!
258 - And you, you were no help, either.
259 - Hey, I was just agreeing with Forman so he didn't look so bad.
260 - You said it before he did.
261 - Oh, yeah.
262 - What's the big deal?
263 - Bob and Pam are those who want to do
264 - what comes naturally to everybody except me.
265 - So, I say, why can't they get any?
266 - You know, Pam wants to be with my dad now,
267 - but what happens when someone else comes along?
268 - I wouldn't care so much if I could just, you know,
269 - test her with a hotter guy and see if she falls for him.
270 - Because I love you...
271 - I'll do it.
272 - Why would you do it? This is a man's job.
273 - Don't wait up for me, baby.
274 - No, it has to be someone her type.
275 - Well, I know from our time in Mexico
276 - that she has a weakness for young, dark-skinned guys.

277 - I guess I can ask around.
278 - Mmm. That smells delicious.
279 - - What is it? - It's not for you.
280 - You can go look for scraps around the neighborhood
281 - like the rest of the dogs.
282 - Kitty, for the last time, I'm not attracted to Pam.
283 - Please, believe me, as the husband
284 - who has shared your laughter and tears for...
285 - ...many happy years.
286 - How many years, Red?
287 - All of them.
288 - You can't give me a number, can you?
289 - Well, I can tell you on a scale of one to 10,
290 - I love you 10.
291 - That's a number.
292 - Oh, why don't you just take your cardiac jukebox over to Pam's?
293 - Hi, Kitty. Hi, Red.
294 - I thought we'd come over and see if you two wanted to catch a movie.
295 - Why are you staring?
296 - Too pretty for Wisconsin?
297 - I get that a lot.
298 - You shut it off, didn't you?
299 - - No, I did not shut it off. - Let's hustle it up.
300 - I don't want to sit behind people with hats.
301 - Ha!
302 - Look at that, nosy.
303 - It's not Pam, it's Bob, because he annoys me.
304 - That's true. I do.
305 - What are you guys talking about?
306 - Um...
307 - I, um...
308 - I, I, I sort of thought that...
309 - That Red had a crush on you.
310 - Oh, Kitty. I'm sorry.
311 - This face can bring as much trouble as it does joy.
312 - Well, Kitty, what do you have to say for yourself?
313 - It's the menopause.
314 - I'm messed up, Red. I'm real messed up.
315 - Um... Hello.
316 - What are you doing?
317 - I was hired to clean the hot tub.
318 - But you should know that I...
319 - ...perform other services, too.
320 - Well, you could start by doing a better job.
321 - It's still dirty.
322 - Oh!

323 - So, you like it dirty?
324 - - No, I want it clean. - So, you like it filthy?
325 - - Bob! - Whoa, I'm not into that.
326 - No.
327 - Hey, Eric, that was a good burn stealing my clothes.
328 - The laugh's on you, 'cause I borrowed your pants
329 - and I'm not wearing any underwear.
330 - Kelso, just so you know, the last time I wore those pants
331 - I wasn't wearing any underwear.
332 - Ouch, well played.
333 - Where the hell is Fez? He should have been back by now.
334 - I swear, if he touched my mother inappropriately,
335 - he is never borrowing my curling iron again.
336 - Man, first I wanted to be Bob. Now I wish I was Fez.
337 - What the hell is going on this week?
338 - Did you tell Fez to make a move on Pam?
339 - 'Cause if you didn't, I'm gonna box him up
340 - and send him back to banana town.
341 - Okay, I'm sick of those comments.
342 - I don't say I'm gonna send you back to polyester town.
343 - Dad, I'm really sorry.
344 - It was just the only thing we could think of to prove that Pam doesn't,
345 - - you know, really care about you. - Well, guess what?
346 - She does really care about me.
347 - So, you can stop playing these little games,
348 - because Pam makes me happier than I have been in a long time.
349 - And you better accept it soon, 'cause she's here to stay.
350 - That's right, I will have my pretty lady.
351 - This Bob is back.
352 - - Way to go, Bob. - Yeah, Bob.
353 - I love you, man!
354 - Bob, you're just like me.
355 - We give regular guys hope.
356 - You can't leave Pam because...
357 - Because Pam is your Donna.
358 - Steven, am I your Donna?
359 - That doesn't apply to us. We're both good-looking.
360 - Dad, can we at least talk about this?
361 - I'm sorry, Donna. That's the way it's gonna be.
362 - I don't want to talk about it anymore.
363 - Should've known this wasn't gonna work.
364 - Foreigners never finish a job.
365 - Oh, please. If Bob hadn't shown up,
366 - I'd be your step daddy right now.
367 - B-7.
368 - Miss.

369 - Oh, man, how do I keep missing you?
370 - It's 'cause I don't have any boats on there.
371 - - What's that noise? - It's my dad's heart monitor.
372 - - Where's your mom? - She's with him.
373 - Oh, man, take off the beeper! Other people live here!

2.17 Episode 17: Happy Jack

1 - So, that is all for the pictures of my mom
2 - in Cancun when she abandoned me.
3 - Now let's move on to my mom in Acapulco, when she abandoned me.
4 - God, I cannot believe how good your mom looks in a bikini.
5 - I mean, she's approaching, like, "me" territory.
6 - Isn't the bikini a marvelous invention?
7 - Imagine the first Aztec who said,
8 - "I just gotta see some more belly button," you know?
9 - Yeah, the Mexicans are such a resourceful people.
10 - Eric, don't be so stupid.
11 - Everyone knows the French invented the bikini.
12 - The Mexicans just added on the top 'cause they're Catholic.
13 - Another good example of religion dividing instead of uniting.
14 - Does anyone want a soda?
15 - - Yeah. - Please.
16 - And FYI, if God wanted Mexican women to wear tops,
17 - he wouldn't have created tequila.
18 - Where the hell is Eric with our sodas?
19 - Eric!
20 - Maybe he ran home. He's kind of a mama's boy.
21 - Eric? Oh, my God!
22 - I'm busy!
23 - Oh, my God!
24 - Ew. Was he going to the bathroom?
25 - No!
26 - Hanging out
27 - Down the street
28 - The same old thing
29 - We did last week
30 - Not a thing to do
31 - But talk to you
32 - We're all all right
33 - We're all all right
34 - Hello, Wisconsin!
35 - Okay, okay.
36 - Okay, something happened.
37 - And I think it's safe to say that it was certainly in the area of horrific.
38 - Like war,

39 - or when my mom sings Do You Think I'm Sexy?
 40 - While she vacuums.
 41 - What happened?
 42 - Well, we all know that as a young man in the prime of his life,
 43 - I have some needs.
 44 - Amen, brother.
 45 - Wait a minute. This is the prime of your life?
 46 - You live at home with your mommy
 47 - and you have to wear a nametag at work.
 48 - Anyway...
 49 - Today, at the house of the woman that I was
 50 - theoretically going to marry,
 51 - I had some needs that I felt it necessary
 52 - to take care of right then and there.
 53 - In her house?
 54 - Why don't you just do it at the bus station
 55 - like the other degenerates?
 56 - It's... I... You know, I don't know.
 57 - There I was, there the bathroom was.
 58 - It was like two trains passing in the night.
 59 - That's beautiful.
 60 - You know, it kind of was.
 61 - And then Donna walked in.
 62 - - Oh, my God! - She didn't!
 63 - I can't believe we're going to visit Kelso at the Police Academy this weekend.
 64 - We're going to miss the best part,
 65 - when he makes the whole thing worse.
 66 - How could I make this worse?
 67 - I don't know.
 68 - Man, it seems impossible, but you always find a way.
 69 - You're like The Little Engine Who Could of screwing yourself.
 70 - You know what?
 71 - This is Donna's fault with her, you know,
 72 - "No more sex till we're married" crap.
 73 - You guys have no idea how hard it's been to have no sex at all.
 74 - Yeah, it must be horrible.
 75 - Seriously, you guys, what do I do now?
 76 - I say you've got to pull a Nixon.
 77 - Deny, deny, deny.
 78 - No, you just need a good story.
 79 - Whenever I get caught, I just tell people that I'm checking for ticks.
 80 - Fez, how many times have you been caught?
 81 - Oh, come on, I'm not stopping just because a doorknob turns.
 82 - Ooh, man, look at these jokers.
 83 - I can't believe this is who Kelso hangs out with now.
 84 - If he doesn't dunk one of these heads in a toilet bowl,

85 - I'm buying him a skirt.
86 - Fellows.
87 - It's good to see you boys.
88 - - What the hell is that? - Oh, the 'stache.
89 - Yeah, it's coming in nice, huh?
90 - That's why they call the fuzz, "the fuzz". They're covered in fuzz.
91 - Like someone threw paint on the Mona Lisa.
92 - Oh, please, Michael Kelso's a masterpiece.
93 - You know it, I know it.
94 - Yeah, about that.
95 - I'm going by "Mike" now. It's my cop name.
96 - But we call you Kelso.
97 - Yeah, well, I'm going to have to ask you to call me Mike!
98 - As far as the 'stache goes, I like it.
99 - Makes me look like an authority figure.
100 - Makes you look like a porn star.
101 - Either way.
102 - Cadet Mike.
103 - Officer Kennedy, you know my friends, Hyde and Fez.
104 - Yeah, I remember.
105 - But it seems to me their names were Trouble and Maker.
106 - Trouble and Maker. That's clever.
107 - I think it's funny. They put us together and we're troublemakers.
108 - Shut up.
109 - I hope these two delinquents don't interfere
110 - with the progress you've been making here, Mike.
111 - No, sir. Not at all, sir.
112 - Well, we'll see.
113 - I'll have my eye on you. On all of you.
114 - He's a good man.
115 - All right, you're really starting to creep me out.
116 - Help me grab the beer out of the car.
117 - I'm going to drink until that mustache turns into a caterpillar and crawls away.
118 - Sorry, no can do.
119 - I got KP in the a.m. and PT in the p.m.
120 - Well, I don't know what any of that means,
121 - but I came here to drink beer and play with guns, damn it.
122 - Sorry, buddy, but we got lights out at 22 hundskies,
123 - so I'm going to have to ask you to move along to the barracks ASAP.
124 - Did you just call me a sap?
125 - No, ASAP. As soon as possible.
126 - Well, you're a sap right now!
127 - Okay, the thing is, I knew Eric did that,
128 - but knowing and seeing are two very different things.
129 - It's kind of like how I know there are rats under the house.

130 - But you don't want to see the rats diddling themselves in your bathroom.
 131 - Exactly!
 132 - But, Donna, you're missing the whole point here.
 133 - Eric's perverted behavior can be a card you could play for the rest of your life.
 134 - Let's just say you want Eric to buy you a diamond, but he says, "No."
 135 - You just say, "Why, are you busy?"
 136 - Five minutes later, you're Elizabeth Taylor.
 137 - Yeah, I think I need advice from a woman in a relationship not built on blackmail.
 138 - It's called a lesbian, Donna,
 139 - and you're going to have to go to New York for that.
 140 - This afternoon, a cadet named Terry hit on me,
 141 - and it makes me nervous when men with guns like me.
 142 - Fez, Cadet Terry is a woman.
 143 - I know because I saw her putting cover-up on her chin hair.
 144 - Well, then, hello there, Cadet Terry.
 145 - I will sit here,
 146 - but I will not partake.
 147 - What you're doing is illegal, and it could cause my mind
 148 - to drift off its main goal, which is enforcing the law.
 149 - Now, I'd like you both to read some literature.
 150 - In particular, let's take a look at "Be Great and Go Straight."
 151 - I think that one really says it all.
 152 - Hey, do not throw the literature!
 153 - Kelso, the fact that you're now totally lame would make me furious
 154 - if I had the ability to feel anger right now,
 155 - which I thankfully don't.
 156 - I am not lame. I am grown-up.
 157 - And when you grow up, you play by the rules,
 158 - which is why I am getting rid of this.
 159 - What is he doing? What is he doing?
 160 - Don't worry, Fez. He's just screwing around.
 161 - What?
 162 - Baggie!
 163 - Good lord, he has broken you.
 164 - You broke Hyde, you son of a bitch!
 165 - So, do you get what I'm saying?
 166 - I think so.
 167 - He was busy?
 168 - In my house!
 169 - I raised him better than that.
 170 - I know this is weird, but I don't have anyone else to talk to.
 171 - Really, did you call around? I could give you some numbers.
 172 - No, no, no, I'm sorry.
 173 - Okay, you and Eric need to be able to talk about this.

174 - I'm sure it'll be awkward at first, but, well, then...
 175 - I am afraid it's just going to be awkward all the way through.
 176 - So, do you and Red have these kinds of conversations?
 177 - Oh, no, no, no, no.
 178 - No, we don't talk about stuff like this.
 179 - Red can't even be naked in a room with a mirror.
 180 - Right.
 181 - Well, I'm sure Eric and I will be able to talk about this
 182 - like we talk about everything, because that's what you do.
 183 - In an open, mature relationship, you face things head on.
 184 - - Oh, God! - Dirty!
 185 - Kelso, let us in.
 186 - No, you're going to hit me again.
 187 - I'm warning you, I got a C plus in Billy club.
 188 - Just open the door!
 189 - No.
 190 - Damn, it's unlocked.
 191 - I guess I'm going to have to take you out.
 192 - That's a nice move.
 193 - Kelso, just relax.
 194 - Now listen, we went on a walk.
 195 - We realized you're trying to start a new life for yourself here.
 196 - We should be supportive.
 197 - Really?
 198 - Thank you.
 199 - No, thank you, buddy.
 200 - We're going to be great and go straight.
 201 - - You ready? - You bet I am.
 202 - Let's see you do QT in the KP with this, you SOB.
 203 - Morning.
 204 - Well, if it isn't Casanova.
 205 - The man who seduced himself.
 206 - Oh, God.
 207 - All right, hold it, hold it. Come back here.
 208 - Red, be nice. Eric, don't be embarrassed.
 209 - Now, you know that you can talk to us about anything, so come on.
 210 - Let's rap.
 211 - When you were a baby,
 212 - you had your hands down your pants all the time.
 213 - But that's okay, because it's natural.
 214 - Red, tell him it's natural.
 215 - What are you, an animal?
 216 - But why wouldn't you lock the door?
 217 - How could he lock the door when he's in there pawing himself like an animal?
 218 - You know, some people get addicted and can't even hold down a job!

219 - If you can't get someone to do it for you, you do without.
220 - In Korea, I went for two and a half years.
221 - Dad, you were there for three.
222 - What are you, an animal?
223 - Hey.
224 - Oh, hey.
225 - Hey, why did you knock?
226 - You know why I knocked.
227 - Eric, you've been avoiding me all day. Let's just talk about this.
228 - I... There's nothing to talk about.
229 - You obviously thought you saw something that you didn't see.
230 - I was checking for ticks.
231 - - Eric! - Fine, okay, fine.
232 - I got caught. I'm embarrassed.
233 - Let's put this behind us. I love you.
234 - Okay, great. It's behind us. Absolutely.
235 - I said, "I love you."
236 - Mmm-hmm.
237 - Don't you love me, too?
238 - Sure, you know. Whatever.
239 - Can I have a hug?
240 - Fine.
241 - It's just, what got you going at my house?
242 - I mean, we were just sitting around, looking at pictures...
243 - Of Jackie's mom! Jackie's mom got you going?
244 - No! What? No!
245 - Well...
246 - You're an animal!
247 - I can't wait for these guys to see Kelso.
248 - I think I might be giddy.
249 - I know, I feel like it's Christmas morning.
250 - Except, instead of toys, we get to humiliate a close friend.
251 - Hey, Pete. Hey, Doug.
252 - Hey, boys.
253 - Hi, Mike!
254 - Cadet Mike, I suppose you think this is funny?
255 - What?
256 - You have made a mockery of the uniform,
257 - and I want an explanation right now.
258 - Shut up!
259 - Dismissed!
260 - What did you guys do to me?
261 - Did you shave my head?
262 - Is there something on my back?
263 - You know what?
264 - You guys are totally stuck in high school,

265 - and I'm trying to do something better and you guys resent it,
266 - so you're trying to ruin it for me.
267 - Well, you know what? This stuff isn't even funny anymore.
268 - Oh, that's a good burn!
269 - So that's when I was, like, "No, I don't want highlights."
270 - People pay money to get their hair my color,
271 - not the other way around.
272 - Why are we feeding you again?
273 - 'Cause I'm good company.
274 - Look who tore himself away from himself long enough to join us.
275 - Yeah, usually he's too busy for lunch.
276 - All right, both of you stop.
277 - Honey, you washed your hands, right?
278 - Look, Dad, I can't believe I'm going to say this, but...
279 - Can I talk to you in private for a moment?
280 - No, I don't think so.
281 - I know the kind of things you do in private.
282 - - Dad... - Oh, all right.
283 - Just keep your hands where I can see them.
284 - This really isn't getting old.
285 - Okay. So, you know how I do things that are horrible,
286 - and it seems like I can't make them any worse,
287 - and then I do?
288 - Sadly, yes.
289 - Well, I did it again.
290 - Again?
291 - How many bathrooms does that house have?
292 - No!
293 - Not... Not that.
294 - Donna wanted to talk about the horrible thing.
295 - Oh.
296 - They always want to talk about it.
297 - Yeah, well, we talked about it.
298 - And in the course of talking about it, information was revealed
299 - that made it much, much worse.
300 - And that is why you never, ever talk about it.
301 - Have you ever noticed how often I just grunt at your mother?
302 - I know how to talk. I'm not an ape.
303 - Right.
304 - I just choose not to.
305 - Right.
306 - Well, it's too late for that now,
307 - since you screwed up and talked about it.
308 - There's only one thing to do.
309 - Go on the offensive. Counter attack.
310 - What? That's suicide, man.

311 - They'll never expect it. It throws them off.
312 - You know, one time in Korea, we had this little guy outnumbered 20-to-1.
313 - But then he ran at us, screaming his head off.
314 - And we were so taken off guard,
315 - that we dove right into our foxholes.
316 - - And he got away? - No, no.
317 - No, I mean we were startled for a few seconds,
318 - but then the whole company just opened up on him.
319 - Listen up, Donna. I've got something to say.
320 - Okay, but be careful.
321 - Jackie's mom was here earlier.
322 - I don't want you to catch a whiff of her perfume
323 - and have to sexually assault yourself in the hallway.
324 - No, no, no, no. I talk, you listen.
325 - Okay, this is all your fault.
326 - Yeah, do you have any idea what your celibacy thing is doing to me?
327 - My needs have risen to near Fezian levels.
328 - He is a sick bastard, Donna, and now, thanks to you, so am I!
329 - Yeah, that's right, Donna! You created a monster.
330 - I can't leave myself alone!
331 - You know what? You're right. I'm sorry.
332 - You are?
333 - I mean...
334 - Yeah, damn right you are.
335 - No, this has been really hard.
336 - And this celibacy thing was my idea, so...
337 - I need to accept some responsibility for the odd and disgusting things you do.
338 - That's right, you do.
339 - But, you know, next time, be like a normal person.
340 - Go to your room, lock the door, light some candles,
341 - put on some Al Green and make an evening of it.
342 - Wow, Donna, that was really detailed.
343 - It's almost like...
344 - Oh, my God!
345 - You do it, too!
346 - What? No, no!
347 - I'd noticed the candles getting lower,
348 - even though I'd never seen them lit!
349 - All right, this conversation is over!
350 - Wow.
351 - So, this is where it all happens.
352 - So they make an evening of it?
353 - Yeah, candles, music...
354 - God, girls do everything better.
355 - You don't suppose Jackie...

356 - Nah, she wouldn't even go to a self-serve gas station.
357 - What would happen if I walked in during one of their evenings?
358 - Are they like us where, even though we're alone, we welcome a visitor?
359 - Well, yeah. I mean, it's not like they'd rather do it themselves,
360 - when they could have a man do it, right?
361 - - Right. - Yeah.

2.18 Episode 18: Do You Think It's Alright

1 - Hey, Donna, when we register for our wedding,
2 - can we register for a trampoline?
3 - My mom won't let me have a trampoline.
4 - If I'd known about registering when I married Laurie,
5 - I would have registered for a wife who wants to have sex with me.
6 - Eric, you know, people only register for stuff
7 - that's used in serving, eating and clearing of a meal.
8 - Why is it always about eating?
9 - Because marriage signifies the end of trying to be attractive.
10 - Man, registering sucks.
11 - I had to register with Jackie for her sweet sixteen.
12 - Longest five months of my life.
13 - Look, all I know is, you guys are gonna buy whatever wedding present we
tell you,
14 - and none of this all-going-in-on-one-gift crap.
15 - Hey, hey, shut it, huh?
16 - No talk about weddings. Jackie's on her way over.
17 - She's not here now.
18 - She doesn't have to hear the word "wedding."
19 - She can sense that it was said.
20 - I wish I could do that.
21 - I mean, not so much with words,
22 - but so that I could see through people's clothes.
23 - Look, you two start yapping about your wedding,
24 - Jackie gets all, "Steven, when are we getting married?"
25 - Then I have to say we're not getting married,
26 - and then she kicks me in my shins.
27 - From the knees down, I'm like a freaking POW.
28 - No, you have magnificent legs.
29 - I would say W-O-W.
30 - Wow.
31 - May I help...
32 - Oh, it's you.
33 - Hello, Fenton.
34 - You two know each other?
35 - Yeah, this is the weirdo who sold me your ring.
36 - He's probably worn it more than you.

37 - Well, maybe she doesn't want to wear it because it's from you.
 38 - Well, maybe you need to keep your nose out of my business!
 39 - Trust me, your business is the last place I wanna put my nose!
 40 - - I'm sorry, man. I am. - Me, too.
 41 - - We're here to register for our wedding. - Oh, wonderful.
 42 - - And I see we're starting with silverware. - Yes, I like this one.
 43 - No, Eric, the wedding book says we can't pick the first thing we see.
 44 - Oh, well, in that case, yeah, the first one... Eh!
 45 - Second one, whoo-hoo! All right!
 46 - Let's wrap it up, hit the food court.
 47 - Here's a small sampling from our collection.
 48 - Prestige, Exhilaration and, my personal favorite, Brash.
 49 - Oh!
 50 - Well, Fenton, you may be surprised to learn that your personal favorite
 51 - is not our personal favorite.
 52 - But, anyway, we're done.
 53 - No, Eric, the wedding book says that we have to look at all the patterns.
 54 - Today is just a scouting trip.
 55 - Scouting?
 56 - You know, I was asked to resign from the Scouts.
 57 - Look, it's kind of like...
 58 - Okay, remember before we were together and we dated,
 59 - like, all those different people before we decided on each other?
 60 - No, not really. No.
 61 - Eric, come on. This is supposed to be fun.
 62 - Okay, look at the groom in this picture.
 63 - What is the difference between you and him?
 64 - He's a cartoon?
 65 - No, he is smiling.
 66 - Yeah, because he's a cartoon.
 67 - Look, these are all the forks I have here.
 68 - I'll have to bring the rest up from storage. I guess I'll need a forklift. Oh!
 69 - Whoo!
 70 - Oh, I made a funny.
 71 - Well, it's a... It's a good thing we have all day.
 72 - All day? What...
 73 - I'm not spending all day in a department store.
 74 - I'm gonna turn into him.
 75 - Okay, you're not as far away as you think.
 76 - Okay, that's it. I'm going to the sporting goods department.
 77 - Men.
 78 - You can't live with them... Well, you can.
 79 - But you have to keep quiet about it.
 80 - Hanging out
 81 - Down the street
 82 - The same old thing

83 - We did last week
 84 - Not a thing to do
 85 - But talk to you
 86 - We're all all right
 87 - We're all all right
 88 - Hello, Wisconsin!
 89 - Reading another one of your dirty girl books?
 90 - They're not dirty, they're romantic.
 91 - "Mutiny From Behind."
 92 - Yeah. The mutiny sneaks up on her.
 93 - I don't think that's what it means.
 94 - Well, it is a wonderful book. It's got pirates and action. Oh, oh, oh!
 95 - It has this hilarious parrot that says the most inappropriate things.
 96 - "The pirate's vessel slowly sailed into the harbor of San Sebastian island.
 97 - "His saucy prisoner's alabaster breasts heaving with every motion
 98 - "of the tall, rigid ship."
 99 - San Sebastian island.
 100 - I think I killed some commies there.
 101 - I just spent six hours registering for wedding gifts.
 102 - The only reason I'm here now is I pretended to choke on ice cream.
 103 - I'll let you in on a little secret for when you're shopping with women.
 104 - Always pick the ugliest, worst choice, and you're off the hook.
 105 - That's how I got out of shopping for this couch.
 106 - There was an uglier couch than this?
 107 - The one I picked had dragons on it.
 108 - Wow, you're sneaky.
 109 - You know, you act like you're all about brute force,
 110 - but you're a finesse player, man.
 111 - Trust me, son.
 112 - Don't budge until you hear the magic words,
 113 - "Oh, I'll just do it myself."
 114 - You're done registering already?
 115 - You men, you just don't know how to shop.
 116 - You know, your father once tried to get me to buy a couch with dragons
 on it.
 117 - Yeah, I guess I'm just bad at it.
 118 - What do you think of this fork?
 119 - Donna, I think all this stuff is too ordinary for us, you know?
 120 - Let's get something bejeweled.
 121 - Who are you, Liberace?
 122 - Yes, I'm Liberace.
 123 - Eric, this wedding is...
 124 - - Hey, guys. What's up? - Oh, hey.
 125 - We were just talking about slutty cheerleaders in other schools.
 126 - You never want to talk about that.
 127 - Well, I've finally come around, darling.

128 - Are those wedding gift catalogs?
 129 - Damn it.
 130 - - For our wedding, Steven and I... - Jackie, no.
 131 - - Steven, we have to... - No.
 132 - - A good bride and groom... - That's it. You're done.
 133 - Now why didn't someone do that five years ago?
 134 - She used to bite.
 135 - Now this, okay. This is what I'm talking about.
 136 - That's a nice fork.
 137 - Eric, the handle is an actual deer hoof.
 138 - Yeah, that's the Cherokee collection.
 139 - Donna, that's the Indian way.
 140 - They kill the animal, then eat it with its own paw.
 141 - Okay, you know what? I have a new plan.
 142 - I'll just go shopping, and then I'll show you what I pick.
 143 - So I don't get to go at all?
 144 - No. I'll just... I'll just do it myself.
 145 - Yeah, I guess I'm just bad at it.
 146 - "After throwing the evil pirate king overboard,
 147 - "the Duke turned to Lady Daphne,
 148 - "pulled his sword from its sheath and held it erect.
 149 - "Lady Daphne touched it tentatively,
 150 - "and a shudder went through the Duke."
 151 - So you like those books, too, Mr. Red?
 152 - All right, fine. So you know.
 153 - But you tell one person, and so help me God,
 154 - I will chop down whatever tree you live in.
 155 - So I was daydreaming
 156 - during this civil rights lecture at the police academy,
 157 - and I came up with a great idea for an invention, adult strollers.
 158 - Why walk when someone can push you?
 159 - Kelso, that's a wheelchair.
 160 - All right, it's official. Everything's been thought of!
 161 - - All right, what do you think of this fork? - No, no, no.
 162 - You're not gonna rope me into that. Just make Eric do it.
 163 - No, Eric's banned from doing it.
 164 - He actually wanted me to eat dinner with Bambi's foot.
 165 - What is this, the Cherokee collection?
 166 - Oh, well, he picked the ugliest one so you wouldn't make him go shopping.
 167 - It's classic.
 168 - I knew something was fishy. He's terrified of Indians.
 169 - Oh, he's gonna pay for this.
 170 - He thought he had a bad time the other day.
 171 - He doesn't know what a bad time is.
 172 - I am gonna stop having sex with him.
 173 - Oh, crap, I already did that.

174 - All right, look, I hate to sell him out, but the poor kid lacks subtlety.
 175 - He's... Eric's... How do I put... He's a bit of a rube.
 176 - You know, like, a little country.
 177 - A maroon, if you will.
 178 - Kelso, what's your point?
 179 - Well, I'm just saying you could do better. I mean, I'm here, you're here.
 180 - Nobody has to know.
 181 - - Kelso! - Okay, fine, you can tell two friends.
 182 - So I invested 11*in Kelso's adult stroller* idea.
 183 - *I'm going to be a millionaire.*
 184 - *Really? So if I buy one, like, who's gonna push me around?*
 185 - *Trained bears.*
 186 - *Kelso's got it all figured out. I'm just the money man.*
 187 - *Hey, guys, where's Donna?*
 188 - *I found this place that catches your silhouette on your china.*
 189 - *Oh! We are so doing that when we get married.*
 190 - *Steven, people can eat right off my face.*
 191 - *The guess who's coming to dinner.*
 192 - *Jackie, you're driving me insane.*
 193 - *Look, I want you to make me a promise.*
 194 - *You will not talk about weddings or anything wedding - related*
 195 - *in or around the United States.*
 196 - *Fine, I won't talk about weddings or anything wedding - related*
 197 - *in or around the continental United States.*
 198 - *Not the continental United States.*
 199 - *We're talking Hawaii and Alaska, too.*
 200 - *Fine, but if we're ever in Canada, I am going nuts!*
 201 - *Eric, bad news.*
 202 - *Adeejay at the radio station got sick, so I have to cover his shift all week.*
 203 - *I'm not gonna be able to register for wedding gifts.*
 204 - *Oh, no. Well, I guess we'll just have to live*
 205 - *with whatever forks come in the mail, Willy - nilly.*
 206 - *Well, actually, you're gonna have to shop for everything.*
 207 - *Wait, wait, wait. Back up here.*
 208 - *Who are you calling Willy - nilly?*
 209 - *Look, Donna, I can't shop.*
 210 - *I have a horrible taste, remember?*
 211 - *"I guess I'm just bad at it."*
 212 - *You are almost unbelievably bad at it.*
 213 - *And that's why I've decided Jackie will go shopping with you.*
 214 - *Yes!*
 215 - *No, no, no.*
 216 - *You promised Hy that you wouldn't do any more wedding stuff.*
 217 - *Yeah, but there's something about me. Lie.*
 218 - *So today we'll be looking at crystal.*
 219 - *You see how all the different colors intermingle without any judgment?*

220 – *Seethat?*

 269 – *Man, I thought I had this wedding craptaken care of.*
 270 – *Now I gotta go down to the mall.*
 271 – *And Three's Company is about to start.*
 272 – *This day's gone all to hell!*
 273 – *What happened to my favorite blouse?*
 274 – *Alady never talks about what happens in the bedroom.*
 275 – *Ah, looks like Red picked up some tricks from the Duke in Mutiny From Behind.*
 276 – *Here read my dirty girl book?*
 277 – *Yes, I caught him.*
 278 – *Ironically, from behind.*
 279 – *See, Eric, this is the perfect tux for you.*
 280 – *It makes you look like you actually have shoulders.*
 281 – *You know, I do look like I have shoulders.*
 282 – *— Why are you wearing a wedding dress? — Oh, I do this every week.*
 283 – *Come here.*
 284 – *What the hell?*
 285 – *— I cannot believe what I'm seeing. — I know. Look, shoulders.*
 286 – *Eric, this was supposed to be our time.*
 287 – *Donna, wait!*
 288 – *Okay, Steven, I know I promised I wouldn't do any wedding stuff,*
 289 – *and I know you're probably really mad, so just go ahead and yell.*
 290 – *You're beautiful.*
 291 – *Oh, my God.*
 292 – *You like me in a wedding dress,*
 293 – *which means that someday we're gonna get married,*
 294 – *which means that I can talk about it. Oh, Steven!*
 295 – *Okay, I want a spring wedding outside with white doves,*
 296 – *and I want the sun to be setting behind me*
 297 – *so that I have a halo, kind of like an angel.*
 298 – *Oh, and then, wild mustangs can take us to our honeymoon in Hawaii!*
 299 – *Oh, but your family can't come.*
 300 – *Oh, you know what? You can run, but you can't hide!*
 301 – *I know where you live!*
 302 – *Donna, what's the matter?*
 303 – *You picked a deer — foot for k just to get out of shopping with me.*
 304 – *Oh, too obvious, huh?*
 305 – *Yeah, no one wants hairy silverware.*
 306 – *I just don't understand how you could have more fun with Jackie than with me.*
 307 – *I don't know. I mean, you know, she doesn't ask me questions.*
 308 – *She just tells me what to do.*
 309 – *It's a strange kind of freedom,*
 310 – *but I know why the caged bird sings, Donna.*
 311 – *So you're saying the way to handle you is just take away your free will*

312 – *and order you around?*
 313 – *Donna, that's the way I was raised.*
 314 – *Eric, I can't tell you what to do because I don't even know what to do.*
 315 – *I mean, that's why I got that stupid book.*
 316 – *I hate that book. Kelsowasright. Reading just gets you into trouble.*
 317 – *Forks don't matter to me, Eric. I mean, they don't.*
 318 – *They don't.*
 319 – *In 20 years, food's just gonna be a little pill anyway.*
 320 – *Look, let's just do this whole wedding thing our way.*
 321 – *Yes.*
 322 – *What's our way?*
 323 – *I don't know.*
 324 – *Maybe we should ask Jackie.*
 325 – *You're back with that one?*
 326 – *Good luck.*
 327 – *"The Adventures of Lydia and Master Bates."*
 328 – *"Master Bates had lived alone on an island for years,*
 329 – *"with only himself for company."*
 330 – *I should give this one to the foreign kid.*

2.19 Episode 19: Substitute

1 - Yeah, nice.
 2 - So yesterday I'm at this garage sale, I look down, and there it was.
 3 - The Darth Vader action figure with the incredibly rare green light saber.
 4 - How have I not kicked your ass yet?
 5 - - Fore! - Whoa!
 6 - - Watch out! - Parking lot!
 7 - It was just a Pinto.
 8 - Fez, this is Putt-Putt.
 9 - Your choices are putt or putt.
 10 - Hey, what the hell?
 11 - Oh, Forman. Yeah, I should've known it was you guys.
 12 - Most people that come here can't hit the ball that hard
 13 - on account of they're in kindergarten.
 14 - Mitch, congratulations.
 15 - This seems like the perfect job for someone your size,
 16 - what with the free lodging and the little castle on hole six.
 17 - Yeah, there's just enough room in there for me and your mom.
 18 - Yeah, the sweetest burns involve doing it with your mom.
 19 - Look, just quit hitting the ball that hard or you guys are out of here.
 20 - What are you... No.
 21 - God, I hate that guy.
 22 - Tear him a new hole-in-one.
 23 - Wow, Forman, I haven't seen you this pissed
 24 - since I chased you around your house with that spider in a jar.

25 - You were like, "Hyde, I swear to God!"
26 - Then you never did anything.
27 - Yeah? I'm about to do something.
28 - Hanging out
29 - Down the street
30 - The same old thing
31 - We did last week
32 - Not a thing to do
33 - But talk to you
34 - We're all all right
35 - We're all all right
36 - Hello, Wisconsin!
37 - No, I don't know how to do that.
38 - Mitch, I'm so sorry.
39 - What?
40 - I've lost the ability to process language on account of I have a concussion.
41 - There's more bad news.
42 - When you return to the course, you're gonna find that some punk
43 - drew boobs and a butt crack on the clown statue.
44 - And don't try to wash it off 'cause I used permanent marker.
45 - Forman, why are we always fighting?
46 - I can't even remember how we got this way.
47 - I think a chick said that to me once.
48 - No, that was me.
49 - Don't you think that we should be friends?
50 - Okay, well, you...
51 - You're obviously having some kind of reaction to your medications.
52 - We're just gonna go.
53 - You know, Mitch, if you ever want to come hang out in the basement, you know...
54 - Really? Thanks.
55 - I'd smile, but the left side of my face is kind of paralyzed.
56 - Forman, why'd you invite him over?
57 - You were almost out of there and you turned back around.
58 - Look, yeah, Forman,
59 - there's only two times in life that you turn back around,
60 - basketball and runway modeling.
61 - No, and square dancing.
62 - It's called a do-si-do.
63 - Look, Mitch knows I didn't mean it.
64 - Hey, Eric.
65 - Mitch.
66 - I can't believe you got a hold of the Darth Vader with the green light saber.
67 - What? No, no, it's...
68 - What a geek.
69 - Wow, I love this place.

70 - It's not just dinner. It's a thrill ride,
71 - 'cause there's a small chance you're getting knifed.
72 - I don't know, Bob.
73 - I've tried to avoid Asians with weapons ever since 7,000 of them tried to kill me.
74 - Well...
75 - It's thanks to the work of brave men like you
76 - that America's enemies are working here for a minimum wage.
77 - Oh!
78 - Mom, would you please stop playing with his hair?
79 - You don't know where it's been.
80 - I think a good dinnertime policy might be everybody feeds and grooms themselves.
81 - Oh, oh! And speaking of grooming, Pamela,
82 - I noticed that your skirt was torn all the way up to your thigh.
83 - No, I actually bought it this way.
84 - See, most skirts are only slit up to the knee,
85 - but I think people want to see more than that.
86 - Hear, hear!
87 - Here comes the waiter.
88 - I'm glad you're all here to help me celebrate this very special time
89 - with this very special lady.
90 - Oh, Bob, it means a lot to me that you realize how special I am.
91 - I do. That's why I want to ask you to move in with me.
92 - - Oh, my God. - What?
93 - Gosh, Bob, that's really sweet and I'd really love to,
94 - but I'm seeing someone else.
95 - Sorry.
96 - But you'll still come visit, right?
97 - Clowns to the left of me
98 - Jokers to the right, here I am
99 - Stuck in the middle with you
100 - What are you doing?
101 - I'm not touching you.
102 - Well, stop it.
103 - But I'm not touching you.
104 - Well, stop not touching me.
105 - Okay.
106 - Wasn't it better when I wasn't touching you?
107 - Yeah.
108 - They look happy. Why don't we have a game?
109 - Would you stop asking me why don't we have stuff?
110 - "Why don't we have a song?" "Why don't we have a movie?"
111 - We're men.
112 - I thought we were sensitive men.
113 - We're not.

114 - One of us is.
 115 - Shut up!
 116 - And it's not you.
 117 - Well, Mitch, I'll tell you what.
 118 - It's been really fun having you over, but it's almost sundown,
 119 - and we celebrate the Sabbath, so unless you have your...
 120 - Your... Your little beanie,
 121 - then I guess we're gonna have to say adios or shalom, as we say.
 122 - You guys are Jewish?
 123 - I'm Jewish!
 124 - Wow, you are gorgeous.
 125 - Are you kidding me? No, no, no, no, I'm the pretty one. Me.
 126 - You're the hottest redhead since Batgirl.
 127 - And you're not just gorgeous.
 128 - I mean, you radiate intelligence and deep thought, a real sense of self.
 129 - Eric, I like your new friend.
 130 - She's gotta be with you, huh?
 131 - I can't say I haven't tried, my little friend,
 132 - but she's with Eric for now.
 133 - Really?
 134 - Well, what's wrong with her? Is she, like, an alcoholic or a drug addict?
 135 - Yeah. Yeah, she's addicted.
 136 - She needs a daily dose of this guy.
 137 - I just think it's pretty suspicious that after we left the Japanese restaurant
 138 - our Japanese car broke down.
 139 - Hey, buddy.
 140 - Whoa, Eric, you didn't tell me you had an older sister.
 141 - Please, if you're gonna go with fake charm, let's keep it in the realm of
 reality, okay?
 142 - You shut your porky mouth.
 143 - I have the skin of a 25-year-old
 144 - who smokes.
 145 - You know, Mr. Forman, I learned a little about cars from my uncle
 146 - who used to fix tanks in Vietnam.
 147 - Now that's hero's work,
 148 - fixing machines that kill people you don't agree with.
 149 - My only regret is that I haven't had a chance to fight for my country.
 150 - Really?
 151 - Eric's only regret is that he doesn't live in space.
 152 - That's not my only regret.
 153 - It's just one of them.
 154 - Excellent Fruity Pebbles.
 155 - You know, at the police academy they'll only give me corn flakes,
 156 - 'cause they say the sugar gets me too hopped up to carry a weapon.
 157 - I guess what they weren't counting on
 158 - was me taking my weapon home for the weekend.

159 - My poor dad. You know, he's so upset.
 160 - This morning during The Price is Right
 161 - he didn't even yodel along during "Cliffhanger."
 162 - Donna, we wanted them apart, and now they are.
 163 - Look, some things just don't belong together,
 164 - like my mom and your dad, or Michael and a gun.
 165 - No, seriously, how could they give me a gun?
 166 - You don't even sound like you feel bad.
 167 - Donna, this whole thing is your dad's fault.
 168 - Come on, Donna.
 169 - Who asked the woman to move in with him
 170 - after knowing her for such a short time?
 171 - I'll tell you who.
 172 - The same guy who let you move in here after your parents took off
 173 - and you had no place else to go. My dad.
 174 - I mean, you know your mom is wrong and that she hurt my dad,
 175 - who's never been anything but nice to you.
 176 - How can you defend her?
 177 - I pick the pretty one.
 178 - Hey, Dad. How you doing?
 179 - How do you think I'm doing?
 180 - Pam ripped out my heart and stomped on it in shoes I paid for.
 181 - Well, do you want to go down to the pet store and look at puppies?
 182 - You could sing How Much Is that Doggie in the Window?
 183 - And I'll do the "Arf! Arf!" part.
 184 - Nah, I'm gonna watch Love Boat.
 185 - I think the big guy in the shorts is finally gonna nail the girl with the
 clipboard.
 186 - Yeah!
 187 - I'm sorry. That's the sugar.
 188 - My best friend's girlfriend
 189 - Okay, Kelso, truth or dare?
 190 - Truth.
 191 - Have you ever snuck into my bathroom while I was showering?
 192 - I mean, dare.
 193 - You have snuck in there. I was there and I saw you.
 194 - I mean, dare.
 195 - Okay, Steven, truth or dare?
 196 - The truth will be whether or not you love me,
 197 - and the dare will be telling me that you love me.
 198 - Okay.
 199 - Pass.
 200 - Okay, Mitch, truth or dare?
 201 - I pick dare, Mitch.
 202 - Okay, Mitch, I dare you to kiss Donna.
 203 - Mitch, naughty Mitch.

204 - Mitch, you goofball, that's not how it works.
205 - You have to be like, "I dare you to kiss me."
206 - Okay.
207 - What the hell!
208 - He did it!
209 - Look at him go. He's like a hummingbird.
210 - I can't believe Mitch would do that.
211 - He just flew at you like one of the little monkeys from The Wizard of Oz.
212 - I was scared.
213 - Much like you are when you watch The Wizard of Oz.
214 - Okay, look, I don't want Mitch hanging out here anymore.
215 - He was just fooling around. He didn't mean anything by it.
216 - It's like Fez. He's all over me all the time, but it doesn't mean he's after me.
217 - Yes, it does.
218 - From now on, I'll try to be clearer.
219 - Mom, there you are.
220 - How could you do that to Bob?
221 - - Now, honey, Bob will be fine. - No, he won't.
222 - Mom, Bob is a wonderful guy with a huge heart
223 - who only worries about what he could do for other people.
224 - And, yeah, okay, maybe he has an afro.
225 - But sometimes goodness and afros go together.
226 - But, Jackie, the other guy that I'm seeing is a Lincoln dealer.
227 - Oh, my God, Mom, really?
228 - Mom, we could be driving in matching pink...
229 - No, no. Mom, no. No.
230 - Okay, look, I know...
231 - I know that Bob might not be the smoothest or the classiest guy
232 - you've ever dated, but I've learned that doesn't mean he's a bad person.
233 - Ugh, I knew I shouldn't have sent you to public school.
234 - Mom, if you keep thinking this way, you'll always be running
235 - from one place to another looking for something better
236 - instead of just being happy with what you have.
237 - You know what? I guess you have a lot of thinking to do.
238 - You're right. Mas tequila, Hirohito.
239 - I said, "Thinking."
240 - Hello? Is anyone here?
241 - Hyde?
242 - Well, I guess it's time for me and 24 of my collectible action figure friends.
243 - It was a dark time for the Force.
244 - After the Formanian wars,
245 - young Luke Skywalker had to face his most formidable enemy yet.
246 - Darth Vader with the rare and deadlier green light saber.
247 - What? No.
248 - Mitch!

249 - Mitch, these omelets are amazing.
 250 - Well, you know, an omelet's only as beautiful as the person who eats it,
 251 - so, I'd have to say that this omelet has the prettiest red hair I've ever
 seen.
 252 - Thief! He's a thief.
 253 - You stole my Vader action figure.
 254 - You, too?
 255 - I thought Eric was the only one weird enough to play with a doll.
 256 - Action figure.
 257 - You know, it's bad enough you stole a kiss from my girlfriend, but this...
 258 - This has gone too far.
 259 - So my honor is less important than a doll?
 260 - Action figure!
 261 - Now give it back.
 262 - Hold on just a second.
 263 - Now, Mitch, did you or did you not
 264 - put onions in my omelet?
 265 - 'Cause I asked for them, but I didn't see you put them in there.
 266 - Eric, I didn't take your action figure.
 267 - - Doll. - Action figure!
 268 - I wouldn't do that, especially not to a friend.
 269 - What? We're not friends, man.
 270 - We never were. I only invited you over here 'cause I felt bad for you,
 271 - but I don't like you. And guess what? Neither does anyone else.
 272 - Fine.
 273 - I won't bother you guys anymore.
 274 - And somebody needs to flip that in about three minutes!
 275 - Well, that was brutal. I feel bad for the little guy.
 276 - I just wanna put him up on my shoulders and buy him a balloon.
 277 - Eric, how could you?
 278 - Mitch had a lot of good qualities,
 279 - like, for example, he worshiped me.
 280 - I mean, at one point, I thought he was gonna light a fire and dance around
 me.
 281 - Yeah, well, you know what? I was right, okay? He's a thief.
 282 - Eric, were you playing in the bathtub with your little doll?
 283 - Action figure!
 284 - Oh, no.
 285 - In the tub, Forman?
 286 - It is getting really hard to be your friend.
 287 - Okay, I'd like to thank everyone for coming back here with me.
 288 - True, it is the place of my greatest humiliation.
 289 - But the fish is good, the sake's strong,
 290 - and these Japanese people are funny to watch.
 291 - That's the spirit, Dad.
 292 - The slightly offensive spirit.

293 - Well, you know, I think you're lucky to be rid of Pam with her halter tops
 294 - and her tight skirts.
 295 - You know, I've never even seen a panty line on her.
 296 - You know what that means.
 297 - Plus, you're too nice for my mom anyway.
 298 - You know, someday you're gonna make
 299 - a slightly less-attractive woman very happy.
 300 - Hello, Bob.
 301 - No, it's not a beautiful dream, it's really me.
 302 - I've been doing some thinking, Bob,
 303 - and I realized that my priorities are a little mixed up.
 304 - I told her that. That was me. I saved the day!
 305 - It doesn't matter how it happened.
 306 - The important thing is she's back in our lives.
 307 - Anyway, Bob, I realized that you're the man for me.
 308 - I'm sorry, Pam. It's too late.
 309 - I'm completely over you. O-V-E-R. Over.
 310 - - And I want to move in with you. - Here's your key.
 311 - Dad? Are you sure this is a good idea?
 312 - She makes me happy, kitten.
 313 - Fine.
 314 - But I don't want to see, like, any of her panties laying around the house.
 315 - Don't worry. You won't.
 316 - Hey, Mitch.
 317 - Look, I wanted to apologize.
 318 - I thought you stole my Vader, but it turns out I left it in the...
 319 - Hyde stole it.
 320 - Yeah, I guess I was out of line, too.
 321 - I shouldn't have jumped on your girlfriend
 322 - in front of you.
 323 - It's just, you have such a great life.
 324 - And if I never see you or your friends ever again,
 325 - I'm always gonna treasure that time that I spent with Donna.
 326 - Okay, well, then I'll just say goodbye.
 327 - So lonely.
 328 - Hey, Mitch,
 329 - you know, if you ever want to hang out, you know, you're always...
 330 - - You know... - Great. Thanks.
 331 - - Are we gonna do this now? - Yeah, buddy, let's do it!
 332 - - Okay. - All right.
 333 - Hey, so do you think I might have a shot with Donna?
 334 - - Mitch, she's my fiancée. - So that's a maybe.
 335 - Oh, Pamela, hi.
 336 - I just came here to get my scarf.
 337 - Oh! Here it is.
 338 - You thought you lost your scarf. That must have made you nervous.

339 - - Would you like a drink? - Well, it's a little early, but...
340 - It's probably 5:00 somewhere.
341 - Two Saigon Slammers, hold the fruit.
342 - First round's on me.
343 - That's okay. I have a tab.

2.20 Episode 20: Squeezebox

1 - You know, before we decided not to have sex...
2 - You decided.
3 - I'm ready.
4 - Right, I decided.
5 - Movies were just a dark place to fool around
6 - before we went home and did it,
7 - but now we can really watch the movie.
8 - Isn't that great?
9 - It's fabulous.
10 - There's nothing I hate more than the feeling that I'm about to have sex.
11 - Hi.
12 - Hi!
13 - Hey!
14 - Hi!
15 - Okay!
16 - Isn't that the girl who sells Slurpees?
17 - Why is she saying hi to you?
18 - I don't know. It's weird. I've never talked to her before.
19 - I mean, maybe one time I said,
20 - "You're out of spoon straws," but that's it.
21 - Great. Now I have to sit through Kramer vs. Kramer again
22 - with no shot at nookie.
23 - First time we saw it, I said,
24 - "You know, dads can be good parents, too,"
25 - and Donna's shirt just floated off.
26 - What is wrong with me?
27 - A boy's gonna lose his mother, and all I can think about is fooling around.
28 - I am such a dirty girl.
29 - I should be spanked. Oh, stop it!
30 - Screw it. Sneak attack is my only hope.
31 - I'm gonna go with the yawn and grab.
32 - Watch out for my hand, pretty mama, 'cause I'm not really tired.
33 - Oh, God. It's the yawn and grab.
34 - How do I stop him?
35 - Oops.
36 - Oh, sorry.
37 - Oh, come on. It's okay.
38 - Great. Now my lap's covered in hot buttered popcorn.

39 - That's the most action I've gotten in weeks.
 40 - Thanks for helping move Pam into my house, Kitty.
 41 - You know what they say, "Lady number three is a charm."
 42 - You have been so warm and friendly.
 43 - You simply must teach me how to be like that.
 44 - Pam, I'd just like to say on behalf of Fez and myself,
 45 - that it is a privilege and a turn-on to carry your underthings.
 46 - And you don't have to pay me.
 47 - I took a few souvenirs.
 48 - Well, enjoy.
 49 - Red, I'd help you with the boxes, but I don't want to tire myself out.
 50 - I'm gonna be up all night welcoming Pam to the house.
 51 - Okay, see you later. Have fun, close your shades.
 52 - What do we do with these boxes?
 53 - Let's just stick them in there.
 54 - Hi, boys.
 55 - Hanging out
 56 - Down the street
 57 - The same old thing
 58 - We did last week
 59 - Not a thing to do
 60 - But talk to you
 61 - We're all all right
 62 - We're all all right
 63 - Hello, Wisconsin!
 64 - Mitch, what are you doing here?
 65 - I made a peach cobbler for Donna,
 66 - and I forgot to leave it when I was in here last night.
 67 - You weren't in here last night.
 68 - Well, not as far as you know.
 69 - Okay, look, Mitch, I know you're in love with her,
 70 - but it's not gonna work out.
 71 - You're as big as you're gonna get.
 72 - And trust me, okay? Donna's still growing.
 73 - Jackie, we need to talk.
 74 - Eric and I came really close to doing it,
 75 - and I am so jacked up on hormones, I feel like I could jump the first guy I
 see.
 76 - Then look my way, pretty lady.
 77 - Okay, Mitch, you know I love having you around,
 78 - 'cause you say really nice things about me...
 79 - Like how the sun pales in radiance to the beauty of your smile?
 80 - - Yeah, like that. - Yeah.
 81 - But I have to talk to Jackie, and it's girl stuff.
 82 - You're so strong.
 83 - You make me feel like Jessica Lange in King Kong.

84 - Hey, Red. "Hi, boys!"
85 - I could kill you without making a sound.
86 - You know, I'm worried we don't have enough chicken
87 - for dinner tonight.
88 - Do these breasts look big enough?
89 - I'm not comfortable with that question.
90 - - What? - What?
91 - What?
92 - What are you laughing at?
93 - Just life. It's a hoot.
94 - Well, I don't know what's in that orange juice,
95 - but I'm gonna pour myself a glass.
96 - Red, what I want to know is, what did Pam mean...
97 - Not here... Toyota.
98 - This is the only place that's safe.
99 - Look, if I was a single man,
100 - what we saw today
101 - would be like a reward for a lifetime of disappointments.
102 - But I'm not,
103 - so it's just another disappointment.
104 - For you, maybe. I saw them. I don't care who knows it.
105 - You better care,
106 - 'cause if Kitty finds out, I'm taking you down with me.
107 - And when I take people down, they stay down.
108 - Just ask North Korea.
109 - But I have so many questions.
110 - I mean, I've been flashed before,
111 - but it was always followed with either, "Get out!"
112 - Or, "There's a two-drink minimum."
113 - But, "Hi, boys"?
114 - It has me reeling.
115 - Oh! Maybe she was coming on to us.
116 - She wasn't coming on to us.
117 - She was coming on to me.
118 - She heard about my war record.
119 - I'm a hero.
120 - You know why Darth Vader went to the dark side?
121 - He was dating a redhead who wouldn't put out.
122 - So, you are like Darth Vader in the sense that you're not getting any.
123 - But you are not like Darth Vader
124 - in the sense that you are weak and strike fear in no one.
125 - Well, this is certainly one way to spend an afternoon.
126 - You know, I never really got into making models.
127 - Guess I was too busy having sex.
128 - Hey, I don't have sex, and I still don't build models.
129 - I don't have a single model or a single girl. My life is an empty hole.

130 - Hey, nice job.
 131 - You put the force field generators on backwards.
 132 - One photon torpedo and you're space toast.
 133 - Okay, Eric, that's it.
 134 - I think we should have sex.
 135 - - Yes! - No!
 136 - Okay, I'm going crazy not being with you.
 137 - You may not be a strong man, but you read my body like Braille.
 138 - Burn!
 139 - Wait. What's "Braille"?
 140 - You two were awfully quiet at dinner tonight.
 141 - Is there anything I should know about?
 142 - - No. - No.
 143 - - I'll get it. - Me, too.
 144 - Hi, boys.
 145 - Kitty, every time I come to this house
 146 - I'm amazed by how much you've done with so little.
 147 - Here. We brought Kahlua.
 148 - Well, aren't you just an angel sent from after-dinner drink heaven?
 149 - She wanted to get you cookies, but I know how much you like the sauce.
 150 - - Red. - Toyota!
 151 - Did you see that look she just gave us?
 152 - Was that, "Please don't tell anyone you saw my boobs"?
 153 - Or, "Please come over and see my boobs again"?
 154 - Do you have to keep saying that word?
 155 - Let's just call them..."them."
 156 - This is the last time we ever talk about it. From here on out, it never happened.
 157 - - But, Red... - Steven, I have been to war.
 158 - I have seen a lot of things in my life,
 159 - and there were only three things
 160 - that I was gonna keep secret until the day I die.
 161 - This is number four.
 162 - And five.
 163 - Okay, the tractor beam is operational. Don't get too close.
 164 - You really gonna shine your love light on that?
 165 - Well, he's a different person between the sheets.
 166 - What can I say?
 167 - Hey, guys.
 168 - Hey, listen, tomorrow I have this police test on interrogation techniques.
 169 - I was wondering if I could practice on somebody.
 170 - Jackie, how about you?
 171 - Well, no. This is your first time.
 172 - You're gonna need somebody much more spineless than me.
 173 - Try Eric.
 174 - Yeah, that's good thinking.

175 - All right, Mr. Forman,
 176 - if that is indeed your real name,
 177 - what did you do on the day of yesterday?
 178 - You'll never get it out of me, copper. I'm no rat!
 179 - Kelso, what the hell?
 180 - Just relax, Eric. I'm just doing good cop, bad cop.
 181 - That was the bad cop, but he's gone now.
 182 - See, now good cop is here to take care of you.
 183 - Hey, how you doing, buddy?
 184 - It's a real shame about what happened to your model.
 185 - Why don't you tell me what you did yesterday?
 186 - I came home from the restaurant
 187 - and spent six hours building that model!
 188 - Uh, excuse me.
 189 - I'm sorry to interrupt,
 190 - but what about your encounter at the store with the girl who sells Slurpees?
 191 - - What? - What?
 192 - Yeah, you remember.
 193 - She asked why you never call her anymore, and you were like...
 194 - Ooh!
 195 - Wait. Is that the girl from the movies?
 196 - Donna, I'm asking the questions here.
 197 - Is that the girl from the movies?
 198 - What happened to, "I barely know her"?
 199 - What happened to, "I barely know her"?
 200 - Why were you calling her, Eric?
 201 - Why were you calling her, Eric?
 202 - Kelso, will you shut up?
 203 - Oh, yeah, it's getting hot in here, isn't it?
 204 - Look, Donna, maybe I kind of know her.
 205 - Maybe we kind of went out a couple times when you were dating Kelso's
 brother.
 206 - Wait, you got other girls besides Donna to go out with you?
 207 - What is this obsession with the underdog?
 208 - Wait, so the other day at the movies you lied to me?
 209 - Donna, I am the senior officer here.
 210 - So the other day at the movies you lied to me.
 211 - No, I...
 212 - You know, I mean, it was the movies, you know?
 213 - It's all make-believe.
 214 - Okay, you know what? Don't bother coming over tonight.
 215 - My sexual tension has been replaced with another familiar emotion,
 216 - anger at your scrawny ass!
 217 - - No! - Yes!
 218 - Well, good job, Michael.
 219 - You solved one crime and prevented an even bigger one,

220 - Donna having sex with Eric.
 221 - You have the right to remain... Burn!
 222 - I'm just glad I could help the truth be told.
 223 - Yeah, at least someone's being honest around here.
 224 - Mitch, what the hell?
 225 - What? I thought you came off looking great.
 226 - Oh, wait. That was me.
 227 - Everyone, I want to thank you for making me so welcome.
 228 - I feel like the only guest at an inexpensive backwoods hotel.
 229 - Steven, you're so tense.
 230 - Of course he's tense, Mom.
 231 - You're the one who taught me
 232 - that if your man's not tense when you walk into the room,
 233 - that means you're doing something wrong.
 234 - Yeah, that's right. I'm tense because of you.
 235 - 'Cause you're... too pretty.
 236 - Aw!
 237 - Red, I was gonna get you a thank-you gift for helping with the move,
 238 - but then I figured, nah.
 239 - So, thanks.
 240 - Don't mention it, Bob.
 241 - Don't mention anything about that day ever again.
 242 - Why? It was a pretty good day.
 243 - Nothing got broken. Nobody got hurt.
 244 - You two even got to see Pam topless.
 245 - Yeah, first time I saw them I was speechless, too.
 246 - All right.
 247 - I admit that we saw Pam's...
 248 - them.
 249 - But it's not like we planned it.
 250 - Although our timing couldn't have been better.
 251 - I think you mean "worse," Steven.
 252 - No, I'm pretty sure I meant "better."
 253 - Red, how could you?
 254 - Kitty, we just opened the door, and there she was.
 255 - What was I supposed to do, rip the eyes out of my head?
 256 - Don't feel bad, you guys.
 257 - This isn't the first time my body has caused a fight.
 258 - One time I caused a riot on a topless beach in Venezuela.
 259 - Imagine what you saw, only all tanned and oiled.
 260 - Huh!
 261 - She told me to.
 262 - Well, I hate to let the cat out of the bag and then leave,
 263 - but looks like that's exactly what we're gonna do.
 264 - Enjoy your fight.
 265 - I can't believe you saw my mother topless and didn't tell me about it right

away.

266 - What, so every time I see another woman's breasts

267 - I'm supposed to tell you?

268 - Now I know.

269 - I am so mad. I can't even stand to look at you.

270 - And yet you do.

271 - Because your eyes work. You see my problem?

272 - All right. All right. We're going.

273 - I can't believe Eric lied to me about that girl.

274 - I mean, we're getting married. I should know everything about him.

275 - If I have to know that he wore a bathing suit in the tub until he was 12...

276 - Yeah, tell everybody.

277 - I should know who he dated.

278 - That's right, just... Just get it off your chest, Donna.

279 - All the rage and the anger and the clothing.

280 - Hey, hey, hey.

281 - There's only room for one creepy pervert in this group,

282 - and that's me.

283 - Around here, I'm the one who drools over all the ladies.

284 - Well, I don't drool over all the ladies, just Donna.

285 - A specialist, huh?

286 - Okay, we'll try it your way.

287 - Oh, my God. You don't...

288 - You don't think Eric and that girl...

289 - Made sweet emotional love? Yes, I do.

290 - I bought many a Slurpee from her.

291 - And from what I can tell, she'll do it with anyone.

292 - Did she do it with you? - No.

293 - She has way too much self-respect for that.

294 - I am gonna march right in that room and tell my mother

295 - there are consequences to her topless actions.

296 - And that she needs to start wearing pantyhose.

297 - This isn't Las Vegas.

298 - Whoopsy-doosy.

299 - So, then she goes, "Hi, boys."

300 - I mean, that has to be a come-on, right?

301 - I saw this dirty movie once where the plumbers knock on the door,

302 - and the lady answers and she says, "Hi, boys."

303 - After that it was all asses and elbows.

304 - Okay, look, I'm sorry, Hyde.

305 - There's a lot of guys that Pam would choose before you and Red.

306 - All right, it goes me, then Bob,

307 - Fez, then you,

308 - Red, then me again,

309 - then Donna, then Eric.

310 - Okay, Eric, there's something I need to know.

311 - Did you or did you not do it with the Slurpee slut?
312 - - What? - He answered a question with a question.
313 - That means he's guilty.
314 - Now let's ditch him and carry me out of here.
315 - Donna, I did not sleep with her.
316 - Well, you lied to me about her before, so why should I believe you now?
317 - You don't believe me? Fine.
318 - Let me show you what I was doing while you were with Casey.
319 - You're gonna go hide in your bedroom and cry?
320 - Or you gonna try to write another song again?
321 - "Hey, you guys, what rhymes with pain?"
322 - I love that song.
323 - Everyday is like rain when you're in pain.
324 - Okay, Donna.
325 - This is a box full of models
326 - that I made while you were with Casey Kelso.
327 - Look at this, TIE fighters, assault vehicles and troop transports.
328 - All with minor defects in workmanship. Yeah, he made these, all right.
329 - So this is what you did while we were apart?
330 - Oh, my horny nerd boy.
331 - Donna, there's a reason I didn't tell you about her.
332 - She wasn't important.
333 - The whole time we broke up, you know...
334 - You know I never stopped loving you.
335 - Eric.
336 - Hyde, I never stopped loving you, either.
337 - Don't.
338 - I promised myself I wouldn't cry.
339 - You guys better be kidding, or I'm gonna be super pissed.
340 - So, can I suggest that
341 - we honor the age-old tradition of making up after a fight,
342 - not just spiritually,
343 - but physically?
344 - How about a brand-spanking-new tradition
345 - where I buy you a milkshake and a Playboy?
346 - Donna, whoa, I'm insulted.
347 - I do not need a milkshake. Let's go.
348 - What... So they're back together and everything's fine?
349 - That sucks.
350 - See what happens when you specialize?
351 - I can go and make any number of ladies uncomfortable.
352 - What can you do?
353 - What do you think he meant by, "Whoopsy-doosy"?
354 - Not here. Toyota!
355 - I'm so freaked out, Mrs. Forman.
356 - I'm gonna have to sleep with the light on.

357 - What are you two doing out here?
358 - We were just...
359 - Uh-oh!

2.21 Episode 21: 515

1 - - Hey, guys. - Mitch!
2 - I thought I heard a matchbox car pull up.
3 - Yeah, I'm short, and you're shaped like a lollipop.
4 - I'm not in the mood, Forman.
5 - My brother Jack's wedding is tomorrow, and I don't have a date.
6 - Did you try Aly Richards? She'll go anywhere there's cake.
7 - That's how I got her into my car.
8 - But then I ate the cake, and she left.
9 - I'm in a real bind here.
10 - I showed up at the engagement party alone.
11 - My family made so much fun of me.
12 - So I said to myself, 'cause, of course, I was alone,
13 - that I would bring someone sizzling hot with me to the wedding.
14 - Hey, Donna, would you be my date?
15 - Mitch, I don't know what to say.
16 - Let me help you out. "No!"
17 - Donna, if you went with me, I might finally earn some respect from my family.
18 - Let me say this for you one more time in Spanish.
19 - No!
20 - I taught him that.
21 - Eric, you know, it seems harmless.
22 - No, Donna, I'm sorry, but I forbid it.
23 - Oh!
24 - Mitch, I'd love to go.
25 - - Donna, what the hell? - No.
26 - I forbid you to ask me questions about this.
27 - But, Donna...
28 - Let me tell you one more time in Spanish...
29 - Hey, Donna, thanks so much for doing this.
30 - Sure, but, you know, just friends.
31 - You don't get to touch any of this juicy stuff.
32 - No, don't worry. I'll even ask another couple to be, like, chaperones.
33 - Hey, Jackie, do you and Hyde want to go?
34 - I'm in, but I can't ask Steven.
35 - I'm still on probation for tricking him into a ballroom dancing class.
36 - I'll go with you, Jackie, but I warn you, don't drink too much.
37 - I will take advantage.
38 - Hanging out
39 - Down the street

40 - The same old thing
41 - We did last week
42 - Not a thing to do
43 - But talk to you
44 - We're all all right
45 - We're all all right
46 - Hello, Wisconsin!
47 - Ah! I can't believe you finally sprung for cable TV.
48 - Wasn't it you who said, "I'd rather kiss Ho Chi Minh than pay for TV"?
49 - Well, your mother and I are running out of things to talk about,
50 - so I thought the extra 20 channels might help fill in the gaps.
51 - Wait a second. Cable guy left? He forgot to hook up the basement.
52 - No, he didn't so much forget,
53 - as follow my "don't hook up the basement" instructions.
54 - But, Red, for an extra two bucks a month,
55 - your wife and children could be enjoying full-frontal nudity.
56 - But I don't want you to enjoy anything.
57 - I want people your age out of my house.
58 - Hey, I'm only here 'cause you had a heart attack.
59 - I only had a heart attack because you're here.
60 - I'm sorry, Michael, but I'm gonna have to search that bag.
61 - Every time you leave my house with a backpack, I have to buy new hair
spray.
62 - I didn't take anything. This is lunch.
63 - I planned a whole romantic day for me and Brooke.
64 - So where are you and Brooke headed?
65 - Well, since she's having a baby,
66 - I thought I'd take her to a place that kids and girls like,
67 - so I figured I'd start the date off at an amusement park,
68 - and we'd go on a ride on the Lightning Whip.
69 - And then I'm gonna take her horseback riding up to this overlook,
70 - and then we're gonna get cozy and drink a little bingo-bango.
71 - Oh, sweetie, you're so wrong it makes me want to cry a little.
72 - No, look, pregnant women cannot go on roller coasters,
73 - and they definitely can't drink alcohol, or bad things can happen to the
baby.
74 - Case in point, Eric.
75 - Well, we didn't know any better back then.
76 - I'm teaching a baby-care class at the hospital.
77 - If you brought Brooke, I think she'd be very impressed.
78 - All right. Yeah, sign us up.
79 - You know, there was a time that all I had to do to impress a girl
80 - was turn my eyelids inside out.
81 - This baby's changing everything. Oh!
82 - Thanks again for doing this, Donna.
83 - Grandpa saw me walk in with you, and he slipped me a 20.

84 - - Here, you should have this. - See, that kind of makes me a hooker.
 85 - Well, hello.
 86 - Looks like we're sharing a table here.
 87 - Here's your drink, here's your bread, and here's your new lover.
 88 - You wish.
 89 - I'm sitting next to a goddess.
 90 - I know. Didn't my hair come out great tonight?
 91 - Not you, shorty. Her. I need your help.
 92 - This is so easy, Fez. She's like me.
 93 - She's a country club girl, and we're bitches.
 94 - We only understand one thing, money.
 95 - - How much should I give her? - No.
 96 - Fez, act rich.
 97 - Good evening, ladies and gentlemen. My name is Eric.
 98 - Eric, what are you doing here?
 99 - I changed my work schedule
 100 - so I could make sure that Mitch keeps his tiny little doll hands to himself.
 101 - Eric, Mitch is not a threat to you.
 102 - Okay, he's a perfectly harmless guy who happens to worship the ground I walk on.
 103 - You know, it's not his fault that I'm eye candy.
 104 - Well, relax. Don't worry. Everything will be fine.
 105 - Welcome to the Holiday Hotel ballroom.
 106 - I'll be your waiter this evening.
 107 - But unlike a normal waiter, I despise and may try to destroy you.
 108 - Waiter, I'm rich.
 109 - And as a rich man, I have much more money than you.
 110 - Fez, I'm really not in the mood.
 111 - Hey, sometimes I'm not in the mood to count all my money,
 112 - but I do it anyways because I am a fat cat.
 113 - Yeah, well, your bow tie is starting to unclip, fat cat.
 114 - Unbelievable.
 115 - They come to this country, we give them a job...
 116 - They're just so ungrateful.
 117 - I'm Christy. And you are?
 118 - Ferrari.
 119 - Fez Ferrari.
 120 - This charity car wash was a great idea, girls.
 121 - Let's take our shirts off!
 122 - Who changed my channel?
 123 - What the...
 124 - Steven!
 125 - What the hell's the matter with you?
 126 - Stealing my cable!
 127 - Red, before you blow your stack, why don't you take a look at that car wash girl?

128 - She is so sudsy.
 129 - You drilled a hole in my floor.
 130 - My foot is about to drill a hole in your ass!
 131 - But, Red, the car wash girls have to make 500
 132 - *or theirs super - freaky lovenest is gonna be turned into a bookstore.*
 133 - *Look, there's only one clicker, and that's upstairs.*
 134 - *My cable, my channel.*
 135 - *Stop spraying me, silly,*
 136 - *or I'm gonna have to come over there and kiss you.*
 137 - *Tasha, you want a kiss, too?*
 138 - *Wow, Tasha, you have the biggest...*
 139 - *...thunderstorms, which will result*
 140 - *in a small - craft advisory...*
 141 - *No, no!*
 142 - *Man, look at all these preggos.*
 143 - *God, that one's walking like a giant duck.*
 144 - *She's definitely in her third trimester. The baby probably dropped.*
 145 - *No, I think it's still in there.*
 146 - *It means the baby's gotten itself into the birthing position.*
 147 - *Man, you really know stuff.*
 148 - *I've read every baby book in the library.*
 149 - *By the way, did you ever read that book I gave you by Dr. Spock?*
 150 - *No, I kind of lost interest when I realized it wasn't about Star Trek.*
 151 - *Well, you signed us up for this class, and that was very thoughtful.*
 152 - *Well, that's me. I'm Mr. Thoughtful.*
 153 - *Man, how many kids are you having?*
 154 - *Oh, hi, Michael.*
 155 - *Hope you're ready to talk boo - boos, burps and binkies.*
 156 - *Yeah, Brooke, this is Mrs. Forman,*
 157 - *the lady that told me I shouldn't take you horseback riding.*
 158 - *And, Mrs. Forman, this is Brooke, the hot librarian I impregnated.*
 159 - *Well, I am so happy you two are here.*
 160 - *And you should be happy, because you have me as your tour guide*
 161 - *as you make the transition to parenthood.*
 162 - *Michael.*
 163 - *But that could have been anybody. Everybody knows I rule.*
 164 - *Okay, all right, okay. Let's get started.*
 165 - *Now, when you first bring your little bundles of joy home,*
 166 - *they will spend almost 20 hours a day sleeping and pooping.*
 167 - *Yeah, that's the life, huh?*
 168 - *Now who can tell me what they will do with the rest of their cute little time?*
 169 - *- Yes, Brooke. - They'll be eating.*
 170 - *Very good. And what will they be eating?*
 171 - *Hey, when you're not looking, I'm gonna sneak the little guys some popcorn.*
 172 - *Michael, babies can't eat popcorn. They don't even have teeth.*
 173 - *My Grandma Bessie doesn't have any teeth,*

174 – *and trust me, she ain't shy around a bucket of popcorn.*
 175 – *Well, Christy says money's great, but she wants to get to know the real me,*
 176 – *and I really care about her.*
 177 – *So what's another fake good quality*
 178 – *I could pretend to have to trick her into the sack?*
 179 – *Okay, okay, well, she's swearing fur, which means she must love animals,*
 180 – *which means she must like sensitive guys.*
 181 – *Sensitive, huh?*
 182 – *You're good.*
 183 – *Hey, cutie. Where you been?*
 184 – *Who the hell do you think you are, talking to me like that?*
 185 – *— I'm sensitive. — Fez!*
 186 – *I guess it's a tradition for the best man to say a few words.*
 187 – *And all I really want to say is that my brother*
 188 – *is not the only one fortunate enough to find himself in love's warm embrace.*
 189 – *So, everybody, I'd like to introduce you to Donna, my new fiancée.*
 190 – *Or, as I like to call her, my big, red love machine. That's her.*
 191 – *Mitch, what the hell are you doing?*
 192 – *Ooh, look at that fireball go.*
 193 – *Feisty at the table, feisty in the bedroom.*
 194 – *No. No.*
 195 – *She's feisty in my bedroom, people, my bedroom.*
 196 – *Okay, he's just somelying, crazy lunatic. He's crazy. This guy's crazy.*
 197 – *And my congratulations to the happy couple.*
 198 – *This is the best wedding I have ever been to.*
 199 – *Falling barometric pressure from a cold front out of Canada.*
 200 – *Look at all that hail in Buffalo.*
 201 – *How can you watch this?*
 202 – *It comes from me to know that there are people out there more miserable than me,*
 203 – *like those people in Buffalo, and you.*
 204 – *You have to sit here? Why don't you go read a book?*
 205 – *Why don't you go read a book?*
 206 – *Because I have cable.*
 207 – *Very nice.*
 208 – *Baby says, "It's tight, but not too tight,*
 209 – *"and I wuv the way you powdered my wittle bottom."*
 210 – *I never thought I'd say this, but you gotta take it easy on the nads.*
 211 – *I know what I'm doing. It's just, it sounds so much easier in the books.*
 212 – *— Okay, there. — Let's have a look.*
 213 – *Uh — oh! Baby says, "That's too loose. Now I'm gonna wee — wee on Daddy."*
 214 – *I just have to redo the safety pin.*
 215 – *— God, why can't I do this? — Oh, no.*
 216 – *Baby says, "Ouch, you poked me. Now I'm gonna cry."*
 217 – *That's it. I give up.*
 218 – *"Oh, Mommy, don't leave me.*
 219 – *"I don't want to end up in state — run foster care."*

220 – *You know, you seem normal around your family,*
 221 – *but out in the world, you're real little nuts.*
 222 – *So it turns out I was right about Mitch.*
 223 – *So let's see, that's you, wrong.*
 224 – *Me, right.*
 225 – *You don't have to rub it in.*
 226 – *I think I do, Donna. Sorub – a – dub – dub, I'm right.*
 227 – *I am humiliated!*
 228 – *The only way I'm gonna get my pride back is to kick your ass!*
 229 – *So I'm challenging you to a fight.*
 230 – *That is, unless you're too chicken.*
 231 – *What is this, third grade?*
 232 – *Okay, here's what I just heard.*
 233 – *"Third grade."*
 234 – *– Okay, you can stop doing that. – I can stop doing that...*
 235 – *Okay, fine. You know what? I'll fight you. Fine.*
 236 – *Good. Tomorrow, 5 : 15, the playground, you be there!*
 237 – *– Why not just do it at 5 : 00? – I have swimming lessons!*
 238 – *Thank you so much for helping me with Christy.*
 239 – *She was telling me what she did last summer at camp,*
 240 – *and I think she might be a whore.*
 241 – *– So if there's anything I can do for you... – Actually, Fez, there is.*
 242 – *When the bride tosses the bouquet, I really want to catch it.*
 243 – *It's such a sweet and magical moment,*
 244 – *so I need you to knock some of those fat sluts out of my way.*
 245 – *I will make those Weebles wobble,*
 246 – *and they will fall down.*
 247 – *Fez Ferrari, you're so rich and sensitive, I think I might go all the way with you.*
 248 – *But only if you get everyone out of my way so I can catch the bouquet.*
 249 – *How many bouquets do they throw?*
 250 – *One.*
 251 – *Let's see, who do I help? Old friend, new whore?*
 252 – *Old friend, new whore?*
 253 – *What am I saying? Do the right thing, Fez.*
 254 – *Okay, I don't know who gave you a tattoo, but that is not good parenting.*
 255 – *Look, Michael, I don't want to talk about it.*
 256 – *I thought I was ready,*
 257 – *but today I found out I don't even know how to use a diaper.*
 258 – *We are gonna be covered in poo.*
 259 – *Look, I think you're underestimating us, all right? Especially me.*
 260 – *Now, these beautiful hands aren't just made for foreplay.*
 261 – *Check it out.*
 262 – *I remember the first time I baby – sat for my little brother,*
 263 – *and he power – dooked all over himself, right?*
 264 – *So I got my mom's salad tongs and pulled off his pants,*
 265 – *and then I grabbed him by the ankles and took him outside and hosed him off.*

2.22 Episode 22: Sparks

1 - Hey, Donna,
 2 - now that we have our wedding rings and you can't back out,
 3 - I have something that I want to confess.
 4 - I want to do the bunny hop at our wedding.
 5 - I'm good at it and I don't get to show it off that often.
 6 - Okay, but I want to walk into the reception under an archway of cupcakes.
 7 - - Ooh! Deal. - Okay.
 8 - Don't look! Turn away!
 9 - Whoa. What? Did you get me a present?
 10 - Is it bongo drums?
 11 - No. I didn't want you to see my wedding dress.
 12 - It's bad luck.
 13 - Isn't having sex before the wedding the bad luck thing?
 14 - Well, that, too.
 15 - Eric, getting married is like one big minefield.
 16 - One false step, and limbs just flying everywhere.
 17 - Well, don't worry. I didn't see your wedding dress, so...
 18 - So, I think we just saved ourselves some bad luck.
 19 - Now let's take that credit that we've earned
 20 - and use it to have sex.
 21 - Come on. We can't lose. It's gonna be like playing with the house's money.
 22 - Eric, if we broke our celibacy vow now, what would it say about us?
 23 - It would say, "Yay! We had sex."
 24 - All right, fine.
 25 - Can we look at our ring inscriptions, or is that bad luck, too?
 26 - Well, no, that I have to look at
 27 - so I can return it in case you wrote something stupid.
 28 - "To Eric, love Donna."
 29 - Well, it's not stupid. It's short.
 30 - It's terse.
 31 - Quite possibly even a little rude.

32 - "All my friends know the low rider."
 33 - Um, I don't get it.
 34 - Am I the low rider?
 35 - Wait. What do you mean all your friends know me?
 36 - Are you saying I'm a whore?
 37 - No, no, Donna.
 38 - Low Rider is the song that was playing in the car at the end of our first date.
 39 - Remember, you wore that red dress, and at the end of the night I kissed you,
 40 - and I remember thinking, I just...
 41 - You know, "I just can't believe she's with me."
 42 - Eric, that is the most romantic thing I've ever heard.
 43 - Take your pants off.
 44 - That's the most romantic thing I've ever heard.
 45 - Hanging out
 46 - Down the street
 47 - The same old thing
 48 - We did last week
 49 - Not a thing to do
 50 - But talk to you
 51 - We're all all right
 52 - We're all all right
 53 - Hello, Wisconsin!
 54 - Well, fellows, I convinced Donna
 55 - to break her celibacy vow,
 56 - which in laymen's terms means I'm a layman.
 57 - Damn, Forman,
 58 - you got your girlfriend to have sex with you?
 59 - What is your secret?
 60 - Okay, you guys, it's a big deal.
 61 - Have either of you ever slept with my girlfriend?
 62 - No, but I've done it with Hyde's girlfriend.
 63 - And I was good.
 64 - Well, just what the heck is this?
 65 - What a great auction.
 66 - Red had a few beers and bought a canoe.
 67 - I bought a canoe.
 68 - Who would've thought? Me and Red go out
 69 - and he's the one to buy something stupid.
 70 - I don't know where I'm gonna put this.
 71 - Red, why would you buy a canoe?
 72 - I think the question is, why haven't I before?
 73 - But we can't afford this.
 74 - Sure we can. I used the money that you gave me yesterday.
 75 - That was for Eric's wedding present.

76 - Congratulations, Eric.
 77 - I knew you always wanted a canoe.
 78 - Fine, Red. Since you blew the money,
 79 - I expect you to come up with a nice sentimental gift
 80 - for Eric that doesn't cost anything.
 81 - Well, that's what you get for going out and drinking.
 82 - Maybe one day you'll learn to stay at home and drink, like me.
 83 - Hey, boys. I bought a canoe.
 84 - Oh, hey, Jackie. I just left my coat here after Donna and I...
 85 - Well, I'm sure she already filled you in on all the juicy details, so...
 86 - Yeah, heard all about your little leg cramp.
 87 - Hey, I can turn a leg cramp into magic.
 88 - Eh...
 89 - She just doesn't get me.
 90 - Oh, no, Donna's wedding dress.
 91 - Oh, no.
 92 - Donna's wedding dress.
 93 - Bad luck. Bad voodoo.
 94 - Please, give me a break.
 95 - Well, boys, thanks to our time here in the circle,
 96 - I've come up with a perfectly rational way
 97 - to keep Donna from finding out that I tore her dress.
 98 - I'm gonna destroy the Earth.
 99 - Okay, well, first you gotta go to another planet,
 100 - and then you gotta build a giant death ray and aim it at the Earth.
 101 - That's pretty complicated.
 102 - I can lend you my sketches if you want.
 103 - That's a great plan.
 104 - It's like so many of our ideas sound good in the circle,
 105 - but later on they just sound stupid.
 106 - But a death ray, it's awesome!
 107 - Fez, stop smelling the dress.
 108 - Hey, either I do this now, or I do it at the reception. It's your choice.
 109 - So, Mrs. Forman told me to get this thing out of her sight.
 110 - Now, that could mean put it in the garage,
 111 - leave it out for the garbage man.
 112 - I like to think it meant, "Hey, have a free canoe."
 113 - Man, the three of us with a canoe, we'll be unstoppable.
 114 - What should we do with it?
 115 - Let's see.
 116 - What could we do with a canoe that would make people say
 117 - "Oh, no, what's wrong with them?"
 118 - I know what we could do today that's gonna be really fun.
 119 - Kelso, the last time you said that, we had to get your stomach pumped.
 120 - I'm in.
 121 - Hey, so, how do you plan on steering this thing on land?

122 - Duh.
 123 - Kelso, I think you should wear a helmet just in case anything goes wrong.
 124 - Fez, I'm riding an open canoe down a rocky mountainside.
 125 - What could possibly go wrong?
 126 - I think I'm with Fez on this helmet thing.
 127 - Oh, no, I'm not falling for that one.
 128 - - Falling for what? - The old helmet gag.
 129 - Kelso, I just want you to protect your head from being crushed like a berry.
 130 - Yeah, you'd like that, wouldn't you?
 131 - Now, let go of the ropes and watch me fly!
 132 - One, two, three.
 133 - Oh, man!
 134 - Stupid thing.
 135 - Oh!
 136 - Oh, man, that could've been me!
 137 - Okay. I don't get it. Who's the low rider?
 138 - It's me.
 139 - Then I think he's calling you a whore.
 140 - Oh, my God. My dress!
 141 - Yeah, doesn't look so good in daylight, does it?
 142 - No, it's gone. Did you move it?
 143 - I didn't touch it.
 144 - Oh! Eric was here earlier. Maybe he did something with it.
 145 - Why are you always blaming Eric for everything?
 146 - Oh, well, somebody has to
 147 - or he'll just go through life thinking there's nothing wrong with him.
 148 - I know what I could give Eric that's sentimental,
 149 - my old baseball glove.
 150 - Red, anything related to sports will only remind Eric
 151 - of the things he doesn't do well.
 152 - Oh, fine. I'll just go down to the space toy and smart mouth store.
 153 - Mom.
 154 - Mom, is Donna here?
 155 - No. Why are we whispering?
 156 - You tore her dress?
 157 - Yeah, see, that would have been a really good thing to whisper!
 158 - All right, well, it doesn't look too bad. I think I can fix it.
 159 - - Put it down. I'll get my sewing box. - Mom, thank you.
 160 - Not on the shoe polish!
 161 - What have you done, you bony bastards?
 162 - Okay, okay. I think I can clean it, but we have to act fast.
 163 - Okay, go, go, go, go.
 164 - Please tell me that sound was a rip in the space-time continuum.
 165 - Okay, I'm gonna need some club soda,
 166 - a little lemon juice and some vodka.

167 - - To get the stain out? - No, to think straight.
 168 - Eric!
 169 - Oh, my God. Oh, my God. Donna's coming.
 170 - Have you seen my wedding dress?
 171 - Whoa. You lost the wedding dress?
 172 - What happens when we have a kid? You gonna lose that, too?
 173 - Oh, my God. I'll find it. Don't worry. I'll find it.
 174 - Okay.
 175 - What is the matter with you? You just made her feel terrible.
 176 - I was nervous. You know I don't know when to shut up.
 177 - What the hell is that?
 178 - You know, there is gonna be a time
 179 - when you look back on this, and you're gonna think it's funny.
 180 - You're gonna be single, 'cause Donna will never marry you,
 181 - but you're gonna think it's funny.
 182 - We'll get a running start
 183 - and then I'll jump in and zoom down the hill like the bobsledders do.
 184 - And then, because this is a canoe on dirt and gravel instead of a bobsled
 on ice,
 185 - bad things are gonna happen to you.
 186 - This is why I'm a legend, Fez.
 187 - All right, Kelso, this time you're wearing a helmet.
 188 - Thanks, Hyde, but I think I'm not gonna put on a helmet
 189 - with a bunch of worms and stuff crammed inside.
 190 - It's not a prank.
 191 - Well, now it's not, 'cause I didn't fall for it.
 192 - It finally happened. I've become the boy who cried helmet.
 193 - Okay, on three. Go!
 194 - Holy crap! Did you see me bounce off of that tree?
 195 - Honey, what is taking so long?
 196 - I told you to put the dress in the wash for 20 minutes.
 197 - Yeah, and now it's in the dryer.
 198 - Oh, no, please tell me you just put it in.
 199 - Okay, okay. Let's look on the bright side.
 200 - Maybe grey is a more honest color for Donna.
 201 - Hi.
 202 - Um, Fez, I know how you...
 203 - How do I say this? Um...
 204 - I know you sometimes like to hang out in my closet.
 205 - Yes, and?
 206 - Do you know what happened to my wedding dress?
 207 - Uh...
 208 - I have to go to the bathroom.
 209 - Eric, Donna wants to know what happened to her dress.
 210 - Oh, tell her you took it.
 211 - - She'll kill me. - She'll kill me more.

212 - Fine, fine.
 213 - But at your wedding, I want my own dance solo.
 214 - Yeah, absolutely. Anything you want.
 215 - - With my own spotlight. - Fine.
 216 - - And a mention in the programme. - Fine!
 217 - Look, but if you don't get upstairs, there will be no wedding,
 218 - which means there will be no dance solo.
 219 - Oh, there will be a dance solo.
 220 - I took it.
 221 - Why?
 222 - Uh, I forgot to go to the bathroom.
 223 - She wants to know why.
 224 - Because you're a pervert.
 225 - Hey!
 226 - No, wait. That's true.
 227 - I don't even have to lie.
 228 - Because I'm a pervert.
 229 - Fez, I'm gonna kick your ass.
 230 - Eric!
 231 - Oh, my God. What happened to my dress?
 232 - Donna, I can explain. I destroyed it.
 233 - Ever think maybe we're getting too old for this kind of thing?
 234 - No, you can't control the timing of when a canoe is gonna come into your life.
 235 - Oh, Steven, this is a horrible stunt. You're gonna get hurt.
 236 - No, no, I'm driving the car. Kelso will be in the canoe.
 237 - Oh! Okay, have fun.
 238 - All right, Kelso, listen. You gotta wear the helmet, all right?
 239 - Yeah, protect that face. That's your money.
 240 - No, I don't want to.
 241 - Kelso, you're not pulling out of this driveway until you put on a helmet.
 242 - Fine. Everyone's against me.
 243 - Let the sparks fly!
 244 - Look at that crazy bastard.
 245 - He may not be smart, but he has more fun than all of us combined.
 246 - Yep, we had a guy like him in the National Guard.
 247 - - Yeah, what happened to him? - Invented the wiffle ball.
 248 - - Donna, what happened? - It's ruined.
 249 - My dress is ruined.
 250 - What am I gonna do?
 251 - It's okay, honey. I'll find you a new dress, a better dress.
 252 - This is my greatest achievement ever!
 253 - Dad, I love this dress.
 254 - Some random thing off the rack just won't be the same.
 255 - - The rope broke! - Runaway canoe!
 256 - Yes!

257 - Oh, no, Donna, I think I ripped your dress.
 258 - Kitty, I think I've got it this time.
 259 - For my wedding present for Eric,
 260 - one of my medals from the war.
 261 - No.
 262 - - How about my uniform from the war? - No.
 263 - - My gun from the war? - No.
 264 - - My boots from the war? - No.
 265 - - My canteen from the war? - No.
 266 - It can't be anything you had on or near you when you killed somebody.
 267 - How about the ring my dad wore?
 268 - Oh, that's nice.
 269 - When he killed people in World War I.
 270 - Well, now you're just trying to make me mad.
 271 - Yeah, I am.
 272 - Look, Donna, I'm so sorry about what happened.
 273 - Well, what I don't get is after the second rip and the first stain,
 274 - why you didn't just put the dress away.
 275 - Well, at that point, it had become personal.
 276 - It was me against the dress,
 277 - and, well, I was damned if I was gonna let the dress win.
 278 - You know, I knew we shouldn't have broken our no-sex rule.
 279 - We completely cursed ourselves.
 280 - Okay, enough of this voodoo nonsense.
 281 - Bad things happen because I am stupid.
 282 - You're marrying a stupid guy, Donna. Good luck with me.
 283 - Here, sweetie. For you.
 284 - What's this?
 285 - Mom's wedding dress?
 286 - Yeah.
 287 - Swallowed a little pride and called to ask her if it would be okay.
 288 - Yeah, but you guys haven't talked in, like, a year.
 289 - It was a little awkward, especially when I said, "It's Bob."
 290 - And she said, "Bob who?"
 291 - I love it.
 292 - Hey, looks like we kind of saved the day.
 293 - - Don't touch me. - Okay.
 294 - Thanks, Daddy.
 295 - Hey, anything for you, pumpkin.
 296 - Plus, I need the room in the attic for my stuffed bobcat.
 297 - What was I thinking?
 298 - I've got the perfect gift for Eric.
 299 - Timeless advice from all my years of marriage.
 300 - Well, advice from a father to a son. That's lovely.
 301 - That is nice, Dad. What is it?
 302 - Never come home drunk with a canoe.

303 - That's actually good advice.
304 - I figured out how to get the canoe down the mountain.
305 - But I'm gonna need a snow blower
306 - and all your butter.

2.23 Episode 23: My Wife

1 - jj
2 - Forman, your bachelor party's tonight.
3 - We're going to a strip club,
4 - so don't forget your inhaler.
5 - Come on, Hyde. I don't need a silly bachelor party.
6 - Oh, come on, man. Be one last night of the finest debauchery
7 - that Point Place has to offer.
8 - Hyde, all I need
9 - is my sweetie here for the rest of my life.
10 - It's all right, Eric. You can go.
11 - All right! I'm gonna see nudies!
12 - Oh, Eric, you're not going
13 - to one of those hoochie mama shows, are you?
14 - Don't worry, Mrs. Forman. I'll return your son
15 - in the same slightly girly condition that he leaves in.
16 - So, Donna, you and the gals getting together for a big shindig?
17 - Well, Jackie might be planning...
18 - No, wait. She doesn't do things for other people.
19 - Well, let me plan your bachelorette party.
20 - Oh, we went absolutely bonkers at mine.
21 - All my girlfriends
22 - came over for a sewing bee, and then my friend Gloria
23 - gave me my first sip of hard cider.
24 - Boy, you girls are crazy.
25 - Well, back then, we had some morals, not like you girls today...
26 - Loose, throwing it around town like the paperboy.
27 - jj
28 - Donna, why am I blindfolded?
29 - because I have a big surprise for you.
30 - Okay, you ready?
31 - Isn't it awesome?
32 - We're gonna spray-paint our names on a trailer?
33 - All right!
34 - No, I put a deposit on it so we can live here.
35 - Eric, it's gonna be our very own.
36 - Oh, how romantic. I can just see Donna
37 - carrying you over that threshold.
38 - So come on.
39 - I know you always dreamed about having a home of your own.

40 - Well, I guess I should have been more specific.
41 - Um, no, no. You know what? This is nice. It's nice.
42 - Donna, this is great!
43 - Steven, if you ever rent me a trailer,
44 - I will dump you in a second.
45 - Good to know. I need an exit strategy.
46 - See, now if we all turn this way...
47 - There. See? Room for everybody.
48 - See? Now this is the closeness I've been craving.
49 - Whose hand is that?
50 - - Mine. - Mine.
51 - Oh, man. Look at this tiny shower.
52 - Donna, I don't think there's room in there
53 - for you to soap your chest like we like.
54 - Donna...
55 - ...are you sure you want to live in Point Place?
56 - I always thought you wanted to leave town.
57 - Well, Eric, that's when I was single.
58 - But now that we're getting married,
59 - I want to settle down and start our lives together.
60 - Yeah, but I always thought...
61 - - You smell pretty. - Okay.
62 - Look, can we do this in private?
63 - Bathroom's free.
64 - Um, actually, I was just, uh, heading there.
65 - Excuse me.
66 - Pardon me.
67 - Excuse me.
68 - Let me just get the, uh, curtain.
69 - Okay, I can't do this with all you listening.
70 - Somebody's gonna have to sing.
71 - Fez, you sing.
72 - I can't do both at the same time.
73 - Please hurry!
74 - On the good ship
75 - Lollipop
76 - It's a sweet trip
77 - To the candy shop
78 - Where the bonbons play...
79 - I had a large soda.
80 - On the sunny beach of Peppermint Bay
81 - Hangin' out
82 - Down the street
83 - The same old thing
84 - That you did last week
85 - Not a thing to do

86 - But talk to you
 87 - We're all all right
 88 - We're all all right
 89 - Hello, Wisconsin!
 90 - jj
 91 - So it's ours starting today.
 92 - I signed the lease for a year.
 93 - Donna, all you ever talked about was seeing the world,
 94 - and my dad's better now. I mean, we can get out.
 95 - Well, I don't wanna get out.
 96 - I just want to focus on doing this marriage thing right,
 97 - and I think that means curling up every night next to you
 98 - on that dining room table that doubles as a bed.
 99 - Well, the good news is, if you guys do decide to travel,
 100 - you can always drive your house
 101 - to any number of vacation destinations.
 102 - Yeah, and if you ever want
 103 - to rearrange your furniture,
 104 - all you gotta do is slam on the brakes.
 105 - Hold everything.
 106 - I believe that is the ice cream man.
 107 - Oh, wait. Look, he's turning around!
 108 - - No! - No, come back! We're not from here!
 109 - We won't rob you!
 110 - Oh...
 111 - I mean, it's pretty here.
 112 - There's lots of open space.
 113 - I'm coming in, Tracy! There better not be anyone in there with ya!
 114 - Hey, the neighbors seem really nice.
 115 - Just tell him you're naked 'cause... I don't know.
 116 - That's why I'm climbing out the window.
 117 - - Casey Kelso? - Hey! Pinciotti.
 118 - Casey, I thought you left town after going out with Donna
 119 - and then breaking up with her so she had to settle for Eric.
 120 - Yeah, well, I found my way back.
 121 - Hey, For-play.
 122 - You been working out?
 123 - Oh, um, well,
 124 - - yeah, a few days a week. - Oh, man, I'm just kidding.
 125 - - Okay. - Well, it's not funny. He's huge.
 126 - Things are great.
 127 - Eric and I are getting married. I'm on the radio... "Hot Donna."
 128 - You might've heard people talking,
 129 - wishing they could date me, that kind of stuff.
 130 - Yeah, I mean, Donna hasn't thought about you at all,
 131 - although Eric's mom still asks about you.

132 - Then she kind of giggles and fans herself.
 133 - You! You get back here!
 134 - Hey, little advice... Never answer the phone
 135 - when you're with a married lady.
 136 - jj
 137 - See, Forman? Now at the bachelor party you can hold a beer
 138 - even after you've lost the ability to hold a beer
 139 - from drinking all the beer.
 140 - I like it.
 141 - Kind of makes me wonder why God didn't just make us
 142 - this way from the start, you know?
 143 - Don't worry, man.
 144 - Evolution will take care of it.
 145 - Hey, Steven, I took out all the *1billsfromyourwallet*,
 146 - *sonowyouhavenothingtotipthestripperswith*.
 147 - *AllIhaveleftisthis20?*
 148 - Jeez, I'll never be able to get change for this.
 149 - Sorry I'm late, guys.
 150 - I spent all afternoon in front of the mirror.
 151 - Then I realized it was time to get dressed.
 152 - Fez, you don't have to look nice, all right?
 153 - Strippers like everybody.
 154 - They're raised that way on special farms out west.
 155 - Okay, Eric, I talked to my boss down at the radio station,
 156 - and I told him we were staying in town,
 157 - and I said that if he wanted to keep me,
 158 - he would have to put me on the air full-time,
 159 - and he went for it! "Hot Donna" every day on WFPP.
 160 - - Oh! - Oh, Donna, that's amazing. All you had to do is ask?
 161 - Oh, and I tied my shirt up in one of those sexy knots.
 162 - Yeah, Jackie does that.
 163 - We have never paid to get into Six Flags.
 164 - Wait. But, Donna, if you take this job, how are you gonna...
 165 - Why are you waving a mug at me?
 166 - I'm sorry. How are you gonna find time for college?
 167 - I don't know. I'll just stop going.
 168 - Eric, I'm a deejay. I already have the kind of job
 169 - I was going to college to get.
 170 - Yeah, college sucks anyways.
 171 - It's all smart people,
 172 - and none of them are as pretty as me.
 173 - Yeah, that's true.
 174 - Half the people in this room ought to be in magazines.
 175 - Only half, though, and the rest of you know who you are.
 176 - Eric, we both have jobs. We have a great place to live.
 177 - We're gonna have the perfect life in Point Place.

178 - Huh. That's funny. I've never heard the words "perfect life"
 179 - and "Point Place" used in the same sentence...
 180 - Oh, except when separated by the phrase
 181 - "As soon as I get the hell out of."
 182 - All right. We gentlemen have a place to be.
 183 - So unless you ladies are gonna finally take your clothes off to music...
 184 - Last chance?
 185 - No? Okay.
 186 - jj
 187 - Wow, Mrs. Forman, you can really whip up a party in no time.
 188 - And we have activities.
 189 - Okay, now watch.
 190 - You tie the ribbon in a bow,
 191 - and veil, decorative bags of almonds.
 192 - We'll make 300 to pass out at the wedding.
 193 - Wait, this is Donna's bachelorette party?
 194 - What other manual labor are we gonna do?
 195 - Huh, scrub a toilet, dig a trench, write a book?
 196 - Well, if we don't do this, who will?
 197 - I can't believe you invited me over and you don't have any dip.
 198 - Red, we're having a girl's night out.
 199 - I need you to bag all the almonds and tie 'em with a bow.
 200 - - Why me? - 'Cause I said so.
 201 - - I don't want to. - Well, you have to.
 202 - Oh, you... you make me crazy.
 203 - Oh, you... you make me crazy.
 204 - - Fine. - Good.
 205 - Since you're getting married, I'll teach you how to do that.

 272 – *Yeah, this isn't some hole in the wall*
 273 – *where hopeless losers blow their money*
 274 – *on people who don't care about their problems.*
 275 – *This is a strip joint.*
 276 – *Yes, it is, Eric. You're ruining the romance.*
 277 – *You, dance for my money!*
 278 – *And the rabbit runs around...*
 279 – *...and then back in the hole.*
 280 – *Hey, Red, what do you think of my nut bag?*
 281 – *Haha, Bob.*
 282 – *I'm done with this.*
 283 – *This is not man's work. I mean, if Kitty wanted me*
 284 – *to shoot the almonds at some communists, that I could do.*
 285 – *Oh, you're a big talker now that she's gone.*
 286 – *I'm not a afraid of her, and I'm not doing this,*
 287 – *and I don't care if it means I have to sit through*
 288 – *another one of her silent breakfasts.*
 289 – *What, she just sits there?*
 290 – *I talk, she just ignores me.*
 291 – *I had to buy a bottle of Mrs. Butterworth's*
 292 – *just so that someone would smile at me.*
 293 – *You can always call me, Red.*
 294 – *I'd rather talk to syrup.*
 295 – *— So work in 'a strip club. — Yeah.*
 296 – *I finally found a way to cash in on my good looks*
 297 – *without having to humiliate myself.*
 298 – *No, you're not humiliating yourself.*
 299 – *I mean, you're not the naked guy.*
 300 – *You're the guy who introduces the naked guy.*
 301 – *Yeah. So I'm surprised to see you're still in town.*
 302 – *You know, you'd always talked about getting outta here.*
 303 – *I always thought you'd be some place more glamorous by now,*
 304 – *like Paris or Reno.*
 305 – *Well, I've got Eric and my job*
 306 – *and a great place to live in*
 307 – *and/or pull behind a car.*
 308 – *I mean, it's not what I expected,*
 309 – *but it's definitely the right thing to do.*
 310 – *You know,*
 311 – *that trailer is tiny,*
 312 – *and I need room to roam.*
 313 – *Born free*
 314 – *As free as the something free*
 315 – *You know, this town is so small,*

316 – *I don't even know what free is.*
 317 – *Yeah. Look, listen,*
 318 – *I've been other places, and it's not that great.*
 319 – *I mean, since I came back here, I've got it made...*
 320 – *Free drinks, I can borrow any of these freaky costumes when I want.*
 321 – *Plus, you know,*
 322 – *— it's show biz. — Yeah.*
 323 – *So you're happy here.*
 324 – *Yeah, and you will be, too.*
 325 – *And don't worry, you know,*
 326 – *by the time you have a few kids,*
 327 – *you'll probably be livin' in a much bigger trailer.*
 328 – *jj*
 329 – *jj*
 330 – *Hi. You home already?*
 331 – *I thought those boys would take your clothes*
 332 – *and leave you naked in Indiana.*
 333 – *You kids... you just don't know how to do anything.*
 334 – *Listen, Dad,*
 335 – *Donna wants to stay in Point Place after we get married.*
 336 – *I... How can that be a good idea?*
 337 – *Son, in this relationship,*
 338 – *you're gonna have one instinct,*
 339 – *and Donna's gonna have another.*
 340 – *Always go with hers.*
 341 – *If history has taught us anything,*
 342 – *it's that you're always wrong.*
 343 – *What about the time that I...*
 344 – *Oh, yeah, I got nothin'.*
 345 – *You know, being with your mother has taught me one thing.*
 346 – *A man can only rise to the level of the woman that he's with.*
 347 – *Hey, what's up?*
 348 – *I saw a naked man's butt.*
 349 – *jj*
 350 – *Donna, happy fifth anniversary!*
 351 – *Hey, I want you to put on your best dress,*
 352 – *because there's another sequel to Star Wars.*
 353 – *And Mr. and Mrs. Eric Forman*
 354 – *are gonna be first in line.*
 355 – *What's goin' on?*
 356 – *— I'm leaving you, Eric. — What?*
 357 – *We could see the new Jane Fonda movie instead.*
 358 – *Eric, I'm miserable.*
 359 – *How can you let me settle for this?*
 360 – *But you said this is what you wanted.*
 361 – *Well, I was wrong. I guess I was just trying to make you happy,*

362 – *and I forgot about myself.*
 363 – *I mean, I wanted to see the world,*
 364 – *not the inside of a trailer.*
 365 – *But, Donna, I love you.*
 366 – *I love you, too, but it's not enough.*
 367 – *Good – bye, Eric.*
 368 – *– I'm sorry. – Can you just take that?*
 369 – *– Yes, you can just squeeze through there. – Thank you.*
 370 – *Hey, For – play.*
 371 – *Casey?*
 372 – *Yeah, your mom said I could bunk here.*
 373 – *But don't worry, bud, as soon as everybody's asleep,*
 374 – *I'm gonna head over to your sister's room.*
 375 – *So beautiful morning, huh?*
 376 – *Boy, these waffles look great.*

2.24 Episode 24: Going Mobile

1 - Guys, I have to tell you about this dream I had.
 2 - No. Eric, I can't hear another one of your lame dreams.
 3 - "Guys, I dreamt I was purple and I could fly
 4 - "and Luke Skywalker was my lab partner."
 5 - No. It was about Donna.
 6 - Okay, it was five years in the future.
 7 - Five years in the future? Hey, did you see Jackie?
 8 - How's she holding up? Do I need to get out now?
 9 - Hyde, in my dream, Donna gave up her life plans to be with me.
 10 - And she was so miserable, she left me.
 11 - That's it?
 12 - I took my feet off the table and turned slightly to the left for that?
 13 - Look, you guys, what if I really am holding Donna back
 14 - and she just doesn't realize it yet?
 15 - I feel like I could be ruining both of our lives.
 16 - Eric, just relax, okay?
 17 - It's just a stress dream, 'cause you're getting married tomorrow.
 18 - Now I had a dream last night that's worth telling.
 19 - Okay, Donna was in a wet T-shirt contest...
 20 - No, I can't. Forget it. It's too dirty.
 21 - So who's gonna be your best man?
 22 - Oh, you know what?
 23 - Why don't you guys just decide who my best man is?
 24 - Whoa, you want us to choose?
 25 - Well, if that's not an invitation to dress a dog up in a tuxedo,
 26 - I don't know what is.
 27 - All right. If anyone should be the best man, it's me.
 28 - I'm gonna be a father, so I really need the money.

29 - You don't get paid to be the best man.
30 - You do it for the satisfaction of nailing the hottest bridesmaid.
31 - It's in the Bible.
32 - Well, I can't do that, 'cause I'm bringing Brooke.
33 - Yeah, we're getting pretty serious.
34 - Girls, man. You get them pregnant, they get all clingy.
35 - Hey! On Earth, green means go!
36 - Gosh, I didn't know they let brain-dead morons drive cars.
37 - And I didn't know they let brain-dead morons
38 - into the police academy.
39 - Oh, they do!
40 - Brooke.
41 - Hi, Michael. This is my mother.
42 - Yeah, we met.
43 - It didn't go very well.
44 - Hanging out
45 - Down the street
46 - The same old thing
47 - We did last week
48 - Not a thing to do
49 - But talk to you
50 - We're all all right
51 - We're all all right
52 - Hello, Wisconsin!
53 - Here she is.
54 - Welcome, or as I like to say, Happy Trailers to you.
55 - A trailer. Well, son, you finally made it.
56 - Well, and just look at all the nature.
57 - I mean, right in your front yard, you have a beautiful apple core.
58 - Donna, don't take offense, but a trailer? I think you could do better.
59 - Oh, that's funny. I was just thinking, so could my dad.
60 - Hey, watch it, Donna. She's wrong, Pammy.
61 - I can't do better than you. I've tried and failed on several occasions.
62 - Oh, Bobby.
63 - Oh, I think I hear a chicken. I'll be in the car.
64 - I'll go with you.
65 - We're in the honeymoon stage where she doesn't mind if I get handsy.
66 - Well, I think this place is great.
67 - You can... You can just... You can drive your car right up to it
68 - and then, then you have a walk-in closet.
69 - And look at our teeny, tiny bathroom.
70 - Eric, can I talk to you privately in the living room...
71 - The dining...
72 - The left front quadrant?
73 - Son, living here is a real bad idea.
74 - There's no privacy.

75 - Where will you hide if Donna has a chore for you?
 76 - You'll have to dive under the trailer.
 77 - Honey, would you help me unload some groceries from the car?
 78 - See what I mean? I'm cornered, like an animal.
 79 - Coming, honey.
 80 - Your life is gonna be a living hell.
 81 - So, home, sweet home.
 82 - Yeah.
 83 - Hey, Donna... Hey.
 84 - Don't take this the wrong way, but...
 85 - Is this really what we want?
 86 - What? Of course it is. Why?
 87 - I don't know. I just... You know, it's such a big step.
 88 - And I just really want to make sure this is what we want, what you want.
 89 - Eric, the life I want is with you. I love you.
 90 - - Yeah, I know, but... - Wait a minute.
 91 - This isn't about this place. This is about me.
 92 - - No. - Are you having doubts about me?
 93 - Because if you are, tell me now. Don't wait, like,
 94 - ten years from now when we're both too fat to get dates.
 95 - No, no, no, forget it. I'm happy. I'm happy, happy, happy, happy.
 96 - Okay, now you're saying "happy" way too much.
 97 - Because I'm very happy. If I were less happy, I'd say it less.
 98 - I think that's how language works, Donna.
 99 - Okay. I'm gonna go pump out the toilet.
 100 - So, Forman nixed our best man idea.
 101 - Apparently you wearing a giant trench coat
 102 - and standing on my shoulders isn't classy.
 103 - Not classy? Did you tell him I'll be wearing a plastic flower that sprays
 water?
 104 - So, let's just do rock, paper, scissors, see who the best man is, all right?
 105 - No, no, no, no. I hate that game. I always lose.
 106 - 'Cause you always pick rock.
 107 - That's because nothing beats rock.
 108 - Paper beats rock. Those are the rules.
 109 - Not buying it.
 110 - Fine. We'll play a new game.
 111 - How about
 112 - cockroach, foot, nuclear bomb?
 113 - Foot squashes cockroach.
 114 - Nuclear bomb... Pow!
 115 - ...blows up foot.
 116 - And cockroach
 117 - survives nuclear bomb.
 118 - Oh, that's great.
 119 - I'll be nuclear bomb. Nothing beats nuclear bomb.

120 - I just told you, cockroach beats nuclear bomb.
121 - Oh, we'll see about that.
122 - Laurie, it's bad luck for the groom to see the bride in a wedding dress.
123 - Make sure Eric doesn't come in.
124 - What, you want Laurie to guard the door?
125 - She's never kept a man out of anywhere in her entire life.
126 - That is not true.
127 - Jackie, watch the door.
128 - So, Donna, rehearsal dinner tonight, wedding tomorrow, you excited?
129 - Actually, I'm a little nervous.
130 - Oh, that's just cold feet.
131 - Yeah, but here's the thing.
132 - Whenever anyone's nervous about marriage,
133 - everyone says it's just cold feet.
134 - But half of all marriages end in divorce.
135 - So half of those people getting married should have cold feet.
136 - But by the time they realize their feet were right, it's too late.
137 - Too late!
138 - How do I know what to do?
139 - There is no answer!
140 - I can't breathe.
141 - How you feel is totally normal.
142 - A lot of the guys that I'm dating were nervous before their weddings,
143 - but now they're all happily married.
144 - You do make a mother proud.
145 - Ready? One, two, three.
146 - Cockroach beats nuclear bomb.
147 - That is 38 wins in a row.
148 - I think it's safe to say that I'm the best man.
149 - No, wait a minute. Wait a minute. I just noticed something.
150 - Cockroach always wins.
151 - One more time, for all the marbles.
152 - Fine. One, two, three.
153 - Foot, I forgot about foot.
154 - So foot always wins.
155 - One more time. Winner, best man, period.
156 - One, two, three.
157 - Bomb! Nuclear bomb beats foot.
158 - It's like everything in this game loses to something else!
159 - Yes, it's exactly like that.
160 - Wait, except...
161 - Aha!
162 - I was so blind.
163 - Nuclear bomb beats everything.
164 - One more time, winner take all.
165 - One, two, three.

166 - I'm going home.
 167 - Boy, wish I had a dollar for every awkward lunch
 168 - I've had with my mom and a strange guy that knocked me up.
 169 - Come on, guys, we have to get past this. The baby's coming in a month.
 170 - Oh, and Michael's willing to wait that long?
 171 - I'm surprised he doesn't just honk his horn and try to scare it out in a week.
 172 - Hey, if I wanted to scare a baby, I wouldn't honk.
 173 - I'd wear a mask and make ghost sounds.
 174 - You were still rude.
 175 - I think it's common courtesy
 176 - to wait 30 seconds at a green light before honking.
 177 - Pass the rolls, please.
 178 - Pass the rolls, please.
 179 - I will, but I feel it's common courtesy
 180 - to wait 30 seconds before passing the rolls.
 181 - Hey, I just remembered there's another room here.
 182 - So, Michael, I haven't told Brooke yet,
 183 - but I'm here to take her home to Chicago to have the baby and live with me.
 184 - What? No, but I'm not in Chicago.
 185 - That's its major attraction.
 186 - Oh, yeah? Well, what about the lake?
 187 - Jackie, do you think Eric and I are making a mistake?
 188 - You are.
 189 - But Eric's just praying this whole thing goes through before you notice.
 190 - No, I'm serious.
 191 - Up until now, everything in our relationship has been really great.
 192 - Our first date, our first kiss. You know, even getting engaged.
 193 - But now, in the pit of my stomach, I feel really sick.
 194 - Look, come on, Donna, you and Eric are meant to be together.
 195 - You're like a fat girl and a cat. It just works, you know?
 196 - Oh, come on.
 197 - All right, look, I'm gonna go pick up my dress.
 198 - And I'm gonna try not to look prettier than you, but I can't promise!
 199 - Oh, God, I can't do this.
 200 - Okay, let's get a picture of the wedding party.
 201 - Oh, Mom, would you fix your top? This isn't Playboy.
 202 - She's fine. Don't fuss with her.
 203 - Kitty, correct me if I'm wrong, but at a wedding rehearsal,
 204 - isn't it tradition for the bride and groom to, well, you know, show up?
 205 - Red, they will show up. Everything is just fine.
 206 - Eric better have a good reason for being late.
 207 - There's only two acceptable excuses for tardiness in a Pinciotti household.
 208 - One, traffic was terrible.
 209 - Two, I should have left earlier, but I was doing something.

210 - Well, Donna's not here, either. Oh, maybe her new house ran out of gas.
211 - Sorry I'm late.
212 - Oh, good! They're here.
213 - I told you everything would be fine. Eric and Donna are here.
214 - What? No, Eric's not with me.
215 - He's not here?
216 - Oh, maybe he's stuck in traffic.
217 - What traffic?
218 - 90 is in this room.
219 - All right, look, you can't take Brooke to Chicago.
220 - We're gonna raise our baby together here, okay?
221 - We had it all figured out.
222 - Oh, really?
223 - So, where were you going to live?
224 - Are you planning to get married?
225 - And who's gonna stay home with the baby?
226 - No...
227 - We figured out other stuff.
228 - Like she's gonna be the one that does the breast-feeding.
229 - And then, if someone needs to go bowling, I'll do it.
230 - Now, I appreciate your concern, but I'm gonna do what's best for my kid.
231 - Well, then think, Michael.
232 - You're going away to the police academy for the next six months.
233 - You don't have the time to help Brooke raise a baby. I do.
234 - And I have a house and a backyard and an extra bedroom.
235 - And I love Brooke more than anything in the world.
236 - How can that not be what's best for her?
237 - So, how's the big argument going?
238 - All right, Brooke...
239 - Your mom and I thought that
240 - maybe since I'm gonna be at police academy
241 - that you might wanna have the baby in Chicago.
242 - You know, just so you have your mom there.
243 - Just for now.
244 - Oh, my God, Michael. Thank you so much.
245 - I'll come visit
246 - and it'll be great.
247 - What do you know?
248 - You're a gentleman.
249 - And your daughter's a lady.
250 - Well, except for the bathroom sex that resulted in our child.
251 - Kitty, Eric is over two hours late.
252 - Let's go home.
253 - He's not late, Mr. Forman.
254 - He didn't show up because he doesn't want to marry me.
255 - Hey, you don't know that.

256 - Maybe he's just playing hard to get.
 257 - I'm gonna make him pay for this.
 258 - I'm not strong, but I know a lot of ways to destroy men emotionally.
 259 - - I can vouch for that. - Yeah.
 260 - Okay, okay. Let's just...
 261 - Let's turn those frowns upside down. I know!
 262 - We'll all go back to my house and enjoy the Mexican fiesta I prepared.
 263 - I probably won't serve the tiny wedding cakes,
 264 - since nobody's getting married.
 265 - But there are three kinds of burritos.
 266 - Donna, in troubled times like this, I have a friend I like to turn to.
 267 - Gooseberry Gloss lipstick.
 268 - Nobody can feel sad with full, juicy, red lips.
 269 - Okay, no offense, but I don't think your lipstick is gonna help me,
 270 - because I am not a superficial jerk!
 271 - Better.
 272 - How could Eric do this to me?
 273 - I mean, what kind of a horrible person
 274 - skips out on someone they've known their whole life?
 275 - I mean, someone they're supposed to love?
 276 - Uh-huh. Um...
 277 - Donna, why is your suitcase in the backseat?
 278 - Oh, I was just... I don't know. I thought... Hey, I showed up, okay!
 279 - What the hell are we gonna do with all these bride and groom cookies?
 280 - Give me the groom.
 281 - Well? Did you find Eric?
 282 - No, and the Cruiser's gone.
 283 - I also noticed that he took his retainer.
 284 - So it's probably gonna be an overnighter.
 285 - I couldn't find him, either.
 286 - I followed a trail of candy wrappers and it just circled back around to me.
 287 - Donna, I know how difficult this is for you.
 288 - Now I've been with a lot of men in my life. Rich men, poor men.
 289 - Well, not poor. Upper middle class.
 290 - My point is,
 291 - none of them ever loved me the way I know Eric loves you.
 292 - Well, thanks, Pamela, but if Eric loved me, he'd be here right now.
 293 - Oh, hey, Kitty.
 294 - Listen, I think I'm just gonna take Donna home and call it a night.
 295 - Oh, don't you dare.
 296 - We need to act like everything is normal.
 297 - Keep the party going. Keep Donna happy.
 298 - Didn't you have a speech to give?
 299 - Kitty, I don't think it's still appropriate...
 300 - Okay, Bob's got a speech. Everybody, listen to Bob's speech.
 301 - Speech! Speech!

302 - I guess I could change a few things as I go along.
 303 - "To the lovely bride and the handsome... bride.
 304 - "I know the... one of you will make... yourself very happy.
 305 - "Your life will surely be enriched by all the time you spend with...
 306 - "alone.
 307 - "You are truly one soul becoming one joined...
 308 - "alone forever.
 309 - "So I don't look at this as the day I lose a daughter.
 310 - "I look at this as the day I gain...
 311 - "nobody."
 312 - Salute.
 313 - Hello.
 314 - Yeah, we kinda figured.
 315 - Uh-huh.
 316 - Well, do you wanna talk to her? She's sitting right here.
 317 - Okay.
 318 - Wrong number.
 319 - Hyde, what did he say?
 320 - - He said he's really sorry. - He's sorry?
 321 - He left me the day before our wedding, and he's sorry? What...
 322 - What does that mean?
 323 - It means he's not coming.
 324 - Not tonight, not to the wedding. He's gone.
 325 - Man, I am glad to be here.
 326 - I have had a rough day.
 327 - Being around all this love and happiness oughta cheer me right up.
 328 - I mean, this is a happy day. Look at all the love.
 329 - Wait, hey, where's Eric?
 330 - I can't believe Forman took off, man. That's not like him at all.
 331 - Usually he ruins things by staying.
 332 - So, Steven, you know, since the church is booked already,
 333 - - you that think maybe we... - No!
 334 - Oh, come on!
 335 - Look, Eric jilts Donna and all you guys can talk about is yourselves?
 336 - Well, there are bigger issues here, people.
 337 - Donna is single. Whoo-hoo!
 338 - Wait a minute. I get it now. Cockroach beats everything.
 339 - Let's play, and I warn you, I'm going to be cockroach.

2.25 Episode 25: The Seeker

1 - Uh-huh.
 2 - Red. Red.
 3 - Cousin Alice wants to know why Eric and Donna's wedding is off.
 4 - Well, just tell her what your son did.
 5 - Oh, now he's my son,

6 - just like when he told us he wanted to be a jazz dancer.
 7 - Well, he's our son, Red.
 8 - No son of mine would humiliate his family by running off on his fiancée.
 9 - Alice,
 10 - the wedding is off because Eric is
 11 - gay.
 12 - You're right. Everybody knew except him.
 13 - Eric is a mental midget.
 14 - And you know what else? He runs like a girl.
 15 - Bob, you run like a girl.
 16 - Only when I'm scared of something.
 17 - Honey, I'm sure Eric has a good explanation.
 18 - On the several occasions I didn't show up for one of my weddings,
 19 - I always called to say I had appendicitis.
 20 - Well, Eric's not here, my little girl's unhappy,
 21 - and I want to punch somebody.
 22 - Bob, you don't want to fight.
 23 - I've known you for a long time, and I know what you really want
 24 - is a piece of cake.
 25 - A piece of cake, Kitty?
 26 - My daughter is devastated, and you offer me cake?
 27 - You just tell me one thing, is it chocolate?
 28 - Devil's food. I can have it on the table in less than a minute.
 29 - Let's do that, then.
 30 - Okay, guys, Donna's on her way over,
 31 - and she knows we all know why Eric left, and she wants some answers.
 32 - Well, I'm not gonna tell her.
 33 - Give Donna bad news and she hits.
 34 - She wasn't on the boys' JV wrestling team for nothing.
 35 - Okay, well, I can't do it.
 36 - The last person a girl wants to hear bad news from is a woman who has it
 all.
 37 - Well, you can count me out. I won't face a girl when I ditch her.
 38 - I'm not gonna do it when somebody else does.
 39 - Well, I'm not telling her, either.
 40 - I don't want my personal parts damaged.
 41 - I mean, they're practically brand-new.
 42 - Well, in a deadlock such as this, we're forced to turn to our judicial code,
 43 - which clearly states that in the event of bad news being delivered
 44 - in reference to a canceled wedding, the foreigner does it.
 45 - Ah, yes. The Immigration Conversation Act.
 46 - Where the hell is Eric and why did he do this to me?
 47 - Um... Okay...
 48 - Eric was afraid getting married and staying here was a mistake.
 49 - You know, because you would be giving up your dream of traveling the
 world

50 - and becoming a ball-breaking feminist.
 51 - - Jackie, don't push! - You don't push, you stupid...
 52 - Hey, hey. Hey! Knock it off before Fez gets hurt.
 53 - Look, I just want to say that we're all really sorry.
 54 - How could Eric ditch me the night before our wedding without saying one word?
 55 - Look, would it make you feel better if I told you Eric left a note?
 56 - - He left a note? - No.
 57 - But you should hold on to that feeling.
 58 - Hanging out
 59 - Down the street
 60 - The same old thing
 61 - We did last week
 62 - Not a thing to do
 63 - But talk to you
 64 - We're all all right
 65 - We're all all right
 66 - Hello, Wisconsin!
 67 - Eric, what a dink, right?
 68 - You know, I had to call everybody and tell them the wedding's off.
 69 - The only good thing is,
 70 - there's a rumor going around that he's gay.
 71 - Which is nice.
 72 - Look, man, I mean, I know you're mad,
 73 - but, you know, Forman was trying to do the right thing.
 74 - He just did it in the wrong way.
 75 - Yeah, but, Hyde, I don't care why he did it.
 76 - I mean, I can't ever forgive him.
 77 - When I called my mom, I just cried and cried.
 78 - Really? I can't see you crying.
 79 - I've seen Forman crying. He does a lot of,
 80 - "Shut up! I'm not crying."
 81 - I want to be mad. Don't make me laugh.
 82 - Oh, my God! Hyde, are you okay?
 83 - I'm too old for this crap!
 84 - Why am I stronger than all the guys I hang out with?
 85 - You look dorky.
 86 - Hyde, I am so sorry.
 87 - I don't know my own strength.
 88 - I mean, I guess I'm still all bulked up from JV wrestling.
 89 - You know what? This isn't my fault. This is Eric's fault for taking off.
 90 - Hey, look at the bright side.
 91 - Now, I can spy on you from Eric's empty bedroom
 92 - instead of climbing up a tree
 93 - where there's no place to put my juice box.
 94 - Man, I can't believe I missed you falling out of the water tower.

95 - So, I'm at home, and I'm watching Scooby-Doo,
 96 - and I think to myself, "You know what?
 97 - "You should go and hang out with Hyde and Donna."
 98 - And then I think, "No,"
 99 - because maybe Scooby and Shaggy found a real ghost this time.
 100 - But it wasn't. It was just another crazy old guy.
 101 - Steven, I heard what happened.
 102 - - And you brought me flowers? - No, these are for me.
 103 - My boyfriend fell off the water tower.
 104 - So, what, Donna? You're alone and you want me to be alone, too?
 105 - Okay, Steven, get on home. I'll take care of you later.
 106 - Trade you a kiss for a lollipop.
 107 - I don't need that baby crap.
 108 - Look at all this glorious wedding food.
 109 - Do you, Fez, take this pizza roll?
 110 - I do.
 111 - You know what part of falling off the water tower I like?
 112 - The part right after you fall until the part where you hit the ground.
 113 - Yeah, yeah! And then that part right after you crash
 114 - - where you're just kind of vibrating there? - Oh, yeah.
 115 - That was cool, too.
 116 - Yeah, and the second time you fall, it'll be even better,
 117 - 'cause you know what to expect.
 118 - You know, so you can enjoy it, like, do a flip or something.
 119 - A flip would be awesome!
 120 - Man, I'm so glad you fell off the water tower.
 121 - Look at this.
 122 - Eric's gone, and I'm left with the flying Stupid-Ass-Insky brothers.
 123 - Mom?
 124 - - Midge! - Midge!
 125 - You sounded so sad on the phone, I just had to come.
 126 - We missed you so much.
 127 - All right. All right. Donna, quit hogging your mom!
 128 - I know something very interesting about someone we know very well.
 129 - No, no. None of your supermarket gossip.
 130 - If half of what you say is true, everybody in this town would have VD.
 131 - Well, I was going over Steven's file when he was at the hospital,
 132 - and you know his father?
 133 - I believe I had the pleasure of him writing me a hot check.
 134 - Of course, in his defense, he was drunk.
 135 - Well, according to Steven's birth certificate,
 136 - that's not his father.
 137 - This is so exciting.
 138 - Steven has a different father that he doesn't know about.
 139 - Maybe a nice father, maybe a sober father.
 140 - Well, we don't want him to be entirely sober.

141 - You know how those people are.
 142 - Mom, I can't tell you how much it means to me that you're here.
 143 - Well, there are times when a mother has to be there for her baby.
 144 - Like now and I guess when she's born.
 145 - You know, Mrs. Pinciotti, in my younger days,
 146 - I had quite the crush on you.
 147 - Even though I knew nothing could ever happen.
 148 - But now that I'm older, and I'm gonna be a father soon,
 149 - if anything does happen, we got to keep it quiet.
 150 - Steven, you're late. Where... Midge!
 151 - Hey, what a surprise.
 152 - I should probably return these earrings I didn't know were yours.
 153 - - Midge, what are you doing here? - I came to see Donna.
 154 - Who's the amazon?
 155 - Oh. This is my, uh, friend.
 156 - Friend? I don't think so.
 157 - Hi, I'm Pam, the best thing that ever happened to him.
 158 - I'm Midge, the second-best thing that ever happened to him.
 159 - Dad, I invited her to stay with us.
 160 - Your mom is staying with us?
 161 - No, your mom is staying with us.
 162 - What about my mom?
 163 - Well, that's not my mom, that's your mom.
 164 - I'm confused. Who am I sleeping with?
 165 - Steven, we need to talk to you about something pretty important.
 166 - Look, whatever you found in my room was planted there.
 167 - - No. We... - What's in your room?
 168 - - Red, stay focused. - Yeah, stay focused.
 169 - All right, Steven, just for the record, I told her to mind her own business,
 170 - and then she said, "Fine, you can make your own dinner."
 171 - So, here we are.
 172 - No. No, no, no.
 173 - Steven, we found out that the man you think is your father
 174 - isn't really your father.
 175 - Your real father's name is William Barnett, and he lives in Milwaukee.
 176 - Oh, my God! Steven, this is so exciting!
 177 - You have a whole new family, which is great, because I hate your family.
 178 - Steven, I know you have a lot of feelings and emotions,
 179 - and maybe you want to cry.
 180 - We won't tell if you cry.
 181 - I'll tell.
 182 - Yeah, I don't like guys that cry.
 183 - Will you two please? Steven, are you okay?
 184 - Well, I don't really know the guy who's supposed to be my dad,
 185 - and obviously, I don't know this new guy,
 186 - so I don't really care.

187 - But, Steven, you have to care.
 188 - What if your new dad is something amazing like a doctor
 189 - or the guy who owns the Love Boat?
 190 - That didn't go well.
 191 - What did you want to happen?
 192 - Well, I thought he would be happy to hear about his dad.
 193 - We'd all go to Milwaukee, and then his rich, new father
 194 - would be so thrilled to see him, he'd buy me a fur coat.
 195 - Bob, could you pass the syrup?
 196 - You're gonna give her the syrup?
 197 - The syrup we share every morning?
 198 - The syrup that stands for everything that we are as a man and a woman?
 199 - I was gonna,
 200 - but I won't.
 201 - I will later.
 202 - No, I won't.
 203 - - How's it going? - Your father's an ass.
 204 - Something we agree on.
 205 - It's not going that well.
 206 - Okay, I find this whole thing very disturbing.
 207 - I was left at the altar
 208 - and all I can think about is what's my dad doing,
 209 - who's he doing it with,
 210 - and if I walk through that door, am I gonna see it?
 211 - Well, whatever he's doing, he's doing with me,
 212 - and we're doing it everywhere, so knock.
 213 - So after we left, Steven said he didn't want to talk
 214 - about his new dad in Milwaukee, and he didn't.
 215 - And he wasn't not talking about it to be bitchy like I would.
 216 - He really didn't want to talk about it.
 217 - Well, I don't like the way he just walked out after we told him the news.
 218 - Why would he do that?
 219 - Because he's a man, Kitty.
 220 - And he knows you want him to cry, but he won't,
 221 - because crying is for babies and Italians.
 222 - And I think we all just need to stay out of his business.
 223 - Steven, you're all dressed up. Are you gonna propose?
 224 - No. I...
 225 - I thought I'd head out to Milwaukee.
 226 - - By yourself? - Yeah, I guess.
 227 - So, I'll see you guys later, then.
 228 - Well, we were just talking about going to Milwaukee
 229 - for their famous honey buns.
 230 - Well, you guys could come along, I guess.
 231 - Well, I'm... I'm sure in the mood for a honey bun.
 232 - And to see baby go home to his daddy!

233 - So Midge wanted you to pass the syrup,
 234 - and Pam wouldn't let you.
 235 - That's interesting.
 236 - What do you think it means?
 237 - I think it means you got a shot at something
 238 - only rock stars and professional athletes get.
 239 - Free passes to Disneyland?
 240 - No, Fez, two ladies at the same time.
 241 - Screw Disneyland. That's a much better ride.
 242 - Think I could really keep both of them?
 243 - May I say from experience, when you're dealing with two ladies,
 244 - the end won't be pretty,
 245 - but the ride down is super fun.
 246 - I don't know what to do, Mom.
 247 - I mean, I always thought Eric and I would be together,
 248 - and he blew it.
 249 - Maybe you'll work it out.
 250 - Well, I don't want to work it out.
 251 - I want to push his face in the dirt like we did when we were kids.
 252 - You know what, I never should have stopped doing that.
 253 - Donna, just forgive him.
 254 - How? Give me one good reason.
 255 - Honey, I can't give you a rational reason.
 256 - There probably isn't one.
 257 - But if you love him, and you don't want to be without him,
 258 - you have to forgive him.
 259 - I was too hard-headed to forgive your father and I wish I had.
 260 - Oh, Midge.
 261 - - You want to take a walk? - Sure, I'll drive.
 262 - Did you see that? Maybe someone will have a happy ending.
 263 - And then another beginning and another ending, because he's got two
 ladies.
 264 - Bob Pinciotti, a street kid out of nowhere, gets a shot at the title.
 265 - You know what? He's like the Rocky of bagging two ladies.
 266 - It's a big day, meeting your father for the first time.
 267 - You bet.
 268 - A big day for my big guy, huh?
 269 - Mmm-hmm.
 270 - - So how you doing? - I'm fine.
 271 - You doing all right, baby?
 272 - Just quit. Stop. Stop.
 273 - Keep it down. This isn't your parole office.
 274 - - Mr. Barnett will see you now. - Okay. Okay. This is it.
 275 - Jackie, here's the camera.
 276 - Take a picture of Steven the minute he sees his father.
 277 - If he cries and you miss it, I will hurt you.

278 - - Where's Steven? - He left.
 279 - Yeah. I saw him go and I didn't say anything on purpose.
 280 - All right, let's go. Come on.
 281 - Kitty!
 282 - I came all this way. I want my fur coat.
 283 - Who's there? Who's there? Who's there?
 284 - - Jeez, Donna, stop! - God.
 285 - I didn't know that was you.
 286 - You dirt bag! How could you do that? You just left me there!
 287 - I'm sorry. I'm sorry. I freaked out, okay?
 288 - I tried to talk to you about it,
 289 - but I couldn't, and I...
 290 - I didn't know what to do.
 291 - All I knew was that I...
 292 - Donna, I think we were about to make a huge mistake.
 293 - Yeah, I know what you mean.
 294 - I had a bad feeling, too.
 295 - But here's the difference, I stayed!
 296 - Look, Donna, please.
 297 - Please forgive me.
 298 - I don't know.
 299 - I mean,
 300 - my mom said I should,
 301 - but I don't know.
 302 - Listen to me, I am so sorry.
 303 - Okay, whatever you want to do, we'll do, okay?
 304 - Just tell me what to do.
 305 - We'll figure it out tomorrow. Just get in.
 306 - Really?
 307 - Won't you let me walk you home from school?
 308 - Thanks for coming back.
 309 - Won't you let me meet you at the pool?
 310 - If it's so, well, let me know
 311 - I just want to say,
 312 - that was beautiful.
 313 - I won't make you
 314 - What the...
 315 - Glad you're back.
 316 - Here's a bill for the wedding you didn't show up for.
 317 - 6,000?
 318 - *Mmm - hmm. I added on a grand for pain and suffering.*
 319 - *Thanks, Daddy.*
 320 - *Buy yourself something nice with it.*
 321 - *I suggest a new boyfriend.*

3 That '70s Season how Season 07

3.1 Episode 01: Time Is on My Side

- 1 - What?
- 2 - I'm starting to notice something about you.
- 3 - You're still here!
- 4 - What your father means is,
- 5 - you haven't seemed like yourself since you called off the wedding.
- 6 - No. What I mean is,
- 7 - get out!
- 8 - Well, I'm sorry. It's only been a week. It was kind of traumatic, you know?
- 9 - Last night I only slept, like, nine hours.
- 10 - Honey, we just... We want to know what your plans are.
- 11 - I would've waited until next week to ask you, but apparently,
- 12 - some people agree to things and then just do whatever they want.
- 13 - I've got some questions, I want answers.
- 14 - What are you doing about moving out?
- 15 - I don't know.
- 16 - - About Donna? - I don't know.
- 17 - Your job?
- 18 - I don't know.
- 19 - Your future?
- 20 - Okay, I am gonna go ahead and hit you with an
- 21 - "I don't know."
- 22 - Then no food for you.
- 23 - - What? - Red, he's so skinny.
- 24 - Just take away his car.
- 25 - No. I'm trying to teach the boy responsibility.
- 26 - I want a plan out of you by tonight, or no dinner, either.
- 27 - Dad, that's not... Wait. Mom, what's for dinner?
- 28 - - Fried chicken. - Oh, come on!
- 29 - Steven.
- 30 - - When are you moving out? - Soon.
- 31 - - How's your girlfriend? - Shallow as hell.
- 32 - - Job? - Dead-end.
- 33 - - Future? - Bleak.
- 34 - Kitty, feed the boy.
- 35 - Hanging out
- 36 - Down the street
- 37 - The same old thing
- 38 - We did last week
- 39 - Not a thing to do
- 40 - But talk to you
- 41 - We're all all right
- 42 - We're all all right

43 - Hello, Wisconsin!
 44 - Oh, Donna, your hair is gonna look so fabulous.
 45 - It's weird. I actually feel different.
 46 - Well, now that you're not getting married,
 47 - you have to re-energize yourself spiritually.
 48 - And making superficial changes is the best way to do that.
 49 - Hello.
 50 - Oh, come on. A sweater vest?
 51 - Jackie, if you don't have anything nice to say, just don't say anything at all.
 52 - Well, if I followed that rule, I'd never speak again.
 53 - Yeah, that's kind of the idea.
 54 - Okay. Okay. I'm going.
 55 - You look like a circus poodle!
 56 - Hey, so, uh...
 57 - Look, I think we need to talk about
 58 - us, since the
 59 - matrimonial incident.
 60 - I mean, we've seen each other,
 61 - but we haven't really talked about anything.
 62 - Yeah, but it's been nice, right?
 63 - I mean, I'm sick of talking about us.
 64 - And I'm not mad, because you were right.
 65 - I mean, we were about to make a huge mistake.
 66 - I can't live in a trailer with you.
 67 - I'd hear you going to the bathroom.
 68 - Yes, I had thought about that.
 69 - I was only going to go in a bottle after you were asleep, so...
 70 - See, remember when our relationship was the most fun thing in our lives?
 71 - And then we put all this pressure on it.
 72 - I wish we could just, you know, hang out without all that stuff.
 73 - Holy Mother of God.
 74 - Do you like it?
 75 - Are you kidding? Yes.
 76 - It's good.
 77 - I think it's, like, a sign that you're loosening up.
 78 - Like, maybe now you might like that thing I try in bed
 79 - that makes you mad.
 80 - I won't.
 81 - I'll still try.
 82 - See, this is great.
 83 - Your perviness is our biggest problem now.
 84 - - Just like the old days! - Yes.
 85 - Exactly.
 86 - See, we should just hang out.
 87 - You know, get back in touch with ourselves.

88 - That sounds dirty. Is it dirty?
 89 - Really, I'm serious.
 90 - I have a plan.
 91 - You have a plan? Perfect. I need a plan. What's your plan?
 92 - I'm gonna DJ at the radio station full-time,
 93 - and rededicate myself to feminism.
 94 - At the radio station?
 95 - Is that... What?
 96 - Are you gonna play more Heart?
 97 - And other stuff.
 98 - - Maybe some Benatar. - Wow.
 99 - Whatever. I'm blonde now. I can do what I want.
 100 - Hello.
 101 - What are you doing with that sandwich?
 102 - I thought that we established that you needed a plan.
 103 - Oh, I've got a plan.
 104 - Donna is gonna work full-time at the radio station,
 105 - and rededicate herself to feminism.
 106 - Feminists.
 107 - Equal pay's fine, but put a little lipstick on.
 108 - Whatever. Anyway, that's the plan. We came up with it this morning.
 109 - That's Donna's plan.
 110 - What's your plan?
 111 - My plan
 112 - is to support Donna's plan.
 113 - Thought you had me there, didn't you?
 114 - - Get out! - Fine.
 115 - But know this,
 116 - I will have my fried chicken.
 117 - How come you're making so many sandwiches?
 118 - Bulking up for the winter?
 119 - No, no, no, no.
 120 - No, no, no.
 121 - I didn't mean it like that.
 122 - No, see, it's like...
 123 - You're the mama bear, and I'm the papa bear.
 124 - We're bears!
 125 - Fine, we're not bears.
 126 - I'm sorry.
 127 - I made so many sandwiches, not because I am a fat, pre-hibernation bear,
 128 - but because Bob is coming over for lunch, and since he is still dating Pam
 and Midge,
 129 - like some kind of gigolo,
 130 - I didn't know how much food I would need.
 131 - Hey, everybody.
 132 - I think you know my date and former wife, Midge.

133 - Bob, they know me.
 134 - It's me, Midge!
 135 - So, does this mean you two are back together?
 136 - Well, we've been talking things over
 137 - and we're pretty close to working things out.
 138 - What is going on here?
 139 - - Pam! - Back off! He's mine!
 140 - That is not what you said to me in bed last night.
 141 - Well, you should have heard what he said to me last night in the hot tub.
 142 - You told me that you got up to get an ice cream cone.
 143 - I don't know why you're upset, I wasn't gone that long.
 144 - All right! Eric traded in Donna for a hot blonde!
 145 - Oh, crap!
 146 - She looks exactly like Donna!
 147 - That is Donna, you ding-dong.
 148 - Only now, she lets Forman do that thing he's been trying.
 149 - - Eric! - Hyde...
 150 - I said, "Maybe."
 151 - Your hair is beautiful. I want to touch it.
 152 - Hey! I can do this all day.
 153 - Okay, fine.
 154 - - What? You don't like it? - I like my women like I like my wine.
 155 - Red and full of alcohol.
 156 - Whatever. When I was a redhead, at the bakery, they'd give me a free donut.
 157 - But as a blonde,
 158 - apple fritter.
 159 - So I'm gonna stay blonde for a while.
 160 - Now I'm gonna go to the bakery.
 161 - You're a lucky man, Forman.
 162 - Not only is Donna not mad,
 163 - but as a bonus, she's fixed herself up all whore-y.
 164 - And I have an announcement.
 165 - Donna and I have decided we're not talking about our relationship anymore.
 166 - Hooray!
 167 - - Bravo! - Mazel Tov!
 168 - Finally, we'll have some time to talk about things I want to talk about.
 169 - Number one, cocoa butter.
 170 - It doesn't taste like cocoa or butter.
 171 - It's gonna be so great to be with Donna without all the talking,
 172 - and the decisions and the labels.
 173 - You know, "Am I your fiance?" You know, "Am I your boyfriend?"
 174 - Hey, wait a minute.
 175 - Are you and Donna boyfriend and girlfriend, or not?
 176 - No, I'm saying, why put labels on it?

177 - Are you dating, or can you see other people?
 178 - Why are you so interested?
 179 - He's trying to figure out if he can nail Donna.
 180 - Hyde!
 181 - Let me build up to it! Damn!
 182 - So, can I?
 183 - No.
 184 - Thanks for nothing, Hyde!
 185 - Eric, you really got it made with Donna. No responsibilities, no plans.
 186 - What a great way to live your life.
 187 - You know what? That is a great way to live your life.
 188 - Okay, you know what, you guys?
 189 - I figured out what I'm gonna do this year.
 190 - You're gonna be the first person to put on my human firecracker suit.
 191 - No, I'm talking... Wait. What is a firecracker suit?
 192 - Right. So, it's this suit. The... Wait.
 193 - You have to agree to wear it before I tell you.
 194 - I'm intrigued. We'll talk more later.
 195 - You guys, my dad said I had to have a plan this year, and now I have it.
 196 - I'm gonna take the year off.
 197 - Isn't that what Elvis said right before he died on the toilet?
 198 - No, you guys, seriously. Look, rich kids do it, right?
 199 - After high school, they take a year off,
 200 - go to Europe, figure out what they're gonna do.
 201 - I'm gonna do exactly that. Just go nowhere and do nothing.
 202 - - So you're gonna be a bum? - In the grandest European tradition! Yes!
 203 - Hey, why not?
 204 - He's young, he's got a free place to live, a girl that's way too hot for him.
 205 - Ride the ride, baby.
 206 - Exactly.
 207 - You know, this whole marriage thing has made me think.
 208 - Why am I in such a hurry to grow up?
 209 - You know, life, it's like a train.
 210 - It's bearing down on you, and guess what?
 211 - It's gonna hit you.
 212 - So you can either start running when it's far off in the distance,
 213 - or you can pull up a chair, crack open a beer,
 214 - and just watch it come.
 215 - I did that once.
 216 - No, Kelso, not a real train.
 217 - - A metaphorical one. - Like a... Like a ghost train?
 218 - Yes.
 219 - A ghost train.
 220 - You know, I tell you, Red,
 221 - I don't like this situation with Bob and two women.
 222 - I have put up with a lot of weird things in this neighborhood.

223 - Hot tubs,
 224 - wife-swapping,
 225 - jogging...
 226 - Now I am drawing the line. You have to make Bob choose one woman.
 227 - Well, the choice is obvious. Pam.
 228 - Red, this isn't your decision, it's his.
 229 - And he has to pick Midge.
 230 - But Pam is so tan.
 231 - But, Red, if Bob picks Midge, he will reunite a shattered family,
 232 - bringing their only daughter a glimpse of happiness for the first time in her life.
 233 - But Pam is so tan.
 234 - Forman?
 235 - Your whole year-off plan?
 236 - It's lazy, it's selfish, and it's gonna piss a lot of people off.
 237 - So, nice job.
 238 - - Thank you. - What are you gonna do for cash, man?
 239 - I mean, you know, rich kids, they have a trust fund.
 240 - All's you've got is some poorly assembled model airplanes.
 241 - I melted those.
 242 - I guess if I have to work, it's not a year off, so...
 243 - Maybe I can sell something.
 244 - Guys, what do I have that's worth any money?
 245 - Oh, Donna! I can sell your engagement ring!
 246 - She is going to kill him.
 247 - Fez, get out of the swing zone.
 248 - I got ten bucks on the girl.
 249 - And I mean Donna.
 250 - Actually, I have no problem with you selling it.
 251 - Donna, you are so amazing.
 252 - I swear, if I had created you in a laboratory, you could not say more perfect things.
 253 - Yeah, but then she'd have those bolts coming out of her neck.
 254 - Well, the only problem is, I don't have the ring.
 255 - What?
 256 - Well, when I was mad at you for blowing off the wedding,
 257 - I threw it off the water tower.
 258 - Donna, that ring is a symbol of our eternal love for each other.
 259 - You were gonna sell it to finance a year of napping and boozing.
 260 - Yeah, that's true.
 261 - So...
 262 - Who's wrong here?
 263 - I think there's a little something wrong with all of us.
 264 - Okay. Well, if you threw the ring from up here,
 265 - I mean, it's gotta be around here somewhere.
 266 - All right. Excuse me.

267 - I am a police officer in training, so we're gonna do this by the book.
268 - What book? You didn't read any book.
269 - No, but I was assigned one.
270 - Killed four bees with it.
271 - All right, what we're gonna do is we're gonna recreate the scene.
272 - Donna, Eric has just let you down in a big way.
273 - You're up on this tower.
274 - You've had a few beers, so you're starting to feel a little loose,
275 - and very, very vulnerable.
276 - - Okay, sounds about right. - Okay.
277 - Do you wanna make out?
278 - Kelso, I thought you were recreating the scene.
279 - I'm taking the scene in a new direction.
280 - Okay. Okay, let's just get to the part where she threw the ring.
281 - Okay.
282 - So, what we're gonna do here
283 - is we're gonna throw an MM into the woods in place of the ring.
284 - Wherever it lands, we'll search there first.
285 - Fez, give him the MMs, man.
286 - Yeah, about that...
287 - Whose dumb idea it was to let me hold the MMs?
288 - All right. Instead of the candy,
289 - we will throw my keys into the woods.
290 - Oh, crap. I just threw my keys into the woods!
291 - Sure did.
292 - Why didn't somebody say something?
293 - So that you'd throw your keys into the woods.
294 - Oh, wait. That's a good burn.
295 - I had very little to do with it.
296 - Okay, Bob, what the hell are you doing up on your roof?
297 - Hiding from my girlfriends.
298 - This afternoon, we were all talking about our favorite juices.
299 - Pam said her favorite juice was cranberry.
300 - Midge said she liked apple.
301 - To avoid trouble, I said my favorite was CranApple.
302 - They viewed that as cheating, and now I'm on the roof.
303 - Kitty and I think that you should choose between
304 - Pam and Midge.
305 - And when I say Kitty and I, I mean, just Kitty.
306 - And when I say choose between Pam and Midge,
307 - I mean, choose Pam.
308 - It's tough. I really love Pam.
309 - But Midge is Donna's mother. How can I turn my back on that?
310 - Look, just give me a name. I gotta take something back to Kitty.
311 - So don't go home, stay here.
312 - I'm not gonna spend the day hiding on the roof like a damn pigeon.

313 - I got beer.
 314 - Well, it is peaceful up here.
 315 - All right. Did anybody find anything?
 316 - I found a pair of my sister's panties.
 317 - I knew they were hers
 318 - because they had her name and phone number in them.
 319 - Girl's gotta advertise.
 320 - You guys, I'm starving, okay? I haven't eaten all day.
 321 - - Here. - Oh!
 322 - Oh, thanks, Fez.
 323 - Yeah, good Cheetos.
 324 - Really? 'Cause I found them in the woods, and they were damp.
 325 - Like something peed on them.
 326 - Awesome! Eric ate Peetos!
 327 - Okay, look, I don't wanna start anything,
 328 - but had you bought Donna a decent-sized diamond,
 329 - we would have found it by now.
 330 - The ring was pretty small, man.
 331 - Whenever I saw it, I thought Donna was really far away.
 332 - She was standing right next to me.
 333 - Yeah, when I first saw it, I said, "Donna, there's dust on your ring."
 334 - Then I realized that was the ring.
 335 - Guys, guys, stop.
 336 - You don't find it soon, a mosquito's going to eat it.
 337 - Okay, I love the ring.
 338 - It was petite, not showy.
 339 - Thank you.
 340 - Well, you know, Donna has a thing for miniatures.
 341 - Okay, you guys, enough about the ring.
 342 - Obviously, it was enough for me to pay for my year off.
 343 - And according to Esquire, sweater vests are in.
 344 - Whoa! Jackie, help!
 345 - Oh, get away! You touched Peetos!
 346 - He touched Peetos!
 347 - You know what? Falling off that water tower was a sign.
 348 - The minute I stopped working hard,
 349 - I accomplished exactly what I needed to do.
 350 - I found the ring.
 351 - And, if you're gonna land on a diamond,
 352 - it's best to land on the smallest one ever made.
 353 - Well, I'm afraid your schoolyard insults have no power here, child.
 354 - I'm a whole new me.
 355 - Tougher, braver and louder.
 356 - I'm gonna go tell my dad what's what,
 357 - and get my gosh-darn fried chicken.
 358 - Okay, Donna, here's the situation.

359 - I have to choose between Pam and Midge,
 360 - and it's a very personal and intimate decision that only I can make.
 361 - It's really scary, so I'd like you to do it.
 362 - Dad, I can't choose for you.
 363 - Come on. You choose my shirts, choose my lady love.
 364 - Mom, where are you going?
 365 - Bob, I saw how hard you struggled to get on the roof earlier,
 366 - what with the kicking and the wiggling.
 367 - I realized that it was time for me to go home and give you and Midge a
 chance.
 368 - You're one fine lady.
 369 - Well, I'll miss you, Bob.
 370 - And, honey, it's scary to be on my own,
 371 - but if you come with me, I know I can do it.
 372 - Oh, Mom, I would love to come home with you!
 373 - Oh, good.
 374 - You're the only one who can explain things to the maid!
 375 - Yeah.
 376 - Okay.
 377 - I'm here to earn my dinner.
 378 - What am I doing about Donna?
 379 - We're hanging out.
 380 - What am I doing about my job?
 381 - I quit.
 382 - What am I doing about my future?
 383 - Nothing.
 384 - When am I moving out?
 385 - Make me.
 386 - Hey, Fez, I think I have something in my eye.
 387 - Is it Donna's engagement ring?
 388 - No, no, it's too big for that.
 389 - Hey, maybe we should get some doctors' masks,
 390 - so we don't accidentally inhale Donna's ring.
 391 - Okay, okay. Donna, you thought the engagement ring was big enough,
 right?
 392 - Burn!
 393 - I didn't say anything.
 394 - So say something.
 395 - It could've been bigger.
 396 - Burn!

3.2 Episode 02: Let's Spend the Night Together

1 - Hmm, blonde. More fun.
 2 - Everything is more fun.
 3 - Donna, if you only knew what I'd like to do with you and your new hair,

4 - you would beat the crap out of me.
5 - You know, I might just beat the crap out of you anyway.
6 - Yes.
7 - So now that Donna's not Big Red anymore,
8 - I guess we have to go back to what we called her when she was 12.
9 - Jugs-a-popping.
10 - Man, I hated Jugs-a-popping.
11 - Well, you shouldn't have had popping jugs.
12 - Speaking of objectifying women,
13 - Jackie, there's a Take Back the Night rally tonight at the park.
14 - Do you wanna go?
15 - Oh, and be with your deep-voiced gal pals? Mmm! No, thank you.
16 - This is important.
17 - Women should be able to walk through the park at night
18 - without being harassed by weirdo men.
19 - Hey, that was one time!
20 - I'll go. Really?
21 - You'd be, like, the only guy there.
22 - Although, there is some question about Shirley.
23 - No, it'll be great. Why don't you come by when Hyde's dad is here?
24 - We'll go over there after that.
25 - Yeah, it's my Steven's big night.
26 - He finally decided he wants to meet his real daddy.
27 - I kept hearing this voice telling me,
28 - "Meet your father. Meet your father."
29 - I finally said okay, Jackie shut the hell up.
30 - I did, it's a true story.
31 - Get off the phone!
32 - Okay, any minute now, Brooke is going into labor.
33 - All right? And I gave her the number of all the places I was gonna be.
34 - I cannot miss this call.
35 - Looking good there, Big Red.
36 - We're going with Jugs-a-popping again.
37 - Oh, that's a good one.
38 - And it's as true now as it was the first day of fifth grade.
39 - That was a popping summer.
40 - Steven, I am so happy we finally found your real father.
41 - Here. I framed the blood test results for you.
42 - Now, I spoke to him this morning,
43 - and I told him how your parents abandoned you
44 - and we took you in,
45 - and it's hard for you to say it out loud,
46 - but that you love me because I saved your life.
47 - Kitty, I'm not sure...
48 - He would be dead on the streets.
49 - Okay, he's here.

50 - Now, Steven, fix your hair.
 51 - Eric, don't mumble. Red, don't yell at Eric if he mumbles.
 52 - Hi, is this the Formans' ?
 53 - You know, I'm sorry, I told your friend last week,
 54 - we don't want a subscription to Ebony magazine.
 55 - No, no, no, no. We spoke over the phone.
 56 - I'm William Barnett. I'm Steven's father.
 57 - Oh!
 58 - I mean, come in, come in.
 59 - Everybody, I want you to meet Steven's father.
 60 - Steven, look.
 61 - I'm looking.
 62 - It's good to meet you, Son.
 63 - I've really been looking forward to this.
 64 - I wanted to get you a card, but they don't have one for our unique situation.
 65 - So, here. Happy First Communion.
 66 - Wow.
 67 - You came from him?
 68 - Yeah, I'm not sure I see the resemblance.
 69 - What are you talking about?
 70 - My 'fro,
 71 - my coolness, my suspicion of the Man.
 72 - This explains so much.
 73 - Hanging out
 74 - Down the street
 75 - The same old thing
 76 - We did last week
 77 - Not a thing to do
 78 - But talk to you
 79 - We're all all right
 80 - We're all all right
 81 - Hello, Wisconsin!
 82 - Well, Mr. Barnett, please, sit anywhere you like on this big day.
 83 - After all, how often does a kid
 84 - get to meet his very own father?
 85 - So far, I'm up to twice.
 86 - Hey, would you like a drink?
 87 - Perhaps a cool drink for our cool visitor?
 88 - No, thanks, but I think all of you could use a Scotch.
 89 - That's crazy, we're totally relaxed.
 90 - Hey, you know what show I love?
 91 - The Jeffersons.
 92 - "Dy-no-mite." Right?
 93 - "Dy-no-mite" is from Good Times.
 94 - Oh, well, I watch them all. I mean, I don't discriminate.
 95 - So father and son.

96 - Yep.
 97 - Well, I...
 98 - I guess Steven must have gotten his mother's...
 99 - Eyes. Eyes.
 100 - Steven got his mother's pretty eyes.
 101 - Right.
 102 - Or as I like to say, "Right on."
 103 - Okay, well, nobody's talking about the elephant in the room,
 104 - so I'll do it.
 105 - You're black.
 106 - Mom!
 107 - Okay, please, Mr. Barnett, we're very open-minded.
 108 - Oh! Oh, no, he's right.
 109 - I, myself, love that singer Art Garfunkel.
 110 - Art Garfunkel's white.
 111 - Really?
 112 - Well, his name's got the "funk" in it, so I...
 113 - Oh, wait, wait, wait.
 114 - Red, who's that black person I like?
 115 - Martin Luther King? Yes!
 116 - You know, I'm beginning to feel like
 117 - you haven't had a lot of black people in this house.
 118 - Well, I mean, it's certainly not because we didn't want to.
 119 - Right, right, no, it's just there haven't been any available.
 120 - You know, it's Wisconsin.
 121 - Well, I know all about Wisconsin.
 122 - The only place around here where you'll see
 123 - white and black together is on a cow.
 124 - That's right! Sure!
 125 - So, William, what kind of work do you do?
 126 - I own a chain of record stores.
 127 - Record stores. That's cool, huh? Yeah.
 128 - I was afraid you were gonna be a cop or something.
 129 - I don't like cops.
 130 - I don't like cops, either.
 131 - Hey, who do you think shot JFK?
 132 - I don't know, because they don't want me to know.
 133 - Check it out, man. I'm a chip off the old block.
 134 - Man, I wish Mom had told me about you.
 135 - Hey, when was the last time you saw her?
 136 - Oh, years ago. We were dating and she just disappeared.
 137 - I guess she married the man you thought was your father
 138 - and told him that you were his baby. Yeah.
 139 - Mom must have been pretty relieved when I came out white, huh?
 140 - Hello? Brooke, it's me. Did you have the baby yet?
 141 - No? Are you sure?

142 - Okay, well, I'm in the kitchen now, so...
 143 - No, it's the same number, but I'm in the kitchen, so when you call...
 144 - No, you just gotta think, "Kitchen, kitchen, kitchen."
 145 - Okay.
 146 - This is so exciting. Yeah.
 147 - You're going to be a father, and I'm going to be all alone.
 148 - My clock is ticking.
 149 - I just don't want to screw this thing up, you know?
 150 - When that kid opens his eyes,
 151 - I want his daddy, who loves him,
 152 - to be the first thing he sees.
 153 - Plus, I don't want him to get switched at birth
 154 - with one of those babies that doesn't speak English.
 155 - Why are you here?
 156 - This isn't your home.
 157 - It still wouldn't kill you to put up some pictures of me.
 158 - I got it!
 159 - Hello?
 160 - Charlie Schmidt!
 161 - I haven't talked to you since the war.
 162 - You know, I wasn't even sure they pulled you out of the water.
 163 - If I had known...
 164 - Never call here again!
 165 - Kelso... Well, I gotta keep the line open.
 166 - I'm gonna kill you and mount your head on the TV.
 167 - And if it helps me get better reception,
 168 - it'll do more for me than you have in your whole life.
 169 - Oh, Fez, Michael, meet William Barnett, Steven's father.
 170 - Good to meet you both.
 171 - Will you look at that?
 172 - Yeah, I'm half black, man.
 173 - Kind of puts all the pieces of the puzzle together, don't it?
 174 - Hey, I'm having a kid soon. I wonder if mine's gonna be half black.
 175 - Is the mother black?
 176 - No.
 177 - I have to say, Mr. Barnett,
 178 - it's nice to see another person of color in this town.
 179 - White people, you know what I'm talking about?
 180 - Can't say that I do.
 181 - Oh, I hear you, brother man.
 182 - Eric, are you ready to go?
 183 - I wanna get to the feminist rally in time
 184 - for the Hugh Hefner pinata.
 185 - Ooh! Uh, Mr. Barnett, this is Donna. Donna, this is...
 186 - I'm Steven's father. I'm black, and it's okay.
 187 - Wow! Whoa! Donna, please,

188 - do not flip out on the man just because of the color of his skin.
 189 - I would never do that. I would never do that.
 190 - Okay, Donna, let's just go,
 191 - and maybe in the car we can have a little talk
 192 - about how hurtful our preconceived notions can be.
 193 - Power.
 194 - Steven, this is so exciting.
 195 - I know, I met my dad.
 196 - And he's rich.
 197 - Now, instead of waiting for you to get off your butt and make some money,
 198 - we can just inherit it.
 199 - Wait a minute, you mean inherit it from me?
 200 - No, no, no, no.
 201 - All she means is that you are doing quite well.
 202 - When I talked to your secretary and she put me on hold,
 203 - there was music on the line.
 204 - Ha! I thought to myself,
 205 - "Well, this is a man who can afford a thing or two!"
 206 - I see, so you knew I had money before you invited me here?
 207 - Is that supposed to mean something?
 208 - I don't know.
 209 - Why don't you tell me, Steven?
 210 - What are you talking about?
 211 - Well, I mean, we don't have to play games.
 212 - I can give you money, if that's what you're after.
 213 - That's who you think I am?
 214 - I'll see you guys later. Steven...
 215 - No, you know what?
 216 - I didn't need anything from him growing up,
 217 - and I don't need anything from him now.
 218 - You know, that was very rude of you.
 219 - And I can't believe I'm saying this to someone wearing cashmere,
 220 - but, well, I don't think we can be friends.
 221 - How could you say that to Steven?
 222 - He doesn't want your money, I want your money.
 223 - How could you think that anybody here needs your money?
 224 - Look at this place.
 225 - Glass grapes,
 226 - pizza rolls, an organ.
 227 - It's like Carnegie Hall.
 228 - I stand by what I said. What else was I supposed to think?
 229 - You're supposed to look at me
 230 - and know that I raised fine young men.
 231 - Even though one of them is at a feminist rally.
 232 - Mr. Barnett, you are wrong about Steven.
 233 - He's perfect.

234 - I think you should go.
235 - I agree.
236 - I was gonna pack you some leftovers,
237 - but that ship has sailed, mister.
238 - I hope this doesn't discourage you
239 - from inviting a second black person into your home.
240 - What do we want? A safe park!
241 - And when do we want it? Now!
242 - I can't hear you, ladies! When do we want it?
243 - Now!
244 - Take back the night!
245 - This feels really good, Donna.
246 - You know, I... Women should be able to walk through this park
247 - without being afraid.
248 - In fact, someday, I hope
249 - that I can walk through this park without being afraid.
250 - It helps to whistle.
251 - Well, I'm really glad you came with me.
252 - And I loved seeing how passionate you got singing I Am Woman.
253 - Well, I'm having a lot of fun, Donna,
254 - and I'm sorry, but you look so hot.
255 - Your new blonde hair shining in the light
256 - of the burning effigy of that molester.
257 - Hey, I got an idea.
258 - Why don't we go "take back" the area behind that bench?
259 - When do you want it? Now!
260 - Brooke, did you have the baby yet?
261 - Fez?
262 - No, this is your baby.
263 - And I'm really ugly.
264 - Okay, I know this is a prank,
265 - 'cause there's no way my baby would be ugly.
266 - Hello?
267 - Yes, is your refrigerator running?
268 - Because if it is, you better go catch it. Burn!
269 - Stop calling me!
270 - What?
271 - Are you mad?
272 - No, Fez.
273 - Look, you sound mad.
274 - Well, I'm fine.
275 - You say the words, but I can tell you don't mean it.
276 - Look, just don't call me anymore!
277 - Why do you keep hanging up on me if you're not mad?
278 - I'm waiting to hear from the mother of my child!
279 - So you are mad.

280 - Curl up with the phone so we can talk this over.
 281 - Fez, I'm hanging up.
 282 - Fine, just hang up, then.
 283 - Fine.
 284 - Are you still there?
 285 - Yeah, I'm still here.
 286 - Hey.
 287 - Hey.
 288 - Thanks for not hanging up.
 289 - I'm just so mad at that William Barnett.
 290 - I mean, thinking you wanted something from him.
 291 - Everyone knows I'm all you've ever desired.
 292 - Look, if I was in his place,
 293 - I probably would have thought the same thing, you know?
 294 - It's not a big deal. I just wanted to meet the guy
 295 - and find out if he looked like I imagined my father would look like.
 296 - By the way, no.
 297 - Well, who needs a father, anyway?
 298 - You know what? I've been doing just fine
 299 - since my dad disappeared into the jungles
 300 - to bring freedom to the grateful natives.
 301 - Jackie, your father is in prison
 302 - for embezzling 60,000 *from the city*.
 303 - *I'm pretty, don't contradict me.*
 304 - *Bring it on, ladies.*
 305 - *You know what's great?*
 306 - *There's, like, half - a - dozen women*
 307 - *on the other side of that hedge*
 308 - *who would kill to be where I am right now.*
 309 - *Ow! Ow! You're on my hair.*
 310 - *Your beautiful blonde hair?*
 311 - *Get off me! Get off!*
 312 - *Hey, there's a woman in trouble. Let's get him, sisters.*
 313 - *What? No, no!*
 314 - *That's right, you pervert. No means no.*
 315 - *No, ladies, please. I'm...*
 316 - *I'm one of you!*
 317 - *Let's put these work boots to use.*
 318 - *Run, Eric! Run like Bruce Jenner!*
 319 - *Oh, crap, he doesn't know sports.*
 320 - *Open up, it's Dr. Baby Doctor.*
 321 - *I have your baby and he wants to talk to you.*
 322 - *It's just me.*
 323 - *I'm not a doctor, and I don't have your baby.*
 324 - *Burn!*
 325 - *That was a good one.*

326 – *Listen, this baby stuff's, like, really important to me, okay?*
 327 – *So I'm trying to take it seriously.*
 328 – *Hey, say no more. My sensitive friend, I am sorry.*
 329 – *No more phone pranks from now on.*
 330 – *Learnt to trust your friends.*
 331 – *Mr. Sexy's Pizza.*
 332 – *Ourspecial today is sex – a – roni.*
 333 – *Fez! God!*
 334 – *Hello?*
 335 – *Brooke!*
 336 – *What? Your water broke?*
 337 – *What does that mean?*
 338 – *Oh, God, that's disgusting.*
 339 – *No, why would you tell me that?*
 340 – *Oh, jeez! Okay, okay, I'm on my way.*
 341 – *This is it! I'm having a baby!*
 342 – *Go get 'em, buddy!*
 343 – *Mr. Sexy's Pizza.*
 344 – *Ourspecial today is sex – a – roni.*
 345 – *Well, it's like pepperoni, but sexy.*
 346 – *You mean, you want some?*
 347 – *We're closed.*
 348 – *Hey. Hey.*
 349 – *So I was wondering if maybe we could try this again.*
 350 – *Yeah, I mean, it worked so well the first time.*
 351 – *I'm sorry about that. Thing is, if I grew up with nothing*
 352 – *and found out I had a dad with money,*
 353 – *I would have thought maybe he owed me something.*
 354 – *Well, that's not me.*
 355 – *I know. But when we first met, I thought I saw myself in you.*
 356 – *Yeah, I can see that.*
 357 – *You and me, it's like looking in a mirror.*
 358 – *So you want to go get a beer or something?*
 359 – *I can get you in some places you've probably never been to.*
 360 – *Oh, like that cool jazz bar off the highway?*
 361 – *No, no, I'm talking about country clubs, fancy restaurants.*
 362 – *I'm rich as hell, man.*
 363 – *Everything okay here, Steven?*
 364 – *Yeah, everything's fine.*
 365 – *I am so glad you're back.*
 366 – *I felt horrible letting you go off without any leftovers.*
 367 – *It's nice meeting you, Red.*
 368 – *And you're right. You have raised some fine young men.*
 369 – *Yeah, I'm real proud of them.*
 370 – *They stole all my clothes.*
 371 – *Who?*

372 – *Theangry mob of feminists.*
 373 – *Man, look at you. They even shaved off all your body hair.*
 374 – *Yes.*
 375 – *Yes, they did.*
 376 – *So Kelso has a child.*
 377 – *I cannot wait to see the smile on that sweet little face.*
 378 – *And I'll bet the baby's cute, too.*
 379 – *It is so cool that Steven's father is rich.*
 380 – *You know, it almost makes up for my father being locked away in...*
 381 – *I mean, native land.*
 382 – *Eric, I'm so sorry about what happened at the rally.*
 383 – *It was like watching an antelope*
 384 – *get taken down on Wild Kingdom.*
 385 – *This is a permanent marker, Donna.*
 386 – *I don't think this is coming off!*

3.3 Episode 03: (I Can't Get No) Satisfaction

1 - Okay, so tell me about the job hunt.
 2 - Did my little worker bee find a happy hive?
 3 - No, all the jobs had the same problem, a dumb ass boss.
 4 - You know, one guy actually thought that duct tape was called "duck" tape.
 5 - A security guard had to pull us apart.
 6 - Oh, honey, you'll find something.
 7 - You worked at that auto parts plant for so long.
 8 - Did you try looking at auto parts stores?
 9 - Well, I'll be, Kitty.
 10 - And here I spent all morning applying to be an astronaut.
 11 - What the hell is wrong with your muffler?
 12 - I didn't notice anything.
 13 - Maybe I was too busy enjoying my morning ice cream.
 14 - That's right, my morning ice cream.
 15 - Part of my new "year off" philosophy, I want a treat, I get a treat.
 16 - We haven't even had lunch yet.
 17 - Eric never eats dessert before a meal.
 18 - He used to say, "When I finish my peas, I can eat what I please."
 19 - I taught him that.
 20 - I also taught him, "Eat your asparagus or people will stare at us."
 21 - It's not true but he was little.
 22 - Good Lord, is that bubblegum ice cream?
 23 - Well, it's not simply bubblegum ice cream,
 24 - it's frosty double-bubble blast-off.
 25 - Why are you with him?
 26 - - I find him whimsical. - So do I.
 27 - Isn't that nice? They find me whimsical.
 28 - Who's got a bad muffler?

29 - See? Even Bob knows when a car sounds off.
 30 - I never know what you mean by "even Bob,"
 31 - but I like to assume it's a compliment.
 32 - Have you checked your muffler lately?
 33 - I'm gonna be honest with you, I haven't.
 34 - But that green, liquid stuff under the hood seems to be at a really healthy level.
 35 - Coolant.
 36 - Donna, I think I can handle this, okay?
 37 - You cool it.
 38 - All right, that's it.
 39 - We're going to the muffler shop.
 40 - This whole family is gonna learn a little lesson in muffler care today.
 41 - Well, it's not a trip to Europe, but at least I get out of the house.
 42 - Wait a second. You're not just tricking me into the car
 43 - and really taking me to the pediatrician for a booster shot, are you?
 44 - - No. - Good.
 45 - 'Cause that only works twice.
 46 - So, Steven, did you have a good time when you went out with your new dad?
 47 - Yeah, it was all right.
 48 - - Well, have you called him yet? - No.
 49 - I know if I went out with a boy and he didn't call me after three days,
 50 - I'd know he wasn't interested.
 51 - Well, Jackie, my dad and I aren't dating.
 52 - We're a father and an illegitimate son.
 53 - Great news, I had a baby, and it's a girl!
 54 - - Oh, man, fantastic. - Congratulations, man.
 55 - See, Michael, I'm trying to be happy for you
 56 - but your hair is making it really hard.
 57 - What happened?
 58 - Well, I was waiting for Brooke to have the baby, right?
 59 - And I was chewing gum,
 60 - and then I decided that I wanted to blow a bubble as big as my head.
 61 - And then I did,
 62 - and then you can probably figure out the rest of the story.
 63 - - Oh, what's her name? - Betsy.
 64 - Fat girl's name.
 65 - I don't know, I kind of like it.
 66 - But, of course, I also like the larger ladies.
 67 - Well, I had no say.
 68 - If it was up to me, it would've been something classy, like Bambi.
 69 - Man, do you even know what "classy" means?
 70 - 'Cause you're always saying things are classy when they aren't,
 71 - like your classy carpeted van.
 72 - The Shagging Wagon?

73 - That had a buttload of class. Check it out.
74 - Oh.
75 - Wait, Michael, these are all pictures of you.
76 - Yeah, I was the only thing not covered in slime.
77 - Oh, here's one of Brooke's boobs.
78 - Where did that one of Brooke's boobs go?
79 - Ah, here we go. Here's a picture of the kid.
80 - Nice, Kelso, she's got Brooke's eyes
81 - and your fondness for mooning the camera.
82 - Oh, Michael, she is adorable.
83 - Hey, I brought cigars to celebrate.
84 - - Sweet. - Fun.
85 - I love cigars.
86 - I hate cigars.
87 - This is way worse than what we usually do in the circle.
88 - It tastes disgusting, it smells rank, it doesn't even make stuff funny.
89 - This should be illegal.
90 - I hate this.
91 - It's like smoking a dirty sock, only easier.
92 - I love cigars. I'm good at everything.
93 - I just threw up a little.
94 - Hanging out
95 - Down the street
96 - The same old thing
97 - We did last week
98 - Not a thing to do
99 - But talk to you
100 - We're all all right
101 - We're all all right
102 - Hello, Wisconsin!
103 - "Out of business"?
104 - I can't believe it. I loved this place.
105 - How could this happen?
106 - Red, it's not your ancestral home.
107 - Well, what kind of a town is this anymore,
108 - if we don't even have a muffler shop?
109 - A loud one.
110 - Okay, cheer up. Maybe this is good news.
111 - Ooh, what if something fun opens up here next, like a button shop.
112 - We could come here as a family
113 - and just dig and dig through big drawers of buttons.
114 - I think it sounds fun.
115 - Okay, you guys, I made a list of all the things I wanna do on my year off.
116 - Check out number five.
117 - "Jump into my car through the window like the Duke boys."
118 - No, no, no, no. No, I already did that. That should be crossed off.

119 - Number six.
 120 - "Vandalize a local business"?
 121 - Yes, and today I happened to see an out-of-business muffler shop.
 122 - Imagine the muffler shop signs
 123 - with the "L-E-R" scratched off the word "muffler."
 124 - Eric, no, that's gross.
 125 - What's gross? I don't get it. I want to know what's gross.
 126 - Replace your old "muffler" without the "ler."
 127 - "Replace your old muff..."
 128 - Oh, I get it.
 129 - I get it.
 130 - Okay, you know that I'm digging the new, whimsical Eric,
 131 - but don't you think you could find a prank that isn't highly offensive to women?
 132 - Donna, you're asking me to play tennis without a racket here.
 133 - Okay, what if you took "M-U-F" off the front of "muffler"
 134 - so the sign says stuff about "flers," right?
 135 - That's French for flowers,
 136 - and people will be really mad if they thought it was a French flower shop.
 137 - Huh?
 138 - Yeah, that sucks, yours is funny. Go.
 139 - I never thought this could happen,
 140 - but I've officially become more attractive.
 141 - Tonight, I have a date with a chick who called my single fatherhood
 142 - the cutest thing she'd ever heard of.
 143 - You know, I don't know why
 144 - more guys don't impregnate women and then not marry them.
 145 - Maybe because it's irresponsible and shortsighted.
 146 - Okay, I might be irresponsible but my vision is perfect.
 147 - "Trade in your used muffler."
 148 - It's brilliant.
 149 - He's right. I am delighted and disgusted at the same time.
 150 - It's just nice to finally feel that way when I'm not alone.
 151 - Hey, let me ask you guys a question about my dad.
 152 - Shoot.
 153 - How often are you supposed to talk to the man who impregnated your mom
 154 - before she married the man you thought was your father?
 155 - Um, I could check with some folks in Kentucky and get back to you.
 156 - I could give you the number of some first cousins who got married.
 157 - Thanks, man, I don't really wanna talk to your parents.
 158 - Ah, good burn.
 159 - Okay, ice cream's finished, bubblegum, I will save you for later.
 160 - Guys, let's do this.
 161 - "Winterize your muffler."
 162 - You know, I almost hope we get arrested.

163 - I really want this on my record.
 164 - Well, it's clear these baby pictures are having the desired effect.
 165 - Oh, and here's another one after we hosed her off and warmed her up.
 166 - Oh, she's so cute. Almost as cute as you.
 167 - Yeah, she wishes.
 168 - Oh, my gosh!
 169 - I had that same blankie when I was a baby.
 170 - My daddy use to wrap me in it after my bath.
 171 - Your daddy?
 172 - Oh, my God.
 173 - You're somebody's daughter?
 174 - So?
 175 - So, I'm thinking about how I would feel if my baby girl was out with a guy like me.
 176 - And it is not good. I'm all hands.
 177 - That's okay, because I want you to...
 178 - Dude, that is not what that is for!
 179 - Look at you,
 180 - with your bright eyes and your rosy cheeks.
 181 - I think vandalism really agrees with you.
 182 - Well, Donna, I think I've really turned a corner here.
 183 - I'm tough, I'm gritty...
 184 - Okay, I've got paint under my fingernails.
 185 - I may need to borrow my mother's manicure set.
 186 - No, leave it. It makes you look dangerous.
 187 - Like you don't even know what a manicure set is.
 188 - Donna, you got a little something on your face, I got it.
 189 - Kitty, come on in here.
 190 - Boy, have I got big news.
 191 - - What's going on? - We just came from the bank.
 192 - - You know that muffler shop that went out of business? - Mmm-hmm.
 193 - - I bought it. - Oh, no!
 194 - Do the "Oh, no"
 195 - Oh, no!
 196 - Do the "Oh, no"
 197 - Oh, no!
 198 - Come on, everybody!
 199 - Do the "Oh, no"
 200 - Say what?
 201 - Do the "Oh, no"
 202 - Right now
 203 - What the hell?
 204 - Yeah. "What the hell" is right.
 205 - Who would do such an irresponsible and ironic thing?
 206 - Certainly not anyone I would want to make out with.
 207 - I mean the opposite of that.

208 - Okay, you gotta admit it, this one's pretty funny.
 209 - I'm sorry, I love word play.
 210 - I don't get it.
 211 - What's so funny about a muff?
 212 - - Kitty. - I mean, muffs aren't funny.
 213 - I have a beautiful gray one that I have been using for years.
 214 - For the love of God, please.
 215 - - Just tell me what's so funny about my... - Nothing.
 216 - - Nothing is funny. - Exactly.
 217 - Would you look at this?
 218 - Bubblegum ice cream?
 219 - Okay, good start.
 220 - Now let's fan out and search for more clues.
 221 - Then I realized that Kimberly is some guy's daughter.
 222 - Yeah, and he probably loves her as much as I love my daughter.
 223 - And then I had to go and take a boiling hot shower
 224 - and scrub until a little skin came off.
 225 - So the joy of having a daughter has come with some tragedy.
 226 - You can no longer treat women like meaningless whores.
 227 - Sucker.
 228 - Steven, see, fathers love their children,
 229 - just like your new daddy loves you. So call him.
 230 - No.
 231 - Steven, you never do anything I say.
 232 - If you were a dog or someone who worked for me,
 233 - I'd smack you on the nose with a newspaper.
 234 - All right. You guys, this is serious.
 235 - I may never be able to have sex again,
 236 - now that I realize that women are more than just sex objects.
 237 - Hey, is this like the time you realized you wanted to be a cop,
 238 - or like the time you realized that you were a robot?
 239 - My eyes were red in all of my pictures.
 240 - You know, I just don't believe that you've changed this much.
 241 - For example, what would you do if I were to lean way over like this?
 242 - What are you doing? Grab it, man.
 243 - I can't. I respect women now.
 244 - Listen, what am I gonna do?
 245 - It's no big deal, man. You can just never have sex again.
 246 - With this body?
 247 - All right. People would riot in the streets.
 248 - You know, you could engage in a meaningful relationship.
 249 - What... Donna, this is no time for your feminist mumbo-jumbo.
 250 - Okay, wait, you guys, he doesn't wanna change.
 251 - He wants to feel like he's respecting women
 252 - while still acting like a shallow creep.
 253 - You know, you've always gotten me, Jackie.

254 - That's it. I need a loophole
 255 - so I can keep doing what I'm doing without being a bad father.
 256 - The father. The father is the key.
 257 - Oh, so we kill the father.
 258 - That's not what I meant.
 259 - Oh, me either.
 260 - Of course Steven should call his dad.
 261 - I know, but he won't do it, and I've tried everything.
 262 - Nagging him, poking him, smacking him.
 263 - You know, my bag of tricks is empty.
 264 - Well, he needs a father.
 265 - The day is fast approaching
 266 - when someone's gonna have to talk to him about the birds and the bees.
 267 - Well, actually, Mrs. Forman...
 268 - Yes, it's fast, fast approaching.
 269 - Oh, here he comes. Okay, please do something.
 270 - Okay, I'm good at this.
 271 - Oh, this is Steven's father, you say?
 272 - You really wanna talk to him but he has to call you first, you say?
 273 - Mrs. Forman?
 274 - I know you're not really on the phone with my dad.
 275 - Oh, you do?
 276 - Oh, you do?
 277 - Well, you're right.
 278 - I thought you said you were good at this.
 279 - He is a lot savvier than Eric.
 280 - Why can't you guys just let me do things my own way?
 281 - Because I know meeting your dad meant a lot to you.
 282 - And every time something means a lot to you,
 283 - you push it away before it can push you away.
 284 - And every time something means a lot to me, I smother it,
 285 - which is why we're such a good couple.
 286 - Fine, I'll call,
 287 - if you both promise to stop bothering me about it, let me do it by myself.
 288 - - Absolutely. - Anything you want.
 289 - I wish I had a camera.
 290 - Can I just get a picture of you holding the phone?
 291 - - I'm hanging up. - We're going.
 292 - Going.
 293 - Yeah, hi, William Barnett, please.
 294 - Hey, man, it's Steven.
 295 - Tell him you love him. Daddy! Daddy, he loves you!
 296 - Hello, sir, I'm here to pick up Kimberly,
 297 - and I figure if I'm upfront with you about my intentions,
 298 - we can all feel good about our date.
 299 - Now, I'm about to do things of a sexual nature with your daughter,

300 - and even though she does those things with everyone,
301 - I have a new respect for the father-daughter relationship,
302 - now that I have a daughter, out of wedlock.
303 - I'm no longer with the mother, don't worry.
304 - So I figure, with your permission,
305 - I can proceed to pleasure her time and time again.
306 - What do you say?
307 - Ow!
308 - God, I can't believe Red bought the muffler shop.
309 - All right, that's it, new Eric's out, old Eric's back.
310 - I should probably just go upstairs and think about what I've done.
311 - Come on. You can't turn back now.
312 - You're like an explorer discovering a new you.
313 - When Columbus discovered America instead of the West Indies,
314 - did he go to his room?
315 - No, he waded into Mexico and stole all of their gold.
316 - Okay, I'm not following.
317 - I think it's hot when you do naughty stuff and I want you to keep doing it.
318 - You know what? It is hot.
319 - I'm not gonna let Red bully me out of it.
320 - I mean, how often was I hot before? Almost never, right?
321 - But now I am hot and hot I will stay.
322 - Let's celebrate.
323 - One of Red's beers?
324 - There's a new sheriff in town, little lady.
325 - Well, if it isn't my son, the vandal.
326 - You know, I ought to vandalize your ass with my foot.
327 - Look, I said I was sorry and I'd fix up the shop.
328 - Come on, Dad, aren't we getting a little old for this whole dance?
329 - I mean, here we are shaking our booties and I mean...
330 - Disco's dead.
331 - You're not taking dance classes again, are you?
332 - No.
333 - I'm saying here's what's gonna happen,
334 - you're gonna accept my apology, man to man,
335 - and then sit down with me and my girl here and enjoy this beer.
336 - No, here's what's gonna happen.
337 - You are gonna put down that beer and go to your room.
338 - Or here's what's gonna happen.
339 - I am gonna go to my room.
340 - But first,
341 - I'm gonna chug this beer.
342 - Chug it, Eric.
343 - Okay, that's really fizzy.
344 - But I think I made my point.

345 - Now you put some Saran Wrap on that,
346 - and I will finish it later.
347 - I will have you know that my friend Linda
348 - just filled me in on some slang words
349 - that some people in my family find funny.
350 - And now I can never feel comfortable with my muff again.
351 - - Mom... - Don't laugh, mister.
352 - When you were a baby, I used to put you in it when you got out of the
tub.
353 - Okay, this isn't funny anymore.
354 - Stop.

3.4 Episode 04: Beast of Burden

1 - So, Eric, your dad's muffler shop opens tomorrow.
2 - That's like the perfect job for him.
3 - I mean, he's been muffling you for years.
4 - Yes, he really hates noise. I think it's because it reminds him of fun.
5 - Hey, at least Red got a job he likes.
6 - I thought I was cool flipping burgers,
7 - then I met the night shift guy who's been doing it for 30 years.
8 - He's got no eyebrows, and he lives in his own car.
9 - I don't wanna be that guy.
10 - And you won't be if you follow the plan I gave you.
11 - Okay? We get a job as a local weather team.
12 - Then, go national as morning talk show hosts,
13 - and then, star in our own Ice Capades.
14 - Jackie, I've told you, I don't capade.
15 - - I am quitting my job though. - Me, too.
16 - The Department of Motor Vehicles is not as glamorous as it sounds.
17 - You know what motor vehicles are?
18 - They're cars.
19 - Just cars.
20 - Fez, you know what you should do? You should be a cop, like me.
21 - You'd go undercover and catch foreigners.
22 - Oh, so it's a crime to be foreign, huh?
23 - No, of course not.
24 - It's a crime to do the things that foreigners do.
25 - Well, I, for one, love my job.
26 - Wanna know why?
27 - I have no job.
28 - Yeah, it's one of the benefits of taking the year off.
29 - Speaking of that, how did that all-day marathon go on the Slip 'n Slide?
30 - Pretty good.
31 - Except for around hour three when I got a pretty serious owie.
32 - Yeah, when you went in for a juice, I slipped a rock under there.

33 - Anyway, today I will be chasing butterflies.
34 - Tomorrow, I'm gonna break out the giant bubble wand.
35 - What'd you do? Go down the clearance aisle at the drug store?
36 - Yes, I did.
37 - You'll all be happy to know you'll be receiving goody bags containing
38 - Fourth of July socks, corn starch and a calendar from 1972.
39 - Okay, I think we're nearly set up for business.
40 - Thanks for helping, or standing around saying, "Ew, grease."
41 - Oh, Steven, you already got that muffler together?
42 - Yeah, well, you know, metal shop was my favorite class.
43 - I went to, like, half of them.
44 - You know, I need an extra set of hands around here.
45 - How'd you like the job?
46 - No, Steven, you can't.
47 - I mean, don't take this personally, Mr. Forman,
48 - but guys who work in muffler shops are bottom feeders.
49 - Jackie.
50 - What? I said, "Don't take this personally." What else can I do?
51 - Jackie, I gotta take this job. Are you kidding me?
52 - I mean, I'm good with my hands, I don't mind dirt,
53 - and I have a high tolerance for fumes.
54 - Fine, if it makes you happy, then I'm happy.
55 - Steven, why is it everything that I love about you also grosses me out?
56 - You're so complicated.
57 - Okay, you can start tomorrow.
58 - But we're not driving in together, that's too weird.
59 - Cool.
60 - All right, I gotta take off. Gonna go have lunch with my new dad.
61 - Oh. Bring a camera and get a picture.
62 - Steven, you don't have any family pictures.
63 - Well, we have some really good ones of my mom, down at the county jail.
64 - One full face, two profiles, each one dated and numbered.
65 - Oh, Steven, you've had the hardest life.
66 - You know, I should probably be more generous and considerate with you.
67 - But I am what I am.
68 - Okay, we are going to make this the prettiest muffler shop ever.
69 - Really, all I wanted was a grand opening sign.
70 - And you've got one.
71 - In needlepoint.
72 - Kitty, that's so tiny.
73 - Needlepoint is very hard work.
74 - You never appreciate anything I do.
75 - You should have just married Betty Parker.
76 - No, no, what I meant was, it's so tiny like your waist.
77 - Thank you.
78 - Eric, you wanna hand me the manifold?

79 - The manifold.
80 - Manifold.
81 - Man, I folded that.
82 - Eric, are you ready to help me decorate?
83 - Yes. Now I was thinking we could line this counter here
84 - with red-white-and-blue bunting.
85 - How is it that I raised a son who knows bunting
86 - but not manifold?
87 - Well, maybe the problem is that you were never around.
88 - I was always around.
89 - Yeah, maybe that was the problem.
90 - Hanging out
91 - Down the street
92 - The same old thing
93 - We did last week
94 - Not a thing to do
95 - But talk to you
96 - We're all all right
97 - We're all all right
98 - Hello, Wisconsin!
99 - Never been to a beauty salon.
100 - I'm excited to see how they make people beautiful.
101 - Especially that lady over there, that's gonna take some work.
102 - Well, Fez, I don't know how long I'm gonna be here, so no wandering off.
103 - You gave me a hell of a scare the other day at the mall.
104 - Yeah, I'm not going anywhere.
105 - I'm just enjoying my time away from the DMV.
106 - All those foreigners.
107 - Learn to speak garbled English, people.
108 - Well, the last time I was here, they were looking for help.
109 - And they have no idea how weird you are.
110 - That is an advantage.
111 - - What's the job? - Shampoo boy.
112 - Shampoo boy?
113 - You mean I will get paid to touch hair?
114 - I used to get in so much trouble for that.
115 - Hey.
116 - Don't touch me.
117 - What're you doing, man?
118 - What am I doing?
119 - What are you doing with your long, beautiful hair, you hippie freak?
120 - That's it.
121 - It is my destiny to be a shampoo boy.
122 - Wait, wait, wait, wait, wait. Is there a job that pays you to eat pie?
123 - No.
124 - It is my destiny to be a shampoo boy.

125 - Hey, Mom, guess what Hyde just told me?
 126 - If it's tawdry, I don't wanna hear it.
 127 - No. Dad offered him a job at the muffler shop.
 128 - And did I even get an offer? No, like I wasn't there, too.
 129 - Like I was all sore from hanging all that bunting.
 130 - Well, sweetie, don't take it so hard.
 131 - Your father's always had a soft spot for Steven.
 132 - But he loves you, too. I just know it.
 133 - Well, you know what I think?
 134 - If Dad loves Hyde so much, maybe he should marry him.
 135 - Honey, that's not possible. Your father's already married to me.
 136 - No, Mom, it's an expression.
 137 - Well, it's not a very good one.
 138 - 23 skidoo. Now, that's an expression.
 139 - Yes.
 140 - That's what I should have said.
 141 - Kitty, look. I framed one of my "Grand Opening" fliers.
 142 - Now, if the shop's a success, I'll have a souvenir.
 143 - And if not, I'll have something to glare at while I'm drinking.
 144 - It's a very good idea.
 145 - And you know what else is a very good idea?
 146 - Offering Eric a job, just like you did Steven.
 147 - Kitty, I can only afford to hire one person.
 148 - And why can't that one person be your very own son?
 149 - Because my very own son can't do anything.
 150 - Now, that's not true.
 151 - Just today he caught the most beautiful butterfly.
 152 - Well, if a giant butterfly is tearing up the shop,
 153 - I'll call Eric.
 154 - I'm not sure I want him to face a giant butterfly.
 155 - So, Red, we got your muffler store flier, and I'm a little hurt.
 156 - You know, you never asked for my input.
 157 - I mean, I had a business of my own.
 158 - Bob, your business went under.
 159 - Yeah, but very slowly.
 160 - Well, don't feel insulted, Bob.
 161 - Red wouldn't even give his own child a job.
 162 - If you had a muffler shop, wouldn't you give Donna a job?
 163 - Sure, Donna knows her way around a car.
 164 - But Eric thinks an exhaust belt
 165 - is something that holds up your pants when you're tired.
 166 - There's no such thing as an exhaust belt, Bob.
 167 - Well, then he thinks something else is something else.
 168 - You know, when you start a new business, you need a gimmick.
 169 - When I opened my store, I rented a monkey.
 170 - People drive 100 miles to see a monkey, 200 if he's wearing a suit.

171 - And Bobby dressed up as Tarzan and I dressed up as Jane.
 172 - - Remember? - Do I?
 173 - Me Tarzan, you Jane.
 174 - That's just what I said.
 175 - Bob, I'll tell you what my gimmick is gonna be.
 176 - Good service at a fair price.
 177 - Oh, please, leave that stuff to the Japanese.
 178 - Hey, Jeri.
 179 - This is Fez, and he would like to apply for the shampoo boy job.
 180 - Yeah? Why do you wanna be a shampoo boy?
 181 - Because I love hair, on the head, on the body, on the floor,
 182 - and if there's one on my salad, I enjoy it more.
 183 - - Fez. - Okay, maybe I got a little carried away.
 184 - The one on my salad, I can take it or leave it.
 185 - You're a little creepy.
 186 - But you're cute, so I'll test you on one of our regular clients.
 187 - Yes. That's great, Fez. I have complete faith in you.
 188 - - You're gonna wash Donna's hair. - Oh.
 189 - Um, you know, I'm kind of exclusive with Paulette.
 190 - I can't just test him on anyone, he seems kind of pervy.
 191 - She gets me.
 192 - Okay, fine.
 193 - But nothing other than your hands touches nothing other than my head.
 194 - Oh, thank you, Donna. You're not gonna regret this.
 195 - And that's the first time I said that to a girl and meant it.
 196 - Well, thanks for lunch, man.
 197 - I gotta say, a burger just tastes better
 198 - when it's bought for you by your new black dad.
 199 - So, you must really love Led Zeppelin.
 200 - That's the oldest shirt I've ever seen on someone who wasn't a bum.
 201 - Hey, if God didn't want me to wear it so much,
 202 - he wouldn't have made them rock so hard.
 203 - Zep is cool, I caught them back in '69, front row.
 204 - Whoa.
 205 - I did well with the ladies that night.
 206 - They probably thought I was Jimi Hendrix.
 207 - I told them I was Jimi Hendrix.
 208 - - Smile. - Jackie,
 209 - I'm trying to have lunch here, do you mind?
 210 - Who cares about lunch, Steven?
 211 - We need a picture of a parent who's not under arrest.
 212 - Listen, the reason I wanted to see you was,
 213 - I was thinking that maybe you'd like to come work for me.
 214 - I could teach you the record store business.
 215 - Well, I have stolen a lot of records.
 216 - I would like to learn why people pay for them.

217 - You know what? I can't. I just took another job today.
218 - Well, quit that job.
219 - You come work for me and we'll kick butt at the father-son picnic.
220 - I'll even start a father-son picnic just so we can kick butt.
221 - Man, that sounds really cool. You know, I'll try and work it out.
222 - That's what I like to hear.
223 - Hey.
224 - But, Steven, you're gonna need a picture for your Christmas card.
225 - So, Hyde, when my dad offered you the job, what exactly did he say?
226 - Was it like, um,
227 - "Since I don't see my own son here right now,
228 - "I might as well just give you the job."
229 - I can't believe I got a job from my dad and from Red.
230 - Now I have two jobs.
231 - It's like I'm a workaholic.
232 - I gotta tell you, that's not the kind of holic I thought I'd be.
233 - Hyde, this is really getting to you.
234 - I mean, look at you, you're leaning forward,
235 - you got your sunglasses off, you're freaking out.
236 - Well, this is an emotional time for my Steven.
237 - His new daddy and his substitute daddy are in a tug-of-war for his heart.
238 - Whoa, I thought we established that Hyde doesn't have a heart.
239 - It was, no heart, no brain, no courage.
240 - I'll just have to tell Red I can't take the job.
241 - I mean, he'll understand.
242 - Wait, I'm the scarecrow?
243 - He's the one who gets set on fire.
244 - Oh, yeah, that's me.
245 - Steven, I have a little surprise for you.
246 - Pretty nice, huh?
247 - They already had a bunch of patches that said "Steven."
248 - But I had a "Hyde" one custom-made 'cause I know that's what you prefer.
249 - Whoa, whoa, whoa. Custom-made?
250 - He once got me a hat that said "Erin" because it was "close enough."
251 - Uh, thanks, Red, this is really cool.
252 - Yeah, well, you can buy your own pants.
253 - Hyde, why didn't you say anything?
254 - Because he is torn between two daddies.
255 - Look, Steven, when you're in a moral quandary, do what I do.
256 - Okay? Put on some Donny Osmond,
257 - close your eyes and ask yourself one question.
258 - Who's richer?
259 - Okay, Fez, this is your station.
260 - Donna, here's my pepper spray, just in case.
261 - You owe me.

262 - Okay, let's see what we have to work with here.
 263 - Fez!
 264 - Shouldn't you be doing something with soap and water?
 265 - Oh, so you want it wet and soapy.
 266 - Fez, I just want my hair washed.
 267 - Oh, so you wanna call the shots.
 268 - Don't do the silly "want" stuff.
 269 - - Oh, so you want it silent? - Fez.
 270 - Okay, okay. Showtime.
 271 - Now, you are about to experience some feelings.
 272 - My advice is, give in to them.
 273 - Hey, come on in, look around.
 274 - Heck, take a muffler if you like.
 275 - Tom, I'm just kidding.
 276 - Don't touch anything you're not gonna buy.
 277 - WB, surprised to see you here.
 278 - Well, I just wanted to see why Steven would take a job at a muffler shop
 279 - instead of working for me in an office
 280 - with air-conditioning and a pension plan.
 281 - I guess white folks are just weird.
 282 - And he didn't even think about offering me the job, did he?
 283 - Oh, well, honey, he just didn't think you were a good fit.
 284 - It's called Forman Son.
 285 - It doesn't say whose son.
 286 - - What the hell are you doing? - What?
 287 - It's your first day on the job and you're drinking?
 288 - This is not summer camp, you know.
 289 - There's drinking at summer camp?
 290 - Look, if you're not responsible enough to handle yourself,
 291 - then obviously I made a big mistake.
 292 - I hope there's another job out there for you because you're fired.
 293 - My dad told you he offered me a job, didn't he?
 294 - What?
 295 - No. What?
 296 - 'Cause I've heard you fire a lot of people,
 297 - and I've never heard you saying,
 298 - "I hope there's another job out there for you."
 299 - You say, "I hope my foot doesn't get stuck in your ass."
 300 - Or, "Don't let my foot get stuck in your ass on the way out the door."
 301 - Or the classic, "I'm gonna stick my foot in your ass."
 302 - Listen, get out of here.
 303 - Thanks, Red.
 304 - You're such a softy.
 305 - Are you lurking behind everything?
 306 - Well, it's the only way I get to see your real emotions.
 307 - So, I guess you have a job to offer Eric, after all.

308 - Yeah, well, I guess I could teach Eric something about cars.
 309 - Maybe if I told him they were called space mobiles, he'd take to it.
 310 - Hey, Eric.
 311 - How'd you like to work for me?
 312 - Here? With you?
 313 - Wow, Dad, that would mean a lot.
 314 - Then it really would be Forman Son.
 315 - - So, you'll take the job? - Hell, no.
 316 - Good.
 317 - I mean, I don't wanna work. This is my year off.
 318 - Then why did you complain all day about not getting the job?
 319 - Oh, well, Mom, I just wanted to get invited to the dance.
 320 - I mean, I didn't want to dance.
 321 - Hell, I don't even know any of the steps.
 322 - Honey, you are a wonderful dancer.
 323 - Hey, man.
 324 - Is that job still available? 'Cause Red just fired me.
 325 - - Sure. Job's yours. - Cool.
 326 - - When do I start? - How about Monday?
 327 - Ooh, Monday's are gonna be tough for me.
 328 - I find I'm fresher if I start my work week on a Tuesday.
 329 - Say, sometime after lunch?
 330 - I'll see you Monday at 9:00.
 331 - Let's call it 10:00.
 332 - Jackie, Jackie.
 333 - Fez shampooed my hair.
 334 - And you were able to untie yourself and get away?
 335 - No, Jackie, his hands were amazing.
 336 - At one point, it was like he had five extra fingers.
 337 - Well, Donna, he is foreign. He might.
 338 - Ladies.
 339 - Hi, Fez.
 340 - Well, it's official. I am shampoo boy.
 341 - The word on the street is,
 342 - you need to smoke a cigarette after this boy lathers you up.
 343 - I'm the one who said that.
 344 - Fez, did you get taller?
 345 - Well, I'm gonna make an appointment.
 346 - But I'm not using the same sink as the old ladies.
 347 - Oh, you'll use the sink I tell you to use.
 348 - Okay, Fez.
 349 - Wow.
 350 - Hey, Red. This is going great.
 351 - Ah, yeah, it's going okay.
 352 - But can you imagine how great it would be going
 353 - if he'd used the midget catering company I told him about?

354 - Yeah, well, thanks, Bob,
355 - for not forcing some cockamamie gimmick down my throat.
356 - Hey, I'd never do that.
357 - Kelso, plan's off. Get it out of here.
358 - We got him for three more hours.
359 - I'm gonna see if I can teach him how to drive.
360 - There's a butterfly in the backyard. I'm on it.
361 - Okay, he's after me. He's after me.
362 - Crap, that just made him mad.

3.5 Episode 05: It's Only Rock and Roll

1 - Doesn't anybody want to ask me how I'm feeling?
2 - Well, of course. Eric, ask your mother how she's feeling.
3 - - How are you feeling, Mom? - Unneeded, unnecessary and unloved.
4 - Oh, you set me up.
5 - Well, there's no one for me to take care of.
6 - Steven's off with his dad,
7 - you're busy with your silly not-working projects,
8 - and we haven't heard from Laurie since she moved to Canada.
9 - Where bottomless dancing is legal.
10 - Cheer up, Kitty. You'll always have me to take care of.
11 - Oh, the way you eat, you'll be dead long before me.
12 - You're the one that puts bacon on everything.
13 - - I do not. - Last week you put bacon on ham.
14 - Fine! Everything's my fault.
15 - Man, I can't wait to be married.
16 - All right, fine. Look, we could talk all day,
17 - but I see one little fella that still needs your attention.
18 - We still have Schatzi?
19 - I thought he ran away.
20 - No, he's been hiding underneath the house.
21 - For a year?
22 - Poor little fella, he's afraid of the garden hose.
23 - Look, Mom, maybe you should stop worrying about everyone else so much
24 - and start thinking about yourself.
25 - Maybe you should find something to enrich your life.
26 - Oh, may I suggest the teachings of the Jedi?
27 - And may I suggest the footing of your ass?
28 - This is not the ass you're looking for.
29 - See, now you don't know what to do.
30 - You guys, yesterday at the salon, I gave a shampoo to Tina Simpson,
31 - and you know what? She has a lumpy head.
32 - Oh, gross. I made out with her in the 10th grade.
33 - If I had known she had a lumpy head, I would have felt around up there.
34 - I mean it's gross, but you wanna feel it, right?

35 - You guys, listen to this ad. "Do you like to draw?"
 36 - Well, I have been known to trace my hand and turn it into a turkey.
 37 - "If so, have your artistic ability evaluated
 38 - "by The Cartoon Academy of Fort Lauderdale."
 39 - Ooh, I think Picasso went there.
 40 - All I have to do is send in my drawing of Sanchez the Turtle
 41 - and a money order for 19.95.
 42 - *Twentybucks to get judged by a panel of cartoon experts?*
 43 - *I'd pay twice that.*
 44 - *Steven, you cannot go to your first day at your dad's company dressed like that.*
 45 - *You're reworking there, not digging a ditch to there.*
 46 - *Jackie, he owns a chain of record stores.*
 47 - *This is the official uniform of rock'n'roll.*
 48 - *I'm dressed to jam.*
 49 - *I agree with Jackie. You clean up son.*
 50 - *Let the world see what I see.*
 51 - *I'm sorry. I'm drawing Sanchez the Turtle, and I made a little bubble*
 52 - *where he's saying, "What's the hurry, guys?"*
 53 - *Watch your back, Doonesbury.*
 54 - *All right. Steven, you know, I really think you...*
 55 - *Lay off, okay? I'm dressed fine.*
 56 - *Really? What's the job? Are they looking for an entry - level hobo?*
 57 - *Actually, I'm hoping to get to listen to the records*
 58 - *and pick which ones the stores carry.*
 59 - *In which case, bye - bye, Andy Gibb.*
 60 - *What do you have against good - looking guys?*
 61 - *You know, we're just like you, except for much better - looking.*
 62 - *You know what you should do? Bring back swing music.*
 63 - *Hey, sueme. I like a song I can throw a lady around to.*
 64 - *Hanging out*
 65 - *Down the street*
 66 - *The same old thing*
 67 - *We did last week*
 68 - *Not a thing to do*
 69 - *But talk to you*
 70 - *We're all right*
 71 - *We're all right*
 72 - *Hello, Wisconsin!*
 73 - *- Here's where you'll be working, son. - Oh, it's pretty grim.*
 74 - *So, is this where we interrogate the political prisoners?*
 75 - *So, um, where's all the records at?*
 76 - *Right there. These papers are the sales records*
 77 - *for all of our stores in the greater tri - county area.*
 78 - *These aren't the kind of papers I thought I'd be working with.*
 79 - *I thought they'd be smaller and wrapped around something illegal.*
 80 - *Look, I don't want a bum you out, but we kind of have a dress code here.*

81 – *You're dressed pretty casual.*
 82 – *Yeah, but this is silk. You couldn't pull it off.*
 83 – *Steven, I love your closet! Where's your office?*
 84 – *— Did you follow me here? — And you never even saw me.*
 85 – *See, the trick is, is to stay two cars behind and don't go to the left.*
 86 – *Oh, here, I brought you a very special lunch,*
 87 – *and it's wrapped in a suit and tie!*
 88 – *Wear it.*
 89 – *As a suit? See, she has the right idea.*
 90 – *Well, I told him to dress nicer. But he's poor, and that's your fault.*
 91 – *Steven, we're gonna be evaluating store profits from last quarter.*
 92 – *So your job is to go through these records*
 93 – *and to underline every instance of the word "credit."*
 94 – *That's what I'm gonna be doing my whole first day?*
 95 – *First day? Ha! It'll take you a week.*
 96 – *But if you get bored, do what I do. Play golf.*
 97 – *— I don't play golf. — Good, you can't leave anyway.*
 98 – *— What exactly are they doing? — I'm not sure.*
 99 – *I think it's like a karate that kills you with a jiggle.*
 100 – *And that's how you do taichi. Are you boys ready to try?*
 101 – *No, I think we need to watch you two do it a little bit more.*
 102 – *They're not trying to learn, Mom.*
 103 – *Otherwise, they wouldn't have brought lawn chairs and Fudgsicles.*
 104 – *Kelso, I thought you were gonna start respecting women*
 105 – *now that you have a daughter.*
 106 – *I am, but you two are grandfathers in.*
 107 – *I really don't see what the big deal is, Bob.*
 108 – *We brought this tray over to you full of cookies.*
 109 – *You should have brought it back full of cookies. That's all I'm saying.*
 110 – *— What are you two doing? — It's taichi.*
 111 – *It's an ancient form of exercise and meditation.*
 112 – *It originated in the Far East, in a place called Los Angeles.*
 113 – *It seems really interesting. Can I try?*
 114 – *Sure.*
 115 – *I'd stay out there and try it with you, but I'd rather go inside and eat.*
 116 – *So the key is to relax and find your inner peace.*
 117 – *Seems a little exotic.*
 118 – *But if this taichi is half as good as a maitai, I'm sure I'm gonna love it.*
 119 – *You're the new guy, huh? I'm Dennis.*
 120 – *I'm Hyde.*
 121 – *Mondays, huh?*
 122 – *I guess.*
 123 – *Hey, you picked a good week to start. We just got a new copy machine.*
 124 – *It's already broken.*
 125 – *I'm really unhappy.*
 126 – *Okay. Donna was right. I need to start respecting women.*

127 – *So I decided to donate my entire Playboy collection to the needy.*
 128 – *Here you go, Fez.*
 129 – *You're giving Fez a box full of nude magazines?*
 130 – *It's like giving a monkey a loaded gun.*
 131 – *No, it's not.*
 132 – *A monkey with a loaded gun can hurt a lot of people.*
 133 – *I can only hurt myself.*
 134 – *But a monkey with a loaded gun would be an awesome TV show.*
 135 – *Everybody would be like, "Oh, don't worry. It's just a monkey."*
 136 – *And then, bam!*
 137 – *Thanks for taking me to get my taichi supplies.*
 138 – *What was that wonder ful store called again?*
 139 – *Point Place Meditation Supply and Dried Fruit Depot.*
 140 – *Well, that is so clever.*
 141 – *Really? Wow, your clever threshold is really low.*
 142 – *This color is a lot of the compliments that you've given me.*
 143 – *I just love my new buddy.*
 144 – *You know, I think it's called a Buddha.*
 145 – *No, that is not even a word.*
 146 – *Next, you'll tell me butter is called booder.*
 147 – *What's going on back here?*
 148 – *Hey, look. You got a thing of me!*
 149 – *I am making this space my taichi area.*
 150 – *So, you're going to be out there, and I'll be in the real one?*
 151 – *I love taichi.*
 152 – *Eric, I got a job for you.*
 153 – *Gotta grab some cement and secure that Bob statue.*
 154 – *Okay, if that's a job, then how much does that pay?*
 155 – *It pays my foot not going in your ass.*
 156 – *So it's on credit, then. Good.*
 157 – *Hey, Donna, look! Ho, ho, ho!*
 158 – *I can't tell you how good it makes me feel to look in here and see my own son.*
 159 – *How's it going?*
 160 – *Well, I'm kind of glad there's not a window in here.*
 161 – *I probably would have jumped out of it.*
 162 – *Ah, you kids with your suicide jokes.*
 163 – *Finally finished.*
 164 – *Bad news, Hyde.*
 165 – *Sales decided it would be more efficient*
 166 – *to write – out the credits and underline the debits instead.*
 167 – *But... But...*
 168 – *But I underlined credits.*
 169 – *If you're interested, I have some stuff that can help you get through the day.*
 170 – *– Oh, I'm interested. – Cool.*
 171 – *Wait, what are you talking about?*
 172 – *What are you talking about?*

173 – *Whatareyoutalkingabout?*
 174 – *Whatareyoutalkingabout?*
 175 – *Licorice.*
 176 – *Getoutofmyoffice!*

219 – *But it's nice, because*
 220 – *that gives me time to go bowling.*
 221 – *Did you secure that statue of Bobby yet?*
 222 – *I didn't.*
 223 – *But I could give you an artist's rendering of what that might look like.*
 224 – *You're gonna end up selling women's shoes.*
 225 – *I don't know if I can hack it, working in an office.*
 226 – *My tolerance for following directions is really low.*
 227 – *Which is ironic, because your tolerance for other things is really high.*
 228 – *Steven, everybody goes through the same thing.*
 229 – *But the misery that you feel now will eventually be broken up*
 230 – *by stretches of time where you will feel that you're happy.*
 231 – *Of course, you're not happy.*
 232 – *You're just too numb from your hellish life to feel the pain.*
 233 – *How was your day, Red?*
 234 – *Pretty good, actually.*
 235 – *Hey, WB, got a sec?*
 236 – *Steven, I heard what happened yesterday.*
 237 – *Perhaps I should have been more clear about our milk – throwing policy.*
 238 – *Look, man, I don't think I can work here anymore.*
 239 – *Well, why not?*
 240 – *I just... I don't belong here.*
 241 – *– Dennis? – Tuesdays, huh?*
 242 – *Get outta here!*
 243 – *Look, I can't let you quit on me.*
 244 – *You don't know me that well. I've quit on a lot of people.*
 245 – *No, I mean, I won't let you quit.*
 246 – *You could have a really great future,*
 247 – *but you need somebody to help you get started.*
 248 – *I wasn't there for you when you were growing up, so I want to do this.*
 249 – *Yeah, but a job?*
 250 – *Can't you just, like, buy me a stereo?*
 251 – *You're the boss' son. You really don't have to work that hard.*
 252 – *All right. I'll give it a week.*
 253 – *But what am I supposed to do with all those sales reports?*
 254 – *Just give them to Dennis. That's what I do.*
 255 – *Fez, are you okay?*
 256 – *I haven't seen you look this awful*
 257 – *since you found out Candy Land's not a real country.*
 258 – *It's the bunnies, man.*
 259 – *I haven't slept in a week.*
 260 – *It's only been one day.*
 261 – *Fez, why would you do this to yourself?*
 262 – *'Cause he can't get anybody else to do it for him.*
 263 – *I don't have the willpower to keep these magazines, Kelso.*
 264 – *I'm just a boy.*

265 – *Well, I'd take them off your hands, but...*
 266 – *I don't wanna actually touch your hands.*
 267 – *Okay, buddy. I think you're better off.*
 268 – *Just hand the magazines over to me.*
 269 – *All right.*
 270 – *Fez, you're not letting go.*
 271 – *Oh, sorry.*
 272 – *You're still holding on.*
 273 – *Look, a robot!*
 274 – *Man, you fall for that every time.*
 275 – *Yeah? Well, one day, there's gonna be a robot.*
 276 – *And all you suckers are gonna miss it.*
 277 – *Red, why are you out there?*
 278 – *I thought you were so excited to have the house to yourself.*
 279 – *I got lonely.*
 280 – *I don't believe it. They think I have, "No artistic talent."*
 281 – *You know, I'm beginning to suspect*
 282 – *that The Cartoon Academy of Fort Lauderdale isn't that legitimate.*
 283 – *Okay, all right.*
 284 – *Schatzi, it's time for you to have some quiet time behind the wall.*
 285 – *Well, I guess it's back to hand turkeys for me.*
 286 – *I don't know what that means, but don't do it around here.*
 287 – *Schatzi?*
 288 – *You know, that statue was supposed to bring you peace.*
 289 – *And in a way, it did.*
 290 – *Loving my job now, man.*
 291 – *Being the boss' son means never having to say,*
 292 – *"You'll have it by the end of the day."*
 293 – *Guys, Fez is really overdoing it with the Playboys.*
 294 – *And this isn't like the time he ate a case of Mars bars, either.*
 295 – *They can't pump your stomach for porn.*
 296 – *I'm not so much worried about Fez as I am Schatzi.*
 297 – *He goes on the attack every time he sees that Buddha statue.*
 298 – *And, weirdly, Bob.*

3.6 Episode 06: Rip This Joint

1 - Hi, honey, welcome home from work.
 2 - Oh, God, I love saying that.
 3 - It's so much better than saying,
 4 - "Welcome home from loitering at the head shop."
 5 - Oh, my God, Hyde, five seconds have gone by
 6 - and you haven't ripped off your tie,
 7 - or as you refer to it, "the yoke of oppression."
 8 - I forgot I was wearing it.
 9 - Would you look at that?

10 - The dancing bear has become accustomed to his cage.
 11 - Why would you put a dancing bear in a cage?
 12 - He's entertaining you, give him some room.
 13 - No, Fez, what she's saying is
 14 - that Hyde is becoming a money-grubbing corporate zombie.
 15 - Did you hear that, Steven? We're gonna be rich.
 16 - No, we're not, Jackie.
 17 - I hate the Man. I'm still dedicated to kicking his ass.
 18 - I'm just doing it from the inside,
 19 - where I get a pension and dental and stuff.
 20 - Oh, don't worry, honey. You're still a rebel.
 21 - Give me two years, I'll have him speaking French and writing thank you notes.
 22 - Hyde's growing up so fast.
 23 - Seems like just yesterday we were swiping Playboys,
 24 - trenching Old Man Shinsky's yard,
 25 - and cutting the brakes on Fat Marvin's bike.
 26 - I don't remember trenching Old Man Shinsky's yard.
 27 - Oh, that's 'cause you didn't approve.
 28 - I think your exact words were, "That guy's worked hard on his yard."
 29 - What's wrong with me?
 30 - I don't want to wake up in 20 years
 31 - and realize that I haven't harassed enough grouchy, old men.
 32 - And I don't want to wake up in 20 years and realize this was all a dream.
 33 - Wouldn't that be weird?
 34 - If none of this was real.
 35 - Okay, now I'm starting to freak out a little.
 36 - You know what? I'm gonna trench a yard.
 37 - Just, not if it's one of those pranks that involves heights or touching bugs.
 38 - I'm not... I... No, I won't touch a bug.
 39 - No, you just park your car on someone's yard,
 40 - and then you step on the gas, throw it in drive and tear up the lawn.
 41 - Then you go get fries and talk about how awesome it was.
 42 - You know what, you guys? I'm gonna trench Old Man Shinsky's yard.
 43 - In fact, I'm gonna trench that yard
 44 - like no yard has been trenched in the history of yard trenching.
 45 - Are you with me?
 46 - - Yeah. - Whatever.
 47 - I said, are you with me?
 48 - - Yeah. - Whatever.
 49 - Yeah! That's what I like to hear.
 50 - Hanging out
 51 - Down the street
 52 - The same old thing
 53 - We did last week
 54 - Not a thing to do

55 - But talk to you
 56 - We're all all right
 57 - We're all all right
 58 - Hello, Wisconsin!
 59 - What are those for?
 60 - Oh, no. What did you do?
 61 - Why did you have to wear something so revealing?
 62 - It's just a friendly party, for Pete's sake.
 63 - This party's not for Pete, it's for Kitty, dummy.
 64 - They've been arguing all the time lately.
 65 - Last night, they did two hours on, "I know you are, but what am I?"
 66 - Did someone say "party"?
 67 - There's no party. Right, Kitty?
 68 - Yes, there is a party, Red.
 69 - Didn't you wonder why I bought all that liquor?
 70 - Honestly, no.
 71 - Hey, thanks for inviting us to your party, Mrs. Forman.
 72 - We can't stay, though, 'cause Eric's gonna trench...
 73 - A coat.
 74 - A trench coat.
 75 - Kitty, how could you have a party without telling me?
 76 - Maybe it's because every time she tells you,
 77 - you go through five stages,
 78 - anger, fury, rage, super rage,
 79 - and finally, cursing God for bringing you into this world.
 80 - I've been there.
 81 - Why did you do it?
 82 - So, what's the occasion, Kitty?
 83 - According to Cosmo's latest quiz, I have medium to low self-esteem.
 84 - So the article suggested that I should throw a party in celebration of me.
 85 - - I've done that. - I've done that.
 86 - - You have, too? - Isn't it fun?
 87 - - Yeah. - I know.
 88 - Okay, guys, I've been thinking about this trenching thing,
 89 - and it's a little boring,
 90 - but I think I figured out a way to Formanize it.
 91 - You mean make it more boring?
 92 - No, I don't.
 93 - I mean, I'm gonna get out of the car,
 94 - moon Old Man Shinsky and then trench the yard.
 95 - That's right, you've all now been witness to the invention of the moon and trench.
 96 - I don't know, Eric. It seems risky.
 97 - I mean, you're not fast, you're uncoordinated
 98 - and you're easily tripped.
 99 - I mean, if you get out of the car, you're a dead man.

100 - No, no, no. Not with me backing him up as his first lieutenant.
101 - Oh, um, actually, you're not my first lieutenant.
102 - Donna's my first lieutenant.
103 - I went from fiancée to first lieutenant?
104 - What a year!
105 - How could you pick a girl over me?
106 - Kelso, remember when we put eggs in Sister Mary Catherine's mail slot,
107 - and you were the getaway driver?
108 - And when we needed to get away, you had left to get ice cream.
109 - I was the getaway driver and I got away.
110 - Man, you got Forman, Kelso, an old man and a naked butt.
111 - This could go the kind of wrong people write books about.
112 - I can't believe I'm not going.
113 - That's right.
114 - See, Steven decided he'd rather hang out with his father
115 - at Kitty's grown-up cocktail party.
116 - "I'm Hyde. I'm going to a cocktail party."
117 - "I'm Hyde. I'm going to a party with cocktails."
118 - What the hell are you guys doing?
119 - I don't know but it's funny.
120 - Kitty, who are all these people?
121 - Well, they're my friends.
122 - I never introduced you because I know you don't care.
123 - Thanks.
124 - Hey, WB, come on in.
125 - Hey, Steven, I thought I had the wrong night.
126 - You white folks throw a really quiet party.
127 - Yeah, wait till they bring out the onion dip, all hell breaks loose.
128 - Hey, I want you guys to meet my dad. This is William Barnett.
129 - He owns a chain of record stores.
130 - He's rich.
131 - Jackie, I don't know if I'd say...
132 - Ah, what the hell, yeah, I am.
133 - And, WB, this is Bob, who's also done some work in retail,
134 - and Midge, who's also been to some stores.
135 - It's true.
136 - Steven, you didn't tell me your father was so handsome.
137 - Hey, what about me?
138 - Well, you didn't tell me either.
139 - Okay. Hello, hello.
140 - Let's kick off Kitty Fest with a little game.
141 - How about Hide and Go to Sleep?
142 - When I blow this whistle,
143 - pair up with someone and tell an anecdote about me.
144 - When I blow it again, pair up with someone else.
145 - And the person who tells the cutest story

146 - will get a special mention in my Christmas newsletter.
147 - That's a prize?
148 - Now, since there are an odd number of people here,
149 - I'm afraid one unlucky person is going to get left out of the fun.
150 - I'll fall on that grenade. Good night, everybody.
151 - Okay, you guys, let's see if I have everything I need for the moon and trench.
152 - Car, check. Lawn, check.
153 - Creamy white butt, check.
154 - Eric, wait.
155 - If you moon Old Man Shinsky,
156 - you're not gonna have time to pull up your pants.
157 - And you can't run back to the car with them around your ankles.
158 - - You think I shouldn't do it? - No, hell, no.
159 - I think you should do it pantsless.
160 - Eric, he's right.
161 - I mean you can barely run with your pants on.
162 - The pants come off.
163 - Oh, great. Everybody's on board when Eric wants to take his pants off,
164 - but when I do, we have to leave the restaurant.
165 - It's go time.
166 - What's going on here?
167 - That's my butt!
168 - Whoo!
169 - Lock, Donna!
170 - Now for the trench.
171 - What's going on? We're not moving.
172 - Oh, man, you dropped your transmission.
173 - In English, Donna. In English.
174 - Your car, no go.
175 - I'm calling the police!
176 - But wait, I am the police. They can't catch me here, we gotta go.
177 - I gotta stay with the car.
178 - We don't.
179 - Man, Donna, what are we gonna do?
180 - - I love you, Eric. - What? No. No, don't leave me.
181 - Oh, Kelso, buddy, thanks. I knew you'd come back.
182 - Oh, I'm not really back.
183 - Since you didn't make me first lieutenant,
184 - I'm just here to say, "I got his pants!"
185 - You're right, Phyllis, I am a talented mimic.
186 - "Hi, I'm Johnny Carson and I'm on TV."
187 - Uh-oh, time to switch.
188 - Well, it's you and me. This should be fun.
189 - So,
190 - you take out the trash?

191 - - No. - I gotta do that then.
 192 - Oh, this is terrible. Have we run out of things to talk about?
 193 - Oh, no, no. Let me see.
 194 - I saw a squirrel in the yard today.
 195 - I love that squirrel. I've been feeding him peanuts.
 196 - Well, that explains why he took the poison right out of my hand.
 197 - Jackie, I don't know what's going on with me.
 198 - I just got paired up with this bookkeeping guy
 199 - who told me a story about accounts receivable.
 200 - Not only did I know what he was talking about,
 201 - I suggested he make a flowchart.
 202 - Oh, my God, you are so sexy right now.
 203 - Say "flowchart" again.
 204 - Kitty? Kitty?
 205 - That was the third whistle, and Midge and WB still haven't switched.
 206 - Look at her laughing at him. He's not even funny.
 207 - I haven't once heard him say, "Knock, knock."
 208 - Okay, wait, I have a good one. Knock, knock.
 209 - Damn it.
 210 - I'm not gonna stand for you throwing yourself at every guy you meet.
 211 - Midge, we're going home.
 212 - Until you're ready to trust me, I'm not going anywhere.
 213 - In fact, I'm leaving.
 214 - - Where are you going? - To lock myself in your bathroom.
 215 - What's wrong with your bathroom?
 216 - I can't go there, there's too many painful memories of sexy showers with Bob.
 217 - See, I told you people do that.
 218 - Look, man, please don't call my dad.
 219 - If he hears about this, he's gonna kill me.
 220 - I don't mean figuratively, he would literally kill me with his bare hands.
 221 - He will kill me like he has killed oh-so-many squirrels.
 222 - Settle down. You're 18. I'm not gonna call your dad.
 223 - I want my daddy.
 224 - Donna.
 225 - They said I could visit you for 10 minutes.
 226 - It's good to see a friendly face. Jail's no place for me, Donna.
 227 - I'm too pretty.
 228 - Eric, you're gonna be fine.
 229 - Plus, I brought something that you really need.
 230 - Tell me it's pants.
 231 - Oh.
 232 - Crap, I knew I forgot something.
 233 - But how do Milk Duds sound?
 234 - Kind of like they won't cover the lower half of my body.
 235 - All right. Visiting hours are over.

236 - Fine, he's cranky anyway.
 237 - All right, Kelso, awesome. Get me out of here.
 238 - Shut up, punk.
 239 - You know, around here we have a saying.
 240 - Is it, "Everyone down, Kelso's got a gun"?
 241 - No. It's, "Kelso gets to be first lieutenant."
 242 - But now, sir, you are a criminal,
 243 - and you will be prosecuted to the fullest extent of my imagination.
 244 - Midge, please come out so you can talk to Bob.
 245 - I can't do that, Kitty.
 246 - You mean you don't know how?
 247 - The lock is on the doorknob.
 248 - No, I mean I'm not coming out.
 249 - But thank you, I see it now.
 250 - - I wanna go to sleep. - Me, too.
 251 - Well, I wanted one night that was just about me,
 252 - and now everything's about Midge.
 253 - It's not enough that she's got legs up to here
 254 - and the you-know-whats out to you-know-where.
 255 - Now she's gotta upstage me on my big night.
 256 - Well, you just get over yourself, lady.
 257 - You know, I never thought I'd be saying this,
 258 - but how's about you and me get a motel room?
 259 - I'd like that.
 260 - Okay, I'm starting to shake off this whole flowchart thing.
 261 - Can't even remember what a flowchart is.
 262 - Can't even remember what I just said.
 263 - Hey, which one of you jerks put this tie on me?
 264 - Steven, focus, you're a businessman.
 265 - You love work and money and me.
 266 - Hold on to that.
 267 - Oh, you know what? You're gonna forget. I'll write it down.
 268 - Oh, you guys missed a glorious trenching.
 269 - Eric's tiny butt gleaming in the moonlight,
 270 - shining brighter than the brightest star.
 271 - It was like a Disney movie.
 272 - Yeah. Eric's rear end is white.
 273 - Sometimes I can't even tell if he's wearing underwear.
 274 - Tonight, in that jail cell, he's gonna glow like a little lightning bug.
 275 - Forman's in jail and I spent my entire night at a cocktail party?
 276 - I gotta go break some laws or I'm never gonna forgive myself.
 277 - Hey, which one of you jerks put this tie on me?
 278 - I know what you're thinking, punk.
 279 - Is that gun real or fake?
 280 - Well, the gun is green,
 281 - but it's also plastic so it's anyone's guess.

282 - Well, then you have to ask yourself one question, punk.
283 - "Do I like being squirted with grape juice?"
284 - - Well, do you? - Okay. Quit it, quit it.
285 - - You're gonna be all sticky. - Thank you.
286 - Okay, Mr. Shinsky, once you've identified the culprit you can file a formal complaint.
287 - That's him. I'd recognize that creamy-ass moron anywhere.
288 - Oh, yeah, he was there, too.
289 - What me? No, no. No, no, no.
290 - I was undercover,
291 - infiltrating the underworld trenching world.
292 - And it goes a lot deeper than you might think.
293 - The whole middle school might be involved.
294 - Okay.
295 - In you go, Kelso.
296 - Come on, you're putting me in jail?
297 - Maybe a few hours in the can will give you a new respect for the law.
298 - But that's the thing, it won't.
299 - I hope Midge isn't going through my medicine cabinet.
300 - I've got some pills in there and they are not for amateurs.
301 - What's going on?
302 - Your loony mother has locked herself in my bathroom.
303 - I'll handle this.
304 - Mom, the lock is on the doorknob.
305 - That's it, Midge.
306 - Come out now or I'm kicking down the door.
307 - If you kick down that door, you're gonna have to put it back up.
308 - You take the fun out of everything, Red.
309 - Mom, if you won't come out, will you at least let Dad come in there?
310 - How could you think I was flirting with another man?
311 - Maybe I overreacted, you're a beautiful woman.
312 - So are you, Bob.
313 - What the hell are they doing in there?
314 - All right, sorry about tonight.
315 - It just really hurt my feelings
316 - when you didn't make me first lieutenant on the Shinsky job.
317 - I'm sorry, too.
318 - I guess I never realized
319 - how seriously you take imaginary ranks assigned by your friends.
320 - Well, now you know.
321 - Well, after a long night of hashing things out,
322 - we all decided that my parents are better off apart.
323 - So we took my mom to the airport this morning.
324 - She headed back to California?
325 - I hope so.
326 - I taped the ticket to her purse.

327 - You're coming home in your underwear again?
328 - I'm gonna paint some damn pants on you.
329 - Okay, but in my defense,
330 - this time I took off my pants by choice.
331 - I don't know where we went wrong with you.
332 - We take you to church,
333 - we try to raise you to be a decent human being,
334 - and yet you turn out to be a bottomless deviant.
335 - Okay, Red, the shower's running.
336 - You promised.
337 - Stick my eggs in the oven. I'll be back in five minutes.
338 - Freeze, punk face!
339 - Hyde!
340 - What are you in for?
341 - Let's just say Old Man Shinsky's yard has been professionally trenched.
342 - Did the rose bushes, too. It's sort of my calling card.
343 - This feels good.
344 - This feels right.

3.7 Episode 07: Mother's Little Helper

1 - Eric.
2 - I found this in the garage and I want an explanation.
3 - Okay, when people write stories and glue the pages together,
4 - it forms what we call a book.
5 - I don't want The Joy of Sex polluting my house.
6 - The Joy of Sex. What a load of crap.
7 - That book's for perverts, Red.
8 - You should give it to me so I can sell it to Fez.
9 - Red, the book is mine.
10 - I put it in the garage so you would find it.
11 - Uh-oh. I'm late for work.
12 - No, no, no. I am serious.
13 - It's high time you and I put some zip back in the bedroom.
14 - Eww!
15 - I got a great idea.
16 - We'll put a TV in the bedroom, there's your zip.
17 - Okay, I want the full Fez treatment.
18 - A wash, cream rinse, and a lot of that wiggly stuff you do with your fingers.
19 - It's magical.
20 - Abracadabra, baby.
21 - So, Danielle, what's on your schedule today?
22 - I mean, besides looking beautiful.
23 - Well, looking beautiful is from 10:00 to 12:00, then I have a date.
24 - Ooh, hot date alert.
25 - Tsss!

26 - It's not that hot.
 27 - The guy's kind of a knucklehead.
 28 - I mean, he's really cute,
 29 - but it's like when I talk, he's not paying attention to me.
 30 - Ugh!
 31 - I hear this complaint 20 times a day.
 32 - You're a treasure.
 33 - He should worship you like a big stone head.
 34 - You're so great. You know, you really get women.
 35 - Well, if you mean "get" as in "understand," then yes, I get them.
 36 - But if you mean "get" as in "get,"
 37 - then, no, never.
 38 - If I had a woman like you,
 39 - I would give her anything her heart desired.
 40 - Maybe I should blow off my date and go out with a guy like you.
 41 - And when I say "a guy like you," I mean you, specifically.
 42 - Wow.
 43 - But just to be clear, I still have a tip coming, right?
 44 - Hanging out
 45 - Down the street
 46 - The same old thing
 47 - We did last week
 48 - Not a thing to do
 49 - But talk to you
 50 - We're all all right
 51 - We're all all right
 52 - Hello, Wisconsin!
 53 - Steven.
 54 - Steven, would you please stop doing that?
 55 - You're gonna get all Eric-y.
 56 - Give.
 57 - Jackie, boys have to play fight
 58 - because they secretly wanna touch each other.
 59 - Yeah, you guys wish you could play fight.
 60 - But girls can't, 'cause it always turns into a real fight.
 61 - Are you seriously telling me
 62 - that if Jackie and I wanted to play fight, we couldn't?
 63 - Um, let me listen for the echo of what I just said.
 64 - "Girls can't play fight..." Yep, that's what I think.
 65 - I agree. Girls are bitches.
 66 - Really?
 67 - - Come on, Jackie, put your dukes up. - Okay.
 68 - Watch and learn, boys.
 69 - See? It's all fun and games.
 70 - - Ow, you scratched me! - Aah!
 71 - Get off of me, Bigfoot!

72 - Let go of my hair or I'll pound your tiny ass!
 73 - Spoilsport.
 74 - Hey, yours was gonna kill mine.
 75 - Ladies, that was pathetic.
 76 - - What? That wasn't even real. We're fine. - Yeah.
 77 - I don't know what you're talking about. I had fun.
 78 - Oh, you're so immature!
 79 - You guys aren't going to believe this!
 80 - Wait. Were two hot girls just fighting in here?
 81 - No.
 82 - Someone is lying.
 83 - Anyway.
 84 - I was just shampooing this foxy girl, Danielle, and the next thing I know,
 85 - we're making out in the shampoo closet.
 86 - Wait a second.
 87 - You're trying to tell me that you were shampooing a girl
 88 - and she got so horny,
 89 - she had to make out with you in the shampoo closet?
 90 - That doesn't sound real, man. That sounds like a Mad Lib.
 91 - Yeah, are you sure you weren't just kissing a mop?
 92 - 'Cause, man, I've seen you do that.
 93 - No, no.
 94 - Danielle kept going on and on
 95 - about this adorable knucklehead she was dating,
 96 - and I just sympathized with her problems.
 97 - Well, that makes sense.
 98 - I mean, all a woman really wants is a man who listens.
 99 - I listen.
 100 - And doesn't pat himself on the back.
 101 - I never pat myself on the back.
 102 - So, yeah, I got that going for me.
 103 - You guys, something happened today
 104 - that has never happened to me before.
 105 - Oh, you did long division?
 106 - No, I got stood up.
 107 - I was supposed to meet this girl, Danielle,
 108 - after her haircut and she never showed.
 109 - - Danielle. - Danielle?
 110 - Okay, wait a second. First a girl fight and now this?
 111 - I vote, "Best Day Ever."
 112 - Kelso was the adorable knucklehead.
 113 - Hey, thanks, Fez, but I'm trying to tell a story here.
 114 - Okay, so I've been trying to figure out why she didn't show,
 115 - and I've come to the only logical conclusion,
 116 - she's dead.
 117 - Kelso, maybe Danielle met a guy that she likes better than you.

118 - Don't be crazy, Fez.
119 - Danielle is dead and we can never bring her back.
120 - Kitty, we don't need The Joy of Sex.
121 - Well, why not? It's not dirty.
122 - This book, it doesn't even have photographs,
123 - just sketches.
124 - But they're so detailed.
125 - They draw in every single part,
126 - and it's not to scale.
127 - Oh, here's a fun idea.
128 - Okay.
129 - Instead of throwing away our old dish towels,
130 - we can use them as blindfolds
131 - and play a sexy bedroom version of Marco Polo.
132 - Oh, come on. Don't you want to be one of those fun, older couples?
133 - Kitty, I want us to grow old and withdraw into ourselves.
134 - Hey, what's for lunch?
135 - Well, I was thinking of making something,
136 - but that would mean I would have to look at a cookbook,
137 - and I don't like to learn new things from books.
138 - Yeah, so is lunch off, or...
139 - I mean, what's the lay of the lunch land, here?
140 - I don't see why I have to read a book on bodily functions.
141 - I've never read a book on eating,
142 - yet I'm extremely well fed.
143 - But I'm not. Could I get, like...
144 - Seriously, like a sandwich or...
145 - Well, you know what?
146 - Nobody is eating unless you give this book a try.
147 - Until then, I quit cooking.
148 - Wow, I can't believe I'm asking you this,
149 - but please have kinky sex with my mother.
150 - No, Danielle, I love your outfit,
151 - but I just think you can always go tighter.
152 - Oh, my God, Danielle, you're alive!
153 - Yeah, why wouldn't I be?
154 - Well, then if you're not dead,
155 - then why did you blow off our date?
156 - Look at him try and put it together.
157 - Oh, he's got it now.
158 - No, wait, he doesn't.
159 - Yeah, now... Wow, not yet. Wow.
160 - This is, like, the slowest burn ever.
161 - This is like how burns were in the 1800s before we had electricity.
162 - Danielle stood you up so she could make out
163 - with the adorable new man in her life.

164 - Ah, me.
165 - That's right. Ah, him.
166 - Don't bump me.
167 - Don't get in my way.
168 - Well, maybe I wouldn't be in your way
169 - if you could sit still like a normal person
170 - instead of a vibrating spazoid.
171 - Really. Well, guess what?
172 - You fight like a poor girl.
173 - Get off of me!
174 - Let go of my hair or I'll pound you.
175 - This ain't over, squatty!
176 - Get off. I'm going.
177 - Hey, if they're going to keep this up,
178 - we should invest in a video camera.
179 - All right, Fez. Stand up so I can kick your ass.
180 - How dare you steal a girl out from under me?
181 - First of all, I can do whatever I want.
182 - Second of all, when I saw her, she was not under you.
183 - She was under moi.
184 - - That's it. - Whoa, whoa! Guys, listen!
185 - I just realized I am not strong enough to hold you two apart.
186 - Hyde, come on!
187 - Kelso.
188 - Maybe you shouldn't be asking what he did,
189 - you should be asking what you did to let it happen.
190 - Or what you didn't do.
191 - You know, maybe you just lost your mojo.
192 - Look, a guy can't just lose his mojo, okay?
193 - Can he?
194 - Well, when was the last time you made out with two girls at once?
195 - Well, that was...
196 - Oh, no.
197 - I can't remember.
198 - Kissed four different girls in the same day?
199 - I don't know!
200 - You guys, I might have lost my mojo.
201 - And I got it. I got your mojo.
202 - Which reminds me, I also have your yo-yo, so...
203 - You know what? I want them both back.
204 - Now, how can I lose a girl to you?
205 - You don't even speak English.
206 - Well, Kelso, look at the bright side.
207 - Danielle is a wonderful girl who likes me better than you.
208 - Why is that the bright side?
209 - Because... Burn!

210 - These are stale.
211 - Well, eat slow. We gotta make them last.
212 - Hey, Red.
213 - Eric told me you and Kitty are having a little trouble
214 - in the old hee-hoo department.
215 - You told Bob?
216 - Are you out of your puny mind?
217 - Look, you have to work this stuff out with Mom.
218 - She hasn't fed us in three days.
219 - Dad, I can't afford not to eat.
220 - Yesterday, I ate a raisin off the floor.
221 - I'm not even sure if it was really a raisin.
222 - Look, Red.
223 - You should take Kitty's request for a love life spice up seriously.
224 - When Midge wanted to turbo-charge our love life,
225 - it was really a symptom of a much deeper marital problem.
226 - Yeah, that you were deviants.
227 - Deviants?
228 - Well, the couple we were dating sure didn't seem to think so.
229 - I'm telling you, this problem is not just about sex.
230 - It isn't?
231 - Well, maybe she's just unhappy emotionally.
232 - Wouldn't that be wonderful?
233 - No, Red. It means you have a problem,
234 - and you have to deal with it.
235 - Yeah, okay.
236 - Yeah, I guess it's important that Kitty get listened to.
237 - Eric, go listen to your mother.
238 - Why me?
239 - Because without food, you'll die first.
240 - So, Danielle, tell me again
241 - how much more you like me than Kelso.
242 - Well, you're sensitive
243 - and thoughtful and understanding
244 - and very, very sexy.
245 - Lady, don't ever stop talking.
246 - And you're funny and sweet.
247 - And did I mention? Very, very sexy.
248 - Lady, you gotta shut up.
249 - So, Mom, in the interest of returning
250 - regular meal service to my now shattered life,
251 - I'm here to help.
252 - So just tell me the problem beneath the dirty, gross problem.
253 - Honey, there is none.
254 - I just want your father and me to have
255 - more adventurous sexual intercourse.

256 - Well, this is one of those times
257 - I'm kind of happy my stomach's empty.
258 - Um, look, instead of calling it,
259 - uh, sexual inter...
260 - Instead of calling it that,
261 - why don't we call it, like, a walk in the park?
262 - Fine. I want your father and I
263 - to have more adventurous walks in the park.
264 - I want to walk in the park in the kitchen.
265 - Walk in the park on a Tuesday.
266 - I even want to walk in the park in the park.
267 - Okay, okay, okay. Okay.
268 - Okay, Mom. I think you're playing this all wrong.
269 - Dad wants you to have a deeper emotional issue.
270 - Invent one.
271 - He'll give you anything you want
272 - to avoid talking about walks in the park.
273 - So think big. You know, I might be able to get you diamonds here.
274 - Maybe even a new car.
275 - This is like emotional Price is Right, baby.
276 - You're in the Showcase.
277 - Oh, I also want to walk in the park during The Price is Right.
278 - Oh, God.
279 - Well, what's the news?
280 - You better start studying.
281 - Ugh!
282 - All right.
283 - So I spent the whole day thinking about what happened with Danielle.
284 - And I realized that I shouldn't be mad at you.
285 - I should be asking you for help.
286 - Holy crap, man. Now you're asking Fez for girl advice?
287 - Next thing you know, Donna's gonna be asking Forman how to throw a ball.
288 - Look, he's the one with the girl.
289 - All right, Fez. So where did I go wrong?
290 - Well, Danielle said you were a bad listener
291 - and I'm a good listener. I heard her.
292 - But so what? I hurt girls all the time.
293 - No, not "hurt." "Heard." I heard.
294 - You heard what?
295 - Danielle! I heard Danielle!
296 - Well, why'd she choose you over me?
297 - Jeez, it's like talking to a two-year-old, here.
298 - She chose Fez because he listens when a woman talks
299 - instead of staring at her chest.
300 - Stop staring at my chest!

301 - I'm sorry, look, I've been screwed by Darwinism.
302 - I never needed to evolve listening skills,
303 - 'cause my looks are so highly developed.
304 - Oh, that's not how evolution works.
305 - Yeah, sure it is.
306 - Look, say I had to catch my own food, right,
307 - but I only ate really fast animals?
308 - My feet would eventually evolve into rockets.
309 - Man, it's amazing your brain doesn't evolve into pudding.
310 - All right, Fez. Come on, I need your help.
311 - Why should I help you?
312 - Because you owe me.
313 - Think about all the times that I set you up
314 - with my dates' less-pretty friends.
315 - That's true. You have thrown me some uggos.
316 - All right, so show a little appreciation.
317 - Fine.
318 - But you have to promise not to use what I teach you on Danielle
319 - to get her back.
320 - - She's mine. - Done.
321 - Okay, Donna. I need your help.
322 - Now sit here and pretend to be a girl.
323 - Now tell a girly story.
324 - Kelso, you listen and repeat back whatever she says.
325 - - Okay, ready? - Yeah.
326 - Kelso, I had the worst day.
327 - I didn't know what shoes to wear. With a heel, without a heel...
328 - I'm running out of firecrackers.
329 - I bet I could have been best friends with Spider-Man.
330 - Is that a new muscle?
331 - Well, hello, new muscle. Welcome to Kelso-town.
332 - Kelso.
333 - Kelso!
334 - - What? - You weren't even listening.
335 - How do you know?
336 - 'Cause you were staring at the ceiling with your tongue hanging out.
337 - Kelso, when a woman talks, you have to look her in the eyes
338 - and pretend her words are like oxygen
339 - and without them, you can't breathe.
340 - But I don't care what she says.
341 - How the heck did you ever get a girl?
342 - I don't know. I just stare at her
343 - until she stops talking and then I kiss her.
344 - Unbelievable.
345 - All right, Kitty.
346 - I want you to be happy. I really do.

347 - And to make that beautiful, elusive dream come true,
348 - I'm willing to try page 46.
349 - Really?
350 - Oh, Red, thank you.
351 - Oh.
352 - Page 46. That is so fancy.
353 - What?
354 - Oh, dear God, no. Not...
355 - Not page 46. I meant page 47.
356 - Page 47.
357 - And no funny stuff after I fall asleep.
358 - And I didn't know what to do because I had just polished my nails
359 - and I didn't want to mess up my manicure.
360 - You're such a good listener. I can't take it anymore.
361 - What are you doing? Get off my lady!
362 - - Fez! - You shut your hot little mouth.
363 - You promised you wouldn't use anything I taught you on Danielle.
364 - Come on, you can't give me a gun
365 - and expect me not to shoot people with it.
366 - Danielle, you have to choose. Him or me?
367 - - But I... - I said choose, woman.
368 - Well, Fez, if I have to choose between the two of you,
369 - I mean, the choice is obvious.
370 - I choose you, Fez.
371 - What, are you stupid?
372 - I mean, of course, yes, good choice, yeah.
373 - What, him? How can you choose him?
374 - I don't know. I guess I have this thing for guys who boss me around.
375 - I'll meet you in the car, or wherever you tell me to meet you.
376 - Oh, you'll meet me in the car, and you'll like it.
377 - I will.
378 - Okay, here's the thing, Fez.
379 - She's clearly a lunatic.
380 - Which means that she's going to be super hot in bed,
381 - so congratulations on that one.
382 - But you did snake her from me, so I get a free punch.
383 - But you did snake her back, so...
384 - Oh!
385 - How do guys play fight without getting into a real fight?
386 - Well, maybe 'cause when they fight,
387 - Michael doesn't elbow everything like a blonde tard-o.
388 - See, now that is gonna get your ass kicked.
389 - Oh, I'm gonna punch you in your fat melon head.
390 - Good luck reaching it, tiny loser.
391 - Thanks, Tommy!
392 - Is that bacon I smell?

393 - Oh, what a perfect morning.
394 - - Marco! - Polo!
395 - Oh, my God!

3.8 Episode 08: Angie

1 - HEY, THANKS FOR COMING DOWN TO MEET MY SISTER, MAN.
2 - I HAD DINNER WITH HER AND MY DAD LAST NIGHT.
3 - AND IT WAS THE FIRST FAMILY DINNER I'D EVER BEEN TO
4 - WHERE WE DIDN'T HAVE TO SNEAK OUT OF THE RESTAURANT
5 - ONE AT A TIME.
6 - MAN, HYDE, FIRST A NEW DAD, NOW A NEW SISTER?
7 - IT'S LIKE YOU HIT THE ORPHAN LOTTERY.
8 - LOOK, YOUR DAD'S GOT A WHOLE JAR
9 - OF PEPPERMINT PATTIES! HEH.
10 - THAT'S CLASS, BABY.
11 - THAT'S NOTHING, YOU GUYS.
12 - I FOUND 20 BUCKS JUST SITTING ON THE DESK,
13 - AND I KIND OF WANT TO STEAL IT.
14 - WOW. I'M REALLY STARTING TO SEE THE UNDERBELLY
15 - OF NOT HAVING A JOB.
16 - CHECK IT OUT, HYDE. YOUR DAD KNOWS SKYNYRD.
17 - I HEARD WHEN YOU FIRST MEET THEM, IF YOU JUST YELL
18 - "FREE BIRD" REALLY LOUD, THEY'LL START PLAYING IT.
19 - AH, ANGIE, MEET YOUR NEW BROTHER'S FRIENDS...
20 - THEY'RE SCRUFFY, BUT THEY DON'T SEEM TO BE DANGEROUS.
21 - HEY, GUYS, CHECK IT OUT...
22 - FAMILY 'FRO. HA HA.
23 - I KNOW YOU'RE THINKING,
24 - WHAT ARE THE ODDS THAT STEVEN WOULD HAVE
25 - A PREVIOUSLY UNKNOWN BLACK HALF-SISTER?
26 - WELL, I'LL TELL YOU... 2,437:1.
27 - I'M A MATH MAJOR.
28 - A MATH MAJOR? AWESOME.
29 - I NEED SOME HELP BUILDING A HOMEMADE ROCKET.
30 - AND WE ALSO NEED A HAMSTER
31 - THAT'S NOT AFRAID OF HEIGHTS OR BEING BLOWN UP.
32 - YOU MUST BE KELSO.
33 - YEAH, I AM.
34 - BOY, AM I GLAD YOU SHOWED UP.
35 - IT'S A LOT OF PRESSURE BEING THE ONLY GOOD-LOOKING ONE
36 - IN THE ROOM.
37 - MICHAEL, THAT IS SO RUDE.
38 - YOU KNOW THERE'S TWO OF US.
39 - AND THAT MAKES YOU JACKIE.
40 - THAT'S RIGHT!

41 - HI!
42 - OK, SO LET ME BRING YOU UP TO SPEED
43 - ON THE GROUP.
44 - TOO SKINNY, TOO TALL, TOO HORNY, TOO FOREIGN,
45 - TOO-RIFIC.
46 - LOOK AT THIS, MY TWO KIDS TOGETHER AND GETTING ALONG.
47 - HA HA. THAT'S IT, 20 BUCKS FOR EVERYBODY.
48 - IT'S OK. I ALREADY GOT MINE.
49 - I TOOK IT OFF YOUR DESK.
50 - I'M AT A REALLY WEIRD PLACE IN MY LIFE.
51 - HANGIN' OUT
52 - DOWN THE STREET
53 - THE SAME OLD THING
54 - THAT YOU DID LAST WEEK
55 - NOT A THING TO DO
56 - BUT TALK TO YOU
57 - WE'RE ALL ALL RIGHT
58 - WE'RE ALL ALL RIGHT
59 - Kelso: HELLO, WISCONSIN!
60 - HEY, MAN.
61 - HEY! I BROUGHT EVERYONE CUPCAKES.
62 - COOL! COOL! CUPCAKES!
63 - HERE'S A SPECIAL ONE FOR YOU...
64 - VANILLA ON THE OUTSIDE AND CHOCOLATE ON THE INSIDE.
65 - OHH! WAIT.
66 - WHAT ARE YOU DOING?
67 - YOU KNEW I WAS GONNA TAKE THAT ONE.
68 - OH, WELL, TOO LATE.
69 - YOU KNOW WHAT? YOU'RE ALWAYS DOING THAT.
70 - THAT IS THE REASON WHY WE BROKE UP.
71 - WE BROKE UP BECAUSE YOU WERE ALWAYS CHEATING ON ME.
72 - THAT AND THE CUPCAKE THING.
73 - SO THIS IS WHERE YOU HANG OUT, HUH?
74 - DO THE PEOPLE WHO OWN THIS PLACE
75 - KNOW WE'RE DOWN HERE?
76 - YEAH, THEY KIND OF ADOPTED ME.
77 - YOU DON'T KNOW THIS ABOUT ME,
78 - BUT I'VE HAD, LIKE, 13 DADS.
79 - YOU KNOW, I DON'T KNOW SO MUCH ABOUT YOU.
80 - I MEAN, LIKE,
81 - WHAT KIND OF STUFF DID YOU DO GROWING UP?
82 - DID YOU PLAY SPORTS?
83 - WELL, I USED TO PLAY THIS ONE GAME CALLED STOOP.
84 - WHAT YOU DO IS YOU SIT ON A STOOP
85 - AND YOU CHUCK THINGS AT PASSERSBY.
86 - I WAS A PRO.

87 - I WAS A PASSERBY.
88 - DID YOU KNOW THAT I AM A SHAMPOO BOY
89 - DOWN AT THE BEAUTY SALON?
90 - YES, LADIES COME FROM MILES AROUND
91 - TO BE TOUCHED BY THESE MAGIC HANDS.
92 - IS THAT WHY THEY'RE ALL DRY AND CHAPPED?
93 - NO.
94 - THAT'S FROM MY DAY OFF.
95 - SO, ANGIE, ARE YOU EXCITED ABOUT YOUR FIRST DAY AT
WORK
96 - AT DAD'S OFFICE TOMORROW?
97 - YEAH, BUT I'M A LITTLE NERVOUS.
98 - I MEAN, IT'S MY FIRST JOB OUT OF COLLEGE.
99 - OH, BELIEVE ME, THIS IS THE EASIEST JOB I'VE EVER HAD.
100 - WAIT. WHAT ABOUT THE TIME YOU GOT PAID 2 BUCKS TO
EAT EVERYTHING
101 - OUT OF FORMAN'S FRIDGE AND THEN YOU THREW IT UP
102 - ALL OVER THE PLACE?
103 - THAT WAS YOU.
104 - OH, YEAH.
105 - HA HA! THAT WAS AWESOME.
106 - SO IT'S COOL IF WE SLACK OFF AT WORK.
107 - LOOK, ANYTIME I EVEN THINK ABOUT WORK, I REMEMBER
108 - ONE THING... I'M THE BOSS' SON.
109 - THEN I HEAD DOWN TO THE NEAREST BAR
110 - TO CHUG BEER AND PLAY DARTS.
111 - AH, BEER AND DARTS.
112 - KEEPING THE EYE PATCH INDUSTRY ALIVE
113 - SINCE THE 1800s.
114 - KITTY, YOU TOLD ME WE WERE GOING TO THE HARDWARE
STORE.
115 - AND YOU TOLD ME I'D HAVE A FUR COAT BY WINTER.
116 - PEOPLE SAY A LOT OF THINGS.
117 - BUT THIS IS NO PLACE FOR A MAN.
118 - IT'S 25 LADIES AND ME.
119 - I THINK I LIKE MY CHANCES.
120 - KITTY, I GOT TO GET OUT OF HERE.
121 - ONE OF THESE LADIES IS LIKELY TO COME OVER HERE
122 - AND TRY TO TALK ME INTO A TOUPEE.
123 - OK, FEZ...
124 - GIVE ME THE GOSSIP.
125 - IS THAT GLITTER IN YOUR HAIR?
126 - ARE YOU MAKING ME A PINATA?
127 - NO. I WAS WORKING ON A NEW OUTFIT
128 - FOR ERIC TO WEAR AT THE ROLLER DISCO.
129 - ROLLER DISCO? ERIC IS INTO ROLLER DISCO?

130 - UH-OH.
131 - I'M SORRY. WE'RE GONNA HAVE TO RESCHEDULE
132 - 'CAUSE I HAVE TO GO SPREAD THIS EMBARRASSING NEWS.
133 - YOU CAN'T TELL ANYONE.
134 - I PROMISED ERIC I'D KEEP IT A SECRET.
135 - BESIDES, YOU USED TO ROLLER DISCO WITH JACKIE.
136 - SURE, WHEN I WAS A CHILD.
137 - BUT I'M A MAN NOW.
138 - I MOVED ON TO ROBOT DANCING.
139 - HEY, YOU WANTED TO SEE ME?
140 - HAVE A SEAT, STEVEN.
141 - IT'S COME TO MY ATTENTION
142 - YOU'VE BEEN SNEAKING OFF FROM WORK
143 - TO GO PLAY DARTS.
144 - WELL, IN MY DEFENSE, IT'S JUST SOMETHING TO DO
145 - TO PASS THE TIME WHILE I'M DRINKING BEER.
146 - YES, ANGIE MENTIONED THAT, TOO.
147 - WHAT? YOU RATTED ME OUT ON MY MIDDAY DART-AND-
BOOZE?
148 - WHAT? NO! I JUST THOUGHT IT WAS A FUNNY STORY.
149 - STEVEN, I'M SO SORRY. DADDY, PLEASE DON'T FIRE HIM.
150 - YOU'RE NOT? I'M NOT GONNA FIRE HIM.
151 - I MEAN... YOU'RE NOT.
152 - EXCELLENT CHOICE.
153 - STEVEN, YOU MAY BE THE BOSS' SON,
154 - BUT YOU STILL HAVE TO SHOW UP AND DO SOME WORK.
155 - COME ON, MAN. EVEN YOU SAID YOURSELF IT WAS FINE
156 - IF I SLACK OFF EVERY NOW AND THEN.
157 - LOOK, I WANT YOU TO SUCCEED HERE, STEVEN,
158 - SO NO MORE DARTS.
159 - FINE.
160 - OH, BUT CAN I START SUCCEEDING NEXT WEEK?
161 - SEE, THERE'S A TOURNAMENT TOMORROW.
162 - I'M ALREADY SIGNED UP AND EVERYTHING.
163 - THERE'S MY LITTLE ROLLER DISCO KING.
164 - MOM! SHH.
165 - LOOK, AT ANY GIVEN MOMENT,
166 - THERE ARE AT LEAST THREE KIDS IN THIS HOUSE
167 - WHO WOULD USE THAT INFORMATION TO DESTROY ME.
168 - WE HAVE TO KEEP IT OUR SECRET.
169 - WELL, I WAS JUST READING THE BIBLE...
170 - AND IT SAYS THAT KEEPING SECRETS IS A SIN.
171 - IT GOES LUST, GLUTTONY, SLOTH, KEEPING SECRETS.
172 - MOM, WE DON'T EVEN HAVE A BIBLE.
173 - REMEMBER LAST CHRISTMAS
174 - YOU SPILLED PEPPERMINT SCHNAPPS ALL OVER IT?

175 - HONEY, JUST SHARE YOUR SECRET.
176 - PEOPLE ARE GONNA FIND OUT EVENTUALLY,
177 - BECAUSE THAT IS A SURPRISINGLY DIFFICULT THING
178 - TO KEEP SECRET.
179 - OK, I DON'T KNOW IF YOU KNOW THIS ABOUT ME,
180 - BUT I ALREADY TAKE QUITE A BIT OF CRAP
181 - JUST WALKING AROUND BEING REGULAR ME.
182 - SO, NO, I'M NOT GONNA TELL ANYBODY.
183 - DO YOU WANT ME TO TELL THEM?
184 - NO. YES?
185 - NO.
186 - I'LL THINK ABOUT IT, OK?
187 - MAYBE THERE'S A WAY I CAN KIND OF FEEL EVERYBODY OUT.
188 - GOOD.
189 - AND, BY THE WAY,
190 - I DID NOT SPILL PEPPERMINT SCHNAPPS
191 - ON THE BIBLE.
192 - IT WAS SAMBUCA.
193 - I AM NOT TRAILER TRASH.
194 - I KNOW SOMETHING YOU DON'T KNOW.
195 - FEZ, YOU KNOW A LOT OF THINGS I DON'T KNOW,
196 - MOSTLY BECAUSE THEY'RE DISGUSTING
197 - AND I DON'T WANT TO KNOW THEM.
198 - TRUE, BUT THIS IS ABOUT ERIC.
199 - WHAT DO YOU THINK HE'S DOING EVERY WEDNESDAY NIGHT
200 - WHEN HE'S NOT WITH YOU?
201 - HE'S TAKING AN AT-HOME SPANISH COURSE.
202 - HE DOESN'T WANT TO BE DISTURBED,
203 - SO HE LOCKS HIMSELF IN HIS ROOM.
204 - YOU KNOW, I THINK HE'S SELF-CONSCIOUS
205 - BECAUSE HE CAN'T ROLL HIS Rs.
206 - OH, BELIEVE ME, DONNA, HE IS RRROLLING HIS ASS OFF.
207 - OK, FEZ, WHAT'S GOING ON?
208 - IS THERE ANOTHER WOMAN?
209 - YES.
210 - AND IT'S ERIC.
211 - ANGIE TOTALLY SET ME UP, MAN.
212 - I SHOULD HAVE SEEN THIS COMING
213 - WHEN I FOUND OUT SHE WAS A MATH MAJOR.
214 - THOSE GIRLS ARE ALWAYS BITCHES.
215 - YOU KNOW WHAT YOUR PROBLEM IS, HYDE?
216 - I'M TOO GOOD-LOOKING.
217 - WHO DOES ANGIE THINK SHE IS, ANYWAY?
218 - SHE CAN'T JUST WALK IN HERE
219 - AND PULL YOUR STRINGS LIKE YOU'RE SOME KIND OF PUP-
PET.

220 - THAT'S MY JOB.
221 - HEY, UH, GUYS, JUST TO JUMP OFF TOPIC HERE
222 - FOR A SEC... WHEN YOU'RE DANCING TO SAY, LIKE,
223 - DONNA SUMMER... WHOEVER...
224 - DO YOU EVER WISH THAT YOU WERE ON WHEELS?
225 - FORMAN, SO MANY PARTS OF WHAT YOU JUST SAID
226 - MAKE ME WANT TO KICK YOUR ASS.
227 - ERIC, YOU KNOW WHAT YOUR PROBLEM IS?
228 - I'M TOO GOOD-LOOKING.
229 - OK, IT'S WEDNESDAY NIGHT,
230 - SO YOU GUYS KNOW WHAT THAT MEANS...
231 - OFF TO MY ROOM FOR A LITTLE ESPANOL,
232 - OR SHOULD I SAY OFF TO MY ROOM-O?
233 - YOU GOT A LOT OF NERVE SHOWING UP HERE.
234 - ALL RIGHT, BACK OFF, HYDE.
235 - SHE'S HERE FOR ME.
236 - HEY, MAMA.
237 - HEY, SO WHAT THE HELL WAS THAT ALL ABOUT TODAY?
238 - LOOK, MY DAD SAID THAT IF I DID WELL IN COLLEGE,
239 - SOMEDAY THE BUSINESS WOULD BE MINE.
240 - AND I DID MY PART. SO THERE'S NO WAY
241 - I'M GONNA SHARE EVERYTHING WITH SOME FRIZZY-HAIRED
KID
242 - FRESH OUT OF JUVIE.
243 - OK, I'M WORKING AT THAT COMPANY
244 - BECAUSE OUR DAD WANTS ME THERE.
245 - AND DON'T INSULT ME WITH THAT JUVIE CRAP.
246 - I'M OVER 18.
247 - IF I GET PINCHED, I'M DOING BIG BOY TIME.
248 - RUNNING THIS COMPANY IS MY DREAM,
249 - SO IF YOU DON'T QUIT TOMORROW,
250 - IT'S GONNA BE WAR.
251 - HE'S YOUR FRIEND. TALK SOME SENSE INTO HIM.
252 - IF YOU WANTED MY HELP,
253 - YOU SHOULD HAVE BROUGHT MORE CUPCAKES.
254 - FEZ, COME ON.
255 - JUST TELL US WHAT ERIC'S UP TO.
256 - DONNA, IF I LEARNED ANYTHING FROM ALL MY YEARS AS A
VIRGIN...
257 - IT'S THAT SEEING IT
258 - IS MUCH BETTER THAN TALKING ABOUT IT.
259 - WHAT THE HELL WAS THAT?!
260 - THAT, DONNA,
261 - THAT'S WHAT'S LEFT OF YOUR BOYFRIEND.
262 - SO, STEVEN, WHAT ARE YOU GONNA DO ABOUT ANGIE?
263 - HOW ARE YOU GONNA FIGHT BACK?

264 - I DON'T KNOW THAT I AM.
265 - I MEAN, YOU'RE ASKING ME TO FIGHT FOR A JOB.
266 - THAT'S A TOUGH SELL.
267 - BUT THIS IS MY COMPANY AT STAKE.
268 - JACKIE, WOULD YOU STOP SAYING
269 - THAT EVERYTHING THAT'S MINE IS YOURS?
270 - OK, STEVEN, LAST VALENTINE'S DAY, I GAVE YOU A CARD
271 - THAT SAID "BE MINE," AND YOU SAID YES.
272 - AND BY SAYING YES, YOU AGREED THAT EVERYTHING YOU
HAD,
273 - HAVE, OR WILL HAVE FROM NOW UNTIL THE END OF TIME
274 - IS MINE AS WELL.
275 - READ THE FINE PRINT, STEVEN.
276 - THIS WHOLE WORK THING IS A MESS.
277 - I MISS MY GLORY DAYS OF BEING AN ORPHAN.
278 - A LITTLE PIECE OF ADVICE ABOUT HAVING A FAMILY...
279 - GET USED TO BEING SCREWED OVER.
280 - WELL, THAT'S A VERY CYNICAL VIEW OF FAMILY.
281 - OH, YEAH, AND YOU AND YOUR SISTER GET ALONG SO WELL.
282 - OH, I TALKED TO A LAWYER.
283 - SHE'S NOT GETTING A DAMN THING.
284 - RED, WE HAVE SOMETHING TO TELL YOU.
285 - IT'S PRETTY SHOCKING.
286 - I'M NOT SURE HOW TO BREAK IT TO YOU.
287 - OK, YOU BETTER LET ME HANDLE THIS.
288 - ALL RIGHT. EVERYBODY WHOSE SON
289 - IS NOT A ROLLER DISCO-ER, TAKE ONE STEP FORWARD.
290 - NOT SO FAST, RED!
291 - SOMEONE'S BEEN WORKING ON THEIR SPIN, SUSIE.
292 - NICE. VERY NICE.
293 - IT'S MAGIC TIME.
294 - HEY, EVERYBODY, LET'S GIVE A GREAT BIG ROLLER PALACE
WELCOME
295 - TO THE ONE, THE ONLY, RAINBOW!
296 - NO!
297 - NICE SHORTS, RAINBOW.
298 - HEY. DID YOU COME UP TO PACK UP YOUR OFFICE?
299 - LISTEN, SIS, ABOUT THE WHOLE JOB THING,
300 - I THOUGHT ABOUT GOING HEAD-TO-HEAD WITH YOU,
301 - BUT I DECIDED I JUST CAN'T STOOP TO YOUR LEVEL.
302 - WELL, GOOD.
303 - BUT SHE CAN.
304 - RIGHT NOW SHE'S TELLING EVERYBODY WE WORK WITH
305 - THAT YOU STRIPPED YOUR WAY THROUGH COLLEGE.
306 - PLEASE. LIKE ANYBODY'S GONNA BELIEVE HER.
307 - MY DAD'S RICH.

308 - OH, NO, NO, NO.
309 - YOU DIDN'T STRIP BECAUSE YOU NEEDED THE MONEY.
310 - WORD AROUND THE WATER COOLER IS...
311 - YOU STRIPPED BECAUSE YOU LIKED IT.
312 - Jackie: I KNOW, I KNOW! WHAT A WHORE. WHOO!
313 - STOP LAUGHING AT ME.
314 - I AM NOT A STRIPPER. I AM A MATH MAJOR.
315 - HA HA!
316 - JACKIE, IF THERE WAS EVER A GAME SHOW
317 - CALLED "MAKE THAT GIRL CRY,"
318 - I'D GO ON WITH YOU.
319 - OH, WE'D SO WIN THE CAR.
320 - ALL RIGHT. EVERYBODY CLEAR SOME SPACE.
321 - IT'S RAINBOW!
322 - NOW, LOOK, ERIC, THEY LOVE YOU,
323 - SO IT'S A GOOD THING I TOLD FEZ.
324 - I DIDN'T TELL YOU I TOLD FEZ.
325 - I DIDN'T TELL FEZ.
326 - ERIC, HOW DID THIS HAPPEN?
327 - I MEAN, YOU DON'T JUST WAKE UP ONE MORNING,
328 - THROW ON SOME SKATES,
329 - AND START DOING CARTWHEELS TO SISTER SLEDGE.
330 - IT ALL STARTED
331 - WHEN I WENT DOWN TO THE SPORTING GOODS STORE.
332 - I SAW THIS PAIR OF ROLLER SKATES,
333 - AND WHEN I TRIED THEM ON,
334 - WELL, IT WAS LIKE THE FIRST TIME JOE NAMATH
335 - LAID HIS HANDS ON A BAT.
336 - THE NEXT THING I CAN REMEMBER IS SPINNING...
337 - JUST SPINNING AND SPINNING AND SPINNING.
338 - WHEN I FINALLY STOPPED, I FOUND MYSELF AT THE PARK.
339 - THAT'S WHERE I MET UP WITH THESE PEOPLE.
340 - WAIT. THOSE SKATE FREAKS THAT HANG OUT
341 - DOWN BY THE BASKETBALL COURT?
342 - EVERY TIME WE WANT TO SHOOT HOOPS,
343 - WE GOT TO SCARE THEM OFF WITH BOTTLE ROCKETS.
344 - KELSO, THEY'RE NOT FREAKS.
345 - THEY'RE JUST LIKE YOU AND ME, BUT ON WHEELS.
346 - ERIC, LET ME TELL YOU A LITTLE STORY.
347 - WHEN I WAS A BOY, THERE WAS A KID WHO WANTED TO BE
348 - A BALLET DANCER,
349 - AND ALL THE OTHER KIDS MADE FUN OF HIM.
350 - BUT YEARS LATER, WHEN HE CAME BACK TO TOWN,
351 - HE HAD ACHIEVED HIS DREAM.
352 - HE WAS A DANCER WITH THE NEW YORK CITY BALLET.
353 - AND YOU KNOW WHAT HAPPENED?

354 - YOU LEARNED YOUR LITTLE LESSON ABOUT JUDGING PEOPLE UNFAIRLY, HUH?
355 - NO. A BUNCH OF GUYS GOT TOGETHER
356 - AND BEAT THE CRAP OUT OF HIM.
357 - HEY, RED, YOU KNOW WHAT YOUR PROBLEM IS?
358 - I'M TOO GOOD-LOOKING.
359 - OK, DAD, I HEAR WHAT YOU'RE SAYING,
360 - BUT... I HONESTLY DON'T KNOW IF I CAN GIVE IT UP.
361 - WHY DON'T YOU TRY SOMETHING ELSE?
362 - I SUGGEST ROBOT DANCING.
363 - FEEL THE BEAT. DISCO ROBOT.
364 - DADDY, I CAN'T WORK WITH HIM.
365 - HE'S TELLING LIES ABOUT ME.
366 - ACTUALLY, THAT'S NOT TRUE.
367 - SHE'S TELLING THEM.
368 - STEVEN, WHY IS THAT GIRL ALWAYS IN THE OFFICE?
369 - AND WHY HAS SHE BEEN PASSING OUT DRESS CODE MEMOS
370 - TO MY EMPLOYEES?
371 - UM, WELL, SHE'S AGAINST THE CASUALIZATION OF THE WORK-PLACE.
372 - SHE DOESN'T BELONG HERE AND NEITHER DOES HE.
373 - I CAN'T BELIEVE WHAT I'M SEEING...
374 - A BROTHER AND SISTER FIGHTING EACH OTHER.
375 - HEY, WE ARE FAMILY.
376 - LOOK, IF YOU WANT HIM TO STAY, THAT'S FINE,
377 - BUT IF HE STAYS, I'M OUT OF HERE.
378 - WELL, THAT'S TOO BAD,
379 - BECAUSE I'M OPENING UP A NEW RECORD STORE
380 - AND I WANTED THE TWO OF YOU TO RUN IT.
381 - BUT MAYBE I'LL JUST LET STEVEN RUN IT BY HIMSELF.
382 - HELL, YEAH!
383 - NICE GOING, SIS.
384 - NO. YOU KNOW I'VE ALWAYS WANTED MY OWN STORE.
385 - WELL, IF YOU TWO CAN'T FIND A WAY TO WORK THIS OUT...
386 - WE CAN. I KNOW WE CAN.
387 - HE'S MY BROTHER.
388 - I TRY TO GET HIM FIRED, HE CALLS ME A STRIPPER.
389 - THIS IS HOW WE PLAY.
390 - WELL, I'M GLAD, BECAUSE IF THIS KEPT GOING,
391 - I WOULD HAVE HAD TO SEND THE TWO OF YOU
392 - TO YOUR OFFICES WITHOUT ANY DINNER.
393 - THAT'S A DAD JOKE. I LOVE IT.
394 - SO, LOOKS LIKE YOU'RE GONNA HAVE TO PUT UP WITH ME AFTER ALL.
395 - HEY, I SAID I'D WORK WITH YOU.
396 - IT DOESN'T MEAN I LIKE YOU.

397 - YOUR NOT LIKING ME DOESN'T BOTHER ME THAT MUCH NOW THAT I WON.
 398 - AND BY "I WON," I MEAN YOU LOST.
 399 - OH. AND ALSO...
 400 - YOU KNOW, HERE I'M JUST AN AVERAGE KID.
 401 - BUT DOWN THERE...
 402 - DOWN THERE, I WAS A STAR.
 403 - WHAT?
 404 - OH, DID I MAKE THE KISSY FACE TOO EARLY AGAIN?
 405 - NO, NO. IT'S NOTHING.
 406 - WHAT?
 407 - WHY DO YOU KEEP LAUGHING AT ME?
 408 - I'M GONNA GO HOME AND I'M GONNA WATCH
 409 - A REALLY SAD MOVIE
 410 - AND I'M GONNA TRY TO COME BACK LATER.

3.9 Episode 09: You Can't Always Get What You Want

1 - Man, I can't believe Thanksgiving's tomorrow.
 2 - It's that special time of year, I like to give thanks,
 3 - get Fez drunk and dress him up like a lady pilgrim.
 4 - Well, the joke's on you because this year,
 5 - I'm getting into the dress before I get drunk.
 6 - Ah, touche.
 7 - Well, so long as it happens.
 8 - I had Thanksgiving dinner last night with Brooke and the baby
 9 - so I could be here tonight for Fez and the dress.
 10 - Hey, guys, I got something really different planned for Thanksgiving.
 11 - But instead of telling you about it, I'm gonna let it wash over you.
 12 - But, Eric, maybe you can let some soap and water wash over you.
 13 - 'Cause since you've been out of work, you're a little bummy.
 14 - Welcome to the grand illusion
 15 - Come on in and see what's happening
 16 - Pay the price
 17 - Get your tickets for the show
 18 - Is that Styx?
 19 - And they just announced a concert Thanksgiving night.
 20 - Now, if we camp out for tickets,
 21 - by tomorrow we could be watching five guys in spandex suits
 22 - shaking their hair sweat on teenage girls.
 23 - Forman, even if I liked Styx,
 24 - which would mean I was born without ears,
 25 - I still can't go.
 26 - My dad wants me and Angie to open the record store by midnight tomorrow.
 27 - Oh, man, Angie is so pretty.

28 - You know, looking at Angie is like looking at
 29 - something else pretty.
 30 - Well said.
 31 - Donna, you in for Styx?
 32 - Eric, I'm a deejay. I can't be seen at a Styx concert.
 33 - It's in my contract.
 34 - Well, Fez, what do you say, my man from another land?
 35 - Eric, where I come from, we have a saying.
 36 - Yuck, Styx.
 37 - Remember, kids, music is joy, comfort, a Band-Aid for a wounded soul.
 38 - And if you get people to believe that crap, you're gonna sell a lot of records.
 39 - - Here are the keys to the store. - Thank you.
 40 - I just figure whoever hasn't been in prison should hold the keys.
 41 - I thought you'd do that, so I made an extra set for you.
 42 - - Everybody gets keys. - Thank you.
 43 - Yeah, you don't know me very well,
 44 - but you're gonna have to make three of everything.
 45 - I'm starting to get you a little bit. You're funny.
 46 - All right, well, as co-manager of this record store,
 47 - my first order is
 48 - a pizza.
 49 - Are you crazy?
 50 - We have to start unloading records.
 51 - Hey, look, I don't know about these other jokers,
 52 - but I am here to help.
 53 - So if you need to get anything off of one of these high shelves,
 54 - I'll be happy to watch you reach for it.
 55 - All right, guys, we got a ton of boxes to unpack, posters to hang.
 56 - So let's hit it.
 57 - I love hitting it.
 58 - I love that you taught me to love hitting it.
 59 - You know, this is the first time we've ever hit it at...
 60 - Hey, this place doesn't have a name yet.
 61 - You should call it Hot Wax Records but with a "Z." Recordz.
 62 - Z's are so rock 'n' roll.
 63 - Funk Man's House of Funk.
 64 - Funk Man's Funky House of Funk.
 65 - Funky Man's Funky House of Hitting It.
 66 - You guys writing this down or what?
 67 - Steven, that's too complicated.
 68 - You need something that sounds hot and upscale.
 69 - You should call it Jackie.
 70 - If you wanted hot and upscale, you should call it Dijon Mustard.
 71 - What about, like, Head Food?
 72 - Headsies, The Head.
 73 - That's kind of cool. The Head.

74 - - The Head. - The Head.
75 - The Head.
76 - I smell something burning.
77 - That'd be us.
78 - Oh, man, we just came up with the best name for the record store.
79 - It's, um...
80 - The Funky Mustard House.
81 - I thought we settled on Jackie.
82 - I just had it and then it popped out of my head.
83 - That's it. Poppers.
84 - This is a chain. All the stores are called Grooves.
85 - Oh, that's why we have that sign.
86 - All right, well, let's call it a day and hit it hard again tomorrow.
87 - Good work, everyone.
88 - Oh, wait, I just remembered the name. Lumpy's.
89 - No, it wasn't called Lumpy's.
90 - Well, my store is gonna be called Lumpy's.
91 - Hanging out
92 - Down the street
93 - The same old thing
94 - We did last week
95 - Not a thing to do
96 - But talk to you
97 - We're all all right
98 - We're all all right
99 - Hello, Wisconsin!
100 - First one here.
101 - Hey, you guys getting in line for Styx tickets, too?
102 - Yeah, right.
103 - If we weren't late for this party, we'd kick your ass.
104 - Styx rules.
105 - - What was that, dork? - I said enjoy your party.
106 - Oh, my God!
107 - Did I miss it? Are there any tickets left?
108 - Black Sabbath's been sold out for weeks.
109 - No. Styx.
110 - I prefer a more lush, orchestral sound.
111 - Yeah, well, you're the only one.
112 - Just give me the damn ticket.
113 - Man, Hyde, this listening pit is an awesome idea.
114 - Yeah. You made a place for people to hang out, listen to music,
115 - and feel up Angie and stuff.
116 - That's not what this pit is for, man.
117 - It's for listening to records and feeling up Jackie and stuff.
118 - Steven's so innovative.
119 - You know, he designed this whole thing from scratch.

120 - Um...

121 - This is exactly Eric's basement.

122 - Oh, you're just jealous because Steven's successful and Eric's all bummy.

123 - What is all this?

124 - What happened to the Soft Rock section?

125 - I put it in the alley.

126 - See, that way, if somebody comes in asking for Barry Manilow,

127 - I can send him outside and lock the door.

128 - Steven, this store is very important to me.

129 - When I was eight years old,

130 - Santa asked me what I wanted for Christmas and I said, "A record store."

131 - You know what I got? A pony.

132 - What eight-year-old girl wants a damn pony?

133 - You know, one year I asked for a damn pony and got a car.

134 - I just want this store to be great.

135 - Yeah, well, I think this pit makes the store great.

136 - Really? Did you go to business school?

137 - Well, he did a lot of business at school.

138 - Fine, I'll get rid of the pit,

139 - but I want that entire wall covered in Zeppelin.

140 - We can't.

141 - You know that research paper that I gave you that you probably smoked?

142 - Well, it says that Zeppelin scares people over 30.

143 - Good, because people over 30 don't listen to music.

144 - They move to Florida to play golf.

145 - Man, Angie is so awesome and classy.

146 - She's like the first page of a Playboy layout.

147 - You know, before you see her cans.

148 - Did you know that all that stuff about those girls is made up?

149 - Yeah, they're not really librarians or horse trainers or scientists.

150 - They're just whores.

151 - I wish someone would rub my shoulders like this.

152 - Hey.

153 - Whatcha cooking, good-looking?

154 - Guess who got a ticket to see Styx in concert tonight?

155 - Tonight? Honey, it's Thanksgiving.

156 - Yeah, but this is a once-in-a-lifetime thing.

157 - Mom, this ticket was really hard to get.

158 - Was it harder to get than the holiday traditions

159 - this family has built through decades of love and sacrifice?

160 - Much harder. Thanks for understanding.

161 - There's my beautiful bride. I'll be in the garage.

162 - Red.

163 - None of the kids are coming for dinner tonight.

164 - Laurie's in Canada, Steven has his store,

165 - and now Eric is going to a concert.

166 - There's no point in me even making my special yams.
 167 - What?
 168 - Kitty, I love those yams.
 169 - They're among the top three reasons I married you.
 170 - Well, I can't make them if I'm sad.
 171 - Look, I'll tell you what,
 172 - you get started on the yams and I'll go talk to Eric.
 173 - Thanks.
 174 - Gosh, my shoulders are sore from all this cooking.
 175 - Think you could rub them a little?
 176 - Kitty, it's Thanksgiving, not Christmas.
 177 - Styx, Kelso?
 178 - All right, fine. I like Styx, okay?
 179 - And I don't care if anybody knows it.
 180 - That's not true. Don't tell anyone.
 181 - Why aren't you putting the records in the bins?
 182 - - What bins? - The ones I ordered.
 183 - Oh, my God. I never ordered the bins.
 184 - Hmm!
 185 - That would never happen at Jackie.
 186 - What are we gonna do?
 187 - There's no bins.
 188 - No bins!
 189 - Hey, look, man, I'll take care of it, all right?
 190 - But it's gonna cost you.
 191 - Listening pit comes back, Zeppelin goes up on that wall,
 192 - and I want you to remove the smoke detectors from the back office.
 193 - Whatever you want.
 194 - Oh, and also, my creepy friend gets to hold your hand for two minutes.
 195 - That would be me.
 196 - Wait, all right, back off.
 197 - I want to be the first one of us who gets to touch her.
 198 - You, too, with the Styx?
 199 - That's a present for my friend,
 200 - Fez. Damn it.
 201 - Out of my way, Dad. Time for me to rock.
 202 - You're not going to the concert.
 203 - What? Why not?
 204 - Look, every family has its holiday traditions.
 205 - Some sing, others play charades.
 206 - In our family, someone always cries.
 207 - But I'll be damned if it's gonna be your mother crying tonight.
 208 - I can't see her like that.
 209 - I love her.
 210 - She threatened not to make the yams.
 211 - Just get the hell back in the house.

212 - Okay, here's the situation.
213 - It's Thanksgiving night. Everything's closed.
214 - We need to find 100 record bins by midnight.
215 - It's the same damn thing, every year.
216 - Wait, I have a question.
217 - How does hair know to grow?
218 - And how far inside your head does it go?
219 - Does it touch your brain?
220 - Okay, I think we need to get Jerry Garcia here some coffee.
221 - Let the girl rap, I was into it.
222 - I like to think about my head.
223 - The Head, that's the name. I saved the day.
224 - You know what would be perfect for the records?
225 - Those boxes that milk bottles come in.
226 - They're like crates or crepes.
227 - Crepes. How good are crepes?
228 - That'll work, man. We need, like, 50 empty milk crates.
229 - Well, how are we gonna drink all that milk?
230 - Wait. We need 50 boxes of cookies.
231 - No, wastoid. We'll steal the crates.
232 - It's perfect.
233 - Milk crates.
234 - Milk crates.
235 - Milk crates.
236 - Milky Craties.
237 - Okay. My Valium's starting to wear off.
238 - What's happening with those boxes?
239 - Man, we just thought of the perfect solution.
240 - We're gonna go get some of those...
241 - - The Head. - Crepes.
242 - Poppers.
243 - Whatever. We'll be back.
244 - Why is it every time I leave the room, you guys do this?
245 - It's Thanksgiving.
246 - Some people bake pies, we bake ourselves.
247 - Thank you for opening up your home to me on this special day.
248 - This family is all about love.
249 - Yep, spirit-crushing tyrannical love.
250 - Drop that tone of voice,
251 - you'll be wearing that turkey like a football helmet.
252 - Okay, now, everybody take a feather from the paper turkey
253 - and write down something you're thankful for,
254 - and then we'll all pick feathers and guess who wrote them.
255 - Any questions?
256 - This is kind of off-topic, but where can I put my belt?
257 - I'll go first.

258 - "I'm thankful for my mother/wife. My life is meaningless without her."
 259 - Whoopsie, I got mine.
 260 - It would've sounded better if someone else had read it.
 261 - "I'm thankful you have pecan pie. You do have pecan pie, right?"
 262 - "Because I turned down an invitation that involved pecan pie."
 263 - Hmm, Bob?
 264 - "I'm thankful I didn't waste my day at a really fun concert.
 265 - "This way I can work on becoming a bitter, old man
 266 - "whose only happiness is destroying his son's life."
 267 - Kitty, hand me the turkey.
 268 - I think I got Red's.
 269 - 'Cause the only words I can repeat are "Eric, little"
 270 - and a word that starts with "mother."
 271 - "Mother"? That's nice.
 272 - It takes a pretty hard left turn.
 273 - Thanksgiving is ruined.
 274 - Don't look at me. Dad's the one who cursed on a turkey.
 275 - Kitty. Bob, touch my yams and die.
 276 - Look at all the stuff I gotta eat.
 277 - Okay, look, I'll distract him. Jackie, give me your lipstick.
 278 - Okay, but you picked a really weird time to get into makeup, Donna.
 279 - I love it when you whore yourself for the good of the group.
 280 - Hey, you.
 281 - That's, um... That's a sexy milk truck you got there.
 282 - Really? Nah.
 283 - Oh, yeah, that big cow on the side is really sexy.
 284 - I haven't talked to a woman in four months.
 285 - Oh, come here, big guy.
 286 - She's hugging him.
 287 - Okay, come on. Let's grab everything. Hurry up.
 288 - Or slow down. I'd like to see where this goes.
 289 - How could you think it would be okay to miss Thanksgiving?
 290 - You might as well just rip my heart out
 291 - and drown it in my delicious giblet gravy.
 292 - It's not just Thanksgiving.
 293 - You used to have goals and ambition.
 294 - But now, one week you're chasing butterflies,
 295 - the next week you're skating around the neighborhood dressed like Liber-
 ace.
 296 - Did it ever occur to you guys that I don't know what I'm doing?
 297 - Okay? I'm scared.
 298 - Of what, honey?
 299 - We got rid of the spooky lamp in your room.
 300 - Look, my whole life, I've been trying to please other people.
 301 - So I feel like I don't know who I am or know what I want to do with my
 life.

302 - You need a government job, like a mailman.
 303 - Something simple and repetitive.
 304 - No, no, no. You know he doesn't do well in snow.
 305 - What about this?
 306 - Margie's son is a chiropractor, and she seems very happy.
 307 - I just...
 308 - I don't wanna wake up in five years and hate my life.
 309 - That's unavoidable.
 310 - Okay, I just need more time to think.
 311 - You know what I got for my 18th birthday?
 312 - A draft notice and a malaria vaccine.
 313 - I never had time to think.
 314 - Yeah, but, Dad, don't you think it would've been helpful if you did?
 315 - All right, I'll tell you what.
 316 - I'll give you six months.
 317 - But if you haven't picked something by then,
 318 - you'll do that chiropractic thing that your mother suggested.
 319 - Dad, I... I don't even know what that is.
 320 - Oh, honey, it's perfect for you.
 321 - It's like a doctor but you don't have to be as smart.
 322 - I can't believe I had to kiss that milkman.
 323 - Donna, you've done worse for less.
 324 - Shut up.
 325 - - Was it milky? - Shut up.
 326 - So, what do you think?
 327 - I think I see a lot of records in milk crates.
 328 - Where are the bins like the other stores have?
 329 - - Dad, I forgot to tell you... - Forgot to tell me what?
 330 - Uh, what she forgot to tell you was that it was my idea.
 331 - See, I thought it'd look cool, you know, like we stole them or something.
 332 - Well, I don't much like it, but we'll give it a shot.
 333 - Why is Jackie behind the cash register?
 334 - Hey, funny girl, get your hands off my money.
 335 - - That was really nice of you. - I know, and now you owe me.
 336 - I want black lights, bigger speakers
 337 - and a little thing called the five-day weekend.
 338 - Hey, was Hyde being mean to you?
 339 - You know, I can't beat him up for you. But I can get Donna to.
 340 - No, he was great.
 341 - It's just, I've been waiting for this day my whole life
 342 - and now I don't know.
 343 - I don't know what to do with myself.
 344 - Well, I think that you need to take some time for you,
 345 - and may I suggest an evening out with Michael Kelso.
 346 - Dinner, drinks and a ride home not included.
 347 - I never did have a Thanksgiving dinner.

348 - I can buy you a taco.
 349 - Oh, and then we can celebrate, like the original Thanksgiving,
 350 - with the pilgrims and the Mexicans.
 351 - Welcome to the grand illusion
 352 - Come on in and see what's happening
 353 - Check it out. Jackie's rocking out to Styx.
 354 - So? Fez was mouthing the words.
 355 - Uh... I thought it was okay now because Hyde was tapping his foot.
 356 - Whoa, whoa. I was just squashing a bug.
 357 - How about you, Donna? You've been kind of quiet. Are you okay?
 358 - I kissed the milkman.
 359 - Happy Thanksgiving, Forman.

3.10 Episode 10: Surprise, Surprise

1 - I think we have a really big shoplifting problem.
 2 - I just did inventory and there are 30 records missing.
 3 - Oh, Angie, I forgot to tell you,
 4 - I moved those to the annexe,
 5 - otherwise known as my house.
 6 - Excuse me, Mr. Record Store Big Shot, I need some help.
 7 - Where can I find something by Bette Midler?
 8 - Well, we don't have any Bette Midler,
 9 - but may I suggest something even better?
 10 - Perhaps a little Sex Pistols?
 11 - Sex Pistols? Well, that's terrible.
 12 - Guns don't belong in the bedroom.
 13 - They agree, and a lot of their songs are about just that.
 14 - And they deliver their message with a smooth, mellow sound.
 15 - So it's like easy listening.
 16 - Well, they're not hard to hear.
 17 - Steven, the store is great.
 18 - I'm proud of you. Thank you.
 19 - Whoa, Hyde, I want you to really savor this moment.
 20 - Red's only nice every 75 years. Yeah.
 21 - He's kind of like the Halley's Comet of compliments.
 22 - I got one the first time I used the potty and...
 23 - Yeah, since then, nothing.
 24 - What am I supposed to do?
 25 - Compliment you every time you go to the can?
 26 - See?
 27 - All these kids, wasting their money on records.
 28 - You'd think they could be down at my muffler shop buying mufflers.
 29 - You're all stupid.
 30 - If you want, I could plug your store on my next radio show.
 31 - That'd be great, and tell them I'm giving away calendars.

32 - Okay. Well, the only problem is
 33 - I don't know how many people will hear it.
 34 - I used to think I had a lot of listeners
 35 - 'cause I had a lot of call-ins.
 36 - But it turns out it was just one crazy guy doing different voices.
 37 - You may know him as Fez.
 38 - Fez, just tell me your secret.
 39 - Just kiss me.
 40 - I'm not doing that.
 41 - Then I'm not telling you my secret.
 42 - Just tell me. Just kiss me.
 43 - Ugh!
 44 - Big news from the salon,
 45 - I just shampooed Marie, who waits tables at the coffee shop.
 46 - Well, that is big news.
 47 - She served pie at 1:00 a.m. to Kelso and Hyde's sister, Angie.
 48 - And Kelso took the pie and fed it to Angie, and she liked it.
 49 - Oh, my God.
 50 - This isn't good. Steven is gonna lose his mind.
 51 - I can't believe Angie went out with Kelso.
 52 - What? Angie went out with Kelso?
 53 - What?
 54 - Don't you "what" me, you know what you did.
 55 - It was 10, *I'll put it back in the register.*
 56 - *No, not that. You went out with Kelso.*
 57 - *Look, in my town there are two rules.*
 58 - *One, don't date Kelso. Two, don't date Kelso.*
 59 - *Yeah, it even says that on the sign when you drive into town.*
 60 - *"Welcome to Point Place. Don't date Kelso."*
 61 - *The high school band spells that out during half time.*
 62 - *Look, I'm not dating Michael.*
 63 - *We went out one time, but it's not gonna happen again.*
 64 - *I need a guy who can eat a breadstick*
 65 - *without pretending it's a cigar first.*
 66 - *Okay, the thing is, Angie, Michael's like chocolate cake, okay?*
 67 - *It looks good in the bakery,*
 68 - *but when you take it home, it sleeps with all your friends.*
 69 - *Yeah.*
 70 - *Hey, Donna, what kind of food am I?*
 71 - *I don't know, I guess, a Twizzler.*
 72 - *What? No, it's a good thing.*
 73 - *You can have a lot of them and not even notice.*
 74 - *You're just gonna sit there and take that?*
 75 - *Of course you are. You're a Twizzler.*
 76 - *Are you closed yet or what?*
 77 - *I've been waiting in the parking lot for, like, forever.*

78 – *Ididn'tsee you out there.*
 79 – *That's 'cause I was hiding in the bushes by your car.*
 80 – *I figured when I jumped out,*
 81 – *you'd be sore I've done it with you'd go out with me again.*
 82 – *Why didn't you just ask me out?*
 83 – *I don't know.*
 84 – *I was gonna but you're so pretty and successful and...*
 85 – *Plus, I kind of like hiding in the bushes.*
 86 – *Michael, I appreciate the offer,*
 87 – *but I'm not sure you're my type.*
 88 – *"Not your type"? I'm like ketchup, I go good on everything.*
 89 – *Yeah, well, thanks anyway.*
 90 – *Okay, all right. Look, Angie,*
 91 – *I really want to go out with you again, okay?*
 92 – *And I got about 50 lines that I could throw at you right now,*
 93 – *but I don't want to do that because*
 94 – *I don't want you to go out with me*
 95 – *because of some line.*
 96 – *I want you to go out with me 'cause*
 97 – *you like me as much as I like you.*
 98 – *Are you telling me that's not a line?*
 99 – *Well, it's not now, but if it works, I can add it to the list.*
 100 – *Okay, you know what?*
 101 – *Let's go get a drink, but just one drink.*
 102 – *Ready for that drink now?*
 103 – *Hanging out*
 104 – *Down the street*
 105 – *The same old thing*
 106 – *We did last week*
 107 – *Not a thing to do*
 108 – *But talk to you*
 109 – *We're all right*
 110 – *We're all right*
 111 – *Hello, Wisconsin!*
 112 – *You know, I'm not sure these Sex Pistols are for me.*
 113 – *Look, this fella's name is Johnny Rotten.*
 114 – *You'd think he'd change that for show business.*
 115 – *Mrs. Forman?*
 116 – *Okay, Steven just found out Michael went out with his sister,*
 117 – *so I need to think of something to do to cheer him up.*
 118 – *Well, I do know Steven loves peanut butter chocolate chip cookies.*
 119 – *So I go buy those?*
 120 – *No, Jackie, you make them.*
 121 – *So I hire someone to make them?*
 122 – *No, you have to make them with your own two hands.*
 123 – *I'll pay you 20 to make them.*

124 - Only you can put in the love,
 125 - that is the real secret ingredient.
 126 - 30.
 127 - *Willyou two hens stop clucking?*
 128 - *Donna' s back on the radio.*
 129 - *Okay, that was the Thursday rock block*
 130 - *and you' relistening to the new and improved Hot Donna.*
 131 - *Now with hair like strands of gold.*
 132 - *And if you' re driving home and things are a little loud,*
 133 - *stop by the Forman Son mufflers shop,*
 134 - *where they' re also giving away calendars.*
 135 - *She said " Forman " on the radio.*
 136 - *We' re gonna have to change our phone number.*
 137 - *You know, that Donna is a great girl.*
 138 - *I can' t believe that Eric wouldn' t marry her.*
 139 - *When I get back home, I' m gonna kick him in the ass.*
 140 - *And now, Love You Inside Out by the Bee Gees,*
 141 - *going out to Jackie Burkhardt from Steven Hyde.*
 142 - *Oh, seenow, Steven loves me and wants every one to know it.*
 143 - *Requested by Jackie Burkhardt.*
 144 - *Okay, Fez, I' ll play you one more game.*
 145 - *But just so you know, this " honk, honk " is a foul.*
 146 - *Hey, guys. Hey, Angie.*
 147 - *I need to talk to you guys about something.*
 148 - *Oh, God, you didn' t go out with Kelso again, did you?*
 149 - *No, I was on my way to going out with him*
 150 - *but then we got interrupted by me sleeping with him.*
 151 - *What?*
 152 - *Well, at least they didn' t go out. Wait a minute.*
 153 - *I need some advice.*
 154 - *My advice is, go back in time and don' t sleep with Kelso.*
 155 - *Yeah, but you need a time machine.*
 156 - *The only person working on that is Kelso.*
 157 - *He says if you want to use it, you have to sleep with him.*
 158 - *So you' re kind of back where you started.*
 159 - *Here' s the thing.*
 160 - *I don' t know if you guys have noticed, but I' m kind of, you know...*
 161 - *Bitchy?*
 162 - *I was gonna say " uptight, " but fine.*
 163 - *I never relax and laugh, and with Michael that' s all we do.*
 164 - *Except for the sex.*
 165 - *Although I did laugh, you know, during.*
 166 - *Actually, it was more of a giggle of appreciation.*
 167 - *Okay, I' m not sure you know what you' re getting yourself into.*
 168 - *Kelso has a baby with another woman.*
 169 - *Yeah, he told me.*

170 – *Damn.*
 171 – *I thought that would run you off for sure.*
 172 – *Let me try. I'm the master at running girls off.*
 173 – *You think he's good in bed, huh?*
 174 – *How do you think he got that good?*
 175 – *Practice, practice, practice.*
 176 – *Cheerleader, cheerleader, cheerleader's mother.*
 177 – *Hey, Fez, check out this nude calendar.*
 178 – *Uh – oh.*
 179 – *Is this the calendar Red's giving away?*
 180 – *It's just pictures of half – naked girls posing by cars.*
 181 – *That's a disgrace.*
 182 – *I'll dispose of that.*
 183 – *No, I'll take it.*
 184 – *We'll never get it back now.*
 185 – *It's going in the box with my "naked lady" pen,*
 186 – *and my "I Got Crabs in Louisiana" T – shirt.*
 187 – *Thank you for helping me, Mrs. Forman.*
 188 – *Steven is gonna love these cookies.*
 189 – *Okay, now start by cracking a couple of eggs into the bowl.*
 190 – *I can't touch an egg.*
 191 – *Why not?*
 192 – *'Cause it came out of a chicken butt.*
 193 – *Honey, they wash it.*
 194 – *Well, wash it all you want, it still came out of a butt.*
 195 – *All right, so I've been thinking about Donna's "Twizzler" remark.*
 196 – *Maybe it's not so bad. I mean, yes, it is candy but,*
 197 – *you know, you bite both ends off, you got a straw.*
 198 – *It's a metaphor for versatility.*
 199 – *No, I think it's a metaphor for you*
 200 – *being long, skinny, bendy and floppy.*
 201 – *Hey, Hyde.*
 202 – *Why are you smiling?*
 203 – *I don't know.*
 204 – *Talk to Angie today?*
 205 – *No!*
 206 – *Oh, yeah!*
 207 – *I have officially nailed everyone in this room's sister.*
 208 – *Hey, Hyde, Kelso and Angie...*
 209 – *You already know.*
 210 – *Hyde, allow me to be the first to welcome you*
 211 – *to the Kelso – had – sex – with – my – sister club.*
 212 – *There's no hand shake or passwords.*
 213 – *There's really just shame.*
 214 – *Damn it, Kelso.*
 215 – *My sister's been in town for a month,*

216 – *you've already slept with her.*
 217 – *This is why I keep my sister 10,000 miles away in a jungle.*
 218 – *Believe me, if things don't work out*
 219 – *with Angie, I'm on the next flight out.*
 220 – *Hey, Hyde, remember how you kept bringing it up*
 221 – *when Kelson nailed my sister?*
 222 – *I never understood why, but now I get it.*
 223 – *It's fun.*
 224 – *So guess what? Kelson nailed your sister.*
 225 – *Oh, and another thing, Kelson nailed your sister.*
 226 – *Shut up, you little Twizzler.*
 227 – *Sticks and stones may break my bones,*
 228 – *but Kelson nailed your sister.*
 229 – *Okay, I know you can do this.*
 230 – *A negg is not just something that comes out of a butt.*
 231 – *It's a life source, it's beautiful, so pick it up.*
 232 – *Why don't you do it? You're a nurse.*
 233 – *You mess around with butts all the time.*
 234 – *Just pick up the freaking egg, you spoiled brat.*
 235 – *Donna's back on the radio, maybe she'll mention my shop again.*
 236 – *Okay, now it's time for a new segment on my show.*
 237 – *What's on your mind, Hot Donna?*
 238 – *When I agreed to promote the Forman Son calendar,*
 239 – *I had no idea that it was just pages*
 240 – *of half – naked women straddling drive shafts.*
 241 – *Which is wrong.*
 242 – *Wrong, because cars get very hot.*
 243 – *So if they were to do these things,*
 244 – *they would easily burn their thighs.*
 245 – *That's right. Forman Son Mufflers*
 246 – *is promoting the burning of women.*
 247 – *What is she talking about?*
 248 – *Now, I would call for a boycott,*
 249 – *but girls never go down to these places,*
 250 – *so I call for going – down – there – and – yelling – at – them*
 251 – *cott.*
 252 – *Oh, great. Now I've gotta go back down to the shop*
 253 – *before those hairy – ass feminists tear the place down.*
 254 – *Okay. Now, I would like to hear*
 255 – *from some pissed – off feminists.*
 256 – *You're on the air with Hot Donna.*
 257 – *Or, should I say, Hot – under – the – collar Donna.*
 258 – *Donna Pinciotti, you should be ashamed of yourself.*
 259 – *Suddenly you think women shouldn't be looked at.*
 260 – *Well, I've seen your outfits, Miss Lady Tank Top.*
 261 – *Mrs. Forman, this isn't about me, it's about society.*

262 – *No, it's about Red, who's been like a second father to you,*
 263 – *and now finally he has something to be proud of*
 264 – *and you're forcing your weird hippie politics on it.*
 265 – *It's just a couple of greased – up broads on a Chevy.*
 266 – *Get over it.*
 267 – *Steven, I can't believe you thought I'd like these Sex Pistols.*
 268 – *I don't want anything this loud and crabby*
 269 – *in my house if I'm not married to it.*
 270 – *I'm sorry, Mrs. Forman. I'll make it up to you.*
 271 – *Have you ever heard of a band called Judas Priest?*
 272 – *Well, that's what Judas needed, a priest.*
 273 – *Are they spiritual?*
 274 – *I list to them every Sunday.*
 275 – *Hey, Fez, you're the candy expert in these parts.*
 276 – *Okay, do you think I'm a Twizzler?*
 277 – *Well, you're no Hershey's Special Dark like your friend Fez.*
 278 – *Okay, well, then how do I un – Twizzle myself?*
 279 – *Well, you need to become richer, more chocolaty.*
 280 – *I don't know, just show Donna who's boss. Take her like a man.*
 281 – *I tried that once in bed, but all I got was a sprained wrist.*
 282 – *FYI, advice in Playboy,*
 283 – *not always practical if you can't overpower your woman.*
 284 – *Oh, hey, Hyde, how's it going with the store*
 285 – *and Kelso nailing your sister?*
 286 – *Steven,*
 287 – *stop turning the Pat Boone albums into Pat Boone albums.*
 288 – *Okay, you need to stop sleeping with Kelso, okay? It's embarrassing.*
 289 – *And if you catch something, we don't have medical.*
 290 – *It's not embarrassing. Hereally likes me, and I really like him.*
 291 – *You don't even know him.*
 292 – *You do realize he has a really bad*
 293 – *track record with women, right?*
 294 – *Look, I just don't want to see you get hurt.*
 295 – *Oh, my God! That's so sweet.*
 296 – *I finally feel like I have a brother.*
 297 – *Oh, Hyde has a sister*
 298 – *who got nailed by Kelso.*
 299 – *Mr. Forman, Mrs. Forman really yelled at me.*
 300 – *And I feel bad about what I said*
 301 – *on the radio and I'd like to apologize.*
 302 – *Don't worry about it.*
 303 – *People have been coming in non – stop*
 304 – *since you talked about the calendars.*
 305 – *I cannot believe all the disgusting perverts in this town,*
 306 – *who list to my show.*
 307 – *Hey, pervs, I'm Hot Donna.*

308 – *Dad?*
 309 – *You're with the pervs?*
 310 – *I'm just here to support Red.*
 311 – *I see that calendar, put it down.*
 312 – *No, I won't put it down.*
 313 – *You're the kid and I'm the dad,*
 314 – *and I will have my fantasy ladies.*
 315 – *Fine, Dad, but you won't have my respect.*
 316 – *One more woman who doesn't respect me.*
 317 – *That camel's back broke long ago.*
 318 – *Okay, this is Hot Donna back at the mic...*
 319 – *I'm a Twizzler?*
 320 – *I'm a Twizzler?*
 321 – *Uh – uh.*
 322 – *I'm a man.*
 323 – *Now you put on Free Bird' cause we're gonna do it for 13 minutes.*
 324 – *Hey, Eric, what do you do when you have two pieces of wood*
 325 – *and want them to stick together?*
 326 – *Oh, you nail it.*
 327 – *It's easy, it's kind of like how Kelso nailed Hyde's sister.*
 328 – *But I don't know if I can find a piece of wood*
 329 – *that's as slutty as Hyde's sister.*
 330 – *You guys been working on this a while?*
 331 – *About as long as Kelso's been working on your sister.*
 332 – *Stop it. Stop it. Everybody stop it. Steven, don't listen to them.*
 333 – *Okay, I knew you were having a hard time, so I baked you these cookies.*
 334 – *Oh.*
 335 – *Ow!*
 336 – *Are they no good?*
 337 – *No, no, they're good.*
 338 – *I'll just suck on them.*
 339 – *Oh, forget it, I've ruined them.*
 340 – *They didn't make you feel better at all.*
 341 – *Oh, hey, Jackie, you know who did feel better?*
 342 – *Hyde's sister after Kelso nailed her.*
 343 – *Give me those.*
 344 – *Hey, Angie.*
 345 – *After you close up do you want to watch me eat a pizza?*
 346 – *Look, Michael, I'm not sure we should see each other again.*
 347 – *A lot of people have told me you're not*
 348 – *very serious about the women you date.*
 349 – *A lot of people.*
 350 – *A lot, a lot.*
 351 – *Everybody.*
 352 – *Okay, here's something about those stories.*
 353 – *They're all true.*

354 – *I've made a lot of mistakes in my past, okay?*
 355 – *And I could tell you that I've changed*
 356 – *but I would rather just show you.*
 357 – *So why don't we start off slow as friends?*
 358 – *My other friends don't let me do that.*
 359 – *Just do me one favor?*
 360 – *Anything.*
 361 – *Just don't tell Hyde.*
 362 – *No, I got to tell Hyde.*
 363 – *Okay, I've got my candles, I've got my bubbles,*
 364 – *and I've got my soothing, spiritual, Judas Priest music.*

3.11 Episode 11: Winter

1 - Guys, check it out.
 2 - Somebody just left all these toys at the police station.
 3 - Guess they figured, if cops have something to play with,
 4 - then we won't stress out and accidentally shoot somebody.
 5 - Or, and stay with me here, Inspector Meathead,
 6 - maybe these toys are for the toy drive.
 7 - Yeah, Kelso, these toys are probably
 8 - all those needy kids get on Christmas morning.
 9 - Holy crap, is that an Evel Knievel stunt cycle?
 10 - Oh, my God, let's set it up!
 11 - We have to find something for Evel Knievel to crash into,
 12 - like something funny.
 13 - Fez, lie down over here and close your eyes.
 14 - Man, I feel just like a kid on, like... I don't know,
 15 - like, some morning where kids get to open a lot of presents.
 16 - Guys, I don't feel right about this.
 17 - Oh, buddy, we're not gonna aim it at your head.
 18 - No, I'm not worried about my head.
 19 - Awesome. He's not worried about his head?
 20 - Let's aim it at his head.
 21 - No, I'm just...
 22 - I just don't feel right about taking these toys away from kids.
 23 - Oh, but, Fez,
 24 - this could be the Christmas that I never had.
 25 - My parents wouldn't get me cool stuff when I was a kid.
 26 - Every year, I got a raincoat.
 27 - And then, to make sure it worked,
 28 - we had to go outside and Red would spray me with the hose.
 29 - Yeah, Fez. What about my Christmas, man?
 30 - I mean, I'd wake up in the morning, rush out in my PJs,
 31 - and find what strange man Santa had left laying underneath my mother.
 32 - Fine. We'll each open one present. But only one.

33 - All right.
34 - Look at what we've done.
35 - What should we do now?
36 - We need batteries.
37 - - A buttload. - Yeah.
38 - Hanging out
39 - Down the street
40 - The same old thing
41 - We did last week
42 - Not a thing to do
43 - But talk to you
44 - We're all all right
45 - We're all all right
46 - Hello, Wisconsin!
47 - Ho, ho, ho!
48 - Thanks for helping me with my Christmas party, girls.
49 - You know, this is the most important event of the year
50 - for the Ladies of Point Place,
51 - or as we like to call ourselves, the LOPPs.
52 - You know, the LOPPs are known for being super stuck-up and totally two-faced.
53 - I can't wait till I get in.
54 - Hey, Mrs. Forman?
55 - I need, like, a buttload of batteries.
56 - What for?
57 - Oh, um, Kelso wants to see
58 - how badly he can shock himself.
59 - Oh, okay, they're in the drawer.
60 - Oh, hey, Steven, don't forget about the Ladies of Point Place party tonight.
61 - Oh, yeah. I forgot. Um, I can't go.
62 - Something more important came up.
63 - But you promised you'd go.
64 - Jackie, if I promised, I clearly wasn't listening.
65 - Which you should've known, so this is your fault.
66 - I can't believe Steven.
67 - He knows this is a big deal to me, and he doesn't even care.
68 - Jackie, don't be so hard on him.
69 - I know it's a big deal to you and I don't care.
70 - Knock, knock.
71 - Patty Ryals, I didn't know you were back in town.
72 - Well, you always return to where you were young,
73 - which I know, for you, Kitty, is a long time ago.
74 - Actually, I just dropped by to tell you
75 - I'm taking over tonight's Ladies of Point Place Christmas party.
76 - What? No, I'm in charge.
77 - Past tense.

78 - The LOPPs remembered that you aren't the most reliable L of PP
 79 - after I reminded them about the punch-bowl incident of 1973.
 80 - You dredged up my Chappaquiddick?
 81 - What did Mrs. Forman do?
 82 - She spiked the wrong punch bowl.
 83 - I missed the sixth grade Christmas play
 84 - 'cause I couldn't walk a straight line.
 85 - VertiBird central, you are cleared for takeoff.
 86 - Prepare to transport funion.
 87 - We have visual. Funion's remaining secure.
 88 - VertiBird to Kelso, prepare to receive funion.
 89 - Roger that.
 90 - Awaiting funion.
 91 - Funion's under attack! Funion's under attack!
 92 - Steady with the funion.
 93 - Houston, the funion has landed.
 94 - - Yeah! - Yeah!
 95 - - What's going on? - Eric flew a funion into my mouth.
 96 - This is what's more important than going to a party with me?
 97 - Jackie, I think you're overreacting.
 98 - And yes.
 99 - You guys seriously need to grow up.
 100 - Okay.
 101 - I think someone's a little mad that we didn't fly a funion into her mouth.
 102 - Okay, Steven, I'm going to that Christmas party,
 103 - and if you don't come with me right now, you are in so much trouble.
 104 - Right now!
 105 - I'm opening the door.
 106 - I'm stepping outside.
 107 - I'm closing the door.
 108 - You are in so much trouble!
 109 - You know, I thought Steven was maturing.
 110 - He's out of high school, he's got a job,
 111 - and lately he's even been taking his sunglasses off inside the house.
 112 - That's real progress, Donna.
 113 - Well, maybe what's going on with Hyde
 114 - is the same thing that's going on with my boyfriend,
 115 - Lieutenant Funion.
 116 - It's that stupid Kelso.
 117 - He's always talking them into having fun.
 118 - Steven should not be having fun, he should be with me.
 119 - Okay, girls, time to get to the party.
 120 - Well, Jackie, look, I think Eric and Hyde are feeling the pressures of life,
 121 - and they want to have one last blowout.
 122 - Okay, Steven does not need a blowout,
 123 - he needs a kick in the nads.

124 - It's Christmas.
 125 - At holiday time, we say, "He needs a kick in the sleigh bells."
 126 - Kitty, these decorations look awful.
 127 - This isn't your living room.
 128 - Everything has to match.
 129 - You should have mentioned that to your plastic surgeon.
 130 - Jackie Burkhart.
 131 - Welcome to the LOPPs' Christmas party.
 132 - Where's your boyfriend?
 133 - Oh, um, he can't be here.
 134 - He's at rich stockbroker school.
 135 - Well, then I'm just gonna have to seat you
 136 - with the Single Ladies of Point Place.
 137 - The SLOPPs?
 138 - Ha! You're a SLOPP.
 139 - Hey, there, hi, there, ho, ho, ho there.
 140 - Patty Ryals? It's me.
 141 - Well, yes, Santa, it's good to see you.
 142 - Bob Pinciotti. We went out that time?
 143 - I didn't have the beard then,
 144 - although I think I wore a similar red jacket.
 145 - Speaking of which, that's rented,
 146 - so try not to sweat through it.
 147 - What a woman.
 148 - Bad news, Kitty.
 149 - I went by the police station to pick up the toys.
 150 - They've been stolen.
 151 - - What? - Yeah.
 152 - Makes me think the police in this town aren't that good.
 153 - Red, getting those gifts here
 154 - was the only job Patty left me.
 155 - Okay, you need to go home, you need to find something, anything,
 156 - to wrap up and give away at the party.
 157 - Oh, fine.
 158 - But this counts as one of your Christmas presents.
 159 - This is horrible.
 160 - Taking toys from children.
 161 - What kind of monster would do such a thing?
 162 - I'm a monster!
 163 - It's broken already?
 164 - This toy's stupid.
 165 - Looks like somebody needs a nappy-nap.
 166 - No, I want to open another present.
 167 - - Forman, just take a rest. - I'm not tired, okay?
 168 - Can I have a turn?
 169 - I'm playing with it.

170 - You're supposed to share.
171 - I don't wanna.
172 - What the hell?
173 - Where did all these toys come from?
174 - Well...
175 - Dad, I guess I'm just gonna have to tell you the truth.
176 - It was Santa Claus.
177 - How could you do this?
178 - I told them it was wrong, I told them.
179 - But then they drove a toy into my head,
180 - and it was all blurry after that.
181 - These toys were for the needy kids
182 - at your mother's party, you idiot.
183 - Oh, man.
184 - There's, uh, no chance
185 - that they might want a raincoat, is there?
186 - Red, the thing is, is that
187 - these toys are too nice for the needy kids.
188 - You need to start them off with something simple, like
189 - a ball of yarn.
190 - Look, Dad, I think we can safely say
191 - that none of this would have happened
192 - if you had just bought me an Evel Knievel stunt cycle
193 - when I was younger.
194 - I bought you one of those.
195 - Santa left it under the tree that year with...
196 - Oh, wait.
197 - Okay, Eric's all tucked in,
198 - put out carrots for the reindeer,
199 - and a little wine for Santa.
200 - Look at this thing that I got for Eric.
201 - You rev up the bike and Evel Knievel goes flying.
202 - In real life he's a moron, but as a toy he's awfully fun.
203 - Let me see if I can make it over the garage.
204 - Go!
205 - Damn.
206 - I really thought I could make it over the garage.
207 - Oh, well, everybody makes mistakes.
208 - I'm gonna give you a pass on this one.
209 - Just get these presents wrapped up and over to the community center.
210 - Okay. Yeah, we'll take care of it, Dad.
211 - All right.
212 - I think it's clear what we gotta do.
213 - Yeah.
214 - Can we at least drive the stunt cycle into Fez's head one more time?
215 - What do you say, buddy?

216 - Well, it is Christmas.
 217 - - Set it up, boys. - All right! Very nice.
 218 - All right, Kitty.
 219 - I brought some stuff from the house
 220 - that I'm sure the kids are gonna love.
 221 - A cheese grater?
 222 - Kids love cheese.
 223 - It's like Play-Doh to them.
 224 - Look, don't worry. The real presents are gonna be here soon.
 225 - How do you know?
 226 - Because you have to believe, Kitty.
 227 - Like me.
 228 - Believe in Christmas.
 229 - We need to stall. Read the kids a story.
 230 - Well, I have a book in the car, but it's about the Korean War.
 231 - Well, go get it.
 232 - Better those kids suffer emotional damage
 233 - than I look bad in front of the LOPPs!
 234 - Tell you what.
 235 - Santa will bring you the bike for Christmas
 236 - if you go bring Santa a hoagie.
 237 - You know what I'd really like for Christmas?
 238 - Patty Ryals.
 239 - All you men ever think about is what you want.
 240 - What about what we want?
 241 - Boys never grow up.
 242 - You know, one minute they agree to go to a party with you, and the next,
 243 - they're in a basement full of stolen toys.
 244 - And you're no better.
 245 - Sitting there pretending to be Santa Claus.
 246 - You're not Santa Claus?
 247 - No. No, no, he is.
 248 - He is, it's just that she is the evil Ice Witch.
 249 - Come on, let's get you some grown-up punch.
 250 - Well, since we can't bring these presents through the front door,
 251 - looks like the chimney's the only way in.
 252 - I love being on a rooftop.
 253 - You can really see the whole town spread out in front of you.
 254 - It really is a crappy town, isn't it?
 255 - All right, who's gonna take the plunge?
 256 - Not me.
 257 - If we were jumping off the roof, I'd do it, but...
 258 - This just seems foolish.
 259 - You know what? I'll do it.
 260 - I've always wanted to save the day by sliding down a chimney.
 261 - That opportunity comes up surprisingly rarely.

262 - All right. I'm gonna do this.
 263 - Okay, looks like it might be kind of a tight fit.
 264 - I don't know if I'm gonna fit all the way down!
 265 - All right.
 266 - Toss down the toys.
 267 - It's okay, Forman,
 268 - we're just gonna sneak them in through the back door.
 269 - There's a back door?
 270 - Yeah, I saw it on the way in.
 271 - I just wanted to see one of you guys go down the chimney.
 272 - "Blood ran like a river that day on Heartbreak Ridge.
 273 - "Hundreds of soldiers had given their lives and limbs trying to take..."
 274 - Trying to take the North Pole.
 275 - "The North Koreans..."
 276 - The North Pole Korean elves
 277 - "were weary from heat on that sun-baked..."
 278 - "" Snowy Christmas Eve.
 279 - Kitty, where are the toys?
 280 - Oh, um...
 281 - This year, in order to build anticipation,
 282 - I hid them behind the curtain.
 283 - You can't see them now, not because they're not there,
 284 - but because they're behind the curtain.
 285 - Hidden.
 286 - Well, the children won't wait.
 287 - Gladys, open the curtain.
 288 - No, no, no, wait. Wait.
 289 - Boys and girls, I'm sorry.
 290 - I just, you know, I think Santa hasn't quite finished his...
 291 - Christmas
 292 - Christmas
 293 - Okay, kids, go get 'em.
 294 - Who was in charge of giving out the toys here?
 295 - It was Kitty.
 296 - I think she's been drinking.
 297 - Well, it was perfect.
 298 - The LOPPs would like you to run our Valentine's party.
 299 - I'm in charge? Oh!
 300 - Oh!
 301 - This is the same as Lyndon Johnson
 302 - being sworn in on the airplane
 303 - after President Kennedy was...
 304 - Well, that was a tragedy, but I'm in charge!
 305 - You hear that, Patty Ryals? She's in charge.
 306 - So you will be taking orders from her.
 307 - So put that in your face-lift and smoke it.

308 - Oh, look at the two of you.
309 - Isn't this just the most special Christmas?
310 - Where's Eric?
311 - Yeah, um...
312 - Um, yeah,
313 - just a quick question.
314 - Um, where does that chimney up on the roof go?
315 - Well, I'm kind of a chimney enthusiast.
316 - Oh, well, that goes into the bakery next door.
317 - Hello?
318 - Hyde?
319 - Somebody?
320 - I'll be at the bakery.
321 - Damn. That's a nice crop of SLOPPs.
322 - Look at who decided to finally show up.
323 - Jackie, are you still mad?
324 - Come on, man, this is not a big deal.
325 - I mean, six months ago, you would have thought this is really funny.
326 - Yeah, six months ago.
327 - Steven, you can't act like this forever.
328 - I need to know the guy I'm in love with
329 - isn't gonna blow me off for a room full of toys.
330 - That's not a guarantee I can ever give you.
331 - Well, things are changing, Steven.
332 - I mean, we're practically grown up.
333 - Yeah, and you know what? I'm just trying to have a little fun
334 - before I settle down and life goes to crap.
335 - Is that what you think? That life with me will be crap?
336 - That's not what I said.
337 - No, it's okay. At least now I know how you feel.
338 - Jackie.
339 - I'm sorry, I don't remember our date, Barry.
340 - It's Bob.
341 - But since it is Christmas Eve and we are both alone,
342 - would you like to get some dinner?
343 - I like the way you're thinking.
344 - Or we could skip dinner.
345 - Well, I'm more active with a burger in me.
346 - Hey, Hyde,
347 - you and Jackie fix things up?
348 - I don't know, man.
349 - If she wants to ruin Christmas, fine by me,
350 - 'cause I am not playing her game.
351 - It's the stupid needy kids who are playing games.
352 - They took all of our games.
353 - Look what I found in the bakery, curled up in the fireplace.

354 - What the hell?
 355 - You guys just left me there.
 356 - If I hadn't landed on,
 357 - well, some of the most delicious baked goods that I ever tasted,
 358 - I very well could have starved to death.
 359 - All right, man, I'll make it up to you,
 360 - 'cause I got a Christmas present for everybody.
 361 - This is one messed up Christmas, man.
 362 - You guys are all starting to look like elves.
 363 - That must have freaked you out.
 364 - - It's gonna fall off. - It's okay.
 365 - Oh, my God, it is gonna fall off.
 366 - - It's okay. - Okay.
 367 - Let me give you my recipe for holiday cheer.
 368 - Take one SLOPP, add half a bottle of schnapps,
 369 - then stir freely with Fez.
 370 - It is a wonderful life.
 371 - - Merry Christmas, Son. - Oh, my God.
 372 - You finally got me an Evel Knievel stunt cycle!
 373 - Ooh, you can go outside in your new raincoat
 374 - and give it a try.
 375 - Ooh.
 376 - Oh, Red. Not again.
 377 - Well, it's his own damn fault
 378 - for wanting a toy that's so fun.

3.12 Episode 12: Don't Lie to Me

1 - Hey, you still mad at me about the Christmas party?
 2 - No, I'm just starting to realize
 3 - you might never be the man I'd dreamed you'd be.
 4 - That's the spirit, lower your expectations.
 5 - Well, I have one last wedding thing to return,
 6 - and once this is done, the only thing I'll have left to remind me
 7 - we almost got married will be you.
 8 - Oh...
 9 - Well, I wish Eric had shown up for your wedding.
 10 - The sales lady said my mother-of-the-groom dress
 11 - took five pounds off me.
 12 - Five pounds.
 13 - Okay, what happened to my nice breakfast?
 14 - I thought we were done with this whole wedding deal.
 15 - Women are never done with it, son.
 16 - Anything wrong you do,
 17 - they sit on it for 25 years like an egg.
 18 - And then it hatches on Super Bowl Sunday.

19 - Oh, man, I can't believe I have to take these shoes back to Wanamaker Bridal.
 20 - Now I have to tell that snot, Stacy Wanamaker,
 21 - that I didn't get married.
 22 - Oh, wait, Donna, I'll take them back for you.
 23 - I've always wanted to meet Stacy Wanamaker.
 24 - I mean, she's everything I've ever wanted to be,
 25 - gorgeous, popular, which, of course, I already am,
 26 - but she's also married.
 27 - And to a guy who owns a real estate company
 28 - that puts her face on his signs.
 29 - Oh, she's like a Kennedy.
 30 - Yeah, Stacy Wanamaker was a high school legend.
 31 - All the guys would say, "I do wanna make her."
 32 - I always wish I had a name that could be done, too.
 33 - Jackie has a nice rackie?
 34 - I like Jackie on her backie?
 35 - Oh...
 36 - Thanks, you guys.
 37 - Well, thanks for dinner.
 38 - Thanks for dessert.
 39 - Thanks for breakfast.
 40 - Thanks for dessert.
 41 - Congratulations, Angie.
 42 - You just got four different kinds of herpes.
 43 - Hey, Hyde, I just learned something very important.
 44 - You know that saying, "It's like kissing your sister"?
 45 - Well, it's totally wrong 'cause kissing your sister is great.
 46 - Oh, oh, there's Stacy Wanamaker.
 47 - Hi. Um, I'm here to return these shoes.
 48 - Name? - Donna Pinciotti.
 49 - Good heavens, these are for a giant.
 50 - Were they too big?
 51 - Oh, no, no. The wedding was canceled.
 52 - Yeah, the groom said "I don't."
 53 - Oh, Donna, how awful.
 54 - What? Oh, no, no...
 55 - I just know how complete being married has made me,
 56 - and I always feel so sad when I see girls your age,
 57 - whose window to find that kind of happiness is so, so small.
 58 - It is not that small.
 59 - Honey, I've seen a lot of girls like you
 60 - who wasted years on a guy who never came through,
 61 - and before you know it,
 62 - you're past your expiration date.
 63 - Well, that is not gonna happen to me because

64 - I'm still getting married.
 65 - Yeah, see, I canceled the other wedding 'cause I traded in up.
 66 - - Him. - Who?
 67 - - You. - What?
 68 - Yes.
 69 - Uh, this is Eduardo, and he's, um...
 70 - A prince.
 71 - He's the prince of Mexico.
 72 - Well, then we are going to make your wedding
 73 - the best wedding ever, right, Donna?
 74 - Donna?
 75 - Apparently, that's you.
 76 - Oh, yes. What? Yes.
 77 - You just have to come to the big wedding expo this weekend.
 78 - Oh, well, that sounds great.
 79 - Eduardo and I would love to be there.
 80 - Right, Eduardo?
 81 - Just a few weeks left to stretch those wings, huh, toots?
 82 - Eduardo!
 83 - What? Oh, yes, my bride. Yes.
 84 - Hanging out
 85 - Down the street
 86 - The same old thing
 87 - We did last week
 88 - Not a thing to do
 89 - But talk to you
 90 - We're all all right
 91 - We're all all right
 92 - Hello, Wisconsin!
 93 - Hey. Oh, uh, Hyde, Angie can't make it
 94 - to the movie with you because, uh...
 95 - Well, I plumb wore her out.
 96 - Kelso, Jackie and I are fighting right now,
 97 - and I'm in a really bad mood.
 98 - So if you don't stop nailing my sister,
 99 - I'm gonna have to smack you in the head with my car.
 100 - Actually, you can't do anything to me,
 101 - because after you stole Jackie from me,
 102 - we made a pact not to interfere
 103 - with each other's pursuit of a chick.
 104 - I negotiated the pact,
 105 - which mainly consisted of Kelso telling me
 106 - to tell Hyde to sit on it.
 107 - How come you guys always have pacts?
 108 - You never give me a pact.
 109 - I want a pact.

110 - Well, I would love to stick around and chat,
111 - but I gotta go home and take a shower
112 - 'cause Hyde's sister wears a lot of perfume,
113 - and she was all over me.
114 - Freaking pact.
115 - You know, Hyde,
116 - this doesn't have to be a problem.
117 - I happen to know a lot of ways out of a pact, my friend.
118 - That's true.
119 - We once had a pact to get married,
120 - but then he just didn't show up.
121 - So you think you can get her to break up with him?
122 - Maybe.
123 - But that would require you and I going into business together,
124 - i.e., forming a pact.
125 - Which would mean
126 - you gotta do something for me.
127 - I don't think so, man.
128 - This is a starter pact.
129 - You handle this,
130 - you get a big-boy pact.
131 - I don't know, Eric, the starter pact.
132 - I mean, that sounds a lot like training wheels,
133 - and you were on those for a really long time.
134 - Stacy, hi.
135 - Donna, welcome.
136 - Here is your bride-to-be sash.
137 - And a tiara.
138 - Can I get a sash?
139 - What do you do with a sash?
140 - I don't care. I want a sash.
141 - Welcome to the beginning of a whole new life.
142 - Wow, this really is a whole new life.
143 - Oh, did you get some champagne, too?
144 - Oh, I can't. I'm six months pregnant.
145 - Can't you tell? I'm huge.
146 - She's perfect.
147 - Now, Eduardo, you'll have no say
148 - in any of the decisions about your wedding,
149 - so go sit in the grooms' lounge.
150 - Oh, goody, new friends.
151 - Hey.
152 - Hey.
153 - Hey.
154 - Oh, perfect, everyone's here.
155 - Wow, look at all of us

156 - just "pact" right in here, huh?
157 - Mom, Dad, you remember Angie.
158 - Of course they remember me.
159 - I'm the only black girl in town. Hello.
160 - Funny thing about Angie, she dates Kelso.
161 - - Oh, honey. - Tough break.
162 - So, anyone have any stories about Angie's new boyfriend
163 - and some of his crazy antics?
164 - What do you want? I got one with water, one with fire,
165 - one where he burned himself under water.
166 - Oh, okay,
167 - I got a good one.
168 - Michael, what are you doing with my blender?
169 - Don't worry, it's not what you think.
170 - I'm making a blender rocket.
171 - I couldn't have daiquiris for a week.
172 - I've got a better one.
173 - Kelso, it's 6:00 in the morning.
174 - Someone glue you to the fridge?
175 - No.
176 - Kelso, did you glue yourself to the fridge?
177 - Yes.
178 - Thanks, man.
179 - Why does he glue himself to stuff?
180 - Because he's a big dumb-dumb.
181 - Next.
182 - Okay, I got one.
183 - Donna, check it out.
184 - I invented car skiing.
185 - Hit it, toots.
186 - You know, if there's anything he should have glued himself to,
187 - it was probably the top of that car.
188 - Steven, why are you doing this?
189 - Doing what? Forman's doing it.
190 - Clearly, you're in charge.
191 - Whoa. It's my pact, I...
192 - Why wouldn't you think I'm in charge?
193 - Oh, it's probably because of your narrow shoulders, honey.
194 - They just don't shout "leader," you know.
195 - Oh, and Jim raises a lipstick.
196 - Pretty confident, huh, Jim?
197 - That's right, I am all in.
198 - Okay, read 'em and weep.
199 - Two, four, six, eight, ten.
200 - All evens.
201 - Stacy, this is so much fun.

202 - You know, I never thought I'd end up here.
203 - Steven never once discussed marriage.
204 - Steven?
205 - My butler, he is so uppity.
206 - Eduardo, where's my purse?
207 - I was mugged.
208 - Donna, come to my cousin's wedding this weekend
209 - and check out her band.
210 - All right, we'll be there.
211 - No, we won't, Donna.
212 - It's insane.
213 - Excuse me, my fiancée told me I have to give this back.
214 - Angie just broke up with me.
215 - No.
216 - I don't know what happened.
217 - She just dumped me, like, out of nowhere,
218 - and I was gonna take her car skiing.
219 - I need a hug from your mother.
220 - Take off the training wheels, buddy,
221 - 'cause it looks like somebody's ready for his big-boy pact.
222 - Now, if you'll excuse me,
223 - I have to go pull Kelso off my mother.
224 - Jackie, we're not really going to this wedding, are we?
225 - I have to, Fez. It feels so good to be a fiancée.
226 - But you're not a fiancée.
227 - You're a super cute high school girl that I've been spying on
228 - through a window for three-and-a-half years.
229 - Isn't that enough?
230 - Hey, what's up?
231 - Nothing.
232 - Usually when I ask that question,
233 - you don't stop talking till I pretend to fall asleep.
234 - Ah, well, not today.
235 - You look guilty.
236 - What did you do? Fez, what did she do?
237 - Oh, I wasn't listening.
238 - I was thinking about this prince named Eduardo
239 - and his lunatic queen.
240 - Seriously, Steven, everything's fine.
241 - All right, but I'm telling you,
242 - there's gonna be hell to pay
243 - if you've donated all my clothes to the Goodwill again.
244 - Now we're lying to Hyde.
245 - This is messed up, woman.
246 - Fez, I know it's a little crazy,
247 - but what if this is all I get?

248 - I mean, what if Steven never wants to settle down?
249 - What if I never get a real wedding
250 - or real happiness or real anything?
251 - What if I'm just living in my pink bedroom alone forever?
252 - Fine, I'll go.
253 - But please remember, you're never alone in there.
254 - I called Angie, like, 20 times,
255 - and she won't even answer the phone.
256 - Wow, I guess something really turned her off.
257 - Something incredibly powerful.
258 - All right.
259 - So I've narrowed it down to two reasons
260 - why Angie might have broken up with me.
261 - She's either a lesbian or a robot.
262 - Come on, man, it's just a girl. You'll get over it.
263 - Hey, do something for you.
264 - Take up smoking.
265 - I don't wanna get over it. I just want Angie back. I'm going home.
266 - Wow, he really liked her.
267 - I feel like I kicked a puppy.
268 - Well, this is what happens when you get into a pact with Eric Forman,
269 - complete and utter devastation.
270 - What?
271 - So, Fez, what do you think? Do you like my dress?
272 - Yeah, it's okay, but you know what would be more appropriate?
273 - A straitjacket.
274 - Because you're a Looney Tune.
275 - - But, Fez... - I said cuckoo!
276 - Donna, Eduardo,
277 - I want you to meet my cousin, Janie.
278 - - Hi. - Hi.
279 - It is so nice to see two people declare their love
280 - in such an expensive way.
281 - So, Janie, you are looking good.
282 - What are you doing later?
283 - Um, going on my honeymoon.
284 - You play hard-to-get.
285 - I play hard-to-get-rid-of.
286 - FYI. For your wedding, Donna,
287 - tables one and two, where we are sitting, are the popular tables.
288 - Tables five and up are for friends you have to invite
289 - and relatives who drive trucks.
290 - We are gonna get caught.
291 - Oh, no, we're not, Fez, okay?
292 - No one knows us here. We'll be fine. Come on.
293 - I can't believe they put us at table seven.

294 - I went to high school with the bride's mother.
295 - That's it, I'm milking the open bar as punishment.
296 - Well, hell, we could have stayed home for that.
297 - Hey, Donna,
298 - I'm not wearing any underwear under this.
299 - Does that... Does that turn you on?
300 - No,
301 - that only works when I do it.
302 - Ooh.
303 - Well, sucks to be the next guy to rent this tux, huh?
304 - All right, Angie, here's the deal.
305 - I did want everybody to tell you those stories about Kelso,
306 - and that was wrong,
307 - 'cause he really likes you, so you have to take him back.
308 - Steven, this is so unlike you.
309 - Well, a friend of mine sent me a really big baggie from Hawaii.
310 - So I'm gonna be saying all sorts of crazy stuff
311 - over the next couple of weeks.
312 - Well, I didn't break up with Michael because of the stories.
313 - I broke up with him because I saw it was bothering you,
314 - and we have a business to run.
315 - Look, just do me a favor and take him back.
316 - I'll think about it.
317 - Oh, man, Hyde,
318 - it is not easy doing it on your desk.
319 - Okay, so I may have already thought about it.
320 - He's so good-looking.
321 - Crap, it's Stacy Wanamaker.
322 - Damn, I do wanna make her...
323 - Uh, go to beauty school 'cause she's ugly.
324 - You look familiar. Do I know you?
325 - Um, yeah, hi. I'm Donna Pinciotti.
326 - Donna.
327 - Donna, she says she's Donna.
328 - - Donna! - Donna!
329 - - Donna! - Donna!
330 - Eduardo.
331 - No, she's Donna.
332 - Why would you lie?
333 - Are you even engaged?
334 - Well, I can't believe a prince was taken in by a common liar.
335 - - Hey. - Hey, how was the wedding?
336 - Well, the service was beautiful,
337 - the flowers were gorgeous,
338 - and your girlfriend was a humiliating wackadoo.
339 - Jackie was there?

340 - Are we still walking from the car?
 341 - This is taking forever.
 342 - - Hey. - Hey.
 343 - I thought you'd be on a plane back to Prince Eduardo Land by now.
 344 - Donna's mouth is as big as her feet.
 345 - Jackie, what the hell were you thinking?
 346 - Look, Steven, I know it's a crazy thing to do. It's just...
 347 - I wanted to know what it was like
 348 - to be planning a life and a wedding and everything.
 349 - I mean, that's all I've ever wanted.
 350 - And I was starting to think it was never gonna happen with you.
 351 - My God, are we back on this again?
 352 - Why can't you just be happy with what we've got?
 353 - Because I'm not, Steven.
 354 - Okay, look, I need to know that we have a future together.
 355 - Can't you just give me some kind of sign or just a tiny glimmer of hope
 356 - that maybe some day we'll get married?
 357 - Jackie, I don't know.
 358 - My God, that's all you ever say.
 359 - Please, Steven, please just say anything
 360 - besides "I don't know." Anything else.
 361 - - I don't know. - Okay.
 362 - Well, then I can't be with you anymore.
 363 - Jackie, don't threaten me, okay? It's not gonna work.
 364 - I'm not threatening you, Steven.
 365 - I can't waste any more of my time on you
 366 - if it's not gonna happen for us.
 367 - Okay, well, at least now I know.
 368 - Janie.
 369 - Janie?
 370 - Has anyone seen the bride? The limo's waiting
 371 - and the groom's gonna pass out any second.
 372 - Janie?
 373 - Janie, what are you doing?
 374 - What are you doing? Have a little respect for the bride.
 375 - Unless you wanna join us. Yes? No?

3.13 Episode 13: Can't You Hear Me Knocking

1 - So, Hyde, how are you doing now that you and Jackie are broken up?
 2 - I am the old Hyde again, kept by no woman, loyal to no man.
 3 - Beholden to no comb.
 4 - No, Steven, does so use a comb, it's one of those Afro picks.
 5 - You should wear it sticking out of your hair.
 6 - - Hello, Steven. - Jackie.
 7 - You wanna talk?

8 - What would I have to say to you?
 9 - I don't know, how about,
 10 - "I'm a crazy, spoiled, whack job, and I'm sorry."
 11 - That's no way to talk to a woman.
 12 - Yeah, especially a spoiled, crazy, whack job.
 13 - She's liable to kill you.
 14 - Oh, my God.
 15 - There's a hundred morons in my basement.
 16 - That's okay, not even that can ruin this day.
 17 - Yes, one man, and only one man, has the power to ruin his day.
 18 - 'Tis I.
 19 - Nope, not even you can do it.
 20 - But really, who the hell talks like that?
 21 - Now, now, Red, you were happy, remember?
 22 - Right. First freeze of winter,
 23 - I'm spending the day ice fishing.
 24 - Well, I'll come with you. Grab a fishing stick for me.
 25 - I don't wanna go.
 26 - - What? Why not? - Because I don't want you to go.
 27 - Burn!
 28 - Really, I mean, Kitty, you'd hate it.
 29 - It's cold and boring,
 30 - and we both know the only ice you like is in your cocktails.
 31 - Nonsense.
 32 - We're going ice fishing, and we're gonna have fun, and that's that.
 33 - Yeah.
 34 - That's that.
 35 - Jackie, seriously, isn't there anything you wanna say about what you did?
 36 - No, I have much more important things to do with my day.
 37 - Donna, what are we doing with our day?
 38 - - I'm going to karate class. - I knew it'd be something sweaty.
 39 - - You don't have to go. - No, no, no, I'm going. I'm going.
 40 - Now that I'm not with Steven,
 41 - I have much more time to do mannish, unladylike things with you.
 42 - I'll give you 50 bucks to take her back.
 43 - 50 bucks buys me beer for a week, freedom lasts a lifetime.
 44 - Look at our poor little tough guy,
 45 - hurting others to ease his own pain.
 46 - I think someone needs a tickle.
 47 - No, I'm okay.
 48 - Look, Hyde, we're your best friends, and we're here for you, okay.
 49 - We're not gonna let you go through this thing alone.
 50 - Would you shut up, Forman? I'm fine.
 51 - You know what, Eric's right.
 52 - We're gonna do what guys do for each other.
 53 - A massage train?

54 - No.
55 - But we did get you a present.
56 - It's a great present, guys.
57 - I especially like the teeny white paper you all wrapped it in.
58 - Yeah, the only thing that could ruin today is if the Russians set off
59 - that Russian death ray that's pointed at the White House.
60 - No, seriously. No, I read about it in a magazine.
61 - Kelso, that was The Flash, and it is a comic book.
62 - I love comic books. I wish I had thought bubbles.
63 - You see anything?
64 - Kelso, the Russians don't have a death ray,
65 - but they do have a stupid ray and it's pointed directly at you.
66 - No, the Russians do have a death ray, and I'll prove it.
67 - Operator, give me the White House.
68 - Kelso, I'm not allowed to make long distance calls without permission.
69 - Oh, awesome, I'm on hold,
70 - and they're playing that theme song to the President.
71 - Hail to the Chief.
72 - Thank you, Eric, but I'm trying to enjoy the President's theme song.
73 - Hanging out
74 - Down the street
75 - The same old thing
76 - We did last week
77 - Not a thing to do
78 - But talk to you
79 - We're all all right
80 - We're all all right
81 - Hello Wisconsin!
82 - Kelso, if you ask the White House if there's a Russian death ray,
83 - they're gonna have you committed.
84 - So, yeah, I say go for it.
85 - Well, obviously they won't admit it. There'd be panic in the streets.
86 - That's why I gotta trick them into talking about it.
87 - It's what us cops call "tricking them."
88 - I'm on. Hello? White House?
89 - Yeah, yes, I have a couple of questions.
90 - Yes, how well is the President protected?
91 - Well, because someone wants to hurt the President, that's why.
92 - You're damn right it's a threat,
93 - it's a terrible threat on the President's life.
94 - Awesome.
95 - What? Where am I right now? I'm in Red Forman's house in Point Place...
96 - No!
97 - You idiot, you just told them where we are.
98 - So?
99 - Kelso, you just threatened the President's life.

100 - They're gonna come here and arrest us.
101 - No, no, I'm not threatening his life.
102 - It's the Russians that have the Russian death ray.
103 - You didn't mention the death ray.
104 - A-ha! So you admit that there's a death ray.
105 - Well, this is boring.
106 - Let's do something fun. Oh, let's play 20 questions.
107 - Kitty, I'm trying to fish.
108 - Okay, you think of something, I'll ask the questions.
109 - - Is it a thing? - Yes.
110 - - Is it small? - Yes.
111 - - Is it a raisin? - Yes, you win.
112 - Well, you're not even playing.
113 - - What's so great about ice fishing anyway? - It was the solitude.
114 - Well, I'm freezing.
115 - This is like that winter we locked ourselves out of our first apartment.
116 - We had to sit on the stoop, cuddled up for two hours,
117 - waiting for the landlord to bring the key.
118 - And then we had to warm ourselves up in front of the stove
119 - because the heater was broken.
120 - We could warm each other up right now.
121 - What the hell.
122 - There's a black Ford sedan outside. Hyde's right, the Feds found us.
123 - Damn it, Kelso.
124 - You finally figure out how to use a phone, now we're all going to jail.
125 - I think you guys are overreacting.
126 - There's no way the government would park a car right outside my house.
127 - Forman, anything you think the government's not doing,
128 - they are doing.
129 - The only thing they didn't do is land the man on the moon.
130 - No, no, no, no, no.
131 - Spielberg shot the entire thing in a Hollywood movie set.
132 - That's how he got the job for Jaws.
133 - Guys, if that's a Feds' car outside,
134 - we better dispose of the evidence right now.
135 - Oh, yeah.
136 - Good job disposing of all the evidence, you guys.
137 - You better take this serious, Eric.
138 - We have a lot of evidence to dispose of,
139 - even more than we had at the Pink Floyd concert.
140 - Yeah, there is a lot.
141 - And without all the smoke machines and lasers,
142 - this is just like punishment.
143 - Man, I never thought I'd say this,
144 - but I wish there were more people to share this with.
145 - This is a nightmare. White suit with yellow belt!

146 - Okay, Jackie O couldn't even pull this off on Easter.
 147 - - Donna-san, you brought a friend? - Yes, sensei, this is Jackie.
 148 - Welcome, Jackie-san.
 149 - Now, today we'll be focusing on self-defense.
 150 - Let's say someone is accosting you in a dark alley.
 151 - Oh, that doesn't work for me.
 152 - I'd never be in an alley 'cause I'm not poor.
 153 - And even if I was ever in an alley, I'd have a boy with me to protect me.
 154 - Jackie, you're not always gonna be with a guy.
 155 - You're not with one now.
 156 - - And, no, I don't count. - Okay.
 157 - An assault can happen anywhere, Jackie-san.
 158 - The point is, someone wants to do you harm.
 159 - But they don't.
 160 - All right, maybe someone would follow these other women to do them harm,
 161 - but when people follow me,
 162 - it's to ask me where I get my hair done or to just give me presents.
 163 - That's true.
 164 - - I've seen it. - Yeah.
 165 - This is our third circle and it hasn't calmed me down at all.
 166 - I feel almost more suspicious than before.
 167 - I don't want to get sent back to my home country.
 168 - If I return in shame, I'll get stoned. And then, you'll throw rocks at me.
 169 - Everybody just settle down, okay. Settle down!
 170 - You are all losing your minds! Who is yelling?
 171 - We all just need to keep calm.
 172 - That's the door. We're all gonna die!
 173 - It's okay. It's okay. I know what to do. Okay.
 174 - Eric, you answer the door, we'll all sneak out the back.
 175 - What?
 176 - Yeah, yeah. No, no, you'll go to jail,
 177 - I'll pull some strings to get you out.
 178 - Point Place PD has connections with the FBI,
 179 - one of our dogs transferred from there.
 180 - May I speak to your parents?
 181 - There's no need.
 182 - I'll go quietly.
 183 - I'm just delivering the hand vac Mrs. Forman ordered.
 184 - Okay, I'm the one who called,
 185 - and all I was saying is beware of the death ray.
 186 - Yeah, I'll do that.
 187 - By the way, the whole neighborhood can smell what you're doing.
 188 - Oh, my God. Did you see his earpiece? He's definitely FBI.
 189 - There's no other reason why a man would be wearing an earpiece.
 190 - Oh, don't punt, you've got one yard to go.

191 - Guys, I've read about this. That's the recon guy.
192 - He's the one that plants the bugs.
193 - I hate bugs. Is it on me? Is it on me?
194 - No, not... Like a bug, like a microphone.
195 - Oh, my God.
196 - We've been infiltrated.
197 - Guys, if this vacuum is bugged,
198 - the FBI could be listening to us right now.
199 - Well, I think the important thing is to stick together.
200 - You know what? You are absolutely right, Fez.
201 - This is all for one and one for all.
202 - You're looking for Michael Kelso.
203 - Quit it.
204 - No, I'm not gonna quit it, okay? This is all your fault.
205 - - You called the White House. - My fault? This is my...
206 - This is Hyde's fault 'cause he's the one who got dumped by Jackie
207 - so we had to be nice to him.
208 - Hey, hey, hey, go easy on the kid.
209 - Letting go of Jackie was the biggest mistake he ever made.
210 - Remember, we were talking about it earlier, behind his back?
211 - Shut up, Fez.
212 - If I wanted your advice, I'd kick you in the nads.
213 - Oh, in that case, my advice is please don't kick me in the nads.
214 - Hey, guys, you know what?
215 - Maybe the FBI has an opinion 'cause they're listening to us.
216 - Remember the V-A-C-U-U-M?
217 - It spelled "vacuum."
218 - Whoa, vacuum has two "u's" in it?
219 - No, that's messed up.
220 - Okay, well, maybe we should turn it on and see if it's really a vacuum,
221 - and if it is, maybe we should tidy up a bit.
222 - Wait. One question.
223 - If the vacuum really was bugged,
224 - couldn't we just put it outside?
225 - Damn.
226 - When Kelso's the only one thinking straight, we're in trouble.
227 - Guys, we're making too many mistakes.
228 - We need to sit down and figure this out.
229 - Okay, this is starting to feel like work, man.
230 - Feds have ruined the circle.
231 - The circle sucks.
232 - That's right, I said it.
233 - Hey, this circle is the only thing that's keeping us sharp.
234 - If it weren't for this circle, we'd have no idea that the Feds were surrounding
us,
235 - planting bugs everywhere, watching our every move.

236 - So I say thank you to the circle.
 237 - I just want everyone to know I'm prepared to fight my way out of here.
 238 - You know, I don't even care if the fish aren't biting
 239 - 'cause nothing could beat hanging out with my girl.
 240 - Well, in that case, I have another idea for a game.
 241 - It's like 20 questions but sexy.
 242 - I call it sexy 20 questions.
 243 - Okay, I'll ask the questions.
 244 - Is it something I want?
 245 - Every Saturday, twice on Christmas.
 246 - I got a bite.
 247 - Good, Donna-san.
 248 - Jackie-san, would you like to try the move that Donna-san just performed?
 249 - But none of this self-defense stuff applies to me.
 250 - Okay, I've said it before, and I'll say it again.
 251 - Everyone loves me.
 252 - You don't understand. I am a stranger who wants to hurt you.
 253 - I'm not buying it.
 254 - Okay, Jackie, let's say he's not a stranger.
 255 - Let's say he's someone who already hurt you.
 256 - Like Hyde.
 257 - What about him?
 258 - Well, you asked Hyde for a tiny glimmer of hope
 259 - that you guys would end up married one day.
 260 - But he said, "I don't know."
 261 - "I don't know."
 262 - As if Jackie Burkhart weren't special at all.
 263 - - Watch it, Donna. - I mean...
 264 - I mean, I thought Jackie Burkhart was special.
 265 - But according to Hyde, you're no better than me.
 266 - All men are bastards!
 267 - That jerk didn't want me! I'm better than everyone!
 268 - Hyde, you've lost the best thing when you lost me!
 269 - And it's not Jackie-san! It's Jackie! Just Jackie!
 270 - Nothing more than Jackie! Get it right, Dork-san!
 271 - I love karate.
 272 - I cannot believe it.
 273 - Now they have a surveillance van outside.
 274 - I hope they're not taking pictures.
 275 - I'm a little puffy.
 276 - Okay, this has gone too far, we didn't do anything wrong.
 277 - What kind of country is this
 278 - if you can't make one threatening phone call to the White House?
 279 - - Let's find out what's really going on here. - Yeah.
 280 - You know, that's not a real weapon, right?
 281 - I know.

282 - Not even if you really, really believe.
283 - I don't.
284 - Don't let me down, baby.
285 - Wait a minute, it's just a dogcatcher van.
286 - Well, hello, that's exactly what the Feds want us to think.
287 - But I just heard dogs barking inside.
288 - It's obviously a tape recording of trained dogs.
289 - The barking's too self-conscious.
290 - Plus, a dogcatcher van wouldn't just say "dog catcher"
291 - on the side of it,
292 - 'cause otherwise the dogs would see it and just run away.
293 - On three. One, two, three!
294 - I don't understand.
295 - Look, I don't know if it's the fresh air talking,
296 - but I'm starting to think this whole thing's just our imagination.
297 - You know what, you guys,
298 - maybe we just need to let this whole fantasy world of ours go.
299 - Whoa.
300 - Watch out, man, I almost just cut you right in half there.
301 - Kitty, I'm sorry.
302 - I didn't mean to throw you to the floor.
303 - It's just that that was the first fish I caught this year.
304 - That was a nice perch, it was a big perch, might have been a state-record perch.
305 - If it means anything, you're my state-record lady.
306 - Okay, I guess I forgive you.
307 - I knew you'd understand.
308 - I mean fish are really hard to catch, but you, I can't get rid of.
309 - Can't get rid of me?
310 - I can't get rid of you from my heart.
311 - You see what happens when you come fishing.
312 - Okay, so there's one thing I don't get.
313 - If nobody was after us all day,
314 - then why did the Feds send a spy vacuum?
315 - Why don't you call them up and ask?
316 - - That's a good idea. - No!
317 - You don't get to touch that any more.
318 - Okay. So, Hyde, first day without Jackie.
319 - Not a good start, huh?
320 - Are you kidding man? I haven't burned out this hard in years.
321 - I'd do it all again tomorrow but I'm exhausted.
322 - I might have to go back to work.
323 - Look at our brave little boy hiding his sadness behind bluster.
324 - Don't worry, I'm sure Jackie's just as miserable as you are.
325 - Oh, I feel so good.
326 - This is so much better than staying home all day, crying about Steven.

327 - - You were a total badass. - I'm not afraid of anything.
 328 - Oh, my God!
 329 - Oh, my God, there was a pack of wild dogs loose.
 330 - I had to climb to the top of this giant thing to get away from them.
 331 - That was me.
 332 - Dogs, huh?
 333 - What did you do?
 334 - Nothing. We... Kelso thought there was a death ray,
 335 - so we called the White house, and the Feds came, but...
 336 - It was just a vacuum.
 337 - Okay, I'm cutting you guys off. Where's your stash?
 338 - It's all gone, man.

3.14 Episode 14: Street Fighting Man

1 - You guys, guess what all of us are doing on Sunday afternoon?
 2 - Uh...
 3 - I hope it's not going antiquing again.
 4 - I told you, Donna, that's just for girls.
 5 - Loved it. Definitely in.
 6 - No, during my radio show,
 7 - we did a promotion where the tenth caller gets six tickets to the Packers game.
 8 - And since I turned off all the outside phone lines after caller number nine,
 9 - I was caller number ten! We're going to the Packers game!
 10 - Oh!
 11 - Awesome! We got six tickets and there's six of us!
 12 - No, wait. One, two, three... Wait.
 13 - Fez, stop moving around. You're confusing me.
 14 - Wait, wait, wait. So we're all gonna go to the game together?
 15 - Oh, what? You won't go now 'cause you and Hyde are broken up?
 16 - Well, I guess you'd rather stay here and make sweet, short love to me.
 17 - No, no, no, I'm fine with going
 18 - because I'm the one who did the breaking up.
 19 - Steven is the one who's all devastated.
 20 - So why don't you go make sweet, short love to him?
 21 - Um, I think something got messed up here.
 22 - Well, I'm going because I'm fine.
 23 - Well, good, 'cause I'm fine, too. In fact, I'm superfine.
 24 - Whoa, whoa, whoa. I'm the one who's superfine here.
 25 - All right. I got the T-shirt that says so.
 26 - Well, you also have a T-shirt that says, "I'm with stupid,"
 27 - and the arrow is pointing straight up.
 28 - Yeah, I hate that T-shirt. It doesn't even make any sense.
 29 - Who's above me?
 30 - Okay, I hate to say it, you guys,

31 - but I think one of these tickets has to go to my dad.
32 - So that means one of us has to sit this out. Let me see.
33 - Eenie, meenie, miney, Kelso.
34 - What? How could you choose your dad over me?
35 - Look, my dad is a huge Packers fan,
36 - and he's never even been to a game.
37 - Forman, it's not a problem. We can all go.
38 - Me, Kelso and Fez will do the old ticket stub switch.
39 - That sounds dirty.
40 - Well, it's not.
41 - I'll do it anyway.
42 - What exactly sounds dirty about "ticket stub switch"?
43 - Oh, come on.
44 - "Stub, switch."
45 - What are you, frigid?
46 - Hey, Dad, say, could you give me a ride this Sunday afternoon at,
47 - I don't know, 1:00?
48 - Eric, this is football season.
49 - I know this doesn't mean much to you
50 - since there are no flying men with capes involved,
51 - but I can't drive you anywhere on Sunday until the spring.
52 - And then your mother can do it.
53 - Well, what if it was a ride to legendary Lambeau Field,
54 - where the Packers are playing the Bears,
55 - and where you will be sitting next to me on the 50-yard line?
56 - Eric.
57 - What do you say, Dad? This'll be great, huh?
58 - Honey, are you crying?
59 - No.
60 - Hanging out
61 - Down the street
62 - The same old thing
63 - We did last week
64 - Not a thing to do
65 - But talk to you
66 - We're all all right
67 - We're all all right
68 - Hello, Wisconsin!
69 - See this young man here? That's my boy.
70 - And he invited me to come and see this game.
71 - I did that.
72 - That was me.
73 - Man, I can't go in there. I got all that stuff.
74 - Okay, listen, here's the plan.
75 - We've got two tickets and there's three of us.
76 - So I'm gonna go inside with one of you guys.

77 - The guy who comes inside with me, takes two stubs, comes back outside,
 78 - brings inside the guy who's waiting outside. You got it?
 79 - Why can't you wait outside?
 80 - Yeah, why can't you?
 81 - Because I have a ticket.
 82 - - Oh, that makes sense. - Okay, yeah.
 83 - Okay, now, to see who's coming in with me,
 84 - instead of drawing straws, we'll draw tickets, okay?
 85 - So, Kelso, you go first.
 86 - All right, I got one.
 87 - Damn!
 88 - Well, at least it was fair.
 89 - Jackie, are you sure you're okay being here with Hyde?
 90 - Because I don't want you to be sad the whole night.
 91 - I have a feeling I'm gonna miss a lot of this game if you're sad.
 92 - Donna, please, okay? I'm past the sad stage in the breakup.
 93 - Now I just want to make someone pay.
 94 - Like when your uncle died and you were sad,
 95 - so you hurt people by firing your maid?
 96 - Okay, Donna, breaking up with Steven was the hardest thing I ever had to do.
 97 - I gave him my heart and he stomped on it.
 98 - I can't pretend everything's okay.
 99 - Oh, and we didn't fire Martina.
 100 - We called immigration and had them take care of it.
 101 - Thanks again for inviting me over for the game, Kitty.
 102 - Well, it'll be fun.
 103 - Red never lets me watch the game because one time, seven years ago,
 104 - the Packers won at the last minute while I was in the kitchen.
 105 - Now I have to sit in the kitchen every freaking Sunday.
 106 - Okay, Kitty, I need the Packers to win by more than seven.
 107 - I got a Hunsky riding on it.
 108 - We call them Hungarians now, Bob.
 109 - No, I bet 100.
 110 - — *Hey, you want in for 10?* - Yes, please.
 111 - Oh, I feel like a gangster's wife.
 112 - Ooh, how about I get you some pretzels?
 113 - I don't want to be any trouble.
 114 - Oh, it's no trouble at all.
 115 - No, you didn't let me finish.
 116 - I don't want to be any trouble, but I'm gonna need something hot.
 117 - Maybe something with refried beans and a little cheese drizzled on it.
 118 - Go!
 119 - Man, you put a little schnapps in the hot chocolate.
 120 - Eh, more like, I put a little hot chocolate in the schnapps.
 121 - You kids talking about booze? Well, schnapp it over here.

122 - Eric, I think your dad's been body-snatched by a nice guy.
 123 - I know. When the Packers got a first down, he actually hugged me.
 124 - It was like... It was like, warm, like I imagined it might be.
 125 - Hey, Kelso, go bring in Fez now. You know the plan, right?
 126 - Take my stub and your stub, and bring him in.
 127 - I got it, Hyde. Jeez, I'm not two, you know.
 128 - Uh, what do I do if I get lost?
 129 - Dude, you're a cop.
 130 - Yeah, what good is shooting somebody if I'm lost?
 131 - You know, Hyde, you're no help.
 132 - This is what it's all about, huh?
 133 - Spending time out here, us men.
 134 - Eric, you should be wearing a jersey. Here, go buy yourself one.
 135 - Whoa. Dad, thank you.
 136 - Eric, please, only on first downs.
 137 - Wow, you actually got food for everybody?
 138 - How unnaturally thoughtful of you.
 139 - Oh, don't worry. I have an ulterior motive.
 140 - See, I got Steven caramel corn,
 141 - but Steven doesn't like caramel corn.
 142 - And he knows I know he doesn't like caramel corn,
 143 - but I'm gonna give it to him anyway.
 144 - - Wicked. - Yeah.
 145 - Okay, boys, I got you all your favorite snacks.
 146 - Red, I got you a hot dog.
 147 - Donna, I got you three hot dogs.
 148 - And, Steven, I got you caramel corn.
 149 - - I don't like caramel corn. - Oh, my.
 150 - Well, if I was still your girlfriend
 151 - and not just someone you couldn't see a future with, I might care.
 152 - But I'm not, so I don't. Buh-burn!
 153 - Hey, Red, want to trade that hot dog for the caramel corn?
 154 - Yeah, sure. I don't care.
 155 - Damn. I forgot about tradesies.
 156 - Now, I could have sworn there was some refried beans
 157 - right here behind my emergency bourbon.
 158 - Kitty, the game's on.
 159 - I'll dip the chips in Crisco, whatever you got.
 160 - - Oh, jeez. - I got you.
 161 - I wasn't falling, Bob.
 162 - Oh.
 163 - Well, then this is awkward.
 164 - You can let go now, Bob.
 165 - - Where's Kelso? - Outside, of course.
 166 - Why?
 167 - Um, we don't have enough tickets.

168 - How can you not get this?
 169 - Moron, how many ticket stubs do you have on you?
 170 - I have two, mine and yours, which, and try to keep up,
 171 - is why he's outside and we're inside.
 172 - Okay, good.
 173 - Now go take both ticket stubs and bring Kelso in.
 174 - But then how would you get into the game?
 175 - I'm already in the game! Now go!
 176 - Okay, okay. But you catch more flies with honey.
 177 - Jackie wants to know
 178 - if you could take a picture of her having the best day of her life.
 179 - Is she insane?
 180 - Of course. What are you, new here?
 181 - Okay, Steven, now that I'm single, I am very, very attractive to other men.
 182 - And I don't want to make you miserable or anything,
 183 - but I think I'm gonna start dating one of those big, stinky football fans.
 184 - I'm single. - No, not you, cheesehead.
 185 - I mean, whoo, cheesehead!
 186 - Forget it. Ugh!
 187 - Why isn't this working? What is wrong with me?
 188 - I don't know.
 189 - You don't have that normal Jackie thing that you usually have.
 190 - You know, most of the time when you put your mind to it,
 191 - you can really hurt someone.
 192 - Okay, do you remember Ashley Caldwell
 193 - when she was talking about you behind your back?
 194 - And then you told all the other cheerleaders
 195 - the reason that she couldn't do a split is because she had a wiener?
 196 - Well, yeah, but, Donna, that was easy. I really wanted to hurt her.
 197 - And you don't really want to hurt Hyde?
 198 - Because you still love him?
 199 - Hey, some jerk's wearing a Bears jersey.
 200 - Let's all get together and kick his ass. Yeah!
 201 - Man, all these guys are pissed off at something, huh, Dad?
 202 - "Dad"? Who is this guy?
 203 - Bears, boo! - Boo!
 204 - Eric, how the hell can you wear a Bears jersey at a Packer game?
 205 - Okay, maybe he doesn't understand why it's wrong.
 206 - Let me tell you in a way how you can understand.
 207 - The Packers are like the Jedi,
 208 - and you're wearing a "Go Darth Vader" jersey.
 209 - Donna, that's ridiculous. The Jedi don't play football.
 210 - They play Manuku.
 211 - Forman, this is worse than when you wore
 212 - the Air Supply T-shirt to the Aerosmith concert.
 213 - For God sakes, will you just take the damn jersey off?

214 - No. You know what? I like rooting for the underdog, okay?
 215 - I am the underdog in real life.
 216 - I like Charlie Brown. I like The Little Engine That Could.
 217 - I like the Bears.
 218 - Excuse me, excuse me.
 219 - Hey, I'm back.
 220 - Um, where's Fez?
 221 - Oh, I left him outside like we always do.
 222 - But I like how you made him come in and out
 223 - just to make him think we weren't screwing with him.
 224 - Burn!
 225 - Kelso, we're not trying to burn Fez.
 226 - We're just trying to all watch the game together.
 227 - Okay, this is Kelso you're talking to here.
 228 - All right, who's getting burned? Is it me?
 229 - Because if it is, I'll just let it happen.
 230 - No. No one's getting burned. Now go out and get Fez.
 231 - All right, fine.
 232 - I'll go get Fez, and you can just surprise me.
 233 - Okay, Steven,
 234 - certain people have implied that I might still have feelings for you.
 235 - But I want you to know that I don't.
 236 - In fact, now that I'm single, I realize how big of a loser you are,
 237 - and I'm lucky to be rid of you.
 238 - So I'm gonna go and celebrate with a giant gold-and-green cotton candy.
 239 - Man, what the hell is her problem?
 240 - She's ruining the football game.
 241 - I'm gonna go tell her where she can stick that cotton candy.
 242 - This is a very angry section we're in.
 243 - Very angry.
 244 - Oh, it's not that bad. I mean, I've been wearing this jersey 10 minutes
 245 - and nothing that bad has happened.
 246 - Although, I did just sit in nachos.
 247 - Good one, Red.
 248 - All right, Kitty, I think we need to talk about what happened in the
 kitchen.
 249 - Yeah, what the heck were you doing, Bob?
 250 - I haven't been goosed like that since we won the war.
 251 - I thought you were falling.
 252 - I wasn't falling. Why would you think I was falling?
 253 - You said "Oh, jeez,"
 254 - and that's what I say when I'm gonna fall. Oh, jeez.
 255 - I just said that because I couldn't find your damn refried beans.
 256 - - And both hands, Bob? - I needed leverage.
 257 - Well, all I know is we have to keep this a secret.
 258 - If Red finds out, he'll cut your hands off.

259 - Fine. We won't say another word about it.
260 - Although, about it, may I say, bravo.
261 - Jane Fonda.
262 - Hey, what happened with Jackie?
263 - Huh?
264 - Oh, nothing. I didn't find her.
265 - You might want to go look for her, though, by the snack bar,
266 - behind the pillar, concourse A.
267 - Is that close to the ice cream guy?
268 - I think so.
269 - All right, I'll go.
270 - Hyde, we need help.
271 - This whole ticket thing is like calculus to us.
272 - Okay, Kelso is outside with two ticket stubs.
273 - What?
274 - How did you get in?
275 - Oh, there's a hole in the fence.
276 - Come on.
277 - Well, the Bears have pretty much lost the game, so why don't you get lost?
278 - Look, I think you've made your point.
279 - Yes, he's wearing a Bears jersey, but he's my son.
280 - Son or daughter?
281 - All right, that's enough.
282 - No, you know what? You can say anything you want about me, okay?
283 - It's not gonna bother me.
284 - Yeah, stay out of this, baldy.
285 - Okay, you can shut up about my dad.
286 - Oh, well, who's gonna make me?
287 - I am.
288 - No, wait, I am.
289 - Eric's in a fight.
290 - No one's here. No one's gonna believe me.
291 - Why didn't I bring my camera?
292 - Today was a miserable day.
293 - Now I want to hire Martina back just so I can fire her again.
294 - You know what might make you feel better?
295 - If you go wait in the car while I go watch the rest of the game.
296 - No, that's okay. You can come with me.
297 - Great.
298 - I'm vicious, all right!
299 - I will tear that ass up!
300 - Look at him go. He's got the Forman rage.
301 - Get off of me.
302 - Come on. Let's go tell your mom about our day.
303 - Oh, hey, where'd you learn all those fighting moves, by the way?

304 - Spider-Man.
 305 - I had to ask.
 306 - Hey, Donna, you know, Fez and I are free if you want tickets to a movie.
 307 - Sure. But I only have enough money for, like, two tickets.
 308 - No problem. I know this thing we can do.
 309 - First, you take two tickets and go inside,
 310 - and then we wait outside and sneak through the fence.
 311 - Sounds foolproof.
 312 - We are gonna burn Fez so bad.
 313 - Well, this sucks.
 314 - 'Cause before we'd just, kind of, hang out, you know?
 315 - Yeah. Well, that was before.
 316 - Obviously, hanging out doesn't work so well now.
 317 - Yeah.
 318 - - Want me to give you a ride home? - No, that's okay.
 319 - I don't mind.
 320 - No, I'll walk.
 321 - But thank you.
 322 - I can't believe you sat on my couch with cheese on your pants.
 323 - Okay, listen, Mom, cheese on my pants is just who I am now.
 324 - No more spending time with your father.
 325 - He's turned you into an animal.
 326 - I can't believe you got into a fight.
 327 - You know, I'm thinking about becoming a boxer.
 328 - They may have to invent a whole new weight class.
 329 - Hey, what's lighter than a feather?
 330 - A Packer win, and the boy defends the family name.
 331 - This is a great day for the Formans.
 332 - I touched your wife's butt.
 333 - I made 10.

3.15 Episode 15: It's All Over Now

1 - Hey, Sarah, when you and Donna are alone at the radio station,
 2 - do you ever pretend that instead of being just a regular intern,
 3 - that you're, like, a super naughty intern?
 4 - Oh, and that Donna has to teach you a very naked lesson?
 5 - I'll give you 10 bucks and what's left of my hot dog to say yes.
 6 - No, sillies. There's way too much work to do at the station to daydream.
 7 - I mean, I have to take my top off and sort records,
 8 - and then Donna and I have to French-kiss. It's exhausting.
 9 - This is why there should be more women in the workforce.
 10 - Um, please don't take this the wrong way,
 11 - but I want to have sex with you.
 12 - Sarah's only been interning for a week,
 13 - but the deejays have already let her talk on the air,

14 - and they gave her a really cool nickname, Sizzling Sarah.
 15 - - Oh, that's terrific. - That's onomatopoeia.
 16 - - That's good. - It rhymes.
 17 - It is so fun.
 18 - Everyone at the station's been super nice, especially the older men.
 19 - Excuse me. I'll be right back.
 20 - - This girl is great. - This girl is great.
 21 - That girl is a bitch.
 22 - She's Sizzling Sarah in one week?
 23 - It took me six months of sorting records to become Hot Donna.
 24 - Six months.
 25 - Uh, no, actually, you've been Hot Donna since the fifth grade
 26 - when you started cultivating that melon patch.
 27 - Don't tell her about the melon patch. Now she knows our secret code.
 28 - Sizzling Sarah.
 29 - I don't even know why they hired her. She's music illiterate.
 30 - When I asked her if she liked The Police, she was like, "No, I prefer firemen."
 31 - Donna, who cares if she knows about music?
 32 - The girl is freaking hot.
 33 - Yeah, Donna, what you've yet to realize is that life is a beauty contest.
 34 - I mean, you got your job because you're hot,
 35 - and now a new hot girl is coming and taking your place.
 36 - It's survival of the juggiest.
 37 - No, I got my job because I know music.
 38 - Yeah, that's why your on-air nickname is "Music-knowing Donna."
 39 - Look, Donna, your problem is you've got too much going on.
 40 - I mean, the less you have going on, the less you have to worry about.
 41 - Look at me. I've got nothing going on and I've got nothing to worry about.
 42 - Except your future.
 43 - Eh.
 44 - How's it going?
 45 - - Horrible, I want you back. - Thank God, I want you back.
 46 - - In fact, marry me. - Oh, yes, Steven!
 47 - Do you, Jackie?
 48 - - I do! - Me, too!
 49 - Yeah, baby!
 50 - Jackie, I said, how's it going?
 51 - Fine.
 52 - Everything's fine.
 53 - You guys, while I was in the bathroom,
 54 - I realized I totally forgot to wear a bra today.
 55 - I love you.
 56 - Hanging out
 57 - Down the street
 58 - The same old thing
 59 - We did last week

60 - Not a thing to do
61 - But talk to you
62 - We're all all right
63 - We're all all right
64 - Hello, Wisconsin!
65 - Steven, I've noticed
66 - that every day you come home from the record store tired and irritable,
67 - and I just want to say, "Welcome to life."
68 - So, what's new in the world of rock 'n' roll?
69 - 'Cause this cool cat wants the skinny on the bebop, maestro.
70 - Uh, well, tomorrow we have Tom Jones coming in for a record signing at the store.
71 - Tom Jones! I love him!
72 - Oh, and the way he shakes his hips.
73 - It just... It makes me feel all nervous and embarrassed.
74 - Boy, that sounds like fun.
75 - Fun for you, maybe. You're a middle-aged woman.
76 - What?
77 - Don't "what" me.
78 - The average lifespan is 72, so if you're older than 36,
79 - which you are, then, by definition, you're middle-aged.
80 - Discussion over.
81 - Okay, when you're right, you're right.
82 - Wow.
83 - I win an argument every six years or so.
84 - Is Steven here?
85 - I'm only asking to make sure he's not in case he still has feelings for me.
86 - Well, he's not here.
87 - He went to a bar to forget how much he loves you.
88 - Really?
89 - Uh, no, he's at the car wash.
90 - - You guys wanna hear something sick? - Ooh, yes. Please, hurry.
91 - Mr. Randall, down at the radio station,
92 - wants me to host a live remote from Hyde's record store
93 - when Tom Jones is there.
94 - And to promote it, they want to put me on a billboard wearing this.
95 - That's just good radio.
96 - Well, I'm not wearing it.
97 - I should be valued for my voice and music knowledge, not my body,
98 - no matter how smoking it is.
99 - There you go again with your
100 - "women should be valued for their minds" gobbledygook.
101 - Donna, women should be valued for their looks.
102 - Men should be valued for their cars,
103 - and foreigners should be valued for their ability to sweep.
104 - Hey, hey.

105 - We also drive a mean taxi.
 106 - I'm not caving to their smutty demands.
 107 - I am an on-air personality. I am not a sex kitten.
 108 - I agree, Donna.
 109 - Making you wear that outfit is demeaning to women.
 110 - Well, thank you, Fez.
 111 - But, just to be sure, put it on and shake your ass.
 112 - Would you please quit giggling?
 113 - Sorry, man. I'm listening to George Carlin's
 114 - Seven Dirty Words You Can't Say on Radio and Television.
 115 - Man, he just keeps saying them over and over again.
 116 - Potty mouth.
 117 - Okay, Tom Jones is booked and everything is set.
 118 - You know, I don't think there's anything more exciting
 119 - than a promotional event gone right.
 120 - Then you need to get drunk and ride a mechanical bull.
 121 - You know, you're being more of a tool than usual.
 122 - Have you talked to Jackie?
 123 - No, Angie. What do I have to say to Jackie?
 124 - That you love her and miss her.
 125 - I don't love people.
 126 - I love Camaros, Zeppelin and french fries, in that order.
 127 - You guys, I just had this brilliant idea.
 128 - You know how every dirty word has a number?
 129 - Instead of cursing, you could just say that number.
 130 - Like I could say, "Hi, go three yourself."
 131 - Hey, Angie, when Tom Jones gets here,
 132 - you're not gonna throw your underpants at him, are you?
 133 - Michael, you know I don't wear underwear.
 134 - Come on, man, you're my sister.
 135 - I just told her to say that to gross you out. Burn!
 136 - Yeah, you got me.
 137 - Besides, I happen to know that she does wear underwear.
 138 - Sometimes she lets me take them off for her. Boomerang burn!
 139 - I feel terrible.
 140 - I think it's the flu.
 141 - Okay, now is this the real flu or the Martini Rossi Asti Spumante flu?
 142 - Now I'm gonna miss Tom Jones this afternoon,
 143 - and I wanted his autograph so badly.
 144 - - Red, I was thinking maybe... - No.
 145 - You know, if you were sick and Joe DiMaggio was signing footballs,
 146 - I'd get an autograph for you.
 147 - Mom, Joe DiMaggio played baseball.
 148 - That'd be like me saying G.I. Joe has a karate grip.
 149 - What a nerd I'd be.
 150 - - Hey, Fez, I need your advice. - You should show more leg.

151 - I'm serious.
 152 - I still love Steven and I want him back. Everything reminds me of him.
 153 - Every time I walk past a pile of dirty laundry, I start crying.
 154 - Then you should go to him and tell him how you feel.
 155 - No, I cannot go up to Steven and pour my heart out to him
 156 - if I'm not sure he feels the same way.
 157 - I couldn't take the rejection.
 158 - Oh, please, I've been rejected a million times.
 159 - And trust me, after the first 100 or so, they don't sting no more, baby.
 160 - I wouldn't even know what to say.
 161 - Okay, let's role-play.
 162 - Pretend I'm Hyde and say everything you want to say to him to me.
 163 - Really? Okay.
 164 - Steven, I love you and I want you back.
 165 - I never thought I would hear those words, my darling.
 166 - Ew!
 167 - I'm sorry, I got a little carried away.
 168 - I'll be serious this time, I promise.
 169 - Okay.
 170 - I love you and all I want is for us to be together.
 171 - - Get off me, weirdo. - I'm the weirdo?
 172 - You're the one saying, "I love you," smack! "I love you," smack!
 173 - You little tease.
 174 - So, you see, Mr. Randall, I don't think it's necessary for me to wear a bikini.
 175 - I mean, what is sexier than a little bit of mystery?
 176 - Well, according to my research, naked boobies.
 177 - All right, look, ratings are down,
 178 - and I think this could really help.
 179 - Well, I'm not gonna strip for a radio advertisement.
 180 - - It's demeaning. - I'll do it.
 181 - You will?
 182 - Yeah, of course she'll do it. This whole billboard was her idea.
 183 - What?
 184 - Unlike some people, I care about this radio station.
 185 - Plus, I just love wearing a bikini.
 186 - When I put one on, I jiggle just like jelly.
 187 - Well, she jiggles just like two perfectly filled water balloons,
 188 - but I'm afraid you'll never get to see them, or touch them,
 189 - or make a motorboat sound with your mouth between them,
 190 - because she is a lady!
 191 - Sarah, you knew that I would never do this.
 192 - You were just trying to make me look bad.
 193 - And it's working.
 194 - You're fired.
 195 - Wait, you're firing me because I won't strip?

196 - No, no, you know what?
 197 - I'm a gentleman, and I normally don't use this kind of language.
 198 - But, Mr. Randall, you are one sixing, sevening monkey-fiver.
 199 - You think your one don't stink?
 200 - Well, three off, you threeing three. Come on.
 201 - Ladies, ladies, I realize Tom Jones is late, and I have an announcement to make.
 202 - Shut up!
 203 - Holy crap.
 204 - It's like a water buffalo convention.
 205 - I'm not waiting two hours for a lousy autograph.
 206 - Excuse me, excuse me. Excuse me. Sorry, watch your feet.
 207 - Excuse me, excuse me. Excuse me there, buddy.
 208 - Hey, no cutsies.
 209 - Oh, hell, I don't need Tom Jones.
 210 - I'll sign the damn album myself.
 211 - Excuse me.
 212 - Who pinched my behind?
 213 - Bonnie!
 214 - Your husband hasn't even been dead two months.
 215 - I am freaking pissed.
 216 - Sarah puts on a bikini, and whammo, she gets me fired?
 217 - That little bimbo set this whole thing up and I am freaking pissed!
 218 - Well, see what happens when you try to skate through life using your brain?
 219 - For the millionth time, people, it's all about the looks!
 220 - Well, I refuse to trade on my good looks to achieve success.
 221 - Eric Forman don't play that game.
 222 - Well, I'm not gonna let her get away with this.
 223 - I need to think of a way to get even.
 224 - All right, you need to do something brilliant, that's subtle but clever.
 225 - Hit her in the face with a Wiffle ball bat.
 226 - Um, I don't think that's exactly what I'm looking for.
 227 - Okay, well, then, you've obviously never been hit in the face
 228 - with a Wiffle ball bat.
 229 - Wait a second.
 230 - Sarah's gonna be broadcasting live from the record store, right?
 231 - - Yeah. - Okay, then I got an awesome idea.
 232 - Well, if it's hitting her in the face with a Wiffle ball bat,
 233 - you stole that from me.
 234 - Here it is, Kitty, a signed Tom Jones album.
 235 - Oh! Aw!
 236 - Oh, thank you.
 237 - Oh, I hope he wasn't upset I couldn't be there myself.
 238 - Did you tell him I had the flu?
 239 - Didn't come up.

240 - Well, what did you talk about?
 241 - Fishing.
 242 - Tom Jones fishes?
 243 - Yeah, it's surprising, I know.
 244 - I'm so surprised that I'm gonna go upstairs and take a nap.
 245 - This is Sizzling Sarah at Grooves record store,
 246 - coming at you live, without a bra.
 247 - And up next some music from a band.
 248 - - That's great. - Okay.
 249 - I was thinking now would be a good time to put a bikini on.
 250 - Fortunately, I keep a box of them in my car.
 251 - Come on.
 252 - Tom is two hours late.
 253 - These women are gonna rip this place apart.
 254 - We've gotta think of some way to distract them.
 255 - What do you want me to do, throw a ham at them?
 256 - All right, all right, you should throw me at them.
 257 - I'll give these ladies what they're not getting at home.
 258 - Okay, there's Hyde.
 259 - Go and tell him you want him back.
 260 - I can't.
 261 - I mean, if I knew he loved me, I'd be happy to put myself out there.
 262 - But I don't, and if he doesn't, I'll just feel so stupid.
 263 - Okay, just go to him and say, "Steven, I want to talk about us."
 264 - And if he wants to talk, then he wants you back.
 265 - But if he blows you off, then you tested the water, and the water...
 266 - Well, the water doesn't love you.
 267 - All right, here I go.
 268 - Hey, um, Steven, can we talk about us?
 269 - Us? Who has time to talk about us?
 270 - Oh, lady, you're not at home. Put your shoes back on.
 271 - He didn't even want to talk to me.
 272 - Am I so disgusting?
 273 - Apparently to him.
 274 - Eric, are you sure this is gonna work?
 275 - Donna, let's just say when we're done with Sizzling Sarah,
 276 - her new nickname's gonna be "Crying, No-job, Street Prostitute Sarah."
 277 - Hi, Sarah.
 278 - Hi, I just wanted to thank you for getting me fired.
 279 - I realize now that my feminist ideals are just a bunch of hooley,
 280 - and I should use my brains less and my body more.
 281 - Yeah, I don't know why women are given brains in the first place.
 282 - Anyway, Mr. Randall felt bad for me so he hired me back as an intern,
 283 - and he wants you to play this after the commercial, track six.
 284 - You know, Donna, you and I are a lot alike.
 285 - Well, except I'm on the radio and you're not.

286 - Steven, Tom Jones is stuck in a snowstorm. He's not coming.
 287 - These women will riot.
 288 - Yeah, when middle-aged women get mad, they get super pissed.
 289 - 'Cause they got nothing to lose. They're almost dead.
 290 - Which is why we should have somebody else break the news.
 291 - Hey, Fez, you want to meet some ladies?
 292 - Yeah.
 293 - Okay, I've just been handed a hot, new record.
 294 - So here's George Carlin
 295 - with The Seven Dirty Words You Can't Say on Television or Radio.
 296 - Huh.
 297 - It seems like I almost shouldn't play it.
 298 - Oh, well.
 299 - Eric, thank you so much. That was a great idea.
 300 - You're welcome. Now let's go home and five all night.
 301 - So, Steven, how was Tom Jones?
 302 - Who knows? He never even...
 303 - Wanted to leave.
 304 - You know, Tom loves his fans.
 305 - I was just telling Kitty how I had to chase down his limo to get her an autograph.
 306 - Mrs. Forman, it was fantastic.
 307 - You should have seen Red running after Tom's limo, screaming like a little girl.
 308 - - "Tom! Tom!" - All right, all right.
 309 - That's enough bragging.
 310 - Well, and that is why I am making this meatball hero
 311 - for my meaty hero of a husband.
 312 - Hiya, Red.
 313 - You were smart not to stick around.
 314 - I waited five hours. Tom Jones never showed up.
 315 - Never showed up?
 316 - If Tom Jones never showed up, who signed this autograph?
 317 - I can't lie to you.
 318 - It was Julio Iglesias.
 319 - Those women at the record store flipped when they heard the seven dirty words,
 320 - especially word number four.
 321 - They do not like word number four.
 322 - It was awesome, man. Sarah got fired.
 323 - The station manager got in trouble, and Donna got her job back.
 324 - I'm telling you, if I weren't unemployed and living with my mommy,
 325 - I'd be wickedly cool.
 326 - Well, if you'd have hit somebody in the face with a Wiffle ball bat,
 327 - this would have been over hours ago.
 328 - Okay, not only did I get my job back, but I had conditions.

329 - I told Mr. Randall I'd be fully clothed at all times, and he said okay.
 330 - I told him to stop demeaning women, and he said okay.
 331 - And I told him to respect me for my mind and my ideas and not my looks,
 332 - and he said okay.
 333 - So do you want people to stop calling you Hot Donna?
 334 - No, that makes me feel pretty.
 335 - Donna, you whore, you got me fired.
 336 - Wait, you're the one who got me fired first.
 337 - Well, I am so mad, I'm gonna make out with Fez.
 338 - Well, if you're gonna make out with Fez, then so am I.
 339 - No, sleep. Damn you, sleep.

3.16 Episode 16: On with the Show

1 - Hey, Fez, you know what was awesome? That time you rode that tree.
 2 - How did he ride a tree?
 3 - Oh, he climbed it, Kelso cut it down.
 4 - You guys have a million stories.
 5 - And you know each other so well. It's like you have your own language.
 6 - I don't even understand half the things you say.
 7 - If you understand anything that Fez says, you're the only one. Burn!
 8 - Oh, Kelso can't understand me?
 9 - Now I know how it feels to be a book. Oh, burn!
 10 - See? Man, I wanna burn somebody so I can be part of the gang.
 11 - This gang?
 12 - Angie, the only reason this gang formed
 13 - was because no one would let us into their gang.
 14 - We're like the chess club,
 15 - but better looking and dumber.
 16 - - Hey. - Hey.
 17 - Um, so was there something you wanted to say to me
 18 - the other day at the record store?
 19 - Oh, yeah. I wanted to talk to you about Abba.
 20 - Abba?
 21 - No, you said you wanted to talk about us.
 22 - Right. Our feelings about Abba.
 23 - You know what? Good. Great.
 24 - Believe me, I don't wanna talk about us, either.
 25 - Come on, Angie.
 26 - We were supposed to open the record store, ooh, about seven hours ago.
 27 - You told me you wanted to tell Hyde
 28 - that you still love him and you wanted him back.
 29 - Yeah, well, it's obvious he doesn't want me back.
 30 - So you better not tell him what I said or I'll be humiliated.
 31 - My lips are a seal's.
 32 - Wait, don't you mean that your lips are sealed?

33 - I'm not hearing the difference.
 34 - Great. Anyways, you guys, I have huge news.
 35 - You know how Point Place cable has that public access channel?
 36 - Yeah. Donna, didn't your dad do, like, a belly dancing show there?
 37 - He guest-hosted. Shut up.
 38 - Anyways, I'm gonna have my own show, just like Mary Tyler Moore.
 39 - Oh, except I won't stop for commercials
 40 - 'cause no one really wants to take a break from me.
 41 - I don't know. That week you were in Florida,
 42 - that was a nice, quiet week.
 43 - Have you been in bed all day?
 44 - Yeah, I have.
 45 - I've been reading the Jack Kerouac classic On The Road.
 46 - See, as I see it, why get out of bed
 47 - when you can read about people who got out of bed?
 48 - You have got to be the laziest non-communist I've ever met.
 49 - And you are about to read a book that my foot wrote.
 50 - It's called On The Road To In Your Ass.
 51 - Okay, now, Red, please let's hold off on the cursing until happy hour.
 52 - This year-off crap better come to an end
 53 - or I'm gonna put you in a box and mail you to the Marines.
 54 - Oh, don't worry, honey.
 55 - Your father's too cheap to mail something that heavy.
 56 - He just wants you to have some direction and so do I.
 57 - And you are in luck because I got the new issue of Cosmo.
 58 - Oh, well, I'm just not sure I need seven new ways to please my man.
 59 - No. No. Honey, it's a job aptitude test.
 60 - Okay, question number one.
 61 - "Do you consider yourself creative?"
 62 - - Well... - Yes.
 63 - You were a little wiz at macaroni art.
 64 - "Do you prefer to work alone or with others?"
 65 - - Alone. - Nope, you love people.
 66 - Okay, question three. "Do you..." Oh, that's easy.
 67 - Look, Mom, I'm happy just enjoying my world.
 68 - I'm like an explorer. I'm exactly like Christopher Columbus.
 69 - Except, you know, I've been incredibly distracted by television.
 70 - Okay. All done.
 71 - Now, according to your answers,
 72 - you should be a nurse!
 73 - Hanging out
 74 - Down the street
 75 - The same old thing
 76 - We did last week
 77 - Not a thing to do
 78 - But talk to you

79 - We're all all right
 80 - We're all all right
 81 - Hello, Wisconsin!
 82 - Okay, Fez, since you're helping me with set dressing,
 83 - I want the set to reflect my sparkling personality.
 84 - I want it to say "Jackie."
 85 - Okay, let me see. Maybe some glitter, a disco ball...
 86 - Uh-huh. I want a big sign that says "Jackie."
 87 - I hate this room.
 88 - It reminds me of my dad dancing around half-naked
 89 - with finger cymbals.
 90 - Well, my show is gonna be a news show.
 91 - All-nude or just topless?
 92 - Not nude, news.
 93 - I'm not hearing the difference.
 94 - Jackie, how are you gonna tell people the news if you don't know any news?
 95 - Well, I know all the news that's really important,
 96 - like, who's got a new car, what store is having a sale on leggings,
 97 - and if there'll ever be peace in the Middle East.
 98 - Who am I kidding? No one cares about China.
 99 - - Hey, Eric, can I have some of your fries? - Sure.
 100 - Well, I don't want any. Burn!
 101 - I think you're confusing a burn with just talking.
 102 - - Eric, can I have some fries? - Yeah, help yourself.
 103 - Burn!
 104 - Yeah, I knew you were gonna do that, so I spit in them. Burn!
 105 - Totally.
 106 - Hey, hey, hey, hey. You ate his spit. Burn!
 107 - That's a piggyback burn. We don't do that.
 108 - Come on, Angie. You've gotta do inventory in the storeroom,
 109 - and I gotta go sleep behind a box.
 110 - Man, you want to catch a movie or something?
 111 - Nah. I gotta go down to the police academy.
 112 - They're gonna teach me what prisoners feel like.
 113 - Guys are gonna handcuff me to a flagpole for a few hours.
 114 - It's not in the curriculum, but they say it's required.
 115 - Hey, uh, I'm sorry, are you reading the new Mighty Spectacular?
 116 - Yeah. You a fan?
 117 - "When trouble arrives by car or bus...
 118 - "...we summon the Mighty Spectacular!"
 119 - - They call me Eric Forman. - Stew Bailey.
 120 - No relation to Beetle.
 121 - Hey, Stew, I mean, if you're interested, they're having a Spectacular
 Spectacular
 122 - down at the Atomic Comic Book Nook.
 123 - You're probably... You probably have to get back to work or something.

124 - I don't have to be anywhere. I don't have a job.
125 - How old are you?
126 - Well, let's just say I'm two years older than Professor Revenge-O.
127 - Thirty-six.
128 - So then, Stew, what do you do all day?
129 - You're looking at it.
130 - We're gonna be good friends.
131 - Fez, Jackie's show is about to start.
132 - Aren't you supposed to be helping her?
133 - She asked me to make a giant sign with her name on it.
134 - So I said, "You got it, baby."
135 - So then, I went to get some ice cream,
136 - and then I went to play some Space Invaders,
137 - and then I came here to watch the show.
138 - I could never be on TV, unless it was Johnny Carson,
139 - because I have a very funny story about a Cheeto that looked just like Jesus.
140 - So, Fez,
141 - you've been hanging out a lot lately with Jackie.
142 - Any idea what she wanted to talk to me about at the record store the other day?
143 - Um, I don't know. I was there. I mean, I wasn't there.
144 - I, uh...
145 - I was, uh... I was away.
146 - On business.
147 - Well, if she wanted to get back together,
148 - that's something I wouldn't mind knowing.
149 - So why don't you just go ahead and spill the beans?
150 - Beans?
151 - What beans?
152 - The only beans are in your head, you, uh, little bean-head.
153 - Anyway, I opened the bag and there he was.
154 - The beard and everything.
155 - Oh, oh, Jackie's about to start.
156 - - Okay, Jackie, are you ready? - Yeah, of course.
157 - I've got this thing down pat.
158 - Okay, so after the weather report,
159 - I'm gonna get into the problem with the spirit squad.
160 - They're all fat. That's my commentary. I'm anti-fat.
161 - Okay. Ten seconds until you're on the air, offending thousands of people.
162 - Thousands of people?
163 - In five, four, three...
164 - You didn't say "two" or "one."
165 - It's because you're on now.
166 - Well, but I'm not...
167 - Hi.

168 - - I'm Backie Jurkhart. - Jackie Burkhart.
169 - - What? - It's your name.
170 - - I know what my name is. - You said Backie Jurkhart.
171 - Okay, stop talking or you're fired.
172 - Fine. You're on your own.
173 - I'm what?
174 - Oh, dear.
175 - She's not so good.
176 - She's sweating like Muhammad Ali.
177 - Cut to her boobs.
178 - Who's directing this thing?
179 - I guess we can't just sit and talk about comic books all day.
180 - Let's do some Star Wars trivia. Go.
181 - I got a stumper.
182 - - Who is Luke and Obi-Wan's nemesis at... - Doctor Evazan.
183 - Man, you're good.
184 - Look, let me ask you a question.
185 - Some people think that if I keep living, you know, "without a purpose,"
186 - that I'll be all, I don't know, unfulfilled and stuff.
187 - Do you ever feel unfulfilled?
188 - I've seen Star Wars in seven different states.
189 - I even met the midget that they stuck inside R2-D2.
190 - What could be more fulfilling than that?
191 - I don't know.
192 - Hey, dorks.
193 - Listen, Angie had a really rough day at work
194 - so I'm gonna rub her feet, and you might wanna clear out
195 - before I start rubbing other stuff.
196 - Eric, come over later. We'll game.
197 - Who was that guy?
198 - - That's this guy... - I don't care. Burn!
199 - Angie, you're cute as a button, but you burn like a botard.
200 - Look, if you wanna burn someone,
201 - you gotta embarrass them to make other people laugh.
202 - You want to combine the elements of humiliation and surprise.
203 - Dude, what the hell?
204 - Burn!
205 - Oh, hey. Jackie, I saw your show.
206 - It isn't as good as a lot of other shows.
207 - No.
208 - It was great for people who think regular TV is too entertaining.
209 - I freaked out.
210 - I mean, the cameras turned on, and I realized I'm completely alone.
211 - I'm alone on TV, and I'm alone in real life.
212 - I don't know what I'm gonna do.
213 - Burn!

214 - Oh, my God!
 215 - Uh, I forgot to tell you the part about
 216 - you don't burn someone who's already crying.
 217 - Okay, best sidekick. Robin or Aqualad?
 218 - Ooh, uh, toughie.
 219 - Is the villain they're fighting terrestrial or aquatic?
 220 - Stewie, you didn't tell me you were having a friend over.
 221 - Eric, this is my mom.
 222 - You still live with your mom?
 223 - Oh, she's more than just my mother. She's my best friend.
 224 - She's your best friend?
 225 - Well, you're giving her a run for her money.
 226 - - Okay, I gotta go. - Are you sure?
 227 - I was about to make sandwiches in the shape of X-wing fighters.
 228 - Uh, no, really. Well... No, I gotta go.
 229 - - What are you doing? - I'm throwing out all my comic books.
 230 - I saw my future today, and, well, it's living with its mother.
 231 - Yeah, well, I saw my future and it sweats.
 232 - Okay. Hold on. You sweat?
 233 - Uh, would you happen to have a picture, some tape of this that I could laugh at?
 234 - Eric, I tried to have my own TV show, and I failed.
 235 - My life is over. I'm not good enough to be on TV.
 236 - No, Jackie.
 237 - Okay, come on.
 238 - You're good-looking,
 239 - you're incredibly superficial and you lie constantly.
 240 - I think you're perfect for TV.
 241 - - Do you really think so? - Yeah.
 242 - I mean, jeez, look, at least you're doing something with your life.
 243 - I have wasted an entire year.
 244 - Eric, let me stop you right there.
 245 - Okay? Since you were kind enough to cheer me up when my spirits were low,
 246 - I'm gonna go. Thanks.
 247 - Hey, Forman, let me ask you a question.
 248 - What do you think about me and Jackie?
 249 - Well, man, you know what I think.
 250 - I think that Jackie is evil incarnate.
 251 - I think that if you were to cut off one of her hands,
 252 - it would probably grow back into another Jackie.
 253 - Look, before Jackie,
 254 - you were just some pissed-off guy in my basement.
 255 - But with her...
 256 - I mean, you seemed happy, man.
 257 - Hey, I was never happy.

258 - I was just less pissed off.
259 - Hyde,
260 - I lied to you when I told you that I was away on business.
261 - No.
262 - Yes.
263 - And I know what Jackie wanted to tell you.
264 - She still loves you.
265 - What?
266 - Yeah. She said she was wrong and that she wanted you back.
267 - She was vulnerable, so I tried to french her.
268 - But no-go.
269 - - Shouldn't Jackie be here by now? - Yeah.
270 - She's supposed to go on in, like, a minute.
271 - I don't think she's gonna show up.
272 - What?
273 - No, but we were gonna do this whole segment on sluts.
274 - And I was gonna be the slut expert.
275 - That's the only kind of expert I'm ever gonna be.
276 - - Hey. - Jackie, I can't believe you showed up.
277 - I can't believe I showed up.
278 - What am I doing with my life?
279 - Okay, come on, people. We got a show to do.
280 - Okay. In three...
281 - Hi, I'm Jackie Burkhart, and here's all the news you need to know.
282 - This just in. Slacks are out.
283 - So, ladies, shave those legs and put on a skirt.
284 - Up next, senior correspondent Michael Kelso joins me
285 - for a very exciting segment I like to call Slut or Not.
286 - - Michael, welcome. - Hi, Jackie. Ladies.
287 - Okay, let's get started.
288 - - Marcy Cavanaugh. - Slut.
289 - Susie Rice.
290 - - Slut. - Mmm.
291 - Hey, could you zoom out a sec?
292 - Ooh, Jenny Keene.
293 - Partly slutty with a chance of severe sluttiness.
294 - - Angie, what the hell? - Burn?
295 - Burn!
296 - Well, there you have it, America, your first televised burn.
297 - Up next, a hard-hitting segment called Girls With Mustaches.
298 - Don't touch that dial, Sherry Papadakis.
299 - - Hey, man, is Jackie around? - Hey.
300 - Yeah, but I thought you weren't talking to her.
301 - You're gonna make up with her, aren't you?
302 - Oh, you're gonna tell her that you love her.
303 - And your little sunglasses are gonna get all fogged up.

304 - Jackie, there's someone here to see you.
 305 - Hey.
 306 - Uh, I thought maybe we could talk for a minute.
 307 - Is it about my show? 'Cause it was awesome.
 308 - Steven, I went on and I did great. And I did it on my own.
 309 - I mean, I've never been more proud of myself in my entire life.
 310 - I'm gonna do great on my own.
 311 - I'm sorry. What did you want to talk to me about?
 312 - Well, um...
 313 - I just wanted to say congratulations on your show.
 314 - - Thank you. - Yeah.
 315 - Did you see Michael with his pants down?
 316 - No.
 317 - But I don't need a TV to see that.
 318 - Good evening, ladies and gentlemen,
 319 - and welcome to the full half-hour of Slut or Not.
 320 - I've got a phone book here
 321 - and a wealth of experience with fooling around,
 322 - so let's get started.
 323 - "Beverly Addison."
 324 - I don't know her personally, but I've heard she has a tattoo.
 325 - So congratulations, Beverly Addison. You are a slut.
 326 - What the hell happened to this country?
 327 - I know Beverly Addison, and I'm glad somebody finally said it.

3.17 Episode 17: Down the Road Apiece

1 - Okay, I don't understand why you're taking a video camera on a road trip.
 2 - You should be packing more sensible items.
 3 - Like, toilet paper and your mother.
 4 - Look, Mom, accept it. I'm going.
 5 - Okay, my year off is now officially over,
 6 - and I think I've finally decided on a sensible career
 7 - that's gonna provide me with a really stable future.
 8 - I'm gonna be a traveling documentary filmmaker.
 9 - Oh, come on, you made that up.
 10 - Hey, Kitty, I'm going ice-skating on a rainbow.
 11 - Eric, don't listen to him.
 12 - I have complete confidence you're gonna be
 13 - the best traveling docu-what's-it-who-maker ever.
 14 - Thank you.
 15 - Do you have enough money?
 16 - Mom, I don't need that much money.
 17 - I'm sure that at stops along the way,
 18 - strangers will just offer me hot pots of beans
 19 - in exchange for colorful stories from the road.

20 - Hot pots of beans?
 21 - What if they're spicy?
 22 - You can't even chew cinnamon gum.
 23 - Okay, that's it. I'm going.
 24 - Uh, I'll miss you.
 25 - Well, thank you, sweetie.
 26 - Um, I think he was talking to me.
 27 - He was not.
 28 - Eric, who were you talking to?
 29 - Yeah, who?
 30 - It's times like this I usually fake chest pains.
 31 - Uh, I was talking to
 32 - the prettiest girl in the driveway, that's who.
 33 - So, okay, I want you to promise to call me every night at 9:00.
 34 - Oh, he can't be calling you because he's calling me at 9:00.
 35 - That's why I got him that watch as a gift.
 36 - Well, maybe he should be calling the person who gave him the gift of life.
 37 - So you squeezed out a baby? That was a hundred years ago.
 38 - People have landed on the moon since then.
 39 - Hey, Eric. I'm gonna miss you, man.
 40 - Hey, uh, just between friends,
 41 - I want you to know I'm gonna take a shot or two at Donna.
 42 - He won't care.
 43 - On the road, he's going to meet lots of horny girl hitchhikers
 44 - looking for a ride to cheerleading camp.
 45 - What makes you think that, Fez?
 46 - Adult films.
 47 - Oh! Hello, America,
 48 - and welcome to Eric Forman's journey to happiness.
 49 - Not to be mistaken with Eric Forman's journey to Fatso Burger,
 50 - or Eric Forman's journey to pee behind the Piggly Wiggly,
 51 - which you just saw earlier.
 52 - I'll tell you, being on the road like this really makes you feel like a man.
 53 - I guess I'll just have to edit that part out later.
 54 - Okay. I think what we've learned today
 55 - is that the road can be a cruel, cruel mistress.
 56 - She caresses your tire with her asphalt hand one minute,
 57 - punctures it the next.
 58 - But, hey, at least that didn't stop me from making it out of Point Place.
 59 - I think what we've learned today
 60 - is that the road can be a cruel, cruel mistress.
 61 - But, hey, at least that didn't stop me from making it out of Point Place.
 62 - Hanging out
 63 - Down the street
 64 - The same old thing
 65 - We did last week

66 - Not a thing to do
67 - But talk to you
68 - We're all all right
69 - We're all all right
70 - Hello, Wisconsin!
71 - You know, Steven, it's great we can still hang out.
72 - We're kind of like Sonny and Cher.
73 - We're together even though we're broken up.
74 - I'm beautiful, you're weird-looking.
75 - Look, they're talking. Maybe we should...
76 - Okay, we're going upstairs.
77 - Why?
78 - Uh, I just remembered that I can't be in the basement
79 - because I'm uncomfortable below sea level.
80 - That's the best you can come up with?
81 - Just say that we're going to take a shower.
82 - Wow.
83 - You know, I think this is the first time we've been alone together since,
uh...
84 - Yeah.
85 - Well, maybe we can use this opportunity to touch base about our feelings.
86 - - Or we can watch TV. - Great! Oh, I love TV.
87 - Oh, Janie, it's so hard to be in the same room with you
88 - because even though I'm a rough ne'er-do-well,
89 - my love for you burns like a fire deep in my soul.
90 - I feel the same, Clyde,
91 - and even though we broke up because you won't marry me,
92 - I still hope that one day we'll get back together.
93 - What are the chances of that?
94 - Greetings, gentle viewer.
95 - Road trip update.
96 - About to change a flat tire, which, uh...
97 - Which reminds me of a little joke.
98 - How many psychiatrists does it take to change a flat tire?
99 - Well, see, first the tire has to really want to change.
100 - Good one.
101 - Anyway, what do you say we slap a spare tire in this sucker, huh?
102 - It turns out there is no spare tire.
103 - And it's, like, pitch dark out here.
104 - Hello? Hello?
105 - Okay, there's definitely someone out there,
106 - and I don't know who, but I think it's a pretty safe bet to say
107 - that it's probably a convict with a hook for a hand.
108 - Hello? Okay, okay, buddy.
109 - You come one step closer, I got a tire iron.
110 - And I'll just give it to you if you'll go away.

111 - Hey, dude.
 112 - What are you doing here, man?
 113 - Leo, what are you doing here?
 114 - It's like the universe wanted us to find each other, man.
 115 - Yeah.
 116 - So, do I know you, man?
 117 - So, they're a family of monsters?
 118 - No, they're Munsters.
 119 - And they're living in a neighborhood of normal people.
 120 - Why don't the neighbors just get together with some guns
 121 - and go over there and kill them?
 122 - I'm pretty sure they're saving that for the last episode.
 123 - It's 9:15. Has Eric called?
 124 - - He didn't call you? - No.
 125 - I thought sure he would call you.
 126 - He's always choosing you over me.
 127 - Name one time?
 128 - Prom night.
 129 - Okay, I haven't heard from him,
 130 - and I'm starting to think that something bad happened to him.
 131 - Red, we have to go look for him.
 132 - Fine.
 133 - Anything's better than this crap.
 134 - Who wants to see monsters not get killed?
 135 - - Have you seen the new... - Did you ever see...
 136 - Go ahead.
 137 - - See, the other day I... - I saw...
 138 - - You said, "Go ahead." - Yeah, I said it to be nice.
 139 - My story is much more interesting.
 140 - Well, go ahead, because I'm not gonna listen.
 141 - Well, fine then, 'cause I'm not gonna tell you.
 142 - Oh, it's as quiet as a basement with two former lovers in it.
 143 - I can eat the tension with a fork.
 144 - Wouldn't you cut the tension with a knife?
 145 - Why cut it if you're not gonna eat it?
 146 - No, no, no. Fez, stay. Stay.
 147 - Why don't you tell us one of those
 148 - charming little stories about your homeland?
 149 - Well, in my country, instead of bathrooms, we just...
 150 - He doesn't want to stay down here with us.
 151 - How would you know what he wants?
 152 - You don't know what anybody wants.
 153 - This is so sad.
 154 - You're at each other's throats because of these unresolved feelings.
 155 - What? No.
 156 - Fez, there are no unresolved feelings.

157 - Really? Then why are you so tense? Why is your foot tapping?
 158 - Why is your foot tapping?
 159 - Because I got rhythm, baby.
 160 - I can never stop dancing entirely.
 161 - You know what, Leo? This is my first truck stop and I love it.
 162 - It's like... How did you find this golden oasis?
 163 - I woke up in the parking lot once.
 164 - And these truckers, they're like...
 165 - They seem like great salt-of-the-earth guys, you know?
 166 - Hey, 10-4, good buddies!
 167 - Oh, crap, they're looking at me.
 168 - No, they're looking at me, man.
 169 - Truckers love me. They think I'm Bob Seger.
 170 - You know what? These guys would be the perfect people
 171 - to interview for my movie.
 172 - - Where's your camera? - Eh, it's so heavy.
 173 - So, Leo, what have you been doing since you left town?
 174 - Uh, just wandering around trying to find my place in life.
 175 - Yeah, I've been trying to find my place in life, too. It's like...
 176 - You know, like, where do I fit in?
 177 - No, I've been looking for my house, man.
 178 - You boys need anything else?
 179 - Uh, no, we're just waiting for the mechanic I met in the parking lot
 180 - to come back with my spare tire and change.
 181 - Honey, there's no mechanic around here.
 182 - Uh, no, there is. It's this skinny guy.
 183 - I gave him 20 bucks and he just ran off.
 184 - That'd be Earl. He's a speed freak.
 185 - Oh, my God. Leo, that was my last 20 bucks.
 186 - It's okay, man, dinner's on me.
 187 - Oh, thanks, you'll pay?
 188 - No, I mean I got spaghetti sauce all over me.
 189 - Leo, look, be serious, man. What are we gonna do?
 190 - I got it.
 191 - We'll soak the shirt in club soda.
 192 - Okay, we're gonna use my Police Academy training
 193 - to figure out what happened here.
 194 - First thing I'm gonna need is for everyone to lie face down
 195 - with your hands behind your head.
 196 - What if he stopped to take a picture and he got kidnapped by white
 slavers?
 197 - They're gonna kill him. He can't do anything.
 198 - I told him this was a stupid idea,
 199 - and now we're stuck out here in the middle of nowhere.
 200 - My foot is shaking, it wants to kick his ass so bad.
 201 - I never should have let Eric go on this trip.

202 - I should have tempted him into staying home by offering him sex.
203 - I mean, Scrabble.
204 - Oh, look, if my baby being safe depended on you being loose,
205 - I wouldn't have to worry.
206 - Okay, I think it's obvious what happened to Eric.
207 - We got an abandoned car, a flat tire
208 - and footprints heading off in that direction.
209 - Ms. Forman, your son's been kidnapped by coyotes.
210 - Isn't it more likely that he had a flat tire,
211 - couldn't change it himself and went off to find some help?
212 - And the coyotes got him along the way.
213 - Yeah, now you're thinking like a cop.
214 - I can't believe I'm stuck in a backwoods truck stop with no money.
215 - You know, if we don't do something
216 - this waitress is just gonna hand us over to these truckers.
217 - You know, they're all freaky, sexual deviants.
218 - Man, woman, animal, they don't care as long as it's warm.
219 - Don't worry, man, I've got an idea how we can pay for this dinner.
220 - That was a good idea.
221 - Now, how are we gonna pay for dinner?
222 - I think this pretty much covers your tab.
223 - But if you're interested, dessert's on me.
224 - In that case, you'd better soak your uniform in club soda.
225 - You see? What an awesome night.
226 - I am partying in the back of a truck stop with a hippie and a waitress,
227 - who are now making out.
228 - Wow, the fact that I'm here is not slowing them down at all.
229 - Good God, woman, you buttered my toast with that hand.
230 - Okay, enough pussyfooting around,
231 - which, by the way, does not mean what I thought it meant.
232 - Why don't you just get back together?
233 - You know you want to.
234 - I don't even know why you broke up in the first place.
235 - Because he's an incredibly immature jerk who can't commit to a future
with me.
236 - What she said, but I agree with me.
237 - Nice rebuttal, which, by the way,
238 - also does not mean what I thought it meant.
239 - It's hopeless, okay?
240 - We both wanted different things out of the relationship.
241 - You just have to remember the good times,
242 - the things that brought you together.
243 - Jackie, what are some of the things that Hyde did that you miss?
244 - He never did anything a boyfriend's supposed to do.
245 - He never bought me a horse.
246 - Okay?

247 - He never rented a plane to spell "I love you" in the sky.
248 - Oh, and he never even wrote me a single song.
249 - How would you know? You never stop talking long enough to listen.
250 - Wait, you wrote me a song?
251 - No.
252 - Okay, okay, okay. Let's try something else.
253 - I want you to think back.
254 - Obviously, there was something that brought you together.
255 - What was that?
256 - Well, I guess...
257 - I guess I liked the way his scruffy beard felt on my soft, creamy, porcelain skin.
258 - Yeah, I kind of liked that, too.
259 - I also kind of liked the fact that she was technically still with Kelso.
260 - And I knew being with him would piss off my mom.
261 - And all my friends.
262 - Oh, and we had to keep it a secret.
263 - And I felt kind of ashamed of myself.
264 - So did I.
265 - I kind of liked that, too.
266 - So did I!
267 - Oh, it was just so wrong.
268 - Which is what made it so hot.
269 - So hot.
270 - Oh, Fez, you should have been there.
271 - Several times I was.
272 - All right, listen,
273 - this type of establishment is well known to criminals, okay?
274 - So I want you to stay close, and if there's any trouble,
275 - I'm gonna use you guys as a human shield.
276 - I don't like the looks of these people.
277 - They seem like they could tease a polite young man about his sweater
278 - and then laugh when he starts to cry.
279 - Where is my baby?
280 - See, that's the problem.
281 - Maybe if you didn't baby Eric so much
282 - he wouldn't have had to leave to prove himself.
283 - Well, maybe if you hadn't exhausted him with your sexual demands,
284 - he wouldn't have had to leave just to get some sleep.
285 - All right, that's enough, you two.
286 - If Eric's in trouble, he deserves it
287 - because he should know better by now.
288 - You sound like you don't care at all.
289 - It's not a matter of not caring, it's a matter of not giving a crap.
290 - Hey, Red, they got Rhinestone Cowboy. Toss me a quarter.
291 - Shut up.

292 - For your information,
293 - Eric comes after me a lot more than I go after him.
294 - You know, all you damn redheads are the same.
295 - You can color it blonde, but it's still there.
296 - Well, it turns out,
297 - I have a couple problems with being a traveling documentary filmmaker.
298 - One, the traveling, it's exhausting.
299 - Two, documentaries.
300 - I only like ones that are, you know, about monkeys.
301 - And three, filmmaking.
302 - If there's no space battles, I mean, you know, really, what's the point?
303 - I'll tell you something, this day has not been a waste.
304 - I realized what I really wanna do with my life
305 - is just get the hell out of Point Place.
306 - I'm ready to do that.
307 - I really feel like this trip made me a man.
308 - - Eric! - Mommy?
309 - - Thank God you're okay. - Oh, Dad, I'm fine.
310 - Not you, the car.
311 - Eric, your mom called me a whore.
312 - Only because I was worried about you,
313 - and because I love you more than she does.
314 - Worried? What...
315 - What did you guys think happened?
316 - Well, we figured you were either dead, alive, or kidnapped by coyotes.
317 - Looks like I was right on the money.
318 - Hey, I got that waitress's phone number.
319 - Leo?
320 - Hey, it's great to see you guys.
321 - It's great to see you, Leo.
322 - So, do I know you, man?
323 - Okay, here's what I think,
324 - you two were hot for each other
325 - when the relationship was secret, forbidden, taboo.
326 - But when it was out in the open, the thrill was gone.
327 - It was no longer taboo.
328 - Then you started pushing for commitment
329 - and you started pulling away.
330 - Hmm.
331 - So how do we move on from here?
332 - Move on?
333 - There will be no moving on.
334 - Your relationship was one of the sickest freaking things I've ever seen.
335 - You are two deeply disturbed individuals and your union...
336 - Well, your union was a blasphemy.
337 - So you're saying that if we hooked up again,

338 - it'd be even wronger than before?
 339 - It can get wronger?
 340 - Well, that's kind of hot.
 341 - Fez, I think maybe you should leave the room now.
 342 - Oh, no, no. You two cannot be together.
 343 - I can't watch. I'm leaving.
 344 - Hey, who am I kidding?
 345 - I can watch all night.
 346 - - Hey. - Hey.
 347 - Look who I found by the side of the road.
 348 - Leo. Man, what are you doing back in town?
 349 - I'm not really sure, man.
 350 - Yeah, I can't tell if he has amnesia or if he's just perfectly fine.
 351 - Well, I'm glad you're back, man.
 352 - Feeling's mutual, man.
 353 - Hey, wait a second. You're Hyde, man.
 354 - Hey!

3.18 Episode 18: Oh, Baby (We Got a Good Thing Goin')

1 - Man, I am so psyched for this auto show.
 2 - I'm telling you, once I trick out my El Camino,
 3 - it is going to be bad freaking ass.
 4 - You know, tricking out sounds a lot like accessorizing.
 5 - Hey, don't ever call it that, all right?
 6 - But, yeah, that's basically what it is.
 7 - Kitty, I'm begging you to stop.
 8 - There's gonna be hundreds of auto parts salesmen,
 9 - and now that I have the muffler shop,
 10 - they're gonna be getting in line to kiss my butt.
 11 - Well, and they will be happy to kiss it
 12 - because everything from my house is spotless.
 13 - All right, I'm getting in the car,
 14 - I'm counting to 60, and if you're not there, I'm leaving.
 15 - Ah. The honeymoon speech again.
 16 - I can't forget my book.
 17 - You know, this new Jackie Collins romance
 18 - really gives me a case of the tingles.
 19 - Mrs. Forman, please, your tingles are your own business.
 20 - You move into my house, you hear about my tingles.
 21 - Jackie, I hope you brought a book.
 22 - When we get to the auto show, the guys are gonna ignore us.
 23 - Mrs. Forman, I'm a beautiful girl
 24 - with a shrill, demanding voice.
 25 - I'm pretty hard to ignore.
 26 - Okay, but we can't compete with a bunch of cars.

27 - Wheels are like bosoms to men,
28 - and a car has four.
29 - I'm getting better.
30 - Leo, check it out. It's my baby.
31 - Oh, this is Brooke. Oh, isn't she adorable?
32 - Yeah.
33 - I can see why you knocked her up.
34 - Michael, thanks again for watching Betsy. Everyone else was busy.
35 - Thanks for trusting me.
36 - Yeah.
37 - It's my first time. I'm pretty nervous. I tried on three outfits.
38 - No, you guys will be great. All little girls love their daddies.
39 - Plus, I bet you'll probably like a lot of the same toys.
40 - Oh, I'm late.
41 - Oh, yes.
42 - Hi.
43 - Bye, bye, Betsy-pie. Mommy loves you.
44 - - Yes, she does. Yes, she does. - All right, hand her over.
45 - - You're so attached. Just... - Oh!
46 - Look, don't worry. All she does is sleep.
47 - It's like taking care of a bowling ball.
48 - I don't like bowling, man.
49 - You throw the ball down there and it keeps coming back.
50 - It's spooky, man.
51 - Okay, Donna, I just spent the last 10 minutes
52 - cologning and powdering myself.
53 - Now, let's peel them and feel them.
54 - We can't because Fez is here.
55 - Yeah. I'm here and you can't.
56 - Fez, buddy, come on.
57 - You of all people should understand how important sex is to a man.
58 - - Why should you do it if I can't? - Because I have a girlfriend.
59 - Why should you have a girlfriend if I can't?
60 - - Okay, how are we gonna work this out? - Give her to me.
61 - Guys, check it out. Brooke finally let me take care of Betsy.
62 - We're gonna stay here for the day, okay?
63 - No. Come on. Donna and I have a "do it" day planned.
64 - Yeah, and I think I got a piece of this.
65 - Look, why don't you do it at your house?
66 - I can't. My brother's friends are over there,
67 - and they're playing darts, and they don't use a dartboard.
68 - They just run around and throw them at each other.
69 - Okay, Donna, I'm gonna go upstairs and change into something sexy.
70 - Now either you come join me in 60 seconds,
71 - or I'm gonna have to start without you,
72 - and we both know how awkward it is when you walk in on that.

73 - What's this?
 74 - That's breast milk. Don't touch it.
 75 - Breast milk? From real breasts?
 76 - What don't they do?
 77 - Kelso, she's so adorable.
 78 - Why is she making that weird face?
 79 - It's poo!
 80 - It smells in there, too. It's everywhere.
 81 - Hanging out
 82 - Down the street
 83 - The same old thing
 84 - We did last week
 85 - Not a thing to do
 86 - But talk to you
 87 - We're all all right
 88 - We're all all right
 89 - Hello, Wisconsin!
 90 - We have to dispose of the dirty diaper.
 91 - Shark.
 92 - Shark.
 93 - - What do you want me to do with it? - Just chuck it.
 94 - - What about the shark? - Chuck it. Chuck it all.
 95 - Why is she still crying? We just changed her.
 96 - Maybe she doesn't like you. Baby burn.
 97 - No. I know what it is.
 98 - We left her teddy bear at my house. I'll go get it. Here.
 99 - Um...
 100 - Aren't you gonna take her with you?
 101 - No, I can't take Betsy in my car.
 102 - I took out the seat belts to make it go faster.
 103 - Okay, don't grab those. I'm not your mommy.
 104 - Yeah, a lady once said that to me on the bus.
 105 - Well, it wasn't a lady. It was more like a man lady.
 106 - It's hard to tell sometimes, you know?
 107 - Why tell this story, Fez?
 108 - Why?
 109 - Yeah, man, look at this place. Chrome, tires, half-dressed women.
 110 - It's like Sunday dinner at my grandma's house.
 111 - All right, salesmen, pucker up.
 112 - Red Forman's ass is in the building.
 113 - Okay, well, mine's gone. I give yours about 30 seconds.
 114 - All right, Jackie, so let's start off looking at new tires.
 115 - Then after lunch, you can help me pick out an obnoxiously loud car stereo.
 116 - Wait, you're gonna spend the day with Jackie?
 117 - Yeah, man. She's my chick. All right, I'm gonna go get us a funnel cake.
 118 - But listen, this is a rough crowd, all right?

119 - So if any guys come up to you and offer to teach you how to drive a stick,
 120 - just say no and pull the fire alarm.
 121 - - Told you he wouldn't ditch me. - I'm his chick.
 122 - Jackie, he's a man.
 123 - Accept the fact that he is not coming back.
 124 - When I was in labor, Red went to get me ice chips.
 125 - I didn't see him for an hour-and-a-half
 126 - because he found a pinball machine.
 127 - - No way. - But it's fine.
 128 - I laugh about it now.
 129 - I do.
 130 - I will.
 131 - It's just not that funny.
 132 - - I think she's out. - Well, in that case...
 133 - Eric, we can't do that with her in here.
 134 - What? Come on. She's fast asleep.
 135 - And it's been over a week for us.
 136 - Donna, you can only keep the tiger in its cage for so long.
 137 - Yeah, that's right. I'm calling it a tiger now.
 138 - - Crap, the baby's awake. - No, no, no, no, no.
 139 - Hey, Betsy, close your eyes
 140 - because Aunt Donna and Uncle Eric are gonna do it.
 141 - Eric, you are seriously disturbed.
 142 - - We have to take care of her. - No, no, come on. She's fine.
 143 - You can't put the tiger back in his cage now, Donna.
 144 - He's all agitated.
 145 - How can a crying baby not turn you off?
 146 - Two words, Donna, eight teen. Nothing turns me off.
 147 - Yeah?
 148 - Hey, Fez.
 149 - Why are you staring at that milk?
 150 - It's from a breast.
 151 - Simply remarkable.
 152 - Okay, you're clearly a demented pervert so let me ask you something.
 153 - Would you be able to have sex with a baby in the room?
 154 - No way. I can barely do it with a woman in the room.
 155 - Congratulations, Eric. You're more despicable sexually than Fez.
 156 - Okay, Donna, here's the thing.
 157 - I'm a man, so my on-off switch is always on.
 158 - Now you can either deal with that, or you can switch to girls.
 159 - Donna, if that's your baby, I'm gonna snap Eric in half.
 160 - Dad, don't you think you would have noticed if I was pregnant?
 161 - Not really. I'm not that hands-on of a dad.
 162 - Anyhoo, I bought a hammock and put it up in the den
 163 - 'cause it's too cold outside. Now I need someone to push me.
 164 - Sure, I'll push you in the hammock, Bob.

165 - Then I'll climb up a tree and pluck you a fresh coconut.
166 - I don't think so, Bob.
167 - Okay, it's your loss, but I'm a big tipper.
168 - Okay. I got Betsy's teddy bear,
169 - and it wasn't easy dodging my brothers.
170 - I got a dart in the calf.
171 - Oh, here's my little girl.
172 - Hey, baby, look.
173 - Look, it's your teddy bear and your handsome daddy.
174 - Why won't she stop crying?
175 - Maybe it is me.
176 - What if she doesn't like me?
177 - Kelso, don't take it personally.
178 - I didn't like you when I first met you.
179 - But that's because you were peeing on my swing set.
180 - Well, it was brand-new and I was jealous.
181 - One funnel cake, extra sugar.
182 - Oh, Steven, I knew you'd come back,
183 - and to show you how thankful I am, I'm gonna feed you a piece.
184 - Oh, get a room.
185 - - Did you see Red? - He didn't come back yet?
186 - That's weird. He was in front of me in the funnel cake line.
187 - What the...
188 - Okay, gals, say, "Funnel cake."
189 - Funnel cake.
190 - Oh, my God.
191 - There goes the fun.
192 - Well, I hope you're happy, Red Forman, because we are leaving.
193 - You two, get your A-S-Ss back to the car.
194 - You two, get your B-double-O-Bs off my husband.
195 - I can't believe that looking in this mirror
196 - isn't putting her in a great mood.
197 - It always works for me.
198 - Man, am I glad I found you guys.
199 - All these houses look alike.
200 - Except for that red one on the corner where the clown lives.
201 - That's a McDonald's.
202 - Well, whatever his name is, he's funny.
203 - Hey, what's with the baby, man?
204 - I don't know. I can't get her to quit crying.
205 - Here, let me try.
206 - Yeah.
207 - There.
208 - How did you do that?
209 - Babies love me, man, 'cause I'm fuzzy.
210 - I'll go give her a bottle.

211 - That proves it. My own baby hates me.
 212 - That's not true.
 213 - She only stopped crying when Leo held her
 214 - because he has the shakes.
 215 - No. It's me.
 216 - She hardly knows me,
 217 - and a girl needs her father, you know, for guidance.
 218 - What happens if she grows up and starts dating, like, Fez?
 219 - Boy, if she looks anything like you, she'll be way out of my league.
 220 - Kelso, if you really feel like that, you should start getting to know her
 now.
 221 - Go hold her.
 222 - You're right.
 223 - Leo?
 224 - Oh, my God. They're gone.
 225 - Everybody. Everybody, just stay calm.
 226 - The breast milk is safe.
 227 - Are they outside?
 228 - Not in the driveway, but Eric went to check the park.
 229 - And they're not upstairs.
 230 - Although I did find Kitty's special occasion panties
 231 - hanging on the towel bar.
 232 - There's a lot more going on up there than we think.
 233 - How could I let this happen?
 234 - I am the worst father ever.
 235 - Betsy?
 236 - No, Michael, it's me. I'm calling to check in. How's she doing?
 237 - How's she doing? Fine. God, quit smothering her.
 238 - Hey, put the phone to her ear, let me say hi.
 239 - It's Brooke. She wants to talk to the baby.
 240 - Give me.
 241 - Hey, Mama, send more milk.
 242 - Was that Fez?
 243 - Yeah. We're just messing around.
 244 - Betsy, she's sleeping. She's...
 245 - Yeah. She's sleeping like a little...
 246 - Something that sleeps a lot.
 247 - Okay. Well, just give her a kiss for me, and I'll see you later.
 248 - Okay.
 249 - You guys, what am I gonna do? I'm...
 250 - I'm really starting to freak out.
 251 - All right, Kelso, just relax.
 252 - She's with Leo. He's great with kids.
 253 - I'm sure he's watching her like a hawk.
 254 - Oh, little sweetie.
 255 - What are you doing in my house, hippie?

256 - Are you sure this is your house?
 257 - Of course it's my house.
 258 - I believe you.
 259 - The guy screaming usually owns the house.
 260 - All right, when Kitty shows up, she's gonna be pretty mad.
 261 - So I think we should just leave her here.
 262 - She can't get any madder.
 263 - I think we should definitely leave her here.
 264 - Kitty.
 265 - They tried to leave you. I tried to stop them.
 266 - Jackie, I'm perfectly fine.
 267 - I just need to speak to Red in the car for a minute.
 268 - How could you, Red Forman?
 269 - Steven stayed with Jackie,
 270 - but you went off and gave my funnel cake to those whores.
 271 - I was just trying to have a little fun.
 272 - Oh, yeah?
 273 - Well, you can take your fun and shove it up your...
 274 - Michael, I just want to talk to my daughter.
 275 - I'm sorry, Brooke. She's still asleep.
 276 - Kelso, tell her the truth or I'm gonna touch you
 277 - with Mrs. Forman's special occasion panties.
 278 - Oh, those are in my backpack.
 279 - Okay.
 280 - Brooke, about Betsy.
 281 - There's something I have to tell you.
 282 - - Anyone lose a baby? - I found her.
 283 - "You found her"?
 284 - No, I said, "I love her."
 285 - - That is not what you said. - You know what?
 286 - You never listen to me. I'm hanging up.
 287 - Kelso, you did say you found her.
 288 - You know, you women all stick together.
 289 - I think she wants her daddy.
 290 - It's okay.
 291 - Daddy's here.
 292 - Do you hear that?
 293 - She stopped crying.
 294 - I think she knows it's me. And I think she likes me.
 295 - That's so beautiful.
 296 - I promised myself I wouldn't do this.
 297 - Listen, Kitty, I'm sorry about today. It's just...
 298 - They pay those ladies to flirt with guys like me.
 299 - They're almost hookers.
 300 - I should have stayed in the den.
 301 - No, no, no. Those girls didn't bother me.

302 - I can outlast those tramps any day of the week.
 303 - It was just seeing Steven and Jackie together.
 304 - Oh, you can't compare our mature relationship to what those kids have.
 305 - We're past all those highs and lows.
 306 - We're like a sailboat in a dead calm.
 307 - Look, Kitty,
 308 - the important thing is every morning
 309 - I get to wake up next to my favorite girl in the whole world.
 310 - Reginald Albert Forman.
 311 - Whoa.
 312 - Okay, how about that? On or off?
 313 - Yeah, that's a showstopper.
 314 - Oh, that's too bad 'cause it really turns me on.
 315 - No, get... God, get off of me.
 316 - Who loves you?
 317 - Your daddy does, that's who.
 318 - Well, I can't remember the last time you made that much of a fuss over me.
 319 - Oh, there's my baby girl.
 320 - Mommy missed you.
 321 - Yeah, I don't want to let her go.
 322 - She's so beautiful and warm.
 323 - Well, apparently I'm ugly and cold.
 324 - - Oh, here. Look at her smiling. - There we go.
 325 - Oh, I'm so happy she loves her daddy.
 326 - - Yeah. - Yes, it is.
 327 - Hey, listen.
 328 - I know I haven't been around much,
 329 - but that's gonna change
 330 - 'cause she's my girl and I wanna know her.
 331 - That would be awesome.
 332 - - I got it. - Grab her stuff. I'll go put her in the car.
 333 - Yeah. Here.
 334 - Thanks.
 335 - You need help, man.
 336 - Yes, I do.
 337 - I hate myself.
 338 - But the money's just so good.
 339 - Little faster so it stirs my drink.

3.19 Episode 19: Who's Been Sleeping Here

1 - Okay, the game is Password.
 2 - The box says, "Using one-word clues,
 3 - "get your partner to say the secret word
 4 - "without using the word yourself."

5 - - Okay, what if... - Donna, please.
 6 - I already read the box.
 7 - - But, Fez... - I said "box."
 8 - Okay, here are your secret words and good luck.
 9 - Okay, Eric, staircase.
 10 - Jedi.
 11 - I'm sorry, that's wrong.
 12 - Hyde?
 13 - Um...
 14 - Fat.
 15 - Staircase.
 16 - Fat.
 17 - - Escalator. - Yes.
 18 - That is correct.
 19 - - What? - What the hell?
 20 - Jackie, see me later for your prize.
 21 - Oh, we are so better than you.
 22 - Eric, how did you get "Jedi" from "staircase"?
 23 - Donna, the path to becoming a Jedi has many steps, duh.
 24 - You guys, I just took my baby girl to the playground,
 25 - and she's just like her daddy.
 26 - She's way cuter than all the other babies, and she eats bugs.
 27 - Wow, Michael, you've spent every weekend this month with Betsy.
 28 - The only other thing you've done this consistently was cheat on me.
 29 - That's not true, he also glues himself to stuff with amazing regularity.
 30 - Whatever.
 31 - Look, Brooke is totally starting to trust me now with Betsy,
 32 - and she's letting me pick out Betsy's godparents.
 33 - And she only has one rule, it can't be Fez.
 34 - Well, that is a smart rule.
 35 - Godparents? Like we need any more responsibilities.
 36 - I know, such a burden.
 37 - Okay, so I've been thinking about this a lot, all right?
 38 - And it's a big deal, so...
 39 - - Eric, Donna. - Uh-oh.
 40 - Please, skootch over so I can ask Hyde and Jackie
 41 - if they'll be Betsy's godparents.
 42 - - What the hell? - Hyde and Jackie?
 43 - We win.
 44 - I was voted most popular, best legs, and now, Godmother.
 45 - What can't I do?
 46 - And the password is burn.
 47 - Hanging out
 48 - Down the street
 49 - The same old thing
 50 - We did last week

51 - Not a thing to do
52 - But talk to you
53 - We're all all right
54 - We're all all right
55 - Hello, Wisconsin!
56 - Oh, my God, this place is a mess.
57 - Well, it's obvious, you've had a break-in.
58 - And that pizza box is a clue.
59 - Yep, they're Italian.
60 - Someone broke into my store. What if they stole something?
61 - Oh, no.
62 - It's okay, my stash is safe.
63 - Not entirely.
64 - I got into it a little bit yesterday.
65 - You guys, what are we gonna do?
66 - What are we gonna do? We don't have to do nothing.
67 - Nothing big was taken, probably some kids having fun.
68 - Fun?
69 - Yeah, you know, fun, that thing you've never had.
70 - I have plenty of fun, okay. Michael, I'm fun, right?
71 - You're good-looking.
72 - Well, I think you would make a great godparent, Eric.
73 - You were so sweet with your pet fish.
74 - Remember, you'd feed it potato chips and say,
75 - "Look, everybody, fish and chips."
76 - All I remember is flushing it down the toilet when he killed it.
77 - Who takes a fish out of the tank?
78 - I just needed to hug something.
79 - Why do you think Kelso didn't choose us?
80 - Well, picking godparents can be very nerve-racking.
81 - When Laurie was born, we agonized over that decision for weeks.
82 - And we chose well. Mike and Cookie were good people.
83 - Wait, so, who are my godparents?
84 - Well, they're the...
85 - The Hoffenschnoppers.
86 - I'm sorry, the who?
87 - The Hingingloobers.
88 - Okay, I think you just said the Hoffenschnoppers,
89 - and then you said the Hingingloobers.
90 - And I'm not sure, but I don't think we know
91 - any Hoffenschnoppers or Hingingloobers.
92 - Come on, what's supposed to happen to me if you guys die?
93 - Maybe you'll finally move out and get a job.
94 - You know, the responsibilities of being a godmother never ends.
95 - You know, I spent all day buying matching outfits.
96 - You know, life is so much more fulfilling now that I'm shopping for two.

97 - Okay, being a godmother isn't all about buying stuff.
 98 - Oh, yeah? What's it about then?
 99 - Oh, you don't know, either.
 100 - You guys, great news.
 101 - Brooke is gonna let me have Betsy on the weekends.
 102 - Oh, my God. If Betsy's coming here on weekends,
 103 - we're gonna need matching godmother-goddaughter badminton skirts.
 104 - Now you're just trying to make me mad.
 105 - Okay, you know what? We don't have to stand here and take this.
 106 - - Yeah. - Let's go.
 107 - Where are we going?
 108 - I don't know, but we are just going to stand outside until they leave.
 109 - Well, I am proud of you, Michael, getting so involved in your baby's life.
 110 - A child needs a strong, loving father.
 111 - Well, I am glad you feel that way.
 112 - So you won't mind, when Betsy visits,
 113 - if we stay up in Laurie's room?
 114 - No.
 115 - No babies.
 116 - We get enough crying around here with Eric.
 117 - Come on, Laurie's not using it.
 118 - It's a great room with a very comfortable bed.
 119 - How the hell would you know that?
 120 - The... Laurie always had such good posture.
 121 - That indicates a quality mattress.
 122 - - What's wrong with your house, honey? - It's not safe.
 123 - If my brothers don't step on her, one of the dogs probably will.
 124 - - You have dogs? - No, we don't know whose they are.
 125 - - Hey, you're here early. - Not early enough.
 126 - We were broken into again.
 127 - Well, at least these kids leave more than they take.
 128 - We're not being robbed, man, we're being cluttered.
 129 - - I'm calling the cops. - No, don't call the cops.
 130 - Why not?
 131 - 'Cause then they show up and they act all copy.
 132 - You know what I think?
 133 - I think you're the one coming in here at night.
 134 - Why would I come here when I have a house?
 135 - Well, a basement.
 136 - Why don't you tell me about the 10*missingfromtheregister?*
 137 - *Areyouaccusingmeofstealing?*
 138 - *Well,youdon'twantmetocallthecops.*
 139 - *AndofallthepeopleIknow,andIknow28people,*
 140 - *youare,byfar,themostlikelytoburgle.*
 141 - *Yeah,youknow,I don'tactuallyhavetotakethisfromyou, Angie.*
 142 - - *Ithoughtyoudidn'tcallthecops? - I didn't.*

143 – *Guys, I don't know how to turn off the siren.*
 144 – *Hey, Fez, let me ask you a question.*
 145 – *If you were choosing godparents,*
 146 – *wouldn't you choose Donna and me?*
 147 – *Well, in my country we don't have godparents.*
 148 – *If something happens to your parents, tough crap.*
 149 – *You're a bum.*
 150 – *You Americans and your safety nets.*
 151 – *Hey, Eric, are your folks around?*
 152 – *Why, do you want to bestow some honor on them that we should rightly have?*
 153 – *No, I'm trying to sneak this scribble into Laurie's room,*
 154 – *and if I get it up there, there's no way they can get it down*
 155 – *'cause they're too old.*
 156 – *Kelso, I just can't believe you picked Hyde over me.*
 157 – *I mean, what exactly was your criteria in choosing a godparent?*
 158 – *I mean, was it the ability to shoplift a keg?*
 159 – *My reasons are complicated.*
 160 – *Complicated or stupid?*
 161 – *There are elements of both.*
 162 – *Down.*
 163 – *– But... – Down.*
 164 – *Well, we were broken into again last night,*
 165 – *but you already know that since it was you.*
 166 – *Yeah, you busted me, Angie.*
 167 – *Sneaking into my own store so I can eat pizza and listen to Neil Sedaka.*
 168 – *After the second break – in, I had Michael install a hidden surveillance camera.*
 169 – *It's the same one he tried to use in my shower.*
 170 – *You spied on me?*
 171 – *Yep, and I thought we could watch the tape, for the first time, together.*
 172 – *Hey, I'm watching Perry Mason.*
 173 – *Oh, guess what? Perry Mason wins.*
 174 – *It's not if he wins, it's show. That's the magic, damn it.*
 175 – *Oh, look, there's Michael.*
 176 – *Even when he's not here, I have to see his ass.*
 177 – *I've seen it almost as many times as I've seen his face.*
 178 – *Oh, look. Someone's coming in.*
 179 – *Fez?*
 180 – *Hey, Red, am I late for Perry Mason? Ooh! Who's that handsome...*
 181 – *Uh – oh.*
 182 – *– Fez, what are you doing there? – It was a secret.*
 183 – *I... I thought I was alone.*
 184 – *Okay, I know Fez pretty well and I thought he was alone,*
 185 – *we need to stop this tape right now.*
 186 – *Fez, man, why were you staying at the record store?*
 187 – *Well, last week my Bible – thumping host parents*
 188 – *found out that I already graduated,*

189 – *so they kicked me out and took all my money as back rent.*
 190 – *And then they gave me a Bible.*
 191 – *Well, I wish you'd been reading that*
 192 – *instead of the pornomagazines I found in my office.*
 193 – *You know, Angie, something you could keep to yourself.*
 194 – *I don't understand why you didn't just ask us for help.*
 195 – *I mean, we're your friends.*
 196 – *It was my damn Latin pride.*
 197 – *— So you're Latin. — No, just my pride is.*
 198 – *And I also have a Swiss sense of frugality.*
 199 – *Steven, how could you not know your friend was a hobo?*
 200 – *Well, now that I think about it, something does make more sense.*
 201 – *— Hey, man, where the hell are my keys? — Oh, here they are.*
 202 – *I just borrowed them, but I didn't make a copy.*
 203 – *— Why would you make a copy? — Why would I borrow them?*
 204 – *— To make a copy? — Why would I make a copy?*
 205 – *Okay.*
 206 – *— Did you just take a shower here? — No.*
 207 – *— Why are you wearing a towel? — Because otherwise I'd be naked.*
 208 – *Oh, there they are.*
 209 – *Hey, I was just happy he's swearing under wear again, all right?*
 210 – *I can't believe Kels didn't choose us. What could be wrong with us?*
 211 – *Well, there's nothing wrong with you.*
 212 – *I love you just the way you are.*
 213 – *— Yeah, and I love you just the way you... — Although, well...*
 214 – *It might be that you don't have a job.*
 215 – *Oh, here it comes.*
 216 – *You've just been dying to get this off your chest, huh?*
 217 – *I don't have a job. I play with toys.*
 218 – *Maybe you'd like to talk about how I didn't show up for the wedding, too?*
 219 – *Oh, well, I don't need to talk about that*
 220 – *because I relive it every morning when I wake up alone.*
 221 – *Oh, really? Well, you used to be a red head.*
 222 – *You dyed your hair. God, it's like everything about you now is so fake.*
 223 – *Whoa!*
 224 – *You said you loved my hair.*
 225 – *I had to say that, Donna, to keep you happy.*
 226 – *You trap people, you're a trapper.*
 227 – *Nobody wants a trapper for a godmother.*
 228 – *Wait a minute. What are we doing?*
 229 – *You know what? You're right, let's backup.*
 230 – *Man, why do we want to beg godparents to sobad?*
 231 – *Well, I want it for the joy of nurturing the spiritual growth of a child.*
 232 – *— I want it for the prestige. — Yeah, me, too. I was just saying that.*
 233 – *Hello.*
 234 – *Man, why does everybody look so serious?*

235 – *Did the Goodyear Blimp crash?*
 236 – *Why?*
 237 – *No reason.*
 238 – *Some people shoot bottle rockets at it.*
 239 – *Fez has been living in the record store*
 240 – *because his host parents threw him out.*
 241 – *What kind of parents would kick a child out?*
 242 – *And will they teach me how they did it?*
 243 – *You wannabe mean? You don't get a sandwich.*
 244 – *I think what they did to you is just awful.*
 245 – *He broke into my store. – Which you accused me of doing.*
 246 – *Accusing your own brother? You don't get a sandwich, either.*
 247 – *Anyway, Fez, maybe you can stay in Laurie's room.*
 248 – *No.*
 249 – *I would rather fill that room with cement.*
 250 – *Yeah, respect the man's wishes.*
 251 – *Besides, that room is for me and Betsy.*
 252 – *I don't get a sandwich.*
 253 – *Okay, I have an idea.*
 254 – *You and Fez both need a place to live, right?*
 255 – *Yeah.*
 256 – *And living alone can get kind of lonely, can't it?*
 257 – *Sometimes I cry myself to sleep.*
 258 – *– You see where I'm going with this? – I do.*
 259 – *We each get our own apartment and we call each other on the phone a lot.*
 260 – *Or we could be roommates.*
 261 – *Roommates?*
 262 – *That is a awesome idea.*
 263 – *What were you thinking of, Ms. Forman?*
 264 – *That you two should be roommates.*
 265 – *Oh, thanks, but we already thought of that.*
 266 – *All right, why did you choose them over us?*
 267 – *– Is it 'cause I don't have a job? – Is it because I dyed my hair?*
 268 – *Look, I don't have a job because Hy detuned me into a burnout.*
 269 – *And I dyed my hair because Jackie destroyed myself – esteem.*
 270 – *Also, I rock as a blonde.*
 271 – *Are you beginning to see the influence that they have on people?*
 272 – *I'm telling you, if you stick with them,*
 273 – *your daughter's just gonna be a burnout, low self – esteem lump with no job.*
 274 – *All right, you're just trying to make us look bad.*
 275 – *Yeah, they're doing a decent job of it. Kelso, why did you pick us?*
 276 – *Oh, great, now I feel awkward.*
 277 – *Look, I picked them because I think they're gonna last longer than you.*
 278 – *– What? – They just broke up and got back together.*
 279 – *Well, at least they're doing something.*
 280 – *What are you guys doing? You don't know, nobody knows.*

281 – *They're just as a f---er bet right now.*
 282 – *Oh, my God.*
 283 – *This is better than when he made us godparents.*
 284 – *We wine everything.*
 285 – *Wow. Well, I don't really have a speech prepared*
 286 – *but I just want to thank you guys for sucking.*
 287 – *Look, you guys,*
 288 – *if I knock somebody else up you're totally on the list.*
 289 – *I can't believe he doesn't think we're gonna last. It's...*
 290 – *I mean, you don't think he's right, do you?*
 291 – *Well, I don't know. We have, kind of, been drifting this last year.*
 292 – *No. No, not drifting, you know, exploring.*
 293 – *Exploring is drifting, Eric.*
 294 – *Oh, you know what? This is all your fault.*
 295 – *You're always saying that something is something else.*
 296 – *God, it's like you're a big, blond thesaurus.*
 297 – *Well, excuse me for knowing words, Eric. – Okay, you know what?*
 298 – *This fight keeps going nowhere and you want to know why?*
 299 – *We are actually freaking out over something that Kelso said.*
 300 – *Kelso, the guy who doesn't understand*
 301 – *how hot dogs survive in the wild without eyes.*
 302 – *Okay, so you're not...*
 303 – *– You're not worried then? – No.*
 304 – *– I don't know, maybe a little bit, but I'll tell you what.*
 305 – *– I'm gonna find a job. – Great. And I am gonna dye my hair back.*
 306 – *No. Oh, no, no, the blond stays.*
 307 – *I'm still using it.*
 308 – *All right, man, you accused me of stealing.*
 309 – *That's why I've thought up a very clever way of getting you back.*
 310 – *Today you wear the rainbow Afro.*
 311 – *Actually, you know what? I don't think so.*
 312 – *Watch this.*
 313 – *Luck be a lady tonight*
 314 – *Luck be a lady tonight*
 315 – *Luck if you've ever been a lady to begin with...*
 316 – *I don't care about that.*
 317 – *Everybody knows I sing Sinatra all the time.*
 318 – *Whoa, shoplifter.*
 319 – *Amateur.*
 320 – *Here's two bedrooms with one – and – a – half baths.*
 321 – *A half bath?*
 322 – *How's the water stay in?*
 323 – *Here's one with a dish washer.*
 324 – *I don't want another foreigner living with us.*
 325 – *We don't need a dish washer anyway.*
 326 – *– Who's gonna do the dishes? – We'll just order in.*

3.20 Episode 20: Gimme Shelter

- 1 - I'm so glad I graduated high school.
- 2 - You know, it is such a relief to finally know everything.
- 3 - I can't believe I graduated a year ago.
- 4 - It's like I feel like I've done nothing.
- 5 - Man, time really flies when you take two naps a day.
- 6 - Well, I wouldn't say you've done nothing. I mean, you've...
- 7 - Wow, you've really sat on your ass.
- 8 - Yep, Forman, we've all passed you by.
- 9 - I'm running a record store, Donna's a DJ, Kelso's a cop.
- 10 - Even Fez has a job now.
- 11 - What is it again, man, shower girl?
- 12 - Makeup lady?
- 13 - Shampoo boy!
- 14 - Hey, I was close.
- 15 - Wait a second. This mean I'm the loser of the group now?
- 16 - You're the one that's still living with your mommy.
- 17 - Man, you're still living with your mommy.
- 18 - Not for long. Me and Fez are looking for apartments.
- 19 - Then the only time I'll see my mom
- 20 - is when she's doing my laundry, cooking my meals,
- 21 - taking me to the dentist.
- 22 - Eric, I feel kind of bad.
- 23 - You wouldn't even be thinking about this kind of stuff
- 24 - if you weren't caught in the blinding light of my bright future.
- 25 - You know, the scary thing is, if one year went by this fast,
- 26 - imagine where Eric is gonna be in 10 years.
- 27 - Thanks for going with me to the Star Trek convention, Uhura.
- 28 - You can call me Donna now.
- 29 - That's good, Fez, but I think it's gonna be more like this.
- 30 - Thanks for going with me to the Star Wars convention, Leia.
- 31 - You can call me Donna now.
- 32 - No, man. You're both wrong.
- 33 - Actually, it's gonna go like this.
- 34 - Thanks for going with me to the Star Wars convention, Leia.
- 35 - You can call me Mom now.
- 36 - - Whoa. - Eric, they're joking around.
- 37 - - It's funny. - No, Donna, it's not funny. In fact...
- 38 - It's completely possible!
- 39 - Hanging out
- 40 - Down the street
- 41 - The same old thing
- 42 - We did last week

43 - Not a thing to do
44 - But talk to you
45 - We're all all right
46 - We're all all right
47 - Hello, Wisconsin!
48 - Every one of my friends has a career path except for me.
49 - Even Kelso. Kelso!
50 - The kid who thinks that NATO is Japanese for "neato."
51 - You know, it's just not fair.
52 - I mean, you sleep late, you watch TV all day.
53 - The job offers should be rolling in.
54 - Why don't you look into that chiropractic school I suggested?
55 - They're having an enrolment seminar.
56 - You know, a chiropractor is a very prestigious job,
57 - especially if you move someplace
58 - where they don't have real doctors.
59 - Well, I guess chiropractor is as good as anything I've come up with.
60 - I have wasted an entire year doing absolutely nothing.
61 - Hey, how about a job stating the obvious,
62 - 'cause you're getting really good at that.
63 - So, you're gonna be a chiropractor, huh?
64 - All right, every chick patient that you have,
65 - you have to tell her the problem is her tailbone,
66 - that way you get to grab around on her butt.
67 - Kelso, I'm doing this 'cause I wanna help people.
68 - A handful of ass is just a perk.
69 - Okay, so I just want to remind everybody
70 - about my graduation dinner party tomorrow night.
71 - Be there by 6:00 for the champagne toast.
72 - Free champagne? I'm in.
73 - Free toast? I am in, too.
74 - Jackie, a dinner party?
75 - Can't we do something fun,
76 - like drive up to the border and throw stuff at Canadians?
77 - I mean, they never fight back 'cause they're Canadian.
78 - Steven, this dinner party is an important event
79 - to mark my entrance into womanhood.
80 - Didn't that happen three years ago in the backseat of Kelso's car?
81 - I love talking about this in front of Hyde.
82 - Yeah, me, too, 'cause that way I can do this.
83 - Too hard.
84 - Michael, I circled some apartment listings for you and Fez.
85 - I found a great apartment for Janet Meyers after her divorce.
86 - It has a Murphy bed for when her kids come to visit.
87 - They never do.
88 - She's in AA.

89 - Look at all these places for rent.
90 - Man, I hope we can find one that's got everything my baby needs.
91 - Oh, Kelso, you're always putting me first.
92 - Not you, moron.
93 - Betsy, my daughter.
94 - It's amazing how one tiny person has changed my life so much.
95 - You changed mine, too.
96 - Dr. Don loves being a chiropractor, and you know why?
97 - Because the cosmos has ordained Dr. Don to make people feel good.
98 - Do you get the feeling that Dr. Don writes himself a few too many prescriptions?
99 - No, I think he's cool,
100 - and I love the way he calls himself Dr. Don.
101 - Eric's impressed.
102 - Within these hands lies an unexplainable magic
103 - that melts away the troubles of the world.
104 - And Dr. Don will prove it to you
105 - by demonstrating on this attractive blonde in the front row.
106 - Uh, no, I'm only here to make sure my boyfriend doesn't sneak out
107 - to play Space Invaders.
108 - Step on up here, little lady.
109 - Donna, come on. I need to make a good impression.
110 - Look, one little medical experiment isn't gonna kill you.
111 - Come on. Here we go, right on up here.
112 - And now just relax.
113 - Dr. Don has been known to cause patients serious joy.
114 - Wow. That felt great.
115 - Uh-oh. I think your tailbone's out of whack.
116 - All right, show's over.
117 - No. Come on.
118 - Man, we gotta have this place. It's perfect for the baby.
119 - It already smells a little bit like throw up.
120 - Mrs. Forman, you found us a great apartment.
121 - I could just kiss you.
122 - Can I kiss you?
123 - Bob, what are you doing here?
124 - You're selling your house because you're broke.
125 - I knew something was wrong when I didn't see you wearing fur this winter.
126 - No, I come to open houses to meet women.
127 - If a lady's looking for her own place,
128 - she's either single or running away from a bad relationship.
129 - Either way, I win.
130 - Is everything all right over...
131 - Oh, it's you.
132 - Fenton.
133 - I'd shake your hand, but I'm afraid I'd catch

134 - some kind of third world herpe.
 135 - Well, that's fine, 'cause I wouldn't let you
 136 - touch me with a 10-foot pole.
 137 - Well, I wouldn't touch you with a 20-foot pole.
 138 - You don't even have a 20-foot pole.
 139 - Maybe I'll go buy one just so I can't touch you with it.
 140 - Fez, who is this guy?
 141 - This is Fenton.
 142 - We are having a feud.
 143 - Oh, filling out an application, hmm?
 144 - Yes. We got here first so don't even think about applying.
 145 - I don't have to, I'm the landlord. The lord of the land.
 146 - And I'm gonna lord it over you while your butts land outside.
 147 - That was clever.
 148 - Oh, yeah?
 149 - Well, I was gonna give you this *5togettheapartment*,
 150 - *butnowyoucanforgetit.*
 151 - *Thatwasclever.*

180 – *Like, it says right there, you need soft hands.*
 181 – *How many times have you said you didn't even know I was touching you?*
 182 – *— Here, let me get a crack at that neck. — Whoa.*
 183 – *Shouldn't we wait until you're, like, a little more experienced?*
 184 – *Experienced? Donna, I'm on page 12. Let's do this.*
 185 – *Ow!*
 186 – *Uh — oh. That didn't sound good.*
 187 – *Eric, I can't move my neck. Fix it.*
 188 – *Okay, I'm sure the booklets say something about...*
 189 – *Oh, here it is.*
 190 – *Um, okay, I'm gonna need you to sign a release of liability.*
 191 – *Poor Donna.*
 192 – *I think I hurt her pretty bad.*
 193 – *Her neck's stuck, just tilted over like this.*
 194 – *Yeah, but on the upside,*
 195 – *it looks like she's really interested in everything I have to say.*
 196 – *Soshe's got a bad neck. Quit whining.*
 197 – *I've gone out with girls that don't even have necks.*
 198 – *"Hi, Fez."*
 199 – *One time, this girl whipped her head around to look at me*
 200 – *'cause I'm hot, and her neck just snapped.*
 201 – *And then she collapsed into the jukebox.*
 202 – *Kelso, that was The Fonz.*
 203 – *Well, where do you think they got it from?*
 204 – *Forman, forget being a chiropractor, man.*
 205 – *The way I see it, you're diligent, tidy and detail — oriented.*
 206 – *So I think you should become a professional butt wiper.*
 207 – *Come on, man, this is serious.*
 208 – *Eric, you gotta start off slow.*
 209 – *First you should be an amateur butt wiper.*
 210 – *What's wrong with you two? So rude.*
 211 – *Eric, I think you should move to Paris.*
 212 – *That way you can become a butt wiper.*
 213 – *How'd the apartment search go?*
 214 – *Not so good. They can't find anything they like.*
 215 – *Well, how can you be picky? You lived in a jungle.*
 216 – *Any place without a gorilla charging at you should be paradise.*
 217 – *Red, I don't think he lived with gorillas.*
 218 – *Did you?*
 219 – *Where the blazes are you from?*
 220 – *Apparently, Gorilla Land.*
 221 – *We found one place yesterday that was perfect,*
 222 – *but we can't get it 'cause Fez and the land lord are having a feud.*
 223 – *Well, you're not spending another night under my roof.*
 224 – *So come on, we're gonna go have a chat with this land lord.*
 225 – *What's this guy got against you anyway?*

226 – *Who knows? That's like asking you why you hate commies.*
 227 – *You don't know why. You just do.*
 228 – *I know exactly why I hate commies.*
 229 – *They wouldn't stop shooting at me.*
 230 – *Okay, then something else you hate.*
 231 – *Oh, you should have said the Vienna Boys' Choir.*
 232 – *I just want to punch them in the mouth.*
 233 – *How you doing, my little buttercup?*
 234 – *Great.*
 235 – *The Brady Bunch is so much funnier sideways.*
 236 – *Okay, so, at my party tonight,*
 237 – *I want everyone to give heart felt speeches about me, okay?*
 238 – *So here they are.*
 239 – *I don't think I can make it to your party.*
 240 – *Wait, but, Donna, you have to.*
 241 – *I'm afraid I'm out, too.*
 242 – *I got to tend to my crooked little flower here.*
 243 – *You know, Eric, calling me cute little nicknames*
 244 – *doesn't make up for what you did.*
 245 – *Okay.*
 246 – *Hey, whatever you say, my little crazy straw.*
 247 – *I can't believe everyone bailed out on me.*
 248 – *You know, tonight was really important to me,*
 249 – *and it's like no one even cares.*
 250 – *Jackie, you look like you really need to talk this through, huh?*
 251 – *I'll go get Mrs. Forman.*
 252 – *Are you Fenton? I'm here to talk to you about the apartment.*
 253 – *Well, you're in luck, it's still available. And FYI, so am I.*
 254 – *Look, I have a wife.*
 255 – *Well, I have a football, but I never use it.*
 256 – *Red, I know you said wait in the car,*
 257 – *but Fez keeps playing his crazy bongomusic.*
 258 – *It's scaled jazz, you Philistine.*
 259 – *Oh, you're with them. Deal' so f. I have to get to yoga.*
 260 – *– Hey, can't we talk about this? – No.*
 261 – *See, I told you he was going to be...*
 262 – *Just shut it or I'll shut it for you.*
 263 – *Well, you just don't take crap from anyone, do you, Mr. Man?*
 264 – *I knew this was gonna be a waste of time. Come on, Fez.*
 265 – *We'll go figure out some other place to live with the baby.*
 266 – *Baby? Noon mentioned they had a baby.*
 267 – *– That... That's so progressive. – Progressive?*
 268 – *Well, how can I not give the apartment to two women raising a child together?*
 269 – *Oh.*
 270 – *Yeah, progressive.*
 271 – *Yeah, that's what they are.*

272 – *They're as progressive as shell.*
 273 – *Why, they're like newlyweds.*
 274 – *Oh. Mmm.*
 275 – *I wish I knew what that was like.*
 276 – *Always a bridesmaid, never a bride.*
 277 – *Well, Red convinced Fenton to give us the apartment.*
 278 – *Yeah, and Red seemed so happy.*
 279 – *All the way home, he just kept looking at us and laughing.*
 280 – *Yeah, I'm pretty sure that Red told Fenton that we knew a lot of chicks.*
 281 – *'Cause Fenton kept checking me out,*
 282 – *like he could tell that I knew a lot of chicks.*
 283 – *Eric, I can't believe that you crippled my angel, my pride and joy.*
 284 – *It kills me seeing her like this.*
 285 – *Then why are you bringing her over here?*
 286 – *Oh, I got a date. I met a lady at the open house.*
 287 – *She's got crow's feet, but she works in a sandwich shop,*
 288 – *so I bent the rules.*
 289 – *Look, Donna, I'm so sorry about what happened.*
 290 – *You know, I've been thinking about it,*
 291 – *I don't think I ever really wanted to be a chiropractor.*
 292 – *I was just, you know, grasping at straws.*
 293 – *I'd nod in agreement but, you know, I'm paralyzed.*
 294 – *Eric, you know what I'm realizing about you?*
 295 – *You're not good at anything.*
 296 – *That's not true, Kelso. Don't forget butt wiping.*
 297 – *Oh. You know what? You guys suck.*
 298 – *Whenever you're in trouble, I don't burn you.*
 299 – *I mean, you know, usually 'cause it's hard for me*
 300 – *to think of things right on the spot,*
 301 – *but also 'cause, you know, I try to help.*
 302 – *That's actually true.*
 303 – *I mean, Fez, remember when you wanted to learn how to kiss,*
 304 – *and Eric taught you by sticking M M's to the mirror?*
 305 – *That never happened.*
 306 – *I know how to kiss. Shut it, Donna.*
 307 – *Yeah, and, Kelso, how about that time I stayed up with you all night*
 308 – *to study for that math final?*
 309 – *I mean, sure, nothing stuck, but, you know, I blame nature for that.*
 310 – *Yep, some people you just can't teach.*
 311 – *You know, Forman, if you can teach Fez how to kiss*
 312 – *and Kelso how to do math, you can probably teach anybody anything.*
 313 – *Why don't you just become a teacher?*
 314 – *That actually makes a lot of sense.*
 315 – *I mean, you have all this knowledge about stuff*
 316 – *you have no ability to do.*
 317 – *A teacher? Well, I do like helping people.*

318 – *I mean, I'd love to help kids.*
 319 – *Yeah. Like, "Mr. Forman."*
 320 – *That just feels really great.*
 321 – *Yeah, at a teacher. That just feels so right.*
 322 – *There it is. Forman's gonna beat a teacher. This calls for a toast.*
 323 – *All right.*
 324 – *To Forman.*
 325 – *To Forman.*
 326 – *What's going on?*
 327 – *You guys are all too busy to come to my party,*
 328 – *and here you are, having a party.*
 329 – *For you.*
 330 – *To Jackie.*
 331 – *To Jackie.*
 332 – *Okay, I don't believe you.*
 333 – *But as long as I'm center of attention, I'll take it.*
 334 – *Jackie, grab a beer. This is a great day.*
 335 – *You graduated, they found an apartment, and guess what?*
 336 – *I'm gonna beat a teacher.*
 337 – *Eric, you know what you should teach?*
 338 – *Butt wiping.*
 339 – *Fez, that was really inappropriate.*
 340 – *Eric, you should teach history.*
 341 – *The history of butt wiping.*
 342 – *How's your neck, honey? – Oh, it still hurts.*
 343 – *Come over here. I'm a nurse. I know what to do.*
 344 – *Take two of these.*
 345 – *Are you sure this is for neck pain?*
 346 – *Neck pain, headaches, bad days,*
 347 – *they take the edge off of everything.*

3.21 Episode 21: 2120 So. Michigan Ave.

1 - That was probably our second-best potato chip war ever.
 2 - What the hell?
 3 - We'll clean it up later, dude.
 4 - I'm not your "dude," and you never clean anything up.
 5 - Well, we mean to, but then we leave,
 6 - and then we come back and it's already cleaned up.
 7 - You eat my food, you dirty up my house, and every time I go into a bedroom,
 8 - I have to wonder about finding one of you naked with some poor girl.
 9 - Well, at least you know that if you find me naked in a room, I'm by myself.
 10 - All right, I want everybody who doesn't live in this house
 11 - to get out now.
 12 - Well, you're a real bummer, man.
 13 - Come on, Fez, let's go to our new apartment

14 - where people can do whatever they want, whenever they want.
 15 - Just like the Bible says, "Let my people do whatever they want."
 16 - Eric, the high school sent over your transcript,
 17 - which means you can start applying to teachers college.
 18 - Now, you tell me what school you wanna go to,
 19 - and I will send them a pie.
 20 - Because you cannot eat a lady's pie and then not let her son into the school.
 21 - I gotta admit, Forman,
 22 - it's nice finally seeing you do something with your life.
 23 - Almost inspires me to make my record store
 24 - the best damn store in the region.
 25 - Nah.
 26 - It says here that Eric got an "I-N-C" in gym class.
 27 - "I-N-C"? I bet that stands for "incredible."
 28 - - Kitty, it's "incomplete." - I know, you have to add the "redible."
 29 - "You have failed to meet the requirements for graduation.
 30 - "To receive your diploma, you must attend summer session PE."
 31 - Ha.
 32 - "Ha"?
 33 - I didn't graduate and all you have to say is "ha"?
 34 - Oh, and also "hee-hee."
 35 - This sucks.
 36 - Yep, but you have to remember one thing, Forman,
 37 - it only sucks for you.
 38 - Hanging out
 39 - Down the street
 40 - The same old thing
 41 - We did last week
 42 - Not a thing to do
 43 - But talk to you
 44 - We're all all right
 45 - We're all all right
 46 - Hello, Wisconsin!
 47 - I can't believe I'm back in gym,
 48 - or as I like to call it, "The institute of things I can't do."
 49 - Casey Kelso?
 50 - Hey there, Pinciotti.
 51 - Wow, look who you got with you, little Foreplay.
 52 - Yep, that's me. Okay. Okay, okay. Okay.
 53 - Ms. Forman. God, you get younger every time I see you.
 54 - - Oh, me, too. - Yeah.
 55 - Yeah. Yeah.
 56 - Pinciotti, you're looking so good.
 57 - I'm sorry I ever broke up with you.
 58 - The thing is, see, I got this tendency to, uh...
 59 - - No. What's the word? - "Smoulder"?

60 - I think the word you're looking for is "ditch, bail, run away"?
 61 - No, no.
 62 - Oh, wait, did you say "bail"? Yeah. Yeah.
 63 - So, Casey, how did we get so lucky to see you here today?
 64 - A little bit sweaty.
 65 - Well, I'm the teacher.
 66 - No way!
 67 - That's funny. It looks like a normal gym,
 68 - but apparently I've stumbled into the mouth of hell.
 69 - Yeah, see, the coach needed someone to fill in,
 70 - so he called the best quarterback that Point Place High ever had.
 71 - And I figured, you know, the cheerleaders, they practise in here,
 72 - so it'd give me a good chance to see what's gonna be on the market
 73 - in a couple years.
 74 - I can't believe that you get to decide whether or not I graduate high school.
 75 - Well, look, I'll tell you what,
 76 - you give me one pull-up over there, I'll tell the school you passed.
 77 - - Okay. - Okay, let's get this done, Foreplay.
 78 - Get over there.
 79 - Hey, Pinciotti, you see all these eighth grade boys checking you out?
 80 - No, they're not. Really?
 81 - Hi, boys.
 82 - All righty, let's get this done.
 83 - Here we go.
 84 - Just getting in a really good stretch here.
 85 - Yeah, yeah, yeah. Let me show you how it's done, Foreplay.
 86 - I don't know, man, it's trickier than it looks.
 87 - You real... Oh, you got it. Good. Yeah.
 88 - That's what I was going for.
 89 - Is it hot in here or what?
 90 - Okay, Fez, this bedroom's clearly better 'cause it has its own bathroom,
 91 - so I'm gonna go ahead and be the bigger man and give it to myself.
 92 - But I need a room with its own bathroom.
 93 - Otherwise I'm gonna have to walk through the living room when, you know,
 94 - when I have a moment with myself.
 95 - - That's too bad. I want it. - I want it.
 96 - - Well, I want it. - I want it.
 97 - - I want it! - I'll kill you.
 98 - What?
 99 - Okay, wait, wait.
 100 - Fine, you can take it.
 101 - I don't want it anyway. I was in there earlier and I heard voices.
 102 - Voices?
 103 - What kind of voices?
 104 - Well, they weren't unfriendly. They kept saying, "Get out."
 105 - I don't want the haunted room.

106 - - Well, I don't want it. - Well, I don't want it.
 107 - Okay, fine.
 108 - I'll take the room of death.
 109 - - But you owe me one. - Thanks, man.
 110 - - Hi, boys. - Hey.
 111 - I brought you a housewarming gift. Glass grapes.
 112 - Every so often someone tries to eat one,
 113 - it's a real conversation starter.
 114 - I remember.
 115 - You know, it looks like you might need some help unpacking.
 116 - - Kitty, no. - Oh, just sit. I'll just be a minute.
 117 - But remember, you are a guest in these kids' home.
 118 - Just like they've been a guest in our home for years.
 119 - Yeah.
 120 - I'm a guest.
 121 - Just like they've been guests in my house.
 122 - - Hey, that was my programme. - Yeah, that's a bummer.
 123 - Oops.
 124 - What kind of animal just dumps food on someone's couch?
 125 - I'll clean it up later, dude.
 126 - Okay, that's it. You're going down.
 127 - Or, I mean, I'm coming up.
 128 - Yeah. Let's not pretend like this is gonna happen, okay, Forehead?
 129 - Forehead? That's... Come on, man, that's not even good.
 130 - They're all good to me, Forehead.
 131 - But, tell you what, I'll pass you if you can tell me one thing.
 132 - How's a guy that can't even do one pull-up
 133 - get someone like Donna?
 134 - Wow. You know, at least I'm not the dillhole
 135 - who's strutting around the gym with my whistle,
 136 - thinking I'm all cool because I'm teaching summer school PE to a bunch
 of botards.
 137 - Yeah, I think it's really weird that you'd say that to me, Forehead,
 138 - especially since I was just about to sign your transcript,
 139 - but I don't know, now it seems like I've lost my pen.
 140 - You didn't lose...
 141 - Okay, listen up.
 142 - I wanna teach you all a little game. It's called Target.
 143 - Ooh. What's Target?
 144 - All right, all moved in. Chateau Kelso is open for business.
 145 - You know, "chateau" is German for "mister."
 146 - Michael, you should have gotten the room with the bathroom.
 147 - You earned it by being born better looking.
 148 - Oh, well, I could have had it,
 149 - but Fez said that there were evil spirits in there,
 150 - so I made him take it.

151 - Sucker.
 152 - Man, I can't believe you fell for that.
 153 - Especially after that time he told you evil spirits lived in that hot dog
 154 - and then you gave him that.
 155 - Wait, are you saying he's tricking me?
 156 - Foreigners always lie.
 157 - That's how the Indians tricked us into buying New Mexico.
 158 - You boys are gonna need a plumber.
 159 - I tried to flush your pillow down the toilet, it just wouldn't go.
 160 - Ooh! Matches.
 161 - Hi, honey. How was your first day at school?
 162 - It was awful. Casey's definitely gonna fail me.
 163 - Oh, that doesn't sound like my Casey.
 164 - I mean, the world's Casey.
 165 - Man, it's like I finally figured out what I wanna do with my life,
 166 - and now I might never be able to do it.
 167 - And, might I add, through no fault of my own.
 168 - Eric, the last time you used the phrase "through no fault of my own"
 169 - was when you said, "Donna, your cat's dead
 170 - "through no fault of my own."
 171 - Which I later found out meant, "Donna, I ran over your cat."
 172 - What did you do in class? Were you being a porky mouth?
 173 - What?
 174 - No. A little bit, yeah.
 175 - Well, there's only one thing to do.
 176 - I'm gonna have to put on some lipstick and go apologize to Casey.
 177 - Fez, you made up all that stuff about the room.
 178 - And I want the room, so give it back.
 179 - - You give it back. - You give it back.
 180 - - You give it back. - You give it back.
 181 - - Hi, Casey. - Hey.
 182 - - Look, I wanted to talk to you about Eric. - Who?
 183 - - Foreplay. - Oh, yeah.
 184 - Look, I want to know if you can just go ahead and let him get his diploma,
 185 - because it's really important to him and me.
 186 - There might be one way I can pass the little guy.
 187 - All right? You know, all you gotta do is, you know, just go out with me
 on a date.
 188 - - Casey, I'm with Eric. - Who?
 189 - - I'm not saying it again. - Come on, one date.
 190 - 'Cause I'm still trying to figure out why I ever broke up with a blonde.
 191 - I was a redhead then.
 192 - Man, I gotta start paying attention.
 193 - So get this, I went down to the gym to talk to Casey,
 194 - and he said that the only way he'd pass you is if I go out on a date with
 him.

195 - What?
 196 - Oh, thank you, Donna, thank you.
 197 - So you'd let me go out with him?
 198 - Well, Donna, if you really loved me, I mean,
 199 - you'd date other men.
 200 - Get bent.
 201 - Now, if she really loved me, she'd date other women.
 202 - Okay, the competition for who gets the better bedroom
 203 - is gonna be based on the Miss America pageant.
 204 - Ooh, I'll be Miss Texas.
 205 - That bitch always wins.
 206 - Okay, the first event is the talent portion of the competition.
 207 - Okay.
 208 - Judges, I present you with a dramatic scene
 209 - from the major motion picture The Godfather.
 210 - "There's an entire horse in my bed.
 211 - "Why would you do this, Godfather. Why?"
 212 - And then the horse says, "Let this be a warning."
 213 - The horse doesn't talk, Kelso.
 214 - Oh. I was thinking of Jaws. "Look at my jaw."
 215 - Fez, you're up.
 216 - I think we're gonna give this round to the foreign kid.
 217 - - I just ran into Donna. - Oh, was she on a date with Casey?
 218 - No, and she doesn't seem too happy with you.
 219 - I don't know why she's so mad.
 220 - Well, you'll often find, as you go through life,
 221 - that when you try to turn your girlfriend into a prostitute,
 222 - she gets cranky.
 223 - Okay, but, Dad, passing PE
 224 - is all that's standing between me and the rest of my life.
 225 - You're lucky this table is standing between my foot and your ass.
 226 - Now you go down there with Donna and do a pull-up,
 227 - and earn the respect of that woman who inexplicably loves you.
 228 - You know what? You're right, I gotta do this.
 229 - I can do this.
 230 - I just gotta be like Luke in Star Wars.
 231 - I just have to really believe that I can.
 232 - Yeah, but I don't believe I can, so this is nothing like that.
 233 - - Any tricks to doing a pull-up? - Yes.
 234 - You pull
 235 - up.
 236 - Thanks, Obi-Wan.
 237 - Eric, what are we doing here?
 238 - You gonna make me sell a kidney so you can pass math?
 239 - No, we're here because I'm a man, damn it.
 240 - Hey, buddy, guess what?

241 - You're not taking my girlfriend out. Guess why?
 242 - 'Cause I'm about to pass gym, fair and square,
 243 - on the basis of my own strength.
 244 - Side bar.
 245 - - What are you doing? - I'm doing a pull-up, woman.
 246 - Wow, it looks like somebody really had their Wheaties this morning.
 247 - Actually, I had Cocoa Puffs.
 248 - So I'm cuckoo, man, cuckoo.
 249 - Donna, stand back,
 250 - mostly because I'm gonna be kicking my legs a lot.
 251 - - You can do it, Eric. - Never gonna happen, Foreplay.
 252 - Foreplay. Foreplay. Foreplay.
 253 - It's not, Foreplay. It's Forman.
 254 - - Eric, you did it. - Wow, congratulations.
 255 - So, we going out or what?
 256 - Look, stay away from my girl, okay, Casey Kelso?
 257 - Or wait, maybe I should say Casey Smellso.
 258 - "Smellso"? Wow, that's really cold, Forman.
 259 - You know, I'm just gonna go sign your transcript 'cause
 260 - I don't think I wanna hang out any more, okay?
 261 - Eric, I am so proud of you.
 262 - I'd hug you back but...
 263 - Well, I can't move my arms.
 264 - We're back.
 265 - I told Red he had to fix the very unsanitary thing he did
 266 - with a pillow in your bathroom.
 267 - So, we're gonna have to skip the swimsuit competition
 268 - because Fez won't promise not to show us his wee-wee.
 269 - So we're gonna go right into interview.
 270 - Each of you will have to answer the question,
 271 - "Why do you deserve the better room?"
 272 - Michael, you go first.
 273 - Okay.
 274 - Well, Judges,
 275 - you may look in there and see just a room,
 276 - but I see a place where I can raise my daughter,
 277 - and watch her grow,
 278 - and create memories,
 279 - until the day that I see her walk out that door.
 280 - And then through the living room here and out the main door.
 281 - Michael, that's really beautiful.
 282 - Yeah, Kelso, real nice.
 283 - Let me tell you a story about a young boy
 284 - who dreamt of one day being in America.
 285 - In a room just like that.
 286 - And with a tear in his eye he said...

287 - Which means, "I want it."
 288 - "I want it."
 289 - I want it.
 290 - Well, now I vote they both get the room.
 291 - I guess the only way to solve this is a foot race to the room.
 292 - Go.
 293 - It's mine!
 294 - I got here first, the room is mine.
 295 - Gross! Old people sex!
 296 - Red, you said you locked the door.
 297 - Sorry, dudes.
 298 - Room's yours.
 299 - One hundred.
 300 - You know, I bet we could make it to 200 if that shirt wasn't weighing you down.
 301 - Well, the only way this shirt's coming off is if I get
 302 - a kiss from the best-looking lady in Point Place.
 303 - Well, bring it in dreamboat.
 304 - Oh, Casey!
 305 - "Oh, Casey"?
 306 - Oh, Casey, you see
 307 - By the dawn's early light
 308 - I just had the most patriotic dream.

3.22 Episode 22: 2000 Light Years from Home

1 - Hey, great news. I'm on my way to becoming a teacher.
 2 - I filled out all my college applications in red pen.
 3 - That's a little...
 4 - It's like a little teacher joke.
 5 - Well, now, look at him,
 6 - out of bed and doing something productive before noon.
 7 - Honey, you're like a Marine.
 8 - A Marine? The only time I ever saw him storm a beach
 9 - was when he was running away from a jellyfish.
 10 - Dad, all I need from you now is a financial statement,
 11 - so the school can see where I'm getting the old moolah.
 12 - Oh, well, bad news, I...
 13 - I spent your college money to keep the muffler shop going.
 14 - - What? - This is really weird.
 15 - Because my parents, instead of paying for my college,
 16 - bought me a muffler.
 17 - Dad, how am I supposed to pay for college?
 18 - Look, with this damn mild winter, nobody's muffler rusted.
 19 - I tried to rust them.
 20 - I went out at night and sprinkled salt all over the streets.

21 - Not my good kosher salt?
 22 - Yes, Kitty, I sprinkled the streets of Point Place
 23 - with your half-pound bag of salt.
 24 - Wait, Mom, you knew about this? And you just said, "Please, go ahead.
 25 - "Take my son's college money and use it on a muffler shop"?
 26 - No.
 27 - I think your father asked me if I thought you would amount to anything,
 28 - and I said, "I really, really hope so."
 29 - And then he said, "I'm spending Eric's college money on my muffler shop."
 30 - And then I made the best blueberry cobbler I have ever made.
 31 - - Man, that was good. - Best cobbler ever.
 32 - Huh! I remember that cobbler.
 33 - I always wondered why, when I said it was so good,
 34 - you said, "At least I can give you this," and started to cry.
 35 - Well, look at the bright side.
 36 - There's always a place for you at a failing muffler shop.
 37 - So, the upshot is I have absolutely no money for college.
 38 - Eric, don't worry, there are plenty of ways to get money for school.
 39 - Yeah, man, you could always get a football scholarship.
 40 - Hey, look, he weighs about as much as a football,
 41 - and people do like to kick him.
 42 - I know what you should do.
 43 - You should go to Hollywood and become the next Gene Wilder.
 44 - That guy's a laugh riot.
 45 - Eric, you should go see Mr. Bray.
 46 - Finding money for college is what high school guidance counselors do.
 47 - Yeah, they also spend a lot of time staring at themselves in the mirror
 saying,
 48 - "I can't believe I'm a high school guidance counselor."
 49 - I don't know about Mr. Bray. I don't think he really liked me.
 50 - One time I told him I was being bullied, and he just said,
 51 - "What'd you expect?"
 52 - All right, I'll go with you. He'll help. He totally loved me,
 53 - in almost entirely appropriate ways.
 54 - Okay, I'm breaking up with Angie. All we have anymore is hot sex.
 55 - Hot sex? All I have is hot soup.
 56 - Can't make love to that.
 57 - Too damn hot.
 58 - So, Kelso, you gonna break up with her your usual way?
 59 - Send a note saying you got kidnapped by kung fu robots?
 60 - No, it won't work with her.
 61 - She doesn't even believe in kung fu robots.
 62 - - Just gonna have to talk to her. - Whoa.
 63 - Kelso, you never break up with a girl to her face.
 64 - You usually have me tell her you're dead.
 65 - And then when she eventually sees you, you have me tell her you're a ghost.

66 - Michael, why don't you do what you did with me?
 67 - Toilet paper my house.
 68 - No, I can't do that to Angie.
 69 - I respect her too much 'cause she agreed to have sex with me so fast.
 70 - Look, I don't care how you do it.
 71 - I'm just happy you won't be violating my sister anymore.
 72 - Yeah, I know you hated it, Hyde.
 73 - I would have broken up with her sooner if I didn't find it so hilarious.
 74 - Dude, you be nice or I will marry her.
 75 - Hanging out
 76 - Down the street
 77 - The same old thing
 78 - We did last week
 79 - Not a thing to do
 80 - But talk to you
 81 - We're all all right
 82 - We're all all right
 83 - Hello, Wisconsin!
 84 - - I'm so glad you came by, Daddy. - Well, I missed you guys.
 85 - I'm not just your rich boss, I'm also your rich dad.
 86 - In fact, everyone related to me, grab some cash from the register.
 87 - I've already been in there once today, but you're the boss.
 88 - Okay, I can do this.
 89 - I'm just gonna tell Angie that things are fizzling between us
 90 - and we should end it.
 91 - - Hey, how's it going, sweets? - Not bad, toots.
 92 - Oh, him. Go, go.
 93 - Okay, we need to talk about something.
 94 - This might be kind of hard to take.
 95 - Fez still wets the bed.
 96 - - What? - Ew!
 97 - At least we're still together. I'll see you later.
 98 - I'm going to wet your bed.
 99 - Hey, Angie, can you recommend a record?
 100 - Something Dean Martin-y but not Dean Martin.
 101 - 'Cause I don't like that he didn't wave to me in Atlantic City.
 102 - Well, I don't know much about Dean Martin,
 103 - but I do know that the top-selling record this week is Blondie.
 104 - A broad, huh?
 105 - - She jazzy? - Well, I know she's blonde.
 106 - Here you go, Bob, try this Joey Bishop.
 107 - He swings like Dean, but he'll wave at anybody.
 108 - Good job knowing the number one album, honey.
 109 - I love watching you in action,
 110 - because the more you work, the less I have to.
 111 - Well, I'm just trying to get ready for the day you kick the bucket

112 - and I get everything.
113 - Just like her mother.
114 - Oh, my God, I can't believe I have to tell my high school guidance counselor
115 - that I spent an entire year doing nothing.
116 - He's gonna think I'm such a loser.
117 - Oh, Donna, let's tell him it's you.
118 - No, you're a much more believable loser.
119 - Oh, come on, he won't judge you. He loves you.
120 - I mean, jeez, he asked you to prom.
121 - Okay, let's see... Donna.
122 - What a pleasant,
123 - pleasant surprise.
124 - Jeez, you've done something different with your hair since the prom.
125 - Yeah, you noticed.
126 - Well, I notice everything about all my students.
127 - I, like, put on a little weight.
128 - And you are?
129 - Eric
130 - Forman,
131 - 1977's most improved mathlete.
132 - Oh, right. Oh, yeah. I'm sorry, Eric.
133 - I just figured the bullies had gotten you.
134 - Anyway, Donna here is looking for some college scholarships.
135 - Well, Donna, you've come to the right place
136 - because I am an expert at college scholarships,
137 - as well as the affairs of the heart.
138 - Why don't you have just a little seat right here, young lady.
139 - Thank you.
140 - I guess I'll...
141 - Great.
142 - So, Donna, to figure out what scholarships you're eligible for,
143 - I'll have to know what you've done for the last year.
144 - Oh! Um...
145 - Well, not a lot.
146 - I read comic books,
147 - - acted out movies with my dolls... - Action figures.
148 - Okay, you always insist that they are called action figures.
149 - You know, if Eric had told me he had wasted a whole year of his life,
150 - I wouldn't be surprised. But you?
151 - I know, I'm just as surprised as you are.
152 - It has been a long, ugly fall, very hard to watch.
153 - In fact, just between you and me,
154 - she's even gotten into a little bit of the smoky, smoky.
155 - All right.
156 - Screw this.

157 - The scholarship is for him. Eric, good luck.
 158 - Mr. Bray, my coming here was not an invitation
 159 - to start driving by my house again.
 160 - Hey, my mother lives right next door.
 161 - I live right next door.
 162 - Oh, well.
 163 - How's Mother?
 164 - Oh, my God, you guys, I just got a promotion.
 165 - Daddy says I've been doing such a great job
 166 - that he wants me to move to Milwaukee and help run the corporate office.
 167 - Wait, what about Steven? He's the one doing the great job.
 168 - You just sit around doing your nails and making smart-ass comments.
 169 - Jackie, that's you.
 170 - Yeah, well, it's annoying now, isn't it?
 171 - How'd you get a promotion? You don't know anything about music.
 172 - Last week a guy came in asking for KISS,
 173 - you called him "pervert" and slapped him in the face.
 174 - Well, did your dad say anything about Steven?
 175 - I don't know, I just heard the word "promotion,"
 176 - and I got a little dizzy and sort of blacked out.
 177 - It was awesome.
 178 - Well, here's the America I know,
 179 - the person who can't do anything rises to the top,
 180 - while the guy who's working his ass off gets nothing.
 181 - Are you supposed to be the guy that works his ass off?
 182 - Don't make this more complicated than it has to be.
 183 - Jackie, listen,
 184 - I need some advice on breaking up with girls, okay?
 185 - And you've been broken up with a lot, and several times by me.
 186 - So what didn't you like?
 187 - Oh. Uh...
 188 - The lying, the cheating, the sneaking around.
 189 - Oh, and I also didn't like Fez trying to make out with me five minutes
 later.
 190 - Well, then you're really not gonna like this.
 191 - Look, I don't know how to break up with Angie.
 192 - Well, why don't you try to figure out how to do it kindly,
 193 - maturely, respectfully.
 194 - Yeah, that sounds nice.
 195 - I think I'm just gonna sleep with her best friend.
 196 - Okay, I actually got some great news from the guidance counselor.
 197 - There's this program where you go and teach in an impoverished area for
 a year,
 198 - and then they pay for your college.
 199 - I signed up.
 200 - - Eric, that's perfect. - That's wonderful.

201 - See, I knew spending your college money would work out for the best.
 202 - You're welcome.
 203 - So, what impoverished area will you go to?
 204 - Is it East Milwaukee?
 205 - I made a wrong turn there once and I ended up in an awful neighborhood.
 206 - There were kids playing radios on a street corner.
 207 - No. I'm not going to Milwaukee.
 208 - - So, where then? - Africa.
 209 - Africa, Wisconsin?
 210 - You're going to teach in Africa?
 211 - What are you gonna teach them? How to get eaten by an ostrich?
 212 - Mom, an ostrich?
 213 - I saw a documentary.
 214 - They are vicious, cruel creatures.
 215 - Well, I think it's great he's going to Africa. It'll make him a man.
 216 - You think the only way to become a man is to die.
 217 - How are you gonna feel when your son gets killed by a lion
 218 - or a disease-carrying fly?
 219 - You get killed by a fly, I'm not buying you a headstone.
 220 - You can't go to Africa.
 221 - They don't even have ketchup there.
 222 - You put ketchup on everything.
 223 - You'll starve to death.
 224 - Can you believe how much she's freaking out?
 225 - No, I cannot believe that someone you supposedly love is upset
 226 - that you decided to go to Africa without considering her feelings at all.
 227 - See? Donna understands.
 228 - So, there's a problem with my sleeping-with-Angie's-best-friend plan.
 229 - Angie's best friend is Hyde.
 230 - You know what we may have to do here?
 231 - The dark room switch.
 232 - You will make love to her in a dark room, halfway through you will excuse yourself.
 233 - Then I'll come in, pretend to be you, and finish the job.
 234 - - How does that fix my problem? - I was working on my problem.
 235 - You guys, Donna's totally freaking out about this Africa thing.
 236 - She won't return any of my calls.
 237 - I think I have a solution.
 238 - The dark room switch.
 239 - Look, man, tell Donna to just lay off, okay?
 240 - Africa is gonna be awesome.
 241 - You know, they have this bug over there that burrows into your brain,
 242 - and it lays, like, a thousand eggs.
 243 - And then, when the eggs hatch,
 244 - they, like, shoot out of your head like little worm bullets.
 245 - Kelso, those worms aren't in Africa.

246 - They're on the planet Zorgon,
 247 - which is from a comic book that you wrote.
 248 - Just trying to generate a little buzz.
 249 - WB, what the hell were you thinking?
 250 - I don't know, I thought I'd try a new thing with my shoulders.
 251 - Look, he means, why did you promote that whore, Angie?
 252 - - You mean my daughter Angie? - I stand by my statement.
 253 - You can't hit a girl.
 254 - Look, if this is about me not being professional,
 255 - I've already told you, bottle rocket Friday nights are over.
 256 - Steven, I'm moving Angie to Milwaukee to get her away from the customers.
 257 - I love my little girl, but you're the one who should be running that store.
 258 - So, it's yours.
 259 - Whoa.
 260 - - Thanks, man. - Oh, my God, I own a record store!
 261 - No, I own a record store.
 262 - Actually, I own a record store.
 263 - I own one-third of a record store.
 264 - Moving Angie here is gonna work out for everybody.
 265 - See, I just got into this real snooty country club,
 266 - and they don't think I'm gonna be there much.
 267 - But I'm gonna be there all day, every day, and I'm bringing friends.
 268 - So I need somebody around here looking after things,
 269 - while I'm out making white people uncomfortable.
 270 - Hello? Oh, hi.
 271 - How are you?
 272 - I'm Eric's guidance counselor. I just came over with some papers for him.
 273 - You look familiar. Do you live around here?
 274 - 'Cause I see you drive up and down the street all the time.
 275 - Yeah, well, I see you emptying your trash in your bathrobe all the time,
 276 - but I keep it to myself, okay?
 277 - Eric, I brought you a brochure with some survival tips on Africa.
 278 - Funny, they don't have brochures with survival tips on Wisconsin.
 279 - That's because death isn't hiding behind every bush.
 280 - Mom, please. - I'm sorry if Eric's trip has upset anyone.
 281 - - It's upset everyone. - I'm not upset, I'm tickled pink.
 282 - What about Donna? How's Donna doing?
 283 - I don't know. She's not even talking to me.
 284 - Yeah, well, you know, sometimes I think
 285 - she just kind of lets her fiery emotions get the best of her.
 286 - But I think maybe a gentle word from me might just calm her down,
 287 - or send her into the arms of someone else.
 288 - No, you know what? You're not gonna talk to her.
 289 - I'm gonna go talk to her.
 290 - So, you guys have a daughter?

291 - Angie.
 292 - I've been thinking about this all day, and I finally worked up the nerve,
 293 - and I think we need to talk about us.
 294 - Michael, I'm breaking up with you.
 295 - How dare you?
 296 - I'm moving to Milwaukee.
 297 - Well, when were you gonna tell me, you know, your boyfriend?
 298 - Come on, you know things were sort of fizzling anyways.
 299 - Fizzling? How can you even say that?
 300 - What about all the times you said that I was really, really good-looking?
 301 - Michael, it's over, but know this,
 302 - when I said you were good-looking, I really meant it.
 303 - You know what? You got a lot of growing up to do.
 304 - - Hey. - Don't you "hey" me.
 305 - My daughter stayed home from college for you.
 306 - She could've had a bright future.
 307 - Sure, she wouldn't be president of a company or anything
 308 - 'cause she's a gal.
 309 - But she would have been one hell of a secretary.
 310 - Okay, look, Donna, I know you're upset...
 311 - Eric, if you wanna break up with me, just go ahead and do it.
 312 - What? No. Donna, I'm not breaking up with you.
 313 - Really? Well, did you consider me at all before you decided to run away
 to Africa?
 314 - Okay, look, Donna,
 315 - the reason I'm doing this is for us.
 316 - Okay, so I can go to college, and get a job, you know.
 317 - So I can deserve you.
 318 - Don't give me that crap, you're doing it for you.
 319 - Donna, when my dad got sick and I had to stay at home,
 320 - I thought I'd missed my only chance.
 321 - But this is it. This is my second chance.
 322 - And you're always saying how I gotta get out of this town,
 323 - how I gotta start my life.
 324 - God, I thought if anyone was gonna support me in this, it was gonna be
 you.
 325 - So, good. Go start it.
 326 - Look, I really just don't wanna fight about this.
 327 - What do you wanna do?
 328 - Movie?
 329 - And then what?
 330 - I vote the thing we usually do after a movie.
 331 - What's the point of that?
 332 - Well, I don't know. I think that's really its own reward.
 333 - I think you need to leave.
 334 - - Donna, I'm not gonna... - She said get out.

335 - I know 'cause I was listening the whole time.
 336 - Okay, fine.
 337 - You still got me, cupcake.
 338 - Thanks, Dad.
 339 - If it makes you feel any better, he's gonna be sorry.
 340 - I read some place that in Africa they got a bug that burrows in your brain
 341 - and shoots out your eyes like worm bullets.
 342 - Okay, Angie, Kelso feels that you two should have one last night together.
 343 - And he wants it to be special, so it will take place in this dark room,
 344 - and for a minute you may think, "Hey, this is not Kelso."
 345 - But that's just the liquor talking.
 346 - I forgot to mention you will need to drink a lot of liquor.
 347 - You going to get the liquor now?
 348 - Okay, I'll wait.

3.23 Episode 23: Take It or Leave It

1 - It's funny, Eric.
 2 - I thought I told you to clean out the Vista Cruiser,
 3 - but what I must have said was, "Go sit on your ass."
 4 - No, I was there, Red. You definitely said, "Go clean out the Cruiser,"
 5 - but he just insists on being defiant.
 6 - Look, I'm sorry, Dad, but something really important came up.
 7 - I Dream of Jeannie did her blinking thing, and now Dr. Bellows thinks he's
 a monkey.
 8 - No, Dr. Bellows is a monkey that thinks he's a doctor,
 9 - that's what's funny.
 10 - He's sitting at the desk and stuff, but he's a monkey.
 11 - You're a monkey.
 12 - You're a monkey.
 13 - Eric, I need that car to go pick up Charlie at the airport.
 14 - You're bringing another guy here?
 15 - We need another guy here like I need another firecracker in my bathing
 suit.
 16 - Well, until you learn to stop wearing Speedos,
 17 - you're gonna keep getting firecrackers.
 18 - Charlie's this annoyingly nice kid.
 19 - His dad and my dad were drinking buddies in the Navy.
 20 - We weren't drinking buddies. We were finely honed killing buddies.
 21 - Yeah, well, I never liked him.
 22 - At the last Navy picnic, we got teamed up for the egg toss,
 23 - and he dropped our egg, on purpose, just so these little sick kids could win.
 24 - Those little twerps went home with my goldfish in a bag.
 25 - My goldfish.
 26 - Yeah, well, Charlie's only gonna be here a few days on business for his dad,
 27 - and the last thing he needs is to be exposed to you deviants.

28 - Whoa, Dad, we are not deviants.
 29 - Jeannie's bending over!
 30 - Let's go.
 31 - You guys, I gotta talk to Steven about something really serious.
 32 - - Maybe she's pregnant. - Maybe she cheated on him.
 33 - Maybe she cheated on him and she's pregnant.
 34 - Oh!
 35 - Steven, this TV producer called to tell me he loved my public access show.
 36 - And then he offered me a job at his station in Chicago starting next week.
 37 - Whoa. You're gonna take a job and move to Chicago?
 38 - No, no, not yet. Well, I wanted to talk to you about it first.
 39 - Oh!
 40 - This is serious serious, not funny serious.
 41 - We should probably leave.
 42 - But we won't.
 43 - Steven, this is my dream come true,
 44 - but you are the most important thing in the world to me.
 45 - So I'm willing to give it all up and stay here with you.
 46 - But if I do that, I need to know we're gonna get married.
 47 - Jackie, we just agreed not to talk about our future.
 48 - But our future is happening right now.
 49 - Look, the station needs an answer by noon on Sunday, and I do, too.
 50 - Well, I don't know what to say right now.
 51 - I know this is a sensitive moment,
 52 - but may I offer a word of advice?
 53 - Run!
 54 - Hanging out
 55 - Down the street
 56 - The same old thing
 57 - We did last week
 58 - Not a thing to do
 59 - But talk to you
 60 - We're all all right
 61 - We're all all right
 62 - Hello, Wisconsin!
 63 - Eric, you remember Charlie.
 64 - Well, I remember a perfectly tossed egg from me,
 65 - an unconvincing "whoops" from him,
 66 - and the sound of laughter
 67 - as some children ran away with my goldfish in a bag.
 68 - Eric, you put some kind of spin on that egg,
 69 - it was uncatchable like a curveball.
 70 - Ha. Your whole story's unraveling, man.
 71 - I can't throw a curveball.
 72 - Dad, tell him.
 73 - I'm gonna have to side with my son on this one.

74 - He can't even throw a straight ball.
 75 - Charlie, I made you a pancake smiley face
 76 - with sausage arms and a little scrambled egg cardigan.
 77 - Where's my whimsical breakfast?
 78 - Oh, well, since you decided to go teach in Africa without consulting me,
 79 - all you get is a plain pancake breakfast
 80 - with nothing smiling at you. Nothing.
 81 - - Morning. - Hey, I smell bacon.
 82 - Hey, boys, have you met Charlie?
 83 - - Oh, hey. I'm Kelso. - Hi.
 84 - I'm gonna eat your breakfast.
 85 - And I'm Fez, and just so you know, I'm the coolest guy in this gang.
 86 - All right, I gotta go to work.
 87 - Charlie, if Eric and his friends start to bother you,
 88 - just hold up a book. It's like kryptonite to them.
 89 - Oh, hey, Donna.
 90 - Are you still mad about this whole Africa thing?
 91 - Yep, but instead of pouting at my house and being miserable,
 92 - I decided to come here and make you miserable.
 93 - That's the spirit, Donna.
 94 - Here, eat his bacon.
 95 - You made me bacon?
 96 - Yep, I just kept it over here in America.
 97 - Mmm. Bacon.
 98 - Wow, who's she?
 99 - Don't even think about it. Donna is with Eric and then she's mine.
 100 - And then she is mine.
 101 - And then, right back to me for another go-round.
 102 - Hey, Hyde, I heard about Jackie. What are you gonna do?
 103 - Well, I spent all morning kicking it back with my stash to see what came
 to me.
 104 - But all that came to me was a great idea for a movie
 105 - that now I just can't remember.
 106 - Is that what that smell was? Aren't you afraid you'll get arrested?
 107 - I'm a cop.
 108 - You guys are crazy.
 109 - The closest I ever came to breaking the law
 110 - was when me and my friend, Toby, cut out of school
 111 - five minutes before the last bell.
 112 - My heart was beating so fast.
 113 - 'Cause you were naked?
 114 - No.
 115 - I don't get it.
 116 - You know what, Hyde?
 117 - Your problem is you didn't handle Jackie's ultimatum like a man.
 118 - Like, if Donna tries that with me, I'm just gonna say, "Hey, guess what?

119 - "You don't get to tell me what to do with my life."
120 - And then, depending on how much steam I have left,
121 - I may even call her toots.
122 - Hey, Eric.
123 - You know how guys always ask me out, but I say no because I have a boyfriend?
124 - It's true, she won't budge.
125 - Well, since you're going to Africa, I figured, you know,
126 - I should be moving on with my life, too.
127 - And there's this guy named Kevin where I work,
128 - and he asked me out tonight. I said yes.
129 - What? You're gonna... Oh.
130 - I think I see what's going on here.
131 - Looks like somebody's caught the ultimatum bug.
132 - Okay, I'll play along.
133 - You're gonna go out with this Kevin guy or what?
134 - Or nothing. This isn't an ultimatum.
135 - Okay, I'm prepared for an ultimatum.
136 - I need to figure out what I'm gonna wear. Maybe that really short pink skirt.
137 - Oh, that's over at my place.
138 - - You have her skirt? - Don't judge me, new guy.
139 - It feels so good not to be the monkey in the middle.
140 - Dance, monkey, dance.
141 - I can't believe Donna's going out with this guy from work.
142 - You know, I made a point of going down there
143 - and spreading a rumor that she had crabs.
144 - Don't talk to me, Forman.
145 - This whole thing with Jackie is all your fault.
146 - How?
147 - Because I wouldn't have even been in the basement last night
148 - when Jackie came over, if we had gone to go play pinball like I wanted.
149 - But you wouldn't go.
150 - So now I gotta figure out my entire life
151 - because you claimed the change guy touched you weird.
152 - He put the quarters right into my pocket.
153 - I'm tired of messing with Charlie.
154 - He's not even reaching for the ball anymore.
155 - Well, you know, if you want, we can hang out at my dad's warehouse.
156 - That sounds great.
157 - - Really? - No, shut up.
158 - All right, well, I have to get down there and unlock the door.
159 - We're getting a shipment today.
160 - - Shipment of what? - Beer. My dad owns a beer warehouse.
161 - - Your dad owns a beer warehouse? - Mmm-hmm.
162 - You can touch the ball now.

163 - You had to see Eric's face when I told him about my date,
 164 - he was all nervous and surprised.
 165 - It reminded me of his sex face.
 166 - Donna, I don't wanna hear about Eric's sex face. I'm upset enough.
 167 - You wanna know what the best part is? I don't even have a date.
 168 - I made the whole thing up just to mess with Eric's head.
 169 - I wish I had manipulated Steven instead of opening up my heart.
 170 - Now I'm the vulnerable one waiting for his answer.
 171 - Yeah, I was a little surprised.
 172 - I mean, the bitchy stuff is your bread and butter.
 173 - You know, I had fake pregnancy right up my sleeve and I didn't even use it.
 174 - Whoa.
 175 - Holy crap. That's the most beer I've ever seen.
 176 - Let me just hit the lights.
 177 - Let me rephrase that. That's the most beer I've ever seen.
 178 - It's the mother lode.
 179 - It's like now I know how the immigrants felt
 180 - when they finally saw the majestic skyline of New York City.
 181 - Actually, Eric, most of the immigrants arrived in the 19th century
 182 - before the skyline was ever built.
 183 - I mean, beer!
 184 - I... I...
 185 - I don't know where to start.
 186 - You know, the kegs are cold. Why don't we start with the kegs?
 187 - Hey, we'll handle this, new guy.
 188 - We'll start with the kegs.
 189 - There's nothing like drinking beer straight from the tap.
 190 - This must be why babies love breast-feeding.
 191 - Reminds me of an ancient Chinese proverb. It goes,
 192 - something, something, something, crazy girlfriend,
 193 - something, something, drink lots of beer.
 194 - Hyde, I don't think we're gonna find the answer to our problems
 195 - in a keg of beer.
 196 - Unless they're at the bottom, so drink up.
 197 - I've been in this warehouse a hundred times, and I never did this.
 198 - Now I know why my grandmother's an alcoholic.
 199 - This is great.
 200 - I'm gonna need a bigger mouth.
 201 - Girls, please tell me that Charlie is here.
 202 - Wait, isn't he at your house with the guys?
 203 - No. Oh, sweet Lord, they got him.
 204 - You know, Donna, you should be out there trying to keep Eric from going
 to Africa
 205 - instead of sitting here on your patootie.
 206 - Well, I'm doing everything I can. I even lied to him

207 - and told him I was out on a date with another guy.
 208 - Sweetie, that's amateur hour.
 209 - God gave you a very full chest, I suggest you start using it on my son.
 210 - I cannot believe Eric went out. He's supposed to be at home agonizing.
 211 - Well, maybe they went out to buy flowers for when Steven proposes.
 212 - No, they would have just sent Fez.
 213 - They're out having fun, and that is exactly what we're gonna do.
 214 - Okay, here's what I don't get.
 215 - Why would Sally sell seashells down by the seashore?
 216 - I mean, that's a terrible location for a seashell stand.
 217 - Yeah, I mean, if she wanted to make money,
 218 - she would sell seashells by the subway.
 219 - You know what she should sell by the seashore?
 220 - Shoeshines, 'cause your sandals get so sandy.
 221 - Sandy sandals.
 222 - We should start a girl band called Sandy Sandals.
 223 - What's wrong?
 224 - Well, sand reminds me of dirt, and dirt reminds me of Steven.
 225 - Jackie, I'm sure Hyde will do the right thing.
 226 - You know, I thought if I really put myself out there,
 227 - he'd see how much I love him and say yes right away.
 228 - And then when he didn't, I thought,
 229 - okay, well, maybe he'll take a couple hours and then say yes.
 230 - But now I think he's only taking so long 'cause he's gonna say no.
 231 - Donna, what if he says no?
 232 - Jackie, if Hyde says no,
 233 - then you and I get a van, and the Sandy Sandals tour America.
 234 - And in a nutshell, that's what it's like
 235 - to be on the debate team at a Catholic high school.
 236 - Yeah, I love Catholic schoolgirls.
 237 - They don't teach sex ed, so they don't know what not to do.
 238 - Yeah, maybe, but I never really got together with any of them.
 239 - Wait, you never...
 240 - Wait, wait, wait, everyone, wait.
 241 - Before you start in on him, let me just say,
 242 - when I was a virgin,
 243 - all I wanted was for one person to say it was okay.
 244 - And no one did.
 245 - Neither will I. Freak!
 246 - Okay, I finally made up my mind about Jackie.
 247 - I'm gonna marry her. I'm gonna be Mrs. Jackie Hyde.
 248 - I think you need one more beer.
 249 - Could be.
 250 - Virgin.
 251 - Man, how do you not have sex
 252 - with all those girls that are always throwing themselves at you?

253 - That doesn't happen to everyone, jackass.
 254 - How dare she give me an ultimatum? This is my life she's messing with.
 255 - She can go to hell. I will see her in hell.
 256 - Maybe one more.
 257 - One more couldn't hurt.
 258 - Eric, I wonder what Donna's doing on her date.
 259 - Oh, you know what, man? I don't care.
 260 - She just wants me to come running after her, and I'm not gonna do that.
 261 - You know what? That is totally the right move, man.
 262 - Plus, it's, like, after 9:00, so if you go over there now,
 263 - you'll probably walk in on her and that guy sliding all over each other.
 264 - And if I know Donna, she's moaning like a ghost.
 265 - Okay, Donna does not moan like a ghost.
 266 - I could make her moan like a ghost.
 267 - You know what, guys?
 268 - I'm a little confused,
 269 - but I do know that I love you guys.
 270 - I really, really do.
 271 - Hey, where'd Kelso go?
 272 - Well, hello, toots.
 273 - Back from your date so soon, huh?
 274 - Used to be you have to buy a girl dinner,
 275 - if you wanted her to slide all over you moaning like a ghost.
 276 - Okay, you know what? I didn't have a date, but I should've.
 277 - - Wait, so you lied? - Yeah, I was pissed.
 278 - I mean, all of a sudden, you're leaving me.
 279 - Well, look, I'm only gonna be gone for a year.
 280 - I don't care. I don't want you to go.
 281 - I mean, you've always been, like, 20 steps away from me my entire life.
 282 - What am I supposed to do without you?
 283 - Look, Donna, this is gonna be really tough for both of us.
 284 - But, hey, you know what?
 285 - The good news is, when I come back,
 286 - we're gonna spend all this time together because,
 287 - you know, you're probably gonna have to nurse me back to health
 288 - from some horrible African disease.
 289 - Look, you know I love you.
 290 - - And we're wasting our time fighting. - I know. You're right.
 291 - We should just enjoy the time we have left.
 292 - Yeah, I'm all for that.
 293 - Well, it's not what I had in mind, but okay.
 294 - Wait, Eric, you're back.
 295 - Where's Steven?
 296 - Uh...
 297 - Okay, he's passed out in the back of a beer warehouse.
 298 - You mean, he's not coming.

299 - He's gonna say no. Oh, my God.
300 - Oh, Jackie, I'm sorry.
301 - What?
302 - I'm too drunk anyway.
303 - All right, you two, where's Charlie?
304 - Look, Dad, not so loud, okay? We had a really rough night.
305 - Oh, I'm sorry.
306 - Where's Charlie?
307 - Who's Charlie?
308 - Last time I saw him, he was on a stack of kegs
309 - claiming Mount Schlitz for the US.
310 - Oh, crap, and he was a good kid.
311 - Now who am I gonna spend time with?
312 - I don't know. Me.
313 - Don't be a smart ass.
314 - Well, it's almost noon.
315 - Guess I gotta go talk to Jackie.
316 - What are you gonna tell her?
317 - I don't know, man.
318 - I'm thinking about letting the El Camino make the final decision.
319 - If it pulls to the left, marriage, pulls to the right, nudie bar.
320 - So you haven't decided?
321 - No, I've decided.
322 - Steven?
323 - Jackie stopped by and asked me to give you this note.
324 - Oh.
325 - It says she took the job in Chicago and she left this morning.
326 - Oh, you poor baby.
327 - You know what? I am gonna turn my back
328 - and let you go into the kitchen and have a beer.
329 - That better be Charlie.
330 - Mr. Forman, is this your daughter?
331 - I don't know who did this to him, but they sure are clever.
332 - They put you in a dress, huh?
333 - Welcome to Point Place.
334 - Listen, Charlie, about last night,
335 - I know you're thinking you're getting picked on a lot.
336 - Hey, I know you guys are just having some fun.
337 - Let me finish.
338 - Around here, I'm the whipping boy, not you, me.
339 - - Okay. - Let me finish.
340 - I do the drinking and I put on the dresses. You got it, hotshot?
341 - - Got it. - Would you let me finish?
342 - I'm finished.

3.24 Episode 24: Short and Curlies (1)

- 1 - Good morning, Mr. Forman.
- 2 - Charlie, didn't recognize you without your schoolgirl skirt.
- 3 - Why don't you go drink another warehouse full of beer?
- 4 - Then you can get out of those uncomfortable boy things.
- 5 - Wow, he came in here,
- 6 - just attacked you and completely ignored me.
- 7 - You must be the one the prophet spoke of.
- 8 - Man, I really got off on the wrong foot with your dad.
- 9 - It'll blow over. How long could he stay mad at a kid, right?
- 10 - You know what? Later on, I'm gonna find him and apologize.
- 11 - I'm sure he'll understand.
- 12 - Yeah. Hey, if you're looking for a good conversation starter,
- 13 - just say we were probably wrong to go into Vietnam.
- 14 - Here's your breakfast, Charlie.
- 15 - Oh, Eric, I didn't realize you still lived here. I thought you left for Africa.
- 16 - No, I've been sitting here for, like, 10 minutes.
- 17 - Then you better get going or you're gonna be late for Africa.
- 18 - Okay, I get it, Mom. You're trying to make me feel bad about leaving.
- 19 - Oh, are you still here? I thought you were in Africa.
- 20 - So, my mom's doing this whole passive-aggressive guilt thing
- 21 - about me going to Africa,
- 22 - which basically just consists of her saying the word "Africa" a lot.
- 23 - Well, I believe that if you want someone to know how you feel,
- 24 - it's better to use the direct approach, like this.
- 25 - - Don't go to Africa, dill hole. - Ow.
- 26 - So, Hyde, speaking of annoying women who hit,
- 27 - - have you heard anything from Jackie? - Nope. That's fine by me, man.
- 28 - I mean, who does she think she is, giving me an ultimatum?
- 29 - "Marry me or I'm moving to Chicago."
- 30 - And then she takes off before I even give her an answer.
- 31 - Well, what's the big deal, man? I mean, she pretty much let you off the hook.
- 32 - Yeah. I mean, you were gonna say no anyway, unless...
- 33 - Oh, my God! You were gonna say yes.
- 34 - No.
- 35 - What? No.
- 36 - Oh, my God. You were gonna marry her.
- 37 - You were gonna marry her because you love her.
- 38 - "Hey, Jackie,
- 39 - "you're everything this poor little orphan boy ever needed."
- 40 - "Oh, my God. I really am."
- 41 - "Oh, my God."
- 42 - Hey, I don't love her. You know what love is?
- 43 - Love is for losers who are too afraid to be alone.

44 - Oh, no, you're thinking of kittens.
45 - Hey, so, I gotta go.
46 - I'm gonna go wrap your going-away present.
47 - Eric, you're the one going away. You didn't have to get me anything.
48 - Yeah, well, I knew you were gonna get me something,
49 - and I didn't want this to be awkward again like, you know, Christmas.
50 - Well, I did get you something.
51 - Oh, crap, I didn't get him anything.
52 - He leaves in three days.
53 - Oh, well, why don't you just get him an ultimatum?
54 - It's free. You don't have to wrap it. It'll totally make him wish he was dead.
55 - Yeah. Well, it's between that
56 - or one of those shirts that makes him look all muscley.
57 - Hanging out
58 - Down the street
59 - The same old thing
60 - We did last week
61 - Not a thing to do
62 - But talk to you
63 - We're all all right
64 - We're all all right
65 - Hello, Wisconsin!
66 - Look at the blanket I got for our new apartment.
67 - I found it in the dumpster.
68 - It's got lots of stains, so it goes with everything.
69 - That is so awesome.
70 - I'm not even gonna ask what you were doing in the dumpster.
71 - - Is Steven here? - No, he went to work.
72 - Oh, but before he left,
73 - he was chucking everything you ever gave him all around the basement.
74 - It was like a hailstorm of stuffed animals and Abba records.
75 - Wait, what are you doing here anyway? I thought you left for Chicago.
76 - Well, I would have, but my mom took the car to Tijuana
77 - and won't be back till Cinco de Mayo, whenever that is.
78 - So, until then, I need you guys to help me avoid the horrors of seeing Steven
79 - so I can figure out a way to get out of here.
80 - Well, that's too bad, 'cause I think I hear him coming down the stairs now.
81 - Oh, my God. What do I do?
82 - Okay. Quick, get down under the blanket.
83 - He's not coming down. I made the whole thing up
84 - and now you're under a stinky blanket.
85 - The stinky blanket burn! That is awesome!
86 - Oh, that is disgusting. Oh, this blanket smells like dog.
87 - That is because when I found it, it was wrapped around a dead dog.
88 - Uh-oh, Jackie. He's coming for real this time. Get down!

89 - Oh, my God!
90 - - I got her! - I got her!
91 - I am gonna kick you both in the nads.
92 - Well, you're gonna have to do it later because here he comes now.
93 - - Oh, well, now I don't believe you. - Okay, then.
94 - Hey, come on in. Good to see you, Hyde. What's going on, buddy?
95 - She did it again!
96 - I hate you.
97 - Oh, man, we could do this all day.
98 - Yeah, I got nowhere to be, man.
99 - I got the best going-away present for Eric.
100 - Okay, a pen and pencil set.
101 - That way, he can write me every day.
102 - Well, isn't that just...
103 - Donna, a going-away gift should be something special,
104 - meaningful, personal.
105 - Okay, like what? Clock radio?
106 - Underwear? Some spoons? Help me.
107 - No, honey, like...
108 - Okay, before Red went to Korea,
109 - I had my sister take a sexy boudoir photograph of me.
110 - I was wearing nothing but a fur coat.
111 - Mrs. Forman, you bad, bad girl.
112 - It was racy.
113 - You could see my knees.
114 - Hey, Eric. We need something to drink.
115 - Our throats are all dry from laughing over Jackie and the stinky blanket.
116 - Jackie and the stinky blanket.
117 - It sounds like a delightful Hardy Boys mystery.
118 - I'll tell you what the mystery is,
119 - why aren't those boys nailing Nancy Drew?
120 - 'Cause she's got glasses.
121 - Mystery solved.
122 - So, I gotta go over to Donna's, get my going-away present.
123 - Man, she is, like, the world's worst gift giver.
124 - Remember that ugly sweater vest and that huge man ring?
125 - Now I gotta go get excited about some other lame thing.
126 - "Oh, wow, Donna, clown shoes. Thank you so much."
127 - I wish I had a beautiful girl giving me clown shoes.
128 - Hell, I'd settle for a beautiful clown giving me girl shoes.
129 - I dated a clown once.
130 - But soon as I learned how to make those balloon animals, I dumped her.
131 - Excuse me, Mr. Forman...
132 - What the hell?
133 - Well, that was exciting.
134 - Mr. Forman, I was looking for you to apologize about the dress thing,

okay?

135 - But then I opened the door and wow.

136 - No, no, I don't mean, "Wow." I mean, "Oh, no!"

137 - No, no, I don't mean, "Oh, no."

138 - Well, what were you doing just standing there?

139 - I was like a deer caught in the headlights. Oh, I said, "headlights."

140 - Red, it was a very awkward situation.

141 - No one knew what to do.

142 - Well, I know what I would do if I saw you naked.

143 - I'd turn and run the other way.

144 - I mean, there is no reason on Earth

145 - for a 19-year-old boy to be staring at a woman your age.

146 - Look, damn it, he's the one in trouble here, not me.

147 - Hey, Kitty, could I have some peanut oil? I'm gonna fry up some jumbo shrimp,

148 - which is a funny name. It's like calling someone a giant midget.

149 - I'd like to see one of those.

150 - Get this, Bob.

151 - Charlie here walked into our bedroom and saw Kitty naked.

152 - How was that?

153 - Well, how do you think it was? It was horrifying.

154 - Excuse me?

155 - So, Mr. Forman, how wrong was it for us to get into Vietnam, huh?

156 - Uh-oh. Jackie, Hyde's coming for real this time.

157 - Quick, drink this old root beer.

158 - You know what? I am so tired of you two lying about Steven

159 - just so you can humiliate me.

160 - Okay, you're right. Let me make it up to you

161 - by offering you this different, not old root beer.

162 - Jackie, Hyde is coming right now.

163 - You know what, Michael? I am sorry,

164 - but I am not playing your little game anymore.

165 - Jackie.

166 - Why aren't you in Chicago?

167 - Why do you smell like a dead dog?

168 - Okay, Donna, I'm ready for my going-away present.

169 - Yahoo.

170 - All right, here I come.

171 - Holy Mother of Skywalker.

172 - You can do whatever you want to Princess Leia.

173 - Her force field is down.

174 - Donna, this is the best... Wait a second, Leia doesn't have a force field. She...

175 - You know what? I'm too excited to quibble. Come here.

176 - I thought you left town.

177 - Why? Because you're so amazing and incredible

178 - that I simply couldn't exist in the same town as you
179 - knowing you couldn't make a commitment?
180 - No, because you wrote me a note saying that you left town.
181 - Oh!
182 - Well, that, Steven, was a metaphor,
183 - a metaphor for the fact that my heart and mind are gone,
184 - but my body is still here,
185 - in this very awkward situation.
186 - Want me to cover you up with the stinky blanket?
187 - Would you guys get lost?
188 - Oh, you want your privacy. I understand.
189 - We're just gonna go upstairs and listen through the vent.
190 - So, what are you doing here, Jackie? You got something you wanna say to me?
191 - Yes.
192 - I wanted to say that I'm leaving for real this time.
193 - So you came back to tell me that you're leaving again?
194 - Yes, but this is goodbye.
195 - All right, I'll see you tomorrow then.
196 - Steven, I'm serious.
197 - So want to hang out next week?
198 - I'm going.
199 - Unless...
200 - Unless, Steven, there's something you'd like to say,
201 - in which case, I'm listening.
202 - Yeah.
203 - Have a good trip.
204 - I will.
205 - Can you guys stand closer to the vent and talk louder?
206 - Wow, so, it's like, I can do anything I want?
207 - Can I touch your buns?
208 - What? You wanna touch my butt?
209 - No, not those buns. You know,
210 - the buns.
211 - Eric, that seems kind of weird.
212 - Yeah. You know what? That is, like, a little weird.
213 - Maybe I'll just rub my face up against one of them?
214 - Okay.
215 - Leia.
216 - Oh, Leia.
217 - Donna, meet me downstairs for fried shrimp in T-minus 20 seconds.
218 - Wear an old shirt. These things are greasy.
219 - Wow, that's almost enough to take you right out of the moment, huh?
220 - Okay, Donna. From now on, the only thing I'd like you to say is,
221 - "Use the force, Eric."
222 - - Okay, that seems kind of... - Donna.

223 - Use the force, Eric.
 224 - Man, and now Mr. Forman is even madder at me since I saw Mrs. Forman naked.
 225 - I mean, doesn't he know I went to Catholic school?
 226 - I don't even know what any of that stuff is.
 227 - Now what exactly did you see?
 228 - And I'm only asking because I find Ms. Kitty attractive in a sexual way.
 229 - I know how you can get back on Red's good side.
 230 - Walk in on him naked.
 231 - No way, man. I do know what that stuff is, and I don't want to see it.
 232 - No, seriously. Look, it's perfect.
 233 - Look, Red assumes that everyone is either a pervert or an idiot.
 234 - - He thinks I'm both. - He thinks I'm both.
 235 - See, and if you walk in on Red naked,
 236 - he's gonna assume that you're the biggest idiot in the world.
 237 - That kind of makes sense.
 238 - You know, you probably hear this all the time, but you're really smart.
 239 - I do hear that all the time.
 240 - Hey, Jackie, how'd it go with Hyde? Did he ask you to stay?
 241 - No. But even if he did, I can't stay,
 242 - because I've got a career waiting for me in Chicago.
 243 - But I am stuck here in this stupid place with no way out.
 244 - Jackie, you know what would help?
 245 - If you eat this dirty Milk Dud.
 246 - Shut up, Fez.
 247 - Jackie, I'm here for you, okay?
 248 - So I'll even give you a ride.
 249 - Really? Michael, that would be great.
 250 - And I won't do anything,
 251 - because frankly, I don't have much to offer.
 252 - You guys smell smoke?
 253 - Everyone out of the house!
 254 - I used too much oil in the Fry Baby.
 255 - The whole kitchen's filled with smoke.
 256 - Bob? Bob, are you okay?
 257 - Yeah, I'm fine, but my shrimp are ruined. So I'm gonna have to eat with you guys.
 258 - I hope you're making something good, Kitty.
 259 - Fire! Fire!
 260 - What the hell is on your head?
 261 - I'm still wearing the helmet, aren't I?
 262 - What did you do to my daughter?
 263 - Nothing.
 264 - I was a perfect gentleman.
 265 - I just squeezed her buns.
 266 - I suggested a photograph,

267 - not a go-go dance from outer space.
 268 - I smell like smoke from Bob's damn fire.
 269 - If Kitty's looking for me, I went upstairs to take a shower.
 270 - Now's your chance to catch Red naked.
 271 - - He's gonna think I'm such an idiot. - Wait, wait, wait, wait, wait.
 272 - Give him enough time to take everything off.
 273 - You don't want to walk in on him wearing nothing but socks.
 274 - That would just make this whole thing weird.
 275 - Oh, boy.
 276 - Get back here, you pervert.
 277 - That boy just can't get enough of me.
 278 - Sorry my present didn't work out.
 279 - Well...
 280 - I mean, we are alone now.
 281 - And I think I know exactly what might get you back in the mood.
 282 - A little romantic music.
 283 - Where were we? Oh, yes, you were a prisoner aboard the Death Star.
 284 - And I am the only stormtrooper with the keys to your laser chastity belt.
 285 - That's in the movie?
 286 - Donna, it's implicit.
 287 - God, I'm gonna miss you, Eric.
 288 - I'm sorry. What was that?
 289 - Use the force, Eric.
 290 - All right, here we are.
 291 - Good luck in Chicago.
 292 - Michael, this is the bus station.
 293 - Yeah. I said I'd give you a ride,
 294 - and then under my breath I whispered, "To the bus station."
 295 - No, no, no.
 296 - No. I can't ride the bus.
 297 - Other people's butts have been on those seats.
 298 - Well, I'm not driving you all the way there. That's, like, two hours away.
 299 - Michael, you put this car in gear and take me to Chicago right now.
 300 - You know what? You haven't changed at all.
 301 - You're still just a spoiled little princess who gets by on her good looks,
 302 - and bitchy demands, and mean and painful pinches.
 303 - Yeah, well, you still don't have any manners.
 304 - A real man wouldn't let the princess ride the bus.
 305 - Well, you know what? You're not even a princess.
 306 - You're just a little bossy boss.
 307 - That's right, Michael. I'm the boss,
 308 - and you're taking the boss to Chicago right now.
 309 - Ahhh! Fine!
 310 - You're always telling me what to do.
 311 - I've missed this.
 312 - Please, Mr. Stormtrooper, I'll do anything you want

313 - if you only spare the planet Alderaan.
314 - Eric, you have a line. We rehearsed this.
315 - Wait a minute.
316 - Fez!
317 - But I just want to touch the buns. Let me touch the buns.

3.25 Episode 25: Til the Next Goodbye (2)

1 - All right, here's your motel.
2 - You're gonna love Chicago.
3 - You never lived near the ocean, but that's all about to change
4 - thanks to good old Lake Michigan.
5 - Yeah, I just wish I knew someone here.
6 - A friendly face, you know?
7 - Don't worry. You're gonna be great.
8 - Oh, boy, I got a long drive back.
9 - You know, that door's kind of tricky. You gotta actually open it.
10 - All right, Jackie, do you want me to stay and get a burger with you or something?
11 - Michael, it's like you're a mind reader. Okay.
12 - Wait. No, keep going. Guess what I want on my burger.
13 - Lettuce, tomato and ketchup put on by a waiter born in America.
14 - Eric, you're gonna love teaching in Africa.
15 - I hear the women walk around with their hoo-hoos hanging out.
16 - Dad.
17 - - So did you get your shots yet? - Wait. What shots?
18 - The vaccines to protect you against exotic diseases.
19 - I had to get them when I was in the military.
20 - You were in the National Guard.
21 - What exotic diseases were you afraid you'd catch,
22 - scaredy-cat-eating-pie- in-a-Jacuzzi fever?
23 - Hey, I'm proud of my service.
24 - Somebody had to stay home and hose down those hippies.
25 - You guys, I leave for Africa in two days.
26 - How come no one told me about these shots?
27 - Oh, goodness gracious, did I forget to give you that letter?
28 - You know, when you get to be my age, sometimes you forget about things.
29 - And sometimes you hide them in the rarely used Mexican soup section
30 - of this gigantic cookbook.
31 - Mom, I need these shots.
32 - Africa is very strict about these things, and they're not strict about anything.
33 - I mean, the women walk around with their hoo-hoos hanging out.
34 - Kitty, you have no right to stand in the way of someone's dreams.
35 - And if you don't let Eric go to Africa,
36 - you'll crush my dream of getting rid of him.

37 - Fine. Eric, I'll give you the shots.
38 - A mother should support her son.
39 - Just know the needles are big as sausages,
40 - and if I miss the mark by even a hair, your heart might explode.
41 - But don't worry. It only hurts till you die.
42 - Hanging out
43 - Down the street
44 - The same old thing
45 - We did last week
46 - Not a thing to do
47 - But talk to you
48 - We're all all right
49 - We're all all right
50 - Hello, Wisconsin!
51 - Hey, Donna, look, there's something really important I need you to do for me.
52 - Eric, I don't care if you're going to Africa. I'm not doing that.
53 - Please don't let my mom plan this fancy send-off for me, okay?
54 - I can just see her planning this embarrassing farewell with, like,
55 - music and banners and, like, doves.
56 - Oh, man, it's good to be home.
57 - Jackie was all depressed and crying
58 - 'cause she didn't have any friends in Chicago.
59 - So I had to lighten the mood with some skee ball.
60 - Jackie hates skee ball.
61 - I didn't take Jackie.
62 - Well, that explains why she's called me four times since she's been in Chicago.
63 - Three of those were to say that she hates my outfit.
64 - How does she know?
65 - Eric? Jackie's on the phone. She wants to talk to you.
66 - Jackie wants to talk to Forman? - Yes.
67 - Now pick up because she's been blabbering for 20 minutes.
68 - And I never noticed it when she was living here,
69 - but she's not that interesting.
70 - Hello? - Hey, Eric? It's Jackie.
71 - Uh-huh.
72 - Look, I just realized you're about to leave for Africa,
73 - and I won't get a chance to say goodbye in person.
74 - That makes me sad.
75 - I mean, you've always been very special to me.
76 - Okay, Jackie, if there's a gun to your head,
77 - say the word "cream cheese."
78 - No, Eric, I'm just gonna miss you is all, okay?
79 - So just take care of yourself in Africa.
80 - Okay. I will.

81 - Wait, you want to talk to who?
82 - You want to tell him you love him?
83 - Well, I don't know.
84 - You guys didn't really leave on the best of terms.
85 - Okay.
86 - Dad, telephone!
87 - I don't know Eric very well, but he seems like a heck of a nice guy.
88 - Eric? Eric is good people. Is good people, yes.
89 - I'll never forget. It was the hottest day of summer,
90 - and Hyde and Kelso dug a hole then covered it with leaves.
91 - And they said, "Hey, Fez, wanna see a pile of dead leaves?"
92 - So, naturally, I ran over.
93 - - What happened? - I fell in and I couldn't get out.
94 - And the sun was beating down. So hot. So hot.
95 - Finally, Eric came over.
96 - And you know what that magnificent boy did?
97 - He poured soda all over me
98 - because that's what friends do.
99 - And then the ants came.
100 - Hey, guys.
101 - Oh, Eric,
102 - about you leaving,
103 - I just want you to know that...
104 - Oh, here comes the waterworks.
105 - - Hey, Hyde, man. - Hey, man.
106 - Listen, I wanted some tunes, so I need to find a record store.
107 - - Leo, you're in a record store. - Whoa, that was fast, man.
108 - - So what are you doing here? - I'm the boss, man, which is ironic,
109 - 'cause I'm also the least-motivated employee.
110 - So if you have a whole record store,
111 - how come you've been kind of mopey lately, man?
112 - I'm not mopey. I'm fine.
113 - Well, where's that loud girl you're always hanging with?
114 - Jackie? She's in Chicago.
115 - Loud girl's in Chicago.
116 - Hey, that's why you're sad, man. You love loud girl.
117 - Maybe I do. You know what?
118 - The only reason I'm admitting that is because you have no short-term memory.
119 - You're gonna forget this conversation when it's over.
120 - Hey, that's not true, man.
121 - Hey, guess what I found out?
122 - - What, Leo? - Loud girl's in Chicago.
123 - Crap, it's almost time for me to go get my shots.
124 - Yeah, why do I have to get shots anyway? So I get Yellow Fever.
125 - I could use a little color.

126 - You guys, this might be our last circle together.
127 - We're growing up.
128 - I mean, these two have jobs, and Eric is off to start his life,
129 - and I'm doing more shaving than ever.
130 - Eric, I know you're scared of getting your shots.
131 - So I'm gonna be a pal and get them with you,
132 - 'cause I owe you for that time that I chucked that dead raccoon at you,
133 - and then it turned out to not be dead.
134 - And then it bit you, and then you kicked it back at me,
135 - and then it bit me,
136 - and then we both had to go and get rabies shots.
137 - Remember, on the way to the hospital, Kelso saw that dog,
138 - and he jumped out of the car 'cause he wanted to go pet it,
139 - but he forgot the car was moving, and he broke his arm?
140 - That was the funniest, bloodiest, most rabies-filled day ever.
141 - Look at us.
142 - Best friends offering to help each other.
143 - You know, we always have to remember this moment.
144 - What?
145 - Upstairs, now.
146 - I am in huge trouble.
147 - I can't believe that is what you idiots have been doing
148 - in my basement all these years!
149 - I wish I had 2,000 feet
150 - so I could put 500 of them in each of your asses!
151 - I'm shocked.
152 - The basement door closes and out come the lighters and the drugs.
153 - And I am sure Donna's down there bouncing around without a bra.
154 - It's like Amsterdam down there.
155 - Did someone shove a vacuum up your nose
156 - and suck out your last, lonely brain cell?
157 - What is going on in your head?
158 - I am so disappointed in you boys.
159 - And here I thought it was my dryer that made our clothes smell funny.
160 - Who taught you how to do this?
161 - Was it those damn Beatles?
162 - All You Need Is Love.
163 - All you need is a job and a haircut.
164 - And you, wipe that stupid smirk off your dopey, dope-fiend face.
165 - Do you know what drugs do to you?
166 - They shrink your brain until one day you wake up,
167 - and you think you're Superman and you can fly,
168 - and then you wind up jumping off the roof in your underpants.
169 - Oh, this idiot doesn't need drugs for that. He does that every Saturday.
170 - Well, this is the worst thing that you have ever done!
171 - Eric, I am gonna make you...

172 - I am going to...
173 - Well, I can't think of anything worse than sending you to Africa.
174 - You're going to Africa.
175 - Hey, Leo.
176 - So, I decided that tomorrow, after I say goodbye to Forman,
177 - I'm gonna go to Chicago.
178 - Hey, loud girl's in Chicago.
179 - You should look her up.
180 - Good idea.
181 - Anyway, what I was thinking is, while I'm gone,
182 - you could run the record store.
183 - It'd be fun, man, like the old days at The Fotohut.
184 - You know, the film place you used to own?
185 - Wait. Was it a little blue house in the middle of a parking lot
186 - with a drive-up window?
187 - Exactly.
188 - I don't remember that at all, man.
189 - Okay, Michael, Eric,
190 - pull your pants down and lean over the table.
191 - I'll go get those gigantic needles.
192 - I just hope somebody remembered to bring them in out of the rain
193 - so they're not all rusty.
194 - Hey, Donna, I'm gonna need you to help me pull my pants off.
195 - Fine. Turn around.
196 - Wedgie.
197 - Oh, I'm sorry. Did you say off? I thought you said up your butt.
198 - I still liked it.
199 - - I can't believe you're leaving tomorrow. - Yeah.
200 - It's kind of weird spending our last moments together
201 - bent over a table with our naked butts in the air.
202 - This is how I always hoped it'd be.
203 - You know, I was gonna say that I'll miss you,
204 - but I'm not a nancy-boy.
205 - You know, Kelso, there's something I want to say to you.
206 - Son of a bitch!
207 - Oh, that hurt like hell.
208 - That was the alcohol swab.
209 - Well, it was freezing.
210 - Well, this is it.
211 - Just have to make it past Mom's farewell ambush,
212 - and then off to Africa.
213 - Actually, Eric, I wanted to talk to you first.
214 - I don't know if you know this,
215 - but I've been looking forward to you getting out of the house for a long
time.
216 - Yeah. I believe your exact words were, "It will be more glorious than

D-day.”
 217 - Yeah. Well,
 218 - you’re my son, and I’m your father, so...
 219 - Here.
 220 - That’s your pocketknife from Korea.
 221 - You said if I ever touched that,
 222 - I’d meet the same fate as hundreds of other godless commies.
 223 - Well, I want you to take it to Africa with you.
 224 - Really?
 225 - Wow, Dad, that means a lot.
 226 - And, Son, I want you to know that
 227 - I’m gonna miss you, and I love you, and have a good trip.
 228 - Wait a second. What did you just say?
 229 - I said have a good trip.
 230 - No, before that.
 231 - You heard me.
 232 - Wow, this feels like one of those moments when,
 233 - you know, normal people would hug.
 234 - Thank you, Dad.
 235 - - So, really, any last-minute advice? - Yeah.
 236 - You lose that knife, don’t come home.
 237 - Surprise.
 238 - It’s just you?
 239 - Donna, this is the best surprise ever.
 240 - So, the Vista Cruiser, huh?
 241 - You know, this is where we had our first kiss.
 242 - I know. I remember.
 243 - - Wow. - Well, it’s gotta last a really long time.
 244 - This is weird.
 245 - I mean, me leaving.
 246 - It’s like it’s real.
 247 - Yeah, but you’re gonna be back before you know it,
 248 - and then we’re gonna have our whole lives to spend together.
 249 - Listen to me, Donna,
 250 - I love you so much.
 251 - You know, you’re my best friend. And I...
 252 - I love you.
 253 - And thank you for not letting my mom plan this, like, going-away surprise thing.
 254 - I love you, too, Eric.
 255 - And I’m sorry.
 256 - - For what? - For this. Okay, guys!
 257 - Surprise!
 258 - Mom.
 259 - You know, who am I kidding? I wanted this.
 260 - Oh, Eric.

261 - Okay, Charlie, I'm gonna put you in charge of this.
 262 - If you ever wanna cheer Fez up, here's a little trick.
 263 - I got you. I got you. Who got you?
 264 - - Who got you? - You do, Eric.
 265 - Okay.
 266 - Here you go, Forman. A little going-away gift.
 267 - Thanks, man.
 268 - Hyde, this bag is empty.
 269 - Yeah, I heard about the stuff they have over in Africa.
 270 - Fill that bad boy up, send it back to me.
 271 - Honey,
 272 - I'm sorry if I smothered you.
 273 - That's just what a mother does.
 274 - But I've accepted that you're leaving, and I'm ready to let you go.
 275 - Oh, Mom.
 276 - Mom, I'm really only allowed one carry-on, so...
 277 - Dad.
 278 - Come on, Kitty. Come on.
 279 - Eric, I'm not real good with words,
 280 - so I thought I'd say goodbye the only way I know how.
 281 - Hit it, boys.
 282 - So long, Point Place.
 283 - Oh, for Pete's sake. Come on.
 284 - So long, Point Place.
 285 - Come in.
 286 - - Hey. - Steven!
 287 - What are you doing here?
 288 - Nothing. I had some free time, thought I'd check out Chicago.
 289 - - How's it going? - Good.
 290 - Hey, do you want to go take a walk, maybe get something to eat?
 291 - Jackie, I checked. No one can see us doing it from the parking lot.
 292 - You're dead.
 293 - I'm nude.

4 That '70s Season how Season 08

4.1 Episode 01: Bohemian Rhapsody (1)

1 - Previously on That '70s Show.
 2 - Whoa. You're gonna take a job and move to Chicago?
 3 - Well, I'm willing to give it all up and stay here with you.
 4 - But if I do that, I need to know we're gonna get married.
 5 - Well, I don't know what to say right now.
 6 - She took the job in Chicago and she left this morning.
 7 - Jackie, I checked. No one can see us doing it from the parking lot.

8 - You're dead.
 9 - I'm nude!
 10 - Mrs. Forman, what a great idea, making a tape to send to Eric in Africa!
 11 - Oh, please, I am full of great ideas!
 12 - When he went to camp, I sent him a huge card with my face on it
 13 - that says, "Mommy loves you."
 14 - Well, it made him miss me so much he begged to come home the very next day.
 15 - Ah, yes, the summer of 1,000 wedgies.
 16 - Eric is going to be so excited to hear some familiar voices.
 17 - Oh! I do Porky Pig.
 18 - That is all, people!
 19 - Is Hyde here?
 20 - No, Michael, you're safe.
 21 - We still haven't heard from Steven since he left Chicago a month ago.
 22 - I don't even know what I'm doing here.
 23 - Hyde could show up any minute and kick my ass.
 24 - I really need a soda 'cause I just ate a whole bunch of salt.
 25 - Why is it so good?
 26 - I don't know. Why don't you ask Hyde? He is right behind you.
 27 - That's not even funny!
 28 - Okay, then, let's start the tape.
 29 - Hi, Eric, it's your mother. I'm here with Donna and Fez.
 30 - Hi, honey! Thank you for the postcard with the monkeys.
 31 - I'm still bananas about you, too!
 32 - Okay, let's see, where to start? Well, your father and I were furious
 33 - when we caught you boys in that smoky basement.
 34 - The minute you left for the airport,
 35 - we went down there to do what the Feds call "a sweep."
 36 - How dare you boys smoke up my house when you know how hard I work
 37 - to keep it smelling lemony fresh!
 38 - You morons just hung vacancy signs on your asses,
 39 - and my foot's looking for a room!
 40 - - Here it is! - Found it.
 41 - Two bags?
 42 - I've never seen those before in my life!
 43 - Your son has a real problem!
 44 - Kitty, I want you to take this garbage and flush it down the toilet!
 45 - I am just glad that we caught you boys before this became an everyday thing!
 46 - Is that all of it?
 47 - Yes, sir, that's all of it.
 48 - Now there is nothing left for us to do but to smoke Candy Land.
 49 - I mean, I mean, play Candysmoke.
 50 - I mean... Ay, no!
 51 - And so I flushed it all down the toilet and everyone learned a lesson.

52 - Why don't you tell Eric what else happened?
53 - - Oh, let me, let me! - Give me that! I'll tell him.
54 - Kitty! I found another one! Kitty?
55 - What the hell?
56 - What do you have to say for yourself?
57 - I'm starving!
58 - Hanging out
59 - Down the street
60 - The same old thing
61 - We did last week
62 - Not a thing to do
63 - But talk to you
64 - We're all all right
65 - We're all all right
66 - Hello, Wisconsin!
67 - I still can't believe Red caught you in the bathroom with the guys' stash.
68 - Someone is getting a tie-dyed apron for their birthday!
69 - No, I just... I wanted to see what all the hubbub was about.
70 - I mean, I was skeptical about Tupperware, and that was life-changing!
71 - Anyway, Eric, I suffered the consequences, your father gave me a very stern talking-to.
72 - Kitty, when we got married, we took a vow
73 - to be together through sickness and in health.
74 - But nobody said anything about what to do if your wife turns into a dope fiend!
75 - You're a nurse, for God's sake! You know this stuff is bad news!
76 - Bad news isn't the half of it!
77 - Here are the facts. When the smoke hits the brain, the cells start dying.
78 - This process causes impaired judgment and hallucinations
79 - and a lot of other wonderful things.
80 - Is it Eric going away? Is that why you used this stuff?
81 - Kitty, if you were feeling blue, you didn't have to turn to drugs!
82 - I would have made you a martini!
83 - What's so damn funny?
84 - Is it the big head thing?
85 - I hardly felt a thing.
86 - You ate a whole box of uncooked spaghetti.
87 - I needed something crunchy.
88 - Anyway, Eric, the day you left, Steven went to Chicago to see Jackie.
89 - When he got there, he walked in on Jackie and Kelso, who were about to...
90 - Get busy.
91 - Have sex.
92 - Do it!
93 - Kelso told us the whole story when he got back the next day.
94 - No, hardly anything happened, okay.
95 - Jackie asked me to stay 'cause she was lonely

96 - and the next thing you know, I'm naked.
97 - And then Hyde shows up and kicks me out the door
98 - and so I had to drive all the way back here in this dress that I found.
99 - All the truckers were flashing their lights and honking their horns.
100 - It was pretty great.
101 - Man, Hyde is going to kick your ass.
102 - I know, I got to get out of here before someone kicks the crap out of me.
103 - You jerk! Jerk, jerk, jerk!
104 - Hey, hey! Watch the face!
105 - That's the paycheck!
106 - Jackie, aren't you supposed to be in Chicago?
107 - Well, I'm here to get Steven back.
108 - Uh, where is he?
109 - He's not here. He took off after he caught you two about to...
110 - Do it!
111 - Oh, my God, this is horrible. I quit my job, I lost my boyfriend.
112 - My whole life is ruined.
113 - Jackie, I'm really sorry about what happened.
114 - I never meant to come between you and Hyde.
115 - Let me ask you one question. Are we back together or not?
116 - Oh, you are just as dumb as ever!
117 - Okay, you know, you can insult me all you want, but just answer the question!
118 - - No! - No, you won't answer the question?
119 - - Why not? - Because we're not together!
120 - That's the reason you won't answer the question?
121 - - No! - Then what's the reason?
122 - And that went on for about half an hour.
123 - Oh, hey, Kitty. I need to borrow some butter or oil. Pretty much anything greasy.
124 - - Are you cooking? - Nope, tanning.
125 - Hey, what's up with the tape recorder?
126 - Oh, I'm making a tape to send to Eric. Here, say hi!
127 - Don't give him the microphone!
128 - What's new, pussycat? Whoa, whoa
129 - What's new, pussy...
130 - Hey, Donna! Boo! Boo!
131 - Dad, just say something normal.
132 - Normal doesn't put asses in the seats, Donna.
133 - For the last time, there are no seats anywhere around you!
134 - Oh, Red, honey, here, say something to Eric!
135 - I'd love to.
136 - Son, I was out in the garage the other day,
137 - I looked down and I saw your old baseball mitt.
138 - And it made me think what I always think.
139 - What a waste of money.

140 - Actually, Eric, you leaving was very hard on your father.
 141 - The next day he just sat around moping.
 142 - I feel like dancing!
 143 - By the way, Eric, we gave some of your toys to the church.
 144 - Give up, Eric? That's a deck of cards hitting a bottle of soy sauce.
 145 - Eric, please come home. You have no idea how much I miss you.
 146 - I miss you, too, honey. I don't think I'll be happy until I see you again.
 147 - - Hey. - Steven's home.
 148 - Okay, Miss Kitty, he doesn't like to be hugged!
 149 - Don't you ever leave me again!
 150 - I spilled my soda... Hyde.
 151 - I don't know what to say, man.
 152 - What about, "Ow"?
 153 - Why would I say, "Ow"?
 154 - Ow!
 155 - I get it!
 156 - Eric, Steven just hit Michael.
 157 - And while I'm very disappointed in Steven for hitting Michael,
 158 - it was very exciting!
 159 - Come on, man, get up.
 160 - Why? So you can deck me again?
 161 - No, actually I'm fine now. Everything I wanted to say was in that one punch.
 162 - Come on.
 163 - It was a good one, too.
 164 - I peed myself a little on the way down.
 165 - I'm going to go change.
 166 - Hyde, where have you been?
 167 - Ah!
 168 - I've been hanging out in Las Vegas, my man.
 169 - And I've learned this,
 170 - you don't want to show up late to a Don Rickles show with puffy hair.
 171 - Well, you could have let us know where you were.
 172 - I was worried sick about you and I am very...
 173 - I got you this.
 174 - A little tiny slot machine!
 175 - It is so cute!
 176 - Steven, you're back! Look, we have to talk.
 177 - About what? How you nailed Kelso?
 178 - No, about our relationship.
 179 - Oh, okay. I'll start. You nailed Kelso!
 180 - You never gave me a chance to explain!
 181 - Because you nailed Kelso!
 182 - Mrs. Forman, start taping! Eric loves it when he screams at her!
 183 - Steven, I never even slept with Michael.
 184 - Yeah, right. Because Kelso is always showing up at my hotel room

185 - naked with a bucket of ice.
186 - You know, this is your fault, too.
187 - Okay, you two, just stop yelling!
188 - Go ahead.
189 - No, forget it.
190 - Well, I guess that's that.
191 - Well, that was horrible.
192 - Yeah, I know. Where the hell is my little tiny slot machine?
193 - Red, can you please just do me a favor and tell Eric you miss him a little?
194 - Oh, fine. Give me the thing.
195 - Eric,
196 - this is a little hard for me 'cause I'm not real emotional,
197 - but I wanted to tell you that your G.I. Joes were killed,
198 - in the great Dumpster War of 1979.
199 - Well, your meatloaf was lost in the great
200 - Make Your Own Dinner War of 19... Today!
201 - Well, Eric, now that I have a second,
202 - I should catch you up on your new friend, Charlie.
203 - Okay. Who brought the beer?
204 - I thought you were bringing the beer.
205 - No, you were beer, I was chips.
206 - - You were beer, I was chips. - Fine. Give me the chips.
207 - I forgot the chips.
208 - You know what I forgot? To stay home.
209 - You guys...
210 - How much do we love this guy?
211 - He's a prince!
212 - Charlie, it is so awesome hanging out with you.
213 - Thanks, guys. It feels so good to finally belong to something, you know.
214 - It's like the first day of the rest of my life!
215 - The beer!
216 - That was a pretty awkward landing.
217 - I hope he's okay.
218 - Yeah, of course he's okay.
219 - It's not like anyone has ever died falling off the water tower.
220 - And so they renamed it the Charlie Richardson Memorial Water Tower.
221 - Jackie, Hyde just needed to blow off some steam. You guys aren't over.
222 - Well, if you won't talk to me,
223 - then maybe you'll talk to Mr. Fluffycakes.
224 - Jackie!
225 - My magical horn senses that you're sad and need someone to talk to!
226 - Great. Now he can't hear you.
227 - Hey, Jackie.
228 - Oh, what do you want?
229 - Man, I feel really bad about the way things turned out.
230 - You and Hyde should be together, okay? Go talk to him.

231 - Look, there is no point, okay?
 232 - I'm starting to think Steven never really wanted to be with me at all.
 233 - This must be how ugly people feel all the time.
 234 - I wouldn't know about the ugly thing.
 235 - But I do know that he does want to be with you.
 236 - Why else would he drive all the way to Chicago to propose to you?
 237 - Wait, what?
 238 - Oh, my God! Steven was going to propose?
 239 - I have to find him!
 240 - Tell you what, that's the last time I want to mess around with a girl with a boyfriend.
 241 - Kelso, your hand is on my butt.
 242 - Come on, he's in Africa!
 243 - You know, Red,
 244 - it really upset me this afternoon when you wouldn't say anything nice to Eric.
 245 - Well, I can see how that would surprise you,
 246 - what with nice things always bubbling out of my mouth.
 247 - Well, it would just mean a lot to me to hear you say how you feel.
 248 - Don't you even miss him?
 249 - Well, let's say I did.
 250 - I still wouldn't feel comfortable saying it on tape.
 251 - Well, would it kill you just to say it to me here in private?
 252 - Oh, fine! I miss him! Of course I miss him.
 253 - He's my son.
 254 - Why do you always make me say things?
 255 - Yeah.
 256 - I should be in the FBI.
 257 - So anyway, Forman, ramble on,
 258 - keep on keeping on, most of all, my friend, rock on.
 259 - You know, I never used to understand that hippie jargon,
 260 - but ever since my "bathroom experiment,"
 261 - I'm cool, man!
 262 - Oh, okay, let me just give you two some privacy.
 263 - - Hey. - Hey.
 264 - Steven, I am so sorry about what happened in Chicago.
 265 - I was alone and I thought I lost you.
 266 - Yeah, well, I can see why you thought that.
 267 - Look, why didn't you just tell me sooner you wanted to get married?
 268 - Because I wasn't sure I wanted to.
 269 - And now that I've thought about it, I'm right, I'm not ready to be married yet.
 270 - Yet? Oh, okay.
 271 - Well, there you have it, Eric,
 272 - Steven's not ready to get married yet.
 273 - Hi, I'm looking for...

274 - Hyde!
275 - Hey, baby!
276 - Hey, Sam.
277 - Who the hell is that?
278 - This is Sam. She's a...
279 - Exotic dancer I met in Vegas.
280 - I'm sorry, what are you doing here?
281 - You don't remember? We got married.
282 - Oh, my God! - What?
283 - One more thing, Eric. Steven married a stripper!
284 - You know, being up here makes me think of our poor friend Billy.
285 - His name was Charlie, you cantaloupe.
286 - Kelso, you've fallen off this thing, like, 10 times.
287 - It's so scary to think you could have, you know, like, met the same fate as Charlie.
288 - Yeah. It's like we go through our life, like, thinking we're invincible, right,
289 - but the truth is, we're totally vincible.
290 - Screw that! I'm invincible!

4.2 Episode 02: Somebody to Love (2)

1 - Oh, my God, what did I do?
2 - You married a Las Vegas stripper.
3 - Congratulations.
4 - With Eric gone, you're the town dumb ass.
5 - Steven, how could you get married and not remember?
6 - It's not like forgetting where you left your keys,
7 - or where you parked your car, or...
8 - Your 10th anniversary.
9 - I don't know what happened.
10 - I mean, Samantha and I hung out for three weeks,
11 - and then one night we got really drunk,
12 - and I remember waking up with a killer hangover
13 - thinking I better get out of Vegas before I do something stupid.
14 - So close!
15 - Here are some pictures of our wedding.
16 - We found this beautiful little chapel called Weddings and Waffles.
17 - Wow, that must have been some wedding.
18 - It's not too often that you see the bride jump out of her own cake.
19 - Oh, man, it's starting to come back to me.
20 - I remember seeing a cross and an altar.
21 - But I thought I was having that Exorcist dream again.
22 - Where's the stripper?
23 - There she is! There's a stripper in the kitchen!
24 - Am I yelling? I can't help it!
25 - Oh, Hyde, you married a stripper! I love you so much, man!

26 - You must be Kelso. I'm Samantha Hyde.
 27 - Oh, my God, you took my name?
 28 - Oh, Steven, you look like you're about to throw up.
 29 - Here, use Eric's "whoopsie" basin.
 30 - Aim for the Snoopy.
 31 - I gotta get out of here. I'm gonna go to the record store.
 32 - Whoa, Hyde, you're, like, freaking out, man.
 33 - You married a stripper! You're living every guy's dream!
 34 - Well, not my dream, my dream's always the same.
 35 - A monkey gives me the finger
 36 - and flaps his lips at me
 37 - and takes off with my clothes.
 38 - Trust me, you don't wanna live that dream.
 39 - What's the store doing closed in the middle of the day?
 40 - Maybe it's Rosh Hashanah.
 41 - Hey, dudes, pull up a pillow.
 42 - Leo, what the hell did you do with my record store?
 43 - Record store?
 44 - You know, now that you mention it,
 45 - this place would make an awesome record store.
 46 - Hanging out
 47 - Down the street
 48 - The same old thing
 49 - We did last week
 50 - Not a thing to do
 51 - But talk to you
 52 - We're all all right
 53 - We're all all right
 54 - Hello, Wisconsin!
 55 - I left you in charge
 56 - and you turned my store into a hippie den for your stoner friends?
 57 - That's not true, man. I don't know any of these people.
 58 - Leo, I am not in the mood for this today.
 59 - Just get these people out of here, all right? I'll be in my office.
 60 - Leo, there's an orgy in my office!
 61 - I can't tell the boys from the girls, it's hair everywhere!
 62 - Man. This is no way to spend Rosh Hashanah.
 63 - I can't believe Hyde.
 64 - I mean, he completely broke Jackie's heart. Who just goes and marries a stripper?
 65 - What are you, dense?
 66 - Anybody who can, that's who.
 67 - Okay, get dressed. We're going out. But it doesn't really matter what you wear,
 68 - because everyone's gonna be looking at me.
 69 - But don't wear that.

70 - Whoa, Jackie. After everything you've been through with Hyde,
71 - you come here and insult me?
72 - You're all better!
73 - Well, I am not gonna sit around moping.
74 - I'm gonna do what every woman does when they hit rock bottom.
75 - You're going to have sex with me?
76 - No.
77 - I'm going to go out and meet some boys, and crush their hearts one by one.
78 - You know, Donna, Eric is in Africa. You must be close to hitting rock bottom.
79 - Not really.
80 - How long does a boy have to wait before one of you floozies hits rock bottom?
81 - Oh, Samantha. You're painting your toes in the kitchen.
82 - That's funny because I was just making meatloaf in the bathroom.
83 - Sorry. Hyde told me how much he likes painted toes.
84 - He told me some other things he liked,
85 - but I said, "Hey, I'm a stripper, not a contortionist."
86 - Well, isn't that just more than a mother wants to hear.
87 - Okay, so, I'm curious.
88 - What is your act like? Do you sing?
89 - No, I just dance.
90 - Oh. Well, when I was younger, I took tap. Do you do tap?
91 - No. But funny you should mention it, I strip to Taps.
92 - You mean the song they play when an army man dies?
93 - Yeah. It's my tribute to our armed forces.
94 - I wave the American flag, and then, for the big finish,
95 - I give a salute, and then I smack my fanny.
96 - Sorry, I...
97 - No, I'm sorry. This thing has a mind of its own.
98 - Red, I'm not sure how I feel about having a stripper stay in our home.
99 - It's... What's the word? An abomination!
100 - I don't think Steven even knew what he was doing when he married her.
101 - It sounds like he was as schnocked as you were on St. Patrick's Day.
102 - Okay, well, that green punch sneaks right up on you.
103 - I think Steven has made a huge mistake.
104 - But what are we gonna do? Kick Sam out?
105 - Oh, we will do no such thing.
106 - You will.
107 - Oh, fine. But the next time you hit a deer,
108 - you're the one putting it out of its misery with a tire iron.
109 - Well, well, another day in the life of a Point Place police officer.
110 - I just confiscated a whole box of lighters, paraphernalia and illegal substances.
111 - Nice work, Officer.
112 - Ah, we're hooked up for two months.

113 - So, what do we do now?
114 - Man, I think I'm gonna have to fire Leo. He almost put me out of business.
115 - I just wish there was a good way to do it.
116 - This is definitely gooder.
117 - "Gooder?"
118 - Yeah, that's a word.
119 - Leo, I left you in charge of the store and you let me down, man.
120 - So, I'm sorry to have to say...
121 - You're fired, man!
122 - I think the word you're looking for is "fried," man.
123 - And I am.
124 - No, no, man, I mean you're fired!
125 - That's even funnier, man.
126 - And I totally deserve it.
127 - Yeah, and you're under arrest, too.
128 - What?
129 - No, I'm just kidding. These handcuffs don't even work. Look.
130 - Wait, these are the ones that do work.
131 - Hey, I saw this "Help Wanted" sign outside. Are you still looking?
132 - Uh...
133 - Leo, were you trying to hire somebody?
134 - No. Yesterday, I was having a hard time opening up a jar of pickles,
135 - so I put the "Help Wanted" sign up.
136 - You're too late, man, I found something else to eat.
137 - Why do they make the lid so tight? It's just pickles!
138 - So you're not hiring?
139 - That's a bummer. 'Cause I gotta say, if this is your idea of a staff meeting,
140 - I'd work my butt off!
141 - What the hell, man, I'm in a giving mood right now.
142 - You can have the job and do all the work that Leo wasn't doing.
143 - And, Leo, I can't fire you, man. You're too awesome.
144 - New guy, you're hired. Leo, you're not fired. Jobs for everyone!
145 - Well, that was hard, but it had to be done.
146 - Whoa, Jackie, that is quite an outfit.
147 - Does it come with a pimp?
148 - Donna, this is my man-catcher dress.
149 - It's scientifically designed to make men want me
150 - while at the same time knowing they could never really have me.
151 - Oh, everyone loves a tease.
152 - Oh, he's cute and smiling.
153 - I'm gonna go make him wish he was dead.
154 - Can I ask you a question?
155 - Yes, I'm available.
156 - But not to you! Ha! Burn!
157 - Oh, my God, that was so much fun. I wanna do another one.
158 - Actually, I just wanted to know your hot blond friend's name.

159 - Oh, I don't have a hot blond friend.
 160 - I'm just here with Fez and Donna.
 161 - - Donna? Thanks. - Wait, wait. What? You like Donna?
 162 - She reads books for fun!
 163 - Hi, I'm Mark.
 164 - Wow, you have one of the prettiest smiles I've ever seen.
 165 - Oh, thank you.
 166 - Well, the secret is to brush with baking soda.
 167 - Actually, I was talking to Donna. Wow, you are just gorgeous.
 168 - - Really? - Yeah.
 169 - You know, Donna means "lady" in Italian and belladonna means "fine lady"
 170 - and you... You are definitely one fine lady.
 171 - What's Italian for "keep going"?
 172 - Wanna play a little pool?
 173 - Oh, I'm sorry, I can't. I have a boyfriend.
 174 - He's in Africa.
 175 - Well, he is just missing out on how beautiful you look.
 176 - Italian.
 177 - Can you believe that?
 178 - Ah, don't worry. You still got me.
 179 - Hi, I'm Kim. Dance with me.
 180 - So long, lame-o!
 181 - Hey, Samantha, you should have seen your dopey husband today.
 182 - He was supposed to fire Leo,
 183 - but then he wussed out and hired a new guy, too.
 184 - It's like the time I went to break up with this chick,
 185 - and I ended up doing it with her and her mom.
 186 - I understand why you couldn't fire anyone.
 187 - On the outside you're rough and cynical, but underneath it all,
 188 - you're just a sweet, curly-haired boy who likes to be tickled.
 189 - Really?
 190 - Kelso, if you try to tickle me, I swear to God,
 191 - I'll rip off your arm and tickle the bloody hole with your own hand.
 192 - You'll figure out what to do, honey, you have great instincts.
 193 - You have a great butt, too, but that's a whole other thing.
 194 - She is awesome.
 195 - Hey, Sam, let me ask you a question about being a stripper.
 196 - Can I see your boobs?
 197 - Oh, Samantha. You're here.
 198 - Did Red talk to you, by any chance?
 199 - Mr. Forman? No. Why?
 200 - Oh. Well, um...
 201 - What's that? Be right there, Eric!
 202 - Then my psychiatrist said the reason I always want sex
 203 - is because I never got approval from my parents,

204 - so I'm trying to find it somewhere else.
 205 - Do you think he's right?
 206 - Dear God, I hope so.
 207 - Who does that guy think he is, rejecting me like that?
 208 - I am the hottest girl here. Right, Fez?
 209 - Hey, you! Mark, is it? Yeah.
 210 - I don't know where you're from,
 211 - but I'll have you know, I am the catch of Point Place.
 212 - That's true. That's how she signed my yearbook.
 213 - Hey, come back here! Nobody ignores Jerky Backhart!
 214 - I am adorable, I am engaging, and I'm damn likeable!
 215 - And if you're too stupid to see that, then I feel sorry for you.
 216 - 'Cause if anyone should be the center of attention here,
 217 - it's me.
 218 - Jackie!
 219 - What the hell's a "boobs out"?
 220 - Okay, your turn.
 221 - Ah, Samantha, there you are. Good.
 222 - Hi, Mr. Forman. I was just unpacking.
 223 - Aren't these cute?
 224 - I mean, you can't tell like this.
 225 - You have to picture them like this.
 226 - Plus they hold dollar bills in place better than anything I own.
 227 - I'm going upstairs to find you a wallet!
 228 - Hey, Randy, come here. I gotta talk to you.
 229 - Yeah, sure, but check this out first. See these guys over there?
 230 - They think Leo is an Allman Brother.
 231 - - Why would they think that? - I told them!
 232 - Whoa, Leo is an Allman Brother?
 233 - No, man. We were overstocked with Allman Brothers albums.
 234 - So I figured meeting one of the guys from the band
 235 - would put people in a buying mood.
 236 - And it totally worked!
 237 - And Leo's up for this?
 238 - Oh, he has no idea what's going on.
 239 - I mean, at all. He's really out of it.
 240 - You know, now that you mention it, if we give him a hat and some sun-
 glasses,
 241 - we could probably use him to move some ZZ Top.
 242 - Yeah. Your friend here might be pretty enough to pass off as Cher.
 243 - Yeah.
 244 - That's not a bad idea, Andy Gibb.
 245 - So what did you want to talk to me about?
 246 - Oh.
 247 - Well, I guess I just wanted to congratulate you
 248 - on your new job here at the record store.

249 - I name you senior vice president in charge of scams.
250 - All right, man!
251 - Man, I can't fire Leo. He's like a father to me.
252 - Well, like a friend.
253 - Well, he's like a guy who's always got a lighter.
254 - Whoa. So if you're not gonna fire Randy, and you're not gonna fire Leo,
255 - I got a question.
256 - Can I see your wife's boobs?
257 - Hey, guys, guess what?
258 - One of the Allman Brothers is here.
259 - This new guy Randy is awesome. Today he was looking over the records,
260 - and he figured out it would be easier to find things
261 - if we just alphabetized them.
262 - Hey, do you know what you were doing just now?
263 - No, what?
264 - Telling your wife about your day. Pretty cool, huh?
265 - Didn't suck.
266 - Oh, good. You're both here.
267 - We want to talk to you about your marriage.
268 - Steven, I've come to think of you as a son,
269 - and so I want to give you some honest, heartfelt advice.
270 - Get your head out of your ass.
271 - You two barely know each other.
272 - Not to mention the fact that I saw a TV movie
273 - where someone like you moved in and killed the whole family.
274 - Steven, honey, if this isn't what you want, you should say so now.
275 - Yeah, you should.
276 - Hyde, if you don't want me here, I'll pack up my things and leave tonight.
277 - No, man, it's cool.
278 - Okay, then.
279 - Oh, she's staying.
280 - Well, I guess I'll go set an extra place at the table for stripper...
281 - Supper!
282 - You're never gonna believe this. I drove here this way.
283 - Jackie, will you please come out? I don't even think anyone saw you.
284 - Oh, my God!
285 - I'm sorry about my friend, she's a little prudish.
286 - And not as free with her body as I hope you will be.
287 - Ready to go, baby?
288 - Hey, buddy, the only guy she is leaving with is me.
289 - Unless you just wanna do it in the bathroom,
290 - then we can leave separately.
291 - Fez, there's something I need to tell you.
292 - Mark and I are married.
293 - What?
294 - Yeah, we come here every weekend, watch each other hit on strangers.

295 - It makes for some ultra hot action when we get back home.
 296 - Wait, yeah, Eric and I tried that once. I got three phone numbers
 297 - and he got the high score on Space Invaders.
 298 - Wait, you do this every weekend? You shower some poor loser with affection
 299 - and then toss him aside when you're done?
 300 - Yeah.
 301 - See you next weekend.
 302 - Well, I gotta say, Sam is pretty cool.
 303 - Yeah?
 304 - Yeah. Yesterday for no reason at all,
 305 - she grabbed a beer out of the fridge and just, like, gave it to me.
 306 - I mean, what's that all about?
 307 - Maybe that's what husbands and wives do for each other?
 308 - Craziest damn thing I ever saw.
 309 - Uh, Steven, I just wanna let you know that we're through.
 310 - If you're gonna go off and marry someone you don't even know,
 311 - then we can't be together anymore.
 312 - Okay. Well, I guess you always have Kelso to fall back on.
 313 - Or Fez.
 314 - Hey, what? Did I hear my name?
 315 - Are Jackie and I going to do it? Can somebody tell me what's going on?
 316 - Steven, I have been so stupid for so long.
 317 - I tried to force Michael to marry me, I tried to force you to marry me.
 318 - And last night, I threw myself at some unavailable creep I didn't even like.
 319 - Well, now you've hit a new low.
 320 - Throwing yourself at some guy on Rosh Hashanah.
 321 - So you know what? I am done making an ass of myself for you.
 322 - Or any other guys.
 323 - In fact, I'm done with guys completely.
 324 - Hear that, Hyde?
 325 - We screwed her up so bad she's switching to chicks!
 326 - How awesome are we!
 327 - So I was thinking about you all week,
 328 - and how cute and flustered you looked when I kissed you.
 329 - I really liked that.
 330 - Yes, me, too.
 331 - You know what, this is too creepy. Even for me.
 332 - Enjoy your sick lives together.
 333 - No, sorry about that, I don't even know what that was about.
 334 - Where were we?

4.3 Episode 03: You're My Best Friend

1 - I still can't believe our little Hyde went off
 2 - and married a Las Vegas stripper.

3 - Yeah. Now we have to get him a present.
4 - What says, "Congratulations on your wedding, I want to nail your wife"?
5 - Oh, we should get him one of those big electric knives!
6 - Those suckers will cut right through your hand.
7 - Can I help you?
8 - Leo, it's me, Randy. I got hired last week? We drove in together?
9 - Oh, yeah, Frankie!
10 - Randy!
11 - No, it's Leo.
12 - Hey, Sam, this is Randy.
13 - Randy, this is my wife Samantha.
14 - Wife? I didn't know you were married.
15 - Yep, they said it wouldn't last,
16 - but we're going on six days now.
17 - Hey, we've got to throw you a killer bachelor party!
18 - No, absolutely not.
19 - If I want to spend money on a stripper, I'll take Samantha shopping.
20 - Hey, I hope you guys are comfortable
21 - getting turned on in front of each other.
22 - Yeah, okay. I don't mind, I guess.
23 - Great! 'Cause we are throwing Hyde a bachelor party!
24 - Bachelor party? That is awesome!
25 - Okay, the first guy that throws up has to pay for everything!
26 - No, wait, that's always me.
27 - Uh, okay, the second guy... Ah, that's me, too.
28 - Awesome! I'm paying!
29 - All right, Fez, you, find a place,
30 - Kelso you buy the beer, and Leo,
31 - you're in charge of the adult entertainment.
32 - Okay, man. But I haven't stripped since I was at Chippendales.
33 - You were not at Chippendales.
34 - Oh, right. I stripped in Bloomingdale's.
35 - I used to be really kinda out of it.
36 - Hanging out
37 - Down the street
38 - The same old thing
39 - We did last week
40 - Not a thing to do
41 - But talk to you
42 - We're all all right
43 - We're all all right
44 - Hello, Wisconsin!
45 - Ah.
46 - Bad news, Kelso, we can't have the bachelor party at our place.
47 - Our landlord said he'll evict us
48 - if we have any more crazy parties.

49 - How was I supposed to know that racoon had rabies?
50 - Why don't we have the party here?
51 - Hey, that's not a bad idea.
52 - I just have one question. Who the hell are you?
53 - I'm Randy, I work at Hyde's record store.
54 - Go to college part-time. Manage bands.
55 - If you name a city, I can tell you the time zone.
56 - Boise. Mountain.
57 - Impressive.
58 - Okay, Kelso, you'll be in charge
59 - of getting rid of the Forman's.
60 - That'll be easy.
61 - Without starting a fire.
62 - Why don't you just handcuff me and throw me in a well, Donna!
63 - Uh, okay, Mrs. Forman is a woman,
64 - which means that she used to be a chick.
65 - So therefore, I will just play on her insecurities.
66 - Kelso, I really doubt you can pull that off.
67 - Sure, I can, Mr. You're-Never-Gonna-Lose- Those-Love-Handles.
68 - I stand corrected.
69 - Okay, now, the best thing about a bachelor party
70 - is tricking the guy into thinking something bad is gonna happen
71 - and then taking him someplace great!
72 - I thought the best thing was making women who normally hate you
73 - pretend to like you because you have a dollar.
74 - What a wonderful tradition.
75 - So what we need is a crazy way to get
76 - Hyde here without him expecting anything.
77 - Wait a minute, I'm a cop!
78 - Yeah! Me and Fez will be in the El Camino
79 - with Hyde, you pull us over, arrest us
80 - and bring us to the party in a police car!
81 - No! I left my gun at the playground!
82 - Hey, Donna! Sorry I'm late.
83 - I didn't want to come over till all
84 - my other options for tonight fell through.
85 - Good to see you, too, Jackie.
86 - I just figured since the guys are throwing a party for Hyde
87 - that we should have our own girls' night.
88 - Well, as long as it isn't a pity party.
89 - Because I am completely over Steven.
90 - God, I can't wait till we can sit around
91 - and trash that skanky stripper he married.
92 - Donna, why does all the food in the kitchen
93 - have a "Property of Bob" sticker on it?
94 - Oh, hi, Jackie!

95 - I can't believe you invited the whore!
96 - Who are you calling a whore?
97 - Well, I only see one whore here.
98 - Girls' night. Yeah!
99 - Hi there, Miss Kitty!
100 - Oh, hi, boys!
101 - Hey. So, Saturday night,
102 - you and that husband of yours got any big plans?
103 - Well we sure do.
104 - First he's taking me on The Love Boat
105 - and then he is taking me to Fantasy Island.
106 - Ze plane, ze plane!
107 - I love that guy, he is so little.
108 - So you're staying home again. Sounds to me like your marriage is dead.
109 - What? Our marriage is fine.
110 - Oh, please!
111 - Red's got you working harder than
112 - a hot dog salesman at a fat guy convention.
113 - You know, when was the last time that Red
114 - took you out for a night on the town?
115 - Well,
116 - a couple of weeks ago he took me to the movies
117 - and then when it was over he came back and he picked me up.
118 - Mrs. Forman, Red needs to take you out tonight.
119 - On a real date, that lasts at least, what,
120 - three, three-and-a-half hours?
121 - You know what? You're right.
122 - Kitty! What's for supper?
123 - Well, that's up to the chef at Frenchies.
124 - We're going out tonight and I'm getting
125 - the most expensive thing on the menu.
126 - The six-dollar steak?
127 - Kitty, we're in a recession!
128 - Boy, Red, that woman is testy.
129 - Stay out of it, chubby.
130 - I'm retaining water!
131 - Fez, I'm sick of driving you around
132 - just because your belly has got the rumblies!
133 - Hey, there is Kelso's cop car.
134 - Let the party begin.
135 - What?
136 - Step on it, grandma!
137 - What are you doing, man? Get off my foot!
138 - This is unbelievable!
139 - Ah, man, just what we needed, getting pulled over by a cop.
140 - Yeah, this is gonna ruin the whole evening.

141 - License and registration.
142 - Surprise, Hyde! Who the hell is that?
143 - Get out of the car, sir.
144 - Uh, Fez.
145 - I know you said all us white people look the same,
146 - but that is not Kelso.
147 - Oh, I know what is going on here.
148 - If Kelso pulls us over, then Hyde will be suspicious.
149 - So he sent another cop to make the joke more realistic.
150 - Oh, Kelso, you beautiful genius.
151 - Nice job, Fez, you just got me a ticket.
152 - Ah, starting off slow with a ticket, huh? Nice touch!
153 - I'll take that.
154 - Fez, what are you doing?
155 - Sir, give me back that ticket before you...
156 - Before what? It starts to snow?
157 - Okay, that's it!
158 - What are you gonna do, piggie? Throw us in jail?
159 - He threw us in jail.
160 - Fez, I don't know why you are smiling, but I promise you won't be
161 - when I sell your ass for a pack of cigarettes!
162 - First of all, this ass is worth at least a carton.
163 - And second of all, welcome to your bachelor party!
164 - A bachelor party has beers and topless ladies.
165 - This place has iron bars and a bum
166 - wearing no pants sitting on my jacket.
167 - That is not a cushion!
168 - Fez, I don't think this is part of the bachelor party.
169 - They fingerprinted us!
170 - Well I don't know. Maybe that's how the strippers
171 - know what to charge.
172 - You know, at the end of the night,
173 - they count the fingerprints on their boobies and they know who owes what.
174 - Dude! You are scarily optimistic!
175 - Something clearly got messed up!
176 - Trust me, this is all part of Kelso's plan.
177 - I guarantee you he is on his way over here right now.
178 - You know, the thing about being a cop is,
179 - we may look like normal people,
180 - I mean, I don't, obviously,
181 - but we have to go through rigorous training
182 - to be able to withstand any kind of mental, physical, or emotional pain.
183 - Ah, brain freeze!
184 - Make it stop! Make it stop!
185 - Donna, how could you invite the stripper here?
186 - This is supposed to be girls' night, not girls, girls, girls night.

187 - Samantha, you'll have to excuse Jackie.
188 - She has a speech impediment that makes everything sound bitchy.
189 - It's okay, Donna.
190 - This isn't the first time I've had to deal with an angry ex-girlfriend.
191 - Or wife. Or mother. One time it was some guy's boyfriend.
192 - That was just weird.
193 - So, um, tell me, what are you gonna do
194 - with all your stripper money, huh?
195 - Buy back your self esteem?
196 - Actually, I bought a Trans-Am.
197 - Ooh, a slut-car!
198 - Okay, stop! Jackie,
199 - you and Samantha are gonna have to learn to how to get along.
200 - Mostly because I don't like being
201 - the cream filling in your Oreo of bitchiness.
202 - Oh, so what, all of a sudden your happiness is more important than mine?
203 - You are so selfish!
204 - No, it's just that unlike you, I don't think Samantha
205 - is the worst piece of trash to ever walk the earth.
206 - You traitor!
207 - Jackie! Come on!
208 - So, what color is your Trans-Am?
209 - Powder blue. That's freakin' awesome!
210 - See now, wasn't it great to get out for a change?
211 - We had a good meal, nice conversation
212 - and look, we stayed out past 9:00!
213 - It's like New Year's Eve!
214 - How about that dopey waiter that flambeed his tie?
215 - Yeah, those French bastards should stick to what they're good at.
216 - Baking bread and losing wars!
217 - Surprise! Surprise!
218 - What the hell?
219 - Happy bachelor party, Steven!
220 - Who is this?
221 - That's my wife!
222 - Well, she can watch, but that's extra.
223 - I can't believe you guys got me thrown in jail.
224 - It feels so fake, like I didn't earn it.
225 - Guys, I'm starting to think this might not
226 - be part of the whole bachelor party plan.
227 - Unless she is a stripper.
228 - You know what? She might be.
229 - Why don't you tell her to shake it?
230 - You know, it's so nice to finally have someone on my side!
231 - Hey, baby, why don't you rip off that phony uniform
232 - and start shaking your moneymaker?

233 - Are you talking to me?
 234 - That's right, momma!
 235 - First of all, I'm not your momma.
 236 - And if you ever talk to me like that again,
 237 - I will pull your skinny ass through these bars
 238 - and find 50 new ways to use my nightstick!
 239 - I don't know if she's a stripper,
 240 - but she sure knows how to turn a boy on.
 241 - Kelso! Where the hell have you been?
 242 - There was an emergency at the ice cream stand.
 243 - They hired a new girl and she's super cute.
 244 - Yeah, guys, so I'm loving spending my bachelor party in jail.
 245 - What are you guys gonna do for my birthday?
 246 - Set me on fire, push me off a cliff?
 247 - I'll take care of this.
 248 - Ah, listen, Sergeant, ah, I think there was, like, a big misunderstanding.
 249 - See, I was supposed to arrest these guys on trumped-up charges
 250 - and then take 'em to a bachelor party in the police car
 251 - and then we were gonna watch some strippers dance and get drunk.
 252 - But I was totally gonna be back by the end of my shift.
 253 - Isn't that hilarious?
 254 - That lady has no sense of humor.
 255 - I want all of you people out of my house, now!
 256 - Hey, we're not going anywhere until we get our money.
 257 - I got an unemployed husband to feed.
 258 - Leo, pay these women.
 259 - I don't have any money, man.
 260 - All I have is a ticket for the 1964 World's Fair.
 261 - One more year, I can't wait!
 262 - Well, I'm all out of money since
 263 - big spender, here, had to get the salad bar.
 264 - Well, for heaven's sake, Red.
 265 - I'll just write the girls a check
 266 - and the boys can pay us back later.
 267 - Fine. It's 100.
 268 - *Well, clearly I am in the wrong profession.*
 269 - *Does Jackie do this a lot?*
 270 - *I just run off and lock herself in her room when she gets mad at you?*
 271 - *Huh. Not always.*
 272 - *Sometimes she just tells people I'm four months pregnant.*
 273 - *How can you be friends with her?*
 274 - *Well... See the thing about Jackie, is...*
 275 - *See, it's like...*
 276 - *Um...*
 277 - *Okay, look, here's the thing.*
 278 - *Jackie and I have been through a lot together.*

279 – *And, well, she's my best friend.*
 280 – *Did you mean that Donna? Am I really your best friend?*
 281 – *Yeah, of course!*
 282 – *Hah! Stuff that up your G – string and smoke it.*
 283 – *Well, you might have stolen my boyfriend,*
 284 – *but you're not gonna steal Donna.*
 285 – *So get out, stripper.*
 286 – *You get out!*
 287 – *Well, you get out times two!*
 288 – *You get out times infinity!*
 289 – *You get out times 10.*
 290 – *Okay, you both made some really good points.*
 291 – *But now I think we should sit down*
 292 – *and talk like intelligent adults.*
 293 – *My Trans – Am is gonna be orange with wings*
 294 – *and wheels made of fire. And when you slam on the brakes,*
 295 – *a parachute shoots out of the back with*
 296 – *my picture on it and I'm flippin' you off!*
 297 – *Donna, this party was such a good idea. You know what I love?*
 298 – *Watching this airhead stripper*
 299 – *wasting away her last remaining brain cells.*
 300 – *You know what I love? Your old boyfriend!*
 301 – *Wait, I just realized something. I think I hate you!*
 302 – *That's so lucky, because I hate you, too!*
 303 – *But, I'm gonna put up with you for Donna's sake.*
 304 – *'Cause she doesn't have very many friends!*
 305 – *That's not true, Jackie. I have a ton of friends.*
 306 – *There's...*
 307 – *Oh, there's that one girl who... No!*
 308 – *Listen, Hyde, I'm sorry about this mess, man.*
 309 – *But you can't get married and not expect*
 310 – *your buds to throw you a party.*
 311 – *I mean, your life is over, we gotta celebrate!*
 312 – *Yeah. Where were you guys gonna take me, anyway?*
 313 – *The Forman's.*
 314 – *Huh. Where I live.*
 315 – *Yeah, I can see why you needed a elaborate plan to get me there.*
 316 – *All right, since Officer Kelso is responsible for this,*
 317 – *the rest of you are free to go.*
 318 – *It's not your fault your friend is a complete moron.*
 319 – *Well, that's true. You can't choose your friends.*
 320 – *Don't worry, Kelso, we're your buddies, we're not gonna leave you.*
 321 – *Well, I hope he gets out soon.*
 322 – *We only have those strippers for another half hour!*
 323 – *I'll see you in hell!*
 324 – *Let the fiesta of flesh begin!*

325 – *I know!*
 326 – *How dare you invite strippers into my home.*
 327 – *The whole place smells like strawberries and baby oil.*
 328 – *You idiot stricked me and Kitty*
 329 – *into going out and having a good time.*
 330 – *Do you know how furious that makes me?*
 331 – *Sir, if I could just explain.*
 332 – *Who the hell are you?*
 333 – *I'm Randy and I just wanted to say I'm sorry.*
 334 – *We tried to do something nice for*
 335 – *our friend and things got really out of hand,*
 336 – *but I apologize for any disrespect that we may have shown you.*
 337 – *Well, Randy, I'm impressed*
 338 – *that something so articulate could come out of such a dumb ass!*
 339 – *And, you! You owe me 100!*
 340 - Fine. But you better put on one hell of a show.
 341 - Why is it all in 1 bills?
 342 – *Because that's how you pay strippers.*
 343 – *I was in the war, for God's sake!*
 344 – *You guys are not gonna believe this. I was fired!*
 345 – *I'm off the force.*
 346 – *Man, if only I had said I didn't want a bachelor party*
 347 – *maybe none of this would have happened.*
 348 – *Oh, well.*
 349 – *Oh, it was humiliating.*
 350 – *They took my badge and they took my gun*
 351 – *and then when I went to say goodby to the police dog,*
 352 – *I accidentally shot him.*
 353 – *There is only one thing that would cheer me up tonight.*
 354 – *A strip club?*
 355 – *You freaky little mind reader!*
 356 – *Let's go, I'll drive. We'll take my cop car.*
 357 – *Wait, you didn't have to turn that in?*
 358 – *They didn't even ask!*
 359 – *All right guys, sit back and enjoy the show.*
 360 – *Uh, Leo, when does the show start?*
 361 – *This is the show, man.*
 362 – *Where's the stripper?*
 363 – *What do we need a stripper for? We got a giant cake!*

4.4 Episode 04: Misfire

- 1 - So, thank you for celebrating our 25th anniversary with us.
- 2 - You know, nothing makes me appreciate my beautiful wife
- 3 - more than a room full of people
- 4 - that I don't like as much as her.

5 - Okay, my turn.
6 - Mr. and Mrs. Forman, your long and happy marriage
7 - got me thinking about my future.
8 - And when I think about my future
9 - there is always someone special in it.
10 - I mean, besides me.
11 - So, in front of all the people that I love,
12 - Jacqueline Burkhart, will you marry me?
13 - Hanging out
14 - Down the street
15 - The same old thing
16 - We did last week
17 - Not a thing to do
18 - But talk to you
19 - We're all all right
20 - We're all all right
21 - Hello, Wisconsin!
22 - Look at this, Red, what is more beautiful
23 - than a sweaty broad doing your laundry?
24 - How about a smart-mouth foreigner
25 - gasping for air as I hold his head in the toilet?
26 - Oh, here, let me take that for you, sweetie!
27 - Oh! Oh, I am so light-headed!
28 - I don't think I can clean out the lint trap.
29 - Well, it could cause a fire.
30 - Wow, Mrs. Forman.
31 - You and Mr. Forman seem happier than I've ever seen you
32 - in the two times I've ever seen you.
33 - Well, that's because it's our 25th anniversary in two days.
34 - Oh, 25 years? Man if you guys were dogs, that would be like...
35 - Twenty-five dog years.
36 - Anyway. I'm throwing a surprise party, but don't tell Red.
37 - Ever since Pearl Harbor, he has hated surprises.
38 - Hey, I won another free Pepsi!
39 - You always win! I never win! I wish you were dead!
40 - Oh. That was a dark place.
41 - Okay, I'm working on a new bit for my act.
42 - What is sexier? This genie costume,
43 - or my naughty stewardess outfit?
44 - Sam, what did I tell you about parading
45 - around half-naked in front of my friends?
46 - If you're gonna do it, you gotta charge 'em.
47 - Man. It's like everyone is so happy lately. Except for me.
48 - I mean, the Forman's have their anniversary party,
49 - Hyde is married to a half-naked girl.
50 - What do I got? Nothing! Except for this little plastic dinosaur.

51 - You know, when I'm down, I try to think
52 - about the happiest times of my life.
53 - Like when Hyde's wife came out here in that genie outfit.
54 - The happiest time of my life was when I was with Jackie.
55 - What are you talking about?
56 - She was always yelling at you, hitting you,
57 - telling you what a moron you are.
58 - You might as well have been dating me.
59 - Oh, man, I was really in love with her.
60 - And then I blew it. And then she blew it.
61 - And then I blew it again.
62 - I don't know who blew it last, but I'm definitely winning!
63 - It sounds like you guys had a real on-again, off-again,
64 - on-again, off-again, on-again, off-again relationship.
65 - Wait, that's it! That's why I'm not happy!
66 - Because the girl I should be with is
67 - right in front of me and I'm not with her!
68 - I should be with Jackie! No, I should marry Jackie!
69 - What? I love weddings.
70 - Dad, it's 4:00 in the morning. What are you doing up?
71 - Spending a little time with the Colonel.
72 - So why are you up?
73 - Eric's calling from Africa.
74 - You know, I never realized how nerdy he was
75 - until I started spending three bucks a minute
76 - filling him in on Battlestar Galactica.
77 - Well, I'll give you your privacy.
78 - I like eating chicken better in bed, anyway. Everything is a napkin.
79 - Sweetheart! What?
80 - Did you stay down here all night?
81 - Oh yeah. I guess so. Eric never called, I hope he is okay.
82 - Yeah, I'm sure he's fine. Either that, or he's dead.
83 - It can only be one of the two.
84 - And get this, I waited up for Eric
85 - to call me last night, and he never did.
86 - So I asked Mrs. Forman, "Is he okay?"
87 - And she said yeah, because he called her last night.
88 - Yeah, I mean, that is weird.
89 - Who would think that a boy who plays with dolls
90 - and bails on his wedding would be a mama's boy?
91 - I know a huge secret.
92 - But don't bother to ask me, because
93 - there is no way in hell I'm going to tell you.
94 - Kelso is gonna ask Jackie to marry him.
95 - Wait, what? Oh, my God!
96 - I can't believe you conniving whores got it out of me!

97 - That is the dumbest thing Kelso's said since his previous gem.
 98 - "I can eat an entire shirt."
 99 - This is so Michael. Although it is kinda sweet.
 100 - And I don't really have anything going for me in my life.
 101 - No job, no boyfriend. I don't have anything!
 102 - Okay, Jackie, I know you're lonely,
 103 - but you and Kelso getting married, that's insane.
 104 - Well, I actually think it makes total sense.
 105 - No, it doesn't. It makes no sense!
 106 - "Fliebedieflabedieflaabedie" makes more sense than that!
 107 - What if it's fate?
 108 - I mean, I have always thought of Michael as my soul mate.
 109 - I mean, yes, we have our problems,
 110 - but getting married will fix everything.
 111 - And if that doesn't work, you can just have a kid.
 112 - Oh, my God, I'm so excited!
 113 - I wonder when he is gonna ask me.
 114 - Well, that is a secret. At the Forman's party.
 115 - You bitches are relentless!
 116 - You guys! I just got offered the best job in the world!
 117 - I'm gonna be a security guard at the Playboy Club in Chicago!
 118 - How the hell did that happen?
 119 - Okay, last week I was in Chicago, right,
 120 - and I did what I always do after I visit
 121 - my daughter, I snuck into the Playboy Club.
 122 - And as the guards were kicking me out,
 123 - I thought to myself, I could do that!
 124 - So then I talked to this guy there.
 125 - So, let me tell you a little bit about
 126 - what Vic does around here at the club.
 127 - Ah, wait, who's Vic?
 128 - I'm Vic, keep up.
 129 - What Vic does, is I'm responsible for overseeing security here.
 130 - You see, it is our job to keep the girls safe and secure.
 131 - Oh, yeah.
 132 - Yeah, we're safe and secure today.
 133 - Uh-huh, lather it up, Brenda!
 134 - Uh, Michael wants to see Brenda!
 135 - No, employees only. We've got a code of ethics around here, Michael.
 136 - Right there.
 137 - So, Vic tells me you used to be a cop?
 138 - Uh, wait, I thought that you were Vic?
 139 - There's another Vic, try to keep up.
 140 - Uh, yeah, well, I got... I got kicked off the force.
 141 - Then I was gonna make the move here to be closer to my daughter.
 142 - What, you're married? Obviously you're not wearing a ring.

143 - Great minds think alike!
 144 - Actually, uh, I just got a girl pregnant.
 145 - You got a girl pregnant? I got a girl pregnant!
 146 - Give Vic a high five!
 147 - You Vic or the other Vic?
 148 - The other Vic? What is that some kind of a joke?
 149 - The other Vic got both his hands blown off in Nam.
 150 - I'm just kidding!
 151 - I like your sense of humor, kid.
 152 - Now, come here, all kidding aside,
 153 - I want to ask you something seriously.
 154 - Do you like spicy food?
 155 - Sure, I'll eat anything. Actually, I put that on the resume.
 156 - Try this salsa. Go on, makes you feel like you got shot in the tongue.
 157 - How can I say no to that?
 158 - Yeah, that hot, that's hot, right?
 159 - You know it's hot when you get all moist and sweaty up under here, eh?
 160 - Come on, feel it! Ah, I don't think I wanna touch Vic's head.
 161 - No, go ahead, feel it. No, I really don't.
 162 - Feel it! Okay.
 163 - Ahh! Ahh!
 164 - Got you.
 165 - And he just called and offered me the job!
 166 - Ah, man, it's like I was really looking for some direction
 167 - and that's why I was gonna get married,
 168 - but now that'd be just like crazy, you know!
 169 - Thank God I didn't say anything to Jackie!
 170 - Uh-oh, Kelso...
 171 - Oh, man, she has absolutely no idea!
 172 - If I could just get a word in...
 173 - For once in my life I didn't just blurt
 174 - something out and then ruin everything!
 175 - Yes, about that... It's like I'm off scot-free!
 176 - Kelso! Listen to me!
 177 - I told Jackie you were proposing and now she's thrilled.
 178 - How could you do that?
 179 - I know. I have a problem.
 180 - Actually, now you have a problem.
 181 - So, good luck with that.
 182 - You told Jackie I was gonna propose to her?
 183 - Yes, and you should have seen all the squealing and jumping around!
 184 - And Jackie was excited, too!
 185 - You guys are idiots. Who gets married on a whim, anyway?
 186 - You did.
 187 - Yeah, but that was to a stripper!
 188 - And to be fair, I was pretty drunk,

189 - so I might have been trying to say, "Will you carry me?"
190 - It's like I love Jackie, okay and I know
191 - that some day we're gonna be together, but just not yet.
192 - You fool, don't you understand?
193 - Hyde really screwed Jackie up,
194 - and she's only going to be like this for a little while longer.
195 - You gotta strike when the broad is still a mess, man!
196 - Look, Kelso, I'm completely against this unholy union.
197 - But if you really want to be with Jackie, you cannot run away now.
198 - She'll be so pissed she'll never talk to you again.
199 - Okay, so, you're saying if I don't go through with this now,
200 - I'm gonna blow my chance with Jackie forever?
201 - Yes. You have successfully repeated what I just said.
202 - All right.
203 - That's it. I wanna ask Jackie to marry me.
204 - Great! Let's go buy a ring!
205 - No, Jackie once said that she'd rather
206 - have a balloon tied around her finger,
207 - than a diamond under two carats.
208 - So let's go buy a balloon!
209 - Jackie, you can't marry Kelso.
210 - Picture what your life would be like.
211 - Hi, honey, how was your day?
212 - Ah, great. I had another affair.
213 - What?
214 - Hey, you told me not to lie!
215 - Yeah, I told you not to lie or cheat!
216 - Right and I chose not to lie!
217 - Well, can I at least have some money for groceries?
218 - Sorry, babe, I got fired again,
219 - but I know what will make you feel better.
220 - Oh, no! Not another box of dogs!
221 - It's another box of dogs!
222 - Oh, no, no, no, Michael. This is not the life I pictured.
223 - I had dreams of a career, of travel.
224 - Of a husband who didn't have a girlfriend.
225 - Babe, I hear ya, I do, I really do.
226 - But you know what! Pantsed you! Burn!
227 - Hey, kids, I pantsed your mom again!
228 - Who wants to jump off the roof?
229 - That's your life, Jackie.
230 - Oh, yeah?
231 - Well, just for that, I'm gonna toss my bouquet while you're in the can.
232 - Kitty? What is all this?
233 - Surprise! We're having an anniversary party.
234 - But I don't want a party! I was gonna take you to the boat show!

235 - I'm not going to a boat show.
 236 - Fine! It's a vodka show, just get in the car!
 237 - Red, we have people coming over.
 238 - But I had...
 239 - Okay,
 240 - I was thinking, about what we did at the Starlight Motel
 241 - for the first time between our wedding and reception.
 242 - And, uh, I thought we could go there again, exactly 25 years later.
 243 - So I got us the same room.
 244 - To celebrate our silver anniversary,
 245 - you wanna take me for an afternoon tryst to a cheap motel?
 246 - That is so romantic.
 247 - Man, I'm all ready to propose and the Formans
 248 - are late for their own 25th anniversary party.
 249 - Don't they realize this is my night?
 250 - When is Michael going to ask me?
 251 - I can't stand the anticipation!
 252 - This must be how fat girls feel between
 253 - placing their order and getting their fries.
 254 - Here, take this, it will relax you.
 255 - And if it doesn't work out between you and Kelso,
 256 - it'll loosen you up. For me.
 257 - Oh. Oh, my goodness.
 258 - Oh.
 259 - Everybody is here. What time is it?
 260 - Oh. Oh, I must have left my watch at the...
 261 - Ice store. But they were out of ice. Every one of them.
 262 - This country is in the crapper.
 263 - Hello.
 264 - Okay. Mrs. Forman, that was the Starlight Motel.
 265 - They, uh, found your watch in the Aphrodite suite.
 266 - Just keep the damn watch!
 267 - Oh, hi, Eric!
 268 - Oh, thanks, sweetie.
 269 - Oh, Donna is right here, why don't you say hi!
 270 - Hi! Let me just switch to another room.
 271 - Oh. Okay. I'll talk to you later, then. I love you.
 272 - He had to run to class. So, I'm gonna go grab a beer.
 273 - The Aphrodite suite, huh? Sounds like you guys Aphro-did-it!
 274 - Hey, are you okay? Totally.
 275 - Yeah, are you kidding. Totally.
 276 - Look, I'm sure Eric was just in a hurry.
 277 - I have not been to Africa, but if it's
 278 - anything like Disneyland's Jungle Safari,
 279 - you gotta stay on your toes.
 280 - I wouldn't know, I'm more of an "it's a small world" kind of girl.

281 - Yeah, I do not like that ride.
282 - Why, it's too boring?
283 - No, I just feel the Irish are under-represented.
284 - Yeah! Here, free six-pack.
285 - Okay, my turn.
286 - Mr. and Mrs. Forman, your long and happy marriage
287 - got me thinking about my future.
288 - And when I think about my future
289 - there is always someone special in it.
290 - I mean, besides me.
291 - So, in front of all the people that I love,
292 - Jacqueline Burkhart, will you marry me?
293 - Oh, Michael! No.
294 - Congratu... What the hell?
295 - No? No.
296 - Jackie,
297 - you have just made me the happiest man in the world!
298 - Really?
299 - Yeah!
300 - Oh, man!
301 - I mean, I love you and all, but, it's like
302 - this is, like, the worst idea I've ever had!
303 - And I have had some bad ideas! I mean, a fire-cracker suit?
304 - Like, what the hell was that?
305 - The best 4th of June ever, that's what.
306 - Michael, if you and I got married it would be a disaster.
307 - I mean I love you, but you have so much growing up to do.
308 - Oh, and I do not want a box of puppies running around.
309 - You see and I do! I know!
310 - Oh, man! This is, like, my life is finally taking off.
311 - I'm moving to Chicago!
312 - Donna, I hope I did the right thing.
313 - You know. I'm so happy, I'm gonna jump off the roof!
314 - You did the right thing. Yeah.
315 - So it's the last circle before I go.
316 - Wait a minute, now I get why we call it a circle!
317 - That is freakin' awesome!
318 - You know Michael, I will always remember the first boy who kissed me.
319 - And proposed to me and told me that putting out makes your nails grow.
320 - I really believed you.
321 - Kelso, I'm kinda gonna miss you
322 - constantly trying to grab my boob.
323 - Made me feel pretty.
324 - I am messed up.
325 - Donna, I give you my word. I will always be here,
326 - trying to grab your boob. We'll do it for Kelso,

327 - who won't be here to do it anymore.
 328 - Oh, God.
 329 - Man... Kelso, this is weird.
 330 - I always imagined our last moment together
 331 - would be me watching you strapped to a home-made rocket
 332 - flying around in circles screaming, "Turn it off! Turn it off!"
 333 - Well. I guess this is goodbye.
 334 - Man, I'm gonna miss this.
 335 - Like, being down here, I've had, like, the best time of my life.
 336 - And you know what? No matter where I live, I will love you guys forever.
 337 - Well, I guess it's time to go. So, see ya.
 338 - Bye, Michael.
 339 - Wow. He is really gone.
 340 - My beautiful tormentor.
 341 - This sucks.
 342 - I'm not leaving till tomorrow! And you were crying!
 343 - Burn!
 344 - Can it be?
 345 - It finally happened! I won!
 346 - I won! I won! I won! I won! I won!
 347 - I won! I won! I won a bike! Read it and weep, loser!
 348 - That expired yesterday.
 349 - I'll kill you!

4.5 Episode 05: Stone Cold Crazy

1 - Oh, no, don't get up, I'm just right here anyway.
 2 - I'll help you, Mrs. Forman.
 3 - Oh, no, don't you worry, Samantha.
 4 - It's just a little unbalanced because our appropriate-sized clothes are on one side
 5 - and your little teeny tiny stripper clothes are on the other.
 6 - I'm sorry, I'm sorry, I'm so grumpy.
 7 - I got a manicure yesterday and Red still hasn't said a darn word.
 8 - You know, if you really want him to notice you,
 9 - you should get drunk and do some donuts on his lawn.
 10 - Mrs. Forman, you should change your hair.
 11 - When I went blond, Eric went nuts.
 12 - And then Fez went nuts and then I started wearing a lot of hats.
 13 - No, I can't change my hair. Red loves it. It's my trademark.
 14 - It'd be like telling Fonzie not to say, "Hey!"
 15 - Mrs. Forman, a great way to get a man's attention
 16 - is to show him how smart you are.
 17 - But a faster way is to take your clothes off.
 18 - - I can help you work on some moves. - Mmm-hmm.
 19 - Oh, no, I don't need to see that.

20 - It'd be like watching my mom strip.
21 - Which, unfortunately, I saw at Take Your Son to Work Day.
22 - No, you know what, I'll just, um...
23 - I'll just spray on some of my special occasion perfume.
24 - It's very expensive, but you put a little water in there, you can really make it last.
25 - Hey, Sam. Can I ask you something?
26 - Um, I wanted to send Eric some, you know, like, sexy pictures.
27 - Sure, I have some 8x10s in my car.
28 - Of me.
29 - Anyway, um, would you mind taking them?
30 - I'd love to! I have a great pair of thigh-high boots you can use.
31 - Oh, I don't think we're the same size.
32 - Oh, you're not gonna wear them, silly. You're gonna lick them!
33 - Oh, hi, Jackie. "Hang in there, baby."
34 - And the kitten is hanging. Funny.
35 - So, what the hell are you doing in my apartment?
36 - Oh, well, since Michael moved to Chicago, he let me have his room.
37 - We're gonna be roommates!
38 - Roommates? Hot diggity!
39 - Think of the wacky adventures we will have.
40 - We're gonna take the plunge now
41 - We're gonna dive right in now
42 - We're gonna have it all
43 - We don't believe in maybe
44 - "Can't" is a word we'll never know
45 - Sometimes we'll have our struggles
46 - But, oh, baby, oh
47 - We're gonna take our chance now
48 - Fly by the seat of our pants now
49 - When we're divided, we fall
50 - And we're really gonna have it all
51 - And we're really gonna have it all
52 - Fez, that is the dumbest thing I've ever heard. Catchy tune, though.
53 - Hanging out
54 - Down the street
55 - The same old thing
56 - We did last week
57 - Not a thing to do
58 - But talk to you
59 - We're all all right
60 - We're all all right
61 - Hello, Wisconsin!
62 - Okay, Jackie, I'm off to work.
63 - Wait, but we're roomies!
64 - What am I supposed to do while you are gone?

65 - Listen, when I get home, it's you and me, we'll do whatever you want.
 66 - Oh! The Wizard of Oz is on TV tonight! We can watch it and make fun of Kansas!
 67 - It's a date! I love those little munchkins.
 68 - I wish I could represent the Lollipop Guild.
 69 - Boy, there'd be some changes!
 70 - I can't believe I let you take naked pictures of me.
 71 - I don't really get that one with the G.I. Joe between your boobs,
 72 - but, hey, you know Eric better than me!
 73 - Hi, sweetie. Oh, a letter for Eric. Want me to mail it for you?
 74 - No, no, no, I got it.
 75 - But I love going to the post office!
 76 - I have these funny things I say when the line is moving slow, like,
 77 - "Hey, where did I park my dinosaur?"
 78 - Um, okay. But you know it's illegal to tamper with mail, right?
 79 - Yeah, but it's not illegal to complain about a slow-moving line!
 80 - Hey, can we speed it up? My pet snail is getting away!
 81 - That's good stuff, Dad.
 82 - Have a brownie, Red.
 83 - Something smells terrific.
 84 - You noticed.
 85 - Sure did!
 86 - You put peanut butter in the brownies!
 87 - Samantha!
 88 - Okay, stripping is all about the art of seduction.
 89 - So the first thing you wanna do is set the mood. Like with music, or candles.
 90 - Oh, oh. All I have are those trick candles, the ones you can't blow out.
 91 - They make Red furious, it's very funny.
 92 - I always start my routine by slowly removing my gloves.
 93 - I have gloves!
 94 - Feel sexy already!
 95 - You know what? Let's skip ahead.
 96 - Look your husband in the eye and go step, dip, hair, flip.
 97 - You try it!
 98 - Okay. Step, dip, hair, flip.
 99 - That's great.
 100 - For our next lesson, I'll teach you how to pick up money
 101 - using everything but your hands.
 102 - Hey, Kitty! Taking Donna's letter for Eric over to the post office.
 103 - - Got anything to eat? I mean mail. - Oh, you know what?
 104 - Why don't you leave this with me? I have to add some things.
 105 - Like today's Marmaduke, it's a stitch!
 106 - Okay.
 107 - Have a brownie, Bob.
 108 - - That's what I was waiting for! - Mmm-hmm.
 109 - Oh, Marmaduke, when will you ever learn?

110 - Donna?
111 - Oh, my!
112 - G.I. Joe?
113 - Mrs. Forman, the washer is acting up again!
114 - Um, okay, okay! Coming!
115 - Where's those damn car keys?
116 - Good Lord!
117 - Steven, you could have fixed that!
118 - Well, I'm off to work. So if you need me, I'll be at the Hub.
119 - Oh, no!
120 - Oh, no!
121 - Oh, please, no!
122 - All right, Kitty, Kitty, don't panic. You know what to do.
123 - Holy crap, it's Caroline!
124 - Who is Caroline?
125 - She went out with Fez.
126 - But he broke up with her 'cause she's crazy.
127 - Which is ironic, because that's probably why
128 - she went out with him in the first place.
129 - Guys, I can't let her see me. Hide me.
130 - Where should we hide you, Fez?
131 - Fez!
132 - - Well played, you son of a bitch. - Hi!
133 - Hi! Caroline, you look good.
134 - Not quite so nuts.
135 - Yeah, I'm doing much better thanks to my therapist.
136 - And my meds. And some good old-fashioned...
137 - Electricity.
138 - But there is one thing about me that hasn't changed.
139 - Is it that you can still spin your head all the way around?
140 - No!
141 - It's that I still have a thirst for hot chocolate, you know what I mean.
142 - I do. I still have a thirst for crazy, medicated white women.
143 - So, uh, maybe I could come over tonight?
144 - I mean, if there are no other women in your life, 'cause I couldn't handle that.
145 - No, the only other women in Fez's life are in his head.
146 - But you must know about that. You got a cast of thousands up there.
147 - Shut up!
148 - So, you just invited me over for some brownies in the middle of the day?
149 - Yes.
150 - Oh, and I opened your mail and I saw your nudie pictures. Would you like some milk?
151 - What?
152 - Oh, my God!
153 - Your father gave me the letter, I just wanted to add some things.

154 - Well, did you mail the pictures?
 155 - No, but I will as soon as I find them.
 156 - What?
 157 - Well, don't worry, I'm sure nobody else saw them.
 158 - Hey, Kitty, have you seen the car keys? Oh, Donna.
 159 - Oh, my God, you, too?
 160 - I was looking for the damn car keys!
 161 - This drawer is for car keys and magnets, that's it.
 162 - Well, where are they now?
 163 - Whoa!
 164 - Holy hell!
 165 - I know, man. Where's Marmaduke?
 166 - Hey.
 167 - Hey, Donna.
 168 - What is so funny?
 169 - Guess I'm just a happy guy.
 170 - Hey, it's the naked lady from the newspaper!
 171 - Okay, here it comes.
 172 - Uh, I have just one question for you.
 173 - Does my wife know you were licking her boots?
 174 - Donna, I'm writing a letter to the newspaper
 175 - about your photo essay. Here's what I have so far.
 176 - Yes!
 177 - Okay, just tell me where the pictures are.
 178 - Hey, not to worry. I hid them in a Barry White album.
 179 - Great. Where's that?
 180 - You'll have to ask the guy who bought it. Duh.
 181 - Knock, knock. Who's there?
 182 - Fez! And Barry White.
 183 - Hey, Fez. It is almost Wizard of Oz time.
 184 - And I did my hair like Dorothy, but since there are no foreigners in Oz,
 185 - I created a new character for you.
 186 - The butler.
 187 - Oh. Bad news, racist Dorothy.
 188 - Something has come up. Some unexpected doing it.
 189 - You remember Caroline?
 190 - What, with the crazy nut-job who said she was gonna scratch my eyes
 out?
 191 - Yes. Sweet girl.
 192 - Look, she is coming over tonight and she gets very jealous of other women
 193 - so you're gonna have to leave.
 194 - Where am I supposed to go?
 195 - I don't know, just click your heels three times and get the hell out.
 196 - Fez, I am not gonna leave my own apartment.
 197 - Okay. You know, you're right. I'm being unreasonable.
 198 - Just go into your room and don't come out until morning.

199 - And eat quiet foods only. Yogurt, marshmallows, maybe cotton candy.
 200 - But save me some, because I just love it.
 201 - I can't believe this, I mean, we made a plan to watch The Wizard of Oz.
 202 - Yes, and then I was offered sex, so, ding dong, the plan is dead!
 203 - Oh, crap, did we blow a fuse again?
 204 - Kitty? What are you doing?
 205 - Making your day, sailor.
 206 - And step, dip, hair, flip.
 207 - Kitty, watch the candles! Oh, my God. Your hair is on fire!
 208 - What? Am I out?
 209 - Wow. This is really nice.
 210 - Oh, it's been so long since I've sat and talked to a man
 211 - and been able to move my own arms freely.
 212 - Whose mascara is that? Fez, is there another woman here?
 213 - What? No, no! It's... It's mine.
 214 - Yeah, lashes like this don't come naturally, baby.
 215 - Um, why don't you go to the kitchen and, um, open us a bottle of wine?
 216 - Well, my doctor says I'm not supposed to drink while I take my meds,
 217 - but what he doesn't know is I didn't take my meds.
 218 - What are you doing?
 219 - Well, I have to go to the bathroom.
 220 - Well, you should have thought of that before I locked you in your room!
 221 - Fez, where is the corkscrew?
 222 - Um, it's under the sink, my dear!
 223 - Look, you are supposed to stay in your room! I even gave you quiet foods!
 224 - Yeah, okay, the yogurt you gave me expired two months ago
 225 - and it's smells like vomit and peach.
 226 - Honey?
 227 - Yes, baby?
 228 - I can't find... Where did you get that yogurt?
 229 - Oh, I keep yogurt all over my apartment. I love it.
 230 - See?
 231 - Yum. That's the stuff.
 232 - So, did you find that corkscrew, honey pie?
 233 - Not yet.
 234 - Fez, I'm not like you. I don't know how to entertain myself in the dark.
 235 - Oh, here it is!
 236 - I want to watch The Wizard of Oz!
 237 - Okay, a scarecrow gets a brain, a lion gets some courage
 238 - and the robot gets a heart.
 239 - You know, when I was in the kitchen, I wanted to carve our initials into
 my arm.
 240 - But that's what the old crazy me would have done.
 241 - So I carved them into your countertop instead.
 242 - Well, look who's all better.
 243 - Please, Leo, you have to remember who you sold that record to.

244 - Think. Who have you seen today?
245 - Well, I remember a guy with scraggly hair and a beard.
246 - And he was brushing his teeth.
247 - That was you in a mirror.
248 - And then there's this other guy with big lips and another guy with long hair.
249 - And another guy with a thumbtack in his head.
250 - That would be the Aerosmith poster.
251 - You know, I have been trapped in this vortex before.
252 - There is a way we can jog his memory.
253 - It was Fez, man!
254 - Okay, Red.
255 - You're not gonna be happy.
256 - My stylist said there wasn't enough left up there to salvage my old hairdo,
257 - so, I'm sorry, but...
258 - Wow! Look at you!
259 - Do you like it?
260 - Hubba hubba!
261 - Really? I've been trying so hard to get you to notice me
262 - and all I had to do was set my hair on fire.
263 - How would you like to go upstairs and let me see it in the dark?
264 - Or we could leave the lights on.
265 - Well, that was a nice appetizer,
266 - but I believe the main course will be served in the bedroom.
267 - Yes. I am going to brush my teeth.
268 - - Yogurt breath. - Oh.
269 - Why don't you go in and put on some Barry White?
270 - Where are they, you pervert?
271 - Donna, you have to leave!
272 - I'm not going anywhere without my pictures!
273 - Shh! What pictures?
274 - The naked ones of me, the ones in the Barry White record you bought.
275 - Ah, crap.
276 - What the hell are these?
277 - And what is she doing here?
278 - Will you give me those?
279 - Fez, I thought you said you lived alone!
280 - I do! She's just visiting! I swear!
281 - There's no one else that lives here.
282 - Screw this! You know what? I'm not gonna sit locked up in my room
283 - with stale marshmallows. I live here, too!
284 - Well, that's incredibly bad timing.
285 - Two women?
286 - Okay. Caroline, I have to be honest with you.
287 - Juanita and Maria Jose are my maids.
288 - Well, then! They can clean up all of your blood!

289 - Okay, here's how you make fruit salad.
290 - First, let me squeeze those melons.
291 - Oh, aren't they nice and firm?
292 - Yes. Now grab my banana.
293 - Oh, it's huge!
294 - All right, you perverts, stop it right now.
295 - Another fruit salad?
296 - Why can't they ever be having sex?

4.6 Episode 06: Long Away

1 - Oh, Steven, there you are.
2 - I almost didn't recognize you without
3 - a disgusting stripper attached to your lips.
4 - Huh? Well, I recognized you right away.
5 - Since you walked in here alone, with no job and no boyfriend.
6 - Oh, this sounds like fun.
7 - Someone say something mean about me.
8 - I don't think so, Fez.
9 - Oh, come on, you never let me play.
10 - Fine. You're stupid and you're fat.
11 - That was completely uncalled for.
12 - What is Donna doing out with Randy?
13 - When I called her earlier today
14 - to see if she wanted to do something,
15 - she said she was staying in all day.
16 - I mean, I was gonna blow her off at the last minute, but still.
17 - Yeah. And yesterday when I went to spy on her from her closet,
18 - she was already out with Randy.
19 - That guy is really cutting into my peep-time.
20 - Do you think something is going on between Donna and Randy?
21 - Steven, what do you think?
22 - I have a definite opinion on this.
23 - I don't care.
24 - You just don't like to gossip.
25 - Which is good, because you should
26 - hear what people say about you.
27 - Well, if you guys are gonna act like
28 - a bunch of immature babies, go ahead.
29 - Now, if you'll excuse me,
30 - I'm gonna drive my car through some really big puddles
31 - and splash some old people.
32 - Hey. Hi.
33 - Where have you two been?
34 - We went and saw Rocky II. It was awesome.
35 - This chubby guy in the audience got all inspired

36 - and then punched out an usher.
 37 - Donna, does Eric know you took another man to the movies?
 38 - Actually, I invited her. I won tickets from a radio station.
 39 - My cousin's a DJ.
 40 - So I just called him up and told him the phrase that pays.
 41 - My mom has a picture of you and your sister in the bathtub.
 42 - But, why I wonder, did you invite Donna instead of any of us?
 43 - Is it because she is beautiful, blonde and curvy?
 44 - Actually, you know what, that's a good choice.
 45 - Fries up for Donna and Randy.
 46 - That's us.
 47 - Look at them! They're sharing fries!
 48 - I know. And did you see how fast Randy changed the subject
 49 - when you mentioned Eric?
 50 - Yeah, something is definitely up.
 51 - The needle on the Hanky-Panky meter is all the way up to Panky!
 52 - You know what? I think Donna is cheating on Eric.
 53 - Oh, my God, I think you're right.
 54 - That is awful.
 55 - I can just picture that hot-blooded seductress
 56 - giving it away in a sweaty moment of lust.
 57 - Oh, why do I do that to myself?
 58 - Hanging out
 59 - Down the street
 60 - The same old thing
 61 - We did last week
 62 - Not a thing to do
 63 - But talk to you
 64 - We're all all right
 65 - We're all all right
 66 - Hello, Wisconsin!
 67 - Kitty! I just got a letter from the
 68 - Point Place Veterans Association.
 69 - Our reunion is coming up.
 70 - It is so nice to have a place where everyone applauds
 71 - after you say how many people you shot.
 72 - And this year is gonna be special.
 73 - You remember Larry Simmens?
 74 - The fellow who won the Bronze Star on D-Day?
 75 - Yep. The bastard finally died.
 76 - Struck by lightning.
 77 - The sucker could dodge a bullet
 78 - but Mother Nature got him right in the ass.
 79 - Well, I hope someone shouted, "Fire in the hole."
 80 - And now that he's gone,
 81 - I'll be the most decorated soldier there.

82 - Which means the added respect of my peers plus enough free booze
 83 - to fill Mike Kaleigh's fake leg.
 84 - You know, whenever you soldier buddies
 85 - get together you have cocktails.
 86 - I should have been in the army.
 87 - Hey, look! I finally got invited to
 88 - the Point Place veterans' reunion. What?
 89 - They don't invite National Guardsmen.
 90 - They didn't. But I wrote a bunch of
 91 - angry letters until they changed their policy.
 92 - Well, that's just great, Bob.
 93 - Maybe if you'd written a bunch of angry letters to Hitler
 94 - we could've avoided a war in the first place.
 95 - I don't think that would have worked.
 96 - That Hitler seemed like a real cranky bear.
 97 - Oh, Red, the vets needed someone to hire a photographer.
 98 - So I signed you up to find one.
 99 - Why would you do that?
 100 - Because I felt like I wasn't contributing.
 101 - You should hire Leo to be your photographer.
 102 - He's like a pro. Shot all my fake IDs.
 103 - I'm not taking a hippie down to the Veterans Hall.
 104 - They wouldn't put up with it.
 105 - The bathrooms have Jane Fonda urinal targets.
 106 - You know, Leo took some pretty great pictures of Bob and Midge
 107 - when they renewed their vows.
 108 - He even got a rare one of Red smiling.
 109 - I sent it to the museum.
 110 - Well, if you wanna ask him, he's down in the basement.
 111 - What's Leo doing in my basement?
 112 - I don't know.
 113 - But, just to be safe, why don't you give it
 114 - about 15 minutes before you come down?
 115 - So, Leo, Steven tells me that you're a photographer.
 116 - How much do you charge?
 117 - Not much, man. I try to pay for everything with cash.
 118 - Okay, never mind.
 119 - Come on, Red, he's really good and he works cheap.
 120 - Leo, tell him what your fee is.
 121 - A hundred bucks.
 122 - How about 75?
 123 - 50 and that's my final offer.
 124 - And if you bargain with him when you get there,
 125 - you'll probably wind up making 10 bucks.
 126 - 15.
 127 - *Okay, fine, you're hired.*

128 – *But this is a big night for me.*
 129 – *So I want you to clean up and look nice.*
 130 – *These men are veterans. They deserve your respect.*
 131 – *Hey, I'm cool with veterans, man.*
 132 – *Anybody that can put a cast on a dog is okay by me.*
 133 – *Hey, if you guys see Donna, can you tell her I'm down at The Hub?*
 134 – *Okay, did you guys have plans?*
 135 – *Yeah, we were gonna hang out at her house,*
 136 – *but I get a little uncomfortable with Bob there.*
 137 – *You know, most people wear underwear when they wear a robe.*
 138 – *Did you hear that?" Hangout."*
 139 – *They are going to have sex.*
 140 – *How does hangout mean have sex?*
 141 – *I can make a sexual innuendo out of anything.*
 142 – *Try me.*
 143 – *Stove.*
 144 – *Well, I'd like to cook something on her stove.*
 145 – *See? Anything!*
 146 – *Oh, my God, Fez, I feel really bad for Eric.*
 147 – *When Michael was cheating on me, I was devastated.*
 148 – *But eventually I learned that the saying is true.*
 149 – *It's better to have loved and lost than to be with – ugly.*
 150 – *Oh, hey, Miss Kitty.*
 151 – *Hi. Okay.*
 152 – *We need some advice.*
 153 – *There is this guy whose girlfriend is cheating on him.*
 154 – *What do you think we should do?*
 155 – *Well, Red and I once had a friend named Bill Anderson*
 156 – *and every one thought his wife was cheating on him.*
 157 – *Soon one night, we were over there*
 158 – *and I happened to see her purse*
 159 – *and it happened to be open and I happened to rifle through it*
 160 – *and I found out it was true.*
 161 – *So you told Bill?*
 162 – *No, no, no, no.*
 163 – *I don't like to get involved in other people's business.*
 164 – *But I wish I had.*
 165 – *Because it might have saved their marriage*
 166 – *and I'd still be getting their Christmas cards.*
 167 – *Antler's dog, that is so precious.*
 168 – *Fez, I know what we need to do.*
 169 – *Yeah, me, too. But where are we*
 170 – *going to find a dog with antlers?*
 171 – *No, Fez. We need to write Eric a letter*
 172 – *telling him what is going on between Donna and Randy.*
 173 – *Yeah, then Eric is gonna come home,*

174 – *kickRandy'sassandthenwhiskDonnaof ftosomeplacesery.*

 316 – *So I took the basketball,*
 317 – *I threw it through a window and burst into tears.*
 318 – *I think that's when he knew that something was wrong.*

 328 – *I always thought they'd live happily ever after,*
 329 – *like Romeo and Juliet.*
 330 – *Have you ever read Romeo and Juliet?*
 331 – *I didn't have to finish it. It is so obvious what happens.*
 332 – *I'm sorry. I should have never accused you for cheating on Eric.*
 333 – *Yeah. And Randy, I owe you an apology.*
 334 – *Not just for the letter,*
 335 – *but for letting the air out of your tires.*
 336 – *That's okay, man. We're even.*
 337 – *We are? What did you do to me?*

4.7 Episode 07: Fun It

- 1 - What the hell is going on here?
- 2 - Well, these guys were supposed to go on a three-hour tour,
- 3 - but now they're shipwrecked.
- 4 - And the sexual tension between Gilligan and the Skipper

5 - is reaching a breaking point.
6 - This show's stupid.
7 - Why don't they just kill the fat one for food?
8 - I'm not talking about Gilligan.
9 - I'm talking about the new guy sitting in my chair.
10 - Fez, the chairs are first come, first served.
11 - We decided that in the Great Chair Negotiation of '78.
12 - Although, that doesn't apply to me.
13 - Due to the If You Sit in My Chair,
14 - I'll Kick You in the Nad's amendment.
15 - Here, you can have it, I don't mind.
16 - You'll live another day.
17 - Fez, why do you pick on Randy?
18 - Based on his hair and his looks,
19 - I think he is a really good person.
20 - I just don't like people who aren't from here, that's all.
21 - You know I was thinking we could get out of here anyway.
22 - Maybe go somewhere, have some fun?
23 - Why are you trying to ruin our Saturday?
24 - Come on, let's go down to Fatso Burger,
25 - and get some burgers and fries.
26 - Teenagers love burgers and fries!
27 - Nah, no thanks.
28 - What if I said I'm buying?
29 - Randy, on behalf of all of us, I would just like to say...
30 - I can smell the oniony thanks all the way over here.
31 - Listen, Randy,
32 - just because I ate three hamburgers, doesn't mean I like you.
33 - It just means I have no self-control.
34 - Look at that disgusting clown.
35 - It's totally freaking me out.
36 - You're scared of Fatso?
37 - But he's the friendly neighborhood clown,
38 - who gives grade D beef to all the boys and girls.
39 - Look, I just don't like the way his eyes follow me around.
40 - It's the same reason I hate art.
41 - What have I told you kids? What have I told you?
42 - Don't pee on the bathroom key?
43 - One ketchup bottle per table. One ketchup per table!
44 - Why do you say everything twice?
45 - Shut up. Shut up!
46 - I hate that guy. He acts like he owns the place.
47 - Well, he does own the place.
48 - Well, he acts like it.
49 - Hey, he's just a small businessman trying to make ends meet.
50 - Let's ruin him.

51 - I've got it! Let's throw a bunch of pickles at his window!
52 - Then, he'll become a prisoner of his own pickle-prison.
53 - Or we could steal Fatso the Clown.
54 - Steal Fatso the Clown, all right, man!
55 - Yeah, Randy!
56 - No, boo, Randy! Yeah, Fez!
57 - Pickle attack, let's do it!
58 - Where did it go?
59 - Okay, I have a better idea.
60 - Let's steal that clown!
61 - Hanging out
62 - Down the street
63 - The same old thing
64 - We did last week
65 - Not a thing to do
66 - But talk to you
67 - We're all all right
68 - We're all all right
69 - Hello, Wisconsin!
70 - We're stealing a clown.
71 - God, being bad is so exciting!
72 - My palms are sweaty.
73 - When I was with Eric, the only times my palms were sweaty,
74 - was when I was holding his sweaty palms.
75 - Well I don't want anything to do with that red-nosed freak.
76 - Why are you so afraid of clowns?
77 - It was my seventh birthday party,
78 - this clown asked me if I wanted to smell his pretty flower.
79 - And when I did, it squirted water all over my face.
80 - And then he offered me his handkerchief,
81 - when I pulled it out of his pocket,
82 - it just kept coming, coming, coming.
83 - And that's why you hate clowns?
84 - No, later I walked in on him, making out with my mom.
85 - Pie-throwing bastard!
86 - Okay, wire cutters, a crescent wrench and a bolt cutter.
87 - What about an ax?
88 - Do we need an ax?
89 - No, I think we're good.
90 - But if we decide to go on a killing rampage at a sleep-away camp,
91 - I'll call you.
92 - Okay, smart guy, I've thought of something you haven't.
93 - We need a getaway-car.
94 - See, your plan is unravelling.
95 - I thought we could take that station wagon right there.
96 - Damn, your plan has re-ravelled.

97 - But wait, Red has the keys! Aha!
98 - Your plan is unravelling again.
99 - We don't need the keys! I'll hotwire that son of a bitch!
100 - What's the big deal? I'll just ask Red if I can borrow the car.
101 - While you're at it, why don't you ask Red
102 - if your ass can borrow his foot?
103 - No, I think I'll just ask for the car.
104 - I'll ask Red. I have a lot of experience with him.
105 - He loves me because I used to have sex with his daughter.
106 - Okay, Randy, watch and learn.
107 - Hey, Red, reading the paper, that good old paper?
108 - Get out. Okay, the plan is off.
109 - Hey, Mr. Forman, I thought maybe you could lend us the Vista Cruiser?
110 - Well, that's interesting, Kitty.
111 - I don't see anything in here about hell freezing over.
112 - It's just, I wanted to build a wheelchair ramp for my grandmother,
113 - and I wanted to buy some lumber.
114 - Come on, Red!
115 - Just picture his poor old grandmother,
116 - going down the stairs in a wheelchair,
117 - bouncing all over the place.
118 - Oh, I don't mean to laugh.
119 - Red, she needs his help.
120 - Oh, fine.
121 - But fill up the tank, bring it back by tomorrow,
122 - and do something with that hair. Jeez!
123 - A wheelchair ramp? What a load of crap.
124 - Fez, my grandmother is in a wheelchair. She had polio.
125 - Well, everything works out perfect for you.
126 - I can't believe I'm an accessory to a crime.
127 - We could get caught, I could get arrested!
128 - I could go to a girl-prison, this freaking rocks!
129 - I remember my first crime. Grand theft tricycle.
130 - I did three days in the crib for that job.
131 - There is a car coming! Scatter!
132 - Oh, no! I didn't scatter!
133 - What's cooking, Fatso?
134 - Welcome to Fatso Burger.
135 - I'll have a big Fatso combo with extra secret sauce.
136 - Would you like apple pie with that?
137 - Sure!
138 - And the extra large soda for 10 cents more?
139 - Okay.
140 - Oh, and onion rings are free with all that.
141 - I'll take them.
142 - So let me read that back.

143 - One big Fatso combo with extra sauce,
144 - an apple pie, extra large soda and one onion rings.
145 - You got it.
146 - Sorry, we're closed.
147 - What? Then why did you take my order?
148 - Thank you, please drive away.
149 - But I'm hungry!
150 - Then go get a pizza!
151 - I had pizza for lunch!
152 - Well, whose fault is that?
153 - Go to hell, Fatso!
154 - See you there, lard ass!
155 - That was awesome!
156 - Bob just got into a fight with a ceramic clown!
157 - Believe it or not, it wasn't the first time.
158 - Okay, Fatso, you're coming with us.
159 - And if you try to fight back, well, that'll scare the living crap out of us.
160 - Okay, you guys, after this, we should steal a car!
161 - No! A kid!
162 - Donna, that's kidnapping.
163 - Okay fine, a dog! Just something alive!
164 - Now don't drink too much, Fatso,
165 - you've got to drive your 30 friends home, later, in your tiny car.
166 - You guys, stealing this clown
167 - was an immature act of revenge and vandalism.
168 - Ooh! Let's draw boobs on him!
169 - So you guys...
170 - What the hell is that doing here?
171 - We stole Fatso the Clown!
172 - And now we're gonna...
173 - What do we do with a stolen clown?
174 - This is what we do with a stolen clown.
175 - Actually, this is what we do without a stolen clown.
176 - It always comes back to this.
177 - Thanks for bringing me here, you guys!
178 - So, Fatso, now that you're free,
179 - is there anything we can do for you?
180 - Yeah, find me a really trashy clown-hooker
181 - with nice, long legs and a pair of double-D...
182 - Yeah, I found this in the garage.
183 - Oh, Randy, you think you are so funny.
184 - That was funny.
185 - Look at that freaky-ass clown.
186 - It's just staring at me, he doesn't even blink.
187 - It's because he likes you. He loves you.
188 - He wants to marry you and then kill you!

189 - You guys, something terrible happened.
190 - Fatso the Clown was stolen!
191 - What? But he was a Wisconsin landmark.
192 - He's been sitting on that bun since I was a little girl!
193 - I feel so guilty. I was the last one to talk to him.
194 - We had an awful fight.
195 - What are you crying about?
196 - It was a speaker with a face on it.
197 - Oh, he was more than that!
198 - He was a part of our history.
199 - I got a lot of warm memories about that place, too.
200 - I knocked up Midgy in the parking lot.
201 - Don't you remember, Red?
202 - When we were dating, we used to go
203 - to Fatso Burger every Friday night,
204 - and just dream about our future.
205 - I thought we were just eating burgers.
206 - Women are always doing something else!
207 - That's true.
208 - Midgy was drinking a shake when I knocked her up.
209 - Rock, paper, scissors, shoot!
210 - Paper again, Fatso? I win.
211 - Okay, let me try.
212 - Rock, paper, scissors, shoot!
213 - Yeah! We both did paper!
214 - Congratulations, Fez. You tied a ceramic clown.
215 - You guys, I got to turn on the TV.
216 - Donna, no one is in the mood for one of your muscle-building shows.
217 - No, my dad is on the news.
218 - The whole town is pissed about Fatso being stolen.
219 - I'll always remember where I was when
220 - I heard the news that Fatso was stolen.
221 - I was reading the paper in the can.
222 - It was the same way with Kennedy.
223 - Whoever stole this, you didn't just steal a clown,
224 - you stole a little piece of Point Place.
225 - And you should be ashamed of yourselves.
226 - I have a message for you from this man,
227 - who is too choked up to speak.
228 - We will find you!
229 - We will find you!
230 - Well, kids, it looks like you're really in some deep...
231 - You're not funny.
232 - Why is he so damn funny?
233 - I knew we shouldn't have stolen that clown.
234 - If we wanted to get back at that Fatso Burger guy,

235 - we should have just done what my dad would have done.
 236 - Hire the Sagito brothers to torch the place.
 237 - This is big, the whole town is upset.
 238 - Even my grandmother rolled down there to show her support.
 239 - What the hell are we gonna do?
 240 - This is simple, it's just so freaking simple!
 241 - All we need to do is get rid of the body.
 242 - We need a hacksaw, a bunch of garbage bags
 243 - and bathtub filled with acid.
 244 - Yeah, guys, this is serious.
 245 - You know what the penalty for stealing a clown is?
 246 - The cops line you up,
 247 - and shoot you with one of those guns
 248 - that has a flag that says "Bang."
 249 - I've been wanting to say that all day.
 250 - What in the world?
 251 - Okay, Red, before you kill us one by one,
 252 - let me just say this, it was his idea.
 253 - Nice going.
 254 - I hate that ugly thing. It's always smiling when nothing is funny.
 255 - Yeah, so, you're not angry?
 256 - What makes you think I'd be angry?
 257 - Um, every other experience we've ever had with you?
 258 - Well, I think it's hilarious.
 259 - But Kitty is very upset.
 260 - Apparently, this thing is some kind of symbol of our love.
 261 - Help me toss it in the dumpster.
 262 - Oh, I'm not touching that thing.
 263 - Wait, I don't have a grip!
 264 - What is going on down there?
 265 - Hide the clown!
 266 - I don't want it. Don't give it to me!
 267 - Oh, my God! It's looking at me!
 268 - Quick, put it in here.
 269 - What on Earth was all that yelling?
 270 - Oh, nothing, we were just watching The Boy in the Plastic Bubble.
 271 - And someone came really near the bubble with a pair of scissors.
 272 - Well, did you kids hear that some vandals stole Fatso the Clown?
 273 - Uh, no, this is the first we're hearing it.
 274 - Well, I am just so upset about this
 275 - that I need to make some comfort food.
 276 - So, oh, I came down here to get peas for a casserole.
 277 - No!
 278 - What?
 279 - Aren't fresh peas better?
 280 - Well, don't be silly.

281 - Frozen peas are fine.
282 - It's not a holiday.
283 - Okay, let's see, peas, breadcrumbs, oh, I forgot the corn.
284 - I can't believe you dismembered Fatso!
285 - What is the matter with you kids?
286 - This clown means something to people.
287 - Look how upset Red is!
288 - Yes, upset!
289 - All of you dumb-ass.
290 - Mrs. Forman, I can explain.
291 - There is nothing to do in this town.
292 - I am so disappointed in you.
293 - Especially after everything I have done for you.
294 - I've opened my home, I have cooked you meals,
295 - I've loved you like you're my own children.
296 - She did that for all of you?
297 - Man, you guys are a bunch of jerks.
298 - Now, here's what you're going to do.
299 - You're gonna glue poor Fatso back together,
300 - and you are gonna take him back to his burger.
301 - Right, Red?
302 - Yes.
303 - Because if you don't... Furious!
304 - Fools in asses!
305 - Holy hell, did you see that?
306 - I've never seen Red so angry!
307 - I can't believe we're taking the clown back.
308 - You know what we should have done?
309 - Smashed it into powder, mixed it into Fatso burgers,
310 - and force-fed it to that redundant old fart who owns the place.
311 - Now that's sick!
312 - Oh, my God, Fez, there is a cop following us.
313 - Where?
314 - Don't look, he's pulling up next to us.
315 - Hurry, cover that clown with your body.
316 - Make it look like you're making out with it!
317 - No. I don't want to!
318 - Kiss it, man, we can't get caught now.
319 - Hey, someone put their old gum in his mouth!
320 - I did that!
321 - There is no cop and you kissed a clown!
322 - I can't believe I got to third base with a clown.
323 - Fez, there is nothing below his waist.
324 - I got a hold of something.
325 - I used to think criminals were stupid
326 - for returning to the scene of the crime.

327 - But I get it now. It's all about the rush!
328 - You know, now that I've seen Fatso make out with Fez,
329 - he's not so scary anymore.
330 - See, you're just a clown.
331 - A clown who wants to kill you!
332 - So there it is.
333 - The clown's back, everyone is happy, none of us went to jail.
334 - What a waste of time.
335 - Well, Randy, it looks like I've saved the day.
336 - Fatso is back on his bun.
337 - So all the bolts are nice and tight?
338 - Yes, of course. I used a catchy little
339 - jingle, righty loosey, lefty tighty.
340 - That clown ain't going nowhere.
341 - Shotgun!
342 - I'm keeping the nose!
343 - Ketchup?

4.8 Episode 08: Good Company

1 - Well, Miss Kitty, thank you so much for having lunch with me.
2 - Well, I am always up for a salad
3 - and a martini in the middle of the day.
4 - You didn't have a salad.
5 - Well, olives and onions are almost a salad.
6 - Well, I'm just glad I can come to you with all my problems.
7 - Well, sure you can, Fez. You can talk to me about anything.
8 - Just to double-check, are you sure it's normal
9 - for one of them to hang lower than the other?
10 - Well, of course, Fez!
11 - Nobody's ears are perfectly symmetrical.
12 - Kitty Forman?
13 - Marsha Sullivan!
14 - How are you? And how is that husband of yours?
15 - Great. He lost 3,000 pounds,
16 - when I took his Mercedes in the divorce.
17 - Oh, newly divorced, what a shame.
18 - And they say fourth time's a charm.
19 - Well, you know what, you should come over.
20 - It sounds like we have a lot of catching up to do.
21 - I'd love that! I'll bring a bottle of wine.
22 - Oh, well, that is terrific!
23 - I can't wait to see you!
24 - Slut. Tight-ass.
25 - Ah, Mrs. Sullivan, hello!
26 - What can these magic hands do for you today?

27 - Actually, I was thinking of trying something new.
 28 - Well, perhaps we should rinse and repeat.
 29 - Hanging out
 30 - Down the street
 31 - The same old thing
 32 - We did last week
 33 - Not a thing to do
 34 - But talk to you
 35 - We're all all right
 36 - We're all all right
 37 - Hello, Wisconsin!
 38 - Donna, this is gonna be your first birthday since breaking up with Eric.
 39 - You know what that means, no crappy gifts
 40 - to return to the science-fiction store.
 41 - Yeah, I mean, I guess it'll be kind of a relief
 42 - not to have to give him his birthday spanking.
 43 - He made you spank him on your birthday?
 44 - Yeah, and then he danced around in his underwear going,
 45 - "Happy birthday to me!"
 46 - Sorry to keep you from work.
 47 - Oh, don't worry, I already called in and said I was having sex.
 48 - Oh. Hello.
 49 - Oh, my God. Fez just banged an old...
 50 - ...smobile in the driveway with his bike.
 51 - Marsha, I would like you to meet my friends.
 52 - Friends, I would like you to meet
 53 - the most ferocious lover on two legs.
 54 - Which by the way, was new for me.
 55 - It's like watching somebody kiss their grandmother.
 56 - Ooh, my nana don't kiss like that!
 57 - Mrs. Sullivan, may I ask you something?
 58 - Was I good?
 59 - Good enough.
 60 - Yes!
 61 - Nice job, Fez. Combine two of your favorite pastimes.
 62 - Sex and antiquing.
 63 - You know, for years older men have dated younger women.
 64 - And now it's finally okay for a younger man to date an older woman.
 65 - I guess what I'm trying to say is, gross!
 66 - Say what you want, but Mrs. Sullivan is so
 67 - much more passionate than girls your age.
 68 - You kids just lie there.
 69 - Mrs. Sullivan, she moves, she shakes, she makes noises.
 70 - Are you sure she wasn't having a stroke?
 71 - Hey, so I was thinking we could all go in
 72 - together on a birthday present for Donna?

73 - But I don't know what to get her.
74 - Oh, cool, there's an echo inside my head!
75 - Hello!
76 - Balls!
77 - Awesome!
78 - You know, we could give Donna make-up, but that would be a waste.
79 - Might as well just give a dog a snow blower.
80 - Oh, Kelso did that once.
81 - Oh, no, wait. He gave his snow blower a dog.
82 - That was when he was in his "machines should have pets" phase.
83 - Bongos!
84 - Ecuador!
85 - Is there anybody in there?
86 - Oh, my God. The echo just said yes.
87 - You know what? I think I've had enough.
88 - You know, once I caught Donna using lip liner on her eyebrows.
89 - Seriously, it's like being best friends with Phyllis Diller.
90 - How about I get something and we can all give it to Donna together?
91 - Together.
92 - Man, I'm not getting the echo.
93 - Hello?
94 - There it is.
95 - Oh, oh, oh! My friend Marsha Sullivan is here.
96 - Your friend? I thought you hated her.
97 - I do!
98 - But she has the juiciest gossip because
99 - she is a filthy, disgusting, piece of...
100 - Marsha!
101 - Hello, Kitty. Hello, Red.
102 - Here, Kitty, I brought us some heavenly camomile tea.
103 - Oh, yeah. Tea's nice.
104 - You said you were gonna bring wine.
105 - She also said, "Till death do us part." Look how that worked out.
106 - Red, don't you have something to do in the garage?
107 - I can go to the garage?
108 - So, Marsha.
109 - Tell me what is going on in that adventurous life of yours?
110 - Well, actually, Kitty, I have a wonderful new boyfriend.
111 - He's delicious, and quite young.
112 - Young? How young?
113 - Forty?
114 - Younger.
115 - Thirty-nine?
116 - Younger.
117 - Well, for heaven's sake, Marsha, what's younger than 39?
118 - Kitty, I'm not gonna tell you. I don't want to shock you.

119 - Nineteen.
 120 - Well, I just don't believe this. I have a son who is 19.
 121 - Oh, that's right. I forgot about Eric.
 122 - Where is that handsome son of yours these days?
 123 - Oh. Don't you even think about it.
 124 - He is in Africa, with the lions, where he's safe.
 125 - Well, he's gotta come back sometime.
 126 - Touch him and I'll kill you in your sleep.
 127 - Oh.
 128 - Well, another day, another romp with Mrs. Sullivan.
 129 - Actually, it was three romps, but who's counting?
 130 - It was four.
 131 - Hey, guys, I got Donna's birthday present.
 132 - It's a little wrinkled and musty,
 133 - but so is Fez's girlfriend and he seems to like her.
 134 - "My parents went to Lake Michigan
 135 - "and all I got was this lousy T-shirt."
 136 - I can relate, too.
 137 - My mom once went to Lake Michigan. All I got was a half-brother.
 138 - T-shirt? What a lousy present.
 139 - It even says so, right on the present.
 140 - Hey, if you guys don't like the present,
 141 - you can steal her something better.
 142 - Okay, well, what kind of stuff is Donna into anyway?
 143 - I don't know. Beef?
 144 - No, seriously, Donna is a cool girl.
 145 - I think we should get her something cool.
 146 - Why, because you wanna have sex with her?
 147 - No, I'd do the same thing for you if it were your birthday.
 148 - Oh, so you want to have sex with me?
 149 - Yeah, Fez, I want to have sex with you.
 150 - I'd rather have a sweater.
 151 - And it's August fourth.
 152 - If you can't find any gift ideas for Donna
 153 - in here, just give her what I do,
 154 - coupons for 15 minutes of Bob-time.
 155 - You know, I always forget how big Donna's room is.
 156 - It looks much smaller from the tree across the street.
 157 - Hey, look at this! Donna uses the same hairspray as...
 158 - My sister.
 159 - Oh, look at this. Donna's diary.
 160 - Oh, I haven't looked in here in like a month.
 161 - Aw, damn, it's locked.
 162 - The key's in one of the desk drawers.
 163 - I'm not sure which. There's always a branch blocking my view.
 164 - Okay, I'm heading out, but I think I know

165 - what Donna needs for her birthday.
166 - Thicker curtains and a restraining order.
167 - Oh, my God, Fez, listen to what Donna wrote.
168 - It's from a few weeks ago.
169 - "Hyde hired this new guy Randy at the record store, and he's really cute."
170 - Donna thinks Randy is cute! Can you believe this?
171 - Jackie, you shouldn't be reading that.
172 - It's a complete invasion of privacy.
173 - Oh, if I get just the right angle on this mirror,
174 - I can see Donna when she sleeps.
175 - Here, Donna, I made you a coupon for your birthday.
176 - "Good for one knock-knock joke, no 'who's there' required."
177 - Wow, dreams can come true.
178 - See that, Red? Kids love those.
179 - You should have made them for Eric.
180 - Yeah, I suppose I could have given him a
181 - "get my foot out of your ass free" card.
182 - Ladies and gentlemen, I present to you a sinfully sweet confection
183 - and she is carrying a cake, too.
184 - Oh, my goodness, stop it.
185 - Wow, Randy, look at your shirt.
186 - Uh, Donna, how would you describe Randy's shirt?
187 - Um...
188 - Well buttoned?
189 - Cute. You would say it's cute.
190 - I'm sorry, the answer we were looking for was "adorable."
191 - Marsha!
192 - Oh, there's my lady.
193 - What in the world?
194 - Oh, you didn't know?
195 - Yeah, Fez is dating an older lady.
196 - Apparently, you taking him to all those PTA meetings really paid off.
197 - Fez is your younger man? My Fez?
198 - Isn't he gorgeous?
199 - I think I'll keep him for a couple of months.
200 - Did you hear that? I'm booked till March.
201 - Fez, you can't date her. Why not?
202 - Well, in the first place, she's so old.
203 - Isn't she kind of the same age as Mrs. Forman?
204 - Yeah, say that louder, that'll really help.
205 - How dare you dig your dirty claws into this innocent boy?
206 - Wow, it's almost like she was right in the room with us.
207 - Fez, this is an atrocity.
208 - You two have to stop seeing each other right now.
209 - You can't tell me what to do, you're not my mother.
210 - You know what? Fine!

211 - Then you just... You do whatever the hell you want!
 212 - Marsha! It's me, Bob Pinciotti.
 213 - I asked you out last month. I thought you were moving to Costa Rica.
 214 - Kitty?
 215 - Oh, no!
 216 - What's wrong? Ice, margarita mix,
 217 - the top from a bottle of tequila.
 218 - Good lord, she took the blender!
 219 - She's in the dining room.
 220 - I'll be in the garage. Save yourselves!
 221 - I can't believe Fez was seduced by that cradle-robbing slut.
 222 - You girls throw it around like football players,
 223 - couldn't one of you have slept with him?
 224 - Mrs. Forman, you need to understand something.
 225 - Fez is a deviant weirdo.
 226 - We're just glad he is doing it with a person
 227 - and not a couch, a tree or my pillow.
 228 - After all I have done for that boy, he has
 229 - the nerve to say, "You're not my mother."
 230 - If that's even what he said. Because who can understand anything
 231 - that comes out of that ungrateful mush-mouth.
 232 - Wow. Fez and an older divorced woman.
 233 - You know, if I were a divorced older woman,
 234 - I would take everything from my ex-husband.
 235 - Suffer, you cheating bastard!
 236 - Can't wait to be divorced.
 237 - Well, if he doesn't want me mothering him, fine, I'm done.
 238 - Next Christmas, his stocking will not
 239 - be hung by the chimney with care.
 240 - It will be tossed in the garbage with hair!
 241 - This place uses too much ice.
 242 - Here you go, Donna. Happy birthday.
 243 - I was gonna put a ribbon around it, but you know, I barely care.
 244 - Wow, Hyde, thanks!
 245 - I have the same shirt from the other lakes, but I needed this one.
 246 - Wait. You collect these shirts? Steven, how did you know that?
 247 - Oh, because one time I heard Donna say, "I collect these shirts."
 248 - I like when Donna wears shirts with writing on them.
 249 - The words just pop out at you.
 250 - Donna, for your birthday, I'm taking you on a journey.
 251 - "Where," you ask? To a Journey concert!
 252 - "Why," you ask? 'Cause I saw you had a poster of them in your room.
 253 - "What was I doing in your room," you ask?
 254 - Hey, stop asking questions, we're going to see Journey!
 255 - Wow, thanks!
 256 - Donna, I'm sorry I didn't get you a present.

257 - I was gonna go shopping, but Mrs. Sullivan
 258 - is not gonna be around forever.
 259 - I got to make every moment count.
 260 - Yeah, Fez, about that.
 261 - We just talked to Mrs. Forman and we learnt a couple of things.
 262 - First of all, you get a few margaritas in her
 263 - and she's a fairly decent tap dancer.
 264 - And also, she is really upset about what you said.
 265 - Yeah, Fez, she thinks of you like a son.
 266 - I mean, you know, think about it.
 267 - You know, Miss Kitty has done a lot for me.
 268 - Maybe I should go talk to her.
 269 - And on the way I'll pick up a box of chocolates.
 270 - Good. Yeah, Fez, I think she'd really like that.
 271 - Oh, then I'll pick her up one, too.
 272 - Happy birthday! I got you a diary.
 273 - Well, I noticed you needed a new one
 274 - when I was reading your old one.
 275 - You read my diary?
 276 - I didn't say that. You just said that.
 277 - Oh, you don't know what I said.
 278 - But, I also noticed you think Randy is cute.
 279 - What? I do not, that was just something I wrote, I barely meant it.
 280 - Oh? Uh-huh? Really? Then why are you going to the concert with him?
 281 - You don't even like Journey!
 282 - I love Journey.
 283 - They're the Beatles of our generation.
 284 - Oh, come on! Who are you kidding?
 285 - The only reason you put up that poster
 286 - is to cover the hole Fez was using to spy on you in the shower.
 287 - Okay. Fine. I think Randy is cute.
 288 - But it's not a big deal. Because...
 289 - I have to go. Write it in your diary, I'll read it tomorrow.
 290 - Miss Kitty?
 291 - Oh, hi, Fez.
 292 - I'd get up, but my back's still sore
 293 - from that knife you stuck in it.
 294 - Listen, Tutankhamen,
 295 - you need to fix this.
 296 - My wife has been sitting there calm and quiet all day.
 297 - I disarmed landmines in Korea.
 298 - But I have never been this nervous
 299 - that something's about to explode.
 300 - Miss Kitty?
 301 - I would like to apologize for saying that you were not my mother.
 302 - Why? It's the truth. Why don't you just tell me I'm fat, too.

303 - See, you treated me like a son, and I didn't mean to hurt you.
 304 - So, if it will fix things,
 305 - I would like to take your advice and stop seeing Mrs. Sullivan.
 306 - Okay, look, Fez. It's your life.
 307 - You can do whatever you want to do.
 308 - See, but the problem is, that on the one hand I want your approval
 309 - and on the other I want to be with women
 310 - in ways that frankly would turn your stomach.
 311 - Okay. Okay, Fez.
 312 - If you really see me as your mother,
 313 - then you need to do what any good son would do in this situation.
 314 - Lie to me.
 315 - What do you mean? Okay, well.
 316 - When Eric was still here, every Friday night he would tell me
 317 - he's going out with his friends to the movies.
 318 - But we weren't at the movies, we were drinking beer
 319 - and peeing from the top of the...
 320 - Oh...
 321 - So, you see?
 322 - Not telling each other what they don't want to hear
 323 - is what being a family is all about.
 324 - Thank you, Miss Kitty.
 325 - Now if you'll excuse me,
 326 - I'm going to not have sex with Mrs. Sullivan on her washing machine.
 327 - You have fun at the movies!
 328 - Hey, Dad. I was thinking of cashing in one of my birthday coupons.
 329 - I'll take you up on one free game of Bobopoly.
 330 - Listen, Donna, I know those are just for laughs
 331 - but I wanted to get you something serious, too. So here.
 332 - Peanut brittle, huh? Boy, I sure do love this stuff.
 333 - You didn't even see it coming!
 334 - Yep, just like last year!

4.9 Episode 09: Who Needs You

1 - No, I get the top drawer.
 2 - I've always had the top drawer and this conversation is over.
 3 - Don't you walk away from me.
 4 - I'll walk wherever I want!
 5 - Oh, look, I'm going to walk on the couch.
 6 - Oh, yeah? Well, I'm gonna drink the rest of your last beer.
 7 - I win. I put out a cigarette in there.
 8 - Ew!
 9 - What is going on with you and your stripper wife?
 10 - You guys are fighting like cats and whores.
 11 - Yep. The honeymoon is over.

12 - You know,
13 - once the thrill of being married to a stripper is gone,
14 - you're just left with a wife who's always got change for a five.
15 - You guys, the radio station asked me to host
16 - an on-air fundraiser for the Children's Library.
17 - A year ago, I was doing the Farm Report
18 - and now it's gonna be Hot Donna all day long.
19 - That's right. I'm gonna be referring to myself in the third person from now
on.
20 - Wait. You're not doing the Farm Report anymore?
21 - Well, how am I supposed to know if my corns are going to grow?
22 - And I told my boss
23 - that I'm not getting off the air until I've raised 500 bucks.
24 - Which'll be easy, because my fans do anything I say.
25 - Like, there was this one time where I told everybody to get up and dance
26 - when I played Tear The Roof Off The Sucker.
27 - There was almost a riot at the prison.
28 - Yeah. Thanks a lot, Donna. My dad had to hide under his bunk.
29 - Hyde, thanks for letting us broadcast from Grooves.
30 - We couldn't do it at the Children's Library,
31 - because the last time I was there,
32 - this 10-year-old boy got a peek down my shirt and his mom had to read
him
33 - What's Happening to My Body? Three years earlier than she planned.
34 - And, well, now I'm not welcome back.
35 - Wait a second, you guys are doing this at my store?
36 - Where was I when this was decided?
37 - At work. We just didn't want to wake you.
38 - I cleared all your crap off the bed. Why the hell did you do that?
39 - Because we're gonna use it to make up.
40 - Unless you want to make up in the shower.
41 - Honeymoon's back on.
42 - Oh. It's you.
43 - Fenton.
44 - During business hours you may address me by my official title, "Landlord."
45 - I'll also respond to "Lord Fenton."
46 - Ooh, or on Sundays, "The Good Lord."
47 - Yes.
48 - Fenton, I am in no mood to talk to you.
49 - Oh, well, then just listen.
50 - I did a little shuffle-y-doo with the parking assignments.
51 - Your new space is Z.
52 - Z? Z's the last spot.
53 - It's dangerous to walk from there at night.
54 - I'm a single man.
55 - Well, maybe you should put some effort into your appearance.

56 - Maybe you should put some effort into minding your own business!
 57 - Maybe you should shut up! Maybe you should go to hell!
 58 - I'll go to hell when you shut up!
 59 - Damn. I really should have turned in the direction of my door.
 60 - Excuse me. Of course.
 61 - Hey Fezzie! How's the salon?
 62 - Horrible. An old lady and a Marine came in at the same time.
 63 - I got confused.
 64 - And, well, Mrs. Riley was not happy when I shaved her head.
 65 - Yeah, I know. I had a tough day too.
 66 - General Hospital is pre-empted by some stupid hostage crisis.
 67 - Did you drink my last grape soda?
 68 - Yeah.
 69 - I left the empty bottle in the fridge, so you'd know to buy more.
 70 - But I'd been looking forward to this grape soda all day.
 71 - I even made up a song.
 72 - I'm looking forward to that grape soda, yeah
 73 - Jackie, I took you in when you had nowhere to go,
 74 - but you've been a total mooch.
 75 - You have no job, you pay no rent.
 76 - You need to shape up or put out.
 77 - Uh, Fez, it's shape up or ship out.
 78 - Then what the hell is in it for me?
 79 - Hanging out
 80 - Down the street
 81 - The same old thing
 82 - We did last week
 83 - Not a thing to do
 84 - But talk to you
 85 - We're all all right
 86 - We're all all right
 87 - Hello, Wisconsin!
 88 - You know I hate it when you read the paper
 89 - while I'm sitting right here next to you!
 90 - Yeah. That's why I'm doing it, honey-bunch.
 91 - Why don't you read your horoscope?
 92 - I bet it says, "You won't be getting any!"
 93 - Oh, here is my horoscope. "You'll find yourself living with a bitch!"
 94 - You know why they're fighting?
 95 - Because they're packed into Steven's tiny room like sardines.
 96 - And that's no way to be.
 97 - Unless you are a sardine and then you've got bigger problems.
 98 - I think I see where you're going with this, Kitty.
 99 - You kick them out and I'll change the locks.
 100 - No. They should move into Laurie's old room. It's just sitting there.
 101 - Kitty, "It's just sitting there" is a reason to shoot a deer,

102 - not a reason to move two kids in next door.
103 - Oh, you're just upset because you don't want people
104 - seeing you in your big, green, fuzzy slippers.
105 - Those are my Green Bay Packers slippers.
106 - And they looked a lot sharper in the catalog.
107 - Okay, Hot Donna fans.
108 - I'm here at Grooves Records raising money for the Children's Library.
109 - And I am not getting off the air until my jug is full.
110 - We have our first donation. Sir, how much did you give us?
111 - Uh, 68 cents.
112 - All right. And how did you come into that kind of cash?
113 - I bought something that cost 32 cents.
114 - Terrific. Hey, here's a fun fact.
115 - Money is covered in germs and human waste, so give it to me.
116 - Hop in your cars, your trucks, your speed wagons
117 - and come on down to Grooves.
118 - Speaking of speed wagons, here is a new song from The Cars.
119 - Hey, after this song, do you think I can do one of my characters?
120 - I do a really great British boy trapped in an elevator.
121 - Please, sir, I'm stuck in the lift and I 'ave to use the loo.
122 - Okay, it's been two hours and I'm nowhere near my goal.
123 - Um, I understand that some of my fans
124 - can't make it here because, well, you're in prison.
125 - But for those of you who aren't, rob a bank or something.
126 - Just kidding.
127 - WFPP in no way endorses the robbing of banks.
128 - I think what you're doing here is great, man.
129 - Thanks, Leo.
130 - Yeah, we haven't had a trash can here in ages.
131 - Oh, yeah, Fenton? Well, if I could do that to myself,
132 - I wouldn't be standing here arguing with you!
133 - Wow! This place is spotless.
134 - I can see my reflection. Why, hello, Robert Redford.
135 - Well, Fez, I realized what you said was true.
136 - That I needed to help out. So I cleaned.
137 - I guess all the years of watching my maid scrub the floor really paid off.
138 - Well, thank you, Jackie. You deserve a big night out.
139 - I'm taking you to The Muppet Movie.
140 - No thanks, Fez.
141 - I'm actually running the bath and I'm going to spend all night soaking in
the tub.
142 - Okay, well, then let's do that then.
143 - Alone.
144 - Fine. But I'm still going to the movies.
145 - I think Miss Piggy and Kermit are finally going to do it.
146 - Why the hell did you turn the TV on?

147 - To drown out your snoring!
 148 - I was snoring to drown out your talking!
 149 - Okay.
 150 - I can't put up with those two fighting anymore.
 151 - It's like living with a couple of Italians.
 152 - Oh, yeah. We moved two fighting morons
 153 - into an adjacent room, and now we can't sleep.
 154 - Who could have seen this coming?
 155 - Hot Donna here. Heading into my 12th hour on the air.
 156 - Our top news story, I've raised 38*and my ass is asleep.*
 157 - *I guess what I'm trying to say is,*
 158 - *"Where the hell are all my fans?"*
 159 - *Yeah, I know you're home listening.*
 160 - *I've signed enough of your bellies to know you're not out on dates!*
 161 - *You know what? Just forget it.*
 162 - *I'll find my own change, you cheap bastards!*
 163 - *Donna, what are you doing? I'm looking for change, man. Back off.*
 164 - *Whoa, I wouldn't stick your hand in there.*
 165 - *Sometimes when Leo doesn't finish his lunch, he puts it in his pockets.*
 166 - *He eats a lot of ravioli.*
 167 - *Hey, are you stealing my raviolis?*
 168 - *Okay, listen up, you tight wads.*
 169 - *I can't go home till I've raised 500 bucks.*
 170 - *So this is how it's gonna work.*
 171 - *Donate a quarter, I'll take a picture with you.*
 172 - *Drop in a dollar, I'll sign your butt.*
 173 - *Anybody who donates 50 bucks, I'll take off my clothes and show you stuff!*
 174 - *Hmm. I never made that sound before.*
 175 - *Jackie! What? What's going on?*
 176 - *You flooded the apartment!*
 177 - *What?*
 178 - *Oh, I must have fallen asleep with the tub running.*
 179 - *Oh, I bet all the hot water's gone.*
 180 - *It soaked into the carpet and into the floor.*
 181 - *Well, who lives downstairs?*
 182 - *Oh. It's you.*
 183 - *What do you want?*
 184 - *Um, we're just here to borrow some sugar, neighbor.*
 185 - *I don't have any.*
 186 - *You don't eat sugar and keep this figure.*
 187 - *Then we'll go. Because everything here looks ship - shape.*
 188 - *Goodnight then.*
 189 - *This is terrible.*
 190 - *Your apartment is ruined. Water is still pouring into mine.*
 191 - *I'm gonna have to walk around in a big, rubber suit.*
 192 - *If it still fits!*

193 – *Fenton, I know it looks bad, but according to the commercial,*
 194 – *one roll of Bounty should take care of everything.*
 195 – *You're going to pay for the carpet, the floor, and my damaged ceiling.*
 196 – *How am I supposed to find that kind of money?*
 197 – *Well, you always seem to find money for those tacky, tight pants you wear.*
 198 – *You wish your pants were tight.*
 199 – *You wish your pants were loose.*
 200 – *Toothpick – legs! Sausage – thighs!*
 201 – *Get out!*
 202 – *You. Pack your bags.*
 203 – *Fez! That's a great idea!*
 204 – *Let's go to Bermuda while this place dries out.*
 205 – *You pushed it too far. I want you out.*
 206 – *Wait, what? Fez, where am I supposed to go?*
 207 – *Oh, how about this? Why don't you go down to*
 208 – *I – Don't – Care Street, make a left on Get – Out – Of – My – Life Boulevard,*
 209 – *and take the express bus to downtown Suck – It?*
 210 – *Samantha, Red and I both felt we needed to talk to you.*
 211 – *Steven, Kitty is making me talk to you.*
 212 – *We're worried that you two aren't*
 213 – *communicating the way a couple should.*
 214 – *We're sick of you screaming at each other*
 215 – *like a couple of dumbasses.*
 216 – *Red, what happens between me and Sam*
 217 – *is kind of private.*
 218 – *I'll tell you anything.*
 219 – *Hyde and I are like an open book.*
 220 – *Oh, Red and I share everything too,*
 221 – *except bar soap. It's unsanitary.*
 222 – *Well, I gotta tell Kitty something.*
 223 – *You two going to stop fighting?*
 224 – *You see the thing is...*
 225 – *Fighting gets Hyde and me all worked up and...*
 226 – *After we fight, we... Well, you know.*
 227 – *We get naked and have hot, crazy sex.*
 228 – *Good God, I didn't need to hear about that!*
 229 – *Holy Toledo, tell me more about that!*
 230 – *So you're saying...*
 231 – *You put up with the fighting to spice up your S – E – X?*
 232 – *Exactly.*
 233 – *You two are naughty.*
 234 – *You two are idiots.*
 235 – *Fenton, I'm so glad I caught you.*
 236 – *Look, this whole mess is my fault and not Fez's.*
 237 – *I'm the one who ran the bath. I flooded the place.*
 238 – *I ruined your creepy night of classical music and Indian food.*

239 – *Well, you also ruined this. My beautiful pig – suede jacket.*
 240 – *From China? Mmm.*
 241 – *Oh, it's beautiful.*
 242 – *And versatile.*
 243 – *You can wear it as a jacket or a sport coat*
 244 – *or you can wrap it around your waist*
 245 – *when you're having a big – butt day.*
 246 – *Fenton, please let me make this up to you.*
 247 – *I know a great place we can get an even better jacket.*
 248 – *It may not be suede and it may not be from China,*
 249 – *but I am neither of those things and I'm a better person for it.*
 250 – *Well, it's better begood stuff.*
 251 – *Cheap leather makes me ashy in all the wrong places.*
 252 – *What are the right places?*
 253 – *I've said too much.*
 254 – *Hello, Donna.*
 255 – *Santa Claus?*
 256 – *Am I having a dream?*
 257 – *No, Donna. This is really happening.*
 258 – *What are you doing here?*
 259 – *Well, I've come to fill your jug with change,*
 260 – *so that you can help build that library*
 261 – *for all the good little boys and girls.*
 262 – *Wow. Thanks, Santa.*
 263 – *And to think everyone said you weren't real.*
 264 – *Who? I'll kill those little bastards!*
 265 – *I... I mean... Who?*
 266 – *Donna?*
 267 – *Don't kill them, Santa! Please don't kill them!*
 268 – *Donna, calm down. It's me, Randy.*
 269 – *I brought change.*
 270 – *My nana, God rest that sweet woman's soul,*
 271 – *gave me this bank when I was just a boy.*
 272 – *She didn't have much,*
 273 – *but every time she came over she told me to close my eyes*
 274 – *and she'd drop a silver dollar in here.*
 275 – *I want you to have it.*
 276 – *Oh, my God, Randy, you are so awesome.*
 277 – *Pennies? Thanks a lot, Nana!*
 278 – *I guess all your real money must have gone to Jack Daniel's*
 279 – *and slot machines, you lying old hag!*
 280 – *Randy, don't worry about it.*
 281 – *I mean, at least you tried.*
 282 – *Yeah, well, I'd like to do what I can to help.*
 283 – *Because I care about the Children's Library.*
 284 – *You hear that, Point Place?*

285 – *Randy Pearson loves little boys.*
 286 – *Okay, well, Steven and Samantha are moving back downstairs*
 287 – *because they're not gonna stop fighting.*
 288 – *And you know why?*
 289 – *Yes, unfortunately, I do.*
 290 – *What kind of a person has to argue in order to... You know.*
 291 – *Well, what's wrong with it if it spices up their lovemaking?*
 292 – *Jeez, Kitty, is that what we're doing? We're just saying it now?*
 293 – *Well, you never want to talk about anything.*
 294 – *And you always do.*
 295 – *I can't get any peace unless I leave the room.*
 296 – *And even then, I have to run the lawn mower*
 297 – *in the garage in order to not hear your constant yammering.*
 298 – *Red Forman! Speechless, huh?*
 299 – *Well, it's about damn time.*
 300 – *I thought we were trying this...*
 301 – *Oh!*
 302 – *Jackie... Oh! Jackie, I had such a great time with you.*
 303 – *I got a new jacket, a manicure, crepes.*
 304 – *I didn't know a woman could be so into that stuff.*
 305 – *I know. Fenton, I had such a great time with you too.*
 306 – *Well! I fit isn't Jackie.*
 307 – *There's only one person I hate more than Jackie, and that is Fenton.*
 308 – *And Fenton, there's only one person I hate more than you.*
 309 – *Queen Elizabeth.*
 310 – *Who does she think she is? Queen of England?*
 311 – *Well, don't worry, Fez, 'cause I'm leaving tonight.*
 312 – *Whoa! Whoa! Whoa!*
 313 – *You're leaving? Yeah, she's leaving.*
 314 – *She destroyed my apartment. She's costing me a fortune.*
 315 – *Jackie I... I can't let you go. I mean,*
 316 – *you have the other half of my "best friends forever" heart charm!*
 317 – *Well, Fenton, I'd love to stay.*
 318 – *But all good friendships require,*
 319 – *you're going to have to do something for me.*
 320 – *Forgive Fez and not charge him for any of the damages.*
 321 – *Well, Jackie, you're putting me in quite a bind.*
 322 – *And not in a good way.*
 323 – *Unfortunately, I don't respond to threats, so...*
 324 – *Okay. See you. Don't go!*
 325 – *Fine. He's off the hook.*
 326 – *Yeah?*
 327 – *Fez? Come on, what do you say? Can I still be your roommate?*
 328 – *Fine.*
 329 – *But if she's staying, I want a better parking space.*
 330 – *You can have S.A!*

331 – *S!S!B!C!*
 332 – *Whydon'tyouparkontherooftandpayme3,000?*
 333 - Is S still available?
 334 - Apparently in my delirium last night,
 335 - I said a few things on the air that I shouldn't have said.
 336 - So I need to apologize to the following groups of people.
 337 - The Irish.
 338 - People who make their living from boats.
 339 - Any religion that values the Old Testament.
 340 - Glass blowers.
 341 - Cross-country skiers. It's not just walking.
 342 - Um... Quakers.
 343 - I don't know what you are, but I love your oatmeal.

4.10 Episode 10: Sweet Lady

1 - Hyde, new releases just arrived at the store.
 2 - Oh! Is that Abba?
 3 - Oh, cool! I love the Talking Heads.
 4 - They have a girl in the band and she's like
 5 - a real musician who doesn't have to use her sex appeal.
 6 - Although it wouldn't kill her to put on some lipstick.
 7 - Maybe pop a few zits. I mean, you're on stage for God's sake!
 8 - My band has a girl in it too and we totally respect her as a musician.
 9 - A musician with really big boobs.
 10 - Hey, you know what they should have? An all-girl band.
 11 - Except instead of playing instruments,
 12 - they just dance around and make out.
 13 - You know, you and Karen could totally hit it off.
 14 - My band and I are heading up to my parents' cabin this weekend,
 15 - if you wanna come.
 16 - Oh, well, my dad asked me to shave a "G"
 17 - into his back for the Packers game.
 18 - So yes, I would love to come.
 19 - Ooh, Barry Manilow. All right, Randy, here's what I want you to do.
 20 - Take this record, go back to the store.
 21 - Anybody looks like a Manilow fan, chuck it at their head.
 22 - Even better, I'll throw it at their crotch.
 23 - We don't want those people reproducing.
 24 - So, Donna. Sounds good.
 25 - You and Randy in a cabin. Breathing in the fresh mountain air.
 26 - Having sex.
 27 - What are you talking about?
 28 - Well, you see, when a boy likes a girl, the boy gets the girl drunk...
 29 - Hyde.
 30 - That's not gonna happen.

31 - He's not into me like that and he knows I'm getting over a break-up.
 32 - Come on, man. Don't you know how guys think?
 33 - Not really.
 34 - The only guy I have ever been with was Eric,
 35 - and as far as I know, a typical guy's thoughts are,
 36 - "Who would win in a fight? Bigfoot or Chewbacca?"
 37 - All right. Here's what a typical guy thinks about.
 38 - Sex, beer and pinball.
 39 - Now, if a guy can have sex while drinking beer on a pinball machine,
 40 - well, that's the beautiful story of how I met my wife.
 41 - Well, if it isn't Miss Mooch, my unemployed roommate.
 42 - What would you like to mooch today?
 43 - My cheese puffs? My Yoo-hoo? My Oil of Olay?
 44 - Fez, I want to find work, but it's really hard.
 45 - I spent all morning going to every store in the mall.
 46 - And when I find the right outfit, I'm gonna look for a job.
 47 - Fez! I look fantastic!
 48 - You know, I always give credit where credit is due.
 49 - So thank you, God, for my fantastic bone structure!
 50 - So, Christine, what's on the agenda
 51 - for my favorite local talk show host?
 52 - I mean besides looking Fez-tastic.
 53 - Well, today I'm off to the zoo.
 54 - It seems a baby elephant is being born.
 55 - And I want to be the first thing it sees,
 56 - so it knows there's beauty in this ugly world.
 57 - Well, for my money, nothing beats the time
 58 - you rode along with cops and stopped the liquor store hold-up.
 59 - Well, I got lucky then.
 60 - The day before's show I learned to do the flamenco.
 61 - And as it turns out, a high dance kick doubles beautifully
 62 - for a knock-out blow to the face.
 63 - Ciao, darling!
 64 - I love it when she says, "Ciao."
 65 - It's like she's made up a whole new way to say goodbye.
 66 - Was that Christine St. George?
 67 - She's my idol! That's who I should be working for!
 68 - We could co-anchor What's Up Wisconsin together!
 69 - Oh, I could just picture it!
 70 - I'm Christine St. George.
 71 - And I'm Jackie St. Jackie!
 72 - And it's time to ask,
 73 - What's Up Wisconsin? What's Up Wisconsin?
 74 - Coming up today, war, famine, disease.
 75 - But first, our top story. Jackie St. Jackie is spectacular!
 76 - And in sports today, I'm gorgeous!

77 - Oh, this just in. Jackie St. Jackie is the greatest girl ever!
78 - I am!
79 - I know!
80 - Jackie St. Jackie? I got breaking news. You're freaking nuts!
81 - Hanging out
82 - Down the street
83 - The same old thing
84 - We did last week
85 - Not a thing to do
86 - But talk to you
87 - We're all all right
88 - We're all all right
89 - Hello, Wisconsin!
90 - Oh, Jackie, you're watching Christine St. George. I just love her!
91 - The other day she had a tiger cub on her show.
92 - It was just the sweetest thing you ever saw!
93 - Right up until it mauled the weather man.
94 - Yeah, but he probably deserved it.
95 - He looks like he smells like ham.
96 - Oh, but you know what? Christine handled it perfectly.
97 - She distracted the tiger with the food critic's lamb chop
98 - and then she made a tourniquet out of her microphone cord.
99 - I know, she's amazing! Oh, oh, she's back!
100 - That sure is one big pumpkin, Tim!
101 - Coming up, a high school marching band
102 - that collectively has lost more than 400 pounds!
103 - You know what? I'm gonna write Christine a letter and ask her for a job.
104 - Oh, no, no, no, no, you have got to go talk to her in person.
105 - Trust me, there is nothing celebrities like more
106 - than people showing up in their offices.
107 - Steven, you have finally reached that point in your life
108 - where you're no longer a dumb ass kid.
109 - You're a dumb ass man.
110 - Wow. Those dumb ass teen years just flew by.
111 - And now that you're married, I'm gonna take you on a rite of passage
112 - to the Viking Lodge.
113 - Gosh, Red, I don't know what to say.
114 - I guess the first thing that comes to mind is, uh, no.
115 - I stripped at the Viking Lodge in Vegas for a guy's 85th birthday.
116 - He had a heart attack.
117 - But then the paramedics showed up
118 - and they were really good tipplers.
119 - Come on, Steven!
120 - You need a place where you can hang out
121 - and have a beer with other married men.
122 - Boy, does that sound boring.

123 - Hanging out in a dingy room, drinking beer, doing nothing.
 124 - Now, if you'll excuse me, I'll be in the basement.
 125 - All right, Red, I guess I'll go.
 126 - You're not gonna make me wear one of those silly Viking hats, are you?
 127 - 'Course not, don't be ridiculous.
 128 - Ours have horns and chin straps,
 129 - and your name stitched in yarn. It's very classy.
 130 - Wow! Nice cabin.
 131 - It's got a cozy, mid-century, dead carcass feel to it.
 132 - Yeah, I like to come up here when I really feel like roughing it.
 133 - So, you hook up the VCR. I'll go microwave some nachos.
 134 - Hey, Donna.
 135 - Did you have sex with Randy yet?
 136 - Would you shut up?
 137 - That is not what this weekend is about.
 138 - Oh, yeah, you're right.
 139 - A guy invites a hot girl to a private cabin deep in the woods.
 140 - It can only mean one thing. He wants you to meet his band!
 141 - Okay, maybe it's a little weird that they're not here.
 142 - A little weird?
 143 - That's like saying it's a little crazy
 144 - that you're talking to a floating head.
 145 - Well, we are alone. He did bring wine.
 146 - Wait a minute! Maybe you're right! Maybe he wants to get it on!
 147 - Did somebody say get it on?
 148 - Fez, will you get out of here?
 149 - Yeah, Fez, beat it!
 150 - Ow! Why you...
 151 - Son of a bitch!
 152 - Hi, I'm here to see Christine St. George.
 153 - Do you have an appointment?
 154 - No, but I am her biggest fan and I would love to be her co-anchor.
 155 - Okay, have a seat and a psychiatrist will be right with you.
 156 - Oh, please, miss, couldn't you just let us in for two minutes?
 157 - I got a better idea. How about if I let you in for no minutes?
 158 - Please? Please, could you let us in?
 159 - I know I have what it takes to be on TV
 160 - and I just need to demonstrate my talents to Christine.
 161 - Oh, and I just want an autograph. Or a souvenir.
 162 - She made cheesecake on yesterday's show. Is that around?
 163 - You really want to get in, huh?
 164 - Okay, I'm thinking of a number between one and 10.
 165 - Six. You got it!
 166 - Wait. So does that mean we can go in?
 167 - No. That's the number of cops I'm gonna call if you don't beat it.
 168 - But I'm supposed to be her co-anchor!

169 - And I'm supposed to be Brooke Shields. Ain't life a bitch?
 170 - So, Steven, this is the Viking Lodge. What do you think?
 171 - I can see why you got that CPR poster in the hallway.
 172 - Red!
 173 - It's great to see you! Who's the new guy?
 174 - Murph, Smitty, this is my friend Steven. Hey.
 175 - Steven just got married.
 176 - My condolences.
 177 - Listen, I've been married for 40 years
 178 - and I'm half the man I used to be.
 179 - But it evens out. My wife is twice the woman she used to be.
 180 - He's saying she's fat.
 181 - Big woman.
 182 - You know, pretty soon your wife will be
 183 - nagging at you about doing one chore or another.
 184 - You know, taking out the garbage,
 185 - mowing the lawn. Making love to her.
 186 - Wait till she starts finishing your sentences for you.
 187 - Or in my case, my pizzas.
 188 - You know, I used to think it was cute
 189 - when my wife finished my sentences.
 190 - You know what I want her to finish now? Living!
 191 - See, that's the thing about marriage.
 192 - No one tells you about the three rings.
 193 - There's the engagement ring, the wedding ring, and the suffering.
 194 - He's saying she's annoying.
 195 - Big pain.
 196 - Is this all you guys do? Just stand around
 197 - the bar and complain about your wives?
 198 - Of course not!
 199 - So listen, I'm having a few drinks the other night,
 200 - and my old lady says, "I suppose you like
 201 - "yourself better when you're drunk."
 202 - I says, "No, I like you better."
 203 - My wife came to me the other day and said,
 204 - "We don't talk anymore." And I said, "You ruined the streak!"
 205 - You know, I'm learning a lot from you guys in here.
 206 - For instance, bras. Not just for girls.
 207 - The steam is great.
 208 - Time to loosen the towel and release the hounds.
 209 - Don't look down. Don't look down.
 210 - I saw the hounds!
 211 - Miss St. George, you put the beauty in beautiful,
 212 - the sass in sassy and what else can I say? I love a big tip!
 213 - And what else can I say? I love a big kiss ass!
 214 - So, who's gonna be on the show today?

215 - Oh, Pete Rose. I gotta go warm up.
 216 - I don't want my slider to hang over the plate.
 217 - He really took me downtown the last time, but not today, Pete Rose!
 218 - Not today!
 219 - Okay, well, let me get your hair products. I'll be right back.
 220 - Okay, darling.
 221 - Hi, this is Jackie St. Jackie,
 222 - reporting live from Fresh Hair.
 223 - Today's topic, ugly people running with scissors.
 224 - Health hazard or community service?
 225 - Oh, why, hello, Christine St. George!
 226 - Why, hello, crazy girl talking into a hairbrush!
 227 - Jackie! Out! Out! Out!
 228 - I apologize, Miss St. George.
 229 - This is Jackie, my roommate.
 230 - She wants to be your co-anchor on What's Up Wisconsin.
 231 - Well, from what I've seen you do so far,
 232 - Jackie, I'd say you have what it takes.
 233 - Really? No.
 234 - But you seem like a dear thing, so good luck to you. Adios!
 235 - Adios? How does she even come up with those?
 236 - Oh, she forgot her hair products. Christine!
 237 - Wait! No, no! Fez! Wait, wait, let me deliver them to the studio.
 238 - They'll have to let me in and I can talk to her.
 239 - I don't know, Jackie.
 240 - I'll give you a free peek at me in the shower.
 241 - This end is up.
 242 - Well, it took a while, but the rugged
 243 - outdoorsman finally got the fire going.
 244 - Lucky for us he was hiking by.
 245 - Well, Randy. Here we are.
 246 - All alone. In front of a nice roaring fire.
 247 - This has worked out perfectly.
 248 - The only thing you forgot is I'm not a stupid bimbo!
 249 - What?
 250 - This whole act may work on your little groupies, but not me.
 251 - So find another groupie to grope, you gross groupie-groper!
 252 - Donna, how can you say that?
 253 - I mean, literally, that sounded really hard to say!
 254 - This whole night has been one long set-up to get me alone!
 255 - "Oops, my friends didn't make it." What's next?
 256 - "Oops, I spilled wine on your blouse. Oops, we're naked!"
 257 - "Oops, I made an ice-cream sundae on your boobs!"
 258 - Donna, meet my band.
 259 - The band is here!
 260 - Band, meet Donna. Believe it or not, she's sober.

261 - I'll help you guys unload the van.
 262 - Um, Randy, I feel like such a moron.
 263 - I thought you were trying to hit on me.
 264 - Donna, I wouldn't do that.
 265 - I'm pretty old-fashioned when it comes to romance.
 266 - We're talking flowers, candy, love poems.
 267 - And, well, you haven't given me any of those things.
 268 - I mean, this is gonna be really hard to say,
 269 - but I'm sorry that I called you a groupie...
 270 - A gross groupie... I can't even say it.
 271 - Wait, you two aren't going to do it?
 272 - No. You guys were wrong.
 273 - And since I control you, I can make you do this!
 274 - Donna, stop it!
 275 - Gross, man, what did you eat for lunch?
 276 - Christine St. George? Hi, Jackie Burkhart.
 277 - Yes, the roving hairbrush reporter.
 278 - How did you get past reception?
 279 - Well, I really wanted to talk to you,
 280 - so I asked Fez if I could deliver your hair products.
 281 - Oh. Oh! Well, I'm glad you did.
 282 - Because now that I see you standing in a television studio,
 283 - I think you have a solid career ahead of you.
 284 - As a delivery girl. Can I validate your parking?
 285 - But Miss St. George, please. If you would just give me a chance.
 286 - Look, I know I have what it takes to be on TV.
 287 - I own three of them! I also know everything about you.
 288 - What you like, what you don't like. What you wear.
 289 - Dear, these are skills I could teach a monkey.
 290 - And as a matter of fact, I did. Episode 427.
 291 - Oh.
 292 - But here's the good news. I like you. You've got spirit.
 293 - No. Moxie, yes. Wait! No, it's gumption.
 294 - Oh, there's a word for it and I can't think what it is.
 295 - Oh, well. The point is, look,
 296 - you have a job if you want it, as my assistant.
 297 - Really? Yes.
 298 - I'll take it! I have a job in television! Okay.
 299 - Oh, wait, wait, do I get to say What's Up Wisconsin?
 300 - You can answer the phone any way you like.
 301 - Oh, there is my little Viking in training.
 302 - So, how was last night?
 303 - Don't even get me started on the hounds. Oh! The hounds.
 304 - The hounds are an old man's testicles.
 305 - I don't know how I'm gonna tell Red, but I don't wanna be a Viking.
 306 - All those guys do is sit around

307 - and complain about their wives.
 308 - Oh, Steven, no. Those men were just kidding around.
 309 - Did Red tell the one about the three rings? I came up with that.
 310 - Steven! Bad news about the Viking Lodge. They don't want you back.
 311 - All my hopes and dreams have been unaffected.
 312 - But you know, just out of curiosity,
 313 - why would they not want me back?
 314 - It was Smitty.
 315 - He felt that your eyes were lingering.
 316 - Oh, Jackie. How is the first day of work going?
 317 - Terrific. I can't believe I'm in the glamorous world of show business,
 318 - that I have finally arrived! Oh, here's your coffee.
 319 - Thank you.
 320 - I asked for half and half. This is milk.
 321 - Right, but I kind of, sort of thought they were the same thing.
 322 - No, no, half and half is not the same thing as milk.
 323 - They're different.
 324 - Just as listening to me and not listening to me are different.
 325 - Like happy and furious are different!
 326 - Like employed and fired are different. Do we understand each other?
 327 - Good!
 328 - Now get me the coffee I want or I'll get a monkey to do it!
 329 - Jackie! Psst! Come here!
 330 - Don't take it so hard, sweetie.
 331 - Sometimes Christine flies off the handle like that.
 332 - But most of the time she's a real sweetheart.
 333 - Oh. Really? No.
 334 - Welcome to hell!
 335 - Hey, the name of the show is What's up Wisconsin.
 336 - Why is it that every story you write is about Minneapolis?
 337 - All right, you know what? You're fired. Go take a slow boat to China!
 338 - Maybe I will. I love boats.
 339 - Hey, Christine, hey, what do you think about my new beret?
 340 - This is what I think about it!

4.11 Episode 11: Good Old Fashioned Lover Boy

1 - Ah, Kitty. Making brownies for breakfast?
 2 - No. Brownies have too much sugar to be a healthy breakfast.
 3 - Here, have some Fun Time Snack-A-Doodles.
 4 - Uh, Mrs. Forman, can I borrow your curling iron?
 5 - I was gonna borrow Donna's, but hers smells like potatoes.
 6 - It wasn't my fault. My dad used it to make curly fries.
 7 - Well, I wanna look good for my first
 8 - full day of work at the TV station.
 9 - I wanna look super pretty, so that co-workers won't mind

10 - when I stab them in the back.
11 - You could try my hairstyling technique. Wake up, remove pillow.
12 - You know, I am just so excited for you,
13 - working for TV's Christine St. George.
14 - She is my hero. She's amazing, she's talented...
15 - She's the devil.
16 - She seems sweet to me.
17 - Last week, she was having a lot of fun
18 - with this dog that could say, "Christine."
19 - It sounded like, "Wrureen."
20 - It was pretty good.
21 - Okay. Rumor has it that as soon as the cameras went off,
22 - she had that dog neutered.
23 - Well, I just cannot believe that a woman who makes
24 - her own potpourri could be that bad.
25 - Now, if you're still nervous about her,
26 - just do what I did when I first started at the hospital.
27 - Kitty, I don't think she is allowed to bring Kahlua to work.
28 - No, you just... You bring in some treats and put them on your desk.
29 - That's what I did with my awful boss.
30 - Now he loves me, he weighs 300 pounds
31 - and he sweats when he ties his shoes.
32 - I win.
33 - Here, take some brownies.
34 - Thanks. Well, I guess it's true what they say.
35 - Keep your friends close and your enemies fat.
36 - You know, if you want to impress them, do a good job.
37 - If your job is making coffee, make coffee.
38 - If your job is answering phones, answer phones.
39 - If your job is sharpening pencils...
40 - Get a new job, 'cause that one blows.
41 - You know what? At this point, I'll try anything 'cause Christine is a bitch.
42 - You know, that is a double standard.
43 - Why is it okay for a man to be a hard ass boss
44 - but when a woman is, she's labelled a bitch?
45 - Because Christine's a bitch.
46 - Good morning, Jackie.
47 - How are you enjoying your time behind the scenes
48 - at the fifth largest TV market in Wisconsin?
49 - I don't know. I'm working pretty hard. Well, good.
50 - Oh, here are your messages, Miss St. George.
51 - Great. And, uh, I also made
52 - a new fresh pot of coffee. Wonderful.
53 - And I sharpened the pencils on your desk.
54 - You... Are you a complete moron?
55 - Those pencils were a gift from Jane Pauley.

56 - Well, they still say, "Love and kisses, Jane Pau."
57 - How would you like it if I ruined something of yours?
58 - That was your mug.
59 - My Ted Koppel mug!
60 - Listen, my job as TV host is to be happy.
61 - And your job is to keep me happy.
62 - You screw up one more time and you're out of here.
63 - Okay, everybody, let's do a super good show.
64 - Hanging out
65 - Down the street
66 - The same old thing
67 - We did last week
68 - Not a thing to do
69 - But talk to you
70 - We're all all right
71 - We're all all right
72 - Hello, Wisconsin!
73 - Why is there no orange juice in my mini-fridge?
74 - I'll stock you right now.
75 - No, dear.
76 - That would be the answer to the question,
77 - "When are you going to stock it?"
78 - My question was, "Why is it empty?"
79 - Um, brownie?
80 - I want my orange juice. I don't want your leftovers.
81 - Do I look like a homeless person to you?
82 - Oh, oh! All I wanted you to do was just to try a brownie.
83 - Oh, all right, you big baby. I'll have one of your brownies.
84 - Hmm, this is pretty good.
85 - Really? Mmm-hmm.
86 - Well, thank you.
87 - All right, well, I also made up your schedule for tomorrow.
88 - Oh, did you? Good.
89 - Oh, good job. Oh, yeah.
90 - Really? Mmm-hmm.
91 - Great. Okay, well,
92 - they canceled your appearance with the boy who fell down the well.
93 - Ah, thank God.
94 - Why are we celebrating that?
95 - The boy is just clumsy.
96 - Listen. I'm sorry I yelled at you earlier.
97 - Oh, you must think I'm a complete psycho.
98 - It was completely my fault.
99 - I should have just moved out of the way
100 - when you threw that script at me.
101 - No, no, not at all, because if you had,

102 - the script would have gone flying right past you
103 - and might have hit somebody important.
104 - What are you listening to?
105 - Nothing.
106 - Hyde is always giving me crap about my poofy hair,
107 - so I use these sweet babies to hold it down.
108 - Oh, my God, look at David Bowie.
109 - He's got a nicer ass than I do.
110 - Randy, this is where you disagree.
111 - I'd like to Donna, but he's wearing a dress. You're wearing jeans.
112 - I'm very confused.
113 - All right. I gotta go to work, but before I do, I have to do one thing.
114 - Ha ha! Re-poofed your hair.
115 - Hey, Randy, can you help that chick sitting on the couch?
116 - Oh, wait. That's you.
117 - Guys, who put a sandwich in the cash register?
118 - You can pay for things with sandwiches?
119 - Hello, Hawaii.
120 - I did that, Hyde. Sorry, man, but I've been a little scatterbrained lately.
121 - It's true,
122 - because I remember when I first met you,
123 - I thought, "That guy is focused."
124 - Yeah. You know, you've been acting kind of weird even for you.
125 - Are you sober?
126 - No. Aquarius.
127 - So what's wrong?
128 - I got a crush on someone, but I don't know what to do about it.
129 - It's been all long time since I've wooed a lady.
130 - First off, nobody uses the phrase "woo a lady" anymore.
131 - That's why the girl at The Hub slapped me.
132 - No, man, she slapped you because you
133 - grabbed her ass and yelled "Whoo! A lady!"
134 - Mrs. Forman, your brownies saved my life.
135 - Christine was yelling at me all morning,
136 - but then I gave her one of your brownies
137 - and then she started liking me.
138 - Oh, I don't believe that for a minute.
139 - I could eat a whole tray of those brownies and I still wouldn't like you.
140 - Red, television's Christine St. George
141 - loves my brownies. This is so exciting.
142 - I am in a famous person's stomach right now.
143 - Okay, well, I need some more for tomorrow, so could you make some?
144 - Oh. I just, um... I just put Red's chicken pot pie in the oven, so...
145 - Here, honey. Eat around the chicken.
146 - It's probably loaded with bacteria.
147 - All right, Leo. The problem that most guys have

148 - when they're picking up chicks is they over think things.
149 - So you should be fine.
150 - All you have to say to a lady is, "Come here often?"
151 - If she says no, grab her ass.
152 - You know she won't be coming back,
153 - so you won't have to see her again.
154 - No. Look, I got an idea.
155 - Pretend we're at a bar and the three of us are foxy ladies.
156 - Oh, I'm a recent college graduate
157 - with big boobs and an urge to explore.
158 - I'll show Daddy.
159 - Okay, now, try to pick one of us up.
160 - What are you doing, man?
161 - You looked the lightest.
162 - All right, put me down.
163 - Okay. You're dumb and lazy.
164 - Oh, there's my lady.
165 - Excuse me, you're blocking the aisle.
166 - Hey.
167 - Hi, Leo.
168 - Come here often?
169 - Wow, JJ. Seven yo-yos at one time?
170 - I guess an act like that really has its ups and downs, huh?
171 - I'm so glad I fought for my country
172 - so that grown man could play with his yo-yo.
173 - Oh, shushy-shushy, grumpety-grump.
174 - Now, before we go, I'd like to introduce
175 - the newest family member of What's Up Wisconsin.
176 - She's my assistant. She's Jackie Burkhart.
177 - Come on, honey. Come on in here.
178 - Oh, my God, I'm on TV.
179 - Well, for all of you watching in black and white,
180 - I am wearing a navy twin set, and my eye shadow is periwinkle blue.
181 - Holy macaroni! It's Jackie! I know someone who's on TV!
182 - What do you know! It really is an idiot box.
183 - Jackie brings me the most delicious brownies.
184 - Brownies. Red, those are my brownies.
185 - Oh, they look so much bigger on TV.
186 - So moist, you don't even have to drink milk with them.
187 - No milk! That is the highest compliment a brownie can have.
188 - Now, Jackie darling, I must know where you got them.
189 - From me! She got them from me!
190 - Got them? I made them. Myself.
191 - What?
192 - It's an old Burkhart family recipe.
193 - You lying little midget!

194 - This might be a bad time to ask,
 195 - but are you gonna start getting lunch together?
 196 - I can't believe Leo likes me.
 197 - I feel like I'm back in the third grade
 198 - and the slow kid who picks his nose just gave me a valentine.
 199 - See, that is what you get for leading Leo on
 200 - with your tight jeans and your heaving
 201 - chest and your large bedroom window.
 202 - You know, there's a good chance
 203 - Leo will forget this whole thing.
 204 - Just like he forgot that other thing. The sixties.
 205 - Well, what am I gonna do? I mean,
 206 - I don't wanna hurt his feelings.
 207 - Donna, I know this is weird for you, but you have to remember,
 208 - it is hilarious for us.
 209 - I think you and Leo could be great together. I can see it now.
 210 - I have to go talk to him. I ain't havin' no Leo baby.
 211 - Whoa! Mrs. Forman, you gotta help me.
 212 - I need another batch of brownies and I need them bad.
 213 - Okay. First, preheat the oven to 350,
 214 - then stick your head inside
 215 - and bake the lies out of your lying mouth, you little liar!
 216 - Please, it's the only thing that keeps Christine off my back.
 217 - I'm gonna lose my job. Please, you've gotta help me.
 218 - Please.
 219 - Oh, that is so fake.
 220 - Oh, damn. Fine. I'm sorry.
 221 - Look, Christine caught me off guard.
 222 - I was on TV. I didn't know what to say.
 223 - How about Kitty Forman baked the brownies?
 224 - See how easy that was? I can even say it backwards.
 225 - Brownies the baked Forman Kitty.
 226 - Okay, okay, you're right.
 227 - But now I'm in too deep, so I am begging you.
 228 - Please, could you just make some more brownies?
 229 - Drop it, Jackie. I am not gonna let you
 230 - continue to take credit for all of my hard work.
 231 - What if I take you to the studio and
 232 - introduce you to Christine St. George?
 233 - I'll get the eggs. You grease the pan.
 234 - Hyde, I thought you said Leo was supposed to be here today.
 235 - Yeah. I put him on the schedule,
 236 - which means he is either on his way in,
 237 - or on his way to San Francisco to see the Dead show.
 238 - I just wanna get this over with. It's gonna be so hard.
 239 - Donna, I know how you must feel. Soft and smooth.

240 - There's my girl.
 241 - Hi, Leo.
 242 - Leo, you didn't have to get me chocolates.
 243 - Chocolates? That's my lunch.
 244 - Leo, look. I'm really flattered that you like me,
 245 - but I can't be your girlfriend.
 246 - Is it because I'm black?
 247 - You're not black.
 248 - So, it's not that then. I know what it is. You like that Randy guy.
 249 - What? No, I don't.
 250 - Yes, you do.
 251 - So I think maybe it's best if we stop seeing each other.
 252 - Wait a minute, you're breaking up with me?
 253 - I'm sorry, but I just can't date a racist.
 254 - So, man, how did it go?
 255 - He thinks I like Randy. Can you believe that?
 256 - Donna. Leo has never been right about anything in his life.
 257 - Except for the fact that you're into Randy.
 258 - What are you talking about?
 259 - Hi, Randy. I like music. Do you like music too?
 260 - Shut up.
 261 - Look at my butt. I made it just for you.
 262 - You are so far off.
 263 - Come on, man. You're in the store more than I am.
 264 - You giggle at everything he says.
 265 - You guys are like a bad Carpenters song. Or like any Carpenters song.
 266 - Okay. Fine. Maybe I like him a little bit.
 267 - But if you tell anyone I will freakin' kick your ass.
 268 - You bitch.
 269 - So, Leo. You're single again. You gonna be okay?
 270 - Yeah. I've already got my eye on somebody better.
 271 - Excuse me.
 272 - Hey, come here often?
 273 - Join us tomorrow as we examine the pain
 274 - suffered by a local family from religious prejudice.
 275 - And Sparky, the water-skiing squirrel, will be here too.
 276 - Until then, What's Up Wisconsin?
 277 - Oh, Miss St. George, that was a great show.
 278 - Oh, thank you. Um, you know what?
 279 - I would love for you to meet one of your biggest fans.
 280 - Uh, this is Kitty Forman.
 281 - Hello. Christine.
 282 - Oh, it is such an honor to meet you.
 283 - You look so much taller in person.
 284 - Of course, we only have a 19-inch TV set.
 285 - Okay. I also brought you some brownies.

286 - Oh, isn't that wonderful of her?
 287 - You know, Jackie, I was thinking that on tomorrow's show
 288 - you and I might make these brownies.
 289 - You know, you'd stir the eggs and I'd come up with some funny yolks.
 290 - A cooking segment?
 291 - Oh, that is just... That is just my dream come true.
 292 - For you.
 293 - Oh, Miss St. George, I have to tell you something.
 294 - I didn't bake the brownies. Kitty did.
 295 - Who's Kitty, dear?
 296 - Um, that's me.
 297 - Oh. Well, good for you.
 298 - Would you, uh, give me just a moment with my assistant?
 299 - Oh, of course. Thank you.
 300 - Okay, would it be okay if I just sat in your chair for a minute?
 301 - Oh sure. My fake casa is your fake casa.
 302 - Okay, Miss St. George, I'm really sorry.
 303 - No.
 304 - What you showed me just now
 305 - proves that you are a sweet, honest, young woman.
 306 - And that crap will get you nowhere in show business.
 307 - So what? I'm supposed to lie and cheat
 308 - and take credit for other people's work?
 309 - That's how I paid for my Mercedes.
 310 - You can't be afraid to be tough.
 311 - Oh, I'm tough. I'm very, very tough.
 312 - People always say what a bitch I am.
 313 - Well, for your sake, I hope they're right.
 314 - Now, please. Get this crazy lady off my set.
 315 - Coming up next, a potato chip that looks like Henry Kissinger.
 316 - See if you can find that potato chip. It sounds fascinating.
 317 - Before we bring on the tap-dancing parrot,
 318 - I have a correction to make from yesterday's show.
 319 - Red. She's gonna say my name. Are you taping it?
 320 - Do you know how to use the machine?
 321 - Yes, I know how to use the machine.
 322 - Those brownies I so enjoyed were made by
 323 - the talented and lovely Kitty Forshack.
 324 - Forshack?
 325 - No, no, that doesn't sound right. Ah! Forman. Kathy Forman.

4.12 Episode 12: Killer Queen

1 - Hey, Red, I got a question for you.
 2 - My wife says she doesn't want anything for Valentine's Day.
 3 - So I'm off the hook, right?

4 - Let me tell you a little story.
5 - There was a woman, a newlywed.
6 - And she told her husband, "Rather than waste money on gifts,
7 - "save for retirement." And so he never bought her a gift.
8 - Not for Christmas, birthdays, never.
9 - And 50 years later, she thanked him.
10 - And you know who that woman was? No.
11 - That woman was the invisible dancing fairy of Dumb Ass Land.
12 - All women want gifts.
13 - Well, what do you get a stripper anyway?
14 - Ooh! How about a robe and a father who gave a damn?
15 - Mrs. Forman, life's a trade-off.
16 - If her father gave a damn, I wouldn't have this smile on my face.
17 - Well, Steven, it is important to keep
18 - romance alive once you're married.
19 - That's why I bought a present for Red and I'm sure he has one for me.
20 - Because he loves me and he knows what I'm capable of.
21 - That's right, honey! Wait till you see what I got you!
22 - You romantic little devil, you.
23 - Not hardly. Follow me, rookie.
24 - Ever since I forgot Kitty's birthday that one year,
25 - I keep a stash of gifts down here.
26 - That way, even if I forget, I remember.
27 - Go ahead, I'll spot you one.
28 - Oh, hey, these wool mittens will be perfect for Sam.
29 - If only they were black, leather and a bra.
30 - So what are you giving Kitty? Ah, this needlepoint.
31 - She'll like it because it's fun, and I'll like it because
32 - it'll keep her occupied for gigantic chunks of time.
33 - Jackie, dear, thank you for booking that lovely couple
34 - on our Fools for Love piece.
35 - I know, that guy was so cute.
36 - You know, he said no matter where he went he always heard
37 - his wife's voice saying, "I love you."
38 - Ah! Well, apparently another voice in his head
39 - told him to push her off a Ferris wheel.
40 - Oh, my God!
41 - Oh, no, no, no, no, that's horrible!
42 - It's a tragedy! We don't have a couple for today's show.
43 - You've got three hours to find another one or you're fired!
44 - Oh, I'm just kidding.
45 - No, I'm not.
46 - Seriously, Jackie, just kidding about firing you.
47 - Christine St. George's office.
48 - I wasn't kidding.
49 - Psst! Jackie! Come here!

50 - Oh, what do you want?
51 - I wanted to say don't worry.
52 - It'll all work out between you and Christine.
53 - Oh. Well, thanks.
54 - Christine St. George's office.
55 - You're gonna get fired!
56 - You're gonna get fired!
57 - Hanging out
58 - Down the street
59 - The same old thing
60 - We did last week
61 - Not a thing to do
62 - But talk to you
63 - We're all all right
64 - We're all all right
65 - Hello, Wisconsin!
66 - Hey, record guy. Mr. Record. Mr. Record Breaker.
67 - Captain Record of the USS Phonograph.
68 - Donna, Hyde's already given me a nickname.
69 - It's Mrs. Lady Lovely Locks.
70 - Okay, Mrs. Locks, um,
71 - I was wondering if maybe you'd like to, I don't know,
72 - like do something with me tonight, for good old VD.
73 - Valentine's Day!
74 - Not VD. I am clean as a whistle.
75 - Man, it's really nice of you to ask
76 - but I've already got plans with someone else.
77 - Maybe a rain check?
78 - Sure, I love rain checks. In fact, I love checking for rain.
79 - I'm gonna go check for rain right now.
80 - That's the office. There's no rain in there.
81 - Clear out here too!
82 - Ugh! Fez! I have to find a happy couple for Christine to interview today or I'm fired.
83 - What about Red and Miss Kitty?
84 - Ugh! I might as well just book that painting
85 - of the old lady and the geezer with the pitchfork!
86 - I see where you're going with this, Jackie,
87 - and don't worry, if it will save your job,
88 - I will pretend to be your boyfriend.
89 - We should probably practice.
90 - Oh! Get off me!
91 - I was trying to help!
92 - You were trying to cop a feel!
93 - You didn't let me finish.
94 - I was trying to help myself to a handful of your boob.

95 - But I would like to help.
 96 - No, Fez, if Christine finds out we're faking it, I'm fired.
 97 - I can sell it, baby.
 98 - Besides, interracial couples are sexy.
 99 - Because it's illegal.
 100 - Fez, it's not illegal for people of two different races to date.
 101 - It's not? Uh-uh.
 102 - Freaking Hyde!
 103 - Hey. Hey.
 104 - Look, I just wanna make sure you didn't get
 105 - the wrong idea when I asked you out,
 106 - because I was asking you out as like... As friends.
 107 - Well, I'm glad you consider me a friend,
 108 - because when I said I had plans earlier, I actually have a date.
 109 - Oh.
 110 - And I was thinking maybe you could help me out and give me some advice.
 111 - You know, from the female perspective.
 112 - I'd ask my cousin but she's kind of into me. It's weird.
 113 - Sure, yeah. I mean, what do you have planned?
 114 - I was thinking, we start sweet with strawberry wine.
 115 - Then, we get a tad naughty with dirty word Mad Libs.
 116 - And then, hold on, what's this?
 117 - Tickets to the Monster Truck Mud Mayhem!
 118 - Wow, Randy, that sounds like a great idea,
 119 - if you're dating Granny from The Beverly Hillbillies.
 120 - It's just there's something I don't like about the usual roses,
 121 - fancy dinner and theater tickets.
 122 - It's so expensive.
 123 - Hey, Leo, what's your idea of a romantic date?
 124 - November 13th.
 125 - But this year it's ruined, man. I gotta go to the dentist.
 126 - Well, I hope you two lovebirds are ready to tell us all about your relation-
 ship.
 127 - We sure are. We've been dating so long,
 128 - we finish each other's...
 129 - Sentences.
 130 - Well, I was going to say sandwiches, but whatever.
 131 - Okay, here we go.
 132 - What's Up Wisconsin?
 133 - It's time for our annual Fools for Love segment, and with me today
 134 - is my assistant, Jackie Burkhart, and her boyfriend, Fez...
 135 - How do you pronounce your last name?
 136 - Oh, the first five K's are silent.
 137 - See how they look at each other!
 138 - It's just the way Sonny used to look at me while Cher was in make-up.
 139 - So, tell us how you two met.

140 - Well, um...
 141 - I'll take this one, baby.
 142 - It was the third grade. Jackie came to school with pink eye.
 143 - All the kids teased her, so I rubbed her eye and infected myself,
 144 - so she wouldn't be alone.
 145 - I guess you can say it was love at first sight! Pink sight, that is.
 146 - Well, I'm sure my viewers are dying to know the secret of your happiness.
 147 - It's very simple.
 148 - We make out every chance we get. Kiss me, baby!
 149 - No! No, no, baby, baby, I have a cold sore.
 150 - Well, baby, that wouldn't be the first time I got a disease from you, baby.
 151 - No, no, baby, I just... I ate some garlic bread.
 152 - Oh, baby, that's perfect! I just ate spaghetti, baby!
 153 - Oh, baby! Baby?
 154 - Baby! Baby!
 155 - Baby? Baby!
 156 - Oh, come on, Jackie. Give your man a Valentine's Day kiss!
 157 - Whoo! Call the fire department!
 158 - You can't fake passion like that.
 159 - We'll be right back.
 160 - Wow! Well, that was terrific.
 161 - Jackie, thank you. You outdid yourself, darling.
 162 - And Fez, as usual, I didn't understand a word you said.
 163 - Fez! We did it! Oh, you totally saved my job.
 164 - Yes, and you totally were not kidding when you said you ate garlic bread.
 165 - Oh! There's my valentine.
 166 - Oh! See, now, the card is a heart.
 167 - Actually, it's your heart, and it's saying,
 168 - "Hi, Red, remember when I attacked you?"
 169 - It's a reminder to cut back on fatty, fried foods.
 170 - Well, that's real cute. I'll tell you what.
 171 - You close your eyes and start counting
 172 - and I'll be right back with your gift!
 173 - One, two, three, four...
 174 - What the hell?
 175 - Oh, no!
 176 - ...23, 24, 25, 26,
 177 - 27, 28, 29, 30,
 178 - 31, 32, 33...
 179 - Huh?
 180 - Miss St. George, are you okay?
 181 - Yes, this happens to me every Valentine's Day.
 182 - I see a couple in love and it reminds me
 183 - that I am missing the one thing
 184 - that every woman needs to feel good about herself.
 185 - A friend that's fatter than you?

186 - Love! I sacrificed love for my career
 187 - and sometimes I think I maybe did the wrong thing.
 188 - Have a drink with me.
 189 - Really?
 190 - Tell me all about yourself.
 191 - Who you are, what makes you tick.
 192 - Well, um... No!
 193 - Let's go back to me.
 194 - I was born in a small hamlet
 195 - just outside a little place I like to call New York.
 196 - And so I returned safely to base camp,
 197 - that half-frozen Sherpa on my back.
 198 - There's a famous Tibetan folksong about it.
 199 - Wow. You're incredible.
 200 - So are you.
 201 - Here's to you, dear.
 202 - No, to you, Miss St. George.
 203 - Well, that's what I meant.
 204 - Why on God's green earth would I drink to you?
 205 - You're cut off.
 206 - So do I look okay?
 207 - I just wanna make sure my outfit doesn't send the wrong message to my date.
 208 - Okay, well, what message are you trying to send?
 209 - I'd like it to say, "Hi, my name's Randy.
 210 - "I'm a fun-loving yet slightly naughty guy.
 211 - "The little boy in me is insecure, but the man in me is cocky,
 212 - "giving me a playfully heady mix of humility and aloofness.
 213 - "I like you. Let's party!"
 214 - I think you are asking a little too much from a jacket, but go have fun.
 215 - Okay, Donna, your valentine's here!
 216 - I thought we'd start with some hangman, then move into
 217 - something that really gets the pulse racing, like Yahtzee.
 218 - All right, just so long as when you get Yahtzee you don't yell, "Poopsie!"
 219 - That's not a promise I can make.
 220 - Ooh, pizza!
 221 - Oh, you're back.
 222 - Hope your car's not blocking the driveway. We're expecting a pizza.
 223 - Donna, will you go out with me on a big Valentine's Day date?
 224 - What about the other girl?
 225 - There is no other girl.
 226 - I just think you're hot and I want to go out with you.
 227 - Oh!
 228 - I'm her father and I'm standing right here!
 229 - Here, Mr. Pinciotti. Pizza's on me.
 230 - Have her home by sunrise.

231 - Hey, Kitty. Oh.
232 - Hi, Red.
233 - Sorry I didn't get around to making dinner,
234 - but I was too busy counting to 956.
235 - Well, it's gonna be worth it, 'cause I found your gift.
236 - Oh! Look at that. Pack of gum. Tire gauge.
237 - Actually, the gum was for me. Red!
238 - Kitty, you always said it's the thought that counts.
239 - Oh, I said that to Eric when he was five
240 - and he gave me that stupid macaroni frame.
241 - You! What did you do?
242 - I'm sorry, Red. I was down there picking out a gift for Sam,
243 - and she caught me and assumed everything was for her.
244 - And she started kissing me everywhere,
245 - and I just handed everything over to her. That's her power, man.
246 - Good God, Steven, the whole stash?
247 - Look, I know I owe you an apology, but can it wait?
248 - 'Cause Sam just sent me up here to grab some whipped cream, so...
249 - Sorry.
250 - Okay, what were you two talking about?
251 - Well, Kitty, I had a stash of gifts down there for every occasion.
252 - That way, if I forgot to buy you something, I'd still be covered.
253 - You buy my gifts in bulk?
254 - No, it's more of a vast inventory of love.
255 - Well, you're about to get a vast inventory of my foot in your ass!
256 - Yeah! I can do that too!
257 - Wow. So this was for me all along?
258 - Yeah.
259 - For one day I wanted to transform this crappy little record store
260 - into a crappy little bistro.
261 - Thanks.
262 - So, when I asked you out, why did you pretend to have another date?
263 - Donna, I've wanted to ask you out for a long time.
264 - And then you kind of beat me to it
265 - and I'm kind of a traditional guy.
266 - I like to make the first move.
267 - But if you wanted to make the second move, well, you're in luck.
268 - I'm not wearing a bra.
269 - That's good to know.
270 - Hey! I just had the best meal, man!
271 - Somebody left two whole steak dinners in there!
272 - Now, if you'll excuse me, I'm off to the monster truck show.
273 - Would you just listen?
274 - Oh, Red, I'd love to talk to you but I have to
275 - check the pressure in my tires.
276 - Hey, Red, Kitty told Sam the presents weren't for her.

277 - Now I'm kind of in trouble.
278 - So I got us each a bouquet of flowers for our ladies.
279 - Kitty, I got you roses! See how it feels, dumbass?
280 - Jackie, come in. Please.
281 - I just wanna thank you for yesterday.
282 - I feel we really bonded,
283 - as much as a star can bond with a commoner.
284 - Well, I'm really glad that we talked.
285 - You know, I got to see there's a real person in there.
286 - Someone with hopes and fears and emotions.
287 - Well, I'm only human.
288 - And you snuck a rare peek behind my iron curtain, didn't you?
289 - I know. You know, I really feel like I got to know you better.
290 - Yes, you did, and so you're fired.
291 - Wait, what?
292 - I cannot have an employee know so much about me.
293 - And since your TV career is finished, may I suggest bartending?
294 - You pour a mean Scotch, lady.
295 - No, no, no, this isn't fair. I worked my butt off for you.
296 - Thank you. Out you go. Go on.
297 - Go on.
298 - Okay, all right, you know what? Nobody here likes you.
299 - They only pretend to like you because you're famous.
300 - And I pretend to like them because they bring me lunch.
301 - Oh, God!
302 - You are a crazy, bitter lady with a hole where your heart should be!
303 - Now, is that supposed to hurt me? I have a mug that says that.
304 - Those shoes are so last season!
305 - Rot in hell, you worthless maggot!
306 - Well, I guess that's it.
307 - Oh, I promised myself I wouldn't cry.
308 - What do you know, I didn't.
309 - Okay, look, Christine is obviously looking
310 - for a new assistant, so I put in a good word for you.
311 - Really? Even though I was so mean to you? Wow, thanks.
312 - Mmm-hmm.
313 - What's Up Wisconsin.
314 - I licked your phone! I licked your phone!

4.13 Episode 13: Spread Your Wings

1 - Wow. I didn't think I was gonna like Kramer vs. Kramer.
2 - But that's back when I thought we were gonna watch it.
3 - Yeah, for a PG movie there's a lot of sexual content.
4 - You know, I have noticed something about you.
5 - You only like to make out in secret, dark places.

6 - What? What are you talking about?
 7 - Yesterday, you drove me a half a mile into the woods.
 8 - I've never dated an Italian girl.
 9 - I thought I was gonna get whacked.
 10 - Well, it's just... Okay, I'm a little nervous about telling my friends about us.
 11 - Come on. What's the worst thing that could happen if we told them?
 12 - Okay, let me put it this way.
 13 - Two years ago, I walked into the basement and my jeans had a hole in the butt.
 14 - To this day they call me Poopchute Sally.
 15 - Poopchute Sally?
 16 - Okay, let's go, I don't want to run into anyone after the movie.
 17 - Ooh! Busted!
 18 - Wow!
 19 - Unbelievable.
 20 - After all that, she gives the kid back to Dustin Hoffman? That bitch is crazy!
 21 - Hanging out
 22 - Down the street
 23 - The same old thing
 24 - We did last week
 25 - Not a thing to do
 26 - But talk to you
 27 - We're all all right
 28 - We're all all right
 29 - Hello, Wisconsin!
 30 - I can't get over Donna and Randy making out like that.
 31 - It was all broad shoulders and blond hair. I could barely tell which one was the boy.
 32 - They should save that passion for her bedroom,
 33 - where I have a better view.
 34 - I thought it was like watching Donna make out with Forman,
 35 - except Randy wasn't constantly saying, "I'm sorry! I'm sorry!"
 36 - Well, we're off to buy curtains for Eric's room.
 37 - We're making it into a sewing area, so I thought a nice floral print
 38 - might really pretty it up.
 39 - It's all part of our plan to make Eric's room less girly.
 40 - I wanted to make my room more manly,
 41 - so I put up some posters of the Village People.
 42 - Mission accomplished.
 43 - Oh, oh, oh, well, I want to get to the fabric store before Mary's quilting club shows up.
 44 - Those fat cows think they own the remnant box.
 45 - Oh, crap.
 46 - I stashed something real important and real illegal up in Forman's room.

47 - Where'd you hide it?
48 - I don't know.
49 - I was under the influence of it when I hid it.
50 - Oh! Hey, it's Donna and Randy.
51 - Where have you guys been, Donna and Randy?
52 - Oh! Well, I was at the park,
53 - where I was practicing my violin
54 - for a family of ducks.
55 - I was at home.
56 - Huh. That's simple.
57 - Really? 'Cause, you know, we went to see Kramer vs. Kramer,
58 - but instead we saw Randy's hand versus Donna's bra strap.
59 - I believe it was directed by Francis Ford Cop-A-Feel.
60 - Donna! Why didn't you just tell us you were going out with Randy?
61 - I don't know. It was just, you know... You guys are friends with Eric
62 - and I didn't know what you'd think.
63 - I'm happy for you.
64 - Yeah, man, whatever.
65 - Yeah, I think it's great.
66 - I mean, you finally found a guy who is stronger than you, and that's hard to do.
67 - Okay, great! Cool, now we can all hang out and it won't be awkward.
68 - You know, it's this kind of awkwardness reminds me of a time
69 - my dad brought this chick home.
70 - And in the morning, she turned out to be a guy.
71 - Although Tony did make me a kick-ass Denver omelet.
72 - Well, I have a question that I think will make things less awkward.
73 - Randy, when you kiss Donna, is it smooth like melted fudge?
74 - Or rough like a cock fight?
75 - Fez! Now, that is personal!
76 - So have you guys had sex yet?
77 - Jackie!
78 - My money is on no. Donna is a strong, independent woman
79 - who feels that men should respect women for their minds.
80 - In other words, she's a big fat tease.
81 - Well, I think it's going to happen soon.
82 - Because normally, Donna only shaves her legs up to her knees.
83 - But this morning, she went all the way from Miami to Jacksonville.
84 - Oh, Fez, thank you so much for getting me a job as a hair consultant.
85 - Well, I told my boss that you were reliable and hard-working.
86 - Aw, you lied for me.
87 - - Hey there, Fez. - Hilary.
88 - I saved you a bite of my cinnamon muffin.
89 - Oh, what a coincidence. I saved you a bite of my cinnamon bun!
90 - Oh, I would do anything to go out with that hot little number.
91 - Well, have you asked her out yet?

92 - Well, I've found that if a man creates mystery, the woman will come to him.
 93 - - So you're scared? - Terrified.
 94 - But I think it is time for you to get to work.
 95 - Okay. Wow.
 96 - So, okay, the first thing we're gonna do is get rid of these curls,
 97 - 'cause they kind of make you look like a poodle.
 98 - What the hell are you doing?
 99 - You are not supposed to talk to the customers!
 100 - What... I am the hair consultant!
 101 - I just said that to get you down here. The truth is,
 102 - you're our sweep-up girl.
 103 - What? No, that's the pathetic foreign girl with the wandering eye
 104 - who sweeps up the hair.
 105 - No. She's your boss.
 106 - Oh.
 107 - I've always been curious about something.
 108 - Heavens!
 109 - Oh. Hey.
 110 - Didn't know you guys were starting this early.
 111 - It's 2:00 in the afternoon!
 112 - Yeah, that damn school bus bringing home those kids woke me up again.
 113 - So, uh, you guys find anything interesting?
 114 - Oh, well.
 115 - I did find this Good Housekeeping under Eric's bed.
 116 - And apparently, he was very interested in self breast exams.
 117 - Yeah. Mrs. Forman, I think the only thing he was interested in
 118 - was examining himself.
 119 - Oh, well, Steven, that is a perfectly normal biological function.
 120 - And my baby never did that!
 121 - Hey, Red, you need some help?
 122 - Nah, nah, I'm just boxing up some of Eric's awards.
 123 - Oh, it was a proud day when he came home with this beauty.
 124 - "Cub Scout Fair.
 125 - "Prettiest Non-Functioning Kite."
 126 - Uh, Mrs. Forman, my dad said you had something for me.
 127 - Oh, yes, honey.
 128 - I found some things I thought you might wanna hold on to.
 129 - These are gifts and notes that you gave to Eric
 130 - and it's not like I read any of them, but you have some potty-mouth.
 131 - Mrs. Forman, like, seriously, Eric and I are through.
 132 - Oh, honey, I know you think that now, but he'll be back soon and you'll...
 133 - You'll have one of those talks on the hood of the car. Yes, I watch!
 134 - But you'll be right back together.
 135 - No, we won't. I'm... I'm moving on.
 136 - And it's not easy, 'cause, I mean, everywhere I look,

137 - something reminds me of Eric.
 138 - I'm sure this area in particular brings back a lot of memories.
 139 - You went out again last night?
 140 - Yup. I left the club with a creamy white girl and a chocolaty black girl.
 141 - We went home and made hot fudge sundae.
 142 - And then we did it.
 143 - Uh, Fez, why are you lying to her?
 144 - Shh!
 145 - But you didn't go out last night.
 146 - You were lying in front of the TV trying to look up Victoria Principal's dress.
 147 - Don't you have some hair to sweep, sweep-up girl?
 148 - Huh? No. The place is clean.
 149 - Don't worry, that's how the kids are wearing it nowadays.
 150 - Happy birthday, Eric! I have a sexy surprise for you.
 151 - Look across into my window.
 152 - Yeah, I thought you'd like those. Now, come over here, and I'll...
 153 - - Hey! - Hey!
 154 - What's up?
 155 - Nothing. Just, you know, hanging out.
 156 - Cool. Never sat on the hood of a car with a girl before.
 157 - Yeah, actually, you know what? This car was kind of...
 158 - - Ooh! Light saber! - Oh.
 159 - Yeah, that belonged to someone...
 160 - - Check it out! - ...else.
 161 - I'm Luke Skywalker. I'm here to rescue you!
 162 - Stop it!
 163 - What the hell?
 164 - I'm sorry! I'm sorry. This is... This is just too weird.
 165 - I can't do this. I can't see you anymore.
 166 - You could've just said you didn't like Star Wars.
 167 - Mrs. Forman, you wouldn't believe the lies Fez tells this girl at work.
 168 - I mean, he is pretending to be someone else completely.
 169 - So what? You pretend to be someone else every time you put on make-up.
 170 - I have seen you in the morning. Your face looks like scrambled eggs.
 171 - Well, we all do a little pretending.
 172 - Sometimes, when I'm bringing in the groceries,
 173 - I pretend to be Scarlett O'Hara.
 174 - And I look at all the brown bags and I say,
 175 - "As God is my witness,
 176 - "I'll never go hungry again!"
 177 - Oh! Oh! And sometimes with Red, I...
 178 - Okay, well, the point is, it's okay to pretend.
 179 - Look, I like Hilary, and I was afraid that if she knew the real Fez
 180 - that she wouldn't like me,
 181 - so I created a new Fez.

182 - A better Fez. I call this Fez "Work Fez."
 183 - You should see me down there.
 184 - Okay, let's do this!
 185 - Who is the man that would risk his neck for his brother man
 186 - Fez
 187 - You're damn right.
 188 - Who's the cat that won't cop out when there's danger all about?
 189 - Fez
 190 - Right on.
 191 - Yo, they say this cat Fez is a bad mother...
 192 - Shut your mouth
 193 - I'm talking about Fez
 194 - And we can dig it
 195 - He's a complicated man and no one understands him but his woman
 196 - Work Fez
 197 - I wondered why the last time I came in you said my hair looked blackali-
 cious.
 198 - Hyde, I hope I did the right thing with Randy.
 199 - It just felt weird, starting up a new relationship.
 200 - Yeah, well, you know, it's tough when you've been with someone for a
 long time.
 201 - Like, just the other day, I heard this burglar alarm,
 202 - and it was making this really awful high-pitched squealing noise.
 203 - I found myself thinking about Jackie.
 204 - Well, you know, I think I might have hurt Randy's feelings.
 205 - - Hey, Donna. - Hi.
 206 - Randy is helping me build Kitty's sewing table.
 207 - We're gonna make it real nice so she feels obliged to spend hours up here.
 208 - Hey, Steven.
 209 - How about taking a ride with me down to the lumberyard before they
 close?
 210 - - No, I'm good. - Nah, you're coming.
 211 - See, I know that you hid dope up here.
 212 - And if you found it while I was gone,
 213 - I'd miss that pathetic look on your face when I flush it down the toilet.
 214 - You're a real messed-up dude.
 215 - Yeah. Come on.
 216 - So, um,
 217 - Randy, I just wanna make sure that, you know, I hope we can still be
 friends.
 218 - Yeah. I'm cool with that.
 219 - Well, aren't you just Beaver freakin' Cleaver?
 220 - You want me to be a jerk?
 221 - Well, it would make breaking up with you a lot easier.
 222 - Donna. I'm sorry, I don't want this to be hard for you.
 223 - - There you go again. - Fine!

224 - I won't say another word!
 225 - Oh, now you're gonna show me the muscles?
 226 - "I'm Randy, I got big muscles! I'm good-looking!"
 227 - You're an ass!
 228 - So, when are you and I gonna go out and put the fever back in Saturday night?
 229 - Or Thursday, whenever you're free.
 230 - I don't think I could keep up with you.
 231 - I think you'll be fine.
 232 - How do you know? Have you guys gone out?
 233 - Oh, God, no! No, we're just roommates.
 234 - Wait. Fez, you told me you had your own place.
 235 - You called it the Feznasium.
 236 - Of... Of course I do! I found this poor thing wandering around the street
 237 - so I'm letting her stay at my pad.
 238 - Yes, I am teaching her the ways of love.
 239 - Okay, that's it. Hilary, you know what? Everything that Fez has told you is a lie.
 240 - He doesn't go out. He's in bed by 9:00!
 241 - And his idea of a "threesome" is Neapolitan ice-cream.
 242 - Look, I don't know what she is talking about.
 243 - Look, this is what happens when you hire a girl right off the boat.
 244 - Oh, really? Okay, here, take a look inside his backpack.
 245 - Hey, that's my backpack!
 246 - When the Phone Never Rings: A Beginner's Guide to Self-Love.
 247 - Anybody lose a backpack?
 248 - Hey, Donna. Come here and take a look at this sewing table.
 249 - It's even got a cup-holder, like Kitty asked.
 250 - You know, that Randy is a pretty sharp kid. He build this thing in two days.
 251 - The only thing Eric ever made was this crappy birdhouse.
 252 - Oh, yeah.
 253 - He was always too afraid to use the drill so he just painted the hole on there.
 254 - Yeah, and one by one, an entire family of bluebirds flew to their deaths.
 255 - Mr. Forman,
 256 - what would you think if I hypothetically,
 257 - possibly, maybe started dating a new guy?
 258 - I'd say I think you can do whatever the hell you want.
 259 - My dumb ass son broke up with you.
 260 - You gotta have your own life.
 261 - I have absolutely no problem with you dating Randy.
 262 - What, you know about that?
 263 - Oh, come on.
 264 - Your eyes nearly popped out of your head when you saw him in that tool belt.

265 - Okay, cool. It really means a lot to me that you guys are okay with this.
266 - No, no, no. Wait, no. I'm okay. For the love of God, don't tell Kitty.
267 - I'd have to make her a bigger cup-holder!
268 - Thanks a lot, Jackie. Now Hilary thinks I'm a crazy, self-loving pervert.
269 - Well, she was gonna think that eventually.
270 - Fez, I'm confused. Why have you been lying to me?
271 - Well, I wanted you to think I was cool, so you'd go out with me.
272 - But now you hate me.
273 - Actually, I don't.
274 - Before, I was always so intimidated,
275 - but now that I know you're just a regular guy, I'd totally go out with you.
276 - Even after you saw my...
277 - ...book?
278 - You're lonely. I think it's cute and endearing.
279 - Um, I think you mean gross and appalling.
280 - Jackie, he's a lost soul.
281 - Someone has to take care of him.
282 - Yes.
283 - I'm broken.
284 - Fix me.
285 - Perfect. It's just like my grandpa used to say,
286 - "You measure it twice, everything's nice."
287 - Actually, in his later years, it was all he said.
288 - Hey, Red, can you hand me that box of drawer handles?
289 - What's this?
290 - Oh! That's mine! Oh, crap.
291 - A macrame owl?
292 - What the hell kind of pansy-ass thing is this?
293 - I do macrame.
294 - It's my therapy.
295 - Well, I didn't realize you were so stressed out.
296 - But I think you'll feel a lot better once you get the sex change.
297 - There's my therapy.
298 - Hey. Find your stash?
299 - Yep. Now I'm gonna punish it for hiding on me
300 - by burning it.
301 - Okay, look, I've been thinking about this,
302 - and before, on the car, I think I might have over-reacted.
303 - It's just, I was in a relationship for a really long time.
304 - And it's gonna take me a while to get used to something new.
305 - Donna, I get it.
306 - Okay. Great. So let's just, you know, take it slow and see where it goes.
307 - I'm cool with that, Poopchute Sally.
308 - Shut up.
309 - Oh, my God!
310 - In Eric's bedroom?

311 - You two-timing whore!
312 - Here's a tissue.
313 - Thank you.
314 - It's gonna be okay.
315 - It's just so sad. How could I drop an entire box of MMs on the floor?
316 - Do you want me to go buy you a new one?
317 - It was the last one.

4.14 Episode 14: Son and Daughter

1 - Thank you. Enjoy your Anne Murray, though I don't see how that's possible.
2 - - Hello, Steven! - Hey, man! Hey, Leo, this is my dad, WB.
3 - Wow! Now I've seen everything.
4 - You're surprised he's black, huh?
5 - No. His fly is open, man.
6 - Whoa. Look at all these kids.
7 - Pretty busy for a Tuesday morning.
8 - Yeah, it's kind of a fire sale.
9 - We put stuff on sale and then I go down to the high school and pull the fire alarm.
10 - If the store keeps doing okay, there might be a nice bonus in your future.
11 - Or as I like to call it, retroactive child support.
12 - Hey, who's pretty boy?
13 - Oh, hey. I'm Randy. But I really wouldn't call me pretty.
14 - I'm more like sultry, angular yet soft.
15 - Really anything that would describe Faye Dunaway.
16 - So Steven, what are you and Faye Dunaway doing this weekend?
17 - Oh, well, the Point Place Youth Club's doing a big trash cleanup,
18 - so we were gonna go down there and throw cans at them.
19 - Check these out.
20 - Front row tickets to Eric Clapton in Chicago?
21 - That's the coolest thing anyone has ever done for me.
22 - What, show you a couple of concert tickets? You're not going.
23 - So listen, I stopped by to see if you wanted to house-sit for me.
24 - You know, bring in the mail, water the plants, feed my dog, whitey.
25 - Your dog's name is Whitey?
26 - No, I was talking to you.
27 - Yeah. I guess I can do that. Wow, man.
28 - Staying at my dad's house. Be like the childhood I never had.
29 - And I won't be there. Just like the childhood you did have.
30 - Mrs. Forman?
31 - I need to talk to you.
32 - I'm really sorry that Randy and I were kissing in Eric's room.
33 - It was inappropriate.
34 - Oh, actually, honey, I'm surprised you even had time to apologize.
35 - I thought you'd be up there making out with the rest of Wisconsin.

36 - What the hell are you doing showing affection
37 - outside of your own homes, anyway?
38 - Kitty and I, we never kiss or hug in public.
39 - Far as the rest of the world is concerned, we're complete strangers.
40 - I didn't mean to offend you. You've always been like a mother to me.
41 - Like remember when you made me hot cocoa when my parents got snowed
in
42 - at that swingers' club?
43 - Oh, Donna, I'm not gonna let one little incident ruin a lifelong friendship.
44 - Oh, hey, look, Red,
45 - this egg is kind of shaped like Randy's head.
46 - And now it's trash, just like Donna!
47 - Hanging out
48 - Down the street
49 - The same old thing
50 - We did last week
51 - Not a thing to do
52 - But talk to you
53 - We're all all right
54 - We're all all right
55 - Hello, Wisconsin!
56 - Oh, this pineapple reminds me of Donna.
57 - It's a little tart.
58 - Hey. Don't call my daughter names. You can call me names.
59 - But I really wish you wouldn't.
60 - Well, I just... I don't know what she sees in Randy.
61 - He's so charming and friendly and always willing to lend a helping hand.
62 - What a jackass.
63 - I like him. He calls me Mr. P.
64 - How did he come up with that one?
65 - Kitty, if Donna's gonna date anyone, why not him?
66 - I mean, he's bright, he's good with tools and most important,
67 - he has never once tried to teach me the ways of the Jedi.
68 - Wait a minute. You like Randy too?
69 - Well, I'm just saying, I don't hate him as much as I hate most people.
70 - Well, you have said a lot of hurtful things, but this is the worst!
71 - Kitty!
72 - She's crazy.
73 - This pineapple is delicious.
74 - See? Now, this is the kind of house I want.
75 - And I know that if I work hard enough, I can find a sucker to buy it for
me.
76 - Damn, this place is clean, man. Sure no woman lives here?
77 - Steven, please, I don't need a woman living here to keep a clean house.
78 - I have a maid.
79 - And she's a white girl.

80 - And then Mrs. Forman said you looked like an egg
 81 - and threw your broken head in the trash.
 82 - Well, I don't take it too personally
 83 - 'cause I've noticed something about Mrs. Forman. She's a whackadoo.
 84 - Oh, cool!
 85 - Peter Frampton gave you a signed guitar!
 86 - Hey, you know what? I have a handful of his hair.
 87 - And one of them has a little piece of skin on the end of it.
 88 - Yeah. She keeps it next to Leif Garrett's used Q-tip.
 89 - Hey, I had to kiss a roadie named Larry for that one.
 90 - Well, there's the kitchen, there's the living room and there's the bar.
 91 - Don't touch anything.
 92 - Don't worry, man. I'll treat this place like I broke into it myself.
 93 - Hey, guys, the toilet seat in there is heated.
 94 - It felt so good on my face.
 95 - Man. Watching your Dad's place is a big responsibility.
 96 - And I just know the 500 strangers we invite to the party
 97 - are gonna give it the respect it deserves.
 98 - No way, man. WB is trusting me. I'm not trashing his house.
 99 - But that's the beauty of our plan. We will trash it for you.
 100 - Oh, Hyde doesn't want to disappoint his daddy.
 101 - "I'm Hyde, and I love my Dad and he loves me
 102 - "and we're making up for lost time and..." Actually that's kind of touch-
 ing.
 103 - Come on, Hyde, don't you ever want to find out
 104 - if 500 people can fit in that pool?
 105 - No! All right? I'm not letting you guys talk me into having a party.
 106 - I'm not doing something that stupid.
 107 - Look, everybody! I'm dancing like a chicken!
 108 - Ever since I said I like Randy,
 109 - Kitty's been stomping around, making life miserable for me.
 110 - I can't describe how bad it is over there.
 111 - Well, made you wanna come over and hang out with me.
 112 - That's the perfect way to describe it!
 113 - I'm glad you came. Taste this.
 114 - Hmm. That tastes pretty good.
 115 - That's 'cause it's made with five different cheeses.
 116 - What's it called?
 117 - Five different cheeses.
 118 - Oh, save room for cheesecake.
 119 - God, this place looks great. WB will never know we had a party.
 120 - You missed something behind the couch.
 121 - Drive safe!
 122 - You know, all this cleaning is actually kind of satisfying.
 123 - You know, I bet my maid is thrilled
 124 - she is not a doctor in her country any more.

125 - Well, I cleaned all the dirty limerick off the wall.
 126 - I don't know where this Nantucket place is, but the men there are disgusting.
 127 - Man, I should not have thrown a party here.
 128 - It's weird, but I feel kind of guilty. I've never felt guilty before in my life!
 129 - Not even when the judge said, "You're guilty."
 130 - You think that's weird? I never took my pants off, but my undies are gone.
 131 - You're not gonna believe this, but I think I'm wearing them.
 132 - Hey! What the hell is the guitar doing on the floor?
 133 - Oh, uh, yeah.
 134 - You took it down to whack all the women in the butt with it.
 135 - Hmm-hmm, you called it Hyde's Spank-O-Matic.
 136 - Well, looks all right.
 137 - What are you talking about? It's broken into pieces.
 138 - Okay, we should probably say good night here,
 139 - because if my Dad sees us kissing, he'll yell, "Whoo-hoo!"
 140 - Oh, look at this. Donna and Randy kissing!
 141 - Whoo-hoo.
 142 - Well, I guess I shouldn't get too upset because, after all, it's none of my business
 143 - what two people do in the privacy of my own driveway.
 144 - Mrs. Forman, I'm sorry you're uncomfortable, but for the last time,
 145 - Eric broke up with me!
 146 - I don't care. You should still be waiting for him!
 147 - When Red went to war, I waited for him
 148 - and I had more men coming after me than Hitler.
 149 - That's different. Eric chose to go to Africa and he chose to break up with me.
 150 - Well, maybe he wouldn't have left if you were a better girlfriend.
 151 - Well, maybe if you hadn't been so smothering and controlling,
 152 - he wouldn't have gone halfway across the world just to get away from you!
 153 - Hey! That eggshell does look like me.
 154 - Hey, handsome.
 155 - Come on, Red, do one more. What am I now?
 156 - A deer.
 157 - Nope, a rhinoceros. What am I know?
 158 - A moron.
 159 - Wrong again, I'm a deer!
 160 - Mr. Forman, your wife just saw me and Randy kissing in the driveway.
 161 - Whoo-hoo!
 162 - Then she yelled at us, so I told her she was a bad mother
 163 - and that Eric moved away to Africa to get away from her.
 164 - - Now she's really mad at me. - Well, of course she's mad at you, Donna!
 165 - You can't just go around telling people the truth!
 166 - Why the hell didn't you stop them?

167 - Because the last time I got between two women,
 168 - well, that actually worked out really well.
 169 - Well, thanks, Donna. Now you've made it worse.
 170 - I have to go and fix this now.
 171 - Because if I have to stay here another day with your dad,
 172 - I'm gonna end up killing myself.
 173 - No offense.
 174 - How was that no offense?
 175 - You should have just said, "Offense."
 176 - Fine. Offense.
 177 - Okay, go. But you're gonna miss out what I'm making for dinner. Five
 different meats.
 178 - This thing is completely destroyed.
 179 - Yeah. You know what else happened at the party?
 180 - A guy grabbed my butt and his girlfriend got really mad at him.
 181 - Yeah, I think they broke up.
 182 - I had a great time!
 183 - I'm screwed, man! WB is in the music industry.
 184 - They can kill anyone and make it look like an accident.
 185 - They did it to Mama Cass. They did it to Hendrix.
 186 - They even took out Buddy Holly to get to the Big Bopper!
 187 - Oh, Hyde, you're such a baby.
 188 - "Oh, I'm Hyde and I just lost the trust of the father I just met and..."
 189 - Oh, here comes the waterworks again.
 190 - So, I hear you and Donna had quite the flare-up.
 191 - You wanna tell me what happened?
 192 - Well, your guess is as good as mine.
 193 - I saw Donna and Randy in the driveway,
 194 - I politely said, "Good day,"
 195 - and out of nowhere she just bit my head off.
 196 - - Completely unprovoked? - Completely.
 197 - - So just like all of our fights? - Exactly.
 198 - Yeah, well, look, Kitty, what happened with Eric and Donna is normal.
 199 - People... People move away. They move on.
 200 - Just like you did when I went off to war and you dated Roger Silverman.
 201 - You knew about that?
 202 - Yeah, well, you guys probably shouldn't have gone on American Band-
 stand.
 203 - Well, my situation was different.
 204 - You were overseas. I had to keep my options open.
 205 - Donna's a whore.
 206 - What do you think, man? Can you fix it?
 207 - I don't know, man. You kind of caught me at a bad time.
 208 - Right in the middle of Hawaii Five-O.
 209 - Leo, there's no TV in here.
 210 - That doesn't change the fact that it's on.

211 - Look, man, I actually really need your help.
212 - Okay, I can fix this, man. But I just need to do one thing to prepare.
213 - Okay, here we go. Gloves.
214 - Knife.
215 - Napkin.
216 - Can't fix a guitar on an empty stomach.
217 - Oh, hi, Donna. I didn't recognize you
218 - without six feet of strange boy attached to your face.
219 - Mrs. Forman, about what happened in the driveway,
220 - we both said some things we probably didn't mean.
221 - I didn't.
222 - Well, I'm just saying, you know, we both got emotional
223 - and we said some things we might want to take back.
224 - Can't think of anything.
225 - You do admit that you were in the driveway, right?
226 - I don't know. Looked more like a brothel to me.
227 - Mrs. Forman, please.
228 - I just came over here to tell you that
229 - this whole thing with Randy, it was all a huge mistake.
230 - Oh, Donna, I am so happy to hear you say that!
231 - - So are you and I okay? - Of course we are!
232 - Oh, I never really saw you with Randy anyway. He is awful handsome.
233 - Oh.
234 - No. We're still together, it's just that we won't kiss in front of you any more.
235 - And for the record, I could get any guy I want.
236 - I am damn hot. You should hear the disgusting things
237 - construction workers say they want to do to me.
238 - Oh, come on, Donna. You don't belong with Randy anyway.
239 - And just wait, when Eric gets home...
240 - Mrs. Forman, listen to me!
241 - When Eric comes back, we are not getting back together.
242 - So you need to get over it.
243 - How am I supposed to get over Eric running off to Africa?
244 - He was supposed to stay here, marry you and give Red and me
245 - three wonderful grandchildren named Ronald, Rose and Kitty Junior.
246 - Only everyone will call her Kitkat, so it doesn't get confusing.
247 - Oh, my God. So you're not mad at me, you're mad at Eric.
248 - Of course I'm mad at Eric.
249 - It just... It wasn't supposed to turn out this way.
250 - Mrs. Forman, I'll always care about Eric.
251 - But it's over.
252 - I know.
253 - So... Kitty Junior?
254 - Or Kitty the Second.
255 - Whichever you prefer, it's your child.

256 - There you go, the guitar is all fixed.
 257 - Leo, I could kiss you, man.
 258 - Okay, but that's as far as you're gonna get.
 259 - Hey, where's my kiss? I'm the one who wiped off all the graffiti.
 260 - What?
 261 - Yeah, some jerk named Peter Frampton wrote his name on it.
 262 - Fez, you moron! This is Peter Frampton's guitar!
 263 - - Who? - Peter Frampton!
 264 - The talentless idiot that a million brainless teenage girls made a star.
 265 - I love Peter Frampton!
 266 - A million and one.
 267 - Oh, my God, my dad's here. What am I gonna do?
 268 - Don't worry. I'll take care of him with this. Lights out, you son of a bitch.
 269 - You know what? I'll just sign it myself.
 270 - I've written Frampton's name on plenty of things.
 271 - I'll just leave off the "sucks" part.
 272 - Hey, there, Steven!
 273 - - Hey, man, how was Clapton? - Great. Hey, got you a t-shirt.
 274 - Oh. "I love Chicago."
 275 - Yeah, I didn't remember till I got to the airport.
 276 - Wow, look at this place.
 277 - You know, I was thinking about giving you a nice cash bonus,
 278 - - but now I don't think I'm gonna. - You're not?
 279 - Nope. Check this out.
 280 - Eric Clapton signed this guitar.
 281 - Oh, my God, I love Clapton.
 282 - Me too! That's why I'm giving you the Peter Frampton.
 283 - Actually, you know, I mean, the store is doing great,
 284 - you took care of the house, so here.
 285 - - You're giving me the Clapton guitar? - Yep, you deserve it.
 286 - Uh, yeah. WB, I got something kind of bad to tell you.
 287 - Well, actually it's kind of funny too.
 288 - No, it's mostly bad.
 289 - You know, I'd say 50/50 funny, bad.
 290 - I threw the most freaking awesome party here last night and, uh, well...
 291 - We broke your Frampton guitar.
 292 - What's the funny part?
 293 - Oh, you see, I was hoping that was the funny part,
 294 - 'cause I put the "ha ha" in there.
 295 - It made me laugh!
 296 - So while I was away, you disobeyed my wishes,
 297 - used my house for a party
 298 - and broke something that was extremely valuable to me?
 299 - I have a son!
 300 - - You're not mad? - Nah, 'course not.
 301 - Do I still get the Clapton guitar?

302 - Oh, hell no. I can't trust you worth a damn.
303 - I have a confession to make, too.
304 - I broke your toilet seat trying to re-heat some pizza.
305 - Yeah, and I peed in your pool.
306 - Leo, you weren't even at the party.
307 - I know. That's why I peed in his pool.
308 - Okay, towel.
309 - Suction.
310 - Oh, we're losing him!
311 - Time of death, 8:29.
312 - Murderer!

4.15 Episode 15: Keep Yourself Alive

1 - Well, that was some county fair.
2 - And they really went all out with the musical entertainment.
3 - I mean, The Beach Girls were fabulous.
4 - I've never seen The Beach Boys but I cannot imagine they are any better.
5 - The only thing worse than listening to those Beach Whales
6 - was watching Steven throw up after spending all day in the beer garden.
7 - I had a good reason to throw up. I was drunk.
8 - Oh, I wish I could say I've been drunk the whole time I went out with you.
9 - Oh, yeah, it's a good thing you're not a drinker.
10 - You'd have a hard time operating that heavy machinery. Your mouth!
11 - Well, I had a great time.
12 - I have an invisible dog on a leash, a goldfish in the bag
13 - and a giant stuffed panda.
14 - Of course, I got some stupid stuff, too.
15 - You know, Fez, you should be thanking Randy.
16 - You were so amazing winning all that stuff.
17 - With your hair flowing and your muscles rippling.
18 - You were like a Greek god of knocking things over.
19 - All hail Ballus Knockoverus!
20 - I'm still drunk.
21 - So how did you get so good at popping balloons with darts?
22 - Well, when my parents divorced, I found comfort in a community
23 - of non-judgmental carnival workers.
24 - I taught them to read,
25 - and in exchange they taught me how to play their games of chance.
26 - Really? - Nah, I got a dartboard.
27 - Well, you won every game in the place.
28 - Donna, it must be nice to finally have a boyfriend
29 - who can swing that sledgehammer
30 - and get that little black thing past, "Seriously, hit it."
31 - Now, you shush. Eric always did very well at the fair.
32 - Every time he went to that one booth, he walked away with a stuffed ani-

mal.

33 - That was the gift shop.

34 - Well, Mrs. Forman, you won a prize, too.

35 - I can't believe you let that guy guess your weight.

36 - And I can't believe that the woman who almost married my son

37 - has already moved on to the next customer because she's as loose as an old gym sock.

38 - Horrus Maximus!

39 - And that weight-guesser never had a chance once I took off my shoes,

40 - my belt, my engagement ring, spit out my gum

41 - and took all the Kleenex out of my pockets.

42 - Oh, Fez, honey, you never gave me back my ring.

43 - Oh, yeah.

44 - Wow, so sparkly.

45 - And lost forever.

46 - Hanging out

47 - Down the street

48 - The same old thing

49 - We did last week

50 - Not a thing to do

51 - But talk to you

52 - We're all all right

53 - We're all all right

54 - Hello, Wisconsin!

55 - It's gone! My engagement ring is gone!

56 - You! You lost it!

57 - We let you into our country, we give you minimum-wage jobs,

58 - we teach you how to use a knife and a fork and this is how you thank us?

59 - Kitty, I hate to see you so upset when there is such an easy solution.

60 - Let's just get you home, I'll make you a martini,

61 - then when you calm down, I'll make you a margarita.

62 - Wait, what about us?

63 - Oh, you're going to stay here and look for the ring.

64 - And if it rains, just do like the Indians did. Die.

65 - Okay. Well, the ring must have rolled down the hill,

66 - which means that it's been probably eaten by a squirrel.

67 - We need to find this squirrel, feed it laxatives,

68 - and wait for the show to begin.

69 - God, we're stuck out here? That's a bummer.

70 - I've been waiting to get you home ever since you threw that ping-pong ball

71 - into the floating teacup.

72 - Maybe we can sneak off. You know, the woods can be pretty romantic.

73 - That is, unless you run into a serial killer.

74 - Or a witch who lives in a house made of candy.

75 - Hey, you guys, you know, I was thinking that maybe we'd find the ring faster

76 - if we split up into teams.
 77 - Say, Donna, that's a great idea! But who, may I ask, would go with whom?
 78 - I get Donna.
 79 - Well, that way, if we run into a bear, I could just climb you.
 80 - No, I was thinking I would go with Randy and you would go with Hyde.
 81 - No, no, no, I'm not teaming up with Steven.
 82 - That would be like Cher teaming up with a really smelly drunk.
 83 - Whoa! Did you guys hear that?
 84 - The wild call of the brown-haired pygmy bitch.
 85 - - I didn't hear anything. - There it is again!
 86 - Hey, this is what it's all about.
 87 - The outdoors, just us guys talking man-to-man.
 88 - You know, Jackie is so annoying. I didn't realize when we were going out.
 89 - Sometimes you got to marry a stripper to get things into perspective.
 90 - Anyway, this is good. The outdoors, just us guys,
 91 - talking man-to-man. It's what it's all about.
 92 - Yeah, hey, can I team up with Donna?
 93 - What? No, it's all about the guys!
 94 - Ah, man, I can't get between you and Donna,
 95 - 'cause love, that's what it's all about. And jugs.
 96 - Especially jugs.
 97 - Then love. But mostly jugs. You know what I mean, man?
 98 - Silence. That's what it's all about.
 99 - Oh, this is just awful.
 100 - - Fine. I'll add more gin. - No.
 101 - Red, the ring. And you know, this is all your fault.
 102 - If you hadn't driven like a madman over a pothole,
 103 - I wouldn't be drinking to calm my nerves, I would just be drinking.
 104 - Hey, I am not the one who gave his engagement ring to the foreign kid.
 105 - You're lucky he is not wearing it through his nose!
 106 - Oh, this is just the worst thing ever.
 107 - - Kitty, it's just a ring! - I am talking about the drink!
 108 - Hey, there. I was just putting out the trash and heard you two having a little spat,
 109 - so I figured you'd probably want me to come and take a side.
 110 - Okay, well, my engagement ring is lost and Red doesn't even give a damn.
 111 - And I don't understand it because even if he doesn't care
 112 - about the sentimental value, it still cost 1,000.
 113 - 1,000bucks?*Soyoufinallyreplacedtheoldcheapone,huh?*
 114 - -*What?* - *Bob...*
 115 - *Oh, jeez.*
 116 - *Youblewitnow, Red.*
 117 - *Theoldcheapone?Whatishetalkingabout, Red?*
 118 - *Kitty, I loveyou.*
 119 - *Howmuchdidmyringreallycost?*
 120 - *Rightaround1,000.*

121 - How much exactly?
 122 - 65.
 123-65? My hairdo costs more than that!
 124 - It does? Where the hell are you getting...
 125 - Which is beside the point, because you look lovely!
 126 - And you know what else looks lovely?
 127 - The view from the couch.
 128 - Which is where your cheap, lying butt will be sleeping tonight.
 129 - She's right about that couch. Got a great view of the TV from there.
 130 - Steven is such a jerk. You know, I can't believe I almost married a guy
 131 - who can belch the alphabet all the way to "W."
 132 - You know, he never finishes anything.
 133 - Well, Randy is perfect.
 134 - That lady at the fair who did the caricatures?
 135 - She refused to draw him 'cause she couldn't find a flaw.
 136 - Oh, please. That lady had no talent.
 137 - Did you see how big she drew my mouth?
 138 - - Hey. - Hey.
 139 - - Any luck finding that ring? - No.
 140 - But we did find a broken high heel, some old stockings,
 141 - and an empty pack of Marlboros.
 142 - Yeah. So it looks like Steven's mom has been here, too.
 143 - You don't know my mom. She smokes Luckys.
 144 - Well, maybe it's time we shake up the search parties a little bit.
 145 - Tell you what, I'll flip a coin. Heads me and Donna, tails me and Jackie.
 146 - It's heads, Donna, come on.
 147 - Wait, no, no! I can't go with Steven. He's a disgusting pig.
 148 - Yeah. She's a stuck-up princess who only cares about looks and money.
 149 - Oh, don't try to sweet-talk me.
 150 - Okay, look, we're not going to find this stupid ring anyway,
 151 - so let's just get out of here.
 152 - Where's Fez?
 153 - Well, Goldie,
 154 - it seems that we're lost in a dark, cold, lonely cave.
 155 - You look scared, too.
 156 - Your eyes are bugging out of your head.
 157 - But I'm glad you're here.
 158 - 'Cause at least I can have a conversation with a fish.
 159 - Otherwise I'd be losing my mind.
 160 - Fez?
 161 - - Where is he? - Oh, don't worry.
 162 - He survived his trip over here in a banana crate, he'll be fine in the woods.
 163 - Actually, I'm kind of worried about him.
 164 - It's dark, it's cold, there's no pornography anywhere.
 165 - What was that?
 166 - That was a wild Canadian boar.

167 - They feed on likeable girls.
 168 - You're safe.
 169 - You know, being out here like this, without any TV or magazines,
 170 - you know, makes me realize how people 500 years ago must have felt.
 171 - Incredibly bored.
 172 - By the way, Donna, if you're ever lost in the outdoors,
 173 - just find the North Star.
 174 - Its gentle twinkling will comfort you as you slowly die.
 175 - Oh. Ew!
 176 - What, now we have to cross a disgusting river?
 177 - Jackie, it's just a creek.
 178 - Okay, fine. Why don't you take your shoe off,
 179 - we'll all get in and row ourselves across.
 180 - - Allow me, milady. - Thank you.
 181 - Wait, how am I supposed to get across?
 182 - Come across like you always do. Real bitchy.
 183 - Oh. Okay, you know what?
 184 - Even when we were dating, you never did the gentlemanly thing.
 185 - All right, fine, give me your hand.
 186 - No, I am not touching that hand.
 187 - You have been burping in that hand all day.
 188 - Come on, you've touched grosser things than this.
 189 - You went out with Kelso for four years.
 190 - Oh.
 191 - Okay, you know what, I'll just get myself across.
 192 - Well, that couldn't have worked out any better.
 193 - Well, Goldie, if my internal clock is correct,
 194 - we've been here either an hour, or a month.
 195 - Man, I'm terribly thirsty.
 196 - Hope you don't mind, I'm going to drink a little bit of your water.
 197 - You peed in there.
 198 - Well, I made Bob go and get the kids.
 199 - Maybe they'll find the ring, maybe not, either way, I got rid of Bob.
 200 - I can't believe you lied to me about that ring.
 201 - Listen, Kitty.
 202 - When I got back from Korea,
 203 - I wanted to buy you the nicest engagement ring ever.
 204 - But I wasn't making much money.
 205 - And when I realized how long I would have to save to get that ring,
 206 - I just knew I couldn't wait that long to ask you to marry me.
 207 - Well, that's true. I had other offers.
 208 - Jimmy Callahan used to call me "sweet knees" and he was absolutely
 right.
 209 - So, I bought the best that I could afford and I was going to tell you
 210 - that we'd get a better ring when we had the money.
 211 - But then it all went wrong.

212 - You loved the ring, you said it must've cost 1,000 *and you were so excited*.
 213 - *I just couldn't let you down*.
 214 - *Red*.
 215 - *But I'll tell you what*.
 216 - *If the kids don't find the old one, I'll get you another ring*.
 217 - *The kind that you deserve for putting up with me all these years*.
 218 - *Well, I don't want you to sell the house*.
 219 - *Hey, Donna, you know when you see a flock of ducks flying in a "V" formation,*
 220 - *one side looks longer than the other, you know why that is?*
 221 - *No? - More ducks*.
 222 - *Hey, we lost Jackie and Hyde*.
 223 - *Finally we're alone*.
 224 - *Donna!*
 225 - *- That was magical. - Yeah. I hope I didn't get pregnant*.
 226 - *Donna!*
 227 - *Hey, you guys missed it! Jackie just fell in the creek*.
 228 - *Will you shut up? I can get pneumonia and die*.
 229 - *This keeps getting funnier*.
 230 - *All right, we still need to find Fez, so why don't the girls stay here,*
 231 - *Hyde and I go look for him?*
 232 - *I have a better idea. Let's get some meatball subs*
 233 - *and go to a strip club*.
 234 - *Come on, buddy, let's go find Fez*.
 235 - *Maybe Fez has a meatball sub!*
 236 - *Okay, I have been holding this in for, like, three hours and I can't do it anymore*.
 237 - *Yeah, I know. You like Randy, you're jealous of my hair. Blah, blah, blah*.
 238 - *No, I drank too much, and now I have to, like, go, sob my look out*.
 239 - *You know, if this were a mall, you'd be in a bathroom right now*.
 240 - *Of course, you wouldn't be in a mall,*
 241 - *'cause you might accidentally put on some new clothes*.
 242 - *Hey, man, this looks familiar. I think we just made a complete circle*.
 243 - *- Whoa! - Oh, my God!*
 244 - *No, I'd remember this!*
 245 - *I win again!*
 246 - *I know you're just a fish, but come on, at least try!*
 247 - *Fez, is that you?*
 248 - *Goldie, you can use pronouns?*
 249 - *No, Fez, it's me, Bob*.
 250 - *Bob! You found us! Hallelujah!*
 251 - *Yep, just followed the trail of candy corn you left*.
 252 - *What? I didn't leave a... Oh, damn it! There was a hole*.
 253 - *All that candy corn wasted*.
 254 - *No, I ate them*.
 255 - *Bob, they were on the ground!*
 256 - *Well, I would have done the same*.
 257 - *Donna, you don't have to be embarrassed, man. It's over*.

4.16 Episode 16: My Fairy King

- 1 - Hey, Fez.
- 2 - Hey, girl holding Fez's hand who I've never seen before in my life.
- 3 - - Everyone, meet Hilary. My girlfriend. - Hi, guys.
- 4 - Is she really your girlfriend, Fez?
- 5 - Or did you just find her wandering from the scene of an accident
- 6 - and tell her she's your girlfriend?
- 7 - No, this one's legit. See, no scratches.
- 8 - Um, a little privacy, please?
- 9 - You want privacy?
- 10 - - You spy on me and Randy all the time. - Donna, I like to watch.
- 11 - I don't like being watched. That's just creepy.
- 12 - No, creepy is when you open the closet door and throw a shoe at me
- 13 - and tell me to get out of the way so you can get a better view of Donna.
- 14 - - Hey. Um, I'm looking for Samantha. - Who are you?
- 15 - I'm her husband.
- 16 - Sam!
- 17 - - Larry? - Samantha.
- 18 - Uh, this guy just said he is your husband
- 19 - which is a little off-putting because I'm your husband.
- 20 - I can explain this.
- 21 - You're both my husband.
- 22 - Wow, Hyde. I bet when you married a stripper
- 23 - this wasn't the kind of threesome you expected.
- 24 - Hanging out
- 25 - Down the street
- 26 - The same old thing
- 27 - We did last week
- 28 - Not a thing to do
- 29 - But talk to you
- 30 - We're all all right
- 31 - We're all all right
- 32 - Hello, Wisconsin!
- 33 - So when you and I got married, you were already married to another guy?
- 34 - Sort of.
- 35 - Sort of? There is no "sort of" in marriage.
- 36 - When you say, "I do," you mean, "I do want to marry you,"
- 37 - not, "I do already have another husband!"
- 38 - Hey, everybody, Hyde's part of a boy-harem!
- 39 - Look, Hyde, Larry was a regular at the club and one day he asked me to marry him.
- 40 - He said he'd rent me an apartment and buy me a Camaro,

41 - what was I supposed to say?
42 - How about, "No, you creepy 80-year-old loser"?
43 - Hey, nobody talks to Larry Lennet like that.
44 - - Shut up, Larry. - I'm sorry, dear.
45 - Then I met you and I fell in love.
46 - I figured we'd just leave town and I'd never see him again.
47 - Luckily for me, you kept using my credit card,
48 - which expires in a month. I got you a new one in the car.
49 - So, if she was married to him before she married you,
50 - then you guys aren't even legally married,
51 - which means this is freaking hilarious!
52 - Red, I just heard some bad news, I ran over to tell you.
53 - Bob, you live next door, why are you panting?
54 - I was going against the wind.
55 - They're opening a Muffler Master right here in Point Place!
56 - - What? - Aw, jeez.
57 - My shop is barely scraping by as it is.
58 - Muffler Master isn't going to drive you out of town.
59 - They're a big chain.
60 - They're always throwing their weight around,
61 - crushing anything smaller than themselves.
62 - They're like Bob at a Cub Scout pancake breakfast.
63 - Well, they are just a faceless corporation.
64 - You have something they don't. A friendly smiling face behind the counter.
65 - When did you hire a new guy?
66 - This town needs to know
67 - that there is a friendly neighborhood muffler man they can go to.
68 - So you should have a sale.
69 - No, a sale-a-bration!
70 - I'll make muffins. You can give one away with each muffler.
71 - Just don't sell more than 12 mufflers
72 - because Jody Adelman still has my other tin.
73 - - See you later, alligator. - After a while, you big baboon.
74 - Unbelievable. God, Fez has Hilary,
75 - you have Randy, now Steven's wife has two husbands.
76 - Why am I alone and all you stupid, less attractive people are happy?
77 - Ugly people need love, too.
78 - Just like bitches.
79 - Okay, I need a boyfriend.
80 - But I don't want to end up with someone as stupid as Michael
81 - or someone as wrong for me as Steven.
82 - I know. I'm gonna write up a list.
83 - Write down everything I want in a man and then find the guy who matches
up!
84 - I did that once. But with candy.
85 - Okay. What do I want in a guy?

86 - Ah, Olympic gold medalist,
 87 - someone who doesn't talk to the help.
 88 - Oh, doesn't look like Eric.
 89 - Jackie, if you're serious about this list,
 90 - maybe you should pick qualities that are a little more realistic?
 91 - Ah, you're right. Yeah, you're right.
 92 - No fatties, no baldies.
 93 - What are you still doing here?
 94 - I thought you'd be halfway to Vegas by now with your husband.
 95 - You're my husband.
 96 - No. I'm the guy you married 'cause you were bored.
 97 - Next time, try tennis, you lunatic.
 98 - Hey. That's our wife you're talking about.
 99 - - Shut up, Larry. - I'm sorry.
 100 - Hyde, for what it's worth, I don't love Larry.
 101 - - I love you. - Oh. Great.
 102 - You love me more than you love your grandfather.
 103 - Well, I'll have you know I won't be going without a fight.
 104 - - Shut up, Larry! - Without a fight it is.
 105 - Oh, Red, I am sorry business is so slow.
 106 - I blame myself. I used margarine instead of butter in the muffins.
 107 - I ruined us to save 8 cents!
 108 - Red, I told you, you should listen to me.
 109 - I'm not renting a promotional monkey.
 110 - No. No, Red, you should've turned this place into an adult bookstore.
 111 - Those places are packed 24 hours a day.
 112 - Sometimes you can't even get to the good stuff.
 113 - Oh, oh, Red, a customer. Okay, now, you show him
 114 - that you have the personal touch that Muffler Master doesn't.
 115 - And if that doesn't work, tell him you have a fake leg.
 116 - There is an orderly at the hospital who has a fake leg
 117 - and he just gets whatever he wants.
 118 - - Can I help you? - Yeah, I need a muffler.
 119 - And I appreciate your business.
 120 - I mean, sure, Muffler Master can give you half off, but here at Forman
 and Son,
 121 - you get personalized home-town service with a smile.
 122 - Half off? What am I doing here?
 123 - Hey, what about my damn service with a smile?
 124 - I have a fake leg!
 125 - Okay, okay, stop everything!
 126 - I've finished my "perfect man" list!
 127 - And all the pieces of my life are falling into place.
 128 - Oh, would you just shush and listen? Okay, first, he has to be a gentleman.
 129 - Just like my Fezzie. He's always opening doors for me.
 130 - Well, that way, I can walk in behind her and the view is better.

131 - Okay, my ideal guy has a great sense of humor.
 132 - Oh, that's like Fez, too!
 133 - Just this morning, he told me the funniest knock-knock joke.
 134 - I'd tell it, but I don't want to get us off-track
 135 - with 10 minutes of uproarious laughter.
 136 - Okay, and third, he has to be interested in women's shoes.
 137 - Oh, Fez, that's like last night when you put on my heels...
 138 - Anywho...
 139 - Okay.
 140 - Okay, well, I'll let you guys hash this out on your own.
 141 - Baby, some stories are just for us.
 142 - Jackie, have you realized who fits every single thing on your list?
 143 - Yeah! Elton John!
 144 - And I think he's single, 'cause you never see him out with a girl.
 145 - No, I'm talking about Fez.
 146 - - What? - Hey, you wrote the list
 147 - and the list don't lie. And your ideal man is Fez!
 148 - Oh... That is almost as ridiculous as you
 149 - looking in the mirror and thinking this outfit works.
 150 - Oh, yeah?
 151 - At least I can see over the bathroom counter to look in the mirror.
 152 - Oh, hey, you know what? I found a perfect dress for you that'll fit you.
 153 - Ah, you're gonna have to borrow it from the Statue of Liberty.
 154 - Okay, truce. I didn't mean to upset you. Let's just stop and call it even.
 155 - Okay, fine.
 156 - You like Fez, you like Fez.
 157 - Today was a total disaster.
 158 - I didn't sell one muffler and I drove a dozen customers
 159 - into the hands of my competition.
 160 - If I were a younger, more flexible man, I'd shove my foot up my own ass.
 161 - You think you got problems? I've got a husband-in-law.
 162 - Okay, well, this should cheer the two of you up.
 163 - My secret seven-layer casserole.
 164 - The secret is layers three and six are bourbon.
 165 - I can't go back out on the job market. It's a young man's game.
 166 - Plus I hate everybody.
 167 - Well, maybe you should think about retiring.
 168 - You're always saying how you'd love more time
 169 - to drive around town and yell at men who wear sandals.
 170 - I can't afford to retire. That's it.
 171 - I'm not waiting for those bastards to put me out of business.
 172 - I'm going down to the Muffler Masters offices and give them a piece of my
 mind.
 173 - What if they tell you to go take a flying leap?
 174 - Well, then, I'll throw a garbage can through their window.
 175 - So basically, Jackie's list says the perfect man for her is Fez,

176 - but she's in massive denial.
 177 - Jackie, it's not healthy to be in denial.
 178 - Once my uncle came to terms with his crush on Burt Reynolds,
 179 - a whole new world opened up for him.
 180 - Okay, look, just because Fez matches up with a few things on my list
 181 - doesn't mean he is the perfect match for me.
 182 - I mean, we are complete opposites. It's like I'm Beauty and he is the
 Beast.
 183 - Um, Jackie, at the end of the story, Beauty and the Beast get together.
 184 - Oh, would you shut up, you reader?
 185 - Look, there are plenty of other things on this list. For instance,
 186 - my perfect guy compliments me, buys me presents and comes when I call.
 187 - And none of that describes Fez.
 188 - Did you call me?
 189 - - What? No, I... - Wow, Jackie, you look fantastic today.
 190 - Oh, which reminds me, I got you a present.
 191 - Enjoy it. Bye, guys!
 192 - Whoa, that was weird.
 193 - So have you decided what you are gonna do about Sam?
 194 - I don't know, man.
 195 - I mean, on one hand, she kept a massive secret from me,
 196 - and I don't think I can ever trust her again.
 197 - On the other hand,
 198 - I'm just a small-town burn-out with two stints in juvie.
 199 - Who am I to judge?
 200 - Well, all I know is, she makes you happy.
 201 - And the only other time I've seen such a big smile on your face
 202 - was when you got Fez and Kelso to smash their heads together
 203 - when you threw a peanut on the floor.
 204 - It's a tough decision, man. I'm gonna let the ball decide.
 205 - If I make the shot, I stay with Sam. If I miss, I say goodbye.
 206 - Huh. God's funny.
 207 - Kitty, I just got back from the Muffler Master offices in Kenosha.
 208 - Oh, I hate Kenosha. They think they're so much better than us
 209 - just because they've got a town pool.
 210 - Yeah. Well, I told them,
 211 - no matter how many mom-and-pop stores they put out of business,
 212 - they'd better not even think about opening a store near mine
 213 - or they'll get a fight from me like they've never seen!
 214 - That's my man! What did they say?
 215 - They're putting a store across the street.
 216 - Oh, Red, I'm sorry.
 217 - Ah, don't be. I scared the heck out of them.
 218 - They even offered me a little money for my shop.
 219 - Well, I hope you told them to get lost.
 220 - Course I did. Then they offered me more money.

221 - And you told them to stuff it.
 222 - Damn right. And then they offered me a lot of money.
 223 - - Go to hell, Muffler Master. - Actually, I accepted it.
 224 - Thank you, Muffler Master!
 225 - Oh.
 226 - Oh, I can't believe this.
 227 - Yeah, me neither.
 228 - But you know, I've been thinking about what you said, about retiring.
 229 - And I think that, with this check, we can just about do it.
 230 - If it's okay with you.
 231 - Oh, Red. You don't have to ask my permission for anything.
 232 - You have fought in two wars, you have worked your whole life.
 233 - You deserve to cash in.
 234 - Well, I couldn't have done it without my best gal!
 235 - Well, speaking of things you can't do without your best gal...
 236 - Hmm.
 237 - How'd you like to go celebrate?
 238 - I was thinking the same thing!
 239 - Oh! You meant...
 240 - Well, sure, we can get a steak later!
 241 - Doesn't it bother you that Muffler Master is going to turn your shop
 242 - into a parking lot?
 243 - As long as that check clears,
 244 - I don't care if they turn it into a Communist recreation center.
 245 - Anyway, what happened to you and Sam?
 246 - Oh, well. We finally got some time alone, we talked,
 247 - I told her I thought it'd be a mistake if we stayed together,
 248 - she agreed and we hugged.
 249 - Then she jumped back on the main stage and finished out her act.
 250 - Well, you two kids lasted longer than I expected.
 251 - I thought she was gonna knock you out and steal your wallet on the first
 night.
 252 - - Hey. - Hey.
 253 - Thought you'd be halfway to Vegas by now.
 254 - Hyde, I'm really sorry how things worked out.
 255 - Yeah, me, too.
 256 - But I like to think if our paths ever cross again that I'd be able to give
 you 20
 257 - *and you'd be able to dance for me and it wouldn't be awkward.*
 258 - *I'd like that.*
 259 - - *Bye.* - *See ya.*
 260 - - *You all right?* - *Yeah.*
 261 - *Let me tell you something, son. I dodged a lot of bullets in Korea,*
 262 - *but not one as crazy and blonde as the one that you just side - stepped.*
 263 - *It's weird, man.*
 264 - *I never imagined myself divorced from a Vegas stripper*

265 – *with a second husband at this age.*
 266 – *I never imagined myself retired at this age.*
 267 – *But all I know is, when life finally gives you a break from the crap storm,*
 268 – *the best thing that you can do is to crack open a beer with a friend.*
 269 – *— To retirement. — To divorce.*
 270 – *You know, Red, retirement is gonna be great.*
 271 – *Sleeping in every day, watching TV, doing nothing.*
 272 – *I'd be happy to show you how it's done.*
 273 – *Beauty!*
 274 – *Beast! I like your haircut.*
 275 – *Oh, thank you for noticing.*
 276 – *Yeah, I had them take off a little extra off the wrists.*
 277 – *So what brings you up to the forest for no return?*
 278 – *Oh, see, I wrote up this list of whom my perfect match should be,*
 279 – *and everyone thinks it's you.*
 280 – *I mean, isn't that crazy? You're a beast!*
 281 – *That's true, I'm disgusting.*
 282 – *Yeah! Oh, yeah, you actually have a little piece of elf right there.*
 283 – *Did I get it?*
 284 – *No, no, here, come here. Ah.*
 285 – *Uh — uh!*
 286 – *Okay. Well, I'll see you later, Beast.*
 287 – *Beast! You're totally hot!*
 288 – *Holy crap! I'm going to save a fortune on razors!*
 289 – *Why, you're not a beast at all! You're a handsome prince.*
 290 – *The list was right. You are the one for me.*
 291 – *Then come and get the royal treatment, baby!*
 292 – *Jackie? Jackie! Are you okay?*
 293 – *You were moaning in your sleep, and while I find it enjoyable,*
 294 – *I thought I should wake you up.*
 295 – *I'm fine. No, I'm fine, it's just, um...*
 296 – *Fez? Get back in here, you beast!*
 297 – *Oh, coming, my Beauty!*
 298 – *— Hi, honey, how was your day? — Great, great.*
 299 – *I scared an entire village and I tore down all the trees in the forest.*
 300 – *What's for dinner?*
 301 – *— I made you a special dish. — Macaroni and children?*
 302 – *Italian! My favorite!*
 303 – *I do smell good. Hey, save me a piece of me!*

4.17 Episode 17: Crazy Little Thing Called Love

- 1 - Steven, why is there lingerie behind my canned goods?
- 2 - Oh, sorry, that's Sam's.
- 3 - Before we split up, our love life got a little boring
- 4 - so we decided to branch out and try some new locations.

5 - By the way, this is a good, sturdy table.
6 - Oh, Steven!
7 - Good morning.
8 - Hi, Red. You're up early.
9 - You're retired. You should be sleeping in.
10 - Yeah, well, I was awoken by the pleasant sound of birds
11 - chirping outside my window.
12 - And now that I don't have to work, I finally have time to poison them.
13 - I feed those birds bread every day.
14 - Good. That'll make it easier.
15 - Red, I don't think you have embraced retirement yet.
16 - What you need to do is get yourself a robe,
17 - go sit out on the porch, then shake your fists
18 - and yell stuff like, "Dagnabit! Why I ought to..."
19 - I have to say, I looked forward to retirement
20 - as much as I looked forward to playing catch with my son.
21 - And both of them have left me bitterly disappointed.
22 - Well, you know, we could take a trip.
23 - When Amy O'Brian's husband retired,
24 - they went to see the nutcracker museum in Rhode Island.
25 - We don't have to go anywhere that fancy,
26 - but there is that cave in West Virginia I've been wanting to see.
27 - That's a good idea, Red. You and Kitty you should travel.
28 - You know, see the world.
29 - I saw the world when I was in the Navy. It shot at me.
30 - I don't know. West Virginia is supposed to be pretty nice.
31 - It is the Ohio of the Atlantic states.
32 - Well, if you need something to do,
33 - you can always come down to help me at the record store.
34 - There's a light switch that keeps shocking people.
35 - Although on the upside, the jolts seem to be making Leo remember stuff.
36 - Yeah, sure, I'll help you out. It'll be good to get out of the house.
37 - If I have to listen to Phil Donahue, tell one more housewife
38 - that it isn't her fault that her life is messed up,
39 - I'm going to drive to Chicago and hit him in the head with a hammer.
40 - Okay, Donna, I have something to admit to you but it's really embarrassing.
41 - You read a book for pleasure?
42 - Um...
43 - I like Fez.
44 - Wow.
45 - Well, I guess the only thing I have to say is
46 - I freaking knew it!
47 - Donna! Look, I know I made up that stupid list to figure out
48 - who my perfect match should be, and you were right.
49 - It's Fez.
50 - This is one of the biggest things I've ever heard you say.

51 - I know, I know. I can't believe I like him.
52 - No, you admitted I was right.
53 - Okay, are you sure you like Fez?
54 - I mean,
55 - think about all the things you've said about him over the years.
56 - He's a bad... Poor... Sweaty... Stinky... Crazy...
57 - Sick... Ridiculous... Foreign... Spazoid... Weirdo.
58 - Okay, all right, Donna. You busted me.
59 - I like a bad, poor, sweaty, stinky, crazy, ridiculous, sick, foreign, spazoid
weirdo.
60 - Hey, luscious ladies.
61 - Hey, Fez.
62 - Hey, Fez. What's up?
63 - Well, I made up a new way to play Candyland
64 - where I will eat the appropriate candy for each square I land on.
65 - So, Jackie, get ready to come home to a candy-covered, pantsless room-
mate.
66 - Wait. Why do you have to take your pants off to play?
67 - You don't know me at all!
68 - There he goes, Jackie.
69 - Your candy-covered, pantsless Prince Charming.
70 - Hanging out
71 - Down the street
72 - The same old thing
73 - We did last week
74 - Not a thing to do
75 - But talk to you
76 - We're all all right
77 - We're all all right
78 - Hello, Wisconsin!
79 - Fez, now that I'm spending so much time here,
80 - maybe you should get a waterbed.
81 - That way we won't keep Jackie up with all the squeaking.
82 - Yeah, sorry about that.
83 - I'm a squeaker.
84 - Oh, Donna, I like a squeaker.
85 - Well, what am I going to do?
86 - Okay, look.
87 - A few years ago, I went to see a therapist.
88 - Loser!
89 - My parents were going through their divorce and it helped.
90 - Not everyone who goes to a therapist is a loser.
91 - Okay, wait. So, you're saying this therapist actually helped you?
92 - Yeah.
93 - Well, he must be pretty good if he convinced you you're not a loser...
94 - Wow, man. Impressive.

95 - Yeah. Mr. Forman is really good at fixing stuff.
96 - No, six across. "Impressive."
97 - No, wait, that's more than three letters.
98 - There you go.
99 - Oh, nice job, Red.
100 - Only problem is now I can see how dirty everything is.
101 - I got to do something about that.
102 - There you go.
103 - All right, man, thanks. Guess I'll see you later.
104 - Actually I thought I'd fix that wobbly chair before I left.
105 - Take a hike, cop-head.
106 - Hey, quiet!
107 - Oh, sorry, it's quilt.
108 - Sorry.
109 - I'm just saying I can't believe I'm in a therapist's office.
110 - I mean, there is no way I'll be able to talk for a whole hour.
111 - Well, thank you, Dr. Hammond.
112 - You're right.
113 - I am pretty and I am special.
114 - And I am in the wrong office.
115 - Wow, that was a tough hour.
116 - Come on in, girls.
117 - Have a seat, huh. Excuse me.
118 - Hello?
119 - Oh, hello, Helen.
120 - Fine! I'll heat up my own dinner.
121 - God knows you haven't heated up anything in our home in months.
122 - But have a great time, huh.
123 - So. Donna, nice to see you again.
124 - How are your folks?
125 - Oh, you know, still crazy.
126 - You're telling me, they paid for my watch.
127 - And you must be Jackie.
128 - Yeah. Oh, but before you think there is anything wrong with me,
129 - you see, I'm only here because I like this boy
130 - and I don't want to like him, so...
131 - You know, if you could just write a prescription for that,
132 - I'll be on my way.
133 - Do you see how messed up she is?
134 - Still eating your cuticles?
135 - No.
136 - Jackie, first tell me about some of the other men
137 - that you had feelings for.
138 - Okay. Well, there's Michael, who cheated on me.
139 - And then there's Steven,
140 - who would rather vandalize a car than commit to a relationship.

141 - And now there's Fez,
142 - who's been after me for years and is really very sweet,
143 - but I never paid any attention to him 'cause, you know, he's foreign.
144 - Wow. He seems like a fine man.
145 - Or at least he is now.
146 - Before you get your sadistic female claws into him
147 - and make him forget that he is even a man at all.
148 - Okay, well, none of this matters anyway
149 - because, of course, now that I like Fez, he has a girlfriend.
150 - Have you ever considered that you only like unavailable men?
151 - I mean, the others were emotionally unavailable.
152 - But you weren't interested in Fez until he was taken.
153 - Wow.
154 - So I don't really like Fez,
155 - I just think I like him 'cause he has a girlfriend?
156 - Do you see how messed up she is, Doctor?
157 - I mean she's got some real issues.
158 - I notice you dyed your hair.
159 - What are you running away from?
160 - I just want people to like me!
161 - Jackie, just remember that whoever you end up with,
162 - the key to any relationship is good communication.
163 - Excuse me.
164 - Hello?
165 - Helen!
166 - I told you I'd move it as soon as Al can help me.
167 - Well, I wish you had more upper body strength!
168 - No, you are!
169 - No, you are!
170 - Go to hell, you cow!
171 - So...
172 - Yes.
173 - Good communication.
174 - That's the key.
175 - Why is the closed sign on the door?
176 - Oh, Red put that up.
177 - He said I could either have a closed sign on the door,
178 - or an open sign on my ass.
179 - I should never have asked him to come down, man.
180 - He is bad for business.
181 - You think that's bad for business?
182 - I've been stealing money for months.
183 - Red?
184 - Red!
185 - Hey, man, why are you working so hard?
186 - You should be enjoying your retirement, you know.

187 - Yeah, there's still plenty to do here.
188 - The hinge on that office door is busted, the window needs caulking
189 - and that back room is such a mess,
190 - you got a bunch of weeds growing in there.
191 - Look, man, why don't you just call it a day, you know?
192 - You're retired, it's 2:00.
193 - Hey, it's almost dinner time.
194 - Are you kicking me out?
195 - No. You know...
196 - Yeah.
197 - Look, why... Why don't you just go home.
198 - I don't believe this!
199 - He seemed mad.
200 - Good thing you never have to see him again.
201 - Uh-oh!
202 - Fez! Great news!
203 - I have an opportunity to do something that is going to make me incredibly happy.
204 - - Oh, that is wonderful! - I'm going to become a nun!
205 - You selfish whore!
206 - Listen, I join the convent next week.
207 - So, I'm sorry.
208 - But, if it makes you feel any better, you're the last man to ever touch me.
209 - Unless, I meet someone in Italy before I take my vows.
210 - See you.
211 - Hey, Fez. What's going on?
212 - Hilary broke up with me.
213 - Oh, my God.
214 - Yeah, I just need someone to hold me and tell me it's all right.
215 - I got to go find Hyde!
216 - I am pretty.
217 - I am special.
218 - My casserole is not too oniony.
219 - Hey.
220 - Oh, Steven. I need to talk to you.
221 - How could you kick Red out of your store?
222 - I wasn't expecting him home so early
223 - and he walked in on me taking a bath without any bubbles.
224 - There goes the mystery!
225 - I'm sorry, Mrs. Forman, he was in the way.
226 - In the way?
227 - When your parents left you and we took you in,
228 - did we say you were in the way?
229 - No! We fed you and loved you
230 - and we let you into our Sears family portrait.
231 - Look, I asked him to fix one little switch.

232 - The next thing I know, he is pounding and swearing and sweating.
233 - It's like watching Fez eat a cake.
234 - Well, you need to find a way to make Red feel useful.
235 - And you know what else you need to find?
236 - A beige cardigan, because that's what we're wearing
237 - in this year's picture.
238 - And I don't want to hear about how it's not cool.
239 - I just want you to put the damn thing on, smile and say freaking cheese.
240 - Jackie, what is it about me that makes every woman leave?
241 - I'm going to die alone with nothing but a room full of candy and pornography
242 - to keep me company.
243 - Although, as I say that, it sounds okay.
244 - Oh, okay. Look, Fez, you're not... You're not going to die alone.
245 - Yes, I am. I'm a foreign weirdo.
246 - No, no. You have fascinating stories about faraway lands.
247 - I scare women away with my clinginess.
248 - But when someone needs you, you're always there.
249 - People can barely understand a word I say.
250 - Well, yes, but that's a good thing,
251 - because sometimes you say really stupid things.
252 - Uh, okay, look, Fez, you're a great guy, okay.
253 - You're funny and you're cute.
254 - And any girl would be lucky to have you.
255 - Oh, Jackie, you're so sweet.
256 - Why can't I find a woman like you who likes me?
257 - I got to go!
258 - Well, if I watch some TV, I'll feel better.
259 - And now, Masterpiece Theater presents
260 - A Lonely Foreigner.
261 - Hyde, I don't get it.
262 - We're going to destroy Mr. Forman's house
263 - and that's supposed to make him feel better?
264 - Yeah.
265 - Then he can fix everything and feel really useful.
266 - Red will be happier than the time
267 - he chased off those deadheads camping in the park.
268 - Well, you can't camp there, man.
269 - Some bald guy chases you off.
270 - I just ripped this right off the furnace.
271 - I busted that TV.
272 - I totally destroyed the washing machine, man.
273 - Oh, hey, Red.
274 - I'm glad you're here, man. Things are just falling apart down here.
275 - It's freezing in my room and the TV is broken and
276 - this thing just popped right out of the washing machine.

277 - Jeez, I'm gone for one day and the whole house goes to hell.
 278 - Yeah. It's a good thing you're here, though, so you can fix everything.
 279 - You know what?
 280 - I'll get to this stuff later.
 281 - Later?
 282 - Yeah, I was thinking about what you said this afternoon at the record store.
 283 - You're right. I do deserve to slow down and enjoy my retirement.
 284 - So, right now, I'm going fishing.
 285 - Yeah, but it's, like, 10 degrees in my room!
 286 - Can I at least call a repairman?
 287 - Sure. But you're paying for it.
 288 - I'm on a fixed income.
 289 - I'm retired.
 290 - This is bad.
 291 - We destroyed everything.
 292 - On the bright side, I don't live here.
 293 - What am I going to do, man? I can't watch TV, I can't sleep in my room.
 294 - I guess I can drag my bed out here.
 295 - Hyde, man, wait till you see what I did to your bed!
 296 - Okay, Donna, I don't know what to do.
 297 - I thought I only liked Fez because he was unavailable.
 298 - But now he's available and I still like him.
 299 - I mean, I almost kissed him!
 300 - On the mouth!
 301 - He eats couscous with that thing!
 302 - Okay, before I tell you what to do, let me just get one thing straight.
 303 - You really like Fez?
 304 - Fez is the one you like?
 305 - Yes.
 306 - So you want to go out on dates with Fez?
 307 - And make out with Fez?
 308 - - Yes! - Okay.
 309 - Its Christmas morning, you get up and your gift is Fez!
 310 - - Donna! - Sorry.
 311 - All right, well, look, I mean, if you really like him,
 312 - you're going to have to tell him.
 313 - I know. You're right. You're right.
 314 - Hey.
 315 - - Hey. - Hey.
 316 - Hey. So, uh, I hear you like Fez.
 317 - What? How did you hear that?
 318 - Since we weren't trapped in a soundproof lead box,
 319 - we were able to hear your delicate voice from across the street.
 320 - All right. Okay, I know you guys probably think I'm crazy
 321 - and I'm going from guy to guy.

322 - But Fez has always been there for me and he makes me feel good about myself.
 323 - So, go ahead, go, go make fun of me.
 324 - No, man. That's cool. You know, Fez is a good guy.
 325 - I think if he'd make you happy, that's what you should do.
 326 - Wow. Steven, thanks.
 327 - And if it doesn't work out, I hear Bob's available.
 328 - And if that's no good, here comes the garbage man!
 329 - Oh, and hey, there's a garden gnome across the street you haven't done.
 330 - Hey, Fez, okay, we need to talk.
 331 - Yes, yes, we do. I thought about what you said and you were right.
 332 - - I was? - Yes.
 333 - Yes. Hilary did me a big favor by leaving.
 334 - Yes! Yeah, okay, I think so, too.
 335 - And what I realized is I shouldn't be tied down to one woman!
 336 - - Wait. What? - Yes!
 337 - I should be spreading my seed all across the land.
 338 - So, America, get ready,
 339 - 'cause Fez is coming out in action and no woman is safe!
 340 - Except you. Nightie night!
 341 - Don't get me started on my home life.
 342 - My wife and I haven't slept together for months.
 343 - But it's not all good news.
 344 - Oh, well, looks like our hour is almost up.
 345 - But it seems like you could use a drink.
 346 - Pour one for yourself.
 347 - Oh, no. I never touch the stuff!
 348 - Oh, what the hell, doctor's orders!

4.18 Episode 18: We Will Rock You

1 - Fez, guess what I just got. The new Village People album!
 2 - How many songs can they write about where men go to massage each other?
 3 - The Navy. These boys never let me down!
 4 - Disco sucks, man. It's painful to listen to.
 5 - It makes me wanna shoot myself.
 6 - It's the musical equivalent of Jackie.
 7 - Wow. Look at these guys.
 8 - Their music is so bad they need to wear disguises
 9 - just so people don't beat the crap out of them.
 10 - Oh, I heard how in Chicago they made a huge bonfire out of disco records.
 11 - Also, they cover their hotdogs in pastrami.
 12 - It's freaking awesome.
 13 - Man, we should have our own bonfire.
 14 - I'm sick of corporations selling crap to kids that dumbs them down
 15 - and makes them act stupid.

16 - Hey. I can sell beer at the bonfire!
17 - I've got tons of old disco records we can burn.
18 - What? I was young! And what do you expect?
19 - You see the hair.
20 - You guys are awful. Disco has been great to me.
21 - Without disco, if I rub my crotch on a girl, it's illegal.
22 - With disco, it's a bar mitzvah.
23 - See, disco has given Fez and I some of our best times together.
24 - Oh, like remember the night when we beat Johnny and Melina at that dance-off?
25 - Oh, we kicked their gold-lame asses!
26 - You know what? I heard Johnny's working at a car wash.
27 - Yeah! Uh-huh. We did that to him.
28 - Jackie, be nice.
29 - Car wash. He's poor!
30 - You see that? See? We got a trophy and the satisfaction
31 - of knowing we ruined two people's lives.
32 - So you can have your little bonfire, but we're not going.
33 - Yeah, I'm going to Weight Watchers to pick up women.
34 - The thin ones are great, but they have low self-esteem.
35 - That way, you get a hot chick for fat girls prices.
36 - Wait, Fez. Hey, maybe we should go.
37 - You know, and defend the music that we love. As a team.
38 - Sure, what the hell. Weight Watcher meetings will always be there.
39 - God bless The Dairy State.
40 - We never run out of fat girls.
41 - Pretty clever there, Jackie.
42 - Using a disco bonfire as a way to cozy up next to the guy you secretly love.
43 - Yeah, you know, it kind of reminds me of a song.
44 - Jackie loves the foreign boy Hola, taco
45 - Look, I am not gonna sit back and let Fez try to pick up other women,
46 - much less fat chicks.
47 - I mean, maybe if we go together,
48 - he'll see that we're perfect for each other.
49 - So, we're coming.
50 - Fine. But if you get in the way of me setting things on fire,
51 - you're getting set on fire.
52 - Hanging out
53 - Down the street
54 - The same old thing
55 - We did last week
56 - Not a thing to do
57 - But talk to you
58 - We're all all right
59 - We're all all right
60 - Hello, Wisconsin!

61 - Red, I invited the new neighbors over for coffee and cookies.
 62 - That way I can bad-mouth the rest of the block before they do it to me.
 63 - Kitty, I don't wanna meet new neighbors.
 64 - I had to wait 12 years for the old ones to croak.
 65 - Always wanted to talk and say, "Hello!"
 66 - Dumb asses.
 67 - Oh, okay, they're here. Now, be nice.
 68 - I haven't met the wife yet, but the husband, Josh, was very sweet.
 69 - He's a car salesman, and he told me he'd give me a great deal on a LeBaron,
 70 - just because he likes me.
 71 - Although he's gonna have to ask his supervisor first.
 72 - Hello, Josh!
 73 - Hi, Kitty. Good to see you again.
 74 - This is Jeff.
 75 - Hi, Jeff. Where's your wife?
 76 - You're looking at her.
 77 - The only lady in my life is my little Pomeranian, Tina Louise.
 78 - Who is going to the pound if she doesn't stop humping my cowboy boots.
 79 - We are not having this conversation here.
 80 - Okay, well, I'm confused.
 81 - So, you two live together, but I only saw the movers bringing in one bed.
 82 - Oh!
 83 - Well!
 84 - Congratulations!
 85 - Look, Red, the new neighbors are here,
 86 - and they're a couple of fellows.
 87 - Wait a second. You guys live together?
 88 - Yep.
 89 - Without any wives or girlfriends?
 90 - Yep.
 91 - - You know what I call guys like you? - Oh, dear.
 92 - Lucky bastards!
 93 - Well, the bonfire looks pretty sturdy.
 94 - Remember, if the flames get too high,
 95 - we saw the foreign kid playing with the matches.
 96 - Hey. Who was that girl you were talking to?
 97 - Oh, Lisa Conner. A girl I dated a couple of years ago
 98 - when I was a camp counselor.
 99 - Oh, I never knew you were a camp counselor.
 100 - It didn't last too long. Apparently, going on a canoe trip with six kids
 101 - and coming back with five is a big no-no.
 102 - Hey, man. How much for a beer?
 103 - - One dollar. - Awesome. There you go.
 104 - Now, if you want it in a cup, that's an extra three bucks.
 105 - Oh! And, there's a two-dollar pouring charge.
 106 - You want six bucks for a beer?

107 - You can always go to the other place.
 108 - There is no other place.
 109 - What do you know?
 110 - Looks like I got what you'd call a monopoly.
 111 - You have change for a ten?
 112 - Nope.
 113 - There he is, Officer!
 114 - Here's the guy who is responsible
 115 - for this illegal gathering of dirty and ugly people.
 116 - These two tell me you organized an illegal bonfire.
 117 - You two narced on me?
 118 - What?
 119 - You stand there and accuse me of narcing?
 120 - No, sir! No! I did not narc!
 121 - What's "narc"?
 122 - Calling the cops.
 123 - Oh, yes, we narced.
 124 - That's right, Steven,
 125 - because Fez and I both feel that burning disco records is wrong.
 126 - Just like burning books, but worse,
 127 - because disco tells a story.
 128 - Wait, this is a disco-burning bonfire?
 129 - That's fantastic! Disco sucks!
 130 - Well, what do you know? A degenerate and a cop having a beer together.
 131 - It's a disco-sucking miracle.
 132 - You know, I'm taking an astronomy class in college right now.
 133 - - See those three stars in a row right there? - Mmm-hmm.
 134 - That's Virgo.
 135 - That's an airplane.
 136 - I do not go to a good school.
 137 - - Oh, my God! Randy? - Linda?
 138 - - Oh, my God! Missy is here, too! - Is she?
 139 - Oh, my God! I'll go get her!
 140 - Who was that?
 141 - Linda.
 142 - - I dated her. - Oh.
 143 - And her sister, Missy.
 144 - Not together, there was a summer in between them.
 145 - Summer was their cousin.
 146 - Wow. I'm dating a man-slut.
 147 - Look, I'm sure you've dated a lot of people, too.
 148 - I mean, if we took all the people I've dated
 149 - and all the people you've dated and put them in a room together...
 150 - We'd have a room full of girls, and Eric.
 151 - What do you guys have against disco?
 152 - It's the only thing white people can dance to.

153 - Hey, Jackie.
 154 - I was thinking of a way to get back at you for calling the cops on me,
 155 - and then it hit me. You're only here to get with Fez.
 156 - So I figured, why not find the skankiest,
 157 - sluttiest, drunkest chick here,
 158 - give her three more beers, and introduce her to Fez?
 159 - Oh, you wouldn't!
 160 - - Oh, I already did. - You didn't!
 161 - - I just said I did. - You wouldn't dare.
 162 - I did! Turn around and look!
 163 - Enjoy your evening.
 164 - Fez!
 165 - What are you doing?
 166 - It's fantastic.
 167 - Every time I say, "Disco sucks,"
 168 - Kelly sticks her tongue down my throat.
 169 - Watch. Disco sucks!
 170 - It's like a magic trick!
 171 - Wait. Fez! You're supposed to be here with me!
 172 - Besides, don't you know about rocker chicks?
 173 - They all have syphilis.
 174 - Do you have syphilis?
 175 - I don't think so.
 176 - That's good enough for me, baby.
 177 - Oh, what a game!
 178 - That quarterback is 11 for 12 with no interceptions.
 179 - He is hot!
 180 - Ridiculously hot.
 181 - Oh? Another cookie?
 182 - What?
 183 - Nothing. I just thought we were trying to slim down for the Bahamas.
 184 - Well, excuse me, Mr. Two Scoops of Sherbet.
 185 - You know, you guys don't need wives.
 186 - You bicker like an old married couple.
 187 - Red, I need to talk to you in the kitchen.
 188 - - Kitty, I'm watching the game. - Red.
 189 - Oh, fine. You know, I wish there was a bar we could go to
 190 - where there'd be no women, just guys.
 191 - I know a few.
 192 - I am having it.
 193 - Okay, Kitty, what is it?
 194 - Okay, it's about the neighbors.
 195 - There's something you should know.
 196 - - Touchdown! - Oh!
 197 - Damn it! See what you made me miss?
 198 - Kitty, I think those guys are gay!

199 - Red, you can't hide from Jeff and Josh all night!
200 - Not all night. Just till they eat all the cookies and decide to skip home.
201 - Red Forman! So our neighbors are gay. So what?
202 - At least they'll keep the place nice,
203 - and our property values will go up.
204 - What am I supposed to say to them now?
205 - You've been talking to them the whole game,
206 - you knew what to say then.
207 - Well, that was before I saw them kissing in my living room.
208 - Didn't bother you last night when you saw Abbott kiss Costello.
209 - Well, that was different. They had to do that to fool the landlord.
210 - - Hey, Red. Can I borrow some socks? - No.
211 - Bob, we're having a crisis here.
212 - The new neighbors are gay!
213 - They're gay?
214 - Oh, great! Now they're gonna be all over me.
215 - What the hell are you talking about?
216 - I can't explain it. Men find me attractive.
217 - Yeah. Everybody wants a piece of the Pinci.
218 - Well, Red, you can't let them sit in there all night.
219 - What if they rearrange my furniture?
220 - Fine, I'll talk to them.
221 - Okay, but handle it gracefully.
222 - Well, of course I will. Give me a little credit.
223 - Good night, guys!
224 - I have to go throw up again.
225 - Okay. Hurry back!
226 - Hey, Fez.
227 - Village People! What are you doing here?
228 - We came to put a stop to your disco bonfire.
229 - Plus my mom lives in Kenosha, so, you know,
230 - two birds with one stone.
231 - Can you keep a secret? I love disco.
232 - Yeah, I'm just pretending to hate it so I can get with girls.
233 - You guys know how that is, right, guys?
234 - So, let's talk about Jackie.
235 - You two came here together to defend disco, and you abandoned her
236 - to make out with some skank you're never gonna see again.
237 - And?
238 - And? It's wrong!
239 - What do we have to do, spell it out for you? Because we can,
240 - with carefully choreographed arm movements.
241 - Yeah, you're right. I totally let Jackie down.
242 - You are one wise Indian.
243 - Actually, I'm Puerto Rican. This is just a gig.
244 - Okay, I'm done vomiting.

245 - Wanna finish making out?
 246 - I would love to, but I can't, for two reasons.
 247 - One, I have somewhere to be.
 248 - And two,
 249 - you have some spaghetti right here.
 250 - So it turns out Randy has dated every girl here.
 251 - I can literally throw a rock and hit a girl he's dated.
 252 - In fact, earlier I did. She's gonna need stitches.
 253 - Oh, I remember that girl. I sold her a Band-Aid for eight bucks.
 254 - Where did you find a Band-Aid?
 255 - I pulled it off some guy who was passed out.
 256 - Donna! Donna, look what I found. This is Sarah,
 257 - a girl I've never dated, who I don't wanna date,
 258 - and who doesn't want to date me.
 259 - - Right, Sarah? - That's right!
 260 - Although you are kind of cute.
 261 - - Goodbye, Sarah. - Would you like to go out sometime?
 262 - - Go away, Sarah. - Okay, but call me.
 263 - Oh, man, the keg's tapped. Looks like everyone took a turn.
 264 - Just like with Randy.
 265 - All right. It's time to light this bonfire.
 266 - Rockers of Point Place, it is time
 267 - for fire!
 268 - No! Steven, no! You can't burn these records.
 269 - You're right, Jackie, I can't,
 270 - because I'm too drunk.
 271 - - Randy? Come burn these records. - Stop!
 272 - - Fez? You came back. - Jackie, I need to tell you something,
 273 - - something about you and me. - Really?
 274 - Yes. This whole time, I was off making out with that girl,
 275 - and all of a sudden it felt wrong.
 276 - - It did? - Yes. I shouldn't have been with her.
 277 - I should have been with you.
 278 - Oh, my God. Fez, I've wanted to hear that for so long.
 279 - - I feel the same way. - And I realized something,
 280 - and I want everyone to know it!
 281 - Jackie Burkhart and I are in love
 282 - with disco!
 283 - Wait. What?
 284 - Yeah, and I will not stand by and let you set fire
 285 - to these musical booty-shaking masterpieces.
 286 - That's unfortunate.
 287 - So, you did pretty well tonight.
 288 - Yep. And I learned a valuable lesson about art versus commerce.
 289 - The lesson is,
 290 - I'm rich.

291 - Good for you, man.
292 - But I'm gonna have to write you a little ticket for disturbing the peace,
293 - and that's gonna cost you about...
294 - How much you got there?
295 - - 208 bucks. - 208 bucks.
296 - Fine.
297 - Officer Ron?
298 - You don't wanna buy your badge back?
299 - Oh, and your car?
300 - This whole night has been a nightmare.
301 - You know, I thought Fez was gonna tell me he loved me, but no,
302 - he was just trying to be a good friend.
303 - Ugh! What a jerk.
304 - Jackie, everybody could use another friend.
305 - Well, except Randy.
306 - What are you looking at, bitch?
307 - Avon calling!
308 - Josh! Jeff! You're back!
309 - Look, Red, Josh and Jeff are back.
310 - Hey,
311 - men.
312 - Red, we just wanted to come by to thank you.
313 - - Thank me? - Yeah. It's not that easy
314 - for two guys like us to just move into a new neighborhood and make
friends.
315 - But you welcomed us into your home with open arms.
316 - Well, sure! You're a couple of decent guys.
317 - Not before he's had his coffee.
318 - Like you're a ray of sunshine!
319 - Anyway, you've been great.
320 - The last place we lived, we had to tell people we were brothers.
321 - Who would ever believe that the two of us could be brothers?
322 - Anyway, we wanted to give you this, you know, to say thanks.
323 - What is it?
324 - Fruit cake.
325 - Well, that's clever. It's a dessert and an ice-breaker.
326 - Well, what do you say we all sit down and watch the Packers
327 - kick the crap out of the Vikings, huh?
328 - Well, we like the Vikings.
329 - What did you say?
330 - You're Viking fans?
331 - What the hell is wrong with you?
332 - Get out of my house!
333 - Red, come on, it's not our fault. We're from Minnesota.
334 - We were born this way!
335 - Out! Out, sickos!

336 - Well, thanks a lot, Red.
337 - Now I'll never know what rug ties this room together.
338 - Thank you. Next please.
339 - Hi, guys!
340 - I love it! That's exactly what we need!
341 - Leather guy, you're out. Chicken, you're in.
342 - Hallelujah!
343 - It's fun to stay at the Y.M.C.A.
344 - It's fun to stay at the Y.M.C.A.
345 - They have everything for you men to enjoy
346 - You can hang out with all the boys
347 - It's fun to stay at the...

4.19 Episode 19: Sheer Heart Attack

1 - Wow, that was great.
2 - I'm glad we stretched beforehand.
3 - And I have to say, I was terrific.
4 - You know, I've never said this before, Tracy,
5 - but you're the best lover I ever had.
6 - You know, I've never said this before, Nicole,
7 - but you're the best lover I ever had.
8 - I never said this before, Susan.
9 - You're the best lover I ever had.
10 - My name's Lucy!
11 - The one time people understand me, I get the name wrong.
12 - Jackie, I'd offer you a third sandwich,
13 - but you cleaned me out of meat and condiments.
14 - And Cheez Whiz.
15 - Well, now we're going to have to use the artificial stuff.
16 - I don't know what's wrong with me, okay?
17 - I want a guy I can't have. I can't stop stuffing my face.
18 - I am a thin girl with fat-girl problems.
19 - All right. If Fez and Jackie get together, it's official.
20 - She becomes Point Place's sluttiest slut.
21 - Well, I think it's nice you want to be with Fez.
22 - He has turned into a fine young man.
23 - And you never know with foreigners. They can go either way.
24 - Come on, Jackie, I know what'll cheer you up.
25 - Let's go down to the mall and make fun of all the people
26 - coming out of the Big Tall store.
27 - Donna, if you need something from the Big Tall, just say so.
28 - Well, Kitty,
29 - cardiologist says I don't have to take my heart pills anymore.
30 - Well, that is wonderful news.
31 - Oh, and you know what this means?

32 - We can bring back fried-cheese Fridays!
33 - It's not good news, Kitty.
34 - I just bought a four-month supply of heart pills I don't need now.
35 - That's 200 bucks down the crapper.
36 - Why don't you just sell them?
37 - You know, there's a seedy subculture
38 - that buys drugs for recreation.
39 - I saw one time on an after-school special.
40 - Well, you can't sell drugs.
41 - It's illegal, and it should be.
42 - Because people shouldn't have easy access
43 - to addictive substances that dull their senses.
44 - I will be in the bath.
45 - You know, man, you can sell those pills.
46 - No, I can't.
47 - Yes, you can. You just have to find the right market.
48 - Well, who the hell is going to want a bunch of heart pills?
49 - Anybody here take procardiacs?
50 - The doctor is in.
51 - Hanging out
52 - Down the street
53 - The same old thing
54 - We did last week
55 - Not a thing to do
56 - But talk to you
57 - We're all all right
58 - We're all all right
59 - Hello, Wisconsin!
60 - It is torture knowing Fez is with all these different women.
61 - All I hear from his bedroom is,
62 - "Oh Fez, you're so hot!"
63 - Then he comes out of his room and goes off to his date.
64 - Yeah. If the walls of Fez's bedroom could talk...
65 - Well, we probably wouldn't be able to understand them, either.
66 - No, if the walls in Fez's bedroom could talk, they'd yell,
67 - "Quit humping your Victoria Principal poster!"
68 - Oh. Hey, Fez.
69 - Where's your skank of the day?
70 - I worked a double yesterday.
71 - So I'm taking the day off.
72 - In fact, I'm taking a break from the ladies altogether.
73 - I knew it, he's gay.
74 - I just won 20 bucks from Mrs. Forman.
75 - No, I'm done sowing my wild oats.
76 - Mostly because my oats can't take it anymore.
77 - These tight jeans make my ass look great, but you pay the price up front.

78 - So wait. Fez, um, what, no more one-night stands?
79 - Nope. I just didn't find those meaningless flings satisfying.
80 - I think I might be a one-woman guy.
81 - Do you hear that, Jackie?
82 - Fez is a one-woman guy.
83 - Yeah. Surprising, but true.
84 - Now if you'll excuse me, these jeans are splitting me in half.
85 - Congratulations, Jackie, he's all yours.
86 - It's like you won the lottery.
87 - Well, you know, like a really crappy lottery.
88 - Pretty cool, huh?
89 - Fifty bucks for 15 minutes' work.
90 - That was on a slow day.
91 - Imagine what we could make if we set up shop on Betty Grable movie night.
92 - Steven, we're not setting up shop anywhere.
93 - All I want to do is get my money back.
94 - Just like after I bought Eric that baseball mitt.
95 - Dumb ass used it as a hat!
96 - Fine. We'll just get your money back.
97 - Now, where is the rest of the stash?
98 - It's in the medicine cabinet.
99 - And don't start calling the heart medicine "the stash."
100 - It makes it sound like we're...
101 - What's going on?
102 - Oh, just having a little man-to-man talk.
103 - About what?
104 - Well...
105 - Steven's getting a little older, and he just had some
106 - questions.
107 - Oh, please. He was married to a stripper.
108 - If anything, he should be giving you advice.
109 - See what you made me do?
110 - Now I'm lying to Kitty about selling drugs.
111 - That's it. I'm throwing those pills away.
112 - I can't spend my retirement as a lying dope peddler.
113 - No, man, you're not a dope peddler.
114 - You are a champion of the people!
115 - Now, where does Kitty keep those little plastic baggies?
116 - So, Fez, I hear you've been
117 - with a different woman every night.
118 - I just hope you're doing the gentlemanly thing.
119 - Thank-you cards never go out of style.
120 - Actually, Miss Kitty, I'm hanging up my leather pants.
121 - Yes. I'm ready to be with the one woman
122 - I should've been with all along.
123 - Fez, I've told you a thousand times,

124 - Mr. Forman and I are very happy together.
125 - I'm just kidding.
126 - So, is this woman someone I know?
127 - Yes.
128 - And I know for a fact that she likes me.
129 - Oh.
130 - Oh!
131 - Fez, I am so happy for you.
132 - New love is exciting.
133 - I remember the first time I tried Peppermint Schnapps.
134 - But I want to be the one to tell her, so, um...
135 - So please don't tell anyone we had this conversation.
136 - I already forgot about it.
137 - What?
138 - We just had it. Pay attention.
139 - No, Fez, I can keep a secret.
140 - For instance, I never told anyone
141 - that I once caught Red
142 - wearing my nightgown to keep his legs warm.
143 - Ooh, ooh, ooh. You didn't hear that.
144 - Yes, I did. I was right here.
145 - No, I'm just saying, your secret's safe with me.
146 - - Oh. - Okay.
147 - Oh, hey, Mrs. Forman. What's up?
148 - Fez is crazy about you!
149 - - Wait. What? Really? - Yeah.
150 - Now, I wasn't supposed to say anything,
151 - but I hate when they drag things out on soap operas.
152 - Nothing happens Monday through Thursday.
153 - We all know Marlena's the killer.
154 - Let's just sell these things and go home.
155 - I don't want to be known as the pill guy.
156 - Relax, you're not the pill guy.
157 - Hey, it's the pill guy.
158 - Smitty, keep it down.
159 - Red, can you get me any diet pills?
160 - My wife's having trouble getting into the house.
161 - Through the garage.
162 - You think your wife is big?
163 - My wife just took a job at the movie theater.
164 - As the screen.
165 - Hey, guys.
166 - Did you come here to tell jokes or do business?
167 - The way I see it, you guys got a condition,
168 - we got the product.
169 - So quit yanking my crank, and let's do this, huh?

170 - So is there someplace that we could talk a little more private?
 171 - Certainly.
 172 - Step into my office.
 173 - Okay, this is what I've been thinking.
 174 - You give us the rest of the pills,
 175 - and we give you two cases of beer,
 176 - plus a couple of passes to our Friday night
 177 - Bingo marathon and Medicare seminar.
 178 - What kind of deal is that?
 179 - I come down here,
 180 - sit in the sauna with you half-naked,
 181 - and this is what you offer me?
 182 - Come on, Red, let's hit the nursing homes.
 183 - Whoa, whoa, settle down, kid.
 184 - We're all friends here. Let's work something out
 185 - before we say things we don't mean
 186 - and someone winds up dead.
 187 - Just kidding. Let's order a pizza.
 188 - I just want to get this over with.
 189 - So, Steven, shut up.
 190 - Cal, I'm gonna sell you those pills at cost.
 191 - And, Smitty, for the last time, close your damn legs.
 192 - I can't believe Fez likes me.
 193 - I mean, you guys, this is everything I ever dreamed of.
 194 - Having said that, I'm really glad
 195 - my racist father isn't here to see us together.
 196 - Oh, good. You're all here.
 197 - I have some big news to tell you.
 198 - Unless it's that you're gay, I don't want to hear it.
 199 - Shut up, Bjorn Borg.
 200 - Well, Fez? What is it?
 201 - Well, I finally figured out the one woman for me.
 202 - As a matter of fact, she is here right now.
 203 - Oh, my God.
 204 - Hi, guys!
 205 - - Caroline! - Caroline!
 206 - I haven't seen you since you tried to kill us.
 207 - I just couldn't believe it when Fez called.
 208 - It was so nice to hear a familiar voice.
 209 - Oh, you mean coming from outside your head?
 210 - Okay, the old me would've ripped out your eyeballs
 211 - and hung them from my rear-view mirror like dice.
 212 - But the new me just smiles and slaps the anger away.
 213 - How sexy is that?
 214 - Uh, Fez, you said you were a one-woman guy.
 215 - Caroline's got, like, eight personalities.

216 - You'll go to bed with her one night, and wake up the next morning
 217 - with, like, an 82-year-old Portuguese fisherman.
 218 - Hey, Caroline accepts me for who I am,
 219 - so I'm gonna accept her for who they are.
 220 - Fez, the last time you dated Caroline,
 221 - she chased you around the room with a corkscrew.
 222 - It's called foreplay, jerk.
 223 - Yeah, nothing spices up the bedroom like a crazy woman
 224 - who might suffocate you in your sleep with a pillow.
 225 - Donna, we were role-playing.
 226 - She was a sexy nurse and I was the guy she was trying to kill.
 227 - Red, do you need anything from the supermarket?
 228 - Yeah.
 229 - Graham Crackers that don't taste like cardboard.
 230 - I fought in two wars.
 231 - I deserve name-brand cookies.
 232 - Well, those are name-brand.
 233 - Look at the box, there's the Kubler Dwarves.
 234 - I can't believe we're out of plastic baggies already.
 235 - I swear I just bought a box.
 236 - Well, maybe you misplaced them.
 237 - You know, you're always losing things.
 238 - Like aluminum foil.
 239 - Remember that time you lost the aluminum foil?
 240 - I sure do.
 241 - Hello?
 242 - Hello?
 243 - Is anybody there?
 244 - That's the third hang-up today.
 245 - Oh, and this afternoon,
 246 - someone called and asked me if I had "the stuff."
 247 - Wait a second.
 248 - I saw a 60 Minutes piece on this the other day.
 249 - Missing baggies, mysterious phone calls. I know what's going on.
 250 - - Kitty, I can explain. - Steven's selling drugs.
 251 - Yes, he is.
 252 - Wow.
 253 - She's really putting away that pizza.
 254 - The last time I saw her this upset was when Reverend Brown told her
 255 - that ugly people go to heaven, too.
 256 - So, Jackie, can I get a slice of that?
 257 - No!
 258 - Okay. I was only asking because it's mine.
 259 - Jackie, look.
 260 - Fez and Caroline are never going to last.
 261 - Hi, guys.

262 - Well, that was just bad timing.
 263 - Why are you wearing a wedding dress?
 264 - Oh, my God.
 265 - Did Fez propose to you?
 266 - Not yet, but he will.
 267 - And I wanted to show him what I look like.
 268 - Oh, but you know, I was hoping he'd be here,
 269 - 'cause I gotta get this back to the store
 270 - before they realize I climbed out the dressing room window.
 271 - Don't worry. I'm sure they'll just knock off 10272 - and put it on the rack
 marked "Previously worn by psychos."
 273 - You have a sharp tongue.
 274 - It would taste great in a salad.
 275 - I can't believe Fez chose that whack job over me.
 276 - Jackie, the only reason Fez chose Caroline over you
 277 - is because he has no idea that you like him.
 278 - Yeah? Well, whose fault's that, Donna?
 279 - Yours.
 280 - Oh, well, thank you for kicking me while I'm down.
 281 - You know, Jackie,
 282 - if you worked as hard at getting Fez
 283 - as you are at polishing off my pizza,
 284 - you'd be pushing a little bilingual baby through the park right now.
 285 - Steven, how could you?
 286 - Just a product of my environment.
 287 - Wait, what are you talking about?
 288 - We know you've been selling drugs out of the house.
 289 - This is the worst thing you have ever done.
 290 - You have turned my living room into East St. Louis.
 291 - So, please, just admit what you're doing.
 292 - It'll be better for everybody.
 293 - I'm not admitting to anything.
 294 - Although if I were selling drugs,
 295 - it's probably 'cause I don't have a new 19-inch TV
 296 - to keep me off the streets.
 297 - What?
 298 - Steven, we do not reward this kind of behavior.
 299 - Right, Red?
 300 - Right.
 301 - A 13-inch TV should do the trick.
 302 - Why are you even discussing this?
 303 - If ever there were a time
 304 - for your foot to be ankle-deep in someone's bottom,
 305 - it's now!
 306 - Red, those pills sold like hotcakes.
 307 - We came by to give you your cut.

308 - This is not a good time, guys.
309 - Red Forman, have you been selling your heart medication?
310 - Yeah. They've done wonders for me in the bedroom.
311 - I'm asleep before my wife comes in.
312 - I can't believe this.
313 - I could take care of your problem here, Red.
314 - No questions asked.
315 - I'm kidding. We should all have dinner sometime.
316 - - Yeah, well, thanks for coming by, guys. - Sure.
317 - Red?
318 - Look, I know what I did was wrong.
319 - But don't you even want to know
320 - - what I was going to do with the money? - I don't care.
321 - I was going to take you on a vacation to the Wisconsin Dells.
322 - Oh, my God, I feel like a Kennedy!
323 - Oh, and the Dells are three counties away.
324 - We're going to have to take the Interstate.
325 - Well, that worked out pretty good.
326 - You're going to the Dells, I'm getting a new TV.
327 - Yeah.
328 - And you're going to love watching that new show called
329 - Blow It Out Your Ass.
330 - Hey, uh, Fez, we need to talk.
331 - Okay, fine.
332 - I used your deodorant because I wanted to see
333 - if it was strong enough for a man.
334 - By the way, it wasn't.
335 - Fez, you see,
336 - when I heard you were ready to be with one woman,
337 - I got really excited.
338 - But that's because I thought you were talking about someone else.
339 - Who?
340 - Fez!
341 - Um, I can explain.
342 - Go ahead.
343 - Um, her tongue was in my mouth and then you walked in.
344 - You cheating bastard.
345 - Oh...
346 - Why do you make me do this to you?
347 - Not in the face!
348 - Ow! Okay, the face! The face!
349 - So, how are you feeling?
350 - Not so good.
351 - My face is freezing.
352 - I'm really sorry this happened,
353 - but you're actually lucky that she's gone.

354 - Jackie, what was that kiss all about?
355 - Okay, Fez, it's something that I've wanted to do
356 - for a really long time.
357 - And I was wondering, you know,
358 - hoping that maybe you and I could be together.
359 - You want to be with me?
360 - Yeah.
361 - I mean, Fez, my life has been so crappy lately
362 - that you have been the one good thing.
363 - Oh. So you want me because you're lonely?
364 - Great, so that makes me what, your last resort?
365 - No. Fez, you're wrong. It's not...
366 - You know what, Jackie? Forget it.
367 - You've already been with Kelso and Hyde.
368 - I don't want to be your sloppy thirds.
369 - Okay.
370 - Hey, guys.
371 - I ran across some more of those heart pills.
372 - Well, actually, we have all we need.
373 - Oh. Really?
374 - Sure would be a shame if you ran out just when you needed them.
375 - Like, say you're driving your car, and all of a sudden,
376 - you find out your brake lines have been cut.
377 - Who would do that?
378 - I don't know. Maybe a guy who knows a guy.
379 - But hey, if you guys don't need them,
380 - you don't need them.
381 - - Drive safe. - I'll take 20 pills.
382 - That's what I like to hear.
383 - You did the right thing.

4.20 Episode 20: Leaving Home Ain't Easy

1 - Fez.
2 - I didn't say anything when you started spying on Donna.
3 - I kept my mouth shut when you hid in the dirty towel bin
4 - to peep on the cheerleaders,
5 - but if you're getting your jollies listening to people go potty,
6 - I'm calling a doctor.
7 - Shh.
8 - I'm trying to hear if Jackie's okay.
9 - She's been in the bathroom for hours, crying.
10 - Oh, my God. You had sex with her.
11 - No, she told me she wanted to be my girlfriend and I turned her down.
12 - - What? Why? - Because she didn't mean it.
13 - She never wanted me before.

14 - And now that she's desperate, suddenly I'm the guy for her.
 15 - But as soon as she's happy, she'll dump me.
 16 - So I told her to get lost and now she's in tears.
 17 - Well, what kind of crying is it?
 18 - Is it like "My life is over" kind of crying or
 19 - hysterical sobbing like the time Kelso sat on his nads?
 20 - No, it's bad. I tried everything to get her out. I yelled, "Fire!"
 21 - I made monkey-noises and said, "Wow, that's a gigantic monkey."
 22 - But no luck.
 23 - - She must be a complete wreck. - Oh, hey, guys!
 24 - Oh. She's perfectly fine. So you definitely didn't have sex with her.
 25 - - Jackie, you're okay? - Oh, no. No, I'm not okay.
 26 - I just decided being sad is a waste of time.
 27 - Yeah, see a more productive use of my time is revenge.
 28 - So get ready.
 29 - Because I am going to rain doom down on your stupid foreign head!
 30 - That didn't seem so bad, Fez. I wouldn't worry about it.
 31 - - You wouldn't? - No.
 32 - That's because I'm safe.
 33 - You should be friggin' terrified.
 34 - Hanging out
 35 - Down the street
 36 - The same old thing
 37 - We did last week
 38 - Not a thing to do
 39 - But talk to you
 40 - We're all all right
 41 - We're all all right
 42 - Hello, Wisconsin!
 43 - Hey, hey!
 44 - Just got back from Florida. Want to see my tan lines?
 45 - Oh, for gosh sakes, Bob.
 46 - Joke's on you. I don't got no tan lines. Whoo-hoo!
 47 - You were in Florida?
 48 - Yeah, I was gone for three weeks. You didn't notice?
 49 - I just figured my migraine medicine was working.
 50 - Boy, it was beautiful down there.
 51 - The ocean, the sunshine,
 52 - and Disneyworld is a great place to pick up single moms.
 53 - In fact, I like Florida so much,
 54 - I'm selling the house and I'm moving there.
 55 - You're selling your house? What if someone annoying moves in?
 56 - I bought a condo. And get ready for this,
 57 - I'm gonna open a bait shop.
 58 - What a great idea.
 59 - That way, when the hundreds of other bait shops down there run out of

stock,
60 - there you'll be.
61 - So you think I'm stupid because I want to open a bait shop?
62 - No, of course not.
63 - I think you want to open a bait shop because you're stupid.
64 - Well, I didn't come in here to be ridiculed.
65 - Then you shouldn't have worn that shirt.
66 - Red, you need to go over there and apologize to Bob.
67 - He came here all excited about his idea
68 - and you just made him feel bad about himself.
69 - Yeah, he never saw it coming.
70 - So did you get Jackie back for flushing your toothbrush down the toilet?
71 - No. Only four out of five dentists recommend brushing
72 - so I just go to the other guy.
73 - How about for microwaving your hand lotion?
74 - No, the heat feels nice on my...
75 - ...hands.
76 - Well, what are you gonna do to her for ripping all the buttons off your shirt?
77 - Thank her. I look fabulous!
78 - Man, what is wrong with you?
79 - She tore your shirt for easy access.
80 - When Jackie gets angry, she goes straight for the nipple.
81 - Hyde, I turned her down. She has every right to be angry.
82 - But the worst of it is over, so I'm gonna let bygones be bygones.
83 - Fez, let me tell you a little story.
84 - Once upon a time there was a young girl named Jackie.
85 - She destroyed everything in her path because she was Satan's child.
86 - The end.
87 - Ah, I see your point.
88 - Wait, what's your point?
89 - My point is, she's evil, man. You gotta get back at her.
90 - You gotta fight fire with fire.
91 - Now you're suggesting I set her on fire? What has happened to you?
92 - I'm just saying every time Jackie hurts you, you gotta hurt her worse.
93 - I don't know, that sounds like a senseless cycle of violence.
94 - Yeah. That's the best and funniest kind.
95 - Look, this whole thing will blow over once I talk to her about everything.
96 - Holy crap!
97 - My car! Jackie ruined my car!
98 - And you don't have insurance.
99 - Good one, Jackie.
100 - And look what she wrote on the side. Fez, has a tiny...
101 - I do not!
102 - It's perfectly normal, based on all the other ones I've seen.
103 - I only look for comparison.

104 - If Jackie wants war, I'll give her war.
 105 - Whatever you say, tiny.
 106 - If it's so small, why would I name it Big John?
 107 - - Dad, I don't want to move to Florida. - Sure you do.
 108 - No, I don't!
 109 - Come on, who doesn't want to move to Florida?
 110 - Me!
 111 - Oh. Well, geez, you should have said that before I put the house on the market.
 112 - You put the house on the market?
 113 - Relax, honey, I can always take it off.
 114 - - You can? - No, it sold this morning.
 115 - Well, look who it is. Come over to insult me again?
 116 - I don't know, maybe take another cheap shot at my outfit?
 117 - Okay. There is nothing wrong with your outfits.
 118 - Red thinks they're tacky but I've explained to him that you're just Italian.
 119 - Anyway, Red has something he'd like to say to you. Go ahead.
 120 - Bob, I'm sorry that I said that your idea is stupid.
 121 - - And? - And...
 122 - The next time you have a stupid idea,
 123 - I'll just keep my mouth shut.
 124 - You know what, Red?
 125 - I really don't give a damn what you think.
 126 - All these years I'd have to put up with you cutting me down,
 127 - calling me dumb ass. Well, guess what? You're the dumb ass!
 128 - You're nothing but a cranky
 129 - who thinks his don't stink,
 130 - so you can blow it out your ass!
 131 - What? What, you want to hit me? Go ahead, you bald.
 132 - Yeah, go ahead, do it! I'm not afraid of you.
 133 - In fact, I'll kick your bony ass right now!
 134 - Bob, you've got some nerve!
 135 - Good for you!
 136 - It's about time you stuck up for yourself and acted like a man.
 137 - I'm sorry, Red, it just slipped out!
 138 - I'm so sorry, Fez. I was just outside and I read that you have a tiny...
 139 - Shut it!
 140 - Fez, you gotta do something, man.
 141 - Because Jackie's just getting started.
 142 - When she gets mad, she is like a revenge machine.
 143 - She will destroy you because she can.
 144 - Get out, man! I gotta get out! I gotta get out!
 145 - Huh, flashback.
 146 - Vandalizing your car, man? That's disturbed.
 147 - I mean that car is the only thing that defines you as a man.
 148 - You know, because you have such a tiny...

149 - Enough!
 150 - I gotta get back at her. Oh, I know! I'll break her TV.
 151 - Ah, but then I'll just miss Gilligan.
 152 - If you're gonna retaliate, you need to hit Jackie where it hurts.
 153 - Ah, like in the face?
 154 - No! What does Jackie love the most?
 155 - Herself. All she cares about is her looks.
 156 - You're exactly right. I'm gonna buy some bleach and some razor blades
 157 - and after I do my laundry and shave, I'll think of what to do to Jackie.
 158 - You guys are never going to believe this.
 159 - My dad is moving to Florida.
 160 - Florida is nice. My mom spent three years down there.
 161 - Supposed to be five, but she got time off for good behavior.
 162 - I've got no place to live. What am I gonna do?
 163 - Why don't you move in with me?
 164 - Donna? Randy asked you a question.
 165 - And I for one am giddy with anticipation to hear the answer.
 166 - I just meant, we're dating and I've got the room
 167 - and if you got homesick I could walk around naked with my robe open
 168 - like your Dad.
 169 - I don't know, I mean I never really thought about moving in.
 170 - I mean, we hardly...
 171 - Well, I do need a place to live.
 172 - But you don't want me invading.
 173 - Well, we do watch the same shows.
 174 - What the hell, sure.
 175 - Then, "What the hell, sure," it is!
 176 - Jackie's about to get out of the bathroom.
 177 - Wait until you see what I did to her.
 178 - Fez, if this is the Ex-Lax prank,
 179 - I'd rather hear about it then see it.
 180 - No, it's better.
 181 - And she's turning the shower off.
 182 - She's getting out.
 183 - Looks at herself in the mirror and...
 184 - Fez!
 185 - Ho, ho, ho, Green Jackie!
 186 - - Fez, you completely ruined my hair! - You destroyed my car!
 187 - I had every right to destroy your car, you turned me down!
 188 - You turned me down like a million times and I never did anything!
 189 - Actually, I remember a lot of crying.
 190 - Yes, I cried. Because I have feelings.
 191 - Unlike you, Jackie.
 192 - Oh!
 193 - I have feelings. And they told me to buy a bottle of spray paint
 194 - and tell the whole world that you have a tiny...

195 - It's normal sized!
 196 - Well, you know what? I'm glad I turned you down.
 197 - Because, you're a mean, bitter girl.
 198 - And now you're ugly on the outside like you are ugly in the inside.
 199 - Holy crap, man, cover your nipples!
 200 - I can't believe that's what you really think of me.
 201 - Well, it is.
 202 - Okay, fine. I'll just go pack up my things and get out of your life.
 203 - Damn, man, that was harsh.
 204 - Yeah. It must have been my Jamaican Fire.
 205 - So, you're from Jamaica?
 206 - No, Jamaican Fire. It's my new cologne.
 207 - See, these blue buildings are condos
 208 - and the green ones, those are cabanas.
 209 - What's that yellow building?
 210 - Oh, that's Cheez Whiz. I was reading in bed.
 211 - Wow. This design is great.
 212 - You know the way these condos are laid out,
 213 - you could spend your entire life and never have to interact
 214 - with your idiot neighbors.
 215 - Oh, and look at the street names.
 216 - Orange Grove Avenue, Grapefruit Lane,
 217 - Pineapple Road, it's like living in a fruit salad!
 218 - Anyway, I couldn't help but notice,
 219 - they got 200 brand-new beachfront homes,
 220 - each with a dock, but no bait shop within five miles.
 221 - - You can fish of your own pier? - Uh-huh.
 222 - That means you don't have to get your lines tangled up with some dumb
 ass
 223 - who doesn't know what they're doing.
 224 - You're the one who invited me.
 225 - Ah, you guys should move down there, too.
 226 - Red! Red, you could run the bait shop with me.
 227 - Ah, I don't think so, Bob.
 228 - Kitty and I aren't ready to leave Point Place.
 229 - Okay, then. While I'm sitting pretty there on Orange Grove Avenue,
 230 - you guys can enjoy the drive past Slaughterhouse Way.
 231 - Well, that's not fair, Bob.
 232 - It's only named that because that way leads to the slaughterhouse.
 233 - I think you're really gonna like living here.
 234 - So let's take the tour shall we?
 235 - This area over here with the underpants is the laundry annexe.
 236 - Oh, over here is the gym. Membership included.
 237 - And through that door is the bathroom/library,
 238 - although currently all we have to read is a Sports Illustrated
 239 - and a bottle of Prell.

240 - - You okay? - Yeah, I'm fine.
 241 - It's just weird, you know.
 242 - Moving in with someone. But great. Weird, but great.
 243 - You know, like midgets.
 244 - There's nothing to worry about.
 245 - Oh, and the closet's really full,
 246 - but you can just hang anything you want on the drum kit.
 247 - I was gonna use it, but you know... Impulse buy.
 248 - Seriously, you okay with this?
 249 - Yeah. Yeah, I'll be fine.
 250 - Then here you go, I made you a key.
 251 - Put your name on the mailbox. So I guess we are officially living together.
 252 - Uh-huh.
 253 - - Nice. - Hey, there he is.
 254 - Donna, this is Pickles. Pickles, meet Donna.
 255 - She's your new mommy.
 256 - Hi, Mommy.
 257 - Yeah, um, I gotta go.
 258 - Chick magnet, my ass.
 259 - Wow, man. The stuff you said to Jackie...
 260 - So mean and hurtful.
 261 - I only wish I'd said it myself.
 262 - Well, I'm glad she's gone.
 263 - I've never felt so happy about anything in my life.
 264 - What did I do?
 265 - Jackie was in love with me and I let her go.
 266 - And now all I have is an empty apartment
 267 - and the scent of her perfume on my boxers where I sprayed it.
 268 - Don't worry, man. You're doing the right thing.
 269 - I know you want to run after her,
 270 - but as your friend, I'm not gonna let you.
 271 - Jackie, I'm coming!
 272 - Huh, he called my bluff.
 273 - That Bob and his crazy ideas. We can never move to Florida.
 274 - Well, it's easy for him to do. But we have real ties here.
 275 - I'm three piggy stamps away from a free ham at the supermarket.
 276 - And I've got responsibilities. Spring's coming up.
 277 - Who's gonna poison the new batch of squirrels?
 278 - Let's move to Florida.
 279 - You really want to?
 280 - - Do you? - If you do.
 281 - - I do. - Me, too.
 282 - - Then let's do it. - Oh-ho-ho, Red!
 283 - I am so excited. There is so much to do in Florida, it'll be such an adventure!
 284 - No, I just wanna go down there and kind of sit around till we die.

285 - Donna, come on. Just tell me why you left.
 286 - I don't know, it all hit me at once. I just, like, needed some air.
 287 - Well, if Pickles saying, "Hi, Mommy" freaked you out,
 288 - I'll let you in on a little secret. That was actually me.
 289 - No, it's just this whole Florida thing's like really freaking me out.
 290 - When you asked me to move in, it seemed like the right thing to do but,
 291 - when I got there I started to realize that I'm just doing it
 292 - 'cause I'm too afraid to start my life.
 293 - I used to have, like, plans.
 294 - What'd you wanna do?
 295 - Go to college.
 296 - I got accepted at Madison last year so...
 297 - I don't know, I think it's time I finally go.
 298 - That's cool. It's only a few hours away, we can totally make that work.
 299 - No, you don't understand.
 300 - This...
 301 - This just isn't what I want.
 302 - Oh.
 303 - So that's it for us?
 304 - I'm really sorry.
 305 - Me, too.
 306 - Kind of sucks.
 307 - Hey, Donna. Check out my new Speedo for Florida.
 308 - Dad, why can't you just buy a regular bathing suit?
 309 - No, those make me look silly.
 310 - - Jackie, there you are. - What do you want, Fez?
 311 - I ran all the way here to find you.
 312 - My car is in the shop.
 313 - And you'll be glad to hear that they are changing the word tiny to large.
 314 - - Look, I don't care about any of this. - Jackie, wait!
 315 - Look, I didn't mean all those horrible things I said.
 316 - You're not ugly, you're beautiful.
 317 - Even if you dumped me after a week,
 318 - it'd be the best week of my life.
 319 - I just want to be with you.
 320 - Fez, you really, really hurt me.
 321 - And I thought you were the one person who would never speak to me like that.
 322 - You know, you're not the guy I thought you were
 323 - and I don't think I could ever be with you.
 324 - - But, Jackie... - No. Goodbye, Fez.
 325 - Oh, Mr. Forman, thank God you're here.
 326 - I just had my heart broken and I really need someone to talk to.
 327 - Bob, for the last time, you can't call our bait shop "Jail Bait."
 328 - Fine! How about "Hookers"?
 329 - You know, because you put the bait on the hook.

330 - No.
331 - Okay, you got something better?
332 - "Red and Bob's Bait Shop."
333 - I like it. It's simple, to the point and I think it will fit on a Speedo.
334 - Bob, you put my name on your crotch, I'll kill you.

4.21 Episode 21: Love of My Life

1 - Okay, don't mind us, girls, we are just prettying up the room
2 - because we're showing the house later today.
3 - The listing said "finished basement" and finished!
4 - Well, we're not going to be selling anything
5 - if we don't get rid of all this clutter,
6 - so get the hell out.
7 - I can't leave yet. I told Fez I'd meet him here.
8 - He went to the airport to pick up
9 - his best friend from back home.
10 - Oh, great, another mocha skinned weirdo in tight pants
11 - who can make any word sound like boogadaboogadaboogada!
12 - You know he is coming to cheer Fez up.
13 - The poor guy hasn't been himself since you rejected him.
14 - You know it's weird, I actually
15 - miss his chocolaty stained fingerprints on my bras.
16 - Yeah. Well, you know what? I don't want to see Fez.
17 - I mean, he called me ugly on the inside and the outside.
18 - I'm sorry, but he's just wrong about the outside part.
19 - Holy crap, man!
20 - What?
21 - Listen to this letter from my dad.
22 - "Dear valued Grooves employee,
23 - "your services are no longer required.
24 - "I've sold the chain of stores to a dry-cleaning corporation
25 - "for, frankly, a butt load of money.
26 - "You should see the check, whoooo!
27 - "I thank you for your years of dedicated service.
28 - "As of Friday, you're trespassing."
29 - Can you believe this, man? I'm out of a job!
30 - Well, how do you think Leo feels?
31 - Well, probably how he always feels. Stoned.
32 - Everyone, I'd like you to meet
33 - my best friend from back home, Andrew Davis.
34 - How do you do? It's so wonderful to be stateside.
35 - So you're Fez's friend from wherever he's from?
36 - Yes, and I know exactly who you are.
37 - You're a frigid, unpleasant woman
38 - who enjoys stomping on a man's heart for sport.

39 - You disgust me, Jackie.
40 - I'm not Jackie, I'm Donna.
41 - Oh, you are gorgeous.
42 - So, you guys are from the same place?
43 - Of course not. He's from the west side of the island.
44 - Hanging out
45 - Down the street
46 - The same old thing
47 - We did last week
48 - Not a thing to do
49 - But talk to you
50 - We're all all right
51 - We're all all right
52 - Hello, Wisconsin!
53 - You know what, enough of this jibber jabber.
54 - I brought you folks a gift from back home.
55 - Pretty good gift, eh?
56 - Take it easy, though, a little goes a long way.
57 - You know what else goes a long way, man? A lot!
58 - You know what else goes a long way? Spiders.
59 - That little guy made it all the way
60 - from the light bulb to the pipe.
61 - Way to go, Mr. Spider!
62 - Don't even think about it, Andrew.
63 - Spiders here have very little meat.
64 - Regardless, it's still so exciting to be in America.
65 - It's true what they say. The streets are paved!
66 - I'm starting to feel weird, guys.
67 - My hair is tingly,
68 - my palms are sweating and my pulse is racing.
69 - Oh, man, I think I overdid it!
70 - Stop jibber jabbering, old boy.
71 - I told you the stuff was pretty strong.
72 - Just take a deep breath and relax.
73 - Yes, I'm sure you'll be okay after a few minutes.
74 - Until then, just continue to sweat and grind your teeth.
75 - Or you can do what you usually do when you've had too much,
76 - switch to beer. Whoa, Hyde, are you okay?
77 - Of course I'm okay. It's you that's not okay.
78 - But you're me. So if you're not okay
79 - it means I'm not okay, which means...
80 - I'm going out of my freaking mind here!
81 - You're going to be fine. Do you guys think I should change my hair?
82 - Okay, well, the house is all set.
83 - Mr. and Mrs. Dubois should be here any minute.
84 - Dubois? Kitty, I don't want Germans moving in here!

85 - I think they're French.
86 - Yes, and if they buy the house,
87 - they'll give it up to the first German who knocks at the door.
88 - Okay, well, I have to get to work.
89 - Are you sure you can show this house by yourself?
90 - Kitty, I showed a Japanese soldier the inside of his own stomach,
91 - I think I can show a house.
92 - So, through there is the den, back there is the kitchen,
93 - and upstairs are the bedrooms.
94 - Could we see them?
95 - Oh, so my word's not good enough?
96 - Well, is there a bathroom upstairs?
97 - No, we just whiz off the roof.
98 - In here you got the stove and the fridge, both still under warranty.
99 - Oh, is this the kitchen?
100 - No, it's a petting zoo.
101 - There's the goat, pony ride. Oh, there's the dumb ass!
102 - In here I built a whole workbench against this wall
103 - so there is plenty of space for all your tools.
104 - Actually I was thinking I could turn it into a yoga studio.
105 - Really, and I was thinking I could turn your ass into my foot studio.
106 - Randy, what are you doing here?
107 - Your dad invited me over.
108 - I figured if you two talked, maybe you'd get back together.
109 - I mean, it didn't work for your mom and me
110 - but that was mostly because of sleeping with strangers.
111 - Oh, so all of a sudden Aunt Jenny is a stranger?
112 - Donna, I'm sure you probably don't even want to see me right now,
113 - but I never had a chance to tell you how I feel.
114 - Straight from the heart, my own words.
115 - So I made you this mix tape.
116 - "Grandma's last words."
117 - Oh, I taped over that.
118 - You really couldn't hear over the respirator anyway.
119 - Oh, Red, how did it go showing the house?
120 - Why don't you ask all the dumb asses that came through here?
121 - So, poorly then. Maybe I should show the house.
122 - I heard that you're supposed to make
123 - a home feel warm and friendly and inviting.
124 - So you should probably leave.
125 - Yeah, I just don't have the patience for these people.
126 - I hate to admit it, but I wish they were all dead.
127 - I'm telling you, Leo,
128 - yesterday in the basement I had the worst trip I've ever had.
129 - Hey, I don't care how bad your trip was, man,
130 - you better have brought me back a snow globe or something.

131 - It was a total freak out, man. I had this hallucination
132 - that everyone else turned into me.
133 - It was me and a whole bunch of mes!
134 - Was I there?
135 - No.
136 - That's it, Leo. You know what, I'm quitting the circle, man.
137 - And I feel really good about it.
138 - In fact, this calls for a celebration!
139 - I have no idea what to do.
140 - How can I turn down Jackie Burkhart?
141 - I don't even hang up on wrong numbers.
142 - Look, since there's no chance of anything with her,
143 - why are you even sticking around here any more?
144 - Well, where else would I go?
145 - Home, old boy! Come home!
146 - Home?
147 - Yeah, that's a good idea!
148 - I'll go back to Brazil and then,
149 - I'll catch a flight home from there.
150 - Oh, coming!
151 - Oh, hello there, I'm Kitty Forman.
152 - I'm so excited to show you my home.
153 - Okay, now,
154 - this is the living room where I have spent many happy hours.
155 - Not "happy hours" like at a bar.
156 - Although, I would be lying if I said I didn't try to start that up around
here.
157 - No, but I have spent many wonderful times with the kids in here.
158 - Before they moved so very far away. Oh, sad! Okay, follow me.
159 - And this is my kitchen.
160 - And this is the table where Eric would do his homework
161 - and Laurie would do her nails.
162 - You know, some people used to call her a tramp
163 - but that's not fair, there is nothing wrong with being friendly.
164 - You know, I guess the four of us will never sit here together again.
165 - Okay, let's move on.
166 - Now, this is the dining room
167 - where we'd have all our special dinners
168 - and Red's mother used to always tell me
169 - my pot roast was too dry. But what does she know, she's in hell now.
170 - You know, I always thought that I would serve
171 - dinner to my grandchildren in here.
172 - Oh, my gosh, I'm just choking up.
173 - Okay and here, okay, this is the den.
174 - Oh!
175 - And these are the marks on the wall where

176 - we measured the kids' height when they were growing up.
177 - But you'll probably... You'll just paint over this.
178 - You unfeeling bastards! Yeah!
179 - You will get this house when you pry it from my cold, dead fingers.
180 - Oh, in fact, let me show you one more thing, the door!
181 - Hey, Steven, what are you doing?
182 - I'm painting this model I just finished.
183 - I have a lot more free time now that I quit the circle.
184 - What, you quit the circle? What are you, high?
185 - I don't do that any more, Jackie. I don't need to.
186 - Now, if you'll excuse me, I'm gonna go for a jog.
187 - Oh, and if you see Mrs. Forman,
188 - can you let her know that I'll be making the salad tonight?
189 - Oh! It's you.
190 - I'm here to get some things belonging to the man whose heart you broke.
191 - Because he's packing and leaving.
192 - Now, who is this Kitty and where is her underwear?
193 - Wait, Fez is leaving?
194 - - Hmm. - Why?
195 - Oh, because of you. He is in bad shape, Jackie.
196 - What? He hurt me first!
197 - Do you know what he told me?
198 - He said that if he could go back in time and take back five words,
199 - those words would be, "Now you're ugly on the outside,
200 - "just like you are on the inside."
201 - That's more than five words.
202 - All his words run together, he doesn't know.
203 - So I said to him, "Why would you want to
204 - "take those words back?" He said to me,
205 - so he wouldn't have to go through life
206 - knowing he'd hurt the woman he loved.
207 - Oh.
208 - And you broke his heart. You disgust me!
209 - I frankly don't understand why any man
210 - would ever want to be with you!
211 - So, want to make out?
212 - So, what do you think?
213 - Look, I just... I think we both need to move on with our lives.
214 - I'm sorry.
215 - Oh, well. I gave it a shot.
216 - But you're making a big mistake, because I am the best thing
217 - that is ever going to happen to you!
218 - Really? Still nothing?
219 - So, friends then? All right.
220 - Hey, guys.
221 - What's going on?

222 - Steven, we need to talk, man.
223 - We're here because we're your friends and we love you.
224 - But ever since you quit the circle, you've changed.
225 - I mean, what's this I hear about you eating a vegetable?
226 - Look at you. Your eyes are clear, your shirt is clean.
227 - I hardly recognize you.
228 - You have a problem with drugs, man.
229 - I don't have a problem! I can start any time I want!
230 - Oh, yeah? Then why don't you start right now?
231 - Or don't you have the guts?
232 - You guys don't understand.
233 - The last time I was in the circle, I totally freaked out!
234 - I know why you freaked out, man. All your friends are leaving
235 - and the record store is closing. Your life is changing, man.
236 - See, it's not the circle that's the problem. It's that your life is crap.
237 - Oh, my God. I've been using sobriety as a crutch.
238 - I need help!
239 - We're here for you.
240 - Hold out your hands, man.
241 - I love you, guys!
242 - Red, I have bad news.
243 - The people I showed the house to, they just weren't interested.
244 - I have no idea why.
245 - It doesn't matter. The clown who does yoga made an offer.
246 - So I said, "It's a deal, you downward-facing dumb ass."
247 - Isn't it great? A month from now, we'll be in Florida.
248 - Yeah. Far away from all our family and friends.
249 - Jeez, Kitty, put it like that,
250 - we should leave tonight!
251 - Hey, there, son.
252 - WB.
253 - I guess you heard the news.
254 - Yeah.
255 - Well, I got some more great news for you.
256 - I bought a Corvette!
257 - Good for you, man. You know,
258 - you didn't have to come all the way down here to tell me that,
259 - you could have just sent it in a form letter.
260 - "Dear employee, bought a Corvette. Whooee!"
261 - Listen, Steven, that letter was just for
262 - the faceless employees that I don't care about.
263 - Hey, thanks for the letter, man.
264 - Look, I wanted to come here personally to tell you the big news.
265 - I'm giving you this store.
266 - Yes, you're the proud owner of the last remaining Grooves.
267 - Holy crap, I own this place?

268 - Yep.
 269 - You can even rename it something more
 270 - appropriate to this lily-white community.
 271 - You can call it Rhythmless or Snap at the Wrong Time.
 272 - Wow, man! It's, like, the nicest thing
 273 - any one of my dads has ever done for me.
 274 - You know, it just goes to show you,
 275 - if you sit on your ass long enough, good stuff will happen.
 276 - Yup! That is some good stuff.
 277 - I've missed you, Hyde.
 278 - Just like they always say, "Hey, Leo, how's it going?"
 279 - Son, if this is how you're going to run
 280 - this store now that it's yours,
 281 - I got to tell you, I'm going to be stopping by a lot more often.
 282 - Oh, Fez, I'm so glad you're still here.
 283 - Yes, I wanted to take one last look
 284 - at the basement before I leave.
 285 - Look, Fez, Andrew told me what you said.
 286 - And now that I know, I can't let you leave.
 287 - I'm sorry, Jackie, it's too late. I'm leaving.
 288 - And there's nothing anybody can say to get me to stay.
 289 - I want to be your girlfriend.
 290 - - I'll stay. - You will?
 291 - Yes! But I don't want to be just some rebound for you.
 292 - And I need to know that
 293 - you're not going to leave me when something better comes along.
 294 - Fez, there is no one better for me than you!
 295 - I'm just sorry that it took me so long to figure that out.
 296 - You really mean that?
 297 - Of course! Fez, I want to be with you.
 298 - And I'm so happy that we can finally be together.
 299 - Wow!
 300 - I've been waiting so long to hear those three words.
 301 - Man, I can't believe I'm not going
 302 - to be around to see you two together.
 303 - It's going to go one of two ways.
 304 - It could be a disaster or a catastrophe.
 305 - Blah, blah, blah! You always say you're leaving, but you never do.
 306 - I am serious, I'm finally going to get out of this town
 307 - and do something with my life.
 308 - Eric called, he's coming home! He's coming home!
 309 - Yeah, you're not going anywhere.
 310 - So you grew up with Fez, huh?
 311 - You know, we've been wondering something for a long time.
 312 - Where the hell are you guys from?
 313 - Isn't it obvious?

314 - Okay, just tell us what's the name
315 - of your country?
316 - Well, that depends on whether you ask
317 - the British or the Dutch.
318 - Okay, so what if we ask the British?
319 - Oh, no, no, no, no! They wouldn't tell you.
320 - They hate us.
321 - So, what if we ask the Dutch?
322 - Oh, who can understand a word they say?

4.22 Episode 22: That '70s Finale

1 - Man, the last day of the '70s.
2 - You know, thinking back
3 - it's like one big blur.
4 - You're welcome.
5 - You know, Donna, it kinda sucks that
6 - you're leaving for college today.
7 - I mean, I kinda wanted to ring in the new year
8 - by throwing out all your corduroy boy-pants.
9 - Well, classes start on Monday and Eric gets back at five,
10 - so I just wanna like
11 - get out of here before all the drama.
12 - Wait a second.
13 - If you're actually going,
14 - then who's going to be the recipient
15 - of Fez's traditional midnight feel-up?
16 - Well, I was thinking that Fez will be feeling up Jackie.
17 - I mean, she's his new victim.
18 - I mean, girlfriend.
19 - Oh, I don't know. Jackie and I haven't even
20 - had our first official kiss yet.
21 - Yeah, it's been a little hard making the transition.
22 - Yeah, I don't know what to do because
23 - now that she's not pushing me away
24 - and saying, "Get off," it's just awkward.
25 - Wait a second. Why are we wasting our time talking about this?
26 - Donna's leaving town, it's the end of the decade,
27 - we should be doing something awesome, man.
28 - Something we have never done before.
29 - Or this.
30 - Hello, Wisconsin!
31 - Wow. Wine at 11:30, huh?
32 - Did you run out of bourbon?
33 - Well, I am just a complete wreck.
34 - I've decided I don't wanna leave Wisconsin.

35 - Did you tell Red?
36 - Well, I've been trying to but he's just,
37 - he's so excited about Florida.
38 - Oh, but I've been dropping hints.
39 - I told him that sunshine makes people whistle
40 - because I know how much he wants to
41 - punch those people in the face.
42 - Steven, here's a check for you.
43 - It's for all the rents you've paid over the years.
44 - I put it into a savings account
45 - so you'd have something to get you started.
46 - Whoa! This will buy me a monster bag of...
47 - Marshmallows.
48 - Yeah, well, you're gonna need a place
49 - to live now that we're moving to Florida.
50 - Boy.
51 - It's gonna be strange selling the house.
52 - That's true. Plenty of warm memories.
53 - You morons just hung vacancy signs on your asses
54 - and my foot's looking for a room.
55 - You know, I ought to vandalize your ass with my foot.
56 - Sleep tight and don't let the bedbugs put their foot in your ass.
57 - How'd you like to own a little bit of my foot in your ass?
58 - How about I drive my foot into this thing called your ass?
59 - You know, we could call in a specialist to find my foot in your ass.
60 - My foot is about to drill a hole in your ass.
61 - And you are about to read a book that my foot wrote.
62 - It's called "On the road to in your ass."
63 - Did you ever actually do that with your foot?
64 - Once. On Iwo Jima.
65 - I can't talk about it.
66 - I love this song.
67 - Yes. It's perfect for our first real kiss.
68 - What?
69 - - Stop it. - You smiled first.
70 - Well, I was thinking about Tootsie Rolls.
71 - Fez, we're forcing this.
72 - Our first kiss has to be romantic and spontaneous.
73 - And as a guy, it's your job to completely plan that out.
74 - I hate being the guy. And not just because of this.
75 - The shoe selection is awful.
76 - Oh, Mrs. Forman.
77 - I have here something that might make Red reconsider about moving.
78 - Oh, my God. Packers season tickets.
79 - Red has been on that waiting list forever.
80 - Yeah, my grandfather was on that list for 30 years.

81 - When the tickets finally came he was 90 years old.
82 - He ate them.
83 - How did you get these?
84 - I used the cash that Red gave me.
85 - Oh, I would hug you, but I know you don't like that.
86 - Thank you.
87 - You're such a good boy.
88 - All right, Mrs. Forman, that's enough.
89 - I'll say when we're done.
90 - Jackie wants our first kiss to happen somewhere romantic.
91 - I wish I could bring her here but this place is ruined.
92 - "Michael plus Jackie."
93 - It's like going on after Sinatra.
94 - Yeah, we've had some good times up here, man.
95 - My favorite thing was watching how people got down.
96 - My beer!
97 - This is a dangerous spot.
98 - There you guys are.
99 - Kelso!
100 - Hey, man, when did you get back?
101 - Man, come on. I'm not going to spend New Year's without my friends.
102 - Come on. Besides, it's like the turn of the century.
103 - It's so good to see you.
104 - Did you just kiss my ear?
105 - A little.
106 - I liked it.
107 - Oh, I'm so psyched, man,
108 - I got this, like, four-foot bottle rocket
109 - and I'm gonna, like, tie it to my arm
110 - and light it and just blast into the future!
111 - Hey, you guys.
112 - I just thought of the perfect way to put the '70s to bed.
113 - What do you say the three of us
114 - jump off this thing one last time together?
115 - You're reading my freaking mind.
116 - All right, you guys ready?
117 - Okay.
118 - One, two...
119 - Wait, wait.
120 - I know how this works.
121 - You're gonna say three and I'm gonna be the only one that jumps.
122 - Well, if it makes you feel any better, why don't you do the counting?
123 - Yeah, that way we all have to jump. All right.
124 - Here we go.
125 - One,
126 - two, three!

127 - I just can't wait to see my Eric.
128 - I wonder what he'll look like?
129 - I'm going to go out on a limb and say...
130 - Skinny.
131 - - Hey. - What the hell, man?
132 - I thought you left for school like three hours ago.
133 - I just want to see Eric one last time, you know?
134 - Show him that even though he broke up with me that I'm fine.
135 - Mmm-hmm.
136 - Or maybe it's 'cause you still love him.
137 - You are so off.
138 - - Oh, he's here. - Oh, my God, how's my hair?
139 - - Where's Eric? - The genius missed his flight.
140 - I circled the airport so many times
141 - that my finger actually hurts from flipping people off.
142 - This is so typical of Eric.
143 - I let myself get all excited and then he doesn't even show up.
144 - You know, Mrs. Forman, I'm sorry, but your son
145 - is an inconsiderate jerk and I'm so glad I'm through with him.
146 - Yeah, things are going great in Chicago.
147 - I even taught my baby daughter how to say, "Burn."
148 - She doesn't use it right, though.
149 - I get her a lot more than she gets me.
150 - Hey, you still doing security at the Playboy Club?
151 - Yeah. I got promoted to supervisor.
152 - I'm the guy who says, "Don't touch."
153 - Can you believe that? Me!
154 - Hey, speaking of hot chicks, what's going on
155 - with you and that stripper wife of yours?
156 - Not good, man. She's gone.
157 - Apparently she's not the sweet, innocent little girl
158 - she pretends to be at the start of her act.
159 - That's bad news. I totally would've done it with her.
160 - Man, Hyde, that was right on the bone.
161 - My arm's all tingly.
162 - Just like your wife would have been
163 - if I would have done it with her.
164 - Oh, I miss this.
165 - - Moron. - Ow, ow, ow.
166 - Please!
167 - Remember that time you shot me with a BB gun?
168 - I still have the BB stuck underneath my skin.
169 - I like to play with it sometimes when I get bored.
170 - Just like I would have done with your wife.
171 - Awesome, my tooth is loose.
172 - Okay, Jackie.

173 - I think I figured out why we haven't
174 - been able to have our first kiss.
175 - We have too much history together.
176 - So, I thought that tonight it would be romantic
177 - if I rewrite some of that history.
178 - Look!
179 - Oh, crap! It was dark.
180 - Fez, this really shouldn't be this hard.
181 - Look, I just want everybody to know how much I love you.
182 - I always have.
183 - That was really nice.
184 - Yeah, you have a really strong tongue.
185 - Yeah. It's from all the talking.
186 - Just when I thought I can't like Florida any more,
187 - they reinstate the death penalty.
188 - Red, you are not gonna believe what just came for you.
189 - My Packer tickets.
190 - I know. Isn't it terrific?
191 - Fifth row.
192 - You can hear the knees blowing out from there.
193 - I can't believe I have to give them away.
194 - What?
195 - I know how much you're looking forward to Florida.
196 - I wouldn't do that to you.
197 - Red, I don't want to move.
198 - What?
199 - Well, I was gonna tell you, but ever since we decided to move
200 - you've been so happy and smiley and you're never that way
201 - except for when you kill a deer.
202 - Red, this is my home.
203 - I don't wanna leave.
204 - Kitty, we don't have to go anywhere. I don't care where I live,
205 - as long as I'm with you.
206 - Really?
207 - Of course.
208 - Red.
209 - I love you.
210 - Oh, I love you, too.
211 - I was talking to the tickets.
212 - - Hey. - Oh, hey, man.
213 - If you're looking for Forman, he's still not here.
214 - I'm not here to see him.
215 - I just wanna get drunk and ring in the New Year with my friends.
216 - Oh. Well, in that case, welcome aboard Wasted Airlines.
217 - Should you experience a loss of buzz,
218 - a beer will fall into your hand.

219 - Please make sure to drink that beer
 220 - before helping small children with theirs.
 221 - Everybody, we have an announcement.
 222 - We've decided not to sell the house.
 223 - We're going to stay in Point Place.
 224 - Hey, that's so weird, man. I was just thinking of moving to Point Place.
 225 - Well, I am just...
 226 - I'm just so happy we're staying because I would miss you so.
 227 - Like Fez, the way you and I have tea and
 228 - make fun of male ice-skaters.
 229 - And Jackie, you're such a doll.
 230 - I don't even mind your backhanded compliments.
 231 - Oh, Mrs. Forman, you're my favorite old lady.
 232 - Oh, and you too, Leo.
 233 - You always make my day
 234 - when you wave and smile hello,
 235 - even if you are urinating on my mailbox.
 236 - Oh, and Bob.
 237 - No matter what I cook, you can't pass it up.
 238 - Kinda like you can't pass up a woman's rear end
 239 - without yelling, "Whoo-hoo!"
 240 - Just being polite.
 241 - And Steven.
 242 - My second son.
 243 - I adore you.
 244 - But you know, now that we're staying,
 245 - maybe you could shave your moustache
 246 - because, honey, you look like a 40-year-old male prostitute.
 247 - And Donna, sweetheart.
 248 - No matter where you go, I will always love you like a daughter.
 249 - I am so sorry things didn't work out with you and Eric.
 250 - I think I need some air.
 251 - So, speaking of daughters, has anyone seen Laurie?
 252 - Now listen, Bob, I know that you were
 253 - counting on me for the bait shop and all.
 254 - Hey, you gotta do what you gotta do.
 255 - I'm a big boy. I can make it on my own.
 256 - I'm gonna miss you so much.
 257 - Wow, you're getting really good at this kissing thing.
 258 - It's magical.
 259 - I couldn't ask for anything else.
 260 - So when do we get to second base?
 261 - Oh, Mr. Forman, can I light this off in your house?
 262 - Sure and then I'll light my foot off in your ass.
 263 - And that, my friends, is the last
 264 - "foot-in-ass" of the decade.

265 - Cheers.
266 - Michael, it is so good to see you.
267 - The girls in the emergency room were just asking about you.
268 - You know, it's like I've been gone for so long,
269 - I almost forgot you're a hot mom.
270 - Oh!
271 - You know what else is hot? My foot when it's in your ass.
272 - Look at that. He had one more in him.
273 - Won't you let me walk you home from school?
274 - Won't you let me meet you at the pool?
275 - Maybe Friday I can
276 - Get tickets for the dance
277 - And I'll take you
278 - Happy New Year.
279 - Eric.
280 - I'm sorry I'm late.
281 - I caught the last flight out.
282 - So...
283 - Awkward.
284 - So how are you?
285 - I'm good.
286 - I start college next week.
287 - Oh.
288 - - That's awesome. - Yeah.
289 - So what, you just came back here for New Year's Eve?
290 - Look, Donna...
291 - When I left, I was so positive that I was doing the right thing.
292 - But now I've been gone so long...
293 - Eric, things are a lot different now.
294 - I know.
295 - It's just, Donna, I thought about you every day.
296 - And you know what? It turns out that Red was right.
297 - I am a dumb ass!
298 - Donna,
299 - I'm sorry.
300 - So, uh, sounds like there's a party going on in there.
301 - Yeah, there is. Your mom's like really drunk.
302 - No, really?
303 - Yeah, I don't know if I'm ready for all that.
304 - I wish there was just some way to take the edge off.
305 - Edge, you are officially off.
306 - Eric, I have the most incredible news.
307 - I have kissed Jacqueline Burkhart.
308 - Yeah, Fez, I have some incredible news, too.
309 - So has everyone else.
310 - I think it makes total sense that Fez ended up with Jackie.

311 - She started out with me, the Ferrari.
312 - And then she went to Hyde, the Mustang, and now she's with Fez.
313 - Who's like a donkey pulling a cart
314 - full of brightly-colored Mexican blankets.
315 - Oh, hey, Kelso, I almost forgot.
316 - I got you something from Africa
317 - for your daughter. Check it out. A genuine plastic rhino-horn.
318 - This is awesome. Look, guys, I'm a rhino!
319 - Guys, I think it's time we honor all the brain cells
320 - that survived the '70s.
321 - Despite our best efforts, some of those bastards pulled through.
322 - Tonight, they're going down.
323 - Die, brain cells, die!
324 - And you're next, liver.
325 - Hey, did you guys hear about that car that runs on water?
326 - It's got a fiberglass air-cooled engine and it runs on water, man!
327 - It's like we never run out of things to talk about down here.
328 - I knew you burnouts would be down here.
329 - You guys, it's almost midnight.
330 - Mrs. Forman is pouring the champagne.
331 - Hey, guys, last one up the stairs has to call Red a dumb ass.
332 - Oh, man.
333 - Ten, nine, eight, seven,
334 - six, five, four, three,
335 - two, one!
336 - It's important to me
337 - That you got to have freedom
338 - 'Cause I never want to make you change for me!
339 - Boy, we're good.
340 - We are really good.
